FIVE HUNDRED STUDENTS NEXT FALL

Sophs Entertained in Style

The social year's biggest event took place Friday evening when the Class of 1914, the Freshmen, gave their first annual dance.

The Freshman Glee is given in honor of the Sophomores. 1913 was there en masse to enjoy the enjoyable party in their honor.

The gym, decorated in the class colors blue and gold, was very effective. The refreshment booth was hidden with green and white lattice work. The buffet style of serving. Refreshments were very successfully served without the usual rush.

The balcony of evergreens set off the golden lights. Cozy corners were enviable places during the entire evening.

Class Moonlights, Senior, Junior, Sophomore and Freshmen were the distinctive features of the party.

College pennants adorned the walls of the U. N. gym. The punch was up to all requirements for an enjoyable

Block N Society Formed

The wearers of the block N meet in Morrill hall Wednesday evening and appointed a committee of varsity men to draw up a constitution and bylaws for a varsity club organization. L. E. DuBois '12, Al Myers '11, and Lester Harriman '14, were the men appointed. They are in correspondence with the varsity societies of Stanford University and the University of California. The constitution will be submitted within a week and the initial officers of the society will be elected.

The chief purpose of the organization, as discussed by the different men at the meeting, will be to foster more intimate friendly relations between the varsity men, it being well recognized that the varsity men of all

New Elective System

Most Up-to-Date System in Vogue in United States

At a meeting of the Academic Council held April 17, 1911, a system of elective in the University of Nevada was formed. The effect of this new system will be to grant more freedom to the students.

The following is the new system as adopted by the Academic Council:

The university recognizes in the period of six years, including the four years of high school work and the first two years of college work, an aim fundamentally different from that of the last two years of undergraduate college work. The aim of the first period, it seems, is to secure a broad general training; of the second period, to secure a certain amount of specialization. Furthermore, in view of the steadily increasing demand of the high schools for recognition as units more or less complete in themselves, the first two years of college work must serve as transition years, where the training will supplement the work begun in the high school and at the same time shape the work for the last two years in college. It is then desirable that the organization of the work of the first two years be as flexible as possible, and closely coordinated with that of the high school. Accordingly, the committee presents its two heads: First, that concerned with the six year period embracing the high school work and the work of the first two college years; secondly, that concerned with the last two years of undergraduate college work.

Group I—Latin, Greek, German, French, Spanish, English Language.

Group II—History, Sociology, Economics, Political Science, Psychology, English Literature.

Group III—Mathematics, Zoology, Botany, Hygiene, Geology, Chemistry, Physics.

Group II—English, a and b; Math., a and b; Language other than English, 2 units; History, 2 units; Elective, 7 units.

Group III—English, a and b; Math., a, b and c; Language other than English, 2 units; Science, 1 unit; Elective, 7 units.

Junior College Requirements

12 units from Group I.

6 units each from Groups II and III.

Military Science and Physical Culture; English I, 6 units; Elective, 30 units.

12 units from Group II.

6 units each from Groups I and III.

Military Science and Physical Culture; English I, 6 units; Elective, 30 units.

12 units from Group III.

6 units each Groups I and II.

Military Science and Physical Culture; English I, 6 units; Elective, 30 units.

FORMER STUDENT CANDIDATE FOR CITY ATTORNEY OF RENO

Roy Pike, a former student in the University of Nevada and at present practicing law, with offices in the Gazette building, is a candidate for city attorney of Reno, subject to the voice of the voters in the election to be held May 2nd. Roy Pike is a graduate of the Reno High school and was a member of the class of 1905 in the Nevada University. He was a member of the leading literary society of the college and took part in a number of class debates, helping his class to win a silver trophy in an interclass tourna-

ment during his college career. He first began the study of law while in the University and leaving the college in a time of adversity to take up newspaper work, he continued the study of law under his father, the late Judge W. H. A. Pike.

Roy Pike has always taken an active interest in college affairs even since leaving the University and has always been a willing and enthusiastic booster for all college doings, especially in the way of athletics. He always has been and is now, interested in the growth of the University of Nevada and the welfare of the students and says that he is proud that he was once registered in this university and is only sorry to think that it made it impossible for him to finish his course.

SIX-INCH BLOCK N'S GIVEN TO GIRLS

At the executive committee meeting of April 17, 1911, the following basket ball girls were allowed the privilege of wearing the six-inch block N's: Misses May Porter, capt.; Lydia Coyer, Grace Mahan, Martha Noble, Florence Bray, Leila White, Dora Nelson, Elda Orr, Frances Smith.

TRACK MEET SATURDAY, MAY 13

BOARD OF CONTROL COMPLETES PLANS FOR ANNUAL TRACK AND FIELD MEET

The annual field meet and declamation contest of the Academic League will be held at the University of Nevada on May 12th and 13th, 1911. Two entries are allowed to each school for each event. No student is allowed to enter in more than four different athletic events. No school may enter more than twelve students in the meet. In the declamation contest one boy and one girl may be entered from each school. Any public school having less than forty pupils enrolled may unite with schools of similar character in the same county and enter a composite team, provided that such union is approved by the Board of Control of the League. All entries must be sent to J. G. Scrugham, Chairman Entries Committee, 760 Nevada street, Reno, Nevada, prior to May 1, 1911. Cer-

tificate of eligibility signed by the principal of the school must accompany all entries. Entries may be substituted after May 1, 1911, only by consent of the Entries Committee.

A trophy cup is awarded for the year to the team holding the highest number of points at the conclusion of the meet.

Events are scored five points to the winner, three points to second place, and one point to third place in each event.

Reduced rates good for one week have been secured on nearly all Nevada railroads.

Board of Control—J. G. Scrugham, M. B. Kennedy, L. A. McClure, E. E. Winfrey, P. B. Kennedy, M. E. Jepson, C. Haseman, B. D. Billinghurst.

The board of control appointed the following committees with the chairman first named:

The Entrees and Field Meet Committee—J. G. Scrugham, M. B. Ken-

nedey, L. A. McClure and M. E. Jepson.

Pries, Publicity and Program—C. A. Haseman, P. B. Kennedy, E. E. Winfrey, and L. B. Patrick.

Declamation Contest—B. D. Billinghurst, E. E. Winfrey, R. C. Thompson and P. B. Kennedy.

Entertainment Committee—L. A. McClure, M. E. Jepson, S. E. Ross, R. Brown, Mrs. Kaye and Principal Ferguson.

Ticket, Sale, Gate and Auditing—M. B. Kennedy, C. Haseman, D. B. Billinghurst, P. B. Kennedy and J. G. Scrugham.

Each committee has the power to make full arrangements for its branch of the field meet and declamation contest to be held in May.

The League offers this year for the first time a badge bearing an emblem for any contestant who succeeds in making the prescribed time in any three events.

The Preparatory Work and the Work of the Junior College

It is recommended that in order to secure certain breadth of training students be required to select six units of work from each of three main groups of college courses, these groups to be designated as Group I, Group II, and Group III. Group I includes Latin, Greek, German, French, Spanish, English Language. Group II includes History, Sociology, Economics, Political Science, Psychology, English Literature. Group III includes Mathematics, Zoology, Botany, Hygiene, Geology, Chemistry, Physics. To secure a certain unity of aim it is further recommended that students be required to select six additional units from one of these three groups and to satisfy additional requirements for entrance within this group. The student must also satisfy the requirements in the departments of Military Science and Physical Culture and he must present English I, six units. Furthermore, two subjects begun in the freshman year and distributed in two of the main divisions must be continued through the sophomore year. The remaining units necessary to make a total of sixty may be chosen freely from the departments included in the College of Arts and Science. To students completing this work will be given the Junior Certificate and the title of Associate. For all three groups the student must present for admission English a and b, and Mathematics a and b. For Group I he must present, in addition, Latin, four units, and elective, seven units. For Group II he must present, in addition to the core, language other than English, two units; History, two units; and elective, seven units. For Group III he must present, in addition to the core, Mathematics c, language other than English, two units; Science, one unit; and elective, seven units.

U. N. ANIMAL HOUSE BURGLARIZED

Last week several ambitious boys engaged in a very dangerous occupation, that of stealing inoculated rabbits and guinea pigs. The loss to the department of bacteriology was not great in numbers but the experiments being carried on with animals inoculated with anthrax and tuberculosis was considerable. The chances taken by the malicious parties make it very dangerous to be repeated very soon. Anthrax is very deadly disease affecting the blood and is nearly certain death to any human who is affected by it. For these reasons the animal house near Hatch hall is a very good place to be avoided by all parties unconcerned.

UNIVERSITY TO ISSUE BOOK OF VIEWS

A book of views—all beauties—will be issued by the University before Commencement. This booklet will contain nearly 40 half-tone pictures of the finest scenes. These booklets will be sent free to all who expect to join the increasing army of "studes."

FIVE HUNDRED STUDENTS AT U. N. NEXT FALL

It is possible. Pamphlets views and registers will be sent to any student who might attend the Blue and White to gain some of the many advantages offered here.

In order to get the best results and 500 of the best students the present roster of students should unite.

The results of a united student body cannot be overestimated. Think a moment. Let each student now registered at U. of N. return next fall with two new students. Three hundred and 500 new "studes" means 700 at the very lowest. Other universities have doubled their attendance in one year. We can do it.

The Sagebrush would like to suggest a feasible plan to be adopted at an "Attendance Rally." A general assembly of all students, faculty, alumni and friends could be held in the gym

some evening. A committee could be appointed to draw up plans. We believe this plan will have the greatest effect of any plan ever instituted at U. of N.

Set your head at two new students. Then get them.

Watch us grow.

500 STUDENTS IN 1912. WILL YOU HELP?

Professors, alumni, students and friends are urged to contribute articles to the U. of N. Sagebrush. News, criticisms, stories and jokes are solicited from our readers. The only requirement we make of writers is that each article must bear the name of the writer, which we will not publish.

The editors of The Sagebrush purpose making it the most modern and up-to-date college weekly in the United States. We can only attain this end with the full cooperation of the entire student body.

EVOLUTION COURSE

On Tuesday, April 25th, the lecture will be on "Stages in Industrial Evolution." The subject of Thursday's discussion will be "The Evolution of Tools, Instruments, and etc."

FORMER MINES STUDENT NOW CITY CLERK

J. R. PARRY

Among the visitors on the campus during the past week was Julius R. Parry, for three years a member of the University School of Mines. We are always glad to see the old students up on the hill and to feel that they still remember the valued instruction received and the good times spent by them while in college.

Julius is now city clerk of the city of Reno, to which position he was appointed by the city council, some six months ago, and is a candidate for reelection to that office at the coming city election to be held on the 2nd day of May next.

The best wishes of the Sagebrush are with you Julius, and we trust you may be successful in your present campaign, and that the 2nd day of next May will find you safely ensconced for the next two years in your present position.

AGRICULTURE ISSUE IN TWO WEEKS

All Members of Club to Contribute

With the issue of May 8th the second annual "Aggie" number of the U. N. Sagebrush will be for sale. The expense of printing this issue including cuts, photos and etc, is very great. The management in order to make both ends meet will be obliged to charge 10 cents per copy.

To all subscribers who have paid up their subscription there will be no extra charge for the last two issues of this semester.

Moral—Pay your subscription.

DUNBAR MALE QUARTETTE

The famous Dunbar Male Quartette and Hand Bell Ringers will appear this (Monday) evening at the Majestic Theatre, the sixth and last in the series of entertainments given this season by the Y. M. C. A. committee.

The Dunbars are great entertainers. They carry a magnificent carillon of 180 sweet-toned bells and they have placed hand-bell ringing among the arts. Their vocal quartette work is of the best and lovers of first-class male quartette renditions will find the Dunbars all that they desire in this line.

Altogether they furnish a program full of good things which everyone will highly enjoy.

AGRICULTURAL FAIR DURING COMMENCEMENT

Farmers' Department Will Exhibit

For the stock show to be given by the College of Agriculture on the campus during Commencement Week a temporary pavilion is to be constructed between Stewart hall and the Chemistry building about where the wind testing station is placed. The structure is to be 120 feet long and 24 feet wide with provision made to show horses, dairy and beef cattle, hogs and sheep. The construction is to be in a Pergola style using 4 by 4 in the rough, except that the lower three feet will be boarded solid. An eight-foot alley will extend through the entire length of the building and three entrances, one on the north, south, and east, are to be provided. The pergola rafters will be covered with pine boughs. The stock to be shown will be largely those that won the 48 ribbons and eleven gold and one silver medals at the California State Fair in 1910, and the exhibit will surely prove interesting and instructive.

This plan of the Agriculture Department of the U. of N. is a novel one, never having been carried out at any other university or college.

The Agriculture Club will assist in the demonstration work.

SIDESHOWS WILL BE FEATURE OF CALIFORNIA CIRCUS

Monster Parade Planned for Entertainment of Athletes in Afternoon

To provide entertainment for the hundred or so high school athletes who will be guests of California at the first Interscholastic Track Meet which will be held on the campus April 28 and 29, extensive plans are being made by the committee, of which L. A. Watts '12 is chairman, for the circus to be held on the evening of April 29.

Immediately after the field day in the afternoon, a monster parade will be held in which, besides those who will take part in the circus, a large number of students will participate. The parade will be divided into a number of divisions, the composition of which has as yet not been announced.

Arrangements have been made with the Cadet Band to furnish the music both for the parade in the afternoon and the circus in the evening.

Besides the performances at which an admission fee will be charged, there will be the added attraction of a big free show, which will be given on a platform to be built at the north end of the field. This will begin at 7:45. As the primary reason for this circus is for the entertainment of the visiting high school athletes, they will be admitted to everything on the field free of charge.

AGRICULTURAL DEPARTMENT TO ISSUE PAMPHLET

Will Contain Many Pictures

Within a week or two the Agricultural Department of the U. of N. will issue a pamphlet for distribution to all prospective students. This booklet will be very interesting and instructive. The results of many experiments will be shown in tabulated form. Livestock judging class will be shown, together with classes in Farm Mechanics.

Many short articles on the progress of the department, the improvements contemplated and a list of the students in agriculture will be published.

REPORT OF GRADUATE MANAGER FOR APRIL

COMMENCEMENT NUMBER NEARLY PLANNED

Will Contain History of Class

May 15th is the date. Yes, it will be a "hummer." Eight pages, a biography, and all the notes of the 1910 class will be in the last issue of the present management.

This issue will be one of eight pages and will justly deserve the attention of each and every person connected with the University of Nevada.

The management will mail to any address in the United States one copy of the "Silver Jubilee Sagebrush" for the huge sum of 10 cents. Order early,

FACULTY SCIENCE ASSOCIATION

The next meeting of the Faculty Science Association will be held on Monday, April 24, 1911 at 4:40 p. m. in the lecture room on the first floor of the Mackay Mining building. Mr. S. E. Ross will address the meeting on Helix Chemica, a new periodic arrangement of the chemical elements. Everybody welcome.

THE PREP ANNUAL

This year the Preps are going to get out a Prep Annual, and thus establish a custom which now exists in other high schools in the State but not in our own.

The editorial staff has been chosen with great care and fore-thought and it is composed of students who will put forth every effort to make this paper a success.

Miss Frances Smith is editor in chief while Archie Trabert is assistant editor; Lutitia Winn, Emma Munk, literary editors; Leila White, girls' athletics; Alice Stevens, Helene Reed, society; Edwin Krall, Harry Hovey, Josh; Ernest McLean, boys' athletics; Joe McDonald and Jimmy Curtin are business managers.

With such a staff as the above named in charge the papers is bound to be a success. Anyone who knows anything or has heard of anything that will be of interest or use please hand it as soon as possible to one of the editors, so there need be no delay in getting the material into shape.

This Prep book will be a good keepsake and a pleasant reminder of the students who are at Prep this year, and the things they did.

The book will contain stories, joshes, history of literary societies, cuts of buildings on the campus and of high school teams and graduating class, history and prophesy of the graduating class of 1911.

Students get out and work for your paper. Do everything you can to make this a success.

Preps Hold Declamation Tryout

"Flossie" by A. Miller was good and showed preparation. Mr. Miller delivered his piece in a good manner. The piece by Bertie Axt, "The Face on the Barroom Floor," was an excellently delivered piece and the naturalness in his delivery made one almost think he was among the bystanders in the barroom. The only girl in the contest, Miss Eleanor James, spoke a well prepared piece. In fact her piece was excellent from beginning to end. Mr. James Curtin came next with "The Death Bed of Benedict Arnold." Mr. Curtin's rendition of his selection was exceptionally well done, and Jimmy proved a very forceful speaker. Fred Henriques spoke "William Tell," and spoke it admirably too. One could almost see the cruel king and William as they were speaking to each other. This ended the contest and the judge's report was heard. Miss Eleanor James and Bertie Axt were awarded the places.

There seems to be several bad colds on the campus. Too bad people can't grow up enough to escape that childish thing, whooping cough.

How They Ask Questions

Freshman—I beg your pardon, but I don't understand you?

Sophomore—I don't understand you.

Junior—What?

Senior—Huh?

Pickett—Waiter, are you allowed to take tips?

Waiter—Yes sir.

Pickett—Well, bet on our track team to win the field meet.

High School

Boost for the "Annual."

"Good a one" Joe. Where did you cop it?

Senior class attention! Bring your money so class pins can be sent for.

You had better put in your order for the Prep Annual or you will get left.

Hurry and get in your material for the Annual. We have but little time left, so please get busy.

The Junior class was organized during the past week. Miss Gabrielle Anderson was elected president.

The Seniors work will come to an end May 9th. Just two more weeks of High school life then Freshies we will be.

Miss Leila White remarked in virgil Thursday that she had only gotten as far as the mistletoe. What do you mean Leila?

Will the Freshman and Sophomore classes please organize so we will be able to put the names of the class officers in the Annual.—Editor.

One day in Physical Culture the girls of the High school class had a dress parade. Evidently practicing for the entertainment which is to come during commencement week.

The Senior class has been having quite a number of class meetings during the past few weeks. The officers have been elected, pins selected and colors chosen. A committee is now working upon a suitable motto.

The H. H. Howe Literary Society did not hold its meeting Friday evening, but will meet next Tuesday afternoon, room six. As some of the best talent in the society is on the program the meeting will prove to be an interesting one. Everyone is invited.

A report states that the members of the Adelphi Literary Society are going to hold a jollification meeting in the gym April 28. Banquet games and dancing will be the order of the evening. None but members of the society will be admitted. Rather mean aren't they?

The following is the program rendered by the Adelphi Literary Society Tuesday: Music, Dorris Taylor; Declamation, Helene Reed; Personal Experience, Alice Stevens; Original Story, Dora Nelson; Nominating Speech, H. McCormack; Recitation, Donna Cottrell; Debate—Resolved That Capital Punishment Should be Abolished. Aff.—Harry Noyes, Alma Wilson. Neg.—Chester Morrow, Irene Baker; Reading, John Stubbs; Current Events, Leiland Brown; Recitation, Cherrie Perkins; Paper, W. Cassenilli, Grace McVicar; Reading Gladys Brake.

On Friday the 14th a very merry gathering of the members of the Senior class was held at the pleasant home of Miss Luitia Winn, on North Virginia street. The evening was spent in playing games, singing and reciting. "The Star" by Miss Nettie Harris, and "The Face on the Barroom Floor," by Bertie Axt were greatly appreciated by those present. The class colors were used in many ways in decorations. At the close of the evening dainty refreshments were served and tiny yellow chickens were pleasant reminders of the Easter season. Those present were Misses Leila White, Alice Young, Nettie Harris, Gabriella Anderson, Maud Goodhue, Edith Hubbard, Emma Munk, Katherine Rannels, Frances Smith, and Messrs. Archie Trabert, Edwin Krall, W. Painter, Dick Randall, Bertie Axt, Joe McDonald, Frank Wilkins, and the hostess. At a late hour the company departed, all voting Miss Luitia a very charming hostess.

Among the graduates and old students who attended the Freshman Glee on April 21st were: A. V. Doane, '08; Cecil Allen, ex-12; A. J. Frolich, ex-06; Irene Brown, '09; Alfred Sadler, ex-03; Madge McMillan, Helen Pickett, J. A. Miller, '10; W. H. Goldsworthy, '10; Alice O'Brien, '10, and Ione Talbot.

High school girls, why don't you get out and help Reno High girls out in their preparation for the Berkeley High game. Have you forgotten their kindness to you during the past season, and your promise to them in regard to that help? Show your spirit and honor by coming out to their next practice.

The U. of N. Normal students entertained the 1911 graduates, Miss McNamara, Miss Meriardo and Miss Duncan and Professor Adams at an enjoyable luncheon in the Domestic Science Department on Tuesday of last week.

The many friends of George R. Hubbard, '13, "Mother" will regret to learn that he has left college to accept a position with a surveying party in southern Nevada. The Sagebrush joins with "Mother's" many friends in wishing him the very best of success.
