

## Eastern Trip of Practice Game Glee Club Big Success

TOWNS VISITED DECLARE SHOW  
BEST OF SEASON—FINANCIAL  
RESULTS SATISFACTORY

HIGH SCHOOL ENTERTAINED

STUNT MEN CARRY OFF HONORS;  
WALKER, FERRIS AND ROSE  
IN BIG DEMAND

The Glee club returned home Saturday after a very successful tour through the cities of eastern Nevada. All of the boys declare that they had a great time but are glad to get home for a full night's sleep. The good people of the towns visited all entertained the club so strenuously that there was not time left for slumbers. Following is a member's account of the tour:

The club arrived in Lovelock about eleven o'clock and made their headquarters at the Hotel De Fuss. After lunch the splendid new high school building was inspected and a sample of the club's harmony dispensed to the students, both of the high school and the grammar school. The boys also had an opportunity of seeing Edwina O'Brien, '14, guiding the destinies of a score of small boys and girls along life's path.

The concert in the evening was attended by a good audience, which seemed to appreciate the efforts of the club. Following the performance a small dance was held but soon broke up. The bunch gathered at the "Chink" cafe and proceeded to liven things up with the mandolins and with songs while the egg sandwiches were being served. About this time "Curly" Davis was missed. Consternation prevailed up to train time the next morning, because "Curly" could be found nowhere. Just as the train started for Winnemucca we saw the lost one sprinting for the train, while some fair little Lovelock beauty waved a farewell from the front gate.

In Winnemucca the club was met at the train by a bunch of old Nevada students, who gave us a rousing reception. We had a fairly good house for the concert, which received our songs enthusiastically and encored some of the numbers several times. After the concert we were treated to a dance which was provided through the efforts of "Dutch" Robbins. Thanks, Dutch, we had a great time. After the dance we all were invited to the Langwirth's, where an appetizing spread was served to us. Following the spread steps were taken by the alumnae and former Nevada students present to form a Nevada club similar to the one formed in Elko a year ago during the Glee club's visit to that city. The members of the various classes present gave their yells and good old Nevada spirit reigned supreme. Mrs. Adamson, '96, gave the yell of '96, which was the first class to have a distinctive yell at Nevada. We arrived at the hotel at three a. m. and left word at the desk to be called at six.

In Elko we met a lot of old Nevada men at the train, among whom was Peter McKinlay, the club's former veteran basso. We soon found him some togs and practiced him up a little, so that he could sing with us that night. Before lunch we visited the high school, where we met Professor Earl Ross, president, former Nevada Glee club man. We had to shake left hands with the professor, because some young Elkoite under the tutoring of Prof. Ross had become fractious, and evidently the learned gentleman had chastised him severely, because the right hand was entirely covered with bandages. Someone said that the urchin had slipped a geography into his trousers before the chastisement.

The concert in the evening was managed by the Nevada club and was very successful. The Hotel Moyer

## Practice Game Won by Varsity

SATURDAY'S CONTEST WON BY 8  
TO 0; BIG LEAGUE MATERIAL  
PROMISES WINNING SEASON

Saturday afternoon the Nevada Varsity played the first scheduled practice game of the season against the local high school nine. To say that prospects for a winning team this season are bright is putting it only too mildly; even at this stage of the season a good, well rounded team seems certain. The infield Saturday worked in mid-season big league form, with big Cy Young at third base playing a star game.

For the high school Earl Holtham, of the Varsity squad, pitched a rattling good game for his initial appearance. His good control and quick curves had the opposition working hard to keep their batting average for the day above the zero column. In only one inning did he ease off a bit, letting in five runs before he again tightened up.

In the fifth inning Talmage, the first man up, drew a walk, stealing second with the aid of a Ty Cobb hook slide. Abbott then began the batting fest, sending a single through second base territory, Talmage scoring on the hit. Bacon singled to right, Abbott reaching third on the throw to first. Sheehy then cleaned up the bases with a long triple to center, and scored on Young's single through second base. Young then proceeded to steal both second and third, showing good speed en route. Malone went out on a short fly to center. Dunkle then drove out a two-bagger, which tallied Young with the fifth run. Ferris was thrown out at first base, and Fake fanned, ending the inning. Five hits, five runs, one error.

For Nevada, Ferris did the slab work, with Talmage receiving behind the bat. No runs were made off the Monk's delivery, though he was not working over hard at any time. Perfect support, with good batting, tells the story of the game.

In Holtham and Ferris, Nevada has two pitchers fit to oppose any team. Talmage handles himself behind the bat like a veteran, and with Holtham should make a battery hard to beat, since they played together through their prep years. Cy Young at third is a find; he covers plenty of territory and handles the ball in good style.

The remainder of the infield positions are well filled with veterans from last year's team. Sheehy at short and Abbott at first are playing good ball; at second Moore and Fake are contending for the position. The outfield is well taken care of by Captain Bacon, Malone, Fake and Reilly, though there are several promising contenders for positions. Hendricks has shown up well at first, and may win out at the initial station, though Abbott is at present showing better form. The Saturday lineup:

Nevada—Talmage, catcher; Ferris, pitcher; Abbott, first base; Dunkle, second; Sheehy, shortstop; Young, third base; Fake, left field; Captain Bacon, center; Malone, Reilly, right field.

Umpires—Eddie Mason, bases; Fitzgerald, strikes.

### MODEL BEARINGS

Several models of Hyatt roller bearings, of advanced construction, have been received by the Mackay mines department. A commercial type, high duty mine car bearing, and a line shaft bearing are of especial interest, because of their unique construction.

Fox-Trot Sundae 15c, at the Fountain, Dalton, Cliffords and Wilson Co.

## Baseball Saturday Nevada vs. Davis

## Nevada Plays Davis Saturday

SPEEDY GAME ASSURED ALL WHO  
ATTEND; NEVADA TEAM LOOKS  
STRONGEST YET DEVELOPED

Workouts for the Varsity nine show a continued improvement as the sore arms and Charley horses leave the various afflicted ones. Infield practice is one snappy combination of clever plays; the infield is one of the strongest Nevada has seen for many a day. Young at third base has his position safe already; he is playing a game that makes the difficult corner look easy.

The latest addition to the infield is Pete Stewart, who is trying out at second base. It was feared that second base would be the weak spot on the team this year, but from the class displayed by the latest contender the second station seems safe. An injured ankle received in the St. Ignatius basket ball game prevented Stewart's signing up earlier for the diamond tryouts.

Wilson Malone, who was one of the leading candidates for an outfield position, has left school to take a position surveying at Constancia, near Pyramid lake. His strength at the bat will be missed considerably by the team, though there are several other rather promising candidates.

The first scheduled game of the present season is to take place next Saturday, when Nevada meets the Davis nine on Mackay field. A good live contest is looked forward to, for the California team has been playing good ball lately, as has Nevada.

The competition to be gained from this game is sure to prove of value in the game the week following, when the California freshmen are to be played.

A game with the California and Stanford varsities is promised as a reward if the Davis and California freshmen teams are defeated. With such a stimulus, big league baseball is expected.

The probable lineup for next Saturday: Talmage, catcher; Holtham and Ferris, pitchers; Abbott, first base; Stewart, second base; Sheehy, shortstop; Young, third base; Fake, left field; Bacon, center field; Reilly, right field.

### MINING STUDENTS REGISTER

One undeniable result of the miners' short course recently completed is the enrollment of four of the students in the regular mining course. Quite a few more would have enrolled if circumstances allowed, for they surely appreciated the work they were able to take up in the short time allowed them.

The work taken up by the new students is for the most part of a more practical nature. Assaying, mineralogy and geology seem to be the most popular courses, though more theoretical work is also taken.

## Track Schedule Now Complete

DAVIS MEET IS FIRST VARSITY  
CONTEST FOLLOWED BY  
BERKELEY EVENT

Under the watchful eye of Coach Glasscock and Captain Ogilvie, some forty track men are going through the daily grind preparatory to the final tryouts. Owing to the condition of the track, little heavy training has been done as yet, but with the completion of the repairs which are now in progress, regular work will be taken up.

Next Saturday a regulation distance track and field meet will be held. Full distances will be run, and the results will carry weight in the final team selection.

On April 3 an inter-class meet is scheduled. In years past this meet has proved a rather blood-thirsty affair, and has produced almost as good records as are made in the varsity meets.

The first outside competition will be furnished by Davis Agricultural College on April 10. The meet will be staged on Mackay field, and should give a good idea of the relative strengths of Nevada and her four rivals on the coast.

St. Mary's, Santa Clara, Davis, the California freshmen and Nevada are to contest in a five cornered meet on April 24. This meet should prove the most interesting one of the season, since it is the first time the five named will meet in an all round competition of this kind. The new California oval will be the scene of this meet, which has been arranged by Graduate Manager Stroud, of California.

The intercollegiate conference meet will be held May 7 and 8 on the same field. To enter this meet certain standards of track work are required. The times and distances are arranged each year by the committee in control, so that only the pick of each college is eligible.

## Faculty Club Hears Lecture

PROF. SAMUEL B. DOTEN DE-  
LIVERS INTERESTING TALK  
ON INSECT PHOTOGRAPHY

"Flash Light Photography of Living Animals" was the subject last Thursday morning of one of the most interesting talks yet delivered before the Faculty Science club.

Prof. Samuel B. Doten, director of the experiment station, is a recognized authority on such entomological subjects, and his own improvements in the photographic art place him in nation wide prominence. A specially bright incandescence is produced by passing a high current through a specially prepared wire, which burns and produces the light for the high magnification necessary.

### LEGISLATION TO BE URGED

A meeting of the Nevada State Bee Keepers' association was held during the past week in Hatch station. George Schweiss, of the department of entomology, is vice-president of the association, and presided over the meeting. Proposed legislation now up before the assembly was discussed, and plans were perfected to further the interests of these bills.

## A. S. U. N. Meeting Friday at 11 a.m.

## Three Nominated For All Coast Honor Five

NEVADA PRACTICALLY SURE OF  
GAINING TWO PLACES ON IN-  
TERCOLLEGIATE TEAM

McCUBBIN ASSURED PLACE

HENNINGSEN AND SHEEHY ALSO  
NOMINATED BY COACH  
ROSS

According to the rules of the Nevada-California Intercollegiate league, Silas Ross has sent in the names of the three men he considers best fitted for places on the all-coast basketball team.

Only two men can be selected from each team of the league, according to a league rule, which is the only reason preventing Nevada from getting at least three men on the honor five.

The first named, McCubbin, is practically sure of his position on the team. Throughout the season he played a star game, both in floor work and basket-shooting. His long shots became a by-word in the games played on the coast, for practically every open shot he tried, whatever the distance, he converted into points.

For center Henningsen was named, and little doubt is entertained as to the probability of his getting it. In the second game of the season, against Stanford, the big fellow so clearly outplayed his all-star opponent that no comparison was possible. In every game played he was the pivot of every piece of teamwork, starting the play from center, where he rarely lost the ball, and doing his share in scoring. In four games played he made the highest average of field goals converted.

Rich Sheehy, the fighting forward of the Blue and White five, and all-star man from last year's team, is named for a forward position on the big five. His fine team work and dashing playing account for this. Up to the Stanford game Rich was playing brilliant basketball, but the injuries received in that contest seemed to slow him down somewhat.

California and Nevada are practically sure of getting the two man limit on the All-Coast, with the probabilities favoring Stanford for the fifth place.

## Seniors Plan Some Show

GRADUATES OF 1915 WRITE PLAY  
AND PREPARATION FOR PRE-  
SENTING IT IN APRIL BEGUN

The Layman home was the scene of an enthusiastic gathering of the Senior Class last Sunday. The meeting was for business and much was accomplished along different lines. The most important outcome of the meeting was the final decision to revive the old custom of presenting a senio-farce before commencement. The play, written by Miss Marzen, Miss Bird and Tom Walker was selected and active practice will begin next Monday.

General Jack O'Sullivan will coach the play and has some excellent material to work with. The General has coached many of the plays presented by the University and by different organizations in Reno, and has always made a hit with them. Joe McDonald was elected manager and has started an earnest advertising campaign to secure a large audience. The details of the play and its official name will be given in a future edition of the Sagebrush.

The class also appointed committees to select a suitable memento to be given to the University, and to make arrangements for other commencement details.

Another meeting will be held Thursday night, March 18th, at 7 p. m., at the home of Miss Josephine Williams.

**EDITORIAL**

**STUDENT CONTROL**

Next Friday the most important amendment offered in recent years to the A. S. U. N. constitution is to be voted on. Its full text is as follows: An amendment to Article VII, Section 2, by addition of Paragraph 8, as follows:

8. The names of all members or candidates for any office in the A. S. U. N. excepting the office of Graduate Manager, shall be submitted to the Scholarship Committee of the University for their approval in scholarship. If any candidate fails to receive the approval of the Scholarship Committee, his or her name shall not be placed on the official ballot. In such cases as those covered in Article XII, Section 2, the candidate shall have the same qualifications as a candidate at a regular election. When appointing men or women to any office in the A. S. U. N. the Executive Committee shall submit all proposed names to the Scholarship Committee, for its approval in scholarship before making any selection. The Executive Committee of the A. S. U. N. shall be empowered to carry out the provisions of the above article.

On the whole, the idea of a scholarship standard, and a high one at that, for all prospective A. S. U. N. officers is most reasonable and to be commended. The University is fundamentally an educational institution; to elevate to high places the indifferent student would be to place a premium on ignorance.

More midnight oil would be consumed if the student saw more high marks as a reward for his labor.

Not many months ago this University considered definite plans for a form of student self-government. The idea had the full consent and backing of the University authorities, and was doubtless a worthy one. Blind prejudice to the backers of this movement, it is admitted, prevented its adoption. The Student Body desired self-government then, and does yet, but they were swayed then by personal animosities.

Has the Student body of the University of Nevada so lost interest in its most vital affairs that it is willing to admit its inability to handle them properly, and let the faculty do so? We think not. Any return to absolute faculty control, even though that faculty be as broad-minded and generous as our own, means a taking away of the spirit of responsibility for student actions, which is recognized as the one thing college students need.

Make a man, or body of men, responsible for their own well-being, and they will govern their actions for better than when ruled paternally, no matter how wisely.

To let the scholarship committee pass on the eligibility of student officers would doubtless result in the selection of satisfactory nominees. We believe that a student board, duly selected from the student body at large, could do the same work in a manner far more satisfactory and avert possible controversies.

**SPRING**

We fain would write a little lyric on the spring; admittedly, tis here; there flits a little birdy on the wing;—lest the linotype operator gets disgusted with this near-poetry, and quits, I'll change the subject.

Don't you feel the snap and tingle in the air You don't? Then go out on the Mackay bleachers any afternoon and watch the spring workouts of the track and baseball men.

Around th track the men spring lightly; everything is motion, color and life; the spirit of joyous work and doing things for old Nevada fills them all. Get in the game, ye self-centered ones, and taste the joys of spring's live labors. Get out for track or baseball or whatever you like best; spring football practice starts tonight.

If you don't like the outdoor work, or haven't time for it, lend your moral efforts for the good of Nevada U.; get behind the teams and give them the solid backing they deserve. Nevada is going to excell this spring in all branches of sport; get out and get the spring work-fever with the rest.

**ANNIVERSARY CEREMONIES AT CARSON SUNDAY**

At the anniversary ceremonies held last Sunday in Carson, the University of Nevada was well represented. After Governor Emmet D. Boyle presented the Lincoln portrait to the state, the University Glee Club sang a number of patriotic songs to the very appreciative audience.

Miss Adele Norcross then read "The Perfect Tribute," gaining many compliments for her splendid rendition.

Many comments were made on the part the University is playing in public ceremonies, and they were all of a complimentary character.

**Eastern Trip Big Success**

(Continued from Page One)

was the scene of a merry banquet given to the Glee boys by the Nevada club. President Hendrick was present and delivered an address relative to how the alumni could help their Alma Mater. Dean Scrugham and Dean Knight, also represented the University. The club was entertained for several hours by music and witty speeches and by a banquet that words cannot justly describe. We certainly appreciate the good time the Nevada Alumni club gave us in Elko.

Five of the boys caught the early train for Wells, where they prepared the theater for the show in the evening. The rest of the club arrived at noon and spent the day resting from the previous two nights' strenuous hours. A good crowd was present at the concert and a little dance was held after the show. Seven of the fellows caught the train for Reno Thursday night and the rest came home Friday, all voting a good time.

**Fred Dann Moves Studio**

Almost twenty years ago Fred Dann, proprietor of the Riverside studio, opened the first photo studio in Reno, in a tent on Virginia street, near the Truckee river. In the course of time his business grew and he moved into the building at the corner of Second and Virginia streets, where he has enjoyed a prosperous business for ten years. The old students of the University all know Mr. Dann, for he has been photographer for the Artemisia

fifteen years out of the twenty that he has been in business. The necessity of a modern building at the corner where he has been located forced him to move and he has opened up a more commodious studio at 228 North Virginia and he now has everything in readiness to serve the public in the same affable manner.

**UNIVERSITY FARM LEASE BILL PASSES SENATE**

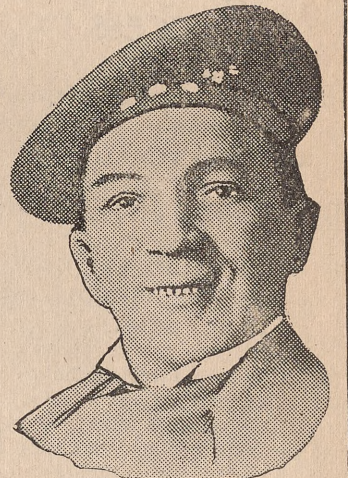

CARSON CITY, March 15.—The senate today passed the bill for the leasing of a farm for the university. It carries an appropriation of \$10,000.

**Harry Lauder**

World-famous Scotch Comedian, says:

"Tuxedo for mildness, purity and fragrance, THE tobacco for me. With my pipe filled with good old TUXEDO, all my troubles go up in smoke. In all my world-wide travels I've yet to find its equal as a slow-burning, cool-tasting, sweet-flavored tobacco. TUXEDO satisfies me completely."

*Harry Lauder*

**Tuxedo Keeps the World in Good Humor**

Here is the man whose life work is to make millions of people happy. In pursuing his call, he travels the wide world over. He is a great lover of his pipe, and in all sorts of corners of the earth he has tried all sorts of tobaccos.

What is his unqualified statement in regard to Tuxedo? Read it again: "I've yet to find its equal." This is the frank and candid opinion of thousands and thousands of experienced, judicious smokers. Tuxedo is absolutely the best all-around tobacco that modern tobacco science can make.

**Tuxedo**

The Perfect Tobacco for Pipe and Cigarette

Uncorking a tin of Tuxedo is like lifting the lid on concentrated sunshine. And then, when you fire up! Well! The first puff's a revelation, the second's a revolution, the third just gets you happy-like! Then you're off—just as sure as you'll see the green grass and hear the birds sing next Spring.

The exclusive "Tuxedo Process" brings out the unsurpassed mildness, delicate fragrance and mellow flavor of the Burley leaf in a way that has never been successfully imitated. At the same time it refines the tobacco until every trace of harshness and "bite" disappears.

## Season's Report Shows Standing

### INTERCOLLEGIATE BASKETBALL LEAGUE SECRETARY FILES REPORT OFFICIAL RULINGS

Gerald Beaumont, secretary of the Intercollegiate Basketball league of California and Nevada, has submitted the following annual report:

Gentlemen: Herewith find my annual report as secretary of the Intercollegiate Basketball league of California and Nevada. The second championship race which started January 23, ended February 27, at Stanford, with California winning out, and finishing the schedule with an undefeated record and a percentage of 1000. St. Mary's college, last year's champions, finished in fourth place, while Nevada improved her standing to second, and Stanford finished in third place. St. Ignatius and the College of the Pacific found difficulty in obtaining seasoned material, the former institution being handicapped considerably by the league ruling disbarring three players who were expected to strengthen the team measurably.

The official record of results and the official standing of the teams at the conclusion of the schedule is as follows:

January 23 at San Jose, St. Ignatius 25, College of Pacific 32.

January 27 at Berkeley, St. Ignatius 13, California 31.

January 30 at Reno, St. Mary's 24, Nevada 27.

January 30 at San Jose, College of Pacific 34, Stanford 36.

February 6 at San Francisco, Stanford 24, St. Ignatius 19.

February 6 at Oakland, St. Mary's 43, College of Pacific 21.

February 12 at Berkeley, California 39, College of Pacific 14.

February 13 at Reno, Nevada 47, Stanford 29.

February 13 at San Francisco, St. Mary's 27, St. Ignatius 15.

February 17 at Berkeley, California 28, Nevada 17.

February 18 at San Francisco, St. Ignatius 23, Nevada 30.

February 19 at San Jose, College of Pacific 26, Nevada 29.

February 19 at Stanford, St. Mary's 25, Stanford 23.

February 27 at Stanford, California 38, Stanford 28.

#### STANDING OF THE TEAMS

Clubs.	W.	L.	Pct.
California	5	0	1.000
Nevada	4	1	.800
Stanford	3	2	.600
St. Mary's	2	3	.400
College of Pacific	1	4	.200
St. Ignatius	0	5	.000

California, champions for 1915, will be presented this week with the handsome silver trophy donated by the Oakland Tribune. The presentation will be made by Gerald P. Beaumont, sporting editor of the Tribune and secretary of the league.

Chiefly through the instrumentality of the league, basketball enjoyed its most successful season this year. The attendance at the games was uniformly good and the interest lively. So far as your secretary has been able to ascertain, no institution lost financially on the Nevada trip and managed to pay expenses of the visiting clubs throughout the schedule. There seems every reason to expect the sport to increase each year in interest, as it still remains the only intercollegiate sport not dependent upon the weather.

During the season just passed the question of eligibility developed and threatened to cause some embarrassment but the difficulty was smoothed over at a meeting of the league when the following ruling was adopted:

"No player shall be allowed to compete in the intercollegiate basketball league who has during the current college semester or previous college semester (unless registering for the first time) represented a team other than his college, or whose satisfactory scholarship standing is not certified to by the faculty of his institution."

In the judgment of your secretary, the referee question represents the one unsatisfactory feature of the league at present, and this question should be discussed carefully at the next meeting. It would seem that the only satisfactory solution will be to select official referees for each game prior to the starting of the schedule—say three men to referee all games and the league to pay their traveling expenses and fees.

The respective managers should have sent in official reports of games and individual records, for your secretary has been compelled to obtain

The Reno Jewelers

Friday evening Maple Hall was the scene of one of the prettiest parties of the year when Mrs. Williams and Miss Josephine Williams entertained Delta Delta Delta, and a few other friends. Dancing began at 8:30, and through all the lively dances on the dainty hand-painted program a charming air of informality prevailed. At midnight the guests repaired to the Williams home, where tempting refreshments were served, after which songs were sung, and reluctant good nights were said, closing a wonderfully happy evening which will be long remembered. Those present were: Misses Nan Coon, Vera Lemon, Mary Raitt, Edith Mack, Ruth McKissick, Elsie Humphreys, Lucille Gallagher, Dorris Taylor, Leila White, Agnes Constable, Pauline Donlin, Vivian Engle, Gladys Hofer, Dorothy Hempton, Emma Lou Sieger, Georgie Young, Adele Norcross, Vivian Butler, Ruth Miller, Grace Myers, Corra Down, Lysle Rushby, Scott, Mildred Bray.

Messrs. Ted Wolford, Basil Crowley, Jack Pearson, Elmore Abbott, Albert Jackson, Nick Dondero, Ralph Hendricks, Archie Trabert, Claude Wheeler, Bob Donovan, Adelbert Pflaging, Edwin Bender, Louis Vogt, George Ogilvie, Leslie Johnson, Nick Franco-vich, Vernon Organ, Sol Cazier, Harper Neeld, Gardner Chisin, W. Jones, Lloyd McCubbin, Wilfred Wiley.

such information himself without assistance from the league members except in one or two cases.

I would now suggest that each manager mail to the secretary his nominations for first and second all-star teams, basing his judgment on records made by his team and those which opposed them. A short explanation should accompany each nomination. Your secretary will then pool the nominations and report the result. This should be done right away so that the basketball guides may be furnished with the season report. Any team pictures available should be sent to the secretary for publication in the basketball guides.

Respectfully,  
G. P. BEAUMONT, Secy.

### "WHO'S WHO IN NEVADA"

In an article published in last week's Sagebrush, entitled "Who's Who in America," the names of two present professors and two recently connected with the University of Nevada, were inadvertently omitted. The names omitted were those of Profs. Frandsen and Doten, who are both widely known and honored for their achievements in their respective branches of scientific work.

Profs. Young and True, formerly of the Nevada faculty, are also listed in this dictionary of American notables.

With Prof. James E. Church, Jr., and Prof. L. W. Hartman of the Physics department, this completes the list of Nevada University representatives.

The original item was taken from an eastern Nevada paper, which credited the University with only two members. As the Sagebrush libraries do not at present contain a copy of the book in question, we had no way of verifying the facts. We take pleasure in making this correction, thereby adding to Nevada's fame in claiming these notables as her own.

**Track Work Receives Impetus**

PROF. ROSS OF ELKO HIGH SCHOOL INSTILLS PEP IN MEN AND PROMISES SOME TEAM

That the average high school in Nevada is capable of putting out a track team that will compete favorably with the larger high schools of the state in the annual interscholastic meet, provided that the powers that be in the schools are willing to take the initiative and spend a little time in encouraging the students to make some effort is clearly shown by the following clippings from Elko papers.

Earl T. Ross, a Nevada graduate last year, is indeed showing the proper pep in getting the students together, and he will put Elko High among the winning class again, after three years in which they failed to send a team to the annual meet.

Arrangements are being made for the first annual track meet of the Elko County Athletic association to be held in Elko on April 23 and 24, and it is expected that practically every high and grammar school in the county will participate. Some time ago a meeting was held and the following committee was elected, in whose hands the arrangements were placed: Earl

T. Ross, Supt. Geo. Anderson, Raymond Thomas, Prof. McWhinney, and Prof. Jensen.

Mr. Ross was elected secretary and he is doing active service in awakening interest in the outlying schools. We understand that all pupils in the grammar and high schools of the county will be eligible except those of the Elko high school, as owing to the fact that they have a special instructor it would be unfair to the other schools.

Medals will be given to the three contestants making the best individual record in all events, the first prize to be a large silver medal, the second a small silver medal and the third a bronze medal.

The committee has decided to include the same events that are included in the annual high school track meet held at the University of Nevada. Those events are as follows: 50-yard dash, 220-yard dash, 440-yard dash, half-mile race, mile race, relay race, 120-yard hurdle, 220-yard hurdle, high jump, broad jump, pole vault, and 12-pound shot put.

Declamation contests will be held in connection with the meet. There will be a contest for the girls and one for the boys. The winner in each con-

test will be awarded a silver medal. Any selection appropriate for a declamatory contest not exceeding six minutes in length, may be used.

In addition to the track meet the pupils of the Elko high school will give a circus on the afternoon of each day to which an admission will be charged, the proceeds to be used in defraying the expenses of the team to the Reno meet. The "stunts" that the boys are planning to pull off will be patterned after those of the regular circus, and the tent will be pitched in the center of the ball park, where the meet is to be held.

The railroads will make a half-fare rate to the pupils, and they will be taken care of while in Elko without any expense to them.—Free Press.

### Short Distance Meet Shows Good Material

COMPETITION PRODUCES GOOD RECORDS—COACH GLASSCOCK SUPERVISING TRAINING

While the baseball game was in progress Saturday afternoon, a short distance track meet, in the nature of a preliminary tryout, was run off, under the supervision of Coach Glasscock. Though very few of the men were in good condition to run, the times recorded in the various events were far from slow. The track was soft, and in spots muddy, from overzealous attention in the morning. Despite the track conditions, good competition was developed, and several new men gave promise of developing into point-winners. Hardin, in the dashes, showed up well, and Schindler, in the 5-lap race, showed plenty of grit and endurance. Hancock won the 120 low hurdles with ease, displaying good form and speed. Brown won the 3-4 mile in the last few yards, showing good staying qualities in the final sprint. Kent led off in the 1-4 mile race and was never headed. In the 440-yard dash, Martin and Lou Meyer showed good speed, which with a little training should make them valuable men.

The results—  
75 yards—Hardin, Hill—Time, 8 flat.  
3-4 mile—Brown, Gooding—Time, 4:08.  
High hurdles (75 yards)—Rose, Genty—Time, 11:2.  
320 yard—Hardin, Martin—Time, 34:4.  
1-4 mile—Kent, Schindler—Time, 7:41.  
600 yard—Hovey, Chisin—Time, 1:35.  
120 yard low hurdles—Hancock, Genty—Time, 14:3.

The absence of several men on a geology trip to Steamboat Springs prevented more competition. Lloyd Root, last year's crack broad jumper and short distance man, was absent. It is expected that Root will make his presence felt this year in his chosen events, since he has improved his marks consistently. Unless some dark horse shows up in the sprints, Root and Hardin will have to bear the brunt of the work.

In the middle and long distances, Nevada is stronger than ever, with Ogilvie, Kent, Chisin and Hovey, last year's mainstays, to depend upon. There are also a number of new men who may develop a winning stride, under Coach Glasscock's training.

The entrants—  
3-4 mile — Schindler, Gooding, Brown, Day.  
100 yard—Hardin, Hill.  
440 yard—Meyer, Healy, Hardin, Organ, Martin, Abel.  
High hurdles—Greenwood, Rose, Genty.  
1-4 mile—Kent, Morrison, Davis, Fife, Faber.  
Low hurdles — Kemper, Jones, Greenwood, Genty, Barker, Hancock.  
600 yards—Hovey, Chism, Biddle.

### ADMINISTRATION MEASURE WATER LAW PASSES HOUSE

CARSON CITY, March 15.—The assembly at the night session passed A. B. 163, the administration water bill, and it will go to the senate. The bill met considerable opposition during the day but was finally placed in position for a vote at night. It is an amendment to the existing law, eliminating some features passed on as doubtful by the courts.

### U. C. Freshmen Win From U. S. C. Varsity

GAME WON IN FIRST INNING WHEN U. OF C. PITCHER WEAKENS; NO OTHER TALLIES

The University of California freshmen Saturday morning won a 3 to 0 victory over the University of Southern California varsity team, in a game dominated by the opposing slabs.

The southerners were the favorites for the contest, since they won from the U. C. varsity last Friday afternoon. The pitching ability of Freshman Dimock changed the odds, however, for he held the heavy hitting U. S. C. players to two bingles and fanned eleven men.

The first inning cost the U. S. C. nine the game. Benson started the game, and in his one inning let in three runs.

Three bases on balls, a hit, a hit batter and a sacrifice foul brought California enough to win, Smith, Moisant and Captain Rohwer scoring. Counts replaced Benson in the second inning, and no further tallies resulted. The summary—

	R.	H.	E.
Cal. Freshmen	3	5	4
U. S. C. Varsity	0	2	0

Batteries—Cal. Freshmen, Dimock and Moisant; U. S. C., Benson, Counts and Silverstein.

### Men's Tennis

WITHERS DEFEATS PARKS IN FINALS OF PRACTICE TOURNAMENT

A practice tournament for the men trying out for the tennis team took place during the latter part of last week, culminating with the finals on Sunday afternoon, in which T. L. Withers took three straight sets from R. M. Parks in rather easy fashion. (6-1 6-4, 6-2). The match was almost entirely devoid of brilliance and both men displayed a marked lack of practice, which, however, is to be expected at this early date.

In the semi-finals Tough Guy North put up a good fight against Withers. He started the first set with a rush and assumed the lead but Withers soon regained his balance and took the match in straight sets, 6-3, 6-3.

While the first tournament lacked keen competition and first class net work, it was a fine start and we may look forward to some good matches in the near future. If the material at hand can be rounded into shape, the California freshman team will be given an interesting run for the honors on April 24.

This tournament was merely a practice one and does not decide the team which will go to California, so there is yet time for net artists to sign up with Coach Glasscock or Withers for a tryout.

The matches resulted as follows: Withers beat Neeld, 6-3, 6-3; Parks beat Layman, 10-8, 6-1; Whitmore beat Jackson, 6-0, 6-2; North beat Fife, 6-0, 6-1; Parks beat Whitmore, 6-1, 6-3; Withers beat North, 6-3, 6-3; Withers beat Parks, 6-1, 6-4, 6-2.

Fox-Trot Sundae 15c, at the Fountain, Dalton, Cliffords and Wilson Co.

### Debating Society Is Entertained

PLANS OF COLLEGE OF PACIFIC DEBATE COMPLETE; APRIL 6 DATE FOR FIRST CONTEST

Last Tuesday night, March 8, at 7:30, one of the most interesting meetings of the University Debating society was held in room 202, Morrill hall. The program was especially good, composed of musical numbers, readings and speeches. It was an unusual program, since every number was taken by some one of the young women of the campus. Besides the program, which was in the last edition of the Sagebrush, Miss Gladys Hofer and Miss Vivian Williams favored the club with readings.

Following the program the regular business meeting was held. The election of vice-president was the first consideration. The choice fell upon Miss Helen Hefferman, '16. She is also chairman of the program and advertising committee, which comprises Misses Hylton, Winger, King and Mr. Davis and Mr. Reilly. They are planning an interesting program for the next meeting, March 23, and extend an invitation to all.

### NEVADA EXHIBITS ARE ALL PLACED

Dean J. S. Scrugham and Al. W. Preston visited the exposition last Saturday and Sunday in the interests of the Nevada exhibits. They report the mining exhibit as complete and all in place; the agricultural exhibit was finished long ago, while the exhibits in the Nevada state building are practically complete.

Al. Preston supervised the installation of the miniature locomotive made

under his direction in the University machine shops. There are very few mechanical exhibits of any kind in the Southern Pacific building, where the tiny masterpiece is housed, so that it shows up exceedingly well, drawing much favorable comment. Nevada's exhibits are probably the most nearly complete at this stage of the game of any state in the union.
