

# The U. of N. Sagebrush

## FRESHMAN GLEE FRIDAY NIGHT

### First Meet Due Next Saturday

#### CALIFORNIA FARM TRACK MEN TO CONTEST NEVADA—COM- PETITION SURE IN MILE

With the Davis meet only five days away, strict track training is now the order for all men trying out. Tuesday afternoon tryouts will be held over the quarter mile distance for relay men. Wednesday afternoon, at 4:30 sharp, each week from now on, speed tryouts will be held in all events. Each result will be used in selecting the final team to represent Nevada in the five-corned meet April 24.

So far as is known, Davis is not especially strong this year. Reports say they have one good miler, name unknown at present, and another man well known to Nevadans, Chris Mosen. In a recent meet against a California high school, Mosen scored 36 points for his school.

The Nevada entrants for the meet, with the correct order of events:

Hammer throw—Wolford, Hill, Masters, Layman, Able.

Mile—Ogilvie, Schindler, Melarkey, Browne, Fife.

100-yard dash—Root, Hardin, Healy, Henry.

440-yard dash—Meyer, Martin, Jones, Gentry, Kemper.

120 hurdles—Greenwood, Rose, Gentry, Kemper.

2-mile—Kent, Silva, Enos, Snell, Faber, King.

880—Hovey, Chism, Martin.

220 dash—Root, Hardin, Healy, Henry.

220 hurdles—Rose, Gentry, Hancock, Kemper.

1/4 mile vault—Clark, Watt, Clifford.

Shot put—Wolford, Hill, Henningsen, Layman, Masters.

Broad jump—Hardin, Greenwood, Root, Hill.

High jump—Clifford, Greenwood, Hardin, Hill.

### REPRESENTATIVE MEN

#### DISCUSS LIVESTOCK SITUATION

During the recent conference at San Francisco of the Western livestock quarantine authorities, important steps were taken to protect and co-operate with several western states. Dr. Mack, head of the state hygienic laboratories, was in attendance, and aided Nevada stock interests greatly by his efforts.

Six western states are to co-operate, admitting stock shipments to each, but barring other states.

### Wrestling Title Won by Browne

#### FRESHMAN CHAMPION WINS 115 POUND TITLE FROM BEST MAN ON COAST

Defeating the best in his class on the coast, Howard Browne, '18, won the Pacific association wrestling championship in the 115 pound division in two straight falls. The events were held under the auspices of the Panama international committee on special events.

Browne has been named by Chairman Unmack as the Pacific coast representative, including Nevada and California, in a coming elimination trial for the western championship. This will be held about April 12 and he will meet aspirants from Salt Lake, Portland, Butte and other western cities. After such eliminations there will be a sweepstakes in which the western champion will meet those of the middle west and east, involving practically the world's championship.

According to Coach Glascock, Browne will not be entered in the western elimination meet, but will be saved for the nation championship contests.

Browne admitted that he was afflicted with some stage fright when he met his first man, Gorrenbeck. He threw Gorrenbeck, however, twice with a flying mare, but did not pin him. He got him soon after when Gorrenbeck tried a half-Nelson and Browne locked his arms.

Browne next tackled De Chene of California university and threw him the same way, with a lock on an attempt at half-Nelson. He said De Chene made the right approach twice on him but did not know how to follow up. Browne says Gorrenbeck was the hardest contender.

There was only one fall in each bout. The entrants for this meet were Mueller and De Chene, of California university; Gorrenbeck, unattached; O'Connor, Olympic club, and Browne of Nevada. Browne won from Gorrenbeck, time 2:50; Mueller won from O'Connor, time 3:05; De Chene won from Mueller, time 3:15, and in the finals Browne won from De Chene, time 3:21.

Browne will now be the man of the 115-pound class to represent the Pacific coast in the amateur Athletic union wrestling championship, which will be staged in San Francisco under the auspices of the P. P. I. E. on April 16 and 17, when the best wrestlers of the country will be seen in action.

No trouble is anticipated in securing the necessary funds for the expenses of the little champ, though this branch of athletics is not provided for by the A. S. N. U., steps are being taken to appropriate or collect the necessary amount.

### Panama Canal Pictures in Gym

Dean J. G. Schrugam, of the electrical department, has secured for the Engineers' club, through the courtesy of the General Electric company, some recent motion pictures of the Panama canal, showing the operation and construction of the locks and the many electrical devices used in conjunction with its operation. The pictures were taken by the company and are the most recent taken of this gigantic project.

Mr. E. P. Gibson, connected with the General Electric company, with offices in San Francisco, will deliver a lecture on the canal in conjunction with the pictures. No admission will be charged and the public is invited to attend. The lecture will start at 7 p. m.

FRESHMAN GLEE  
The Freshman class wish to extend to the Faculty and students of the University a cordial invitation to attend their Glee next Friday night in the gymnasium.

### Biggest and Best Mackay Day Yet Held

#### ATHLETIC FIELD RENEWED FOR SPRING TRACK SEASON; DYN- AMETERS DISPLAY SKILL IN WOOD WORKING

#### FACULTY ALMOST WINS FEED AT NOON AND DANCE IN EVENING HELPS MAKES DAY ENJOYABLE ONE FOR ALL

"The biggest and best Mackay day yet," was the unanimous opinion of some hundreds of enthusiastic workers and visitors who helped celebrate the big day. From early morn to late at night not a moment dragged—a day of work and play, with a track meet and baseball game thrown in, provided a Mackay day that will not soon be forgotten.

In the morning, bright and early, the work on the Mackay field commenced. It looked like an almost hopeless job; the track was rough and hard. The work was systematized; one crowd loosened the track, another raked it, then it was sprinkled, dragged and rolled. The result was really a surprise to all, for it now is in almost perfect condition.

The jumping pits were repaired and runways leveled. All the weeds, remnants of last year's cleanups, were torn up and burned, so that the 220 straightaway is now in fine condition.

Quite an interesting problem in dynamic (or dynamitic) forces was presented when the stumps near the tennis courts were blown out. After a lengthy pow-wow amongst the members of the mining department, the exact stress of rending force necessary to move the stump was calculated, and the corresponding dynamite placed under the stump. Some contending tamping was the latest practice, while others denounced it as a waste of time. A compromise was effected when a wooden plug was found and hammered into the hole. The fuse was lighted and a general scattering ensued. A loud report, a puff of smoke and a buzzing sound, ensued as the wooden plug flew bullet-like through a crowd of would-be miners. Only the trenches were needed to give a perfect impression of the battlefield, with the smell of powder and the bullet-ducking enemy.

At noon the half starved workers were fed in the gym, where a sumptuous spread, prepared by the girls, under the supervision of Mary Raitt, awaited. To quote the menu we fear would superinduce mental indigestion; suffice it to say, everyone ate until they could eat no more, and then, when all were in a state of general contentment, a few speeches were given.

Miss Dot Bird, '15 gave the history of the day, which will be reproduced later in The Sagebrush. To Sol Cazier, last year's student body proxy, was given credit for the innovation of the idea. Three others, "Dutch" Settlemeyer, 1912-13 A. S. U. N. president, Tom Walker and Bob Farrar, editor of The Sagebrush, were collaborators, and between the four the idea was discussed and finally presented by Sol

### Debaters Clash In Gym Tonight

#### COLLEGE OF PACIFIC AND NE- VADA TO SETTLE QUESTION OF TAXATION; GLEE CLUB TO SING.

Tonight, in the university gym, the College of Pacific and Nevada debating teams are to clash on the question: "Resolved, That a Tax on Land Values Should be Substituted for the General Property Tax for City Purposes in American Cities of Over Ten Thousand Population."

The debate is to begin promptly at 8 o'clock, and an early attendance is requested, since a speaker is disturbed considerably, and his argument sometimes lost, by a disturbance in the audience.

Charles P. Reilly and Norman Parks have been selected as the Nevada team. In all their work this year, both have shown a clear conception and thorough grasp of the question debated, which augurs well for this evening's contest.

The program follows:  
Selection, Men's Glee club.

Debate—First affirmative, Charles Reilly; first negative, Elmer S. Freeman; second affirmative, Moorman Parks; second negative, George H. Colliver; first rebuttal, negative, Elmer S. Freeman; first rebuttal, affirmative, Charles Reilly; second rebuttal, negative, George H. Colliver; second rebuttal, affirmative, Moorman Parks.

Selection, Men's Glee club.

Judges—A. W. Hendrick, president of university, chairman; Judge T. F. Moran, W. J. Harris, Judge Cole L. Harwood.

U. of N. debating team, Charles Reilly, Moorman Parks.

College of Pacific debating team, Elmer S. Freeman, George H. Colliver.

#### RAYMOND CUMMINGS BROOKS TO BE BACCALURATE SPEAKER

Raymond Cummings Brooks, D. D., pastor of the First Congregational church, and university preacher, Berkeley, Cal., has been secured by President Hendrick to deliver the baccalaureate sermon at the commencement exercises.

Dr. Brooks is an Oberlin university graduate, and a professor in the Pacific Theological seminary. His baccalaureate sermon is being looked forward to by graduating class and friends alike, who are familiar with his inspiring eloquence.

### Nevada Team Leaves Thursday

#### COEDS PLAY CALIFORNIA BAS- KET BALL TEAM SATURDAY EVE., APRIL TENTH

The long season's training for the girls' basketball team will be ended Saturday, the 10th of April, when the Nevada co-eds play the Berkeley team on the California courts. Most of the girls have been training consistently under the watchful eye of Coach McCubbin. Some twenty-four aspirants for team honors have been practicing daily with renewed vigor since it was finally determined that a game was to be played with Berkeley.

That the twelve girls taking the trip will have an enjoyable time is more than guaranteed by the interest former Nevadans are taking in the plans for their entertainment.

Mrs. Emma P. Adams, wife of former Governor Jewett W. Adams and now official matron at the Nevada building at the exposition, is arranging for a dance in honor of the Nevada girls, at the state building. Mrs. Adams is well known and beloved by numerous Nevadans, who appreciate her work in her present position. The following excerpt from her letter to Dean Scrugam, in arranging for the dance, is characteristic:

"Tell them for me how glad we will be to meet them. They certainly have the united prayers of all Nevadans for their success in the game."

Twelve members of the California team with their escorts and the twelve Nevada couples, will make up the dancing party. Favorites in the shape of tiny basketballs are to be presented each one, and a most enjoyable time is anticipated.

Nine players, three subs, Director Elsie Sameth and Coach McCubbin will leave Reno Thursday night on No. 23, for the bay city. Part of the Stanford-California crew race will be viewed Friday, the game will be played Saturday afternoon and the return trip will be made Sunday night.

At present fourteen girls are conceded an even chance for the team, the final selection being probably based on the experience and season's work. The names follow:

Elsie Humphreys, Lucille Gallagher, Ruth McKissick, Margaret Kemper, Florence Nelligan, Marion Young, Lalei White, Virginia Lacking, Lysle Rushby, Hulda Shartel, Dorothy Bird, Juanita Frey, Emma Lou Singer, Edith Taylor.

## EDITORIAL

A TRUE NEVADAN

A good example of the loyalty to alma mater felt by Nevada alumni was displayed at the dedication of the Nevada building at San Diego last week. Governor Emmet D. Boyle, '07, was received in all the pomp and ceremony of military display, and throughout the dedication ceremonies he was the guest of honor of the Panama-California exposition.

An interviewer from the San Diego Union approached him, asking for a statement for his paper. His first sentence rings true, and shows the loyalty and spirit of the man:

"I am a graduate of the University of Nevada, and am surely proud of it."

Instead of giving a political speech, helping his own cause, he devoted the entire interview to this university and its advantages. Good, consistent arguments were used, and the good results for our university cannot be doubted.

More power to the elbow of our governor, and may all loyal Nevadans pattern after his generous attitude.

### CENTURY CLUB TOURNAMENT

Last Saturday afternoon, Withers, Parks, North and Neeld, the men holding down the first four places according to present tennis ranking, went down to the Century club with the intentions of making a clean sweep in the tournament matches.

Unfortunately the clubmen could not see things in that light and took three matches to our two. However, the match between Neeld and McMillan is unfinished, and, as Neeld seems to have the edge on his opponent, the play will probably result in an even break.

The most interesting match of the afternoon was the affair between Withers and Wentworth. It took 24 games to decide the first set, which ended 13 to 11, with Wentworth on the long end. The next set (6-4) and match also went to Wentworth, who was slightly more sure of his shots than was his opponent.

# Biggest and Best Mackay Day Yet

(Continued from page 1)

Cazier to the student body, where it met instant and unanimous approval. Tom Walker on "Pep," Prof. Haseman on "Why Is Mackay Day," Arch Trabert and George Oglivie on "Track" gave good talks on live subjects that it will do well to keep in mind.

President A. W. Hendrick was the last speaker. He stated that the growing appreciation of Mackay was a logical result. From a leather-covered volume presented to President Hendrick by Clarence Mackay, a number of ideals favored by Mackay for Nevadans were read.

Louis Rose announced the dance in evening, and the rules pertaining thereto. Sol Cazier announced the debate with College of Pacific, April 6, and the crowd poured through the doors out onto the bleachers and Mackay field, ready for further entertainment.

The finish fight between the seniors and the faculty took on a serious aspect when "Lefty" Knight ascended the mound for the learned ones. Prof. J. Claude Jones, mining man, received the terrific curves from his erratic pitcher, showing great form.

Sheehy and Kent were the battery for the seniors. Rather than go into the painful details of the game, we will publish the score, and state the innings used up.

Score, 2-2, four innings.  
The lineup—Faculty: Knight, pitcher; Jones, catcher; Haseman, first base; Wilson, second base; Menardi, third base; Feemster, shortstop; Lehenbauer, left field; Boardman, right, and Palmer, center

For the seniors, Sheehy pitched and Kent caught, McDonald played first base, Trabert second, Abbott third, Hancock shortstop, Latapie left field, Walker right and Cazier center.

The interclass meet, won by the freshmen, held the interest of the crowd for the afternoon. Close competition in all the events made the thrills for all. The exact score and times are given in another column of

### The Sagebrush.

The Mackay day dance, held in the gym, was well attended, and, though the day's festivities told on some few, the spirit was there, though the body was tired. From eight to eleven the couples enjoyed the dance, departing with a regret that the "best Mackay day yet" was a matter of Nevada history.

### GEORGE HENNINGSEN, CHOSEN TO LEAD NEXT YEAR'S NEVADA FIVE.

At the basketball banquet tendered to the members of the 1915 team by Coach Ross, George Henningsen was elected captain for the ensuing year.

Henningsen hails from Gardnerville and is at present in his junior year. He has made every team each year since he entered Nevada, with the exception of baseball and tennis. He has shown himself a true Nevadan in all his efforts and his election is a just reward for his work.

A banquet followed the election and those present were Painter, McCubbin, Jones, Ferris, Sheehy, Stewart, Mrs. Turner, Mrs. Ross, Prof. Haseman, Prof. Nicewander and Si Ross.

## TUXEDO in a Class by Itself

Tuxedo was put on the market 10 years ago. It was the first tobacco ever made that absolutely will not bite the tongue. Since then imitators have sprung up, and after having failed to steal the famous "Tuxedo Process" have put out processes which they claim are "just as good."

# Tuxedo

The Perfect Tobacco for Pipe and Cigarette

This "Tuxedo Process" is the original and best process for removing all irritation from the natural tobacco leaf. This process is a secret, known only to the makers of Tuxedo. To get the best—get Tuxedo.

When you smoke, you smoke to get joy and repose—that comfey, gosh-but-life-is-good feeling. That's why you'll like Tuxedo. Tuxedo is all pleasure and a yard wide. Roll those old creamy puffs of Tuxedo, from your pipe or cigarette, around in your mouth! Get that aromatic fragrance! Get that smooth-as-cream tobacco richness! And it's all so mild and gentle you can smoke Tuxedo all day long if you like.

No other tobacco compares for an instant with Tuxedo. Get some and see for yourself. Tuxedo stands absolutely in a class by itself.

**Rifle Club Plans Meet With U. C.**

SHARPSHOOTERS TO HOLD SQUAD, COMPANY AND OPEN COMPETITIVE MATCHES FOR PLACES ON VARSITY TEAM.

At a meeting of the Rifle club, held on April 3, definite plans were adopted for a series of competitive matches to take place in the near future. These include inter-squad, inter-company and inter-collegiate competitions. In addition, a practice match has been arranged between a team from the university and a team from the Reno Gun club. As an incentive to competitors, the Rifle club offers medals to the members of the winning squad in each company, and also to the members of the winning company team. In addition to these medals there is the medal offered to the best shot in the Rifle club by the National Rifle association of America, of which our Rifle club is a member.

Circle N's will be granted to the men who are selected to represent the U. of N. against California university. The date of this match will be announced later in The Sagebrush.

The inter-squad shoots are confined to the squads of each individual company. Each squad team is to consist of eight men, with the corporal as captain, and these men may or may not be members of the Rifle club. The squads are to practice under the supervision of the corporal at any time convenient to all. The corporal will keep the scores of his men and will turn them in to Captain Applewhite after each practice. Only those scores will be considered official that have been made under the supervision of an officer or non-commissioned officer. The matches between the squads are to be completed during the third week of April.

The company teams will consist of eight men, members of the Rifle club. They will be selected by Captain Applewhite from the men with the best official scores, regardless of military standing. Of the eight men, six will engage in the final match and two will be substitutes. The captain of each team is to be chosen by the team members themselves. This match, as well as the inter-squad matches, will be at the 200 and 300-yard ranges. The inter-company shoot is to be completed during the last week in April.

The team that will represent Nevada against California will consist of six active members and two substitutes. The members will be selected from the best shots in the university, whether they be members or non-members of the Rifle club of cadets. The captain will be Sergeant McCubin, present captain of the Rifle club.

The regular hours of practice on the range will be Tuesday and Wednesday at 4:30; Thursday and Friday at 2:30; Saturday at 1:30, and Sunday at 9.

In order to make a few final arrangements, the Rifle club is to meet Thursday, April 8, at 11:30, in the armory. All Rifle club members will be dismissed at that time to attend the meeting.

**LATEST TYPE CENTRIFUGAL BLOWER ADDED TO M. E. LABORATORY EQUIPMENT**

One of the most advanced types of centrifugal air compressors has lately been added to the well equipped laboratories of the M. E. and E. E. departments. It stands about six feet in height, and has a 40 h. p. G. E. induction motor, capable of 3600 revolutions per minute, direct connected.

The idea of using machines in laboratory experiment work which are identical with those used in the best industrial practise is commended by all as aiding Nevada engineers in their practical education.

In securing this latest equipment, Dean Scrugham has provided a means for securing more accurate efficiency tests on steam boilers. By means of the rapidly revolving steel fans 2800 cubic feet of air per minute can be supplied continuously, at a nominal pressure of four pounds per square inch. It may be used for blast furnaces, foundry cupels or pressure burners for heating plants, where low, even air blasts are required.

The University hospital is as popular as ever. Since most everyone on the "hill" has had the mumps now, Frank Morrison decided to introduce the measles. However, Juanita Frey, Agnes Duffy, Rice and Opdal still favor the mumps. Grace Sullivan and Emma Davis have recovered and returned to Manzanita a few days ago.

### COMMITTEES

#### Concerning Committees of Council and Administration of the University, Their Duties and the Chairman and Secretary of Each.

The committee of public exercises consists of the president, vice president, Dean Watson, Dean Knight and Dean Scrugham.

Vice President Lewers has been appointed secretary of this committee and all matters properly belonging to the committee should come to him.

The committee on literary contests consists of the president, vice president, Deans Watson, Knight and Scrugham. They appointed Mr. A. E. Turner secretary of the committee. All communications intended for the committee should be presented to him.

Committee on electives consists of the president, vice president and Deans Watson, Knight and Scrugham. Students in the college of arts and science will discuss their electives with Dean Watson; students of the college of agriculture with Dean Knight, and students of the college of engineering with Dean Scrugham.

All general matters of business should come to the president.

Student affairs committee consists of the President, vice president, Deans Watson, Knight and Scrugham. They have elected Mr. Lewers as secretary of the committee. All matters properly belonging to this committee should be presented to him.

Scholarship committee consists of the president, vice president and Deans Watson, Knight and Scrugham. They have elected Miss Sissa secretary of the committee. Communications for the committee should be presented to her.

Delinquent scholarship committee consists of the president, vice president, Deans Watson, Knight and Scrugham. They have elected Miss Sissa secretary of the committee. All matters for the consideration of the committee should be presented to her.

Athletic committee consists of the president, vice president, Deans Watson, Scrugham and Knight. They have appointed Dean Scrugham secretary. All matters proper to come before this committee should be presented to him.

A. W. HENDRICK,  
President.

#### The World's Baseball Authority.

Spalding's Official Baseball Record has just made its eighth annual appearance, increased in size to 500 pages, making it the largest and most complete book of records published.

To the college man the Record this year is of exceptional interest, as it now contains a new section, devoted entirely to baseball in the college arena. It contains records of 1914, notes of the game in prominent colleges, schedules for 1915, names of captains and managers, dual series between prominent colleges, and other interesting information, while the pictures comprise nearly 100 institutions.

All the usual features are still there in more accurate and condensed form. Facts that are contained in this book are practically inaccessible without reference to innumerable volumes and months of research. Some of the features are the official records of the past year in baseball, starting from the "Round-the-World-Tour" of the Giants and White Sox, in December, 1913, up to the end of the "All-Nationals and All-Americans" tour in December, 1914; the baseball "Hall of Fame," a review of the last world's series, city series, official averages of all major and minor leagues, and the fascinating diagrams of the pennant races week by week in all organizations.

The pictorial section, printed on a much better paper than formerly, is most attractive, while the actual size of the page has been increased.

Spalding's Official Baseball Record is for sale by all A. G. Spalding & Bros. stores, by all newsdealers, or will be sent on receipt of price, 25 cents, by the publishers, the American Sports Publishing Co., 21 Warren Street, New York City.

#### DEAD

So still and pale and wan it lies  
Beneath the sadness of their eyes—  
Where once it lay in lusty strength.  
Dead!

The couple hopeless now have grown  
And mourn the joys that far have flown.  
There yet it lies in somber state—  
Dead!

The man's stern face is turned away—  
In trembling tones she hears him say.  
"I tell you, dear, that cheese ain't spoiled—  
It's dead!"

## Baseball Team Lose to Cal.

TRIP TO COASTS NETS ONE DEFEAT FOR NEVADA—HOLTHAM, BACON AND CLARK SHOW WELL IN FINAL GAME.

The Nevada baseball season ended yesterday, when the team met the University of California on the Berkeley field and were defeated by a five to two score.

The team left Friday night for Modesto, where they were to play the Modesto Reds Sunday, but rain prevented the game and the two days' lay over weakened the team so far that they were not able to put up their best game against the Californians.

The team arrived this morning on No. 6 and report a fine trip. Captain Bacon credits the splendid showing made against California to Pitcher Holtham, who allowed only two hits and made one of Nevada's three hits. He lacked support, however, and the five runs made by California were on errors.

The Berkleyites used three pitchers during the game and played their best ball. Clark of Nevada made two base hits and scored off one of them. Sheehy was responsible for the other Nevada tally, scoring on one of Clarke's two-baggers. Captain Bacon in center field gathered in five flies and had none of the seven errors made by Nevada charged against him.

In preliminary practice before the game, Monk Ferris got excited and pegged a ball from the center field fence towards the home plate. Cy Young, the husky third baseman, was right in line with Monk's throw and the ball carromed off his head into the grandstand. The force of the blow raised a big lump on Cy's manly brow and slowed him up for the game.

The score: R. H. E.  
California ..... 5 2 3  
Nevada ..... 2 3 7

A post mortem of the season shows two victories for Nevada and one defeat, giving them a percentage of .666. Lack of finances and suitable weather conditions shortened the season, but the showing made by the team against Davis and the California freshmen revived the interest in baseball and next year steps will be taken to finance an extended practice season, giving the team an even break with the coast colleges.

## Nevada Defeats U. C. Freshmen

GAME FEATURED BY PITCHING OF HOLTHAM AND BACON'S TRIPLE WINS CHANCE AT U. C.

Playing a good brand of ball throughout the game, Nevada walloped the U. C. babies by a 5 to 2 score. The game throughout seemed a trifle slower than the Davis contest, which may be blamed upon the weather.

The freshmen played a rather loose game, scoring five errors to Nevada's three. Nevada's defense stiffened at the critical moments, while her opponents did the opposite.

Holtham and Bacon may very properly be termed the heroes of the day. Holtham fanned twelve men during the game, twice fanning two men with second and third bases occupied.

Nevada really won the game in the third inning. Talmage, first man up, drew a safety. Holtham then singled and was advanced to second by Abbott's safe grounder. Captain Bacon swung on the first ball pitched, placing it far behind the score board near the training quarters. Three runs were scored before the ball was relayed in. Sheehy then hit the ball square into the shortstop's hands, who shot it back to the catcher in plenty of time to tag Bacon out. Bacon slid into the home plate, spikes first, and the ball dropped on the ground, making the score 4 to 1.

Only twice after this did either side near the home plate. To Holtham must be given the credit for pitching the best ball seen here for some years:

The score:  
California. AB. R. H. PO. A. E.  
Totals ..... 33 2 4 27 3 5  
Nevada. AB. R. H. PO. A. E.  
Totals ..... 31 5 5 24 10 3  
\*Batted for Danielson in eighth.  
Summary: Three-base hits—Bacon. Two-base hit—Wirts. Stolen bases—Young, Danielson. First base on balls

## MESSAGE FROM NEVADA TO MACKAY IS APPRECIATED

MR. CLARENCE H. MACKAY, New York City, N. Y.

Third annual Mackay day celebration today, Mackay athletic field, made ready for the year's activities. At the banquet many kind words of regard were spoken for you and your interests in Nevada. It is our hope that you may be present at our next festival in your honor.

TOM P. WALKER, President A. S. U. N. New York City, N. Y., April 2. Tom P. Walker, President A. S. U. N.:

Thank you very much for your message. It was real Nevadan spirit and sounded good to me. My cordial wishes to you all.

CLARENCE H. MACKAY.

New York, April 2 University Nevada, Reno.

I have very much appreciated your telegram and I send you, faculty and students Easter greetings and hearty good wishes.

CLARENCE H. MACKAY.

## NEVADA ART COLLECTION IN PALACE OF EDUCATION, S. F.

According to a letter from Robert Harshe, assistant director of fine arts, palace of education, the art exhibit from the University of Nevada has been placed in a special room not hitherto open to the public. The casts and medallions made under the direction of Mrs. Katherine Lewers, associate professor of arts, have been placed in artistic cases in the palace of education.

# FATIMA

THE TURKISH BLEND CIGARETTE

Men Read this:

Liggett & Myers Tobacco Co.,  
212 Fifth Avenue,  
New York City.

Gentlemen:

I am not an ad. man, nor can I draw, but when my heart is with a thing I can talk convincingly, because I know what I am talking about

Smoking experience is the greatest of teachers. It teaches a fellow always to get the best when it is not more expensive. After giving practically all so called "Turkish blend cigarettes" and "gold tipped" cigarettes fair trials, my room-mate persuaded me to try Fatima Turkish Blend Cigarettes, and Fatimas and I have been friends ever since. You can tell all the fellows, who don't already know, that Fatima Cigarettes are the last words in individuality and satisfying excellence.

These are my sentiments, and if things straight from the shoulder have "pulling power," then all live college men will gravitate about Fatimas. Sincerely yours,

(Signed) CLAYTON R. PALLAN, 115 N. Thayer St.

P.S. In the event my ad. wins a prize, please send the prize money in Fatimas instead of the cash—no matter if it is the \$500.00 prize.

## The \$500 Prize

\$500 will be paid to the college student who sends to us the best original advertisement for Fatima cigarettes before June 1, 1915. In the meantime, for each ad. we publish we will pay the writer \$5. Illustrate your ad. if you can, but if you can't draw, then use your kodak or describe your idea.

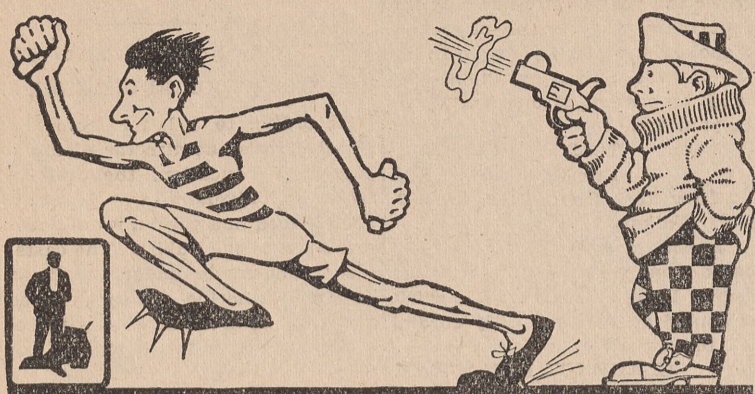

Prize will be awarded by a committee of three prominent advertising men. L. B. Jones, Adv. Mgr. Eastman Kodak Co., F. R. Davis, Adv. Dept. General Electric Co., and J. George Fredrick, Editor of Advertising & Selling.

## Freshmen Wins Interclass Meet

**JUNIORS TRAIL CLOSE BEHIND, DEFAULTING RELAY; DASHES BRING OUT GOOD TIMES; FRESHMEN STAR IN MAJORITY OF EVENTS.**

In the first full distance track meet of the season, held Mackay Day at 2:30, several remarkably good races brought forth the best speed yet displayed in competition. The track was in good condition from the morning's clean-up work, so that the spike artists could speed up without fear of a strained tendon. The day was close and sultry, making the best track weather yet experienced this year.

Throughout the meet the competition was closest between the Juniors and Freshmen, with the upperclassmen in the lead up to the last event. The Seniors and Freshmen were out of the running after the distance races were disposed of, where the Seniors were strong, winning the mile and two-mile races with ease.

The work of Hardin in the dashes stamps him as the most probable point winner Nevada has so far uncovered for the present season. His mark of 10:2 in the century and 21 feet 6 inches in the broad jump, is considered more than promising for the big meet on April 24.

Greenwood is another new man that will bear watching, judging from his Mackay day performances. He lost to Rose in the high hurdle race by the narrowest of margins and placed in the high and broad jumps. With Hardin, the two make a good showing for the first year men.

Clifford and Gentry also showed up well in their events, and should be looked for in the final team selections.

Bill Melarkey and Schindler showed good endurance over the marathon route, finishing up with good speed in fair time.

The pole vault, hitherto one of the weak points on a Nevada team, seems to be well taken care of by Watt, '18. Though he only made 10.4 feet Mackay day, he has made a foot higher in practice consistently.

The results.  
Sixteen-pound hammer—Wolford, Hill, Pflaging. Distance, 138.6 feet.  
One hundred yard dash—Hardin, Root, Healy. Time, 10:2.

Mile run—Ogilvie, Melarkey, Schindler. Time, 4:59.

Shot put—Henningsen, Hill, Wolford. Distance, 38.1 feet.

120-yard hurdles—Rose, Greenwood, Gentry. Time, 16:4.

440-yard dash—Meyers, Hovey, Martin. Time, 54:1.

Pole vault—Watt, Clark, Clifford. Height, 10.4 feet.

Two-mile—Kent, Silva, Enos. Time, 11:27.

Half-mile—Hovey, Chism, Abel. Time, 2:17.

High jump—Clifford, Hardin tied for first; Greenwood. All three freshmen, so points were decided. Height, 5 feet 6 inches.

220-yard dash—Hardin, Root, Healy. Time, :24.

220-yard hurdles—Gentry, Rose, Kemper, place in finals, to be held Tuesday. Time, 27:3.

Broad jump—Root, Greenwood, Rose. Distance, 21feet 2½ inches.

Mile relay—Default to freshmen. Hardin, Hill, Meyers, Martin.

Though the outcome of the meet will not be changed by the race, considerable interest is attached to the finals of the 220-yard hurdle race, which are to be run off Tuesday afternoon. Rose and Gentry tied with the same time of :27:3 in their respective heats, and should give a good exhibition in the deciding race.

The standing:

Freshmen	50
Juniors	43
Seniors	11
Sophomores	10

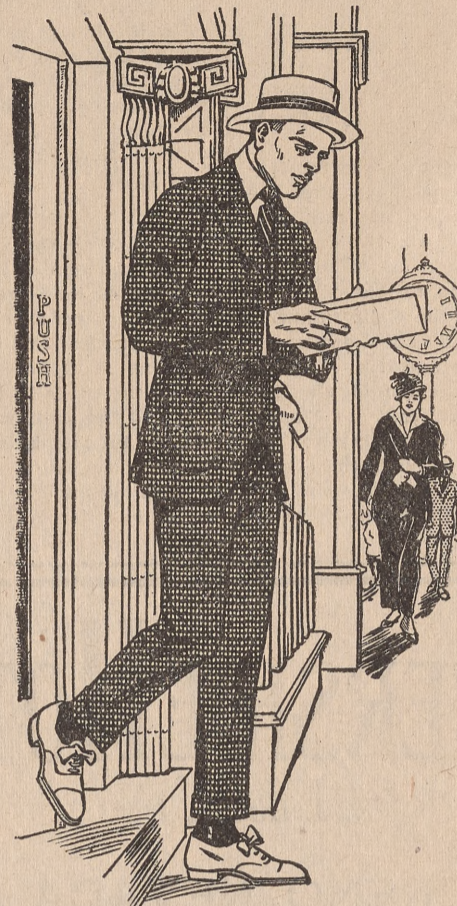

Orange pudding—you never tire of it. D. C. & W. Co.

Fox-Trot Sundae 15c, at the Fountain, Dalton, Cliffords and Wilson Co.
