### ROUSING RALLY AND FOOTBALL SHOW THURSDAY EVE

#### DELTA RHO SORORITY IS GRANTED NATIONAL CHAPTER BY PI BETA PHI

WORTH OF LOCAL ORGANIZATION RECOGNIZED BY NATIONAL ORDER WHEN A CHAPTER OF PI PHI IS INSTALLED.

DELTA RHO FOUNDED IN 1900

IMPRESSIVE CEREMONIES MARK LAST DAYS OF LOCAL AND EXTENSION OF SECOND NATIONALLY AFFILIATED SORORITY.

Eighteen active members and 10 alumni members of the Delta Rho Sorority of the University of Nevada were initiated Saturday into the secrets of Pi Beta Phi, the oldest national college organization for women.

The Delta Rho girls were granted a charter of Pi Beta Phi, at the national convention of the sorority held in Berkeley during the summer months, and were formally made members of the order at an elaborate entertainment today at the home of Mrs. P. A. Hawkins.

Mrs. Ford J. Allen, national vice president of Pi Beta Phi, arrived in Reno on Wednesday, and since one of the leading features of the organization is scholarship, she spent two days at the university going over the records of the local girls and found them to be in excellent condition.

During her short stay here Mrs. Allen has been the guest at several banquets and entertainments given by the girls of Delta Rho. Thursday evening at the home of Mrs. Hawkins, the active and alumni members of Delta Rho were entertained and the formal announcement of the granting of the charter made by Mrs. Allen.

Friday Mrs. Allen, accompanied by Mr. and Mrs. Prince Hawkins, went to Carson City, where they were entertained at luncheon by Governor and Mrs. Boyle.

Later in the day the faculty, women students and official patronesses of the university met Mrs. Allen, Mrs. P. F. Carnicy of Berkeley and Mrs. Prince Hawkins at the home of Mrs. A. W. Hendrick on the campus, where Delta Rho girls served tea with cakes tinted in lavender and gold. Miss Louise Fargo Brown and Mrs. Dorothy Steinmetz Wilson presided at the tea table.

Friday night the local girls were formally pledged at the home of Mrs. Hawkins, after which a cozy shine was given by the hostess.

The final initiatory rites took place

#### SOPHOMORE HOP THANKSGIVING EVE

BIG EVENT OF PRE-HOLIDAY SEASON TO PRECEDE DAY OF THANKS.

Plans for the big annual event of the sophomore class, the Sophomore Hop, promise the most enjoyable time of the pre-holiday season. The second-year men are bent on surpassing all previous records for this event and are working with a vim to make it a success.

Thanksgiving eve, November 24, has been selected as the best date. Committee chairmen have been appointed as follows:

Programs—Bob Donovan,  
Music—Leon Mack.  
Decorations—Howard Candland.

As has been the custom in years past, all students are to be guests of the '18 class, and all downtown visitors are to be charged admission.

at the home of Mrs. Hawkins on Saturday, and the installation banquet at the Riverside hotel in the evening was the gorgeous finale of the week.

Pi Beta Phi is recognized as one of the leading national sororities and the girls at the university feel highly honored in being made members of this large organization. The sorority has 9000 members and the local chapter is the fiftieth chapter granted. It was founded in 1867.

It maintains a settlement school in the mountains of Tennessee, and has for several years been active in educational work among the colleges of United States. The settlement school is considered one of the greatest works of the sorority, and is maintained by voluntary subscriptions from the alumni of the organization, employing members of the sorority as teachers.

In speaking of the local university, Mrs. Allen, who has been making a tour of the colleges of the west, said: "I feel that our sorority is to be highly congratulated in installing a charter in the University of Nevada. From my travels in the west I feel that the school has a bright future, and I think that the girls of Delta Rho will make excellent members of Pi Beta Phi."

Delta Rho was founded in January, 1900, by eleven young women of the University of Nevada—Kate Crocker Bender, Annie Sunderland, Maude Nash, Vera Stuart Davis, Ida May Holmes, Mabel Richardson, Goodwin Stoddard Doben, Katherine Sunderland, Delle Boyd, Lulu Olivia Culp and Elizabeth Stubbs. The to-

#### THANKSGIVING VACATION

The university authorities have decided that a recess extending from Thursday, November 25, at 4:30 o'clock p. m., to Monday, November 29 at 8 o'clock a. m. will be granted to the students. The schedule called for classes on Friday following Thanksgiving, but the matter was reconsidered and a short vacation allowed. It is understood, however, that no absences will be allowed for failure to attend classes on Monday. All students will be held to a "strict accountability" for absence from recitations.

#### FINAL SELECTION FOR U.N. VARSITY MADE TO-DAY

WEARERS OF BLUE AND WHITE READY FOR CLIMAX OF LONG SEASON.

According to Coach Glasscock, some twenty men will take the field Saturday for Nevada in the big game with the University of California. Though the exact lineup has not been announced, it is conceded that the string which has played together the greater part of the last two weeks will in all probability start the big contest. Lindt, who is still suffering from recent injuries, is again out in a suit, although it is doubtful if he can play. Hawkins is out at his old position at end and is showing up well, although the broken wrist is still a little weak.

At center Kimmel is sure to start the game, with Layman as substitute. The guard positions will be ably filled by Baker and Masters, who combine the weight and tackling ability with fair speed.

Jenson and Crowley have been selected for the tackle positions. Both have played consistent ball throughout the season and should hold well against the Bears' onslaughts.

At the end positions Donovan, Stever and Hawkins will all probably be used. Donovan has shown up strong in breaking the opposition inter-

#### CALIFORNIA WARRIORS TO BE ENTERTAINED

FRESH FROM A FINISH FIGHT WITH THE WASHINGTON GRID WARRIORS, THE WEARERS OF THE BLUE AND GOLD WILL INVADE NEVADA NEXT SATURDAY, BENT ON VICTORY. ACCORDING TO COACH SCHAEFFER, THE LINEUP WILL BE CHANGED BUT LITTLE FROM THAT OF THE BIG GAME, EXCEPTING ONLY THOSE WHO ARE SO CRIPPLED THEY CANNOT PLAY.

THE TEAM WILL PROBABLY ARRIVE FRIDAY NIGHT AND WILL BE QUARTERED AT THE VARIOUS FRATERNITY HOUSES AND LINCOLN HALL. PLANS ARE BEING MADE FOR THEIR ENTERTAINMENT WHILE ON THE HILL, AND EVERY ENDEAVOR WILL BE MADE TO GIVE THE VISITORS A GOOD TIME.

OUTBURST OF SPIRIT EXPECTED AT RALLY ON PLAZA, WHERE BONFIRE AND SPEECHES WILL BE HELD.

#### CLOSE CONTEST WON BY FIRST VARSITY

SECOND TEAM SHOWS STRENGTH IN FORWARD PASSES AND STRAIGHT BUCKS.

The second team showed up wonderfully against the first squad in a practice game last Saturday, having a 7 to 0 lead at the end of the first half. They had their opponents fighting for every inch of ground.

Kemper and Sather, two new backs in the first team, showed good form and with a little more experience should do well in fast company.

The first string as a team did not work as well together as could be expected of a machine of their experience. Numerous forward passes were missed, kicks were short and low and the interferences were loose and high. But for Joe Hills' 70-yard run the score would have been a tie.

It was in the last quarter that Lake found the weak spot and pounded the line for 60 yards and a score making a final 13 to 7 score.

The feature of the game was the repeated success at long passes from S. Malarkey to Hawkins. With one exception every pass was completed and many times the last chalk line was in danger.

The second bunch were hitting them hard and low and used their defensive plays to good advantage against the shifts and trick plays of their squad mates.

#### FORMER NEVADAN ON WAY TO FRONT

WITH CONSIGNMENT OF FRENCH WAR HORSES, H. L. HEWARD LEAVES FOR FRANCE.

Word from a former Nevadan, now on his way to the war zone, was received during the last week by the Sagebrush. H. L. Heward and F. L. Hofe, both U. S. grads and members of the legal fraternity, Delta Chi, should by this time be nearing the coast of France, on the cattle boat "Bankdale," on which they took passage. The following tells the brief story:

"Dear Bourke: Hope and I leave tomorrow (Friday) with a consignment of horses to Bordeaux. Have seen New York City pretty thoroughly. Will write from Bordeaux, France, and tell the whole tale of woe and joy. We have \$1.85 between us, but sleep on the "Bankdale" tonight.

"HEWARD."

To show the team and coaches just how much the Nevada student body backs them, a monster rally is to be staged Thursday night on the Plaza, followed by a serpentine through town and finally a football show, to be held at the Majestic.

Yell Leader Sather has his lieutenants working hard, so that if this rally is not a memorable one the pep and spirit displayed thus far are surely misleading. Wednesday afternoon the town will be flooded with posters advertising the big game and, with the permission of the city fathers, the big bonfire will be built in the usual place. Several alumni have promised to tell the crowd around the bonfire the way the "old boys" used to do it, and Brewster Adams, Si Ross, Coaches Glasscock and Hase-man will also tell what they have seen and expect to see on the Mackay turf.

Tickets for the football rally are out and are selling fast. Several stellar acts, with appropriate music and talks, will make the show one long to be remembered. Following is the program:

- 1—Mandolin club.
- 2—Talk by Si Ross.
- 3—Soph class stunt.
- 4—Sketch by Davis, Caffrey and Jacobs.
- 5—Accordion selections (Bianiani).
- 6—Talk by Coach Jack Glasscock.
- 7—Frosh class stunt.
- 8—Solo, by Howard Frazee.
- 9—Talk by Brewster Adams.
- 10—Varsity Glee club, Nevada song.
- 11—Moving pictures.

All the men of the university, including members of the band, will meet at Lincoln hall at 7:10 p. m. The march will begin at 7:15 and continue with red fire accompaniments to the Majestic. Remember, this is the time to show your pent-up pep and enthusiasm, so turn out for this rally with your mightiest efforts, and show your appreciation of the team that is to uphold the blue and gold next Saturday.

## SPORT GOSSIP

The injured athletes' fund has received several S. O. S. calls this year, so to put it back in a healthy state a big dance is to be given by the Block N Society next Saturday night. Clever posters are out to advertise this dance and as good music is promised a large crowd is expected.

At a meeting of the girls held last Friday it was decided to hold no intercollegiate basketball games this year. There has been considerable discussion in regard to this matter, but when it was put to a vote the negative carried. Manager Eva Walker says it has its advantages, as the money allotted to girls' recognized sports will benefit more than the few girls on the team and the season will be shorter and less strenuous.

Wrestling classes under Coach Glascock will start shortly after football season closes and large classes are expected. The classes will be held one evening and two afternoons a week and Howard Browne and Ole Johnson will assist Glascock in their respective weight divisions.

Howard Braun won the 115-pound coast championship and some fast work is looked for in the tournament with California next semester.

The football rally will be held in the Majestic theater November 18 at 7:15 o'clock and 1200 tickets were placed on sale last Friday.

There will be the regular run of pictures, the freshman stunt and speeches from the coaches, the football men and outside enthusiasts.

If permission can be obtained from Fire Chief Hawcroft, the freshmen bonfire will be staged in the early evening on the Plaza and from the "pep" already shown it will be a night that they will date time from.

There was some talk at awarding the letter only to men who play one full quarter in the letter game. It is the general sentiment that this would be unjust, because some deserving man who has been working hard all season might be knocked out early in the game and thus be deprived of a well-earned letter.

It is the practice of the big colleges in the east to award the letter to all who play in the letter game, and this custom will, as it has in the past, exist in our big game.

## NARROW ESCAPE FOR DOBIE RECORD

BLUE AND GOLD VARSITY HOLDS WASHINGTON TO LOW SCORE.

That the University of California gridiron warriors have improved to an amazing degree was proven last Saturday, when they held Washington to a 13 to 7 score.

Washington's victory was hard won, and although Coach Dobie's eleven sustained Washington's record of more than seven years without a defeat, players and spectators alike were loud in their praise of the remarkable showing made by the visiting team.

From the moment the whistle blew for the first kick-off it was evident that the Berkeley men had learned much since their defeat a week ago. Time and again Washington's heavy backs drove the ball within a few yards of the goal line, only to be held by the California line.

Sharp, the speedy quarterback of the Blue and Gold, was not only the star of the California team, but of the game as well. On more than one occasion he was back of Washington's line, breaking up plays before they were well under way.

For the first three-quarters California played Washington to a standstill. Straight line bucks by the heavy northerners carried the ball time and again to the California danger zone, but there it stopped, until in the last ten minutes of play a forward pass brought the ball to California's five-yard line. A straight line buck by Shiel tallied up Washington's first touchdown.

Following is a detailed summary of the crucial portion of the match:

### Fourth Period.

California opened the last quarter with an attempted forward pass which failed.

Washington substituted Smith for Murphy. Brooks of California, after attempting another forward pass, punted to the 20-yard line, Young returning the ball ten yards. Time was taken out for Bender, who was hurt when he tackled Young, but after a minute's rest Bender was able to continue in the game.

Noble, Shiel, Miller and Young advanced the ball fifteen yards by straight line plays. Washington then tried a forward pass, which failed, after which Young tried for a field goal from the 35-yard line, but failed, the ball going just under the bar. California got the ball on their 20 yard line. They were penalized on

the first play five yards for offside play.

Shiel and Noble advanced the ball ten yards by two breaks through center.

Washington attempted a forward pass, which Sharp intercepted on California's 40-yard line. California then tried a forward pass and Young re-

peated Sharp's trick. Washington advanced the ball from their 45-yard line ten yards by straight bucking.

Brooks punted 30 yards to California's 40-yard line. Washington's backs then began to march down the field, making consecutive gains until they reached the 25-yard line. Miller then made a forward pass to Smith, advancing the ball to California's 5-yard line. Time was taken out for Brooks of California.

Brooks remained in the game. On the next play Shiel carried the ball over for a touchdown by a straight line buck.

Miller kicked an easy goal. California kicked off to Washington's 20-yard line. Miller returned the ball five yards.

Young punted to California's 45-yard line. Sharp then made a Rugby pass to Gianelli for a gain of five yards. On the next play Sharp made the best forward pass of the game to Gianelli, who caught the ball on the run on Washington's 35-yard line, and with a clear field crossed the goal line just as he was tackled.

Brooks kicked the goal, making the score tied, 7 to 7.

With three minutes to play, California kicked off to Washington's 10-yard line. Shiel returned the ball fifteen yards, and Washington added ten more by straight bucks. Washington then attempted a forward pass, which failed, but the ball was still Washington's on their own 35-yard line. Young punted to California's 20-yard line, where Sharp got the ball. He was hurt, but re-

mained in the game and advanced the ball three yards through center, but lost the gain on the next play. California punted to Washington's 30-yard line.

Miller ran around left end and with a clear field seemed sure of a touchdown, but Sharp overtook him on California's 5-yard line. Noble then carried the ball over the line for a touchdown by a straight line plunge.

Miller failed to kick an easy goal.

The California lineup—Hazeltime, left end; Saunders, left tackle; Nockhart, left guard; Russell, center; White, right guard; Bender, right tackle; Gibbs, right end; Sharp, quarterback; Canfield, left half; Montgomery, right half; Brooks, fullback.—Substitutes—Gianelli for Montgomery, Hicks for Hazeltime.

Miss Edith Mack was hostess to the members of R. O. and a few other friends at her home on Island avenue Saturday afternoon. Cards and sewing were the diversions of the afternoon, not unmingled with conversation. Dainty refreshments were served in the dining room at a table decorated in red carnations and ferns. Those present were: Vera Lemon, Gladys Hafer, Odele Voicross, Vivian Engle, Dorris Taylor, Edna Short, Visian Butler, Georgie Young, Grace Leon, Zelma Francis, Mary Leon, Pearl Wiseman, Mary Raitt, Mrs. Leslie Scott, Mrs. Bernice James.

**C. C. CLUB.**  
A dancing party was greatly enjoyed Friday evening when the C. C. girls entertained at the home of Ruth Wheeler. Cards were played early in the evening, after which dancing was enjoyed. Later a dainty supper was served to the following: Elsie Humphrey, Martha Folsom, Sibyl Hartung, Ruth Miller, Mary Leon, Grace Leon, Cordelia Rannels, Dorris Taylor, Laverne Sairers, Frances Heward, Claire Hafer, Bonnie Leon, Marion Weck, Leila White, Gladys Hafer, Alice Boynton, Edna Clausen, Hazel Francis, Lucille Golden, Phoebe Taylor, Ruth Wheeler, Ruth Pyle, Madeline Fitzgerald and Messrs. Miss Lenora Parry, who attended university last year, has returned from an extended visit to San Francisco, and it is hoped that she will register here again.

**DELTA RHO ENTERTAIN AT TEA.**  
Friday afternoon Delta Rho entertained at a tea at the home of Mrs. Hendrick in honor of Mrs. Allen and Mrs. Carney, both Pi Beta Phis of note and house guests of Mrs. Prince Hawkins. The rooms were made beautiful by quantities of flowers, with which the lavender and gold of Delta Rho. was emphasized. These same

colors were cleverly carried out on the tea table in the refreshments and decorations. It was a most enjoyable affair and besides affording the pleasure of meeting the two guests of honor, gave the faculty and women students an opportunity to congratulate the members of Delta Rho on becoming Pi Beta Phis.

**GREEK vs. GREEK GAME ON NOV. 23.**  
**THIS IS NOT A MOVING PICTURE; IT IS TO BE A BONIFIED CONTEST.**

An event which is expected to make Custer's last stand look like a coed tea fight, is slated for the Mackay battlefield in the very near future. The "Wandering Greeks," or "Doodle Bugs," so called, have challenged Sigma Alpha fraternity to mortal combat, leaving the weapons and manner of last rites to be used to the latter. Straight American football, with the players protecting themselves at all times and breaking at the order of the referee, was straightway decided upon, and a messenger, bearing a flag of truce and an acceptance of the challenge, was dispatched to the camp of the enemy.

The challenging team, it must be admitted, looks well on paper. The lineup is as follows: Coach Glasscock, Professor Haseeman, Captain Root, Dean Knight, Professors Wilson, Mosher, Dinsmore, Hartman and Campbell and Kelly Engle, Tex Steyer, Ted Wolford and Dr. Hardy. "Old Father Time must be reckoned with, however, to loosen up the play of the pros. and associates after a few hard scrimmages.

The lineup of Sigma Alpha for the coming game causes the outside Greeks much concern. Six men will come direct from the varsity squad, the second varsity will supply some six more and those necessary to make a squad of eighteen huskies will be forthcoming.

The probable Sigma lineup includes: Layman, Masters, Barton, Patterson, Organ, Donovan, Chism, Greenwood, Healy, W. Melarkey, Kemper, Candland, C. Melarkey, Williams, Dunkle, "Husky" Young, Schindler. The majority are in good trim from the daily scrimmages, so that the "Doodle Bugs" will have to step right lively to win out.

**SPECIAL MEETING OF STUDENT BODY DECIDES ON BIG GAME ITEMS.**  
Following the address of Charles W. Baker last Friday morning a special meeting of the A. S. U. N. was held. It was decided that the Block N should be granted under the established rules to the participants in the Nevada-California game to be played on November 20. The question of admission charges was considered and a motion was passed to the effect

that members of the A. S. U. N. pay 50 cents and non-members \$1. A representative from the Block N society introduced several proposed amendments to the constitution which will be voted on at the next meeting. Irving Van Dalsen introduced a set of resolutions concerning the suspension of Allanbee and McKenzie, which were adopted by an almost unanimous vote. Yell Leader Sather outlined the plans for the big rally next Thursday night and tickets were given to the students for distribution. Henry Wolfson made a short speech on the matter of building a social hall, a question which will receive more discussion at later meetings of the student body. The assembly then adjourned.

### ATHLETICS.

Old, time-worn, but nevertheless trustworthy "vox populi" proved its epigrammatic justice to the majority of the A. S. U. N. last week. The question involving the playing of an alumni of another institution, with the permission of the team we play next Saturday, arose. That it received little consideration at the hands of the A. S. U. N., even though such an action would strengthen the team a great deal, speaks highly indeed for the standard of athletics in Nevada. Nevada has a clean record and from recent occurrences there seems to be little doubt that that record will be tarnished.

### BASKETBALL.

A careful perusal of the schedule of the Nevada-California Intercollegiate Basketball league will reveal several interesting facts. The first is that Nevada plays the four strongest teams in the league "in the week ending March 19" or thereabouts. The two

teams that finished in cellar positions last year play Nevada in Reno. If Nevada can play four games in five days, as we will probably be required to do, and win them all, more than human endurance will be required. A harder combination of games could not possibly have been selected than the present string, and it is to be hoped that some more advantageous combination of games can be arranged.

### THE GAME.

Next Saturday Nevada plays the hardest game of the season, when the California varsity trots out on the Mackay field. We have lost the majority of our games this year, and some are downhearted, but don't let that change your loyalty to the team. Nevada is out to fight, and fight her hardest, and win, if grit and fight will win. The team may rest assured that the student body is behind it to a man and, whatever the outcome, there will be no wavering in the loyalty and confidence reposed in Nevada's eleven.

## RENO HIGH WINS OVER TONOPAH 53-0

THOUGH OUTCLASSED BY HEAVIER OPPONENTS, TONOPAH FIGHTS ALL THE WAY.

Tonopah proved easy meat for Reno in their big game last Saturday. The Reno bunch outweighed the Miners 16 pounds to the man and, with their wider knowledge at the American game, found little resistance, piling up a score of 53 to 0.

The fight and condition of the Tonopah bunch must be admired, for they played the whole game without substituting a man. The work of Captain Murphy, Pollard at left half and Baker at end deserve favorable mention for making substantial gains and completing numerous long passes.

Reno showed their knowledge at football both on attack and defense. The trick plays and use at both lateral and forward passes were too much for the Miners.

Captain Fairchild was replaced by Coon when he received a painful injury and Kinniken took Ted Fair-

child's place, this allowing him to make his well-earned letter.

Fairchild played his usual strong, heady game. Foster showed good form and handled his team like a veteran.

### Lineups.

Reno—Ends, T. Fairchild and Kinniken; tackles, Snare and Orr; guards, Captain Fairchild, Coon J. Cunningham; center, Asbury; halfbacks, Bailey, Cunningham and Wilson; fullback, Fransman; quarter, Foster.

Tonopah—Ends, Bahar and O'Connell; tackles, Cuddy and Parker; guards, Truetch and Coulter; center, McNeil; fullback, Captain Murphy; halfbacks, Zeni and Pollard; quarter-back, Gilbert.

Bill Pennell, a former varsity basketball player, is laid up with a sprained ankle. He was doing a little pre-season work in the Y. M. C.

A. gymnasium and in reaching for a high one he "miscued." More graceful figures have been seen than Bill between a pair of "limping sticks," but he expects to be among the first to respond to the call for basketball material.

## ALUMNI NOTES

Cards have been received announcing the marriage in Pasadena, Cal., of Dudley Denison Homer, mines, 1910, to Miss Esther Brooks.

\* \* \*

Mr. George Saxton, '01, is another to take the matrimonial plunge. Word has been received of his marriage to Miss Annette Egge of Ely, Nev.

\* \* \*

Louis Leavitt, 1911, is in charge of a large sub-station at Lowell, Mass. Since leaving the varsity and up to the time he accepted his present position he has been almost constantly in the employ of the Stone-Webster Engineering Corporation at Boston. Though far away, he still takes a deep interest in the doings on the hill.

\* \* \*

Harry Price, 1904, has certainly handled the Nevada mining exhibit at the Panama-Pacific International Exposition in a creditable manner. He is always glad to welcome the Nevada people at the fair. When the fair is over Mr. Price will again enter the field of mining.

\* \* \*

Alexander M. Boyle, brother of Governor Boyle, is engaged to marry Miss Elizabeth Owens of New York City, according to announcements which have reached this coast. Their marriage is to take place the latter part of this month and the couple will make their home in Zaruma, Ecuador, where the groom-elect has been engaged for the past three years as a mining engineer for the South American Mines company.

\* \* \*

Joe Wilson, '12, passed through Reno recently on his way to the "big show" in San Francisco. Since graduation he has written several articles for leading agricultural magazines, which show a comprehensive grasp of his subject matter.

\* \* \*

Lloyd Patrick, B. S. '12, is in charge of the Nevada agricultural exhibit at the P. P. I. E. His engaging manner and accurate information on Nevada's resources have impressed visitors greatly.

ence despite his lack of weight.

At quarter "Tiny" Fake will officiate. He has improved wonderfully during the season, and combines good headwork with an aptness in advancing the ball through a broken field.

Martin and Captain Root will play the halfback positions, and are depended upon to bear a good portion of the battle. Joe Hill has shown the necessary line-plunging ability and will be used at fullback.

The selections were close in many instances and several subs will probably play a part of the game. The following men will wait their opportunity to get in the game: Layman, Neasham, Able, Silva, King, Chism, Greenwood, Sather and Kemper.

## DELTA RHO SORORITY GRANTED CHARTER

(Continued from Page 1.)

tal number of initiates since that time is 113.

Ten young ladies from California arrived on Saturday morning's train to be present at the installation exercises Saturday. They are: Mrs. Vance McClymonds of Oakland, province president of Pi Beta Phi; Mrs. G. A. Randall of Berkeley; Mrs. G. B. West of Berkeley, Mrs. P. F. Carney of Berkeley, Mrs. Florence Knapp of Portland, Miss Jean Hall of Los Angeles, Miss Roberta Holmes of San Francisco, Miss Mary Downey of Texas, Miss Catherine Woolsey of Berkeley and Miss Frances Taylor of San Francisco.

The following are the newly initiated members of the sorority from the University of Nevada: Misses Ruth Miller, Ruth Pyle, Elsie Farrar, Eva Walker, Margaret Kemper, Juanita Frey, Dorothy Morrison, Lena Ladden, Clara O'Neil, Faith Maris, Hilda Herz, Myrtle Cameron, Grace Cox, Alice Hobbins, Phoebe King, Helen Hobbins and Margaret Langwith. Alumni members initiated are: Miss Pearl Stinson, Edwina O'Brien, Katherine Riegelhuth, Queen Esden, Delle Boyd, Margaret Mack, Eunice Cagwin, Laurena Marzen, Mrs. J. B. O'Sullivan and Mrs. Tranter.

**CADET BULLETIN**

November 12, 1915.  
The following schedule of instruction for week commencing Monday, November 15, is hereby announced:  
Monday, November 16—Battalion, form advance and rear guard. Band practice.  
Tuesday, November 16—Battalion form outposts—Cossack system. Band practice.  
Wednesday, November 17—Battalion review and inspection, blue uniform. Battalion drill will follow.  
Thursday, November 18—Both companies, Butts' rifle drill, and company drill, close order.  
On Thursday the class in Military 23 will report to commandant.  
The attention of all cadets is called to the fact that the formation on Wednesday is always in blue uniform unless otherwise announced. This rule holds, regardless of weather conditions.  
By order of the Commandant of Cadets.

A motion to charge non-members \$1 and members 50c admission to the big game was presented to the A. S. U. N., and passed by a large majority.  
The expense at importing teams and the extensive trips, to say nothing of the new equipment bought this year has torn a large hole in the A. S. U. N. bankroll. This means is to be taken to replenish the coffers, so the other sports may receive their dues.

**TEST VOTE IN BIG NINE UNIVER-  
 SITIES IN FAVOR  
 8 TO 1.**

Much opposition to the rule prohib-  
 iting summer baseball has resulted in  
 the majority of the "Big Nine" uni-  
 versities declaring against it.

Unofficial results available on the  
 vote taken on the subject indicate  
 that the rule under which Captain  
 Lorin Solon of the University of Min-  
 nesota football eleven was recently  
 declared ineligible, is in disfavor with  
 the student body.

Six of the universities cast a total  
 vote of 2985 for repeal of the rule.  
 There were only 348 votes in favor  
 of it.

The result of the balloting at Pur-  
 due was not available. Students at  
 the University of Chicago will vote  
 on the question and at Northwestern,  
 while no vote was taken, sentiment  
 in favor of upholding the rule was  
 expressed.

The unofficial results of the voting  
 were:

University.	Repeal—	
	For	Against
Illinois . . . . .	669	31
Iowa . . . . .	252	23
Indiana . . . . .	200	14
Wisconsin . . . . .	791	78
Ohio State . . . . .	250	31

Football has so far been a finan-  
 cial failure at Utah, in spite of the  
 fact that this form of intercollegiate  
 sport generally exceeds all others as  
 far as gate receipts are concerned.  
 About \$400 was lost on the Wyoming  
 game, \$100 on the game with the  
 Aggies and \$450 on the game with  
 the Mines.

A man, whose trousers bagged  
 badly at the knees, was standing on

**JOE MACDONALD, '15, AND LEO LA  
 LEWIS, '14, ARE CONTRACT-  
 ING PARTIES.**

Stealing a march on all but a few  
 friends about town, Joe MacDonald,  
 '15, last Saturday afternoon added his  
 name to the list of happy married  
 men.

The bride was Miss Leola Lewis,  
 '14, daughter of Mr. and Mrs. T. M.  
 Lewis of Reno. Mr. Lewis is a prom-  
 inent rancher near this city. The  
 groom was prominent in student ac-  
 tivities on the hill, playing on the var-  
 sity rugby team and managing the  
 Sagebrush for two years.

Rumors of the event were making  
 the rounds, but were hushed success-  
 fully by a co-conspirator, who is pres-  
 ent-manager of the Sagebrush. The  
 ceremony was performed at 5:30  
 o'clock by Rev. Father T. M. Tuim-  
 an in the rectory of St. Thomas'  
 Aquinas church.

Jack Pierson, '16, and Vivian Engle,  
 '17, officiated as best man and brides-  
 maid. A wedding supper was served  
 at a local cafe immediately after

the ceremony, from whence the new-  
 lyweds left for the depot. The news  
 had by this time spread, so that a  
 good-sized delegation of the groom's  
 fraternity brothers, the T. H. P. O.  
 were on hand to take part in a  
 hearty sendoff.

After a honeymoon spent in San  
 Francisco, the young couple will re-  
 turn to Reno, where they will make  
 their home.

**CALIFORNIA**  
 Statistics on file with Recorder  
 James Sutton show that over six per  
 cent of the men at the University of  
 California do their own washing, cook-  
 ing, and house work. It has also been  
 estimated that 8 per cent of the wo-  
 men do likewise.

 building. The purpose of this map is  
 for those interested to intelligently  
 follow the maneuvers of the various  
 armies in the war zone. The different  
 nations will be represented by differ-  
 ent colored pins. Mr. Santschi will  
 move the pins with each move of the  
 armies once a week, so anybody can  
 tell by looking at the map, the exact  
 progress of the war.

## PROMINENT EDITOR TALKS TO STUDENTS

VALUE OF HIGHER EDUCATION SUBJECT OF INTERESTING DISCUSSION.

Last Friday's assembly was marked by a short but scholarly address given by Charles Whitney Baker, editor of the Engineering News and a prominent man in the engineering world. Mr. Baker congratulated the students on their opportunity to attend a small university. Conditions at the small school made possible, he said, the growth of friendships which are impossible in big colleges. There is more opportunity to attend to the main thing in the smaller institutions and the student's time is not taken up by the many side shows of the large university. The main task in college life, the speaker stated, is not to assimilate facts, but to carry away the ability to judge wisely and accurately. This is particularly true in the case of engineers, who must possess the faculty of carefully estimating the worth of a situation. During his stay in California, Mr. Baker spoke before the Faculty club of the University of California in opposition to the theory that the ability to judge conditions could not be changed, and affirmed that if college life did not train and change the faculty of judgment it failed in performing its greatest task.

The scientific man not only has need of the ability to judge wisely, but he must also abstain from judging hastily from insufficient and unauthentic data. College life not only ought to train men in estimating matters of truly scientific import, but it also ought to educate the students to judge wisely on the current political questions of the day. In many problems of political science the engineer may contribute

valuable assistance and he must be trained in matters of this kind if he would help. Mr. Baker cited the problem of big business as a question in which the engineer might be of great assistance.

The address, coming from an authority on engineering questions, was thoroughly appreciated by the students and faculty.

## DAN CUPID BLAMED FOR LOSS OF PLAYERS

Utah Agricultural college started the football season with fine prospects. Five veterans were back—Capt. Johnson and Willey, ends; Rigby, quarter; Luke and Peterson, backs. All are married and friends were proud of the prowess of the benedict on the gridiron.

Then a couple of Capt. Johnson's ribs were broken. His wife forbid him to play again. Luke was made captain, but one day he turned in his uniform. He gave his wife as the cause. Soon afterward Willey and Rigby turned in their suits. Their wives did not want them to play.

A new captain had to be picked. Peterson was the logical man, but the players refused to again select a married man. So the captaincy was voted to Cy Owens, a big tackle. Before a week had passed his engagement was announced.

That was about the last straw for Coaches Teetzel and Stamp, former Michigan stars. They were already tearing their hair trying to fill the positions made vacant on the orders of players' wives.

News of the disruption of the eleven by Cupid spread forth to Utah university. Fearing they might meet the same fate, Coaches Norgren and Breathed issued an order barring all members of the Utah university eleven from attending social functions where girls were to be present. —Daily Cardinal.

## THE LAW OF OBEDIENCE.

The first item in the law of common sense creed is Obedience. Do your work with a whole heart. Revolt is sometimes necessary, but the man who mixes revolt and obedience is doomed to disappoint himself and everybody with whom he has dealings. To flavor work with protest is to fail absolutely.

When you revolt, why, revolt—climb, get out, hike, defy—tell everybody and everything to go to limbo.

That disposes of the case. You thus separate yourself entirely from those you have served—no one misunderstands you—you have declared yourself. But to pretend to obey, and yet carry in your heart the spirit of revolt, is to do half-hearted and slipshod work.

If revolt and obedience are equal, your engine will stop on the center and you benefit nobody, not even yourself.

The Spirit of Obedience is the controlling impulse of the receptive mind and the hospitable heart. There

are boasts that mind the helm and boasts that don't. Those that don't get holes knocked into them sooner or later. To keep off the rocks obey the rudder. Obedience is not slavishly to obey this man nor that, but it is that cheerful mental condition which responds to the necessity of the case, and does the thing.

The man who does not know how to receive orders is not fit to issue them. But he who knows how to execute orders is preparing the way to give them, and, better still, to have them obeyed.—Elbert Hubbard.

**Musings of Monti**

Being a letter to the home-folks from one Monti, '19, telling of the wild and restless freshman existence.

Reno, Nev., Nov. 16, 1915.

Hello Tommy: You old piker. It's a wonder you wouldn't write to a fellow a little oftener. Some day maybe you'll know what it is to be a stranger in a strange land; but talking about strangers in a strange land, the joke is sure on me. When I came here I expected to find a tribe of people resembling the wild men of Borneo, but on closer acquaintance I find that they're almost human.

You asked me in your previous letter what courses they give here. They teach everything except law and medicine, but it appears to me as if nine-tenths of the fellows are taking the course in dear hunting.

Say, Tommy, were you ever flat broke and away from home? Well, the other day I was in just that condition. I was flat broke and all in, down and out; so I asked Windy if there wasn't anything around Lincoln hall that I could soak for a few days, until I got my remittance. (Hasn't remittance got a cashy sound?) He said: "Ask me something new; that request is so old that it's growing gray and raising whiskers. Besides, everything portable around here has been downtown so often that it is getting to look shop-worn." But he suggested that I take the swans down and pass them off for a couple of Franzenized Washoe canaries.

I see by the papers that Uncle Sam is having considerable trouble with those greasers down in Mexico. If they get too obstreperous all he's got to do is to say the word and we'll go down there and fight them out of our little books.

Did I tell you that I was the fresh deputized to borrow the skeleton from the lab, to hang on a tree as a deadly warning to the sophs? Well, I was. I might also add that I was the frosh held responsible for the breakage when the rope parted and it fell fifteen feet.

The girls at Manzanita gave a benefit tea or something last week and they asked me to help them wash dishes. SHE was one of them. Would I wash dishes for HER? I would and did. I washed dishes for three hours. I washed dishes until my back ached and my hands were raw, but wasn't I breathing the same atmosphere and working for the same ause as my divinity?

When I got through and just as I stepped through the door something bore down on me with the force and deadly precision of a couple of German submarines coming from different directions. The thing soon evolved itself into two flying squads of mine ancient enemy, reinforced by a number of murderous-looking upper classmen. They almost tore me limb from limb. (They did tear my classical trousers.) I thought to myself "It's me for the ditch and they're fighting for the honor of doing the ducking." They fought like the tigers in a circus fighting for a bone, and I was the bone. Finally, after we'd all begun to look like the underdog in a free-for-all, two huskies got me and dragged me across the bridge and over the campus. To the ditch, did you say? Not at all. Down to one of the fraternity houses to dinner.

I called on her over at Manzanita last night, and she's some girl. She has all the rest of them put in the shade. I didn't know they had rules and regulations there, and when a bell rang about 8 o'clock I thought to myself "How nice. Miss Brown is going to serve refreshments." But imagine my surprise when my hat was clapped on my head from the rear and somebody said, "Here's your hat. What's your hurry?"

I just wonder if I'm always going to be shoved out into the cold, cold world, just when I'm getting acclimated, so to speak.

When I told Windy about my aspirations he jumped three feet in the air, and said: "Well, you've got a gall. Why, she's the most popular girl on the campus." That made me sore and I said: "I know it. That's why I want her. I also told him that I was sick and tired of being classified and labeled like a bug in a bottle, and that I was going to see if the frosh didn't have any rights around these diggin's. Then he got mad and he said, "All right. Go to

it, but, believe me, from now on, your life will be one long howl of misery or one long screech of joy." What do you know about that, Tommy? He was just trying to discourage me. I think I'll call her Lulu when we get better acquainted.

I wrote home and told them that I needed a dress suit, and I think that the blow killed father, because I haven't heard from him since. I bet when I do get an answer it'll be a hot one.

Write soon,  
MONTI.

**Good Sport and Good Smoke Go Together**

There's more crisp, brisk, youthful vigor in an ounce of "Bull" Durham than in a pound of any other tobacco ever rolled up into a cigarette. It's the co-partner of the go-ahead spirit—the delight of the fresh, unjaded taste that goes with enthusiasm and energy. This grand old tobacco—the favorite of three generations—is today the liveliest smoke in the whole world.

**GENUINE "BULL" DURHAM SMOKING TOBACCO**

Within the last two years the "roll-your-own" idea has spread amazingly. Thousands of men have learned that their own hand-rolled "Bull" Durham cigarettes have a freshness and fragrance impossible to obtain in any other way.
