

# THE U. OF N. SAGEBRUSH

## FRESHMEN BID YOU WELCOME TO FROSH GLEE

### PRESIDENT CLARK TALKS TO CADET BATTALION

Champions Remaining in College as Greatest Service to the Government.

In a stirring talk last week to the cadets of the university battalion, President Clark endeavored to bring home to them the need of the country for college trained men after the war. Probably for the first time since the war broke out has the question of whether to enlist or wait to be called in the draft been properly put before the students. President Clark emphasized the need of the civilian workers to keep an army supplied with the necessities of warfare, for to every man in the line of battle five are needed to run the industries at home. "Wait for the draft, but not only be willing but anxious to go when your country calls you. Until then, pursue your education so as to be better fitted for your work when called," said President Clark.

Among other things, the president advised the students not to be led to join the army because of the glamour of the uniform. "The man working for victory behind the lines is just as patriotic as the man who goes to the front."

### OLD STAMPS NOT USED FOR DYE SAYS EXPERT

Idea That Red Cross Collects Stamps for Dye is Erroneous.

No doubt a great many people have been puzzling over the problem of how one Belgian baby can be supported on the value of the dye from 1,000 old stamps. Somehow the impression has spread that that is the truth. As a matter of fact, the dye from 1,000 stamps will not buy one glass of milk for a baby, according to Professor O'Neill of California. It is impossible to even remove the dye from the stamps.

To constant inquiries as to what the stamps are really used for, the Belgian consulate has replied through the Red Cross that the old stamps are mashed into a pulp and used in the manufacture of various little novelties and fancy boxes. These are then sold and the proceeds go to the relief of wounded Belgian soldiers.

### OHIO STATE

The aviators of the Ohio state university are to have the best equipped barracks in the United States. The quarters are being built with a view to turning them into freshman dormitories after the war.

### ST. IGNATIUS KNEELS AT MERCY NEVADA VARSITY

MISSIONITES FAIL TO SHOW CLASS EXHIBITED ON THE COAST AND MAKE ONLY TWO FIELD BASKETS. ON THE DEFENSIVE FOR WHOLE GAME.

SCORE 31 TO 13

MISSION PLAYERS GUILTY OF EXCESS OF PERSONAL FOULS IN HARD BATTLE TO HOLD DOWN SPEEDY SAGEHENS.

The St. Ignatius basketball team were taken into camp by the Nevada team last Saturday night. The playing, though fast, was not a good display of basketball. The game was well attended, and a very successful Block N dance followed.

The play opened with a freak goal. Both sides claimed the basket, and it was settled by starting the game over. The decision caused the first of numerous disputes between the visitors and the referee. The play turned out fast from the start with the balance of the speed resting with the visitors. The passing was ragged and many fouls were called on Nevada. In the intervals between the disputes of the saints and Referee Henderson the Nevada forwards succeeded in making numerous baskets. The opposing forwards, on the other hand, were unable to make a single field goal during the entire first half. Visiting Center Ohrlund, however, had his eye on the basket and dropped in six free goals. Both teams showed real class at times handling the ball, but the priests were totally unable to convert any goal. During the first half O'Brien proved elusive for the visitors and threw the largest part of Nevada's basket. The period closed with the score standing at 19 to 6 in Nevada's favor.

When the monks returned for the second half they had more determination than ever, but directed a large part of their energy towards rough and unsportsmanlike playing. The result only added to Nevada's free goal list. The play was generally faster the second half than the first, and while the visitors speeded up Nevada slowed down. The result was St. Ignatius' only two field goals. Lattin, who had been playing well but had gotten hurt in a scrimmage, was replaced by Gooding. During the second half several of the visitors were put out of the game on personal fouls

and they finished the period with practically a new line-up. The new team was as clever with the ball as the first but had no more success in finding the basket. The game closed with Nevada leading to the tune of 31 to 13.

The St. Ignatius game was the last one in Reno this year. It added one more to the list of consecutive seasons that Nevada has been undefeated in league games on the home court. Through the game Savage played his steady, consistent game. Waite was up to form and twisted in several hard baskets. Martin and Lattin at guard were on the job and responsible for a large part of the lack of scoring on the part of the visitors. Gooding showed up well for the few minutes that he was in.

The team leaves for the coast next Monday for a hard series of four games on the coast. The success of the team for the rest of the season is all in the balance and the results of this week's practice may decide between a series of successes or otherwise. St. Mary's College will probably prove to be Nevada's strongest opponent. Their game will be the third away from Reno and the championship may hinge on it.

The St. Ignatius team lined up as follows: O'Neill and Wagner, centers; Arrecon, Molkenbulb and Cronin, forwards; Williamson, Ohrlund and Larolovitch, guards.

The Nevada line-up was as follows: Savage, center; Waite and O'Brien, forwards; Lattin, Martin and Gooding, guards.

The game was followed by a Block N dance for the visiting team. A large crowd attended the game and filled the floor when the dancing began.

The team will leave for the coast next Monday night. Every person in the university should be at the train to give them a big send-off.

### NORMAL DEPARTMENT TO HAVE SUMMER SESSION

University Resources to Be Open to Six Weeks' Normal Course to Teachers and Students.

The University of Nevada will hold in Reno this year a six weeks' summer session, beginning June 17 and closing July 26. The courses are planned especially for teachers and prospective teachers in Nevada, and the full resources of the University will be available in so far as they are needed. The dormitories and the university dining hall will be open and the work offered will include everything that is needed for preparation for the various types of teachers' certificates in the state.

Among the special public lectures planned for the summer session will be six addresses by Dean George F. James on the war and its present and prospective effects on public education on the six leading countries now at war.

LATTIN—VARSITY GUARD

### COLLEGE ATHLETES ARE ALL IN THE SERVICE

(By Walter Camp)  
(From the Patriotic News Service of the National Committee of Patriotic Societies, Washington, D. C.)

It is with a feeling of great satisfaction with those of us who have ever contended that the sport of football was one which bred real men that we find in this time of emergency of the country our gridiron heroes, practically en masse, have gone to the colors. Last year's Yale and Harvard teams, which played at the Yale bowl before some 80,000 spectators, are now divided in the service. Twelve of Yale's first string men are in the service and twenty of Harvard's stars are serving.

And this is equally true of the other colleges and universities throughout the broad land. The writer has had an opportunity, owing to his government work at the naval stations, to see that wherever there is a naval station there in the blue uniform and wearing it with the same spirit that they formerly wore the jersey or the canvas jackets are our players, not alone of last year but of the earlier periods.

We are once more proving that the lights of song and story in the present generation, even as in that of the olden times, shone most brightly over brave men. "And brighter lights shone o'er fair women and brave men." And there seems to be a reason for it. A social scientist, forty years ago, said that the present nation of the future would be the one that could send the most men to the top of the Hatterhorn. He was assailed by many with questioning as to what he meant and whether he placed physical qualities and strength and the physique above the artistic and literary. But the events of the last four years have been showing more and more clearly what he had in mind, and what qualities a nation must possess, even in this twentieth century itself, in order to even live. Perhaps the millennium will some time come, but it is manifest that today bravery and physical qualities are essential to the very life and existence of any nation. This is the reason why we must make our men, all of them, more fit and enduring, more able to withstand hardships. Our college athlete is the fighting type. His spirit, his arms, his legs are good. The only point where we have in a measure failed is in his set-up, the deepening of his chest and the better development of his trunk for suppleness, action and resistive force. That is a point we are remodeling today, and the athlete of the future will be more the all-around man and the average man in college will have more of the possibilities of the athlete.

GIRLS' BASKETBALL SQUAD FROM WHICH THE TEAM WILL BE PICKED TO PLAY MILLS AND STANFORD NEXT WEEK

### COED BASKET SHOOTERS ASSURED OF TWO GAMES

Mills Game Is Definitely Arranged and Stanford Is Favorable Towards Match on Court.

Thursday afternoon the girls' basketball team played the Sparks high school, defeating them by a score of 31-5.

A game has been arranged with Mills College for February 16th. The girls will probably leave here the preceding Wednesday. The University of California has refused to play Nevada this year, but the athletic manager hopes to arrange a game with Stanford in its place.

An invitation has been sent to the College of the Pacific inviting them to come up and play Nevada on the home floor but they have not yet replied.

### NEVADA TIED FOR FIRST IN LEAGUE STANDING

Three Teams Rank With 1000 Per Cent and Three Are in the Cellar.

With the victory over St. Ignatius last week Nevada is among the first in the race for the league championship. Nevada, Stanford and St. Mary's all have perfect scores, with two games won and no games lost, and California has lost one and won one, while St. Ignatius, Davis Farm and University of Pacific have lost two and won no games.

St. Mary's defeated California Saturday night by the same score by which Nevada defeated St. Ignatius—31 to 13. It was an easy victory for St. Mary's and the game was played on California's court.

Davis also proved easy pickings for Stanford last week and was beaten by a score of 18 to 9. The game was played at Davis, and from the newspaper reports was a rather poor exhibition of basketball.

League Standing	Games Won	Games Lost	Per Cent
Nevada	2	0	1000
Stanford	2	0	1000
St. Mary's	2	0	1000
California	1	1	500
St. Ignatius	0	2	000
U. of Pacific	0	2	0000
Davis Farm	0	2	000

### MILLS COLLEGE PRES. TO SPEAK TO ASSEMBLY

President Reinhardt of Mills College to Be at Nevada Next Friday.

Next Friday morning the students will have the opportunity of hearing Dr. Aurelia Reinhardt, president of Mills College, speak at assembly. Dr. Reinhardt is going to attend the Collegiate Alumnae Conference and on her way will stop off at Reno. She arrives Friday morning, and besides appearing at assembly will be the guest of Manzanita Hall and President Clark.

The Girls' Glee Club will also furnish music for the occasion.

Yourselves and ladies are cordially invited to attend the Freshmen Glee given by the Class of Nineteen Hundred and Twenty-One on Friday evening, February 8th, 1918, in the University gymnasium at 8 o'clock. Admission \$1.00. Students free. Informal.

### ALL READY FOR FROSH FROLIC FRIDAY NIGHT

No Grand March or Swallowtails, and Decorations a la Hoover.

If present indications can be taken as a standard the Freshman Glee next Friday night promises to be all good time with no frills. Decorations will be Hooverized, but the difference will be made up by good music and informality. The freshmen have decided to bar "full D's" and also to dispense with the grand march.

Tait's banjo orchestra of five pieces has been secured for the evening. The patronesses will be Mrs. Haseman, Mrs. Boardman, Mrs. Turner, Miss Sissa and Miss Mack.

The freshmen are making preparations to entertain a large crowd of guests and especially desire the presence of every student and faculty member.

### PROFESSOR HARTMAN CONFINED TO HOME

Professor Hartman, head of the physics department, has been confined to his home the past week with illness. Although his condition has been a little serious it is expected that he will be able to assume his duties within a few days.

### MEN FLUNKING OUT IN AVIATION SCHOOL

Wireless and Gas Engines Prove Stumbling Block to Large Number of Cadets.

Of the class graduated last week from the Berkeley aviation school, about one-third of the men entering with the class were flunked out at one time or another before finishing the course. Of these failures, two-thirds were on account of deficiency in wireless. The general average for the whole class was only 75 per cent.

Of the squadron which will graduate February 9, one-seventh have already failed in examinations on engines and aeroplane motors, and of the class to graduate March 2 one-fourth of the original membership have already been dropped.

### LIEUTENANT STEPHENS APPOINTED TO CAPTAINCY IN UNIVERSITY CADETS

Lieutenant Stephens, who has been commanding the cadet company as acting captain this semester, was formally appointed captain by Major Ryan Monday. No other appointments have been made to fill the other vacancies, but Major Ryan will soon announce several new changes.

BASKETBALL SCHEDULE
February 12—Davis at Davis Farm.
February 13—Stanford at Stanford.
February 15—St. Mary's at St. Mary's.
February 16—California at California.

### UNIVERSITY WAR COUNCIL TO FURTHER WAR AIMS

Major Ryan at Head of Council. Which Will Organize War Activities at U. of N.

A plan is being put in operation by Major Ryan whereby all war work at the University will be systematized and carried forward with better results. A central council has been appointed, consisting of faculty members who have already started work along special lines. The members of this council serve as chairmen of other sub-committees composed of either students or faculty members who will do the detailed work of their respective departments.

Major Ryan is the chairman of the council and Mr. Layman the secretary. Seven other members complete the council. They are Prof. Thompson, chairman of the Committee on Propaganda and Publicity; Dean Knight, chairman of Committee on Conservation and Production; Dean Mack, Committee on Women's War Work; Prof. Lewers, Committee on Publications; Prof. Stanley Palmer, War Courses. Major Ryan will be head of the Committee on Military Training and Information and Mr. Layman will be chairman of the Committee on Soldiers' Books and Reading Matter. President Clark and Comptroller Gorman will also serve on the war council.

Each chairman will have his committee appointed this week and at the next meeting next Monday night further arrangements will be made.

FOOTBALL PROFITABLE Philadelphia, Pa.—Football was certainly a paying sport at the University of Pennsylvania for the fiscal year which closed August 31, 1917, according to the report of Major M. J. Pickering. The total net profit for that time was \$33,280.84. The current fiscal year will show a much different condition.

### ENGINEERS, NOTICE!

All students and members of the faculty of the College of Engineering are requested to meet at the electrical building at 4:30 Thursday afternoon for the purpose of reorganizing the Engineers' Club.

# EASTERN BASKETBALL NOT IN CLASS WITH WESTERN

"LONG TOM BUCKMAN" WRITES OF EXPERIENCES ON EASTERN COURTS AS CENTER ON HARVARD RADIO SCHOOL TEAM.

The following is a letter from Tom Buckman, ex-'19 and former star athlete at Nevada. Buckman was center on the championship basketball team of Nevada for two years and captain-elect for this year. He was also guard on the football team last year.

He enlisted in the hospital corps last summer but later transferred to the radio corps and was sent to the Harvard radio school this year. He has been playing star center on the company team and has surprised the east with his work on the courts there.

Cambridge, Mass.,  
January 27, 1918.

I receive the Sagebrush all right. I hope the varsity beat C. of P. yesterday and that you clean up on St. Ignatz next Saturday. We won our first game Friday night from Rabbit Maranville's Boston navy yard team, 33-32. You've heard of him, the captain of the Boston Nationals. Another big leaguer played with them. We played A. A. U. rules the first half and professional the last half. Professional basketball is rougher than football. Our team is made up of two Y. M. C. A. players, one from Portland, the other from Idaho. The others are from University of Illinois and

University of Minnesota. Believe me, western basketball is far superior to eastern and Nevada's last year's team could clean up on any I've seen here.

Have received several letters from Woost at Camp Meade. He was still unassigned when last heard of him. From his letters I judge he must have had a fine trip across. Tom King and Woost made the trip together as far as Cincinnati. If I had known that he was going across when he did I could have stayed and made the trip at the same time, which would have been fine.

I understand '19 has dropped or considers dropping the Artemisia. I was contemplating sending you some pictures for it but guess it won't be necessary now.

Do you observe these meatless, wheatless days at U. of N.? Here we have six of them each week. They ought to add one more and call it cheerless. Theaters don't open on Mondays and there are all kinds of regulations.

I've been in school two weeks now and start my third tomorrow. It keeps a fellow on the jump all the time. Real intensive training here.

Sincerely,  
BUCK.

**GRAND**  
Tuesday, Wednesday and Thursday the Grand will present popular "Big Bill" Hart in his latest film production, "The Cold Deck." This picture was considered such a strong attraction that it was taken out of the regular service and is being marketed on the state rights basis. It is a typical Hart picture with picturesque western settings and full of rapid action. The story is intensely interesting and tells a romance that will grip the spectator from start to finish.

Friday and Saturday the Grand will present the popular Paramount stars, Jack Pickford and Louise Huff, in "The Ghost House," a comedy-drama of strong appeal.

**MAJESTIC**  
The Majestic offers for Wednesday and Thursday Earle Williams in "The Grell Mystery," a story in which Williams is conceded to be quite at home. Robert Grell, on the eve of his marriage, is supposedly murdered, but it is his twin brother who is the victim. Helen Meredith, sister of the bride-to-be, enters the library and picks up the dagger, leaving thereon her finger prints. The mystery begins when Grell flees to avoid incriminating his sister-in-law-to-be, leading the audience through a most interesting chase through an intricate plot to a happy ending. The vaudeville also includes Thiesen's Pets, a canine novelty; Juggling De Lisle, and Bertha Gillman in novelty character changes. An educational picture and a Big V comedy complete a two-hour performance. Friday and Saturday the inimitable Douglas Fairbanks will be the screen feature in "Flirting With Fate," in which Doug. has the misfortune to be snubbed by his fiancee and the engagement called off. In desperation the lover hires an assassin to kill him, but before this can be effected his sweetheart relents. Then it is that a merry chase begins, with Doug. adopting various disguises to avoid his paid murderers. It is one of Fairbanks' best comedies. The vaudeville features Rose Llewellyn, southern song bird; the Millard Brothers, a team of comedians, who with the aid of a bicycle are a riot of fun; and Rafetto, a talented accordionist. The Majestic breaks into its policy one day this month to play the Charles Dillingham road show from the Globe Theatre, New York, "Stop, Look and Listen," with a huge cast and a huge chorus. The big musical girl revue is by Irving Berlin, whose jingling rag-time music was catchy enough, with the corking good book and principals, to run a solid year on Broadway. This is the first trip west for the production.

### WOMENS' LEAGUE GIRLS SEW SERVICE FLAG STARS

Sixty-three More Stars Are Added to Monster Service Flag by Women.

The Women's League held its regular meeting in the university gymnasium Friday, February 1. It was decided to have the members of the league sew stars on the Service Flag at the Manzanita tea on Friday afternoon. There are one hundred and thirty stars on the flag at the present time and the university is entitled to approximately one hundred and ninety three.

On account of the withdrawal from school of Zelma Francis, the vice-president, Marguerite Drumm was elected to fill the position for the remainder of the semester.

A committee was appointed to secure a speaker for the next meeting of the Woman's League.

**KNITTING**  
And the maiden, ever knitting,  
Still is sitting, knitting, knitting,  
Sitting, knitting, never quitting,  
Just within the classroom door;  
And the moments, swiftly fitting,  
Stop and watch her sitting knitting  
For the boys who've gone to war.  
I suppose that she'll be sitting—  
Sitting knitting,  
Evermore.  
—The Occidental.

One of the most patriotic things you can do is to help keep business going as usual.

**PI BETA PHI**  
At the home of Mrs. George S. Brown the Pi Beta Phi sorority entertained their pledges with a party Monday evening. The early part of the evening was devoted to stunts, which were followed by dancing and refreshments. The pledges are Misses Agnes Jensen, Ruth Billingshurst, Margaret Fairchild, Shirley Stewart, Edna Clausen, Hazel Hall and Virginia Higgins. Others present were the Misses Alice Hobbins, Alice Boynton, Edna Short, Ruth Miller, Myrtle Cameron, Faith Maris, Margaret MacMasters, Isabelle Slavin, Freda Daoust, Dorothy Higgins, Lola Hanna, Elsie Herz, Edwina O'Brien, Eunice Cagwin, Queen Esden, Helen Hobbins, Pearl Stinson, Dell Boyd, Miss George Tranter, Miss Margaret Mack and Miss Catherine Riegelhuth.

The Misses Evelyn and Ruth La Kamp were hostesses Monday evening at a party, where the time was spent in playing various games. The guests were Mr. and Mrs. Paul Humphrey and the Misses Marguerite Drumm, Frieda Perrin, Mary Browder and Mildred Meskimmons.

**PHI DELTA TAU**  
The Phi Delta Tau fraternity entertained their friends with a theatre party at the Grand Friday evening. The members of the party were Hulda Shartel, Marion Lombard, Lessie Wardle, Jennie Howson, Lulu Hawkins, Lavina Shields and Rose Harris; Lyle Kimmel, Harry Stephens, Howard Brennan, Ira Redfern, Robert Griffith, Leslie Ballou and John Douglas.

**D. K. T.**  
The members of the D. K. T. sorority met Friday evening at the home of Miss Alice Kincaid to pledge Esther Crump. A dainty buffet supper was served. Those present were the patronesses Mrs. W. W. Warden and Mrs. S. Belford, the pledges the Misses Helen Mace, Luella Murray, Esther Crump, Orva Clark, Helen Fuss and Neva Clark, and the members, Misses Magdalena Bertsch, Laura Ambler, True Wortham, Grace Fuss and Alice Kincaid.

Friday evening Miss Mildred Meskimmons entertained at her home with a dancing party. Her guests were Frieda Perrin, Marguerite Drumm, Mary Browder, Evelyn and Ruth La Kamp and Mr. and Mrs. Paul Humphrey and Mr. and Mrs. Meskimmons.

**SIGMA ALPHA EPSILON**  
The members of Sigma Alpha Epsilon fraternity were the hosts at a delightful dance held at Maple hall Friday evening. The members and guests included were the Misses Gladys Wood, Freda Daoust, Edna Clausen, Marguerite Pollans, Dorothy Cox, Hazel Hall, Helen Cahill, Myrtle Cameron, Elmond Brown, Agnes Jensen, Rose Harris, Shirley Stewart, Lois Moody, Alethea Hillhouse, Alice Boynton, Josephine Legate, Bonita Jensen, Mary Harrington, Adelaide Humphrey, Lola Hanna, Marie Connelly, Hulda Shartel, Jennie Howson, Lessie Wardle, Helen Smith, Professor and Mrs. Charles Haseman, Mr. and Mrs. A. E. Turner, Mr. and Mrs. A. Cahlan, Mrs. R. A. Allen, and Messrs. W. H. Stickney, Clement Caffrey, August Bering, Albert Cahlan.

The weekly meeting of the Y. W. C. A. was held Wednesday afternoon and Marguerite Drumm presided. After the services Miss Grace Kennard, the government field matron working among our Indians in this vicinity, spoke about her work among them. The government gave the land on which they are located, but because of the war no improvements have been made. Night classes have been organized twice a week and the Indians are rapidly learning to read and write. Miss Kennard's enthusiastic presentation of her work made the girls more interested in our Indians than ever before.

**FATE**  
Their meeting it was sudden,  
Their meeting it was sad;  
She gave her sweet young life,  
The most precious thing she had.  
She sleeps beneath the willows,  
In peace she's resting now;  
There's always something doing  
When a freight train meets a cow.
