

COMMITTEE DECIDES ON CAMPUS RULES

Useful Information for Freshmen is Worked Out

At a meeting of the upper class committee last Wednesday it was decided to uphold all the old traditions relating to the campus. The committee laid emphasis upon the following:

1. No one may smoke on the campus between sunrise and sunset. (This will now include the road as far as the north side of the chemistry building.)
 2. No one may cut campus.
 3. The bench in front of the library is for Seniors only.
 4. Use of the road between Lincoln Hall and the Agricultural building will not be considered as cutting campus until further notice.
 5. Frosh must not queen on the campus.
 6. It was also decided that the new Frosh, those who entered school in January, appear Monday (yesterday) with the lowly "Dink" to be worn the rest of the semester.
- The status of the men returned from the army was investigated and they were allowed to choose the class which they desired, not above the class in which they first registered.

SOPHOMORES MEET FOR ELECTION OF OFFICERS

The first sophomore meeting of the year was held Friday afternoon in the usual place for such things, the second floor of Morrill Hall, for the purpose of electing officers for the coming term. It was short and to the point.

Those elected were: Melvin Saunders, president; Gladys Dunkle, vice-president; Ruth Billingham, secretary; Edgar Harker, treasurer. The only other business which came up was the question of yells for the class. Some good noisy yells with a good old swing are the very foundation for united spirit in any line and here is where we need them most. Before long the sophs will be coming before the school with new yells for their class.

EXAMINATIONS FOR ANNAPOLIS OPEN

Competitive examination for admission to Annapolis will be held beginning today under the auspices of Lt. Col. Ryan. They will be open for several days, but anyone desiring to make application should do so immediately.

Up to date there is just one applicant, Ellis McCormick, two others having withdrawn.

The young Earl De La Warr has been minesweeping for two years. But not using his coro-net.

ARTEMISIA STAFF IS COMPLETE

With Staff Organization Complete Work on the Book Commences

The 1919 Artemisia is gradually taking shape and before long the material will be in the hands of the printers. The greatest difficulty is the finding of good campus jokes. The only way in which this section of the book can be made a success is to have everybody hand in all the good jokes that they hear.

All organizations that desire space in the book should see the editor at once and arrange for it. All persons whose pictures are to appear in any class, fraternity or sorority group should have it taken at Goodner's this week any afternoon before three thirty.

The staff has been appointed and will consist of the following: Associate editors, Helen Cahill and Harold Whalman; assistant editors, Don Warren, Carmen Rocksted, Rose Harris and Edna Greenough; assistant business managers, Al Cahlan, Phyllis Brown and Harry Stephens. The art work will be done by Emily Burke, Lulu Hawkins and Phil Frank.

MILITARY DEPARTMENT REGISTERS FORTY

The Question of the S. A. T. C. Credits is Definitely Settled

Under the direction of Lt. Col. Ryan the reserve officers' training corps is being re-established at the University. Lt. Col. Ryan received his formal appointment from Washington at the beginning of this semester.

There are forty men registered in the regular course and two in the advanced courses.

The question of credit for the S. A. T. C. work was discussed by President Clark and Lt. Col. Ryan with the following decisions:

1. That all students enlisted in the S. A. T. C. from October 1 to December 17, 1918, be excused from two (2) hours of the four hours per week scheduled in military for the present semester.
2. That those students who as members of the S. A. T. C. took the military course Group 1 be excused from three (3) hours of the four hours scheduled in military.

PHYLLIS BROWN IS SERIOUSLY SCALDED

Miss Phyllis Brown, one of the most popular students on the "Hill," suffered serious injury last Thursday evening when she fainted in the bath at her home on Lander street. Her feet and ankles were badly scalded.

Dr. Parker Lewis, who attended her, is very hopeful that her recovery will be much sooner than was at first expected and it is possible that she may be able to be out in three or four weeks.

Miss Brown is a member of the Junior class and also of I. O. A. O. sorority.

MORRILL TRADITION WILL BE OBSERVED

A. S. U. N. Passes Health Committee's Resolution and Other Matters

Traditions? Oh, yes, indeed. There are plenty of them, and they are going to be carried out in the future, too, judging from the sentiments expressed in Student Body last Friday. It was a long and interesting meeting, with many important issues to be discussed.

The resolution of the Health Committee was brought up and accepted with but little discussion. Hereafter, as Ira says, there will be a "family doctor" on the campus. The resolution as passed goes into effect at the beginning of next semester.

The committee on rewriting the constitution, represented by Harry Stephens, reported its progress. The Student Body expressed itself as in favor of retaining all the old traditions which have heretofore been printed in the constitution, and enforcing them.

Morris Badt requested that each student make out an itemized statement of the amount he pays out for books, paper, etc., during the year in order that the committee may estimate the amount the Co-op. store would take in.

Al Cahlan reported some interesting facts with regard to student employment. At the present time there are fifty-three students employed by the University, twenty-two of these being men and thirty-one women. This is a larger number than was employed last year. In an interview with President Clark these facts were brought out. The president also stated that there are five principles to be taken into consideration when giving employment. The applicant must be a fair student; all applications for work are filed in the order of their receipt, and a waiting list is thus kept; preference is given to Nevada boys if possible; advanced students are assisted as much as possible, and all other things being equal, preference is given to athletes.

The first motion under new business almost created a riot. In response to a suggestion from one of the upper class girls that the freshmen ought to give up their chairs when there aren't enough for all, the freshmen boys came forward nobly, each bearing a chair.

The proposition of securing the services of a doctor for the rest of this semester by voluntary subscription was discussed, and it was decided to put up a paper in Morrill Hall for the signatures of those students who desire to subscribe. If there are enough signatures the plan will be carried out.

Morris Badt announced that the Junior Prom would be held January 31st.

The "he-jinks" was announced for next Friday night, and all men were urged to be present.

As a final admonition the upper class committee warned all Freshmen to appear in dinks on Monday, and not to smoke on the campus. Above all—no queening!

DEAN KNIGHT IS NEW COMMERCIAL CLUB HEAD

Charles S. Knight, dean of the Agricultural College of the University of Nevada, was elected president of the Commercial Club of Reno last Thursday evening at the annual election of the club.

HEAVY BASKET BALL SCHEDULE IS ARRANGED

HOPES OF THE FANS ARE REALIZED WITH THE REORGANIZATION OF CALIFORNIA-NEVADA LEAGUE

The basketball outlook for Nevada grows brighter with every practice the squad has, and unless all appearances are worthless, this year's varsity should be a winner. Practice started last week with about fifteen men trying for places on the team, and a lot of good looking material is showing up among the new men. Si Ross '09, is coaching the team, and has been putting them through some stiff practices with good results. Ross, it will be remembered, is the man who turned out Nevada's crack teams of a few years ago which cleaned up everything on the coast, winning places for two of the men on the mythical All-Coast team. Ross will coach the men three times a week, and Prof. Charlie Hase-man the other nights.

Practice is from 4:30 to 6 o'clock every afternoon except Tuesday, when it is at 7:30. One other night each week will be taken up, notice of which will be posted on the bulletin board the afternoon of the day previous.

Among the men out, O'Brien and Waite are doing good work at the forward position, with Martin in his old place at guard. Davis and Egan are staging a good fight for center, with Hopkins close on their trail. Reed, Boyson and Wittwer are doing well at guard, with little choice between them. Luce handles himself well and should make a good man at forward. A number of others show considerable proficiency at the game.

A telegram was received from the Fallon town team, asking for a game there on February 1. No definite action has been taken as yet but it is probable their offer will be taken up.

with the possibility of a return game the following week here, February 8.

Two former Nevada players are on the Fallon team, Lattin and Mills. Lattin was a member of last year's Varsity team. The Fallon team has been practicing for over a month and are reported to be very good.

It is possible the Varsity may play a few practice games with the local Y. M. C. A. before the league schedule begins.

Nevada-California League Meets
The California-Nevada Basketball League held their annual meeting at the Oakland store of A. G. Spaulding Co., with all the members of the league represented.

St. Mary's, California, St. Ignatius, Santa Clara, Stanford and Nevada each had a man there, with Davis Farm being represented by Coach Christie of California. College of the Pacific was unable to get a representative there but phoned in, agreeing to enter the league and leaving the arrangements up to the other conference delegates. Captain O'Brien was Nevada's representative and stated what the University expected from the league. There were very few changes of any kind made in the rulings with the exception that there must be two officials, a referee and umpire, at every game, instead of only one, as heretofore. The matter of finances was left the same as before, Nevada paying each team we play in Reno \$75.00, and getting \$50.00 from each team we play on the coast. This difference is caused by the fact that Nevada takes only one trip to the coast, playing all the

LESLIE BRUCE GETS MILITARY APPOINTMENT

Nevada Freshman is Appointed to West Point Military Academy

Leslie Maltby Bruce, of the class of 1922, has just received telegraphic notification of the fact that he has been appointed as cadet to the United States Military Academy at West Point. The appointment was made by Congressman E. Roberts.

Bruce is the son of D. H. Bruce of Reno, and the brother of Herbert Bruce, now a member of the class of 1920, and of Lieutenant Daniel Bruce, who died at Mare Island last fall.

The University of Nevada will probably lose both of the Bruces as Herb passed the examination and is now qualified for appointment to Oxford University. Leslie Bruce will enter the academy in June.

PHIL FRANK RETURNS FROM THE SERVICE

Phil Frank appeared unexpectedly on the campus last week and began the task of registration. By the time the armistice was signed he had gained his commission in the air service and had been instructing for some months. Phil is a member of the class of '19 and an active man in all the student activities of the hill.

MISS GLADYS WOOD LEAVES FOR FRANCE

Employee of the University and Miss Hilp of Reno Receive Important Appointments

Miss Gladys Wood, stenographer in the University extension department, together with Miss Freddie Hilp, departed for New York Thursday evening, from which city the two young women will embark for France to engage in war work.

The National Federation of Women's Clubs is financing one hundred young women to go to Europe, and Miss Woods and Miss Hilp were chosen as the representatives of Nevada.

Miss Woods has been very popular in University circles. She is especially fitted for the position which she is to hold through her attractive personality and talent for music.

OH SAY!

In the first edition of the "Sagebrush" this semester there was a verse headed by the line, "Oh Say, Can You?" It was probably written by some one to whom the usual butchering of the national tune had become "old stuff." In other words it was no longer a joke.

Practically the same facts are true of our own college songs. There is but one which is ever sung by the student body and it receives just as bad a time as the national song ever does. The last time it was sung in a student body meeting there was considerable improvement but there was still nothing remarkable about it. It may have been pulled out of the "old stuff" stage by the meeting but that is hardly enough. The Freshmen are required to learn the song and if everyone else who doesn't know it will brush up a bit we, as a student body, will be able to answer in the affirmative the question, "Oh Say, Can You?" and the school will profit thereby.

ENGINEERS CLUB

WILL REORGANIZE

Students and Faculty Will Again Start Work

Plans are being made for the re-organization of the Engineers Club, which has been dormant for about a year. This club is made up of the faculty and students in all branches of engineering, and is for the purpose of promoting interest along engineering lines. The club usually meets once a month, at which time papers are presented by students or faculty members on subjects of interest, or talks are given by prominent engineers of the state.

The club has charge of Engineer's Day, when the laboratories and shops are open for public inspection with students running different tests or demonstrations. There are also several social functions carried out during the year, one being the annual Engineers' dance. A meeting will be held this week of all engineering students and faculty members interested. Notice of the date will be published on the bulletin board.

JUNIORS STAGE

FORMAL DANCE

Wilsonian Hall Will Be Scene of the Prom

The Junior Prom, traditionally the biggest social event of the second semester, will be given on Friday evening, January 31st.

In accordance with an old custom relating to class dances which was suspended for the duration of the war, and in order to re-establish the precedent, the "Prom" will be formal. Wilsonian Hall has been engaged for the dance in preference to the gym, which has always been a burden of expense in the past.

The committee is already at work on plans for a real big dance. Bids will be obtainable at Miss Sissa's office and it is the desire of the class to draw a good many town people as well as all the University people.

The householder, when removing, may take his coal with him. The Kaiser, it is thought, won't need to.

Now is the time to conserve.

FROSH ELECT

NEW OFFICERS

Friday afternoon, January 17, President Floyd Moffitt called a meeting of the Freshmen class for the purpose of electing new officers for the present semester. Owing to the many disturbances in the regular routine of the last semester, the Freshmen were unable to show the college how much pep and spirit its "infants" possessed. With the return of the old college life, however, they hope to make themselves heard as well as seen and to make up for lost time.

The newly-elected officers are: Leslie Bruce, president; Ethel Steinheimer, vice-president; Harold Luce, treasurer; Thelma Braun, secretary.

HANSEN BECOMES

SENIOR PRESIDENT

Seniors Have Aptitude for Tea and Dramatics

The class of 1919 at its meeting Friday night elected Lawrence Hansen as president, Freda Perrin, vice-president; Hal Engle, treasurer, and Freda Daoust, secretary.

The class discussed the possibility of giving a Senior play and a committee was appointed to look into the matter.

A committee was appointed for investigating a class memorial, as every member would like to see some permanent monument of 1919 erected on the campus.

After business was satisfactorily transacted, the class as a whole adjourned to Manzanita Hall where Miss Mack served tea and wafers.

The committees appointed were: Senior Play—Ira Redfern, Eva Hale and Mary Browder.

Committee on Memorial—Evelyn La Kamp, Mildred Meskimons and Dorothy Higgins.

Invitation Committee—Edna Greeough, George Hopkins and Freda Perrin.

A class meeting will be held sometime early next week for the consideration of the reports of the committees.

DR. ADAMS RECEIVES

SCIENTIFIC RECOGNITION

Word has just come that Dr. Maxwell Adams, Dean of Arts and Science and Professor of Chemistry has been elected to membership in the California Academy of Science.

The California Academy holds the same relation to the West that the National Academy holds to the whole country and membership in either is restricted to scientists of note.

At the last meeting of the Y. W. C. A., which occurred on Wednesday, January 15, the life and deeds of the late Theodore Roosevelt were discussed. The little talks were very interesting, and especially emphasized how the life of such a man helps us in becoming better and more useful American citizens.

The cabinet welcomed Miss Helen Fuss, as the new Y. W. C. A. secretary, at their meeting later in the evening. The next meeting will be held Wednesday, January 22, at 4:30.

Agricultural Students Entertain

The Agricultural students entertained at a delightful dancing party in the home economic department in the new agricultural building on Friday evening. It was the first dance to be given there and everyone declared it an ideal place for small dancing parties. The home economics students furnished delicious refreshments during the evening.

Pi Beta Phi

On Saturday evening Pi Beta Phi enjoyed an informal party at the home of Myrtle Cameron. It was the first time this semester that the girls had been together for a social evening and it was greatly enjoyed by everyone present. Those attending were: Alice Boynton, Edna Clausen, Ruth Billinghurst, Miss Mack, Myrtle Cameron, Rachael Sprague, Gladys Dunkle, Isabelle Slavin, Martha Folsom, Marian Derby, Josephine Legate, Miriam Fike, Dorothy Percival, Dorothy Higgins, Agnes Jensen, Virginia Higgins, Helen Cahill, Freda Daoust, Hazel Hall.

Delta Delta Delta

Miss Doris de Hart, assisted by Miss Eva Hale, entertained the members and pledges of Tri Delta at the de Hart home on Court street Monday evening. Marian Hooton was installed as the new president of the organization, and after the transaction of business matters, the pledges entertained the old members by singing some original songs which made a great hit. Delicious refreshments were served at the end of the evening, and the party broke up at a late hour with a general feeling of hilarity on the part of each member.

Those present were: Mrs. H. W. Hill, Marian Hooton, Grace Harris, Rose Harris, Eva Hale, Edna Greenwood, Nellie MacWilliams, Hallie Organ, Leila Ogilvie, Doris de Hart, Marguerite Pollans, and the pledges, Julia Callahan, Thelma Braun, Editha Brown, Louise Adams, Arvella Coffin, Gladys Myers, Gertrude Harris, Velma Truett and Marian Gignoux.

MANZANITA HALL

The first regular house meeting was held in the parlor of Manzanita on Thursday evening. There was plenty of business transacted to make the meeting a lively one and it is hoped that all future meetings will be as interesting as the first one.

Friday afternoon teas have been resumed much to the joy of all. Friday was senior day and the seniors were well represented. After class meeting the whole class adjourned to Manzanita to enjoy tea. It is not often that Manzanita is honored by having so many celebrities to tea at one time for included among the seniors were the president of the A. S. U. N., the president and ex-president of the senior class, the Y. W. C. A. president, the president of the Women's League and president of Manzanita Hall Association. Manzanita wishes to extend a cordial invitation to all students to attend Friday afternoon tea.

HISTORY NOTICE

Miss Wier will again be able to meet her classes early this week.

FACULTY SCIENCE

CLUB MEETS

Interesting Papers on War Strategy and on Navigation Are Presented

The Faculty Science Club will hold its first meeting of the semester this afternoon at 4:00 o'clock in the Mackay Building. Professor Nyswander will speak on navigation, and the various methods of locating a ship's position at sea, determining her bearing and course, and other things of importance to navigators.

Other subjects to be taken up this semester include a talk by Lt. Col. Ryan on "The Strategy of the Western Front," and a paper on influenza by Dr. Ruediger.

The officers of the club are: Prof. Haseman, president; Miss Mack, secretary; program committee, Prof. Hartman, Prof. Frandsen and Prof. Jones.

Meetings are held every two weeks and are of a very informal nature. Students are always welcome to attend these meetings.

WOMENS BASKET BALL PRACTICE BEGINS

No Games in Sight Yet and no Strenuous Work Being Done

The woman's athletic manager, Miss Salome Riley, is awaiting answers from Stanford and the University of Utah, regarding intercollegiate games.

However, the girls are making good use of their time, and are practicing four times a week, in the hope that their efforts will be rewarded by a good game. Several of the old varsity players aren't playing yet, but it is to be hoped that they can begin practice soon, so as to "pep" up the others and start some keen competition.

NOTICE

This is to remind those who have not yet paid their pledge to the United War Fund of the \$3073 which was pledged in November. Already \$2315 has been turned over to the State Treasurer, H. H. Kennedy. Much of the balance will be paid in by partial payments made monthly. Help the University of Nevada to make a 100% collection by paying your pledge. Miss Sissa is the local treasurer.

THE FLU

When your back is broke and your eyes are blurred
And your shin bones knock and your tongue is furred
And your tonsils squeak and your hair gets dry,
And your doggone sure you're going to die,
Just drag to bed and have your chill,
And pray the Lord to see you through,
For you've got the Flu, Boy, you've got the Flu.

When your toes curl up and your belt goes flat,
And you're twice as mean as a Thomas cat,
And life is a long and dismal curse,
And your food all tastes like a hard-boiled hearse,
When your lattice aches and your head's a-buzz,
And nothing is as it ever was,
Here are my sad regrets to you—
You've got the Flu, Boy, you've got the Flu.

What is it like this Spanish Flu?
Ask me, Brother, for I've been through,
It is by Misery, out of Despair;
It pulls your teeth and curls your hair,
It thins your blood and brays your bones,
It fills your craw with moans and groans,
And sometimes, maybe, you get well,
Some call it Flu—but I call it Hell.

What is of greater use to the Hun today than a suit of shining armour is a shining tin of Armour.

teams during her stay there, while opposing teams playing in Reno must make a special trip here for only one game.

The schedule was drawn up with each college playing seven games. The season commences with College of the

Pacific playing Santa Clara at College of Pacific January 25.

As usual, Nevada will have a rather hard schedule, playing four games within a week on her trip to the coast, but playing the first games in Reno. Nevada's first game will be against Santa Clara on our own floor, the night of February 15th.

Nevada's games follow:
Nevada vs. Santa Clara, February 15th, at Reno.
Nevada vs. Stanford, February 22,

at Reno.
Nevada vs. St. Mary's, March 1, at Reno.
Nevada vs. Davis Farm, March 3, at Davis.
Nevada vs. College of the Pacific, March 5, at College of the Pacific.
Nevada vs. St. Ignatius, March 6, at St. Ignatius.
Nevada vs. California, March 8, at Berkeley.

NOTICE HUNGRY ONES

The benefits of peace have at last reached the University in a tangible form. Miss Sissa is once more selling candy in her office for the Y. W. C. A. This practice, which was one of the most popular carried on in the University, was discontinued as unpatriotic at the beginning of last semester. It is now resumed and when the students feel the need of a little nourishment between meals, Miss Sissa will sell Hershey's, two for fifteen, butterballs and for the younger set, all-day suckers at popular prices.

DR. JAMES APPOINTED TO A NEW POSITION

Dr. George F. James, who left his position as dean of the department of education with the University last September to enter war work, has been appointed educational director under the national war work council of the Y. M. C. A. for the entire Western department including eight states and Hawaii.

His duty will be to establish schools and colleges in the training camps for the education of the men who may be kept at the camps permanently after the demobilization of those who will not continue in the service.

ON THE RIGHT TRAIL

Courier: Where can I find Major Tactics?
Adjutant: Never heard of him. What's he in?
Courier: Search me, the army, I suppose.

An American lieutenant hailed a passing doughboy. "Can you speak any French?" he inquired, pointing to a dozen or so women and children who had gathered around him at an American outpost at the frontier. "I can't make out exactly what they want."

After speaking with the refugees, the doughboy replied with a grin, "Why, Loot, the little girl there and her mother both want to kiss you."

The lieutenant blushed and granted the request.
