WOMEN PUT POINT SYSTEM INTO OPERATION

PLAN PROVIDES FOR A MORE EQUAL DIVISION OF STUDENT HONORS AMONG WOMEN

The point system was the main topic of discussion in Women's League last Friday. The plan is almost ready to be put into operation, but there are still a few details to be arranged.

The number of points assigned to the president of Manzanita Hall was changed to six instead of five, in order that the same girl might not be president of Manzanita and of Y. W. C. A. or Women's League at the same time. The office of Associate Editor of the Sagebrush was changed to five points, and that of Secretary of Women's League to four points.

There was much discussion as to whether mere membership in a departmental club should carry with it any points, but inasmuch as membership in some of these clubs is compulsory it was decided not to award any points to that.

The question as to whether two points should be credited to the president of each sorority was discussed, but no conclusion was reached. A committee will be appointed to investigate the matter and report at the next meeting.

The following is a summary of the point system as it now stands: Ten points are awarded to Y. W. C. A. president and to Women's League president; eight points, chairman of point system; seven points, upper class advisor chairman, A. S. U. N. secretary, athletic manager; six points, Y. W. C. A. vice-president, Y. W. C. A. secretary, Y. W. C. A. treasurer, Man-

zanita House president; five points, associate editor of the Sagebrush; four points, Women's League treasurer, Women's League secretary, Y. W. C. A. cabinet member, leading part in dramatics (temporary); three points, Senior class president, associate editor of Artemisia; two points, president of any departmental club; any class president except Senior; captain varsity basketball team, chairman of any committee, Manzanita House officers, except president, Artemisia workers other than associate editor (temporary), chairman Mackay Day banquet (temporary); one point, any class officer except president.

Seniors are allowed fifteen permanent points and five temporary points, Juniors ten permanent points and five temporary points, Sophomores eight permanent points and five temporary points, Freshmen five permanent points and three temporary points.

Each girl who accepts this point system must sign one of the cards which Miss Sissa has in her office, before January thirty-first; otherwise she is not eligible for office.

Roll call showed that very few of the Freshmen girls were present at the meeting. The attendance of all is urged as it is the only way in which united action on the part of the women can be secured.

The next meeting promises to be unusually interesting, as a downtown speaker is going to be asked to address the League.

HE-JINKS PROVES TO BE AMUSING AFFAIR

Jazz-fest is Well Attended by the Students, Faculty and Business Men

One of the peppiest stunts given on the hill for some time was the annual "He Jinks" which was pulled off Friday evening with about a hundred men present. Faculty, alumni, students and down-town business men all helped to swell the crowd and make the enthusiasm the greater.

On attempting to force their way into the gym without giving the necessary signs and passwords, a number of men were halted at the point of the bayonet by Sergeant Hopkins and Corporal Warren of the Guard, together with the rest of their relief on post. In most cases, however, their identity was soon established and they were passed without further comment.

Inside the fun began with a tilting contest, Gobs versus Rookies. This consisted of a small man armed with a large pillow fastened on a broom, being carried on the shoulders of another man, the idea being to push the opposing man off. In the end this narrowed down to two pair, Billy Holcomb astride of Tiny Fairchild against Bob Griffith on Don Warren. After battling ferociously for about fifteen minutes one of the bayonets broke and the conflict ended in a draw.

Next the men were formed up single file in three rows, Faculty, Alumni and Seniors. Two men in each row carried a broom from the head to the foot of the line with the men jumping over it, until all had carried the broom the fastest row winning. This game was a scream right straight through. Every time Prof. Charlie jumped he landed on Pa Turner's foot, making it highly exciting. It is rumored that the faculty resorted to some rather low tactics in this match, though there is no conclusive proof. The fact that they started the contest with twenty-two men, and ended up with fourteen shows something wrong somewhere. In spite of this fact, the Alumni copped first place with the Seniors a close second.

A few songs with everyone performing was the next even. Boyson tickling the ivories and Phil Frank as choral master, mostly chore.

Tryouts for yell leader did not bring as many contestants as was hoped. Bob Griffith and Marris Badt each showed their skill at leading the yells, which were well given. Bob Griffith was given the job eventually.

The big stunt of the evening was the demobilization board which acted upon a number of applications for discharge from the army. They acted under the following authority:

HEADQUARTERS U. S. ARMY
University of Nevada Campus
Reno, Nev., Jan. 24, 1919.
Special Order No. 23.
Extract

Pursuant to telegraphic instructions from the Adjutant General's office, dated January 23, 1919, a board of officers is appointed to meet at the U. of N. Gymnasium at 8:15 p. m. this date, for the purpose of considering all requests for discharge from the service that might be brought before it.

The board shall consist of: Brigadier General Ira Redfern, 88th Home Guards; Lieutenant Colonel Reuben Cyril Thompson, Reno Military Training Company; Major Philip R. Frank, 48th Balloon Juice Company.

By Order of Colonel Chas. Haseman, Reserve Math. Corps.

PHILIP R. FRANK,
Major, U. S. A., Adjutant.

The first case taken up was that of Chaplain Hansen. He asked for discharge, saying that talking was his line, not fighting. The board allowed the Chaplain to pour forth his battery of eloquence upon the gathering, which easily gained him his desire of being dismissed.

Mess Sergeant C. S. Knight came next with a tale of woe about poor crops, etc., due to his absence from the field.

From: Mess Sergeant Knight.
To: Commanding Officer.
Subject: Discharge.

CLIONIA AGAIN BECOMES ACTIVE

Debating Organization Elects Officers and Forms Plans for Debates

Wednesday evening Clionia, the debating and literary society of the University, held its first meeting for the school year of 1918-19 in the Turner apartments at Lincoln Hall. There was an exceptionally large attendance and five new members were elected, showing that the interest in debating, which flagged during the period of the war, is once more being revived on the campus.

The following officers were elected: President, Lawrence Hansen; vice-president, Gerry Eden; treasurer, Wallace Walters; secretary, Edna Grenough.

It was decided that Clionia should favor the continuation of interclass debate this year, as the prizes which are offered yearly by the regents, are offered this year as well, in spite of the unusual conditions which have up to the present time prevented literary activity.

Committees have been appointed for setting dates for the debates and everyone who is interested should attend the next meeting of Clionia, which will be on Thursday night instead of Wednesday as in the past. Membership in the society is open to anyone interested in debating, though debating does not necessitate belonging to the society. As the meetings promise to be very interesting this semester, a large enrollment is desired, for questions of present importance will be discussed.

Ever since I was called to the service the Nevada farms have gone to the dogs. The spuds have become warty, the alfalfa has quit growing. How can Bull flourish on such rotten conditions? I feel the call to return to the farm to encourage the spud, gather in the milk, and groom the Bull.
(Signed)

MESS SERGEANT KNIGHT.

Decision of the Board:

The worthy Mess Sergeant is hereby discharged from the army and shall return immediately to his former duties. Sergeant Hopkins bring in Star Shooter to be groomed. Also see to it that Private Wilson brings in some hay for this noble beast.

On considering the case of Private Eden, the following communication from the examining surgeons will fully explain matters.

He was found to be 7 foot 7 inches tall with a chest measurement of 16 inches.

From examining surgeons.
To Board of Discharge.
Subject: Discharge of Private Eden.

We find that the private is of such a decided elongated structure that he will be unusually fitted for following the German dachhounds into their holes and recommend that his application for discharge be denied.

J. C. JONES,
CHAS. GOODING,
Surgeons.

Corporal Derby was the next man mustered out. He was assigned to Private Jeff Boardman for instruction.

The case of Private Badt is best shown by the Surgeons' Report. The

MILITARY DEPARTMENT FORMS DEMERIT SYSTEM

Cadets Are no Longer Expected to Hear the Call of Spring

The following discipline record was posted last week for the benefit of all men taking military and shows different causes for which the men may be assigned demerits.

The names of cadets reported for delinquency will be published on the bulletin board.

If no explanation is received by the commandant before 4 p. m. of the day following publication, demerits will be assigned as follows:

1. Late at formation, 1 demerit.
2. Failure to submit explanation* for absence without permission (see Par. 20, Page 62, Catalog), 1 demerit.
3. Failure to salute properly, 2 demerits.
4. Not prepared on lesson assigned, 3 demerits.
5. Unexcused absence, 5 demerits.
6. For other derelictions or neglect, demerits will be assigned, according to the nature and gravity of the offense.

7. If the same offense is repeated within the calendar month, the number of demerits given will be increased in each case.

8. Cadets receiving 15 or more demerits in any month will be recommended for suspension.

*Explanation in writing MUST BE SUBMITTED in every case of absence without previous permission. Where such absence was due to sickness or injury, the explanation must be authenticated by the signature of parent, physician or other responsible party.

Blank forms may be obtained at the Armory Office.

O'BRIEN AND BELFORD APPOINTED CADET OFFICERS

By general order No. 1, published last week from the commandant's office, the following provisional appointments were made in the R. O. T. C. unit:

Captain, Harold O'Brien.
First Lieutenant, John Belford.
In addition to his other duties, Belford will be acting adjutant.

BIENNIAL REPORT OF THE UNIVERSITY WILL BE OUT SOON

The biennial report of the University together with the biennial report of the Board of Regents will soon be out. The University report will contain the reports of the directors and deans of the various divisions of the University, the Comptroller's financial report and the President's estimates to cover the needs of the next two years. The reports will be off the press within a week or two.

BASKET-BALL TEAM PLANS LOCAL GAMES

Varsity Will Play Practice Games With Indians and Fallon in the Coming Week

Under the coaching of Si Ross, the varsity basketball slickers are rapidly rounding into form and becoming like a well-oiled machine. In a practice game played last Thursday with some of the men not out for basketball, Coach Ross tried out most of the men and incidentally a few of his many plays, and everything worked out in fine shape, the varsity running up a score of 50 to 12. This is no criterion however, as the opposing team was just a pick-up bunch of men especially for the occasion. The men on it were: Carter (C), Badt (F), Lohse (F), Griffith (G), and Lowell (G). Davis started at center for the varsity, with O'Brien and Waite at forward, and Martin and Reed at guard. Most of the squad got in for a few moments

FROSH TO GIVE FORMAL GLEE

The Children Will Entertain in the Gym Three Weeks Hence

The class of 1922 held a meeting Monday afternoon for the purpose of discussing the Freshmen Glee. Leslie Bruce, the new president, led the discussion. It was decided to have a formal dance and to hold it in the gymnasium. The date decided upon was February 21st.

The subject of a new yell was brought up. The members of the class were asked to submit new yells to the president, and at the next meeting one of these will be chosen.

try-out at least, and all showed up well.

It is expected that the varsity will travel to Carson Wednesday evening to play the Stewart Indians who are reported to have a strong team. The way Nevada has been showing up lately, however, it shouldn't take them long to show the Indians just how strong they are.

The team plays the Fallon town team at Fallon this coming Saturday, and the following week, February 8th, they will probably play a return game here.

A STAFF OFFICE

In the near future the "Sagebrush" will probably hang out its shingle on one of the buildings of the campus and announce that it will take on all comers.

The paper has never enjoyed the luxury of a permanent office in the past but has shifted from pillar to post as best it might. The question of having a permanent joint office for the "Sagebrush" and the annual has been taken up with President Clark and it is probable that in the near future the two publications will find a much longed for resting place of their own. As soon as such an office is established even the most humble will be able to use the office, air their troubles or beard the editor.

TO NEVADA VIA ILLINOIS

There appeared recently in the "Daily Illini" of the University of Illinois a list of hints for new students which had been taken from the University of Michigan. They proved so applicable to the students of Illinois that but little change was necessary to make them fit in every case. With just as small a change they fit the conditions at Nevada and are here reproduced for the assistance of those who need them.

1. Wear your freshman cap or toque at all times, except Sunday. It identifies you with your fellows and with members of other classes; you should be proud that you are an Nevada freshman. Upperclassmen respect the freshman who wears his class hat.
2. Discard all preparatory and high school insignia, including high school fraternity pins and sweaters.
3. Do not smoke on the campus. It is a tradition of long standing that Nevada men do not smoke on the campus.
4. Do not sit on the senior bench. Use the rear stairway in Morrill Hall.
5. Do not walk four abreast on the narrow walk nor attempt to prove to townspeople in a boisterous and obnoxious manner that you are a college man.
6. Attend all class meetings and functions and take part in all class contests. Get into things and be a true Nevadan.
7. Learn songs and yells as quickly as possible. Knowledge of the members of all varsity teams will not be held against you.
8. Speak to every male member of your class, whether you have met him or not. Nevada is not the place to wait for a year to have someone introduce you to the fellow sitting next to you in chemistry or economics.
9. Avail yourself of every opportunity to enter into the life of the University; being an Nevada man includes something more than attending dances and knowing all the movie favorites.
10. Remember first, last and all the time that you are now an Nevadan and that your allegiance is to Nevada; anything that you can do to further the interests of the school, you are duty bound to do. The good that you will get from Nevada will depend entirely upon what you put in.

MANZANITA NOTES

L. F. G. Initiation

Friday evening at eight o'clock saw ever girl in the parlor of Manzanita ready for a good time. It was time for the new girls to be initiated into the secrets of L. F. G. and they are just recovering from the effects. The initiation began on the third floor and did not end till the basement was reached and every girl had learned all the secret corners of Manzanita. After the main part of the initiation was finished every girl had to appear in a stunt and it can be truthfully said that there is talent among the Freshmen of Manzanita. As a reward for the strenuous journey through Manzanita Land the girls were given a regular feed of sandwiches, ice cream and cake and all agreed that L. F. G. was worth while after all.

CROWLEY AND FARRAR

RETURN TO RENO

Bas Crowley and Bob Farrar, both of the class of 1917, are again in Reno after several months in the service. Farrar when dismissed was a lieutenant in the aviation. He was one time editor of the "Sagebrush" and president of the Alumni Association. He will probably remain in Reno. Crowley was commissioned as second lieutenant in the infantry, later changing to the artillery. He was at Camp Mead when discharged.

Casey. "Oi worrk out in the yar-r-ds. Oi'd like a pass to St. Louis."

"That is no way to ask for a pass," said the president. "You should introduce yourself politely. Come back in an hour and try it again."

At the end of the day back came the Irishman. Doffing his hat, he inquired: "Are yez the man I saw before?"

"I am."
 "Me name is Patrick Casey. Oi've been worrukin' out in th' yar-r-rds."
 "Glad to know you, Mr. Casey. What can I do for you?"

"Oi've got a job an' a pass to St. Louis on th' Wabash. Yez can go to hell."

COMMUNICATED

Editor U. of N. Sagebrush.
 Dear Editor:

It has always been the custom of the Junior Class to charge everyone at the Prom. This was always done in order to raise money to help in publishing the Artemisia. The expense of the dance was always paid by the class and all money taken in at the door turned into the Artemisia fund. The reason that there has always been admission charged at the "Junior Prom" and the "Senior Ball" is that the money taken in at the door has always been spent for the benefit of the school as a whole.

Since the responsibility of putting out the year book has been removed from the Junior Class to the Student Body, it does not look just to charge guests of the Junior Class. It hardly looks fair to call the dance a Junior Prom when all who attend help pay the expense of the dance. I think it would look better to not charge the guests of the class, or if they think best to charge, to spend the money taken in at the door on something that will benefit the school.

A STUDENT.

"GOTT UND ME"

Der Kaiser of der Fatherland
 Has given up the High Command,
 I'm down and out, you understand!
 I quit. Mein Gott!

I always claimed the power divine
 To rule the world and make the Rhine
 Run up hill. But for once (nein, nein)
 I'm wrong. Oh, Gott.

My huge, colossal war machine
 Iss ausgespielt—smashed up, I mean.
 It ran against the Yank Marine,
 Und stopped, by Gott.

My enemies have strafed my pride;
 They seem to have You on their side,
 I've blasphemed, pillaged, murdered,
 lied:
 I'm guilty, Gott.

I feel the heavy hand of Fate,
 Right on the neck; I abdicate.
 No more I'll sing the "Hymn of Hate"
 No more; oh, Gott.

I've played my last and strongest
 card;
 I'm up against it good und hard;
 There's nothing left but "kammerad,"
 Und peace, good Gott.

Back to the Rhine my troops are
 hurled;
 The jig iss up; my flags are furled;
 I leave the ruling of the world
 To You, mein Gott.

D. K. T. Social

The D. K. T. Sorority held their first regular social meeting this semester Monday night at the home of Alice Kincaid on Virginia street. Mrs. W. A. Clark gave a talk on some of her experiences while traveling in Europe, after which a few musical selections were given by members of the sorority. Refreshments were served later in the evening by the pledges. The members of the sorority who entertained are Alice Kincaid, Helen Fuss, Luella Murray, Orva Clipk, Neva Clark, Laura Ambler, Isabel Bertschy, Esther Crump and Ethel Creek. Their guests were their patronesses, Mrs. Frank Humphrey, Mrs. A. E. Hill, Mrs. S. W. Belford and Mrs. E. E. Wardin, and their pledges, Ruth Pilkington, Ethel Walker and Minnie Hohngren; also Mrs. W. A. Clark, Avis Lathrop, Lois Smythe, Ruth La Kamp, Evelyn La Kamp, Marian Hooten, Isabel Slaven and Mildred Griswold.

The Kampus Kat begins anew, Raspberries it has a mess, With Jimmie Donovan in view And the little Jane called Thres.

First she heard he wasn't true How blue it made her feel And after having had the flu She caught him with Lucile.

And then came tales of Erma E. But they weren't half so bad As those of Ruth and Dorothy— That awful fickle lad.

Some one advertised the fact that an antidote had been found for the Manzanita Hall initiation and the girls clamored for it. Through the advice of a kind friend, the girl's complexions were spared from taking on the hue of Huck Finn's "Sick Arab."

The Kat's eyes gazed enviously upon the many tired little heads resting against as many manly shoulders at the "Tau" dance the other evening. It couldn't help but note the resulting scented smear upon young Burke's lapel. Do you wonder that those same green eyes suffered tortures at the parting hour?

Whalman got wise to the fact that this space was to contain a gag on him. He paid four bits so no raspberry.

large molar spoken of was extracted only after a fierce struggle with Prof. Jones on the blacksmith tongs and Brow Gooding on the man. From Examining Surgeons. To Board of Examiners. Subject: Discharge of Private Morris Badt.

The only blemish we could find on the fair Morris was the unheard of extension of his oral cavity. Upon investigation we found this to be due to an unusually large molar which we have extracted. As he is now in perfect physical condition and beauty we recommend that he be retained in the service as an example of the great good the army life will do.

J. C. JONES,
CHAS. GOODING,
Surgeons.

Cook Hancock was found to be suffering from chronic indigestion. By the aid of a stomach pump his troubles were discovered. They proved to be two empty Velvet cans, and a plug of chewing tobacco.

Captain Noble Waite, U. S. L. G., was next in order. Having always scrupulously carried out his work he was discharged with the suggestion he start a nursery at Bunkerville.

After considerable argument, Corp. A. E. Turner, Lieut. T. B. Jones and Lieut. Lyle Kimmel were dismissed.

General Carl Horn, B. V. D., was found to be suffering from Flu bugs, and was inoculated accordingly. One particular bug found was nearly half a foot in length with huge wings.

The following letters form a part of Lieut. W. E. Clark's case:

From: Lieut. W. E. Clark, Instructor Gas and Flame.
To: Commanding Officer.
Subject: Discharge.

I feel the University of Nevada needs me badly. Since I have been in khaiki many things are not right with our college on the Hill. Jimmie Nyswander is hunting jack rabbits all the time and Bobbie is trying to elope with my secretary. These are but two of the very serious matters that need my attention. I therefore ask for my discharge from Uncle Sam's army of veteran warriors.

(Signed) LT. W. E. CLARK,
Gas and Flame Division.

From: Maxie Adams.
To: Commanding Officer.
Subject: Our Prexie.

I feel that our dear President should be returned to us very soon. Of course I have no personal feeling in this matter, but I think he can do more good talking to us at the University than fighting for our country. Since he went from us I have had no one to go to with my little confidences and ideas. Also my interest in tennis has gone.

I want him for a partner in tennis, I don't like to play with the other members of the faculty. So please return him to us very soon.

(Signed) DEAN MAXIE ADAMS.
TELEGRAM
January 24, 1919.

To Commanding Officer, Uncle Sam's Army:

In this matter of discharge of our President from the army let me tell you what is best. If he is of any service to you in the army I say keep him there. The University, under my supervision, is prospering as never before. Although I could find something here for him to do, he might not always listen to my advice and thereby disrupt my plans for the future of the institution.

Yours for big ideas,
C. R. HILL.

The Board's Decision on Lt. Clark's Case:

Lt. Clark you are hereby given your complete and honorable discharge. Play tennis often with Maxie, and don't disturb C. R. Hill's plans for the future of the institution. However, this doesn't obligate you to have to listen to these plans.

Eats made up the next act on the program, the menu being hot dogs and coffee (a la fire bucket). Following this Capt. O'Brien spoke a few words about basketball and the Santa Clara game.

Prof. Clark, Lyster Withers, Mayor Byington, Bill Settlemeyer and Rev. Brewster Adams each said a few words which were heartily received, winning a "Skyrocket" usually from the students. A short talk by Ira Redfern closed the jinks.

WILMER HINKLEY VISITS THE CAMPUS

Bill Hinkley, '16, appeared on the campus last week for a few days' visit after having been discharged from the navy. After graduating Hinkley worked on the Alaskan railroad. When war broke out he joined the navy and won a commission as ensign.

PAULINE BULL IS VICTIM OF INFLUENZA

Member of Class of '21 is Buried in Reno After Death in San Francisco

Pauline Bull, a member of the class of 1921, died in San Francisco of pneumonia as the result of influenza on January 22. Her brother, Charles E. Bull, is a resident of Reno, and she leaves, besides this brother, two brothers and a sister, and her father and mother in Rodeo, New Mexico. She was twenty years of age and a native of Texas. Her death came as a shock to her friends of this city, as her illness was very brief and it was not known that she was ill. She had been nursing at the San Francisco hospital prior to her death.

Funeral services were held at the Catholic church Saturday afternoon, with Father T. M. Tubman officiating. There were many beautiful floral pieces and many professors and students were present to pay the last tribute to the remains. The pall-bearers were Philip Frank, Emmet Smith, George Hopkins, Ira Redfern, Patterson and Alec McCausland.

A. S. U. N. RESOLUTION

We, the students of the A. S. U. N. wish to express our sorrow for the death of Pauline Bull. She was a prominent member of the present Sophomore class. During her residence in Manzanita Hall she made many friends and will long be remembered for her generous, affectionate disposition. Early in her college course she distinguished herself through her extraordinary literary promise. We extend our sincerest sympathy to her bereaved family in their sorrow over the loss of this devoted daughter and sister.

IRA REDFERN, President.
EVA HALE, Secretary.

Although the signing of peace terms will be a most serious matter, we shall only do it whilst on the Spree.Mi-hiel."

OUR COLLEGE CONTEMPORARIES

Membership in the hospital association of the University of Illinois, costing \$2, provides for a semester's medical care for any period of time not exceeding four weeks in either the ward hospital or in the case of contagious diseases in the isolation hospital. This protection is very beneficial to the student especially during severe epidemics.

Membership has reached the four hundred mark and is increasing rapidly.

The total registration of the University of California is 5012, 524 of which are graduate students and 4488 undergraduates.

This semester's registration surpasses the preceding one by more than 600 students, despite the influenza epidemic.

In view of the fact that the University's opening was delayed two weeks because of the prevalence of influenza, it now is decided to abandon the mid-semester recess which had been announced.

The effect of the action of the council is to substitute a semester of nineteen weeks for a semester twenty weeks in length, such as had been planned.

The Stanford-California track meet will be held May 3 on the California oval.

The Freshman track meet will be held on the Stanford oval April 19.

GEORGE MALONE TO RETURN SOON

"Mollie" Malone, '17, will soon be Reno again after an extended tour of France. Malone won a commission as second lieutenant in the infantry and saw active service abroad. He is now in Fort Douglas, Utah, and expects to be discharged soon.

The Kaiser must now be saying, like Achilles, "My vulnerable spot was in the heel."
