No. 19

FIRST UNIVERSITY SING-SONG IS HELD

Prof. Haseman Leads Students in Singing; University Song Book to Be Published

Last Friday at eleven o'clock the students and faculty met in the gymnasium for group singing of college and Nevada songs, under the leadership of Professor Charles Haseman, with Miss Nellie MacWilliams at the piano. There was a fairly large attendance but more people might have been present without bursting the walls of the gym with the volume of sound.

President Clark made a short speech at the meeting Friday, pointing out the advantage of community singing and the good fellowship that comes of singing college songs. He also urged a large attendance for the future meetings, which will probably take place every two or three weeks.

Professor Haseman plans to publish a book of Nevada songs of merit and he wishes to try out the songs here in the University. He met the girls of Manzanita Tuesday night and the boys of Lincoln Hall Thursday night and led the students in two peppy singfests which will be repeated in the near future.

D. A. E. WILL PRODUCE FITCHE'S TRUTH

Play by English Club Will be Given in March; Caste is Selected

The members of Delta Alpha Epsilon have chosen a play by Clyde Fitch, called "Truth" and the caste has been selected. It is planned to produce the play early in March at a down-town theater. The leading parts are taken by Helen Cahill, Laura Ambler and Eva Hale, and the other parts by Nellie MacWilliams, Dorothy Higgins, Isabel Slavin and Marian Hooton.

GIVE THE PIG A CHANCE

The Nevada Packing Company has hit upon a novel scheme for the selection of their advertisement in the 1919 Artemisia. The company has agreed to take a full page for advertising purposes provided that someone at the University will hand in a suitable advertisement. All students here are eligible to try out their talents and the winner will be given five dollars. All proofs must be sent to the Nevada Packing Company by the twentieth of February. This copy will be sent to the San Francisco Ad Club and the members will select the best advertisement. The contest is open to all so get busy and show your skill in "Giving the Nevada Pig a Chance."

INDIANS TRIM VARSITY IN FIRST GAME

Redskins Play a New Game Which Resembles Both Football and Basketball

Last Wednesday the varsity basketball squad took a trip to Carson to play the Stewart Indians. The trip was made in good time, supper was eaten at the Indian School "Gow House" and everything was lovely until the action commenced, and blood began to flow. With the Stewart coach, Oliver, refereeing, fouls began to pile up until the Indians got tired shooting goals. Waite went out after about ten minutes with a sprained ankle, and was unable to play again that night. In spite of everything, the varsity led at the end of the first half by a score of 7 to 5.

The second half saw hostilities begun again. The game soon developed into a regular football match, with numerous fouls called. During this half Martin suffered the loss of a front tooth and was thereby ejected from the floor on account of being too rough. The windup finally saw the Indians on the long end of a 23 to 15 score. Unless return plans go wrong there will be a repeat game played at the gym the night of Wednesday, February 12th, when the varsity hopes to avenge themselves.

The line-up for the game follows: STEWART—Samson, Moose and Rodes, forwards; Christensen, center; Ike and George, guards.

NEVADA—Waite, O'Brien, Davis and Luce, forwards; Egan and Davis, center; Reed, Martin and Wittewer, guards.

The team was scheduled to play Fallon last Saturday but was unable to make the trip due to snow. Fallon will play here Saturday night as the schedule stands.

Coach Ross has ordered that one smoke a day shall suffice for this week and that the courting of "My Lady Nicotine" shall stop entirely next week. He also has a movement under way to start a training table and hold all candidates down to rigid training rules.

PROSPECTORS' SHORT COURSE IS ENDED

Eleven Men Complete the Course and Get Prospector's Short Course Certificate

The prospector's short course came to a successful close last Friday after four weeks of intensive work on practical prospecting.

Eleven out of the fifteen men registered in the course completed the work satisfactorily. They were awarded the Prospector's Short Course Certificate by the Mackay School of Mines.

Prof. Lincoln stated that he was greatly pleased by the interest the men took and the manner in which they grasped the work. It is not the aim of the mining department to make mining engineers out of the men in four weeks but the course does try to familiarize and enlighten the practical man on practical problems. From past reports this has more than been accomplished.

In spite of the abnormal conditions this year the enrollment was nearly as large as that of previous years. This is practically the only course of its kind given in the West, consequently men from many parts of the country are attracted by the splendid opportunities that it offers.

Many classes of men were registered this year. Their occupations varied from bricklayer to retired physician. The following received certificates: Solomon Crandall, R. W. Douglas, Lee F. Hand, J. H. Hooper, J. B. Taylor, Michael C. Klosky, Joseph Johnston, Dennis Curran, William W. Bixby, George A. Bice and Ellen W. Beals.

There is one great reason why the soldier should be tempted to marry the French girl. He cannot speak her language and she cannot speak his. Their happiness is assured if they will but refrain from linguistic acquisition.

CAMPUS WAR; FROSH GREET SOPHS; MUCH PAINT

The fact that the world is at peace seems to have little effect upon the war-like spirits of the Sophs and Frosh at the U. of N., as was shown by a war staged on the campus last Thursday.

The cause of this Sophomore-Freshman war was only a lone, helpless donkey, decked with ribbons, sox, a hat, and last, but not least, a huge '21 painted on both of his sides in white. After having lead him safely through town, the Frosh took their prize upon the campus. All went well until some Sophs spied them, and then war was declared.

The first battle took place behind the gym where quite a crowd had gathered by this time. As soon as the Frosh girls saw their boys outnumbered, coats, hats and books were flying to the four winds, and the boys knew that reinforcements had arrived. Some of the '21 girls had appeared on the scene in the meantime, and they began a new offensive. While the battle raged, General Warren, commander of the '21 forces, decorated the donkey with green paint in the form of the Frosh numerals and then still armed with the bucket and brush, he led an attack upon the enemy. For a time he was successful, because the Frosh were not supplied with paint masks, and hostilities ceased for a few minutes.

As soon as they saw, however, that their generalissimo had been captured by the Sophs and was being taken away on the donkey, they began a counter attack. The battlefield by this time was in front of the gym. Not even the green paint could stop them this time, as was evident by the green scars on most of the warriors at the end of this battle.

FEB. 12 IS LAST DAY FOR PICTURES

All Individual Photos Must be in Soon; Business Staff Needs Assistance of Students

The work on the Artemisia is being rushed and the staff is confident that a book in no way inferior to the ones of former years will be published. In all probability the year book will appear on the campus sometime in April and in order to accomplish this all material must be in at an early date. All assistant editors are urged to hand in their copy during the next two weeks.

All individual pictures must be taken at Goodner's before next Monday or it will be impossible to have cuts made of them in time to print in the book. Juniors and Seniors must hand in their records of their college activities during the next week. Women should hand their records to Edna Greenough and the men to Harold Whalman.

It is impossible for the manager to see all the business men of town so the staff is appealing to the members of the student body for aid. If anyone knows any of the merchants or professional men of town, he should consider himself an assistant manager and get an ad from him. Turn in all ads obtained in this way to a member of the staff as soon as the ad is signed up.

It is the desire of everyone to have a good book and it can be had only by the earnest co-operation of everyone. Get Busy!

McGILL HARBORS SEVERAL EX-NEVADANS

"Graveyard Dutch" Berning writes from McGill that he has met several of the "old boys" since he arrived in that metropolis. The men in question are Jack Frost '20, Harold Jackson '20 and Spider Donahue '18.

Dutch also said that he regretted not being able to return and help the Freshmen observe the revived campus customs.

ENGINEERS' CLUB ELECTS OFFICERS

Revived Organization Again Starts Its Work in Earnest

The Engineers' Club held its first meeting last Thursday in the mining building with about thirty faculty members and students present. The following officers were elected to fill out the remainder of the semester: President, Hal Engle; vice-president, Dick Bryan; secretary, John Douglas; treasurer, Don Warren.

The programs for meetings of the club are made up of talks by prominent engineers of Reno and the state and papers presented by the student and faculty members. The moving picture machine in the electrical building will be overhauled and movies of large engineering projects in construction will be shown.

In order to relieve the officers of a large part of their work there will be a working committee made up of the president and a representative of each of the different branches of engineering in the University. The branches are mining, civil, electrical, chemical and mechanical.

The next regular meeting will be held Wednesday evening, February 12, unless notice is otherwise given.

ARTEMESIA STAFF IS ACCEPTED

Routine Business is Transacted and Move is Made to Open Training Quarters

The executive committee of the A. S. U. N. met in the parlors of the Manzanita Hall January 29. A good deal of routine business was transacted and bills were authorized paid.

The Artemisia editor, Morris Badt, was present at the meeting to present the list of names for his staff and to ask for a loan of fifty dollars to finance the annual. The list of names was approved and the loan allowed. Mr. Badt also told of his plans for getting advertisements.

The executive committee went on record as favoring the opening of the training quarters for student's use, as this building, which is one of the best on the campus, is now closed and has no caretaker.

WOMEN'S BASKETBALL MAY BE GIVEN UP

Lack of Prospective Games Cause the Women to Turn to Tennis

As there is a possibility that there will be no intercollegiate girls' basketball this year owing to influenza conditions on the coast and plans are already being made for spring sports in women's athletics, of which tennis is the most important under consideration.

Miss Sameth requests that all girls who are interested in playing will hand their names to her or Miss Somers within the next few days so that plans may be made for practice and tournaments as soon as the weather permits.

Letters have been sent to coast schools with the idea that intercollegiate tournaments may be arranged.

UNIVERSITY SENATE TAKES NEW FORM

The Senate Reorganizes and Forms the University Faculty Including all Members

The Faculty held on last Friday its first meeting since its reformation. The former senate has become a thing of the past and in place of it there has been substituted the University Senate which includes all members of the instruction staff from the rank of instructor up. The older organization was composed of those persons who were full professors as well as department heads.

WIFE OF FORMER PRESIDENT DIES

Mrs. J. E. Stubbs Died in Berkeley Last Week

Mrs. Ella Sprengle Stubbs, widow of former president of the University, Dr. Stubbs, died suddenly in Berkeley last week.

Mrs. Stubbs was one of the active women of Reno in club and social affairs during the time that her husband was president of the University. Dr. Stubbs was head of the school for twenty years ending in 1914 with his death. During that time Mrs. Stubbs identified herself with her husband in his untiring efforts in building up the University. During her time here she made many friends who mourn her death. She leaves five children. Mrs. J. M. Fulton of Reno, Mrs. Gordon True of Davis, Cal.; Miss Ruth Stubbs, a teacher in Berkeley; Ralph Stubbs, connected with the American Sugar Refining Company in New York, and John Stubbs, who is now in France in the radio service of the army.

The body was taken to Ashland, Ohio, for burial beside that of her husband.

RESOLUTION OF THE FACULTY

University of Nevada,
January 29, 1919.

To the family of Ella Sprengle Stubbs the Faculty of the University of Nevada extend their sympathy for the loss of a mother blessed beyond measure with the qualities of Christian womanhood.

The Faculty recall her unswerving loyalty to the University through the trying years which marked its growth from infancy to maturity. In shaping the University, her courage, faith and sweet graciousness are closely linked with the visioned wisdom of her husband, Joseph Edward Stubbs. These qualities are a part and parcel of the traditions of the University, a precious and permanent heritage.

To the individual members of the Faculty she was more than this. Forgetful of self, forgiving of wrongs, she was always ready with consolation in their sorrow, always responsive in time of their good fortune, and invariably sympathetic in all that would contribute to their welfare. In the hearts of the members of this group she will endure, a strong, vitalizing force making for right thinking and right doing, a high example of sublime faith in God, in whose everlasting arms she now rests.

VOL. XXVI RENO, NEVADA, FEBRUARY 4, 1919

EDITORIAL

START THE TEAMS NOW

As the year passes the condition of Nevada's athletics again forces itself into prominence and the question of improving that condition is one that must be answered soon.

A year before the war started baseball was practically junked as impossible. The weather condition during the spring and continued lack of material made the move necessary.

Basketball has always been a major sport in Nevada. Its season comes at a time when no other sport is in progress to interfere with it. Also it is an indoor sport and weather causes no interference. It is in a healthful condition this year as usual. However, its health is not contagious.

Both football and track are in a decidedly unhealthy condition. Track was given up at the outset of the war and there has been no chance to resume it until this year. Football was not played this year because of military complications. The experience of the past three seasons, however, is not an encouraging record to look back upon. No one doubts that Nevada will again take up track and football but success cannot be gained in a season. If there is to be a successful track team next year it must be started this spring. Football, the greatest of all college sports, is in the same position.

Work should start immediately on a track team for this spring and spring football training must follow basketball. A capable coach will be a necessary part of any activity and a move should be made to find such a man at once. If success is to be gained next year work must start now. It remains with the student body to decide whether or not they want to again raise the school to a position in the athletic world or drag along with little but failure to look back upon. Success in an athletic venture is as big a drawing card for any college as success in its academic instruction and its importance should be recognized.

COME OUT

It seems that interest is beginning to lag in the matter of basketball. Let us not slow up now that we have decided to put out a team to represent the "U" in the league. We have a few men who are out every night but we need more. These men are beginning to produce a top-notch team. Let's see more "pep" among the men who are not out. Come out a few nights a week. The exercise will do you good and don't be afraid some one will hurt you. Show Si Ross that the school is behind him. Don't forget the first basketball meeting of the year when plenty of support was pledged.

The Cat column seems to be returning to its old popularity and prosperity for Whalman's contribution of fifty cents for "hush" money soon brought forth the sum of twenty-five cents from one little co-ed with striking eyes and a Buster Brown collar in the form of a bribe to find out what Harold had halted.

Then up spake "Squeek" and offered fifty cents to keep out anything that might come in on him. And a report is out that even Frosh Johnson is terribly worried and deems it wise to come around jingling his money.

The Cat must have been in on the big scrap last Thursday for it has reported that one Orren Odin appeared to be singularly popular with the co-eds. In fact they seemed to flock about him and when they had finished he appeared somewhat the worse for wear.

Red, of silk hat fame, seems to be waxing desperate. He has declared that he is going to break into Goodner's show case some dark night.

The Burke-Ryan contingent appears to be greatly perturbed over the account the Cat spealed about the parties in question last week.

Anyone could tell that Brow is with us again—at least Kim says so.

No wonder these fair co-eds get by in their courses. The Misses Harris and Truett were caught in the act of remembering their little dark French Prof. with a beautiful bouquet of flowers. The rich part about it is the fact that the language of the note which was to accompany the fond token had to be read over the phone from a text book.

LOST—One pair of white pajamas somewhere on Virginia street. Finder please return to Ruth P. and claim reward.

Upon pulling a "boner" in a card game Deacon was heard to remark, "Gee, I'm a damn phool." A chorus agreed, "We know it." Whereupon Deacon replied, "Why, I expected to start an argument on that point."

The last meeting of the Y. W. C. A. was held on Wednesday, January 29, at noon, prior to the meeting the women students of the University gathered in the gymnasium, where the annual Y. W. C. A. luncheon was served. At the afternoon meeting in Stewart Hall Dr. Walter Clark spoke to the members regarding the work accomplished by the different departments and colleges during the past two years. This was very interesting as well as instructive. Everybody is welcome at the next meeting, Wednesday, February 5, at 4:30 in Stewart Hall.

NATIONAL COLLEGE ATHLETIC ASS'N. MEETS

The National College Athletic Association, which met in New York City right after Christmas adopted the following resolution.

"Be it resolved:

1. That in the opinion of the National College Athletic Association, physical training and athletics are an essential part of education, and that in every college and university the department of physical training and athletics should be recognized as a department of collegiate instruction directly responsible to the college or university administration.

2. That each college faculty should make adequate provision in the hours, scheduled for physical training and athletics.

3. That in furtherance of the foregoing it is the sense of this association that as soon as it is practicable, seasonal coaches be replaced by or be themselves given appointment as permanent coaches, and that scouting, except at open intercollegiate contests, training tables and organized training or coaching in the vacation, is contrary to the spirit of amateur college athletics."

I. O. A. O.
Saturday evening, February 1st, the I. O. A. O. initiated five new members at the home of Mrs. Layman on University Terrace. After the initiation the girls all joined in the singing of college and sorority songs. A delightful little supper was served. The unique favors afforded much amusement. Toasts were given by the patronesses and by representatives from each class and the alumni.
Those initiated were Norma Brown, June Harriman, Theresa Haughney, Carmen Rockstead and Laura Shurtliff.

FACULTY CLUB ENTERTAINED
The Woman's Faculty Club was entertained Saturday afternoon by Miss Sears and Miss Pope in the domestic science rooms of the Agricultural building. The rooms were prettily decorated for the meeting and a very interesting program was enjoyed. The guests were Mesdames Walter E. Clark, A. E. Turner, W. R. Mack, Louis Wright, G. F. Reudiger, C. R. Hill, H. W. Hill, C. Fleming, J. Louck, E. Miller, L. W. Hartman, F. Jones, Stanley Palmer, Walter Palmer, Maxwell Adams, Romanzo Adams, J. D. Layman, H. P. Boardman, F. Wilson, F. L. Bixby, F. Trainer, Peter Frandsen, F. Preston and J. E. Church, and Misses C. Somers, Margaret Mack, Katherine Riegelhuth and Maud Denny.

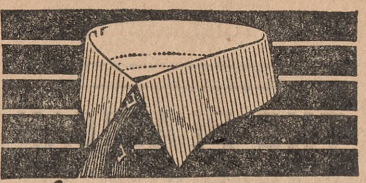

PI BETA PHI
Friday evening several of the members of Pi Beta Phi enjoyed an informal party at Manzanita Hall in compliment to Mrs. Raymond Spencer, a member of Delta Rho, who has been visiting her parents for several weeks. They talked over college affairs, sang college songs, toasted marshmallows, and later enjoyed dainty refreshments. Those present were: Mrs. Raymond Spencer and Misses Myrtle Cameron, Hilda Herz, Ruth Billingham, Isabelle Slavin, Freda Daoust, Dorothy Higgins, Margaret Fairchild, Rachael Sprague, Gladys Dunkle, Alice Boynton and Agnes Jensen.

JUNIOR PROM
Wilsonian Hall was the scene of the Junior Prom on Friday evening when everyone present danced until early morning to the strains of excellent music. The committee in charge of the ball was Rose Harris, Adele Armstrong, Phyllis Brown, Wallace Walter, Harold Whalman and Albert Cahlan. The grand march was led by the class president, Morris Badt, and Editha Brown. The patronesses were Mrs. Walter Clark, Mrs. A. E. Turner, Mrs. Charles Haseman, Miss Margaret Mack and Miss Louise Sissa. During the evening punch, wafers and mints were served.

PAIGE-HARRIMAN WEDDING
Miss Alice Paige, who graduated from the two-year Normal course last May, was married to a Mr. W. J. Harriman of Cedarville, Cal.
Mrs. Harriman is a native of Virginia City and was one of the most popular members of the sophomore class last year. She has been teaching in Cedarville this year and the young couple will make their home there after returning from their honeymoon.
HUMPHREY-McCUBBIN

ANNOUNCEMENT
The engagement of Miss Elsie Humphrey to Lieutenant Lloyd McCubbin was announced at a delightful luncheon given by her mother last Saturday. Miss Humphrey graduated with the class of '17 from the University and is a member of the Delta Delta Delta sorority. Lieut. McCubbin is a member of Sigma Nu Fraternity. He has been in service for the last year and a half and in active service for the last five months. He is now on his way home. The guests were: Misses Grace Harris, Nan Coon, Mila Coffin, Josephine Williams, Agnes Constable, Elaine Harvey, Claire Hofer, Ruth Leon, Emma Herz, Hilda Herz, Sybil Hartung, Zula Talbot, Doris de Hart, Rose Harris, Edith Harris, Pearl Stinson, Francis Heward, Edna Greenough, Eva Hale, Leila

Ogilvie, Fern Wright, Marion Weck Mrs. Forsythe, Mrs. McKinley, Mrs. and Enid Taylor and Mrs. Hooten, Mrs. O'Dowda, Mrs. J. G. Scrugham, Herman, Mrs. Meeker, Mrs. Nyswander and Mrs. L. L. Gilcrease.

SENIORS DECIDE TO HAVE AN ALL-SENIOR PARTY

The Senior Class held its regular meeting in Morrill Hall last Thursday. Reports were submitted by the committees on the memorial, invitations and senior play.

The memorial committee was unable to give a report as it had been unable to hold a meeting with President Clark.

A large collection of invitations was exhibited by the invitation committee. After considerable discussion an appropriate invitation was selected.

The chairman of the senior play committee reported some progress, correspondence having taken place with a number of dramatic companies. It was decided to get a play of a military character and to make it the dramatic event of the season.

A committee was appointed to investigate the matter of having a class pin. The committee consists of Laura Ambler, chairman; Grace Harris and Marguerite Drumm.

The class also decided to have a class party. "Red" insisted that it should be a "Kid Party" with no one present who was more than six years of age. This was vigorously opposed by the women on the grounds that a senior is supposed to be grown up. A committee was appointed to work out an idea for the party program. Those appointed on the committee are Gertrude Webb, Salome Riley and Phil Frank.

DAVIS FARM CANCELS FIRST LEAGUE GAME

Davis Farm School cancelled its game which was to have been played last Saturday, with California. The step had to be taken because of the increase of the influenza epidemic. No date has been set for the game. Both schools report their teams in perfect

RENO HI STRIKERS RETURN TO SCHOOL

Walkout Fails to Produce Results and the Returning Students Apologize

The strike at the Ron High School seems to have come to an end with practically all of the students back in school and those still out, ready to go back. The board has stood fast by their ideas and would not give in to any demands of the students. As matters stand, the strikers on returning to school, must sign an apology for walking out so unceremoniously. Any students who were on the basket ball team or held any class or student body offices lose them for the balance of the term. If there are to be any athletics this term, the teams must be picked from those who remained in school during the strike and from present indications this would be mighty slim pickings for any coach to work with.

THRIFTY BUTLER VISITS THE CAMPUS

Thrifty Butler of S. A. T. C. fame was again seen on the campus this week. He is on his way to put in an industrious spring at Tonopah. He has declared his intention of again becoming a student next fall if King Midas is willing.

EMMITT SMITH RETURNS TO CALIFORNIA

Owing to continued sickness "Dink" Smith, '19, found it necessary to return home and to a milder climate. This makes his second attempt to take on a college education. On his previous attempt he found it necessary to leave because of sickness brought on by a football injury.

OUR COLLEGE CONTEMPORARIES

Illinois—Approximately 200 permanent jobs and nearly 300 odd jobs have been filled this quarter by the employment bureau of the Y. M. C. A. of the University of Illinois.

This has been a great help to students who came to the University with the idea of earning money for their expenses. There are still a large number of men, however, employment officials declare, who are willing to work and really want to work and can find nothing to do.

Jobs such as washing dishes, waiting tables and firing furnaces for meals are mostly in demand, but the majority of the applicants are ready and willing to do anything.

Kansas—At the women's mass meeting recently held to consider the adoption of the honor system at the University of Kansas, the women voted unanimously in favor of the system and agreed to elect a representative member from each class to act as a committee to confer with various organizations. In the discussion of the system it was brought out that while perhaps faculty members are rather noticeably suspicious of students during examinations, yet they have grounds for their lack of faith in the students because of the cheating of a few.

California—Carrying out the campus tradition senior men of California met last night at the initial singing of the year. Marshal Paxton and Ronald Hunt were chosen temporary chairman and secretary respectively.

Commencing FEB. 5th. Wednesday
