No. 26

## MEN DECIDE TO SUPPORT TRACK

Track Committee is Given Task of Getting Men Out and Determining Possibilities of Aspirants

A meeting of all men interested in track or base ball was called Friday morning by A. S. U. N. President Redfern. The turnout was small, probably not more than a third of the men being present.

The base ball and track situation was discussed at length and spring football was also advocated. Ed Reed talked at length on the hardships of track training at Nevada and of the pleasures derived from baseball. Harriman took the stand that athletics were carried on for the benefit of the school and not for the pleasure of the players. On this argument he carried the balance of the sentiment in favor of track. He showed that while a few capable track men could represent the school creditably in a meet it would be practically impossible to turn out a baseball team of varsity caliber. It was decided to turn the task of getting out a track team over to a track committee. The committee shall in the next two weeks determine with the help of Prof. Haseman whether there are enough men of ability available to represent the school. The committee consists of Harriman, Greenwood and Hopkins.

Another result of the meeting was the tearing up of all frosh glee programs. The issue was raised by Malone, who said that there were many alumni in town who would not come because they would be unable to get dances if all programs were made out in advance. After a short discussion it was decided to tear up all programs already made out and to bubble all who appeared at the dance with them.

## TICKETS FOR "TRUTH" ARE NOW ON SALE

Play Will be Staged Saturday, April 5, at the High School

Tickets for "Truth," to be presented by Delta Alpha Epsilon, the girls' dramatic society, are now for sale on the campus, at fifty cents per, with no reserved seats. High School students will be given a special rate of thirty-five cents per ticket.

The play will be produced in the High School Auditorium, April 5, instead of April 6, as was announced in last month's "Sagebrush."

The caste is now well rounded into shape and the finishing touches are being put on the play, which is amusing and interesting from the first scene in Act I to the final drop of the curtain.

The costumes are beautiful and the stage setting is well adapted to the play, which is laid in an aristocratic apartment of a thriving young business man in New York, and in the poorer flat of the Widow Crespigny in Baltimore.

## LEGISLATURE GRANTS UNIVERSITY FUNDS

Recommendations of President Clark Are All Passed and Even Exceeded by the Legislators

During the last few hours of its existence the state legislature passed the last of the University's appropriations for the coming two years. These bills called for money to set the campus in good general repair as well as for the running expenses for the next two years.

One of the biggest things which the legislature did for the University was to pass the bill calling for a regular tax levy for the school. In the past the plan has been to fix a levy every two years in such a manner that the school got about the same amount every year. Under this plan it would be impossible for the University to advance much as its income would remain about the same. Under the new plan a uniform rate has been set so that as the state grows and becomes wealthier the University will receive the same proportion of the wealth. It will then be able to keep pace with the growth of the state, and expand with the state. Under this plan the University will remain an institution that every Nevadan can feel justly proud.

The general appropriation for running expenses was large enough that the men out on war leave will be able to return when discharged and additions made to the faculty if necessary. The repair work which will be done this summer includes a new concrete basement in Lincoln Hall and in the Hospital, the overhauling of the E. E. building which is in need of support, fluming of the ditch across the foot of the lake, interior work on the chemistry building, repairing of the dining hall and considerable work on both dormitories, especially Lincoln Hall.

There was one other bill that passed both houses but has not yet been signed, which is of great importance to the University. It is the bill appropriating \$250 for every bona fide Nevadan who spent at least six months in the service, this money to be used in obtaining an education in either one of the state's high schools or in the University if the soldier is so qualified. This bill, however, has not become a law yet and may not, but if it should it will mean a big thing for the school and for the men who have served the required time in the service.

## ST. IGNATIUS DEFEATED IN FINAL LEAGUE GAME

The final game of the California-Nevada Basketball League was played on Saturday night, when Santa Clara made the most of the last minutes of play and defeated St. Ignatius by a score of 18 to 17.

Although this victory for Santa Clara ties that college with California for first place in the league, the tie will not be played off.

## FROSH WINS FIRST INTERCLASS DEBATE

Miss Mills and Zeni Slip a Surprise on Their Soph Opponents

The first of the inter-class debates was held in Stewart Hall last Thursday evening between the Frosh and Sophs. The Frosh, who were winners of the debate, had the affirmative of the question: Resolved, That the United States Government should own and operate the Railroads.

The first speaker for the affirmative was Miss Mills. She said that Government ownership was a remedy for the evils that exist under private ownership and operation. She also showed the saving to the country by doing away with the needless expense of duplicated offices, according to statistics given, there were forty duplicating offices closed in San Francisco. Miss Mills' speech was well delivered and showed much preparation.

The first speaker for the negative was Miss Burke, who showed that competition was the cause of the development of the United States and that if the Government took over the railroads it would cause stagnation in the further development of the railroads. To prove this she took other countries where they had Government ownership and showed the superiority of the railroads in the United States.

The second speaker for the affirmative was Tony Zeni, and from the eloquence that he displayed there was no doubt left in the minds of the audience but that they were listening to the second Garibaldi. Tony showed the practicality of the Government taking over the railroads.

The last speaker for the negative was Gerry (Tiny) Eden, and there was no doubt but what he was the biggest speaker of the evening. Gerry had a speech with a good punch and he also got his illustrations from practical experience that he had gained in his "hum hick" town, Grass Valley. Tony and Gerry furnished the amusement of the evening by comparing their home towns, as both are from different towns in Nevada county, Calif. There was a great deal of rivalry.

At the last of the debate there was a great deal of debate atmosphere and as the speakers were getting warmed up, a great deal more eloquence was shown in the rebuttals than in the first speeches.

There was a good crowd out and especially Frosh to hear the debate. The Frosh supporters were boosting their team strongly and no doubt the result of the debate was due to the loyal support of their classmates. The judges for the debate were Prof. Thompson, Prof. Femster and Prof. A. E. Hill.

The next debate will be held on April 3rd between the Seniors and Juniors on the same question. The Seniors will be represented by Lawrence Hansen and Ira Redfern, while the Juniors that will lead in the gas attack will be Adele Armstrong and John Belford. The Juniors will uphold the affirmative side of the argument.

## LEAGUE OF NATIONS IS THEME OF ADDRESS

H. H. Brown of Tonopah Delivers a Stirring Talk on Peace

The University was treated to a most excellent address in favor of the league of nations by Hugh H. Brown of Tonopah last Monday morning at the high school.

Mr. Brown is an ardent supporter of the League of Nations and laid the situation before the students of the high school and the University with great clearness. Instead of being a badly mixed-up affair he made the proposition look like a sane and useful business affair which the whole world is in the greatest need of. He showed that the formation of the league was America's duty to the world and unless it was accomplished that Germany would have won the war and menace the whole world as it has menaced Europe during the past years.

The members of the University have now been fortunate enough to hear two able speakers, one speaking on each side of the question of the League of Nations, which is easily the biggest so far laid before the people of the world for solution.

Mr. Brown was brought to Reno by the League to enforce Peace of which he is president of the Nevada section. The peace league is organized in three states, California, Arizona and Nevada with local chapters in each state. In each state branches will be organized in the towns in order to better acquaint the people with the question of peace. The officers of the Nevada chapter are: Honorary chairman, Emmet D. Boyle; state chairman, H. H. Brown, Tonopah; secretary, Louise Blaney; chairman executive committee, Frank Norcross.

## "WHAT HAPPENED TO JONES" AT HIGH SCHOOL

Proceeds of Play Will Go Towards Paying for Phonograph

The expression class of the Reno High School will stage a play called "What Happened to Jones," next Saturday night. The play, which is being produced under the direction of Miss Belt of the English department, will be given in the auditorium and all proceeds will go towards paying for the new phonograph. Following the usual custom there will be dancing after the play.

## DON'T FORGET TO SET THE INGERSOLL

Every clock in the country is to be turned one hour ahead at 1 a. m. on Sunday, March 30, under provisions of the daylight savings act providing that every timepiece in the United States be turned ahead one hour on the last day in March and retarded one hour beginning at 2 a. m. on the last Sunday in October. The act is to be effective every year until congress sees fit to repeal it.

## PLANS FOR MACKAY DAY ARE LAID

Frosh Will Paint the Big N for the Celebration

Preparations are now under way for the celebration of Mackay day which is the biggest day in Nevada traditions. It is the day held in honor of Clarence Mackay and his wife who have done so much for the school.

Mackay day is as much a day for the faculty as it is for the students, as all turn out in the morning with old clothes, rakes, shovels, hoes and help clean up the track and athletic field. The girls are not forgotten either on this day as they have dinner to prepare for the men and who knows but what many a man has picked out his little Katrine to cook the meals and make every day a Mackay day.

"All work and no play makes Jack a dull boy," so it has been arranged that the afternoon is given over to play and the interclass track meet is staged. A great deal of rivalry is always aroused because the different classes are as a rule evenly matched. Last year no one was allowed to compete who had been a star in high school or was upon the varsity squad, and the final score showed only two points difference between the winners and second place team.

In the evening there is always the big Mackay Day dance. The last two years it has been given by the Gothic N society, which has always been a means of raising money to buy pins for the new members. And this ends the biggest day of the Nevada student.

The Freshmen have to see that the Big N is cleaned up and painted before this day. The committees have been appointed and are: Clean-up, Engle, chairman, McKenzie, Saunders, Whalman, O'Brien; and for the eats, Evelyn LaKamp, chairman, Salome Riley, Nellie MacWilliams, Alice Boynton, Helen Fuss, Ethel Steinheimer, Norma Brown, Doris deHart, Edna Clausen, Wallace Walters and Bob Griffith.

## NOTICE ENGINEERS

There will be a meeting of the Engineers Club Wednesday, March 26th, at 7:30 o'clock in the E. E. building. Several good motion pictures will be shown and all Engineer students and faculty members are asked to be present, so as not to miss a good meeting.

VOL. XXVI. RENO, NEVADA, TUESDAY, MARCH 25, 1919

## A BETTER WAY

The abolishment of prearranged dance programs, which was accomplished at the athletic meeting Friday morning, was one of the most noticeable things which have been put over at the University for some time. The only sad part of the whole thing was the fact that it took a person not at this time connected with the school to get the thing started.

The agitation against filling-out dance programs in advance of the dance is no new thing to Nevada. Three years ago the matter was taken up in the student body and carried through on the same arguments that carried it this last time.

At that time it was passed as a standing resolution of the A. S. U. N. to refrain from making out any programs in advance dances. Since that time the sentiment against it has relaxed and the old system has been gradually restored. The climax was reached in preparation for the Glee when some programs were filled a week or two before the dance. When the reversion came it was accepted willingly by nearly everyone who was involved. The resolution as passed, however, held only for the one dance. The conditions which now confront the school call ever more urgently for continued action along this line than did the conditions three years ago. The school needs the support of the alumni and townspeople and one way to get it is to show them a good time at University functions.

The filling out of programs in advance is not the way to do this and instead of abolishing the practice for one dance only it should be an established custom. There are some arguments on each side of the question but in a matter of this kind the welfare of the school should be considered and it lies on the side of no advance programs.

## SCHEDULE FOR WEEK ENDING MARCH 29, 1919

- Mil. 1. Monday—Drill (extended order).  
 Tuesday—Chapter 10, page 262—also pages 272 and 273 (Manual N. C. O. and Privates).  
 Wednesday—Drill (extended order).  
 Thursday—Page 263 to section 2, page 271 (Manual N. C. O.)
- Mil. 2. Tuesday—Chapter 10, page 258 to bottom page-262—also pages 272 and 273 (Manual N. C. O. and Privates).  
 Thursday—Page 263 to section 2, page 271 (Manual N. C. O.)
- Mil. 3. Tuesday—Paragraphs 537 to 584 I. D. Regs.  
 Thursday—Paragraphs 584 to 596 I. D. Regs.
- Mil. 4. Tuesday—Paragraphs 96 to 107 (Field Service Regs.)  
 Thursday—Paragraphs 107 to 121 (Field Service Regs.)
- Mil. 4b. Thursday—Paragraphs 96 to 121 (Field Service Regs.)
- Mil. 5. Thursday—Road and Position sketch.

## SOLID GOLD

America's colleges have proved that they ring true by the sterling performances of their sons in rallying to the cause of Democracy. Even the professional jokesters have realized that the "college man" skit is no longer appreciated. The college man has justified his existence; and the jokesters no longer carry the crowd with them when they attempt humor at the expense of the college man.

The nation's colleges are said to have given 150,000 men to the colors, exclusive of the S. A. T. C. force. And of that glorious contribution, at least 5,000 gave up their lives "that the nation and the world might live."

Alma Maters have heard of the accomplishments of their sons with pride and joy, mingled with grief at the loss of so many of the young men in whose hands the destinies of the nation will lie in the next decade.

The college man is made of the right stuff, after all. And the poor funny man loses another inspiration.—The Purdue Exponent.

Many men are failures because they are too long-winded and too short sighted.

## OUR COLLEGE CONTEMPORARIES

California—Adopting a suggestion from the University of Michigan an organization has been started at the University of California to encourage the Dutch treat. A new interpretation of this applies to women in their relations with men. It is conceded that college women have more money than the men and the idea is that they pay their share of all expenses incurred when accompanied by a member of this organization.

In order that some zest may be added to the operation of this plan, rolling dice for the settlement of the expenses incurred is proposed. A small pocket dice box is now being designed and all initiates will have one presented to them. It is assumed that in this way the expenses of "stepping" out with college women will be reduced to a minimum.

Purdue—The memorial committee of Purdue University has offered a plan for a memorial theater to be built in honor of the men who were killed in the war. By issuing shares of stock enough money could be raised, they believe, to erect a theater for about \$125,000.

Washington—An Alaskan barroom, with a sawdust floor, brought memories of the days of the sourdoughs to the fraternity freshmen at Washington State University last Saturday night when the traditional Delt smoker was held for the first time since pre-war days. Between the five minute acts given by each fraternity, the oldtime bar proved a popular place where cider, hot dogs and smokes were dispensed. College stunts and class yells linked the various stunts. Other entertainment was in the nature of musical numbers by quartets, monologues, boxing and wrestling matches. Festivities began at 8 o'clock and after the twenty-one act show, the men serpentine throughout the sorority house district in accordance with another old tradition.

Harvard—Graduation requirements have been lowered for all men who have been engaged in war work of any kind. The degree of A. B. and B. S. honoris causa will be awarded to these men upon their completing three-fourths the normal requirements for a degree.

Michigan—A "Bring Back a Man" campaign is to be promoted by the student union at Michigan university. The appeal will be made to every man who leaves for his summer vacation to pledge to bring back a new student with him. The Michigan Union has been completely revised recently and has adopted the following principles as a basis of improvement: Provision of an effective means of communication between the student and faculty body; interpretation and maintenance of Michigan traditions and customs; general supervision over student activities, organizations and conduct; the crystallization and making effective of the sanest of undergraduate opinions.

Practically every Eastern college will be represented at the National Senior Indoor Championship Meet which is to be held in Brooklyn soon. Among those entered are: Harvard, Yale, Princeton, Columbia, Cornell, Lafayette and Massachusetts Institute of Technology.

## BLUE UNIFORMS NOT TO BE WORN

A notice posted on the bulletin board of the Military Department states that the blue dress uniform prescribed by Par. 7, Page 60 Catalogue 1917-18, will not be required during present semester.

Credits for Military Service  
 Students entitled to credits for military service during the war, and whose cases are not clearly covered by the regulations governing such credit published in University bulletin dated November 30, 1918, may apply to the Committee on Military Credits for adjustment.

Application must be submitted in writing accompanied by necessary information, service documents, etc., and be delivered to the Registrar's office before April 10th.

Members of Naval Reserve  
 May Joint R. O. T. C.  
 Members of the naval reserve forces on inactive duty status, may obtain release from such forces, for the purpose of enrolling in the Reserve Officers' Training Corps, according to a recent ruling of the navy department.

For once I will give you the sur-  
prise of your young lives. The spring  
is in my veins, I feel the call of na-  
ture and a great desire to please so  
I will act in most unusual manner.  
I shall purr and blink in the sun  
and absolutely refuse to see, take note  
of or record herein such interesting  
and instructive facts as,  
At dances in the past it has always  
been a problem for a fellow to guess  
just what numbers were to be the  
"moonlights" and the like. However,  
the advent of the "Frosh Mix-up" has  
introduced a new form of program  
which enables the gents to pick out  
any dance they might desire to have  
with their partners some little time  
after the music has struck up.

D. K. T.  
On Monday evening the new mem-  
bers of D. K. T. entertained the old  
members of the sorority with a most  
delightful St. Patrick's party at the  
home of Mrs. E. E. Warden. Each  
guest had to make out her will before  
the party began. Then with due  
solemnity and impressiveness the  
hostesses after reading the last wills  
and testaments of their guests, initi-  
ated them into the Order of Ghosts.  
Singing and dancing were enjoyed dur-  
ing the evening. Dainty refreshments  
were served which carried out the  
color scheme of St. Patrick's Day.  
The hostesses were: Misses Avis  
Lothrop, Ruth Pilkington, Minnie  
Holmgren, Evelyn Walker. Those en-  
joying their hospitality were Misses  
Laura Ambler, Luella Murray, Isa-  
belle Bertschy, Neva and Orva Clark,  
Esther and Ethel Crump, Alice Kin-  
kaid, Helen Fuss and the Mesdames  
Frank Humphrey, A. E. Hill and E. E.  
Warden.

"Say, Hal, the next time that I  
leave word for you to call me up, I  
want you to do it. The Frosh who  
answered the phone tells me that he  
wrote, 'Hal Engle, call 1266-W, Salome  
Riley' on the bulletin board and it was  
there all day."

Dear Kampus Kat: Can't you help  
me keep my artist and business mana-  
ger on the job instead of letting Edna  
and Thelma run off with them?  
ARTEMISIA ED.

I heard the wheezing of a  
phony graph floating from the win-  
dows of B. B. Hall last Saturday after-  
noon. A peek disclosed the startling  
sight of a bevy of girls from the new  
Wet Wash laundry underneath the hall  
teaching our two illustrious Seniors,  
Ira and Hop, the Wet Wash Wiggle.  
It was too much for me.

Even though such facts are very  
plain and I cannot but observe them  
and my conscience will bother me a  
little for so neglecting my duties, but  
I am tired of dodging bricks and hav-  
ing false names attributed to me.  
Why, last week, though I don't sup-  
pose you will believe it, someone even  
went so far as to call me Phil Frank  
and Pat O'Brien. This is only one  
instance of the ill-treatment to which  
I am constantly subjected and another  
example of the ingratitude of man, for  
my nomenclators are invariably those  
to whom I have given special atten-  
tion and generous mention in my  
weekly news items.

But then, I promised that I would be  
a nice, congenial cat this week and not  
mention anything that might be an in-  
centive to anyone to disturb my slum-  
bers.

Nice day, isn't it? Don't you just  
love the spring?

Freckles are the farmettes' service  
stars.—Boston Transcript.

**MOTT STATIONERY CO.**

**DELTA DELTA DELTA**  
The members of Delta Delta Delta  
surprised their newly-married sister,  
Mrs. Allen Williams, with a shower at  
her apartments at the Frandsen Mon-  
day night after the regular business  
meeting. The new girls of the society  
presented the bride with a luncheon set  
of Maderia embroidery, and many  
beautiful and useful gifts found their  
way to the new home.

**POLLANS-WILLIAMS WEDDING**  
On Sunday afternoon a wedding  
took place which was a great surprise  
to students and faculty. Miss Mar-  
guerite Pollans and Mr. Allen Wil-  
liams were married by Rev. Brewster  
Adams at the home of the bride on  
Lake street. Miss Leila Ogilvie and  
Lieutenant Joe Hauck were attendants  
and only the members of the family  
were present. After the ceremony a  
delicious wedding supper was served  
and the bridal pair left for their apart-  
ments at the Frandsen, where they  
are now at home to their friends.

**FROSH GLEE**  
The Class of 1922 entertained at a  
formal dancing party given in the Wil-  
sonian Auditorium last Friday even-  
ing. The hall was very cleverly decora-  
ted with greenery and the class flow-  
er. The dance was attended by a large  
number of students and alumni. To  
add to the gaiety of the affair serpen-  
tines displaying the class colors were  
thrown among the dancers. The music  
was furnished by Nan Coon's jazz or-  
chestra and all in all the affair was a  
big success and the Freshmen Class  
are to be congratulated for their ef-  
forts.  
The patronesses were, Mrs. Bruce,  
Mrs. H. W. Hill, Mrs. Walter E. Clark  
and Miss Mack.

**I. O. A. O.**  
Monday evening the I. O. A. O. girls  
met at the home of Mrs. Brown on  
Lander street where after the regular  
business meeting, a pleasant evening  
was spent. Mrs. Brown served del-  
ightful refreshments of cakes and  
chocolate.

**SENIOR GIRLS TEA**  
The Senior girls in Manzanita Hall  
served tea Friday afternoon from four  
until six. The parlor looked very pretty  
with a bright fire in the fireplace and  
with carnations and jonquils. When  
several guests had arrived the Seniors  
presented a beautiful blue vase as a  
gift to Manzanita Hall.

**MISS SAMETH ENTERTAINS**  
Miss Sameth was hostess at a tea  
on Saturday afternoon. This is the  
second tea at which Miss Sameth has  
entertained for some of the Senior  
girls. Those who enjoyed the after-  
noon were: President and Mrs. Clark,  
and the Misses Margaret Mack, Helena  
Shade, Juanita Frey, Catherine Som-  
ers, Ruth LaKamp, Mary Browder and  
Freda Daoust.

**PERSONALS**

"Tex" Stever, ex-'18, was on the campus Saturday and Sunday renewing acquaintances. "Tex" was a Lieut. in the artillery and was holding down a job as instructor in an officers' training camp at Fort Sill until he obtained his discharge in December. He was a member of Coffin and Keys and Phi Delta Tau fraternities while at the University.

Harry Moore, ex-'17, known on the campus as "Pop" or "Dinty," stopped off in Reno last Wednesday on his way to the coast. Harry was a first lieutenant in a machine gun battalion at Camp Mills. He was a member of Coffin and Keys and Phi Delta Tau.

Dan Coll of Base Hospital No. 47, returned to his home in Reno last week. He was sent back to the States as a casual, having been hurt in a railroad accident in France in December. He will re-enter Leland Stanford University at the beginning of the last quarter, March 31, where he will continue his medical course.

Bart Hood, '18, was in town last week for a visit. Bart will enroll in the Stanford medical school next quarter which begins soon.

"Sling'em" Jose Guevarra, '17, was on the campus last week. Joe left a P. G. course at Cornell to take a position with the Philippine government and stopped off at Reno long enough to see some of his old friends on the campus.

Bob Scouler, '20, Cyril Frailey, '21 and Chris Uecker, '21, were on the campus last week visiting friends. Scouler was just discharged from a naval officers' school in the East, and Uecker was discharged as a radio operator from the navy at Mare Island.

George Ogilvie, '16, is renewing old

acquaintances on the Hill after a brief sojourn with the cows and pigs down on the farm, where he is said to have become quite proficient as a 'dry' farmer.

Lester Harriman was in Reno last week en route for the coast, accompanied by his wife, who was formerly Alice Van Leer.

Ralph Drown, '16, was in Reno last week for a few days to attend a big cattle sale. He has now gone back to the ranch at Elko.

Carl Springmeyer, '18, was a visitor on the Hill last week, having just returned from France where he put in ten and a half months with the A. E. F. He wears a wound stripe for injuries acquired in action, having been gassed, which kept him in the hospital over two months.

"Rusty" Rhodes, '18, was discharged last week from the air service at March Field, where he was a corporal in the ground section. He spent over a year at San Diego and March Field since enlisting last spring. "Rusty" expects to register in college next fall.

"Tex" Stever showed up on the campus this week, after spending the last year in the army, in four different camps. He was a lieutenant in the field artillery, and was lately discharged at Camp Zachary Taylor, Kentucky.

Wayne Adams, '17, returned from France a short time ago where he saw service with the chemical defense corps as a second lieutenant. He is a graduate of the University with the class of '17.

No one has known until the last week of the whereabouts of Ed (Tough Guy) North. He was wounded in France last September and is now in a New York hospital and recovering rapidly. Any of his old friends can write to him by addressing, Edward G. North, Debarcation Hospital No. 5, Grand Central Palace, Lexington avenue and 46th street, New York City.

A woman's first word is always "never." Her last is always "always."

In the removal of the ash-heap back of Manzanita Hall an interesting piece of jewelry was brought to light last Wednesday. A gold watch, badly burned and rusted, was discovered by Mr. McFadden and now it is with Miss Mack awaiting identification by its owner. It is impossible to say how long it has been buried, and it is now valueless except as a keepsake.

The watch is an Addison, open-face, and on the back is a wild rose design which is now barely discernible. Miss Mack will be glad to communicate with anyone who desires information, as it is possible that some alumna of several years ago would like to regain her property, even in its present battered condition.

Manzanita Hall is a regular skating rink with its newly polished floors. Every girl has had her turn at falling and they are gradually learning that they must watch their step and not race through the halls if they value their lives. Any time of the day you may hear just outside your door, "Oh! these blankety blank floors!"

Juanita Frey spent the week-end at Manzanita with Freda Daoust. She came from Gardnerville to attend the Freshmen Glee.

Agnes Jensen has returned from Gardnerville where she was called by the illness of her mother.

Mary Belli and Minnie Holmgren are in the hospital recovering from slight illnesses.

"What are you thinking of, little girl, You with the eyes so blue?"  
"I'm thinking of nothing, kind sir," she said—  
Alas and alack! 'Twas true.—Ex.

**PLANS COMPLETED FOR SOPH '49 BALL**  
Free Lunch and Prize Waltz Features Will Make Novel Showing

At a meeting of the Sophomore class last night the different dance committees reported that the final plans for the dance had been completed. As this is the first affair of this kind ever given on the Hill it promises to be a winner.

The interior of the gym will be decorated as an early day dance hall. Chairman Gerry Eden reported that free lunch and liquid refreshments that will make the natives forget the state ever went dry, will be served across a regular bar, which has been secured especially for the occasion from one of the downtown soft drink emporiums. Nothing in the house will be over a penny. A six-piece orchestra will furnish the music. Everyone is requested to wear clothing typical of the early days.

As the affair is strictly informal no useless invitations are being sent out, but the Sophomore class extends a general invitation to the students, ex-students, faculty and alumni to the University, and to the members of the Senior class of the local high school.

Some of the features of the evening will be the grand march and the prize waltz.

**ELY HIGH WINS FROM ELKO IN BASKETBALL CONTEST**

In one of the best basketball games ever played in Ely, the White Pine boys downed the Elko High team last week. The game was fast throughout and the score close at all times until Ely pulled out at the finish with 43 points to Elko's 29. Macart of White

**A YOUNG LIEUT. WHOM THE LADY FELL FOR**

Waiter—What do you wish madame?  
She—I wish some chicken salad, ice cream, turkey, fruit cake and champagne.  
Waiter—What do you wish?  
Lieut.—I wish I had not come here.
