

THE U. OF N. SAGEBRUSH

COMMENCEMENT WEEK PROGRAM IS COMPLETED

BENJAMIN IDE WHEELER AND THE REVEREND STIGER WILL BOTH SPEAK; MINING ALUMNI GIVE SENIOR BALL

The program for Commencement Week has been mapped out and from all appearances the class of 1919 will leave the University of Nevada in a whirl of social engagements.

The first affair of the week is the Senior Play, which will be given Thursday evening at the Rialto Theater. The class expects to secure sufficient funds for its memorial which will be in honor of the men who entered the service by producing the play. After the play President and Mrs. Clark will entertain all the members of the class at a supper at the Century Club.

Friday, May 2, the members of Delta Alpha Epsilon will give their annual banquet at the Riverside Hotel in honor of the newly-elected members. After the banquet there will be a dance in the Riverside lanai for the members and their friends.

The annual Theta breakfast, which is given by Delta Delta Delta at the Riverside Hotel before the baccalaureate services, will take place this year as usual, Sunday, May 4. The baccalaureate sermon will be given in the University gymnasium Sunday morning by the Reverend William L. Stidgers of the First Methodist Church of San Jose. Vesper services under the auspices of the Y. W. C. A. will complete the Sunday ceremonies.

Monday the board of visitors will meet in the president's office at ten o'clock and there will be an Alumni business meeting in the Agricultural building from 2 to 3 in the afternoon.

At 7:30 in the evening Miss Sameth will give her annual spring festival in the gymnasium, or on the lawn if the weather permits. This will be followed by the dance given by the Alumni in honor of the Seniors. A new plan is being followed this year in regard to the ball. The mining engineers who have graduated from the University will be the special hosts. Many of them will not be able to attend in person but by their generous subscriptions the Seniors will be guests at an affair which will remain long in their memories. Those who have pledged themselves as hosts so far are Fred DeLongchamps, '04, of Reno; "Spike" Henderson, '12, of McGill; "Silver Dick" Taylor, '01, of Manhattan; Walter Anderson, '12, of Ely; Alfred Sadler, '01, of Reno; Ed Erickson, '03, of Tonopah; William Kearney, '07, of Reno; Ed Lachman, '97, of El Paso, Texas, and A. M. Lewers, '92, of Washington. Considerable rivalry was shown between the mining engineers and mechanical engineers and also the Reno Alumni as to which group should be the lucky one but the mining engineers have the

honor of giving the first dance of the kind on the Hill.

Tuesday, May 6, the Board of Regents will meet in the president's office at 10 o'clock. In the evening the honorary society of Phi Kappa Phi will hold its annual banquet in the basement of the Congregational church, where Mr. Billingham, superintendent of schools in Reno, will make the address of the evening.

On Wednesday, May 7, at 10:30 o'clock the class of 1919 will make its final appearance as an integral part of university life. Benjamin Ide Wheeler, formerly president of the University of California, will deliver the commencement address.

Besides the affairs already listed on the program several others are being planned but as details are not yet definitely decided announcement will be made of them later.

A. S. U. N. AMENDMENT

"The President of the Women's League shall be a member of the Executive Committee and shall have a vote in that committee."

The above amendment to the A. S. U. N. constitution is to be voted on at the election of officers Friday.

GOVERNOR APPOINTS BOARD OF VISITORS

New Board Will Visit the University During Commencement Week

The Board of Visitors as appointed by Governor Boyle includes the following names for this year: Mrs. Lucy Grimes Burton, Fallon; Mr. C. S. Chandler, Ely; Isabel Osborne, Pioche; John H. Miller, Hawthorne; Ada Torreyson, Carson; Delle B. Boyd, Reno; Mrs. F. H. Dangberg, Minden; George A. Myles, Austin; Walter J. Handley, Eureka; W. C. Pitt, Lovelock; J. I. Earl, Bunkerville; John Henderson, Elko; Judge J. Emmet Walsh, Goldfield; H. H. Atkinson, Tonopah; Judge J. Langwith, Winnemucca; Mrs. Maude Johnson, Yerington, and ex-officio Supreme Court Justice Benj. Coleman.

The Board of Visitors of the University consists of one member from each county of the state, with the chief justice of the supreme court a member ex-officio. It is composed of people who are interested in higher education and in the welfare of the University, and it meets annually at the University during commencement week. It inspects grounds, buildings, equipment and inquires into the state of discipline, instruction, administration and all affairs connected with the University. The board makes its annual report to the governor after making this inspection and makes recommendations to the legislature as to what will be wisest and best for the future of the institution.

IN HONOR OF THE SENIOR CLASS

The Nevada Musical Club is planning on giving one of its concerts in the University gymnasium on Saturday night, May 3rd, in honor of the senior class. The concert will contain vocal solos, piano numbers and two appearances of a mixed choral club. The choral club consists of the best singers of the city and the University and has been rehearsing under the directorship of Dr. Haseman for some time preparatory to this concert.

The Musical Club has done wonderful work in the past three years, under the leadership of Mrs. Brumblay, in arousing interest in music in this community. They have imported some of the best artists in the country in their concerts, and have organized the musical talent in this city.

This concert will be part of the commencement week program and all people connected with the University are welcome to attend.

SENIOR PLAY IS ON THE HOME STRETCH

Training Camp Has Been Moved to the Rialto; Tickets Now on Sale

"The Man Who Went" is on the home stretch, as far as rehearsals are concerned. The caste has moved camp from the third floor of Stewart Hall and are rehearsing at the Rialto theater every evening from four-thirty to seven o'clock. The different characters in the caste are well adapted to their parts and thrills run up and down the spine of the observer at several points in the production. For instance, the other evening a young and unsophisticated Frosh rushed wildly into the registrar's office and called the police department because he heard the screams of a woman issuing from the windows of Stewart Hall. Investigation proved that it was only Mary Browder rehearsing her part as Lady Caxton. The noble lady sees a man hiding behind the hedge and in great fear she utters some of the most blood-curdling screams that can be imagined. And when the hero swears! He doesn't very often but when he does, it is with great feeling and expression. No one who knows Ira Redfern would believe that he could interpret these lines with the artistic effect that he does. Then there are the countess' smiles. They are irresistible and Jack Thornton is not to be blamed for succumbing to the wiles of the aristocratic vampire, whose part is played by Eva Hale.

The costumes are charming and stylish in the extreme. Local outfitters are donating the costumes worn in the play and they are in every case the newest importations from New York.

The caste are planning on taking their production to Yerington and Fallon the ninth and tenth of May, if the calculations of Manager Frank do not miscarry. This scheme, while it will not be of any particular financial benefit to the class, will be of great value to the University as an advertisement, for under Professor Turner's direction, the play will be a finished production by the first of May.

Tickets are for sale by each member of the class on the campus and are also for sale at the box offices of the Grand and Rialto theaters. As the funds are to be used for the class memorial, it is to be hoped that every student and faculty member on the campus will attend and give their support to a worthy cause.

INTERSCHOLASTIC MEET IS CANCELLED

No Track Meets Will Be Held on Mackay Field This Year

At a meeting of the Board of Control of the Nevada Interscholastic Society last week it was decided that it would be inadvisable to hold a meet this year. The lateness of the season and the small number of men entered were the chief causes for the abandonment of the meet. Reno, Sparks and the Carson Indians were the only schools who could send anything like a full team. There were a few schools that could send representatives to the tennis matches and declamation contests but here also the number was much smaller than in past years.

The decision of the board in this matter means that there will be no track men seen in action on the Mackay Field this year. By the time that the quarters were in shape for training it was too late to attempt to turn a university team and intercollegiate track was therefore given up some time ago.

As soon as there is a new coach and athletic director on the campus the interscholastic sports can again be raised to the old standard and the yearly meet be put over with as much interest and as large numbers as ever.

AND GROWING BIGGER

"Why do they call the baby 'Bill'?" "He was born on the first of the month."—Ex.

MUCH INTEREST SHOWN IN STUDENT BODY ELECTION

WOMEN'S ATHLETIC MANAGER IS THE ONLY OFFICE WITH BUT ONE CANDIDATE; MANY LATE NOMINATIONS POSTED

What promises to develop into one of the closest and most exciting elections that the old school has ever witnessed will be held this coming Friday. The polls in the gym will be open from 10 to 3 p. m.

In the race for the presidency there will be two good men. Phil Frank hails from San Francisco and entered the school with the class of nineteen and leaving school in the spring of 1917 to enter the army where he became a lieutenant in the air service. He has always taken a leading part in student affairs, singing in the Glee Club and holding various class offices. Tom Jones is a Reno boy and entered with the class of '20. He also obtained a commission, being a lieutenant in the artillery. Jones has held various class offices and is well qualified to hold the position. Both men are well liked on the campus and the result looks like a toss up. The student body will be lucky to have the services of both men on the executive committee as the one who comes out second best will be vice-president.

The contest for secretary is likely to prove the closest of any. Both Rose Harris and Helen Cahill, the two candidates, have been very active in student affairs, both have served on the Y. W. C. A. Cabinet, the "Sagebrush" and "Artemisia" staffs and have held different class offices. Miss Harris was this year's basketball captain and a member of the Gothic N. Here again we have the two best possible candidates and a close race is assured.

For treasurer only two candidates have announced themselves, although it is rumored that others expect to

come out for that office. Kenyon Olmstead comes from Wells, is a member of the class of '20 and has taken an active part in college affairs. He served the A. S. U. N. well as athletic manager and should make a good treasurer if elected. Mel. Saunders is president of the class of '21 and has been a leader in the affairs of the class. He is a good man and should prove a good handler of the student body funds if he wins the election.

No one has come out for junior representative against Ed Reed, but other nominations will probably materialize before next Friday. Reed is a Block N man, having made his letter in football and basketball and should prove a good representative for the class of '21.

An interesting phase of the race for sophomore representative is the fact that for the first time a woman is running. Carmen Rockstead has been nominated and as she is one of the popular women of the class she stands a good chance of election. The other candidate is Floyd Moffit. He was president of his class last semester and would prove a good man on the committee if elected.

Ira Redfern and Pat O'Brien are out for the job of athletic manager. Redfern has been the A. S. U. N. president this year and has served faithfully and well. O'Brien was captain of the basketball team and a member of the executive committee. Either man should be a good one to handle next year's team.

Helen Fuss seems to have a cinch for women's athletic manager as she has no opponents and is not likely to have any. She is one of the peppiest girls on the campus and surely would have made the team this year if there had been one. She should make a successful manager for the team.

Ray Bryan and Gerry Eden have both been doing work on the "Sagebrush" this year and either one ought to make a good man to succeed to the editorship in 1920. Bill Martin and John Douglas are opponents in the race for the position of assistant business manager of the paper. Doug has been on the executive committee this year and should make a good ad get-ter. Bill is captain elect of the basketball team and if he puts the spirit into the "Sagebrush" that he does into the basketball team he should be a competent man.

The University is lucky in having such good candidates up for every office and every member of the student body should make it his business to vote. The student body should set a record next and have every member cast his vote.

ELKO HI BOYS GET SHORT COURSE

Short Course in Agriculture for High School Boys in Elko County

Plans are being completed by Principal G. C. Jensen of the Elko High School in co-operation with Dean C. S. Knight, state supervisor of agricultural education, for conducting a one-week short course in agriculture at the Cazier Ranch in Elko county from May 12-17, 1919. About fifty boys from the high schools at Elko, Wells and Metropolis will attend this course.

The boys will live in tents and cook their own meals. The camp will be maintained on a strictly military basis. The students will be divided into five squads, with a man in charge of each squad. The various types of agricultural practice in Elko county will be placed in five groups, and every squad of boys will spend one day on each group. An agricultural specialist will conduct the work in each group. Autos will be provided to take the boys to the different ranches for their work.

The demonstrations and field exercises to be given will include livestock judging, care and management with pure bred Herefords, Shorthorns and Aberdeen-Angus beef cattle, dairy cattle and Percheron horses. One group will include dry farming practice in the Metropolis district.

The evening entertainment will consist of lantern slide pictures, special talks and other forms of amusement. Principal G. C. Jensen will have charge of the camp while Dean C. S. Knight and E. E. Franklin, agricultural teacher at the Elko High School, will supervise the field demonstrations and exercises.

Sol Cazier is arranging with the various ranches to have their live stock and equipment ready for the various demonstrations and field exercises for this work.

The Elko High School girls will conduct a one week's short course in home economics. The work will be supervised by Miss Lulu Chesnut of the high school in co-operation with Millie Sears, state supervisor of home economics.

BRING BACK A MAN

At this time when the year is so near its end it may be well to stop for a few moments and consider the future of the University. The University is at this time entering upon a period of reconstruction. Plans are being worked out for the largest registration ever made. Before the next school year finishes there will be anywhere from one to four new buildings on the campus. Also both dormitories and the rest of the entire campus will be put in excellent repair. A number of faculty members now on leave of absence doing war work will return to take up instruction. Furthermore, among the faculty there will again be an athletic director, a man fully qualified to conduct and coach any athletic activity that the student body may care to take up, a fact which may interest many of the students even more than the other preparations.

But what of the students? A very large number of the present student body will be back of course as will a large number of the men in service or recently discharged. Then there will be the regular inflow of Freshmen but all these will not be enough. Every student should make a serious attempt to bring back another. In this way only can the University be brought to its highest possible stage next year. We should have over four hundred students next semester and will if every student misses no opportunity to bring back a man. With this number registered the University will be a better, more progressive and more interesting place for every one to go to school and with this impetus it will continue to grow.

STATEMENT OF OWNERSHIP, MANAGEMENT, CIRCULATION, ETC., REQUIRED BY THE ACT OF CONGRESS OF AUGUST 24, 1912.

Of the University of Nevada Sagebrush, published weekly at Reno, Nevada, for April-October, 1919.

State of Nevada, County of Washoe, ss.

Before me, a notary public, in and for the state and county aforesaid, personally appeared Harry W. Stephens, who, having been duly sworn according to law, deposes and says that he is the Business Manager of the University of Nevada Sagebrush, and that the following is, to the best of his knowledge and belief, a true statement of the ownership, management (and if a daily paper, the circulation), etc., of the aforesaid publication for the date shown in the above caption, required by the Act of August 24, 1912, embodied in section 443, Postal Laws and Regulations, printed on the reverse of this form, to-wit:

1. That the names and addresses of the publisher, editor, managing editor and business managers are:
 Publisher, Associated Students of University of Nevada.
 Editor, George Hopkins.
 Business Manager, Harry W. Stephens.

2. That the owners are: Associated Students of the University of Nevada.
 HARRY W. STEPHENS,
 Business Manager.

Sworn to and subscribed before me this 4th day of April, 1919.

LOUISE BLANEY,
 Notary Public.
 My commission expires April 7, 1919.

NOTICE TO ENGINEERS

There will be a short meeting of the Engineers' Club Thursday evening, April 24th, at 7:30 o'clock. Lieutenant Wayne B. Adams of the First Gas Regiment, will talk on the "Use of Gas at the Front." All Engineers and faculty are urged to be present. There will be a business meeting after. Meeting held in E. E. Building.

PI BETA PHI
Last week end was a busy one for Pi Beta Phi, both in a business way and socially. Mrs. Anna Lytle Tannahill, grand president of Pi Beta Phi, was the guest of honor of Nevada Alpha chapter from Thursday evening until Tuesday evening. On Friday evening the chapter held a business meeting at which Mrs. Tannahill brought messages from the national organization and from other chapters. Saturday evening, at the home of Ruth Billingham, an informal party was given in honor of the visiting president and the mothers of Pi Phi girls. A program of music and speaking and stunts by the different classes were greatly enjoyed. Dainty refreshments were served and Pi Phi songs were sung before the guests departed. Sunday afternoon Mrs. Tannahill addressed the local Pan-Hellenic, telling them of the plans of National Pan-Hellenic. In the evening a dinner party at Kane's was given for Mrs. Tannahill before she attended an Alumni meeting of the fraternity. At the home of Mrs. Prince A. Hawkins Monday evening, a reception, at which Mrs. Tannahill was the guest of honor, was held. The members of the faculty, of the other sororities and officers of the mens' fraternities were invited to meet the grand president of Pi Phi. During the evening piano and vocal selections by Hilda Herz, Emma Herz, Miss Grandberry, Heene Gulling, Mrs. Lunsford and Ruth Miller and a reading by Virginia Higgins added much to the delightful party. Dainty refreshments were served by the alumni of Nevada Alpha assisted by the recently initiated members. Before the reception the members of the fraternity held a short meeting and pledged two girls to membership in Nevada Alpha chapter of Pi Phi. The new pledges are Alice Collins Wright and Adele Armstrong.

Ohio—That the first steps in the erection of the new Women's Union, long desired building "of their own," of the women students of Ohio State University, may be a marked event, a celebration will be held when the cornerstone is laid. The affair will be held in early June on the shores of Mirror Lake, since the prospective building is to overlook that body of water. Various girls' organizations on the campus will plan to take part in the festival. The erection of the new building will be an epoch making event for the women of the institution. In 1917, after a campaign which they conducted, they succeeded in convincing the legislature that such a building on the campus was a necessity. The first appropriation of \$150,000 soon followed. This was found to be insufficient when building materials increased in price and an additional \$90,000 was asked. The second bill recently passed both houses. As the building will contain a gymnasium, self-serve dining room, offices for organizations, club rooms and an assembly room, it will be one of the largest campus buildings, serving for a number of purposes. All social gatherings of university women will be held there.

DELTA ALPHA EPSILON
The active members of Delta Alpha Epsilon were royally entertained at a supper party by Dr. and Mrs. H. W. Hill Sunday evening at the Hill apartments on Mill street. The table was beautifully decorated with marguerites and violets, with a dainty basket of Easter eggs at the plate of each guest. Those present were Laura Ambler, Eva Hale, Dorothy Higgins, Edna Greenough, Helen Cahill, Nellie MacWilliams, Ruth LaKamp, Marian Hooton and Marguerite Drumm.

Michigan—For the first time in the history of the University of Michigan and its Junior proms, flowers were tabooed this year. Several weeks before the affair, a notice was posted which definitely stated that all women who wore corsages would have to check them at the door. Fraternities were also instructed to refrain from decorating their booths with flowers and other luxuries which may well be done without. House-parties were back though, and held under strict regulations.

A tea and reception was given Saturday afternoon at the home of Mrs. A. E. Hill in honor of Mrs. Lytle Tannahill, grand president of the Pi Beta Phi Sorority who is visiting the Nevada chapter of the sorority. Mrs. Hill was assisted by the members of D. K. T. Sorority of which she is a patroness. A large number of University and other people were invited to meet Mrs. Tannahill. Saturday evening Mrs. A. E. Warden and Miss Ethel Crump entertained D. K. T. Sorority at a delightful party at the home of Mrs. Warden. The evening was spent in dancing, singing and playing games. Later in the evening refreshments were served. The party broke up at a late hour, everyone declaring Mrs. Warden and Miss Crump delightful hostesses. Those present were Mrs. Belford, Mrs. Hill, Mrs. Thatcher, and the Misses E. Crump, Neva and Orva Clark, Ambler, Fuss, Kincaid, Murray, Pilkington, Walker, Holmgren and Lathrop.

GRAND PRESIDENT OF PI BETA PHI VISITS CAMPUS

Mrs. Anna Lytle Tannahill, grand president of Pi Beta Phi, spent five days visiting the campus as guest of honor of Nevada Alpha chapter, last week. Her visit has been looked forward to for some time and it was with great pleasure that the fraternity women on the Hill greeted the visiting national officer.

Mrs. Tannahill made many friends during her short visit, for everyone who met her was immediately attracted to her. She not only brought messages of interest to Nevada Alpha chapter from the national organization of Pi Phi, but also had much to tell the other fraternity women, for she was a member of national Pan-Hellenic before taking her office as grand president of Pi Beta Phi.

Mrs. Tannahill left on Tuesday evening for California where she will visit the chapters at Stanford and the University of California and will soon return to her home in Idaho.

PHI KAPPA PHI INITIATES MEMBERS

Honor Society Takes in Five Faculty Members and Four Students

Thursday evening the newly elected members of Phi Kappa Phi were initiated with the impressive ceremonies of the society at the mining building. The ritual was conducted by President L. W. Hartman, Vice-President J. C. Jones and Marshal R. C. Thompson.

The faculty members initiated were Dr. J. R. Young, Professors A. E. Hill and G. W. Sears, and Lieutenant-Colonel J. P. Ryan. President Walter E. Clark would have been initiated at this time if he had been at the University but an enforced business trip took him to New York. The undergraduate members initiated were Dorothy Higgins, Eva Hale, Edna Greenough and Hal Engle.

After the initiation Dr. L. W. Hartman gave the presidential address on the "Isolation of the Electron" which was very interesting and instructive. The Phi Kappa Phi banquet will be held Tuesday, May 6, at the Congregational Church. Mr. Billingshurst, superintendent of schools in Reno, will give the address for the evening.

HOLIDAY DECLARED FOR FLYING CIRCUS

Last Tuesday afternoon was declared a holiday by Acting President Lewers. The holiday was declared so that faculty and students could see the flying circus.

PROMINENT ALUMNUS DIES AT TONOPAH

Clyde L. McKenzie is a Victim of the Influenza

Clyde L. McKenzie, who died at Tonopah April 17 of influenza, was a prominent Alumnus of the University of the University of Nevada. He was a member of the class of '10, and was a loyal supporter of the institution. His wife, formerly Miss Hazel Larcombe of Reno, died about four years ago.

The remains were brought to Reno and a military funeral was held at Trinity church Sunday afternoon where many friends assembled to pay the last tribute to the deceased. The Phi Sigma Kappa, formerly the Sigma Alpha fraternity, attended in a body in honor of their brother who belonged to the Sigma Alpha fraternity while at college. The pallbearers were J. A. Collins, Everett Cheney, T. L. Withers, Wayne Adams, Harry Scheeline and James Burke, all formerly lieutenants in the army. The Rev. Samuel Unsworth conducted the services at Trinity church.

THE BIRTH OF BASKETBALL

Basketball's twenty-seventh birthday finds the game flourishing as never before, and crowding baseball and track athletics for popular favor. It was over a quarter of a century ago, namely, January 15, 1892, that the first match game of basketball was played, in Springfield, Mass., between two class teams of the Y. M. C. A. training school. The sport was invented by Dr. J. Naismith, then of the Springfield institution, but now of the University of Kansas. It is estimated that at least a quarter of a million persons are playing basketball as members of a regular club and the sport has spread all over the United States and Canada, and to Europe, South Africa, and the Far East. In the early days of the game there were as many as twenty men on a side, but since 1906 there have been five to a team. The rules have been standardized of late years, and basketball in its improved form, has become the great American game.—The Davidsonian.
