No. 7

## Mare Island Here Saturday

### 22 Bids You Welcome to the Sophomore Hop

#### ALL BASKET SEASON WILL START SOON

RECTOR SANBORN OF Y. M. C. A. IS CHOSEN TO HEAD LEAGUE WITH SI ROSS AND PRINGLE AS OTHER OFFICERS. GAMES TO START SOON

Plans for the actual formation of local basketball league were formally advanced at a meeting of team representatives last Wednesday night at the Reno Y. M. C. A. Director Sanborn of the Y. M. C. A. was chosen to head the league. Si Ross, former basketball coach of Nevada's Varsity teams, was unanimously elected as president. John Pringle, a local star of considerable note, is to be secretary-treasurer of the league. From present indications there will be at least eight strong contenders for local championship. They include teams from the university, one from Reno high, one from Sparks, one from Northwestern A. C. team, Maye, Southern Pacific and a Reno Light & Power Co. quintet. It is Coach Courtwright's plan to enter a Frosh team and another contender composed of the remaining players from the rest of the college. The Frosh have the likely looking lads this year who will make all of them step out fast to win a lead over them. This mode of persuasion to enable the coach to have an interesting teams in the race seems to be the logical one. It will draw any objection to the choosing of two college teams entered which might arise and tend to instill more competition between the two teams in the Hill. Coach Courtwright will arrange the preliminary schedule for the league. The first game for one of the U teams will probably be played on the night of the specific-Nevada football game. Should the warrant the formation of an fairly good Frosh team they are to be the ones which should play this first game. Should one of the strong-league teams be sent against the university then the Frosh must give way to the other U team which will include many men of previous college experience.

The league season will only run until the holidays as regards Nevada's entries. The regular Varsity schedule starts in January. This is in perfect harmony with the originating plan for forming the league which was

to secure a longer season of practice for the university hoopers together with a preliminary schedule of games. Coach Courtwright has called a meeting of all basketball men for Thursday night. He should not be disappointed with the number present because the woods are full of ringers who are anxious to get started.

#### "TINY" FAIRCHILD NEW CAPTAIN

Junior Man Is Chosen to Lead This Year's Varsity Squad

A regular meeting of the Block "N" Society was held Wednesday evening in the Training Quarters. The committee that was appointed to start a pre-season basketball league reported that the work was progressing satisfactorily and that the league would be started in the near future. The league will consist of teams representing the Reno and Sparks high schools, several down town establishments, together with two teams representing the University. One of the University teams will be made up of upper classmen and the other will consist of freshmen.

It was decided that the Reno High school be allowed to play a curtain raising game on Thanksgiving under the provisions that they aid in selling tickets and that they will have finished in ample time to allow the Varsity to properly complete their game.

After much discussion as to who should be allowed to vote on the football captain for this year it was decided that the Block "N" men who were out for football should be eligible to the position and that all Block "N" men who received their letters in football should be eligible to vote. The discussion arose due to the fact that it has been the custom for the men who made their letters in football one year should vote at the end of the season for the captain for the coming year. This was impossible due to the fact that there was no team last year. In the election which followed Mahlon Fairchild, was chosen captain of this year's team. "Tiny" is a Varsity man of the '17 team and is at present holding down tackle position.

#### NOTICE TO ENGINEERS

The next regular meeting of the Engineers' Club will be Tuesday, October 21, 1919 at 7:30 p. m. in the E. E. building. This will be a general business meeting and it is requested that 135 Engineers be present as there is some very important business to be brought up.

Life is not so short but that there is always time enough for courtesy.—Emerson.

#### BIG FOOTBALL SHOW FOR NEXT WEEK

Griffith and Borchert Promise Live Features for Monster Football Show at Local Theatre

Plans are now well under way for a monster athletic rally and general outburst of jazz for all students, faculty members and friends of the university, to be held Friday night, October 24th. Arrangements have been made for the use of the Rialto theatre, and some real live, peppy entertainment will furnish all the thrills and thrills of a regular, sure e'nuf vaudeville show. The attractions have not been made public at this time, but there will be among the features, a stunt put on by Clionia, selections by the renowned "Whisky Quartet," and several attractive acts by different women students. There will be, of course, several snappy talks by alumni and business men in Reno, which are always very effective in arousing the latent spirit which exists in many students at this time. It is possible that Gov. Boyle may be induced to attend and make one of his spirited talks, as may Mayor Stewart of Reno. Both are graduate engineers of the university and were live wires in all college activities in their undergraduate days. Yell leader Griffith is in charge of the festivities and is being assisted by Earl Borchert. The price of admission has not been definitely decided on as yet but will be well within the reach of all. Full details of the program and speeches will appear in the next issue of the Sagebrush.

Faculty and students will meet on Virginia street by Manzanita Hall at 6:45 p. m. Friday evening to start the parade for town. All persons having cars are requested to bring them at that time for use of the women students who will head the parade in them.

#### SOPH JAZZ PARTY FRIDAY NIGHT

The big feature for this week-end in the way of social affairs will be the annual Sophomore Hop which is scheduled for Friday evening. The class has devoted considerable time to the preparations for this occasion and promises one of the liveliest dances held in years. A six piece orchestra has been engaged which is well known on the Hill as being able to roll out more downright "jazz" melodies than Alexander and his ragtime band ever dreamed of. Many new distinctive features in the way of decorations are on tap which will make the huge gym appear to its best advantage. Preparations have been made for a large attendance and a mighty good time for all present, with no inducements for absentees except everlasting regrets.

ANY PROGRAMS THAT HAVE BEEN MADE OUT IN ADVANCE WILL BE CONSIDERED AS CANCELLED ON THAT NIGHT.

#### SILVER AND BLUE TEAM WINS FROM INDIANS

STEWART GRIDIRON MEN ARE UNABLE TO SCORE AGAINST COURTRIGHT'S TEAM WHICH RUNS UP 54 TO 0 SCORE. WILL NOT PLAY RETURN GAME

Nevada's Varsity squad journeyed to Carson last Saturday and stepped on the Stewart Indians to the tune of 54 to 0. When the game started, two carloads of Courtright's huskies had failed to put in an appearance, and he was forced to start the game without the whole first team in the line up. The score undoubtedly would have been larger if he had been able to use the Varsity line-up to start the game, but it was large enough to show the doubting ones that the showing made against Cal. was not a flash in the pan, but that Nevada is capable of rolling up scores. A game with the Indians is never easy, due to the type of football they play, which is the old knock-down-drag-em-out stuff. The game was slowed up considerably due to the fact that a first class referee could not be secured, and although Prof. Hook undoubtedly did the best he knew how, he was not up on the finer points of the game and the Redmen got away with a considerable amount of holding in the line which made real good play impossible. The Indians had a fair forward pass and they got away with it several times but only once were they dangerous. Their quarter, Tanner, was the only dangerous man on the entire team, and they seemed to rely upon him for nearly every play. He was unable to get away however against the Varsity and the game was won easily.

The game in detail follows:

**First Quarter**  
Stewart won the toss and chose to kick off. The kick went to Bradshaw who was playing half. He missed the ball but recovered on the goal line and ran it back to the ten yard line. Dunn bumped into his interference and fell at the line. Grant got his head down and plowed through the line for seven yards and was promptly knocked out by the Bucks. He got up after a couple of minutes and resumed his position. Bradshaw made first down through the line. Dunn was thrown for a loss; Grant went through the line again for five yards, then Bradshaw went around right end for nine yards and Dunn made first down through the line. Bradshaw made two yards over center, and then Dunn tried a running forward pass to Church but it was incomplete. Bradshaw made five around left end, and then Grant went through the line for the first down on a fake kick. Dunn made five yards around right end; Church grabbed a forward pass from Dunn and ran it to the ten yard line; Dunn was stopped at the line, and on the next play was nailed behind the line and it was third down with 18 to go. Here "Rabbit" Bradshaw came to the rescue with a run around end for 18 yards, and then Grant bucked it over for the first score; Bradshaw kicked the goal. Score Nevada 7, Stewart 0.

Stewart kicked to Church who made a nice run to the forty yard line; Dunn tried an end run but was forced out of bounds without a gain; Bradshaw tried a forward pass but was nailed before he got it off, and it was third and 25 to go. A short running pass to Church failed; Bradshaw went around end for twenty yards, but it wasn't enough, so the ball went over on the 22 yard line, to the Indians, when the whistle blew.

**Second Quarter**  
The Indians tried three forward passes in succession but each one was unsuccessful and they were forced to kick to Church who was stopped after a short run. Bradshaw made 20 yards but fumbled and the Indians recovered the ball on their thirty yard line. A forward pass failed, and then they got away with one that was good for 20 yards, but they were penalized for off-side play, and it was second and 10 to go. Bailey at end stopped the next play behind the line for a loss. A fumble followed and it was fourth and 30. Church caught the kick and ran (Continued on page eight)

#### SATURDAY'S DANCE TO BE AT GYM

Block N and American Legion Will Hold Joint Affair

Saturday evening the Block N and American Legion will give a dance in the University Gymnasium. Backed by such an organization it should be a peppy affair and well attended by University people. The proceeds will go jointly to the Block N for the injured athlete's fund and to the American Legion for their worthy purposes.

Remembering the old Block N dances and the good times everyone had at them, it should be an inducement for everybody to turn up smiling, extend a welcome hand to the state delegates of the American Legion and incidentally help the good old U along in financial matters.

DATA NEEDED FOR BIG MEMORIAL

President of Roosevelt Memorial Association Appeals for Biographical Data on the Late Ex-President

NEW YORK, Oct. 16.—Colonel Wm. Boyce Thompson, president of the Roosevelt Memorial Association, has issued an appeal to the State Chairman of the Association, asking them to aid in the collection of biographical data concerning the late Colonel Roosevelt.

In the course of his appeal, Colonel Thompson said: "The Memorial Association considers it of vital importance that this material be collected without delay. Many of the men who knew Colonel Roosevelt intimately are men well along in years and, unless a special effort to gather reminiscences of Roosevelt is made now, the important record of their association with the Colonel is likely to be partially or wholly lost. All material secured will be carefully arranged and catalogued with a view toward its usefulness in the future as a basis for comprehensive biography of Colonel Roosevelt similar to the Nicolay and Hay biography of Lincoln.

Asked concerning the character of the data desired, Colonel Thompson replied: "We want anything and everything that will throw light on the character and career of Colonel Roosevelt. From those who knew the Colonel only slightly we want everything of significance which they can remember of their meetings with him; from those who knew him well, we want as much as fifty thousand words if we can get them.

All material submitted should be addressed to Colonel Wm. Boyce Thompson, care Roosevelt Memorial Association, 1 Madison Avenue, New York City.

FACULTY SCIENCE CLUB MEETS

With a new method of numbers, which to say the least, is somewhat radical, Professor Haseman opened the talks for the year at the Faculty Science Club Tuesday afternoon.

The new system proposed has twelve digits instead of ten and is known as the tel system. It is essentially a decimal system and would not do away with the advantages not derived from the use of the decimal point. Instead there would be a further aid as the number now used for ten would be used for twelve and would have a greater number of factors than the present first number with two figures. Using twelve as a basis would simplify much of our calculation as twelve is a common factor in many of standard units as twelve months in the year, three hundred and sixty degrees in the L circle and a number of other units. As pointed out by Professor Haseman, the system will probably never be adopted due to the work incident to the transmission from the present system to the new one, not to any advantages in the present method.

A WORD OF THANKS

Last Friday morning one of our fair co-eds rushed madly up to the Sagebrush office and announced that there would be a large crowd of Freshmen girls up there at noon to tidy things up a bit. As soon as this fair co-ed was gone the staff began a rapid search among the junk scattered on the floor, picking up belongings of the various members of the staff so that the Freshmen girls wouldn't have too many souvenirs to take back to Manhattan with them. Noon came and with it a bevy of glorious women. Dust, matches, papers and copy were violently thrown into clouds in the office and gradually the room began to become clean. The young ladies worked faithfully and their work was well done, so that the office now is a regular one; spick and span, with no tobacco ashes on the floor, papers in their correct places, and books arranged neatly on the shelves. In fact it is almost too good to be true, and must be only a dream. All joking aside, the Sagebrush staff appreciates the housecleaning that the office has received, and extends "a heap of thanks" to the Upperclass women who superintended the work and to the Freshmen women who did it.

Build your character day by day and in that character you will have the power against evil, the foundation on which a life of success and happiness may safely rest.

At the meeting of the Y. W. C. A. last Wednesday, Professor Thompson gave a talk on "How, When and Why," discussing the college life and its purpose.

The Bible classes are now well under way but if any other girls desire to enter them they can do so by speaking to any member of the Cabinet or to Helena Shade immediately.

MILLIONS OF SPIDERS ON SALT LAKE SHORES

Some one has said there is no life on Great Salt Lake. There are myriads of gnats, so many in fact that at times trains on the cutoff are delayed as the engine wheels slip and slide on the insects.

On the north shore of Great Salt Lake are spiders which feed on these gnats that the waves throw up on the beach, and the spiders are there by the millions—large, black venomous spiders.

Out on the lake, a half mile from shore is a house on piles and the spiders have spun a web over the structure.

If some inventive genius finds a method for utilizing the silken threads these predaeous animals produce, a fortune is in sight. The threads are like cords in size and strength and they span the greasewood on shore and hold when brushed against as though made of heavy material.

An invasion of the spider colony is not attended by a show of resistance. The double-lunged, six-legged animals flee as the intruder breaks down the net work, but when cornered they turn and fight and their sting is highly poisonous.—Elko Free Press.

INTERESTING FACTS

Our part in the war lasted 19 months, during which time, 500,000 men were sent overseas in the first 13 months, and 1,500,000 in the last 6 months. Of them, half landed in England, and half in France. The highest troop carrying records were in July 1918 when 306,000 men reached Europe, and in May, 1919 when 333,000 soldiers were brought to the United States. One-fourth of all the overseas troops were assigned to Services of Supply.—Infantry Journal.

SERVICE CREDITS

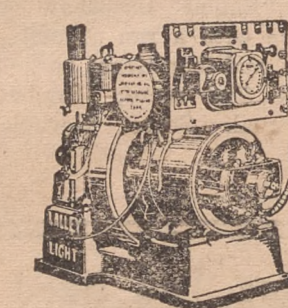

All students entitled to university credits for service in the late war, should attend to this matter at once if they expect to receive credit. Full information may be obtained from the Registrar's office.

Send a Sagebrush home. The family likes to see your name in print.

Boost—don't knock!

Lalley Light Saves Labor

Lalley Electric Light and Power saves labor for the men and for the women, every day of the year.

Lalley Light is a complete unit—lights and generator—with 16-cell storage battery. It supplies ample electricity for lights, water pump, washing machines, sweeper, cream separator, tanning mill, etc.

NEVADA LALLY LIGHT CO. RENO - NEVADA

Lincoln Hall Notes

Gloom settled on the gang of Lincoln Hall when it became known that one of their members had been sued in court and was threatened with imprisonment. The I. C. S. known wherever English is spoken as she should be is the plaintiff while the well-known and high stepping Dutch Berning is the defendant.

Knowing that we are liable to be sued ourselves if we publish anything of said case before said case comes up in aforementioned court, we refrain from comment of any kind. Step up boys and let's have it out.

AMERICAN LEGION WILL MEET HERE

At one of the most spirited and well attended meetings of the local post which was held last Monday evening, delegates were elected to attend the state convention, which is to be held Saturday morning in the rooms of the Commercial Club at Reno.

The Darrel Dunkle Post of Reno which boasts two hundred and forty-one members at this time will be represented by seventeen delegates. True to the spirit of the Legion men from every section of the community were chosen, the university being represented by Aikens, Mitchell, Cotter, Buckingham with Wooster as alternate.

All service men are urged to attend the convention and hear discussion of matters that are vital to their future interests.

University men should take the initiative for matters pertaining to the Legion and turn out at the meetings which have been held lately at the Elks Club and probably will be either held there in the future, or at the Commercial Club.

PRESIDENT WILSON IS BOOSTER FOR FOOTBALL

Pays High Compliment to Grid Game in Letter to Carlisle Indian School

President Wilson paid a high compliment to football in a recent letter written to Carlisle Indian School which has just been made public. He wrote: "It would be difficult to overestimate the value of football experience as a part of a soldier's training. The army athletic directors and the officers in charge of special training schools in cantonments have derived excellent results from the use of elementary contact games as an aid in developing the aggressiveness, initiative and determination of recruits and the ability to carry on in spite of bodily hurts or physical ill comforts. These qualities, as you well know, were the outstanding characteristics of the American soldiers.—San Francisco Call.

THAT KIND OF A GIRL

"What sort of a girl is she?" "The kind that everybody says will make a good wife for somebody some day."—Detroit Free Press.

NEW SCHOLARSHIP IS ANNOUNCED

Mrs. Mary E. Fulson, of Reno, has given a scholarship of \$100 which will be awarded next year, it was announced this week. The scholarship is given in memory of the late Mr. L. D. Fulson and is offered for each year. Details have not yet been arranged as to the requirements for the scholarship but will be published in a later issue of this paper.

Coming to work this morning I chanced upon a colored gentleman wheeling a fine little pickaninny in a baby carriage.

"What's his name?" says I. "Weatherstrip," says he. "Why such a horrid name for such a cute little pickaninny?" I queried. "Well, sah," quoth the ex-waiter, "he dun kept me out of the draft."—Ex.

RENO HI NOTES

Although the High school team is badly crippled a game will probably be played with Winnemucca Saturday. Gibbons, the right tackle, is out of the game for the rest of the season with a sprained knee; McInnes, the heavy hitting full back is out for a time with a bad "Charley horse;" Harrison, right half, has a weak back and probably will be out for a couple of weeks; Melarkey, left guard has a bruised shoulder blade but will be in the Winnemucca game; Samson has a bad ankle and is out of the game for the time being. Cahlan had his toes badly sprained and will be out for a month at least.

The Freshmen pulled off their dance Friday night. The hall was decorated with the class colors and the music was very good and everyone had a swell time.

A hard time is being experienced by the football team in getting practice every night. There is but one team out and no second team available.

A big benefit vaudeville show is being planned by the annual staff. The idea being to raise money for the annual. As the R. H. S. has a lot of talent a good show ought to be turned out. A "Rube" dance also is being planned by the staff. The hall is to be decorated like a barn and any one with white collars or good clothes will be heavily fined.

The H. S. students greeted the king and queen of Belgium Friday. It was their first glimpse of the nobility.

WOLFSON BACK FROM FRANCE.

Henry Wolfson, B. A. '14 was on the Hill this week looking up old friends. He has just gotten back from France where he has been for about two years, holding a Captain's commission in the army. The Adjutant General, W. A. Haverfield, of the Third Army of Occupation, made this statement about Wolfson, at the time of his leaving the service, "He is the best personnel officer I have ever come in contact with in the A. E. F." which is quite considerable of a boost for Henry, and everyone was glad to hear it.

Our success in life depends upon our will to do.

NEWS FROM OTHER COLLEGES

The Daily Californian last week conducted a straw ballot to enable the students of the University to accurately express their opinion on the proposed League of Nations. The ballots stated three propositions: (1) I am in favor of the League of Nations as supported by President Wilson; (2) I am in favor of the League of Nations with restrictions as proposed by Congress; (3) I am not in favor of the League of Nations or any doctrine which binds the United States to comply with the wishes of foreign nations. The vote when counted stood 1248 for the first proposition, 389 for the second, and 235 for the last, thus giving an overwhelming majority for the partisans of the league.

The Dean of Women at the University of Texas is inaugurating a Big Sister movement. She states that the upper classmen are not only the leaders that they should be and that this movement will not only aid the freshmen and give them an insight into the community spirit of the University, but will also give the upperclassmen their problems to work out and will develop their power of leadership.

The women of Colorado College recently gave a party to the men of the college. The party was divided into four parts, the men of each class being invited to different halls. It is the first time in the history of the institution that such a party has been given and according to reports one of the most successful ever staged.

The University of Wisconsin is planning a big home coming day for November 1. That is the date of the big gridiron battle with Minnesota. A unique scheme of decoration has been conceived but will not be disclosed until the day of the big game.

The University of Ohio having an extremely large class in the English department and being unable to handle it as in previous years, has hit upon the expedient of dividing the class into two sections. One is a reading section and the other is a writing section. The students are examined to

see which branch would do them the most good and must shape their course accordingly.

The college of engineering at the University of Minnesota has a number of fair co-eds studying the fine points of architecture and interior decorating. Out of some ninety members enrolled in the first year class, ten are young women.

Fall crew practice at the University of California was started last Monday with nearly 250 candidates for the Varsity and Freshmen boats ready to commence work. Due to the large number reporting the men had to be divided into sections and will continue to work that way until they can safely be cut down.

Wearers of the Varsity "M" of the University of Michigan who died on the field of honor while fighting the battle of democracy in France will be commemorated by a fitting memorial, to be erected on the University campus by the living members of the "M" club throughout the United States. Engraved on the monument will be the names of four Michigan men, Lieutenant Curtis G. Redden, '03, one of the greatest ends Michigan ever developed; Lieutenants Eaton James, Howard R. Smith, and Otto C. Carpell, all of whom participated in Michigan athletics.

A new step has been taken at the University of Oregon in that credit will be given in intramural debate where the work is carried on under authorized coaches. The plan is to select competent coaches from the members of the university faculty, from the varsity debaters, and from outside coaches.

"J. CLAUDE" RETURNS J. Claude Jones, Professor of Geology, returned the first part of the week from an extended trip over California and Arizona in the interest of the mining game. He examined several copper properties in the vicinity of Cima, Calif., and Wickenburg, Ariz.

Your worth consists in what you are, not in what you have.

RENO, NEVADA, THURSDAY, OCTOBER 16, 1919

Letters or articles on subjects of interest to students and faculty are welcomed at all times by the Editor and will gladly be published in the Sagebrush provided the writer's signature accompanies the communication. The author's name, however, may be withheld if desired, but positively must be on the article to receive any consideration.

## ST. IGNATIUS NOT TO PLAY

Varsity Will Meet College of Pacific Instead on October 25

After many flattering press notices telling how bright were their chances to make a name for themselves on the gridiron this year, St. Ignatius College of San Francisco played their first game on the somewhat lengthy schedule last week with St. Mary's. The result was so discouraging that the team disbanded immediately after the game. Consequently the game scheduled with the Varsity for October 25 on Mackay Field was canceled. Luckily, however, it happened that the College of Pacific had an open date, and Coach Courtright, the original "Jerry on the job," signed them up to take the place of St. Ignatius. The U. of N. always used to tangle with the preachers from San Jose, and that team usually managed to put up a good, clean game of Rugby; what they can do at the American game remains to be seen.

### Correction

Through some mistake in the last issue of the Sagebrush no mention was made of the downtown people and firms who helped in different ways to make the Coffin and Keys Cabaret the big success it was. Apologies for the omission is hereby offered as well as the hearty thanks of the Society to all who so kindly assisted in the program. Firms which donated the use of tables, chairs, etc., follow:  
Lewis and Luky.  
Kanes Cafe.  
Riverside Hotel.  
Palace Bakery.  
Elks Club.  
Waldorf Cafe.  
Crystal Confectionary.

### TO REMIND HIM OF HOME

The sour-faced man looked at his seat companion on the train, who was littering the floor with shells, and said sneeringly: "Down where I come from they use peanuts to fatten hogs." "That so?" said the other. "Here, have some."—Boston Transcript.

## WOE PREVAILS ON HILL

GONE BUT NOT FORGOTTEN

Once upon a time there was a Senator, Herbert Dale Bruce by name, and called for short "Herb" who had studied at the University of Nevada for four long years, applying himself diligently to all his subjects so much so that he stood out from the other members of his class as a scintillating star. Whereupon, the woman in the case steps in, and "Herb" is the lucky man. The case progressed famously, and our hero and heroine could be seen between classes strolling 'neath the luxuriant foliage on the Quad in front of Manzanita. Something, however, was lacking to "Herb." He was a Senator, to be sure, and his lady was one of the finest in the land, and nothing more could be wished for, but still there was some quality which he did not possess. At last this "something" was thought of, this quality which he did not possess. A mustache! Now a mustache is essential to an up to date Senator, so "Herb" decided to wear one. For several weeks no one noticed him, until one day it was discovered. A nice genteel little soup-strainer in embryo, one of the baseball variety, nine on a side, and of the tawny leonine color which signifies strength. "Herb" was the hero of the hour, and the growth of his decoration was followed with interest by all the members of his class. Bets were made on the rate which it grew, and a bulletin board was being made in the woodshop on which to record the news, hourly of the class phenomenon. However, all good things must come to an end. All bets are off. The bulletin board lies unfinished in the woodshop, and the members of the Senior class wear a mournful dejected look. Why, do you ask? "Herb" has removed the last traces of his Senior mustache. Its removal was not due to the hoots and jeers of his classmates, no, but due to one cause and one alone—the mustache tickled, and of course "Herb" couldn't be so ungallant as to stand for that.

Give the Sagebrush your notices and announcements.

## PICKIN'S

FOUND BY THE OFFICE DOG

Over at the game at the Indian school last Saturday, the coach wouldn't let any of the team at the cake. After the game was over Hobbs drags out a package containing at least a dozen pieces of cake and proceeds to devour them hungrily. Can you imagine a thing like that?

At the dance at the Century Club the other night, Tim was discovered with a nice powder mark on his shoulder. He claims that Stan swatted him with a puff, but to the innocent bystander it looks mighty queer.

Last week we left a certain student's name out of this column. Therefore the certain student remarked that that issue was poor. Gee whiz, I can't find a heap o' dope on each student, each week. Just wait, and have patience, I'll get you all.

That wise old dame, Rumor, has it that Marketti has asked Irma Hoskins for all the dates for the rest of this semester. (Now where did I get hold of that? I'll never tell.)

Nels P. Carlson, Jr., has been having a bunch of duck dinners lately, but the rest of the gang at the table still get the same old gow.

U. of N. will be represented at the state convention of the American Legion, by Cotter, Mitchell, Aikens and Wooster.

By the way, the third annual Red Cross drive starts November 2. Save your spare cash, and let's do our share.

Did you hear the long yell Friday afternoon emanating from the Sagebrush office? It was caused by the assistant Ed. when he discovered that the Freshmen girls, in cleaning up the office had swept up and thrown out not only ALL of his copy for the next issue but also a perfectly good cigar that he had only half smoked.

Several men have complained that they never see their names in print. Here are a few of them: "Red" Gelmestead, "Jeff" Boardman, Jr., "Flat Foot" Oglvie, Hart (Not Bill, "Hick") and "Bill" Whittet.

Here is a letter I picked up:  
Dear Dorothy: Two at once is going some, but if you can handle Sam and George at the same time, we should worry and grow thin.

HEZA NOTHER.

Assistant Professor of Engineering, take notice.  
"The motor runs all the way to Minden."

Gerry's eye seems to be spreading. But what I want to know is, Who spread it?

Will the bird who dropped a "Please Pay Cashier" slip for twenty cents on the Mineral, in the Sagebrush box, please call and get it, or else deposit the twenty cents with me so I can pay his debt. I'm scared to go into the Mineral now for fear they will stick ME for it.

What do you allow for this, in a recent manuscript of Gerry's read in English: "I dashed into Moral Hall."

Do you know that we have a "Consulting Mining Engineer." No Professional Work Entertained. attending our university? We have. Oh Boy! Oh Boy!

## COMMUNICATED

The Sagebrush will publish communications on subjects of general interest when signed by the author, but does not necessarily foster any ideas expressed therein, and will not stand responsible for such ideas.

### DO UNTO OTHERS

Dear Editor: The incident of last Saturday night has stirred the campus rather deeply. It is not that we believe in encouraging the breaking of rules, but to us at Nevada, the idea of one student going out of her way to get others into trouble is extremely distasteful. We do not like to think that there is one among us who is so lacking in sportsmanship and even common decency. The peculiar trend of mind by which one person can deliberately take pains to cause trouble, and in some peoples' eyes, disgrace to four of her fellow-students is, fortunately, incomprehensible to most of us.

If this student had been a man many remedies would be available, but, unfortunately, none of these can be used in her case. The act itself will cause it's own retribution. We can never think of her as being one of us. Our ideas and ideals of conduct toward others are so divergent from her's that there can never be any common ground of intercourse. The very fact that her criterion of ethics is what it is, sets her apart from the rest of us who think so differently. Society is composed of many different kinds of individuals and instead of regretting that we have among us one who did such a thing, we should be thankful that there are no more.

UPPERCLASSMAN.

## MEMORIAL TABLET IS PLANNED

There is a movement on foot to have a memorial tablet, or statue with a roll of all service men from this county erected in Reno.

The men who lost their lives in the service will be appropriately designated by golden stars.

Necessarily the funds for the proposed statue or memorial table will have to be raised by public subscription and so far nine prominent business men have signified their intention to donate sums ranging from \$25 to \$100.

If the proposition goes through it seems only right that the University give a proportionate amount in memory of the seventeen golden stars on Nevada's service flag.

Old Father Hubbard  
Went to the cupboard  
To get his poor self a drink,  
But when he got there,  
The cupboard was bare  
So he got him a drink at the sink.  
—Brooklyn Eagle.

Don't stop at thinking—act!

There's going to be a big football rally at one of the theaters October 24, and it's going to be a large fat time. Don't forget the date, and don't forget to be there.

I wonder where the "eds" thoughts were when he announces the Varsity-Indian game for last Friday instead of Saturday.

You have all heard that little song, "Mary, Mary," haven't you? (You know me Al.)

Enough.

"OLD CROW."

## SIDELIGHTS ON THE GAME

Dunn played an excellent game at all until he was hurt. In a mixup one stepped on his neck and dislocated a few vertebrae, and while he out for practice every night, it is able to be a week or so before he will be in shape for any scrimmage. Dunn is coming fast and has the makings of a star half back. In another game any man who nails Dunn in an open field is going to be some tackler, for he is developing into one of the best open field runners on the squad.

Church played a rattling good game quarter and while not the equal of the "Rabbit," he is developing into a valuable man, and should be a star in a year or two more under Court-ht.

Heward is getting to be a regular k-of-all-trades, and as such should be a big help to the Varsity, due to ability to go in to almost any position on the team and give a good account of himself there. In addition to s he also packs a healthy boot which is good for many a yard.

"Windy" Johnson is under the rather with a bad cold and has been over a week, but he got into the me for a few minutes near the end of the first half and showed the boys w the old game should be played. wry one is sorry to hear that John temporarily out of the game, and s hoped that he will get rid of that d in time to be one of the big facs in putting it over on the Frosh Nov. 1.

Sam James went into the game in second half and showed up well. en Sam came to school he knew lit- or nothing about the game but he coming fast and is liable to give

### DEAR STUDES:

YOU KNOW last time

I TOLD you all I was

GOING TO take a rest

AND SLEEP and snooze

FOR A week and

I DID and of course

MISS SISSA gave me

SOME CUTS and then some

MORE CUTS and now I have a

NEGATIVE CREDIT but I

DON'T CARE and I would

BE SLEEPING yet only I

WANTED TO tell you about

DEAN KNIGHT and also

someone awfully tough battle for a position on the Varsity.

Tam continues to show up in first class form, and it surely was a treat to watch he and Ed Reed in the second half. Those two boys worked together in fine style and it seemed as if nothing could stop them. To the innocent bystander it looks as if the backfield that will go into the Cal. Frosh game will consist of Bradshaw at quarter, Tam and Reed at the half back position and Johnson at full. Grant will have to hustle, and keep moving every minute if he is going to break into this combination. This is nothing authentic but is just the observations of a sideline dopester, and may be all wrong.

Bill Martin showed up for practice Monday night and it will be only a short time until old William Henry will be back in the regular line-up.

Bradshaw was only in the game for the first quarter and while he played his usual stellar role, this time at half, he did not seem to be able to play his game against the Bucks. It takes a big hard hitting husky to make much of an impression on those redskins.

The Indians did not get the ball once during the first quarter and the Varsity only made one touchdown, which will give an idea of how slow the game was. In the first half Nevada made only three touchdowns, but in the second half the game speeded up, and they succeeded in crossing the line five times.

From all the dope from the coast it would seem that the only tough game we have ahead is that with the Frosh. Saint Mary's beat St. Ignatius by a good sized score, the Frosh beat the team from the U. S. S. Boston 85-0, while St. Mary's only made 40 points on them, which would seem to give us an edge of nearly 40 points on St. Mary's; Santa Clara was beaten by the Olympic Club, which the Frosh beat 23-3, by a score of something like 19 to 3. Then last week the U. C. Varsity was only able to make 19 points against St. Mary's. It surely looks as if the U. of N. could polish off the U. C. Varsity in fine style, but it is very unlikely that they will risk a game in which they would stand a chance of losing to the Silver and Blue.

PROF. LOUCK and also

PROF. BIXBY and a few

MORE PROFS you see

THERE WAS a big crowd

OF BOYS and girls here

AT THE university

LAST WEEK and they were

THE WINNERS of the boys

AND GIRLS clubs over

THE STATE and there was

A PICNIC to be given

FOR THEM last Saturday

AFTERNOON AND also

THERE WAS a game

AT CARSON between the

VARSITY AND the Indians

AND EVERYBODY wanted

TO GO but couldn't

BECAUSE THEY didn't have

CARS AND so

STAN PALMER and also

LITTLE JEFF and

MAXIE ADAMS were going

TO TAKE some of them over

IN THEIR cars

TO SEE the game and

HAVE A big time

BUT

THE AGGIE profs asked them

TO TAKE the little

FOLKS OUT to their picnic

AND THEY figured all the

AGGIE PROFS cars would be

FULL SO they did

AND AFTER the picnic

THEY CAME back and

THEY SAW Prof. Louck and

DEAN KNIGHT and also

DEAN BIXBY in town and

THEY WERE riding around

IN THEIR Cars without the

LITTLE-KIDS and without

THE ROOTERS and they

HADN'T BEEN to Carson

AND THEY didn't show up

AT THE picnic and

THE ROOTERS didn't see

THE GAME and neither did

THE OTHER profs and

SOMEHOW IT seems whenever

THE AGGIES want to do

ANYTHING THEY get the

ENGINEERS to do it and

I GUESS the next time

LITTLE JEFF and Stan

AND MAXIE get caught on

THAT SAME old gag it

WILL BE a cold

AND GLOOMY day.

I THANK YOU.

Remember that when you're in the right you can afford to keep your temper, and that when you're in the wrong you can't afford to lose it.

Don't worry—Think!

CLUB WINNERS VISIT CAMPUS

Fifty Boys and Girls Are Entertained for Three Days by the Extension Department

Fifty winners in Boys' and Girls' Club work from Churchill, Douglas, Elko, Lyon and Ormsby counties attended the meeting of the County Club Winners held at the University in Reno, Thursday to Saturday, October 9-11. This trip was arranged by the Agricultural Extension Division of the University as a reward to the boys and girls who have done the best work in gardening, animal husbandry and home economics club projects. School boards, organizations and companies in these counties contributed toward the transportation of their winning club members. The University and people of Reno entertained them in Reno. Different departments of the University gave instruction to these young people. Contests and trips to places of interest were arranged.

Thursday morning the boys had gymnasium work at the Y. M. C. A. and they visited the poultry and rabbit market and were instructed in the care of rabbits and poultry. The girls had gymnasium work at the University and visited the Home Economics Department of the University where they were instructed by Prof. Millicent Sears. Thursday afternoon trips were made to the Nevada Packing Company, the Bissinger Fur and Skin Company, the Riverside Mill Company and Western Feed Company. Thursday evening at 8 o'clock a general club meeting was held in the University gymnasium. The program for this meeting consisted of club songs and yells, an illustrated lecture on club work showing pictures of club winners and club groups, talks by President Walter E. Clark and C. A. Norcross, Director of Extension Work, the awarding of the State prizes and All Star pins by the State Club Leader, and the following dances: Solo dance—Bo Metcalf. Sunbeam Polka—Elementary dancing class of University. Jumping Jack—Miss Somers and Miss Churchill. Gavotte—Miss Somers.

At this meeting the state prizes were awarded to the state winners in club work.

UPPER CLASS GIRLS FULFILL THREAT

On a certain day last week several Frosh girls were somewhat surprised to find penalties suddenly inflicted upon them for queening or cutting campus. Bettina Hill and Ardis Brown had the pleasure of scrubbing the front steps of Manzanita. Mary Steniger and Dorothy Randall were kept busy sweeping the tram. Rose Mitchell, Mary Sewell and Mariam Muth exerted all of their excess energy in an endeavor to sweep, scrub and dust the editor's office in Stewart Hall.

Prior to this day the Frosh girls were inclined to believe that the bark of the Upperclass women was worse than their bite. During the performance, however, it was demonstrated that they were almost convinced that they meant business, especially the way the Freshmen onlookers scattered when told that they, too, would be put to work if they did not vacate at once.

MORAL—DON'T BORROW

A man who was too stingy to subscribe for his school paper sent his little boy to borrow the copy taken by a neighbor. In his haste the boy ran over a \$4 stand of bees and in ten minutes looked like a warty squash. His father ran to his assistance, and failing to notice the barb wire fence, ran into that, cutting a hole in his anatomy and ruining a \$5 pair of trousers. The old cow took advantage of the gap in the fence and got into the corn field and killed herself eating green corn. Hearing a racket, the wife ran out, upset a four gallon churn full of cream into a basket of little chickens, drowning the entire hatch. In her haste she dropped a \$35 set of false teeth. The baby, having been left alone, crawled through the milk into the parlor, ruining a brand new \$25 carpet. During the excitement the oldest daughter ran away with the hired man, the dog broke up 11 setting hens and the calves got out and chewed the tails off four fine shirts on the clothes line.—Femley Enterprise.

The reason why people who mind their own business succeed so well in life is because they have so little competition.

CLIONIA HOLDS SKIT REHEARSAL

Clonia held a meeting Tuesday night and several new members were voted on, and new amendments to the constitution were discussed. Plans for a play, to be put on later in the semester by the members were laid before the society and discussed. Prof. Turner read the well known play, "A Pair of Sixes," and this play may be put on by the society. The cast for the skit in the big football rally, to be given the 24th was decided on and a preliminary rehearsal was held, and from all appearances the skit will be a big success. Next meeting will be announced later, on the bulletin board and in the columns of this paper.

The government has taken over the old St. George hospital on Sierra street for use as a hospital for the United States Public Health Service. Dr. Freedman, mentioned in a previous issue of Sagebrush, is in charge and is doing fine work among the ex-service men as well as other public health work. This hospital will be the state headquarters and materials and supplies are rapidly being moved into the building in preparation for any emergencies that may arise. As mentioned before this service is free to all ex-service men and women, for anything requiring medical attention that was contracted while in the service.

It is rumored about the campus, and seems to come from a good source that the University of California is contemplating sending their third Varsity squad to take the place of their Freshman team on Nov. 1. The idea is that they do not figure to let even their first year eleven be vanquished by the little old U. of N. The time has come and we all hope it is here to stay when none of them are too big for the Silver and Blue. Every man on the squad is absolutely certain that they could take on the California Bears, as well as the Frosh, and show them up. It would seem that U. C. has somewhat the same ideas on the subject, for no matter what offer has been made them to come up and meet the Varsity on Mackay Field they have had some flimsy excuse for not doing so. However, if Nevada goes through the rest of the season undefeated, as it seems an almost cinch bet that she will, the U. C. Varsity will almost be compelled to put Nevada on next year's schedule, and possibly by the right kind of persuasion a game could be arranged yet this year. Nevada does not have to play the third team from any college this year, and what's more this will in all probability be the last year that they will play a Freshman team. Bring on the U. C. Varsity. Bring on the Bears. We surely will drag the old Blue and Gold from one end of Mackay Field to the other, whether it be the Frosh or the Varsity. Bring on the best they have, and we'll take 'em on for a real game and guarantee that when they emerge from the game they will NOT be champs of anything except the U. C. campus.

At this meeting the state prizes were awarded to the state winners in club work.

CALIFORNIA "CUBS" ARE DOUBTFUL

It is rumored about the campus, and seems to come from a good source that the University of California is contemplating sending their third Varsity squad to take the place of their Freshman team on Nov. 1. The idea is that they do not figure to let even their first year eleven be vanquished by the little old U. of N. The time has come and we all hope it is here to stay when none of them are too big for the Silver and Blue. Metcalf, Mrs. E. D. Murray.

NEIGHBORHOOD SOCIAL CLUB

The Neighborhood Social Club started the season last week with its opening dance, held at Maple Hall Saturday night, a large number enjoying the occasion. It is planned to give dances throughout the winter, every three or four weeks, following out a similar custom which was inaugurated several years ago by the members of the faculty.

At the dance Saturday were: Messrs. and Mesdames Walter E. Clark, Tasker L. Oddie, H. R. Norris, S. C. Dinsmore, Peter Frandsen, Frank H. Norcross, William M. Kearney, W. J. Wooleox, W. Prince Catlin, George A. Campbell, F. G. DeLongchamps, G. M. Gardner, P. M. Wentworth, A. A. Codd, Charles S. Knight, C. W. Lantz, F. W. Wilson, G. F. Ruediger, R. C. Louck, C. E. Fleming, W. B. Earl, S. W. Belford, F. L. Bixby, C. R. Hill; Mesdames V. E. Scott, D. E. Freeman, F. J. Kaeser; Misses M. G. Hunkin, A. B. Day, Catherine Somers, Katherine Riegelhuth, E. Campbell; Messrs. Miles B. Kennedy, John Belford, E. R. Shockey, Peter G. McKinlay, Raymond St. Clair and J. Brown.

LINCOLN HALL DANCE

The men of the Lincoln Hall Association were hosts at an informal dance in the gymnasium last Friday evening. Invitations had been extended to the entire student body and faculty and a large number were present to enjoy the delightful dance. The gym was attractively decorated with potted plants, with numerous little cozy corners scattered around the hall for weary dancers. Splendid music was on hand to while away the hours and punch with an almost pre-prohibition kick helped out wonderfully. Twelve o'clock came all too soon for the guests who proclaimed it a big success.

MRS. MANSON ENTERTAINS

Mrs. James Manson was a charming hostess Monday evening to the members of her sorority, Delta Delta Delta, at her home on Fourth street. The members are Rose Harris, Thelma Braun, Gertrude Harris, Louise Adams, Aletha Hillhouse, Arvela Coffin, Nellie McWilliams, Marienne Gignoux, Eleanor Turley, Elaine Harris, Editha Brown, Julia Callahan, Dorothy Churchill, Hallie Organ, Mesdames Allen Williams, Marian Hooten and James Manson. That same evening the Alliance Chapter of Delta Delta Delta Sorority was entertained at the Frandsen apartments by Mrs. LeRoy Thatcher.

D. K. T. The members of the D. K. T. Sorority celebrated Founders' Day with a

TO PUBLISH BOOK ON SERVICE MEN

Record Being Prepared of Nevada Men in Great War

A book containing a record of all Nevada men who participated in the great war, with an appropriate mention of those who lost their lives in the service is being prepared by Maurice J. Sullivan, Lieutenant Governor of Nevada. He requests that any information regarding men who were or are in the service with information of those who lost their lives be sent to him in order that the book may be complete. Information regarding any of the following men will help complete the record for at present there is no record of the relatives of any of them.

Leonard C. Aitkin, Reno. Frederick W. Bullers, Hamilton, Nevada.

Augustus Gatti. Sammy S. George, (Indian.) Henry F. Marsh, Vya, Nev. Samuel H. Opdal, Reno.

Let us fold away our fears And put by our foolish teams, And just be glad —James Whitcomb Riley.

SILVER AND BLUE

(Continued from page One)

it to the 25 yard line. Bradshaw made 9 yards around end; Grant made five through left tackle, and then made three over the opposite tackle. A short forward pass to Church was good for 6 yards; Bradshaw made 5 around left end; Dunn duplicated his performance around right end for first down. Tam went in for Bradshaw. Tam stumbled on the next play and was downed behind the line for a three yard loss. Tam made 8 yards outside left tackle; Dunn went through center for first down and went out when an Indian landed on him. Johnson went in for him. Tam made 8 yards outside left tackle; Johnson made 15 yards on the other side and Grant bucked it over and Johnson kicked the goal. Score, Nevada 14, Stewart 0.

Johnson grabbed the kick off and made a pretty run to the Indian's 25 yard line. A pass to Church was good for 10 yards; Tam made 10 more, and then 3. Johnson was stopped at the line; Grant made only two and the ball went to the Indians on their one yard line. Johnson fumbled the kick but recovered and ran to the Indians 5 yard line. He was called back, however, due to a technicality; a long forward pass to Hobbs at end was good and he went over for a score; Johnson converted. Score, Nevada 21, Stewart 0.

Heward kicked off to their full back who ran the ball to the 40 yard line. A line buck was stopped and the half ended with the Indians in possession of the ball in mid field.

Third Quarter

The second half started with "Tiny" Fairchild in place of Heward; Ted Fairchild for Bailey at left end; Reed for Johnson at right half. Grant kicked out of bounds on the first kick, but the second one went to Tanner, the shifty Indian quarter, who ran it to the center of the field. A forward pass and an end run were good for ten yards and first down. A long forward pass to Tanner took the ball to the 20 yard line where Church nailed him; another pass failed, and then they made 12 yards on a similar pass and the ball was on Nevada's 5 yard line. The Indians then tried a pass across the line which Reed spoiled and the ball rolled over the dead line and was given to Nevada on the twenty yard line. Reed went around right end and was tackled out of bounds after he had made 20 yards, but was called back due to offside play, and it was second down with 15 to go. Tam was stopped at the line, but Reed made it first down. Church tried a forward pass which was intercepted and the Indians had the ball on the Varsity's 25 yard line. The next two plays were stopped at the line without a gain; then the Indians were penalized 15 yards for holding in the line. The next play was a forward pass which Reed intercepted and was nailed in his tracks. A long pass to Hobbs failed by

inches and then Ed Reed went off tackle for 40 yards, and Tam finished it up by tearing through center for a score. Grant's try for goal hit the goal post and the score was Nevada 27, Stewart 0.

Grant kicked off to the 20 yard line and the Indians ran it back 10 yards. Two forward passes failed and then Tanner made five yards over center. A high kick followed and Witter fell on the ball in the center of the field. Tam wiggled through the line for five yards, then Ed Reed went through for 8 yards and first down. James went in for Buckman. Here the quarter ended.

Fourth Quarter

Heward went in for Wright. Ed Reed made 7 yards off tackle; a pass to Ed Reed went for 8 yards and first down. A pass to Tam failed and Hobbs was offside which cost the Varsity 5 yards. Ed Reed made 5 yards over center. Layman went in for Al Reed; Ed Reed made only 3 yards on the next play and the ball went over. An end run failed when Tanner was stopped at the line; a line buck was spilled without a gain, and then a forward pass failed, the ball going over to Nevada in the center of the field. La Rieu went in for Hobbs at end. Tam took the next pass from center and ran to the 3 yard line from which point Ed Reed went over for a touchdown. Heward missed the goal. Score, Nevada 33, Stewart 0.

Heward kicked out of bounds, but the next try went to the 10 yard line. Hill went in for Witter, Heward going to center, and Hill to tackle. Two line bucks were stopped without a gain and then Ted Fairchild intercepted a forward pass and ran 20 yards for a touchdown. Heward kicked the goal. Score, Nevada 40, Stewart 0.

The kick off went to Ed Reed who ran it back to the 40 yard line. Tam tore through the line for first down; a forward pass to Church was good for 10 yards. Gooding went in for Ted Fairchild, who replaced Grant at full. Ted Fairchild fumbled the next pass and it bounced into Heward's hands on the one yard line. Ed Reed carried the ball over for a score on the next play. Heward converted. Score, Nevada 47, Stewart 0.

Heward kicked off to the Indians' 10 yard line and Tanner was nailed before he could move. The next play was a line buck which went for 8 yards; another line buck was stopped at the line, and then Ed Reed intercepted a forward pass and went over for the last score of the game. Score, Nevada 54, Stewart 0.

Heward kicked off to the 10 yard line and the Indian half was nailed in his tracks. The next two plays were stopped at the line and a kick followed which Church grabbed and ran to the 40 yard line, Ed Reed made 4 yards around right end; Tam was forced out of bounds; here the game ended with the ball in the possession of the Varsity in the center of the field. Score, Nevada 54, Stewart 0.

Table with 3 columns: Player Name, Position, and Substitutes. Includes Hobbs, Wright, Buckman, Witter, Heward, Reed Al, Bailey, Church, Bradshaw, Dunn, Grant, L.E.R., L.T.R., L.G.R., Center, R.G.L., R.T.L., R.E.L., Quarter, L.H.R., R.H.L., Fullback, Vidovich, Moose, Tom, Christensen, Barrington, Ike, Mason, Tanner, Cypher, Smith, Evans.

Nevada—Tam for Bradshaw, Johnson for Dunn, Tiny Fairchild for Heward, Ted Fairchild for Bailey, Reed for Johnson, James for Buckman, Heward for Wright, Layman for Ed Reed, La Rieu for Hobbs, Hill for Heward, Heward for Witter, Gooding for Ted Fairchild, Ted Fairchild for Grant.

Table with 2 columns: Team and Score. Nevada 54, Stewart 0. Touchdowns—Score by Ed Reed, 3; Grant, 2; Hobbs, Ted Fairchild, Tam. Goals from touchdown—Heward, 3; Johnson, 2; Bradshaw.

BASKETBALL MEN NOTICE

All basketball men are requested to attend a meeting at the Gymnasium on Thursday evening at 7:30 p. m. COACH COURTRIGHT.

AN ARMY MULE

Kind Old Lady: Why, you brute! Don't you know better than to abuse a poor mule with a sore foot? Colored Driver: He's a awnry mule, ma'am, an' he ain't lame. He's just standin' at parade rest.—Life.

P. E. DEPARTMENT GETS LETTER

The following is a translation of a letter received by Miss Sameth from the mother of the French orphan adopted by the Department of Physical Education in May, 1918.

Little St. Leger, Sept. 3. Madam: I have the honor of writing to you these few words to let you know that everything goes well with us for the moment and I hope that my letter will find you and your pupils getting along well and enjoying good health.

I feel sure that you have received the letter that I sent you two weeks ago. I am sending you a post card picture of my daughter Renee and I thank you very much for the money order of 45 francs for the month of August.

Madam, will you please let me have some news from you and at the same time tell me if you received the letter and the photograph.

My two little girls join me in expressing our thanks and best wishes for your kindness and we await news from you.

My sincere salutations. MRS. WIDOW LOUIS CESSONNIER. a Saint Leger-Le Petite Chere.

Boost—don't knock!

HOSPITAL BOARD HOLDS MEETING

A short time ago the Hospital Board held a meeting and elected Frandsen president and Gerry secretary. A report of conditions the Hill was made and it was that the plan of the University was being out very satisfactorily. There been several cases of sickness, enough to require medical attention but the patients have all recovered very rapidly. A number of supplies have been bought and the board is very well satisfied with the present outlook, and the way the plan of the Doctors and the Board worked out.

The following conversation between two colored troopers at an outpost while Jerry was putting a barrage.

"Sam, Ah don't like the hull shells has; they talks to me." "You never see me turnin' niggah. What they say?" "They say, Y—o—u ain't gun to A—la—BAM!"—American Weekly.

MAJESTIC THEATRE

HAVE YOU SEEN

Read This

With "THE MIRACLE MAN," the Majestic inaugurates a new policy of "all-super-picture-bills" and does not mean that every good picture that comes to Reno will be shown at the Majestic, but it means that every picture bill that comes to the Majestic will be an exceptional bill, offering exceptional entertainment equal to that of any large city in the land.

"THE

And This

This new policy does mean that the Majestic boost a steady, general average of quality that of any theater of any city the size of Reno three times its size, in the land. It also means the Majestic will have to pay from one to five per cent more for service than any theater of the above category.

MIRACLE

And This

This naturally leads to an advance in admission but an advance that we hope to hold down to a nominal figure. We shall at least test the policy on a basis of leaving our matinee price and our evening balcony price of 25c, war tax included as it is. Our only advance, therefore, for the down stairs seats in the evening, the price for which will be 35c, war tax included.

MAN"?
