Subject: The Latest News From The University Libraries

Michelle Rebaleati, University Libraries multimedia specialist, recently presented her "Big Idea Worth Spreading" at the 2019 TEDxUniversityofNevada event

"I work in a library, but I am not a librarian," Rebaleati said as she opened her TEDx talk. "My role with the Libraries is to identify and preserve important objects, art work and moments in time. To do this work I utilize virtual reality (VR) and other multimedia technology."
