THE STUDENT NEWSPAPER OF THE UNIVERSITY OF NEVADA

VOL. XXVII.

UNIVERSITY OF NEVADA—RENO NEVADA, THURSDAY, JANUARY 22, 1920.

No. 18

VARSITY WINS TWO GAMES

ELECTION TUESDAY FOR A. S. U. N. OFFICES

FOUR VACANCIES IN STUDENT BODY OFFICES TO BE FILLED AT ELECTION TUESDAY. COURTRIGHT WANTS POSITION OF ATHLETIC MANAGER AND TO DATE HAS NO OPPONENTS.

Several vacancies in the student body offices this semester are caused by students not returning to the university, and many aspirants have appeared to be passed upon by the student body at the election next Tuesday. T. B. Jones, president of A. S. U. N., was called away from the university and resigned his office, which has been filled by Phillip Frank, vice president. Harold O'Brien resigned his athletic managership, and in his place Coach Courtright has been nominated. Carmen Rockstead, Sophomore representative, did not return this semester, and her office is open. Mel Sanders, treasurer is at Packard and will not return until fall. The political aspirants are many. Earl Wooster wants to sit in the vice president's chair, and as vice president he should make good for he has held numerous offices in the university and in his class.

Andrew J. Aikins, commonly known as "Jock" has announced his candidacy for the office of vice president. He is a well known Hall man and an enthusiastic member of the Engineers, besides being Senior Class president. The office of A. S. U. N. treasurer is sought by Joe Hill, and Nels P. Carleson, both good men and well fitted for student body treasurer. Joe Hill, of Susanville is well known on the hill, being one of Nevada's strongest athletes. In football no mention need be made of him, for his reputation is too well known. He has also held numerous student body and class offices.

FORMER DEVIL DOG ENTERS U. OF N.

The student body has gained a new member in Neil J. Gilligan, who was one of the "Devil Dogs," the U. S. Marines. Mr. Gilligan saw a great deal of service in the Marines, and besides his service stripes is entitled to wear the wound chevron, on account of wounds received in action. He is registered in Business Administration, Banking and Law.

"SCARLET DAYS"
—and—
OLIVE THOMAS
—in—
"Prudence and Broadway"
A comedy drama

Nels P. Carleson, known on the hill as "Nels" while not one of Nevada's athletes, has been a prominent man in student body affairs and one of the most ardent if not the most ardent worker in the Engineers Club throughout the time that he has been at U. of N. He is president of the Nevada chapter of the A. A. E.

The office of Athletic Manager is not contested. Coach Courtright is the logical man for the place this semester.

Two men are each eager to be Sophomore representative, and this race will no doubt be a good one, as each man has a large backing, is well fitted for the office and is out to win.

Charley Reagan, commonly known as "Doc" was president of the Sophomore class last semester, has a large following on the Hill and feels confident of his election.

Francis Walsh, is not the least daunted by the fact that he has a hard rival for his office, and with his backing feels sure of a walkaway in his favor at the coming election.

It is too hard to predict the winners in the election Tuesday, as each man is well fitted for his particular office, and a strong fight is expected from each man.

The election will be held in the Aggie building unless a different place is picked, and each member of the A. S. U. N. is expected to turn out and vote for his or her choice. Watch the bulletin board for notices of the time and place of election, think hard, and CAST YOUR VOTE.

HIGH STUDENTS' ISSUE NEWSPAPER

The students of the White Pine County High School have issued their first number of the White Pine Cone. This paper is by and for the students and contains editorials, poems, jokes and everything which is found in a first class school paper. The material is all written up by the students, and the printing is done on a mimeograph in the high school commercial department. The students are to be congratulated on this issue, their first venture in the journalistic field.

DUTCH BERNING LEAVES COLLEGE

August Berning, commonly known as "Dutch" left Reno last night for Bay Point, California, to enter the employ of the Pacific Coast Shipbuilding Company. "Dutch" was one of the mainstays of the University band and played solo cornet, so that his loss will be greatly felt. He was president of the Junior class last year and a man prominent in everything connected with the university. While he will not be back this semester, Dutch expects to return in the fall.

Send a Sagebrush home. The family likes to see your name in print.

CHARLES R. LEWERS DIES ON COAST

Charles R. Lewers, graduate of the University and a prominent attorney of the state, died suddenly last Monday morning in San Francisco, after an illness of only a few days.

Charles Lewers graduated from the University with the Class of 1893, taking his bachelor's degree. He then attended Stanford University from which he took the degree of B. A. in 1896. In 1899 he finished his work in the Harvard Law School from which he received his LL. B.

Following his graduation from Harvard he returned to Stanford University where he taught in the law department. He came to Reno in 1905 to practice law and for a time was associated with H. W. Huskey. Later he was a law partner of Charles B. Henderson, having charge of the Reno office of the firm. In 1912 he removed to San Francisco to enter the law offices of the Southern Pacific Company and of late years has been devoting the greater part of his time to oil land litigation being in charge of all litigation of this nature in which land holdings of the railroad company were involved.

He is a brother of Vice President Robert Lewers, and of Professor Katherine Lewers, of the Art Department.

The heartfelt sympathy of the faculty and students is extended to the relatives in their bereavement.

FIRST '20 A. S. U. N. MEETING IS HELD

The A. S. U. N. made a good beginning this year by having a meeting last Friday which was well attended and interesting from start to finish. The vice-president, Phil Frank, held the chair in the absence of the president. Preliminary business consisted of reports from the various committees and from the girls' athletic manager. The girls are starting the year with a clean slate, having so far made no expenditures and withdrawn no money from the treasury. They plan to have two inter-collegiate games this season, and it is believed that about five hundred dollars will cover their expenses.

Gerry Eden, chairman of the hospital committee, reported that due to a mistake during registration, a number of students did not pay their hospital fee. There was a surplus of about a hundred dollars in that fund from last semester, and the motion was passed that the doctor bills of men injured in football be paid from that amount.

There was considerable discussion regarding the adoption of a standard senior class pin, in order that graduates of the institution might be recognized by such a pin. A motion was proposed to this effect, but failed to carry. The main reason advanced against it seemed to be that styles in pins would change, and any design adopted now would eventually become unpopular.

The girls' basket ball team presented a request for \$46.20 to cover the cost of twelve jerseys for the members of the team. The money was granted them.

Considerable discussion again arose
(Continued on page eight)

HOOPSTERS TRIM ST. MARY'S AND STANFORD

SAGEBRUSH BASKETBALL MEN SHOW RARE FORM AND TAKE FIRST GAMES ON COAST TRIP WITH FEW SUBSTITUTIONS. COURTRIGHT'S TEAM TO MEET SANTA CLARA ON FRIDAY

Monday night Nevada's basket ball team faced the fast St. Mary's aggregation, and took them into camp to the tune of 25 to 21. Waite, Egan, Williams, Martin and Bradshaw were selected to start the game, and handled the job so well that no changes in the line-up were necessary. The work of Williams at center and Bill Martin at guard were the features of the game. Richie, St. Mary's former all-coast forward, and one of the best on the coast, was able to make but one basket with Martin guarding him. The game was hard and fast from start to finish. At the end of the first half the score was 15 to 7 in Nevada's favor, showing that in the last period the Saints rallied, making 14 points to Nevada's 10. The least weakening of a Nevada man would have given St. Mary's a chance to pull out and win, but the way the boys handled themselves gives Nevada just cause to be proud of them, and to consider the season opened with the pep and snap necessary to carry through without the loss of a game. St. Mary's fouled repeatedly, but the game was fast and hard fought from first to last. Nevada's victory is attributed to better team work than the Saints showed, and to the fine physical condition of the men. Martin and Bradshaw have been in condition all during the fall for football, and Egan and Waite have had a little pre-season work in basket ball to put them in shape. Williams has also been in shape for some time, having played on the fast Northwestern Athletic Club team in the fall basket ball league.

St. Mary's has always put out a strong basket ball team, being considered one of Nevada's strongest opponents, and it is with considerable elation that their defeat is recorded in the first game of the season. With the material on The Hill and the brand of coaching, Courtright gives, there is every chance that Nevada's basket ball season will be just as successful as the football season of last fall.

FROSH TO MEET NEXT MONDAY

An important meeting of the Freshman class will be held Monday evening, January 26, in room 202 of Morrill Hall. This meeting will be called at 4:30 p. m. and every member is especially urged to be there.

At this meeting a re-election will be held for treasurer to fill the vacancy caused by the resignation of George "Horse" Hobbs.

It was impossible to get complete reports from the committee on delinquent assessments and therefore the list of Freshmen who are still in arrears will be published in a later issue of the Sagebrush.

Y. W. C. A. Rally Day Lunch
Wednesday, January 29—
Speeches Stunts
Eats All Girls Invited

When the team boarded No. 5 last Sunday night, nine men were along, the lucky ones being Waite, Egan, Williams, Bradshaw, Martin, Buckman, Reed, Middleton and T. Fairchild. Before the team returns home, each of these men will have had a chance to show his brand of basketball to a critical Pacific Coast audience.

In the second game to be played by Nevada on the coast trip, the Varsity five trimmed Stanford university quintet on their Palo Alto court last night by the score of 25 to 19.

Courtright started the same team against the Cardinal Varsity that he used so effectively in the St. Mary's game, and they demonstrated clearly that his faith in them was not unjustified. In the forward positions, Waite and Egan started, with "Smoky" Williams tipping them off at center. Captain Martin and "Shimmie" Bradshaw were in the guard positions.

In the first half, Stanford had considerably the best of it, making a total of 15 points to Nevada's 6. The second half, however, showed a great improvement in the work of the Varsity five. They came back strong, with splendid team work and soon began to walk away from the Stanford team, as shown by the fact that the Cardinal five scored only four points in the last half. Buckman went in at center, Williams going in for Egan at guard, with Ted Fairchild relieving Bradshaw at guard. The final score showed Nevada on the long end of 25 to 19.

Nevada's next game on this trip is with the Santa Clara team on Friday night. The Santa Clara coach has a number of old stars back in the game and will put forth one of the best teams that has represented the Catholic institution in several years, and the game Friday night promises to be hard fought throughout. With "Corky" handling the coaching end of Nevada's team, however, there need be little worry felt on the outcome of the remaining games on this trip.

NEVADA DEFEATS ST. MARY'S TEAM

Living up to advance notices of having its best lot of basket ball players since first starting in the California-Nevada league, the University of Nevada team made its first appearance in the bay cities, last night, and defeated Otto Ritter's St. Mary's college basket shooters 25 to 21 on the St. Mary's court.

The defeat was a hard blow to the Broadway institution boys, as it was their first game in the league and winning the first game gives the players confidence. On the other hand it was also Nevada's first game in the California-Nevada league, and the victory over St. Mary's should be warning to the Stanford and Santa Clara quintets who will play the upper state boys tomorrow and Friday nights.

Any basket ball quintet that can open their season so far away from home and get away with a win, must be regarded as a dangerous outfit. Stanford got off to win in her first game in the league, but you can look for her coach to have out his best quintet to go against Nevada tomorrow night at the new Encina court, Stanford.

Hold Ritchie Down

Otto Rittler trotted out seven players in hope of stopping the Nevada quintet but it couldn't be done. The teamwork of the visitors was wonderful when figured that it was the first league game for them nad they were on a foreign court. Ritchie, the little forward, who in former years was the largest point getter for the Saints, was held to only one field goal, while Keeley, a new man at the college, saved St. Mary's from a swamping by

FIRST '20 A. S. U. N. MEETING HELD

(Continued from page One) when the matter of securing a doctor to be on the sidelines at the basket ball games was brought up. It was decided that Dr. Ostroff, the same man who attended the football games, be secured.

The offices of treasurer, athletic manager and sophomore representative are at present vacant, since Mel Sanders and Carmen Rockstead have left college for the semester and Harold O'Brien resigned as athletic manager. A special ruling was made allowing Coach Courtright to run for the position of athletic manager, and Nels Carlson was nominated for treasurer. Two nominations were made for the office of Sophomore representative, Charles Regan and Francis Walsh. Nominations will remain open until twenty-four hours before the election, which will be on Tuesday, January 27th.

The prospectors enrolled in the short course have not been notified of the rulings regarding the campus, and therefore it was decided that the chairman of the upperclass committee should tell them of the sentiment against smoking and cutting campus. It is hoped that these men will cooperate cheerfully in keeping up a long established tradition.

U. N.

HAL ENGLE HERE

Harold Engle, '19, is a visitor on the Hill this week, coming in from Carson City for a few days sojourn here. "Hal" is now working on the State Highway as an instrument man and expressed himself as being very well pleased with his work. He was an honor student, winning the gold medal for scholarship upon graduation, and was active in all student affairs, serving as vice president of the A. S. U. N., president of the Engineers' Club, and mayor of Lincoln Hall. He is a member of Phi Kappa Phi.

shooting five field baskets.

The work of the Nevada guards, Bradshaw and Captain Martin, was well worth watching and to do his clever work, Bradshaw shot three field goals. Williams at center appeared to have the "jump" on the St. Mary's forwards, Ludolph and Freitas, and further helped his team to start the season successfully by shooting four field goals.

Near the close of the second half Ludolph replaced Freitas and Graff was removed to make room for Brushner.

The game was full of enthusiasm and "pep" and every spectator in St. Mary's gymnasium felt that they were witnessing one of the best game this season. During the procedure of the game, thirteen fouls were counted against St. Mary's and seven against Nevada. St. Mary's made three points by free throws.

The Lineups—

Nevada—Waite and Egan, forwards; Williams, center; Bradshaw and Captain Martin, guards.

St. Mary's—Ritchie and Keeley, forwards; Freitas and Ludolph, centers; Graff, Brushner, and Quinn, guards.—Oakland Tribune.

VICTORIOUS TRIP FOR ELKO HIGH

(Special Correspondence.)

Elko High School basket squad has put itself in line for games with Fallon, Sparks and Reno and for the state championship as a result of the three victories last week over three of the strongest high school teams in the state. Their first trip was a huge success judging from the scores over their opponents. Their first game with Battle Mountain, was hard fought, fast and ended with Elko on the winning end of a 30-20 score. From Battle Mountain their schedule took them to Lovelock where they wiped up on the local High School team, said to be one of the best Lovelock has ever produced, to the tune of 49-22. Winnemucca came next in line and this game proved to be easy for the Elko boys who won by 37 points, the final score being 56-19.

Elko has a strong team this year, and promises the middle state teams a good run for their money but fully intends to cop the state High School basket championship herself.
