No. 21

TEAM TO MEET MAYROSE HAMS'

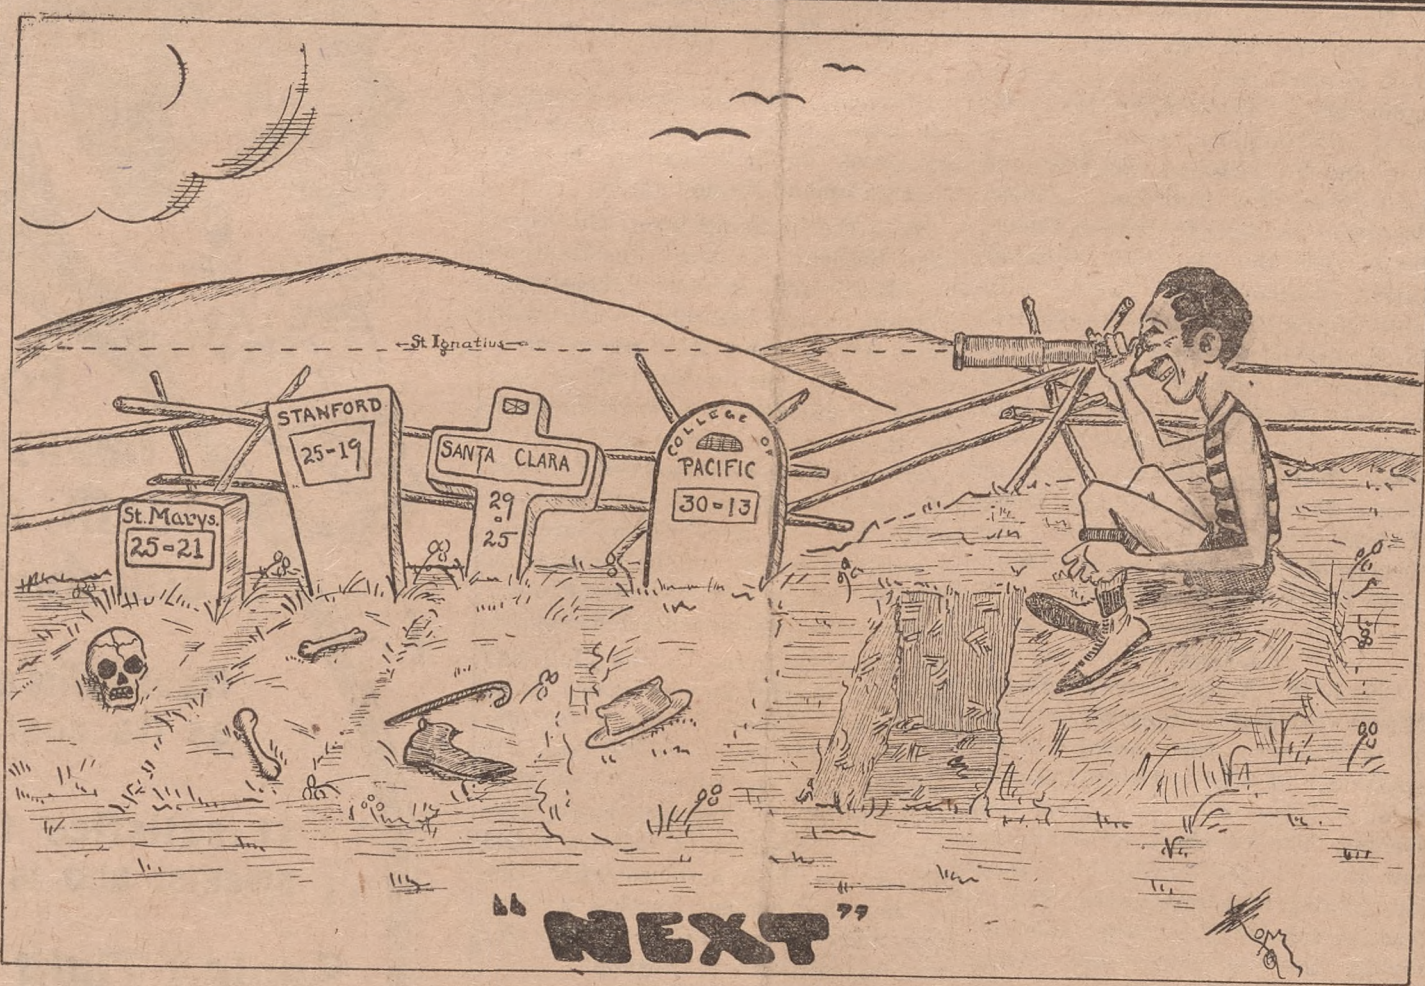

SMITHERS TO TACKLE CITY LEAGUE CHAMPIONS ON HOME GROUND. McCUBBIN TO PLAY FOR "HAMS."

Next game on Nevada's schedule will be the Mayrose team of this Saturday evening of this week. The team won the championship of the league, and were only defeated in a practice game by a score of 24-19. They have been steadily strengthened since that time and are certain to give the Varsity a run. In their lineup we have the shining lights as Mox who was Captain and star of the day of playing the game against the Silver and Blue; Mackenzie, who forward in 1917, and chief pitcher on last year's Varsity; Temple, former Reno High and U. of N. stage performer; Herb who has been showing up so well in Varsity practice this season. It has been rumored that the Hams will have McCubbin in the center of the line. However, it is an assured fact that they are leaving no stone unturned in their effort to defeat the Sagebrush Varsity. When Bill Martin was asked with the question of how he would like the game to come out, he gave that knowing grin and said "I'll be here and watch us go."

In preliminary to this game the Varsity is going to stage what promises to be a battle de luxe, when the Sagebrush representing the upperclassmen will meet the lower classes. Both teams have been practicing hard and are "a cinch to win" according to the Varsity captains. The line up of the Sagebrush so far is undetermined but it is believed several experienced players will draw from and a good game will be had.

The Angeles Blues, last year's champions are scheduled to play the 27th and 28th of this month on their way back to the titular city of Savannah. Corky has been asked to persuade St. Ignatius to play their date to this Saturday if the Varsity might meet the Angeles holders in both games. The game is up to a late hour today no word has been received from the Ignatius and it looks as if they did not intend to accommodate us to that extent. In fact the Varsity will meet the Blues in one game on Saturday and the second date will be filled by the Mayrose team as a preliminary to the Varsity-St. Ignatius. The St. Ignatius team has been greatly weakened by the injury to Lauterwasser, who forward, who broke his leg in a practice game last week. The Varsity expects to meet the Angeles on Saturday night.

VARSITY WINS FROM PACIFIC

COURTRIGHT'S MEN EASILY DEFEAT PREACHERS WHO SCORE BUT THREE FIELD GOALS DURING GAME

Nevada's fighting varsity, led by the scrappiest of them all, "Wild Bill" Martin, tore through another game to victory and thus took one more step toward the league championship and gave the Coast teams who have any idea of claiming the championship of the Pacific Coast something to worry about when the Silver and Blue came out on the long end of a 30-13 score against the College of Pacific last Saturday night.

Corky started his first string lineup of Waite and Williams forwards, Buckman center, and Reed and Captain Matrin guards, and while their basket shooting was not of the highest order, the reason that Nevada came out on top on the Coast was very apparent. The team showed itself to be a great little defensive team, relying on its ability to hold its opponents to very few baskets to win the games for them. Several easy shots were missed by every member of the team, but only once did the Preachers get within striking distance of Nevada's basket in the first half. This try failed and the five man defense worked so well that not a field basket was chalked up against Nevada in this period.

It took the Sagebrush team fully five minutes to get going, the ball passing up and down the floor from one team to the other, until finally Waite managed to hook a basket, and away they went. Nevada's teamwork was excellent in this half but the men seemed weak on shooting baskets, and several of the made-to-order variety were missed completely. Time after time the boys worked the ball up to a point right under the basket only to lose it on a missed basket. However they made up for it on floor work and guarding. The whole team seem to be the best guards ever and mixed with this have a world of speed on the floor; every one is absolutely sure of himself and can handle the ball to perfection, and in addition to this we find an uncanny ability to prevent the opponent from getting off a decent pass. When all these points are considered, the reason why Nevada is a hard team to beat in any company becomes at once apparent. Fifteen points were scored in the first half and were gathered in the following manner; Waite threw three field baskets and three fouls, Smoky Williams got two field goals, and Ed Reed corralled one field goal. All the Pacific five could manage to collect was

(Continued on page eight)

REGISTRATION FIGURES OUT

Figures on Registration Show 23 Outside States Represented. Men Outnumber Women

Some interesting facts on the student registration at the university may be obtained from the lists, covering enrollment throughout the college year 1919-1920, and showing the distribution of the students according to the various classes and residences.

Registration in the university for both semesters totals 424 students. This includes all students here last semester, and those here this term but not registered last term. Of these, men are in the majority, tallying 242, to the women's 182. Freshmen number 177 students, 23 outside states are represented, besides Washington, D. C., England, Russia, Alaska and the Philippine Islands. Of the states represented, 11 are east of the Mississippi and seven are Atlantic coast states.

Nevada students number 267, California taking second place with 82. Among the California students, 30 different counties have representatives here.

Forty-five students not here last semester registered in January. Of the 379 enrolled last term the College of Arts and Science drew 175; Normal school 32; Mackay School of Mines, 33; School of Mechanical and Electrical Engineering, 64; School of Civil Engineering, 14; College of Agriculture, 35; Department of Home Economics, 26. A total of 212 men were enrolled against 167 for the women.

SATURDAY IS LAST CHANCE

Final Date for Artemisia Pictures to Be Taken Is This Saturday

Do you know that after Saturday you will not be able to have your picture taken for the 1920 Artemisia?

Seniors, Juniors, organization men and women, this is your last chance to have your picture taken at Goodner's. Any time before Sunday. It's up to you.

Class Records for Juniors and Seniors are now due. Drop them in the box at the library. DO IT NOW.

The above represents the main efforts of the staff for the present week. All pictures must be taken before Sunday in order to be in the various class, organization, fraternity, or groups. Class records are likewise due from the Seniors and Juniors. These records are to include the class you are in, home town, organizations that you belong to, offices that you have held and anything else to your discredit. Don't forget to state the year in which you held any office.

U. N.

Our success in life depends upon our will to do.

BLOODY BATTLE TO BE STAGED

Annual Fraternity Baseball Game Will Be Played Sunday on Mackay Field

Ah Hah! Hist!—Great gobs of gore—forty buckets of blood—S. A. E. and Phi Delta Tau will again fight it out to the death on Mackay Field. The annual baseball game which before the war had become almost a university tradition will be played on Sunday morning, February 15th at 11 o'clock, the weather permitting. Three years ago the last game between the two rival frats was played, in 1917 and the S. A. E. gang wiped up on the Taus to the tune of 17 to 6. Since that time, the defeated ones have waited patiently, watchfully waited, and bided their time, gritting their teeth meanwhile, until the proper moment came when they could rampse over the S. A. E. tribe for a victorious revenge. This year they have an exceptionally strong team, and they plan on grinding their hated rivals into the turf on Mackay Field. The game bids fair to be gory, bloody, cruel, and everything. A large crowd is expected and the sky will be the limit for all bets. Each team is in the best of shape, head up and rarin' to go. The cream of each frat will be on the team; below is given their lineups; read them over, cogitate and "place your bets while the ball's in motion, they don't pay no others."

Captain Sullivan of the S. A. E. mob on being interviewed by a Sagebrush reporter gave his line-up. Battery will consist of "Smoke" Williams who will give the "Shimmy Twist" to the pill, was a star on last years' Reno High team, winning four games and holding the hard hitting Elks to a close score. As a "big stick" artist, Smoky is there for a million. Behind the bat will be "Bill" Shearer, Professor of Surveying. Bill is a star of former years, an excellent short stop, and aside from being a little large around the waist line, (a relic of his former Gob days) is all to the mustard when it comes to the backstop job. Molly Malone, former captain of the U. of N. team, and an other old star at the game will hold down first base and down every Tau who comes his way. As a willow artist he sure can knock 'em all for a row of Pagodas. Mel Caffrey, better known as "Mick" will keep the flies off second base. "Mick" also is a high school veteran, and a speed burner. Mox Charles, the "Mayrose Ham" is picked for the third bag position. Mox played on Nevada's team some years ago, and still claims to be able to repeat his brilliant playing. "Becky" McKenzie, of .411 batting average fame will do justice to the short stop position. As a baseball player "Becky" is famed all over Nevada. Captain "Bridget" Sullivan will

(Continued on Page Eight)

"PAIR OF SIXES" PROGRESSING

Plans Under Way for Presentation of Play in Near-by Towns of State

Plans are being made for the presentation of Clonia's play, "The Pair of Sixes" during the first week in March, and practice is rapidly rounding it into shape. The dramatic manager is working on a trip to several of the near-by towns of the state, which will give the caste a little road experience in addition to showing the people what the University is doing. A date has been secured at Carson City for the night of March 2nd, through the co-operation of "Deacon" Hansen '19, who is teaching in the Carson Schools. In a recent business trip to the capitol, Gerry Eden, business manager of Clonia, arranged the necessary details, and Deacon Hansen is attending to the local arrangements.

As to the play itself, it is a comedy drama in three acts, with a smile in every line and laugh in every scene. Professor Turner has had unusual success in casting the play and already the work begins to take form under his direction. Watch for the date of the show in Reno and arrange to be there, as this will be one of the most successful of the University activities this semester.

The next meeting of Clonio will be next Wednesday night, in the auditorium of the Aggie Building. An unusual and interesting program is being prepared, and every active member of the society will be expected to be present.

U. N.

HOSPITAL ASSO. TO KEEP FUNDS

A meeting of all men was called in Lincoln Hall and all women in Manzanita Hall of the Hospital Association for the purpose of discussing the matter of allowing the Athletic Association a part of the hospital fund, for payment of bills incurred by injured athletes.

Members of the Hospital Association were well represented at both meetings. After some discussion by the members it was unanimously decided that this money should not be used for any other purpose than what is already set forth in the provisions outlined by the board of regents. That any surplus money that may accumulate shall be kept as a reserve for emergency cases and that in the future should this fund become sufficiently large a reductoin could then be made in the assessment of the students.

O. A. C. CAMPUS OVERCROWDED

Oregon Agricultural College, at Corvallis, Ore., seems to be a bit overcrowded this semester, due to the fact that 3335 students are registered in the courses.

O. A. C. plans were prepared to offer instruction and training to about 2000 students, a number which at the time the plans were made was far in excess of the enrollment. The rising need for education has drawn not only the 2000 students but an additional 1335 and the conditions have become serious. Three students have to share the room and educational advantages which were designed for only two. In the department of English alone room is at a premium, eight instructors, their desks, chairs for the students are crowded into two small rooms, where they have to prepare their lessons, plan the work, grade papers, keep records and confer with their students. In order to obtain a little more room, the door was removed from its hinges, and it has been said that whenever anyone started through the offices the only way he could get out was to stay in—the line.

Basements are being used as classrooms and at the close of each class, two lines form, one going in to the room vacated by the other. Only 14 Oregon towns, according to the last census have a larger population than the O. A. C. campus.

U. N. NOTICE

Monday, February 23, will not be celebrated as a holiday. Regular university work will be done then.

University work will be suspended on Friday afternoon, and throughout Saturday, March 5 and 6, if, as now planned, the State High School Basketball Tournament is held here at the University during these days.

WALTER E. CLARK, President.

DELTA DELTA DELTA

Mrs. Reginald Meeker entertained the active and alliance members of Delta Delta Delta sorority at her home on Sierra street, where the pledging ceremony was held that pledged Misses Rose Mitchell and Enola Badger to membership in the sorority. Music and social entertainment were the diversions and the occasion was closed by the serving of a charming luncheon. The active members there were Thelma Braun, Dorothy Churchill, Gertrude Harris, Eleanor Turley, Althea Hillhouse, Nellie McWilliams, Arvella Coffin, Hallie Organ, Elaine Harris, Jule Calahan. The alliance members present were Mesdames Amos McKinley, Reginald Meeker, Leonard Gilcrease, Leroy Thatcher, James Scrogum, Bernice James, Allen Williams, Misses Mildred Gray, Milo Coffin, Fern Wright, Mabel Larcombe, Zula Talbot, Edith Harris and Mary Ratt.

I. O. A. O.

The I. O. A. O. sorority pledged Misses Clementine Shurtliff and Margaret Black to that sorority at the apartment of Misses Lottie Rose and Salome Riley on Seventh street last evening. The members welcomed the new girls into the sorority by a pleasant evening of entertainment and attractive supper. The young ladies enjoying the occasion were Misses Georgia Money, June Harriman, Mildred Griswold, Jimmie Odbert, Lavina Shields, Phyllis Brown, Norma Brown, Emile Burke, Laura Shurtliff, Elvina Blevins, Mary Browder, Leila Sloan.

D. K. T.

The home of Miss Alice Kincaid was the scene of a delightful party on Monday evening when the members of the D. K. T. Sorority met to pledge Anna Davis and Marion Muth. The evening was most pleasantly spent and at a late hour the guests were led into the dining room where a delightful repast awaited them. The table was prettily decorated in the sorority colors and the color scheme was very effective. Those present were the patronesses of the sorority, who are Mesdames George B. Thatcher, A. E. Hill, E. E. Wardin, Frank Humphrey and Sam Belford; the members, Misses Avis Lothrop, Esther Crump, Gladys Walker, Lois Smythe, Ruth Pilkington, Avis Lothrop, Esther Cdupm, Gladys Smith, Helen Fuss, Alma Boeke, Neva Clark, Isabel Bertschy, Laura Ambler, Ethel Creek, Fru Wortham and Mrs. Orva Howard and the pledges, Misses Martha Ryan, Anna Davis and Marion Muth.

Pi Beta Phi

Active and alumnae members of Pi Beta Phi gathered at the home of Miss Hilda Herz last Monday evening, when Misses Marie Grubnau, Marie Lamont, Neal Sullivan, Nevis Sullivan and Mrs. Earl Ross were pledged to membership in the fraternity. After the ceremony all participated in a "cooky shine," and music and stunts were enjoyed during the evening.

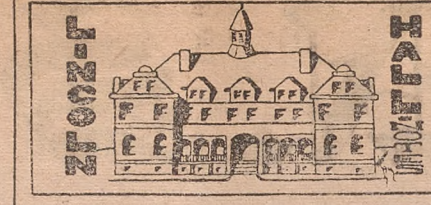

Those present were Misses Riegelhuth, Margaret Mack, Delle Boyd, Pearl Stinson, Dorothy Mahan, Elsie Farrar, Edna Short, Josephine Legate, Shirley Stewart, Edna Clausen, Helen Cahill, Adele Armstrong, Virginia Higgins, Rachael Sprague, Hazel Hill, Gladys Dunkle, Miriam Fike, Hilda Herz, Dorothy Percival, Myrtle Cameron, Marie Grubnau, Marie Lamont, Nevis Sullivan, Neal Sullivan, Mesdames Tessie Crane Ross, Marguerite Crotty O'Connor, Dorothy Morrison Gibson, Martha Folsom Barton, Alice Boynton Melarkey, Alice Wright.

Miss Annie Guthrie, industrial secretary of the Y. W. C. A. was a special guest of the affair, as she was a member of Pi Beta Phi at University of Colorado and later at Stanford.

Block N

Following the game Saturday night, a Block N dance was held in the gym which was largely attended by downtown people, former students and others. Music was furnished by the pianist from the Grand, assisted by Jimmie Bradshaw on the violin and Harry Bogart at the drums.

The Neighborhood Social Club will entertain with a Leap Year dance at Maple Hall next Saturday evening. Their last dance, a masquerade affair, was largely attended and a huge success.

Richard Hardin, who was operated on for appendicitis about two weeks ago at St. Mary's Hospital, is now back on the Hill. He is staying at the Infirmary for a few days, and will be back in the Hall as soon as the doctors will permit it.

Hornaday and Westervelt spent a few days in the hospital during the past week but both are now back in the Hall and on the job again.

Since the breaking up of the cadet band, the lack of music in the Hall has been keenly felt, and Joek Aikens' phonograph has not been able to cope with the situation alone. At a recent meeting of the men in the Hall, it was voted to purchase a new phonograph for the benefit of the many lovers of music who have hitherto been deprived of this form of amusement. A committee has been appointed to purchase a machine, which will be installed in the reading room in the near future.

Since the big pinochle tournament, the principal game in the Hall has become the ancient and honorable game, of chess. There are only a few devotees of the game up to date, but judging from the length of time they consume in studying each move, they must be professionals, and we would like to see them matched with some of the other campus experts, as Professor Feemster and Colonel Ryan, for the championship of Nevada.

Fat Harker, always live and up-to-date, has taken to early rising, at the hour of five or thereabouts, and is taking early morning walks before breakfast. Needless to say, he does not talk alone. He says he is trying to reduce his weight, but as the same idea has broken out at Manzanita also, circumstantial evidence is against him.

Phil Frank moved to the hospital Tuesday with a light attack of the flu. He expects to be back in the Hall in a few days, and we hope to see him back on the campus again by next week.

Engagement Announced

At a luncheon given last week by Mrs. R. L. Fulton, the engagement of Miss Helen Fulton to Mr. Frank I. Peterson was announced. Both are graduates of the University.

Miss Fulton took her A. B. degree with the class of 1910, after which she attended Smith College. She has been for the past three years student secretary of the Pacific Coast field of the Young Women's Christian Association. While in college Miss Fulton was an active participant in student affairs and was a member of Delta Rho Sorority.

Mr. Peterson is also a graduate of Nevada, taking his degree in 1907, after which he became a member of the faculty of the College of Agriculture. Following this he became connected with the Holt Manufacturing Company at Stockton. He served in France with the army as a major in the ordnance department. He is now engaged in engineering work for the Holt Company at Peoria, Ill.

Miss Day Entertains

Last Thursday afternoon Miss Day entertained the girls in the Normal Department with a delightful party at her home on North Virginia street. The rooms were enhanced in their beauty by daffodils which seemed to nod a welcome to the guests. Oriental and individual stunts furnished the afternoon's entertainment and later delicious refreshments were served. Those enjoying Miss Day's hospitality were: Misses Anna Davis, Vesta Bradshaw, Dorris Brown, Anna Chatam, Margaret Black, Luella Cazier, Mamie Delaplain, Luella Dilworth, Dorothy Harrington, Eleanor Miller, Ruth Hull, Tannie Higgins, Amy Molart, Marie Norton, Anna Nichols, Esther, Crump, Rose Rey, Flo Reed, Evelyn Walker, Agnes Riddell, Priscilla Reynolds, Mabel Riddell, Elizabeth Tinguely, Allene Wright, E. C. Diehm, Laura Shurtliff.

U. N. MISS DAY HEADS SUMMER SESSION

Miss Abbie L. Day, Professor of Education has been selected by President Clark to direct the summer session of the University of Nevada during the present summer. As yet Miss Day has not announced any plans for the session but will give the full details in a later issue of the Sagebrush.

NOTICE

There will be an important meeting of the Senior Class at 11 o'clock Friday, in Room 202, Morrill Hall. U. N.

NEW DORMITORY FOR ELKO HIGH

(Special Correspondence.) Hillcrest Hall, the dormitory of the Elko High School, is becoming overcrowded, and it is probable that the board will soon call for a bond issue for a new hall. The dormitory is now occupied by nearly fifty students and teachers, and students have had to be turned away due to crowded conditions. A new hall is planned for the boys, and on its completion the present one will be used by the girls. This new hall is planned to be made up to date in every way, and to contain among other things clubrooms containing different forms of amusement. If this new bond issue is called for, it probably will be rapidly taken up due to the fact that this high school is growing so rapidly, and that even now the students living in the hall bring at least \$40,000 a year to the city.

The basketball game between Elko and Lovelock scheduled for February 7th had to be called off on account of the flu situation. The game probably will be played later in the season. February 13th Elko will meet the Winnemucca High team on the Elko court to return game. The first game between the two schools ended in a victory for Elko of 56 to 19, and it is expected that this return game will be fast and furious. Elko stands an excellent chance for the state title and Winnemucca is out for blood, so a scrappy game is assured. U. N.

McGILL-ELY GAME NOT RECOGNIZED (Special Correspondence.) As a result of the basketball game last Friday between White Pine High School and McGill High School, athletic relations between the boys of the two schools have been broken off. One of the timekeepers, a man from McGill, is said to have allowed the game to last three minutes over the correct time, thereby allowing McGill to win from Ely by a 27 to 26 score. As a result of this and so much foul play during the game, this game has not been recognized and the boys have broken athletic relations.

The same night the girls from McGill played the Ely girls, and in a one-sided game lost to Ely. The score for this game was Ely 22, McGill 2. U. N.

GARDNERVILLE HI TRIMS VIRGINIA (Special Correspondence.) A large delegation accompanied the Virginia City boys on their trip to Gardnersville, Saturday, where they met the boys of the Gardnersville High School. Virginia seemed to be unable to find the basket, and although they put up a scrappy game, were defeated easily by a score of 60 to 7.

Friday the 13th Virginia will journey to Dayton to play a return with the high school team of that town. U. N.

CARSON AND RENO DIVIDE HONORS Saturday, Carson High girls' basketball team defeated Reno High in a hard fought game, by an 18 to 15 score. The same night Reno High boys cleaned up on the Carson boys to the tune of 36 to 23. U. N.

CAPTAIN PAGE ACTING COM. Captain Page, commandant of the Reno High School Junior R. O. T. C. is acting commandant at the university during Colonel J. P. Ryan's absence.

Col. Ryan left nearly two weeks ago for San Francisco to receive medical attention for his ear which has been bothering him for some time. He is at Letterman Hospital and is expected to return to the university and resume his duties any day, but until his return Capt. Page is ably handling the university unit of the R. O. T. C. U. N.

RIGHT The teacher was giving the class a natural history lecture on Australia. "There is one animal," she said, "none of you have mentioned. It does not stand up on its legs all the time. It does not walk like other animals, but takes funny little skips. What is it?" And the class yelled with one voice: "Charlie Chaplin"—London TH-Bits.

(By "Duke")

Some are born bashful, some acquire bashfulness and some are quite hopeless when it comes to dealings with the fair sex. Those unfortunates won't even take advantage of slight whims of fate and further their cause. For this reason we proceed to "Ball them out" in a gentlemanly manner, however. Actually there should be something done to stir a certain promoter up a bit. He is good, very good at badger fights, ace high with the men but when it comes to wimmen!!!! You see it all came about this way. A certain high powered and disreputable looking boat was snorting its way over the sagebrush plains toward Fallon. It was a balmy afternoon, peaceful and dreamy, as only Nevada afternoons in midwinter can be. Beside the bashful one in the rear seat (which by the way having served its duty has since been discarded) sat a demure and lovely maiden. The bashful one's arm became tired so he went through a series of painful convulsions and finally succeeded in placing his arm on the back of the rear seat where it flopped back and forth with each bump of the machine and nearly settled around the young lady's shoulder.

This irritated one of the men who sandwiched in with the others and after watching the arm for a while he reached over and placed it gently and firmly about the damsel's shoulder.

The bashful one blushed, snatched his arm away with a very decided jerk, and remarked, in a pained and highly indignant voice, "I hardly think my acquaintance with this young lady is sufficient to warrant such undue familiarity," after which quiet and peace reigned supreme.

THE DARK DEED It was manifest to even the most casual observer that the man was laboring under some terrible mental strain: Beads of cold, clammy sweat stood out on his brow—the veins of his forehead were blue, knotted ropes. He fidgeted unceasingly in his chair and occasionally he would take a walk around the room, darting sharp glances to right and left as though he were searching for something. Nothing rewarded his hunt, and he dropped into his chair with the dejected air of a man who seems predestined to meet a terrible calamity which is inevitable and unescapable. His perturbation increased until it seemed that it had passed the bounds of human endurance. His whole face by this time was bathed in sweat, his eyes had a fixed and glassy stare in them, his jaws worked convulsively and he had all the appearance of a man who is nervingly himself to take some fatal step. At last he could stand it no longer and with a wild, unearthly shriek he dashed to the window—threw up the sash and spat. It was his first chew of tobacco.

—J. W. K. in Daily Illini. U. N.

E'ER TOO LATE Suppose that you sit in class with a blue book in one hand and a pen in the other. In front of you on the board are ten questions. These constitute your final examination in this subject for the quarter. So far your race with the grade book is a dead heat. On this examination depends your passing the course. You tremble with excitement as you face the inquisition on the board. You get one; you get two; you continue in your success. There are two you can't get. At length you come to the last question—it counts for twenty. If you get this you win, if you miss it you lose. You kind of remember—kind of—but oh! Why didn't you study that? Why didn't you? And so you flunk the course—all because you didn't study when you had time to.

The above scene is one which happens often in university classes. You would give anything when the test comes if you had only prepared—but you didn't. We are not going to draw any lengthy moral from this too obvious lesson. We merely wish to point out to our readers that the quarter examinations will begin in a short while. Now is the time to gird yourself in armor. Get acquainted with your books now. It may be a wonderful aid when you face the questions on that memorable morning.

DRONES

On coming out of a student body meeting, it is rather a disconcerting sight to see twenty or more men students, among them several upperclassmen, congregated about Stewart Hall, discussing very probably, reasons for the apparent lack of spirit in the university this semester, and illustrating and explaining how student activities are being run by a clique, how rotten the team is, and so on, without end.

Just why the Upperclassmen put themselves off by waiting around until the downtown rally started is a mystery, unless it be that they planned on meeting their ladies as they came out from the student body session. As for the Freshmen, roll call is always taken on occasions such as rallies and pep meetings and the after effects of being absent when the names are read, are not always to the Freshman's liking.

Were every student to take an active interest in what is going on about the campus, attend all the meetings, enter into the spirit and give expression to his thoughts when the occasion demands, instead of standing on the outside and taking no part, yet at the same time criticizing and condemning all those who do make up the live wires in student affairs, there would be less cause for complaint or censure. And it might possibly be, that this would develop and improve the real University spirit, which above all, should be our aim.

HOW TO KILL AN ASSOCIATION

1. Don't come to the meetings.
2. If you do come, come late.
3. If the weather doesn't suit you, don't think of coming.
4. If you do attend a meeting, find fault with the work or the officers or other members.
5. Never accept an office, as it is easier to criticize than to do things.
6. Nevertheless, get sore if you are not appointed on a committee; but if you are, do not attend the committee meetings.
7. If asked by the chairman to give your opinion regarding some important matter, tell him you have nothing to say. After the meeting, tell everyone how it ought to be done.
8. Do nothing more than is absolutely necessary, but when other members roll up their sleeves and willingly, unselfishly use their ability to help matters along, howl that the association is run by a clique.
9. Hold back your dues as long as possible or don't pay at all.
10. Don't bother about getting new members. "Let George do it."—Ann Arbor Commercial Club Bulletin.

What finally happened to the ten men who did not answer roll call at the rally last week?

Don't forget the Varsity-Mayrose game Saturday night. It's sure to be good.

Now that the football and basket ball games with Pacific have both been won, let's repeat the performance by talking them out of the debate which comes off within a few weeks.

Don't fail to attend the D. A. E. Variety show at the gym. Friday night. A live dance follows the performance.

The University Farm Agrícola of February 6, mind you, FEBRUARY 6, came out with the following article: "Monday night, January 19, Nevada's basketball team faced St. Mary's aggregation, and took them into camp to the tune of 25 to 21. The game was fast and interesting from start to finish. Nevada showed that she was equal to the fastest team in the League."

Have you noticed Bill Martin's new cords? The ones purchased at Gray, Rhodes and McKenzies.

Just think how speedy those birds from Davis Farm are. It took them eighteen whole days before they found out that Nevada beat St. Mary's. Practically three weeks, and in that time we have rested a week and beaten two more coast teams.

With the geratest of pleasure, I hereby dedicate this touching little poem to Prof. J. Claude Jones, professor of the only "Pipe" course on the Hill.

The Consolation of Science
In the primeval ooze,
There was no booze.

Each little trilobite
Staid sober day and night.

Jurassic snakes there were,
But only real ones, sir.

None thinks he missing link
Misses alcoholic drink.
Skipping much-ard data
In the more recent strata,
Cave men tanked up for slaughter
On neolithic water.

Studying so the earth,
One finds the pangs of dearth

Alleviated,
Seeing things lived so long,
So rough, and tough and strong,
Unspifflicated.

Thanks, Les Bruce.

Naughty! Naughty!

One of our little friends over in Manzanita, who smiles and giggles her way along the rosy path of life is about to become entangled in a net of her own making. Listen while I expose the cunning methods of this little vamp. Having been out last Friday night for a small taste of life, accompanied by one of our bright young swains, she fell into the hands of the authorities upon her return, and for her wickedness was condemned to spend many days upon the campus. This incident only sharpened her desire to know more of the world, so with a hunger for excitement she accepted the invitations of two young men for next Friday evening, the youth who was with her on the last escapade, and some other, and at present unknown victim. The first young man is said to have heard of this state of affairs and cancelled his date. In justice to the men of the University a committee is now endeavoring to locate the other man and get him to cancel his date also. It is only by hard experience that the young become educated in the way they should go.

CAMPUS QUESTIONS

Who were the three girls at the He-Jinks?

What happened to the forty dollar doctor bill?

What has happened to all the committee reports?

Why bring a girl to the basketball games?

The Hazard Teachers' Agency

Twenty-eight years of successful service built on effective methods and honest dealings. State in first letter wishes as to work, location and salary. Payment of registry fee optional. Please mention this paper.
R. B. HAZARD, 703-704 Globe Building, Minneapolis, Minn., or T. MOREY HODGMAN, 1406 Old National Bank Bldg., Spokane, Wash.

SENIORS

Did you get a cinch notice? If so, why? Where were all the Engineers Wednesday night.

Have you had your picture taken for the Artemisia?

Who didn't pay to dance at the Block "N" dance Saturday?

Who went to Kanes Saturday night after the dance?

Where are all the books that should be in the library?

You have asked who it was that originated the styles of men's chapeaus. The flat kind. Here he is in his glory. Looks like Jommie Belford.

There will be a meeting of the Senior class Friday February 13, in room 201 Morrell Hall at 11 o'clock. All Seniors are urged to be present.

U. N.

"SQUEAK" HARRIMAN VISITS

"Squeak" Harriman, '19, was up from Fallon last week to take in the basket ball game between Nevada and Pacific. He stayed over several days to visit his friends before returning to Fallon where he is engaged in business.

U. N.

NOTICE CLONIA

A new membership list will be compiled at the next meeting, Wednesday, February 18th. Play up your dues and get on the list so pictures can be arranged for the Artemisia. There will be a snappy program at this meeting, so come out and spend a pleasant evening.

ing fraternized by Louie Myers, "Skip" Hammond, Wallace Walker and "Jock" Aikens, charter members of the society. In championing a charter for the new organization the most difficult task was that of selecting a name but after much discussion upon the subject it was decided to christen it "Iota Lambda Phi." "Jock" stepped out for the name of "I Want an I. O. U." and Louie put in a strong plea for "I Love a Tri Delt." In order to have perfect harmony among all concerned the first name was adopted. Members are now being considered and it is expected that this new organization will soon be out-ripping all other secret societies on the Hill.

SPRING TRACK PRACTICE STARTS

Spring has come! If you don't believe it, just drop around to the Mackay Athletic Field any night, and witness Nevada's budding track stars laboring around the old cinder path, endeavoring to eliminate by the sweat of their brows all evidences of high living which shows up as bay windows, etc. Many good resolutions are being made every day, men who never were known to retire before 2 or 3 G. M. can be seen crawling in between the sheets at the early hour of 10 bells. Mike Ashiem's trade is dwindling to such an extent that he is seriously considering getting out an injunction against the University in an endeavor to prevent them from ruining his business.

However, be this as it may, Nevada is sure to have as good a team on the track and field this year as she has had in both football and basket ball, and this is some boost. Every one who has ever seen a track meet is wanted out there on the track. Success in this branch of intercollegiate athletics depends mainly on condition and form; these require practice and lots of it. Heretofore Nevada has been handicapped by a late start; this year she has an exceptional chance to get going early. If you have any ambition to be a second Ted Meredith, if you have any idea that you could give Eddie Beeson or George Horine pointers, get out and give the coach a chance to make a record breaker out of you.

MISS DAY WILL ATTEND MEETING

Professor of Education to Speak at Annual Meeting to Be Held in Cleveland

Miss Abby Louise Day, Professor of Education, leaves next Thursday for Cleveland, Ohio, to attend a number of meetings there in connection with educational work. She plans to be away for ten days or two weeks.

In connection with the annual meeting of the Department of Superintending of the National Educational Association, Miss Day will be on the program at the National Council of Education's meeting, being a member of that organization. She will also take part in the program of the Council of Administrative Women in Education in session there. Miss Day is state vice president of the latter organization for Nevada and plans on her return, to organize a branch of the council in this state.

On Monday, February 23, the annual meeting of the Society of College Teachers of Education will be held in Cleveland at which Miss Day expects to be present.

"DEACON" ORATES AT CARSON

Lawrence Hansen, better known as the "Deacon," is hard at work teaching in the Carson High School, according to reports from the Capital City. Last week, as chairman of the gymnasium committee there, he addressed a large gathering of the Parents' and Teachers' Association, and presented some interesting data relative to the construction of a gymnasium at Carson. Following his paper, a resolution favoring the construction of a gymnasium was unanimously passed by the association.

Hansen graduated from the Normal School in 1917 and took his B. A. degree from the University later.

RENO HI NOTES

The Carson Trip

The Reno basketball teams journeyed to Carson Saturday night to play the Blue and White teams. The girls' game was very fast and the Reno girls lost only after a hard fight and a streak of bad luck. The girls showed the effects of the training they have received and put up a good scrap till the final whistle. The boys' game, however was probably the fastest ever witnessed on the Carson court. The Reno boys were in good shape and the team work was pretty to watch. The Carson boys could not seem to penetrate the three man defense which the Red and Blue had down to a science. The Reno boys played the Carson lads off their feet and near the end of the first half the Carson boys didn't know whether they were playing basket ball or fishing for crawfish. At the end of the first half the score stood 22 to 18 in favor of the Reno High and the score at the end of the game found the Reno boys on the long end of a 32 to 21 score. Lorigan and McInnis were the stars of the game. Lorigan making eight field baskets and foul and McInnis contributing six field baskets and two fouls.

Boys' Team Beats Sparks

The Reno High boys scored another victory Friday night against Sparks. The Reno High second team went in in the first half of the game and came out of the game on the short end of a 14 to 9 score but the first team came back and rolled up 24 points while the best Sparks could do was to make two field baskets. Lorigan and McInnis starred for Reno and Robison and Shaber were the shining lights for Sparks.

The Red and Blue boys' team is about the strongest and fastest put out for several years. Gibbons at center, is a very fast man and a sure shot from the field. Lorigan is from St. Mary's and a faster man has not been seen on the Reno High floor. McInnis is a fast man and a sure shot. Codd is one of the best guards seen on the floor since Bill Martin was here. Harrison while inexperienced, is a coming star and a very fast man on the floor. The Reno boys should cop the state championship with little difficulty.

TURN ABOUT

Two golf fiends—an Englishman and a Scot—were playing a round together. After the first hole, the Englishman asked:

"How many did you take?"

"Eight," replied the Scot.

"Oh, I only took seven, so it's my hole," exclaimed the Englishman triumphantly.

GOOD PHOTOGRAPHS

Everybody wants a picture. Taken that looks at least as well as the Original—or better. Perhaps I can't improve on Nature, but I will make a picture you will like or I won't charge you one cent. That is my policy. I show you several Proofs and leave it to you. You know what you want better than I know. Of course I give you advice if you ask for it.

The main thing is you must be suited. Whether I am or not.

CLOTHING AND FURNISHINGS FOR COLLEGE MEN

NEWS FROM OTHER COLLEGES

Harvard
Robert Matteson Johnston, professor of modern history at Harvard, died last Wednesday of heart disease at his home in Cambridge. Professor Johnston served during the war as official historian of the American Expeditionary Forces and was widely known as an authority on military affairs. He had been in ill health ever since the war, when although his heart was in poor condition, he went to France with the historical section of the general staff of the army.

Oklahoma
Twelve members of the University orchestra, while stranded in the little town of Pawhuska, stumbled into an old fashioned district school. The teacher, mistaking them for members of the university faculty, invited them in and called a special assembly and dragged them on the stage. Professors of piano, geology, insectology and campus were introduced to wide-eyed pupils. After a pleasant hour spent in speech-making and music the party left, leaving behind them those that were none the wiser.

Pennsylvania State
Pennsylvania State College will award two scholarships to perpetuate the memory of Red Rebut and Levi Lamb, former gridiron stars who were killed in the battles of France. The scholarships will be awarded to athletes with scholastic credits, who are unable to pay their way through college. A fund of \$10,000 was subscribed by Pittsburg alumni.

Pennsylvania
Provisional acceptance of the invitation to compete in the University of Pennsylvania Relay Carnival at Franklin Field on April 30 and May 1 has been received by the management of the games both from Cambridge and Oxford Universities. Both institutions, Pennsylvania authorities said recently, appear eager to send men to the relays but whether they will be able to do so depends upon their ability to collect a team which they consider of sufficient strength to compete.

Syracuse
On May 8 the Midshipmen will meet the Syracuse University athletes in a unique series of sports. There will be an eight-oared shell crew race, and contests in track and field sports, lacrosse, rifle shooting and tennis.

Arizona
Freshmen at the University of Arizona have been barred from participating in any university activity because of their refusal to wear the proverbial "green beanie." The freshmen will not be allowed to try out for debate teams or athletic teams. They will also be excluded from all university dances and entertainments until they submit to the ordeal of wearing green caps.

Washington
The University of Washington will send a baseball nine to tour Japan next summer.

Occidental
The largest audience that has ever witnessed a dramatic event in the history of the college was present at the performance of the musical comedy, "That Noble Tenderfoot," given by a society at Oxy college. Laurence Cook, a student, who wrote the play, has earned for himself a great name as an author.

Pomona
The students employed in some branches of Pomona college have declared their intention of going on a strike if their wages are not raised. It is thought that other students may go on a sympathetic strike.

Southern California
The University of Southern California has caught the fighting spirit and efforts are now being extended to make boxing a minor inter-collegiate sport. U. S. C. has quite a lot of good material from flyweight to heavyweight.

Wyoming
Wyoming University students have established a trophy room in which all awards or records of student achievement

At the meeting last week Helen Fulton, the secretary in charge of the Student Association of the Pacific Coast Field, addressed the girls on a vital subject, "Democracy and Its Relation to Students and Student Activities." The special music was a piano solo by Miss Cornelia Williamson. Miss Fulton also addressed the Senior Cabinet at their meeting Wednesday evening. Miss Anne Guthrie addressed the University Y. W. C. A. at their meeting in the Agricultural Building Wednesday afternoon. Her talk was on the subject of the Industrial Conference which was held at Washington, D. C., last October. This conference was supposed to be composed of a representative group of women in different industries, and delegates from 13 different countries were present. The topic of the conference was the relation of industry to government today. Miss Guthrie also attended the Y. W. C. A. Cabinet meeting in the evening, after which she departed for the San Francisco field office.

RENO HI Y. W. C. A. HOLDS MEET
Branch of University Organization to Publish Paper—Plans Laid for Leap Year Dance

The Girls' Club of the Reno High School, a branch of the University Y. W. C. A., held a meeting at the home of Miss Ruth Larcombe on January 29th. During the first part of the evening business was discussed. Miss Hattie Peterson was awarded the prize, a club pin, for the best contributor to the song contest which had been going on for some time. Plans were made for a Freshman party to be held probably on Valentine's Day. The plans for the Leap Year dance that the Girls' Club will give the latter part of February were left until the next meeting. It was suggested that the club have a paper and Miss Annie Porter was elected chief editor. The business meeting then adjourned and singing, refreshments and dramatic aragedy were enjoyed during the rest of the evening.

U. N. Y. W. C. A. SECRETARY VISITS CAMPUS

Miss Anne Guthrie, Industrial Secretary of the Pacific Coast Field of the Y. W. C. A., which embraces Nevada, California, Arizona and the Hawaiian Islands, has been in Reno during the past week in connection with Y. W. C. A. activities here. She has been helping the survey committee for the city Y. W. C. A., and making suggestions relative to the industrial work. She has been on the campus this week, visiting some of the economic classes, where she lectured on industrial conditions. Miss Guthrie is a graduate of Stanford University.

The purpose of the room is to act as a spur to student efforts in all lines of activity. Several ancient football pictures form part of the collection.

Ohio
A new stadium seating 50,000 is to be built at Ohio State University. It will be a mile long and half a mile wide.

Oklahoma
The University of Oklahoma put in a likely bid for the youngest student in a state university. She is a girl six years old and is registered in the college of arts and science.

Iowa
Six thousand dollars worth of new electrical engineering laboratory for juniors, additions in equipment are also being made for the Sophomore classes, and a course in electrical problems has been started for senior electrical engineering students.

NOTICE
Don't forget the D. A. E. Variety Show and Dance Friday night in the gym. Program begins at 8 o'clock. Admission to show 50 cents. Dance, 25 cents. Everybody come.

U. N.
God has put something noble and good into every heart he has created.

CHAS. MEYER

Lulu Hawkins was the guest of Lavina Shields the first part of the week. Louise Sullivan is with us again. She returned Sunday evening. Dorothy Harrington and Marie Norton went to Carson for the weekend.

Thres Haughey came in from Frankton on Saturday and Sunday. She visited the girls in the Hall while in Reno.

The Women's League is entertaining the Women's Faculty Club on Friday afternoon from 4 to 5. Special invitations have been sent to every member of the Faculty Club and we hope all the girls will get the opportunity to meet them.

LITTLE BUSINESS AT A. S. U. N. MEETING

Meeting Closes Early to Permit Downtown Basket Ball
The second Student Body meeting of the semester was held in the Aggie Building last Friday. Very little business was presented, so the meeting was short and snappy, and did not interfere with the rally which was held downtown.

After the routine business was disposed of, and reports from the various committee had been heard, there was some discussion concerning the fund which had been collected to buy the sweaters for the football men. As the man who was chairman of the Sweater Fund Committee did not return this semester, the report was rather hazy as to the amount collected, etc. The motion was passed that the Sweater Fund Committee straighten out the account and report to the executive committee of the A. S. U. N.

It was announced that pictures for the Artemesia should be taken as soon as possible, in order to get the book on time. The meeting was followed by a basketball rally downtown.

MRS. MARIAN HOOTEN IN NEW MEXICO

Mrs. Marian Hooten, graduate of the College of Arts and Science, is now living in Dawson, N. M., where her husband has an important position with a large copper concern, and she is teaching in Dawson in the primary grades. Mrs. Hooten finished her college course at the end of last semester and left at once for New Mexico, going by way of Sacramento. She was prominent in all student and social affairs on the Hill, was president of the Women's League, a member of D. A. E., and Tri Delta sororities.

SORORITIES PLEDGE FEW

Scholarship Requirements Cause of Small Number of Women Bid to Sororities

Much interest was occasioned on the Hill by the appearance of Freshman girls wearing the pledge pins of the various sororities. Last Saturday was "asking day," and pledging took place in all the groups on Monday night. D. K. T. announced two pledges, Marion Muth and Anna Davis. I. O. A. O. pledged Margaret Black and Clementine Shurtliff and Rose Mitchell and Enola Badger are wearing the pin of Delta Delta Delta. Pi Bet Phi announces the pledging of Mrs. Earl Ross, Marie Grubnau, Neal Sullivan, Nevis Sullivan and Marie Lamont.

CHEVRONS MUST BE WORN BY R. O. T. C.

The military department has received a supply of R. O. T. C. sleeve chevrons, which are required to be worn at all times with the uniform. When blouse is used, they are to be placed on the left sleeve, below the elbow, and without the blouse, they are to be worn on the center of the left pocket, below the lap. It is required that these chevrons be worn at all times in order to distinguish regular army men from R. O. T. C. students. The cost of the chevrons is twenty cents each, and may be purchased from Sgt. Major W. E. Benning at the office of the Military department in the basement of Stewart Hall.

NEVADA A. A. E. SEES MOVIES

Santa Clara and St. Mary's Game Shown for Amusement of Members
Last evening at a special meeting of the Nevada Chapter of the A. A. E. the Electrical Department took charge. An entertaining program was presented in the form of a two reel moving picture entitled the "Land of Cotton." This picture takes one from the cotton planting through the entire procedure of putting cotton on the market, electricity being one of the main features in the process. From an educational standpoint these pictures were well worth seeing. As a special attraction a reel of the pictures taken when Nevada beat Santa Clara 41 to 7 was shown, and it brought back pleasant memories of Dunne bucking the line, Rabbit Bradshaw and Windy Johnson making their long end runs. The picture of the game between St. Mary's and Nevada was also shown.

MISS BECKWITH GOES TO HAWAII

Miss Caroline Beckwith, secretary to President Clark, left Reno Tuesday for San Francisco where she will take the S. S. Maui for Honolulu. She is taking a month's vacation from her duties in the president's office, at this time rather than during the summer when the office is deluged with letters inquiring about the university courses from prospective students.

Miss Beckwith intends to visit all points of interest in Hawaii and when she returns a month from now she no doubt will have many things of interest to speak about.

While in Honolulu she will visit Mr. and Mrs. Romanzo Adams, who are making their home there. Dr. Adams is on leave of absence from the university for 18 months and is now teaching in the College of Hawaii.

VARSITY WINS FROM PACIFIC

(Continued from page One)
four free throws, netting them four points. The first half was almost an exact duplicate of the second half of the Stanford game except for the fact that the Cardinal hoopsters or rather "Swede" Righter caked one field basket. The score of the second half at Stanford was Nevada 19, Stanford 5, showing that if anything C. of P. did better than Stanford in that one period.

In the second half, the same lineup started as in the first half, but before five minutes had elapsed the coach started sending in substitutes. It seems Nevada's Speedy Running Guard

"FLASH" REED

to make little difference, however, who was playing, for the points went in as regularly as before and Nevada succeeded in duplicating her score of the first half and made fifteen points. Of the subs, Ninnis and Foster in the forward positions showed up almost as well as the first string men. Ninnis is unusually fast and although slightly handicapped by his size gets right in amongst them. In addition to some clever work on the floor he found the basket twice for four points. Foster proved to be an aggressive, speedy man, who handles himself well on the floor, gets his passes off well and accurately. Teddy Fairchild also aided the scoring by shooting a pretty basket from out toward center. Heward, Hobbs, Egan and Middleton also got into the game for a few minutes and showed up well. Waite showed his usual sensational form and counted for 12 of Nevada's 30 points. Buckman had an off night on basket shooting but played his position with his usual speed and skill. Williams played a hard game and gave the Pacific guards a lot to worry about. Eddie Reed proved himself a worthy substitute for "Shimmy" and showed more speed than any one on the floor, in addition to this he shot three baskets. Ia was well worth the price of admission alone to watch Bill Martin play his position of standing guard which he did to perfection. His performance in that most difficult position of last resort on the defense, was without a flaw, and was the most perfect seen on any court this year.

For the ministers Hestwood, substituting for Bryant at forward in the second half made two of their three filed baskets, Stevens at center shot one, and Wagner shot seven fouls.

The Line-up

Nevada 30		Pacific 13
Waite	F	Telfer
Williams	F	Bryant
Buckman	C	Stevens
Martin	G	Beecroft
Reed	G	Wagner

Substitutes—
Nevada—Ninnis, Foster, Middleton, forwards; Egan, Hobbs, center; Fairchild, Heward, guards.

Pacific—Hestwood, W. Telfer, forwards.

BLOODY BATTLE TO BE STAGED

(Continued from Page One)

play left field. "Bridget" hails from Virginia City, where he is so well known that there is no need to tell of his prowess. Herb Foster, High School vet of many years and grizzly battles will grab every pop-up that comes his way in right field. "You-Know-Me-Al" Cahlan, Jazz artist and Sagebrush "add", nuisance, is said to shake a wicked foot in center field. "Johnnie" Belford and Lar Rieu are substitute "pinch hitters." Norman Ogilvie and Bogart, official coaches will hold forth on the side line and promise some rare stunts in the coaching line. Pinky Law is official water boy, and that inseparable pair, "Patsey" Malone and "Mike" Davis are the official mascots.

After much cajoling and persuasion, Barney Keating, big league star has consented to umpire the game. Barney is a "Hard" man and he wants it understood that all his decisions are final; no beer bottles, dorniks or Irish ammunition allowed on the field.

Captain "Windy" Johnson of the Phi Delta Tau aggregation on being interviewed gave his line up. "Windy" who will hold forth in left field, is a batting wizard and promises to knock the score board down with his long drives. The Taus go the S. A. E. bunch two better, and have three 'slab artists'; "Horse" Hobbs, Tom Hobbs, and lil' "Eddie" Reed. Each of these three men are there with the "wicked" arm, and not only give the shimmy twist, but the prohibition drag and D. T. shiver to the greasy spheroid. Though pitchers as a rule are poor batsmen, these men are the exception and are heavy backfield drivers. Earl "Woods" Wooster, the other half of the battery will plant himself behind the batter and talk 'em into striking out, one-two-three. First base will be watched over by the other "You-Know-Me-Al" Reed, that agile vet of pre-war days of U. of N. Al is speedy, a hard hitter and a man who can pick 'em out of the air at first. Tom Grant, "The Kansas Wonder" will be present at second base and guarantees that no S. A. E. will get by him, because he carries a hat-pin for use on anyone attempting to slide to his base. Noble Waite, Varsity basket ball man is even better as a stick artist and third baseman than he is on the basket floor. "Long" Tom Buckman at short stop will put the kibosh on all pop-up flies, and will pick 'em right off the bat no matter how hot they come. Besides Windy Johnson in left field the slippery "Shimmy" Bradshaw, and Jack Heward will gambol in the field positions. "Shimmy" and Jack are both big league style sluggers, have good batting eyes and can line the little apple out for several triple-baggers. Hist! Gerry Eden will tote the water buckets and drag the exhausted S. A. E.'s off the field. Substitutes are plentiful. Marshall, Miller, Decker and Harry Duncan all will be eagerly waiting their chance on the side lines, and will do their bit in the coaching box. Pinch hitters are Don Warren and Meldrum. They are heavy bat artists and eager to knock "Smoky" Williams out of the box. Bob Griffith, as manager, will tend to all the financial matters of the team and "Rex" Turner will help Carl Horn's black pooch out in mascotting.

It is rumored that the winner of this bloody contest will play the Phi-Sigs and the winner of that contest will play the Lincoln Hall league veterans. Remember the date, February 15th, Sunday at Mackay Field.

Time, 11 o'clock.
Let her R. I. P.

We get out of life what we put into it.

TEAM TO MEET "MAYROSE HAMS"

(Continued from Page One)

Olympic Club's 145 pound team for a series of two games. This team composed of such shining lights of the court as Red Kemp, Molkenburg and others, have been hitting a stride that has carried them over such teams as Stanford and Santa Clara with ease. They issued a challenge to Nevada and California through the columns of the Sn Francisco Examiner and Corky immediately took them up, and they will probably be with us next week end for two games.

With the news that Stanford defeated California comes the assurance of

The Fitin' H'englishman

"SMOKY" WILLIAMS

the league pennant for Nevada if she wins the next two games, and there is little doubt but that when the smoke of the battle clears away the Silver and Blue will be found waving supreme.

The only other game remaining on the schedule is that with Davis farm, which team has been defeated by both California Varsity, Stanford and St. Ignatius teams so they do not at present look very big. The only team in the Pacific Coast Conference at present to appear with a clean slate of victories is the team from Oregon Aggie; the farmers defeated Washington State who defeated the University of Oregon; California beat Washington both games in their two game series, while Stanford only got an even break. Then the Cardinal five turned around and took the Bears to a cleaning by seven points. As Nevada clearly demonstrated that they were six points better than the Stanford team, they seem to be easily the best College team on the Coast by several points.

—U. N.—

PACIFIC DEBATE TRYOUTS WED.

Tryouts for the Varsity debating team to represent Nevada in the coming verbal battle with College of Pacific, will be held Wednesday, February 18. The question is: Resolved, That the right of workers to bargain collectively through their chosen representatives should be recognized by their employers.

All those intending to try out must hand in their names to Prof. Turner immediately. Each speaker will be allowed 10 minutes.

—U. N.—

FIRST IN LIFE AND DEATH

A pioneer newspaper editor had a reputation for always assuming infallibility and superior enterprise. On one occasion the paper announced the death of William R. Jones, who, it turned out, was not dead. Next day the paper printed the following note: "Yesterday we were the first newspaper to publish the death of William R. Jones. Today we are the first to deny the report. The Morning Stars is always in the lead."—The Continent.

NEVADA'S SCHEDULE

Date	Team	Place
February 14	Mayrose	Reno
February 20	Olympic Club (tentative)	Reno
February 21	Olympic Club (tentative)	Reno
February 27	Los Angeles Blues	Reno
February 28	St. Ignatius	Reno
March 7	Calif. Aggies	Reno

IN SAFE HANDS

"If I sell you a lot in this suburb, you agree to build a house costing not less than twenty thousand dollars?"
"Yes, if that is the rule."
"And I might suggest that my brother is an architect. He'll see that you observe the rule."—Louisville Courier-Journal.

THE MUSIC THAT WAS CHARMING

He—Most girls, I have found, don't appreciate real music.
Second He—Why do you say that?
He—Well, you may pick beautiful strains on a mandolin for an hour, but she won't even look out of the window but just one honk of a horn and—she comes!—London Bightly.
