Sagebrush Varsity Trims Davis Aggies

FIRST COLLEGE GAME OF SEAS ON IS WON BY COURTRIGHT'S PROTEGES BY NARROW MARGIN OF 7 TO 3 AGAINST STRONG CALIFORNIA AGGREGATION—DAVIS SCORE MADE IN FIRST QUARTER BY PLACE KICK

The Silver and Blue warriors earned their first victory in the long fight for first place among the coast football teams when they met and defeated the Davis Farmers last Saturday by the close score of 7 to 3. Both teams seemed equally assured of victory not only before but during the game, but it was for the visitors to realize that their confidence had been misplaced. The game, as the score would indicate, was a hard battle from beginning to end, and it was only by the narrow margin of four points that Nevada finally came out winner, though another touchdown was made in the first quarter by the Varsity which was not allowed by reason of both teams being offside. Several chances for scores were lost by Nevada, on three occasions the ball being well up to the ten yard line but the necessary push coupled with fumbles seemed to be the stumbling block. The Davis team which faced Nevada Saturday was a far different aggregation than that which the Varsity met and decisively defeated last Thanksgiving day with a 56 to 0 score. Better coached, better trained, and composed of many more experienced players.

The Nevada players and supporters were given a rude shock in the first quarter when Davis started out with a whirlwind attack which carried them well up the field and within striking distance of the goal line, before the Sagebrushers were able to check them for good. On the second down the visitors were forced to punt and after being held for downs, began a series of straight plays and end runs which carried them close to Nevada's 30-yard line. Here again they were unable to penetrate the stonewall defense of the Sagebrush men, and having lost their opportunity to score by the aerial route when Grant knocked down an incomplete pass, they resorted to the field goal and with a well executed place kick for 33 yards made the first tally of the day. Nevada still remained on the defensive and repeatedly punted after the first or second down while Davis kept up their hammering attack, and gained consistently with straight football.

It was not until after the second

quarter that the Nevadans hit their old stride and started playing the game as they did last year. Much of the confidence which the Davis team had acquired during the first quarter disappeared when Johnson ran thru the field for a 40-yard gain, Bradshaw and Hammert for 20 yards each, climaxed by Capt. Ed Reed with a buck thru the line for a touchdown and 7 points.

The fourth quarter was practically a repetition of the first with the exception that neither side was able to score or even seriously threaten their opponents' goal, with the exception of the last few minutes of play, when Nevada had bucked the ball all the way up the field to Davis' 8-yard line only to hear the whistle blow for the end of the game with the biggest chance of the game before them.

There was very little of the spectacular in the game, only a few times were the spectators brought to their feet by long gains, though on one or two occasions a run thru a scattered field by Johnson, Bradshaw or Hammert or Reed lifted them up bodily to give vent to their feelings. Nevada's backfield played in good form, their interference was very effective and they worked with splendid teamwork.

The work of Hammert in the backfield aroused probably the most interest of all, appearing for the first time as he did, in the Silver and Blue jersey, he proved himself to be a comer and capable of working effectively with men such as Reed, Johnson, Dunne and Bradshaw.

The visitors were possessed of several mighty speedy backfield men, their halves and fullback especially deserving praise. Their interference was none the less equal to the Varsity, very seldom did they miss their men, and all of them hit hard. In their half back, Bogart, from West Point, they have a very fast man and a clever open field runner. Englebretson, former California star, was mixed up in most of the plays at end and showed he was no novice at the game.

CLEM CAFFREY TO BE YELL LEADER

The first football rally held in the University gym Friday night before the Davis game was not as well attended as it might have been, but those who did show up exercised their lungs a bit for Saturday's game. The speakers of the evening, President Clark, Prof. Charley Haseman, former Dean Knight, "Si" Ross, Brewster Adams, Coach Courtright, Ed Reed gave short talks which were greatly enjoyed by both men and women. Clem Caffrey in the try-outs for yell leader had no competition, in spite of the fact that several men had stated that they intended to try out for this position. The Glee Club from the Reno Chamber of Commerce and the band rendered several selections which were greatly appreciated by all lovers of

CHATFIELD TO BE NEXT OXFORD MAN

Charles Chatfield, senior in the College of Arts and Science at the University was chosen by the Rhodes Scholarship committee of Nevada as the recipient of the next Oxford scholarship, occurring in September, 1921.

Last commencement Chatfield won the Regent's Scholarship, and in his Sophomore year he was the winner of the Alice G. Clark Scholarship.

The Rhodes scholars are judged by a high set of standards set by the American committee. The ideal Rhodes scholar is a good student and a person who has exceptional ability in one line of work rather than one who has average ability in many is given the preference. He must be interested in outdoor life and sports and must be liked and respected by his fellowmen.

Two more men have designed their intentions of becoming candidates for the next election. They are Marc Leduc and Leslie Bruce.

Nevada is privileged to grant two scholarships every three years, the next election will be for 1923.

Stanley Pargellis, one of the present Nevada men at Oxford, has the distinction, according to the American secretary, of being the only American Rhodes scholar to win his oar for work for two consecutive years on the team.

REVISED FIGURES ON REGISTRATION

Registration, which is now practically completed, has reached a figure far in excess of any previous year in the history of the University of Nevada. In the list published in the Sagebrush two weeks ago there was a total enrollment of 418 students of which 265 were men and 153 women. There was at that time 198 Freshmen entered. Figures to date show considerable increase, especially among the Freshmen and special students. The new total is 456 with men still in the majority, 284 being registered against 172 women. Comparing these figures with similar ones a year ago, it is found that the total enrollment this year shows an increase of approximately 125 students over last year. One hundred more men are registered and 25 more women. The Freshmen lists show 80 more Freshmen in attendance. Totals for this year to date follow:

Graduates	9
Seniors	42
Juniors	42
Sophomores	69
Freshmen	215
Specials	60
Unclassified	19
Total	456

Coast Legion Team Promises Good Game

PICKED ELEVEN FROM COMBINED POSTS OF SAN FRANCISCO HAS SEVERAL FORMER COLLEGE STARS IN LINEUP AND IS EXPECTED TO GIVE THE SILVER AND BLUE TEAM A HARD FIGHT TO CARRY OFF LAURELS

Local sport fans will have another opportunity to see the 1920 Nevada Varsity in action next Saturday when they play the All-Star American Legion team from San Francisco, on Mackay Field. While no definite dope appears on the personnel of the team, according to reports and rumors from the bay city, they are a fast lot. The team which will play here Saturday is a picked team from all the combined posts of the American Legion in San Francisco, and considering the fact that there are in those posts a great many experienced players and numerous college stars, among them sev-

back of last year, has also been kept out of the game for some time due to a sprained ankle, but is back in shape again and will be seen going thru the line Saturday. Calwell, a new man here, looks like the real stuff for a line position and will do doubt get a chance to exhibit his style before the game is over. He brings a strong high school record with him and from all appearances seems capable of keeping up the reputation. No definite lineup has been announced as yet for the Varsity, but in all probabilities will be made up about as follows: Heward, center; Buckman and Fairchild, guards; Wright, Fisher, A. Reed and Calwell, tackles; Martin and Ted Fairchild, ends; Bradshaw, quarter; Reed and Johnson, halves; Dunne, fullback.

The game will start promptly at 2:30 p. m., rain or shine, when Referee Hubel of Michigan blows the starting whistle, so everyone should be on hand in plenty of time to get warmed up (Continued on Page 8.)

ELECTION VOTE TOTAL ONLY 172

At the special election held by the A. S. U. N. last Friday only 172 students out of the total enrollment of 450 voted or approximately 40 per cent. The election, held to fill the vacancies in the offices of assistant editor of Sagebrush and junior representative to the executive committee was marked by a general lack of interest on the part of the students. For the office of junior representative, three names were proposed but at the last minute the names of Evelyn Walker and Ed Reed were withdrawn, leaving Noble Waite the sole contender for the office. One hundred and forty votes were cast in his favor. For assistant editor of Sagebrush, four men's names were posted but as in the case of the other office two of these names, those of Jack Ross and Louie Hawkins, were scratched, leaving for this office Gerry Eden and Leslie Bruce. When the final count was made Leslie Bruce had received 121 ballots and Gerry Eden 51, making the total of 172 students voting.

eral former "All-American" men, their aggregation should be one of the hardest kind to defeat. However since the game of last week many of the weak points in the Varsity lineup have been corrected and with the practice they have received this week they should be in splendid trim for the battle.

Heward, star center and pivot man of last year's Varsity, has been out of the game for over a week with a sprained wrist but will no doubt be seen again in his old place against the Soldiers. Heward is a strong man on the defense and his return will be welcomed by all players and rooters as well. "Vince" Dunn, sensational full-

PRESTON'S BAND TO FEATURE SONG

Al Preston and his band expect to start something new at the next football game Saturday between Nevada and the picked team from the American Legion Posts of San Francisco. The words of a late popular and college song are expected to be printed on the programs, and when the band begins these songs it is hoped that the entire student body and in fact everyone in the grandstand will join it. At each game one or more popular song hits will be featured and as this is a novel stunt on the "Hill" it is hoped that it will meet with favor among the students. This week the song "Tripoli" will be featured, and next week the two popular song hits "La Veeda" and "Down the Trail to Home Sweet Home" will be played by Al Preston and his band. Below are given the words of "Tripoli" to be played this week. If you don't know them, learn them, and let's have a big song at the game.

TRIPOLI

Voice—
Open the portals of memory,
Let the old honeymoon glow.
Take me again to old Tripoli;
Bring back the sweet long ago.
Chorus—
Floating on the bay at Tripoli,
Sweetheart, you and I.
Just a little Paradise for two,
'Neath a starlit sky.
Vesper bells were a-ringing,
Choir voices were singing;
While the moon above
Just spoke of love
On the shores of Tripoli.

ABSENCE RULE NOW IN FORCE

Upon request of the Registrar the following excerpt from the University Catalogue, on the subject of unexcused absences is reprinted. This rule is being strictly enforced, and unless unexcused absences are watched one or more negative credits will be given the student at the close of the year.

Absences

1. The business of a student is at the University and the regulations regarding absences should be lived up to cheerfully. Each student is expected to be present at every college exercise for which he is registered.
2. For each total of 17 absences during a semester, or for a total of 26 absences during both semesters, the student will receive one negative credit. For a total of 34 absences during both semesters he will receive two negative credits, and an additional negative credit for each additional 17 absences.
3. In extraordinary cases, such as prolonged illness (of three or more days duration, accompanied by a physician's certificate), quarantine, or absence due to serious illness or death of a member of the immediate family, the University Faculty or Registration committee may exempt a student from the operation of the rule.
4. Absence incurred by reason of University activities may be excused in advance by the Registration committee.
5. Each instructor shall be required to report weekly to the Registrar's office all absences incurred in his classes during the week, or that no absences have been incurred.

U. A. C. GRIDIRON PROSPECTS GOOD

The prospects for a winning team at the Utah Agricultural College are bright according to their paper, "Student Life." In their first workout, held Sept. 17th, the vanguard of their squad, some twenty husky men turned out. Of last year's team, Captain-elect Worley, Louie Falck, "P" Hansen, "Chic" Hart and "Whiskey" Anderson are back. Last year's U. A. C. Frosh team is back almost intact and a wealth of new material has appeared numbering many stars of the large high schools of the state.

U. A. C. has a heavy schedule of seven games, the first one being with O. A. C. at Ogden on October 9. Besides the game with Nevada on November 6th, U. A. C. will play Colorado School of Mines, the Montana and Colorado Aggies, Montana Mines, University of Utah and a practice game at Logan, Utah.

The A. O. O. S. N. S. contrary to an article in last week's edition is a thing of the past but out of the ashes has arisen a more modern form of society that still seeks as did its predecessor to revive the glory of Post Bellum days—those days that could be turned to a rosy hue despite overhanging clouds.

"Eddie Something or Other Club" is the name of the new society that has recently graced or rather disgraced the U.

New members are welcomed—provided they can survive the potent beverage, the far-famed "Eddie's". The aroma of this echo of olden days may be found hovering around the entrance of the tonsorial parlors in our village. The chemist who compounded the stuff intended it primarily for external use not knowing to what heights his fame would reach when it was found an excellent substitute for "Hennessy."

It takes a case hardened "tummy" to withstand the varied ingredient of this powerful stuff. It is said to be composed of 80 per cent alchy, 10 per cent formaldehyde, 2½ violet perfume and 2½ oil of eucalyptus.

DUTCH MAKES A DISCOVERY

For several days, Dutch Metcher had been carefully enforcing a hunger strike on several rangy looking chickens, which he had domiciled in the basement of Lincoln Hall. All went well until one of the well meaning fowls surprised Dutch with an egg (at 10c per). Like a proud father, Dutch rushed into the reading room to receive congratulations. His enthusiasm however was his downfall, for some Frosh, wise in the ways of the farm, concluded that there must have been a chicken in the case. After a careful investigation the fowls were discovered and shortly afterwards serrepitiously pilfered from their cage. Sleuth hounds of the hall are hard at

Ruby Spoon spent the week end at her home in Fallon and upon her return brought Jean Davis with her who is visiting at the hall for a few days.

The parents of several of the girls came to Reno this week to see how their daughters were surviving three weeks of college life. Mr. York spent an evening of last week with his two daughters. Lois Smythe's parents were here for a few days stay and Mrs. Wall dropped in for a visit with Alice.

Bertha Joeger went to Truckee for her week end, returning Sunday evening.

Louise Grubnau as the guest of Mary Margaret Shaughnessy, spent part of the week-end in Carson.

Helen Cordiss spent Saturday and Sunday at her home in Gardnerville.

Evelyn Stock made a flying trip to Virginia City, leaving Reno Friday night and returning Saturday morning. Miss Stock made the trip in order to see her brother before he left for school at Annapolis.

Luella Dilworth is ill and has been sent to the hospital for a few days.

Miss Shade motored to Virginia City Sunday and returned the same evening, accompanied by her mother.

work in the search for the guilty Frosh, but so far no clues have been found. In the meanwhile, Dutch raves, and why shouldn't he? Each day that passes he has visions of some Frosh stealthily boiling the daily egg over a grill in his room, while he goes without the daily fresh egg (at 10c per). Some day, perhaps the Frosh may overlook an eggshell, and Dutch may find the clue. Who knows?

Y. W. C. A. Notes

With the opening of the candy booth in Stewart Hall a desire to linger around the front door has been noticed by all the students. The support given is greatly appreciated by the members of the organization. The money is used wisely and for a good cause.

The "hot-dog" sale at Saturday's game was also a great success. It will be repeated next Saturday with only one improvement. There will be more hot dogs.

The meeting Wednesday was well attended. Miss Helena Shade explained the purpose and aims of Y. W. C. A. and the place it held in college circles in all universities. All the new girls were urged to become members and it is evident that the chapter roll this year will surpass former years.

If the girls attend the meetings on Wednesday afternoons as well as they attend the candy booth, Y. W. C. A. is assured of a successful and profitable year.

Women's League

Last March the Women's League of the University was invited to join the Women's Federated Clubs of Nevada. The invitation was accepted shortly afterward and the campus organization became a part of the Federated Club of Nevada.

Within a few weeks the annual convention of the Federated Clubs will be held at Gardnerville and to that meeting the women will send the first delegates who have ever represented the women of the U. of N. in that capacity. Four girls will be selected to make the trip—girls who are going to take a message from the U. of N. women to the delegates, and who will bring back, in return, the ideas of the women representing every section of Nevada.

FORMER STUDENTS VISIT UNIV. OF NEV.

Several faces of former students were seen on the football field Saturday during the Davis-Nevada game.

Ray Law, former assistant editor of Sagebrush dropped off in Reno long enough to visit the Hill and see the game. Law is on his way to Stanford to study law.

Harold "Pat" O'Brien was another student to stop off long enough to see the game. "Pat" who graduated from U. of N. with the class of '20 and has been connected with the Anaconda Copper company at Butte for some months, but he has severed his connection with the Anaconda and has returned to the Nevada copper districts where he has a position at Ely.

Ellis McCormack, former member of the class of '22 and now attending Davis Farm, came up from Davis to see the game.

SCHOLARSHIP FOR VESTA BRADSHAW

The scholarship committee last spring awarded the Hayward H. Howe scholarship to Miss Mildred Meiss, naming Miss Margaret Black as an alternate. This fall neither Miss Meiss nor Miss Black have returned to the university and the scholarship was therefore declared open. The scholarship committee after a consultation with the school of education have awarded this scholarship to Miss Vesta E. Bradshaw. The Hayward H. Howe Scholarship is one consisting of a \$50 Liberty Bond and given by Miss L. Sybil Howe in memory of her father, Hayward H. Howe, to the worthiest student in the Normal School who plans to continue work at the University in the following year.

COMMUNICATIONS

At the head of this column, beginning with the word 'communications' is a paragraph, which while it is in small type nevertheless is important. Several communications have been received the last week and would have been published, were it not for the fact that they were unsigned. Communications will be published at the discretion of the editorial staff IF they are signed, and not unless they are signed by the writer's name. The writer's name does not necessarily have to appear in print and will be withheld on request, but the signing of a communication is necessary, as an evidence of good faith.

THE BULLETIN BOARD

In Morrill Hall are to be found several bulletin boards, one of which is no doubt well known to every student. The other however, with glass doors, is usually overlooked by the newer students. This board, known as the Registrar's Board, is one that should be noticed by every student as it from time to time contains notices of value to the students and for which they will be held accountable by the Registrar. The old time worn excuse "I didn't see the notice" rarely will be accepted so it is a good plan for everyone to pay at least a little attention to this board.

U. of N.

TELL THE REGISTRAR

On changing their place of residence, students should always make it a point to notify the Registrar of this fact in order that proper change may be made in that office. The Registrar has been put to a great deal of needless trouble in getting in touch with many students who have neglected this matter, and who at different times it has been urgent to see. A little thought and realization of the importance of having the correct address on the university records will save a lot of unnecessary labor and trouble in the office.

With the College Scribes

THE COLLEGE MOSSBACK

There are two outstanding groups of students, those who are progressive and try to do things and those who do nothing and try to hinder the others. In every movement and activity in college the detrimental element is always in evidence ready to stoop to anything to further their own personal and selfish interests or merely to vent their spleen on someone who is trying to do something

for the group or institution. Not only does such a person calmly sit back and offer nothing but adverse criticism but also refuses to help the thing over in the manner in which he wants to have it done and acts as an obstructionist. The few who carry on the various activities have to carry the dead load weight of the indifferent and work against the criticism and influence of those who retard.

These latter never have anything new or better to offer and cannot present constructive ideas. The wise leader gets help of a negative character from these mossbacks but it is discouraging aid. They start to tear down before they build up and do their reasoning backwards by starting with the wrong premises.

Many students are holding themselves and their college back because they are afraid to strive for objects which appear to themselves to be just beyond their ability to attain but which if attempted could be accomplished with ease. The spirit which lets nothing stand in the way of realization of a worthy goal is the spirit which gives life to our college activities. Let's hit hard.

Every student should see that it is to his own advantage and to that of his fellows to advance the interests of this college. The better and stronger it grows the more able it will be to aid him. The field of college activities is open to all.

Let's swing into things and make her hum.

—“Evergreen” Washington State.

GIVE THE PROFESSOR A CHANCE

Those inaccessible persons who fall into that group known by the awe-inspiring title of "faculty," according to rumor, are human beings with feelings, likes and dislikes. Startling as the statement may seem, we believe it to be true. The faculty man likes to be considered just as other people do. He may be an oppressive, tyrannical sort of being, in the eyes of the student body; he may pile up assignments; he may demand volumes of essays and papers from the students in his classes; he may do all the things which class him as an instructor who has no sympathy for his classes, but it is safe to say that if he does all those things he puts more into the heads of his students and does more for them than the instructor who lets the student loaf along at his own convenience.

It has been discovered that outside of the lecture and quiz sections, faculty men are fairly good scouts, as good as may be found in any line of work. They enjoy watching Illinois teams win. They are as much interested in the University as the most enthusiastic student, and a great deal more interested than most students.

But whatever their good points may be they are faculty members and that condemns them. If they can be induced to cut a lecture short because of the noise of books and chairs being slammed about, then it is perfectly legitimate for the class to create a general hubbub five minutes before the end of the hour. If the instructor can be fussed by giggles and laughter, then it is the duty of the student to keep up a steady mumble throughout the class in order to confuse the instructor, and perhaps, cause him to afford genuine amusement for the crowd. It is the right of the student to do anything he can to make the life of the faculty man as unpleasant as possible in the classrooms.

Many of us work on that theory, forgetting that the faculty is made up of human beings who like to be shown respect that is due them. They are working to give the student something worth while, not to make his existence as laborious as possible. Several classes during the last few weeks have done their utmost to show the faculty that college men and women are roughnecks, incapable of showing courtesy and respect to anyone. Give the prof a chance. He can be as good a fellow as the man sitting next to you in class if you will give him the opportunity.

COMMUNICATED

Editor Sagebrush:

As one of the many students registered from California, I have a suggestion to make. Last Saturday at the football game many slams and English that was unbecoming a university student was uttered at the grandstand. For instance, "come on you dirty Californians, yellow bellies, go back with the Japs where you belong." Do you think this is school spirit? I am, and always will be for the U. of N. heart and soul, but a few more embarrassments like the aforesaid, and my loyalty for the U. and fellows will moderate. I am from Northern California and I do not think I would like to go to the U. game at Berkeley and sit among students who will be constantly knocking California people. Let's play the game. California students are with Nevada, sometimes more than Nevada students. —X. Y. Z.

THE BERKELEY TRIP

Probably the greatest interest is being taken in the game with California on October 16 and it seems up to us to support our team and help put one over on the Golden Bear in their own territory.

Anyone who has ever been on a team away from home knows what a thrill it sends through every man to hear the call of their home folks and how it encourages them to do just a little more than their best and to rise up to the heights that Prexy spoke of at the rally. Ask any man on the team what it would mean to him to see and hear a couple of hundred loyal Nevadans on the stands when they face California's team.

The team is there with the very best that Coach Courtright can give them and will put up the game of their lives to wallop California and bring victory back to the University of Nevada. Can we as the student body do less than they—those men who are daily doing what each and every one of us are doing and then in addition are fighting and battling on Mackay Field to bring glory to our U?

Investigation has disclosed the fact that rates cannot be secured from either railroads and the students going to the game will be obliged to pay full fare both ways. However, there is a movement under way to secure a more economical method of transportation.

It is very important that every one who will consider going and who can spare the coin which by the way it is estimated will be about \$15 round trip, send their names in to the Sagebrush immediately.

Think it over Co-eds. Think it over fellows. A few less shows; a few less smokes, a few less party dresses for that Prom. Use the old one, girls. Now's the time to back up your team and show California that the Varsity is not an eleven man team but that Nevada plays the game four hundred strong.

Up on your toes—at 'em Nevada!

Sagebrush Varsity Trims Davis Aggies

(Continued from Page 1.)

Taken altogether, the game was a good exhibition for one of the early contests of the season and showed Nevada fans that they have another Silver and Blue squad this year which will bear as close watching as did the one last year.

The game in detail follows:

Davis won the toss-up and chose to receive. Johnson for Nevada kicked off to the Davis back who caught the ball at the 20 yard line and ran it back 10 yards. Davis made 3 yards over left tackle, and on the next play, punted to Bradshaw who ran the ball back for 5 yards. Grant was stopped at the line with no gain. Grant punted 50 yards to the Davis back who was downed in place. Davis failed to gain, ball on their 30 yard line. Davis made 7 around left end. Davis held for no gain on the fourth down, and ball goes to Nevada. On the first play Bradshaw muffed a bad pass from center, but recovered with a loss of 10 yards. Johnson made 3 over left tackle. Bradshaw advanced the ball 12 yards on an end run. Grant made 2 yards thru the line. Here an argument occurred over the downs, and the ball was finally given to Davis. Davis gained 2 yards over left tackle. The next play threw a scare into the Nevada fans when Bogart, playing right half for Davis, evaded several Varsity men and carried the ball well into Nevada territory on a pretty run around right end for an advance of 20 yards before he was finally stopped by Ed Reed. Davis made 2 yards over left tackle. Davis made 3 around left end and first down. Davis was held for no gain and on the following play gained 4 yards around right end. The next play netted them 8 yards thru center. Davis no gain. Davis pushed thru the line for 2 yards. A forward pass was incomplete, being knocked down by Grant. On the fourth down with 6 yards to go, Davis executed a neat place kick of 33 yards for the first score of the game. Score, Davis 3, Nevada 0.

Davis kicked off to Bradshaw who received the ball under the goal posts and carried it forward 22 yards. Grant then punted to Davis on the 50 yard line and Ted Fairchild stopped the runner before he had made any advance. Davis made 8 off tackle and followed with 5 more thru center. Davis advanced the ball 7 yards thru the line and added 4 more on the next play off tackle. The whistle blew as Davis carried the ball thru the line for 4 yards more. End of first quarter.

Second Quarter

On resuming play in the second quarter Davis made 3 yards on a line buck. Another buck was good for 3 yards. A play over left tackle netted them 2 yards. The Davis back lost a yard when Wright broke thru the line and spilled him. On the next play the same thing happened, when Ted Fairchild playing end caught the man behind the line. The first pass of the game was completed when Bogart threw the pigskin 15 yards to Murphy. Davis lost 4 yards on the next play when their line gave way. Wright took time out and was replaced by Grant at right tackle, Johnson going to full and Hammert taking left half. Davis fumbled and Martin recovered for Nevada. Johnson made 2 yards on a skin tackle play. Davis penalized 5 yards for offside play. Reed gained 4 over left tackle. Johnson boosted

Third Quarter

On resuming play in the third quarter Davis made 3 yards on a line buck. Another buck was good for 3 yards. A play over left tackle netted them 2 yards. The Davis back lost a yard when Wright broke thru the line and spilled him. On the next play the same thing happened, when Ted Fairchild playing end caught the man behind the line. The first pass of the game was completed when Bogart threw the pigskin 15 yards to Murphy. Davis lost 4 yards on the next play when their line gave way. Wright took time out and was replaced by Grant at right tackle, Johnson going to full and Hammert taking left half. Davis fumbled and Martin recovered for Nevada. Johnson made 2 yards on a skin tackle play. Davis penalized 5 yards for offside play. Reed gained 4 over left tackle. Johnson boosted

Fourth Quarter

On the first play Davis punted 45 yards to Nevada, and the ball was touched by a Nevada player with the result that it was anybody's ball. Davis recovered on Nevada's 42 yard line. An end run gained Davis 4 yards. Dunne replaced Johnson at full, Hammert coming out and Johnson going to left half. Davis fumbled and recovered with no gain. A forward pass netted them 5 yards. Davis made 2 around right end but failed to gain on the next play. A line buck was responsible for 2 yards. An attempted forward pass was incomplete, and the ball went to Nevada on the 38 yard line. Reed failed to gain. Johnson

Nevada stock 200 per cent on the next play, when aided by splendid interference, he carried the ball around left end on a cut back play for a gain of 40 yards. He repeated for 3 yards on the following play. Nevada was penalized 5 yards for offside play. Bradshaw went ahead for 7 yards around right end. Johnson added 2 thru the line. With another brilliant end run to the right, Bradshaw advanced the pill 25 yards to the Davis 15 yard line. Reed gained 1 yard thru the line. Johnson added 4 over left tackle. The next play raised Nevada's hopes when Ed Reed dashed thru the line for 8 yards and a touchdown. The enthusiasm was short lived however, as the referee would not allow the touchdown both sides being off side, so the ball was brought back to the 8 yard line. Nevada failed to make first down and the ball went to Davis. Davis gained 4 thru the line, fumbled and recovered again. Davis made 2 over left tackle. Davis held for no gain. The whistle for the end of the first half blew with Davis holding the ball on their 20 yard line. Score, Davis 3, Nevada 0.

Second Half

Davis kicked to Ed Reed who carried the ball back 15 yards. Nevada held for no gain. Johnson advanced the ball 2 yards on left tackle and repeated with 1 yard over the right side. Reed punted 40 yards to the Davis quarter, Wayahn, who was stopped in place by Ted Fairchild. Davis fumbled and Nevada recovered on the Davis 27 yard line. Hammert made 18 yards around right end. Johnson made 2 thru center. Ed Reed then bucked his way thru the line for Nevada's first score. Johnson kicked goal. Score, Nevada 7, Davis 3.

Grant kicked 50 yards to Davis who failed to return the ball, Martin reaching the runner and downing him in place. Davis made 1 yards and followed with 2 thru the line. And end run was good for 4 more. Davis was forced out of bounds with no advance. Ball goes to center of field. A line buck betted 2 yards. And end run added 3 more. Davis punted to Bradshaw who was unable to bring the ball ahead. A bad pass was missed by Reed, who recovered and ran 20 yards to Nevada's 30 yard line. Bradshaw circled right end for a 20 yard gain. Reed made 4 on a skin tackle play and repeated for 2 more thru the same place. Davis penalized 5 yards for offside play. Reed made 5 over left tackle. Johnson advanced the ball 4 thru center and repeated with a gain of 2 yards. Hammert earned 5 around right end, and on the next play fumbled, the ball being recovered by Davis on their 20 yard line. On a wide end run Davis was forced out of bounds after gaining 6 yards. Davis held for no gain. Davis failed to gain again and the whistle announced the end of the third quarter. Score, Nevada 7, Davis 3.

Fourth Quarter

On the first play Davis punted 45 yards to Nevada, and the ball was touched by a Nevada player with the result that it was anybody's ball. Davis recovered on Nevada's 42 yard line. An end run gained Davis 4 yards. Dunne replaced Johnson at full, Hammert coming out and Johnson going to left half. Davis fumbled and recovered with no gain. A forward pass netted them 5 yards. Davis made 2 around right end but failed to gain on the next play. A line buck was responsible for 2 yards. An attempted forward pass was incomplete, and the ball went to Nevada on the 38 yard line. Reed failed to gain. Johnson

CONFERENCE FOR COAST COLLEGES

For the first time in the history of the western states a conference is being held by the women's campus organizations at the State College of Washington. The convention is at Pullman, November 12-13. The University of Nevada has been asked to send delegates to represent the women students and discuss the questions that arise on every campus. Indeed nearly all of the topics mentioned in the invitation have appeared at our own university, among them being:

Women's participation in general elections.

Methods of raising scholarship standards.

The honor point system; its effect and administration.

It is not only advisable but necessary that the U. of N. receive some suggestions concerning the means by which the organization of the whole school may be bettered. It is Nevada's chance to understand the working systems of some of the larger schools of the west.

So many people cannot seem to grasp the fact that Nevada has a going university—that there are people digging for education as well as for gold. It is the women's chance to let people know that Nevada is up and coming—that her university is as modern and splendid as those of the larger states.

It's up to every student to help send delegates who will boost for the University of Nevada. It's the women's means of bringing honor to the University, as football is the men's. And as the men must have financial aid for their enterprises so must the women.

The Women's League is holding a dance Saturday night instead of the usual Block N. It's going to be different from any of the previous dances—it's going to have a motive behind it—a motive that will mean something to every student in the future. But, nevertheless, it is going to be one of the peppiest dances of the year—a chance for everyone to eat lots of fudge, drink lots of punch and have lots of fun. When considering your program for next Saturday just plan: football game in the afternoon, women's league dance in the evening, with the prospect of a wonderful time while aiding a wonderful cause.

CALIF. DEFEATS OLYMPICS 21 TO 0

The following clipping, furnished by Nels Carlsen, was sent up from San Francisco and gives a good account of the California-Olympic Club game. The Olympics are rumored to have a powerful team this year and a little knowledge of their game with California will not hurt Nevada fans to any extent. The report follows:

Once again the Olympic Club went down to defeat, this time to the tune of 21 to 0, at the hands of the University of California Varsity. This score is the largest the club has ever been beaten by since the organization of its American football teams.

The game until the end of the second quarter was a poor spectacle. It was kick, kick, kick—first California and then the Olympics. During these two periods the Olympic Club did all of the attempted carrying of the ball, and it was "Brick" Muller versus the Olympic Club, for "Brick" stopped practically every play during this time.

Toward the end of the second quarter, California started to play a little football, and as a consequence, after a series of line bucks, Morrison went over for a touchdown, after plunging the line for a 20-yard gain. Toomey kicked the goal with ease. The half ended 7 to 0, in favor of California.

The second half furnished some fair football, both California and the Olympic club playing the game as hard as they could. The clubmen made their yards when least needed, that is, in the center of the field they went through for ten and twenty yard gains, but when they needed the yards, the California men blocked them up to a standstill.

And on the other hand, the California team made its yards when needed, and once inside the ten-yard line, nothing could stop them. Morrison, on a center plunge, went through the line eight yards to a touchdown. All during the second half the big hole in the Olympic Club was through center and the guards. Toomey again kicked the goal.

In the last quarter the Olympic Club, in a vain attempt to score, called

UNIVERSITY BAND DESIRES NEW MEMBERS

Al Preston and his band made their initial appearance of the season last Saturday when they played at the Nevada-Davis football game, and furnished some splendid music between halves and periods of time out. The band has made rapid progress since college opened, and though it has had only a short time for organization and practice, made a mighty creditable showing in its debut. The band has long been a feature of Nevada university life, and in years previous to the war, played a very prominent part in student activities.

forward pass after forward pass, most of them were successful, until little Charley Erb, playing quarterback, decided that it was time to intercept one, took the ball on a pass to Mitchell and ran 70 yards to a touchdown through scattered field. Nesbitt kicked the goal.

One of the surprises was the fact that Peterson, the O. C. quarterback, did not get into the game. Glazier played in the quarter position, but Mitchell called the signals from end. California showed that it was still weak in the aerial line, but that is the only department of the game that they were lacking after the game got under way.

"Chaff" Charlton was the whole Olympic Club team on the offensive, the former California lad being called in on every play when the club needed the yards.

The California Freshmen had little trouble beating the University High school team by a score of 48 to 6. It was a slaughter of the innocents. The high school players are very small and compared to the Freshmen they looked like midgets. However, they fought with all their might and their determination gave them a touchdown in the third quarter, when Mahoney, right guard of the high school boys, recovered a fumbled punt and scrambled over the line. The kick failed. As for the Freshmen, it was too much Dunn, Witter and Nichols to be interesting.

Al Preston, director, is an old hand in the musical line, having directed both band and orchestra here for several years past. During the war he served as an ensign on the U. S. S. Oregon and the Oregon band became one of the finest and most popular organizations in the fleet under his direction.

A new feature is to be inaugurated at the Nevada-Legion game Saturday, when it is expected that by aid of words to the popular songs which will be printed on the football programs, everybody will get into the swing and

sing along with the band. Singing at football games with a band accompaniment is much in vogue at the majority of institutions throughout the country and the idea should work out equally as well at Nevada.

There is still plenty of room in the band for experienced players or those wishing to start in learning the game and all students who are interested should make it a point to talk with Al Preston as soon as possible. His office is on the second floor of the Mechanical building.

Tight Atmosphere (At the flower stand.) Her—I just love the smell of violets. Him—Well, then, take a deep breath.

"Why, when I played Hamlet last the audience took fifteen minutes to leave the house," boasted the former actor. "Indeed?" queried the ex-comedian, "was he lame?"

Come on there, you Frosh, snap out of it and put your duds on. What was on? Perhaps the building was on fire or was it an earthquake? We were half-dazed, half-stupid and in this semi-somnambulistic mood we started for our clothes. Oh, what a tangle! I was putting my feet in through my coat-sleeve when slap when the stick. It took only several of these smart whacks to bring me to my original sense, if I had any—as a rule Freshmen don't have any. At any rate we were blindfolded and gently, did I say gently? Well, we were packed down into the reading room. Great guns and little pistols. We didn't have to pinch ourselves to see if we were awake or not. Someone else took care of that part and it didn't take us very long to find out that we really were awake. Our eyes may not have been open, but we were awake. Who was the sage that said that revenge was sweet. Someone would suffer for this. Yon distant bone-yard, with its cold white glittering tombstones, would receive one more soul within its welcome arms if only I could get loose. But it was out of the question just then. We went thru two hours or so of constant torture—it seems years to me. Its memory still burns and stings and I shudder at the thought, but Frosh must not be heard and rarely seen, so I have locked my wrath to be taken out and used on Frosh to come.

Don't forget to make a date for November 16th. There's going to be something doing. You can't miss it. You'll sure have a jolly, jazzy, joyous time and we don't want you to regret it.

Frosh—What the ding-dong you laughing at me for?
Upperclassman—Oh, don't mind me, I often laugh at nothing.

When all the lights burn dimly
And the Frosh are all asleep,
Just turn the door-knob slowly,
And quietly toward them creep.

Then grab the bed-posts tightly—
While they're fast and sound asleep,
And turn their beds o'er quickly
And leave them in a heap.

A mysterious despondency has come over the Frosh of Lincoln Hall. On being asked the cause of this general epidemic of despair, their answer listlessly "I've got the Blues."

Get it?

Don't forget November 6th.

STUDENT RATE FOR N. M. C. CONCERTS

The Nevada Musical Club will give a series of six or seven high class concerts beginning October 19, which no member of the faculty or student body can afford to miss. Students will receive rates on tickets to these concerts, enabling them to buy a ticket for \$3 instead of the regular rate of \$5. Tickets should be bought at once from Prof. Haseman or Miss Diehm in order that no concert will be missed.

DELTA DELTA DELTA

The alliance members of the Delta Delta Sorority entertained the active members at a prettily appointed tea at the home of Mrs. Amos McKinley on last Sunday afternoon. This was the first of a series of similar affairs which are to be held monthly by the Tri Delta Alliance. Those who called during the afternoon were: Mrs. LeRoy Thatcher, Mrs. James Nyswander, Mrs. L. L. Gilcrease, Mrs. Maxon, Mrs. Bernice James, Mrs. Bender and the Misses Mila Coffin, Edith Harris, Fern Wright, Grace Haris, Mildred Bray, Josephine Williams, Mary Raitt, Claire Hofer, Doris de Hart, Alethea Hillhouse, Priscilla Reynolds, Adele Clinton, Eleanor Turley, Julia Callahan, Gertrude Harris, Enola Badger, Arvella Coffin, Rose Mitchell, Editha Brown, Marion Gignoux, Thelma Braun.

BLOCK N

The first Block N dance of the season was held at the University gymnasium last Saturday evening and is to be followed by a number of similar occasions on evenings when the Varsity team plays in Reno. Last Saturday's dance was pronounced by all as one of the liveliest and best enjoyed dances ever given by the organization, and all students are anxiously waiting for the time to pass when the next one will occur. Taits' orchestra furnished splendid music for the affair which was largely attended by faculty, students and townspeople. A number of the members of the Davis team stayed over for the dance and from all reports enjoyed the party immensely.

Miss Ruth Pilkington entertained several of her friends last Sunday afternoon at her home on Thoma street in honor of Miss Tanola Edwards. A very delightful afternoon was spent at the close of which delightful refreshments were served. Those present were: Misses Louise Sullivan, Helen Fuss, Madge Pilkington, Evelyn Walker, Tanola Edwards; Messrs. Clark Simpson, Ed Reed, Don Burke, and Clifford Gould.

NOTICE

Beginning October 1, 1920, the university physician, Dr. Ostroff, will be at his office in the University hospital daily, except Sundays, from 4 to 5 p. m. The half hour period from 5 to 5:30 p. m. has been found insufficient and rather too late for the convenience of the majority of the students.

COLLEGE STAFF MAY HOLD CARDS

Members of the University faculty and staff and members of their families may receive student A. S. U. N. cards at the student rate, entitling them to admission to all football games this season. Season tickets may not be sold, but instead the faculty and staff and members of their immediate families will be issued these tickets if they wish them. The price is \$4.25 and the games will be worth ten times as much to witness. It is hoped that all who can will avail themselves of the chance to get these cards and will not miss a single one of Nevada's football contests.

RENO "Y" PLANS BIG OPEN HOUSE

The Reno Y. M. C. A. is planning another "open house" similar to the one held a year ago at which a royal time was had by all who attended. Matches of all kinds were held, from boxing to wrestling and swimming, mass games and eats were entered into with all sorts of jazz. At the request of General Secretary R. E. Wilson of the Reno "Y", President Clark has appointed Prof. Turner, Prof. Wilcox, Dick Bryan and Ernest Harker as a committee to confer with Secretary Wilson for the purpose of deciding on a proper date for this "Open House" jollification at which all men of the faculty and student body will be welcome.

SANTA CLARA HAS MUCH CONFIDENCE

Never before in the football history of Santa Clara University has there been such a promising lot of new material fighting for places on the varsity. With more than twenty new men out daily, Coach Harmon is confident that the Crimson and White will be well up in the running this year. All of the new men have had experience on high school or college teams and are working hard for berths on the varsity squad.

MOVIES FOR NEXT A. A. E. MEETING

At the next meeting of the A. A. E. it is planned to have besides a talk on some interesting subject, one or more reels of films. It may not be possible to get one of the technical films at the time of this next meeting, October 6, but a film of some kind will be received and a good meeting assured. At the present time 25 members of the A. A. E. from last semester have returned to the University, and 30 new men have signed applications for membership. The A. A. E. has a lot to offer its members, but no member can get more out of it than what he puts in, so it is up to the A. A. E. men to make this year a big one, and by so doing make the Nevada chapter worth while. Any suggestions made to the social committee, (Oliver, Layman, Harvey Luce and Bi'l Carter) on desirable films, subjects for speakers, entertainment or any subject of interest to the A. A. E. will be gratefully received. This year promises big. Let's go!

SAILORS DEFEAT ST. MARY'S SQUAD

In a closely fought battle with St. Mary's last Saturday, Mare Island Sailors scored a touchdown on an off tackle play by their star left half in the first quarter of the game, thereby making the only score of the contest. The Sailors played an open game

while St. Mary's confined her work mainly to line plunges. In the second quarter, St. Mary's had the ball on the Sailors' 10-yard line but failed to get the pigskin across the fatal white line.
