No. 25

## Sparks and Fallon Are Victorious

**RETURNED VARSITY  
CHARACTERIZED AS  
"A FIGHTING TEAM"**

**In Spite of Joe Jinx and Strong  
Oregon Fives; Team Leaves Ex-  
cellent Impression**

A week ago Nevada's basketball warriors returned from their invasion of Oregon defeated but unbroken in spirit. It is perhaps the most disastrous trip that a Nevada basketball team has taken, but notwithstanding its defeats, the Silver and Blue quintet was everywhere hailed for its spirit of fight against odds and for its clean sports-

George Egan, Center

manship. Out of eight games played Nevada was forced to take the short end of the score in each one.

The defeats may be largely attributed to the length of the trip and the large number of successive games played.

The team, after leaving Reno on Wednesday night, spent Thursday in Sacra-

(Continued on Page Two)

## Spectacular Fights Made For Possession of Cups

**Both Reno Teams Reach Finals But Fail to Capture Championship Trophies. Boys Go Down to Defeat Before Team Coached by Bill Martin in Hardest Fought Battle of Tournament. Fallon Girls Live Up to Past Reputation and Again Win Cup From Reno Contenders.**

Another Annual Basketball Tournament has been held in the University Gymnasium, and the basket champions of the State decided by elimination. For four days last week, the teams of the various high schools of the state battled for the honor of taking home the silver cups given to the winners of the tourney, and of being called the "Champs of the State."

Fourteen boys' teams and ten girls' teams were entered as contestants in the tournament. The teams with the shortest distance to come were the Reno and Sparks teams. Las Vegas had the greatest mileage, having traveled over twelve hundred miles in coming to Reno. Every section of the State, from East to West and from North to South was represented in the games played.

The attendance at the tournament was the largest ever seen and, as a result the financial returns made to the teams by the Nevada Interscholastic League were larger than those made last year. A record crowd attended every game, but the largest of all was at the finals on Saturday evening. The gymnasium was packed to capacity with rosters anxious to see what proved to be the most exciting game of the tournament when Sparks defeated Reno and won the championship of the State. The balcony rocked as the excited fans yelled for their favorites.

The games this year were far better than those of last, the scores being closer, and the playing of a higher grade. Last year, many one-sided scores were marked on the official scoresheets, but this year there were only two scores of this type. The style of playing used by the various teams has improved greatly. The Reno boys lost the championship for the first time in a number of years, while the Fallon girls again won the coveted honor. The Reno boys lost in a hard fought game to Sparks, the difference in the score being one point. The score at the end of the second half was tied, and

James Bradshaw, Running Guard

**CAPTAIN OF 1922 VARSITY**

In last week's games with the Olympic Club, Jimmie made his last appearance in the Silver and Blue basketball jersey.

in the five minutes extra play, the Sparks team gained the lead which gave them the championship. The Reno girls were also defeated and the honors again went to Fallon. Miss Damm, who coached the Fallon team last year was the coach of the Reno girls this season, and her team this year made a hard fight for the honors which went to her team last year. The coach of the Fallon team is also a Nevada graduate, Miss Helen Fuss. The Sparks team had a Nevada alumnus as coach in "Wild Bill" Martin.

This year, for the first time, there was held a Junior Tournament; the teams who lost in their first game had a chance to play again and try for the title of Junior Champions of the State. It happened that both the Yerington teams carried off the honor this year.

### FINALS—FOURTH DAY SPARKS-RENO (Boys)

Playing the fastest game of basketball seen on the University floor this season the Sparks High quintet nosed out the Reno contingent by the small margin of one point. After disposing of all contenders for the cup as they stepped up, the two teams met on the final night to decide who was to hold the 1922 high school championship. The ensuing game was one that would do credit to any high school teams in the United States.

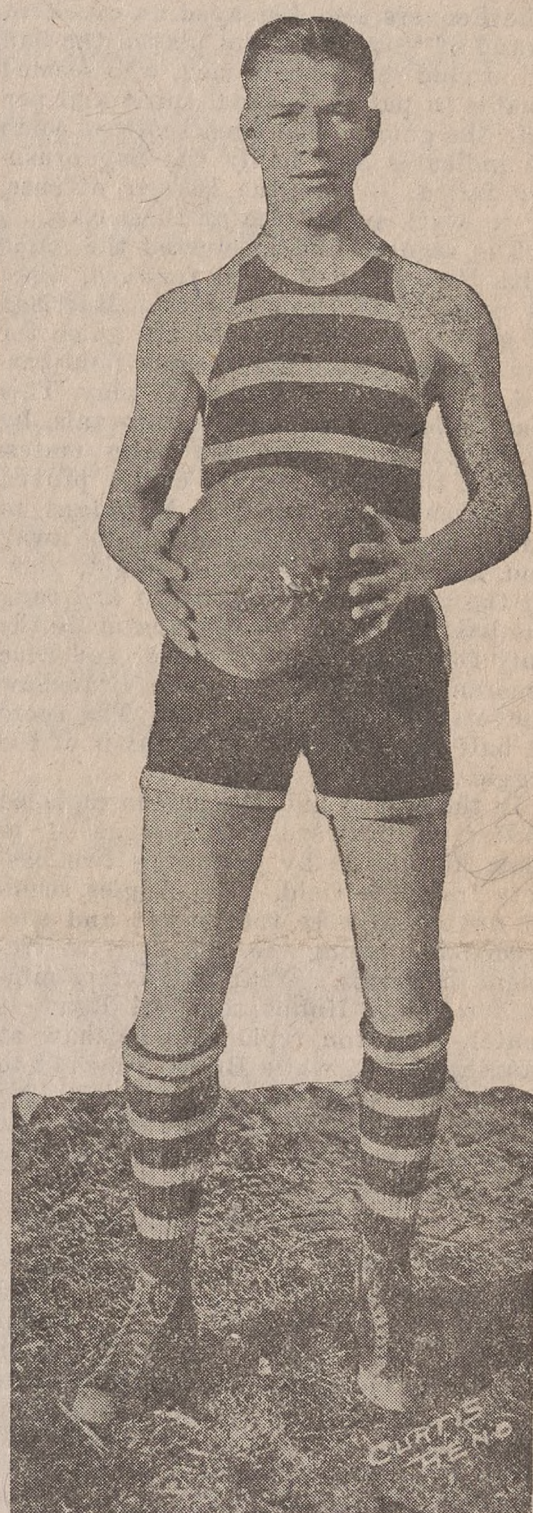

As a starter both teams played the ball up and down the court for several minutes before Buchanan, Reno's diminutive forward plugged the hoop from the corner. With Reno leading, the Sparks boys fought hard and after three more minutes Foote got one from under the basket. The third came after Sparks had missed a shot when Clay heaved a long one from the middle. Clay next missed a free throw and Abbey broke through the defense and counted two after a spectacular dribble down the floor. Clay caged a free

## OLYMPIC CLUB IS TRIMMED IN LAST GAME BY VARSITY

**Nevada Squad Loses to Clubmen  
the First Night by Small Score  
But Clinches Second Game**

After three days of continuous basketball, offered by the various high schools of the State, the Varsity stepped out on the floor and showed the visitors how the game is played at college. The Olympic Club of San Francisco offered the opposition and the

Leslie Harrison, Standing Guard

brand of basketball put out on Friday and Saturday nights has not been equalled by the Varsity this year.

The game Friday night was on the spectacular order, and was one of the fastest games participated in by the 1922 Varsity. Both teams were alert at all times and there was floor work aplenty, with the basket shooting far eclipsing that of all previous games.

(Continued on Page Three)

## DR. DEVINE, EMINENT SOCIOLOGIST AND LECTURER, WILL DELIVER ADDRESS AT UNIVERSITY, MARCH 17

Faculty and student body will have the opportunity Friday morning, March 17, of hearing one of the foremost speakers in the field of social service in this country when Dr. Edward T. Devine addresses the general assembly in the Auditorium of the Education Building. Dr. Devine is widely known through his social work and writings, and his reputation as a lecturer is too well known to need comment.

Dr. Devine has been connected with some very important work along charitable and philanthropic lines, being secretary of the New York Charity Organization Society for sixteen years, secretary and director of the New York School of Philanthropy, and professor of social economy at Columbia University for a period of fourteen years. He holds the Ph.D. degree from Pennsyl-

vania and the LL.D. from Cornell College.

In relief work he has been especially prominent. At the time of the San Francisco earthquake and fire he was sent as a special representative of the American Red Cross to San Francisco where he rendered great assistance to the distressed populace. He performed a similar mission at Dayton, Ohio, at the time of the flood in 1913. In 1916 he acted as special agent of the American embassy at Petrograd, was in Paris during 1917-18 as chief of the Bureau of Refugees and Relief of the American Red Cross, and on numerous other occasions of a like nature. He is the author of "The Principles of Relief," "Misery and Its Causes," "Disabled Soldiers and Sailors," "The Normal Life," and "Social Work."

The lecture topic will be "Labor and the Public Interest." Under this he will deal with:—Slackers, parasites, vagrants, profiteers. Children prematurely at work. The sick and infirm at forced work. Men who cannot find work and those who cannot live on their wages. The incompetent. Labor as a commodity. Exploitation of the workers. Closed and open shop. Schemes for rep-

resentation outside unions.

"The imperative task of today is to satisfy the impulse for creative workmanship through participation in management and ownership. The outcome may be increased production under the existing system, and it may be creative revolution, resulting in new forms of industrial organization.

The Committee on Assemblies and Lectures makes the following statement to the students in announcing the lecture:

"We had a good attendance at the last assembly, but there were many vacant seats. Will you help us fill the room on Friday? The Committee will greatly appreciate your attendance and you will no doubt receive valuable instruction along the lines indicated in the outline headings of the address."

## RETURNED VARSITY CHARACTERIZED AS "A FIGHTING TEAM"

(Continued from Page One)

mento recuperating from the effects of the first stage of its journey. In order that his proteges might have a little practice, Coach Courtright secured a game with the Sacramento High School which was played in the afternoon at the Sacramento Y. M. C. A., the University lads took their smaller and lighter opponents for a large score. Thursday night the team left Sacramento for Davis and took the Shasta Limited there for the North.

One of the interesting incidents of the trip occurred while the team was preparing to leave Sacramento. "Horso" Hobbs and Jimmy Bradshaw went to see a couple of friends following the afternoon melee with the high school team, and arrived at the station just in time to see the train with the rest of the team speeding away. They arose to the occasion, however, and immediately hunted a taxi and made the trip to Davis, arriving just in time to catch the train for the North.

Nevada was forced to play the first game with the Oregon Agricultural College quintet within less than an hour after arriving at Corvallis. The effects of the long trip showed plainly. On the other hand, the Aggies had a large evening, dropping the ball into the net from every conceivable angle on the court. The Beavers also displayed an excellent brand of floor work and played the ball all around the Nevada men, who seemed unable to put their usual spirit and pep into the game. The final score of 44 to 15 indicates how badly the Sagebrushers failed to stop the Beaver offense, or to start an offense of their own.

The regular line-up started the game with Foster and Reed at forward, Egan at center and Bradshaw and Harrison at guard. Stinson opened the game for the Aggies with a spectacular field basket in less than a minute of play. This was followed at regular intervals by other counters from his team mates. Hjelte, the lanky Beaver center proved a difficult man for the Nevadans to guard and time after time broke away and, aided by his immense height, picked the ball off the backboard and rang the basket. Egan for Nevada made the only field goal that the Silver and Blue recorded in this half, while Bradshaw converted four free throws. The score at half time was 28 to 6 in favor of the Aggies.

In the second half Galmarino replaced Foster at forward and proceeded to show his mettle by garnering two baskets from the field. The Aggies seemed unable to miss the basket and succeeded in placing the ball in it at frequent intervals. With but a few minutes to play, Hobbs replaced Egan at center, Seranton replaced Bradshaw at running guard, while Bradshaw went forward in place of Eddie Reed. No further field baskets were made, but Bradshaw succeeded in converting five free throws into points.

Summary:  
Oregon Aggies (44) Nevada (15)  
Stinson (6)..... F..... Reed (2)  
A. Gill (6)..... F..... Foster (2)

Saunders..... S..... Hobbs  
Perry (2)..... S.....  
Eilertson (4)..... S.....  
Referee: Ralph Coleman, O. A. C.

After taking a bad drubbing at the Aggies hands in the first game, Nevada came back in the second and nearly gave the Aggies the surprise of their lives. Fighting every inch of the way, the Nevada team lead until the middle of the second half, only to lose out when the Beavers hit a lucky streak and started dropping the ball in the basket from difficult angles. Nevada scored the first point of the game on a free throw by Bradshaw and added another a few seconds later when the Rabbit converted another. Stinson for Oregon evened the score by dropping a pretty field goal. This was followed by one each by Hjelte and Gill, making the score 6 to 2 in favor of the Beavers. Both teams were playing the fastest kind of ball and Nevada took a brace. The farmers couldn't fathom Bradshaw's dribble and the Rabbit carried the ball the length of the floor and looped the basket for a counter. He repeated the performance a moment later and tied the score. Two fouls by the Aggies gave Nevada two more points. The Beavers came back with another basket again tying the score which Bradshaw again broke by converting another free throw. Another basket by Gill gave the Beavers the edge again. Reed responded to the occasion and looped a long one just as the half ended, the score being 10 to 9 in favor of the Silver and Blue.

Nevada started the second half with a rush, scoring two field baskets before the Aggies got started, giving them a 14 to 9 lead. The Oregon lads got lucky, dropping the ball into the net from seemingly impossible positions and running into the lead easily. None of the points scored by the Aggies in the second half was from a close shot. The lucky streak seemed to take the spirit out of Nevada, and although the Sagebrush lads fought with desperation, the fight lacked the spirit of offense that gave them the lead in the first half. The score at the end of the game stood 27 to 15 with the Beavers on the long end.

Summary:  
Oregon Aggies (27) Nevada (15)

Referee: Ralph Coleman, O. A. C.

Nevada's spirit and clean sportsmanship won the friendship of the students at Corvallis. Even when the Aggies were behind, the spectators accorded the Nevada team a large amount of applause.

Horace Hobbs

It seemed that the Sagebrushers had full as many supporters as the Aggie team. The O. A. C. Barometer, the student publication of the agricultural college aptly summed up the students opinion of the game when it said:

"A scrappy team that fought to the finish," was the sentiment of the student body toward Nevada at the finish of the two games which resulted in their defeat by the Beavers 44 to 15 in the first game and 27 to 15 in the second.

Over confidence on the part of the Aggies and the come back of Nevada, which was so strong that they rushed the Aggies off their feet, threatened defeat for the Beavers until they "pepped" up in the last half and came out on the long end of the score."

Sunday afternoon the Nevada quintet made the forty mile journey from Corvallis to Eugene by automobile and proceeded to rest up for the two game series with the Lemon Yellow quintet of the University of Oregon. Old Man Jinx had been perching on the colors of the Oregon quintet throughout the season but with the coming of the Nevada team he seemed to change his place of abode, taking a fancy to the colors of the Silver and Blue. In both of the games Egan and Hobbs were under the weather and unable to play up to their usual standard.

The first game started with a rush, Referee Coleman calling a foul on Zimmerman on the initial toss-up which Bradshaw converted for Nevada. Andre tied the score with a converted free throw and a moment later Goar dropped in the first field goal of the game from the center of the floor. Zimmerman added another two points by converting a missed free throw into a basket. Nevada came back strong, Reed looping two long ones and Bradshaw a third. The closing minutets of the first half were nip and tuck, the teams being constantly tied. Just before the whistle blew Oregon hooked another long one leaving the score at half time 15 to 12 in favor of the Lemon Yellow.

In the second half Coach Bohler replaced Alstock and Zimmerman with Edlunds and Lathan for the Lemon Yellow five. Nevada threatened to take the lead constantly but always remained one or two points behind, seemingly unable to make the tying score. Bradshaw and Reed were the mainstays for the Nevada team and each connected with several brilliant shots. With Oregon leading by but one point Edlunds dropped in a field goal in the last minute of play and followed with another which cinched the game for the Lemon Yellow, the score at the end of the game standing Nevada 29, Oregon 32.

Summary:  
Oregon (32) Nevada 29  
Andre (10)..... F..... Reed (8)  
Alstock (10)..... F..... Foster (4)  
Zimmerman (2)..... C..... Egan (2)  
Goar (4)..... G..... Bradshaw (12)  
Couch (2)..... G..... Harrison  
Latham (2)..... S..... Hobbs (2)  
Edlunds (10)..... S.....  
Referee: Ralph Coleman O.A.C.

The second game was practically a repetition of the first with the exception that both teams played a better brand of basketball, checking the men more closely and holding the score down. Up until well into the final period of play the game was nip and tuck with the Silver and Blue quintet within striking distance of victory, but inability to connect with the basket at critical moments ruined the Sagebrushers chances of winning.

The first half was close with both teams fighting grimly for the possession

of the ball, and ended with Oregon on top of a 12-10 count. Bradshaw, the diminutive Nevada guard, opened the fireworks with a pretty counter from well behind the foul line. Andre, for Oregon, evened things up a minute later with a field goal which culminated a play that brought the ball out of the Nevadan's territory. With the score at four all Zimmerman got a field goal close in that put Oregon in the lead which they kept throughout the contest.

Eddie Edlunds at forward for the Oregon five had his eye on the basket from the opening whistle and dropped the leather pellet through the net eight times for a total of 16 points. Reed and Bradshaw were again the mainstays for the Silver and Blue quintet. The diminutive "Rabbit" converted five out of eight free throws and annexed two field goals while Forward Ed Reed garnered three baskets from the field. The score after the final whistle stood 24 to 19 in favor of Oregon.

Summary:  
Oregon (24) Nevada (19)  
Edlunds (16)..... F..... Reed (6)  
Andre (4)..... F..... Foster (2)  
Zimmerman (2)..... C..... Egan (2)  
Burnett (2)..... G..... Bradshaw (9)  
Couch..... G..... Harrison

Rockey..... S..... Hobbs  
Referee: Ralph Coleman, O.A.C.

Wednesday the Nevada team journeyed to Salem to meet the five of Willamette University. The jinx which had perched on the colors of the Silver and Blue was again present and the inability of the Sagebrush team to convert short, easy shots into points lost the game for them. Nevada clearly outplayed the Bearecats but could not make the necessary points to give them the game. Again, as in the previous games, Nevada's opponents played their best game of the season and had little difficulty in connecting with the basket from seemingly impossible angles.

Nevada retained possession of the ball the greater part of the time during both halves. The Silver and Blue quintet took the lead early in the first half when Egan netted the first field goal and Bradshaw converted a free throw. Toward the middle of the half, however, the Bearecats forged to the front and at half time the score stood 16 to 11 in their favor.

As usual Nevada came back strong in the second half only to drop back again through the inability to net easy baskets. The game in the second half was faster than the first, both teams covering the floor with lightning speed and with the Bearecats getting the better of the breaks. Galmarino was substituted for Foster in the middle of the half and added four points to Nevada's score by hooking two pretty baskets that brought the crowd to its feet. Hobbs replaced Egan at Center but had not recovered from the effects of his illness and Egan was sent in again. The score at the end of the game stood 30 to 22 in favor of Willamette.

Summary:  
Willamette (30) Nevada (22)  
Gillette (9)..... F..... Reed (2)  
Logan (5)..... F..... Foster (2)  
Doney (4)..... C..... Egan (4)  
Dimock (8)..... G..... Bradshaw (10)  
Patton (4)..... G..... Harrison  
Socolofsky..... S..... Galmarino (4)

of 19-17. Nevada starte dof the first half with a dash, Foster caging the first goal with a pretty shot from the field followed with one by Egan and a free throw by Bradshaw before the Bovers got started. Nevada played rings around their opponents during the first half, nearly doubling the score on them, the court at half time standing 13 to 7 for the Sagebrushers.

The Boxers came back strong in the second half while Nevada slowed down, seemingly unable to move and completely tired by the long trip and many successive games. This was coupled with a sudden tightening up on the part of the referee who called six fouls on Nevada in succession, five of which were converted. With but three minutes to play Pacific tied the score and then forged into the lead on a pretty basket by Herbert. Egan tide the score for Nevada but a basket by Jones gave Pacific the lead again just as the whistle blew.

Friday the team left for Portland with a day's rest in sight for the South Park Athletic Club had cancelled its game for Friday night. Saturday night Nevada met the fast team of the Multnomah Athletic Club in the last northern game, losing by a score of 21 to 17.

The game was unproductive of good basketball, both teams playing poorly. Again it was Nevada's inability to gather baskets at critical periods which largely contributed to the Sagebrushers defeat. The Nevada quintet passed the ball all around the northern team only to lose it in an ineffectual try for a goal. Reed and Egan were high point men for Nevada with six points apiece while Pelouse former Stanford star, was the mainstay of the Oregon team.

Following the game the Silver and Blue entrained for the first lap of the homeward journey, arriving in Davis Monday morning and playing the farmers the same evening. The Aggies had improved considerably since the games played in Reno, while Nevada was tired from the effect of the long trip south. The Sagebrush quintet came out on the short end of a 28 to 25 score. The game was fast throughout and again it was Nevada's inability to shoot easy shots that gave the Farmers the game.

Davis led throughout the first half but Nevada came back strong and took the lead only to lose it in the last minute of play when Davis made two baskets in rapid succession. Galmarino started at forward in place of Foster and was high point man for Nevada with ten points to his credit. Egan followed him closely with eight. Gilchrist at center for Davis was the Aggies star, accumulating a total of ten points.

This ended the most disastrous trip a Nevada basketball team has taken in many years, but even though the boys were defeated, they upheld Nevada's traditional spirit of fight and clean sportsmanship.

### OLYMPIC CLUB IS TRIMMED IN LAST GAME BY VARSITY

(Continued from Page One)  
The game started with the Varsity lining up with Galmarino and Reed, forwards; Egan, center, and Bradshaw and Harrison at the guard positions. Nevada drew first blood when Gal roped a pretty hook shot under the basket. Then Red Lauterwasser, the spectacular little forward of the club team, swished the net from the center and the score was tied. From here on it was nip and tuck with the Varsity never in the ruck and when the first half was over the Wolf Pack was leading the Olympics 12-10.

As soon as the second half opened, the Winged O's came to life and before the Nevada men woke up they had overcome the two point lead and in its place had set up one of their own. Just as Nevada had led all during the first half, the Olympics led in the second. Although they were never in advance by more than two points until the last five minutes they were willing to hold the small margin and make the Sagebrushers fight hard to overcome the advantage. The Nevada men worked like Tartars to accomplish the Herculean task, but when the gun sounded, ending hostilities for the evening, they were still six points in the rear, the O men having raised their total to 28 while the Nevada side of the scoreboard read 22.

On Saturday night the Wolves set out to hand the Winged O men a handsome walloping and succeeded well. Although there was only a difference of six points in the score that six looked like a million. The game was hard fought from the first and it was only after a long hard siege that Nevada was able to hand the Olympics the first defeat they have suffered their season. The Nevada men were playing a brand of unbeatable ball and the Olympic Clubmen were bewildered. Time after time the Wolves scored when it seemed that all scoring pathways were blocked, and when the Winged O men tried to retaliate, they were blocked at every angle. The Nevada offense was smashing and their defense was practically impregnable. Harrison at the standing guard position had an exceedingly fine night and was the bulwark of the defense. Time after time "Spud" broke up plays which were well on their way for a score.

The scoring for the evening opened when Eddie Reed hooked a pretty shot while on the dead run under the basket. The Olympics came back at them when Lauterwasser got away and caged a pretty shot from about three leagues past center. From here on the game tightened up and although the scoring showed little slackening up, the teams had to work hard for their baskets. Boyle for the Winged O men, and Bradshaw, for the Wolves, bore the brunt of

the offensives, and after a long twenty minutes the half ended with the Bay City Clubmen leading 18-14. In the second half the Nevada defense tightened up and the Olympics were only able to increase their total by four points, one field basket and two fouls being the only tallies they were able to chalk up. On the offensive the Wolves were veritable demons and tore through the openings like whirlwinds. Reed caged a long shot from the center at the outset of the half and then the "Rabbit" let loose with a dribbling rush which terminated in a basket. The half was fast and furious and numerous fouls resulted from the pace, nine fouls being called on the two teams, of which eight were personal. Two personals were called on the Nevada team and six personals and one technical on the Winged O men.

The outstanding stars of the evening were Boyle of the Olympics and Harrison and Bradshaw for the Wolves. Boyle, the O men's rangy center, seemed to have his eye glued on the basket and during the course of the evening caged ten of the Olympic's twenty-two. Harrison was easily the star of the evening, his work on the defense being the feature of the game. Bradshaw contributed, besides his numerous spectacular dribbles, eighteen of the total twenty-eight points.

Although the season was not a success, winning the last game from a team of the Olympic's calibre, lessens the disappointment and hopes are high for a more prosperous season next year. Following are the box scores for the two games:

First Game	
Nevada (22)	Olympic Club (28)
Galmarino.....F	Lauterwasser (16)
Reed (10).....F	Gavin (3)
Egan (4).....C	Boyle
Bradshaw (6).....G	Jensen
Harrison.....G	Balasco (2)
Substitutions: Nevada; Foster for Galmarino; Hobbs for Egan; Gibbons (2) for Hobbs; Hug for Bradshaw. Olympic Club; Ladoff (5) for Gavin, Gavin (2) for Boyle; Jensen for Gavin; Larricou for Jensen.	
Second Game	
Nevada (28)	Olympic Club (22)
Reed (4).....F	Lauterwasser (2)
Galmarino (4).....F	Ladoff (8)
Egan.....C	Boyle (10)
Bradshaw (18).....G	Balasco
Harrison.....G	Jensen
Substitutions: Nevada; Foster for Galmarino; Griswold for Egan. Olympic Club; Gavin for Lauterwasser; Jensen for Balasco; Larricou (2) for Jensen; Balasco for Larricou.

### First Senior "Leap Week" Obliterates Famed "Ten Night"

UNIVERSITY OF OREGON, Eugene, Mar. 6.—Senior "leap week" reached a glorious climax Friday night when the senior women of Hendricks Hall, one of the women's dormitories, entertained the men of '22 and their female escorts with a "barroom bust." 'Tis said that the proverbial "ten nights" faded into oblivion in comparison with this affair. Guns and sombreros formed a prominent part of the equipage and

beer with a root in it (Some say the root of evil) was served to the hilarious guests over the bar, a relic of the days of '49. So great was the success of this first senior leap week that it will be adopted as a regular campus tradition.

**A NEW GYMNASIUM**

The need of a new gymnasium has been a long felt want. That the present gymnasium has not the capacity to take care of the expanding interest of a growing student body has been often demonstrated in the past, and particularly was its inability to handle large crowds shown during the recent high school tournament. Saturday night during the finals every available inch of room inside the building was occupied and many were turned away, unable even to find standing room. The balcony was jammed with such a huge crowd that it swayed noticeably with every concerted movement of the spectators. To say the least it was a dangerous situation and one which should not again be allowed to occur. When the present gym was built little stress was evidently laid upon the matter of caring for spectators. Even with the recent addition of a new set of bleachers on the lower floor, practically doubling the seating capacity, the accommodations are totally inadequate for the crowds to be cared for.

The building of a new gymnasium has been advocated by many for several years, but no action has been taken to secure one. It is extremely doubtful whether the state legislature will make an appropriation for such a new building for at least five years, so it is evident that any action taken must come from student sources. Several plans which deserve commendation have been suggested for raising money for a new gym. Other colleges on the Coast have secured funds for gymnasiums and stadiums by some of the plans suggested, the amounts raised, in some cases, running as high as a million dollars. If other colleges can do it, why not Nevada?

**THE HIGH SCHOOL TOURNAMENT**

Saturday night saw the end of the most successful interscholastic basketball tournament in the history of high school athletics in Nevada. More teams were entered in the tournament than in any year previously and a better and faster brand of ball was displayed by the individual teams. The tournament was a great success from every view point. The games were all run off smoothly and on time, not a single hitch occurring to mar the occasion. For this, and for the excellent officiating in the games, the members of the Block "N" Society and the officials of the tournament deserve credit. The teams were well taken care of during their stay and were pleased with the treatment accorded them. The student body upheld its reputation for hospitality and every team was sent home with pleasant memories of its short stay here. It is predicted that next year more teams will be entered and that a further increase in the quality of basketball played will be made. We have greatly enjoyed the tournament this year and look forward with pleasure to those of the future.

**COMMON SENSE TO THE RESCUE**

"Co-ed." What does the word imply to you? A be-spectackled, white-skinned, studiously inclined girl with long skirts and unshorn locks, or the apparition of the newspapers, periodicals, and moralsists? Neither one? Agreed!

There can be no type form for the girl who represents the feminine portion of college attendance. No picture can be drawn of her and honestly called typical. Verily, the average college woman is no more the fantastical product caricatured throughout the country by pen and word than is the average American soldier like the doughboy pictures of war-time posters.

Then why all the abuse you are subjected to? Why all the ridicule you are forced to undergo? Perhaps newspapers, during a momentary dearth of copy, made a casual sally on college women. It touched an idle chord of human interest in an unoccupied moment; perhaps it even brought a reply. The unexpected publicity given a few of you, more radical than your sisters, inspired others to join your ranks. The criticism swelled in proportion to your converts, you answered each fresh outburst, and the reading public sat back to watch the struggle with spicy enjoyment. It reads the endless volumes of small talk on trifling details of a featured royal marriage with equal zest.

It is all small town gossip, unimportant and undeserving of acknowledgment. If it could fall on an iron mask of scorn for a while, it would soon drive out and disappear.

If you really enjoy the freedom of short skirts and hair which can weather the strongest blasts of the four winds without disarrangement, wear it, most assuredly. But if you do it just to appear "in style" or up-to-date, and not for the physical benefits derived therefrom, refrain from it. Console yourself, for the styles will change. They always have. In the meantime live for yourselves, not for other's opinion of you. MERE MAN.

U. of N.

**TRACK**

Now that the basketball season has finished, the attention of some few of the men on the campus is turning toward the cinder path. For a number of years Nevada has not been very successful in this major sport and at present sentiment in favor of a track team is not too high. That track is one of the main intercollegiate sports has long been an established fact. No college of any size or distinction is without a track team. Even though Nevada may not this year or next year be able to put out a winning team (and this is not predicting a losing season, for there is enough good material to turn out a team which will bring credit to the school), a start should be made, looking forward always with future prospects in mind. A track team cannot be developed in one year nor in two, but must be the continued effort of several years of expert coaching and training. Aside from the intercollegiate standpoint, track is one of the most healthful of sports and deserves encouragement, if for no other reason than the good it brings those who participate in it. It is a sport which everyone can enter. It depends largely upon the individual and not upon the entire team as is other sports. Practice for the various events can be held at any time. It is not necessary that everyone be out training at the same hour. A vacant period any time during the day will serve the purpose admirably. Let's put Nevada on the map again in track.

U. of N.

**LIMITING REGISTRATION**

There has been considerable discussion during the past year among the higher officials in college circles regarding the advisability of limiting enrollment in colleges. This step has been advocated by many on the basis that with the large number of students now being handled in colleges it is impossible to set and maintain the high standards of scholarship that have heretofore been prevalent. In addition to this it is stated that many of those who do attend college, and that number is ever increasing, do so largely because a college offers much education in the entertainment line. Attendance at higher institutions of learning has increased many fold in the past decade, and in most institutions the appropriations for their continuance has not kept pace with the increase in registration. This is to be regretted, and it is to this fact, in the main, that the consideration of limitation of registration is perhaps due.

It has been proposed that a strict weeding out of individuals be maintained throughout the four years of a college course. Others have proposed that admission to college be granted only upon passing psychological tests such as are now given to freshmen in most colleges. Still others have advocated the plan of admitting only high school students who have maintained a certain average of scholarship throughout their high school course. Due to the lack of funds and accommodations, Nevada last year inaugurated a plan of limitation to apply mainly to students from other states. Under the circumstances this was the only feasible course open to the University, but to have a general limitation, based on arbitrary standards would defeat the main aims of most schools. Whether a man has shown or is showing ability in scholastic work should not be the basis for any policy of limitation. To raise the standard of education of the nation as a whole it is necessary that as many different types and classes be represented in the higher schools as possible. Instead of limiting enrollment, let us rather put forth additional efforts to secure funds that everyone may have the same advantages that are now being offered.

**CO-EDS AGAIN**

We note with interest that the discussion aroused by the publication in this column a short time ago of an editorial entitled "Co-ed Morals" has proceeded until it is now the basis of one of the momentous questions that have been asked of the Reverend Pendleton of the Federated Church. The Sagebrush is expectantly awaiting his answer. Are they or are they not?

**Headline**

Husband wins verdict when cemetery people lose body of spouse.

Rather a gruesome affair, don't you think?

Said the woolen stocking to the imitation silk, "You can't fool me—I can see through you."

Said the clear silk to the woolen, "I've led a clean life and I've nothing to conceal."

First Mother: "Helen is taking advantage of her college life."

Second mother: "Honor student I suppose?"

Second Mother: "No, three proposals the first semester."

Frosh: "I'm taking Rubia to the dance tomorrow."

Soph: "Better lay off, pardner. Diddy ever see that woman eat? Why she's got hollow legs."

She: "You can consider our engagement broken. Shall I return your letters?"

He: "Suit yourself. I've got that line copyrighted with all foreign rights reserved."

"That Prof. is no good. He doesn't understand his subject and he can't explain \_\_\_\_\_."

"He gave me a condition, too."

Consider the moth. It's a peculiar creature, it eats nothing but holes.

A shekel seizes idea of hospitality is entertaining an idea.

The height of imagination is a member A. O. S. N. standing in front of a department store waiting to take the wax model home.

**"The Last Straw"**

Judge: "So you want a divorce?"

Husband: "Yes."

Judge: "On what grounds?"

Husband: "Cruelty. My wife wakes me up in the middle of the night to roll her cigarettes—I don't mind that—when she sends me downstairs at three a. m. to get a match I don't mind that, but judge, when she sews emery cloth on my pajamas so that she can strike them—Judge I don't like that, I'm ticklish."

Judge: "Divorce granted."

Argument in Lincoln Hall over last weeks gow house menu:

Quill: "I'll bet you five we had tomato soup Wednesday."

Westervelt: "No, it was Thursday."

Quill: "Well hand me my menu and I'll prove it."

Westervelt: "Which pair?"

Quill: "Cords."

Pessimist: "The good die young."

Minister: "I take it that you've lost your daughter?"

Pessimist: "No, my daughter was sickly before she went to college but she has recovered."

It used to be that when one said he saw a good deal of a woman he was in love with her, but now when one sees a good deal of so many of them you never can tell.

Mother: "Yes, poor Jack died of painters' poison."

Friend: "Was he sick long?"

Mother: "No, he had the most peculiar symptoms. One morning I noticed two red scars on his face. Two days later he was dead. Poor boy, he was in love with a co-ed."

The wind blew up the campus And howled in fiendish glee, For it had caught a little maiden Quite unawares you see.

Gee! That's a good one for the Raspberry!

Hoak'em, pok'em, brother soak'em in the Raspberry!

**ENGINEERS' DAY PLAN DISCUSSED AT BIG MEETING**

The meeting of the Engineers last Wednesday evening to discuss Engineers' Day proved to be very successful. Dean Sibley first stated what the committee in charge of the events on the morning of Engineers' day planned to do. He reported that several men have been at work in the Electrical and Mechanical laboratories arranging apparatus and machinery and that the large Corliss engine which runs the A. C. generator would carry the campus load on that day. He also stated that he believed that the exhibits in the different departments would be of as much interest to the down-town people as they would be to the students, and hoped that a large number of town people would take advantage of this opportunity to see the fine equipment of the Engineering Colleges while in actual use.

Hitzeroth and Harker gave accounts of what the Electric and Crucible clubs had planned, and Harker emphasized the fact that the Mining Department had gone to considerable pains to get the mill in operation;—he hoped that every person on the campus would take advantage of this and visit the mill in the School of Mines that morning. He also outlined the plans for the dance in the gym that evening. Lutz gave a general talk on what Engineers' Days in the past had been. The meeting ended with eats and smokes.

U. of N.

**CINDER TRACK NOW BECOMES SCENE OF ATHLETES TRAINING**

With the basketball season past, the attention of the students will be turned to track. Now that the winter is broken and the spring sun shines in all its glory, the cinder path will soon be in such condition that it will be possible for track artists to blossom forth in their abbreviated costumes and breeze around the course.

So far one dual meet has been scheduled and it is possible that a conference meet may be held on the Coast this year to which the University will send a team. The first event of note will be the annual interclass meet that has always been run off on Mackay Day. It is also probable that an inter-fraternity contest will be arranged so as to give the coach an idea of the material at his disposal.

With only three letter men left in school, competition for places on the 1922 team will be keen. Men are needed to fill every position on the team but with the wealth of material on the Hill it should not be difficult to secure them.

Prospective track men will probably be called out for the first practice of the season next Monday provided the track dries sufficiently.

U. of N.

**MANZANITA HALL**

Miss Margaret Mack was ill for a few days of the past week, but is now sufficiently recovered to resume her class work.

Margaret Dangberg left the Hall Monday to live at the Tri Delt house.

Erma Eason spent a part of the past week end at her home in Carson.

Bertha Joeger and Agnes Lawry were visitors in Manzanita for a few days of the past week.

Helen Fuss, coach of the Fallon team, and Anne Underwood, coach of the Gardnerville team, were visitors at the Hall during the High School Tournament.

U. of N.

**All Social Events Called Off on Account of Epidemic of Colds**

OREGON AGRICULTURAL COLLEGE, Mar. 5.—All social events for last week-end at O. A. C. were called off by college authorities. This action was taken as a precautionary measure against the epidemic of colds which has struck the campus, but which is now well under control.

**BASEBALL TO BE PLAYED ON HILL**

Although baseball is not a major sport at the University of Nevada, intramural games have always been a feature of the spring term. This year plans are in progress for a more extensive tournament than ever before.

Under the direction of Coach Court-right, the series will be played according to rules similar to those in the major leagues. There will be eight teams entered, one from each of the six fraternities, one from Lincoln Hall, and one representing the Independents. Each team will play seven games, meeting every other team once, making a total of twenty-eight games played in all.

The results at the end of each game will be figured out on the percentage basis in the same manner as is done in the big leagues. The games will start on or about the fifteenth of this month, weather permitting, and will continue on through April. One game will be played every Wednesday afternoon, two every Saturday, and one every Sunday morning.

All bats and gloves are to be furnished by the organizations themselves, excepting the catchers paraphernalia, which will be provided by the A. S. U. N.

Beginning with local games, it may be possible to stir up enough enthusiasm within a year or so to again rate baseball as a major sport at the University and play games with the coast colleges.

**COLLEGES PROPOSE A NEW CONFERENCE**

While nothing definite has been done in regard to re-organization of a conference between the smaller universities, it is rumored that a tentative scheme is on foot to re-establish such a conference. Previous to the war, a number of the coast schools and the University of Nevada were banded together for the purpose of promoting spring track activities.

Track work as the major spring sport and each year a six cornered meet was held on the coast, at which the U. of N. was always represented.

Now that athletics have settled down to pre-war basis it is proposed to revive the conference between the smaller institutions including fall activities in addition to spring sports. A meeting will be held soon to consider the proposed organization.

U. of N.  
**EPISCOPAL CHAPEL TO BE BUILT SOON**

The beginning of spring will see work begun on excavation for the new Episcopal Student Chapel. A large lot on the corner of University Avenue and Seventh Street has recently been purchased by the Episcopal Church of this city. The present plan is to excavate a dugout with hardwood floors, a stage, and kitchen facilities, and to cover this with a roof. At such time as the new Episcopal Cathedral shall be built, the old Episcopal Church will be moved and placed over the temporary hut, thus giving a structure with a chapel upstairs, and a social hall downstairs.

The proposition is being financed by the National Board of the Episcopal Church, and money has already been appropriated to this diocese.

The government of this Student Chapel will be in the hands of the Nevada Trinity Club, composed of Episcopal students in the University.

**SOCIETY**

**GAMMA PHI BETA**

Last Monday evening, the pledges and members of Gamma Phi Beta Sorority held their regular monthly social night at the home of Vera Smith, 214 Stewart Street. A pleasant evening was spent at the close of which a buffet supper was served to the following members: Georgie Money, Verda Luce, Letitia Sawle, Marcelline Kenny, Norma Brown, June Harriman, Laura Shurtliff, Erma Eason, Hortense Haughney, Clem Shurtliff, Vera Smith, Anna Brown, Lulu Hawkins, Georgiana Steiner, Doris Kane, Zelma Kitzmeyer, and pledges, Jean Davis, Rae Griswold, Gladys Douglass, Lucille Blake, Madge Shoemaker, Madge Worthington, Anna Maud Stern, Francis Yerington, Margaret Griffin and Ethel Steinheimer.

**KAPPA LAMBDA**

Last Monday evening Kappa Lambda fraternity was entertained with an informal party at the Pressel home on Mill Street. The hostesses were Mrs. Fred and Mrs. Willis Pressel. Those present to enjoy the refreshments served were: Quill, Westervelt, Walsh, Zeni, Coates, Pressel, Ahlers, Kinsella, Koehler, Robinson, Elges, Peck, Wittwer, Smith, Holt, Philbin and Horn.

**PI BETA PHI**

Saturday night, March 4, the members of Phi Beta Phi gave a luncheon at the Grand Cafe in honor of visiting Pi Phi's, the Misses Ruth Billingham, Isabel Slaven and Bertha Joeger.

Members and guests present included: the Misses Ruth Billingham, Isabel Slavin, Bertha Joeger, Delle Boyd, Erma Hoskins, Marie Grubnau, Bertha Blattner, Miriam Fike, Marie Lamon, Marguerite Patterson, Merle LeMaire, Marjorie Stauffer, Helen Robinson, Genevieve Morgan, Eleanor Harrington, Eleanor Siebert, Ruth Wilson, Alice Norcross, Grace Burnett, Kathryn Clark and Dorothy Williams.

**Does your P. M. schedule read like this?**

If your burning ambition is to excel as an all-around society man, you couldn't have planned your evenings better. Such persistence will win out over the indolence of the rank and file, for as the poet says,

"The heights by great men reached and kept  
Were not attained by sudden flight,  
But they while their companions slept  
Were toiling upward in the night."

But if you intend to make your mark in engineering or business, don't expect that supremacy on the waxed floor will help when you start hunting a job.

Not that you need swing to the other extreme as a "grind" or a hermit. Let's concede it is all right to minor in sociabilities—but certainly it is only common sense to major in the math and sciences and English that will mean bread and butter to you later on.

Remember this—the harder you work right now in getting a grip on fundamentals, the easier things will come to you when you must solve still bigger problems. And if you take it easy now—well, look out for the law of compensation.

It's up to you. While you've got the chance, seize it, dig in, plug hard. It will pay—in cold cash.

Published in the interest of Electrical Development by an Institution that will be helped by whatever helps the Industry.

# Sparks Boys and Fallon Girls Win From Reno Teams in Finals

(Continued from Page One)  
 throw and Buchanan caged another from the far corner. It looked as if the Railroaders were beaten, but they took a brace and immediately Abbey swished the net from the foul ring; then Foote got one and put Sparks in the lead. With but two minutes to go for the first half, Harrison got away and hooked one under the basket. The gun sounded after this one, leaving Reno in the lead 9-8.

At the beginning of the second half Clay got a shot from near the middle and Reno's total increased. Then Kistler shot a foul and the game tightened. Abbey broke through the defense again and hooped a pretty shot from near the side lines, tying the score. Buchanan caged one and Foote retaliated. Kistler shot another foul and Sparks was leading. Buchanan got one under the basket and Reno led. Next Abbey, after a fast dribble down the floor hooped a pretty basket giving the Sparks boys the lead. With but seconds to go Clay got a foul and tied the score. The gun sounded at fifteen all. Five minutes extra was the verdict and the two teams lined up again to fight it out. This extra period was the fastest bit of basketball seen on the old gym floor this season.

At the beginning of the overtime Kistler shot a foul and the Sparks lads were leading. He got two more tries at the basket from the free throw line and converted both. With time half gone, Harrison got a pretty one from the side lines, leaving Sparks in the lead with one point which the Reno boys failed to overcome. With thirty seconds to go Abbey broke through with a dribbling rush but failed to convert. Buchanan and Clay tried long shots from near the center but both went wild of their mark and the gun sounded giving the Sparks boys the championship of the State for 1922 and ending the fastest game witnessed by the home town fans since the memorable Los Angeles Blues games last season.

The Gym was so crowded all during the tourney that at times it was necessary to turn away fans at the door. On the night of the finals such a large crowd gathered at the door that some of the late comers were forced to stand outside and wait during the entire evening.

On the inside the people were packed from floor to rafters and the bleachers were jammed to hold the large crowd. Upstairs they were three deep and the more active one climbed out on the rafters that they might see the game in peace. It was a great night and everyone was perfectly satisfied. One dollar was a small sum to pay to see such games.

**FALLON 24, RENO 11**  
(Girls)

On Saturday afternoon Fallon met Reno to decide the girls' championship

of the State. Although the Reno girls were defeated, they put up a great fight and were only put away because of the superior shooting of the Fallon forwards. Had Ruth Foster, the Reno forward, been anywhere near up to form it would have been a different story. Heretofore, it was she who pulled the Reno contingent out of some tight holes but on this occasion she lost her skill and the Red and Blue went down to defeat. It was just a story of the best team winning, the Fallon outfit outplaying the Reno sextet at every angle of the game; they were better shots and better floor generals.

The game opened with Mills of Fallon heaving a basket from the sidelines; Davies repeated under the basket. Alexander, of Reno caged one; then Foster hit the hoop for a foul. Mills caged another and the quarter ended with the Fallon girls leading.

In the second quarter the Fallon girls stepped out and ran up a lead, then rested while the Reno girls caught up. The playing of the two Fallon forwards in this quarter opened the eyes of the fans. Davies caged two baskets and three fouls while Mills was the "feeder" for her running mate. Foster was unable to hit the basket during the entire second quarter and Alexander was guarded so closely that she was only able to make one. The half ended with Fallon leading 13-9.

In the third quarter the Fallon forwards went wild and piled up a big margin while the Reno girls did well to score. The guarding of Fallon was the feature of the quarter, the two Reno forwards making only one piece. Mills got one in this quarter while Davies got two and a foul.

In the last quarter, the Fallon forwards had little to do as the ball was in the center of the court most of the time. Rarely did the ball get past the center and when it got down to the Fallon end it resulted in a basket. Davies and Mills each caged one in this quarter; the best the Reno forwards could do was one—one point basket apiece. The game ended with the score 24-11 in Fallon's favor.

**SEMI-FINALS—THIRD DAY**  
**SPARKS 30, CARSON 16.**  
(Boys)

The boys from the railroad town defeated the boys from Carson in the semi-finals. The game started with Downey of Sparks making a long field goal. During the first few minutes of play neither side had an advantage. Abbey, the running guard of the Sparks quintet, showed exceptional floor work. The first half ended with a score of sixteen to six in favor of the Sparks boys.

The second half was harder fought the points being fourteen for Sparks and ten for Carson. The game was marked by a large number of personal

fouls. Downey made two field goals, Abbey made four and Foote made three. The rest of their points were on free throws made by Kistler. Christenson, Sally, and Vidovitch made the points for the Carson team.

The lineup of the Carson five was Schultz and Vidovitch, forwards; Christensen, center; Vorhees and Lammon guards; Sally and Grier subs.

The following was the Sparks lineup: Downey and Foote forwards; Kistler center; Abbey and Cunningham, guards; Caldwell and Farrar, subs.

**RENO 29, TONOPAH 24**  
(Boys)

The hardest fought game of the semi-finals was the match between the boys from Tonopah and the Reno Hi five. The game started with Spina of Reno fouling, and Byrne missing a goal for the boys from the southern town. Wenzel of Tonopah fouled and Clay failed to convert. A personal on Clay, and Byrne scored for Tonopah. This was followed quickly by a field goal by the star forward of the visiting team. Fast ball was played during the next few minutes, with both teams fouling frequently, and failing to make their free throws. The playing of the speedy forward from Tonopah was spectacular; time after time, he would take the ball through the defense of the Reno team, and make a pretty try for the basket. He came dangerously close to scoring many times, but the ball would roll off the basket into the players' hands instead of giving a score.

This was the most interesting game of the tournament and the Tonopah boys played the Renoites off their feet at all times. The game was more spectacular than the final, both teams fighting hard for the lead, and once gaining it, fighting to keep it. The score was often tied.

The passing of boys from the mining town surpassed that of any other five in the tournament all of the players knowing where to find a man when he was ready to pass. Throughout the game, the ball was fed to Byrne who tried many times for baskets. In the last five minutes, Reno's horseshoe showed up, and by long shots, they secured a lead of nine points. The work of Tonopah's running guard, Anderson, and his passing to Byrne was outstanding. Byrne and Humphrey of Tonopah both scored. In the last thirty seconds of play, Byrne dribbled the length of the floor and made a basket. When the pistol went off, the score was 29-24 in favor of the Reno team. The Tonopah lineup was Byrne and Humphrey, forwards;

Henderson, center; Anderson and Wenzel, guards.

The Reno lineup was Harrison and Buchanan, forwards; Clay, center; Lohlein and Spina, guards.

**RENO 25, WINNEMUCCA 5**  
(Girls)

The first game of the semi-finals was between the girls' teams of Winnemucca and Reno, the latter team winning the right to play in the finals by defeating the girls from Winnemucca.

The game started with Reno scoring first on a free throw by Foster. For some time, the ball travelled from one end of the court to the other in rapid succession. Guthrie scored first for the Winnemucca team on a free throw, the Reno foul being called on Wagner. The Humboldt girls seemed a trifle nervous but soon settled down and made a game but losing fight. "Speed" Poulin was taken out of the game due to a slight injury and was replaced by Kranz. Guthrie, the diminutive forward, had hard luck in the first half and missed a large number of free throws, and of those she made, some

did not count because of stepping over the line. The score at half time was 10-1 in favor of the Reno girls.

In the second half, the Reno team opened up with a faster game, making fifteen points in this half to Winnemucca's four. The Reno centers, although a trifle smaller than the visiting centers, were faster. The final score of this game was 25-15 in favor of the Reno girls.

The Winnemucca line-up was Guthrie and Weber, forwards; Otis and Arendt, centers; Richardson and Poulin, guards; Kranz and Summerfield subs.

The Reno line-up was Foster and Alexander, forwards; Campbell and Humphrey, centers; Mitchell and Wagner, guards.

**FALLON 33, GARDNERVILLE 19**  
(Girls)

The Fallon girls won the right to play in the finals of the tournament by defeating the Gardnerville girls in a hard fought game in the semi's.

The game started with two of the strongest teams in the State matched

# Teams Make Spectacular Fights For Possession of Silver Cups

(Continued from Page Six)

against each other. The ball passed from one end of the court to the other in the first few minutes of play, and then both teams settled down to playing ball. The guards of both teams played hard and were responsible for the close score at the end of the first quarter, 5-5, and at the end of the first half, 11-9. In the second half the Fallon forwards hit their real stride and rolled up the points for their team, scoring twice as many in this half, as they did in the first. The Gardnerville girls scored one point more in this half than in the first. The one hand shooting of Mills, the star Fallon forward, was good. These two teams proved to be the most equally matched of all the girls' teams in the tournament. The final score was Fallon, 33; Gardnerville, 19.

The coaches of both of these teams are graduates of Nevada, being members of the same class; Helen Fuss is the Fallon coach, Anne Underwood, the Douglas coach.

The Fallon line-up was Mills and Davies, forwards; Morgan and Nelson, centers; Travis and Dempsey, guards; Van Drillon, Sub.

The Douglas line-up was Springmeyer and Lampe, forwards; Currie and Brockliss, centers; Hansen, Imelli and Jepson, guards.

## SECOND DAY FALLON-YERINGTON (Girls)

This game proved to be one of the most interesting of the girls' series. Two strong teams were contending, and the outcome was doubtful.

The first half was played with top notch speed, and very few personal fouls were called. At the end of the first half the score was doubled in Fallon's favor, 6 to 12.

The second half was just as hard fought, but try as she might, Yerington could not make up the lead the Fallon girls had gained. Fallon succeeded in tallying three more over her previous lead. The score ended with Fallon leading, 29 to 20.

## FALLON-TONOPAH (Boys)

This was the big surprise of the day, and if any team proved to be a "dark horse" it was Tonopah when she succeeded in taking the Fallon boys into camp with a merry score. Tonopah's showing the day before against Winnemucca had not been startling. On the other hand the Fallon boys were bigger, and had shown up very well the day before. The game opened with all the hopes in Fallon, and the thought that Tonopah would certainly be eliminated.

Then began one of the fastest and most interesting games of the tournament. The Tonopah quintet proved to be a regular flash on the floor, and they swept the Fallon boys off their feet. Earl Byrnes proved the sensation of the game. His agility and speed, combined with his basket shooting made him an invaluable asset to the Tonopah team.

## WINNEMUCCA 21; CARSON 7 (Girls)

The Winnemucca girls, by defeating the Carson team, won the right to play in the semi-finals. Both teams were fighting hard to win in the first half, and it looked as though a Winnemucca victory was doubtful. However, in the second half the Winnemucca girls found their stride and the difference in the score widened as they found the basket. The Carson guards played a very good game, breaking up the teamwork of the Humboldt girls many times. There were a number of fouls, mostly technical, called on both teams in the first half. Weber, the Winnemucca forward, made one free throw out of seven

tries. Johnson, a Carson forward, started for the girls from the Capitol City.

The line-up of the Winnemucca girls was Guthrie and Weber forwards; Otis and Arendt, centers; Poulin, Richardson and Summerfield, guards.

The Carson line-up was Kitzmeyer and Johnson, forwards; Fothergill and Smith, centers; Imelli and Shaw guards.

## CARSON-LOVELOCK (Boys)

Carson and Lovelock met on the second day of the tournament. The Carson boys were able to nose out the Lovelock basket tossers by the small margin of five points.

The game was a fight from the beginning, the teams being very evenly matched. The game seesawed back and forth until at the end of the first half the score stood eight all.

In the second half, the Carson defense tightened and the Lovelock boys were able to penetrate it only twice for baskets. The Carson offense started out with a rush; soon they were in the lead and never relinquished it until the end of the game.

The stars of the game were Shultz of Carson and Kofod, the Lovelock center. The former is a fast man on the floor and a very speedy dribbler. He has a good eye for the basket and shoots easily from a dribble. Kofod was a valuable man to his team and was responsible for a large number of points.

## GARDNERVILLE 56, WELLS 4 (Girls)

In the Wells-Gardnerville game the girls from the Douglas County High had an easy time of it, and the only reason the score wasn't larger was because the Gardnerville girls grew tired of putting the ball in the basket and during the entire last quarter loafed on the job. It was just a case of getting the ball down to the forwards.

The two Gardnerville forwards played a spectacular game and it was nip and tuck for high point honors between Miss Lampe and Miss Springmeyer, the former scoring twenty-one and the latter thirty-five. The Wells guards could not keep up with the Gardnerville forwards and all around the Gardnerville women had an easy time of it.

During the entire game the Wells girls did not score a field basket; their

entire four points was the result of fouls. The work of the two forwards of the Gardnerville team provided the chief interest of the game.

## RENO 29, VIRGINIA CITY 4 (Girls)

Virginia City drew a bye the first day, and met the Renoites the second day. The Reno center was much taller than the Virginia center and had no trouble in getting the tip-off; this accounted for many of Reno's points. After the ball got in Reno's territory the Virginia City girls worked very hard to get it back, but the odds were too many. Final score 29 to 4.

## RENO 21, ELKO 9 (Boys)

In the Reno-Elko game the Renoites were going like whirlwinds and dispos-

## Tourney Ends With Presentation Of Silver Cups to Winning Teams

(Continued from Page Seven)  
ed of the entry from the Elko school with little difficulty. They shot seemingly impossible baskets and the score mounted at every turn.

Although outplayed, the Elko contingent showed flashes of form which, if played during the entire game, would have given Reno a hard run. Bill Goodale, playing running guard for the Elkoites, was their one and only salvation, making Elko's entire nine points, consisting of one field basket and the rest fouls. On the Reno team, the stars were Clay and Harrison; these two lads were the only ones who could hit the hoop. Clay converted three field and seven foul baskets while Harrison hit the hoop for four field baskets. Clay is a wonder on the long shots caging a number from near the center. Harrison works the ball in under the basket in fine style. His basket shooting was exceptionally good in this game.

The score at the end of the first half was Reno 9, Elko 6. At the beginning of the second half, the Reno lads woke up and started to pile up the points until at the end of the game they were leading 21-9.

### SPARKS 19, LAS VEGAS 11 (Boys)

Sparks won her second game in the tournament when she defeated the team from Las Vegas by a 19-11 score. The railroad boys early took the lead and held it throughout the game. Kistler of Sparks showed good form in throwing field goals in this game, making eleven out of the thirteen tries for basket. Sparks made four field baskets to three for Las Vegas.

Although at times the boys from the southern part of the state showed bursts of speed and played a good passing game, Sparks exhibited better floor work of the two.

The Sparks line-up was Foote and Downey, forwards; Kistler, center; Cunningham and Abbey, guards; Caldwell, sub.

The line-up of the boys from the south was Knickerbocker and Nobilett, forwards; Leavett, center; Seare and Pulcifer, guards; Anderson, sub.

### FIRST DAY

### ELKO 27, BATTLE MOUNTAIN 8 (Boys)

The clever floor work of the Elko five won the game for them, and they were also more successful in finding the basket. Battle Mountain kept up the fight until the last whistle, and they deserve very much credit, due to the fact that they had about every man registered in high school on the gym floor.

Critchley of Elko did the heaviest scoring in the game, caging about half of the baskets made; Belaustegui, guard on the Battle Mountain team, starred for his quintet.

### TONOPAH 8, WINNEMUCCA 7 (Boys)

The teams were evenly matched and a speedy game was the result. Neither one of them had played much ball during the season, although Tonopah had met defeat by narrow margins in Yerington and Carson while coming to the tournament. They were about evenly matched in weight, and the game was a regular whirlwind from start to finish. The ball went up and down, but neither team could locate the basket. At the end of the first half, which ended in Tonopah's favor, the score was 8 to 4; Tonopah failed to make any points in the second half.

### CARSON 36, GARDNERVILLE 9 (Boys)

The Gardnerville boys lost their game in the preliminaries of the basketball tournament to the quintet from Carson City by a score of 36-9. The game started with a rush but soon settled down with Carson gaining rapidly on the Douglas team. Schultz, one of the Carson forwards, starred in the game, making a total of nine field goals. Christensen, the big center from Carson, did not show up in this game due to the fact that he was sick and was saving himself as much as possible.

The star of the game for the Gardnerville team was Dettling, a forward. Many times he took the pill down the

floor for the Douglas team. This game had the least number of fouls of any of the games played in the tournament. Brockliss of Gardnerville had three personal fouls checked against his name. Every member of the Carson team scored, while only two members of the Douglas team made points. The score at half time was 14-4 in favor of Carson and 36-9 at the end of the game.

The Carson line-up was Schultz, McKenie and Peters, forwards; Christensen, center; Vorhees and Vidovitch, guards.

### FALLON-WELLS (Boys)

This game resulted in a one-sided victory for Fallon. The Fallon boys outweighed their adversaries and this, combined with other advantages allowed them to run in three substitutes in the second half. The Wells team was composed of the entire six men registered in the school.

### RENO-VIRGINIA CITY (Boys)

The game was fast from the first, with Reno always in the lead. Virginia could not strike their best pace, and seemed unable to stop the Reno hoopsters from caging the ball. The passing of the Virginia team was very good, but their weak point was in penetrating the Reno defense for a score. The heavy fouling was registered against Reno, and Randall of Virginia converted seven free throws.

Clay and Buchanan were the heavy point makers for the Renotes, their basket shooting being exceptional. They were the first players of the day who had really found the basket. Randall of Virginia succeeded in tallying eleven points to his favor, which constituted the total of Virginia's score. Kemper, also of Virginia, worked very well with Randall.

### SPARKS-YERINGTON (Boys)

True to the prediction of the dopsters Sparks proved to be one of the best teams registered in the tournament, and it was with very little trouble that it won from the Yerington team, although the five from Pizen Switch was a good one. The Boiler Makers' team work was good and they had no trouble in finding the basket.

### RENO-TONOPAH (Girls)

The Reno-Tonopah girls' game was the first of the tournament, and resulted in favor of the former. Every one was surprised by the way Tonopah held Reno in the first part of the game; the first half ended with the Reno girls leading with a score of 4 to 1.

The second half was far faster than the first, and the Reno girls played excellent basketball. Tonopah's hopes soon vanished fast as they could not score on the Reno girls. The Tonopah guards proved exceptionally good at their positions, and managed to keep the score down. The final whistle told the story of 15 to 1 in Reno's favor.

### SPARKS-GARDNERVILLE (Girls)

The Sparks team started off with a jump and scored the first few points, but true to dope, the Gardnerville team came back strong carrying the first half by a score of 10 to 6. Throughout this half they were hotly pressed by the Sparks girls who showed up surprisingly well. The second half was one-sided and the Gardnerville girls succeeded in piling up a score of 22 to 8.

### JUNIOR TOURNAMENT

### WINNEMUCCA 27, WELLS 21 (Boys)

Though this was the first game of the Friday morning series, it was well attended and the fighting basketballers put up a real thriller. For thirty minutes the ball passed back and forth about the court, dropping now and then within the basket. Legarza starred for Winnemucca at forward, while Nuttal, the Well's center, was the nucleus of his team.

### CARSON 10, YERINGTON 21 (Girls)

The Carson girls were defeated by the Yerington girls in the preliminaries of the Junior Tournament. This game was the first of the Junior contests.

Johnson played the stellar game for the Carsonites, while Dillon starred for the Lyon County girls. Five technical fouls were chalked against the Carson girls and seven against the Yerington team. Two personals were also marked against the latter team.

### VIRGINIA CITY 28, BATTLE MTN. 10 (Boys)

One of the first games played in the Junior Tournament was the game between the boys of Virginia City and Battle Mountain. The Battle Mountain men were out-classed, although they fought gamely throughout the play. Belaustegui, their captain, starred for Battle Mountain, having after his name a record of the majority of their score. For the boys from the mining town, Langan, their star forward, was largely responsible for their tallies, making seven field baskets.

### YERINGTON 13, LAS VEGAS 8 (Boys)

An excellent game was played by the Yerington-Las Vegas men in the semifinals. Neither team had a cinch on the game at any time, and played an excellent stand-off. Las Vegas, probably tired from her efforts of the previous night, did not play her usually brilliant game. Yerington's work could not be called top-notch, and both teams at other times in the tournament far outshone their Friday morning efforts. The Las Vegas men with only freshmen and sophomores on their team, have excellent prospects for 1923; particular comment is due their plucky forward, Nobilett, who starred throughout the game.

### LOVELOCK 27, GARDNERVILLE 4 (Boys)

The game was fast and furious from the first whistle to the final gun. There was nothing as one-sided about it as would be indicated by the score. Gardnerville fought gamely and did her best, but the stellar work of Summer, Lovelock's standing guard, was the cause of the small tally on Gardnerville's end of the score.

### YERINGTON 22, WELLS 10 (Girls)

The Yerington girls won another game when they defeated the women from Wells. The Yerington guards kept the Wells goal covered, while the Yerington forwards did not have any difficulty in working the ball through the forwards of the opposing team. The eastern part of the State put up a game fight from start to finish but was out-classed by Lyon County. By winning this game Yerington went into the finals of the Junior Tournament.

### LOVELOCK 35, WINNEMUCCA 6 (Boys)

In this game, Lovelock shut out Winnemucca without difficulty. The Lovelock men, particularly Gottschalk, played good ball. The Winnemuccans did not appear to such good advantage on the large floor of the gymnasium.

### TONOPAH 4, SPARKS 8 (Girls)

The Sparks girls defeated the Tonopah team in the semi-finals for the Junior Tournament, and won the right to play in the Junior finals. The guards of both teams were responsible for the low scores, neither set of forwards being able to break away. Misses for free throws were numerous during the game. The score was 4-2 at the end of the first half in favor of Sparks. The final score was 8-4 in favor of the same team. Line-ups unchanged.

### YERINGTON 22, VIRGINIA CITY 5 (Boys)

This game was one of the surprises of the Junior Tournament. Yerington practically acknowledged defeat and yet by prodigious efforts carried victory away from the Miners. For Virginia City, Randall starred. There is no doubt that Randall, if properly supported would be a championship player. Whitacre of Yerington played a spectacular game, ringing the basket again and again. He is a very heady player and with the admirable support received from McCulla, running guard, managed to place the Yerington men in the lead.

### YERINGTON 25, SPARKS 12 (Girls)

The first game of the finals in the Junior Tournament was won by the girls of Yerington. The game was marked by the large number of fouls made by both teams. Dillon played a star game as forward for the Yerington team. The work of Yerington's guard, Trailkill, was responsible for the small number of points made by the Sparks team. The playing of Bonham, the small side center and forward of the Sparks team was very consistent. The girls from Pizen Switch were the faster of the two teams, rapidly gaining a lead on the Sparks team and holding it throughout the game. The passing of Yerington was better than that of their opponents and was responsible for many of their points. By winning this game, the Yerington girls won the Junior champ title of the State.

The Yerington line-up was Dillon and Martin, forwards; Ross and Ryan, centers; Sonne and Thraikill, guards; Buchanan, sub.  
The Sparks line-up was Dowd and

Schaefer, forwards; Armstrong and Bonham, center; Harrison and Christie, guards; Hillman, sub.

### YERINGTON-LOVELOCK (Boys)

The Yerington boys' team also carried off honors in the Junior Tournament. The final game was between the boys from Lovelock and Yerington. It proved to be a hard fought one from start to finish, Yerington winning by two points. It started with both teams dashing into the play with "we're going to win" spirit. Whitacre, the star of the Yerington five, played exceptionally well and was watched most of the time by two Lovelock men. Kofoed, as usual, played his cool game for the Lovelockers, making the majority of their points. Throughout the tournament he showed his skill in hooping free throws, rarely missing a try for the basket.

The winning teams of the Basketball Tournament were presented with handsome silver loving cups by Professor Charles Haseman, chairman of the Championship Committee, on Saturday evening between the halves of the Varsity-Olympic game. "Prof. Charlie" told of the success of this year's tournament, of the record attendance and of the wonderful spirit shown by the schools of the State. Miss Travis, captain of the Fallon girls' team, received the cup presented to the girl champions. Miss Dillon of Yerington was given one of the smaller cups awarded to the winner of the Junior Tournament. The other small cup was given to Captain Bernard of the other Yerington team. The last cup to be presented was given to the captain of the Sparks' boys' team, new holders of the boys' championship. Downey, of Sparks, received the cup.
