

Committee Heads For Mackay Day Luncheon Chosen

No Complimentary Tickets To Be Issued by Committee This Year

At the regular monthly meeting of the Home Economics club on Wednesday, President Mildred Huber appointed the chairmen of the committees for the Mackay Day luncheon.

The appointees are Lois Barber, chairman of the kitchen committee; Elizabeth Frey, chairman of the salad committee; June Barber, chairman of the table setting committee; Margaret Gorman will be in charge of the equipment, and Eleanor Bateman will be chairman of the clean-up committee.

The co-workers on all the committees, with the exception of the serving committee, are chosen from the Home Economics club and the department at large. The girls who will serve are chosen from the entire freshman class.

Esther Ronzone will also supervise the sale of tickets, which will be 35 cents each. All students, faculty members and alumni, including speakers and committee members, must purchase tickets as there will be no complimentary tickets given out this year.

Nevada Victorious In Rifle Contests

With the exception of two scores which have not yet been received, it was shown that in the last twelve matches fired by the women's rifle teams last week six were won by the University of Nevada and four were lost.

The scores of the teams fired against are: Carnegie Institute 495, University of Nevada 480; University of South Dakota 491, Nevada 480; University of Vermont 488, Nevada 488; University of Maryland 499, Nevada 488; Kansas State college 916, Nevada 951; Northwestern university 464, Nevada 487; Cornell university 484, Nevada 487; University of Oklahoma 495, Nevada 487; University of California 486, Nevada 954; Pennsylvania State 487, Nevada 489.

The ten women who fired against these teams were Louise Tidball, Catherine Dondero, Ellen Eckman, Mary Swett, Elizabeth Frey, Dorothy Gordon, Pauline Thompson, Margaret Place, Katherine Wright and Myra Sauer.

Cap and Scroll Will Give Spring Picnic

Starting a new tradition, Cap and Scroll, women's honor society, will give a spring picnic. The picnic is scheduled for Thursday of next week but may be postponed if the weather is not good. Heretofore the society has confined its social activity almost entirely to campus teas. Only members of the society will attend the outing, according to Helen Peterson, president of the organization.

SORORITY INITIATES

Beta Sigma Omicron held initiation ceremonies Friday night at the sorority house for Miss Agnes Gardner, Mrs. Margaret Gottardi Hart and Mrs. Jacqueline Tapscott. After the services a midnight supper was served in honor of the initiates. Table decorations were of pink and red roses, the sorority flowers. Mrs. Tapscott was a member of the Beta chapter at Seattle of Pi Sigma Gamma, a national sorority, which merged with Beta Sigma Omicron. Mrs. Hart, a graduate of the university, was a member of Sigma Alpha Omega, the local sorority from which the Nevada chapter of Beta Sig was created. Miss Gardner is a sophomore student.

Buy a Brick Drive Will Not Be Held

The "buy a brick" campaign, conducted by the Associated Women Students every spring for the purpose of obtaining funds for the proposed Student Union building, is being dispensed with this year because of present economic conditions.

Approximately \$200 is tied up in the local banks, according to Catherine Ligon, president of the organization.

Each year tickets with "Buy a Brick" printed on them have been sold to students who wished to support the campaign. The amount taken in was added to the fund which has been gathered for the construction of a building to house all student offices and activities.

W. A. A. Nominees Are Announced

Nominations for the officers of W. A. A. were announced at a meeting held Tuesday afternoon in the Education building. The nominees running for president are Margaret Kornmayer and Marthine Solaries, for vice president Blanche Keegan and Ruby Bliss, for treasurer Peaches Stark and Elizabeth Frey and for secretary Clara Dellevout and Miriam Butler.

The election will be held a week from Tuesday in the gym. The women now on the ballot were selected by a W. A. A. nominating committee made up of seniors, and according to Mary Trudelle, president, all other nominations must be made from the floor or given Blanche Keegan, secretary, before they can become officially registered.

OFFICERS CHOSEN

Officers were elected by Campus Players, student dramatics group of the University of Nevada, at a meeting held Wednesday night in the Student Administration building. The new officers are: Wayne Van Voorhis, president; Mary A. Thompson, vice president; Doris Shaver, secretary; Ernest Mack, treasurer, and Helene Per Lee, wardrobe mistress.

SOCIETY

Alpha Delta Thetas Enjoy Dinner

Monday evening the actives and pledges of Alpha Delta Theta enjoyed a delicious dinner at 447 East Seventh street. Following dinner, songs were sung and several clever stunts were presented.

Those present were: Mesdames R. E. Powles and A. J. Whitney; Misses Blanche Radcliffe, Lois Barber, Nora Gardella, Ruth Sauer, Helen Records, Juana Barber, Mary Nay, Alice Par-

Pi Beta Phi Wins W.A.A. Swim Meet At Moana Springs

Another Contest Will Be Held Toward the End of the Semester

The W.A.A. intramural swim meet was held Thursday, March 2, at Moana Springs. This was the first time the W.A.A. has held this event, and it is planned to make it an annual affair. A similar meet will be held later this semester. The P.E. 24 class was in charge of the program.

Pi Beta Phi won the cup and it will remain in their hands permanently if they repeat their success at the second contest. They had the greatest number of entries and ran up a total of 87½ points, while Kappa Alpha Theta was second with 47½ points.

Many varieties of races were held in three divisions—beginners, intermediates and advanced—and ranged from balloon relays to races in which the entrants swam backstroke with lighted candles in their mouths. Other features were a diving exhibition by Marguerite Enlow and lifesaving demonstrations by Miriam Butler, Julia Sibley and Mary Fulton.

After the swimming contests a box lunch supper was held.

man, Isabel Baler, Lucille Berg, Lucille Hook, May Parman, Elizabeth Barnes, Velma Ramell, Julia Zunino and Ruth Holliday.

Miss Mary Tucker ex-33 left today for her home in Susanville, after spending a few days at the Beta Sigma Omicron sorority house.

Dwight Leavitt, graduate in December of this year, is employed by a local insurance company. He is affiliated with Delta Sigma Lambda, of which he was president.

Miss Marjorie Fay ex-34 spent the weekend in Reno. Miss Fay is affiliated with Beta Sigma Omicron.

Miss Melva Fowler '32 left for Wadsworth Monday to resume her teaching in the local high school. Miss Fowler came to Reno to attend Beta

Co-Ed Mentioned In Story Contest

A University of Nevada student was given honorable mention in the recent short story contest for Nevada women held under the sponsorship of the Reno branch of the National League of American Pen Women.

With her story of the pioneer days in Virginia City entitled "Limestone Dick," Margaret Lyon ex-34 received third place in the competition.

Miss Lyon is planning to resume her studies at the university next semester. She is affiliated with Beta Sigma Omicron.

Prof. A. E. Hill, head of the department of English, was one of the three judges of the contest, in which more than forty stories were submitted.

HUTCHISONS RETURN

Mr. and Mrs. John Hutchison and their daughter, Barbara Adeline, have taken up residence on Lander street.

Both Mr. and Mrs. Hutchison are former University of Nevada students. Mrs. Hutchison will be remembered as Barbara Horton, vice president of the A. S. U. N. 1928-29 and a member of Gamma Phi Beta sorority. Mr. Hutchison was affiliated with Sigma Phi Sigma.

For the last two years Mr. Hutchison has been employed by the Nevada State Department of Highways and has just recently been transferred to their offices in Reno.

Staff Selections Made for Women's Edition of 'Brush'

Appointing Katherine Wright '33 and Frances Smith 34 as assistant editors of the Sagebrush, Neva Shaw '33 yesterday announced her staff for the women's edition, which will make its appearance on Mackay Day.

Other coeds who will assist in editing the paper are: Business manager, Elva Neddreniep '35; sports editor, Kathryn Wardleigh '35; feature editor, Geraldine Bingaman '33; exchange editor, Jean Sauer '35, and fashion editor, Esther Ronzone '35.

Mackay Day will mark the first appearance this semester of the Sagebrush as a six page paper. One page will be devoted entirely to fashions and one to sports, with a woman's page, an editorial page and two general news pages completing the issue. Both editorial and business staffs will help with the advertising for this edition.

Hendrickson from Fallon, who has been living at Manzanita hall, will move in at that time.

Sigma Nu has announced pledging of Lynn Gerow of Reno and Ross Tannahill of Virginia City.

Prep Presidents Plan to Attend State Conclave

Nineteen Nevada high schools have announced their intention of sending representatives to the convention of student body presidents to be held at the University of Nevada April 6, 7 and 8.

This convention is held every spring under the auspices of the University of Nevada for the purpose of forming closer contacts among high schools of the state. There were thirty-three invitations sent out this year, but only nineteen were accepted. The other high schools could not send a representative due to their present financial condition.

Kathryn McCormack is chairman of the convention committee, being appointed by Keith Lee, president of the

A.S.U.N. A definite program has not yet been outlined, but the meeting will be held during the same weekend as the high school forensic tournament. The girls will stay at Artemisia and Manzanita halls, while the boys will be housed at the various fraternities.

ILLUSION:
The Oriental girl reclines on a sheet of plate glass supported by two slaves. The magician waves a white sheet in front of the pretty maiden...pronounces a few magic words... Presto! She has disappeared in thin air.

EXPLANATION:
"Disappearing" acts are among the most popular in the repertory of the magician. Dogs, horses, girls, whole rooms disappear—whisked into wings, dropped through trapdoors, hidden by mirrors. But this "disappearance" is a bit different. One of the "slaves" is a hollow dummy. When the magician holds up the sheet the little lady disappears completely—into the convenient figure of the dummy.

IT'S FUN TO BE FOOLED ...IT'S MORE FUN TO KNOW

There is also a trick of cigarette advertising, whereby a few magic words are used to create the illusion of "Coolness."

EXPLANATION: Coolness is determined by the speed of burning. Fresh cigarettes, retaining their full moisture, burn more slowly...smoke cooler. Parched, dry cigarettes burn fast. They taste hot. This makes the method of wrapping very important.

Improperly wrapped cigarettes begin to dry out as soon as packed.

Camels are cooler because they come in the famous Humidor Pack of welded, three-ply, **MOISTURE-PROOF** cellophane...and because they contain better tobaccos.

A cigarette that is fresh, full of natural moisture, and blended from choice, ripe tobaccos tastes cooler than one that is harsh and acrid. For coolness, choose a fresh cigarette, made from costlier tobaccos.

It is a fact, well known by leaf tobacco experts, that Camels are made from finer, **MORE EXPENSIVE** tobaccos than any other popular brand.

Try Camels...give your taste a chance to sense the difference. You'll appreciate it!

CAMELS

NO TRICKS ..JUST COSTLIER TOBACCOS

IN A MATCHLESS BLEND

Brush Sports Man Picks Hoop Stars

By BILL M'NAMIN
Looking over the crop of promising young athletes who competed in the western Nevada sectional high school basketball tournament here this year, it is seen that some of the players stand head and shoulders above the majority of the men competing in skill in ball-handling and shooting.

With the help and counsel of the Sagebrush sports staff, I picked what, to me, looked like the best all-conference team that could be chosen. There was plenty of talent displayed, and I have tackled a difficult job.

The first string forwards, Quilici of Lovelock and Falconi of Reno, were the outstanding men in that position in the tournament. He was expert in following shots to get the ball from the backboard and score, and he played a strong defensive game. His height made it practically impossible to guard him under the basket without fouling him.

At guards, Oleata of Lovelock and Lockridge of Sparks were the outstanding men. Oleata, a fourth year veteran, had all the attributes of a dependable player and plenty of speed. Lockridge was the backbone of the strong Sparks team this year, and undoubtedly one of the best ball handlers in this section.

My second string choice would be composed of Neddenrip of Gardnerville and Stark of Reno, forwards; Goni of Carson City, center, and Booth of Reno and Indart of Carson City as guards.

For honorable mention, there are many men who missed being on the first and second string selections by a hair's breadth. They include: Leslie Gray, Sparks forward; Kemp Haight, Sparks guard; Benner, Virginia City, center; Callahan, Fallon forward; Engblom, Hawthorne center; Giomi Dayton center; Andrews, Stewart guard; Elder, Wellington guard, and Chinghi, Carson City forward.

Chemistry Club Initiation Held

Mabel Armstrong and Ben Sheehan were initiated into the Chemistry club of the University of Nevada last Wednesday night by performing experiments. Miss Armstrong proved to the group present that she could make solid alcohol, while Ben Sheehan showed how testing metals could be done by means of a blowpipe.

At the conclusion of the initiation two pictures were shown. Of the two, one was on X-ray machines, giving their uses in medical practice, explained by Cecil Harris, a graduate student, and the other was on the manufacture of portland cement, explained by Ed Dyer, president of the Chemistry club.

Courtesy Stickers To Be Given Out

State traffic officers will give out 1933 courtesy stickers Monday morning to all non-resident students who drive their own cars in Nevada and who pay tuition at the university.

The stickers are permits good for the whole school year, and exempt the out of state student from taking out new Nevada plates. This sticker permit plan has been used successfully for student car owners for the last four years.

Officers will be at the main entrance to the university Monday morning, and will issue stickers from 11 a. m. to 1 p. m. only.

Maclean Elected To Head Pre-Meds

Kenneth Maclean was elected president of Omega Mu Iota, honorary society for pre-medical students, at a meeting last Wednesday evening.

Other officers elected were: Jack Belz, vice president, and Anna Belle

Twenty Frosh Earn Numerals

Upon the recommendation of Coach "Chet" Scranton, twenty men will be awarded numerals for the 1933 freshman basketball season. Awards will be made on the basis of attendance and spirit. All those who showed interest in the team will be awarded numerals. Those who will be given the numerals are John Benson, Jack Blum, Vic Becaas, Walter Bowrin, John Best, John Daszkiwicz, Vernon Eisenman, Jack Hughes, George Hadlin, oe Kelley, Al Lansdon, Thomas Prunty, Vernon Tapogna, Ross Tannehill, Francis Wise, Irvin Wanke, Mark Yori, Bert Cummings, Dan Chiatovich and Jack Cameron.

Spring Athletics Popular With Coeds

Continuing spring athletic activities, many women have signed up for archery and baseball, which have just begun.

Archery practice will take place on Tuesdays and Thursdays in the gymnasium, and so far the following women have signed up: Marjorie Cannon, Rita Gunter, Helen Records, Margaret Kormmayer, Mabel Armstrong, Catherine Dondero, Lura Gamble, Ruth Acheson, Fay Wittwer, Agnes Gardner, Frances Slavin, Margaret Place and Juana Barber.

Those women signing for baseball, which will be held on Tuesday, Thursday and Friday at 4 o'clock, are Louise Tidball, Eleanor Bateman, Betty Horton, Miriam Butler, Helen Peterson, Charlotte Pope, Dorothy Pope, Lena Perri, Kathryn Martin, Ellen Ernst, Clara Dellevoet, Margaret Traane, Alice Traynor, Emma Azarez, Evelyn Semenza, Sallie Fagan, Fernley Rechel, Pauline Thompson, Peaches Stark, Madeline Miller, Nell Lozano, Wilma Chanslor, Della Renfro, Beatrice Bollschweller, Dorothy Roseberry, Colene Hollan, Marthine Solares, Jean Monogham and Dorothy Gordon.

Holiday Interrupts Rifle Competition

Because of the legal holiday declared by Governor Balzar last week, the University of Nevada rifle team was unable to shoot out its matches with three other universities. Matches scheduled for this week, however, are being fired.

The team had just started to fire its scores in competition with Western Maryland college, Syracuse university and the A. and M. college of Texas, when classes were suspended by the governor's action. Since the other schools have already fired their scores, Nevada will not be able to complete competition, and these matches will not be recorded.

Matches with Washington university at St. Louis, Creighton university, Mississippi A. and M. college, Lehigh university and North Dakota Agricultural college are being fired this week. Results of these matches will not become known until next week.

Colonel Robert Brambila stated that final results of the Ninth Corps area match will be known by the end of the month. He said that the Nevada team had made a better score this year than last.

Langburg, secretary-treasurer. Both Maclean and Belz are sophomore students and are residents of Reno. Langburg is a junior student and is from Sparks.

Big N to Receive Spring Whitewash

The block N on Peavine mountain will receive its spring whitewashing at the hands of the freshman class tomorrow, according to a statement made this week by Harry Austin, class president.

The freshmen will assemble on Mackay field at 9 a. m. and will proceed from there to the mountainside in cars furnished by members of the class.

Truck Furnished
A truck will be furnished by the Washoe county highway department to carry the lime and the water to the N. The whitewash will be mixed at the bottom of the mountain and the 125 men of the class will relay the buckets of lime up the mountain and will spread it on the boulders that make up the N.

Women members of the class will furnish sandwiches and lemonade and will encourage the men to greater efforts.

Names Checked
Ole Theis, member of the Block N society, will check off the names of the freshmen on the mountain at 9:30 a. m. and all missing members will be reported to the men's upperclass committee.

According to tradition, the N must first be painted by the freshmen before Mackay Day and Homecoming Day.

Desert Wolf Makes Appearance on Hill

Despite the fact that Friday was a legal holiday, the campus comic magazine, the Desert Wolf, made its scheduled appearance on that day.

Clara Galvin and Denver Dickerson, junior editors, supervised the edition. Today will decide whether or not this is to be the last issue as voting on the new plan is taking place at this time.

One thousand copies were published and 150 of these were used as exchanges and for advertisers' copies.

Better to Buy Downtown
Patronize the local merchants.

Blue Key Sponsor Theater Nights

There will be three college nights at the Majestic theater soon. The first will be on March 24, the Friday before Mackay Day; the others will follow on later Friday nights.

William Miller of the English department will have charge of the entertainment between pictures. The program will include several skits as well as dance and orchestra numbers.

The purpose of these college nights is to raise money for track at the university. The Blue Key will have charge of the business end, and the Sagens will sell tickets. Forty per cent of the proceeds from the tickets which the Sagens sell will go to the university. The balance will go to the theater.

U. of N. Student Calls Down Kiwanis

It took just nine minutes for 19 year old Wendell Du Plantis, junior student of the university, to give the se-date members of the Reno Kiwanis club what they considered a severe chastising at a recent luncheon meeting. In his talk, entitled "Good Will," he told the Kiwanians that they had neglected the youth of today in their "mad scramble to make a fortune."

Du Plantis told the club just what he thought was wrong with their way of living, and that although they were not responsible for the efficiency of modern youth, when it came their turn young Americans would be able to take their places better than they had.

The Kiwanis club asked Professor R. C. Thompson to send them down a young philosopher because they were tired of hearing the same run of talks from experienced men.

CHARLIE

Frosh Track Season Starts

No definite schedule has as yet been arranged for a frosh track squad, according to "Chet" Scranton, frosh coach. However, Scranton believes he will be able to arrange meets with the high schools in the western district. At present, the frosh track men are practicing with the varsity.

Lynn Gerow, former Reno high school star, will strengthen the frosh materially in the javelin and weights. In the state track tournament held on Mackay field last spring Lynn Gerow placed first in the shot put and third in the javelin throw.

Frosh who are now in training are Ross Tannehill, Vic Becaas, John Noy, Dick Record, William Cockrell, Lynn Gerow, Evan Couch, Claude Hunter and Fred Hartman.

Martha Scrugham, junior student and a member of Delta Delta Delta sorority, has taken a two weeks' leave of absence from the university because of illness.

Announcements

The Normal club dance will be held tonight "depression or no depression," according to an announcement made by Gerald Davis, president. The dance is being given at Artemisia hall and the music is to be furnished by Max Kepl's orchestra.

The frosh glee, according to Harry Austin, has been indefinitely postponed. This annual formal, which was to be given March 11, is taken off the spring schedule because of the banking holiday declared March 6. If the banks open it will perhaps be held at a later date. Further announcement will be made.

Delinquent notices, which were to have been issued March 8, are being held until March 15, according to a statement made by Miss Louise M. Sissa, registrar. The action was necessitated by the recent unexpected hol-

Don't you get Pipe Hungry

once in a while?

"MAYBE it's back to Nature. Maybe it's something else. I don't know just what it is, but somehow or other I've just got to slip out in the woods and sit down on a log. I always take the old pipe along. Thinking somehow seems easier when you are smoking a pipe. I can fill up my pipe with Granger, and somehow just seem to see things clearer than at any other time.

"Don't know what it is about Granger, but it must be made for pipes—real pipe tobacco.

"Somehow, there's a flavor and aroma about Granger I never found in any other tobacco. When I pack my old pipe tight and good with these big Granger flakes, it's about the coolest smoke I ever enjoyed. It makes me downright pipe hungry every time I look at the package." Some years ago we made a painstaking,

scientific study to find out, if we could, the kind of tobacco best suited for pipes.

Down in the Blue Grass regions of Kentucky, we found a tobacco called White Burley. There is a grade of this tobacco between the kind used for chewing and the varieties suitable for cigarettes that is best suited for pipes. This tobacco is used in Granger.

This tobacco is prepared by a method worked out many years ago by Mr. J. N.

Wellman. It gives Granger a fragrance and mellowness that pipe smokers like, and makes it burn to a clean, dry ash. Granger never gums a pipe.

Granger has not been on sale very long, but it has come to be popular, and there is this much about it: We have yet to know of a man who started smoking it, who didn't keep on. Folks seem to like it.
