

Pack to Compete In Opening Meet Against Cal Aggies

Coach Mitchell Leaves Tonight With Fourteen Men for Davis

Pack Is Given Fair Chance for Victory Over the Aggie Team

Fourteen aspiring track and field artists will leave Reno Saturday morning at 6:30 a. m. and, led by Coach "Brick" Mitchell and Manager Floyd Smalley, will travel in automobiles to Davis to meet the California Aggies in Nevada's first intercollegiate track meet. The squad will arrive at Davis in plenty of time to lumber up before the meet, scheduled for 2 p. m.

Mitchell believes that the Wolves should score a respectable number of points in spite of the fact that only two lettermen are on this year's team. Harvey Hill, sprint ace, and an Bledsoe, veteran high jump man, are the only men on the present squad who have made their letters in track.

Other men to make the trip are: Howard Smith, two mile and relay man; Paul Fontana, one mile and relay; Paul Leonard, one mile and half-mile; Frank Leonard, one mile, half-mile and relay; Sam Arentz, two mile; Harold West, quarter-mile and relay; Bill Beemer, quarter-mile 220 dash and relay; Ralph Hromadka, hurdles; Jack Hill, hurdles, broad jump and weights; Marvin Turner and Ole Theis, weights, and John Dennison, pole vault.

Harvey Hill will also be entered in the hurdle events this year and Dan Bledsoe will throw the javelin, pole vault and run the relay, according to Mitchell.

Paul Leonard, promising sophomore distance man, is expected to be a point winner in the meet, as are Howard Smith, fast two mile runner who transferred to this university last year; Bill Beemer, stocky quarter-miler, and Ole Theis, gigantic weight heaver. Jack Hill is also expected to score in the weight events.

When asked what he thought of Nevada's chances of taking the meet, Mitchell expressed the opinion that if the Wolves won it would not be because they were a good team but because they would be a better team than the Aggies. He believes Nevada had plenty of promising material on this year's squad and that it really should run Davis close competition in Saturday's meet.

Although Nevada did not have a dual meet with the Aggies last year, the two teams met competitively in the Far Western Conference at Sacramento and the Wolves were only 2 points under Davis in conference standing. Fresno State Teachers college took first place to win the conference championship.

Two outstanding men of the Aggie squad are Peck, a hurdler, and Clay, a middle distance man. Nevada, however is well represented in these events and in view of the fact that Chico State, which placed last in last year's conference, recently handed the Aggies a severe beating would indicate that the Wolves stand at least a fair chance of taking the meet.

The squad will not spend the night in Sacramento but will return to Reno the same day as track finances are exceedingly limited.

Independents Name Senate Nominees

The Independent cause at the University of Nevada was furthered last Monday evening when approximately forty members of the Independent group met and nominated senators to the student body government.

Nominees named are Ned Morehouse, Kathryn Wardleigh, Elwin Jeffers, Richard Bagley, Mary Murphy and Adelyn Rotholz. These nominees were listed for the reason that during the year they stood out prominently in the Independent platform.

Nominations for election will be open until next Monday, when John McNamara, leader of the Independents, will call a special meeting for the election of the senators. The meeting on the following Monday night will be taken up with the election of officers for next year.

As provided for in the new A.S.U.N. constitution, one man and one woman will be elected to the senate from among these nominees. The other two representatives are to be chosen from the Manzanita and Lincoln Hall associations.

Announcements

The library will not be open on Easter Sunday. It will remain open on Friday and Saturday during the regular hours. The books may be taken out over Sunday if there is more than one on reserve.

Desert Wolf Keys Given to Seven

As a reward for outstanding work for the past two years, seven students received Desert Wolf keys this week.

John Mariani presented keys to the following persons on his editorial staff: Kathryn McCormack, Clara Galvin, Ina Johnson, Blythe Bulmer, and Denver Dickerson. James Cazier, business manager, gave keys to Lino Del Grande and Bill Gelder, members of his business staff.

These students are the last to receive such keys, as the Desert Wolf will appear no more after this semester.

Nine Students to Be Examined for Master's Degrees

Largest Group in History of University Submit Theses to Committees

Nine students, the largest group in the history of the University of Nevada, will appear before the examining committees between April 29 and May 5 to take examinations for securing master's degrees.

There are to be five committees, with the heads of the departments acting as chairmen of the respective boards.

Four students will take their examination for degrees in the department of economics, with Professor Sutherland as chairman of that board. Following is a list of those students seeking an M.A. in economics, their theses, and the time of their examinations: Thomas Buckman, May 2, "The History of Cooperative Marketing in Nevada, Including Reasons for Its Success and Failure"; Edward Reed, May 3, "Costs of Water Development in Washoe County; the Water Conservation District and Its Relation to Farming in the Truckee Meadows"; Verner Scott, May 4, "Planning Farm Enterprises"; Cruz Venstrom, May 5, "The Economic Theory of Land Policies."

Two students, Wayne Buerer and Clark Amens, will take examinations under the physics department committee, headed by Dr. L. W. Hartman. Buerer's thesis will be, "The Accurate Control of a Motor Generator Set." Amens' subject is, "A Study of a Laboratory Method of Determining the Heat of Vaporization of Water." Amens will be examined on May 3 and Buerer on May 4.

Albert Alegre will present his thesis to Dr. Chappelle and committee on April 29. His subject is, "Les Sources du roman 'Le Diable Boiteux' de Le Sage."

Loretta Miller, instructor in botany, is seeking an M.S. degree. Her subject, "Desmids of the Medicine Bow Forest Region, Wyoming," will be given to Professor Lehenbauer and committee on May 2.

Mary Sourwine, psychology major, gives as her subject, "A Study of Backward Students in the Reno Public Schools." Her examination takes place on May 5.

Sigma Nus, Barbs Continue Leading In Tennis Tourney

Material Promising Strong Freshman Net Team So Far

Continuing their lead of last week in the freshman interfraternity tennis tournament, Sigma Nu is on top in the singles with four wins and no losses, while the Independents are leading the doubles with three wins and no losses.

The Alpha Tau Omega men meet the Independents, with the winner getting the opportunity to meet the Sigma Nus for the singles championship. The Phi Sigs battle it out with the Sigma Phis, with the winner meeting the Independents for the doubles championship.

Much interest has been shown in this tournament, and several men show promise of future tennis ability. There are plenty of available men for the scheduled matches with the high schools, and the freshmen are looking forward to winning most of these games.

Swimming Party Will Be Given by Normal Students

A regular meeting of the Normal club was held Thursday, April 6. Plans for the dinner were canceled and arrangements were made for a swimming party to be held at Lawton's some time soon. Several applications were discussed of various members who desire to apply for positions as teachers.

Student Praxies Discuss Plans for Better Cooperation

Wallace, Morehouse Represent Nevada at College Convention

Jim Wallace, A. S. U. N. president-elect, and Ned Morehouse, Independent candidate, returned Saturday from Davis, Calif., where a representation of student presidents studied ways of ironing out athletic difficulties in the Far Western conference and establishing a cooperative spirit among colleges.

Perhaps the most important resolution adopted by the conference which met at California Agricultural college was to take the eligibility of athletes out of the hands of the coaches and into the authority of a faculty member.

In view of frequent conflicts on that matter, it was said that the colleges whose players' eligibility had been questioned were the most anxious to see such a measure in effect in each of the six institutions which belong to the conference.

The meet was called by Harry Caldwell, California Aggie president "to air out troubles in interconference dealings" and to bring up ideas for greater friendliness and exchange of ideas among colleges. Of the six presidents invited to attend, only two presidents, Warricke of San Jose State Teachers' college and Keith Lee of Nevada, were absent.

As Lee, A. S. U. N. president, was unable to attend, the three candidates for the office were asked to attend, one of whom, Bill Beemer, remained here to participate in a track meet. Morehouse and Wallace drove down Thursday and spent all of Friday in a discussion meeting with the visiting presidents. Their subject was "College Activities."

George Sykes of Fresno State Teachers' college spoke on "Ways of Cooperating with the Far Western Conference," suggesting that student presidents visit every other student body in the conference for the promotion of better relations. Other addresses were: "The Honor System" by Brendlin, California Aggie; "Hazing of Frosh," Elbert Shepard of Chico State Teachers' college, and other short talks.

The exchanging of annuals and publications between schools was advocated, and the presidents spoke of ways of increasing attendance at student body meetings.

During their brief stay the presidents were entertained and shown about the campus, and later went to see the Pacific coast intercollegiate boxing championships which were being held at Sacramento.

This meeting was the first attempt of its kind in the conference and will be repeated again next year at Fresno State Teachers' college, when the outgoing presidents will confer on problems of policy.

Nevada Freshmen Tracksters Enter First Competition

With but one day left before the four cornered meet, their first official meet, the University of Nevada frosh trackmen, under the direction of Coach "Brick" Mitchell, are taking it easy today.

The frosh have shown up well in practice during the past week, and they are expected to run off with most of the points in the meet tomorrow. Gerow has been sending the discus out close to the 150 foot mark, and J. D. Stephens is giving him a close race. In the shot put, Gerow is out close to the 46 foot line, and he is expected to take both these events tomorrow. The frosh are also strong in the sprints, with Noyes, Kepl, Hunter and Cameron entered in these events.

Men entered in the meet are as follows: Hartman, half-mile; Hunter, 220 and 100; Cummings, high jump, javelin, shot, discus and high hurdles; Hunting, high hurdles, low hurdles, broad jump and pole vault; J. D. Stephens, discus; Beacas, javelin, pole vault, high jump, broad jump and shot; Record, 440 and 220; Leavitt, 440 and 220; Cameron, 100, 220 and broad jump; Kepl, 100, 220 and 440; Gerow, shot, javelin and discus; Kelly, 880; Noyes, 100 and 220, and Wakeling and Tannehill, javelin.

JITNEY DANCE TO BE REPLACED BY MATINEE DANCE

Katherine Ligon has announced that a matinee dance will be given by the Associated Women Students to replace the proposed jitney dance that was planned several weeks ago.

According to tentative plans, the dance will be given in about two weeks. The receipts from it will be put into the scholarship fund that the A. S. U. gives to the most deserving girl on the campus who doesn't receive any other scholarship.

RENO GROUPS TALK ON BEER, CUBS LEARN

If someone with a fake mustache, dark glasses and a two faced Sherlock Holmes cap suddenly poked his face over your shoulder last week and said, "Aha, now what are you discussing?" it was one of the amateur reporters from the English 26 class.

Their latest lesson has been to "eavesdrop" on ten conversations to find out what men, women and children in Reno talk about, and thus something about what makes news.

According to their tabulations, the most widely discussed subject is not sex or socialism, but beer—real, old fashioned, frothy beer.

The next important subject occupying the minds of the "populi" is "what she said and what he said." In other words, "purely personal piffle" about friends, teachers and other people.

Next question of importance concerned future plans of the conversationalists, such as arrangements for dances, weekend trips, summer vacations and the like.

Politics, including what Roosevelt is doing, the banking situation, farm relief and similar problems, ranked fourth.

The experiment was made to find just what kind of news interests most people. Notable is the fact that the seemingly unimportant problem of every day life interested the most people, while the important events and political movements seemed to occupy little of their attention.

Senate Members Elected During Week by Groups

Independents Nominate Six for the Two Offices Open

Eight of the nineteen students who will comprise the student senate next year have been chosen. The remaining members must be selected within the next few weeks.

Those already selected are: Clara Galvin for Delta Delta Delta, Elma Jensen for Pi Beta Phi, Gladys Morris for Kappa Alpha Theta, Charlotte Pope for Beta Sigma Omicron, Elbert Walker for Alpha Tau Omega, Bill Beemer for Sigma Nu, Sam Arentz for Lambda Chi Alpha and Dan Harvey for Beta Kappa.

The Independents have nominated Adeline Rotholz, Mary Murphy and Katherine Wardleigh for women representatives, and Elwin Jeffers, Dick Bagley and Ned Morehouse for men's representatives. These students will be voted on at the next meeting.

Clara Galvin, Tri Delta, is from Sparks. She has been on the Desert Wolf staff for the past three years, has been active in Junior Campus Players and on committees.

Elma Jensen, Pi Phi of Reno, is now women's manager of the Sagebrush, having been on the staff for three years.

The Theta member, Gladys Morris, is also of Reno. She has been active in publications, having been on the Brush staff for two years and on the Desert Wolf staff for three years.

The A. T. O. representative is Elbert Walker. He was editor of the Artemisia last year, and was on the constitutional revision committee that year.

Charlotte Pope, member of Beta Sigma Omicron, comes from Virginia City. She was recently initiated into the Gothic N society and has been prominent in the physical education department since entering college.

Bill Beemer of Sparks and Sigma Nu representative was one of the nominees for A. S. U. N. president in the recent election. He is a member of the Block N society and is on the Nevada track team.

The Lambda Chi Alpha member, Sam Arentz, is from Smith Valley. This year he was A. S. U. N. treasurer and has served on the Mackay Day committee.

Dan Harvey, Beta Kappa senator, is prominent in the military department. He has served on committees and is active in a number of campus activities.

Former Student Will Be Married

Pat Harrison, former student of the University of Nevada, will be married to Robert Gered of Los Angeles in the Methodist Episcopal church at Gardnerville Saturday morning, according to information received here today.

Miss Harrison was affiliated with Pi Beta Phi sorority and is a resident of Minden. She was well known on the Nevada campus during her stay here. Gered is a graduate of the University of Southern California and is a member of Sigma Alpha Epsilon fraternity.

Campus Students Present Seventh Easter Pageant

"Consecration of Sir Galahad" Presented to Large Audience

Before the largest crowd that has attended a like affair in many years, the Y. W. C. A. presented their seventh annual Easter pageant, "Consecration of Sir Galahad," Sunday afternoon on the quadrangle.

About 350 persons were present, which is more than twice as many as the 150 who came to see the colorful entertainment at its last presentation.

About sixty persons took part. Of the eight leading characters seven are students of the university, while one is a graduate. The cast includes twenty-five atmospheres, nine virtues, pages, knights, soldiers and Rita Jepsen, who took the part of Sir Galahad; Grace Semenza, the Hermit; Mary Williams, the Mother; Marian Nichols, the Angel; Beatrice Figow, the Temptress; Mary Tholl, the Woman; Eunice Caton, the Trumpeter; Frederic De Longchamps Sr., the Voice.

Grace Semenza and Beatrice Figow are students of dramatics and have taken part in former pageants for several years. Marion Nichols, who was graduated with the class of 1932, has played in two former productions. Mary Williams, junior student, is new to the pageant, as are Rita Jepsen, Mary Tholl and Eunice Caton, who are members of the freshman class.

The musical program was under the direction of Professor Theodore H. Post, head of the department of music of the university, and included selections by the University Community orchestra, with Miss Marjorie Stout as vocal soloist. Featuring Rev. F. D. Graves and Miss Lois Brooks as flutists, a novel number, the "Dance of the Spirits," was an added attraction.

An eight foot cross fashioned out of calla lilies, mounted on the shrubbery at the head of the quad, formed a background for the altar, before which Sir Galahad took his vows. The procession formed on the steps of Mackay school of mines and then passed onto the quad. The colorful robes of the atmospheres, who were first to appear upon the scene, made a beautiful background for the pantomime.

Mrs. Joan Southward was in charge of the pageant. She was assisted by Miss Florence Diskin, president of the campus Y. W. C. A.

The theme concerns the ancient story of the Holy Grail, which exemplifies sacrificing love and eternal life. Galahad represents the modern youth striving for the ideals of purity and service as lived by Christ. The Mother signifies divine motherhood and church protection. The Voice typifies that of the spirit. Nuns of Courage, Loyalty, Endurance, Purity, Graciousness, Gentleness, Faith, Hope and Love are represented by the Virtues. The pageant, which is in the form of an allegory, is composed of five parts: introduction, knight's vow, brother's blessing, temptation and invocation.

Art Group Exhibits Paintings This Week

An exhibit of paintings by L. E. Wilbur, a local artist, and William Ross Cameron, a San Francisco artist, is being exhibited in the University of Nevada library, and will be continued to be exhibited for one week more, between the hours of 2 to 6 and 7 to 9. This exhibit is the eighth exhibit that the Fine Arts group is sponsoring.

Subjects handled in oils, charcoals and pastels by Wilbur will be shown, while work in water colors by Cameron will be exhibited. The paintings will consist of dogs, women, men, ships, homes and stores of San Francisco.

Campus Musicians Will Give Concert

The entire music department of the University of Nevada will take part in the national celebration of music week, May 7-14, according to an announcement made this week by Prof. Theodore H. Post, musical director.

The University of Nevada band with the two Reno high school bands, the Shrine band and the Reno municipal band will present a joint concert at the Civic auditorium on Monday, May 8th.

The annual spring concert of the music department will take place the next evening at the same place. The orchestra and both the men's and women's glee clubs will participate in this event.

Featured in this program will be a selection, "Lines from Tagore," sung by the women's glee club, for which Prof. Post wrote the music; solos by Lois Brooks and the Rev. F. D. Graves, and vocal selection by Miss Marjorie Stout.

"Finlandia," by Sibelius, a resident of Finland, will present an insight into the music of that country. It will be played by the orchestra and interpreted by the mixed chorus.

Famous Educator Visits University

Professor Ambrose L. Suhrie, one of the world's foremost educators, visited the Nevada campus last week to discuss improvement of university teaching. Suhrie is head of the department of normal school and teachers' college education in New York university, New York City.

While on the campus Suhrie spoke to a large group of normal school students and members of a class studying the problems of secondary education. In his friendly talk to this assembled group he told of the ideal attitude one should have towards teaching and the fine opportunities one has for service today, illustrated by references to his wide range of experience.

Engineers Leave For Boulder Dam Early This A. M.

About thirty-five students of the University of Nevada left this morning on their way to Las Vegas and the Hoover dam.

President Walter E. Clark had given his sanction to the trip, and had excused all students who were making the trip from their Thursday and Monday classes, members of the committee in charge of the expedition stated.

According to the committee, composed of Bill Squires, Jim Wallace and Prof. Frederick Bixby, the sightseers will arrive in Las Vegas either tonight or tomorrow morning. They will stay at the Nevada hotel in Las Vegas, where they will hold a meeting tomorrow night to discuss plans for the trip through the Hoover dam on the following day.

The engineers will be met in Las Vegas Saturday morning by a guide, who will conduct them through the dam and over the Boulder canyon. They expect to go through the tunnel on the Nevada side of the canyon and also over the extension on the California side. Saturday noon the sightseers will lunch in Boulder City.

Expenses for the trip have been estimated by the committee, and they figure that the total cost of the trip will be about \$10 or \$12 a person. This will include gas and oil, as well as meals and hotel expenses. The students who have their homes in Las Vegas will get off cheaper, as they will probably stay with their parents while in Vegas.

Many of the residents of Reno, much to the surprise of the committee, decided that they would like to view the Boulder dam, and when the party left this morning they could be seen taking a car full of students, who failed to find transportation, piled in the back seat. Fred Herz of Reno had five students with him when he left the campus this morning.

Many arts and science students who live in Las Vegas took this way of going home over Easter vacation and signed up with the committee to make the trip to Las Vegas.

Bill Squires plans to take some pictures of the dam and the workmen while in southern Nevada. The pictures will probably be shown at the university after the party's return.

Intramural Ball Nines Complete Opening Contests

Swinging into mid-season form, the organization baseball teams of the University of Nevada completed another week of play in the annual intramural baseball competition last week on the university diamond.

In the games played so far this week Lambda Chi Alpha downed the Independent ball men by a 5 to 3 score, Phi Sigma Kappa trounced the Delta Sigma Lambda men 7 to 1 and Sigma Phi Sigma won an easy 7 to 2 victory over the Beta Kappas.

Sigma Nu's crack ball team, that is favored by many to take the championship cup, is meeting the Independents this afternoon. They are favored to win the game.

The schedule of games for next week is as follows: April 17—Sigma Phi Sigma vs. Lambda Chi Alpha. April 18—Sigma Alpha Epsilon vs. Delta Sigma Lambda. April 19—Beta Kappa vs. Independents. April 20—Alpha Tau Omega vs. Lincoln Hall. April 21—Phi Sigma Kappa vs. Sigma Alpha Epsilon.

Sigma Phi Sigma, Phi Sigma Kappa Teams Appear Strong

Finally, he enlisted the aid of his editorial bloodhounds, who found some students who admitted holding a place on the slate, but when it came to remembering exactly to which office they had been elected they knew even less about it than Bill himself.

Now Bill is getting desperate, and has asked the Brush to help him out. So in behalf of a harassed editor we ask you. If you think you hold a class office or know who does please report at once to the Artemisia office.

THANKS TO STUDENTS

I would like to take this means of expressing my appreciation for the confidence shown in me in the recent A. S. U. N. election.

I will do all I can to get the new constitution started and with your cooperation I am sure the next year will be very successful for the University of Nevada.

James Wallace.

Publications Elect Editors, Business Managers Monday

Morehouse and McMenamin in Line for Brush Editorship in Election

Elections for the offices of Nevada's two publications, the Sagebrush and the Artemisia, will be held Monday by the publications board, in the Student Administration building.

There will be only two offices open owing to the abolition of the Desert Wolf recently.

There are two men eligible for the position of editor of the Sagebrush. Ned Morehouse and Bill McMenamin have both worked the required amount of time to warrant their election to this office.

Morehouse is a junior student in the college of engineering. He has worked for the past three years on the editorial staff of the Sagebrush. He is a licensed printer, having served in that capacity for the past five years. Morehouse is prominent in student activities, being a charter member of the Press club, wearer of the italic N, and an honor student. For the past year he has served as assistant night editor of the Sagebrush.

McMenamin is a sophomore student and present sports editor of the paper. He is also connected with a local paper. McMenamin is a member of the Press club, wearer of an italic N and is affiliated with the Lambda Chi Alpha fraternity.

On the business side of the Sagebrush there are two men qualified for the position, William Crowell and Lowell Russell, both junior students.

Crowell is serving his third year on the Sagebrush and has proved himself to be thoroughly capable of holding down the position of manager. He is assistant varsity yell leader and is a member of Sigma Alpha Epsilon fraternity.

Russell has also served three years on the business end of the paper and has worked well. Russell is a member of the men's upperclass committee and belongs to the Delta Sigma Lambda fraternity.

There is but one man eligible for the office of editor of the Artemisia and that is Robert Creps, a sophomore student in the college of arts and science. Creps has served for the past two years on the editorial staff of the yearbook. He is a member of the Press club and Phi Sigma Kappa.

On the business staff of the Artemisia there is a man and a woman who are eligible for the position. Adelyn Rotholz, a junior student, has served on the Artemisia for the past three years. She is prominent in journalistic work and is a member of the Fine Arts group.

Donald Brown, a junior student, has served on this publication for the last three years and has shown himself to be very capable. Brown is prominent in journalism and is a member of the Phi Sigma Kappa fraternity.

Officers Requested To Admit Identity

If "Bill" Gilmartin rings you up in the middle of the night and asks you if you're a class officer, don't think you're being bothered but merely attribute it to the fact that our conscientious editor is trying to complete the Artemisia even in the face of great adversity.

When Gilmartin started to make up the class pages he found out that he didn't know whose pictures should be put on them, and after much inquiry he found that no one else knew, either. By searching through back issues of the Brush he found the senior officers and after tagging every political "hot spot" on the campus he discovered who were the respective presidents.

Finally, he enlisted the aid of his editorial bloodhounds, who found some students who admitted holding a place on the slate, but when it came to remembering exactly to which office they had been elected they knew even less about it than Bill himself.

Now Bill is getting desperate, and has asked the Brush to help him out. So in behalf of a harassed editor we ask you. If you think you hold a class office or know who does please report at once to the Artemisia office.

THANKS TO STUDENTS

I would like to take this means of expressing my appreciation for the confidence shown in me in the recent A. S. U. N. election.

I will do all I can to get the new constitution started and with your cooperation I am sure the next year will be very successful for the University of Nevada.

BILL AIDS STUDENTS

The five-day week six-hour day bill before congress now is of vital importance to college men and women.

On the bill hinges the decision of whether our college education will give us a financial return or merely a cultural one.

If this measure does not pass, it is almost certain that not more than two or three out of ten college graduates will be able to procure jobs. It also directly affects the fathers and guardians of students, as well as students working their way through college.

Because of improvements in machinery since 1929, President Roosevelt estimated that even if conditions were as good as they were then there would still be more than six million men unemployed.

The only way to remedy such a condition is to divide the work and cut the hours.

The bill, most authorities agree, is the one real act which will do more to end the depression than any other one yet presented.

It is undoubtedly the most important legislation ever considered in the United States senate, and it is imperative to the future welfare of the citizens of the United States, particularly to young college graduates who are just entering the business world, that this bill is passed. If it is passed it will be another step toward the subjection of individual greed in order to provide for the good of society.

APPRECIATION

Realizing the good fortune of having an extensive improvement program carried out on the campus without any direct or heavy expense, the University of Nevada acknowledges with appreciation the goodness that is being derived from such work.

Since early December from twelve to twenty-five men have been constantly employed in repairing buildings and improving the landscape of the university, without any expense to this institution aside from the actual cost of the materials used.

The wages paid the men busily engaged in bettering the plant of the university have been met by the State Relief Committee, financed as a relief measure by the Reconstruction Finance Corporation.

In view of the present financial condition of the University of Nevada, many months would have elapsed before sufficient funds could have been acquired to instigate such a program of improvement without the aid of outside finance. That the need of immediate repair and improvement was essential was clearly evident.

Nevada was indeed fortunate in having been allotted a share of the relief work at this time. And at the same time the worthiness of such expenditures cannot be questioned.

The University of Nevada appreciates the attitude of the State Relief Committee and doubly appreciates the work that is being done to better the institution.—E. M.

With the announcement that all representatives from the fraternity, sorority and independent groups must be elected before the first of May for the new A. S. U. N. senate, it is well to keep in mind possible representatives from each organization that will not only be a credit to the house or group but will be one whose interests lie with Nevada and who can be depended upon to make this new form of government all that its instigators claimed for it.

Proposed Amendment

An amendment to the By-Laws, Article IV, Section 7, Part B. 1. To be eligible for an award in debate, a student must be of at least junior standing in the university, and shall have participated in at least two intercollegiate debates of such quality as may be deemed by the director of forensics as of major importance. The award for debate shall consist of an official forensic key of suitable design, and made of sterling silver. A debater who shall have had three years of intercollegiate debate and who shall have been recommended by the director of forensics for such an honor shall receive a gold key of the official design. 2. To be eligible for an award in oratory, a student shall be of at least junior standing and shall have participated in at least one major intercollegiate oratorical contest. In case a student shall have won that contest and consequently be ineligible for further competition therein, he shall be eligible for the award regardless of standing in the university. The official award for oratory shall be of the same fundamental design as that for debate, except that it shall specify oratory. In case a student shall have competed in intercollegiate oratory for at least three years, he shall be eligible for a gold key. 3. The conditions and awards for extempore speaking shall be the same as those for oratory, except that the awards shall specify for extempore speaking. 4. In no case shall a student be eligible for more than one silver or gold key for participation in the same kind of speech contest. He may, however, be eligible for keys in more than one of the above types of contests.

Wolf Howls

By WALT HERZ

After that overwhelming election the "whips" of the ever functioning committee deserve honorable or perhaps dishonorable mention. It seems that first to Junius Dixon goes an orchid for bucking the Arentz supporters and insisting upon Jim Wallace, and then to Sir Galahad Mann a rose for organizing. Katie McCormack got in her licks supporting the old gang. All in all it was an example of party loyalty, even though principle and the purpose of the new constitution were slightly overlooked.

Power of the Press, or Scoop, or Brisbane McMenamin in his quest for news stretched a point the other afternoon. He ducked out for "five" from a lab and borrowed Kay Hansen's bicycle. But the wheel didn't hug the ground like his old blue crackerbox car and Bill took an embarrassing tailspin. When he returned to lab he had changed the breeches which had become desecrated.

A suggestion for spring remodeling of the Student Union building might be to set up a rack for steins for beer drinking individuals. When they roll out a keg they might as well have all the proper atmosphere. And sawdust on the floor. Or is there a law agin that? It is disconcerting, though, to burst into song at Becker's or Maddy's and have less hilarious toppers stare you down.

Next in importance to the A.S.U.N. elections are the publications board elections, when the gray jobs are doled out. When the ballots are cast Monday the predictions are that Creps and Brown will be selected to pilot the 1934 Artemisia, and that Bill Crowell will manage the Sagebrush. Doubtful as yet is the editorship of the Brush, with three men eligible. Morehouse, McMenamin and Dickerson. There are three votes in one fraternity which will decide the matter, having

one vote for each candidate pledged with the exception of Dickerson, who is being groomed for his senior year. such profs as Harwood, Haseman, Jones, Marty and a few others.

There are three reasons for hanging a pin, says Jim Cazier. One, in order to give out cigars and candy. Two, to gain publicity, and, three, to insure the gal's being there when you call. Just which one might we apply to young "Doc" Paradis, who has twice decorated a tender bosom in the past fortnight, and on such short notice. And comes the flash adding more glory to S. A. E. Howard Brandeis parted with his jewelry in the favor of Odessa Bick, whose name sounds just like a shaving cream.

There is evil in the air when the master minds are found plotting together. Or so it seems when Hartung, Prexy Lee and Van Voorhis huddle over some of the 3.2 at noon. Maybe B. A. Van is angling for the graduate manager's job. But it looks as though that dignified position will be abolished until people begin leaving two-bit tips under plates again.

There is no mad scramble of profs applying for the chairmanship position on the finance control committee. Such honor comes to but few men, and with it a glorious pain in the neck. But the student government would soon find itself on shaky legs if it were not for the effort expended by

WHAT TO DO ABOUT IT—No more beautiful profile exists on the campus than that of Virginia Wheeler . . . Bowser Hill has a job lined up for the summer to play ball with the F. F. E. at Roseville . . . The Lambda Chi celebrated in liquid manner their political victory, inviting loyal supporters . . . Cords have been largely displaced this semester by tweeds . . . Recognition has been granted the fine arts group by President Clark, who has directed that a record of their exhibits be published in the 1933-34 catalog . . . No one seems particularly broken hearted about the election re-

R. O. T. C. TO BE INSPECTED The University of Nevada R.O.T.C. cadets and band unit have been going through intensive drill work on Mackay field in preparation for the annual Ninth Corps area training inspection to be held here May 1. Major Charles McCarthy, Ninth Corps area, will take charge as inspecting officer. The matron in charge of the co-ed dormitory at Southern Methodist university has such a charming personality that students who go to the hall for their dates frequently become engrossed in conversation with her and forget about the girls they came after.

Dorothy Nason Leaves for Texas For Athletic Meet

First Nevada Representative Will Act on Advisory Committee

For the first time since the Women's Athletic Association of the University of Nevada joined the national women's athletic organization, the Nevada delegate to the national conference will act on the national advisory committee.

Dorothy Nason, who will represent Nevada at the conference in Austin, Tex., was chosen from delegates from 145 other colleges throughout the United States, to meet with the delegates from Syracuse and Wisconsin and with the president of the conference and the secretary-treasurer. The advisory committee, on which Miss Nason acts, is the most important committee of the Athletic Conference for American College Women. At the meeting in Texas this committee will plan the national budget for the next three years, will discuss appointing a full time secretary-treasurer and arrange her salary, will discuss a new divisioning of the states into sections and will appoint the secretary-treasurer for the organization. The committee is also an advisory group for all convention matters. Besides receiving the honor of acting on the most important national committee in the organization, Miss Nason has also been chosen to give the report of the sectional conferences of the western colleges. She will report on the conference held at Nevada two years ago and the one held at U. C. L. A. last year.

Spring Is Occasion Of Women's Tennis

With the advent of spring weather, women's physical education classes have taken to the tennis courts as a part of their regular gym work. Equipment is supplied by the players and instruction in services and the various strokes is supervised by Mae Bernasconi Simas, assistant instructor in physical education. Practices for the interclass meets are continuing until after Easter vacation.

SOCIETY

Alpha Deltas Have Tea
The members of Alpha Delta Theta and their friends enjoyed a delightful tea Sunday afternoon at the home of Mrs. George Barber. The table was decorated with a lace cloth and yellow candles in tall silver candlesticks. Miss Blanche Radcliffe poured. Those attending were: Mesdames George A. Barber, E. E. Powles and Vera Wilson; Misses Polly Howard, Isabel Baker, Ruth Brandis, Ruth

Gothic N Holds Initiation While Outing at Galena

Eight women were initiated into the Gothic N society, women's honorary athletic association of the university, at ceremonies held at Galena Creek early Sunday morning. Officers for the year were chosen during the outing. The new members are Myra Sauer '34, Ruby Hoskins '35, Helene Stark '35, Marthine Solares '34, Blanche Keegan '35 and Elizabeth Frey '35, all of Reno; Charlotte and Dorothy Pope '34 of Virginia City and Helen Olmstead '33 of Wells. After initiation ceremonies a regular meeting was held, at which Genevieve Wolfe '34 of Sparks was elected president, Dorothy Pope '34 of Virginia City vice president and Ruby Hoskins '35 of Reno as secretary-treasurer. Mrs. Mae Simas is advisor to the group. Gothic N sweaters were presented to the new members. To earn these sweaters a woman must have made two varsity teams or one varsity team and one proficiency team. The awards were made by Della Renfro, past president, and Margaret Kornmayer, past secretary.

Sauer, Lucille Berg, Mary Nay, Helen Records, Blanche Radcliffe, Alice Parman, Lois Barber, Juana Barber, Lucille Hook, Elizabeth Barnes, Velma Ramsella, Ruth Holliday and Julia Zunino.

Sorority Gives Party

Beta Sigma Omicron will give the second of a series of card parties on the afternoon and evening of Saturday, April 22, at the sorority house, 688 West street. Mildred Goebel and Marian Jones are in charge of the affair. Reservations may be made by calling the chapter house.

Delta Sigs Elect

At a recent meeting the members of Delta Sigma Lambda elected officers for the following year. The men chosen were: Lowell Russell, president; Grant Rice, vice president; Kenneth L. Austin, auditor; Forrest Bibb,

Spring Festival Theme Chosen

The enacting of "Iphigenia," the Greek story by the Greek tragic poet Euripides, will be the main feature of the annual Spring Festival to be held probably on April 29. Several graduate students, under the direction of Miss Elsa Sameth, professor of physical education for women, have been working on this Greek story. Besides Miss Sameth's dancing classes, any woman student interested in the Spring Festival may participate.

Sundowners Have Picnic

Members and friends of the Sundowners, a good fellowship organization for men on the campus, enjoyed a picnic at Galena Creek Sunday afternoon.

After an informal afternoon around the campfire initiation ceremonies were held at sundown. Those initiated were Edgar Olsen and Eddie Martinez of Reno, Lloyd Guffrey of Sparks, Ken Austin of Ely and Steve Comish of Elko.

Among those attending the picnic were John Flournoy, Ken Austin, Pat Sanford, Keith Lee, Steve Comish, Vic Carroll, Bill Eldwell, Al O'Connell, E. Seliger, Cecil Stowell, Lloyd Guffrey, Mike Gould, Edgar Olsen, Bill Gilmartin, John Stock, Professor Bixby, Chet Scranton, Gene Melaney, Jerry Harbert, Helen Malloy, Dortha Robertson, Theresa Jareaugi, Helen Lewis, Vir-

ginia Murdock, Violet Ribaleati, Betty Howell, Sally Fagan, Caryl Carmen and Mary McCullough.

Miss Mae Vulich is the guest of the Gamma Phi Beta sorority house during the Easter vacation. Miss Vulich is teaching in Hawthorne. She was a graduate with the class of '32.

Initiation ceremonies were held at the Gamma Phi Beta house for Eleanor Bateman of Tonopah last Sunday. Following the initiation a dinner was held at the chapter house in honor of the new member.

Nevada Alpha of Sigma Alpha Epsilon gave its annual formal dance at the Twentieth Century club Friday night. Decorations consisted of an enlarged reproduction of the fraternity pin, made of violet corsages and marigold boutonnières.

Patrons and patronesses of the chapter who attended were Mr. and Mrs. F. E. Humphrey, Mr. and Mrs. T. W. Martinez, Mr. and Mrs. S. E. Ross, Mr. and Mrs. Richard Kirman Jr., Mrs.

Hepburn Lunsford, Miss Margaret E. Mack and Miss Louisa M. Sissa. Darrel Barry and Max Kepl and their orchestra, furnished music for the affair.

Tri Deltas Entertain

The student body presidents of the various schools were guests of honor at a luncheon given at the Delta Delta Delta house last Thursday. The guests of honor present were: Charles Cavanaugh, Bud Lloyd, Joe Oleata, Floyd Hand, Francis Gilbert, Russell Byington, Ty Cobb, Harold Depaoli, Dan Gordon, Vernon Scott, Fayette Hill, Zelma Givens, Katherine Bates, Eileen O'Carroll, Woodrow Wilson and Paul Anarez. The hostesses present were: Dortha Robertson, Margaret Kort-

mayer, Caroline Hunt, Jerry Harbert, Virginia Cole, Katherine McCormack, Katherine Ligon, Nadine Fisher, Anne O'Neil, Elva Neddenrep, Helen Malloy, Jerry Bingham, Phil Mann, Ruth Brown, Claire Galvin, Enid Harris, Blythe Bulmer, Dorothy Shilder, Myra Sauer, Jean Sauer, Ina Johnson, Jessie Gulling, Peggy Johnson, Bobbie Browne, Charlotte Robinson, Odessa Bick, Frances Smith, Marjorie Cannon, Maryanne Peck, Sam Arentz, Gene Sallet and Vernon Loveridge.

Sixty-five students at Syracuse U. mop floors to earn their tuition.

STUDENTS' CRUISES

Magazine subscription scholarship workers and crew managers write immediately for very best student scholarship offers of leading publishers. Can be worked there now. Permanent positions if experienced; also summer crews for U. S. and foreign territory. For full details write The Collegiate Scholarship Institute, 219 Republic Building, Miami, Fla.—adv.

Sigma Nu Trackmen Carry Off Honors In Annual Contest

A.T.O.s. Contest Lead for Time But Drop Back Before Final Period

Bledsoe Is High Point Man, with Jack Hill Only Few Points Behind

Piling up a total of 58 points, more than they were conceded by their most optimistic backers in previous dope, the Sigma Nu trackmen captured the interfraternity trophy at Mackay field Saturday.

Despite a cold wind, which worked a hardship on the runners, and kept down some of the marks, the trackmen found their stride and made good showings.

Alpha Tau Omega managed to gain some unforeseen points, and at one time pressed close to the Sigma Nu lead, but by the end of the meet was some 16 points behind the leaders with a score of 42 1/2. Sigma Nu finished third with 27 1/2 and the Independents came in fourth place with 10. Other scores were: Phi Sigma Kappa, 6; Stray Greeks, 6; Lambda Chi Alpha, 3; and Sigma Alpha Epsilon, 2.

Bledsoe High Point Man

Dan Bledsoe of Alpha Tau Omega and Jack Hill of Sigma Nu vied for high point honors, with Bledsoe holding the upper hand with 19 1/2 points to Hill's 18.

A clean sweep in the mile and the three first places in the 880 yard run put the Sigma Nus on top in the point column, and with four more first places and scattered seconds and thirds they managed to keep well in the lead.

No records were broken or even threatened at any time during the meet, possibly because of the chilly wind, which made it hard to loosen muscles and hit good strides. One timer clocked Harvey Hill, varsity sprint star, at 9.9 in the 100 yard dash, but because of the strong tail wind the time was registered at 10 flat.

Smythe Stars

John Smythe, running for the Stray Greeks in the two mile, set a fast pace which Sam Arentz, another favorite,

could not hold. Smythe kept his lead far ahead of the others and managed to lap two other contestants, cutting off five seconds from the two mile time he established in the interclass meet.

Coach "Brick" Mitchell would not let some of his men compete in the allowed number of events, since the cold weather, combined with none too supple muscles, might have caused serious injuries to the men he believes will score points for the Wolf Pack in the Cal Aggie meet tomorrow.

Results of the meet were:
100 yard dash—H. Hill, S. P. S., first; J. Hill, S. N., second; Leighton, S. N., third; Noyes, Independent, fourth.
220 dash—H. Hill, S. P. S., first; Leighton, S. N., second; Beemer, S. N., third; Noyes, Ind., fourth.
440 dash—Beemer, S. N., first; West, Phi Sig., second; Best, Lincoln Hall, third; Leavitt, A. T. O., fourth.
880 yard—Salisbury, S. N., first; F. Leonard, S. N., second; P. Leonard, S. N., third; Fontana, A. T. O., fourth.
1 mile run—P. Leonard, S. N., first; F. Leonard, S. N., second; Seaborn, S. N., third.
Two mile run—Smythe, Stray Greek, first; Arentz, L. C. A., second; Seaborn, S. N., third; Harcos, A. T. O., fourth.
High hurdles—Hromadka, Ind., first; Guffrey, A. T. O., second; Hunting, S. P. S., third.
Low hurdles—J. Hill, S. N., first; Hromadka, Ind., second; Hunting, S. P. S., third; Brown, S. N., fourth.
Shot put—J. Hill, S. N., first; Turner, Phi Sig., second; Theis, A. T. O., third; Gerow, S. N., fourth.
Discus—Bledsoe, A. T. O., first; Cashill, S. P. S., second; Stephens, S. A. E., third; Stowell, S. P. S., fourth.
Javelin—Bledsoe, A. T. O., first; Beacas, A. T. O., second; Stowell, S. P. S., third; Stevens, Stray Greeks, fourth.
Pole vault—Dennison, A. T. O., first; Bledsoe, A. T. O., and Vance, S. P. S., tied for second.
High jump—Bledsoe, A. T. O., first; Hawkins, A. T. O., and Kottke, Lin-

Dortha Robertson Named President Of Chi Delta Phi

Dortha Robertson was elected president of Chi Delta Phi, English honorary society, at a meeting held last Thursday night. Margaret Martin was chosen vice president, Charlotte Pope treasurer, Mary Williams secretary and Florence Frank guide.

The election followed impressive initiation ceremonies conducted by the old officers for the four new initiates into the sorority—Glenna McQuerry, Florine Frank, Mary Ann Peck and Ruby Hoskins. The new members were chosen last month on the basis of their work in English and on their general average, which must be above a 2.0.

The last activity of the sorority this semester will be a formal banquet on April 25, which will be held in commemoration of the original English society, D. A. E., joining the national Chi Delta Phi.

Broad jump—J. Hill, S. N., first; Hunting, S. P. S., second; Kottke, Lincoln Hall, third; Salisbury, S. N., fourth.
Relay won by A. T. O. team, composed of Bledsoe, Leavitt, Fontana and Dennison.

Murray English has resigned from membership of the Beta Kappa fraternity.

Professors Attend Education Reunion

Dr. F. W. Tramer and Professor H. N. Brown of the department of education of the University of Nevada spent a recent weekend in Berkeley, where they attended the twentieth anniversary of the founding of the Lambda chapter of Phi Delta Kappa, leading fraternity of professional educators in the United States.

Professor Brown has for the past seven years been an active member of Delta chapter of Stanford university, and Dr. Tramer was initiated in Lambda chapter at the University of California nineteen years ago, the first year following its inception. The anniversary was celebrated in a joint meeting between the members of the California and Stanford chapters.

Service, leadership and research, the three ideals of the fraternity, were discussed by Dean E. P. Cubberley of

Stanford university, O. S. Hubbard, superintendent of Fresno State Teachers' college and by Professor Noel Keys, University of California.

Dr. Tramer and Professor Brown declare the anniversary to have been one of the most interesting, educational and successful functions ever to be held under the auspices of the fraternity.

Wesley Kennedy, who has been convalescing since March 24 at the university hospital, will be thoroughly recovered in a few days, according to Mrs. Ethel Shurtleff, matron. Kennedy was operated upon for appendicitis at a local hospital on March 23.

Why is the Stem removed from the tobaccos used in Chesterfield?

That's a very simple question to answer. The stem in a tobacco leaf, like the stem in most other plants, is "woody". It hasn't any of the flavor or the aroma that you want when you smoke. And it doesn't burn right.

So after tobacco has been properly aged, one of the first things to do is to remove the stems.

But what has this to do with your enjoyment of Chesterfield cigarettes? Just this. It means that we start right when we make Chesterfield—the right kind of leaf with the stem removed, the right manufacture—everything that science knows that can make CHESTERFIELD a milder cigarette, a cigarette that tastes better.

That's why people say "They Satisfy."

Tobacco used to be stemmed by hand—Now this machine stems 14,300 leaves every hour.

Wherever you buy Chesterfields, you get them just as fresh as if you came by our factory door
