### "CAN'T TAKE IT"

The freshmen, it would appear, can "dish it out" but cannot "take it." A large number of first year students, whom the sophomore class has proved incapable of handling, was called before the upperclass committee last Wednesday. Bill Beemer, committee chairman, explained that Nevada traditions are going to be enforced and asked for co-operation from the miscreants. After carefully questioning each individual freshman, the committee found that some deserved punishment. The majority of them took their medicine like men but, unfortunately, two became belligerent. One had to be pursued and punished in front of the library, while the second submitted with very poor grace and after his paddling gave the committee to understand that he would not soon forget the occurrence.

It is regrettable that such unsportsmanlike attitudes should be held by students who are just entering university life. A few "soreheads" in a class reflect upon the class as a whole in a very ugly manner. The traditions exist because years of students have so willed them, and are not so stringent that they cannot be abided by without undue discomfort. They are part and parcel of university life and serve as a molding and binding force in the student's initial year on the campus.

Contrary to general belief, upperclass men do not take a fiendish glee in paddling freshmen. The matter of enforcing traditions is not optional, but mandatory. When a particularly obstreperous freshman class runs roughshod over the campus disciplinary measures become necessary. It is hoped that in the future when freshmen wilfully flaunt University of Nevada traditions they at least will be sports enough to stand up and "take it" when the day of reckoning comes.

### WOMEN'S RIGHTS

Within the last few weeks two questions of vital importance to women students have come before the general student body for consideration.

The University of Nevada was founded as a co-educational institution, but ever since its beginning the men students have been the privileged group, holding all important offices and controlling student affairs. Gradually, however, the women changed this idea slightly. They are allowed to hold minor offices and have been given representation on committees, but even now they still have to beg, demand and fight for respect and consideration from their fellow students.

Only last year, when the A.S.U.N. building was opened, there was no provision made for an office for the A.W.S. president. The A.S.U.N. executive had an office, but the women's president still had no place to keep her records, no place to centralize her business. Two weeks ago the present A.W.S. president went before the executive and finance control committees and, after arguing hard, was given space in the Student Administration building for an office.

Again, when the constitution of the A.S.U.N. organization was revised last year, the women students were overlooked. The clause which granted life passes to all University of Nevada athletic contests to Gothic N members was omitted in the revised constitution. Neither the members of Gothic N nor the women students were consulted in the matter, and now there is an amendment before the student body to include again the clause giving Gothic N women the same privilege as Block N men.

This clause should be adopted without comment because it was merely overlooked by the revision committee. The women have just as high athletic standards as do the men; they support all the men's athletic contests, and should be entitled to some permanent recognition for outstanding athletic ability and good scholarship, with Gothic N members uphold.

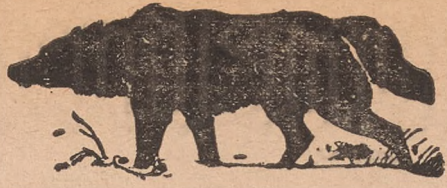

It is not because women are less intelligent than men nor less efficient that they are forced to fight for equal rights, for records show that the women students make higher averages than do the men, that there are just as many women's organizations on the campus as men's and that there are just as many women in activities as there are men, and that there is even more variety in women's sports than in men's.

It would be a great step forward if the privileges and honors of the University of Nevada student body were divided equally between men and women.

### NIGHT RIDERS

In spite of efforts made on the part of prideful students to preserve the beauty of the campus and of the upperclass committees to punish high-heeled vandals who walk on the lawns and pick flowers, there are this semester a few people who delight in driving cross-country on the lawns and landscaping in automobiles.

Our campus has a reputation for being one of the prettiest and best taken care of on the coast. People who drive on lawns should get wise to themselves.

## Wolf Howls

By BERTH-A PRATTLE

Now I heard—that the grog you get at Truckee is like unto firewater—that Doris Shaver and John Lewis had a "swell time" coming home on the train together. John isn't afraid of a big bad wolf, not with what he had.

When all of these sweet little frosh go to the game they ought to stay away from the Pi Phi at Cal—don't you know better than that Jack Becker, "Klotzie" Herz, and Si Ross. You might expect an S.A.E. to hold his own, but a Sigma Nu like Oliver Aymer—especially when he left Rita Winer at home.

We all want to know why Bill Beemer went to Sacramento after the game and stayed there until Sunday night—could it be "Just a Cottage Small"?

Talk about pals cutting each other's throats, Lionel Jasper slit Stan Lehigh's from ear to ear with Florence. Don't tell me there is going to be another wedding?

Mary Connelly was so lonesome last weekend because all the boys went to San Francisco.

There must be something in going away for the game—after all Bud Loomis came back feeling gay over one thing and another. By the way, did you know Leone was wearing his Sigma Nu pin?

Minor Kibby and (?) ought to loosen up and pay train fare once in a while—that seems to be quite a habit with you Minor—remember the last game when you rode the rods?

Evelyn Semenza and sister Gracie (not Allen) went down on the train. You hadn't heard? Oh! yes, they were there in berth No. 11. No, it wasn't 11, that was Bill Harcross. It must have been No. 12.

Would you believe it, an S.A.E. poked his head in through the curtains of a Pi Phi's berth and said, "Pardon me, I was looking for someone else." Who was he looking for?

Opportunity knocks and being thankful for the chance we gladly dish up a choice morsel of dirt. Picture, if you can, two budding journalists taking out a couple of nurses from the French hospital in San Francisco the night of the Cal game. The gals were due in at 11 p. m., but the hotel lounge was so very comfy that one can easily understand why they didn't tear themselves away before 1:30 a. m. That's that, Bill and Bill, or should we say coo and cool!

There are lots of things we heard about Betty Howell, but she just can't seem to help breaking into print. Is Paul giving her the run-around, or is she giving him her old line?

What did Charlotte Robinson do at the Lambda Chi house in Berkeley and why doesn't she stop talking about it?

Talking about pins, John Fuller hung his Phi Sig pin on Lorraine Johnson so he'd know where she was at night.

This wasn't told to me; I only heard.

The "game" seemed to have had influence on two of the newlyweds on the hill. We wonder how they liked the handsome Cal Aggies that they went out with while their husbands were at home.

Then there is the fair(?) Theta who is only a soph and was sitting on the senior bench last week.

Why was it that the S.A.E.s. spent all of their time drinking at a certain sorority house in Berkeley last weekend?

What could have been the reason for Lynn and Nell spending their time

## Engineers Retain Standard Number

### Decreased Enrollment in Other Technical Schools Not So at U. N., Dean Says

Although enrollments in the technical schools all over the country have shown a sharp decline in the last two years, there has been no marked change in the College of Engineering at the University of Nevada. Such was the report of Dean F. H. Sibley at the close of registration.

Dean Sibley reported a total engineering registration of 175 students, which is about average for the past several years, and an increase of four students over last semester's enrollment. Of last semester's undergraduate engineers, only 33 failed to return or enroll in another branch of the university.

A decline in the number of freshmen engineers was about evenly balanced by increase in transfers from other colleges, and an abrupt drop in the number of upperclassmen who usually fail to return to school. The dean of the Engineering College explained that more upperclassmen left school when jobs were more plentiful than have during the past few semesters.

According to Dean Sibley conditions in the fields of engineering are showing a marked improvement, and some of the large companies are again making enquiries about Nevada's graduating engineers. Representatives of the Bell Telephone company state that no engineers have been released by that organization because of the business depression, and that because of this fact new ones are not expected to be needed for some time.

As usual the school electrical engineering has the largest enrollment with 65 members, while the Mackay School of Mines follows with 43. The department of mechanical engineering registered 32 students, and school of civil engineering, 32.

going shopping and at only certain places?

And who, pray tell, was the glamorous individual who prepared himself (in spirits) so completely that game time came and passed with the rah rah collegian coming to some three hours after the game? What leaving home won't do to some people.

No U.C.L.A. student is allowed to walk on the great seal in the library foyer.

## Freshmen Again Turn Tables on Sophomore Class

Thirteen freshmen were supposed to be laked by the sophomore laking committee last Monday. All the freshmen appeared at the lake at 1 o'clock, but the majority of the sophomores, it appears, had very urgent engagements elsewhere and only two sophomores turned up at the appointed time. One of these was thrown in the lake by the frosh, while the second, along with some others that appeared rather late, ran off and hid.

The frosh then placed a sign on the bulletin board stating that "all sophos must wear their dinks in the future," creating quite a furore on the campus.

The freshmen present at the laking were H. Herz, R. Smith, Fred Corle, Dick Haman, Jack Palmer, J. Herz, M. Alcave, S. Ross, O. Aymar, C. Moore and D. Dixon.

## No Accidents Mar California Game Trip

Unlike the game trips of other years not an accident marred this year's trip of the Nevada students to the Nevada-California game. The weather was good and on the day of the game the highest temperature of the month was recorded.

The large group of students from Nevada who attended the game left Friday night on the train and in cars. All returned Sunday without mishap.

## Blue Key Members Select New Men

One of the most important meetings of the year of the Nevada chapter of the Blue Key, national service fraternity, was held September 28. The semi-annual election to membership was held and 19 candidates were selected. The group now has a full quota of 35 members. The new members are: Don Atcheson, Ralph Menante, Herbert Peck, Robert Creps, William McMenamin, William Gelder, Charles Worn, George Steffens, Denver Dickerson, William Crowell, Ernest Mack, Gary Callahan, Elmer Hawkins, John Flournoy, Al Redman, Robert Harris, Lino Del Grande, and Lionel Jasper.

A dinner to hold a social hour between the hours of 7 to 8 p.m. in the university gymnasium, was announced by the group. The first social hour was held last night.

The members of the committee that were appointed to handle this social hour were: Ken Johnson, chairman, Dan Harvey, Paul Fontana, and Bud Loomis.

### Nevada Freshman Tells Interesting Travel Experiences

Robert Smith Discusses Visits to Foreign Countries

Cadet Experiences Worst Typhoon of Pacific During Trip

After experiencing one of the worst typhoons in the history of the Pacific ocean and spending four months on a tour which took him around the world, Robert (Bob) Smith is now starting his freshman year on the University of Nevada campus.

Smith, who is a graduate of Santa Rosa high school, is taking a course in English, preparing to write his adventures. Since returning from his a pledge to Sigma Alpha Epsilon fraternity.

#### Sailed at Cadet

Leaving San Francisco last October, Smith sailed on the S.S. President Hayes as a cadet. The trip took him to Hawaiian Islands and from there directly to Kobe. It was during this part of the voyage that the Hayes encountered the typhoon.

"The foreign people are quite friendly to Americans," Smith said, "and a dollar will go a long way in the Orient. Another interesting fact is that in Japan, one finds cities that are comparable to our American cities in one section, while only a few blocks away people are living under the most deplorable conditions."

#### Leaves China

Leaving Japan and China, the Hayes next visited India where Smith witnessed a riot staged by members of

### Sagebrush Staff Meeting Is Held

The last issue of the Sagebrush was of special interest to everyone who tried out for positions on the staff. The new masthead was issued at that time telling many anxious tryees whether they would be included as reporters on this year's Sagebrush.

At a meeting of the Sagebrush staff Monday William McMenamin, editor, and Edward Montgomery, associate editor, stressed the facts that if a reporter wished to maintain his place on the staff he or she must be present at all staff meetings and must get all assignments in on time. All reporters are still "on probation" and must govern their work accordingly.

Ghandhi's political party. Smith also glimpsed the Indian leader during a demonstration in Bombay. Christmas Day was spent in Jerusalem, and New Year's Day saw the voyagers in Rome. From Rome, Smith visited Genoa and Marseilles and passed through the strait of Gibraltar. The next port of call was New York, and from there the Hayes visited Havana before sailing through the Panama Canal, reaching San Francisco during the latter part of January.

#### Does Odd Jobs

"A cadet," Smith said, "does odd jobs around the ship, sometimes scrubbing deck, acting as lookout and spending several hours a day at the wheel. Three cadets sail on a ship each voyage."

Smith is especially anxious to return to the Orient where he is planning on buying several pieces of Damascus steel and other interesting objects of oriental art. Immediately after leaving school next May, he will embark on another round the world voyage on the Hayes. He will be gone for four months and will probably return to school in January.

### Football Programs Issued to Feature Homecoming Tilt

An 18 page, fully illustrated Homecoming day football program will be issued by the publications board, it was decided this week. Because of financial conditions there will be no programs issued for the other two games to be played on the home field.

The Homecoming program will include both the football program and a complete schedule for the entire Homecoming day celebration. Pictures of the outstanding players on both teams will be a feature of the program, which will also contain write-ups of the teams.

The programs will be printed by the Reno Printing company and will be made of book paper with a unique cover similar to the design of those issued by coast universities. The selling price of the bulletin has not yet been decided.

The committee in charge of the publication of the program is Donald Brown, chairman, William Crowell, William McMenamin and Robert Creps.

A fund of \$150,000 was left to Syracuse university for the aid of needy students.

### 'Collegians Broke,' Vendor Declares

"College kids, they ain't got no money." With the old, familiar complaint, Hossain Afghan, official ice cream vendor of the university campus, this week summed up his philosophy.

Hossain looked sad and thoughtful.

"None business she pretty poor this year. College kids they ain't got no money" but with a flash of white teeth "I lika them, lots of the pretty girls up here. Before I make the money, now I loosa the pocket money."

Afghan doesn't believe the depression is over or near over.

"President Roosevelt, he fine fellow, but nobody ain't got no money, nobody buy the ice cream cones like they use to."

"Other year these college kids, they looka me up, now I looka them up, but they no buy, they ain't got no money."

A California lumber company recently gave to the University of California a 2600 acre land tract on which will be built the second largest experimental school forest in the country.

### TONG MEN COMPETE WITH SORORITIES FOR LIBRARY NOTICE

With a number of men on the list of students subject to dismissal from the library, the annual dismissal derby of the sororities this week has widened its margins to include the fraternities.

The first place is held by the A.T.O.s. this week, with four of their men upholding the fraternity standards in this way. The Beta Kappas run second with two men and the Sigma Phi and S.A.E.s tie for third place with only one man each. With a start like this the men, it is believed, should be competing with the women in a few more weeks.

This week, however, the women are still ahead, with the members of the Tri-Delt house having eleven names on the list. The Phi Phis, who were first last week, run a close second to the Tri-Delts, this time with eight women on the dismissals. Only five Gamma Phis are entered in the race up to today.

### Nannini Leaves Here To Study Medicine

Leo Nannini, junior student of the University of Nevada, left last week for Stanford University where he will enter the medical school.

Nannini is one of the few three year students to be admitted to the Stanford school this year. Usually the majority of medical students have completed four years preparation.

A member of Sigma Alpha Epsilon

fraternity, Omega Mu Iota, honorary pre-medical society, and Blue Key, Nannini has been active in many campus affairs.

### U.N. 'Buy a Brick' Campaign Opened

#### Thirty Freshman Women Will Sell Tags to Campus

The "Buy a Brick" campaign committee will start its active work for the year on Homecoming Day, it was announced this week by Kathryn Johnson, chairman of the committee.

Approximately 30 freshman women will sell "buy a brick" tags, at the reduced price of ten cents, during the Homecoming game. The Women's upperclass committee will cooperate by seeing that the freshman girls report for duty and take an active part in the drive.

The tags will be sold at stands placed in various sections of the campus during the day, and the campaign will be carried on in the downtown district.

#### Purpose Given

The purpose of the campaign is to add money to the fund for the erection of a new Student Union building. None of the money made will be spent for further improvements on the present A.S.U.N. building.

Up to this time, most of the fund has been donated by senior classes and old grads, so it is hoped by the committee that the active students will contribute their share this year.

Last year the "Buy a Brick" campaign was omitted because of bank failures.

The committee is composed of the following students: Kathryn Johnson, chairman, Helen Record, June McCuire, Helen Malloy, Inez MacGillivray, Helen Lewis, and Florine Frank.

A meeting will be held next Tuesday at 4:15 in the Student Administration building.

### Women's Tennis Intramural Games Will Be Played

Tennis matches within the sorority houses will be played off this week to determine who shall compose the group of women who will participate in the women's intramural tennis tournament next week.

On Thursday afternoon the Pi Beta Phi women, under the management of Mary Vaughn, will meet to choose their representative. Those trying out are Mary Vaughn, Genevieve Ashworth, Betty Bowman, Elizabeth Hawkins and Genevieve Hansen.

Friday the Tridelt representative will be selected when Georgia Cole meets Charlotte Robinson. The winner of this match will then play Sarah Graves.

#### Gamma Phi

Only two women from the Gamma Phi group have announced their intention of trying out for the title. These two, Nell Lozano and Eleanor Totman, will play on Saturday.

The Thetas have a large number of tryees, Ellen Creek, Julia Sibley, Marie Morgan and Catherine Dondero and several others, have signed up.

#### Independents Play

Though they are not organized, two Independents have arranged a match, Helene Fulton and Grace Armbruster.

The matches promise to be good, as there are several very experienced players, and the winner of the title will have to be very good. Elizabeth Hawkins has been the state champion of Nevada for five years. Ellen Creek is a player of much promise, as are Georgia Cole, Mary Vaughn and Sarah Graves.

### Pan-Hellenic Lawyer To Be Chosen Soon

At the next Pan-Hellenic meeting, which will be held Tuesday, October 10, there will be an election of the new Pan-Hellenic lawyer. Mrs. Silas Ross, wife of Regent Ross, has held the position of Pan-Hellenic lawyer for the past three years, but resigned at the last meeting. The council will also decide upon the duties of the lawyer.

### Campus Y Co-Eds To Collect Money In Annual Drive

With the university Y.W.C.A. team collecting more money than any other group except one, the start of the annual Y.W. financial drive on the campus has been announced successfully by Florence Diskin, president of the college Y.

The university drive, headed by Louise Tidball and cabinet members, is a part of the organization's downtown campaign to raise funds among faculty members and assistants. The one week of its duration ends Tuesday.

Though this year the university group is not keeping a share of the money it is collecting, in former years it has been this fund which has resulted in the campus Y with such of its student aids as the book exchange, candy booths and student loan fund.

The money raised by this campaign will make possible a continuation of the town association's employment bureau, emergency housing and character building programs, and the re-employment of a secretary for the Girl Reserve movement.

Advisers in charge of the campus group include Mesdames Henry Byars, F. H. Heady, Ed Reed, Mae Simas and Misses Cornelia Williamson and Verdie Pant.

A tea was held Monday afternoon for students working on the drive and a dinner at the downtown Y.W. Members are also invited to luncheon every day that the drive is on, in the local Y.W. rooms, according to Miss Williamson.

### Sagens Organize Girls' Drill Team

Starting a precedent on the campus, the Sagens, women's pep organization of the University of Nevada, has organized a drill team which will parade at the various rallies and football games during the year. All members of the group will participate in this new feature and will have special uniforms for the drills. They will be led by Paul Fontana, student yell leader.

The organization will also enter a float in the Homecoming day parade, which will be built around the idea of service activities. It will also cooperate with the Associated Women Students in organizing the freshmen women for the sale of hot dogs, pop and candy at the football and basketball games.

Membership in the Sagens is based on popularity and activities. New members for the fall semester were not announced at the meeting held last Tuesday but will be named next week.

At this meeting the council will also make a few changes to the present rushing rules.

This year a new Pan-Hellenic scholarship plaque will be presented to the women's organizations making greatest increase in scholarship average over that of the previous semester. This award will be made by Dean Margaret Mack.

As Delta Delta sorority won the scholarship cup three semesters in succession, a new cup will be presented this semester to Beta Sigma Omicron sorority.

The date of the Pan-Hellenic dance has not yet been decided upon.

### Spectators to Eat Hot Dogs at Games

#### W. A. A. Has Charge of Sale; Money Will Be Used for Scholarship

With indifference to the digestion of credulous buyers, 90 pounds of weenies and 88 dozen hot dog buns will be offered to the spectators Saturday at the first of the three home games to be played by the Nevada varsity team this season.

This was the announcement made today by Myra Sauer, chairman of the W.A.A. refreshment committee who will be in charge of the sales. She stated that 35 freshman co-eds will be requested to report to her in the rear of the university gymnasium at 2 p.m. tomorrow to sell hot dogs at the first home game to be played against the San Francisco Olympic club. A list of the girls who will be required to sell hot dogs has been posted on the university bulletin board.

Failure to report for duty by any of the co-eds asked to sell refreshments at the game will result in a trial before the Women's upperclass committee and consequent punishment is the rule of upperclass group.

Hot dogs are sold each year by members of the W.A.A. in order to provide funds for the W.A.A. scholarship, given each year to the woman in the organization having high scholastic average, outstanding athletic ability, and who has not received any other scholarship.

Elizabeth Frey, Helene Stark, Miriam Butler, and Ruby Hoskins have been appointed to assist Miss Sauer in taking charge of the sales. The freshmen women will also sell hot dogs at the Homecoming Day game on October 21 and again at the final home game of the season to be played against Chico State college.

#### Hammond Elected Normal President

Mabel Hammond was elected president of the newly organized Normal club at a meeting held Tuesday in the Education building. Other officers elected were: Alice Gottschalk, vice president; Ruby Gubler, treasurer, and Fernley Rechel, secretary.

Plans were discussed for the club's annual dance and picnic. The latter affair was held at Bowers mansion yesterday.

## SOCIETY

John Molini, Ed Usnick and Oliver Sturla were visitors at the Beta Kappa house over the weekend. Molini plans to go into business in Reno.

Beta Kappa announces the pledging of Dudley Leavitt of Bunkerville, Nev.

Vic Kral, who dropped school early in the semester, due to an eye injury, is reported to be doing well towards recovery.

Miss Ann Jenkins and June McNamee spent last week-end in Susanville visiting their folks.

The women of Manzanita and Artemisia halls enjoyed a midnight Pajama party in the parlor of Manzanita hall last Saturday night from 12 to 1 a. m. Folk dances, the Virginia reel and ballroom dancing were enjoyed by all. Delicious refreshments were served.

Among those Pi Phis who attended the game last week-end at Berkeley are: Grace Semenza, Pat O'Connell, Kathleen Haffey, Annett Priest, Joyce Cooper, Doris Shaver, Evelyn Semenza, Margaret Traner, and Elizabeth Hawkins.

Miss Cornelia Williamson, captain of the university team of the Y.W.C.A. financial drive, entertained the members of the Y.W. cabinet Monday afternoon at her home on Maple street.

Business meeting was held and plans for the drive were discussed. Mrs. Henry Myers poured tea during the afternoon.

Beta Mu of Kappa Alpha Theta will present Betty McCullough, Jeanne Cardinal, Zoe Hampson, Eleanor Garrison, Annabelle Arentz, Louise Emminger, Ruth Palmer,

### Candy, Pop on Sale At Game Tomorrow

#### Frosh Women Will Aid A.W.S. With Refreshment Sale

The drudge of the Freshmen Women's year has begun!

Sale of candy, pop, and "pop" will begin on Saturday afternoon, when Nevada meets the Olympic Club on Mackay Field, was the decision of the A.W.S. committee in charge of sales at the games.

The committee, headed by Marjorie Cannan, met Monday evening to make definite arrangements for systematic and efficient sales. Working with the

Artemisia hall will hold its annual informal dance at Artemisia hall Saturday evening at 9 o'clock. The dance will be chaperoned by Miss Margaret E. Mack, Miss Mary O'Leary, Miss Becas and Mr. and Mrs. Venstrom.

Miss Margaret Place was hostess to several friends at her summer home at Homewood, Lake Tahoe, last weekend. The guests were Annabelle Arentz, Cornelia Arentz and Miss Mack.

The Beta Sigma Omicron sorority will be hostess at an informal pledge dance Friday evening. The decor-

chairman are: Katherine Dondero, Agnes De Armand, Madeline Miller, and Orva Selkirk. Four more upper class women will be appointed to the committee to aid in assisting the yearlings with their work.

The money netted from the sales is applied on the yearly scholarship given by the A.W.S. This award is given to the most deserving woman making the highest general average and not receiving any other scholarship.

MANZANITA DANCE

Manzanita Hall Association will hold their first dance of the semester at Artemesia Hall Friday, October 6. The dance is to be informal. Their formal dance will be some time in December.

# 1934 Basketball Schedule Drawn For High School

### Outline of New Referees' Association Is Given by Scranton

### Freshman Hoop Schedule Also Drawn at Meeting

The 1934 basketball schedule for Nevada high schools and the University of Nevada frosh was drawn up and a temporary outline for the newly formed referees' association was presented at the meeting of coaches and representatives of eleven local high schools here last Friday.

**Scranton Reports**  
"Chet" Scranton, University of Nevada freshman coach, and Jack Walters, former U. of N. football player, reported on the referees' association which will be formally organized later on this year. A discussion on football rules, inter-scholastic athletics and football officials was also held.

Although the University of Nevada freshmen are not included in the high school association, Freshman Coach Scranton attended the meeting and drew up a temporary schedule calling for games with six high schools for the frosh. Other games will be arranged later on, according to Scranton. The frosh schedule is as follows:

- Schedule Listed**
- January 19—Frosh at Virginia City.
  - February 2—Lovelock at Reno.
  - February 9—Frosh at Reno.
  - February 16—Frosh at Lovelock.
  - February 17—Yerington at Reno.
  - February 24—Virginia at Reno.

**Opens January 5**  
January 5 was set as the opening day for the 1934 basketball season and will continue until February 24. The schedule is:

Friday, January 5—Fallon at Hawthorne, Gardnerville at Yerington, Carson at Stewart, Virginia at Dayton.

Saturday, January 6—Carson at Fallon, Yerington at Dayton, Sparks at Lovelock.

Friday, January 12—Reno at Carson, Dayton at Gardnerville, Hawthorne at Virginia.

Saturday, January 13—Fallon at Sparks, Carson at Gardnerville, Hawthorne at Dayton, Stewart at Virginia, Lovelock at Reno.

Friday, January 19—Reno at Fallon, Yerington at Hawthorne, Dayton at Sparks (B team), Frosh at Virginia, Gardnerville at Sparks.

Saturday, January 20—Fallon at Lovelock, Virginia at Yerington, Sparks at Stewart.

Friday, January 26—Virginia at Reno, Sparks at Carson, Dayton at Reno (B team), Gardnerville at Frosh.

Saturday, January 27—Fallon at Yerington, Sparks at Virginia, Sparks at Dayton (B team), Stewart at Reno.

Friday, February 2—Reno at Sparks, Carson at Yerington, Lovelock at Frosh, Virginia at Gardnerville.

Saturday, February 3—Reno at Stewart, Gardnerville at Fallon, Sparks at Yerington, Virginia at Carson.

Friday, February 9—Reno at Frosh, Lovelock at Fallon, Hawthorne at Yerington, Gardnerville at Carson, Dayton at Virginia, Stewart at Sparks.

Saturday, February 10—Fallon at Reno, Hawthorne at Fallon, Frosh at Lovelock, Reno (B team) at Dayton, Virginia at Sparks.

Saturday, February 17—Sparks at Reno, Fallon at Carson, Yerington at Frosh, Virginia at Stewart.

Friday, February 23—Reno at Gardnerville, Sparks at Fallon, Yerington at Virginia, Stewart at Carson.

Saturday, February 24—Fallon at Gardnerville, Lovelock at Yerington, Virginia at Frosh, Carson at Sparks.

Schools represented at the meeting were: Hawthorne, Yerington, Gardnerville, Stewart, Virginia, Dayton, Fallon, Lovelock, Sparks, Reno, and the U. of N. frosh. Wadsworth, Fernley and Wellington were not represented.

### HICKEY IS MANAGER

The Block N managerial committee held a meeting on October 2 at which Frank W. Hickey was elected basketball manager for the 1934 season. Eugene Kneebone, who was formerly elected to this position, did not return this semester, necessitating the election of a new man.

## Grecian Achilles In Training for Annual Marathon

### All Fraternities Except Two Are Entered in Yearly Sparks-Reno Run

The cross country teams of the different fraternities signed up Monday night for the annual race from Sparks to Reno on Homecoming Day. Only two fraternities thus far have not entered. This struggle has become a tradition and is considered one of the chief attractions of the Homecoming Day.

During the past years no one fraternity has succeeded in winning the cup consistently. The winners of last year's cross country run were the A.T.O.'s, although Paul Leonard of the Sigma Nu's was the first college man to break the tape. The A.T.O.'s with veterans Fontana and Hansen are given more than an even chance to win again this year.

**Sig Phi Strong**  
The Sigma Phi Sigmas are also putting a veteran team in the race and may upset the dope by placing Smalley, Thompson and Chavez among the first to cross the line.

The men entered by the different fraternities are: A.T.O.'s, George Hickey, Paul Fontana, Bob Hansen, Bob Zadow, and Ralph Mangum; Sigma Nus, Dick Record, Stan Smith, and Frank Leonard; S.A.E.'s, Harold Herz, Kirk Fairhurst, Silas Ross, Pete Julisti, Dearing Dixon, and Melvin Reudy; Sigma Phi Sigma's, Floyd Smalley, Jim Thompson, and Tommy Chavez; Lambda Chi's, Pete Anker, Hugh Rossolo, Lee Ward, Cliff Prusia and Sam Arentz.

## CONFERENCE TEAMS OPEN SEASON WITH BRILLIANT GAMES

The California Aggies were administered a 30 to 0 defeat last Saturday by the California Bears. In the early stages of the game the Bears fumbled repeatedly until they gained their first touchdown. Then, seemingly inspired by the brilliant running of Joe Verducci, the Bears rallied. During the second half the Aggies were unable to stem the tide. The Bears' consistent yard gainer, Cal Varner, accounted for most of the touchdowns.

**Pacific Wins**  
The College of Pacific showed its strength by defeating the U. C. Ramblers 3 to 0 in a game marked by loose playing and many penalties. Near the close of the game Pacific was on the way to score for a second time, but the gun sounded before the ball could be put over the line.

San Jose State college lost to the Sacramento Junior college by a score of 20 to 8. San Jose, two to one favorite, failed to make a strong showing and were at times completely bewildered by the playing of the Sacramento Junior college.

Other results in the Far Western Conference are: Chico State 2, Menlo Park 0.

Due to the death of a member of Lambda Chi Alpha fraternity, there will be no social functions of this house during the month of October.

### BLOCKING HALF

**Dan Bledsoe, blocking halfback on the Nevada first string squad, who clears the way for the spectacular ball carrying of Carroll and Hill. Although not noticed much by the fans in the bleachers, he is one of the most valuable members of the team.**

## Pack Is Downed By Golden Bear

### Carroll and Hill Carry Pigskin Most for Nevada Team

Completely overwhelming the University of Nevada men with their numerous reserves and heavier men, the California Golden Bears ran wild last Saturday at the Memorial stadium to come out on the long end of a 34 to 0 score.

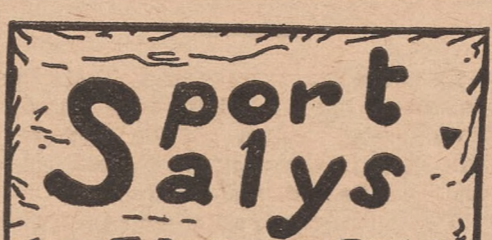

The Bears were primed for the Nevada battle, having defeated the Cal Aggies earlier in the afternoon. The Aggie contest enabled Ingram, the Bear coach, to pick his best combination of players for the Nevada game. The California attack was led by Varner, a sophomore who scored three touchdowns against the Wolf Pack.

**Bear Fortunate**

According to Coast sports writers, it was probably fortunate for California that their first game wasn't with the Wolves as the Bears played poorly in this contest. This makes the ninth consecutive victory for the Bears in their annual tilts against Nevada.

On the first kickoff, Carroll, Nevada fullback, ran the ball back 35 yards for the longest run of the game by a Nevada man. Five minutes after the opening whistle, Varner scored from the 16-yard line. Thorrell made the second touchdown in the second period.

Nevada halted a Bear attack on the five-yard line as the half ended. In the third period, Harry Jones, California end, intercepted a lateral pass and raced 25 yards for a touch down.

From the showings made by the other teams in the Far Western Conference, it looks as though Nevada should capture the championship this year. So far, Nevada has made the most impressive showing of the group.

Nevada's hopes for a win over U.C. last Saturday fell through, but students attending the game were well pleased with the fight shown by the Wolves. However, with one of the

Towards the end of the third quarter California advanced the ball to Nevada's one-yard line where the Wolf Pack tightened and held for four downs.

Carroll and Hill carried the ball for Nevada and made two first downs against California's 24. Nevada gained 39 yards and California 360.

The last period was played by Nevada second string men, enabling Coach Brick Mitchell to get an idea of the ability of his reserves.

**Reserves Strong**  
The victory for California was due to their great reserve strength, according to Brick Mitchell, Wolf Pack mentor, who states that Nevada didn't put up the battle they are capable of.

Cigarettes and Soft Drinks  
Beer on Draught  
500 S. VIRGINIA ST. RENO

best frosh teams in recent years and prospects for an experienced varsity for next season, there's no telling what will happen a year hence.

The Taus seem to be out to repeat their volleyball championship again this year, taking the lead for the first two weeks of play. The Lambda Chis are coming right along, too, and there is a chance that a "dark horse" might dash up from the rear to add 100 points towards the copper stein.

Wednesday was the last day to enter the annual cross country race, and there will be a good sized field Homecoming day morning. Three miles is a long way, however, and a great many of the contestants will probably "fall by the wayside."

Since 1928, the St. Mary's Gaels have won 31 games, tied two and lost four in collegiate competition. Included in the list of colleges met are Southern California, Stanford, Fordham, Southern Methodist, California, Oregon and Nevada.

With the Pack playing its first home game tomorrow, much will be

added to the prestige of the university if the "pep" organizations on the campus can do something to get the student body out of its lethargy and show Mitchell that he has the support of the entire campus.

The weekly interteam scrimmages held every Wednesday are doing their share in rounding the squad into shape. A great many colleges hold secret practices before games, but Nevada's are open to all. Still there are only a few students in attendance.

Be proud of your university.

about Cigarettes

Of all the ways in which tobacco is used the cigarette is the mildest form

**YOU** know, ever since the Indians found out the pleasure of smoking tobacco, there have been many ways of enjoying it. But of all the ways in which tobacco is used, the cigarette is the mildest form. Another thing—cigarettes are about the most convenient smoke. All you have to do is strike a match. Everything that money can buy and everything that science knows about is used to make Chesterfields. The right home-grown tobaccos—seasoned with just enough aromatic Turkish—are blended and cross-blended the Chesterfield way. Then the cigarettes are made right—firm, well-filled. Chesterfield uses the right kind of pure cigarette paper. There are other good cigarettes, of course, but Chesterfield is the cigarette that's milder, the cigarette that tastes better. Chesterfields satisfy—we ask you to try them.

# Chesterfield

the cigarette that's MILDER  
the cigarette that TASTES BETTER

### Alpha Tau Omega Volleyball Men Leading Tourney

#### Spirit Is Plentiful at Intramural Net Contests

#### Cup To Be Awarded Victors in Annual Net Tourney

With Alpha Tau Omega, Beta Kappa and Lambda Chi Alpha tied for tournament eladership, the annual interfraternally volleyball tournament has concluded its second week of competition.

Each fraternity, together with Lincoln Hall and the Independents, has entered a team. Each organization engages in at least one game a week.

Spirited contests, enlivened by many rooters on the sidelines, have been witnessed each week day afternoon on the turf of the south end of Mackay field.

#### Loving Cup Offered

A loving cup, to be awarded the victor, will be presented soon after the tourney's termination in the last part of this month. This trophy will be counted as a point towards the final awarding of the large revolving cup to be presented to the house with the greatest number of wins in all sporting events for the entire year. This coveted trophy will be consigned at the conclusion of the spring semester.

#### Teams Tied

Ring up two victories and no defeats to their credit up to date, the A.T.O. aggregation is tied with Beta Kappa and Lambda Chi Alpha for the top position. Phi Sigma Kappa and Sigma Nu are pressing the leaders with two wins and one loss registered for each.

The games and results up until Thursday evening are as follows:

September 26—Phi Sigma Kappa won from Lincoln Hall; Sigma Phi Sigma won from Delta Sigma Lambda.

September 27—Lambda Chi Alpha won from Sigma Alpha Epsilon; Beta Kappa won from Sigma Nu.

September 28—Alpha Tau Omega won from Sigma Phi Sigma; Lincoln Hall won from Independents.

September 28—Sigma Nu won from Delta Sigma Lambda; Phi Sigma Kappa won from Sigma Alpha Epsilon.

October 2—Sigma Phi Sigma won from Lincoln Hall.

October 3—Alpha Tau Omega won from Sigma Alpha Epsilon; Sigma Nu won from Independents.

October 4—Lambda Chi Alpha won from Sigma Phi Sigma; Beta Kappa won from Phi Sigma Kappa.

### CO-EDS SCRUB SENIOR BENCH

The senior bench received its first bath of the semester this afternoon when two fair co-eds scrubbed it with tooth brushes.

Ruby Hoskins and Joyce Dodge carefully applied the soapy water in delicate strokes with the slender brushes, amusing many spectators who enjoyed seeing them pay the penalty for sitting on the senior bench.

The job wasn't as easy as it looked, was the opinion of the two girls as they went about their work by inches. However, the bench looks whiter despite a few streaks here and there.

Tickets for the Homecoming day football game will be on sale next week downtown at the following places: Henry's drug store, Block N, Wilson's drug store and Paterson Bros. The Sagers are also aiding in the sale of tickets to downtown people.

### Freshman Plays 'Run, Sheep, Run' With Torturers

"What ho, the fox!" "Ten thousand Swedes dashed through the weeds."

"Pursuing one lone freshman!" And like shouts of the chase were called to mind as the entire upperclass committee, headed by its chairman, Bill Beemer, dashed down the hall of the Agriculture building, burst pell-mell through the obstinate double doors, sighted its quarry and pounded across flower beds and lawns to finally drag down a terrified red-headed freshman in front of the Library building.

Called to task for violation of the bible and dink traditions, this particular yearling took one look at the cruel paddle held by cloudy countenanced Lee Priest, tossed dignity to the winds and bolted. He reckoned not, however, with such fleet footed men as Beemer, Old Theis, Priest, Vic Carroll and others of the committee, with the result that when bagged he was forcibly meted out twice his due of "swats."

After the dust settled the dazed youngsters tenderly rubbed the injured section of his anatomy, listened to a stern lecture by Beemer, and promised to be good.

The committee straightened ties, dusted coats and returned to the business at hand. Once again an unruly member of the class of '37 declared himself opposed to the proceedings. However, he submitted to the humiliation of the paddle, contenting himself with the ominous remark, in passing out, "I'll not forget this!" Replied the committee, just as ominously, "Don't you forget it!"

### FINANCE CONTROL MAKES DECISION

All money taken in by any organization using the central treasury system will hereafter revert to the A.S.U.N., according to the decision made by finance control last Tuesday evening.

Further consideration of the budget for the Aggie club and discussion of securing a microphone for broadcasting purposes were deferred until the next meeting.

A \$1000 check covering the guarantee for the Cal game was received, but no final report has been made yet, according to Joe McDonnell, executive secretary of finance control. The amount made on the S.F.U. game was \$1284.87, which was less than estimated at first.

The committee also authorized payment of bills and issuance of requisitions. The business managers and editors of Sagebrush and Artemisia are to be present at the next meeting of finance control, which will be held Tuesday, October 17.

Fencing will be given this year as a regular part of the gymnasium program at the University of Colorado.

**THE WONDER**  
155 N. Virginia Street

### Freshman Gridders Will Play Fallon

Comparative scores show that the freshmen have a slight edge on the Fallon high school "Melon Pickers," who meet in their annual football contest this Saturday at Fallon.

Two years ago, Fallon won from the frosh, 6-0, while the yearlings won last year by the same score. Both of these teams have met and defeated Reno high this season, but the Wolf Cubs piled up a greater score against the Renolites than Fallon did.

#### Fallon Good

Scouts report that Fallon looks good, and have a husky crew on the line, with a light and fast backfield. Chet Scranton, the frosh head-coach, believes it may turn into a tough game.

The Churchill County boys have a fighting squad every year, and are out for revenge this fall. But Scranton and his assistants, Alfred Thies and Gall Parsons, are rounding the frosh into shape, especially emphasizing blocking and timing. Their charges are not handicapped by injuries, with the exception of a few cases of "charlie-horses," since they have met no opposition for two weeks.

#### Lineups

The tentative lineup, Scranton announced, will be: Landsen, center; Smalley and Cashill, ends; Showalter and Kennedy, tackles; Canson and Byington, guards; Sauer, quarterback; Robb and Cromwell, halfbacks; and Haman, fullback.

Rhodesia, Africa, will be a subject of a talk by Mrs. Alva Quilici Durham, former student, at the first general meeting of the Y.W.C.A., to be held October 12, announces Florence Diskin, president. All members are requested to be present, while any other students or faculty women who would like to hear Mrs. Durham speak are cordially invited.

Start studying now.

### LARGE NUMBER OF STUDENTS ATTEND CAL-NEVADA GAME

Lured by the big city and the big game a large delegation from Nevada followed the Wolf Pack to the bay district last week-end.

Before and after the game the students saw San Francisco and surrounding territory and let it know in a small way that "Nevada was there," "Topsy's Roost" appeared to be one rendezvous for Nevada students, with many making it their headquarters for dining and dancing. Those boys who felt especially flush treated the girl friends to an evening at the Bal Tabarin, while the beach midnight shows drew a large Nevada clientele.

Many of the University of California sororities and fraternities held open house for their Nevada chapters.

The Sigma Phi Sigmas entertained their visiting members at a house dance at which about twenty men from Nevada were present. The Nevada A.T.O.'s were given a reception by the Berkeley chapter. Most of the other houses invited Nevada members to be house guests.

Several who drove in cars reported that the Sacramento valley police force isn't highly in favor of Nevadans as drivers. Doing about sixty on a straight stretch just out of Sacramento, one car load was halted as the last Nevada car that was going "to get by with it." No one however was actually detained by police court routine.

### Chemistry Club Holds Initiation

Twenty University of Nevada students entered the "chamber of superstition" Wednesday night of this week to begin the initiation ceremonies of the University Chemistry club. From this chamber they were led into five other chambers and finally came out prepared to become members of the club.

As the last trembling initiate was led from the chambers of horror the lights were flashed on in the library and refreshments were served to both old and new members.

Students who passed the initiation ceremonies were C. Leland Hill, Chrissie Finn, Marguerite Fuetsch, Jean Cameron, Betty Bowman, Eleanor Bateman, Guy P. Morris, J. D. Stephens, Edward Paradis, Clyde

### BLOND THEORY TO BE TESTED AT 'BRAWL' HOP

"Gentlemen prefer blonds" may be a fact, but it will be put to a real test tomorrow night when the Nevada Engineers hold their second annual "Engineers' Brawl" in the university gymnasium. All men who bring blonds to the dance will be required to pay 5 cents extra admission fee.

In addition to the 5 cents per blond a rate of 60 cents per 100 pounds will be charged co-eds on-the-hoof, the fee to be paid by their escorts.

"Although not intended as a stag affair, single men may attend if they wish to pay \$1 per hundredweight for their own poundage," Harvey de-

clared. This year's dance is the second engineers' "brawl" to be held in the history of the university. Staged as an experiment last year, the affair has become a tradition with the engineering side of the campus. The dance is scheduled for the hours of 9 to 12. Chaperones who will attend are President and Mrs. Walter Clark, Dean and Mrs. F. H. Sibley, Director and Mrs. John A. Fulton, Professor and Mrs. S. J. Palmer and Professor and Mrs. H. P. Boardman. Callahan's Collegians have been engaged to furnish the music.

Send the 'Brush home.
