

## Honor Roll Announced By Registrar's Office

### Many Are Listed In Semester Group Of High Scholars

Lincoln Hall Leads Organiza-  
tions With 2.3197 Average  
For Period

### AVERAGES COMPARED

Beta Sigma Omicron, A. T. O.  
Lead Fraternal Groups  
In Scholarship

With an average of 1.05 in seven-  
teen hours of college studies, David  
Clark, senior student and son of Pres-  
ident Walter E. Clark, led the univer-  
sity honor roll for the fall semes-  
ter of 1933, on which 44 students are  
listed.

Beta Sigma Omicron earned first  
place among the sororities for the second  
consecutive semester, while Alpha  
Tau Omega headed the fraternity list.  
Lincoln Hall association led the or-  
ganizations by receiving an average  
of 2.3197.

#### Women Lead

As is usually the case, the women  
students received better grades than  
the men, though their average this  
term was lower than it has been for  
the past four semesters. The highest  
average made for this period was also  
slightly lower than the highest re-  
ceived in the last two years, although  
the student body record as a whole is  
higher than in the fall of last year  
when the students averaged 2.5177.

The complete honor roll follows:

Average	Name
1.05	David G. Clark
1.06	Mrs. Walter White
1.06	Ina Johnson
1.10	Paul Hartman
1.15	Florence Gulling
1.26	Ann S. Hayden
1.26	Florine Frank
1.30	Mrs. Maude S. Taylor
1.31	Bruce K. Moore
1.32	Betty Bowman
1.32	William J. Johnstone
1.32	Philip G. Strong
1.33	Donald Atcheson
1.34	Frank Howland
1.35	Clyde Beck
1.36	Sarah Graves
1.37	Mrs. Frank Harriman
1.37	Walter Sutherland
1.38	Margaret Traner
1.40	Mary Corecco
1.40	Wendell Duplantis
1.43	Fransden Loomis
1.44	Irvin Wanke
1.45	Walter Palmer
1.45	Mrs. Emerald Wogan
1.46	Elmer Pedroll
1.47	Paul Bohke
1.47	Bianche Keegan
1.48	Andrew Morby

(Continued on Page Six)

### Friendly Greetings Watchword as New Semester Starts

"Hello" and "How are you, old  
man?" were the watchwords this  
week as returning students slapped  
one another on the back and made  
merry, filling out registration cards  
for the spring semester.

With lines forming long before 8  
o'clock at the various doors where  
cards were issued, there was much  
good natured jostling and pushing,  
with Ruth Palmer and Cecil Harris  
escaping early from the mob to win  
the semi-annual marathon by being  
the first woman and man to com-  
plete registration. Miss Palmer's  
time was exactly one hour and a half  
from the time she was handed her  
card until she paid her fees at the  
registrar's office.

Colleagues who had been leading  
lazy, untroubled lives, vacationing  
out of town or merely catching up on  
lost sleep, went into feverish consul-  
tation with deans and professors  
charting foolproof courses for a se-  
mester's smooth sailing.

Others milled about outside the  
buildings in the warm sunshine de-  
bating the advisability of signing up  
for this or that course, asking cau-  
tiously about "pipes" and "push-  
overs" in the way of academic in-  
struction.

Co-eds chattered and gossiped in  
their respective sorority houses, while  
fraternity men scoured the campus  
for new "candidates."

Students entered strange rooms  
and courses Wednesday, and the uni-  
versity settled down to its first day  
of actual classwork amid a buzz of  
excitement, with the actual settling  
down to business reserved for next  
Monday.

## Gail Jessen Dies At Las Vegas Home During Holidays

### Popular Sophomore Student Succumbs to Nervous Ailment

Gail Jessen, popular University of  
Nevada sophomore, died in Las Vegas  
Sunday, December 31, from a heart  
ailment which was aggravated by  
overstudy during the end of last se-  
mester.

Jessen had suffered a nervous break-  
down upon his arrival in Las Vegas,  
having carried a heavy course while  
in the university.

He was born in Kansas in 1914 and  
moved with his parents to McGill a  
few years later where he graduated  
from the White Pine high school in  
1932. The following fall he enrolled  
in the University and became affil-  
iated with Lambda Chi Alpha frater-  
nity. He was taking an Electrical En-  
gineering course and belonged to the  
Associated Engineers. He was also  
prominent in activities, being a mem-  
ber of the band, Sagebrush staff and  
Sagers pep organization.

Jessen is survived by his mother,  
father, one brother and one sister.  
Interment was at the Woodland  
cemetery in Las Vegas.

## Dr. Church Leads Faculty in Years Of Active Service

Dr. James E. Church, professor of  
the classics at the University of Ne-  
vada, is the oldest member of the  
faculty in years of service. Miss  
Jeanne Weir, professor of history  
and political science, runs a close  
second to Dr. Church.

Dr. Church has gained much  
prominence in the United States by  
his annual snow survey. By this  
survey he determines much about  
the effects of the snow on the soil  
and the benefits derived from the  
snow.

Recently at a meeting of the Na-  
tional Glacier society Dr. Church  
was elected president of that organi-  
zation. This is an honor never  
given to any Nevada man before.

Dr. Church started his career on  
the Nevada campus in 1892 as in-  
structor of Latin and German. In  
1894 he became the assistant pro-  
fessor of the Latin language and  
literature and was appointed pro-  
fessor of classics in 1918.

As a member of the faculty he has  
been very active and interested in  
all campus affairs.

All social organizations wishing to  
arrange for time for dances and teas  
will meet with Dean Mack, 109 Ag-  
riculture Building, on Tuesday, Janu-  
ary 16, at 4 o'clock.

## Campus Debaters Schedule Contests With Four Colleges

Four Engagements To Be Held  
Here; No Return Meets  
Yet Scheduled

### MAY MAKE TRIPS

Question of Semester Concerns  
How Powerful President  
Should Be

Four teams will meet the Univer-  
sity of Nevada debating squad this  
semester on the university campus.  
Debate Coach Robert Griffin an-  
nounced today.

No return engagements have as yet  
been scheduled with the teams the  
home debaters will meet here. Grif-  
fin and Carl Dodge, manager, are  
awaiting action of the Finance Con-  
trol Committee on the budget they  
presented for this semester before de-  
finite plans for trips to other states  
can be completed. If favorable ac-  
tion is given, trips will be arranged  
immediately, Coach Griffin stated.

The university squad will meet de-  
bating teams representing Oregon  
State College, University of Southern  
California, College of the Pacific and  
the Northwestern Nazarene College  
on this campus. The university team  
will journey to these colleges, and  
possibly more, for return engagements,  
when and if the budget is approved.  
Griffin announced that intensive  
study on the question for this semes-  
ter, "Resolved, that the powers of the  
president should be substantially in-  
crease as a settled policy," will begin  
immediately. The regular nightly  
meetings on Tuesday and Thursday  
will be held throughout the semester,  
or until the question is thoroughly  
learned by the debaters.

An intra-mural debate tournament  
will be held this semester among the  
men and women debaters. A cup may  
be presented to the house whose rep-  
resentatives win the tournament, Grif-  
fin said.

## Journalism Grads Head Salinas Paper

### Buntin Becomes City Editor, Wilson Is Advertising Manager

Two journalism graduates of the  
University of Nevada are executives of  
the recently launched Salinas Daily  
Post of Salinas, Calif.

W. H. Buntin '27 is city editor, while  
Thomas C. Wilson '30 holds down the  
post of advertising manager.

While attending the University of  
Nevada Buntin was active on the Sage-  
brush and edited that publication in  
his last year. Wilson was editor of  
the now defunct Desert Wolf and was  
the first director of the University of  
Nevada news bureau.

Since leaving college Buntin has en-  
gaged in newspaper work in Reno, El-  
ko, Las Vegas and Tonopah, while Wilson  
has been on the staffs of papers in  
Winnemucca, Las Vegas and Santa  
Monica.

## Funds Are Raised For Gold Footballs

Proceeds from the basketball game  
held last night with the Virginia City  
Eagle lodge will probably complete the  
fund for the purchase of gold football  
awards, Joe McDonnell, executive of  
finance control, stated this morning.

Although a final check has not yet  
been made, it is certain that \$115 of  
the necessary \$155 has been raised.

All told, thirty-one awards will be  
given, twenty-eight of which will go  
to players, with Coach Mitchell, As-  
sistant Coach Coltrin and Football  
Manager Ralph Menante receiving the  
remaining three.

This year the awards are being given  
for participation in games and not ac-  
cording to minutes of play, as has been  
the custom in the past. Twenty of  
the men who merit badges are letter  
men, and eight have taken part in  
games but have not earned their let-  
ters.

The ball itself is an exact miniature  
in gold of a regular football and has a  
blue N superimposed upon it.

## Announcements

New curtains for the A. W. S. of-  
fice in the Student administration  
building have been purchased by Cap  
and Scroll, women's honorary society.

Gladys M. Clark, class of 1933, is  
now working in San Francisco.

Virginia Lee Cole, class of 1933, is  
now teaching at Sprucemont, Elko  
county, Nev.

## LEADS HONOR ROLL

DAVID CLARK

David Clark, senior student and son  
of Walter E. Clark, president of the  
university, who headed the recently  
announced honor roll. Clark is a  
member of Phi Kappa Phi, national  
honorary scholastic fraternity, a  
member of the university tennis and  
tumbling teams and is active in  
campus social circles.

## Editorial, Business Staff Tryouts Are Open on Sagebrush

Students interested in working on  
the editorial staff of the University  
of Nevada Sagebrush may try out  
Monday afternoon, from 1 to 4  
o'clock, in the offices of the paper  
in the A.S.U.N. building, William Mc-  
Menamin, editor of the Sagebrush,  
announced this week.

Tryouts for work on the business  
staff are requested to report to Wil-  
liam Crowell, business manager, at 4  
o'clock Monday, at the same place.  
A new staff, which will handle art  
work, is being formed this semester,  
according to McMenamin. Tryouts for  
this staff will meet with the editor  
at 4 o'clock Monday, and should have  
special ability in drawing and in cut-  
ting holeum block cartoons, he  
stated.

Secretarial positions on the busi-  
ness staff are also open, but at pre-  
sent there are no secretarial openings  
on the editorial staff, McMenamin  
announced.

The editor plans to adopt new fea-  
tures in the Sagebrush this semester,  
and stated that any poetry of value  
or any good piece of literary work  
submitted would be considered for  
publication.

The Sagebrush is the center of  
campus activity, and offers new  
members a variety of opportunities  
in the newspaper field and in man-  
agerial work, as well as opportuni-  
ties for social contacts and a chance  
at salaried positions later in uni-  
versity publications work, the editor  
said.

All students with journalistic abili-  
ties have been requested to try out,  
especially freshmen and underclass-  
men. Positions on the staffs are open  
to any student who is a regular mem-  
ber of the A.S.U.N., and who shows  
ability and willingness to do the par-  
ticular work.

Members are required to gather and  
write stories assigned to them, to at-  
tend staff meetings on Monday after-  
noons, and to do other small jobs  
from time to time. Advanced re-  
porters will be given special work.

## Rhodes Scholars Are Selected By District Committee

### Students From Arizona, Utah And California Selected For Scholarships

At a meeting held in San Francisco  
last week Samuel Adams, Arizona;  
Chauncey D. Harris and Morgan Sib-  
bett, Utah, and Murray Kirkwood,  
California, were chosen by the dis-  
trict Rhodes Scholarship Committee  
as the 1934 Rhodes Scholarship win-  
ners. David G. Clark and Donald  
Butler represented the University of  
Nevada at the meeting.

Representatives from New Mexico,  
Colorado, California, Arizona, Utah  
and Nevada appeared before the com-  
mittee, and, although it is unusual  
that two scholars be chosen from the  
same state, it was pointed out that  
Harris had attended Brigham Young  
University while Sibbett attended  
school in California.

Clark and Butler, the Nevada rep-  
resentatives, were selected by the  
state nominating committee at a  
meeting held in Reno January 2 after  
having been chosen to represent the  
university against other Nevada con-  
testants.

Mrs. C. H. Masterson, the former  
Clara Rammelkamp, is at present re-  
siding in Las Vegas. She was gra-  
duated from the university with the  
class of 1900.

Albert E. Cahlan, 1920, is manag-  
ing editor of the Las Vegas Review-  
Journal in Las Vegas.

## Varsity to Meet Outstanding Team In Game Monday

1933 Rocky Mountain Champs  
To Meet Nevada Wolves  
On Hardwood

### EXPECT HARD BATTLE

Martie Works Hard to Prepare  
Satisfactory Team to  
Meet Visitors

Meeting one of the strongest teams  
in the west, the University of Nevada  
Wolf Pack will run up against the  
Denver Piggy Wiggles Monday night.

Declared to be an improvement over  
the 1933 team which won the Rocky  
Mountain Division Amateur Athletic  
Union championship, the national Y.  
M. C. A. championship, and the state  
championships of Wyoming, Nebraska,  
Colorado and Kansas, the present Pig-  
gly squad is now after more honors  
and has already defeated the House  
of David team, 41 to 14, breaking the  
Davidian's string of thirty wins. Other  
early season wins include a victory  
over the Colorado Agricultural Col-  
lege, and the University of Wyoming  
quintet, stern division champions of  
the Rocky Mountain Conference dur-  
ing the 1932-33 season.

#### Trick Plays

Playing what they call the Safe-  
way set-play system, the Piggies have  
perfected a system that is hard to  
beat, and one that will probably give  
the Wolves several trying minutes.  
Jack McCracken, star center for the  
Piggies, is one of the mainstays of  
the squad and, according to reports,  
is one of the best centers in the game.

Faring his squad down to 14 men,  
J. E. "Doc" Martie, Wolf Pack coach,  
has been running his players through  
a heavy schedule of pre-season games  
against local teams, and expects to  
be able to put a scoring combination  
on the floor Monday.

#### Martie's Line-up

Although he has not as yet an-  
nounced his first string, Martie has  
been playing Hill and Phillips, for-  
wards; Carroll, center; and Tharp and  
Curran, guards, in his practice games  
as openers. Carroll has been shifted  
to center because of the absence of  
Mike Gould, 1933 center. Carroll held  
the center position in 1932. During  
the practice games, Martie has sub-  
stituted freely with Jones, Kallely and  
Leighton going in as forwards, Stow-  
ell at center, and Lansdon, Tapogna,  
Ronnow and Cashill as guards. Ron-  
now, a new man, has seen quite a lot  
of action during the past few weeks  
and has shown himself to be a de-  
pendable player. Lansdon and Tap-  
ogna, playing their first year on the  
varsity, are rather inexperienced but  
will probably develop with time.

Following the Piggy Wiggly game  
the Wolf Pack will meet Chico State  
at Chico on January 19 and 20; San  
Jose here January 26 and 27; House  
of David, here, January 30 and 31;  
St. Mary's, February 16 and 17; and  
the Cal Aggies February 23 and 24.

## Rifle Candidates Must Sign For Team Selection

Announcement was issued from the  
military department yesterday to the  
effect that all candidates for this se-  
mester's rifle team should signify their  
intentions of trying out for the squad  
by signing with the head of the de-  
partment by the latter part of next  
week. The process of cutting the team  
to the fifteen outstanding shots will  
begin immediately after the prelimi-  
nary sign-up.

Competitive matches have been  
scheduled with colleges and universi-  
ties located in all sections of the Union.  
These interschool contests are decided  
by means of mailing the resulting  
scores and then a comparison of the  
final tallies determine the winner. In  
previous years the local unit of the  
R.O.T.C. has ranked near the top of  
the national standings.

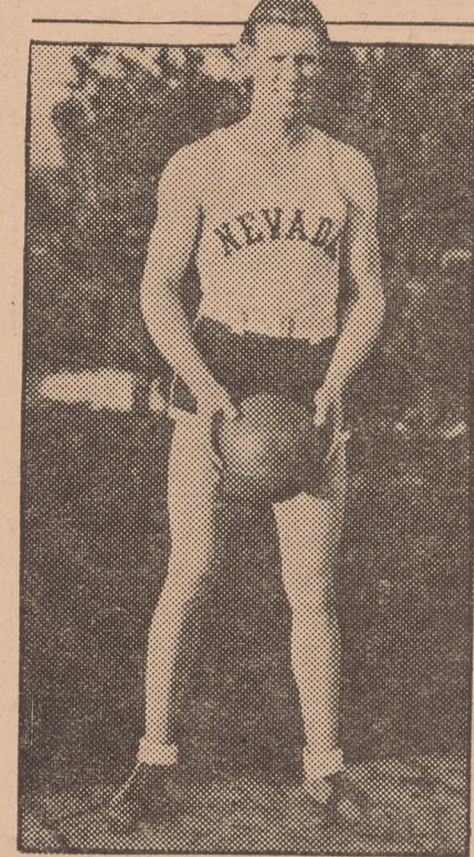

As a climax to the current competi-  
tive season, the men will compete in  
the widely heralded Hearst Memorial  
trophy shoot to be held the latter part  
of April. To the winner of this na-  
tionwide contest is awarded a noted  
prize in the form of a beautiful loving  
cup.

## Smith to Lecture On Lincoln Feb. 9

Plans have been made by the com-  
mittee of assemblies and lecturers for  
a lecture to be given February 9 by  
Assistant Professor Claude C. Smith.  
The subject which will be discussed is  
"Lincoln, His Background and Place  
in History." This will be the first lec-  
ture to be given during the spring se-  
mester and will commemorate Lin-  
coln's birthday.

## A.S.U.N. Offices Filled By Senate; Provisional Okeh Given Nominees

### VETERAN HOOPSTER

STOWELL - CENTER

A two years veteran member of the  
Nevada varsity hoop squad, Cecil  
Stowell, reserve center, is one of the  
most valuable members of the Wolf  
basketball team this year. Stowell  
will probably be seen in action  
against the Piggy-Wiggly team  
Monday night.

## Dramatics Group Schedules Plays For Semester

### 'The Rear Car' First Play To Be Given in February By Thespians

Scheduling three productions for  
this semester, members of the Uni-  
versity dramatics groups plan one of  
the best seasons in years. The first  
play will be presented some time in  
February, and is titled "The Rear  
Car."

The plot of the play is enacted in  
the private car of a railroad presi-  
dent, and is a mystery story. There  
are eleven members in the cast, three  
women and eight men. Tryouts will  
be held next Monday afternoon in the  
Education auditorium, under the di-  
rection of William C. Miller, dramatics  
instructor.

All three plays charted for this se-  
mester will be presented under the  
direction of the University Play Pro-  
duction group.

Miller plans to make a decided  
change in the annual Wolves Frolic  
next fall, if it proves feasible. The  
vaudeville show will be changed to  
either a musical comedy or a light  
opera, which will allow a better chan-  
ce for acting and directing. This is only  
a tentative plan, and will not be de-  
finitely decided until next fall after  
students have given their opinion on  
the proposed change.

## Date Committee To Meet Tuesday

To set the dates for the major ac-  
tivities for the semester, the Uni-  
versity of Nevada calendar committee  
will meet Tuesday afternoon at 4 o'clock  
in the Agriculture building, Dean Mar-  
garet Mack announced yesterday.

All organizations or students wish-  
ing to schedule dates should send rep-  
resentatives to this meeting to submit  
their petitions to the committee, Miss  
Mack stated. This method has been  
adopted to do away with conflicts in  
dates.

The faculty members on the com-  
mittee are Dean Margaret Mack, Dean  
R. C. Thompson, Prof. T. H. Post, Prof.  
A. L. Higginbotham, R. S. Griffin and  
William Miller.

## Yearbook Pictures To Be Finished Soon

Students who have not yet had their  
pictures taken for the Artemisia or  
those who desire a resitting will be  
given their last chance during the  
next two weeks. All groups which  
turn out 100 per cent will be given a  
free panel.

Special sittings will be held next  
week beginning with the Cap and  
Scroll sittings on January 16 and 17.  
Following these will come Coffin and  
Keys on January 18 and 19; Blue Key  
on January 22 and 23, and the Y. W.  
C. A. Cabinet on January 24 and 25.

## Second Meeting Of Body Devoted To Appointments

Selections Are Temporary  
For Two Weeks'  
Period

### MANY DEADLOCKS

Constitution Requires Two  
Weeks' Delays Before  
Final Vote

Convening in the longest session  
since the establishment of the new  
form of student government, the A.S.  
U.N. senate last night elected repre-  
sentatives to all committees specified  
in the new constitution.

According to the A.S.U.N. constitu-  
tion these offices must remain open  
for a two weeks' period following the  
senate meeting last night. Only provi-  
sional approval was given to the  
selections for the offices by the senate.  
The elected officers, however, are em-  
powered to perform their duties for  
this period. The selections will be  
voted on again at a meeting within  
two weeks, but will be only a formality,  
according to senate members.

The meeting, called to order at 6  
p. m. in the Student Administration  
building, did not adjourn until four  
hours later and was marked by num-  
erous deadlocks in balloting.

A senate meeting was also held  
Thursday evening for the purpose of  
selecting a nominating committee to  
prepare panels.

### Election Results

Secretary to the Senate and the  
A.S.U.N.—Florine Frank.  
Representatives to Finance Con-  
trol—Forrest Bibb, Wilma Chanlor.  
Representatives to the Executive  
Committee—Herbert Peck, Bill Mc-  
Menamin, Dorothy Nason.  
Representatives to Publications  
Board—Ed Montgomery, Kathleen  
Haffey, James Cazier.

Representative to the Rally Com-  
mittee—Ned Morehouse.  
Mackay Day Committee—Ed Bath,  
chairman; Ed Martinez, Virginia  
Wheeler, Bob Marean, John Frank-  
lin, Bryce Rhodes, Hugh Rossolo,  
Ray Frolich, Fransden Loomis, Lloyd  
Bowen.

Men's Upperclass Committee—Paul  
Turner, chairman; Vic Carroll, Don  
Brown, Clayton Phillips, Tom Cash-  
(Continued on Page Six)

## Scabbard and Blade Sets Military Ball

### Military Fraternity Makes Plans for Annual Formal

Scabbard and Blade's annual mili-  
tary ball will be held February 3,  
in the Washoe County Library build-  
ing, according to the decision of the  
local chapter of the national hono-  
rary military fraternity at a meet-  
ing last night. The ball will be pre-  
sented under the auspices of the local  
R.O.T.C. unit and the fraternity.

The main feature of the affair will  
be the election of an honorary ma-  
jor, according to Paul Fontana, who  
was appointed as chairman of the  
dance committee. If present plans  
are carried out each sorority and  
Manzanita association will name a  
candidate for honorary major. The  
major will be elected during the early  
part of the week of the ball, and  
will preside with the president at  
all formal occasions of Scabbard and  
Blade during the remainder of the  
year.

Governors Balzar and Rolph In-  
vited  
Governors Balzar of Nevada and  
Rolph of California have been in-  
vited to attend. No word has been  
received from them as yet, but it is  
expected that they both may be able  
to be in Reno on that evening.

Entertainment for the evening has  
not been arranged, but present plans  
call for an eight piece band and num-  
erous intermission numbers. Newly  
initiated members of the organiza-  
tion will be formally accepted in the  
society when the honorary major pre-  
sents them with their official pins.

Ticket sales for the event will be  
begin Monday. Tickets may be ob-  
tained from any member of Scabbard  
and Blade or from a number of basic  
course men. The price remains the  
same as last year, \$1.50 for "civilians"  
and \$1 for students in military.

Other committee heads include Neil  
Flah, decorations; Gene Salet and  
Dan Harvey, entertainment, and  
Bruce Moore, ticket sales.

### A WEAKNESS IN REGISTRATION

Some of the students of this university have very little respect for the rights of others. This fact was exhibited beyond the possibility of a doubt when registration proceedings were gone through early this week. Lines were formed in front of doorways at which registration blanks were given out. While a long line of honest students waited to secure their registration blanks, who came early to get their places in line, other students who came late, had friends in the front part of the line get their registration blanks for them, slowing other students behind whom they should have waited being other students behind them whom they should have waited for they could secure their blanks.

Students with even less respect for the rights of others forced their way into the middle and the first part of the line, pushing and jostling others out of their rightful places until three disputing lines were formed before the doorway in the Agriculture building where most of the congestion occurred. Frightened by the rush, the clerk in charge of distributing the blanks closed the door and allowed only a few to pass through it. Many students who took places in line at 8 a. m. were forced to wait all morning and then go away without their registration blanks. One girl fainted in the crush.

While all of this occurred, other lines were not at all congested in other buildings and those in charge of giving out registration blanks waited idle. In the Mackay Science hall where heads of the various departments were signing students for courses, the congestion in the registration line in the Agriculture building slowed up the proceedings to a walk.

This situation can be controlled with ease now that the defect in the system has been observed during its operation. We would like to propose that the distribution by alphabetical order of the students getting their registration blanks be changed so that another line can be formed or redistributed on a more equal basis. A provision should be made that each student can secure only one registration blank. Some student organization like Blue Key should police the registration lines to see that order and justice is maintained. With these measures put into effect, we believe the trouble could be eliminated.

### JOINING THE N. S. F. A.

When the student senate of this university made the decision to join the National Student Federation of America last week, it made one of the first steps toward supplying a deficiency which has seriously handicapped the student government of this university for some time. That deficiency is the almost complete lack of contact with the other colleges and universities of the nation. There has been no way for the leaders of this student body to get information about how student government has been conducted at other institutions in the past and consequently the A. S. U. N. has suffered.

By joining the N. S. F. A., student leaders will be given an opportunity to send one of their number to a national convention each year to discuss student problems and information will be sent constantly to give them an insight into innovations made at other colleges. The entire student body will profit by the move.

The viewpoint of the average student at this university has always been too limited and they do not take the proper amount of interest in national student affairs. When interest is centered too closely on local questions, the student does not get a broad enough outlook on life and suffers consequently when he leaves the confines of his small college world.

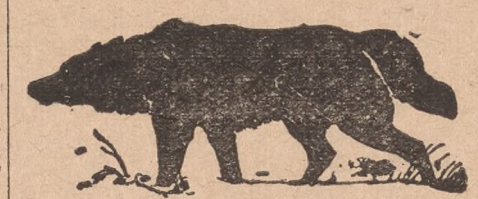

It is hoped that the students of this university who have an opportunity to lead the student body next year and in future years will continue to take an active interest in the N. S. F. A., to study the information about other colleges which is sent as a part of its service, and to get the broader viewpoint of college life that is so essential to good leadership.

### SEE VARSITY IN ACTION

Students wishing an enjoyable evening of entertainment could not do better than to attend the varsity basketball game to be played against the Piggly-Wiggly team tomorrow night in the university gymnasium. While giving themselves an enjoyable evening they will be helping to boost along a team that is green and needs the backing of the student body to meet with any success this season.

Unlike the teams of the past two years, the Nevada varsity hoop aggregation of this season is a disorganized band that has not the confidence of a group of players who have completed several seasons together. If they can be inspired by the spirit of the student body and carefully trained, they can be worked into a winning outfit by the time the conference season begins. If not, they may have a disastrous season.

### Welcome Back by Sam Ackerman

### Wolf Howls

The pin-hanging fever has hit the campus again with the beginning of school and we have the names of a few more members of the ball-and-chain gang to add to the list. Frank Milder has bestowed his chest jewelry on the little brown-eyed Pi Phi with the big smile, Colleen Hollan. Melvin Ruedy has Ruby Bliss tied down with an S. A. E. pin and a Sigma Phi Sigma pin went the way of all fraternity brass when John Franklin hung his jeweled monogram on Arlene Boerlin.

Now for the sad side of life. The romance of Robert "Slug" Harris is a thing of the past and little, dark-haired Ann Jenkins is back in circulation again. This story has a bright side, however. There are several campus big-shots who are glad to be back in the running.

Among other busted romances is the little affair of Pete Peterson and Anna (Libby Holman Reynolds to you) Blundell. But it probably won't be long before the Nevada torch singer has a flock of prospects around.

### Beta Sig Holds First Party of Rushing Season

Mrs. Harrington Begins Work As New Pan-Hellenic Lawyer

#### SCHEDULE COMPLETE

Spring Rushing Season to Last For One Week, Begins On Monday

Final plans and rushing dates have been completed for the spring rushing season with Beta Sigma Omicron beginning the parties by entertaining eligible women from 4 to 6 o'clock Monday afternoon, January 15.

Each of the six national sororities on the campus will hold two informal parties of two hours each and a formal preference dinner at the conclusion of the season.

Mrs. Scott Harrington, a graduate of the University of California and a member of Kappa Kappa Gamma, will begin her duties as the new Pan-Hellenic lawyer. Mrs. Harrington succeeds Mrs. Silas Ross, who resigned last fall.

#### Schedule Given

The following is the schedule which was drawn up at the Pan-Hellenic meeting last semester. Two sororities will entertain on the same days. There will be no parties on Sunday.

Monday, January 15—4 to 6, Beta Sigma Omicron; 6 to 8, Kappa Alpha Theta.

Tuesday, January 16—4 to 6, Gamma Phi Beta; 6 to 8, Pi Beta Phi.

Wednesday, January 17—4 to 6, Beta Sigma Omicron; 6 to 8, Alpha Delta Theta.

Thursday, January 18—4 to 6, Pi Beta Phi; 6 to 8, Delta Delta Delta.

Friday, January 19—4 to 6, Alpha Delta Theta; 6 to 8, Kappa Alpha Theta.

Saturday, January 20—4 to 6, Delta Delta Delta; 6 to 8, Gamma Phi Beta.

Silence period will begin at 8 p. m. Saturday, January 20, and ends on Monday, January 22, at 2 p. m. There is no definite date set by Pan Hellenic for the preference dinner. Each sorority will decide when her own formal party will take place.

#### New Rules Installed

Rushing of girls who are still in high school is prohibited by the Pan Hellenic council. No relations of any kind may exist between university women and high school girls, was the report given by Doris Robertson, president of Pan Hellenic.

The council also decided that no high school girl who has recently joined a high school sorority can be pledged to a university sorority. The Pan Hellenic lawyer and the presidents of the high school groups will make out a list of all the members, pledges and honorary members, and the date of their affiliation of the high school girls' clubs so that an accurate check will be on hand for the coming rushing seasons.

### Nevada Grads Secure Teaching Jobs During Holidays; Three Placed

Three University of Nevada graduates have secured teaching positions for the spring semester.

Jim Bally is now coaching in the Dayton High School. He is a graduate with the class of 1929. Last year he returned to do graduate work and since that time has been employed by the Nevada Rock and Sand Company in Fallon.

Lawrence Hansen, a graduate with the class of 1919, has secured a position as principal of the Tonopah High School. At one time he was principal of the Lovelock school. Of late he has been in business in Reno as a manufacturer of wooden materials and school toys.

Elmer Pedrolli is now teaching in the Smith Valley High School at Wellington. He graduated in 1933 but returned last semester to do graduate work.

#### GRADUATE DIES

Miss Florence Bray, prominent teacher in the Carson schools and a former well known resident of Reno, died December 30 in a hospital in San Francisco. She had been confined there since last August.

Miss Bray was graduated from the University of Nevada with the class of 1911 and later secured a master's degree in English. She taught English in the Carson high school for several years.

She was a member of Delta Delta Delta sorority and while a resident of Reno was prominent in social and club activities here. She had made her home in Carson City for several years.

### PEP CLUB PLANS FOR SPRING DANCE

The first regular meeting of the Sagens, women's "pep" organization, will be held Tuesday night.

At that time plans for the spring semester dance will be discussed. The Sagens will continue to support all college affairs and sell tickets.

They now have a full membership of 13, with Catherine Dondero and Charlotte Robinson, the last to be elected.

The engineers, lawyers and medics at the University of Utah have challenged each other to have it out with football games.

### Delegates Return From Asilomar

Y. W. and Y. M. Members Hold First Joint Meeting At Asilomar

Rita Jepson and Winifred Walsh, Nevada coeds who represented this campus at the Y. W. C. A.-Y. M. C. A. joint conference held at Asilomar, returned to Reno this week.

Nevada sends delegates every summer to Asilomar, an official Y. W. C. A. conference ground located near Monterey, California. The past conference is the first at which they have been represented at a joint men and women's winter conference.

Leaving Reno Christmas night, the Nevada women spent one week at Asilomar. The chief topic under discussion at the meeting was "Religion and Its Place in Finding a Remedy for the Depression."

Among the many interesting speakers on the program are Dr. Alexander Mielijon of San Francisco, who recently conducted in Wisconsin an experimental college where no examinations are given, and Miss Ruth Woodsall, a former missionary to China, spoke on "The Place of Foreign Missions in a Modern World."

While mornings were given over to educational programs, afternoons and evenings were spent in recreation. There were athletic contests, hikes into the hills, and dances.

Winifred Walsh represented Nevada as the official delegate and Rita Jepson went as a "Stuck-up," or woman who waits on tables three hours a day to pay expenses.

Both coeds are sophomore students and members of Pi Beta Phi sorority.

#### ANNOUNCEMENTS

There will be no A. W. S. meeting in January, according to the president of the A. W. S., Marthene Solares. Due to lack of time and the difficulties in arranging schedules the meeting has been postponed until the second week in February.

Be proud of your university.

## WOMEN The U. of N. Sagebrush WOMEN

### Co-Eds to Begin Ball Practice

Basketball season for women opens Tuesday, January 16. Practices will be held at 4 o'clock on Tuesdays and Thursdays.

The usual Friday practice may be omitted, because on these days practice time is limited due to the fact that the men take the floor at 4:30. The women have planned to spend their Friday periods for winter sports and other activities if basketball practice is not held then.

Interclass games will begin February 6 and will be played off in a round-robin tournament. Intramural games, starting February 15, will be carried on in the same manner. Dorothy Nason, basketball manager, has charge of both tournaments. Coaching will be under the direction of Mrs. Mae Simas.

Badminton season is concurrent with that of basketball, practices take place on Mondays and Wednesdays and lasts four weeks. Ring tennis will follow badminton, and will likewise last four weeks.

#### DINING HALL REDECORATED

During the vacation the University Dining Hall received quite a bit of much-needed paint. The painters have recently finished the dining hall, which completes most of the redecoration of Manzanita Hall.

### Book Shop Sales Reach \$63 Already

Almost one-half of the total amount taken in by the Y.W.C.A. book shop last semester was realized in the first two days of this semester, Louise Tidball, chairman of the committee in charge, announced today.

The total amount taken in last semester was \$200, and the amount realized by the book shop to date totals \$63.

After the book shop closes for the season 10 per cent of the total amount taken in goes to the Y.W.C.A. organization for handling the books.

"In view of the fact that many books have not come in which are in demand, there will be notices placed on the bulletin board from day to day so that those who desire to sell old books may consult the book shop and watch for notices on the bulletin board," Miss Tidball said.

#### NEW COEDS IN MANZANITA

Manzanita Hall Association welcomes three new women to the dormitory. They are: Josephine Little, Myrtle Wines and Virginia Gasson.

### Glee Clubs Plan February Concert

With the first week of the spring semester drawing to a close, enrollment in the University Music Department has been very heavy, Prof. Theodore H. Post, music head, announced today.

Plans for several appearances have been formulated by the various music groups. Early in February the men's and women's glee clubs will make their first appearance at a joint concert in Fallon, sponsored by a community committee of Fallon. Later in the spring a concert will be given in Gardnerville. Other appearances of the various groups have not yet been arranged.

Both glee club organizations have been exceptionally large this year, Post said, but with the outgoing and incoming members the exact personnel of each group is not definite.

### Blue Key Get-Together Said Financial Success

Pronounced a complete financial and social success, the semi-annual University of Nevada get-together dance held at Tony's Spanish ballroom last Tuesday night by Blue Key, national service fraternity, with a large proportion on the university student body in attendance.

Dan Harvey and Fransden Loomis, students placed in charge of the dance, declared that the receipts compared favorably with those of former years. Music was furnished by Garry Callahan and his six piece orchestra. Several vocal selections were offered by Anna Blundell, who sang "Annie Doesn't Live Here Any More," and Doug Vaughn, local entertainer.

# Finance Control Decides Against Resuming Boxing

### Committee States University Is Unable to Support Boxing Squad

#### HISTORY TRACED

### Many Nevada Fighters Win Honors; Some Attending School Now

By TY COBB

The announcement of the finance control committee a few weeks ago that the university would be unable to support a boxing team came at a time when Nevada's prospects for a successful season would appear most bright. With a number of talented fighters in school and with C. L. "Brick" Mitchell coaching; the Wolf Pack boxers would have probably resumed their former place as one of the leading teams on the coast.

A few years ago the university sponsored a boxing team, and under the tutelage of Dick Wallace, the Nevada sluggers made themselves the most feared outfit in intercollegiate fistic circles. The U. N. teams won numerous victories over stiff opposition, with only a few losses by narrow margins. Some of the boxing teams the Wolves faced included University of California, Stanford, St. Mary's, California Aggies, Olympic club and others. James Foran captained the Wolf Pack. Nevadans Win Laurels

After the intercollegiate season was over several of the Nevadans entered Pacific coast tournaments. "Spud" Harris, although weighing only 149 pounds, won the 165 pound title from the toughest middleweights in the west. Some of the Reno boys, fighting for the Antlers' club, went back to New York and carried off fighting honors from the cream of the nation's amateur crop.

Poloni Noted

Several of the Wolves turned professional after their college days were ended. Tony Poloni is now one of the nation's leading light-heavyweights, formerly holding the California state 175 pound title. As an amateur Poloni won the national championship.

Wally Rusk and Bobby and Jimmy Olivas are performing in southern California fight clubs. Joe Horton, before his recent retirement, was gaining quite a reputation in the local rings.

At this time several members of those successful teams are still attending the university. Elmer Hawkins and Paul Fontana, welterweights; "Spud" Harris, middleweight; Ken "Cowboy" Austin, light-heavy; and Gerry Dellanoy, heavyweight, are eligible to box for the Wolf Pack and would compose a formidable outfit.

Harris and Dellanoy Champs

This summer Harris and Dellanoy, as members of the Virginia City boxing team, entered the state boxing tournament and carried off the championships in their respective weight classes. Jimmy Thompson, Nevada junior student, won the western Nevada flyweight title several months ago.

Last month Dellanoy entered the tri-state championship tournament at San Francisco but dropped a decision to the Pacific coast champ.

On December 22 Marjorie Fay and Lawrence Zobel were married in Reno. Both are members of the senior class. Mrs. Zobel is affiliated with Beta Sigma Omicron and he is a member of the Beta Kappa fraternity. They are making their home in Truckee.

Before the holidays, Patricia O'Connell, junior student and member of Pi Beta Phi, was married in Minden to Mike Ferini of Santa Maria, Calif.

Cupid vied with Santa Claus for the honor of being the most popular personage during the Christmas holidays, and if the number of campus marriages is an indication was the favorite among the university students and graduates. There were several weddings of note among the undergraduates and former students.

Virginia Sauter ex-35 and Clifford Devine, a former student, were among the college couples to be married over the holidays. Mrs. Devine was a member of Delta Delta Delta while on the campus and has been living with her family in Carlin until recently. Cliff was an S.A.E., was A.S.U.N. yell leader and was prominent in campus pep organizations. They are at home in Sparks.

The Pi Phis held open house Monday evening at their chapter house. Mrs. Pike was the chaperone, while the guests danced and played cards.

Mrs. M. Shattuck of Los Angeles is the new Tri Delta house mother. A dinner and a tea are being planned by the chapter in her honor.

Jack Smith and Florence Moser of Washington were married also. Jack is prominently identified with the Homecoming day celebration, is a Kappa Sig and an engineer. Mrs. Smith is affiliated with Pi Beta Phi at Washington State, where she met Smith. They are living in Reno and he is attending school.

## ALKALI IKE

"If a bunch of those college big shots had 'eir arms hung so 'ey culd put 'emselvs on the back 'ey wuld wear 'out the backs of 'eir coats in a week."

## Book Shop Opens This Week In Morrill Hall

### Y.W.C.A. Sells Used Books; List of Books To Be Used Given

Students wishing to sell second-hand books that are being used by the professors on the campus are instructed to take the books to the Y. W. C. A. The second-hand book shop is ready to sell the books. The shop is located in the basement of Morrill Hall and will be open every day next week during the afternoon. Louise Tidball is in charge.

Students who bring books to the book shop to be sold state their own prices. The Y. W. deducts 10 per cent of the selling price for its commission.

The list of books that are to be used is not complete yet but any student may bring books to the shop which he knows are to be used this semester.

The following books will be used: English—Fulton, Writing Craftsmanship; Woolbert, Fundamentals of Speech; Century Collegiate Handbook; Thomas, Manchester and Scott, Revised Edition; Wann, Century Readings in English Essay.

Hygiene—Meridith, Revised Edition. Zoology—Woodworth, General Zoology.

History—Bolton and Marshall, History of the Americas; Bolton, Syllabus; Gettell, Constitution; Hayes, Volume 1 Political and Cultural History of Modern Europe; Krober, Anthropology; Brested, Ancient Civilization.

Botany—Holman and Robbins, Second Edition; Coulter, Morphology; Volume 1.

Philosophy—Introductory Logic, Crayton and Smart; Drake, New Morality.

Chemistry—Essentials of General Chemistry, Part 1; Sears, Qualitative Analysis.

Psychology—Edmon, Human Traits; Viteles, Industrial Psychology.

Economics—Faultners, American Economic History; Fairchild Furness and Buck, Volume 2.

Latin—Place, Beginning Latin; How to Judge a Picture.

Music—History of Music, Landormy; Heacox, Eye, Ear and Keyboard Harmony.

Language—Bovee, Adventures par la Lecture; Spagnoli, Compendium of French Grammar; Hugo's Hermanli by Matzke; Wallentin's Grimdguge der Naturlehre; Covello and Giacobe, Italian Grammar; Frazer and Square; Phonetic Reader; House Maps, Essentials in Spanish Grammar; Peers, Red Review Grammar in Spanish.

Mathematics—Israelsen Irrigation Principles and Practices; Agg, Construction of Roads and Pavements; Metcalf and Eddy, Sewage and Sewage Disposal; Hott and Laboratory Manual of Testing Materials; Schofield O'Rourke, Design of Concrete Structures; King and Weislar, Hydrology, Edition 3; Davis, Footing, Surveying; Albert and Rogers, Kinematics of Machinery; Loursen, Properties and Mechanics of Materials; Starrett, Tool Set.

The Y. W. C. A. book shop was begun in 1932 to fill a need which had existed on the campus for some time. This is the only book exchange for the Nevada students who wish to buy or sell used books.

The University of Nevada Faculty Science club will hold the first meeting of the spring semester in the Agriculture building on January 25, it was announced this week by Dr. M. W. Deming, head of the organization.

Efforts are being made to arrange for one or more speakers, but no definite program has yet been arranged, Deming said. Subjects of contemporary interest are discussed at the club meetings, which are held semi-monthly. Students and the public are cordially invited to attend, he states.

## Many Dismissed For Library Fines

To start the semester off with a "bang" the University of Nevada library is dismissing all students who have overdue books and all students who have fines still unpaid.

The list dismissed this week is the largest since the first semester of last year, said the librarians. Unless those people who have fines take heed to the warning other means of collecting fines will be taken.

Those dismissed this week are Caryl Carman, David Clark, Maude Cooke, Eleanor Garrison, Kenneth Johnson, Joe Kelley, Charles Koerner, Dwight Leavitt, Wilton Margreave, Margaret Martin and Marjorie Mullen.

Anne O'Neill, Catherine Slavin, Ben Solari, Nevada Solari, Wayne Van Voorhis, Beth West, John Wilslef, Fred Wood.

George Anderson, Juana Barber, Marian Brodie, Cora Bryant, Ailene Daniels, Joyce Dodge, John Dolan, Michael Elcano, Mary Gates, Kathleen Haffey, Dale Bart, James Herz, Kathryn Johnson, Lorraine Johnson, Bill Johnston.

Bernard Lyon, Patricia McCullough, Griffith MacDonald, June McNamee, Lois Middley, Mildred Murdoch, Virginia Murgotten, Wallace Clarke, Fred Roberts, Dortha Robertson, Oscar Robinson, Anne Sebbas, Doris Shaver, Frank Showalter, Peggy Smith, Louis Weiner, Doris Whitlock.

## Frats Show Small Changes in Number Of House Residents

Honors are about evenly divided between increased and decreased numbers living in the sorority and fraternity houses, according to a survey made this week.

Alpha Tau Omega does not yet know definitely how many will be living there this semester, but expects an increase over the twenty-nine of last semester.

Beta Kappa has eight members living in the house, this being a decrease of four from last semester.

Lambda Chi Alpha has twenty-one living at the house.

Sigma Alpha Epsilon has fifteen living at the house, this being an increase of six from last semester.

Sigma Nu has five members living at the house, which is the same number that lived there last semester.

Sigma Phi Sigma has twenty members living at the house, which is an increase of five over the number of members living there last semester.

There are forty-seven men living at Lincoln hall, this being a slight decrease from last semester.

There are eight girls living at the Delta Delta Delta house, this number being a decrease of one from the number of inmates last semester.

Gamma Phi Beta has eight members living at the house.

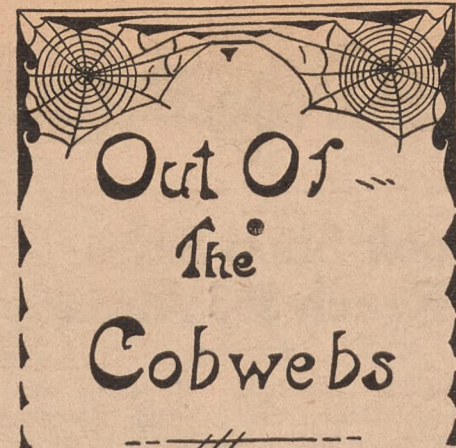

Kappa Alpha Theta has ten members living at the house, this also being the number that lived there last semester.

Pi Beta Phi has four members living at the house.

The number of girls living at Artemisia and Manzanita halls is not yet available.

Butler university offers a course in the art of staying married.

### LITTLE WALDORF

## Out Of The Cobwebs

As the semester closed last year, after a week of hectic exams and general hubbub, murmurs were heard concerning the flaws in the university calendar, which many professors and some students deplore as being short for the courses prescribed.

Of yore, many discussions have centered about this moot question. As early as 1894 we find in the Student Record a strong editorial over a proposed change.

Did you know that formerly the year was divided into three terms? And did it ever occur to you that the reason our semester begins so late in the fall was originally to permit students to help their rancher parents harvest the second crop of hay?

Just read this: "Two propositions are on foot to change the present calendar of the university. The first is to divide the academic year into two terms instead of three as at present exists, the first term to begin about the middle of December, the second term to begin the first of January and end the middle of May. The second proposition is to commence the first term as at present, in September, and end it the first of February, and have the second term close in June. Unfortunately both of these proposed changes are open to objections. The first division of time would work a hardship to students who find it necessary to assist in farm work during hay harvest. The second crop is not harvested until the first week of September. The proposed change would compel them either to miss the work in harvesting the second crop or the school work in August and a part of September. They cannot well afford to do either of these."

"The objection to the second proposition, although less serious than the first, merits attention. The Christmas vacation, coming such a short time before the examinations at the close of the first term, would not be enjoyed as it should. What student can relish a vacation when examinations are close at hand?"

"We would suggest that the first term begin as at present, but end before Christmas, and the second term begin the first of January and end about the first of June. The March vacation would in this way be dispensed with and we believe this division would give general satisfaction."

term begin as at present, but end before Christmas, and the second term begin the first of January and end about the first of June. The March vacation would in this way be dispensed with and we believe this division would give general satisfaction."

## Engineers to View Aeronautics Film

Through courtesy of the Boeing School of Aeronautics, a subsidiary of United Aircraft and Transport corporation, the engineering students of the University of Nevada will be offered a motion picture and vocational guidance program next Tuesday at 10:30 a. m. in the Electrical building.

As announced by Frederick H. Sibley, dean of the college of engineering, the show includes a historical film, showing the development of airplanes from Wright brothers to the latest Boeing transport; a combined Pratt and Whitney engine and Boeing airplane film showing manufacturing processes involved in the building of airplane motors and a Boeing school film showing flight and ground training methods and the equipment and facilities offered at the Oakland school for the training of United Air Lines personnel. The fourth film is entitled "Across the Continent in 20 Hours," showing United Air Lines operations and a coast to coast flight.

W. van Hattisma will be the Boeing representative in charge.

Pi Beta Phi announces the pledging of Helen Fulton of Reno.

Twenty-five different religious faiths are represented on the campus of the University of Alabama.

term begin as at present, but end before Christmas, and the second term begin the first of January and end about the first of June. The March vacation would in this way be dispensed with and we believe this division would give general satisfaction."

## 55c TO ADMIT DOWNTOWNERS TO HOOP GAMES

Fifty-five cents will again be the admission price charged for the downtown people to attend the University of Nevada basketball games this season, Joe McDonnell, executive secretary of finance control, announced today.

The admission price last season was 55 cents, including 5 cents tax, being out from 75 cents, the admission charge the year before. The fact that the admission price was reduced has increased the downtown attendance to the basketball games, McDonnell said.

The auditorium at the University of Minnesota recently had installed the largest sound projection equipment in the northwest.

The permission of the president of Penn State and the dean of women was necessary for a girl to go out with a fellow in 1870.

Prospective beauty queens at Stanford must weigh at least 150 pounds.

At Oklahoma A. and M. the ancient interfraternity chewing tobacco contest was replaced by touch football.

# Wolves Defeated In Holiday Game With Ogden Team

Alumni - Varsity Quintet Set Back 41 - 19 by Strong Ogden Boosters

## YEAR'S SECOND GAME

Pack Makes Little Headway Against Crack Utah Outfit

Displaying a flashy brand of basketball seldom seen on the local hardwood, a group of ex-college cage artists who travel under the name of the Ogden Boosters encountered little difficulty in handing a combination Nevada alumni-varsity quintet a 41 to 19 defeat in the season's curtain raiser last Friday evening in the campus gymnasium.

The Utah outfit, boasting a record of but two setbacks in thirty starts, were never seriously in danger of losing the lead which they gained after the first few minutes of play.

The uncanny ability of Miller, booster forward, in sinking baskets from all angles of the floor was the highlight of the contest. This four-time all-American forward, hailing from a mid-western university, accounted for nearly half of his team's total in registering eight field goals during his sojourn in the game.

Although showing frequent signs of a tight defense, the Nevada men had little to offer in the way of an effective offense. The invaders, composed of men ranging from six to six and a half feet in height, gave little opportunity for the Wolves to get "set" for any setup shots, with the result that the locals were let down with but seven field goals for their evening's efforts.

Dan Bledsoe, former Wolf high scoring forward, was entirely unsuccessful in his few attempts to penetrate the Ogdenites' almost flawless defense. Jack Hill, diminutive forward, playing his final year in Silver and Blue trunks, fared but little better in ringing up one field goal and a foul to his credit.

The Nevadans, obviously outclassed, showed little organization in their sparse defensive and offensive early season formations.

The men from the Mormon state met Nevada in the first game of their current barnstorming tour, which will take them into nearly all the states west of the Mississippi river. These traveling men will come to the end of their long trek at the national basketball championship playoffs in Kansas City early in the spring.

## Pacific Preparing For Opponents on Hardwood Court

STOCKTON, Jan. 12.—With an eye bent on keeping the Far Western conference championship, which they won last year, the College of Pacific basketball men are practicing hard these nights under the direction of Coach Laurie Apitz. The regular conference basketball race opens shortly and the Bengals figure to repeat last year's performance.

This Thursday and Saturday the Bengals will tangle with the Moraga Gaels in a home engagement. Thursday the Stockton men journey to Moraga and Saturday St. Mary's comes to Pacific. Last year the Gaels defeated the Tigers twice. The Gaels are again favorites but, due to their strong showing against U. S. F. two weeks ago, the Bengals are given a good chance to upset the Moragans. Against the San Francisco Park-Prezidio Y.M.C.A. Pacific won 41 to 27. San Francisco university barely nosed out the Bengals by a 30-27 score. Two nights later Pacific beat out Stanford 21-20 in a wild game. A return engagement with University of San Francisco resulted in a decided win for the Dons 29 to 16.

**String Not Chosen**  
Coach Apitz has not yet decided on a regular first string group, devoting most of his time to giving everyone a chance. Captain Roland Hoene, 6 feet 5 inch center from Pasadena, and Tommy Wilson, 6 feet 2 inch guard from Napa, stack up as the only two "regulars" on the squad. Of late Jimmy Thompson, dynamic little forward from Lemoore, has been hitting the bucket from all angles. In addition his guarding has been above par. He held Chamber, S. F. U. star, to one field goal in their last game.

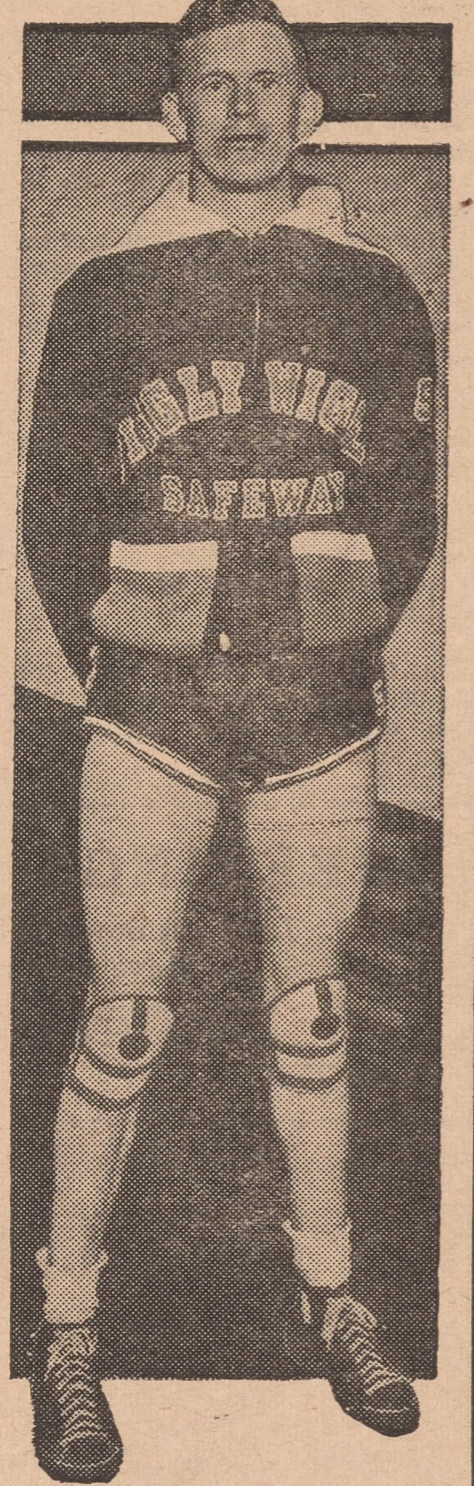

The Bengals have been hit by the temporary loss of Les Russel, all-conference guard. Russel is out with an injury. He is expected to be in shape for the regular conference season.

## Dan Ronnow Ex-30 Joins Hoop Squad

Dan Ronnow, stellar U. of N. frosh basketball player of 1930, is back in school again after an absence of four years, and has been named on the varsity squad by Coach J. E. Martie.

Ronnow played with the freshman team here four years ago, but was forced to stay out of school after his first year. He came to Reno during the Christmas holidays to enroll in the university again and has been reporting for practice with the team. Ronnow was a member of the Panaca team from 1926 to 1930. Big things are expected from him during his career on the squad.

## WORRY FOR WOLVES

James "Lindy" Hood, lanky center on the Piggly-Wiggly team that will go into action against the Nevada Wolves Monday night. A former star at the University of Alabama, Hood will give the Wolves plenty to worry about.

Although the University of Nevada Wolf Pack got off to a rather poor start this season by losing to the alumni team and the Ogden Boosters, it seems that they have finally hit their stride, after turning a 25 to 21 win over the alumni squad early this week.

The silver football, emblematic of Nevada's first Far Western Conference championship, makes a good-looking addition to the university's collection of trophies. This is the first time the trophy has been received by Nevada, having remained with San Jose when Nevada tied for the championship in 1932.

Whatever else might be the faults of the present frosh class, non-participation in athletics is not one of them. Last season's football squad was one of the best in the history of the school, and the turnout for the Cub basketball squad this year is exceptionally large with forty men in suits.

## Track Season to Officially Begin Early Next April

Interfraternity Meet Set For April 14; Lettermen Not To Compete

Track season will officially open April 7 when the interclass meet gets under way, athletic officials announced today. The following four week-ends will see Nevada engaged in a series of inter-collegiate meets.

The inter-fraternity meet is scheduled for April 14, and on April 21, the Nevada squad will go to Chico State for the inter-collegiate season opener. The following week-end will find Nevada playing host to the Cal Aggies. May 5 has been set by conference officials for the annual Far Western Conference meet to be held in Sacramento.

The inter-class meet this year will not be open to varsity track men. Only those who have not made letters in track will be eligible to compete in the meet. This is intended to make for more spirited competition between the classes and bring potential stars to the attention of the coaches.

There is nothing definite as yet as to the type of team that Nevada will have this year. Judging, however, on the basis of the performance of men from last year's squad who have returned for this season, Nevada seems in a fair way to have a better team than it has had in several seasons. Many promising freshmen of last year will also be eligible for the varsity this year.

## High School Hoopsters Meet in Opening Games; Two Series Played Off

High school basketball opened last week-end with a series of three games bringing together six western Nevada high schools, Friday night. Another series was played Saturday night.

On Friday Dayton defeated the Virginia City quintet 36 to 9, and Yerington downed Gardnerville 28 to 8. In the most closely contested game of the evening, the Stewart Indians met a 20 to 16 defeat at the hands of the Carson City senators.

The games played Saturday night saw Carson defeat Fallon 21 to 13, Sparks defeat Lovelock by a 41 to 15 score, and Yerington defeat Dayton 25 to 17.

## Junior Varsity Practice Begun; Coaches Named

Junior varsity basketball started on Wednesday evening in the university gym when thirty men appeared for the season's first practice under the coaching of Dan Bledsoe and Fritz Coltrin.

After a short game which was held to test the ability of the players they were divided into two groups, the junior varsity Blues, to be coached by Coltrin and the junior varsity Whites under Bledsoe. The two teams belong to the city league, which is composed of quintets from the Reno Printing, Union Ice Co., Reno Sporting Goods, Y. M. C. A., Varsity Blues and Varsity Whites, in class A, while Bar JK, Reno Brewing Co., Democratic Labor Club, Military Police, Sierra Pacific Power Co., Reno De Molays and the Federated Church belong to class B. Although the schedule of games is not definite, the Blues will play Reno Printing and the Whites tackle the Union Ice Co. some time during the first part of next week.

Outstanding men promoted to the squad from last year's frosh team are Cameron, Kelly, Hadlin and Tanahill, while those seniors who have signed up for junior varsity are Calahan, Cashill, Beasley, Smalley and Elliott. The Blue team is composed of Beasley, Kibby, Warren, Smalley, Best, Bowrin, Hickey, Chlatovich, Dana, Gordenev, Jones, Leavitt, Olsen, Park, Wanke, Walker, Yori, Elliott, and those on the White are Byrd, Callahan, Cameron, Cashill, Guffrey, Hadlin, Kelley, Glusovich, Pine, Reynolds, Robb, Tanahill.

The Whites practice in the university gym from 7 to 8 on Monday and Tuesday and from 9 to 10 on Wednesday, Thursday and Friday, while the Blues' schedule is from 7 to 8 on Wednesday and Friday, 8 to 9 on Tuesday and 9 to 10 on Monday.

The University of Maine offers a course in icecream making.

## Varsity Defeats All-Star Alumni

Close Contest Ends in First Victory of Season for Nevada Wolves

Downing the all-star alumni team 25 to 21 Tuesday night, in a rough and tumble tussle, the Nevada Wolf Pack displayed the best form it has shown this season. In a previous encounter the alumni defeated the varsity by a wide margin.

Starting out with a bang, the varsity took a small lead, and held it throughout most of the game. The teams appeared to be evenly matched until the last quarter, when the varsity raised its lead and held it until the end of the game. The alumni worked hard, shooting from all directions, but were unable to overtake their younger opponents.

### First Victory

This was the first game the varsity had won in its pre-conference schedule. Previously, it had lost to the alumni squad in the first game of the season, and had been defeated by the Ogen Boosters in its second start.

Showing the result of the intensive training instituted by Coach J. E. "Doc" Martie during the past weeks, the varsity has found a clicking combination in Leighton, Hill and Phillips, forwards; Carroll, center, and Tharp and

## Boland Coaches B Team At Reno High School

Monte Boland, senior student, is now coaching the Reno High school B team under the direction of Herb Foster, Reno High school coach. Boland, who has a minor in the physical education department of the university, has full charge of the squad, which will meet B teams from the other Nevada high schools this season. Last year the team was coached by Roy Salisbury, a former university student.

Curran, guards.

### Strong Reserves

This combination, backed by a strong reserve consisting of J. H., Jones and Kailley, forwards, Stowell, center, and Ronnow, Tapogna and Lansdon, guards, will constitute the varsity's main threats for the coming season.

The alumni team consisted of Bledsoe and Guffrey, forwards; Gilmartin, center, and Lawlor and Salisbury, guards. The alumni played a good brand of ball, but the hard working varsity proved to be too much for them.

Send the 'Brush home.

## Basketball Season Begins in Earnest On Western Coast

Games Draw Many Fans Over Past Weekend as Teams Start Season

The western basketball season got under way last week-end when several notable games drew fans to the courts. The Oregon State hoopmen began the defense of their last season's championship by defeating the Washington State cagers, 28 to 16.

Two Utah teams invaded the coast; one, Utah State, downed Stanford 46 to 35, and Utah lost by one point to California, 32 to 33.

Idaho proved no match for Washington's hoopsters as a 35 to 29 score in favor of the latter demonstrated.

Two other coast quintets emerged victorious over neighboring teams when Whittier swamped Santa Barbara State, 40 to 27. The United Athletic Club of San Francisco defeated U. S. C.'s cagers by a 35 to 34 score.

# Greek Letter Men Lead Barbarians in Scholastic Rating

## Scholarship Survey Completed By National Interfrat Council

Scholarship ratings of fraternity men at the University of Nevada are higher than those of non-fraternity, according to a survey just completed by the National Interfraternity conference, an organization of 69 leading college Greek letter societies in the United States.

Although the fraternity average is higher than that of the unaffiliated men, the all-men's rating is slightly higher on this campus, the study shows. The western group of states maintains one of the best averages of any geographic section.

Not only does the scholastic average of the fraternity men rank higher than the non-fraternity in a majority of the 156 colleges studied but the rating is higher than the all-men's average, which includes both unaffiliated and Greek letter students. The group average of 59 per cent of the fraternities exceeds the all-men's average on campus.

The total undergraduate enrollment of the institutions in the report numbers approximately 250,000, of whom nearly 70,000 are members of the 2104 chapter groups of the Greek letter organizations in the interfraternity conference.

Outstanding among the facts revealed by the 1933 survey is that all-men's averages have risen in 79 per cent of the institutions of the country, denoting an increasing amount of attention to academic objectives on the part of undergraduate men.

The best performances of the year were made at the Universities of Wisconsin, Michigan, Penn State, Syracuse, Alabama and Mississippi. The most marked scholastic improvement, according to geographic sections, was made by the southern group. Second in improvement was the Pacific coast section.

According to the report, the younger fraternities still outstrip the older, scholastically. The most steady improvement is found among larger national groups and is attributed to the more extensive programs carried on by these organizations. No internal evidence of the study is found substantiating the belief that disciplinary control has aided in solution of the scholarship problem.

Scholastic first places in the 156 institutions reporting this are distributed among 52 members of the interfraternity conference, the widest distribution ever obtained. Greater interest in scholarship and the steady improvement in the past five years are removing much of the grounds for criticism directed towards fraternities and fraternity systems, the scholarship committee believes.

# Senate Meeting

(Continued from Page One)

Ill, Elwin Jeffers, Alton Gibson, Reed St. Clair, Charles Jensen, Frank Leonard.

Women's Upperclass Committee—Elva Neddenriep, chairman; Dortha Shidler, Grace Semenza, Margaret Walker, Sallie Fagan, Florine Frank, Juana Barber, Emma Azarez, Genevieve Wolfe, Grace Armbruster.

**Change By-Laws**  
Prior to considering the panels submitted by the nominating committee the senate carried on an extensive discussion concerning the method of voting, with the result that article 7 to the by-laws was amended. This article formerly provided for a group vote on each panel submitted and if the panel failed to receive the necessary two-thirds majority a new panel had to be drawn up. This was considered to be an unrepresentative vote in panels consisting of two or more names and the by-laws was amended to provide that each name of each panel be voted on individually.

**Close Balloting**  
The balloting for the office of secretary to the senate and the A.S.U.N. consistently ended in deadlock. Florine Frank and Helen Records were the candidates and so close was the voting that neither could obtain a two-thirds majority, although Miss Frank consistently led her opponent by two or three votes. Finally a new panel had to be submitted and Katherine Johnson replaced Miss Records in opposition to Miss Frank, who won on the necessary majority.

Ed Montgomery replaced Katherine Johnson on the publications board after the latter failed to receive a majority vote.

Montgomery was defeated by Ned Morehouse for the office of representative to the rally committee. The committee includes the following: James Cazier, chairman; Don Brown, Wilma Chanslor, Dorothy Nason and Ned Morehouse.

Ned Morehouse recommended to the senate that a wider investigation be made into the possibility of the university securing more buildings by obtaining a loan from the government under a recent plan outlined to the university regents by R. A. Allen, state engineer. Forrest Bibb

was appointed to gather all data possible relative to this matter for presentation to the senate at a future date.

The first regular meeting of the A.S.U.N. senate for the spring semester was called to order by Chairman Jim Wallace at 7:30 p. m.

The secretary called the roll. The senators who were not sworn into office at the last meeting were given the oath of office by Chairman Wallace.

The minutes of the previous meeting were read and approved.

It was decided that the senate hold a special meeting Thursday, January 11, at 6 p. m., at which time the nominating committee will present panels for the necessary committee appointments.

The following were appointed to be on the nominating committee:

- Donald Brown.
- James Cazier.
- Ned Morehouse.
- Wilma Chanslor.
- Dorothy Nason.

Chairman Wallace reviewed the procedure that must be followed before the committee panels can be accepted.

A discussion was held concerning the fact that the constitution states that there must be a lapse of two weeks before committee panels might be finally accepted. It was suggested that an amendment be made to remedy the situation.

A motion was made and seconded that a committee be appointed to confer with President Walter E. Clark to obtain further information on the question of getting a new building for the U. of N. campus under the C.W.A. The motion was not carried.

Chairman Wallace asked Forrest Bibb to present the material he has on the situation at a future meeting.

Chairman Wallace instructed the nominating committee to meet directly after the regular meeting.

The meeting was closed in regular order.

A special meeting of the A.S.U.N. senate was called to order by Chairman Wallace at 6 p. m.

The roll was taken and the minutes of the previous meeting were read and approved.

Chairman Wallace announced that he had conferred with President Clark on whether the A.S.U.N. could finance the glee club. President Clark stated that the glee club is under the supervision of the university, but could accept any monetary gift that the senate might wish to bestow.

The panels for the several A.S.U.N. committees were then submitted by James Cazier, spokesman for the nominating committee.

After considerable discussion a motion was made to amend article VII of the by-laws to read as follows: That for the committees or committee members chosen from within the senate each person on the panel be voted upon separately. The motion was seconded and carried.

The panel for representatives to finance control was submitted and accepted. The candidates are Wilma Chanslor and Forrest Bibb.

The panel for representation to the executive committee was submitted and passed upon. Those on the panel are Herbert Peck, William McMennamin and Dorothy Nason.

The panel for those nominated to the publications board was presented but not passed upon. Additional names were added from the floor and the nominating committee took a recess, during which it drew up a new panel.

The meeting was again called to order and the new panel was submitted and approved. Those who were passed upon are Kathleen Haffey, James Cazier and Edward Montgomery.

A vote was taken on the panel for the chairman of the men's upperclass committee. The panel was accepted and a vote was taken to select the chairman. Paul Turner was selected and his name approved by the senate.

The panel for members to the men's upperclass committee was submitted but not approved. A short recess was taken and a new panel was drawn up. The meeting was again called to order and the new panel for members to the men's upperclass committee was submitted and passed upon. Those selected for membership are Frank Leonard, Reed St. Clair and Charles Jensen.

The panel for members to the men's women's upperclass committee was accepted. A vote was taken upon the three candidates and Elva Neddenriep

## LINCOLN HALL HEAD

Paul A. Harwood, master of Lincoln Hall, men's dormitory on the University of Nevada campus and associate professor of English who has been one of the ablest of the faculty members in assisting in the directing of student body affairs. He was a member of the finance control committee last year and assisted in the revising of the A. S. U. N. constitution. Harwood was editor of the Sagebrush and received the Rhodes scholarship from Nevada in 1923.

was selected. A vote was taken to approve of this selection. It was not approved. A revote was taken on the two highest candidates and Elva Neddenriep was selected. The selection was approved by the necessary vote.

The panel for the members of the women's upperclass committee was accepted and passed upon.

The panel for the secretary to the senate was submitted and passed upon. A vote was taken to select the secretary. Florine Frank was selected. A vote was taken to approve of the selection and was not passed. A revote was taken and Miss Frank was again selected. A vote was taken to approve of the selection but it was not approved.

The chairman appointed Elva Neddenriep as temporary secretary until the deadlock should be broken.

The panel for the rally committee was submitted and approved. A vote was taken to select the chairman and Ned Morehouse was selected. A vote was taken to approve of the selection and it was approved.

The panel for the Mackay day committee was not approved. A recess was taken to draw up a new panel, which was accepted. The Mackay day committee consists of the following persons: Ed Bath, chairman; Ed Martinez, Virginia Wheeler, Bob Marean, John Franklin, Bryce Rhodes, Hugh Rossolo, Ray Frolich, Fransden Loomis, Lloyd Bowen.

A new panel for the secretary to the senate was submitted and approved. A vote was taken to select the secretary and Florine Frank was selected and the selection was approved.

The meeting was adjourned in regular order at 10 p. m.

JAMES WALLACE, Chairman.  
ELVA NEDDENRIEP, Secretary Pro Tem.

## DUKE University SCHOOL OF MEDICINE DURHAM, N. C.

Four terms of eleven weeks are given each year. These may be taken consecutively (M.D. in three years) or three terms may be taken each year (M.D. in four years). The entrance requirements are intelligence, character and at least two years of college work, including the subjects specified for Grade A Medical Schools. Catalogues and application forms may be obtained from the Dean.

## Honor Roll

(Continued from Page One)

James Allen Young	1.50
Ruth E. Palmer	1.50
Leland Hill	1.50
Dan Bledsoe	1.50
Elinor Robinson	1.50
Bunice Caton	1.52
George F. Francis	1.52
Jean Henderson	1.53
Margaret Martin	1.53
Sterling Johnson	1.53
Elizabeth Juniper	1.53
Mrs. Ralph Wittenberg	1.53
Richard Greulich	1.55
Paul Turner	1.55
Anna Blundell	1.55

Averages for various groups follow:  
Student body average.....2.4733  
Men's average.....2.5672  
Women's average.....2.3457  
Lincoln Hall.....2.4039  
Manzanita Hall.....2.5026

**Sororities—Members, Pledges**  
Beta Sigma Omicron.....2.125 2.962  
Delta Delta Delta.....2.1928 2.3608  
Gamma Phi Beta.....2.2763 2.1375  
Pi Beta Phi.....2.3048 2.4357  
Kappa Alpha Theta.....2.3063 2.4507  
Alpha Delta Theta.....2.568 3.23

**Fraternities—Members, Pledges**  
Lincoln Hall Assn.....2.3197  
Alpha Tau Omega.....2.3586 3.09  
Phi Sigma Kappa.....2.4392 2.9905  
Sigma Nu.....2.4925 2.9242  
Lambda Chi Alpha.....2.5025 2.6211  
Beta Kappa.....2.53 2.855  
Sigma Phi Sigma.....2.5835 2.5133  
Delta Sigma Lambda.....2.593 2.424  
Sigma Alpha Epsilon.....2.8512 2.9265

Comparative figures for the last three semesters are as follows:  
Spring, 1933:  
Student body.....2.3588  
Women.....2.2177  
Men.....2.4694

**Hartman High**  
The highest average was 1.02, received by Paul Hartman. Beta Sigma Omicron led the sororities, with Lincoln hall leading the organizations. Phi Sigma Kappa won the fraternity scholarship cup.

Spring, 1932:  
Student body.....2.594  
Men.....2.613  
Women.....2.233

**Maestretti Leads**  
Leotta Maestretti, a graduate student, led the student body with a straight one average. Delta Delta Delta, Lincoln Hall association, Stray Greeks and Phi Sigma Kappa led the organizations.

Fall, 1932:  
Student body.....2.5117  
Men.....2.6618  
Women.....2.3147

Leading the honor roll was William J. Johnstone with an average of 1.03. The highest average made by a sorority went to Delta Delta Delta, with Lincoln hall leading the organizations and Sigma Nu heading the fraternities.

Boost, don't knock, Nevada.

## Prospectors Course Will Begin Monday

Registration for the 1934 University of Nevada short course for prospectors will be open Monday morning at the office of the registrar. Because of the stimulation of the mining industry through the rise of prices of money metals it is expected that the course will be more popular this year than ever.

The course will extend from January 15 to February 9. No charge will be made for instruction in the course, but a fee of \$5 will be charged to cover the cost of materials and supplies used in the various laboratories. No text books will be required.

The faculty for the course, which included many departmental heads, is as follows:

Walter E. Clark, president of the University of Nevada; John A. Fulton, director Mackay school of mines; Maxwell Adams, elementary chemistry; Horace P. Boardman, surveying; Peter Fransden, hygiene; M. W. Deming, qualitative analysis; George W. Sears, rare elements; Stanley G. Palmer, electrical machinery; Vincent P. Giannela, geology and mineralogy; Carl Stoddard, geology; Walter S. Palmer, metallurgy; F. H. Sibley, gas engines; Jay A. Carpenter, prospecting; H. R. Cooke, mining law, and Wm. I. Smyth, associate professor metallurgy.

## Yearbook Contract Let to Reno Printer

All contracts for the 1933-34 Artemisia have finally been let, according to Don Brown, business manager of this publication. Renewing a policy which has not been followed for a number of years, the Reno Printing Co. has been given full charge of the book. In other years the printing, engraving and other contracts have been let separately.

## VELVET ICE CREAM CO.

## SPRING UNDECIDED; SUN BATTLES FROST FOR CAMPUS HONOR

With the thermometer hovering around the freezing mark, and the sun attempting to shine, the spring semester was ushered in at the University of Nevada.

Although there is a thin layer of ice on Manzanita lake, no daring soul has yet risked an icy bath to try out his new skates. Winter sport fans are lamenting the lack of snow and are shellacking their skis in vain.

However, with the beginning of the spring semester comes the longing for lazy spring days to be spent in such pleasant occupations as falling in love and cutting classes.

The familiar old refrain, "I've got a cold in my nose," will soon give way to "Ho, Hum, spring is here, now."

Students at the University of Oregon are hearing a series of talks on "Love and Marriage" by a Portland minister.

The 23 year old song at the University of Chicago, "Wave the Flag," has been discarded since Amos Alonzo Stagg left.

## SOCIAL SUICIDE

Well, back again to studying, and let's hope that all the etiquette has not been forgotten as well as the art of studying.

Don't forget, men—the book of etiquette says that it is very bad to get soused when you're with a date. No

The other day a girl said she sure After all, the women on this campus have felt the same about it, too.

The other day a girl said she sure wished the men around here would walk on the outside of the sidewalk while walking with her, and not be a few steps in front or in back of her.

Oh, yes—it is proper to remain sitting beside your date in a dance hall if you are not acquainted with the women standing—providing the ladies are young.

A compliment to a lady is to hold her chair for her when she is being seated at a dinner.

A new name for some dancers on the campus is "pretzel binders." This is strictly against the book of etiquette rules.
