PRICE FIVE CENTS

Lincoln Hall Given Thompson Trophy For Scholarship

Beta Sigma Omicron Presented
Pan-Hellenic Cup for
High Average

SWEATERS GIVEN

Nineteen Football Players
Received Awards at
A.S.U.N. Meet

The presentation of football and scholarship awards marked the first A.S.U.N. meeting of the semester which President Wallace called at 11:25 this morning in the auditorium.

Professor Thompson, dean of men, presented his recently inaugurated scholarship cup to Robert Marean, mayor of Lincoln hall, in acknowledgement of that organization's being highest in scholastic standing for the past year. In behalf of Dean Margaret Mack he presented Delta Delta Delta with a plaque for having made the greatest scholastic improvement of any sorority last semester over the previous term's average.

Grace Semenza presented the Pan-Hellenic trophy to Beta Sigma Omicron which, for the second consecutive semester, ranked first among the sororities in scholarship.

Football sweaters were awarded by Coach "Buck" Mitchell to Kenneth Austin, Jack Hill, John Benson, Marvin Turner, Thomas Cashill, Dan Bledsoe, Victor Carroll, Alonzo Priest, John Flournoy, Paul Walker, Edward Kell, Dan Toquero, William Beemer, Eugene Salet, George Hadlen, Cecil Stowell, "Spud" Harris, George Tharp, "Bud" Beasley and Manager Ralph Menante.

President Wallace urged that the students help to keep the campus clean by throwing papers and cigarette butts in the receptacles placed at various points of the campus, rather than throwing them on the lawns and walks.

Announcement was made by Paul Fontana of the military ball which is to be held tomorrow night in the Washoe County Library building, Jim Wallace stated that there will be a basketball game tonight in the gym, when the Nevada varsity will play the Reno Printing company squad.

As part of a discussion which took place on tradition and hazing, Paul Fontana suggested that the bell in Morrill hall be used more often for such events as rallies and other student activities.

James Cazier, chairman of the senate nominating committee, announced that the various committee appointments made by the senate under the A.S.U.N. constitution, and published in a recent edition of the Sagebrush, had been definitely approved at the last meeting of the senate.

Fraternities List New Men Pledged

A total of seven men were pledged into the various fraternities during the past week, showing an increase of four over the previous week, as the rushing season draws to a close.

The list of men pledged this week is as follows:

Sigma Nu—Shirley McCulston, Carlin; Fred Hartman, Reno; Frank De Lamare, Reno.

S. A. E.—Rudolph Semenza, Reno. A. T. O.—Eddie Feitch, Reno. Delta Sigma Lambda—Anthony Leone, Reno.

Phi Sigma Kappa—Ross Hart, Reno. The Taus still lead the parade with seven men, Sigma Phi Sigma comes next with five, S.A.E. and Sigma Nu next with four each, Lambda Chi Alpha, Beta Kappa and Phi Sigma Kappa follow with two each, and Delta Sigma Lambda brings up the rear with one man.

NEON SIGN BRINGS U. OF N. ACTIVITIES BEFORE PUBLIC

Anonymous donations totaling \$45 have been received by the university news bureau for the erection of a sign which will advertise University of Nevada activities throughout the year. The proposed sign will stand five feet high and ten feet long, and will have a neon border which will be lighted at night.

A large block N will occupy a center position in the sign and two lights in the lower corners will show the athletic schedule, which will be changed at the end of every season. The schedule will include the name of the team to engage in competition with Nevada, and the time and place, according to Howard Umber, director of the news bureau.

The sign will be erected as soon as a suitable site can be found. The corner of Fourth and Virginia streets was suggested, but local oil companies were unable to offer space.

Campus Thespians Assigned Parts in Century Club Play

Several University of Nevada thespians, as well as townspeople, are taking part in the Shakespearean play, "Romeo and Juliet," sponsored by the drama section of the Twentieth Century club. Mrs. Emerson J. Wilson, director, said the funds will be used to purchase new lighting equipment for the club stage.

The student members taking part are Donald Butler, Walter Christian, Reed St. Clair, George Steffens, Charles Jensen and William McMennamin. Jack Belz was forced to withdraw from the cast and his part has not, as yet, been filled. Russell Ross, assistant in English, is also taking a part.

This play will be given next Wednesday, February 7.

Smith to Discuss Lincoln Leadership

History Professor Will Talk
On Great Emancipator in
Friday Lecture

An interpretation of Lincoln's leadership in the Civil war will be presented when Claude C. Smith, associate professor of history and political science, addresses the student body on February 9, at the Education building at 11:25 a. m.

Discussing Lincoln's leadership in the Civil war, Smith will take up the importance of leadership in a democracy. He will review the leadership qualities of recent presidents of the United States, including Cleveland, Roosevelt, Taft and Wilson.

Professor Smith has made a special study of the Civil war period and of the part that Lincoln played during the four year struggle.

The program is an annual event in the observance on the campus of the birthdays of Lincoln and Washington, usually featured by a pertinent speech from some prominent citizen of Reno or a member of the faculty.

The university's committee on assemblies and lectures is in charge of arrangements. Prof. Harold Brown, a member of the committee, will introduce Prof. Smith.

Kappa Kappa Psi Discusses Plans

Local Music Group to Stage
Concerts in Conjunction
With Local Bands

Having done good work for at least one semester in the University of Nevada band, several men were elected into the local chapter of Kappa Kappa Psi, national honorary band fraternity, in a meeting held Tuesday night in the Education building.

The members are planning a series of band concerts to be held in conjunction with the Reno municipal band, the Shriners' band and the Reno and Sparks high school bands. Instead of the usual marches, the band leaders intend to feature light operas and serenades. Chaplain F. D. Graves heads a committee, including Tom Morris and Herbert Peck, for the purpose of working on the projects.

Officers of the band fraternity are: Herbert Peck, president; Kistler Rivers, vice president; William Durbow, secretary, and Professor T. H. Post of the university music department, treasurer.

Tuesday's Quake Jars Seismograph

An earthquake shock Tuesday at 12:17, severe enough to throw one of the needles off the record of the University of Nevada's seismograph, was felt by many students and Reno people.

The other seismograph needle showed the major shock to be very sharp. Twenty-four slighter quakes have been recorded since the severe shock, extending over a period of about forty-eight hours.

STUDY UNDER TREES POPULAR; STUDENTS ABSORB SUNSHINE WITH KNOWLEDGE ON CAMPUS

With magical, unseasonable spring weather still prevailing, the rage for outdoor studying is growing by leaps and bounds, and investigation proves that it is not all "nature study."

Following the precedent of Professor Silas C. Feemster, who conducts regular classes on the campus proper, many students are doing serious studying sprawled full length on the grass.

This week while the aforesaid history professor held forth on the Hase-man-Jones memorial bench on the lake shore, collegians outside his group

Varsity Cagers Tangle Tonight With Reno Team

Martie's Wolves Are to Meet
City League Champs in
Campus Gym

BEAR CATS STRONG

Several Former Nevada Stars
to Take Floor Against
U. N. Basketeers

Taking to the floor tonight against the Reno Printing company Bear Cats, the University of Nevada Wolf Pack will meet one of the strongest teams in the state in what promises to be a fast and exciting game. The game will be called at 7:30.

Tied with the junior varsity Whites for first place in the A division of the city league conference, the Bear Cats have a fast scoring combination that enabled them to hit the basket for 40 points against 26 for the Whites Wednesday night.

Ready to go and showing a 100 per cent improvement over their earlier starts, the University of Nevada Wolf Pack has shown fans just what can be expected from them, and are ready to start a winning streak that they intend to keep up until the final game of the Far Western conference tourney has been played.

J. E. Martie, Nevada coach, has indicated that he will probably give his less experienced men the call over the regulars for the evening, and will try to gain more experience for his squad before sending them against the College of Pacific Bengals next week.

Every man on the Nevada squad will probably see action tonight, with Leighton and Phillips, first string forwards, alternating with Jack Hill and Dan Ronnow at that position. At center Vic Carroll and Cecil Stowell will take turns, while the four men who will play guard positions are Harold Curran, Vernon Tapogna, George Tharp and Allan Lansdon.

Constituting the Wolf Pack for this season, these men have been improving rapidly all season, starting from scratch with a group of young inexperienced players, until they are now a well polished and fast playing group.

The Printers, however, have a strong team and will give the Wolves a good fight for the evening's honors. Led by a group of experienced men who have shown their ability to hit the basket with ease, the Bear Cats have not been defeated yet this season, and are anxious to keep their record clean tonight.

Men who will see action of the Printers are Oscar Frelag, Toby Guffrey and Floyd Holt, former University of Nevada players, and Rockefeller, high scoring forward, who will probably do more than his share of work for the Cats.

Directory Lists Homes of Grads

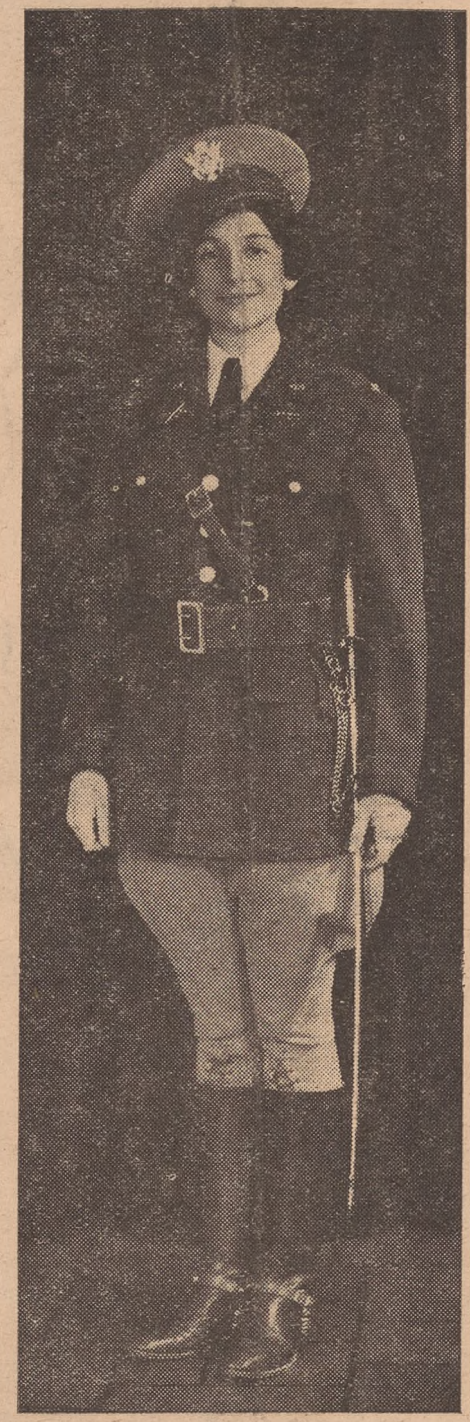

University of Nevada alumni have drifted over a large geographical area since leaving this campus, a survey of the new University of Nevada alumni directory reveals.

While nineteen foreign countries are listed as the homes of University of Nevada graduates, there is "no telling" where your student friends of today may be found a short time after commencement, if the evidence shown in the new University of Nevada alumni directory is to be taken as a criterion.

Even though the greater number of graduates will remain close home, American Samoa, Australia, Central America, Hawaii, the Philippines or even China may be the mailing address of some of today's students within a few years. These countries are today the residence of a number of college grads.

There will be an important Independent meeting next Monday evening in the Education building at 7:30. A woman representative to the A.S.U.N. senate must be elected at this meeting.

CO-ED MAJOR

MISS MARGERY MULLEN who will preside at the military ball tomorrow night in the Washoe County Library building as honorary major. Miss Mullen is a member of Kappa Alpha Theta sorority and is a senior student. She has been active in dramatics since her transfer from San Mateo Junior college.

Military Dance To Be Saturday Nine Engineers Make Honor Roll

Margery Mullen Will Preside
As Honorary Major
During Evening

With Miss Margery Mullen presiding as honorary major, the annual military ball will be held tomorrow evening in the Washoe County Library building under the auspices of the Nevada chapter of Scabbard and Blade and the R.O.T.C., according to Bela Harcos, president of Scabbard and Blade.

Dancing is scheduled to start at 9 o'clock, with the grand march at 9:30. Miss Mullen will lead the march with Colonel Robert M. Brambila, commandant of cadets at the university, as the cadet officers form a saber arch.

A skit, musical solos and fancy exhibitions with the army rifle by basic course cadets have been arranged for entertainment by Dan Harvey, who is in charge.

During the evening the honorary major will present insignia bars to the new members of Scabbard and Blade, who will thus officially be accepted into the society.

May Broadcast

Arrangements are being made with radio station KOH to broadcast part of the program during the evening. The broadcast will be local only, since the necessary arrangements for a coast hookup could not be completed in time for the ball. Garry Callahan will lead the eight piece dance band which has been secured for the event.

One of the musical features of the evening will be the playing of "Army Blues," which is copyrighted by West Point and played during the last dance of all their hops.

Tickets on Sale
Tickets are being sold by members of the cadet corps and Scabbard and Blade. During the evening of the dance they may also be obtained at the Riverside pharmacy in the Riverside Hotel building. Sales have been progressing very well, according to Paul Fontana, who is in charge.

Decorations Realistic
Realistic decorations are being planned by Neil Plath for the evening. Barbed wire entanglements, a mess tent where refreshments will be served, an orderly tent for dispensation of programs, machine guns, cannon and other military equipment will be combined to give the proper atmosphere.

Governors Balzar of Nevada and Rolph of California are invited as honored guests of Scabbard and Blade and the R.O.T.C. during the ball, according to Captain Harcos.

Patrons and patronesses for the ball include President and Mrs. Walter E. Clark, Colonel and Mrs. Robert M. Brambila, Lieutenant and Mrs. H. B. Wilcox, Sergeant and Mrs. Grant E. Hustis, Dean and Mrs. R. C. Thompson and Miss Margaret E. Mack.

Nevada to Meet Nazarene College Debaters Monday

Idaho Team to Argue Policy
Of Presidential Powers
With U. of N.

BIG SEASON AHEAD

Griffin's Speakers Will Tour
Northwest; Will Meet
Many Colleges

In the first intercollegiate debate of the season, the University of Nevada will meet a team from Northwestern Nazarene college of Napa, Idaho, Monday evening at 8:30 in the Education auditorium.

The question to be debated is, "Resolved, that the powers of the president of the United States should be substantially increased as a settled policy." Nevada will uphold the affirmative side of the question.

According to advance information, the Nazarenes have maintained an extensive program of debate, and will have a strong team of debaters on the platform Monday evening. The team which will represent the university in this debate has not been chosen yet. The final selection will be made from the winners of a series of practice debates this week, the first of which was held last night.

According to present indications, the team will be chosen from among Bryce Rhodes, Lloyd Bowen and Guid Gray. From the men who compose this team one will be selected to be the teammate of Granville Fletcher on the trip through the northwest.

Definite arrangements for the trip to the northwest are being completed, following the approval of the budget by finance control a week ago last Wednesday. The teams which Nevada will debate on this trip are: University of Idaho, Whitman college, Washington State college, Willamette university and Oregon State college. In all these debates, Nevada will uphold the affirmative of the question of granting additional powers to the president as a permanent policy.

Nine Engineers Make Honor Roll

With nearly a perfect score, Paul Hartman of the electrical engineers headed the engineers' honor roll for last semester with an average of 1.06.

Hartman, a senior student, is the son of L. W. Hartman, professor of physics in the University of Nevada.

Of the nine engineers who made averages above 1.6, three are electrical engineers, three civil, two mining and one mechanical.

Professor J. A. Carpenter compiled the engineers' honor roll, which follows:

- Paul Hartman, electrical.....1.06
- Betty Bowman, mining.....1.32
- William Johnstone, civil.....1.32
- Phillip Strong, mining.....1.32
- Frank Howland, civil.....1.34
- Irvin Wanke, civil.....1.44
- Paul Bohle, electrical.....1.47
- George Francis, electrical.....1.52
- Sterling Johnson, mechanical.....1.53

NEVADA GRAD WINS HONORS AT MEDICAL SCHOOL IN CANADA

That a former university student, Jack Wright, ranked fifth in his class in medicine at McGill university, Montreal, Canada, was made known by a letter received on the campus this week.

Wright, who was a pre-medical student at the university, graduated with the class of 1933. He was affiliated with the Alpha Tau Omega fraternity. Shortly after graduation he entered McGill university, where he is specializing in doctoring and medicine.

Students are required to be seated on the main floor of the gymnasium in the yell sections in order to leave room for townspeople in the balconies.

126,000 GALLONS OF GASOLINE USED ANNUALLY BY U. OF N. STUDENTS IN CAMPUS CARS

Cadillacs, Packards and even the noisy model T slither up to the campus gates daily little realizing how much they contribute towards the oil plutocrats' millions through the necessary gas and oil.

A survey of the Nevada campus made recently disclosed the fact that there are approximately 450 cars driven by students which rattle or roar up to the campus each school day.

Students of the University of Nevada who are fortunate enough to own or drive a car use 126,000 gal-

Press Club Plans Masquerade Dance

For the first time in five years the campus is to have a costume ball, if present plans of the Press club are carried out. An eight piece orchestra has been engaged to furnish music for the masqueraders and in addition special entertainment and decorations have been planned by the committee.

A \$5 prize will be offered to the person appearing at the ball in the best costume. The winning costume is to be picked by judges.

Bids are open to the entire student body. The dance will be held April 20, but just where has not yet been decided.

In order to raise money for the occasion members of the Press club are producing a "Ruckus" to be presented to the campus. The "Ruckus" will consist of vaudeville skits and variety numbers and is scheduled for March 9 at 11:25 in the Education building. The date for the production having been changed from February 16 to March 9. Admission to the show will be 10 cents.

Those in charge of the "Ruckus" are Forrest Bibb, Frank Sullivan, Inez MacGillivray, Myra Sauer and LaRue Stark.

Campus Invited to Newman Dance

Campus Club to Hold Dinner
Reception for Faculty and
Free Dance

Students and faculty members of the University of Nevada are invited to attend the first semi-annual dinner and dance to be given by the Newman club on Saturday, February 10, at the Century club, Kerwin Foley, president, announced this week.

Garry Callahan's orchestra has been secured to furnish music for dancing and entertainment, Foley stated. Dancing will take place between 9 and 12 o'clock, and admission will be secured by presenting university student body cards, the president said.

Guests of the evening are to be Dr. and Mrs. Walter E. Clark, Dean and Mrs. Reuben C. Thompson, Bishop Gorman, Mr. and Mrs. A. Caton, president of the Reno chamber of commerce, Miss Margaret E. Mack, Miss Louise Sissa, Professor and Mrs. Harold N. Brown, former president of the Newman club; Father Rowe, former chaplain of the club; Rather R. Harrigan, present chaplain of the club; Father O'Hara, chaplain of the University of California Newman club; James Wallace, president of the A.S. U.N., and Monsignor M. J. Hynes.

Foley stated that students wishing to attend the dinner could purchase the bids from the following members of the committee: Paul Fontana, chairman; Eunice Caton, Stella Vucovich, Mary Connolly, Joe McDonaid, Sally Pagan, Jack Belz, Jack Horgan, Tom Prunty, Richard Greulich, Joe Kelly, Jack Hill and William Horgan.

U. N. Rifle Team Will Be Selected

The names of those who will be picked to represent the University of Nevada on the rifle team will not be posted next week, according to Colonel Robert M. Brambila. The men who are out are showing great progress and have excellent material from which to pick the team this year, Brambila stated.

Fifteen to twenty-five men are turning out regularly every Wednesday and Friday afternoon for practice. Although the rifle team has received challenges from all over the country, a schedule of matches has not been made out yet, the colonel said.

Plans are being made to hold the first match on February 9.

REGENTS APPROVE GRADUATES

A brief meeting of the University of Nevada board of regents was held in President Walter E. Clark's office on Saturday morning, January 27. The meeting was called in order that the regents could officially approve the list of twenty-three mid-semester graduates.

With less than three weeks' practice to its credit, "Mrs. Bumpstead-Leigh," first University of Nevada play scheduled for this semester, is well under way and from all indications the rehearsals forecast it a success, Professor W. C. Miller, director of the play, announced this week. The play is a comedy, the first to be given on the campus in several years. It is the story of Mrs. Bumpstead-Leigh, a mid-western social upstart, and her climb into society. The part is carried by Helen Lewis. This is her first prominent part in a University of Nevada play.

Wayne Kennedy takes the part of Mr. Justin, and Rita Winer plays the part of Violet, Mrs. de Salle's daughter. This will be Miss Winer's first appearance in university dramatics.

Other leading roles include Evelyn Semenza as Miss Rawson, Bob Hodgins as Geoffrey Rawson, Ed Lozano as Anthony Rawson, Gene Salet as Stephen Leavitt and Marjorie Mullen as Mrs. Leavitt.

Other members of the cast are Ray Frohlich as Peter Swallow, Gordon MacCaw as Kitson, Blythe Bulmer as Mrs. de Salle, and Paula Bradshaw as the Rawson maid.

The play is scheduled for February 27 and 28 and March 1.

Budgets Reviewed By Finance Board At First Meeting

Approval Is Given Budgets
Of Eight Campus
Activities

HEAVY CUTS MADE

Report Shows \$4254 Balance in
Central Treasury of
A. S. U. N.

Eight activities budgets were slashed by their sponsors and finally approved by finance control committee at a meeting held yesterday afternoon in the Student Union building.

All budgets for student activities have now been okeed by the committee, with the exception of Blue Key and the Fine Arts group, which did not submit budgets and which, by the terms of the A.S.U.N. constitution, are no longer entitled to request student finances.

Including the debate budget, approved last Thursday, the amount which University of Nevada students will spend this semester has been apportioned as follows:

Associated Women Students.....	\$ 194.90
Block N society.....	115.00
Debate.....	357.00
Mackay day committee.....	125.00
News bureau.....	48.00
Tennis.....	112.00
University Play Productions.....	278.00
Track.....	437.50
Women's Athletic association.....	289.60
Total.....	\$1957.00

A financial report by Graduate Manager Joe McDonnell indicated that after all necessary obligations had been met the student body had a balance of \$4254.95 with which to conduct its affairs. Of this sum \$2725 is set aside for fixed salaries. This left a total of \$1529.95 to be apportioned among the several student body activities.

Tabulating the budgets at the meeting, it was found that they added to the sum of \$2250.05 nearly a thousand dollars above the amount available. Chairman Wilson briefly explained that it was not the policy of the committee to spend money the student body didn't have and requested that the directors of the individual budgets voluntarily trim their requests by at least 30 per cent.

J. E. Martie, physical education director, cut the tennis schedule over 50 per cent, Miller cut the cost of dramatics to two-thirds of its original estimate, and both the women's departments were cut deeply. Coach "Buck" Mitchell revised his request considerably, and numerous other slashes were made. Debate and track took the smallest cuts as it was the opinion of the committee that these activities were estimated as low as possible.

The total expenditure figure listed above does not include income from activities, such as basketball, estimated at \$500, and dramatics, approximated at \$125. Numerous other small items of revenue are expected also, but the committee did not wish to spend in advance money which has not yet been added to the general fund. These amounts are to be used for any special contingencies which might arise from time to time.

Those of the committee who were present are: F. W. Wilson, chairman; J. E. Martie, Jim Wallace and Forrest Bibb. Others who were present are: Marthine Solares, C. L. Mitchell, Howard Umber, Wayne Van Voorhis, W. C. Miller and Mrs. Mae Simas.

Practice Begins on Campus Comedy

With less than three weeks' practice to its credit, "Mrs. Bumpstead-Leigh," first University of Nevada play scheduled for this semester, is well under way and from all indications the rehearsals forecast it a success, Professor W. C. Miller, director of the play, announced this week. The play is a comedy, the first to be given on the campus in several years. It is the story of Mrs. Bumpstead-Leigh, a mid-western social upstart, and her climb into society. The part is carried by Helen Lewis. This is her first prominent part in a University of Nevada play.

Wayne Kennedy takes the part of Mr. Justin, and Rita Winer plays the part of Violet, Mrs. de Salle's daughter. This will be Miss Winer's first appearance in university dramatics.

Other leading roles include Evelyn Semenza as Miss Rawson, Bob Hodgins as Geoffrey Rawson, Ed Lozano as Anthony Rawson, Gene Salet as Stephen Leavitt and Marjorie Mullen as Mrs. Leavitt.

Other members of the cast are Ray Frohlich as Peter Swallow, Gordon MacCaw as Kitson, Blythe Bulmer as Mrs. de Salle, and Paula Bradshaw as the Rawson maid.

The play is scheduled for February 27 and 28 and March 1.

CARELESS STUDENTS

The carelessness of students of this university who toss papers and cigarette butts on the lawns and walks of the campus when other receptacles are provided for such rubbish is without doubt deplorable. Every student on the campus and especially the members of university service organizations should make it their duty to watch for such offenders and reprimand them for their conduct.

It is probably not intentional vandalism for students to deface our beautiful campus by throwing papers about on the lawns. It is simply thoughtlessness. Yet students when they reach college age should have acquired enough training to realize the social consequences of carelessness. The students of a university, theoretically, are supposed to be of a far higher intellectual standard than the average public. Such actions show them to be anything but intelligent.

A little care can remedy the above mentioned offense. But it cannot remedy the vandalism of students who insist upon writing and drawing on the walls and pillars of university buildings with pencil and pen. This is done in lavatories, on the wall in the library and on the pillars in front of the Mackay Science hall and the Mackay School of Mines building. Students also write on the wall in Stewart hall.

Not satisfied with causing the outside of buildings to be desecrated, some of these vandals carry their actions so far as to ruin books in the library by marking them up with pen and pencil. Any true student loves and respects books and takes care of them. Yet, many valuable volumes in the university library have been ruined.

The fault lies in the method of education used in America at the present time. Modern America believes in a democratic system of mass education for all who can pass the low standards set and meet the extremely low costs. In this way students are attending this and other universities who never should be enrolled, simply because they "want to have a good time" or are forced to attend by their parents. This type of student has no respect for the institution which he is attending or what it has to offer.

We cannot remedy the basic fault in our educational system here over night. That development will have to be a gradual one. We can, however, keep a careful watch for careless and malicious students and prevent them from continuing their desecrations of our buildings, books and grounds.

WAYWARD FRESHMEN

A closer check should be made in the future of the attendance of freshman students at the meeting of the A.S.U.N. student body. Fraternity and sorority groups and the men's and women's upperclass groups could easily aid in this. At the last meeting of the A.S.U.N. general student group held this morning in the Education building auditorium, there were approximately 250 students present and many freshmen were conspicuously absent.

Handling the freshman class of this year should be an easy task since it is smaller than the sophomore group. If fraternal organizations would see to it that their members attend the meetings, then the upperclass committee can make a check of the roll at the door.

A member of the men's or women's upperclass committee should be placed at the door to get the names of freshman students who leave before the meeting is over. Several of them left this morning before the concluding song was sung. Enforcement of these rules is vital to the future spirit of the student body organization.

NEW SCOREBOARDS NEEDED

Attendance at the two thrilling basketball contests that the Nevada basketball team played early this week against the House of David quintet left only one thing to be desired. That thing is a new scoreboard which will give not only the score of the game but also the names and numbers of the players involved in clear letters.

The addition of this equipment to the university gymnasium would be a great aid to the spectators and would surely be appreciated by all of them. The cost of such equipment is negligible in comparison to the added service which it would offer.

The present scoreboard and board on which the names and numbers of the players are placed is scarcely legible. The names of the players are written on crude cards already smudged with chalk dust and then laboriously placed on a dirty background board. The equipment for giving the score of the game is also in bad condition and doesn't meet the needs. Since a considerable part of the university's funds are spent on such sports equipment, we think that the expense would be justified. The new scoreboards should be put up before the end of the present season.

Wolf Howls

The "Wolf at the Keyhole" has decided to answer a few questions for once and for all with this week's Terra Firm column. He intends to give you the lowdown on the campus "dames" and what to expect of them.

Ye Wolf went into a huddle with his cubs at the various tong houses this week and comes forth with a few selections of the "most something or other" on the campus.

Here's our selections:
Most innocent, Ellen Hoffman.
Most blase, Mary Eleanor Underwood.

Most ambitious, Florine Frank, Silliest, Sallie Fagan.

Most exotic, Betty "Bangs" Howell. Best date, Margery Mullen.

Most humorous, Blythe Bulmer. Most talented, Anna Blundell.

Most personality, Jean McIntyre. Best writer, Grace Armbruster.

Most sophisticated, Elizabeth Hawkins.

Best scholar, Ina Johnson. Most irrepressible, Adelyn Rotholz.

Noisiest—Margaret Martin. Best dressed, Florence Kirkley.

Most athletic, Margaret Kornmayer. Most lackadaisical, Mary Williams.

Our faithful reporter, Florine Frank, combined business with pleasure this week in getting an interview with the captain of the House of David team and came home triumphant from a date with the bewhiskered gent even if her chin might have been a little scratched—not that we say it was.

The great "Blabber-mouth" Van Voorheis once more demonstrated his capacity to be a hero this week when he proved his ability on the business end of a push broom at the game Wednesday night after Cameraman Creps started the crowd by blowing up a flashlight globe.

Our idea of the picture of a man enjoying himself at the expense of others is "Herby" Peck tooting on his fishhorn in our right honorable band. If he keeps hanging on that post while he is doing it, we hope he falls off and smashes that noise-maker.

What do you think? The "Iron man" of the S.A.E. house who swore that he would never hang his pin now has it draped on the proud front of that clever little blond Tri Delt, Donna Wilson. So now they call him "passion's plaything." But why, we don't know. Try asking J. D. Stephens.

So now we hear that the three musketeers of the Sig Alpha house are giving that blond siren from the Pi Phi house the big rush. May the best man win the Stanford prize and the big green Packard. How about it, "Athos" Salet, "Armos" Benson and "Parthos" Flournoy.

From the Sigma Alpha house comes the report of the newest romance to bud on the campus. It is between little dark haired Amelia Zorich and Herman Lee von Freudenberg. Have you seen them racing around in that blue chariot?

The Wolf at the Keyhole sees this week that young love is all broken up at the Sigma Nu house. It seems that the romance of "Queen Jean"

WHY CLUTTER CAMPUS WITH RUBBISH?

Church Bells

This Sunday the Epworth league of the Methodist church will hold its first discussion meeting on missionary work. Marie Varnum will lead the group, covering the subject rather generally for the first time. Dortha Shidler is president and under her direction plans are being made for a social hour to be held

McIntyre and her prince charming, Alonzo Priest, is a thing of the past and that Peaches Starke and "Ans" Olsen have reached the parting of the ways.

We're about to give up the ship. A keyhole correspondent from the Sigma Nu house reports a reverse dance scheduled for tonight at which the men will come dressed as gals and vice versa. What do you make of it? Too, comes the report that the "Three Pups," Glusovich, Olsen and Gilmartin, who have been scheduled to sing intend to oil their tonsils before doing so. Watch the chaperones, boys.

church will meet at St. Stephen's chapel for their devotional meeting, led by Chaplain Graves. Following the chapel hour a social hour will be enjoyed in the parsonage, with Mary Millard in charge.

Dean Thompson will introduce an interesting subject on Sunday night at the Baptist church when he talks to the campus students of that church on "Possessions." The dean will have something to say about Jesus' teachings on possessions, property and wealth to give a background to the discussion that will follow. After this scriptural background, Dean Thompson will turn the remaining time over to the general meeting, at which time he hopes that a lively, worthwhile discussion will ensue. It is hoped that the topic will be applicable to present problems of property, wealth and possessions. The meeting will be at 6:30 and Genevieve Wakefield is the leader of the group.

Again this Sunday at 6:15 the Catholic students will meet at the Catholic social hall for their regular twice-monthly meeting. Kerwin Foley will open the meeting and discussion of the dinner dance to be held February 10 will take place. The devotions of the meeting will be led by Father Harrigan, the new director of the Newman club.

Mining Graduate To Visit Nevada

To visit his alma mater and to hire a university of Nevada mining graduate, Paul C. Schrips, a member of the class of 1912, will return to Reno February 4.

Schrips has spent many years abroad, residing in Ecuador and Venezuela. He is now associated as assistant manager with the Goldfields of Venezuela, Ltd.

The position to be filled by a University of Nevada mining graduate is that of millman, with a three year contract.

Students at the University of California need not attend the lectures any more as long as they can keep up in their work.

Extensive Women's Sports Program Is Outlined for Term

Impromptu Recreation Planned But Will Be Dependent Upon Weather

Skiing, Skating, Hiking and Baseball Among Sports To Be Indulged

According to Margaret Kornmayer, W.A.A. president, the W.A.A. is trying to start a program of impromptu recreation, dependent on the weather, for Friday afternoons of the coming semester. Hikes, skating, skiing, picnics and dinners have been included in the plan, and non-members as well as W.A.A. members are urged to participate.

The tentative program for the semester is:

January 26—To lodge at Galena for tobogganing and skiing.

February 2—Ice or roller skating at local pond or rink.

March 2—To lodge for hike and dinner.

April 27—Picnic and baseball at lodge for seniors.

The W.A.A. sport schedule for the other days of the week is:

Badminton—Mondays, Wednesdays (early afternoon).

Basketball—Tuesdays, Thursdays at 3:45-5:00.

On Fridays when no other activity is planned basketball practice will be held.

At present the girls are practicing in their respective groups for the intramural teams. Interclass games are scheduled to start February 6 and the intramural games on February 15. Those girls signed up are: C. Finn, M. L. Carmody, C. Dondero, M. Butler, R. Jepson, M. L. Waltenspiel, E. Hoffman, O. Morgan, R. Goldsworthy, F. Haire, E. Beemer, M. Casey, C. Cerrita, R. Hansen, E. O'Hara, B. Keegan, B. Bowman, V. Champagne, R. Bliss, J. McGuire, H. Jones, D. Phillips, A. Jenkins, R. Hoskins, H. Donahue, N. Oppedyk, E. Hawkins, M. Sauer, M. Kornmayer, M. Murphy, D. Pope, C. Pope, H. Fulton, M. Walker, G. Harriman, N. Lozano, G. Cole, C. Robinson, D. Gordon, A. Lundberg, B. Horton, M. Miller, H. Stark, E. Frey, J. Sibley, M. Wines, M. Totman, R. Lyon, B. Hansen, M. Williams, E. Arentz, E. Ernst, R. Roseberry, M. Solares and C. Robinson.

Home Economics Head Says Night Classes Are Open to Public

Not only are university women students privileged to attend night classes at the University of Nevada but their parents and adult friends also are permitted to attend, since special courses in home economics have been catalogued for them this semester, according to Miss Sarah Lewis, home economics director at the university.

The home economics courses boast of an enrollment of twenty-two, eleven in the class of clothing construction and eleven in the foods class. The course in clothing construction includes remodeling and color design with relation to the individual. The foods class concerns the managing of food problems and the purchasing and planning low cost menus for the entire family.

These classes are sponsored by the division of vocational home economics under the state department of education, and follow the Nevada educational relief program in promoting homemaking classes for adults.

Classes are held every Tuesday and Thursday evening at the Agricultural building at 7 o'clock. Classes were started January 23. There are no fees.

Ruth Bixby Is Working For Master's Degree at University of Calif.

Miss Ruth Bixby '32 is taking graduate work at the University of California in preparation for a master's degree in French, according to word received here.

Miss Bixby was graduated from the University of Nevada with the class of 1932, with a major in French and a minor in French. She enrolled in the University of California last fall, and plans to receive her degree as soon as examinations are completed this spring.

She is the daughter of Prof. F. L. Bixby of the civil engineering school here.

Women's Debate Trip Is Canceled

Women debaters of the University of Nevada will not have a trip this semester because of finance control's refusal to appropriate the necessary expenditure fund. However, temporary plans for the continuance of local debates have been made, Blanche Lucas, women's debate leader, stated this week.

Those colleges scheduled for future debate are Oregon State and the University of Southern California.

The annual freshman bonfire of the University of Oregon has been replaced by fireworks.

Virginia Cassen, who enrolled as a first semester freshman student, has withdrawn from the university.

W. A. A. HEAD

Miss Margaret Kornmayer, president of the Women's Athletic Association, will open a new sports program today when members of the organization go to Wa-Ne-Va lodge for a hike and supper.

Glee Club Dance Plans Canceled

Women's Glee Club Will Make Journeys to Fallon and Gardnerville

There will be no Glee club dance this year even though it has been an annual event in the past, according to Professor Post, music director.

Plans are being made for trips to Fallon and Gardnerville as well as for a number of local concerts, for which Lois Brooks and Anna Blundell are preparing special numbers.

The members of the Women's Glee club are:

Marjorie Stout, president; Jeanne Cardinal, librarian; Annie Lucas, Ruth Palmer, Mary Louise Waltenspiel, Frances Graf, Martha Scrugham, Kathryn Luke, Miriam Clark, Anna Blundell, Margaret Traner, Evelyn Semenza, Carieba De Armand, Abigail Hackett, Sarah Graves, Helen Spina, Margery Mullen, Helene Fulton, Betty McCuiston, Roberta Browne, Mary L. Durkee, Norma Jean Mills, Lois Brooks and Agnes De Armand.

SERVICE GROUP PLANS DINNERS

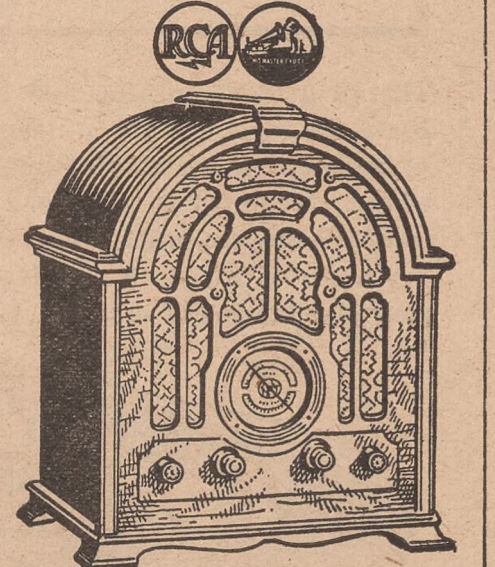

Plans for an interfraternity dinner were discussed in a Blue Key meeting held last Tuesday. No definite action will be taken, however, until members confer with the interfraternity council.

Don Acheson was elected treasurer to fill the vacancy left by Kenneth Johnson.

WOMEN The U. of N. Sagebrush WOMEN

Cerrita Is Chosen For Y.W.C.A. Post

Camille Cerrita, vice president of the Y.W.C.A., has been appointed chairman of the worship committee of that organization, it was announced by Florence Diskin, president. She will take the place of Wilma Chanslor, who recently resigned.

This is the first time in many years that an officer of the association has held a cabinet position. Miss Cerrita was chosen because of her ability and experience in this kind of work, Miss Diskin stated. She is a member of Beta Sigma Omicron sorority and active in campus affairs, being in charge of the A.W.S. point system and president of the Campus Club of the Federated Church.

Detroit university has 77 men enrolled and 3543 women.

Misses Lena Perri and Rose Sala, graduates with last year's senior class, spent the weekend in Reno with Miss Sala's aunt.

Y BOOK SHOP SAID SUCCESS

With a total sales of ninety-five books, which brought in \$124.60, the Y.W.C.A. book shop made a profit of \$12.46, according to Louise Tidball, who heads the Y.W. finance committee.

Following is a list of those who have not yet called for their money. This money should be forfeited, according to the rules of the book shop, but due to the fact that the text exchange was established for the benefit of the students rather than as a money making proposition, these people will be paid the amounts due them.

Darrel Cain, \$2.25; Elizabeth Hawkins, \$1.48; Bill Gelder, \$1.35; John Noyes, \$1.35; Helen Records, \$1.08; Virginia Dennis, 90 cents; J. Clark, 90 cents; Mrs. C. Nelson, 90 cents; Evelyn Matson, 67 cents; Mr. Mackay, 45 cents.

The money may be secured by calling at 729 North Virginia street. If not applied for by March 1, 1934, it will be forfeited to the Y.W.C.A. treasury so that the records can be properly balanced.

Upperclass Group Warns Women

The first meeting of the women's upperclass committee was held Wednesday afternoon, which all the new women on the campus were asked to attend that they might be informed about campus traditions and be warned against getting on the library dismissal list.

The committee has inaugurated new plans for keeping discipline in the library by taking the names of those women on the dismissal list. Punishment for being on this list will be inflicted by requiring the dismissed women to perform for the A.S.U.N. meetings every month.

Louise Rawson 31 spent the weekend in Reno with her parents. At present Miss Rawson is teaching in Austin.

Katherine McCormick, graduate of '33, has obtained a position doing stenographical work in the office of George Edler, Reno public accountant.

Women Organize Officials' Board Of B.B. Referees

Group Makes Plans to Join National Board Next Year

A local board of basketball officials for the campus is in the process of being organized by women of the university who are interested and experienced in basketball playing, Mrs. Mae Simas, instructor in physical education, stated this week.

The purpose of such a board is to do away with the refereeing of games by people who have received no training in that line and are not acquainted with the rules. Consequently the field is open only to women who are minors in physical education.

Eligibility to the board will be determined by two examinations, one of which will be written and based upon questions furnished by a national board of officials, and the other on refereeing a school game. Mrs. Simas, Miss Frances Humphrey and Miss Verdie Fant will be present to judge the ability displayed in officiation. Both tests must be passed in order to be recommended as a

Y. W. Group Shows Decrease in Number

A decrease of 25 per cent in the membership of the Y.W.C.A. over previous years was announced today by Camille Cerrita, chairman of the membership committee.

Reasons for this decrease is probably caused by the decline in registration this year as well as the failure to carry out the annual drive for membership to such a great extent, she said.

"With 100 members being the goal for this year, many new plans are being formulated. However," she stated, "nothing definite has been decided upon."

As an incentive to get new members points will be given to anyone who turns in membership cards to the committee. Points will go toward recognition and choice of cabinet members, the committee decided.

member to the local board.

Women who attain membership will receive a fixed salary for officiating at all games at which paying audiences attend. No charge will be made if there are not gate receipts.

If the local board is a success after a year's time it may petition to become a member of the National Board of Basketball Officials.

Practice games and meetings for the purpose of talking over rules were held this week and will be continued so that women who are interested may have a chance to "brush up" on basketball ethics.

THE HEIGHT OF GOOD TASTE

In making Lucky Strike Cigarettes we use the finest Turkish and domestic tobacco—and only the center leaves for they are the mildest and the most tender. And every Lucky is so round, so firm, so full packed—no loose ends.

Always the Finest Tobacco and only the Center Leaves

Direct from the Metropolitan Opera House Saturday at 1:40 P. M., Eastern Standard Time, over Red and Blue Networks of NBC, LUCKY STRIKE will broadcast the Metropolitan Opera Company of New York in the complete Opera, "Die Walkure."

NOT the top leaves—they're under-developed—they are harsh!

The Cream of the Crop "The tenderest, mildest, smoothest tobacco"

NOT the bottom leaves—they're inferior in quality—coarse and always sandy!

New Government Successful, State Student Senators

More Use Will Smooth Out Difficulties, Opinion of Solons

The new form of student government put into action on the campus is proving itself successful, is the opinion of the majority of A.S.U.N. senators who were reelected to that body for the ensuing term.

Those who were elected are: Ned Morehouse, president of the Independents; James Cazier, Sigma Phi Sigma representative who heads the publications board; Wilma Chanslor, Manzanita hall representative, and Herbert Peck, senator from Lincoln hall.

Miss Chanslor declares, "So far, the senate has been successful. However, the system must be given a longer trial before it can be too critically judged."

Lincoln hall expresses itself through its representative, Herbert Peck:

"As yet," Peck stated, "there is no noticeable amount of student body interest in the proceedings of the senate. When there is a greater interest in student government on the part of the students," he said, "I feel there will be a greater unity between the A.S.U.N. and the students. So far, the new form of government has made a great many needed and beneficial improvements which are gratifying to the Lincoln hall men and myself."

James Cazier, chairman of the publications board, remarked that his reactions to the senate "amount to a summary of the results of the work of the first senate. It is a fine form of government. It is democratic and I think for this reason will prove to be a success."

Ned Morehouse, president of the Independents, when interviewed, said, "I feel that the senate is fulfilling its purpose of government and as soon as it gets its traditions of procedure established it can go ahead with its more serious business."

Speaking for the Independents as a group, Morehouse said, "The Independents feel they have been quite fairly treated in the new administration and they are trying to do their part in making the new student government a success."

The Delta Sigma Lambda representative, who was reelected, feels that the new government is working better than the old.

Forrest Bibb declared, "As far as I can see, it has done away with political intrigue. It will take another year before the system is ironed out and is a smoothly operating organization."

Bibb, who was a student under the old form of student government several years ago, also said, "There is no comparison between the older government and the new one. It is only a matter of time until the present system will be worked out and its success will be apparent."

Nevada Students Getting Healthier

The University of Nevada campus is becoming healthier, according to reports from Mrs. Ethel Shurtleff, matron of the campus infirmary. She stated that there were fewer students in for treatment during last semester than in any semester of the last four and a half years.

So far this semester there have been but two cases confined to the hospital, and both have been discharged. Guido De Tullio, suffering from sprained muscles in his back, and William Kottke, suffering a minor nose operation, were the two students confined.

General daily treatment this semester has been very light as compared to other semesters, according to Mrs. Shurtleff, who is completing her fifth year as matron.

Students who were candidates for advanced military received vaccination for smallpox by Dr. Dwight Hood, university physician were Antonio Chavez, Wendel Duplantis, Alson Gibson, William Hill, Robert Hanson, William Kootke, Donald Odell, Perry Priest and James Thompson.

Independents Plan Campus Dance Soon

Featuring a novelty dance for the entire campus, to be held on February 24, the Independent student organization of the university outlined an extensive program of activity at a meeting last Monday night.

The committee appointed to handle the affair is: Margaret Gorman, chairman; Elwin Jeffers, Herbert Peck, Dorothy Shogren, Ned Morehouse and Adelyn Rotholz.

Aggie Club Members See Livestock Show

Three members of the University of Nevada Aggie club, Walter Bell, Nolan Gault and Tony Belmonte, attended the livestock show at Ogden, Utah, held January 5 to 11.

The Nevada representatives did not compete in the contests, but went there to gather data for their club.

They visited the Utah State college at Logan.

N. E. Wilson, First U.N. Chem. Head, Will Speak Here

Professor N. E. Wilson, former professor of chemistry at the University of Nevada, will be the principal speaker of the evening at the first meeting of the Chemistry club of the semester, to be held February 7, Wednesday, at 7:30 p. m.

The meeting will be in the form of a tribute to Wilson, the first organizer of a chemistry department at the University of Nevada. It will also celebrate the building of the old Chemistry building, which now lies idle, waiting to be torn down.

In 1900 the chemistry department became entirely a separate department, under the leadership of Professor N. E. Wilson. At that time he was chemist for the agricultural experiment station, which was connected with the university. In 1903 a building was erected to house the approximately twenty students who were interested in chemistry. It was built under the supervision of N. E. Wilson.

Wilson acted as head of the chemistry department until 1906, when Dean Maxwell Adams came to Reno, and took over the department. At the present time Dr. George W. Sears acts as the head of the department, and has held such position since 1926. The chemistry students moved into the new chemistry building, known as the Mackay Science hall, in 1930.

Robert Harris, Evans Couch, Wyman Evans and Herman Freudenberg were dinner guests at the Phi Phi house Sunday.

Ann Littlefair of Susanville was a guest of Barbara Bryant over the weekend.

Members of the Sigma Phi Sigma fraternity entertained with a dance at the chapter house Saturday, January 26. Decorations were patterned after a ship, with the entrance made by way of a gangplank. Suitable interior decorations gave the idea of the interior of a ship.

The chaperones for the affair were Mr. and Mrs. John Hutchison and Prof. John Gottardi. Others present include:

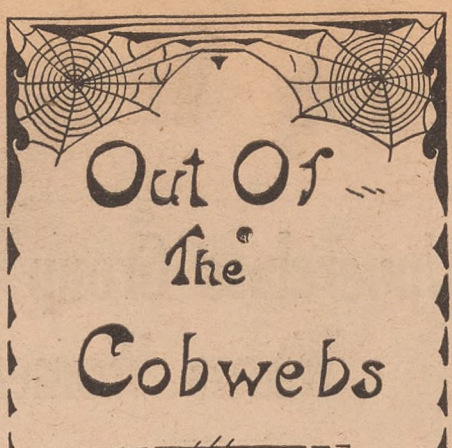

Mickey Baumann, Rita Gunter, Virginia Hill, Maurine Graf, Frances Graf, Genevieve Hansen, Helen Malloy, Evelyn Berning, Agnes Pistone, Mary Murphy, Rita Jepson, Betty Horton, Mary Griffin, Lois Rector, Betty Bowman, Ruth Hanson, Mary Mathews, Mary Connolly, Lois Aldrich, Ina Johnson, Dixie Morrill, Dorathea Duke, Inez MacGillivray, Jean Sauer.

John Gottardi, Roc Fuhrman, Jim Cazier, Bud Showalter, Bruce Moore, Bernard Addenbrooke, Jack Becker, Allen Cromwell, Bill Gelder, Bob Creps, Jim Thompson, Frank Fisher, George Anderson, Claude Hunter, Ed Parmenter, Craig Moore, Ralph Hromadka, Lino Del Grande, Joseph Jackson, Charles Koerner, Dino Berengo, Joe Clark, and Mr. and Mrs. J. Epperson, Mr. and Mrs. J. Hutchison, Bill Elwell and Lee Couch.

In browsing through the yellowed files of the Student Record, your scrivener accidentally stumbled upon an early ancestor of the 'Brush's Exchange column. It is slugged "News of All the Colleges" and will give our readers an idea of what was transpiring in collegiate circles in the merry old year of 1909.

Thirty men have reported for basketball at Wisconsin, six of whom are veterans.

There are fifteen companies in the military regiment at the University of Illinois.

At the University of Michigan sophomores find it hard to enforce the freshman cap edict.

Petty thievery has recently occurred in five fraternity houses at Madison.

Ninety-five out of 100 Purdue university seniors responded to the question, "What does this university need most?" with this reply, "A football team."

A student of Tulane Medical college, while working in the dissecting laboratory, found the head of his father.

The Harvard Lampon is constructing a building which will be devoted entirely to its own interests.

Twenty-five men turned out for basketball at Washington university. An effort is now being made to have it reinstated as a university sport.

Wisconsin students sent \$253.25 to sufferers of the Cherry mine disaster.

A custom which was installed last semester among the fraternities and sororities will be revived tonight when the Lambda Chi men will exchange a dinner with the Manzanita hall women. A number of members from each organization will be guests of the other house.

Two New Editions In School Library

"The House of Exile," by Nora Waln, and "Miss Bishop," by Bess Streeter Aldrich, two new novels, have been received in the University of Nevada library this semester.

"Miss Bishop" is a story of Ella Bishop, who devoted her life to a greater "family" as a teacher at a mid-western college. In this novel is traced a woman's life of idealism, unselfishness and courage, developing into a climax which the readers always remember.

The opening of the book is set in 1870. Through the story she portrays the changing ways of life down to the present day. The novel resolves itself into a twofold story of Ella, the teacher, and Ella, the woman. The cheering and triumphant answer which she finds in her disillusionment, however, should prove a source of inspiration to all who read her story.

Nora Waln's "House of Exile" is a story of the real life in China. The author, Nora Waln, was invited to visit the family of a wealthy Chinese merchant with whom she had been dealing in business. Twelve years ago she became the adopted daughter of this family. Thus she became acquainted with the habits of the Chinese and she writes with brilliant accuracy of the feast days, ancestor

McMenamin, Crowell Receive Gold Keys

William F. McMenamin and William J. Crowell, editor and business manager of the University of Nevada Sagebrush, received gold Sagebrush keys at the close of the fall semester for their services on the weekly publication.

The keys, in the shape of a scroll and quill, are given every year to the outgoing editor and business manager of the staff. Last year's recipients of the honor badges were Kenneth Johnson and Charles Koerner.

Former Nevadan Works at Oxford

A former University of Nevada student, Alden K. Sibley, is finding life in England, where he is a Rhodes scholar at Oxford university, immensely interesting, he has written his father, Frederick H. Sibley, dean of the college of engineering.

On a recent tour of Wales, which was arranged by the Rhodes trustees, he visited several of the more famous landed estates and feudal castles, and was the guest of Lady Rhondda, one of the wealthiest women in England. He also had the privilege of meeting Sir James Jeans, eminent astronomer, and Dr. Albert Einstein, whom he described as a "dear old man."

Sibley is studying advanced physics at Magdalene college under some of England's greatest scientists. Much of his time is spent in laboratory work, he says, and the laboratory periods are broken up by lectures which he may or may not choose to attend. He is a member of the second crew of the college rowing team, which devotes a part of its time each day to this sport.

worships, pageants, elements and amenities of Chinese life. During Miss Waln's life in China she experienced the hazardous life of the days of the revolution, which she tells about in her book.

This book is claimed to be one of the outstanding books of the year, according to noted critics.

SOCIAL SUICIDE

What! Another social blunder! On the bottom of invitations one usually finds R.S.V.P., which means in French *repondez s'il vous plait*. In English this is always translated, Answer if you please. When this is put on any letter the sender expects an answer out of courtesy at least.

Bad breeding is shown when any man stares at a lady walking down the center aisle at the library. Many complaints have come in about this from the women on this campus.

Hints on correct conversation were suggested by one of the prominent women on the campus for a feature. Is it that the men don't understand how to talk?

In a weekly magazine this week definitions of two common words were given. These two words were well and grand. To see what they mean in the dictionary would be a good experience for many of the slang speaking people on the campus.

Wolves to Rest In Preparation For Bengal Tilt

Improvement in Defense During Week Should Find Stronger Squad

With no intercollegiate games scheduled for this weekend, Coach J. E. "Doc" Martie, University of Nevada basketball mentor, is spending the rest period training his men for their tilt with the College of the Pacific Bengals on February 9 and 10. Stating that his men seem to have developed a good style of offense play and that their greatest fault is now on defense, Martie is planning to give the Wolves more practice in that phase of the game so that he will be able to put a stronger and more experienced team on the floor.

Vastly improved over their previous games but still lacking a dependable and accurate shooter, the Wolves are expected to hit their mid-season stride the night of the Pacific game, and bring in their first intercollegiate victory of the season.

"The boys have shown much improvement," Martie said, "and with more experience I believe that they will rid themselves of the fault of trying too hard to win and thus throwing away the game after gaining a good lead."

This fault was clearly brought out in the Nevada-San Jose games last week when the San Jose team staged last quarter rallies to down the Wolf Pack in the closing minutes of play.

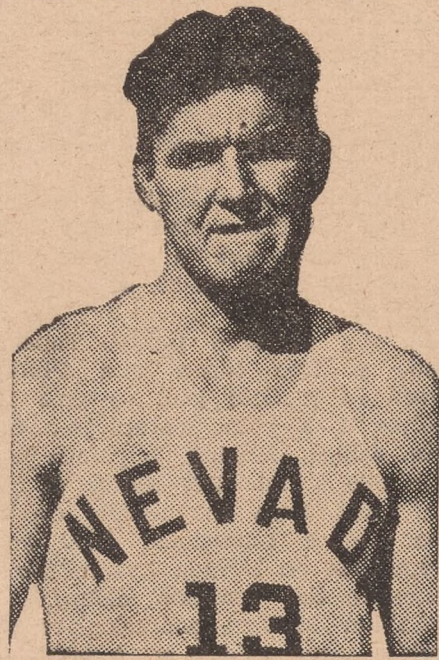

Although Martie has not as yet chosen what he considers to be his first string, he said that he will probably start the same combination against the Pacific Bengals that proved effective against San Jose. This will probably see Clayton Phillips and Bob Leighton starting at forward positions, Vic Carroll at center and Harold Curran and Vernon Tapogna at guard positions.

These men, backed by a strong reserve force consisting of Jack Hill and Dan Ronnow as forwards, Stowell as center and George Tharp and Allan Lansdon as guards, constitute the entire Wolf Pack for this season. Martie believes that as a result of this small squad he has been able to develop each man better.

Badly hit by ineligibilities and the loss of seasoned players, Martie cut his squad down to the bone at the beginning of the spring semester saying that there is no sense in wasting time on ineligible players to the expense of the others.

Although there has been no advance information concerning the College of Pacific team as yet, it is reported that the Bengals are about on a par with the rest of the teams in the Far Western conference. The Pacific team defeated San Jose in one game and lost in the return match, while Nevada dropped both games to the San Jose team here last week. By comparison, this gives the Bengals a slight advantage over Nevada, but the practice gained by the Wolf Pack during the last week and next week will probably put the teams on the same basis.

VICTOR CARROLL

Victor Carroll, present center on the University of Nevada basketball team, is a native of southern California. While there, he attended Alhambra High school and Pasadena Junior college. At both schools he placed on the all-conference football teams in the center position. He was also prominent in basketball. Since coming to Nevada he has played guard and center positions in basketball and last year was second string all-conference guard. This year he has been moved to the center position, the same position he held down in the 1931 season. Last year he was chosen all-conference fullback. Carroll has another year ahead of him but will complete three years of basketball play this season.

Frosh Will Meet C.C.C. Men Here

Nevada's undefeated freshman basketball squad will face the acid test Saturday night at the university gymnasium when they take on the rangy C.C.C. camp team from Hawthorne.

The frosh, with a string of six victories to their credit, will oppose one of the best teams in the state. The crack C.C.C. outfit recently administered a surprise drubbing to fast stepping Virginia City Eagles. The Comstockers are considered among the classiest hoopsters in western Nevada, and their defeat by the conservation camp boys indicates that the freshmen will have their hands full Saturday night.

Although the yearling squad may take a beating, Coach Chester Scranton believes that they will gain considerable experience from the game as the Hawthorne outfit's playing is of a much higher caliber than that of the high schools the Wolf Cubs have been defeating with ease.

A starting lineup has not yet been announced, but Rougouin, center, Smith and Gray, forwards, and De La Mare and Williams, guards, will probably get the call. This combination has been clicking during the last few games and are developing into a high scoring aggregation.

Nevada Quintet Ties Series With House of David

Capacity Crowd Sees Wolves Stage One-Point Victory Tuesday Night

Phillips Stars for Wolf Pack, While Johnson Is Bearded Sharpshooter

Displaying an alert brand of mid-season style of play, the University of Nevada basketball quintet gained an even break in a two game series with the clever House of David barnstorming team in contests staged in the campus gymnasium Tuesday and Wednesday evenings. Both games were witnessed by near capacity audiences.

Nevada won the first encounter by a narrow margin of one point, 32 to 31. Sterling offensive play by Clayton Phillips, Wolf junior forward, and Johnson, bearded sharpshooter, was a feature of the contest.

The Wolf Pack jumped into an early lead, with Jack Hill starting the fireworks with a pair of close-in field goals. The invaders then began their goal shooting antics and went into a 16 to 10 lead at the half.

The desperate closing rally of the long beards fell two points short of a tie just as the final gun sounded.

The Wednesday night affair was another "down the stretch" battle, with Nevada leading 27 to 26 with less than five minutes remaining to play. The same "Red" Johnson, Nevada's nemesis of the previous evening, went on a scoring spree which netted his team 6 points and the victory. The scoreboard as the gun ended the game read, Nevada 27, visitors 32.

Cage Rule Changes Help Small Teams

New rules adopted by the national basketball officials for the 1934 season have added much to the life of the game and have proved very helpful to the coach with a small squad, J. E. "Doc" Martie, University of Nevada basketball coach, said yesterday.

The "held ball" rule adopted this year has speeded the game up considerably, Martie stated. This rule states that the officials shall call a held ball only when the teams are deadlocked over the ball.

The substitution rule which enables men to return to the game also seems to be a decided aid to the players, according to Martie, and will help take many small squads out of what otherwise might prove to be serious holes.

Any University of Colorado student caught drinking is forced to attend Sunday school for three years.

Margaret Park, graduate with the class of 1933, is now teaching at Dresslerville.

Frosh Score Wins In Weekend Games

Gardnerville and Susanville Junior College Fall Before Cubs

The preliminary games of the San Jose series resulted in the freshmen eking out a 21-20 win over Gardnerville and decisively defeating the Susanville Junior college 34 to 21.

An overtime period was necessary to decide the Gardnerville game. A field goal by Williams, Frosh guard, resulted in a hard earned victory for the yearlings. The high school boys played a fast, heads up game, and nearly succeeded in upsetting the

strong Frosh squad.

Saturday night the Freshmen had things much their own way, displaying a complete reversal of form from the previous night. The Lassen boys fought a game uphill battle, but could not stop the torrent of baskets by the rangy Frosh forwards.

High point man in this game was McDow, former Susanville player, with 12 points, while Smith, from Carlin High, was second with 10 tallies to his credit. Robinson was high point man for Susanville with 8 points.

The starting lineup for the Fresh-

men Saturday night was: Mangum and Prussia, forwards; Haman, center, and Morris and Cashill, guards.

The regular weekly Sagebrush staff meeting will be held at 4 p. m. on Monday in the A.S.U.N. Administration building.

ARCADE BUILDING

RENO, NEV.

The Wolf Pack gave its backers their first glimpse of the real Wolf Pack in action against the House of David, by upsetting all predictions and defeating the bearded cagers from Michigan 33 to 31 Tuesday night.

Showing that their real faults lay in trying to win too hard and their inexperience, the Wolves took the David team with a grain of salt, clowned enough not to let the visitors take the spotlight all night, and then played hard ball to defeat the Daviders, marring their record of 55 wins with only a few defeats.

Still, it is rather hard to believe that the hairy players weren't horsing around during the last quarter, giving Nevada a slight lead, intending to score with only a few seconds to go and take home another win with their whiskers.

Anyway, it's a safe bet to say that Nevada just won by a hair.

Intramural sports, after a long rest, is again holding down the interest of Greek letter men with the handball singles tourney now in full sway.

Playing a round robin tourney, J. E. "Doc" Martie, athletic director, has announced that all games must be played on schedule, with postponed games to be played on Tuesdays and Thursdays, and scores posted immediately following each game. Unless the games are postponed with the consent of both players, the games will be forfeited after a five minute delay.

Possibilities for a winter sports program seem to be growing slimmer and slimmer with the month of January

ARE YOU A
FROWNER?

JANGLED
NERVES

Lines in your face
come from jangled nerves

Jangled nerves can make you look older than you are. And that's bad news for any woman—or man either.

Look in the mirror today. See if you already have any of those telltale wrinkles that come from nervousness—and, if you have,

do something about it. Get enough sleep—fresh air—recreation—and make Camels your cigarette.

For, remember, you can smoke as many Camels as you want. Their costlier tobaccos never jangle your nerves.

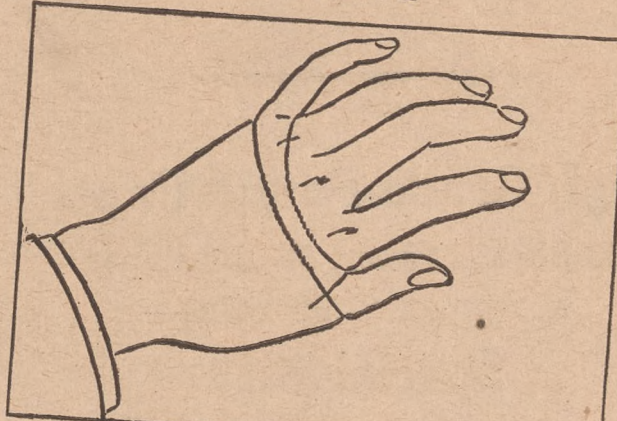

COSTLIER TOBACCOS

Camels are made from finer, MORE EXPENSIVE TOBACCOS than any other popular brand of cigarettes!

How are YOUR nerves?

TEST No. 15

Take a small rubber band—not more than two inches in length. Place one loop over your little finger... Then pull it across the back of your hand, well below your knuckles and catch the other end in the position indicated in the drawing. Now, without touching your hand to your body, without help from the other hand, work off the rubber band. Average time is 10 seconds. Shepard Barclay (Camel smoker), famous bridge expert, completed the test in 1 1/2 seconds.

Campus Improved With Large Sums Apportioned C.W.A.

Over Half of Work Complete Which Was Started Before Thanksgiving Recess

\$26,767.05 SPENT

University Farm Also Receives Benefit of Money Given By Government

With over half of the campus improvements of the C.W.A. completed, the apportionment for the University of Nevada ending January 19 totals \$26,767.05, according to a statement made by Robert A. Allen, C.W.A. engineer.

From the time the C.W.A. work began in the latter part of November, through Christmas vacation, the Agricultural building, the bureau of mines, the training quarters and part of the Educational building were repainted and refinished. Just now the auditorium and the offices of the Educational building are being redecorated.

On the engineers' side of the campus the Electrical Engineering building is having a cement floor placed and a new roof added, while a cement wall is being set up in front of the Extension building.

One of the larger improvements which is just beginning is the additions being made on the University of Nevada experiment station farm. A wire fence a mile long is being set up and the ground is to be leveled so as to improve the irrigation. A new barn is to be built in which the baled hay will be stored, and the old buildings are to be electrically equipped.

The beauty of the campus will be improved with the planting of shrubs, trees and a lawn on the west end of the stadium, according to Joe Lynch, superintendent of buildings and grounds, who is in favor of the installation of an automatic sprinkling system so that a lawn and trees may be planted from Lincoln hall to the north side of the Extension building.

A wall has been built on the north side of the training quarters to keep back the gravel in case of a heavy rain storm, while the hill in back of the football field is being graded for the same purpose.

As far as is known, the last of the improvements will be the repairing and repainting of the tram.

The C.W.A. of Nevada is directed by Cecil W. Creel of the agricultural extension service of the University of Nevada.

The International Relations club of the University of Nevada will hold its first meeting of this semester Tuesday, February 6, at 11:25, in the Education building, according to the club's faculty advisers, Professor S. C. Feemster and A. J. Plumley. Any student who has a keen interest in international affairs and cares to enter into a discussion of them is urged to attend this first meeting of the newly formed organization.

All Independent men who want to play baseball on the Independent team see Walter Bowrin, team manager, or Ned Morehouse, as soon as possible.

Anyone who wants to play handball doubles see Ralph Hromadka and make any arrangements that are necessary.

Reno and Panaca Top Hoop Leagues To Lead in State

Reno moved into the top position in the western zone of Nevada high school play, with Panaca continuing to hold down its first place in the southern league and Wells advanced into second place in the eastern zone play as a result of last weekend's games.

Threatened with defeat in the first half, the Reno High school Huskies came back strong in the second half to defeat Virginia City High school 27 to 18 on the Reno floor. Chet Humes was high point man for Reno, scoring 8 points.

The Sparks Railroaders defeated Carson High school 26 to 19 in a fast, rough game played on the Carson floor, while the Elko High school defeated Fallon 17 to 6 in a fast game at Fallon.

In the eastern division Wells High school piled up an 11 to 1 lead in the first five minutes of play and coasted to a 28 to 20 victory over the Carlin team Friday night. The Wells team was never badly pressed.

Continuing eastern play, Panaca High school kept its unbroken record of wins by defeating the Ely Bobcats 29 to 21 on the Ely court.

Saturday night saw Reno defeat Stewart 19 to 12. The Indians staged a rally during the last half, but were unable to overcome the early lead taken by Reno.

In the biggest upset of the season Fallon defeated Yerington 21 to 14 at Yerington. Churchill played its usual brand of basketball, but was defeated at the hands of a determined and much improved Fallon team.

Sparks scored its second win for the weekend by defeating the Virginia City Comstockers 31 to 26. This ties Sparks and Yerington for second place in the western league.

In the eastern division Wells High school defeated Battle Mountain 19 to 12, at Wells. The Wells team is now holding down second place in its zone and gives promise of being one of the leading contenders for the division crown.

High School Music Offered This Year

A course in high school music teaching, the first of its type to be offered by the university music department, is being offered this semester under the direction of Professor T. H. Post.

The course is designed for students aspiring to teach music in both elementary and secondary schools. Requirements for electing the course are that the student be a junior in class standing and taking at least a minor in the department of music.

Actual practice in band and glee club work will be a feature of the course, according to the department head. The students will also undertake actual experiments in the arrangement of various types of music.

Lack of Business May Retard Senate Meeting 2 Weeks

Committee Appointments Made at Special Meeting Wednesday Night

Whether or not the regular meeting of the senate, student governing body, scheduled for next Thursday evening, will be held depends largely upon the urgency of any business matters which may arise during the next few days, according to A.S.U.N. president, Jim Wallace.

The tentative committee appointments which were made in special session last Wednesday evening will have to "stand open" on the records for two weeks before any definite confirmations can be made by the solon group. Such a ruling is one of the regulations which were founded in the new constitution.

Out of the interpretation of the new laws it is a "conditional requirement" that a senate meeting be held the evening before the semi-monthly student body meeting, which will be next Friday morning, but this interpretation may be dispensed with in view of the fact that a special meeting of the body was held this week.

Zoe Thompson '37 of Manzanita is the only member of the student body who is hospitalized. She is under medical care for a throat ailment and her condition is fair.

College Athletes To Gain Recognition In New Guide Book

Walter Christie, Sports Critic, To Publish Achievements Of College Stars

Formulation of the University of Nevada's contribution to an athletic guide book, of which Walter Christie, widely noted sports commentator, is the author, has kept Howard Umber, campus publicity bureau head, busy for the last several weeks.

"This book will serve to preserve for posterity the activities of the outstanding undergraduate athletic heroes of the past and the present from major universities of the nation," Umber declared.

The local bureau's task is to see that the Nevada men entitled to recognition in such a "who's who" of athletic glory are duly submitted for consideration by the editor. In tracing back through the pages of old Artemisias and other history sources, several men of the "forgotten hero type" have been selected for the compilation, reports the director.

Creation of a unique football advertising scheme is another current project of the bureau. The means of constructing a large neon sign, on which would be placed next season's complete grid schedule, are being studied at this time. Such a sign, if arranged for, will be placed in a strategic location on a downtown building, according to plans.

"A project of this nature will eliminate much of the present trouble and work of putting out the usual posters and stickers and will in time prove to be an economical move," Umber said.

Swimming Contest Planned for Hall

At the regular meeting Monday night Lincoln Hall association discussed plans for an interdeck swimming meet to be held February 16, in which the second floor will compete with the combined first and third floors. Initiation was also held for Del Winger and Vladimir Kravetsky.

Tonight all association members will hold their first stag dinner at the university dining hall.

SLIGHTLY INJURED

Harold Curran, regular varsity guard, sustained slight but not serious cuts and bruises Wednesday night in the Nevada-House of David fracas when he was injured in a wild scramble for the ball.

Larger Cover, New Section Feature 1934 Artemisia

In spite of a reduced budget with which to work, the staff of the Artemisia is planning on a larger book than was put out last year, Robert Creps, editor, revealed.

In actual size, this book will be much larger, although it will contain only twenty pages more than last year's. The increased size will be effected by use of a new style of cover which is nearly twice as thick as has been previously used.

There will be one new section devoted entirely to informal shots of the faculty, with brief biographies of each. This section has never been included in any previous Artemisia, and will probably be confined to the department heads this year due to the limited space available. In other respects the book will be modeled much on the same lines as its forerunners.

Nevada Defeated In Close Contest

Pushing Nevada into the cellar position of the Far Western conference, San Jose's basketball team defeated the Wolf Pack in a closely contested two game series last Friday and Saturday by scores of 38-36 and 36-33.

With a few seconds left to play in the first tilt, Concannon, flashy Spartan forward, sank a close-in shot to tie the score, 33-33, as the gun went off.

In the overtime period Topagna made a free throw and Phillips tossed in a field goal to give the Wolves a 3 point advantage. San Jose rallied, making 3 points, and with one minute left Biddle of San Jose shot from the middle of the floor for a sensational field goal. From then on Nevada was unable to penetrate the Teachers' defense.

Clayton Phillips, sensation of the Wolves, made a total of 14 points for high scoring honors. Curran was also outstanding, making 6 points. He and Phillips were forced from the game on fouls. Concannon was outstanding for the Spartans, accounting for 9 points.

Although not as fast as Friday's game, Saturday's contest appeared to be in Nevada's favor, the Wolf Pack holding an 8 point advantage near the end of the game. The Wolves appeared improved over the previous contest, working up a 21 to 19 lead at half time and leading 27 to 19 with only fifteen minutes left to play.

A series of long shots at the basket gave the Spartans their chance to even the score. A last minute

Fraternities Plan Initiation Degrees

Campus fraternities and sororities completed plans this week for their semi-annual initiation ceremonies and announced the dates when final degrees will be given to the initiates.

Not all the sororities and fraternities have made their initiation plans. Those which have set dates for initiation are:

- Sigma Nu—February 12-17.
- Alpha Tau Omega—February 15.
- Lambda Chi Alpha—February 18.
- Gamma Phi Beta—After February 15.
- Pi Beta Phi—February 17.
- Kappa Alpha Theta—February 4.
- Delta Delta Delta—February 7.

shot by Concannon won the game for the visitors. Phillips was the individual star in this game also, making 8 points for Nevada. High scoring honors for the evening went to Biddle, San Jose center, with 12 points.
