

# DODGE IS ELECTED STUDENT BODY PRESIDENT

## Dondero Wins Associated Women's Presidency Second Largest Vote In History of School Cast During Election

### Registrar Compiles List of Students Seeking Degrees

### Graduation Figures Indicate Decrease from 1934 Number

### Committee Meets This Week to Set Examinations For Masters

Decreases and diplomas will be awarded to 128 University of Nevada students on Commencement day, May 13, if all their work is satisfactorily completed by that time, according to a tentative list compiled by the registrar's office this week.

The roster includes 117 candidates for bachelor's degrees, six candidates for advanced degrees, and five prospective graduates from the Nevada State Normal school two-year course.

These figures show a drop of 42 degrees from the number of bachelor and master degrees awarded last year, when 167 were given.

### Committee Meets

A meeting of the graduate committee will be held the latter part of this week to set the date for examinations for master's degrees, according to an announcement made today.

Master's degrees will be awarded to the following if they are successful in passing their examinations: Ruth Eleanor Bixby, Lois Hutchinson, Emily L. Ross, Martha Huber Plumley, Sessions S. Wheeler, Leland Hobart Hinckley.

### Candidates Listed

The following are candidates for bachelor's degrees.

Grace Armbruster, Mable Louise Armstrong, Merle H. Atcheson, Emma B. Amarez, Isabel O. Baker, Juana Barber, Dino Barengo, Rulon J. Bastian, Charles Edwin Bath, Forrest Bibb, Ruby Evelyn Bliss, Marion Brodie, Clarence Byrd.

Garry Callahan, Marjorie Cannon, Caryl Carman, James Henry Cazier, Antonio Chavez, William Cecil Cheal, James W. Crawford, Robert Creps, John C. Curtis, Albert D. D'Alessandro, Brendon Donovan, Lawrence DuFour, Harrison Claude Dukes, Carl E. Dunn, Fred DeWitt Dunn, William Durbrow, Jr., Mary Louise Durkee.

William J. Eekhoff, L. Walter Evans, Sallie M. Fagan, Naomi Claire Fitzgerald, John D. Flourney, Kerwin L. Foley, Elizabeth Frey, Nolan W. Gault, Mary V. Gates, William Gelder, Alson Parr Gibson, Dorothy Gordon, George Gottschalk, Sarah Graves.

Robert Hansen, Bela Alar Harcos, Walter H. Hargreaves, Ruth Alice Eugene Hawn, Floyd Holt, Kathleen Hafey Houx, Dorothy Jackson, Charles S. Jensen, Chandler A. Johnson, William Jarl Johnstone.

Blanche Keegan, Franklin Henry Koehler, Vladimir P. Kravetsky, Yu Kwan, George Lohse, Edwin G. Lozano, Nell Lozano, Pearl Annette Lunsford, Donald Macdonald.

William Griffith Macdonald, Jr., Peggy L. Maher, Helen Malloy, Edwin C. Martinez, William Carleton McCulloch, Philip C. McGuire, Hugh F. McIntyre, Joseph M. McLeod, William F. McMenamin, Glenna McQuerry, Madeline McMenamin, Glenna McQuerry, Madeline Miller, Ned R. Morehouse, Dorothy Nason, Kathryn A. Nichols.

Donald DeWitt Odell, Wallace Brooks Park, Alice Parman, Lyman E. Parmenter, Cornelia B. Patinga, Herbert M. Peck, Jr., Helene Per Lee, Roy Petrie, Conrad Pettengill, Edward L. Pine, Neil Plath, Perry B. Priest, Victor B. Promptoff.

Margaret Rather, Helen Records, Grant A. Rice, Emily Richards, Kistler Rivers, Frank Sam, Walter B. Scott, Grace Semenza, Oliver G. Seymour, Benjamin Hampton Sheahan, Dorothea Shidler, Henry W. Smith, Helene Stark, Mary Sweet, James M. Thompson, Paul Dutton Turner, Angelo Turner, Stella Vuovich, James D. Wallace, Harold E. West, Melba Fern Wible, Jack D. Williams, Margaret Williams, Del Winiger, Mrs. Ralph Wittenberg, Elizabeth Young, Laurence Zoebel.

Two year normal students who are candidates for diplomas are: Margaret Bagley, Edith Dutton, Charles Funk, Christine Iverson, and Ina G. Sharpe.

### Hartman Receives Cornell Fellowship

Paul Hartman, graduate of the University of Nevada with the class of 1934, and winner of the gold medal for excellence in scholarship, was awarded a fellowship in physics at Cornell University, it was learned this week.

### U. N. Department Receives Complete Music Assortment

### Carnegie Foundation Presents University With Set Worth \$2,500

### Gift Will Be Made Available For Use by Students, Community

The U. of N. department of music this week received the first installment of a gift of music and equipment, valued at \$2,500 from the Carnegie Foundation, according to an announcement made today by President Walter E. Clark.

One of the several sets being distributed to a few select colleges in America this year, the newly acquired outfit is planned to assist students and members of the community in better appreciation of good music.

The donation includes a regular \$2,500 outfit made up by the Shimer Music Company, a beautiful, large Capehart automatic phonograph, capable of playing both sides of 22 records without attention of the operator, thus enabling a complete operatic suite to be played without interruption. There are also 824 records of representative music from old Greek rhythms to modern classics, 251 instrumental and vocal scores of some of the selections including in the recordings, 129 books on different phases of music, a filing cabinet for the scores and records, and a complete card index of the set.

### Carnegie Gift

The gift was made to the university by the Carnegie Foundation under the direction of Frederick P. Keppel, head of the organization. It was obtained primarily through the efforts of Professor Theodore H. Post, head of the music department, and President Clark. Application for the set was first made a year ago last fall, but it was not until recently that the necessary formalities were completed and the award made.

The equipment will be available to all students and members of the faculty and the community in general. President Clark has hopes that in a series of adult education programs he is planning for next year the new equipment may be used to advantage in music appreciation courses.

The phonograph, records, and scores are housed in the regular music rooms in the Education building and are in the care of Professor Post. The books belonging to the gift are in the main library, where they will be available during all regular reading hours.

### Junior "Cut Day" Set for April 26

"Cut Day," traditional event of the junior class, has been set for April 26, according to George Hadlen, chairman of the committee in charge.

All juniors will be excused from classes on that day in accordance with the established tradition.

Members of the class will spend the day, as some popular resorts at Lake Tahoe, according to plans made by the committee.

The day will be spent in swimming, boating, baseball and other forms of amusement, Hadlen said.

Committee in charge of the affair includes: George Hadlen, chairman; Joe Kelley, Ruth Balls, Lee Ward, Catherine Dondero, John Franklin, and Lindsay Green.

### SOCIAL CALENDAR

April 12—Pi Beta Phi Formal; Gamma Phi Beta Formal; Lincoln Hall Formal.

April 13—Campus Players.

April 19—Easter Vacation.

April 20—Easter Vacation.

### CINDERELLA II GRACES CAMPUS AGAIN AS LAWN WORK OPENS

Cinderella II, ancient nag of some twenty-eight summers and as many winters, is back at her old station in front of the fertilizer spreader this week helping the ground crew give the quad and greensward its annual spring coating.

Five years come last Michaelmas, Cinderella decided to go collegiate, and forsook the pastoral pleasures of the university farm to spread the gospel upon the campus.

### NEW A.W.S. HEAD

Catherine Dondero, Hawthorne resident, today was elected president of the Associated Women Students. She is a junior student, and has been active in campus work. She is a member of Kappa Alpha Theta sorority.

### Many Universities Evidence Unrest On Eve of "Strike"

Although 100,000 thousand students in American colleges and universities are expected to participate in the "strike" against war scheduled for 11 a. m. tomorrow, no indication of disturbances on the University of Nevada campus was evident this week.

Leaders of the pacifist movement said they expected 100,000 undergraduates to walk out of their classes in protest against "militaristic" policies of the United States government and other nations of the world.

At the University of Washington, student pacifists defied President Leo Paul Sieg last week, when he issued orders to close all campus halls and buildings to strikers.

Herschel Pickering, Washington strike leader, declared strikers would "meet there any way, that's all."

In California, U.C.L.A. pacifists prepared to demonstrate tomorrow, although it was believed that college officials would deny them use of school buildings.

Prelude to tomorrow's strike at the University of California at Berkeley occurred two weeks ago when eight students were arrested by Berkeley police for distributing anti-war handbills on the California campus. Reports from U.C. indicated that strikers would be active there as 18 were arrested for distributing bills.

Eastern colleges were most concerned over the movement, since it is there that agitators have been most active.

The University of Columbia student paper, the Spectator, is supporting the strike.

"The illusion that pacts, courts and international conferences stopped the surge toward war long ago was laid bare," the Columbia paper commented editorially.

"Just such agencies as these have become merely the meeting ground for ambitious imperialistic powers, striving to organize new and more powerful alignments."

A printed broadside calling the national student strike, mailed to colleges and high schools throughout the United States attacked William Randolph Hearst, terming him a "war monger."

Additional attacks were made on Nicholas Murray Butler, president of Columbia university.

The student pacifists will bear banners with such slogans as these: "Strike Against Imperialistic War," "Fascism Breeds War—Fight Against Fascism," "Schools Not Battleships," "Abolish the R.O.T.C."

The committee will decide upon a gift at a meeting to be held next week.

### Senior Week

The senior week committee headed by Bill McMenamin met today to further plans for the program. Teas, a picnic to be held at Lake Tahoe, a senior ball and a faculty baseball game will be part of the celebration.

The picnic will be held at Buck's beach, and plans for a dance after the picnic are being arranged.

### Pilgrimage Planned

The senior tradition committee met today to discuss arrangements for observance of the various traditions, including the annual pilgrimage. Grace Semenza, George Lohse, Sallie Fagan, James Thompson, Caryl Carman, Ned Morehouse and John Flourney are scheduled to address their classmates at pilgrimage stopping points, according to the committee.

### New A.W.S. Chief To Be Introduced In Meeting Friday

### Catherine Dondero Is First in Race, Piling Up Total Of 122 Votes

### Cole Places Second With 99; Alice Mason Totals Forty-one

Catherine Dondero was named president of the Associated Women Students today, polling a total of 122 votes out of 262 cast.

Miss Dondero will be sworn in at the first student body meeting in May, succeeding Nell Lozano as head of the women students.

Georgia Cole, sorority combine favorite, received 99 votes, and Alice Mason, Independent candidate, polled 41 votes.

Today's election is said to indicate that the power of the old sorority combine group, as well as the men's organization, is broken, setting an entirely new precedent for future elections.

### Is Theta

Affiliated with Kappa Alpha Theta sorority, the new A. W. S. head has been active in campus affairs, serving as president of the Sagens, women's honorary service society, and also as secretary of the A. W. S.

During the past year she also served on the staff of the U. of N. Sagebrush. Miss Dondero is the daughter of Mr. and Mrs. M. J. Dondero of Hawthorne, Nev., and the sister of Harvey Dondero, a former editor of the Sagebrush.

### Publication Heads Will Be Selected Late This Month

At the first meeting of the Publications board to be held this semester, Clarence Byrd was elected board chairman and Grace Armbruster was chosen secretary. The meeting was held in the A.S.U.N. building Tuesday afternoon and was called to prepare for the selection of the publications heads sometime during the latter part of the month.

Byrd, a senior student, has had three years experience on the Sagebrush staff and has also served on the Artemesia. He succeeded William McMenamin, former Sagebrush editor and Publications board head.

Details concerning the forthcoming election were discussed as were plans for the annual publications banquet which will probably be held the first week in May. The group also made several changes in its by-laws.

A list of those eligible for executive positions on the publications next semester will be drafted at the next meeting of the board, which consists of the following members: Clarence Byrd, Ned Morehouse, Angelo Urrutia, Forrest Bibb, Elwyn Jeffers, Grace Armbruster and La Rue Stark.

### Seniors to Pick Traditional Gift

The traditional gift to the university presented annually by the graduating class has not yet been selected, according to Ed Martinez, chairman of the gift committee. Suggestions include a new flag pole, a bench on the east side of the library and a sundial in front of the Haseman-Jones memorial.

The committee will decide upon a gift at a meeting to be held next week.

### Senior Week

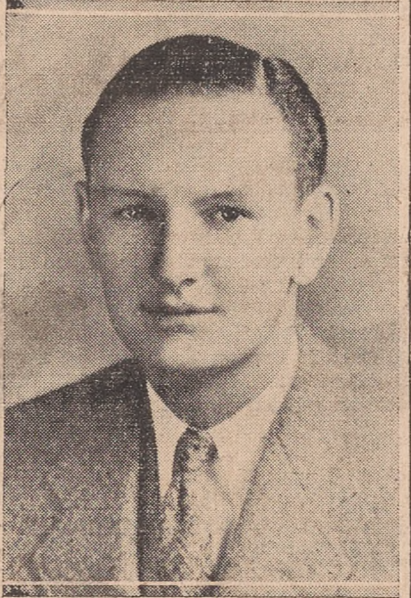

The senior week committee headed by Bill McMenamin met today to further plans for the program. Teas, a picnic to be held at Lake Tahoe, a senior ball and a faculty baseball game will be part of the celebration.

The picnic will be held at Buck's beach, and plans for a dance after the picnic are being arranged.

### Pilgrimage Planned

The senior tradition committee met today to discuss arrangements for observance of the various traditions, including the annual pilgrimage. Grace Semenza, George Lohse, Sallie Fagan, James Thompson, Caryl Carman, Ned Morehouse and John Flourney are scheduled to address their classmates at pilgrimage stopping points, according to the committee.

### WINS ELECTION

Carl Dodge, veteran campus actor, today was elected A.S.U.N. president, succeeding James Cazier to that office. Dodge is a junior student, has served in the senate, and is a member of Alpha Tau Omega fraternity. He is a resident of Fallon.

### Graduate Manager Refuses to Seek Contract Renewal

Joe T. McDonnell, who has served the A.S.U.N. as graduate manager for the past two years, notified the finance committee yesterday that he would not be back to take another contract next year.

### Notifies Committee

McDonnell had previously recommended that the committee look for a successor to his office, but consideration was delayed until the committee meeting yesterday.

On January 11 of this semester, McDonnell submitted his resignation to the committee, chiefly as a result of the coaching controversy at the university. However the committee refused his resignation and requested that McDonnell finish out his term of office. The graduate manager consented to this proposition.

His notice to the committee yesterday was not in the nature of a resignation, but a statement that he intended to conclude his tenure of office with the expiration of his contract on May 31.

### Enter Business

McDonnell said today that he intends to look about for a regular business position.

The finance control committee will take up the matter of selecting a successor to McDonnell in a short time, although his contract does not run out until May 31. The contract for graduate manager is given out in terms of one year.

### Is Thanked

The committee tendered a vote of thanks to McDonnell for his excellent work in the past two years.

As an undergraduate student at Nevada, McDonnell was very prominent in campus activities. He was treasurer of Blue Key society twice, worked for three years on the Artemesia and Desert Wolf staffs, was treasurer of the sophomore class, chairman of several committees, and participated three times in the Wolves' Frolic. He is affiliated with Phi Sigma Kappa fraternity.

The finance control committee definitely approved withdrawal of the necessary funds for the banquet of the Publications Board, which will be held in the near future.

At the meeting, the committee delayed consideration of the purchase of a filing cabinet for the use of campus publications in preserving mats, outs, and pictures.

### WOMEN 'BRUSHERS HAVE REST AS MALE SCRIBES TAKE HELM

In sharp contrast with the usual confusion in the offices of the Sagebrush, peace and quiet reigned in the upper reaches of the A.S.U.N. building this week.

Reason: The men put out the paper and the women kept away.

Results: The 'Brush went to press 24 hours ahead of schedule, cut buttons 50 per cent, although but 25 per cent of the staff are women, and all the advertisements were easily recognized.

Only fly in the ointment: The task

### Second Largest Vote In History of School Cast During Election

Piling up 294 votes out of 634 cast, Carl Dodge, prominent junior student and member of Alpha Tau Omega fraternity, today was elected president of the A. S. U. N., thus bringing to a close a campus election unparalleled for its surprises and uncertainty and the first in five years which was not completely dominated by the "big combine."

Lee Ward, Lambda Chi Alpha candidate, received 218 votes, and John Benson, whose fraternity, Sigma Alpha Epsilon, last week precipitated the combine collapse, collected 125. Ward had been given strong chances to win the election, by reason of the possibility of a sorority combine "spite" vote against his two opponents for their sudden denouncement of the old machine last week.

### OPEN HOUSE

Members of Alpha Tau Omega tonight announced that the fraternity will hold open house for the campus tonight between 7 and 9 p. m. An invitation to all students was extended by Brooks Parks, president.

### U. N. News Head Speaks at Meet On Gael Campus

### Social, Club News Is Slighted As Field of Publicity Says Creps

Speaking on social and club news as a field of college publicity, Robert Creps, director of the university news bureau, addressed members of the American College Publicity Association at their annual convention held on the St. Mary's College campus last week.

Creps was one of a number of speakers who led discussion on the developments of the past year, and the future possibilities of individual fields of publicity.

### Clubs Overlooked

He pointed out that social and club news offer a fertile field for publicity work which has almost been overlooked because of the unduly large amount of space given athletics and academic material.

As a large number of students are directly involved in club and social functions, their activities lend themselves well as short items for the home town papers of the state, and the society columns of the city dailies, both of which are good publicity mediums. If a well-rounded press service is to be released from the university, items of this nature should be included, Creps said.

### Professions Attended

Discussions on the field of sports in publicity work were led by Curley Grieve, sports editor of the San Francisco Examiner, Dr. Louis LeFevre, graduate manager of St. Mary's College, and Mervin Houser, publicity director of the University of San Francisco.

General academic publicity was discussed by Rosalind Kep, editor of publications of Mills College, and Jack Robinson, city editor of the San Francisco Chronicle.

On the subject of capitalizing on new avenues of publicity, Lloyd Yoder, director of Public Relations of the National Broadcasting company spoke on the problem of feature radio presentations by colleges.

### Publicity Analyzed

Publicity material for press associations and syndicates was analyzed by Phil Sinnott of the N.E.A. service of San Francisco, and the problem of a news service, to small country papers was discussed by Paul Bryne, graduate manager of Chico State.

The convention program was under the direction of Robert McAndrews of St. Mary's College and Harold Ellis, head of the University of California news bureau.

The Southern California campus was chosen as the site for the next convention to be held in February, 1936.

All in all, say male members of the staff, it has been a vacation, but in spite of all, they miss the fair blunders and will welcome them back to the fold next week.

### High Vote

The vote today was the second highest in the history of the university, exceeded only in 1930 when 740 votes were cast. Two countings of the votes were made.

Political campaigning, unquestionably the most colorful in years, reached its highest pitch this morning when the campus was literally plastered with posters and handbills, and the henchmen of the three candidates could be seen vigorously "bending their elbows" in a last-minute attempt to garner a few more votes for their favorites.

The total absence of machine tactics in today's contest, which meant that every candidate, theoretically, had an even chance to win, probably accounted for the intense interest shown by the student body in the first "clean" election in several years.

### Combine Cracks

Rumblings of discontent, foreshadowing the ultimate downfall of the once unbeatable "machine," could be distinctly heard on the campus several months ago when the big political bosses became discouraged over the poor quality of the spoils handed out by the senate, which holds the balance of power in the present student government.

That a break-up of the combine was "in the cards" became a near certainty several weeks ago when Alpha Tau Omega, juggernaut of the combine, offered a neutrality pledge to the other members of the machine, by which they would agree to wreck it for all time. The collapse of the machine became an actuality last week when, at a mass meeting of organization and fraternity leaders, Sigma Alpha Epsilon and Alpha Tau Omega gave their solemn pledge to withdraw, with S. A. E. leading the way.

### Takes Office

Dodge will take the oath of office at the next regular student body meeting May 5.

Dodge, having served several terms in the senate and also on finance control committee, should be well qualified to handle the duties connected with his new office.

### In Activities

First gaining prominence in Campus Players in his sophomore year, Dodge was later elected into Mask and Dagger, honorary dramatic society, and Blue Key, service fraternity. Last semester he served as chairman of the Homecoming Day committee.

Before coming to the university, Dodge was active in forensics in the Fallon high school, at one time taking second place in the Pacific division of a national extemporaneous speaking contest.

### Interest Is High In City Election

University of Nevada students who are interested in the coming city election may cast votes for their favorite candidates here next month providing they are of voting age, County Clerk E. H. Beemer revealed today.

Beemer announced that out-of-town students, as well as the students who make their home in Reno, will be able to cast ballots providing they register at his office prior to the election.

Many students are showing keen interest in the coming political race due to the fact there are several former University of Nevada students running for office.

### Baby Boy Born To U. N. Grads

An eight-pound son was born yesterday to Mr. and Mrs. Howard Umber, of Reno, former students of the university. The child has been named Howard Leigh.

Mrs. Umber who was formerly Claire Willison, was a member of Kappa Alpha Theta sorority, and served on the staff of the news bureau, while on the campus.

# Prep Conventions On Nevada Campus End With Dinners

## Future Meets May Be Held In Fall Semester, Say Representatives

High school presidents and editors from secondary schools throughout the state Saturday closed their respective conventions when they held final meetings at university fraternity houses.

Sponsored annually by the A.S.U.N., the high school president's convention was held this year April 4, 5 and 6. During the course of the meet, university students leaders discussed executive problems with the visitors, while sorority and fraternity houses honored the presidents with luncheon and dinner invitations.

### 26 Schools Register

High school presidents from 26 schools attended the convention which was adjourned at the Lambda Chi Alpha house following a banquet club; a two-day program was arranged for the prep journalists. Their convention began last Friday, April 5, with registration and round table discussions of editorial and business problems.

Addresses by Walter E. Clark, president of the University, A. L. Higginbotham, in charge of courses in journalism, and Joe F. MacDonald, local newspaper man, were heard by the high school editors. Forest Bibb, La Rue Stark, Ned Morehouse, Angelo Urrutia and Robert Creps, heads of campus publications and the news bureau, spoke briefly on practical phases of college newspaper work.

### Harwood Gives Address

Professor Paul A. Harwood, editor of the Alumni magazine, gave the closing speech when the press convention was adjourned at the Sigma Nu house Saturday night.

Because the benefit of these conventions to the high school students would be greater if held earlier in the year, it has been tentatively decided to hold the two conventions early next year, according to committee heads.

The A.S.U.N. committee in charge of the high school president's convention included Marjorie Cannon, chairman, Ray Armstrong, Clarence Byrd, Mary Murphy, Caryl Carman, Walter States, and Frank Sullivan.

Student presidents attending were: Chester Burt, Goldfield; Frank Butler, Tonopah; George Churchyard, Yerington; Milton Coffin, Susanville; Eddie Colletti, Virginia City; Doris Damon, Winnemucca; Marvin Foster, Carson; Lory Free, Panaca; Robert Handley, Eureka; Wilma Hankammer, Dayton; Alton Hunewill, Smith Valley; Ralph Isaac, Austin; John Jones, Carlin; Ralph Michelson, Elko; Walter Powers, Sparks; Charles Roberts, Gardnerville; Ray Waldren, Fallon; Shauntly Harriet, Ely; Jack Hastett, Reno; Ernest McKenler, Wadsworth; Carl Krause, Las Vegas; Clinton Hine-man, Battle Mountain; Chester Freeman, Fernley; Jay Shurtleff, Montello; Leland Eckley, Hawthorne; Jack Cornell, Manhattan.

High school editors here for the Press Club's meet were: Jim Du Pratt, Edward Beaupert, Gertrude Freeman, Yerington; Morris Maule, Ray Howard, Ethel Graunke, John Etchemendy.

# F.E.R.A. Payroll Totals \$1349.40 For Last Month

One hundred and six University of Nevada students received aid in the form of work on the campus from the FERA during the month of March, according to figures released this week by the comptroller's office.

The total payroll for Nevada students amounted \$1349.40 for the past month.

A check-up finds the needy collegians are engaged in a wide variety of part-time work, sponsored by the federal government with the cooperation of the university.

The majority are employed as janitors, typists and laboratory assistants. Some of the jobs range from giving daily rub-downs to varsity athletes to mounting specimens in the zoology department. Many students are hired to file and catalog papers and books for various departments and a few are employed in labelling equipment in the laboratories.

Gardnerville; Mary Haudley, Violet Morrison, Geraldine Westfall, Eureka; Margery Hickey, Norine Muguira, Austin; Jack Cornell, Manhattan; Mitchell Andrews, Wildon Walsh, Hawthorne; Loring Primeaux, Lovelock; Jim Sullivan, Reno; Doris Jackson, Wadsworth; Kathleen Hanson, Elko; Marlee Dodge, Fallon; Virginia Heavey, Thelma Bagley, Sparks; Jack Lewis, Melvin Woodgate, Gwen Butti, Carson; William Edwards, Gilbert Patterson, Carl Berringer, Portola; Nancy Heizer, Elizabeth D'Allessandro, Lovelock; Gene Wines, Gertrude Polander, Richard Morral, Winnemucca; Shirley Ferron, Sarah Yates, Clarence Hockett, Dick Ronzone, Las Vegas; Pete Echeverria, Ely; Dorothy Bond, Patricia Kelly Gerlach, Jean Williams, Panaca.

The committee handling the journalists' gathering was Lois Midgley, chairman, Paul Leonard, Lloyd Leonard, Richard Stoddard, Eleanor Doan, Helene Fulton, Frank Sullivan, and John Carr.

### Gamma Phi Beta Formal At Riverside Friday

Gamma Phi Beta sorority will entertain at its annual spring formal dance tomorrow night at the Riverside hotel. Patrons and patronesses

# Campus Musicians Present Concert

Acclaimed by a large audience of university students and townspeople as one of the outstanding presentations of this spring's musical season, the eight annual spring concert of the University of Nevada music department was presented Wednesday night at the Twentieth Century club. Especially well liked by those attending was the rendition of "Ghost Cities," an original symphonic composition by Director Theodore H. Post.

Individual features of the program were the solos of Beth Stringham and Larry Carter in the "Chorale Fantasia" from Wagner's "Tannhauser." Also well received was a clarinet solo, "Caprice," played by F. C. Clark.

In the glee club section of the concert an a cappella arrangement of "Glory Train," a negro spiritual was especially outstanding.

The Spring Concert was sponsored by the Twentieth Century club under the direction of Mrs. A. J. Buell, chairman of the program committee.

for the dance will be Dr. and Mrs. S. K. Morrison, Mr. and Mrs. Jack Ryan, Mr. and Mrs. Marvin Humphrey, and Mrs. Mildred Terwilliger. Dick Hillman and orchestra will furnish the music.

### Lincoln Hall Formal Dance Is Postponed

The Lincoln Hall formal, which was scheduled for this Friday has been indefinitely postponed.

# Work on Building Nears Completion

Redecoration of the old chemistry building by FERA workmen, neared completion this week.

Only minor repairs, and tinting of the walls remain unfinished. FERA painters to do the tinting will not be procurable until May, and there is but little plumbing to be done, stated J. E. Lynch.

At present, the play productions staff has stored its properties in one of the larger downstairs rooms. There has been so much talk as to the uses to which the building is to be put, that no decision has been made about them, declared Mr. Lynch.

the chapter house. Those invited from Beta Kappa were Robert Butler, Grant Kennedy, Lou Young, Milton Steinheimer, and Richard Taw.

### Misfit Dance Slated By Campus Players

The Campus Players' misfit dance, something new in the way of campus social events, is scheduled to be held Saturday night at the Coconut Grove. Professor and Mrs. Claude Neet, Professor and Mrs. Robert Griffin, and Mr. and Mrs. Roy Bankofer are the chaperones.

### Executive Board Elects Seventeen To Service Roll

#### Women Chosen to Be Honored in A.W.S. Meeting Tomorrow

#### Cap and Scroll to Issue Bids to Student Leaders During Meet

The final A.W.S. meeting of the year will be held Friday with most of the meeting being turned over to the signing of the A.W.S. honor scroll. Nell Lozano, president, said.

The honor scroll, which was instituted by the women last semester, hangs in the A.W.S. office in the student union building, and bears the names of those women who were outstanding representatives of A.W.S. last year.

**Signers Listed**  
Women who will be asked to sign this year are: Miss Margaret E. Mack, dean of women; Nell Lozano, president of the A.W.S.; Catherine Dondero, secretary and treasurer; Evamae Beemer, sophomore representative; Sarah Swett, freshman representative; Sallie Pagan, chairman of the women's upperclass committee; Caryl Carman, women's representative to finance control; Blanche Keegan, president W.A.A.; Betty Howell, president Y. W. C. A.; Grace Semenza, Pan-Hellenic representative; Emma Aznarez, Manzanita hall representative; Margaret Walker and Frances Burke, chairman and co-chairman of ice-cream sales; Florence Kirkley, chairman of the A.W.S. fashion show; Alice Lundberg, chairman of the women's loan fund committee; Marjorie Cannon, point system chairman, and Helen Malloy, "buy a brick" chairman.

**Cap and Scroll Bids**  
During the meeting, bids will be extended to candidates for membership to Cap and Scroll, women's national upperclass honorary organization. Names of the candidates were not obtainable because they will not be chosen until tonight, Miss Lozano said.

The business of the evening will be rounded out when the new A.W.S. president is congratulated. She will automatically become chairman of next year's big sister committee when she assumes office. The other women to be appointed to this committee are:

Evamae Beemer, Mary Correcco, Florence Kirkley, Elma May, and Elizabeth Stringham.

### W.A.A. Members Sponsor Play Day

Approximately 175 girls from western Nevada and northern California will attend the annual high school play day sponsored by the Women's Athletic Association, according to Mae Simmas, women's physical education instructor.

The convention date has been set at May 4, with the entire day being scheduled for various types of athletic contests, such as baseball, volleyball, horseshoes and track events.

A luncheon in the university dining hall will climax the day, at which time winners of various events will be announced.

Girls who have shown themselves to be outstanding in high school athletics and organization will be allowed to sign the Gothic "G" scroll. The signing of this scroll is the official recognition given these girls by the honorary athletic association for high school girls which was formed last year.

Kerwin Foley is visiting the Alpha Tau Omega house this week-end.

### Asilomar Officer To Visit Nevada Group Next Week

Helen Price, district secretary of the Asilomar division of the Y.W.C.A., will make her official visit to the local group next Monday and Tuesday, it was announced today.

She will be entertained at suppers and luncheons according to present plans and will spend much of her time discussing local problems with members of the group.

Miss Price will first meet members of the Y.W.C.A. cabinet in a meeting Monday morning. She will be entertained at a luncheon given by university women at noon and will meet with downtown members in the afternoon.

Tuesday will be taken up with general conferences until late afternoon when Miss Price will again meet with the cabinet. Her visit will be concluding with a general supper and meeting.

Mary Corecco, president of the local division, has charge of the arrangements.

### "Madame Bovary" Is Well Received

"Madame Bovary," film version of Gustave Flaubert's classic novel of the same name was presented at the majestic theater this week by Le Cercle Francais of the University of Nevada.

The picture, which is a French talkie with superimposed English explanatory lines, was well received by a good sized audience, according to Mrs. Ralph Wittenberg, president of the organization.

Although all tickets have not yet been turned in, it is expected that a profit will be made on the showing.

Proceeds derived from the production will be used to bring other popular French films to Reno in the near future, Mrs. Wittenberg said.

The plot of "Madame Bovary" is concerned with the life of Emma Bovary, the wife of a country doctor, who tries to live beyond her means. She neglects her husband and small daughter, contracts debts she cannot pay, and finally in desperation, commits suicide.

### English Honorary To Pick Winners Of Poem Contest

Chi Delta Phi will probably meet Saturday afternoon for the purpose of judging entries in the group's high school and junior high school poetry contest, Inez MacGillivray, president, announced today.

The poetry contest closed April 1, and there have been more than 25 poems submitted. Two prizes are being offered, with winners in both sections to be given awards. Students in Reno and Sparks schools are entered.

Preparations for the initiation of new members will also be made during the meeting, and arrangements for the group's annual Founders' Day banquet May 3 will be made.

Jeanne Monohan entertained her parents, Mrs. and Mrs. George Knorr of Tonopah, at the Gamma Phi Beta house last week.

## WOMEN The Hat of A Sagebrush WOMEN

### Easter Pageant To Be Presented Sunday By Y. W.

Arrangements have been completed for the ninth annual Y.W.C.A. Easter pageant "The Vision of Sir Galahad" and it will be presented Sunday afternoon at three o'clock on the Mackay Quad.

The complete cost of 60 persons has been chosen with the following people in the leading roles: Jean Smith, Sir Galahad; Virginia Posvar, Angel; Virginia Ravenscroft, Woman; Thelma Armstrong, Temptress; Peggy Gill, Hermit; Doris Bath, Mother; and Janet Parish, Trumpeter.

Fred DeLongchamps, former university student, will take the part of the Voice. He will narrate the story as the action takes place and none of the characters will have speaking parts.

"The Vision of Sir Galahad" tells the story of Sir Galahad's quest for the Holy Grail. The characters in the pageant represent the virtues and temptations allegorically as the background against which the knight's struggle is carried on.

This pageant has been presented nine times by this group and like the Passion Play of Oberammergau, has the same details of action and presentation every year.

University students and high school girls reserves carry the minor parts in the presentation and act as the chorus throughout the play.

The action of the pageant will be under the direction of Miss Joan Southward who had charge last year. Genevieve Wakefield has charge of chorus arrangements; Mary Correcco and Winifred Walsh, are in charge of stage settings, and Georgia Cole is in charge of costumes. All will work with Miss Southward.

Ben Morehouse visited his parents in Fallon last week-end, accompanying his small brother who had participated in the high school forensic tournament.

Herbert Peck, former student now teaching in Fallon, was a week-end visitor at Lincoln Hall.

Edgar Olson, Wilfred Austin, and Lyman Clark spent the week-end in San Francisco.

### FASHION FOLLIES FOUND FOR FAIR FEMALES

By SR. MOE LIDGELY  
Dame Fashion has decreed, for this spring, that dresses which come into intimate contact with the form only at the shoulder will be worn, and that skirts will be pleated, and have a decided flare at the bottom. Of course, the fashionable length for skirts, as usual, will be just above the knee cap thus maintaining the freedom of walking which for so many centuries has been the goal for women.

Very belted, for the modish lady, will be much in vogue this spring, girthing the body six inches below the waist line.

**Gowns Graceful**  
To entrance the boyfriend, and hold him in submission, girls this year are wearing formal gowns which have the same general lines as for street wear, except that the bottoms are cut unevenly, extending to the knees in front, and dropping over the heels in back. A large, artificial flower worn poised on the left shoulder lends a fetching, downy appearance to the wear.

For those who prefer not to wear hats, it is suggested that the hair be worn in a distinct corrugated iron marcel with spit curls—either singly, or in pairs. However, if a hat is worn, it should be one that covers the ears and comes well down over the forehead in a coal scuttle attitude.

Again, heels will be three inches high for street wear, favored because this gives an impression of slim daintiness to the ankles. For evenings, straps, bows and buckles are favored with heels even higher than for day wear—if the wearer finds herself capable of walking in them.

Scarves of any color, composed of printed chiffon will wave cozily in the breeze, and hip length jackets are favored. The only provision is that they must either harmonize perfectly with the dress, or be in violent contrast to it. Capes, this year, are decidedly taboo.

P. S.: This only fashion book available for the story appeared in 1919.

### Women Students Practicing Daily For Dance Fete

The annual Spring Festival will be given by the women's dancing classes under the direction of Miss Elsa Sameth April 27 in the university gymnasium. Approximately 80 coeds will participate, according to Miss Sameth.

**Original Music**  
A new feature in the form of dances interpreting the musical compositions Helen Spina will be introduced. Miss Crandall is a former instructor in the University's music department. Miss Spina, class of '36, was active as a member of the glee club. Entertainment in the form of tumbling will also be offered, this being the first time it has been included in the program.

The tentative program includes the following numbers:  
Dance of the Stars, Franz Abt; Shadows, Chopin; Night, Schumann; Entrance of the Fairy Queen and her Court, Helen Spina; The Brook, Smetana; The River, Smetana; Elves, Dorothy Crandall; Rain, Dorothy Crandall; Sunbeams, Dorothy Crandall;

## Through a Keyhole

By... WANNA WENCHA

Now that the election is all over, we must rise to remark that one of the biggest luffs in the whole campaign was the part the femmes played. Boy, what angles those gals can work! One can almost tell how the votes fall, if one only stops to enquire—'Is the man a Tri-Delta, a Gamma Phi, a Theta or a Pi Phi?'

And from another quarter comes the startling news that that young blade Ned Morehouse has a veritable harem assembled at his office now that the Artemisia is preparing for the press. We always knew that guy had a sly gleam in his eye, and can he pick 'em!

Add prize boners of the week-end—Willis (I Like 'em Hot) Dalzell calmly walked into the bar during the S.A.E. formal, saw his own reflection in the mirror, and then stepped aside, saying "Pardon Me!"

The swarm of adolescence that plagued the campus last week caused no end of trouble to campusites.

Charles Leavitt, hairy-chested lad of Elko and inmate of the Tau house, was mistaken three times for a visiting prepster. Included among those making the mistake, was the chaperone of a dance. She no doubt thought a university student could not act so kiddish.

Snaky Lloyd Leonard, local beer baron, cut quite a swath in the ranks of the young and formerly innocent high school lassies. He kept one of the darlings out all night Saturday—at least the birdies sang before he found the hay.

The ease the minds of several anxious coeds we are glad to report the reason for the change in Cecil Cheal's love life. The grinning de-arranger of female hearts has taken four trips to San Francisco this semester. He lost his calloused heart to a pretty young thing who spent a few weeks with the 'colony.' He says he will be glad to graduate. The campus joins you in your expected joy "Chicadee."

Is "saggy" Roberts boined or is he boined. Oh well Jerry, we all stay in the wrong room sometime in our lives. Did you notice the way Merle Atcherson tried to steal the show before the visiting H. S. lassies? We hope Mary A. Thompson doesn't read this.

We are happy to report that the man with the "outdoor voice" and his sweet lassie from "Pizen Switch" are still moving in the right direction. She says her ears are always ringing, but if we can stand it why should she complain? Ah me, Jeffers.

And just to show that the old fire escape escapades aren't entirely a thing of the past, comes news of the little Manzanita gal who checked in via the front door at twelve as per schedule and checked out via the fire escape as not per schedule and was caught on the second return trip at 2:30 p. q. Time: last Friday night Place: Moana. What a perch!

## DUKE University SCHOOL OF MEDICINE DURHAM, N. C.

Four terms of eleven weeks are given each year. These may be taken consecutively (graduation in three years) or three terms may be taken each year (graduation in four years). The entrance requirements are intelligence, character and at least two years of college work, including the subjects specified for Grade A Medical Schools. Catalogues and application forms may be obtained from the Dean.

## Workmen Plant Additional Trees Around U.N. Lake

In order to beautify the lawn surrounding Manzanita Lake, six cherry trees have been planted by FERA workmen under the supervision of Joe Lynch, ground superintendent.

The trees are of the Japanese blooming variety, and are similar to those which the Japanese Government presented to the United States, and will bloom next year for the first time.

In order to stop the vandalism of eccentric drivers, the ground crew is also building a curb along the walk from the entrance gates to the bridge. Many night visitors to the campus persistently have driven their cars over the lawn doing much damage to the grass. Lynch believes the curb will stop this.

## Ago This Week

FROM THE FILES OF THE BRUSH

At the next meeting of the board of regents, the plans for the new gymnasium will be submitted for approval or rejection. The purchase of additional material, the question of the water supply, and other matters of importance will be discussed and disposed of to the best interests of the university.

The Junior Hop will be given April 20.

The new Register will be ready for the printers inside of a month.

# Interclass Meet Is Won by Sophs; Frosh Are Second

## Sophomores Run Away With Honors in Meet on Mackay Field

Repeating last year's performance when they competed as freshmen, the sophomores ran away with honors on a wind-swept Mackay field last Saturday, winning the annual interclass track meet with 64 points. The Freshman class was second with 45 points, juniors third with 34, and the seniors last with nine.

Because of bad weather, no records were equalled or broken although Doug McDow, sophomore, ran a fast, hundred yard dash of 9.3 seconds with a slight wind at his back. He was also high point man of the meet, with first in the century and in the 180 yard dash, which was substituted for the 220.

### Veterans Star

Gerow, junior, and veteran track man, also showed up well with a first in the shot, and thirds in the javelin and discus.

Another veteran, Leonard, turned in an expected performance with a first in the mile and half and a second in the half mile.

Result of the meet follow: Mile and one-half—Leonard (Sr.) first, Morby (Sr.) second, Leaver (F) third, Aymer (So.) fourth. Time: 7:45; 100-yard dash—McDow (So.) first, Richard (So.) second, Powell (F) third, Callahan (So.) fourth. Time: 0:9.8.

High jump—Becaas (Sr.) and Wilson (F) tied for first, Hawkins (Sr.), Stark (F) and Havens (So.) tied for third. Height 5 feet 6 inches.

Eighty-yard high hurdles—Secoy (So.) first, Maule (So.) second, Stark (F) third. Time 11.3 seconds; 800 yard dash—Hand (F) first, Leonard (So.) second, Ward (Sr.) third, Johnson (Sr.) fourth. Time 2:09.

Javelin—Ruggeroli (F.), first; Becaas (Sr.) second, Gerow (Sr.) third, Cummings (Sr.) fourth. Distance: 165 feet 1 inch.

Broad jump—Richard (So.) first, Havens (So.) second, Maule (So.) third, Powell (F.) fourth. Distance 22 feet 10 1/2 inches.

Pole vault—Azarez (F.) first, Carville (So.) second, Becaas (Sr.) third, Drendell (F) fourth. Height: 10 feet six inches.

Low hurdles—Zadow (So.) first, Maule (So.) second, Stark (F) third. Time for 180 yards: 21.6.

180 yard dash—McDow (So.) first, Graunke (So.) second, Powell (F) third, Dukes (F) fourth. Time 18.8.

440 yard run—Richardson (So.) first, Moles (F) second, Best (Jr.) third, Bump (F) fourth. Time: 51.7. Discus—Galloway (So.) first, Nash (F) second, Gerow (Sr.) third, Roguin (So.) fourth. Distance: 108 feet 7 1/2 inches.

Shot put—Gerow (Sr.) first, Galloway (So.) second, Havens (So.) third, Varnum (F) fourth. Distance: 38 feet one-half inch.

The relay was called off because of adverse weather conditions.

# Major League Club Signs Jack Hill

## Former U. N. Star Athlete Wins Chance to Play Ball in East

Jack Hill '34, former star University of Nevada athlete who has been working with the Pacific coast Oaks in spring baseball training, will be given a chance to break into major league baseball, it was announced last week.

Scouts for the New York Yankees consider him capable of "big time" ball, and have signed him to play with the Akron, Ohio, baseball nine, one of the principal "farms" maintained

# Chico Track Squad Displays Strength In Bay City Meet

## Teachers Turn in Exceptional Records to Trounce S. F. State

Chico State's powerful track squad, which meets Nevada on Mackay field next Saturday, made several exceptional performances while trouncing San Francisco State last week.

From their showing in Saturday's meet, the Wildcats appear to have a considerable edge on the Wolves. Nevada's only competition this season has been the inter-class meet which was run off last week in cold windy weather conditions and on a wet track. Chico has engaged in several meets so far, and has been training for a few months in ideal warm weather.

Hank Henry, Chico sprinter, scored a double win, taking the 100-yard dash in the time of 9.9 and the 220 in 21.9. Doug McDow of Nevada, aided by a slight wind, tore off the century in 9.8 time in the inter-class meet, and was closely followed to the tape by Kenyon Richard. The Wolves stand a fair chance in annexing several points in the sprints on the comparison of the respective entrants.

### Wildcats Impressive

A number of other Wildcats chalked up some impressive marks in their meet Saturday, and it appears that Nevada will have but little chance in several events. However, the Wolves may be aided by the high altitude and thin air, which has often proved the downfall of visiting tracksters.

George Stade, a Chico freshman, captured the two mile in the fast time of 10:16. The half mile was won by Schneider in 2:01, much better time than has been made by any Nevadan in recent years.

In the weights, Lynn Gerow and Fred Galloway will be faced with the problem of heaving the shot put out around 45 feet, which is the distance recorded by Bud Meancliffe of Chico. Carroll Sherrod tossed the javelin 182 feet, which far surpasses the mark made last Saturday on Mackay field.

### Chico Vaulters Soar

Nevada's sophomore pole vaulter, Dick Carville, will have to soar over 12 feet to beat Evans and Sherrod of Chico, who both cleared that height against San Francisco.

Jimmy Haynes stepped off the low hurdles in 24.5, while Meyers and Sullivan cleared 5 feet 10 inches in the

by the New York Yankees to develop major league material. Hill will probably play as first-string catcher for the eastern nine.

Hill's try-out with the Oaks came as a result of his being singled out by the Yankee scouts on the Pacific coast during his service with the Reno Garage, local baseball nine. His play with the Oaks warranted his being taken back east.

Hill is visiting in Reno prior to his departure for Akron April 15.

Six Chairs of Courteous Service

ART NELSON

# Greek Trackmen Meet on Saturday

With A.T.O. set up as the team to beat, track teams from all fraternities will meet on Mackay field Saturday afternoon in the annual interfraternity track meet.

Favorites because of their showing in the interclass track meet last Saturday, the Tauis will place a well balanced team on the field.

Sigma Phi Sigma, last year's champion, is entirely out of the running as a result of the loss of Dick Haman, frosh star of last year who made 20 points in the 1934 interfraternity meet to give his team a big advantage.

### McDow Star

Doug McDow, who took both the 100 and 220 last year, is the favorite to take these events again, and, with good weather and dry track, has a chance to break the Nevada records.

The A.T.O.'s have "Rosy" Hand and Fred Galloway, two other men counted on for two first places. Hand, high school champion in the middle distances, plans to run the mile and half-mile and stands a good chance to win both. Galloway throws the shot and discus.

Kenny Richard, Sigma Nu, and Jerry Havens, Lambda Chi, will probably fight it out for first place in the broad jump, with Richard having a slight edge.

Another close fight is expected in the pole vault with Paul Azarez and Dick Carville fighting it out for first place as they did in the interclass meet.

In both low and high hurdles, close races are expected with Zadow and Richards leading the way in the lows and Secoy and Maule taking the lead in the highs.

### high jump.

Nevada's best bet for points is in the broad jump, in which both Kenny Richard and Jerry Havens can get out over 22 1/2 feet. The visitors will have their hands full in the distances, with the veterans Paul Leonard and Fred Hartman representing Nevada.

The Wolf Pack's biggest chance for points will be in taking enough second and third places to keep them in the running when the Wildcats invade Mackay field next week.

# "Spot" Paddling Rule Will Govern Frosh Offenders

Men who violate campus traditions in the future will be punished immediately, if the violators are apprehended by the upperclass committee, Vic Carroll, committee chairman, said this week.

Since 46 men were slated for punishment last week, no one has been reported for tradition-breaking, he added. The committee has been paddling the violators during the last three weeks.

Most of the men taking the paddlings are freshmen who failed to appear and help whitewash the Block "N." Several others are underclass violators of the cord wearing tradition.

"Because most of the old campus traditions have been abolished, the ones which remain should, and will be enforced," Carroll declared.

Interfraternity baseball warriors continued their war this week, with the S.A.E.-Lambda Chi tilt taking honors as the outstanding game of the season thus far. It was almost an upset until the Lambda Chi's first baseman threw wild to third in the final inning and let the winning run in for the Evans avenue

# Martie Attends P. E. Convention

J. E. ("Doc") Martie, head basketball coach and head of the men's physical education department, will leave tomorrow for San Francisco where he will attend the meeting of the southern district of the American Physical Education association. Martie will represent the University of Nevada at the meeting. The convention will be held at the Fairmont hotel Saturday.

### house.

Unless the famed 'Brush winner-picker machine is on another spree, here is the way to bet 'em next week.

The alling Phi Sigs will take it on the chin tomorrow from the S. A. E.'s. An up and coming Lambda Chi nine is the machine's choice over the erratic Sigma Nu club. They meet Monday.

Tuesday the machine says, the Phi Sigs will surpass themselves and take the Sigma Phi's into camp. We have our doubts, but if the infallible prognosticator insists, that's the way it is.

The Beta Kappas meet the Lincoln hall nine Wednesday. If you're interested, bet the combined score will run into four figures and put your checks on Beta Kappa.

Another season thriller should be served on Thursday when the Sigma Nu's and S.A.E.'s clash. The Sig Alphas should win according to the dope, but the winner-picker machine acted peculiar when queried about the outcome. However, after a wee bracer,

it rallied and declared for the S.A.E.'s. The A.T.O.'s rest this week, unless they play off their scheduled contest with the Y.W.C.A. lassies. The machine picks the ladies without reservation.

Advance dope on the interclass meet proved accurate, but failed to take into account an interesting angle. The competition last Saturday revealed some potential cinder feuds.

Hand and Leonard, half milers, promise a tight race in the interfraternity meet this Saturday. Rosy led Paul all the way last week, but Leonard looked tied up and capable of turning a better half than he did. Moler and Hartman battled all the way last Saturday in the mile, with Fred Galloway beating Marvin to the tape. It looked like Moler would have won if the mile had been ten feet longer.

Feud number 3 is in the pole vault. Azarez nosed Carville out last

Saturday at 10 feet 6 inches, but both have soared over eleven feet. The two vaulters should show more stuff in the interfraternity scuffle.

Scoring honors in the meet Saturday will probably go to the Taus. McDow and Graunke in the sprints, Carville in the pole vault, Galloway in the discus, Ruggeroli in the javelin, and Hand in the half mile will help the A.T.O.'s pile up a lead.

Tennis stars are be-moaning adverse weather conditions. Rain and wind have kept the net men off the courts during most of the past two weeks.

# WE ASKED NEWSPAPER PEOPLE:

"IS THIS FACT IMPORTANT TO YOU?"

**"CAMELS ARE MADE FROM FINER, MORE EXPENSIVE TOBACCOS—TURKISH AND DOMESTIC—THAN ANY OTHER POPULAR BRAND."**

(SIGNED) R.J. REYNOLDS TOBACCO COMPANY

WINSTON-SALEM, NORTH CAROLINA

**ENERGY!** An editor gives his experience: "The enjoyable way of easing strain is smoking Camels," says Ray Baker. "Camels bring back my 'pep,' and I can tackle the next big story with renewed energy!"

**SO MILD!** Miss Margaret Nichols, expert woman reporter, says: "Camels are a smoother smoke. They have a mild flavor—entirely different from any other cigarette. Camels taste better!"

**FLAVOR!** "Camels have a great taste—rich and pleasing," says Herman J. Lamkin, linotype operator. "I've smoked them for many years. I can smoke as steadily as I want to, and Camels don't ever affect my nerves."

**HEALTHY NERVES!** Pat Robinson, sports writer, says: "I've been smoking Camels ever since they were put on the market. I smoke at least two packs of Camels a day. They never interfere with my nerves."

**VALUE!** "Camels are made from costlier tobaccos. They're the real 'extra value' cigarette," says E. E. C. Pickwood, ace news-photographer, who often uses fast airplanes to get "front page pictures" for a great New York newspaper. "I'm loyal to Camels," Pickwood continues. "They taste so much richer and smoother—never frazzle your nerves. I have smoked Camels for years and I, too, would 'walk a mile for a Camel.'"

### Future Farmers' Fifth Annual Meet Ended Last Night

#### President Clark Gives Medals To Debate Winners In Convention

Here for their fifth annual convention, 50 delegates from the eight Nevada chapters of the Nevada association of the Future Farmers of America completed a three day meet last night.

Walter E. Clark, president of the university, welcomed the young farmers to the campus, and donated gold medals to debate winners.

Crop judging contests and addresses by prominent officials of the association were other features of the meet.

Distinguished visitors here in connection with the convention included W. A. Ross, of the U. S. department of education at Washington, D. C., and Andrew Sundstrom of South Dakota, national president of the F.F.A.

The Alamo crop judging team, Dee Stewart, Mark Stewart, and Jack Stewart, won the event. Churchill county's team was second.

All contests were under the supervision of R. E. Jeppson, state advisor of the F.F.A.

The convalesce, which began Monday morning, was called to order by Gerald Anderson, state Future Farmers' president, and was closed last night with presentation of awards.

Paul Walker, president of the Aggie society, represented the student body at the meet, and assisted in arrangements for the convention.

Chapter delegates and contactants who attended the convalesce are:

Churchill County Chapter at Fallon—George Frey, Elliot Lima, Charles Lehman, George Serles, Dale Miller, Earl Harriman, John Ahern and L. C. Schank, agricultural instructor.

Douglas County Chapter at Gardnerville—Herlan Fricke, Marvin Sattlemeyer, Edwin Sarman, Tom Bailey, Curtis Gansberg, Ordell Jackson, Henry Anderson and Roy Bankofier, agricultural instructor.

Moapa Valley Chapter at Overton—Lorraine Bowman, Ray Robison, Leland Whipple, Max Cooper, Jack Wittwer and L. R. Ivins, agricultural instructor.

Virgin Valley Chapter at Bunkerville—Elwood Hardy, Theron Leavitt, Emmet Barnum, Ferron Bunker, James Pulsipher and Donald Tobler, agricultural instructor.

Mt. Wheeler Chapter at Baker—Melvin Robison, Lenard Robison, Shirley Robison, Maurice Tervort, Percy Roper, and Reif Wadley, agricultural instructor.

Mason Valley Chapter at Yerington—Albert Traill, Joe Glom, John Polish, Arthur Warnken, Roy Thairadols and Wesley Martin, agricultural instructor.

Pahrnagat Valley Chapter at Alamo—Dee Stewart, Donald Peterson, Roland Cox, Mark Stewart, Willard Stewart, Jack Stewart and Melvin Leavitt, agricultural instructor.

White River chapter at Lund—Jed Oxborow, Milton Gardner, Burl Hermansen, Theron Vance, Merrill Gubler and LaDell M. Larson, agricultural instructor.

### Campus Players To Hold "Misfit" Dance Saturday

A "bargain dance" featuring misfit clothes, will be presented by Campus Players, University of Nevada dramatic group, Saturday night at Moana Springs.

A novel ticket selling campaign, offering tickets for sale at 49c last Monday and Tuesday, 59c through Wednesday and Thursday, and 69c on Friday and Saturday, has been instituted.

"Clothes that do not fit the figure in any way at all are the proper costume," said Darrell Berry, president of the organization.

"We want fat people to wear thin people's clothes and thin people to wear fat people's clothes," he said.

The dance is in charge of a committee composed of Darrell Cain, Florence Kirkley, and Fred Hartman. Darrell Berry and his band will furnish music.

### A. T. O. Defeats Sigma Nu Nine In Shutout Tilt

#### Jack Roguin of Taus Pitches No-hit, No-run Game To Down Nus

A no-hit, no-run game, the dream of every pitcher, was realized Monday by Jack Roguin when he pitched the A.T.O.'s to a 1-0 victory over the Sigma Nu nine.

While Roguin was turning in the best pitching performance of the interfraternity season, Don Leighton, Sigma Nu moundsman, nearly equalled his feat and allowed the Taus but one hit.

A muffed fly to the outfield and an error at the home plate gave the game to the Taus in the second inning when the lone run of the game was scored.

Roguin's triple in the third was the longest hit of the game, but he was stranded on base when Leighton struck out the next three at the plate.

In one of the most sensational games of the year from the standpoint of fans, S.A.E. Monday took the Lambda Chi Alpha nine into camp 5-4 in seven innings. The outcome of the tilt was in doubt until the final frame, when the Evans avenue team pushed the winning run across the platter to break a 4-4 tie.

The league leaders rallied in the fourth, fifth and sixth innings and collected three tallies while holding the hilltoppers to one additional run.

Lambda Chi errors in the final inning accounted for the S.A.E.'s winning score.

Lincoln hall was mired deeper in the cellar when the Sigma Phi's turned them back yesterday by a 9-6 score.

The hallmen almost turned the tables on the tallenders, but Robb took the mound for the fraternity men and held them at the home plate while his team-mates capitalized on Lincoln hall's errors to turn the tide in their favor.

### Boardman Analyzes Water Situation In Radio Address

#### Sierra Water Content Below Normal 20% According To Surveys

The Sierra water content is about 80 per cent of normal this season according to the incomplete reports of the annual snow survey, declared Professor H. P. Boardman of the civil engineering department of the University of Nevada, in speaking over radio station K.O.H. last Tuesday evening.

Lake Tahoe will probably reach a level of one foot above the lake rim by July first according to the survey, but this will not be enough to get the Truckee Meadows district through the summer without pumping. In other sections of the state the outlook is better but not quite up to normal.

The Bridgeport, Walker River, and Lahontan Dams should have plenty of water if the run off is gradual, according to Boardman, but the Lovelock district will not fare so well with an expected run-off of 25 per cent at Palisade, and very little more from the Little Humbolt River.

Professor Boardman described the method used in measuring the snow for its water content, and the determination of the normal for each season.

The project has been financed this year by the Federal Emergency Relief Administration as a part of their drought relief program. "Due to the fact that neither California or Nevada made any snow survey appropriations we have had to depend upon private finances for our work," said Boardman.

Last year and the year before the work was done by the several irrigation projects, the power companies throughout the state, and the forest service.

Professor Boardman is in charge of the snow survey of the state, working in this capacity in cooperation with Dr. Church and the Agricultural Experiment station of the University of Nevada.

### Lambda Chi Alpha Leads in Contest At Social Hours

Lambda Chi Alpha is leading in the fraternity cup race for attendance at the social hours sponsored by Blue Key, and Sigma Alpha Epsilon is the only other house that has scored to date, according to Bill Gelder, chairman of the committee.

Kappa Alpha Theta is ahead in the women's race with three wins, and Pi Beta Phi is second with two.

Lambda Chi, according to Gelder, won four times as against the S.A.E.'s one, but as the house who wins the cup must have had the larger attendance five times, it is still "anybody's race."

So far, he added, the committee has not decided upon any particular entertainment program for future socials, and is marking time for suggestions.

### French Attache To Speak Monday

An illustrated lecture entitled, "The Banks of the Seine" will be given in the Education auditorium Monday at 8 p. m. by an attache of the French consulate in San Francisco, Prof. Irving Sandorf, chairman of the university committee of assemblies and lectures announced today.

The talk is under the auspices of Le Cercle Francais, an organization composed of University of Nevada French students.

The lecture will be open to the public, with special invitations being extended to member of Le Cercle Francais and members of the French colony in Reno, Sandorf said.

Walter Reed is going to Los Angeles this week-end to confer with officials of a mining company.

Robert Smith is planning a trip home this week to visit his parents in Carson City.

### Scranton Chooses 1935 Tennis Squad

At the completion of the varsity tennis ladder here this week, Herz, Leone, Bowrin, Voohties, Tapogna, Moore, Wanke, and Elliot were chosen to represent the University of Nevada for the coming tennis season.

The varsity squad will undergo a stiff training period throughout April in preparation for the conference tournament held early in May.

As yet no matches have been scheduled, but Coach Scranton hopes to procure games with Chico State and California Aggies before the conference meet at Sacramento.

This year's varsity stands a good chance of winning games with three veterans in Bowrin, Wanke, and Tapogna, bolstered by Jimmie Herz, interfraternity champion, and Anthony Leone, a newcomer who has shown considerable ability.

The men working out for the team have been hampered by cold weather and strong winds, but with the advent of sunny weather again Scranton hopes to whip the men into top condition for the coming matches.

Katherine Hansen, alumni from Yerington, was a visitor at the Gamma Phi house last week.

### Graduates Doing Research Work

In connection with the CWA research on the reaction of chlorination of water, Sigvard J. Nielson, graduate of the University of Nevada in 1929, has been working in the Chemistry laboratory here under Dr. Sears on this experiment from the pure science standpoint.

An article on the results of the experiment will appear in the April issue of the Journal of the American Chemical Society.

### Butler Is Elected Beta Kappa Prexy

Robert Butler of Lakeport, California, was chosen president of Beta Kappa fraternity at a meeting of the chapter held Monday night.

Other officers selected for the fall semester include Richard Taw, vice-president; John Doane, treasurer; Milton Steinheimer, secretary; Lou Young, chancellor; Grant Kennedy, guard, and Ernest Larkin, social representative.

SIXTH WARD—RENO

Harvey of Harvey's Q-ne-Q Sandwich Shop

— so far as we know tobacco was first used about 400 years ago —

— throughout the years what one thing has given so much pleasure..so much satisfaction

Today the Governor of North Carolina says to the Governor of South Carolina—  
"Have a cigarette"

TODAY people all over the world use tobacco in one form or another. They chew it, they smoke it in pipes, they smoke cigars and cigarettes, and here is what an eminent physician said about cigarettes:

"I have been something of a student of cigarettes, and it is my belief that they offer the mildest and purest form in which tobacco is used."

Yes, nowadays the cigarette is the most popular form in which tobacco is used. A good cigarette certainly gives men and women a lot of pleasure.

Have a Chesterfield—  
For one thing—they're milder.  
For another thing—they taste better.

It was a matter of pride with a host in Colonial days that his guests should smoke tobacco grown on his own plantation.
