UNIVERSITY OF NEVADA, RENO, NEVADA, FRIDAY, JANUARY 17, 1936

PRICE FIVE CENTS

Activity Budgets For Spring Term May Total \$3301

Changes in Athletic System Create Special Fund For A. S. U. N.

Reductions in Requests Deemed Likely by Graduate Manager

Three thousand three hundred and one dollars was the total of the amounts asked by the various budgets submitted to the finance control committee for that body's approval Wednesday afternoon by several campus activities. The committee will act on the requests for money at its next meeting, to be held on January 29.

Sum Is Large

The biggest sum asked was \$960, which comprises the tentative budget of the A. S. U. N. general expenses. This budget is an innovation, according to Robert Creps, graduate manager, and includes items that formerly came under a more general classification, such as salaries and athletic awards. The budget of operating expenses for the Student Union building was set at a maximum of \$291.25.

Figures Maximum

All the figures stated in the budgets were maximum sums, according to Creps, and can be reduced somewhat. William Miller, university dramatics director, asked \$427 for play productions during the next semester. Four hundred forty-two dollars was requested by Robert Griffin, Nevada debate coach, for the activities of his squad this term, including a trip to the intercollegiate tournament to be held in Los Angeles soon.

Other budgets submitted to the finance control committee included \$17 for the Fine Arts group, \$129.30 for the Associated Women Students, \$540.21 for Women's Athletic Association, \$370 for the university band, \$25 for the news bureau and \$100 for the Mackay Day committee.

The money asked by the A. W. S. will go to the expenses of sending the next president of that organization to Boulder, Colo., to the national convention held there. The band's financial requests will cover purchases of several new uniforms, instruments and equipment.

Armanko's to Give Books to Student Initiation Date Set by Blue Key

Armanko Office Supply company has recently announced an award consisting of one hundred dollars in books which is to be given annually to the senior judged by a committee to possess the best private library. The first award will be made in May, 1936.

The winner will be chosen each year, within the month before Commencement, by a special committee from the Faculty of the University of Nevada appointed by the President of the university," a dispatch from the president's office said.

"In selecting the winner, the committee will take into account the quality as well as the number of volumes in each library and shall give weight to the painstaking endeavor of the student in assembling his library and to the student's delight in good books and his judgment and taste in the selection of his books."

The committee, as named by Dr. Clark is: Professor A. E. Hill, Dean R. C. Thompson, Dean Margaret E. Mack, Professor Stanley Palmer, Professor Katharine Riegelhuth, and Professor Paul A. Harwood.

Brush Reporters Given Editorships

Ty Cobb has been promoted to assistant editor of the Sagebrush this semester according to Frank Sullivan, editor, and Les Gray has been chosen to replace Cobb as sports editor. Both of them were promoted because of their efficient work on the paper in the past.

Don McMeekin, Clyde Healy, Allen McGill, and Margaret Hussman tried out for the paper last week, and if their work is satisfactory for two weeks they will be given positions on the staff.

All other students who wish to work on the paper may try out Monday afternoon at 3:45, at the Sagebrush office.

Grad Has Position on Los Angeles Paper

Clarence R. ("Gus") Newman, graduate of the University of Nevada with the class of '29, accepted a position this week with the Los Angeles Examiner after having been a member of the staff of the Ely Daily Times for four years.

While a student at the university he majored in journalism, and was sports editor of the U. of N. Sagebrush. He is affiliated with Lambda Chi Alpha fraternity.

Mining Graduate Donates Exhibit To U. N. Museums

A gift of different cadmium specimens was received by the Mackay museum this week from Angus Bethune, Nevada graduate, who is employed by the Bunkerhill and Sullivan company in their electrolytic zinc plant at Kellogg, Idaho.

The samples were sent to augment a previous collection of samples sent from the electrolytic production of cadmium. The feed, sponge, cathode cadmium, and refined material in the shape of balls and sticks, are included in the exhibit.

Cadmium is a metal produced by a by-product only, and is used extensively for plating on automobiles. A greatly increased demand the last year has upped the price considerably and it is possible now to sell all of the metal produced. Cadmium is used also for low fusion alloys.

This exhibit is on display in the metallurgical section on the lower floor of the museum.

Press Association To Meet on Hill

State Paper Men Will Convene For Annual Conclave January 25

The thirteenth annual convention of the Nevada State Press Association will be held on the campus Friday, January 25, it was announced this week by Chris H. Sheerin, '24, president of the association.

Approximately forty newspaper men and women, prominent in journalism in Nevada, are expected to attend the convention. Every part of the state will be represented by publishers, editors, reporters and correspondents of the various news associations.

The convention will meet in the lecture room of the Mackay Science hall Saturday afternoon and in the evening a banquet will be held at a local cafe.

Sheerin, who was a member of the first class to graduate in journalism in 1924, was elected president of the organization last year. He is associate editor and one of the owners of the Elko Free Press, with which he has been connected for several years. Allan K. Daley of the Fallon Eagle is secretary.

Coincident with the graduation of Nevada's first journalism class of 1924, the association was organized at the suggestion of the journalism courses.

Since that time it has met every year but one on the campus.

Blue Key, national honorary service fraternity, will initiate six pledges at a dinner meeting to be held February 12 at the Sigma Phi Sigma house. The new members will be Bob Stoker, John Benson, J. D. Stephens, John Franklin, Harry Austin, and Bill Johnston, it was decided at a meeting last Wednesday night.

Also at this meeting the organization considered a new constitution for Sagors to replace the one lost by the organization. The document follows the original as closely as possible, but neglected to give the purpose of the organization. For this reason, it was returned for revision.

Blue Key plans to attend all of the remaining home basketball games officially, according to Lee Ward, president of the group. All members will wear the familiar white caps with Blue Key insignia.

Due to the response of campus organizations to Blue Key's request for entertainment at A.S.U.N. meetings, the group plans to continue the practice of arranging these programs for meetings. Socials will be resumed at the conclusion of the basketball season, according to present plans.

E. Es. to Compete For Essay Award

A prize-winning essay contest will be a feature at the convention of the American Institution of Electrical Engineers in Los Angeles June 22 to 26.

All students enrolled in the electrical engineering department are allowed to compete. The subject must concern electrical engineering.

The winner will receive a \$25 cash award, and a chance to win the national prize of \$100.

Prof. Stanley Palmer of the electrical engineering department will give students interested in the contest further details.

NOTICE

There will be a senior class meeting Wednesday at 4 p. m. in the Education building auditorium.

TOM PRUNTY, Class Manager.

Plans for Annual Near Completion, Bowrin Announces

New Staff Members Appointed By Bowrin for This Semester

Book Will Go to Engravers And Printers March 1, Editor Says

Planning to have the final layouts of the Artemisia completed and in the hands of the engraver and printer by March 1, Walter Bowrin, editor of the Artemisia, last night said that the final date for pictures will be February 1.

"Special sitting dates have been posted," Bowrin said, "and this is the last chance to have pictures taken."

Special sittings arranged for during the next month are: Cap and Scroll, January 20, and 21; Sagens January 22, and 23; and Y. W. C. A., January 24, and 25.

Bowrin also named the staff which will work in connection with him for the coming semester. "The present staff is too large to be able to work with completely, and it will be cut down to about thirty of the best workers in the next three weeks," he said.

The staff announced is as follows: Thomas Prunty, associate editor; Rita Pepson and Dorothy Roseberry, assistant editors; Evamae Beemer, Genevieve Hansen, Walter Palmer, junior assistant editors Joyce Dodge, head secretary; Francis Slavin, classes editor; Amelia Zorich, sorority editor; Charles Doherty, sports editor; Ruthe Goldworthy, women's sports editor; Kenneth Dimock, George Harlan, photography; Loring Pruniaux, administration; Cornelia Arentz, features editor; Eunice Caton, literary editor; Elizabeth Juniper, dramatics; Philip Shore, art editor.

Evamae Beemer, Genevieve Hansen, and Walter Palmer, junior assistant editors, are the eligible candidates for editor of the 1937 Artemisia, according to Bowrin.

The balance of the staff consists of: Lois Aldrich, Charlotte Caton, Jean Chism, Kenneth Dimock, Kelly Eccles, Nancy Hall, Virginia Heany, Jeanette Hutchins, Elma Jepsen, Betty Kormmeyer, Maxine Leonard, Carrie Montrose, Martha Nelson, Gertrude Polander, Virginia Raitt, Georgene Roberts, Jean Esther Romano, Lola Yvonne Stoddard, Herbert Ward, Betty West, Margaret Turano, Frank Zadow, Jeannette Green, Beverly Jones, Kathleen Meeks, Lois Miller, Murray Moler, Alice Sauer, Jessie Sellman, Francis Smith, Merle Snider, Sam Wilson, Ruth Atcheson, Anne Gibbs, Jean Cameron, Ruthe Goldworthy, Jerry Havens, Ruth Tucker, Ruth Bails, Miriam Butler, and Irvin Wanke.

Contracts for the 1936 book have been let to the Reno Printing company and, according to the present schedule, should appear on the campus much earlier than last year.

Honorary Major Will Be Chosen

Entries for Queen of Ball Must Be Submitted by Tuesday

Sorority nominees for the honor of presiding as Honorary Major at the annual Military Ball must be submitted by next Tuesday, announced Charles Nichols, head of the company, Thursday. Each of the six sororities, and Manzanita hall is expected to enter a candidate for the title.

One week after this deadline, the nominees will be entertained at a tea, which is being arranged for by Guy Morris, who was appointed as a committee of one for that purpose.

Members of Scabbard and Blade, national honorary military fraternity which sponsors the ball, will elect from these candidates one who will preside at the affair.

In preparation for the dance, committees have been appointed as follows: Tea committee, Guy Morris; decorations, Walter Bowrin, Bill Cockrell, Tom Prunty, Irvin Wanke, and Jack Richardson; music, Tom Morris and John Carr; house committee, Joe Lommo; publicity, Charles Allen; bid committee, Sergeant Grant Hustis and Wayne Kennedy.

Martie Cancels Basketball Game

Coach J. E. "Doc" Martie, varsity hoop mentor, announced this week that the basketball series originally scheduled with St. Mary's will be played in Kezar stadium which will not be played.

Nutty Knitting Of Campus Gals Baffles Males

University of Nevada women have gone "knit-witty" along with other college women in the United States these days, and are proudly displaying their handiwork in the form of brightly colored sweaters, hats, handbags and scarfs.

To the men it's just another fad, but to the women it's art, according to the knitters.

It's all very disconcerting to the men and professors when women sit about the campus and classroom emitting such apparently silly expressions as "purl one and knit two," "ribbing on this type is only in the front," and "cast off one" or "cast off two."

The rage has spread about the campus like a disease, and each co-ed keeps the other co-ed in "stitches" while the male population goes around sullenly "yarnin'" for his love who has been "purl-ined" away.

Forensic Tourney Dates Are Fixed

Committee Issues Invitations To State High School Orators

Announcing the date of the annual state high school forensic tournament for April 2, 3, and 4, letters declaring the conditions of the meet were sent this week to all of the state high schools by Robert S. Griffin, state director.

Entrance fees for the high school speakers has been set at five dollars each to provide for a larger number of prizes than has been given in the past. Griffin said that all coaches will have to arrange for the housing and feeding of the members of their teams.

He also announced that the final deadline for teams to signify their intention of entering the contests has been set for March 1.

The topic for the extempore speaking contest will be sent to the competing schools by March 1, it was also announced.

Copies of the constitution, which has been revised by Griffin during the past three years, have been mailed to all of the schools in the state.

Group to Sponsor Statewide Contest For Nevada Poets

A statewide high school poetry contest will be sponsored this semester by Chi Delta Phi, it was decided at a meeting of the group at Manzanita hall Wednesday night.

Lois Midgley, assisted by Evamae Beemer and Eleanor Barry, will be in charge of the contest, which will start March 1 and end April 1.

Last year a poetry contest was held by the women's English honorary in Sparks and Reno high schools. The winner of this contest was Craig Tranter, a student at Reno high school.

Initiation of new members into Chi Delta Phi will be held in February, earlier than in previous semesters. Membership in the organization is made up of English majors and minors who have earned an average of 2.0 in English for three semesters and who maintain a general average of 2.3.

Sagers, Blue Key Plan Joint Dance

Planning a joint get-together between the two service organizations, committee members of the Sagers and Blue Key began work this week for the closed dance to be given exclusively for the members of the two organizations at Maple hall January 24.

Representing the Sagers as a committee are Kenyon Richard, Kenneth Powell and Willis Dalzell, with Tom Morris representing Blue Key. Programs have been outlined and will be presented at the dance.

English, Hill Help In Chem Courses

Murray English, graduate chemistry student, and Leland Hill, senior, have been employed as assistants in the chemistry department, while Dean Maxwell Adams is on his vacation. In addition to aiding instruction in freshman chemistry courses, the two men are conducting quizzes and lectures as needed.

Jack Sullivan, graduate student, and Silas Ross Jr. '37 have similar positions in the zoology laboratories as assistants to Dr. Peter Fransden.

Prospects Bright For Nevada Win At Yosemite Meet

Ski Team Practicing at Cisco Under Poulsen and Rose Every Weekend

Coast Universities Are Invited By Team to Send Skiers To Tournament

Prospects of annexing first place in the Yosemite ski meet, to be held at Yosemite National Park January 31, and February first and second, assumed a more rosy complexion for the University of Nevada ski team with the announcement that prohibits the entry of freshmen and junior college ski stars in the annual meet.

Sacramento Junior College recently barely eked out a first place win over the Nevada team, and with that team barred, the Sagebrush state team is considered a better than ordinary chance to win.

Drilling of the five-man silver and blue team, under the direction of Wayne Poulsen, and Ed Rose, veteran Nevada skiers, in slalom, downhill and cross-country races to put polish on the skilled performance of two weeks ago, is the present task.

Bud Owens, sophomore student who took third place in the cross-country race and fifth place in the slalom shows promise of still further improvement. The remainder of the team consists of Ray Walts, Don Fanning and Jim Herz.

These men, along with Rose, Poulsen and Owens, are making trips to Cisco every week-end for intensive practice.

A five-man team will be selected to represent Nevada at the Yosemite meet if tentative plans are completed. Wolf Pack entrants will compete in all of the three events to be on the three day program.

During the first week of March Nevada will act as host to seven California winter sports teams at Cisco, entertaining the same teams which attended the recent meet held there, which are Sacramento Junior College, first place winner, University of California, at Los Angeles, and the University of Southern California and Stanford have also been invited to attend.

The Nevada team received recognition for its work in winter sports recently in a national magazine. The University of Nevada was mentioned as one of the far western colleges which maintains a ski team in the sports section of Time Magazine for January 13.

Further recognition was received when Walter Bowrin announced that a special page of the 1936 annual would be devoted to winter sports.

Varsity Debaters Open 1936 Season

Four Veterans Meet Coach to Start Practice for Forensic League

With four men remaining from last year's varsity debate team, work for the 1936 intercollegiate debate season began in earnest under the direction of Robert S. Griffin, varsity debate coach.

Bill Cashill, member of the debate team which represented Nevada at the Pacific Coast Forensic league last year, Bert Goldwater, Emile Gezlin, and Charles Doherty, reported to Coach Griffin for instruction.

The question chosen by the Pacific Coast Forensic league is: "Resolved, That the Several States Should Enact Legislation Providing a System of Complete Medical Service Available to All Citizens at Public Expense."

Three debates have been definitely scheduled, including the trip to the Pacific Forensic meet to be held at Los Angeles with the University of California at Los Angeles acting as host. St. Mary's and the College of Pacific debates have been scheduled for home debates, with the University of Nevada acting as hosts.

Three other tentative debates have been planned by Griffin for the balance of the year's program.

Nevada men will be entered in extempore speaking, oration, after dinner speaking and debate, according to Griffin.

FORMER STUDENT MARRIES

Nell Kilpatrick, former student at the university and Francis Wald were married December 14 in Sparks, it was announced this week.

They were attended by Mildred Murdock and Clyde Keegal, also university students.

Mrs. Wald was a junior at the university and a member of Pi Beta Phi sorority, while Wald, although not a student, has appeared in several campus musical shows.

Nevada Students Eligible to Apply For Scholarship

Application for the \$500 fellowship awarded each year to one university senior member of the national honorary society of Phi Kappa Phi, is now open to those members elected last fall.

The committee on fellowships composed of Professors Stanley Palmer, Charles R. Hicks, and Paul Harwood, will receive and judge all applications made from Nevada.

Florence Gulling, Margaret Traner and Paul Bohlke are the only members at Nevada, eligible to apply. Chairman Palmer said he hoped to postpone the nomination of Nevada's applicant until after the spring elections to Phi Kappa Phi.

Practice Starts For Debate Teams

Round Robin Series Will Be Held to Name Winner of Ginsburg Cup

Practice rounds for the intramural debate tournament started last Wednesday when the two split teams entered in the tournament gave the initial debates of the season.

Lewis Pulsipher and Charles Doherty upheld the affirmative against Homer Herz and Robert Joy who took the negative of the intramural question: Resolved: That Congress Should have the Power to Overrule by two-thirds Vote, Decisions of the Supreme Court Declaring Legislation Unconstitutional, in the first of the series of no-decision debates.

Monday night the series will continue with two debates, including Louis Wiener and Robert Miller upholding the affirmative, representing Lincoln Hall, and Morrison Beatty and Don Purdy upholding the negative as representatives of Lambda Chi Alpha. The other debate will be between Joseph Dennis and John Robinson defending the question for Sigma Alpha Epsilon, against the independent team of Clovis Bull, and Sidney Fox upholding the negative.

Actual debating for the Ginsburg trophy will begin in about two weeks, when the practice round has been completed. The winner will be decided in round robin fashion with every team meeting every other team, and the one with the most wins will receive the trophy.

Providing a cast adaptable to the difficult roles of "Hell Bent For Heaven" can be selected, the play, Pulitzer prize winner for 1933, will probably be presented as the first spring offering of the University Play Productions department, it was stated this week by W. C. Miller, dramatics director.

Tryouts have been set for 4 o'clock Monday and Tuesday afternoon next week in the Education auditorium, he announced. The cast of seven includes five men and two women.

"Hell Bent For Heaven" was previously booked for production a year ago, but because of lack of talent it was abandoned by Miller.

The play is a story "rich in folklore and tradition of the mountaineers," with the scene set in Matt Hunt's house in the Blue Ridge mountains of Carolina. The male lead of the play is a religious fanatic who tries to disrupt everything sacred to the mountaineers by expounding his belief in God which he claims to have received as a special beneficence from the Almighty. He, however, finally turns out to be the villain after an amusing series of incidents and complications.

Composer Gives Music to Band

The University of Nevada music department this week received several gifts of music for use in the band and orchestra from Carl Engel, nationally known musician, who visited the campus recently.

The gifts included one of Engel's composition, "New Washington Post" march and other band selections. A copy of "Stephen Foster's Melodies" was also received by the department from Jack Lilly of Indianapolis, Indiana. The Foster numbers include several negro spiritual selections, and have been given to universities all over the country by Lilly in an attempt to spread its use among colleges.

Club Investigates Scoreboard Plan

Blue Key, national honorary service fraternity, is investigating the possible purchase of a scoreboard for the student body, it was reported by Lee Ward, president of the organization.

Nevada Hoopsters Open League Play At Chico Tonight

'Coffee-Mill' Offense System Planned as Mainstay Of Attack

Experienced Wildcat Squad Strengthened by Play Of Sophs

Coach J. E. "Doc" Martie and twelve varsity hoopsters, composing one of his most promising aggregations in several seasons, entrained last night for Chico, where the Wolves will tangle with the strong Chico State Wildcats in a two game series tonight and tomorrow night.

Record Good

The Wolves go to the California court with a good pre-season record and, according to Chico sport writers, are picked to take the Wildcats into camp. Nevada will be out to settle last year's score when Chico nosed out the Wolves in the second game to even the series.

Since last week's tussles with the San Francisco State Teachers, Martie has been perfecting various plays which work off his baffling "coffee-mill" offense. The new assortment of plays were clicking to perfection in practice sessions and should move the Wolf sharpshooters in for winning buckets.

Tregellas Injured

Martie will probably be without the services of Orv Tregellas, diminutive forward, who has been slowed down by an injured knee. The main offensive will be handled by De La Mare and Robb at forwards and Phillips at the pivot post.

Upon Lansdon and Tapogna, first string guards, will rest the assignment of bottling up Chico's pair of high-scoring forwards, Lewis and Stenberg.

Coach Ray Acker's Chico Wildcats are led by Harry Lewis, sharpshooting forward, and Schilling, star guard, whose one-handed long shots sparked the Cats to a win in the second game of the Nevada series last year. Acker lost only Ernie Lambrecht from his last year's first string.

He will have three freshmen in his starting lineup. They are Leonard Stenberg, forward; Clyde Hartman, guard, and Milt Stahowski, 6 foot 2 guard. Wally Campbell, another Chico giant, towers some 6 feet 3 inches in the air.

Probable starting lineups for the first game of the series will be:

| | |
|-----------------|-----------|
| Nevada— | Chico |
| Robb..... | Lewis |
| De La Mare..... | Stenberg |
| Phillips..... | Stahowski |
| Tapogna..... | Campbell |
| | Schilling |
| Lansdon..... | Hartman |

Making the trip for Nevada, besides Coach Martie and Manager Roy Gomm, will be Robb, Tregellas, Lansdon, Tapogna, Phillips, De La Mare, Glusovich, Leighton, Jones, Kelly, Roguin and Smith.

Enrollment Figures Indicate Increase

Eight hundred and sixty-nine students have completed registration so far this semester as against 835 completed cards at the same time last year, according to figures released from the president's office yesterday afternoon.

Of the total number now attending classes, 516 are men and 353 are women. Registration has lined out according to classes as follows: freshmen, 321; sophomores, 237; juniors, 136; seniors, 97; graduate students, 25; unclassified, 31; and special students, 19.

According to Dr. Clark, 47 new students have enrolled for the spring semester, which is an increase over last year of 17 at this time.

Since completed registration last year totaled 973, and at this time last year a total of 859 cards had been taken out, Dr. Clark has hazarded a guess that final figures will approximate 1063 for this year, since 891 cards have now been issued to applicants.

Band Honorary Sponsors Dinner

More than thirty members of the University of Nevada band were guests of Delta Delta Epsilon, honorary band fraternity, at a banquet held last night at the Silver grill.

Morgan Mills, president of the fraternity, presided. Talks were given by Professor Theodore H. Post, director of the band; Ellis Ceander, band president, and other members of the musical group.

Last night's dinner was the first to be held for the band in several years, and it is expected the event will be an annual affair.

In recognition of their services for five semesters in the band, Morgan Mills, Walter Fancher and the Rev. F. D. Graves were given band letters at the conclusion of the banquet by Director Post.

Social Functions Are Scheduled by U. N. Date Board

Strict Enforcement of Rules Governing Chaperones Promised

Saturday Dances Are Listed As 'Only Tentative' By Dean

With all Saturday dances given by social organizations classed as tentative, the social committee met Tuesday to schedule dates for all social functions to be held during this semester.

Dean Margaret E. Mack, head of the committee, pointed out the fact that the regulation that makes all Saturday dances merely tentative until finally approved on the Monday preceding the dance has been a ruling for several years, but that it has never been rigidly enforced, as it will be this semester.

All chaperone lists must be approved by Dean Mack by 4 o'clock Wednesday or the date will be canceled, it was announced.

The social calendar follows:

January

Friday, 17th—Chico at Chico; Kappa Alpha Theta.
Saturday, 18th—Chico at Chico.
Friday, 24th—San Jose at U. N.; Sagens and Blue Key; Alpha Delta Theta.
Saturday, 25th—San Jose at U. N.; Lambda Chi Alpha; Sigma Alpha Epsilon.
Friday, 31st—Fresno at Fresno; Beta Kappa; Lincoln Hall association; Alpha Tau Omega; Pi Beta Phi.

February

Saturday, 1st—Fresno at Fresno; Frosh Glee.
Friday, 7th—College of Pacific at U. N.; Gamma Phi Beta; Kappa Alpha Theta.
Saturday, 8th—College of Pacific at U. N.; Manzanita association.
Friday, 14th—Press club.
Saturday, 15—Delta Delta Delta; Sigma Phi Sigma; Lambda Chi Alpha; Sigma Alpha Epsilon.
Friday, 21st—Cal Aggies at U. N.; Beta Kappa.
Saturday, 22d—Cal Aggies at U. N.; military ball.
Friday, 28th—Alpha Delta Theta; Pi Beta Phi.
Saturday, 29th—Alpha Tau Omega.

March

Friday, 6th—Sigma Alpha Epsilon; Lincoln Hall association.
Saturday, 7th—Gamma Phi Beta; Lambda Chi Alpha.
Sunday, 8th—Alpha Tau Omega snow carnival.
Friday, 13th—Delta Delta Delta; Manzanita association; Alpha Tau Omega.
Saturday, 14th—Sigma Phi Sigma.
Friday, 20th—Pi Beta Phi; Beta Kappa.
Saturday, 21st—Kappa Alpha Theta; Newman club (formal).
Friday, 27th—Alpha Delta Theta.
Saturday, 28th—Mackay day.

April

Friday, 3rd—Beta Kappa (formal).
Saturday, 4th—Lambda Chi Alpha (formal).
Friday, 17th—Alpha Tau Omega (formal); Lincoln Hall association (formal).
Saturday, 18th—Sigma Phi Sigma (formal); Manzanita association (formal).
Friday, 24th—Pi Beta Phi (formal); Gamma Phi Beta (formal).
Saturday, 25th—Spring festival; Sigma Nu (formal); Sigma Alpha Epsilon (formal).
Wednesday, 29th—Spring concert.

May

Friday, 1st—Lincoln Hall association; Newman club.
Saturday, 2nd—Sports day; Delta Delta Delta (formal); Kappa Alpha Theta (formal); Alpha Delta Theta (formal).
Friday, 8th—Senior ball.
Saturday, 9th—Phi Kappa Phi.
Sunday, 10th—Baccalaureate.
Monday, 11th—Commencement.

GRADUATE ILL

Ralph T. Adamson graduate of University of Nevada with the class of 1930 is seriously ill in Detroit, Michigan, where he is employed. Adamson received his bachelor of science degree in the department of Electrical Engineering.

Mastodon Molar Is Given Museum By Reno People

Ralph Feretto and Louis Zunino of Reno have presented to the Mackay School of Mines a fossil molar of a mastodon which belongs to an extinct genus of elephants, announced Dr. Harry E. Wheeler of the department of geology.

The tooth was found near the Truckee canyon and a short distance from Verdi by the men while they were out hunting.

Dr. Wheeler stated that this discovery will aid in the computation of the age of the Truckee geological formation which has long been disputed.

Two Ed Students, Receive Positions; Others Transfer

Two Nevada students have received teaching positions since the first of the New Year, and two former students and graduates of the University have received advancements in teaching positions.

Guild Gray, January graduate, has been elected to fill the vacancy in Spanish in the Las Vegas high school. Gray is filling in during the leave of absence taken by Miss Nevada Pedrol while she is studying at the University of Buenos Aires in South America. Gray is the son of G. M. Gray, an instructor in the Reno high school.

Rebecca Taitel, Normal student, has taken a position teaching in the elementary grades at Black Forest, Elko county. Miss Taitel is from Chicago and has completed one year of her normal course.

Earl Wooster, graduate of the university with the class of 1922 was elected by the school board as the new principal of Reno high school. Wooster was formerly the principal of the Winnemucca high school where he had served for several years.

Eyron Stetler who has been principal of the Wadsworth high school this past term has gone to Battle Mountain to fill a vacancy caused by Wooster's promotion. Stetler graduated from the university in 1929.

U. N. Orchestra Plays for Show

Wednesday evening the University-Community orchestra assisted the Twentieth Century club in the presentation of its variety show, providing the musical selections at the performance.

Under Professor Theodore H. Post, director, the campus musicians played several light opera numbers, including parts of "Friml's Favorites," a selection that was first put on by the orchestra at its fall concert last year.

Oregon Librarian Visits Miss Lewis

Miss Lucy M. Lewis, director of libraries for higher education for Oregon, and sister of Miss Sarah Lewis, head of the home economics department at the university, spent a part of the Christmas vacation in Reno. Later, she and Miss Lewis visited in San Francisco.

Old Courting Game Was Rough Affair, Prof Tells Class

This old game of courtship and marriage has not always been the "molly-coddle" affair we have in modern day society, according to a lecture given by Dr. James R. Young, head of the psychology department, to his class in marriage, homemaking and divorce, Monday morning.

According to him, combat seems to have been the primary method of gaining and holding a wife, and this combat took a variety of forms ranging almost from fist fights to shooting dice. Young, however, went into detail about one phase of combat for a wife which he called the "pulling contest" or "tug-of-war."

When two suitors were desirous of the same female, one took hold of each of the maiden's arms, and both pulled. The one who tugged her to his side was victorious. Needless to say, some of the prospective brides could and did add a lot of weight on the side of the favorite male.

"In case of more than two suitors, the tribes probably held an elimination contest," Young added.

Ornamentation, he said, also played an important part in gaining for the ancient tribesman his wife. In the case of some savages, scarification was practiced. This process consisted of lacerating the back and filling the wounds with salty sand. The scars left were white in color and were spongy to the touch.

Tribes which practice this, Young said, consider the man with the most scars to be the most beautiful, and the most sought after by the women.

Wherever it is indecent to wear clothes, and where ornamentation is still desirable, the natives solve the problem by tattooing. The desired end is gained by submitting to having an inked bone driven into the flesh by blows from a hammer. Designs of such an intricate pattern are obtained that from a distance the tattooed person gives the appearance of being fully clothed—and all for the sake of gaining for himself a wife.

McFARLAND WITHDRAWS

Miss Ellen McFarland, junior student from California, is convalescing from a recent illness in San Francisco and will be unable to register this semester. She is a member of Delta Delta Delta and lived at the sorority house.

U. P. to Employ Ex-Brush Chief

William ("Bill") McMenamin, graduate with the class of 1935 and editor of the University of Nevada Sagebrush during 1933-34, left Saturday for Salt Lake City where he will be employed by the United Press bureau. He will work under George Crissey, former Reno bureau manager of the United Press.

McMenamin was active in campus affairs and is affiliated with Lambda Chi Alpha social fraternity.

Elizabeth Osborne To Direct Rifle

The women's rifle team will resume its activities for this semester with Elizabeth Osborne acting as captain. Miss Osborne is a sophomore student who has taken part in rifle work since her freshman year, becoming a member of the varsity team at that time. Her appointment was made by Sergeant Hustis of the military department. She succeeds Catherine Dondero who has acted as captain of the team during the past year.

The schedule for this semester's activities of the rifle team includes practice for the next two weeks after which fifteen women will be chosen from among those practicing, to constitute the varsity team. This team will engage in matches with teams of other schools. Circle "N's" will be awarded to the ten highest members of the varsity team.

THETA TO MARRY

Jean James, student of the University of Nevada last semester and a pledge of the Kappa Alpha Theta sorority, will be married at Easter to George Bremmer, Jr., of Las Vegas.

Bob Nelligan has been absent from school part of the week because of a serious cold.

Fraternity Men Are More Serious, Visitor Declares

"College fraternities are, I believe, in better condition now than they have been since 1930," stated C. L. Gunthorp, national traveling secretary of Beta Kappa fraternity, on his arrival here Tuesday to inspect the local chapter.

"I don't necessarily mean that the students have more money, but that the houses are run on a more business-like basis, unnecessary expenses have been eliminated and the students are taking a more serious view with regard to their studies."

It has been Gunthorp's observation that college fraternities are slowly undergoing an evolution that will make them an even more integral part of an education. He believes that the progressive groups, by raising their standards and furthering the social side of the individual's education, will become very important in supplying a need that the university does not meet.

Gunthorp is from Tucson, Arizona. He is a graduate of the University of Arizona where he received both his M. A. and Ph. D. degrees. He has been national secretary of Beta Kappa for the past two years.

Wendel Duplantis Gets Appointment To Marine Corps

Wendel Duplantis, graduate of the University of Nevada in 1934, was appointed recently to the Marine Corps barracks, Philadelphia, Pa., by Senators Key Pittman and Patrick McCarran of Nevada.

He is now under instruction as a second lieutenant and at the end of a year he will be a commissioned officer in the U. S. Marines.

Duplantis is an excellent marksman and has a good chance to become a member of the international rifle team which last year won the international matches. The best member of the team averages close to 379, while Duplantis recently shot 364, 373, and 381.

Margery Hiskey returned to her home in Austin over the weekend.

COSTLIER TOBACCOS!

Camels are made from finer, MORE EXPENSIVE TOBACCOS—Turkish and Domestic—than any other popular brand.

Three Sororities Drop Rush Dates; Rushees Are Few

Bids To Be Issued to Rushees Monday by Pan-Hellenic Lawyer

Women Are Expected to Take Action on Rule Changes At Early Date

The spring rushing season dwindled to almost nothing this week, when all but three of the six sororities on the campus canceled their dates for the season.

Beta Sigma Omicron, Gamma Phi Beta and Alpha Delta Theta were the groups to hold their dates, while Kappa Alpha Theta and Pi Beta Phi canceled theirs at the beginning of the season this week. Delta Delta Delta opened the season Monday with the first party of the year, then canceled its second date.

Quotas Filled

Lack of new women to be rushed was given by some of the houses as the reason for their actions, while Kappa Alpha Theta and Pi Beta Phi announced that they had reached their membership quota for the year and were forbidden to pledge more women by their national laws.

Inez MacGillivray, president of Pan-Hellenic council, announced today that silence will start tomorrow and will continue until 2 p. m. next Monday, when bids will be issued to prospective members by Mrs. A. E. Hill, council lawyer. During this period, sorority women will not be allowed to speak to rushees, until bids have been issued. Mrs. Hill will hold office hours between 10 a. m. and 2 p. m. Monday for the issuance of bids.

Revise Rules

Meanwhile, Pan-Hellenic council continued work on the revision of rushing rules, with final action by the group expected to take place within the next month. New rules, designed to do away with so-called "dirty" rushing, are being drawn up, and will be presented to sorority members for final approval upon their completion.

WITH THE WOLFETTES

To date 24 women, representing members of each class, have signed for participation in the basketball tourney which will begin next week, according to Georgianna Harriman, manager of the sport.

Practices will be held in two sections at 4:15 and 5 o'clock on Tuesday, Thursday and Friday afternoons, under the direction of Mrs. Mae Simas, associate professor of P. E. for women.

Mary Murphy, senior arts and science student, has been named student instructor in two women's physical training classes.

Of the 15 women awarded positions and proficiencies on the volleyball varsity, four were freshman students. Lois Aldrich and Betty Kornmayer received bids to the varsity team, and Faith Gianella and Beatrice Lansdon were bid to the second team.

Weekends find Nevada coeds in the high Sierra indulging in winter's favorite outdoor sport, that of skiing. A surprising number of campus women are ardent followers of the sport. Seen last week in the snow region in multi-colored ski apparel were Norma Jean Mills, Wanda Shain, Verla Champagne, Ruth Doan, Margaret Snyder, Jean Cameron and Elizabeth Best.

Promising to be one of the most hotly contested tourneys in the history of women's basketball at Nevada, the intramural series will get under way immediately following the yearly class contests, which are being held this week. With an array of brilliant players of former years and many talented prospects among the pledges, each house entering a team in the tournament predicts a victory for its house. Sharing an equal claim for victory is the strong Independent team, which reached the semi-finals in last year's games. Several speedy high school stars have announced intention of playing with the Independent team, it was announced.

Georgianna Harriman, who was appointed women's basketball manager for the spring semester recently, is a junior student and has been elected the varsity basketball team manager for the past two years.

Mrs. Mary Jane Littlefield, Rocky mountain region director of Girl Scout work, who is to conduct a class in leadership training at the university, recently conducted a camp at Foxlease Girls Guides training school at Hampshire, England. All students of P. E. 24 will be required to attend these lectures, Mrs. Simas announced.

The major object of all the spring semester dancing classes is the annual Spring Festival. Preliminary work for the festival will begin immediately with the learning of simple group dances. All dancing classes are under the direction of Miss Elsa Sameth.

In the dancing classes of the physical education department, short talks on modern dance are being delivered by Miss Elsa Sameth, professor of physical education for women. Women in

Coed Rifle Team Issues Challenge To Hawaii Team

For the first time in four years, the University of Hawaii at Honolulu has accepted a rifle challenge from the University of Nevada women's squad, according to Elizabeth Osborn, manager. The University of Hawaii is one among six others which have accepted challenges this year, and the team expects more opponents. Letters challenging approximately thirty universities were sent out last semester by Catherine Dondero, former manager.

The following universities have also accepted the challenge: University of Illinois, University of Maryland, Northwestern University, University of Syracuse, Massachusetts State College, and University of Washington.

Nevada Sororities Plan Ceremonies For Fifty Coeds

Fifty freshman women, after completing a semester at the university, are eligible for initiation into sororities, having fulfilled their requirements and received an average of 2.5 or better.

Delta Delta Delta will hold initiation January 24 for Jeanette Green, Wanda Shain, Gladys Blair, Barbara Farren, Clarethyl Masterson, Charlotte Michel, Loretta Collins, Betty Kornmayer, Catherine Booth, Georgene Roberts and Lola Yvonne Stoddard. Out of the 13 girls pledged at the beginning of the semester eight of these will be initiated. Twelve out of the 17 Pi Beta Phi pledges will be initiated January 25. Those who will be initiated are Jean Rice, Gertrude Pollander, Eloise Lyons, Isabel Henderson, Harriet Cazier, Virginia Heany, Elma Jepsen, Charlotte Caton, Maxine Leonard, Doris Chesnut, Dorothy Devore, Martadel Cooper and Betty Inda.

The date of the Gamma Phi Beta initiation is kept secret from the public and the pledges. Nancy Hall, Eunice Beckley, Vivian Williams, Patricia Davis, Virginia Hearne, Ethel Kent, Virginia Johnson, Louise Mornston, Mary Handley and Katherine Harrington will be initiated.

The initiates for Kappa Alpha Theta have not yet been made public.

Book Shop Reports Decrease in Sales

Fewer books are being bought this year through the Y. W. C. A. bookshop than last year, if early figures are to be trusted.

Until last Tuesday only \$11 had been taken in, as compared to \$15 at this time last year. Georgia Cole, chairman of the bookshop committee, reports a great demand for sophomore and freshman books; but not enough of these have been brought to the store for sale.

Miss Cole plans to close the bookshop the end of next week. This will allow time for money to be paid to the owners of sold books and returning of books which have not been sold. Books which remain unsold will be the property of the Y. W. C. A.

Students set their own prices on the books, from which the Y. W. C. A. deducts 10 per cent, the money going to the general fund of the organization.

Assisting Miss Cole on the committee are: May Parman, Elona Van Sickle, Louise Mornston and Orva Selkirk. Books in demand include: Pressey's "Psychology and the New Education," Manly's "English, Prose and Poetry," Longwell, Knopf and Flint, "Physical Geology," all books for courses in history 1 and 2 and English 1 and 2.

This class are required to attend the dance concert featuring Miss Tina Flade, German dancer and instructor of modern dancing at Mills college, to be held at the Civic auditorium here soon.

Women The Hat of Sagebrush Women

Girl Scout Leader Conducts Classes

Course Is Designed to Train Women in Organizing Scout Troops

Mrs. Mary Littlefield, Rocky Mountain regional director of the Girl Scouts of America, is conducting this week a class in leadership and training of girl scouts for the women of the university and interested townswomen.

This course is designed to enable these women to organize troops and act as girl scout leaders. The class is given every afternoon at 3:15 in the Education building and a fee of \$1.50 is necessary for registration.

Mrs. Littlefield will leave for Boise, Idaho next week where she will conduct a similar course of instruction. Mrs. Mae Simas will probably offer the same course next semester to those interested.

The following women are enrolled in the class: Cornelia Arentz, Eleanor Bateman, Doris Bath, Verla Champagne, Mary Kling, Patricia Davis, Catherine Dondero, Louise Emminger, Ellen Ernst, Collene Hollen, Jean Horning, Florence Koocher, Alice Lundberg, Betty Jane McCullough, Nelda Oppedyk, Mary Pappas, Mrs. Laverne Park, Dorothy Roseberry, Alice Sauer, Alma Schiappacasse, Frances Smith, Jean Smith, Kennedy Walker, Frances Humphrey, Mrs. H. W. Isbell, Mrs. G. E. Turpin, E. Robinson, and Mrs. E. C. Smith.

FASHION TIPS

Eskimo designs in brilliant blue and yellow wool make as dashing a pair of mittens as any coed could want. And the newest is double mittens, knitted wool inner ones, and pigskin for the outer shell. They can be worn together or separately, and are fine for driving, too.

The personal touch in belts; a gilt monogram makes the buckle on this black suede two-inch affair. You buy the belt and your initials are inserted, while you wait. Another is of chaste dull gold metal links, with burnished buckle, and can encircle the waist of an evening dress or the sweater you wear to school with equally good taste.

Y. W. Continues Sale of Candy

The Y.W.C.A. candy booth, situated in Morrill Hall, will be continued this semester, Verla Champagne, chairman, announced this week.

Reports by delegates attending the convention at Asilomar will be given at the next cabinet meeting, Mary Corecco, president, said.

Attend student body meetings.

Nine Hall Coeds Sign Honor Roll

Nine residents of Manzanita Hall added their names to the scholastic honor book on Monday night, making a total of 26 women who have earned an average of 1.8 or better during a semester and who have signed their names in the book. This system of honoring members of the hall has been in effect for the past three semesters.

The girls who signed were: Jean Cameron, Elizabeth D'Alessandro, Ida De Nevi, Melva Lauritzen, Erma Kitchen, Mildred Woodward, Lois Darrough, Genevieve Hansen and Jean Horning.

It was also announced today that Genevieve Hansen had been appointed to the Senate to represent the association.

Beemer Is Chosen Sagen Secretary

Evamae Beemer, representative of Delta Delta Delta sorority to Sagens, women's pep club, was last night elected secretary of that organization to replace Annette Priest, Pi Beta Phi representative whose term expired.

Report of sale of eskimo pies at home basketball games was given by Catherine Dondero, and \$3 turned into the treasury from last week's sale.

Betty Blum, recently appointed Kappa Alpha Theta representative, will be in charge of sales during the San Jose series here next week, Betty Simpson, president, announced.

Ted Shawn Plans Reno Dance Act

Ted Shawn and his internationally famous group of men dancers will present a varied program of dance moods in Reno January 23, with the program enacted entirely by men.

Included in the presentations will be primitive rhythms, dance dramas, Indian dances, Spanish dances, spirituals, and a piece, "John Brown," based on American history, by Shawn. Music will be by Jess Meeker, composer-accompanist for the group.

Former Student Given Leave for Advanced Study

Nevada Pedrol, former University of Nevada student, has recently secured a leave of absence from her teaching position in the Las Vegas high school, while she is taking advanced work in the University at Buenos Aires, it was learned here this week.

Miss Pedrol plans to sail for the South American capital on February 1 with her sister who lives in San Francisco. While in South America she will study at Las Escuela Cultural de Buenos Aires. Besides this additional work at the university, Miss Pedrol plans to travel on the southern continent.

After graduation from the University of Nevada, Miss Pedrol assumed her duties as Spanish teacher in the Las Vegas schools in 1930.

Emma Boyd, formerly of the Ely elementary schools has taken a position with the elementary schools of Reno.

Beta Sigs Honor Spring Rushees

Beta Sigs Omicron sorority opened its rushing season with an informal rushing tea Tuesday at the home of E'Lois Campbell. The sorority colors of ruby and pink were carried out in the table decorations. The group's second party was in the form of a dinner Thursday at the home of Agnes Howell, with table decorations in the sorority colors.

STUDENT BOORS
Ordinarily, university students can be counted on to conduct themselves as such, but this is evidently not the case with University of Nevada students—especially at basketball games.

During the present season, games played in the university gymnasium have been marked by one thing, the childish and unsportsmanlike conduct of the rooters from the senior to the freshman and from those who have had opportunities to become acquainted with the rules which are supposed to govern conduct at Nevada games and to the most inexperienced student on the campus.

In previous years, the University of Nevada has had a reputation for fairness and sportsmanship, and the Nevada rooting section has been given publicity in both local and out-of-state papers for its conduct.

But such is not the case this year. Decisions of the referees and, in some instances, the players themselves, have been booed and hissed, the malcontents showing no favoritism to either visitor or home player.

Student leaders have discussed the problem, the students themselves know that something must be done, but still the rudeness continues, the boorish attitude increasing in vehemence from game to game.

The players frown on the practice; the coach and thinking students become disgusted, and the officials, enforcing rules made to curtail the practice penalize the Nevada team—and in the long run, the basketball team suffers.

How long it will take those responsible for the practice to realize this is not known, but the habit must be broken immediately before it gains a strong foothold on the student body. If it is not abolished, the University of Nevada will have an unsavory reputation that will take years to live down.

To accomplish this, before lasting harm is done, lessons in proper conduct will have to be drilled into the students by those who know better, and, if this does better the conduct, those who are most vehement in their poor sportsmanship should be denied the privilege of attending games.

UP AND DOWN
In the good old days of the so-called "Joe College" era, it was quite the proper thing for students to decorate their rooms with signs picked up from places ranging from bulletin boards to the highways, and evidently some Nevada students think that this is still in good taste.

Announcements posted on the university bulletin board disappear almost as soon as they are put in place. This habit is, without a doubt, a remnant of the days when bell-bottom pants were the rage and when the latest from Paris decreed short skirts for coeds, but that was sometime ago—long before the present college generation had thought of attending university.

But, not considering the fashionable aspect of the question, there are other reasons why announcements should be allowed to serve their original function.

One of these, and it is by far the most important, is the inconvenience caused to students who depend on the bulletin board for information concerning future events.

The few who tear down signs soon after they are posted also display a complete disregard for the rights of others, who have often spent a great deal of time and, in some cases, a great deal of money in the construction of notices. And it must be noticed that those which reflect this work are always the first to disappear.

There are only a few students on the Nevada campus who have adopted this habit, but these few are enough. It is time they learned that times have changed, and notices on the bulletin board were placed there for use as advertisements, not wallpaper.

Garside Is Named Independent Chief

Sherwin Garside, junior student at the University, was elected president of the Independents and representative to the Student Senate at a meeting held by the Independents Monday afternoon in the Education Auditorium. Miss Marguerite Fuetsch, also a junior student, was elected student senator

for the Independent Women. Garside stated his intentions for the coming year as follows: "I plan to organize an Independent Athletes' Association, and if possible, gain a seat in the Inter-fraternity council. The Independents have proven their interest in athletics by their strength in the recent basketball tournament." Miss Fuetsch said that she was confident that the Independent women on the campus will become organized. Garside is from Las Vegas, Nevada, while Miss Fuetsch is from Reno. Elwin Jeffers, past president and past senator of the Independents, presided over the meeting.

CAMPUS

-- ITEN

Reno, greatest little town, now offers an added attraction in the form of "Little Eva," spirit woman incarnate. Little Eva presides at the cemetery beyond the Tavern, and performs willingly for all comers. Science, as represented by the psych students, are unable to explain her, and many a guess has been hazarded as to her identity. Just drive out to the cemetery some moonlit evening, and call softly, "What's the trouble, Little Eva?" Promptly a horrific wail will resound above the moaning of the wind, and an eerie voice will reply, "Ab-solutely nothing-g-g!" For verification see the Theta and Gamma Phi colonies who have turned out in a body to hear this nocturnal nuisance for themselves. Little E must have gotten a great kick out of watching these terrified damsels scamper through the tombstones in nothing flat after her performance.

There must be more to these Sigma Phi Sigmans than we seem to realize, for how else can you account for the Alpha Deltas leading the honor roll last semester and being at the end of the list this year—it must be the uplifting influence of their next door neighbors.

Prof. Young's marriage and divorce course along with Leap Year seems to come in handy for the Phi Phis—the whole house seems to have turned out en masse to learn about the facts of life or something. High hopes are held for a successful man-hunt in the near future—here's luck and all that sort of thing.

A glimpse of coed tactics (they beat military tactics any day): Marie Barnes turns to a girl friend who has been waiting for her escort and says, "I wouldn't wait that long for any man." Then, turning to Tom Prunty, who has been standing beside her, says in sugary tones, "But I might wait for a soldier man."

A huge boot was obtained by all and sundry who make up the sum and total of the marriage and divorce class Wednesday morning when they listened to student Darrel Cain take the longest way about the bush to arrive at his crack about married life. Cain blushed, and so did most of the males in the class, but the women took it like ladies.

Poem with moral:
The devil made the wicked wind
To blow the skirts knee high.
But God is just—He made the dust
To blind the bad man's eye.

Dean Adams Sails For Trip to Hawaii

Dr. Maxwell Adams, vice-president of the University of Nevada and dean of the College of Arts and Science, sailed this noon with Mrs. Adams for Honolulu on a six-months' leave of absence. Complete rest is Dean Adams' only plan for his first leave of absence since 1914. He hopes to regain complete health before his return, scheduled for July first of this year.

During this absence, Dr. George Wallace Sears, head of the chemistry department, will act as dean of the College of Arts and Science in Dean Adams' place. Dean Robert Stewart of the College of Agriculture, will take Adams' place as chairman of the scholarship committee, and Dr. James Reed Young, head of the psychology department, will take over his duties as chairman of the graduate committee. Prof. Jay A. Carpenter will head the adult education committee during Dean Adams' leave.

Dean Adams' leave of absence was taken in 1913, when he traveled with his family in Europe. While in Germany he entered the University of Göttingen for a year's study in chemistry and returned to his teaching duties in 1914.

building about the same time that a gust of wind came along. The result was disastrous—and was Willie Dalzell embarrassed!

Girls, bow your pretty heads in prayerful thanksgiving—if you haven't done so already—for Leap Year is at hand. Those of you who haven't gotten in your ticks already had better do so before some more ambitious sister beats your time.

Once upon a time there was a romance sprang up between Don McMeekin and the Tri Delt pledge, Virginia Raitt, but then the inevitable triangle came along and Raitt swapped suitors—Charlie Barnes is standing in pretty good right about now.

TO COLLEGE MEN WHO WOULD LIKE TO SMOKE A BETTER PIPE TOBACCO

IT'S MILD AND MELLOW!
COOLEST SMOKE EVER!
FIFTY PIPEFULS IN EVERY TIN!

Read the fair and square proposition at the right. We publish it, knowing that in Prince Albert we've got the quality... the mellowness... the taste and aroma that college men will appreciate. So now we ask that you, too, try Prince Albert.

Note P. A.'s special cut, "Crimp cut," it is called. It has a lot to do with why Prince Albert packs so neatly into the bowl and burns so cool and mild. Only top-quality tobaccos are used. Ordinary tobacco will not do.

P. A. is packed in a big 2-ounce economy tin. Smokers get around 60 pipefuls from a tin. Fifty pipefuls—and no bite!

Because of its many advantages, Prince Albert has become the largest-selling pipe tobacco in the world. Join up with P. A. . . under our you-must-be-pleased plan!

OUR "YOU-MUST-BE-PLEASED" OFFER

Smoke 20 fragrant pipefuls of Prince Albert. If you don't find it the mellowest, tastiest pipe tobacco you ever smoked, return the pocket tin with the rest of the tobacco in it to us at any time within a month from this date, and we will refund full purchase price, plus postage.

(Signed)
R. J. Reynolds Tobacco Co.
Winston-Salem, N. C.

50 pipefuls of fragrant tobacco in every 2-ounce tin of Prince Albert

PRINCE ALBERT

THE NATIONAL JOY SMOKE

Letter to the Editor

Editor the Sagebrush:
Once more a situation has arisen on this campus which should be studied seriously by students and faculty members and remedied through their efforts.

It is the text book problem. Each year hundreds of students have trouble securing text books in time for regular class work and the majority of professors are inconvenienced by the non-cooperative system downtown.

In the first place, book orders are never here on time for students to begin their work when the professor demands. It is true that the professors definitely order a sufficient number of books for their classes, but because downtown concerns believe they will have to keep a few books on their shelves for a few weeks or perhaps they might have to send them back for a small postage cost, they only order one-half or less now on the market for some eligible male. She is reported to have had her eye on Joe McDonnell until she learned that he was engaged, and then she turned the guns on Bryce Rhodes, but Connie still is tops there.

While the soldier boys were faithfully guarding the road in back of Lincoln hall to see that nobody ran off with it, the military department was busy installing iron bars on the doors and windows—to protect the arsenal from possible thievery. If the boss of the outfit has no more faith in his men than that, what chance has the country if we ever go to war?

Nevada, Teachers Divide Contests In Close Series

Pack Wins First Game 35-34, Loses in Last Minutes Second Night

Staters Use Fast Offensive To Capture Match 44 to 38

A last minute scoring spurt by the San Francisco State Teachers proved too much for the Wolves and they dropped the second game of the series, 44-38, after nosing out the bay city boys the previous night 35-34 in the basketball series here last week.

Playing a listless game of ball throughout the first half of the second game, the Pack finally came to life through the efforts of Orv Tregellas and began dropping the ball through the net from all angles to even the score with but a few minutes to play, only to loosen their defense and allow the Teachers to sweep down the floor, netting six points to take the game.

The Staters, using a fast breaking offense, held the lead throughout the game, with the Wolf Pack always within threatening distance but never able to take the lead. Tregellas, Lansdon, Robb and Smith turned in nice games.

Lansdon Scores
Dropping in a free throw with but five minutes left to play, Al Lansdon pulled the game out of the fire for Nevada in the first game of the series, 35-34. The game was close and thrilling throughout, with both teams taking turns at scoring, keeping the crowd on its feet throughout the game.

The Pack offense, composed of Lansdon, Tapogna, De La Mars, Robb and Phillips, worked the ball through the Teachers' defense, using it rattle-dazzle offense to take the lead at the beginning of the contest, and held it throughout most of the game. Numerous fouls by Nevada players kept the Staters close to Nevada by their ability to make the penalty shots. Fouls sent three men out of the game on the two teams.

Nevada had trouble in putting the ball through the basket, with many sure shots rolling around the hoop and dropping into the hands of the Teachers. Nevada showed up well on defense, but its offense was not clicking as it did against the Y. M. I. cagers. Coach Martie used almost his entire squad during the series.

Jayvee Hoopsters Outline Schedule

The complete schedule for the 1936 City Basketball league was announced last Saturday. The two University of Nevada junior varsity teams, the Whites and the Blues, coached by Vic Carroll and Malcolm Jones, were late entrants and brought the total number of competing teams up to 16.

Following is the complete schedule for the junior varsity this year:

January 22, 8 p. m.—U. N. Blues vs. Commercial Truckers; 9 p. m., U. N. Whites vs. A. T. O.

January 29, 8 p. m.—U. N. Blues vs. Eagles.

February 5, 8 p. m.—U. N. Blues vs. Reno Sport; 9 p. m., U. N. Whites vs. Druids.

February 12, 8 p. m.—U. N. Blues vs. Reno Sport; 9 p. m., U. N. Whites vs. Reno Print.

February 19, 8 p. m.—U. N. Whites vs. Commercial Truckers; 9 p. m., U. N. Blues vs. Y. M. C. A. Varsity.

Those playing for the University of Nevada Junior Varsity Blues coached by Malcolm Jones are: Basta, Bawden, Bradley, Cashill, Cleary, Dorsey, Gray, Lang, McCrea, Maule, Moore, Murphy, Nash, Ohrt, Radlick, Showalter, Tucker, Waite and Yori.

The University of Nevada Junior Varsity Whites coached by Vic Carroll is composed of the following: Azarez, Callahan, Creel, Cromwell, Devore, El-

Nevada Gridders Draw 16,427 Fans

University of Nevada's colorful football team remains one of the best drawing cards among the smaller Pacific coast colleges, on the basis of attendance figures recently released by St. Mary's. The Wolf Pack attracted more fans to their game with the Gaels than such big schools as U. C. L. A., Washington State and Oregon were able to draw.

The season opener with the Moragans, played at San Francisco in September, attracted more attention than any other of the early season contests, and 16,427 football fans passed through the turnstiles in Kezar stadium.

The attendance at the Nevada game doubled its past record, largely because of the publicity given the Wolves' startling upset of the Gaels in 1934.

Santa Clara, California and U. S. F. were the only teams to outdraw Nevada in their games with the Gaels, while 40,720 New Yorkers gathered at the St. Mary's-Fordham contest. U. C. L. A. attracted 11,288 persons when the Bruins engaged the Moragans.

Wolf Tracksters Schedule 4 Meets

Coach Martie Grooms Men For Far Western Tilt; History Given

University of Nevada varsity track men will see action in four meets this spring, according to a schedule recently drawn up at the Far Western conference meeting by Professor J. E. Martie, track coach, and head of the men's physical education department.

The schedule, which is composed of meets with three California colleges and the Far Western conference meet proves to be one of "the finest drawn up in recent years."

Martie, who is taking the track coaching position left open when the contract of C. L. "Brock" Mitchell expired, started coaching track in 1925 and the teams of '26, '27, and '28 were victors in the conference meets. In Martie's five years as track coach the University of Nevada never lost a dual meet with any college. A dual meet with the Olympic club in San Francisco was the only one in which the Nevada men were defeated. In 1927 the track squad took third place in the P.A.A. meet held in San Francisco and nosed out the University of California in doing so.

The date for the inter-class track meet has been set for March 28 and for the intra-mural, April 4.

The track schedule follows:
April 11—California Aggies, here.
April 18—Chico at Chico.
April 25—San Francisco State, here.
May 1—Far Western conference meet at Fresno.

Berna and Kathleen Hansen spent the weekend visiting relatives in Portola, Calif.

Marlea Dodge, Kappa Alpha Theta pledge, returned to her home in Fallon for the weekend.

Hott, Everett, Frazer, Gravelle, Grubbs, Havens, Leavitt, McDow, Metten, O'Neil Rodriguez, Winters and Young.

Wins Over Lassen By U. N. Yearlings Starts Cub Play

Thirteen Games Are Planned For Frosh by Coach Scranton

The Wolf Cubs paced the Varsity Friday night when they defeated two Susanville teams in games played before the first Nevada-San Francisco contest.

In the first game of the evening the frosh "E" team defeated the Susanville high school team by the overwhelming score of 29 to 9 for the losers. McEwen of the frosh was high point man of the contest with 8 points and Sanchez of the losers followed with four.

Players were: Nevada—Scott, McEwen, Leach, Oxborrow, Cassanelli, York, Romanleach, Handley and Hinman.

Susanville—Sanchez, Garden, Viel, Bert, Smith, Kendall, Bertagnoli. The frosh "A" team had things to their own way of thinking in the next game, and easily defeated the Lassen county J. C. 39-17. Goodner of the frosh was high man with nine points, and Bennett of Lassen was close behind with six.

Players were: Nevada—Inman, Rebalcati, Goodner, Etchemendi, Waldren, Smythe, Newman, Demosthenes, Galloway and Summerbell. Lassen J. C.—Burr, Sanchez, Bennett, Robison, Westen and Hans.

Games Listed
The freshman schedule for the remainder of the basketball season is as follows:

Jan. 18—Grass Valley at Reno (tentative).
Jan. 24—Reno High at Reno.
Jan. 25—Stewart at Reno.
Jan. 27—Knapp's Stores, Oakland, a Reno.

Jan. 31—Sparks at Sparks.
Feb. 1—Gardnerville at Reno (tentative).
Feb. 7—Virginia City at Reno.
Feb. 8—Sparks at Reno.
Feb. 14—Carson at Reno.
Feb. 15—Susanville at Susanville.
Feb. 21 and 22—California Aggies Frosh at Reno.

There will also be a return game with Virginia City high school which will be played at Virginia City, but the date for the contest has not been arranged.

Helen Heaster, member of Delta Delta Delta sorority, has been confined to bed with a severe attack of the flu. Her condition is sufficiently improved to allow for her return to classes this week. She is a sophomore arts and science student registered from Richmond, Calif.

Basketball Dope Mailed to Chico By News Bureau

According to Ty Cobb, head of the athletic department of the news bureau, publicity pictures and information of the Nevada hoopsters have been sent to the Chico papers to help stimulate interest in the Nevada-Chico game to be played this weekend.

Stanley Netherton, head of the bureau, has not as yet made any additions to his staff. Netherton and his staff successfully furnished the papers throughout the state with information concerning the university's activities all last semester.

The correspondents of the staff are Gwen Erickson, Ruth Goldsworthy, Sherwin Garside, Charles Doherty, Ben Rotholtz, Winnie Hiltunen, Leland Eekely, Dick Roche, Eleanor Barry, Ruth Atcheson, Jean Cameron, Dorrance Jameson, Max Jensen, Ed Connors, Elizabeth Osborne and Anne Gibbs.

Twenty-one Sign For Tumble Team

Twenty-one men answered Coach J. E. Martie's call for students interested in tumbling, opening the activity of the group for this semester.

A team will be chosen from the tryees to perform at Yerington, Dayton, Truckee, Sparks and Reno. Assisting Martie is Chester Scranton, assistant professor of physical education.

The following men were signed: George Bump, David Barber, Lewis Forteus, Stanley Netherton, Merle Snider, Prescott Wilson, Douglas Montgomery, Gordon MacDonald, Kenneth Powell, Dorrance Jameson, Herman Owens, Howard Evans, Jay Waite, Harvey Kolehoss, James Borland, Donald Connelly, Kenneth Day, Garnett Freeman, Joe Keller, John Marean and Jay Robinson.

CHEM CLUB TO MEET

The first meeting of the Chemistry club this year will be held February 5, 1936, according to Leland Hill, president. Officers for the ensuing semester are Margaret Feutch, secretary; and Ernest Larkin, treasurer.

THE WOLVES

"DUKE" and "HINES"

FROM THE SHOWER

Our nomination for the week: a school for the basketball fans wherein they might learn, besides the rules, the courtesy due referees and players. Lusty booping sections similar to the one put on by Nevada rooters at the San Francisco State games will cost Nevada points.

Two paramount things the fans must remember (assuming they are equipped with an ounce of sportsmanship) are that before they boo a decision they must know the rules and, second, that even if the decision is questionable the referee is always right.

Last year Nevada led almost every team played at half-time, only to fade out in the second stanza. This year "Doc" has a team which has finished strong in every one of its encounters. The Wolves will no longer be known as a "first-half" team.

Although they will not have an easy time of it, the Wolves should take the Chico Wildcats into camp this weekend. Chico is practically out of the conference running by virtue of two defeats at the hands of Fresno State last weekend.

As far as pre-season dope goes, C. O. P. looks like the team to beat. The Bengals have a formidable early season

record, having defeated the U. C. L. A. Bruins and losing to St. Mary's only by a two point margin. The Bruins split a series with Stanford, the terror of the Pacific Coast conference, all of which makes the Bengals look pretty good.

In annexing a second place in their first meet, the Nevada ski team gave indication of developing into one of the strongest collegiate winter sports aggregations in the west. If Nevada is represented in the Yosemite meet, they stand a good chance of walking off with the Hoover trophy.

The Wolves would have probably come out on top in their first meet but for the absence of jumping events, which is their long suit.

Chico and Fresno are engaging in a little unpleasantness through the medium of their sports columns, over the manner in which the "all-conference" team was picked by the Fresno Collegian. In an editorial called "Now, Now, Fresno," the Chico Wildcat roasts the Bulldogs with several caustic comments. The Fresno scribes retaliated with a few biting remarks in an article entitled "Now, Now, Chico."

The Fresno writers say that the team they first announced was their own selection, and that the official team was not published until later because the

TRACKSTERS OUT

A track class, under the supervision of Douglas McDow, has been organized this semester with preliminary exercises and general conditioning of track athletes as a motive. The class meets in the gym Tuesdays and Thursdays at 4 p. m.

Other conference sports editors were "so d-m slow in coming in" with their pickings. Personally, we are inclined to side in with the Chico editor's gripes. The sports editors were unable to send in their teams until the season was completely over and they had a chance to talk things over with the players.

Ruth Atcheson, member of Kappa Alpha Theta sorority, has not returned to school this semester.

Engineers Petition For Exhibit Day

A petition asking that the engineers be allowed a day during the spring semester for setting up varied exhibits and inviting townspeople and others to view them, has been circulating the past two weeks.

A majority of both engineering students and faculty have signed and it is expected that the petition will be offered to President Clark next week.

Text of the petition is as follows: To: Dr. Walter E. Clark, president of the University of Nevada.

We, the undersigned students and faculty members of the College of Engineering, University of Nevada, feeling that the attendance at the various engineering stunts and exhibits presented at the annual Homecoming Day celebration do not justify the efforts put forth in preparing them, do herewith petition that a Saturday during the spring semester following the mid-semester examinations, be set aside as the annual Engineers' Day.

It is understood that the Associated Engineers will cooperate in every possible way with the Homecoming Day committee, and that the various engineering laboratories will be open for inspection, and that guides will be furnished; also, the Associated Engineers will enter their float in the Homecoming Day parade.

If, after a two years trial, the arrangement does not prove satisfactory to all concerned, the system will be discarded and the present arrangement resumed.

7 Minor Quakes Noted Last Week

Seven minor earthquakes occurring within 124 miles of Reno were recorded on the University of Nevada's seismograph last Thursday evening, according to Professor Vincent P. Gianella, head of the Department of Geology.

Gianella reported that these tremors were the first to occur in several weeks and were of a very slight nature.

"The snowslide which buried several Southern Pacific Pullmans near Truckee was not caused by an earthquake, nor did the snowslide register on the seismograph," Gianella said.

Time Ranks Ski Team With Best on Coast

Along with California, Washington and other powerful colleges on the Pacific coast, the University of Nevada ski team was mentioned as a competitor by Time Magazine of January 13.

The article stated that the teams, including Nevada, would probably compete next season.

Although Time did not class the different teams, Nevada is considered as having a ranking team.

Faded Signboard To Be Restored

The weatherbeaten sign in front of the student union building will receive a new coat of paint soon, the members of the finance control committee decided Wednesday afternoon. The sign, on which is lettered the various offices contained within the building, was the graduation gift of the class of 1932 to the university. It has not been retouched for four years, and the letters are now badly worn and faded.

The committee also planned to make all the stationery used by the various departments of the A.S.U.N., such as publications, graduate manager's office, and other offices, uniform in their letterheads. This move will save the student body unnecessary printing expense, it is believed.

Frosh Rifle Team Calls Are Issued

Calls will be issued early next week for all men wishing to try out for the freshman rifle team, according to Captain H. W. Isbell, who will be in charge.

This will be the first time the University of Nevada has had a freshman rifle team, and challenges for matches are to be sent to various schools.

Both the men's and women's rifle teams, under the direction of Sergeant Grant Hustis, have matches coming up and have been practicing regularly the past week in preparation for them.

During the Christmas vacation, the armory was repaired and made burglar proof. The doors were covered with steel plates and the bars in the windows were strengthened. Colonel W. R. Reed was given a classroom upstairs to be used for his advanced military classes.

Creps to Manage Student Bureau

Students interested in obtaining work through the student employment bureau may apply at the graduate manager's office, Robert Creps said today. About ten students received work last semester, and many applications have been made already.

Prep Hoopsters Active in Tourney

State high school cage teams were active last week end in playing conference basketball games, with Reno high and the Dayton high school, which is coached by Dan Bledsoe, former U. of N. basketball star, strengthening positions in the western Nevada conference, both winning three out of three games played. Results of games played last Friday are:

Reno 27 Gardnerville 16; Fallon 35, Yerington 25; Sparks 36, Virginia City 20; Dayton 39, Wadsworth 24; Bishop 17, Tonopah 10; Smith Valley 24, Hawthorne 15.

Results of Saturday's games were: Reno 30, Stewart 13; Carson 37, Gardnerville 11; Lovelock 35, Winnemucca 23; Ely 29, Westminister Freshmen 24; Smith Valley 21, North side unlimiteds 20; Las Vegas 43, Tonopah 28; Wadsworth 38, Hawthorne 6.

WARNING TO PARKERS ISSUED BY MCFADDEN

"Dad" McFadden has again issued his warning against violators of campus laws. He stresses the fact that no parking of cars is to be done on the campus between 7:30 in the morning and 4:00 in the afternoon, except north of the Electrical Engineering building and north of the gymnasium. He urges that university driveways be kept free of traffic and that no cars be parked on the driveways. "Dad" says that no partiality will be shown in the enforcement of these laws.

Lawson Little, amateur golf champion, has given so much time to his game that at 25 he is still a Stanford undergraduate.

Patronize university backers.

Cheney Building
139 N. VIRGINIA STREET

Club Discusses Asilomar Meeting

At the regular meeting of the Campus club held last Sunday, under the supervision of President Fred Hartman, short discussions were given by Jean Smith, Ruth Rowe and Clayton Carpenter on the conference held recently at Asilomar. The talks were concerned with a typical day's routine at Asilomar. After the meeting adjourned refreshments were served.

Hartman announced today that Russia would be the topic to be discussed at the meeting Sunday.

Script Prepared For Press Ruckus

A brief description of the Ruckus, annual scandal show to be presented by the Press club January 31, was read at a business meeting of the organization last Monday.

The script for the show has been prepared in skeleton form by a committee consisting of Charles Leavitt, president of the group, Sam Ackerman and Sherwin Garside. Leavitt also appointed Eleanor Barry and Kay Norrid to assist in the production.

Among its semester activities, in addition to Ruckus and Mardi Gras, the club plans to give a radio program similar to the one presented on Mark Twain's birthday, and a banquet, to take place within the next two months. Plans have also been made to purchase a panel in the Artemisia.

ENGINEERING

A meeting of the Rocks and Minerals club was held Wednesday night at the School of Mines. Dr. Carl Warner, of the State Bureau of Mines, gave a short talk on the recent volcanic activity in Hawaii, and showed pictures of the flow which have been sent him by his son.

Earl Stevenson, E.M., was passed on by the engineering faculty at their meeting this week as having completed his engineering course and being entitled to his diploma. This makes Earl the only January graduate from the engineering college.

James Crawford, M.E., who is recovering satisfactorily from an appendectomy performed last week, has received word that he will be employed by the General Electric company at their plant in Schenectady, New York.

Bob Barrett, senior mining student, did not return to finish his course this semester, having received just before Christmas an offer from the Bradley

interests to join their staff as flotation investigator and operator in a proposed remodelling of the Alaska Juneau mill, which handles a maximum of 15,000 tons per day. He is now working in the experimental laboratory in San Francisco, and will remain there for several weeks before going to Alaska.

Edwin Taylor, sophomore E.M., has returned to school after a year's absence. Terry McGovern, sophomore E.M., has withdrawn from school.

Three men were advanced to candidacy for professional engineering degree by the engineering faculty at a meeting held this week. Hugo E. Hanser, B.S.C.E., class of 1911; Fred A. Roemer, B.S.C.E., class of 1926; Edwin D. Murray, B.S.M.E., who is now employed by the California State Railroad Commission, were the men so mentioned.

A large wooden gold pan from Samarinda, Borneo, Dutch East Indies, was given to the Mackay Museum this week by Dan Renear. The pan is over two feet in diameter and has been added to the exhibit of curios on the east side of the lower floor. This makes the third exhibit which has been donated to the museum in recent weeks.

Georgianna Harriman, junior student, spent the weekend at her home in Fallon. Miss Harriman is a member of Gamma Phi Beta sorority.
