

Frosh Summoned Before Upperclass Committee Tuesday

Final Decrees Will Be Given Out at Next Meeting

One hundred and ten frosh were summoned before the men's upperclass committee Tuesday noon, when the committee, led by Duncan Dorsey, met to deal with the universities' younger set to settle differences.

"Slacking work at the annual Block 'N' painting and forgetting to take their 'dinks' out of their hip pockets while on the campus were major reasons for the reception," Dorsey said.

The men have been allowed a week's time to think up an excuse why they weren't present at Peavine hill last Saturday.

First Culprit

Not all men dealt with are freshmen, however. Lee Strauch, S. A. E. sophomore was the first man to feel the sting of "Black Maria" this year. Strauch took a shortcut across the campus toward home.

Men summoned before the upperclassmen this week were Byron Armstrong, Richard Baker, Jim Barrett, Carl Bechdot, Walter Bedel, William Bennett, James Berry, James Bell, Wilbur Booth, Don Bowers.

John Brice, Robert Brinsmead, Carl Bruhns, Larry Callahan, Hugh Cameron, Ernest Chiatovich, George Clark, George Chickese, Vincent Comeso, Leslie Cornelius, Elson Cox, William Curtis, Carlos Donao, Dudley Davis, Ray Davis, Kirk Day, Roy Dondero, Elmer Ford, Bill Francis, Frank Fuller, Peter Finn, Hugh Gallagheer, Gordon Garrett, Fred Gasaway, John George, James Gettins, Bill Givens.

Jack Gordon, William Harrington, Virgil Hart, Gerald Hartman, Robert Hawley, Fred Heinen, Jack Hickey, Philip Hutchinson, Robert Hutchinson, Robert Johns, Philip Jones, Richard King, Harold Kling, Dick Lattin, William Lallin, Leslie Leggett, Elliot Lima.

Summoned

Marvin Lahros, Kenneth Mann, Nick Mastrovich, John Mayse, James McCutchan, William McDonald, Allan McGill, Albert McKey, Bob Mescham, Aubin Meisel, Allan Moore, William Moran, John Morrison, Edwin Mulcahy.

Malcolm Musson, Frank Parker, John Patti, Geno Pisani, Charles Plumridge, Perry Pollock, Don Questa, Frank Quillie, Edward Richter, Peter Rosaschi, Gerald Schaefer, Philip Sharpe, Herbert Smith, Herb Smithwick, Leslie Stewart, Ralph Stone, Stuart, Russel Strom, Russell Taylor, Frank Titus.

Elmer Vaccina, Vincent Vercoa, George Westergard, Leland Whipple, Dean White, Richard Williams, Hugh Wilton, Joseph Woodward, Wilfred Wylie.

Blanks Presents Reading Wednesday

Dr. Anthony Blanks, associate professor of the department of public speaking at the University of California, gave an interpretative reading at the assembly held Wednesday morning.

"Victoria Regina," the play read by Dr. Blanks, is a personalized history of the life of Queen Victoria which played on Broadway several months, starring Helen Hayes.

The speaker is one of the greatest artists in the interpretative field, which was shown vividly by his clever presentation of "Victoria Regina" Wednesday.

Dr. Blanks has visited the University of Nevada several times, and he appeared again by the request of his former audiences.

Several hundred students, faculty members and townspeople attend the assembly, which was held in the Education building.

MILITARY REGISTRATION FALLS SHORT OF 300 MARK

An effort to gain a total of 300 cadets in the University of Nevada Reserve Officers Training Corps has been without success as the final registration total of cadet students shows an enrollment of 282 men.

If a total students corps of 300 men were realized, another tactical officer would have been added to the staff of military instructors. With the quota falling short, the existing staff will remain unchanged.

The Nevada corps is composed of several units. Of these units the freshman registration is the largest, with 113 accounted for; sophomore registration falls only slightly below that of the freshmen, with 100 cadet students, and the advanced units total 30.

While there are only 28 authorized members of the military band, thus far a total of 39 students have enrolled in this section.

Final cadet officer appointments have not been made.

A woman is a person who can hurry through a drugstore aisle 18 inches wide without brushing against the piled-up tinware, then drive home and still knock off a door of a 12-foot garage.

If you would keep your secrets from your enemies, don't tell them to your friends.

ARE THEY MATCHED IN '38?

Shown above are the prize-winning floats and house decorations of sororities and fraternities in the 1937 Homecoming celebration. The winning Kappa Alpha Theta and Sigma Nu house decorations are shown top left and bottom left respectively. The Sigma Alpha Epsilon "world" and the Tri Delta "swan" out-clasped the other floats in the '37 Homecoming Day parade. Fraternities and sororities began working at top speed early in the week in an effort to top the productions of the organizations last year. A tour of the campus and immediate vicinity this morning showed their work just beginning to take definite forms.

Russian Slides Shown Next Week

120 Views Dealing With National Life Will Be Presented

Intimate "Glimpses of Old Russia" will be given by Professor Anatole G. Mazour, assistant professor of history, at a lecture October 27 in the Education building.

Dealing with the cultural and religious life of Russia prior to the revolution of 1917, Professor Mazour will trace the background of his topic with 120 slides dealing with various aspects of Russian life and will interpret them with a personal view-point.

Although an American citizen and a graduate of American colleges, Professor Mazour's native country is Russia.

Time for the lecture is 7:30 p. m. in the education auditorium. Students and the general public are invited to attend, it was stated.

Grid Men Work Out Against Runaway Tires

Material for tackle practice by the varsity football team in scrimmage the other afternoon was furnished in a unique manner.

It seems that the frosh bonfire builders are somewhat energetic, over anxious, or just plain careless.

At any rate, it all happened like this: "Doug" had the boys out on the field going through the usual "works" in scrimmage; in fact, he was putting them through their toughest scrimmage.

At the same time, Soph Prexy Jim DuPrati was directing a few of the frosh tire-rollers in placing tires for the Homecoming bonfire—the location of this gigantic pile of tires being on the hill north of the football field.

In the excitement of obtaining rare specimens of tires, a couple of frosh carelessly let several tires of gigantic measurements—all of five feet high—get out of control as they rolled them toward the pile.

They careened down off the embankment just as the squad on the north end of the gridiron went into formation.

As Signal-Barker Carpenter called the play, the two huge tires hurdled the track, and as snapper-back Bob Tapia sent the ball spiraling to Polish, SMACK! ! CRASH! ! BOOM! ! with tons of velocity behind them, those tires struck that line like a barrel of dynamite.

The onlookers narrowly escaped before the crash came.

One tire cracked through right tackle. Bradley threw a vicious body block into it, and right half Beloso, backing Bradley up, stopped the tire with an extremely low tackle.

The other tire, whipping through left tackle, had considerably more success. Nevada's husky tackle, Kievet, hit hard and low, but only bounced back, half dazed. The tire rolled on.

Another big tackle, Del Stewart was standing on the sidelines. Noticing Kievet's failure, he came to sudden life, raced out and plunged at the rolling intruder. He cracked it high, hung on, but was brushed off as the tire rolled over him. He said later he wished he'd got on and ridden it instead of tackling it!

Still on the rampage, the tire rolled the length of the field, coming finally to a standstill between a couple of frightened and badly bruised frosh players, only after the rest of the frosh team had been blocked out.

UN! !

It was the first date.
"Cigarette?"
"No thank you. I don't smoke."
"Let's go down to the ship for a few."
"I'd rather not. I never touch liquor."
"Well, let's go out on the heights for a while."
"No, please don't. I want to go out and do something exciting."
"O. K. Let's go out to the dairy building and milk hell out a couple of cows."

DEBATERS PRESENT SYMPOSIUM AT INSTITUTE

Four debate team members—David Goldwater, Francis Breen, Robert Parker and Bob Joy—participated in an exhibition symposium at the Reno high school for the Teachers' Institute Thursday.

The symposium method of problem-solving, it was stated, eliminates much of the unnecessary wrangling found in the old method debates.

Institute members were asked to compare this form of discussion with the practice of debates now current in high schools.

Debate team members were introduced at the meeting by Professor Robert Griffin, forensics coach.

ENGINEERING TALK FOR THIS WEEK CANCELLED

Due to the intense activity during the Homecoming week, all meetings and lectures of the associated engineers have been cancelled.

R. O. Brosemer, assistant engineer of the General Electric company, Schneckteday, N. Y., scheduled to speak before an assembly of university engineers this week, will not appear, members of the Associated Engineers' committee, reported today, until the early part of November.

Brosemer was scheduled to talk on "Why Continue Your Membership in the American Institute of Electrical Engineers," and some of the factors that may decide whether or not a student engineer is offered employment by a prospective employer.

Flattery is 90 per cent soap. And soap is 90 per cent lye.

National Officer Visits Phi Sigs

William Wood, XI Chapter at St. Lawrence University, Canton, N. Y., and national president of the Phi Sigma Kappa, visited the Nevada chapter Wednesday and Thursday.

Mr. Woods was formerly the vice-president of Region V of Phi Sigma Kappa. He was elected national president at the national convention which was held in San Francisco in August, 1938.

During his visit in Reno he was entertained by members and pledges of Eta Deuteron chapter. He was impressed with the activities of the local chapter, and declared the annual street dance a unique fraternity function. He left this morning to continue his tour of the other western chapters.

Barbs Propose New Campus Club

A new organization based on the lines of the Y. M. C. A. and the Y. W. C. A. for students was proposed at a meeting of the organized Independents by Richard Roche, group president, Monday night.

The new proposal was discussed with favorable comment reported from members, it was said, discussion of the proposed twenty-five cent class fund reduction was also held and a vote favorable to the proposal was given by members.

Entertainment, including dancing and games, was led by Dorence Jones, Barb officer. The next meeting has been set for Monday, October 31, in the Agriculture building.

ALUMNI BULLETIN RELEASED SOON

The alumni directory, published every five years by the University of Nevada, and this year compiled by Miss Carolyn M. Beckwith, president's secretary, will be released soon after Homecoming, it was announced yesterday.

The bulletin contains information about Nevada alumni, their addresses and occupations since their graduation from the university.

Teacher—Johnnie, did you want to leave the room?

Johnnie—Say, teacher, you don't think I'm standing here hitchhiking, do yuh?

ANCIENT TIMEPIECE REPLACED; REVEALS NOTHING

Bong, bong! goes the antique clock which stands sedately in the office of the Artemesia, reverberating from ceiling to floor, shaking the sleep from the tired staff's eyes.

A rather merry-go-round existence has been enjoyed by this most venerable of clocks. What strange tales we would hear if this ancient clock could but speak!

Perhaps it could tell us of secret conferences held in the Artemesia, or grey hairs that were born when the brains of the staff started assembling the material for the year-book.

Robert Creps, former graduate manager, bestowed this ancient timepiece upon Ned Morehouse. But, alas, Ned, after lavishing care upon it, was obliged to entrust it to the care of Walt Bowrin, former Artemesia editor, 1935.

Ah, now we scent a romantic interlude in the history of this ancient clock. Walt, with a gallant gesture, romantically offered the clock to a young attractive frosh, Gertrude Polander. Years skim by, "Gertie" is now editor of the Artemesia, and lo and behold, once again the clock stands in its rightful place.

"Let's take a walk in the garden."
"No, I'm afraid if we do you'll . . ."
"No, honestly I won't."
"Oh! Well, what's the use then?"

Special Train to Stockton Leaves Reno on Friday

Final arrangements have been completed for the student excursion on the football special to Stockton next Friday for the annual Nevada-College of Pacific football contest, Blake Spears announced late today.

Sponsored by Blake Spears, Milton Parsons, Clarence Heckethorn and Clifford Quilici, the special is scheduled to leave Reno next Friday at 9 a. m. and arrive in Stockton at 4 p. m. that afternoon.

Several Cars

The train will be made up of a club car, a dancing car, a buffet car, and as many coaches as will be needed, Spears said. Fun and excitement will be offered all making the trip, with a six-piece swing band, furnishing music for continuous dancing and other novelties to be given during the trip.

Word received by the sponsors from the Stockton rally committee disclosed that the Stockton group has made plans to meet the special and escort the students to their hotels. It was also stated that Stockton hotels have cooperated in extending special rates to those making the trip, and C. O. P. has extended admission of all students to the game on their A. S. U. N. activity cards, Spears said.

Eighty-five band members, 50 Blue Peppers and 300 students will make the journey, it was estimated. In response to several inquiries, Spears said that the sponsors wish to make it clear that the excursion is not limited to university students, but that anyone wishing to take advantage of the excursion with its special rates is cordially invited to join the party.

Special Booth

Round-trip tickets, costing \$4.95 are now on sale by Spears, Parsons, Heckethorn and Quilici. Tuesday a special ticket booth will be set up on the campus, and it is urged by the sponsors that all tickets be purchased before Thursday noon to avoid last minute confusion and delay.

Highlights of the game will be the featuring of the University of Nevada band during the game, and the performance of acts during the half-time period by the Blue Peppers. One of the acts by the Pepper group will be the formation of a huge block "N" in red flares while all the stadium lights are out.

Immediately following the game will be a dance at which the College of Pacific will play host to the University of Nevada.

Spears stated that while in Stockton special rates to San Francisco via boat, bus or rail, will be arranged for those wishing to take this side trip.

Sixty-Minute Man

Earl Brooks plays running guard and is capable of playing sixty minutes of football in any league. Opposing teams find him to be a stone ball when it comes to hitting the right side of the Nevada line.

Good on Defense

Long lanky Fred Galloway is an extremely good linesman on defense. He is powerful, drives hard, and is capable of playing sixty minutes should it be necessary.

Line Plunger

Bob Kirkendall, Nevada fullback, can always be depended upon for two or three yards when he hits the center of the line. Kirkendall's playing is a throwback to the days when Jim Twombly used to romp Mackay field.

Head Man

Confronted with a real job when he stepped into the chairmanship duties only a short time before the Homecoming celebration, Tony Yriberry has turned in a topping performance. He deserves most of the credit for making the nineteenth Homecoming a real success.

A Tough Guy

The Bulldogs will find it hard going if they try to penetrate the left guard hole of the Nevada line; that's where Boz Robinett is stationed. Robinett likes the game for its fight and roughness. His favorite trick is to dash through the opponents' line and block their punt.

'Buzzer'

Frankie "Froglegs" Beloso, with the exception of Taylor, is the best blocker on the squad. As a ball packer he can find the holes and is hard to bring down if he gets into the open. Beloso is playing right half in his first year of varsity competition.

Newcomer

Del Stewart played his first football when he enrolled at the University of Nevada two years ago. Although vague on the elementaries of football, Stewart, as tackle, is a hard hitter and not easily moved out.

Speed to Burn

Walt Powers is rated the fastest gridiron player this side of the Rockies. Just let him get past the secondary and no Bulldog will be able to bring him down. Former co-holder of the conference sprint record, Powers also is good at side-stepping and dodging.

Lura Gamble, '35, is attending the Teachers' Institute this week. She is planning to attend the Homecoming activities.

Homecoming Fete Is 19th At U. of N.

(Continued from Page 1)
be held at 10:30, with the parade following at 11 a. m. Line of parade will be the university band, R. O. T. C. units, guests of honor, sorority floats, fraternity floats, and organization floats, with the Sparks and Reno bands included in the line of march.

Each float will have a special street from which to enter the parade.

Fresno vs. Nevada

At 215, grads especially will gather at the football field to see the old alma mater meet the Bulldogs in the highlight of the three-day celebration. The band and Blue Peppers will have some special stunts for the spectators.

Climax

Climaxing Homecoming will be the alumni banquet at 7 p. m. and the dance at the State Building afterwards. Ruben Tuttle's ten-piece orchestra will furnish the music.

All awards for floats, house decorations and other contests will be made at the dance, with Senator Pat McCarran presenting a sweater to the most outstanding football player of the afternoon game. The player will be chosen by the press box judges.

Best Blocker

Few Fresno players will be able to break past the Wolf secondary if little Dick Taylor is in the game. Taylor is small, stocky and rugged. Past performances show him to be the best blocker of the entire Nevada squad.

Driller

Emerging from nearly every pile-up of the center line is Nevada's fighting Ted Demosthenes, hard-working center. He's a terrier on offense, but hasn't quite been able to stop an opponent's pass, as can few of the other Wolves.

Fiery Wingman

Big "Red" Sala is playing his second year on the Wolf Pack. He's steady, aggressive, but shows traits of inexperience. Sala is good at pulling out for passes and blocking.

Tommy was listening to some of his sailor uncle's adventures. "You see, sonny, I always believe in fighting the enemy with his own weapons," said the uncle.

"Really?" gasped Tommy. "How long does it take you to sting a wasp?"—Widow.

CAMPUS CAMERA

"PAT" O'DEA

WHO AT THE UNIVERSITY OF WISCONSIN IN THE EARLY '50s ESTABLISHED HIMSELF AS ONE OF THE GREATEST FOOTBALL SIDES OF ALL TIME, RECENTLY EXPOSED HIS REAL IDENTITY AFTER HAVING CHANGED HIS NAME IN 1914. HE WAS BELIEVED TO HAVE BEEN KILLED IN THE WORLD WAR. O'DEA'S KICKING FEATS HAVE NEVER BEEN DUPLICATED. HE FREQUENTLY BROKE THE MORALE OF OPPOSING TEAMS WHEN, WHILE IN FULL STRIDE WITH TACKLES CLOSING IN ON HIM HE WOULD MARCH A FEW STEPS TO THE SIDE AND DROPPED THE BALL 60 OR 70 YARDS FOR A GOAL. IN 1898 AGAINST NORTHWESTERN HE KICKED A 62-YARD GOAL DURING A SNOWSTORM. THE FOLLOWING YEAR HE PLACEKICKED AGAINST ILLINOIS 57 YARDS. MANY OF HIS GOALS WERE MADE FROM DIFFICULT ANGLES.

U. of N. Represented At Chapel Exhibit

The University of Nevada was very well represented in the art exhibit held at St. Stephen's chapel yesterday.

A painting of Dr. B. F. Chappelle, head of the department of modern languages, done by Hans Meyer-Kassel, prominent Reno artist, was represented there. Hans Meyer-Kassel has painted several pictures of presidents of the university, which are now on the campus.

A small painting belonging to Professor John R. Gottardi, and painted by Cliff Segerbloom, was one that caused much comment. Cliff Segerbloom is a former student of the university, and is a student of Robert Caples.

Robert Caples, whose drawings hang in the university library, was also well represented. Critics commented upon his painting of a storm as being a "chiaroscuro which deals with light." Other artists represented are: Do-

lores Samuel Young, Zell Key Piersoll, Emily Hilliard, Margurite Donovan, Merle Singleton, Minerva Pierce and Lillian Borghi.

REQUIREMENTS HIGH FOR SWIMMING AWARDS

Candidates for senior life-saving certificates among university students this year will find the test much harder to pass because of changes in requirements made by Red Cross life-saving officials.

All candidates will be required to be able to swim one-quarter mile, must know the side stroke, free style, back crawl, and the breast stroke.

These new requirements make it necessary for all possible candidates to have had a course in swimming; and will naturally greatly decrease the number of swimmers who pass the test.

"These new regulations will make the number of candidates receiving certificates much smaller," Mrs. Simas said. "When the certificates of the members of the Red Cross life-saving corp expires they will all be required to pass the new test."

The Red Cross recently has published two books which will help the lifesaver and the swimmer, Mrs. Simas said. "Life-saving and Water" was published in 1937 and "Swimming and Diving" in 1938.

QUICK CHANGE

A man somewhat under the influence of good-fellowship attempted to pass through the revolving door of a restaurant. Each time he entered, he made the complete round and found himself in the street again. After several unsuccessful attempts he sat down on the pavement to work things out.

A moment later a young man walked rapidly up the street and went in. The door went around and a young woman came out. The inebriate was puzzled. "What gets me," he remarked, "is what the devil he did with his clothes."—Exchange.

Little Waldorf

Alumnus Seeks Education Office

Prominent Campus Figure Graduated in 1930 From U. N.

Leonard W. Sledge, one of the youngest Nevada alumni seeking an elective office, is the only graduate of the university running for the position of State Superintendent of Public Education.

Sledge graduated in 1933, and immediately thereupon became active in the educational field in Nevada.

He taught for several years in both elementary and secondary schools of the state, and in 1935 was appointed deputy superintendent in the state department of education by the late Chauncey W. Smith.

University Activities

While attending the University of Nevada, Sledge was active in many campus activities. He served as mayor of Lincoln Hall, was a member of the band and orchestra, and was elected to membership in the national honorary fraternity, Blue Key.

He also held memberships in Mask and Dagger, Campus Players, the Clocia Forensic society, and the debate team.

Other Schools

Besides graduating and doing graduate research work in education at the University of Nevada, Sledge has done graduate work at the University of Washington and at U. C. L. A.

He is seeking election to the state superintendency of public instruction as a non-partisan candidate.

ADMISSION DAY DECLARED LEGAL HOLIDAY

When Governor Richard Kirman proclaimed Admission Day, October 31, a holiday, he also proclaimed that all state offices, courts, schools and the university will be closed on that day.

Now, to the majority of students in the university, that means either a day at home with the folks or rest and relaxation. But not so with the University of Nevada band, and their accomplices in music—the Blue Peppers. The musical department of the university has quite a large week-end. On Friday morning they all entrain to Stockton to boost the team in their game with College of Pacific on Friday night.

Part of the band will come home the next day, and the remainder will struggle home whenever they can. But when they all do come home they will again have to pack their instruments and go to Carson, either by train or car, to participate in the Admission Day program.

At 10 o'clock on Sunday morning the university band, followed by the Blue Peppers, will march in the Admission Day Parade. The will be one of five bands that will participate in the event. In the afternoon the band plays for a W. P. A. pageant that has approximately 800 people in its cast. This program is finally closed after the Blue Peppers sing the "Sagebrush Hymn."

SPORT EXHIBITS TO BE AT NEW YORK FAIR

At the New York world's fair of 1939 one of the main attractions for male members of the crowds, and especially the younger males, will be the Academy of Sports exhibit of some of the legendary trophies of American athletic history.

Among these will be the Davis Cup in tennis; football's Little Brown Jug, contested for since 1903 by the Universities of Michigan and Minnesota and now held by the latter; Babe Ruth's famous uniform with the "3" on it he wore during his Yankee career; a section of the historic Yale fence; the Sugar Bowl, annual award for the New Year's football game at New Orleans, and the trophies and belts won by James Braddock, Jack Dempsey, Gene Tunney and other heavyweight champions of the world.

BOYLE NAMED COACH AT S. F. STATE

Richard Boyle, one time leader of "Slip" Madigan's Saint Mary's Galloping Gaels, was named last Friday as San Francisco State's new football mentor.

"Bouncing Dick," as he is commonly called, will be the "head man" when the "Staters" meet the Wolf Pack on Mackay Field on October 5.

Boyle was twice named on the official All-American football team during his four years of competition at St. Mary's College, and succeeds Dan Farmer as head coach of the coast school.

COLLEGE STUDENTS PREFER COFFEE MOST

What does the average college student prefer most at his meals?

Psychologists investigating this question have found that, next to coffee, students prefer hot-cakes and maple syrup for breakfast, and milk or coffee with steak, topped with apple pie, for dinner.

Whether this applies to University of Nevada students was not known as such a survey has never been taken at the university, the psychology department stated.

Registrar Reports Plenty of Cinches

Gloomy Monday! Blue Tuesday! and Bluer Wednesday! ! !

A sudden flurry of books, a new determined look on students faces and a general atmosphere of study and more studying. The reason? Cinches are coming and according to the registrar they are plentiful, more plentiful than than for many semesters.

Mrs. Jeannette Rhodes, the registrar, announced today that the delinquent notices would be in the mail not later than Tuesday and if present difficulties could be ironed out that they would be delivered earlier than that.

All fraternities and societies are making elaborate preparations for punishing their delinquent members and giving them the added incentive for pulling the grade up to a good average. The most common form of punishment lies in study tables, fines, and the most effective of all, swats.

HOSSAIN VIEWS HIS TWELFTH HOMECOMING

"Whoa, Napoleon." As Hossain Afghan's ice-cream wagon creeps to a stop, it is surrounded by students, clamoring for ice cream, popcorn and candy.

"Justa think," Hossain exclaims, "Homecoming she a be here, and it makes me so excited as a kid. I haf been here a twelve years, and each year I getta warm spot in my heart for all my old frans." "Business, she a no a can be better, everybody they abuy from ole Hossain. Even my horse, she a feel justa like a little colt when Homecoming is a here. Everybody they have a good time, everyone is happy like hell." "Giddap, Napoleon."

Beta Sigs Will Sell White Corsages Tomorrow

Corsages of white chrysanthemums decorated with blue "N's" will be sold by members of Beta Sigma Omicron sorority tomorrow.

The sales will start approximately at 9 o'clock Sturday morning and will continue until after the parade. Orders from various sororities have been placed for mass delivery of the flowers to their houses. No flowers will be sold at the game.

In the past, these corsages have been very popular with the coeds and the downtown people who are by no means immune to the "Homecoming spirit."

English Group Entertains at Banquet

Members and alumni of Cap and Scroll, national women's honorary scholastic organization, were entertained at a banquet last week. The affair was held at the Grand cafe and a short business meeting was held in addition to the entertainment.

PUNS AND FUN

At a dinner recently a man sitting next to a lady was, to say the least, inebriated. He leered at her and commented: "Shay, you're the homeliest woman I've ever seen!"
With a show of spirit she replied: "Well, you're the drunkest man I've ever seen!"
"I know, madam," the souse answered, "but I'll get over that in the morning."

Drunk (looking down at moon's reflection in water): "Say, what's that I see down there?"
Cop: "It's the moon."
Drunk: "Well, how in hell did I get away up here?"

"Last night I had an awful pain in my arms."
"Who was she?"

When all your intimates have gone astray,
And the whole horizon seems to bleak and gray,
In loneliness you sadly realize only then
That money is your truest friend.

"We Back the Pack"

Alumni Banquet Scheduled Tomorrow Night at Riverside

Nevada alumni, honored guests of the annual Homecoming celebration, will hold their banquet tomorrow night in the Riverside Hotel at 7 p. m. sharp, committee members stated today.

Dr. L. W. Hartman, acting president of the university, will be the honored guest at the banquet and will give a short talk during the course of the evening.

Other features of the meeting will consist of a few skits put on by a number of young ladies under the able direction of Miss Ruth Ryan, who had charge of the women's chorus in the Wolves Frolic.

Delphine Truelove and Mrs. Lula Grimmer will render a few vocal selections, and Dud E. Day's rodeo band

of miniature cowboys will top the entertainment.

Alan Bible, president of the Alumni Association, has charge of all arrangements and will preside over the business meeting. A regular business meeting will be held, with the election of new officers being the highlight of the meeting.

All those who fail to register at the registrar's office will be able to do so at the banquet, it was said.

Eva Adams, instructor in the English department, is confined to her home with the mumps.

CLUB FORTUNE

DRAPING the Frame

DO YOU REMEMBER GRADS?

How in the eighties you demurely gazed at the many students of dear old U. of N. and meanwhile worried and wondered if all your stays were in place or if they were managing to give you credit for a few bones you never had known you owned. . . .

How in the nineties you envied from afar the chosen few feminine scholars who dared to enter the university as students, dashing off class notes mid jabs at rebellant leg of mutton sleeves that so often refused to keep their puff. . . .

How in the early nineteen hundreds you scurried from home to campus, all the while holding off a maddening hat veil that insisted upon tickling your nose. . . .

How in the too often vacated-by-the-male-of-the-specie classes of those war laden days, you gazed out the window and wished that a someone "over there" could see you in your "newest" spats or the way your latest hairbow or "hat" changed your looks even though it did manage to let "strand, here and there, fly in the slightest breeze and sometimes had a way of slipping. . . .

How in the gala days that brought the long-awaited ones back from over there, you anxiously gave a last turn or tuck to your rolled stockings and hoped that they wouldn't fall at a crucial moment. . . .

How in the boom days of the twenties, when added luxuries became fads and you just had to have anything "new" in the line that would enhance your beauty, you instituted the great American gesture in the well-known girldie hike. . . .

AND STUDENTS,

Will you remember in days to come how we stick and pat those restless short wisps off our necks in the up-swing hair-do. . . .

How we hug ourselves in anxiety the first time we wear a strapless evening gown. . . .

How we misjudge the first few steps in our "platform" soled shoes; how we slave each night over our all-round pleated skirts to keep the pipers from their daily round of chance to criticize. . . .

How we apologize to each belated male who remembers us for the job in the eye our best feathered hat as given him at least five times each dance. . . .

So we constantly and quietly curse at the way our "doll hats" seem to have a mania for looping our hair between hat-back and band and giving the general public the idea that we are offshoots of the pin-head tribe. . . .

How we sneeze and brush at the flying fur from our baby-angora sweaters and how we shrink from ever dark serge or suit in fear of the wrath we know will be expended at the first touch. . . .

How we envied the girls whose legs really warrant the popular short skirts and how we succumb to frippery and wear them legs or no, pull them down conscientiously every time we make a lap. . . .

How we either nick back or peel back the polish that we wear out on the tip of our nails. . . .

How we snag our charm bracelets on every object or corner we come to. . . .

Will you remember, huh? . . .

Are you going on the "Special to Stockton?" . . .

You are! What are you going to take to wear? I'm going to take . . . a suit . . . skirt and jacket of wool, warm enough for the night air of the game and cool enough, without the jacket, on the train . . . low or sport heeled shoe; bag, and hat in contrasting colors to the suit . . . this outfit I can wear on the train and on Saturday at the game and on Sunday . . . a dress . . . of light wool, silk crepe, or velvet in black, the standby for any occasion, combine with a brightener of a jewel hue in either cut of the dress itself or in the clips I wear with it . . . this will be appropriate for a date on Saturday night or should the C. O. F. dance after the game warrant this much dress, it could be worn then with another same type dress tucked in the bottom of my bag for Saturday; with it I'll wear a doll hat, trimmed in the same contrast as is on my dress . . . black suede zephyr platform soled shoes . . . my sheerest stockings . . . suede gloves . . . carry one of the late fad bags that looks as though it were a letter addressed its owner . . . my only jewelry, a bright stone bracelet . . . should I decide on taking only one dress, another set of accessories would make this easily the right thing for two dates . . . with prosperity taking me to San Francisco after the game on Friday night. . . .

Travel Tip. If your best dress seemed to lay too well beneath your shoes in your bag and took on the appearance of a poorly pleated frill it's a good idea to hang it in the bathroom of your hotel room, let the hot water run until the room is steamy fog and let the dress hang out its weary look. . . .

At Nevada you say "Hello!"

Peppers Impress Chico Students

Since once upon a time, long long ago some of the staff members were law-abiding boyscouts and adhered to the rule "give credit where credit is due," we wish to pass along to you a bit of credit and praise that was printed in the Chico State paper last week in regard to the Blue Peppers and their activities during the half when the Wildcats tangled with the Wolves on our gridiron. "Several members of the football squad were quite impressed at Reno last Saturday by an organization known as the "Blue Pepper" Club. Made up of Nevada coeds, this organization is recognized as one of the most active upon the campus. It is distinctly a service and pep club emphasizing student support for all school functions. During the lull between halves of last Saturday's football game, about 80 of its members, gaudily dressed in the school's colors of blue and white, marched out, to the accompaniment of the Nevada band and sang the school songs of Chico and Nevada along with other drill and vocal work. Such entertainment would indeed be impressive on impending Homecoming Day.

VERSE and WORSE

SMALL MOUTHPIECE

"It's the little things in life that tell," said Dora as she dragged her kid brother out from underneath the sofa.

Captain: Now suppose you are on duty one dark night. Suddenly a person appears from behind and wraps two arms around you so that you can't use your rifle. What would you say?
Cadet: Let's go honey.

Uncle (to little girl he is bouncing on his knee)—Do you like riding on my knee?
Muriel—Not much. You see, I once had a ride on a real donkey!

Alice—What would you say to a girl who kisses every man she meets?
John—Pleased to meet you. —Exchange.

He—I want to know, once for all, who is boss in this house?
She—You'll be much happier if you don't try to find out.

What They Call It At Other Colleges

The Greeks had a word for it and so have the college women when they give special names to their clothes. Of course, "P. J.'s" for pajamas, "bras" for brassiers and "scanties" for under things are universal at all colleges but each college has a few original names of its own.

At Vassar the coeds call their girldies "squeezers," while at Purdue they call them "susans." "Sissy clothes" is the name given to tea dresses at Florida State and at the University of Oregon long dresses are known as "droids."

Iowa State calls soft felt hats "jammies," while Smith calls ankle socks "foeties," but in the south they call them "foh-spot."

At the University of California you call a classroom frock a "duty dress" and Bryn Mawr coeds call their Bunny jackets "gewgaws."

In eastern colleges low heeled Oxfords are called "flats," "gun boats," or "spaldings."

But name or no we still gotta wear em—so why worry?
Soaking the rich doesn't seem to soften them any. Take care of your pennies and your dollars will take care of the tax-eaters. An old-timer is one who can remember when testimonials were written about patent medicines instead of cigarettes. Query to pessimists: If you don't like this world, why don't you go back where you came from?

NOTICE

Because of the special train to Stockton, the Sagebrush will come out on Thursday next week. Every staff member get your assignments early Monday.

Blocker

Clyde Eaton is a transfer from Compton, where he starred as a linesman. Clyde followed his place-kicking brother to Nevada and, in his first season, is fighting for a first-string berth. He is a deadly blocker and a hard tackler.

Star

John Polish, first-string tailback, is on the sidelines this week with a twisted knee received in the Greeley game. John's absence in the backfield darkened Nevada's hopes considerably. He is a good punter, fast, and a smashing ball-packer, especially strong after using up all his interference.

Little Girl—Oh, look at our new radio.
Brother—Radio nothing—That's grandmother's coffin.—Exchange.

OH, DEAR!
When a piercing shriek of "Oh, my God!" broke off a matter-of-fact telephone conversation between a senior and his steady, the boy, terrified by the ensuing silence, called the police.
Fifteen police, armed with shotguns, sped to the house and found an unconscious girl beside the dangling telephone receiver. Revisited, she gasped: "He's still here in the house. He may be under a bed, or maybe in a closet. But he's still here. He ran right up to me. . . ."
"What did he look like?" interrupted the sergeant.
"Why, he looked like—like any other mouse, I guess—only more so!"

Nevada State Elks To Establish U. N. \$300 Scholarship

Establishment of a University of Nevada \$300 scholarship was the main business at a meeting of the Nevada State Elks Association last night. A committee was appointed today to work out details of the scholarship which will be about \$300 per year and which will be rotated among the six Nevada cities in which Elks lodges are located. The city at which the convention is held will name the recipient of the scholarship for that year.

LASSEN HIGH HOPES TO SURPRISE HUSKIES

Reno high school's state football champions will meet Lassen Junior College at Susanville, Cal., tomorrow afternoon.

Coach Ned Arnold of the Lassen High Grizzlies, today expressed optimism over the outcome of the game despite the fact that his charges have yet to win a contest this season.

Giving away a large weight advantage to their Nevada opponents, the Grizzlies will be further handicapped by the loss of Kimmie Hill, 175-pound hard charging tackle, who is the bulwark of the Lassen forward wall.

Coach Arnold announced his starting lineup for the game as follows:

Ends, Lowry and Eaton; tackles, Stampfli and Maurino; guards, Thomp-

Frosh Mentor

Freshman Coach Jim Coleman, whose 1938 Cubs met a 53-0 defeat at the hands of Compton Junior College today on Mackay Field. This is the Cubs' first defeat of the season.

NOTICE

All cross-country runners must be at the starting line in front of Sparks high school promptly at 9:30.

Hotel Clerk—Inside or outside room, sir?

Absent-minded Prof—Inside, I guess; it looks like rain.

son and Murillo; center, Elena; quarter, Nettles; halves, MacDonald and Terrill; fullback, Malfa.

Miss Amy Smith May Speak at U.N. Late This Semester

Plans were being made this week by Helen Shovlin, chairman of the A. W. S. executive committee, and Dean Margaret E. Mack, to contact Miss Amy Smith of Spokane, Wash., in an effort to obtain her as a featured speaker at an A. W. S. meeting to be held sometime this semester.

Miss Smith is the ex-secretary of the welfare council of women students at Spokane, Wash., and was one of the featured speakers at the Pacific coast convention that was held in Spokane last April.

"Dean Mack and I feel that if Miss Smith were brought to the Nevada campus she would be able to present many interesting facts about other college situations similar to our own," Miss Shovlin said.

If Miss Smith can not be contacted, other prominent women educators will be considered, it was stated.

ON THE HOUSE?

A temperance lecturer ended his speech with: "Some people dvocate total abstinence, whilst others suggest moderation. But, I ask you, my friends, what is the all-important drink question?"

Piped up some jock from the back of the hall: "What? you have?"

Send the 'Brush home.

Reserve End

Bob Fulton is long, lanky but remarkably fast for his size. Bob is playing his first season for the Pack and gives Coach Doug Dashiell a valuable reserve for the end position. He excels on offense, being a consistent pass-snagger.

Four Former U.N. Students Enroll At Northwestern

Four former University of Nevada students have enrolled at Northwestern University at Evanston, Illinois, it was learned here today.

Those from Nevada and the departments in which they are registered are: Reno—John Charles Becker, 237 West Third street, medical; Leo Walter Doyle Jr., 919 Humboldt street, medical.

Elko—Herbert Earl Harriman, 421 Court street, commerce.
Winnemucca—William George Abonies, 525 Garrison street, medical.

WELCOME BACK ALUMNI

"I just had to come to this year's Homecoming!"

The time has come again for all of you old Grads to return to your Alma Mater. We are glad to welcome you back. A special student committee has worked weeks to make this celebration one of the biggest and best ever.

Forget your worries . . . forget your cares . . . join in on the fun! Let yourself go . . . and after the celebration has come to a close you will go home feeling like a college man or woman again.

"Here I am to give my all for the Wolves."

Homecoming Through the Years

By DORENCE JONES

CQ, CQ, CQ, calling all years, calling all years!

The first year of Homecoming celebration, 1920. Invitations were mailed to all graduates urging them to attend this first attempt at bringing them together. Nearly one hundred answered the call. Friday night a football show was given at the Rialto Theater (now the Granada) between the comedy and main feature on the screen. Saturday the Wolves tangled with the Utah Aggies, giving the first Homecoming a good start with a victory of 21 to 0. The program was concluded with a dance in the gym, given by the students of Lincoln Hall.

The second Homecoming in 1921 brought a larger crowd of grads to the campus than the first one. Nevada thrilled its guests with a 27 to 7 victory over the University of Utah. Jimmy "Rabbit" Bradshaw cut loose for a 93-yard run for a touchdown. Between the halves, the students and grads rushed to the field and formed a perfect "N." The grads were well pleased with the second Homecoming.

In 1922 Nevada defeated Whitman College of Walla Walla, Washington, in a bitter struggle by a score of 37 to 7. All fraternities held open house during the two-day celebration. A dance in the gym was well attended Saturday night.

In 1923 the Desert Wolf, student magazine, made its first appearance on this Homecoming Day. Alex Cotter was the founder of it. This fourth Homecoming celebration also presented the first Wolves Frolic. The audience was well pleased with the humorous skits and Glee Club selections which made up this first performance. At Mackay Field the Pack was forced to play Santa Clara with a crippled team, yet it held the opponents to a 7 to 7 tie.

In 1924, the fifth annual Homecoming introduced a new feature; the Aggie students prepared on a large scale an agricultural exhibit, which brought forth many favorable comments. At the Wolves Frolic the faculty "stole the show" with their stunt entitled, "The Garden of Eden." At the game Saturday the varsity battled with the Arizona Wildcats in one of the hardest fought games in the history of the U. of N. to win 23 to 14. That night a large crowd showed up in overalls to attend the "hard-times" dance given in the gym.

In 1925 a huge bonfire rally was the commencing feature of the fifth Homecoming. Harold Hughes, high spirited yell leader of recent years, returned to the campus to cheer the ralliers to high enthusiasm. The enthusiasm did not lessen over-night, for at the game against Santa Clara the rooters yelled themselves hoarse. Nevada lost by a score of 20 to 7 but the game was thrilling from start to finish. The Frolic was postponed one week because the Rialto calendar was already crowded, but a play was given in its place at the Educational auditorium in a packed house. Marian DeReamer and Harold Coffin took the honors on this occasion.

In 1926 the first Homecoming parade was featured. Thirty floats worthy of commendation were entered, creating much interest among the spectators. A bigger and better Wolves Frolic, under the direction of Professor Charles Hase-man, was presented to an enthusiastic and appreciative audience. A bitter fight between St. Mary's and Nevada resulted in a score of 13 to 0, with the Gaels in the lead. Nevada was outclassed but she fought hard to keep the score low.

In 1927, Aggie and Engineers' Day combine at Homecoming time in order to make it a larger affair. The barracks building was decorated with silver and blue for the occasion. All the Engineering buildings were thrown open for exhibits. The first three-mile cross-country race was held this year, with Leslie Clover of the Sigma Nu taking the honors. Also for the first time a student body float was entered in the annual parade; Hank Worden, Walter Cunningham and Evelyn Anderson were in charge.

For the fourth time in five years Nevada tied Santa Clara. This time it was 7-7.

A tradition found its start in 1928 when the freshmen were required to bring boxes for the rally bonfire. In the parade and between halves of the football game Echo Morgan gave an outstanding performance with her trick pony. Saturday afternoon Nevada lost to the College of the Pacific by one point, with a final score of 7 to 6. Nevada scored when Jake Lawler recovered a fumble punt and carried the ball to the six-yard line, from which Murphy reached the goal in the next play. Between the halves the Kerak Temple Shriners presented a striking performance of their drill team.

In 1929 the Aggies and Engineers again combined to aid in the success of the tenth annual Homecoming. Special rates were given by the Southern Pacific to grads desiring to attend the celebration. The parade, which was led by President Clark and Governor Balzar, brought thousands to the downtown streets. The Wolves Frolic, with a cast of 250 students, and a record practice of six to eight weeks, was under the direction of Charles Hase-man, assisted by Ed Duerr. The green waters of Manzanita Lake provided a wet wash for the freshman or sophomores, the records didn't say which. In an exciting and hard fought battle, Nevada lost to Cal-Aggies, 19-0.

The occasion concluded with a banquet at the Odd Fellows Hall and a dance in the gym, at which time cups were given for the best floats, and for the winners of the horseshoe tournament. Dr. Clark donated the cup for

Sagebrush Files Tell of 17 Years Ago Yesterday

The University of Nevada Sagebrush edition of October 20, 1921, reveals that in the process of seventeen years the university has made great improvements and changes.

At that time the Sagebrushers (the football team now called the Wolf Pack) had left Reno for Logan, Utah, where they were scheduled to play the Utah State Agriculture college a football contest the following Saturday.

Excerpts: "On Saturday, the Silver and Blue warriors will play their second game away from home when they meet the pigskin chasers of Logan. The Aggies from Utah are out for revenge this season due to the 21-0 defeat the Nevada team handed them last year and from all accounts they may get it... So far, no comparison can be had of the relative strengths of the two teams. The only dope available is that the Big Blue team is not as strong this year as it was last, due to the loss of two of its stars."

"Friday, October 14, the regular A. S. U. N. meeting was called to order by President Reed in the auditorium of the new Educational building. The situation of the sale of last year's Artemesia was explained by the chairman of the committee. It is probable that the 1921 Artemesia was one of the best college books ever put by the students of this university."

"Varsity Football Schedule, 1921 — Picked team, Agentician Club, Pacific Fleet, University of California, Utah Aggies, St. Mary's, Davis Farm, University of Utah, Stanford and Whittier College."

the winning fraternity float.

In 1930 we have little record of this celebration except the happy reversal of scores with the Cal-Aggies. Last year it was a defeat of 19-0, but this year, in honor of Clarence H. Mackay, Nevada played an outstanding game to defeat their last year's opponents, 31-0.

The year, 1931, the "N" was illuminated for the first time with red torches. Both classes got scared and forgot to show up for the Frosh-Soph tug-o-war. Sam Arentz won the cross-country run for Sigma Phi Sigma. The Wolves tackled a different team this year, Fresno State, and showed their mettle for the grads by running up a score of 31-13. Shriners from California, Nevada and Oregon brought drill teams and performed between the halves.

For the parade Sparks, Reno and Nevada bands combined to form a 200-piece band. Lambda Chi had the best fraternity float and the Campus Players the best organization float.

A note of sadness was added to the celebration by the death of Clayton Byer and William Herbert who were killed on the way to Homecoming.

Nevada again fought their way to victory in 1932 with a score of 16 to 0 over the Cal Aggies. Tom Cashill made a drop kick of 65 yards, the longest in U. S. football history.

The highlight of the 1933 celebration was a reception for A. A. Staggs, the "Grand Old Man" of football. He was presented with a bar of silver bullion by Governor Balzar just before the game. Then the Wolf Pack went out and fought their hardest to defeat his team 7-0.

In 1934 Shell Oil presented fireworks for the first time for the bonfire rally. The mechanical and engineering laboratories placed on exhibit, weird, marvelous contraptions equal to those in the World's Fair at Chicago. The engineers' rock drilling contest was won by Fayette Hill, '38, who did 16 1/2 inches in five minutes. The field meet was in five minutes. No Sophomores showed up. "Rcsh" Hand, A. T. O., came in first in the cross-country race, doing it in 21 minutes, 59 seconds. The parade marshaled by Scabbard and Blade was the "best yet." As an anti-climax to all this festivity the Pack went down to an ignominious defeat of 10-0 before an audience of 5,000 alumni and students.

The Wolves Frolic in 1935 featured an "Ode to Football" for the theme with 21 fine acts, among them being an alumni quartet composed of Roy Marithew, T. H. Post, Vernon Arm-

THE 1938 WOLF PACK

These are the Wolves that will shoulder the fate of the Silver and Blue tomorrow afternoon against the determined Bulldogs from Fresno. Weeks of hard training, long hours of practice every afternoon has built them up to their peak of condition for the most-sought-after prize of the season—the Bulldog carcass. It is a deserving squad of men and coaches—true Nevadans to the very last sub.

strong and Mark Ferris. The engineers' contests were won by Guy Morris, drilling; Forest Rhodes and Norman Nelson, chaining, and George Francis, slide rule. "Rcsh" Hand won the cross-country race for the second year. A letter printed in Old English was sent to C. H. Mackay inviting him to attend this sixteenth annual Homecoming. Before an audience of 6,000 the game was lost, 7 to 6. Trophies presented by the merchants this year cost \$100.

In 1936 Clarence H. Mackay gave the signal to light the bonfire by postal telegraph. Four hundred or more grads swarmed the bleachers to join in the spirit of the rally. Louis Weiner and Sam Sackelm led the yells. Once again the crowd was thrilled by the illumination of the "N." The frolic was larger than ever, with 22 skits. The cross-country run was won by Tillie Botti, A. T. O. With 6,000 in the grandstands Nevada defeated Idaho, 7 to 6. We scored when Johnny Oht passed to Sockie Basta, who in turn lateraled to Bill Grubbs, who ran 30 yards for a touchdown.

For the first time in history a girl led the 1937 Homecoming parade; Kathleen Meeks, honorary major, up in front with Captain Basil Kehoe. The prize winning floats were presented by Tridets for the sororities and S. A. E. for the fraternities.

After a great deal of worry, the Wolves Frolic proved to be a huge success. Nearly every organization contributed a skit or number. Leslie Leggett and Rube Tuttle brought down the house with their trumpet-trombone duet. Mark Nezbitt and George Beattie also brought extended applause with a piano duet. Nevada lost the football game to the College of Pacific with a score of 7-3. The result, C. O. P. took the coveted "bell" with them on their return home. Two heroic attempts were made by our men to gain a touchdown; Ray McMichael ran 94 yards to come within three yards of the goal, and Bill Grubs ran 65 yards from a C. O. P. fumble and crossed the goal line, but was called back by the referee. Were we disappointed, I ask you?

"I DON'T REMEMBER"

Memory of things seen and heard during excitement is unreliable. To prove this, a professor of an eastern college staged a fake riot to frighten and surprise his class. Four persons rushed into the classroom, fought with one another and smashed furniture for 30 seconds and then rushed out. Questioned, only three of the 29 witnesses even knew how many persons had entered the room.—Collier's.

Thrift, a wonderful virtue in ancestors.

DO YOU LIKE IT?

In many South American movie houses when patrons do not like a picture, the film is stopped at once and another started. When patrons want to see a scene again, it is run over and over until they are satisfied.

CHAPEL SERVICES

The Sunday services at St. Stephen's chapel will be sung by the chapel choir, featuring old music of the Episcopal church.

Homecoming alumni will be welcome to any of the services.

PACK, FRESNO CLASH TOMORROW

By JIM DUFRATT

Tomorrow's game with Fresno State will be the crucial game for the Wolf Pack. A win over Jimmy Bradshaw's Bulldogs would mean more at this stage of their schedule than a win over St. Mary's meant to the team last year.

Under-estimation of the opponents' ability and cleverness, coupled with some tough breaks can be laid as the direct cause of the defeat. The players, however, have taken the right attitude toward the defeat, having brushed aside its demoralizing effect, and are spending all their efforts preparing for the Homecoming game.

We hear that Doug Dashiell's famed southern composure took an awful beating when the game officials sided with the Colorado team. The team was penalized 15 yards once when he ran out on the field to protest an official ruling. From what we gather, though, 15 yards was a slight penalty compared to the regular "field day" the officials had at the expense of the Wolves...

The returning lettermen from last year's Far-Western Conference championship squad are Bob Cameron, John Etchemendy and Gordon Thompson, forwards John Radovich, center, and Ray Waldren and Ray Harris, guards.

Sacramento Junior College is expected to furnish its usual quota of potential varsity material; and big, rangy Lee Conway from last year's Cub team will probably give the veterans plenty of fight for a starting position, Martie said.

As it is, the game today was almost Compton against Compton as five members of the freshman team are transfers from that junior college, playing against their former teammates.

The Nevada wrestlers are taking steps to have their sport adopted as the one of the many minor sports on the campus now. By no means do we want to discourage this action as wrestling is fine athletic training for the college student, and the students out for wrestling are greatly interested in it, as indicated by the number now on the team.

There is no college competition within a short traveling distance and the trips would be a greater cost, not forgetting the guarantee necessary to bring other teams to this campus in return matches. The adoption of wrestling as a minor sport would be entirely impracticable.

In its stead why not revive the defunct boxing, which is now installed as a minor sport, according to the A. S. U. N. constitution. It is almost directly related to wrestling and would prove to be much more popular, both to the students desiring to participate in boxing matches, and the fans to witness the boxing matches.

If handled right, and a good instructor obtained, we predict it would again reach the popularity it enjoyed on this campus a few years back when Nevada was noted for its boxers, and regular intercollegiate tournaments were held here in the gym.

It would be a practical sport and equipment would be comparatively inexpensive. Before long it would be self-supporting, and might prove a means of raising some much needed money for the athletic department. The success of last year's Stag Nite is a good example. The show was not only high entertainment but profitable as well.

Reports from San Diego State College inform us that Coach Leo Calland has a deadly passing attack developed out of his Aztecs. In two conference games this year they completed 11 out of twenty passes attempted. They also have a classy razzle-dazzle type of play that makes them not only dangerous but a very colorful team. The San Diego State game will be the last on the schedule for the Wolf Pack this year.

Martie Undecided As Hoop Season Opens Next Month

Four Starters Gone From Last Year's Title-Holders

"With four of last year's first string gone, Nevada's chances of having a successful basketball season this year are very slight," J. E. Martie, head of the physical education department for men and varsity basketball coach, said this week.

"A team can't lose such men as Kolbus, Robb, Bawden and Radetch and still go on winning championships," Martie said. "However, the outlook is not entirely black as we have six lettermen coming back, possibly a few junior college transfers, and two or three likely-looking prospects up from last year's frosh."

Six Lettermen The returning lettermen from last year's Far-Western Conference championship squad are Bob Cameron, John Etchemendy and Gordon Thompson, forwards John Radovich, center, and Ray Waldren and Ray Harris, guards.

Sacramento Junior College is expected to furnish its usual quota of potential varsity material; and big, rangy Lee Conway from last year's Cub team will probably give the veterans plenty of fight for a starting position, Martie said.

Tour Planned A barnstorming tour, including either Los Angeles or Vancouver, British Columbia, has been tentatively scheduled, Martie said. The trip would last from January 1 to January 7.

Last year the Pack completed the season with four losses out of fourteen contests, and with the Far-Western Conference basketball championship.

TAUS LEAD GREEKS IN INTRAMURAL TOURNEY

With a 100 point lead, Alpha Tau Omega again threatens this year to hold the Kinnear revolving trophy, athletic award presented annually by the physical education department.

A total of 140 points has been made by A. T. O., who annexed the inter-fraternity volleyball crown, horseshoe doubles, horseshoe singles, and tennis singles championships to take the lead over all other fraternities.

Snakes Second In second place for trophy points is Sigma Nu with a 40 point total, Sigma Alpha Epsilon with 32½ points and Sigma Phi Sigma with 27½ points are third and fourth, while Lambda Chi Alpha and Lincoln Hall have 17½ and 10 points each.

However, it was stated, a total of 442½ points have yet to be divided among the fraternities this semester. One hundred points are awarded for basketball, first place, 60 points for second, 40 points for third, 20 points for fourth and ten points for fifth place in the trophy rating.

Cross Country Next In the cross country race 60, 40, 20, 10 and five points are awarded, while tennis doubles are given 40, 20, 10, 5 and 2½ points on the trophy rating.

Fresno-Wolf Tilt Not Broadcast

The Fresno-Nevada Homecoming tilt will not be broadcast over KOH but, instead, will be transmitted by the Reno station to four coast stations that will broadcast the play-by-play account of the contest.

A commercial net-work at the time the game is being played prevents the broadcasting of the annual Homecoming classic over KOH, radio officials stated this week.

Coast stations that will broadcast the direct sideline accounts of the game will be KFBN at Sacramento, KWT at Stockton, KMJ at Fresno and the Bakkersfield station.

Meeting of the Sagebrush Business Staff, Monday at 12:55. ROSS T. MORRIS, Business Manager.

OLD FOLKS AT HOME

Mat Men to Ask For Recognition

An amendment to the A. S. U. N. constitution providing for the recognition of wrestling as a minor sport will be presented to the university students in the near future by the exponents of the mat sport.

Pending the presentation and approval of the amendment, the wrestling team is working out at the gymnasium under the coaching of Joe Moore and Frank Rosachi. The activities of the team are being handled by J. E. "Doc" Martie, director of athletics.

The grunt and groan artists are holding diligent practices twice a week at present, and plans are going ahead to schedule two additional weekly sessions. There is a quantity of experienced material in suits at each meeting and, according to the coaches, should give any group of competitors a grueling series of matches.

A number of coast schools, including the University of California, Sacramento J. C. and Los Angeles J. C., have made queries as to the possibilities of scheduling matches.

Among experienced men out for practice now are Tom Bryce, heavyweight; Frank Rosachi and Pete Della Santa, lightweights; and Jed Dxborrow, Ben Cardinal and Joe Moore, middleweights.

Conference Teams Continue Title Playing

Play in the Far Western Conference is slow in getting under way, with only one tilt played within the league when Nevada downed Chico State, 22-0, on Mackay field.

In non-conference games played by league members last week, Chico defeated S. F. State College, 14-6, while College of Pacific swamped the California Ramblers, 28-0.

Nevada conceded a 27-13 victory to Greeley State and the tilt between Cal Aggies and Sacramento J. C. was postponed.

Bradshaw Returns to Alma Mater As Coach of Wolves' Opponents

Seventeen years ago James "Rabbit" Bradshaw played his last Homecoming football game for the University of Nevada. Tomorrow he will bring his Fresno Bulldogs on Mackay field to defeat the Wolf Pack of his alma mater.

Excerpts from the Sagebrush files of November 3, 1921, describe Bradshaw as he was when Nevada was preparing its second Homecoming gridiron contest.

Slippery "Jimmie" or "Rabbit" as the Pacific coast newspapers would have him called, is the oog around which the Nevada varsity works. He is a 10-second man, as slippery as an eel and is reputed to be the hardest man to stop

Broken-Field Man When Bradshaw played his senior year on the Nevada gridiron his ability as a broken field runner aroused the attention of Malcolm McLean of the Chicago Evening Post, who later selected the "Rabbit" on his all-Western American football team. Walter Camp also chose the Nevada athlete to head his fourth all-American eleven.

Stanford Coach After completing his education, Bradshaw was a member of the Stanford coaching staff. Following several good seasons with the Indians he became head coach of Fresno State College—Nevada's opponent tomorrow. Last year Bradshaw's Bulldogs were winners of the Far Western Conference championship.

Another feature will be a story concerning Nevada's coaches, Dashiell, Scranton and Keller, with a short record of their former accomplishments, and pictures of the three.

It also includes a story outlining the activities of the university band and its auxiliary, the Blue Peppers, and pictures of both.

According to Dalzell, this is an outstanding program and should be obtained for complete information by everyone attending the game. The programs will be on advance sale downtown during the parade Saturday morning.

Grads--Do You Remember These

Time staggers on, and with Old Man Time there goes down in history the records of forgotten track meets. When this university was a mere infant a surprisingly number of good records were placed in the hall of fame; records at which the erstwhile athletes of our present day can aim for.

Dashiell Says Pack Has "Long Chance" To Win

LEADS AGAIN

BRADLEY TO LEAD PACK AGAINST FRESNO

Harry "Pop" Bradley, lanky tackle, will captain the Wolves in tomorrow's game with the Fresno Bulldogs, Coach Doug Dashiell announced this week.

This is the second game Bradley will have been captain of this year, having already led the Wolves in the season opener against Idaho State.

Bradley probably is the last of the four-year lettermen at Nevada. Starting before the three-year ruling went into effect, Bradley lettered as a freshman. He stayed out of school for a time, which is the reason he still is eligible.

The lanky tackle has an impressive record built up playing for the Wolves. Though he never received all-conference rating, he has been awarded honorable mention.

First Injured

"Chuck" Whitham, tailback, will see no more action on the gridiron this season. Whitham can be seen making his rounds with a pair of crutches as a result of a seriously twisted knee sustained in the Idaho game.

Wolf-Bengal Game To Be Broadcast Five Packsters Receive Injuries

Five men—three of them first stringers and two valuable reserves—will watch tomorrow's game from the sidelines because of injuries.

"Chuck" Whitham, the first and the most seriously injured, was the starting quarterback in the Idaho game. He caught a pass in the fifth play of the game and was carried off the field, out for the season with a twisted knee.

Bill Pecole followed him with a pulled muscle sustained in practice. The leg has refused to respond to treatment and Bill still hasn't been able to report for practice.

Ray Garamendi, husky tackle, injured his knee in the Chico game, and another first-string man was forced on the bench—a position Ray seldom has played—by injuries. He still is on crutches. When he will return to the lineup is still undetermined.

In the Arizona game, Pete Inson tore the ligaments in his foot, and Dashiell had to hunt up another reserve right half. His supposedly week lay-off has stretched to two and he still is unable to report for practice.

Johnny Polish, first-string tailback, joined the "jinx" ranks when he was carried from the field in last week's game with Colorado State with an injured knee. Coach Dashiell reported yesterday that he will be unable to play at least until the Aggie game on November 5.

Polish Out; Backfield Is Completely Revamped

The annual Homecoming classic will pit the University of Nevada Wolf Pack against Jimmy Bradshaw's highly rated Fresno Bulldogs on Mackay Field tomorrow. Kick-off is scheduled for 2 p. m.

Harry Bradley, three-year letterman and right tackle has been selected by Coach Dashiell to captain the Wolves in tomorrow's game.

Returning from Colorado, where they were upset by a surprisingly strong Colorado State eleven, the Wolves this week, their spirit and moral undaunted, prepared for the invasion of "Rabbit" Bradshaw's grid machine.

Fresno is noted for its fighting teams and Dashiell plans to meet fire with fire, stating he will start the eleven men who will fight the hardest.

Appearing slightly optimistic despite last week-end's heart-breaking loss, he still concedes Nevada a possible victory over Fresno.

"We have a long chance, but a fighting chance and this team has showed it knows how to fight," Dashiell said.

Crippled Pack It will be a crippled pack, however, that Coach Dashiell will field to fight off the thrusts of the Bulldogs, who are rated the best team in the conference this year.

The replacement of Johnny Polish, star sophomore tailback, injured in the Colorado State fracas last week, has caused the coaching staff deep concern lately.

Because of his loss, the lineup in the backfield has been completely revamped. Barrett has been shifted from his left end post to learn the fullback assignments. Roberts has been moved from quarter to tail-back, and Walt Powers has been forced to learn the plays for both the tail-back and the high half-back spots.

Bill Kirkendall has learned the plays for the left half position so that his services would be available if needed in that spot.

Intact Line The line has remained intact with the exception of Clyde Eaton being shifted from left to right guard to build up the reserved strength of that position. The other spots in the forward wall still retain their early season strength, having evaded, somehow, the injury jinx that has taken its toll in the backfield.

Football critics have rated this season's Bulldog outfit the best in the history of the school, and their showing so far indicates they have a better team than the one that sailed through the Far-Western Conference last year without a defeat.

The loss of Ken Gleason, all-conference back last year, apparently hasn't weakened the Bulldogs scoring punch at all. Little "Toby" Heeb who cut up Mackay turf last year with his clever and elusive running, is back again and better than ever, handling his left-half position like an All-American.

Running Mate His running mate, Ernie Poore, is second only to Heeb in ball pacing ability and the two playing in the same backfield give Fresno the most dangerous scoring combination in the conference.

"Raider" Radka, all-conference lineman last year, is above his usual form and reportedly heading for national recognition. He is a very effective running guard and backs up the line on defense.

Nevada's starting line-up for tomorrow's game will be Galloway, left end; Spitz, left tackle; Robinette, left guard; Demosthenes, center; Brooks, right guard; Bradley (captain) right tackle; Sala, right end; Powers or Beleso, right half; Roberts or Powers, left half; Carpenter or Taylor, quarter, and Vinson, fullback.

Fresno's starting lineup, as received this week, will be: Pearson, right end; Alexander, right tackle; Radka, right guard; Bronson, center; Hanson, left guard; Morris, left tackle; McClurg, left end; Stoddard, quarterback; Poore, right half; Heeb, left half (captain), and PePterson, fullback.

FROSH MEET COMPTON J. C. GRIDDERS AT 2 P. M. TODAY

Undeafated Frosh to Play Third Game This Season

With a record of two hard-fought deadlocks under their belt, the Nevada freshman football squad will go into action this afternoon at two o'clock against a highly-touted Compton J. C. eleven on Mackay field.

Hope for a victory waned slightly this week with the loss of hard-playing Jim Gittens, center, who suffered several cracked ribs in scrimmage. The team has no regular substitute for the pivot spot.

Cubs Good on Defense Defense is the strong suit of the yearlings, only one touchdown having been made against them all season. The line is an almost immovable bulwark, as difficult to penetrate as the traditional brick wall. Records show the pass defense of the cubs also is excellent, with only a very few passes being completed for small gains.

The two-man coaching staff is not very optimistic about the offensive thrusts of the club, however, as no particular aggressiveness has been shown in the last two games nor on the field of scrimmage. The frosh have been rather lax while in possession of the ball, but tighten up when threatened, according to Coleman.

A very tight game is the expectation of the coaches, both teams relying heavily upon hard-hitting ground plays rather than the open, razzle-dazzle method. Both elevens carry more weight than some varsity teams, and plan to use it to an advantage.

The Junior Wolves are sadly deficient in substitutes, some spots being only one man deep, or in the case of the center position, no football player at all. On the contrary, the substitutes of the Jaysee 31-man squad play almost as good ball as the first string.

Starting for the frosh at left end will be Bud Reynolds, 160, a small but aggressive pass receiver who shows up exceptionally well on defense. The left tackle position will be held by Vince Shea, 190, who plays a steady game, although not as aggressive as he could be.

At left guard will be Wesley Schlager, 190, who is one of the most aggressive linemen on the team. Right guard will be taken by Bob Meacham, 175, whose chief attribute is backing up the line, but who is not always on the alert and inclined to be easy-going on the offense.

Art Korngebel, 195, will fill the right tackle berth. He traditionally turns in a good offensive game but is inclined to rest when the other team has the ball. At right end will be Hugh Smithwick, 175, who has been injured most of the season but shows potential ability as a wingman.

Mainstay of the club, Clark Guild, 190, will take the field at tailback. Although he has shown flashes of excellent play, Guild is weak in the blocking and tackling departments. Cod Alexander, 155, a hard-hitting blocking back, will fill the right half position. The other wingback spot will be occupied by George Frey, 170, a superior blocker and tackler.

At fullback, hard-driving Bob Pilla-fant will call signals. He is a good team-man and does a first-class job of backing up the line on defense.

SAN DIEGO PLAYS LAST HOME GAME

On Thanksgiving Day Nevada plays its last home game for the 1938 season when it meets San Diego State College.

Coach Leo Calland of San Diego State has a winning team this year, having lost only one game to Pomona College, 9 to 0. Up until this defeat the "Aztecs" were champions of the southern California conference.

The last conference game for the Staters is slated for this weekend, when they face the cellar-dwelling Bulldogs on the University of Redlands field. This will not only be their last conference game this season, but their last game as a member of the southern conference.

The Aztecs have had a string of injuries, weakening their entire squad. In the last few games, Coach Leo Calland has had to start a team composed largely of second-string material, and has not been able to scrimmage much in the last few weeks for fear he will injure his remaining players.

Block 'N' Receives Fall Remodeling on Saturday

The fall white-washing of the Block "N" on Peavine mountain was brought to a cold, blizzardy, but satisfactory conclusion by the class of '42 Saturday morning.

Speed was the primary objective and as a result the frosh co-eds were enlisted for the bucket line on the steep incline. The yearling boys concentrated their efforts on applying the whitewash, thus excessive exposure was avoided.

The men's upperclass committee was on hand and listed 110 freshmen as being among those failing to report for duty.

Following completion of the work at hand, all and sundry moved down the hill to partake of refreshments consisting of cokes and hot dogs, which were provided by the first year girls.

On the campus it's "Hello!"

Jaysee Team Has Weight Advantage; Large Reserve

Fielding one of the most powerful football teams in its history, Compton J. C. will invade Reno this afternoon to meet the Nevada freshmen in the toughest tilt on the Junior Wolves' schedule.

The Jaysees have released a tentative lineup averaging close to 190 pounds, backed by unlimited reserves.

Tentative Lineup At left end the Californians will start Dick Horne, who starred at tackle last year and is showing up even better this year in his present position. The left tackle berth will be filled by Elwood Wiggins, 195, who previously starred for El Monte high school. At left guard will be Lawrence Bemell, 180, a transfer from a tackle spot.

Jack Stieffle, 185-pounder, who will man the pivot spot, is a former star of Excelsior high school, Chuck Reading, 173, powerful defensive player and a second-year man will take his place at right guard.

Ed Hoyt, 210-pound right tackle, is one of the mainstays of the line, combining both size and speed in his offensive play. The right end position will be filled by 195-pound Gerald Linscheid, brilliant all-around wingman.

Good Quarterback In the backfield will be Captain John Berry, regarded as the best quarterback in Compton history. At right half is George Robertson, 195, who is looked upon as the best back in the Marine league in years.

Filling the left halfback spot will be Billy King, 173, a strong punter and blocker. Welland Collins, 190, will hold down the fullback position.

The Compton substitutes play the same brand of ball as the first-stringers, and there is an abundance of them, according to press dispatches.

In last year's tilt, the cub invaders were victorious via a 27-14 score in a sensational night game at Los Angeles. This trip was the longest ever taken by a freshman squad.

Several of the frosh gridgers are formerly of Compton and it will be a game with former teammates opposite one another. "Gold" Holmes, Compton dean of men, graduated from Nevada in 1932, will attend Homecoming in connection with his duties.

Parade Description Will Be Announced

A public address system from the university will be used to tell crowds in downtown Reno all about the Homecoming parade Saturday morning, it was stated today.

Don Kinkel and Ross Morris, prominent senior students, will announce and describe parade floats and exhibits as they pass by. The address system will be installed at the corner of North Virginia street and East Second street where crowds are expected to be largest, it was stated.

The system will also be used in Friday night's rally, committee members stated.

Phone 8381 for All Your Drug Needs Riverside Pharmacy Fast Free Delivery

Visit Nevada's Highest - Scored Dairy and Milk Plant

MODEL DAIRY PHONE 3581

WELCOME, GRADS --- Make Your Headquarters Here

Fresno's candidate for all-conference tackle is "Big Alec" Alexander, 200 pounds of hard football player. Fast for his size and a hard tackler, he is particularly adept at going down under punts to nail the opposing safety man.

CONCERT TICKET SALES REACH NEW HIGH

In anticipation of a season of strong attractions, University of Nevada students this year bought nearly twice as many memberships in the Nevada Community Concert association as they did a year ago. The sale of tickets this year reached a high of 190 compared with 108 of last year.

The first concert will feature Richard Bonelli, American baritone. Mr. Bonelli is a member of the Metropolitan Opera company and in the past has belonged to other prominent opera companies. He made his debut in Modena, Italy, after which he toured Europe and sang in various European opera companies.

Other famous artists listed to appear before the members of the Community Concert association are: Albert Spaulding, world-famous violinist; Helen Jepson, soprano, and Daniel Harcourt, pianist.

Definite dates have not been set for the performances. All concerts will be held in the Granada theatre, and reservations will be made for the members ahead of time.

Men who buy you jewels and sables, Don't have to be Don Juans or Gables.

Fresno Golfers Refuse Challenge From U. N. Team

University Group to Play Reno Elks Club Here

The University of Nevada combine has been unsuccessful in obtaining a golf match with a team from Fresno State, according to Bob Cameron, head of the local group.

According to word received from Fresno, golf is a spring sport on the coast and no intercollegiate matches are scheduled during the fall.

Thus far the university golfers have succeeded in getting one match for this semester. They play the Reno Elks club on the city course October 23.

Nevada Strong

Nevada has a very "tough" foursome to beat. Led by Cameron, who in 1937 reached the state finals here and who this year won the state driving title, the team has three just as able "backers-up."

Bob Taylor of Ruth is a very capable player. He has a low handicap rating and for the past two years finished high among the top-raters in golf tournaments. He is now in the city finals and as yet is still in the running, proving himself a very strong opponent for all opposition.

Hoffman Good

John Hoffman, transferred from the University of California, where he was captain of the team here, was a runner-up in the Nevada amateur title race this season.

And last, but not least, is Jack Rhoades from Las Vegas, who was runner-up in the state tourney in the first flight.

Carl Bechdoit of Tahoe City and Art Anderson of Huntington Park, Cal., are promising players, and giving the first four players some real competition. This Sunday, Cameron, Taylor, Hoffman and Rhoades will meet the Reno golf team at the city course and, even though the town players are more experienced, the university team expects to give them a close match.

He who whispers down a well, About the goods he has to sell, Will never make as many dollars As he who climbs a tree and hollers.

Tough and rugged is Clyde Vinson, Nevada's plunging fullback. If the line fails to break when he hits it, he carries it with him for three or four yards. Vinson or Kirkendall may be called on to act as "work horse" of the Pack with Polish out.

Skiing Discussed as Intramural Sport

Possibility of having skiing adopted as an intramural sport is still pending, after the five-two vote consideration of its adoption at the interfrat council meeting Monday afternoon.

Arguments brought up pointed out the sport was one of the most popular on the Nevada campus, but it is an expensive one and is not practical to be sponsored by fraternities.

Plans for running off the tournament were not advanced but were left open for further development of the proposed resolution.

Best Grid Player To Receive Award

United States Senator Pat McCarran will donate an imported virgin wool sweater to the outstanding football player in the Homecoming game tomorrow.

The players will be rated by the press box judges upon their ability to play their specific positions. Senator McCarran is a very distinguished member of the alumni association, and was awarded his honorary master's degree in 1915. He is the only native son in the state of Nevada to be sent to Washington as a United States senator.

In an effort to keep in the spirit of the Homecoming celebration, he is donating this sweater.

The sweater will be presented at the Homecoming game by Anthony Yrberly, chairman of the Homecoming committee.

He—I suppose you dance? She—Oh, yes; I love to. He—Great! That's better'n dancing.

SAGERS WILL DIRECT GAME TRAFFIC

Blue sweated Sagers will again this year direct baffled motorists and bewildered pedestrians at the Homecoming game tomorrow, Leon Etchemendy, Sagers head, stated today.

Sagers will also be on hand to direct the activities of the bonfire and assist in ushering at the game, Etchemendy said. They will also whitewash parking spaces.

College does not make fools, it merely develops them.

Greek Cindermen Clash Tomorrow In Cross-Country

Five Teams Are Entered in Marathon; Taus Favored

With weeks of training behind them, long-distance track men representing every fraternity but Bet Kappa will take the field at 9:30 tomorrow morning to run the eleventh cross-country race of the annual Homecoming Day program.

The run, which starts in front of the Sparks high school and ends with one lap around the track in Mackay stadium, is sparked by 60 points toward the Kinnear revolving trophy and a cup to the winner. The first fraternity to send three men across the finish line is determined the victor.

Teams Listed

Men competing for the fraternities in the contest are: Alpha Tau Omega, Tullie Botti, Emery Conoway, John Etchemendy, Bill Andrews and George Friedhoff; Sigma Nu, John DuPratt, Frank McCulloch, Chesley Freemont, Bill Marks, John Aymar and Jack Elkin; Sigma Alpha Epsilon, Dick Mitchell, Don Kinkel, Jim Shepley, Frazer West and Jim Worden; Sigma Phi Sigma, Harry Plath, Ted Olsen, Jim McDonald and Bill Parsons; Phi Sigma Kappa, Bud Griffin, Vic Bernard and Evilio Hernandez; Lambda Chi, Roy Jensen, Walter Wanke, John Russell and Larry Callahan.

History Traced

In 1927, the Lambda Chis, then Kappa Lambda, inaugurated the event as part of the Homecoming Day program when Lohse, Webb and Morrison crossed the finish line to take the cup. Clover, Sigma Nu, was the first man to finish. Since that time the Taus have won the team title five times, the Lambda Chis three and the Sigma Phis twice.

In 1928, the A. T. O. team of Vargis, Lamb and Lumbee crossed the line behind Lohse, Lambda Chi, to take the honors. In this race Lohse set the course record time of 21:34.3, which has never been lowered.

In 1929, Connelly, Hannibal and Wilson crossed the line for the Sigma Phi Sigmas. In 1931, Sheehan, Smalley and Chavez repeated the performance for Sigma Phis. The Lambda Chis finished first in '29 and '30 with Lohse and Arentz running. There was no race in 1930.

In 1932, A. T. O.'s men, Harcos, Hickey and Hansen followed each other across the line, and in 1933, Fontana, Maule and Hansen followed Frank Leonard, Sigma Nu, to win the race. Hand, Maule and Hickey won for the Taus in '34.

Lambda Chi Alpha won the race in 1935 when Murray Moler, Marvin Moler and Andy Morby ran 2, 3, 4 behind the Taus' Hand, who repeated his '34 victory. It was A. T. O. in 1936 with Tullie Botti finishing first and Vuich and Spitz following in fourth and fifth places. Last year the Lambda Chi team was winner with Mastrianni, Everett and Moler coming in behind Tullie Botti who finished first for A. T. O.

A. T. O. Strong

Favored to win this year's contest is the A. T. O. team which is composed entirely of veterans, two of whom placed

Dashiell to Coach Pack at Third Homecoming

Tomorrow's game will not only mark Nevada's nineteenth Homecoming Day, but Head Football Coach Doug Dashiell's third, as well.

Dashiell graduated from the Southwestern university, Texas, in 1928, and since has tutored football teams in three different institutions. While coach at Temple Junior College of Texas his gridiron men won a conference championship and emerged as leading contenders during his second and third years at that institution. In 1932 he transferred to Las Vegas high school, where as head football coach he turned out four state championship teams, in five years, as well as several fine track teams.

Though only being here for a short while, Doug has succeeded in turning out teams that are known the country over for their sportsmanship and clean fighting. In 1936, when Dashiell took charge of the Wolves, they won four out of eight contests, and last year, when Nevada's team was hit by injuries and bad luck, managed to win three games out of eight played.

In Coach Dashiell's first Homecoming Day here at Nevada, the Wolf Pack beat their first coast conference team, Idaho, by a score of 7 to 6, and last year the Wolves fought a losing 7-to-3 battle with the College of Pacific.

Tough

Len Carpenter is playing his second year with the varsity. He's strong and as tough as they come. Carpenter plays a great game offensively but has shown weakness on defense.

People who carry glass bottles should not sit on stone benches.

Compton Defended Consecutive Victories

The Compton Junior College football team had at stake in their game here this afternoon with the Nevada frosh a record of five consecutive victories.

Their undefeated record includes a 7-0 win over Salinas Junior College, 13-0 over Loyola University frosh, 12-0 over Riverside Junior College, 14-10 over Modesto Junior College and a 41-0 victory over Santa Barbara State frosh.

Captain John Berry, star back, has sparked his team's attack, scoring 56 of his team's 87 points against 10 for their opponents.

"A father said to his son: "When I was your age, my father would not allow me to go out at night."

"You must have had a hard-boiled father," replied the boy.

"Young man," snapped his irate parent, "I'll have you know that I had a lot better father than you have!"—Argosy.

Wolves to Play 19th Homecoming Contest Tomorrow

Records Show Nine Wins, Seven Losses and Two Ties

By FRANK McCULLOCH
When the Wolf Pack takes the field against "Rabbit" Bradshaw's Fresno Bulldogs Saturday, it will be gunning for the victory that will finally push the Homecoming win column up into the double numbers.

To date the Pack has a record of nine wins, seven losses and two ties when playing before the returning grads.

Last year, the Wolves lost their opportunity to ring up their tenth win when the College of Pacific Bengals and their pile driving fullback, Phil Martinovich, pounded out a 7-3 win over Nevada.

First Victory
Nevada's Homecoming series began in 1920 when a powerful Wolf Pack, led by Church, trimmed Utah Agricultural College, 21-0.

In 1921, led by the great "Rabbit" Bradshaw, who was appearing in his last home game, the Wolves trampled the powerful University of Utah squad, 28 to 7. The "Rabbit," who returns to Nevada as coach of the Fresno Bulldogs tomorrow, ran 93 yards for a touchdown that game.

The year of 1922 was also a Nevada year, and they handed Whitman College a 35-7 defeat.

First Setback
The year 1923 saw Nevada fail to win for the first time in a Homecoming Day contest, but at that, every Nevada rooter went home satisfied—the Pack tied Santa Clara, 7-7. Chet Scranton starred for the Wolves.

In 1924 the University of Arizona provided the next stepping stone in Nevada's path of victories, when they were out-scored, 23-14.

First Defeat
The following year the Wolves tasted defeat for the first time when the powerful Santa Clara Broncos emerged with a 20 to 7 win.

In 1926 the Wolves again went victory-hunting when the Gaels of St. Mary's beat them, 13-0. Only brilliant defensive work by Captain Max Allen held the score down.

Playing its second tie with the Broncos and gaining partial revenge for the 1925 defeat, the Pack, led by Captain Jim Bailey, who ran 65 yards for a touchdown and then converted, tied Santa Clara, 7-7.

In 1928 the Gaels returned again and swept over the Pack, 22-0.

Backed by one of the largest crowds in Nevada's football history, the 1929 edition ran into some tough going and dropped the contest to the Cal Aggies, 19 to 0.

In honor of their benefactor, Clarence H. Mackay, the Wolves, in 1930, played a great game and completely revenged their defeat of the year before by annihilating the Cal Aggies, 31-0.

Led by Jack Hill, Nevada rolled over the Fresno Bulldogs, 31-13 in 1932.

Marked by Tom Cashill's 65 yard dropkick, a national record, the 1933 game was again a happy one for returning grads as they watched the Pack walloper the Cal Aggies, 16-0.

The next year San Jose's Spartans turned the tide and pounded out a 10-0 victory over the Pack.

Tiger Win
Again in 1935 the Wolves met defeat when the College of Pacific Bengals eked out an unearned 7 to 6 victory. Out-gained and outplayed in every department, the Tigers still managed to hold off the repeated thrusts of Nevada for their win.

Playing against a powerful and highly favored University of Idaho in 1936, the Pack gained its first victory over a Pacific Coast Conference team by emerging with a 7-6 win.

A recapitulation shows that the Pack has scored a total of 229 points in 19 games to 159 for the opponents, giving Nevada an average of .529, has blanked its opponents four times, and has in turn been blanked four times.

CARDINAL ELECTED LIFE SAVERS' PREXY

Ben Cardinal, sophomore student, was elected president of the Senior Red Cross life-saving corps this week to take the place of Gene Wines who resigned from the office last week.

At the meeting, members of the corps suggested that an intermediate meet be held in the fall. In the past there has been two intramural swimming meets, one in the fall and one in the spring. Instead of two classified meets, the new plan would include an intermediate meet in the fall and a final classified meet in the spring.

Ruth Wiley and Earlmond Baker were chosen as a committee of two to present these plans to the intramural board for consideration.

INJURED END RETURNS FOR STANFORD

Stanford's hopes for a win over U. S. C. rose today with the return to practice of Jack Clark, injured varsity end.

The infirmary also announced that Bill Paulman, punter and punger, had a 50-50 chance of seeing action despite a charley-horse developed in the Oregon game.

Size Means Nothing

"Pee-wee" Neal Campbell is the smallest man on the line, but his size doesn't retard him one bit. He may see action as end tomorrow or in the backfield. Campbell is playing his last year for Nevada and is the hardest fighting man on the team.

Wolf Pack Meets First '38 Defeat

Greeley Passing Attack Is Too Much for Nevada Wolves

The University of Nevada Wolf Pack met its first set-back of the season last Friday night when the Colorado State Bears uncoiled a sparkling passing attack that netted them 27 points to the thirteen Nevada was able to garner.

Greeley scored three touchdowns in the first quarter via the air to get up a commanding 21 point lead the Wolves were never able to overcome. The Bears followed this with another touchdown pass in the second period to complete their offensive for the evening.

Wide-Open Game
It was a wide-open aerial game for the Bears, with the Nevada backs apparently helpless to stop the deadly bombardment. Nevada helped considerably by numerous fumbles which were recovered by the Colorado team.

Greeley opened the scoring period of the game with a 14-yard pass over the goal line, completed after three minutes of play.

Three minutes later Greeley recovered a Nevada fumble on the Nevada 31-yard line and a pass on the second play was good for another touchdown.

A few minutes later Greeley recovered another Nevada fumble on the Nevada 20-yard line. A pass on the first play was completed to the one yard line, where the Bears smashed it over for a touchdown, giving them a 21 point lead.

Out of Slump
From then on the Wolves came out of their slump and started hammering the lighter Colorado team all over the field. They took the ball on their own 23 and on successive plays drove the ball down the field 73 yards to the Bear three inch line before losing the bill on downs just as the quarter ended.

Again, as the second period commenced, the Wolves drove from their own 49-yard line to the Colorado one foot line only to lose the ball on downs. The Wolves finally scored, however, with Cobega running a short Greeley punt back to the fifteen. From there he and Vinson packed the ball down to the three, and from there Vinson plunged over for the initial Nevada score.

SIX SQUAD MEN PLAY LAST TIME IN HOMECOMING GAME

When the final gun sounds ending the game Saturday, six members of Nevada's Wolf Pack will have finished their last Homecoming game in a Nevada uniform.

Missing from next year's squad will be "Pee-Wee" Campbell, Harry Bradley, Ted Demosthenes, Hank Bryant, Joe Kievit, Jim Sullivan and Bob Paille.

Oldest both in point of service and age, Campbell and Bradley, the "two grand old men of football," will be playing in their third Homecoming contest. "Pee-Wee," one of the lightest ends

Beloso's attempted conversion was wide.

Greeley immediately retaliated with three completed forward passes, the third one being lateral to the Greeley linesman who crossed to goal standing up, scoring their final touchdown of the evening.

Strong Second Half

In the second the Wolves blasted the Greeley Bears all over the field, reeling off yards at their will, but they were able to score only once in the final half, seemingly unable to muster the scoring punch when it was needed or else fumbling at crucial moments.

Nevada scored its second touchdown when they recovered a fumble on the Greeley thirty-six. Cobega lateraled to Powers for 10 yards, and from there Cobega and Vinson carried it down to the three and Vinson again smashed over for the score.

Nevada outplayed Greeley on straight ground plays, netting 276 yards to Greeley's 87, but the Bears came back in their own in the aerial side to bring the total yards gained up to 295. Greeley attempted 27 forward passes and completed 14 of them. Nevada attempted six and completed one.

58 TIRES WRECKED ON LONG TRIP

A pair of Indiana university students, Antonio Trujillo, '41, and Moises Rael, '41, made some sort of a record for themselves when they blew out fifty-eight tires on their way to school this fall.

The boys are from Questa, New Mexico, 1500 miles from Indiana university. They made the trip in a Model A Ford. They are majoring in mathematics.

Toast overheard at a fraternity banquet: "Here's to the land we love and vice versa."

ever to play at Nevada, more than makes up in scrap what he lacks in weight. A grand little performer, he is at his best when the chips are down. He is the "grand-daddy" of the squad, beating out Bradley by a few months.

Bradley, the only four-year man left in the Far Western conference—he started football at Nevada before the ruling limiting players to three years of competition went into effect—has been one of Nevada's mainstays in the line. He captained the Pack from his tackle position in its opening game against the College of Idaho this year.

Demosthenes, playing his second year as regular center, has played a lot of football at his position in those two years. He is proving himself to be one of the Pack's real iron men this year, having played 215 minutes in the last four games.

Bryant, also a two-year man and the other half of Nevada's great set of tackles, has turned in some wonderful games from his side of the line this year. With Bradley, he has given Nevada its most effective tackle combination in years, both defensively and offensively.

Sullivan, not "discovered" by the coaching staff until late last season, turned in a whale of a game for the Pack from his position of guard in the last few contests of the year. A heavy scholastic schedule has kept him from playing much football this year.

Paille, hard-driving reserve back, will also appear in Nevada togs before returning grads for the last time. Though a good blocking back, he has not yet gained a varsity letter.

Said Coach Dashiell "We'll miss every one of them, and finding replacements for them is going to be a mighty tough job."

Education is what you have left after you've forgotten all you've ever learned.

Lanky

Louis Spitz is one of the most improved players of the Pack. He's steady and aggressive and is giving Joe Keveit a hard fight for one of the starting tackle positions. He played a great game with the Reno Eleven Old Men last year and is continuing his good play with the Wolves.

SCRUBS RUN OREGON STATE PLAYS

Washington State's scrubs ran Oregon State plays against the varsity late today as Coach Babe Hollingberry sought to find a satisfactory defensive lineup to use in next Saturday's game with the Beavers.

Hollingberry was especially dissatisfied with center candidates. The Cougars are so battered, the coach said, that workouts the rest of the week will be light.

We hasten to point out that, while every man has his wife, the ice man has his pick.

Reams Is Chosen In 'World's Best'

Binie Reams, Chico speedster who appeared before Wolf fans last year on the cinders and again last Friday on the gridiron, has been chosen one of the outstanding dash men in the nation by the 1938 "World's Best."
The A. A. U. magazine recognized Reams after he had turned in exceptional times in the 100 yard dash and the 220 yard hurdles. His time in the short dash was 9.5.

The Englishman sternly reprimanded a fellow countryman who had become a naturalized citizen of the United States.

"What have you gained by becoming naturalized?" asked the Englishman.
"Well," replied the other, "I win the American Revolution."—Echo.

Interfrat Hoop Season to Open Monday Evening

Tau, Sigma Nu and S. A. E. Favored to Cop Title

With the opening of interfraternity basketball season on Monday, the various houses on the campus are each determined to cop the coveted 100 points which goes towards the Kinneer trophy, and the large cup that is awarded annually to the championship team.

From the games already played, it looks as if the real battle will be between the Alpha Tau Omega, Sigma Alpha Epsilon, and Sigma Nu fraternities, with the other houses all having strong teams which may surprise everyone and emerge as victors.

Defending Champions

The ATO's, who were last year's champions, will have several veterans returning from last year's squad, and in addition players coming from the freshmen.

Snakes Strong

The Sigma Nu's this year have several high school aces on their quintet, among them Bob Hawley, all-stater from Sparks, and Paul Seaborn, all-around player on Reno high's squad.

S. A. E. Appears Unbeatable

In practice the S. A. E.'s seem to have a team which will almost be unbeatable, for it is mostly composed of men who proved themselves to be real stars in high school competition.

Sigma Phi Good

The Sigma Phi Sigma fraternity this year promises to floor a strong quintet that will go a long way towards capturing top honors.

Lambda Chi Is Dark Horse

The Lambda Chi's have a large turnout, and information tends to make them the dark horse of the league.

The Lincoln Hall Association will have a tough team to beat, but will not be likely to take the championship.

According to present indications the Beta Kappa's will have a smooth working quintet, which is composed of players like Ralph Mayer, John Cooper, Bill Shiven, Ed Dodson, Bob Bray, John Rogers, Harvey Foulkes and Kenneth Edsen.

Nothing is known of the Independents, except that they have plenty of material from which to pick a winning team.

The complete intermural basketball schedule released yesterday is:

- October 24-6:30, Lambda Chi vs. A. T. O.; 7:30, Independents vs. Sig. Phi Sig; 8:30, Sigma Nu vs. S. A. E.
- October 25-6:30, Lincoln Hall vs. Beta Kappa; 7:30, Phi Sig vs. Lambda Chi; 8:30, A. T. O. vs. Independents.
- October 26-4:00, Sig Phi Sig vs. Sigma Nu; 5:00, S. A. E. vs. Lincoln Hall; 8:30, Beta Kappa vs. A. T. O.
- October 27-8:30, Phi Sig vs. Independents; 7:30, Lincoln Hall vs. Lambda Chi; 8:30, S. A. E. vs. Sig Phi Sig.
- October 28-4:00, Sigma Nu vs. Beta Kappa; 5:00, A. T. O. vs. Lincoln Hall.
- October 31-6:30, Sig Phi Sig vs. PPhi Sig; 7:30, Beta Kappa vs. Lambda Chi; 8:30, Lincoln Hall vs. Independents.
- November 1-6:30, S. A. E. vs. A. T. O.; 7:30, Sigma Nu vs. Phi Sig; 8:30, Sig Phi Sig vs. Beta Kappa.
- November 2-4:00, Lambda Chi vs. Sigma Nu; 5:00, A. T. O. vs. Phi Sig.

BIG 'DOGS' FROM FRESNO

TOBY HEEB

Here's two Fresno Bulldogs that will cause Nevada's Wolf Pack plenty of trouble. Captain "Toby" Heeb, through his tricky, hard running ability, has been dubbed the "mighty might." Last year he was awarded honorable mention on the Little All-American team.

AL RADKA

Field last year and should rightly concede him the title of "Rabbit" Bradshaw's thrill-master. Punching the line will be Al "Raider" Radka. Last season he was named all-conference guard and acclaimed the outstanding linesman in the conference.

Celebration Spoils Ready for Victors

The "spoils" of the Homecoming celebration will be divided out among the various fraternities and sororities tomorrow night at the Homecoming dance, when the winners receive their respective cups for the best accomplishments during the celebration.

Fraternity House

To the most cleverly decorated fraternity house goes the cup from Herz Brothers' jewelry store, while Stevens' gives its cup to the sorority house whose decoration excels all others.

Armanko's will give a cup to the organization in the university which has the best float in the Homecoming parade, while the cup for the best organized exhibit will come from Reno Print.

The last cup, but probably the most strenuously earned, goes to the winners of the cross-country race. This race starts the annual celebration and is the most coveted of all sought in the celebration. This trophy will be donated by Carlisle's.

In addition, according to Tony Yriberri, chairman of the celebration, Senator Pat McCarran is donating a sweater to that member of the Nevada team who is considered the most outstanding by the press box, in the Homecoming football game with Fresno.

Unsung Hero

A fiery-red-head of the Bulldog eleven is Burt "Mutt" Stoddard who alternates at quarterback with Ray Sturgill. He is a sure blocker and a smart ball player at calling signals. His main duty is blocking, but he is also a good pass receiver.

A psychologist says human beings are most intelligent at the age of fourteen. Maybe so. At that age they won't believe anything anybody tells them.

U. C. VARSITY USES NEW JERSEYS

California's varsity football team ran through scrimmages this week decked out in a set of new gold jerseys which they will use against Washington this Saturday.

Coach Stub Allison announced that the squad will don the light colored uppers so that it can be distinguished from the Huskies who will sport purple ones.

The census embraces 30,000,000 women. And how would you like to be the census, fellows?

GOTHIC N PLANS MEN, WOMEN PROJECT

Gothic N Society decided this week that as soon as they can find a sponsor, the group will initiate a co-recreational project, Shirley Feutsch, president of the organization, said today.

The society plans to organize games in which both men and women will participate. A badminton club is the main project now being considered by the group.

Monday, the constitution of the organization was revised to read that an initiation fee of \$3 will be charged instead of \$2 as formerly. A change was also instituted so that new members can be initiated into the organization in the fall as well as in the spring. This will go into effect immediately and new members will be chosen within the next two months.

At next month's meeting a dinner will be given at the home of Mrs. Mae Simas in honor of the following alumni of Gothic N: Precious Nash Johnson, Ruth G. Nash, Elsa Sameth and Eva Adams.

I think when Bill and I are married we'll go to Bali Bali and see what's it's like.
Don't be silly; it's the same everywhere.

"Ma" Clayton

In civil life "Hank" (Ma) Clayton is a good-natured college fellow always looking out for the other students, but on the gridiron he turns into a tough fighting machine. He is always a good, steady, dependable player. Clayton is a wingman.

Send the 'Brush home.
