

Rifle Squad Delay Seen as Repairs on Range Are Halted

Squad May Not Compete This Year, Clark States

Prospective sharpshooters, marksmen and expert rifle shots on the campus will remain undeveloped this year unless an application by the military department for materials to be used for repairs on the rifle range is approved, military authorities stated.

Rifle marksmanship has formerly held an important place in Nevada's minor sports, but with the condemnation of the range in the barracks building as unsafe, the competitive sport will be discontinued.

The base behind the target has become so deteriorated as to permit the passage of bullets. A steel plate will be necessary to insure absolute safety.

General improvement in lighting and structure is also sought.

No firearms will be permitted in the building until it is certified as safe by Colonel Oral Clark, military department professor.

Adjutant General Visits Campus R.O.T.C.

Making his annual tour of inspection of R. O. T. C. units, Colonel Ralph Talbot, acting assistant adjutant general, spent part of the week in Reno.

The Colonel, who is an officer of Field Artillery, inspected the offices, storerooms, rifle range and local facilities of the military unit.

His report has not yet been procured.

A high school teacher, a private business man, an economist, and a college professor—roll them all into one, and there you have Dr. Eldon Wittwer, head of the newly created department of agricultural economics.

A native of the state, Dr. Wittwer graduated from the University of Nevada with the class of '22. After graduation, he accepted the position of vocational agricultural teacher at Moapa Valley High School.

Two years later he entered Cornell university for his graduate work; and after four years, during which time he taught at the institution as an instructor in agricultural economics, he received his Ph.D.

In 1930 he joined the National Leather company, acting as economist and commercial research worker for this company. After two years with this firm, Wittwer went into business for himself in Boston, Mass. As private economist and marketing specialist, he was the agent for many of the larger eastern agricultural firms.

In 1935 he joined the Firestone Tire & Rubber company, where he was employed until his appointment to the university faculty last summer.

The department which Dr. Wittwer heads was created last spring and is designed to cover all economics pertaining to agriculture.

Carpenter Attends Mining Convention

Professor Jay A. Carpenter, acting director of the Mackay School of Mines, is attending the fifth annual convention of the American Congress of Mining Engineers in Los Angeles.

This congress, which has been called by the western division of the institution, will feature, among other talks, several by prominent Nevada men.

Senator Key Pittman will talk on "Gold, Silver, and the International Exchange"; Congressman James G. Scrugham will lead a discussion on "Legal, Tariff and Public Relations Problems," and J. C. Kinnear, general manager of the Nevada Consolidated Corporation, will present a paper on "New Developments in the Industry."

510 Cinches Sent Out by Registrar

Phi Sigma Kappa, Tri Delt and Males Receive Most

The contest where low score wins, was finished this week with 510 "cinches" being mailed to 339 students by Mrs. Jeanette Rhodes, registrar, as against last year's 589 delinquent notices claimed by 368 students.

The men are holding the bag this semester with 255 of them receiving 395 "cinches," averaging 1 1/2 per man. The women trail with 84 of their number on the receiving end of 115 notices.

Fraternities
Phi Sigma Kappa won the unwanted honor of fraternity cinches with a total of 35. Next came Alpha Tau Omega, claiming 32 of the "delinquent," followed by Sigma Nu with 28. Sigma Alpha Epsilon fell into fourth place with 26, and fifth spot was filled by Sigma Phi Sigma with 25. Lambda Chi Alpha was next to last, receiving 23, and Beta Kappa won first honors from its cellar position of 17.

Last year saw the S. A. E. in the squirming position with 51 cinches, and Sigma Phi Sigma was low house, with 24.

Sororities
In the sorority race, the Tri Delt was high, yet low, with 16 delinquent notices. The Phi Phis were second with 13, while the Gamma Phis took third with 11. The Theta house claimed fourth with seven, and Beta Sigma Omicron topped the scholarship race with only five cinches.

Beta Sigma Omicron was also low a year ago with but six notices, and Pi Beta Phi was high with 19.

Paddles will be brought into prominence next week in the frat houses, while sorority members will be forced to dig into allowances.

Rally Meeting Held Yesterday at 11:25

Urging A. S. U. N. members to consider calmly the action taken by the football team, Dave Goldwater, president, stated that the matter was now out of student hands and had been submitted for approval to the board of regents, at a student meeting at 11:25 yesterday.

Goldwater said that the "ouster" movement was only for the regents to consider, adding that any united action by the students in groups would bring unfavorable reaction towards the university.

Fred Galloway, president of the Block N Society, announced that the team was going to COP prepared to bring back a win for the Nevada campusites.

The meeting was then turned over to the yell leaders and Rueben Tuttle, official song leader, for a short rally for the Nevada-Pacific football game.

It was announced at the meeting by Milt Parsons that a special train would be run to Stockton, leaving Reno Friday morning at 9:00 a. m.

CONDITIONS MUST BE REMOVED THIS SEMESTER

"Students who have conditions which they wish to remove must do so immediately," Mrs. Jeanette Rhodes, registrar, stated this week.

The ruling applies not only to those receiving a "4" last semester, but to those who have had conditions any time in the past, and wish to make them up.

At a faculty meeting last spring, it was decided that, hereafter, a student must make up a condition during the semester immediately following that in which it is received, or his final grade in that subject will be a "5," which is a failure.

Mrs. Rhodes referred the students to page 131, paragraph five of the university catalogue, which states:

"A condition may be removed only during the next semester or residence after the condition was incurred. If a condition is not removed by the end of the first semester or residence thereafter, the registrar shall record a grade of 5. No disqualified student may be issued a permit to remove a condition. A student not in residence may receive a permit only by vote of the faculty. An application for the removal of a condition will not be accepted until a fee of \$1.50 has been paid."

Nevada Rooters Leave for C. of P.

Over 300 Wolf Pack rooters left Reno on a special train for Stockton, California, this morning where they will witness the Nevada-College of Pacific football classic tonight.

Included among the rooters was the University of Nevada band, the Blue Peppers and a large representation of Sagens.

The students will arrive in Stockton at 4:30 p. m. today, and according to reports from Pacific, the Bengal student body will meet the Nevada students upon their arrival.

Pacific students announced a heavy program planned for the weekend, in which they will act as hosts to Nevada rooters. Among the highlights will be the COP Homecoming dance, picture shows and other entertainments.

The special included baggage cars, Pullman cars, recreation rooms and a stripped baggage car for dancing.

L. Callahan Wins Cross-Country Run

Larry Callahan, Lambda Chi, distance runner, took high honors last Saturday when he crossed the finish line first in the annual cross-country race in 23.8.

Although Callahan won first place as an individual the cup for the winning team went to the ATO's, who had three members of their team cross the finish line first.

Till Botti, ATO, placed third, and John Etchemendy and Bill Andrews ATO's placed fifth and seventh respectively. Other teams who finished were West, Worden and Mitchell, SAE's; McCulloch, DuPratt and Freemont, Sigma Nu's; Jensen, Wanke and Russell of the Lambda Chi's.

Although two other teams were slated to run they were not at the starting post. Phi Sigma Kappa and Sigma Phi Sigma did not place in the annual marathon.

Almost a complete reversal of last year's event the ATO's and Lambda Chi's reversed both in the winning team and the winning individual. Last year the ATO's man was the first to finish, but team honors went to the Lambda Chi's, while this year the Lambda Chi's man was the first in, and the ATO's team won.

This will give the Taus sixty more points toward the Kinnear trophy. The points as they were distributed for the cross-country are: First place 60 points, second 40 and 20 points for third place.

Schedule Announced For Artemesia Pictures

Group pictures of Nevada engineers for the Artemesia are to be taken next week on the following days: Tuesday, November 1, for the mechanical engineers; Wednesday, November 2, is the day set for the civil engineers and Thursday, November 3, for the mining groups.

The engineers are requested by Walt Lobenstein to meet at the engineers' bench at 1 p. m. on these days.

Writer's Competition Announced by Journalists

Alpha Phi Gamma, national honorary journalistic fraternity has extended Nevada student journalists an invitation to participate in a writers' tournament that will be held on Saturday, November 12, at Santa Barbara State College.

All contestants will compete in five fields, each writer participating in four out of the five, and everyone shall have an opportunity to listen to carefully prepared five minute interviews containing data for a news story, a sports story, a feature story and a society story.

These interviews will then be written up in twenty minutes, while the editorial writers will be given thirty minutes in which to write on a choice of several subjects to be announced.

All stories will then be evaluated by a committee of professionally competent judges, and prizes will be awarded the following day.

Registration for the contest will begin at 9:00 a. m., November 12, with the fee of \$2.00, which will include luncheon, and contestants may, for an additional fifty cents, remain for a dinner-dance with the western division of Alpha Phi Gamma and Beta Phi Gamma.

Nevada Y.W.C.A. To Attend Meet

Large Group Is Expected At Conference in California

Nevada's Y. W. C. A. is going to be well represented at the regional conference of the Y. W. C. A.-Y. M. C. A. to be held at Colfax, Cal., November 4 to November 6.

According to Gene Wines, Y. W. C. A. president, about twenty men and women students will comprise the delegation from Nevada. Those students desiring to go but not financially able will be helped by the proceeds from the sale of refreshments at the football game.

Y. W. C. A. VISITS ORPHANS' HOME

Twenty-five members of the Nevada Y. W. C. A. group entertained the orphan children of the state with a Halloween party, held at the Orphans' home in Carson last night.

This party is a part of the social service work being carried on by the campus Y. W. C. A. A similar party was given last week and several Christmas parties are now being planned.

The diversion of the evening at this particular party consisted primarily of Halloween games, stories, and dramatizations, followed by refreshments also lent themselves to the Halloween theme.

A committee of ten women headed by Verna Bullis and Ruth Wiley made arrangements for this project.

McCormack Leader In Intramural Archery

Competition for the intramural archery trophy ended Tuesday with Betty McCormack of Beta Sigma Omicron leading with a score of 598.

In second place was Earlimond Baker of Gamma Phi Beta with a score of 581, followed by Lola Frazer with a score of 565.

Hartman Appoints Study Committee

A committee whose purpose it is to help all students having trouble with their courses was appointed by Acting President Hartman this week.

The committee will be held responsible to assign those students needing help, to the various members of the university faculty. The students will then consult the professors, in an effort to correct their study difficulties.

According to President Hartman at first only 35 students will be used, for the whole matter is still in an experimental stage.

U. N. GREENHOUSE PREPARES FLOWERS FOR COMING SPRING

If you have been wondering what they're doing by digging up the garden plots around the campus, here's the answer:

"We are getting ready for spring, and then in the spring we can get ready for the summer. It's just one continuous cycle," Herbert Pruess, who has charge of the university greenhouse, stated.

This week the cannas and dahlias bulbs are dug up each fall and replanted in the greenhouse where they are kept for spring planting.

The tulips, however, are more hardy and, because they can stand the cold, the bulbs are planted outside in the fall, and are the first to bloom in the spring.

Pansies are kept in the hothouse and are transplanted at the first sign of spring. Geraniums are slipped each fall and saved in the greenhouse for spring planting.

There are the perennials that require no attention at all except an occasional weeding and thinning out. The asters around the Education building, the phlox, hollyhocks and the blue delphiniums you see around the lake are perennials.

The grass has been cut for the last time, watering of the lawns is to be discontinued soon and, with leaves falling and vines past the dark-red stage, it appears that winter is almost here.

Trophies Awarded At Annual Dance

Awarding of trophies Saturday night in the State building terminated the annual Homecoming dance sponsored by the Aggie club.

Gamma Phi Beta received the cup for the best sorority float, which pictured cocktail glasses offering a toast to alumni.

Sigma Alpha Epsilon's float depicting a broadcasting system calling all grads to the celebration was awarded the trophy in the fraternity float competition. The S. A. E. Wolves Frolic skit "Floradora Fantastique" also was a winner.

Kappa Alpha Theta's "Sit-down Strikers" skit was awarded first place in the sorority Wolves Frolic skits.

House decoration cups went to Sigma Nu and Pi Beta Phi. The Sigma Nu chapter house depicted a wolf den and the Pi Phi house a United States map with banners extending from all sections to two large wolves.

Lambda Chi Larry Callahan won the cup as the individual winner of the annual cross-country race. Alpha Tau Omega's team was the winners of the marathon and will receive its trophy from the interfraternity council.

The pre-medical society and the Camera club were awarded the cups for organization float and exhibit respectively.

Earl Brooks, Nevada guard, received the sweater as the most outstanding player in the Homecoming football classic. The award was donated by United State Senator Pat McCarran.

NOTICE! : All premedical students: The medical aptitude test will be given December 2 at 1:15 in the Agricultural Building. All interested in taking this test should contact Dr. Frandsen immediately.

A sultan at odds with his harem Thought of a way he could scare 'em— He caught a mouse Which he freed in the house, Thus starting the first harem scare.

There would be hell to pay.

Beta Sigma Archers Take Women's Tourney

The Beta Sigma Omicron archery team, after turning in the highest scores in the final play-off of the outdoor archery season, held on the campus this week, were awarded the intramural archery cup, formerly held by the Independents, last season victors.

Preparations are now being made for an indoor season which will begin as soon as the new allotment of supplies granted to the women's PE department by the finance control last week are received.

Sharp-shooters of the indoor match will be chosen to represent Nevada in the inter-collegiate indoor matches to be held in January.

Practice sessions for this indoor tournament will be held in the gym every Tuesday and Thursday afternoon from one to three in the afternoon.

MILITARY GROUP MAY BECOME MOUNTED

Plans for a Scabbard and Blade riding club will be presented to the organization for its approval at the next meeting of the group, Major Rich O. Basset of the U. of N. military staff said this week.

The plan is to mount the military unit and hold a weekly ride every Sunday morning. A drag hunt has been suggested as an enjoyable and useful adjunct to the advanced R. O. T. C. training.

No definite plans will be made until the meeting of the group next week.

The girl I left behind me, I think of night and day— If ever she should find me, There would be hell to pay.

O'BRIEN & NUGENT FUNERAL DIRECTORS Phone 5481 Reno, Nev.

Brick Sale Drive To Start Monday

The annual "Buy a Brick" campaign will begin next week. Reveau Hansen, president of the Sagens, announced today.

Sagens will meet in the ASUN building tonight at 7:00 to appoint the committee to manage the campaign. All Frosh women are required to sell at least ten bricks. The women selling the most bricks will be given preference in selection of new Sagens.

The Sagens attending the game at Stockton on Friday evening will wear their uniforms and will try to sit together in the rooting section.

HONORED AT TEA

Honoring Mrs. Lucy Rawn, province director of this district for the Gamma Phi Beta sorority, the chapter entertained her at a tea Tuesday afternoon.

Townspersons, alumni, faculty and presidents of the sorority houses attended the affair. Garden flowers and pink carnations served as decorations.

Monday afternoon Mrs. Rawn had a meeting with Dean Margaret Mack, discussing various problems on this campus and their comparison with those of other colleges.

Remodeling Starts On A.S.U.N. Building

Remodeling of the A. S. U. N. building started yesterday, according to Max Jensen, graduate manager.

The upstairs balcony will be enclosed in glass and the windows will open outward so that better heat regulation may be obtained.

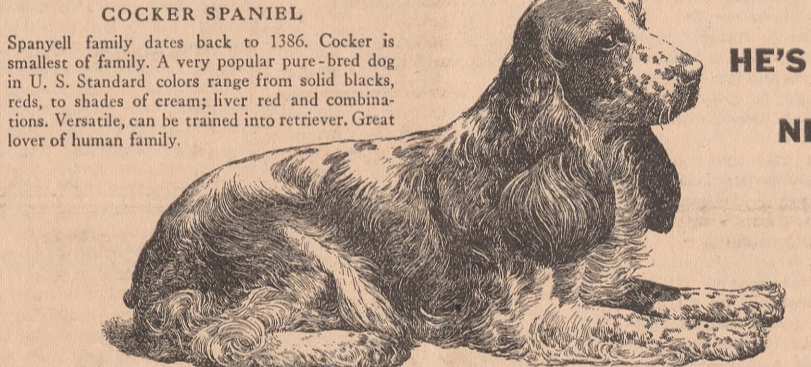

A new lighting system already has been installed in the building. This indirect system is an asset to the students in their work, Jensen said.

No repairs will be made to the outside or to the downstairs in the building, stated Jensen.

Cubs Put Through Light Workouts

No Games Scheduled This Weekend on Frosh Schedule

With no game scheduled for this weekend, the University of Nevada freshman football team spent the last few days in light and easy practice sessions.

Jim Coleman, frosh football coach, said yesterday that, although the game played with Compton Junior College last week was a tough one, the yearlings sustained only a few minor injuries, such as cuts and bruises.

Sees Action
Jim Gettens, first-string center who for the past three weeks has not played due to a badly sprained ankle, saw action Saturday, but was soon removed when his ankle again began to bother him.

Bob Meacham, triple-threat linesman, received a badly cut lip, but, with a week's layoff, he should be ready for play in next week's game, Coleman said.

Injured List
Others still on the injured list include Alex Novikoff, halfback, suffering from a broken ankle, and James Barry, who has a dislocated shoulder. Several other first-rate players are recovering from colds and sore throats.

The Frosh eleven still has two games left to play before the season ends, one next week with the strong Lassen Junior College team and, on November 12, it engages Menlo Junior College at Menlo, Cal.

SPORTSLITE

Psychologically, the Wolf Pack will have everything in its favor when it goes into the game to-night against College of Pacific. The Pack almost has to win to vindicate its stand to oust the members of the coaching staff, which will give them all the more fight to make them really "snarling" Wolves.

The determination shown by the players toward the so-called "cause" they are fighting for in having some fine practice session under their own guidance brought out a curious crowd every night to watch practice. Some estimated the crowds to have been nearly as large as those attending regular games.

If the Pack should whip COP and then the Cal Aggies the week after that, the next home game with San Francisco State should swell the bleachers to equal the Homecoming Fresno game.

Wednesday night was the first time a member of the coaching staff went down on Mackay field with the players and then Chet Scranton was not in his official capacity, consenting to give the players some advice on Stagg's system of play and to help them set up a defense for it.

"Buck" Shaw, former Nevada coach, and his Santa Clara Broncos stopped in Reno last night for a short time while on his way to play Michigan State this Saturday.

Intra-murals top sport swung through its first week of actual play leaving the SAE's and the Taus in the leading positions. Supremacy will be decided when the two teams meet Tuesday, and so far the outcome seems to be about even up. The tournament brought out the surprisingly strong Lincoln Hall and Independent teams.

The so-called "massacre" of the Frosh team by Compton last Friday leaves us a bit sceptical as to the score showing the actual plays of the game. Compton had three teams that their former all-American coach, Tay Brown, used alternately against the yearlings who were through lack of reserves, forced to use the same team the entire game. This week there were only 14 men reporting for Freshman football.

Tillie Botti, ATO cross-country man who was second to Larry Callahan in the race last Saturday, ran with a dislocated bone in his foot, received in working out the week before. He still ran a fine race, finishing far ahead of the other runners.

The Nevada Golf team that just didn't materialize came to light again this week with one of its members, Bob Taylor, playing in the finals of the Washoe Golf Tournament, against Enos Arrieta, last year's club champion. Taylor finally lost the match on the last nine, 3-2, after he had played Arrieta even up in the 36-hole match. Bob Cameron and John Hoffman, members of the Nevada team, were also in the tournament but were beaten out in the semi-finals.

Two former Nevada high school stars who played football together on the same team for three years at Lovelock, will meet as enemies when Nevada plays COP. Tommy Oleata, playing quarterback for the Bengal Tigers, and Mitch Cobeaga, tailback for the Wolf Pack,

Bulldogs Defeat Wolf Pack, 27 to 0

Nevada Outplays Fresno But Drops Second Contest

Outplayed and outgained in every department but passing, the Fresno Bulldogs still managed to walk over the Nevada Wolf Pack for a 27-0 win on Mackay field last Saturday.

Playing before a Homecoming crowd of 5000, the Wolves outgained Fresno two-to-one in the total yardage column, made 10 first downs to the Bulldogs' six, ripped the highly touted Fresno line to bits, and had more scoring opportunities, yet were beaten when Fresno capitalized on four unearned breaks.

Signals Twisted
In the first quarter, the Pack's backfield got the signals twisted, and let the ball get away from them on their own 19-yard line. The ball rolling over the goal line with Powers chasing it, but Alexander fell on it for the first Fresno score. Conversion failed and for the rest of the first half Nevada completely dominated the play.

Fresno never got outside of its own 50-yard line, and three times the Wolves were in scoring position, only to lose their punch inside the 15-yard line and to give up the ball on downs.

Soon after the second half opened, Fresno recovered a Nevada fumble on the 31-yard line, and in two plays—an end run and a pass—had scored for a second time. Conversion was good and the quarter ended, Fresno 13, Nevada 0.

Early in the fourth, another Nevada fumble was recovered on the 32-yard line by Fresno, and two end runs produced the third Bulldog touchdown. Conversion was again good. Late in the same quarter Hanson intercepted a Nevada pass and raced 47 yards for the last touchdown of the game. Conversion made the final score read Fresno 27, Nevada 0.

If ever the Pack deserved to win a game, it deserved to win Saturday. Bradley, Kievet, Spitz, Bryant and Brooks ripped huge holes in the Bulldog line, and Powers, Cobeaga, Vinson and Kirkendall consistently drove into the Fresno secondary; but something invariably went wrong at the moment to hold off the desperate Wolf Pack.

Fresno found a stone wall in the center of the Nevada line, and gained practically all its yardage around the ends or through the air.

will be the principles in the unique situation.

Both the men starred on their respective Freshman team and as sophomores, both have earned first-string assignments.

Greek Basketball Teams Hold Spotlight In Intramural Competition This Week

Intramural basketball got off to a flying start this week with the S. A. E. and A. T. O. fraternities jumping into an early tie for the lead, although the Hilltoppers have a slight advantage because of three wins to two for the Evans-street boys.

S. A. E., presenting the classiest quintet to date, scored a hard-fought win over Sigma Nu by a 23-14 count. They followed this victory with a 21-13 decision over the Lincoln Hall representatives. Wingfield Babcock, all-state forward from New Jersey, was high-scorer for the winners in both games.

Alpha Tau Omega, with a riddled team from last year's championship five, has won over Lambda Chi Alpha, 25-18; the Independents, 28-11, and Beta Kappa, 48-10, and have given notice that they may be figured in the battle for the trophy.

In other games Sigma Nu defeated Sigma Phi Sigma, 24-21. Bob Howley, frosh from Sparks, led the scorers.

The Independents with Frank Goodner hitting the bucket, dumped Sigma Phi Sigma, 25-20.

Lambda Chi beat Phi Sigma, 23-10, and Lincoln Hall walloped Beta Kappa, 41-12.

How They Stand

	Won	Lost	Pct.
A. T. O.	3	0	1.000
S. A. E.	2	0	1.000
Sigma Nu	1	1	.500
Lambda Chi Alpha	1	1	.500
Independents	1	1	.500
Lincoln Hall	1	1	.500
Phi Sigma Kappa	0	1	.000
Beta Kappa	0	2	.000
Sigma Phi Sigma	0	2	.000

The Guy—I dreamed of you last night.
She (coldly)—Really!
The Guy—Yes, then I woke up, shut the window, and put an extra blanket on the bed.

One light look, one furtive glance, one little sigh—and one big chance—He heard the sigh, he caught the glance, he was no fool, he took a chance.

Engineers Select Theme for Brawl

Annual Dance to Be Held In Gymnasium Nov. 12

At a meeting held Tuesday the Engineers' Brawl committee definitely decided upon a theme for the annual event which is to be held in the university gym November 12.

The theme this year will be centered around the Works Progress Administration and the committee has decided upon many features and ideas to be used for entertainment.

Entrance Theme

Thus far an entrance theme has been announced which will consist of a W. P. A. "shoot the shoots," a time clock device and numerous wheelbarrows—to be used in wheeling in university maids.

Thus far the Associated Engineers have planned various exhibits of labor-saving devices and comforts which are to be used also in carrying out the general theme of the W. P. A.

Mark Nesbitt and his "cement mixers" have been engaged to play for the annual Brawl and many features of entertainment have been planned.

Dance Sponsors

Honorary sponsors of the dance will be Dean and Mrs. F. H. Sibley, Professor and Mrs. J. A. Carpenter, Professor and Mrs. S. G. Palmer and Professor and Mrs. H. C. Adams.

The Engineers' Brawl committee is composed of Walt Elkins, Martin Hanifan, John Etchemendy, George Wade, Gotfried Hoffman and Chairman Clayton Carpenter.

When you see an old tub adrift on the sea of matrimony you know there's been a wreck somewhere.

HEAD MAN

Chairman of the Board of Regents Silas Ross, who sat with the executive committee during their special executive sessions considering the requests of the football as submitted earlier this week. Ross is prominent in state affairs and will attend the land-grant colleges convention in Chicago during the first part of November. Cecil Creel, president of the land-grant colleges association, will preside over the convention.

Time to Laugh Again

A dumb girl is a dope. A dope is a straw. Doctors give dope to relieve pain. Therefore a dumb girl is just what the doctor ordered.

Nowadays most girls will grab at a straw, especially if one end is in a highball.

The reason some men go around with a sour puss is because they've spent the night sweetening the kitty.

If you are caught in hot water be nonchalant; take a bath.

NOTICE

All band members will meet at the depot Monday morning to take the trip to Carson City. Be on time—don't be late!

Alumni Invited to Appoint Committee

(Continued from Page 1)
week, the spirit of the Pack has greatly increased. The practice sessions have been said to be the most spirited held at Mackay field in a great while.

Finish Season

Although conflicting reports were circulated, the team pledged itself to play the remaining games of the season despite any action taken at the university. In the resolution by the regents, this was again brought to the fore by resolving that the team and coach be requested to proceed to play their scheduled games during the remainder of this season.

The main outcome of the whole situation now rests with the investigating committee appointed by the alumni president. Main action by the board or possible action by the legislature will probably be based upon the report tendered in November.

Scabbard and Blade Observes Rites Yesterday

The members of C Company, Seventh Regiment, Scabbard and Blade, celebrated October 27 as Scabbard and Blade Day yesterday by appearing on the campus in full dress uniform. A banquet last night at the Lincoln Hotel climaxed the day's activities.

Some years ago the National Fraternity selected the anniversary of the birth of former President Theodore Roosevelt as Scabbard and Blade Day and on that day seventy-seven collegiate companies joined on their respective campuses in fitting observance.

Arlington Cemetery, Washington, D. C., is the scene of the impressive annual ceremonial decoration of the Tomb of the Unknown Soldier in recognition of the 3,000 members of Scabbard and Blade who saw service in the World War.

Membership in Scabbard and Blade is limited to outstanding cadet officers in ROTC units, who are selected for their proficiency in Military Science, academic subjects, character, and other attributes. Associate membership may be conferred upon eligible officers of the regular army, navy, National Guard and Reserves; a few outstanding civilians have been elected to honorary membership.

The purpose of Scabbard and Blade is to promote the interests of military training in American universities and colleges, to preserve and develop the essential qualities of good and efficient officers, and to spread intelligent information concerning the military requirements of our country.

Prof.—Before we begin the examination are there any questions?
Fresh—What's the name of this class?

Many a man has made a monkey out of himself in reaching for the wrong limb.

One of the greatest weaknesses of the Wolf Pack this year has been the aerial defense and offense. When the passers have been throwing bullseyes the receivers have been letting them slip through their fingers. When the passers have been off, it has generally resulted in a touchdown for the opposing team. The Pack has been working on a pass defense and offense and squad members say that Pacific will be in for an exciting evening tonight.

Nevada Coach Job Has Applicants

According to Thursday's Gazette, word has been received that applications have already been received for the coaching job at Nevada, which is as yet not open.

An Associated Press dispatch from Los Angeles says it was learned that Clifford Simpson, former star quarterback for the University of California at Los Angeles and for seven years one of Coach William H. Spaulding's chief lieutenants at U. C. L. A., said he would be interested in a coaching job at Nevada if one were available. Simpson is rated one of the best football scouts in the Pacific coast conference.

Simpson said several Nevada alumni in Los Angeles had urged him to apply for the job at Nevada.

Many a trial flight into matrimony has ended in a forced landing in Reno.

Blue Key Elects Members Yesterday

About fifteen new members were added to the ranks of the Blue Key service fraternity last night at a regular meeting of the group, Maurice Sheppard, head of the organization, said today.

The selection of the members was from the 22 men who had been trying out for the group for several weeks. The tryees did Homecoming clean-up assignments and assisted in other Homecoming duties.

Names of the new members will not be disclosed until sometime next week, Sheppard said.

The weekly socials sponsored by the Blue Key fraternity and held in the gymnasium may continue for a while, Sheppard said, but within a few weeks they will be discontinued because of other activities in the gymnasium.

There definitely will be a social next Wednesday, he asserted.

The southern farmer was introducing his family of boys to a visiting governor. "Seventeen boys," exclaimed the father, "and all Democrats but John, the little rascal. He got to readin'."

First Window Washer—Look at that guy in there kissing another man's wife. Let's go in after the big bum.

Second W. W.—O. K. How soon do you think he'll leave?

"My, what a pretty dolly; won't you let Uncle Joe play with it?"
"I will not; what do I know about you Nevada men?"

NOTICE

The Libe will be closed all day Monday. Moral—Study today and let Monday take care of itself.

"Check Everything but the Chesterfields"

You'll find smokers everywhere keeping Chesterfields with them all day long. They add to your pleasure when you're on the job and when you take a night off.

It takes good things to make a good product. That's why we use the best ingredients a cigarette can have—mild ripe tobaccos and pure cigarette paper—to make Chesterfield the cigarette that smokers say is milder and better-tasting.
