 Business Manager: Dyer Jensen

LET'S CELEBRATE

Dean of Men Thompson's announcement that the faculty will offer no objection to the wearing of Mackay Day costumes on the day before the actual celebration places a double load of cooperation squarely on the shoulders of Nevada students.

First, cooperation is due the faculty in the matter of attending classes and maintaining order therein. It must be remembered that the western garb and the growing of beards are not traditions of long enough standing to justify the complete ignoring of classroom cooperation. It was only with reluctance that the faculty granted the privileges to students last year and it was made clear at the time that any abuse of those privileges meant immediate stiffening of Mackay Day rules. For the sake of self-protection, if for nothing else, students should cooperate with the faculty next Friday.

On the other hand, and perhaps more important as far as the spirit of the celebration itself goes, cooperation aplenty is owed the committee in charge of the affair. No one will be tossed into Manzanita if he appears on the campus without a costume next Friday, but the man that does so deserves a laking, whether he gets it or not. The committee cannot exact cooperation from you; it can only ask for it.

You have been granted the privilege of wearing costumes next Friday. Don't abuse it, but more important, don't ignore it.

TOWNSPEOPLE WELCOME

We'd like to briefly point out to townfolks that Block N's big slug fiesta next Wednesday night will be just as good a show for them as it will be for university students.

The Stag Night card will not only include plenty of thrills in the way of boxing, but will also offer real entertainment in the shape of the best the Pacific Coast has to offer in intercollegiate wrestling. The University of California matmen have invariably put on fine shows of skill and sportsmanship in their matches here in the past and there is little reason to believe they won't this time.

Drop in at the "old barn" next Wednesday night, you Reno sports lovers; you'll go home with your money's worth.

NEW SUGGESTIONS

With the close last week of the state legislature, revision of the seven points run in the Sagebrush masthead during the past few months becomes necessary.

Point number one under the old set of suggestions, the erection of a Pittman memorial union building on the campus, we leave in the masthead, not in the hope of receiving any immediate action but simply as a reminder to those in charge of the drive when action is again revived.

Point number two, the unification of the diverse elements on the campus we leave in its second position, especially with the current possibility that a joint student-faculty committee to further cooperation between the two groups might be formed.

Point three, the improvement of the parking lots, shrinks in importance until winter rains begin again next fall but still deserves a place on the list in hopes that action may be taken there over summer vacation.

With observance of the Blue Key parking rules now well established, suggestion number four of the old list is left in the masthead simply to point out the need for continued cooperation.

Point number five, the complete support of Nevada athletic teams by the student body, will remain on this list and probably all lists to come for the simple reason that it is a worthy goal to strive for but almost an impossible one to achieve.

Point six, the immediate beginning of work on the new gymnasium will be dropped until it becomes apparent just what action will be taken in the situation within the next few weeks.

Point seven, the return of the university farm, was taken care of by the legislature.

To the old points we add: The formation of a joint student-faculty committee to air the problems of both and to provide for long-needed cooperation. We place this at the top of the list not only because of the pressing need for it but because the idea, new and fresh now, will undoubtedly die out if left to itself.

The eventual adoption of baseball as at least a minor sport at Nevada. The completion of Clark field, of course, will be the principal factor in determining if and when such action takes place.

The revised list, then, will read:

1. The immediate formation of a joint student-faculty committee to air the problems of both.
2. The unification of the diverse elements of the Nevada campus.
3. The improvement of conditions in the parking lots both behind and in front of the gym to eliminate the quagmires which every storm brings to both places.
4. The complete support of Nevada athletic teams by students.
5. The erection of a Pittman memorial union building on the University of Nevada campus.
6. The strict enforcement and observation of Blue Key parking control rules.
7. The eventual adoption of baseball on the Nevada inter-collegiate sports program.

An empty purse is a heavy load to carry into old age.

Never feel safe enough to be careless.

PROSPECTING

WITH SMOKY EVANS

The old Hill ain't going to look like 1940 next Friday and Saturday. There'll be Slicker Joe, with a look about him that will make you reach for your bowtie. And there'll be village belles strolling leisurely out of the library and down into admiring crowds of bearded men from the Mining Camps and the Rancheros. But we doubt if they'll be wondering if the Western Pacific will be two days late like it was last week, or whether those damned Rebels are cutting loose again.

That'll be Friday and Saturday, and the good old days will be here again. And there'll be a general clean-up around the Hill Saturday morning, and it means more than just a clean-up. Ever hear the story, or know the meaning of it?

Look around you—and whether it is Mackay field or its training quarters, or the Mackay School of Mines, or the Mackay Science building, or the only existing files of the old Virginia City papers of the sixties, you see and use daily the things that the Mackay family have given this university.

And it is starting to think that right over those brown hills to the southeast—only 20 miles away—are the vast treasure checks of earth that yielded the silver and gold of these gifts. Today, after many rather sleepy yielded the silver and gold of these gifts again; for the Comstock is slowly reawakening.

This "closeness" could almost be the symbol of the Spirit of Mackay Day—the small close-knit university, the nearby fabulous mines that have built so much of it, the family that reinvested much of that wealth in your and me.

So the meaning of Saturday morning's work by the men of the campus, is that we shall literally clean up and keep in new cleanliness, the campus, and especially these gifts.

Never was a Mining Camp in the old

Wrestlers Rest Over Weekend

Nevada wrestlers will get a much-needed rest this weekend in preparation for their match with the University of California on Stag Night.

A mixed boxing-wrestling match as an addition to the star-studded program was announced this week by John Lemich, matchmaker.

Alf Sorenson, sophomore grid star, will don the gloves and engage John Damm, wrestler, in this exhibition bout. Sorenson, weighing in at 165, will have a ten-pound weight advantage over Damm.

That didn't know how to end a big day right—with a wing-dinger of a dance. If you've ever thrilled to a room full of couples of the sixties and seventies doing the Virginia square dance; then you won't want to miss Saturday night's dance.

Yessir, the old Hill ain't going to look like anything but the good old days, come next Friday and Saturday. They'll be Days of Memory, and the Sheriff is buying new rope for Hangman's tree for them that might take a cantankerous notion to stay away from it all, and not wear jeans and buckskin shirts—or gingham and lace. If you are a Nevada, this will be the day to show it. More than any of the school holidays we know of, these should be one hundred percenters!

Hawaiian Trip Is Scheduled For '41 Wolf Pack Gridders

Confirmation of the tentatively scheduled football trip to the Hawaiian Islands, received by the coaching staff this week, brought a new punch to spring practice rivalry and is expected to be a factor in strengthening the squad through matriculation of transfer athletes in fall registration.

"Although we have not been expecting an acute shortage of material for the season, the added glamour of the Hawaiian trip will no doubt cause enough of an influx of junior college transfers to take care of any crisis that may arise," Coach James W. Aiken stated yesterday.

The Nevada mentor, aware of impending military demands upon men of draft age, referred to the low order numbers held by some of his key grid-

Two Games Probable
The traveling squad, which will meet both the University of Hawaii and the strong Honolulu Townies on the Island junket, will be cut to approximately two teams, according to Aiken. Rivalry for berths, even this early in the year, has caused upsets in filling the first string positions.

"It is naturally too early as yet to pick anyone, even myself, as a 'cinch' to make the trip," the coach stated. "The boys who consistently work the hardest will get all the breaks they de-

NEVADA BOXERS ENTER AAU MEET

University boxers will enter the coming Nevada Golden Gloves tournament to be held here under the auspices of the Pacific A. A. U. April 22, 23 and 24, in a revival of collegiate fisticuffs, according to James W. Aiken, public relations director of the tourney.

Entry of the college team will mark the first attempt to revamp the sport on the campus since 1931, when the Pack punchers pounded their way into the championship berth of Pacific Coast A. A. U. competition.

Aiken, named by A. A. U. Commissioner Al Sandel to work with Albert Hawley, tournament director, and Tony Pecetti, business manager, stated that John Lemich will act as coach and manager of the Nevada team

serve."

Starting Eleven

Announced as a startling eleven following the week's practice sessions and tough inter-squad competition last week, the number one varsity squad contains seven veterans, two junior college transfers, and two men up from freshman competition. George Rainone, "drafter" from Sacramento junior college as a fullback, has been converted to a guard chore, while Ed Brennan, Placer junior college tryee, is slated top man in the fullback spot.

Goodner and Quilici, ends; Schlager and B. Bennett, tackles; Skidmore, center; Motley, tailback, and O. Bennett, quarter, are the veterans in the first string saddles. Underhill and Forson, guard and wingback, are the freshmen converts.

Don Game Wrangle

Aiken declined to comment upon the San Francisco University game situation, still very much undecided despite optimistic reports by the local press. He did admit that the Dons will not be the opening game on the schedule, and expressed reluctance to shuffle the remainder of the Pack schedule to meet the San Franciscans' plans.

"Counting the second game in Hawaii as a definite encounter, the schedule even without San Francisco, pits the Wolves against ten teams, of which at least six can be classed as very strong," the coach added. "There is still a chance that we may schedule the Dons, or that some other arrangements will be made for our open date, but we won't break our necks trying for any more games."

Captain: You are charged with habitual drunkenness. What excuse have you to offer?
Offender (brightly): Habitual thirst.
Captain—Yellow Jacket.

Wolf Prints

BY REX DANIELS

It's spring, and the young men's fancies were lightly turning to thoughts the girls have been thinking all winter, until Coach Jim Aiken focused some of the miscreant male minds to Hawaii's glamour this week by announcing completion of plans to spend eight days (and nights) on the Island.

Incidentally, Aiken welcomes the date for more than one reason. The scramble for positions on the first two teams will make training rules and regulations superfluous, sezhe.

Wolf Prints

Draft board officials are expected to make a ruling affecting the civilian longevity of university students, which will do the athletic setup no harm, what with Schagler, Zug Bennett, Skidmore, Broberg and others being sized up by the military evil-eye.

Wolf Prints

This golymn, along with the rest of the 'Brush, will be tidied up by female hands next week. To steal a scoop from Molly McLemore Morse, we'll tell you to watch the bonnie banks of Loch Mazie for another of those "five-bucks-says-you-can't-swim-it" contests, pending. The party of the first part is "hand - your - clothes-on-the-hickary-limb-but-don't" Fritzi-ripper.

Wolf Prints

Interfraternity track will have lots of angles to watch, but take our tip and don't miss the 100 yard dash. Despite the fact that lots of money will be riding with footballer Motley to beat footballer Forson, we like Forson in this one. Motley has won twice in football tugs in races of fifty or sixty yards, but Forson will be harder to beat in scanties.

Baseball timber uncovered in interfrat play is being picked off by the Reno Larks. Rainone, O'Shaughnessy, Roush and Jensen are already listed as tryees for the club.

Wolf Prints

There are pessimists who say that the Bd. of Ath. Cont. would do well to take our war risk insurance for the trip to the islands. What about a guarantee that Nevada will have a gym for basketball tossing in '41, or that this is Nevada's year?

Wolf Prints

Kohmentator Bill Nash says a wrong has been done Marion Motley in that he is relatively unknown. We hope the same tune last season, and hope local publicists wise up that Motley is not only good enough in his own right to warrant space all over the country, but that by his boot straps Nevada can be pulled far up the football hill. Aiken regurgitated yesterday by stating that the big back is the "best football player in the country," which is quite a mouthful.

Council (to police witness): But if a man is on his hands and knees in the middle of the road, does that prove he is drunk?
Policeman: No sir, it does not. But this one was trying to roll up the white line!—Exchange.

Greek Tracksters To Open Season Here Tomorrow

ATO Favored To Walk Off With Top Honors; LXA Dark Horse

Greek tracksters will open the track season on Mackay field tomorrow afternoon, with their annual interfrat meet.

Favorites are Alpha Tau Omega's strong squad, followed closely by the Lambda Chi, Sigma Nu, and SAE aggregations, but as always, enough "dark horse" performers are entered to swing the meet one way or the other.

The Tau's strong squad is led by Alf Sorenson, who should score heavily in the hurdles and pole vault; Ira DuPratt, hurdler and broad jumper; Lemich and Geno Quilici in the weights; and Bob O'Shaughnessy, broad jumper and high jumper.

Heading the Lambda Chi lineup are Larry Callahan and Gene Mastroianni, who are expected to dominate the distance events; Dean Stice, high school hurdle champ; Fausto Mentaberry, hurdler; and Arne Oas and Otis Vaughn, weight men.

Sigma Nu stars are Fred Forson, sprint and discus star; and Floyd Edsall, broad jumper and hurdler. Other Sigma Nu potential point winners are Bill Friel, high jumper, Les Glessman, pole-vaulter and broad jumper, and Allec Ostrum, Jack Street-er, and Bill Bennett, weight men.

SAE threats are Harry Paille, all-round performer in the field; Jim Melarkey in the high jump and broad jump, and Dan Potter in the high jump.

Other outstanding individual performers are expected to be found among the following: Jim Barrett, half-miler, Independent; George Moore, Beta Kappa, distances; Francis Kne-meyer, pole vaulter, Lincoln Hall, and George Rainone, javelin, Phi Sig.

Are you the bull of the campus? That's me baby.
Moo.

DOUBLEMINT'S real-mint flavor refreshes your taste and helps sweeten your breath. And enjoying smooth chewing daily helps brighten your teeth, too. Kind to your budget. Great to enjoy every day. So drop in and buy several packages of DOUBLEMINT GUM today.

Varsity Trackmen To Open Season Here April 5

Nevada varsity trackmen will open their season April 5, when the strong Cal Aggies squad comes to Reno for the first varsity meet to be held on Mackay Field in two years.

The veteran Aggie squad is the favorite, with several conference champions and other performers who took first places against the Wolf Pack last year studding the roster. The list is headed by Whitey Forbes, sprint star, broad jumper and high jumper.

"Nevada's best chances to concentrate points will be in the low hurdles, where the Aggies are weak," said Coach Jim Bailey. "Jim McNabney won the event last year against the Aggies, and should repeat, with Seaborn a close second."

Other Nevada tracksters upon whom Bailey is counting heavily for first place points are Trigerio in the quarter mile, Perkins in the shotput, and Sala in the discus. Seaborn is a definite threat in the high hurdles, in which event he is even better than in the low sticks. Trigerio is also counted upon for points in the 100 and 220, as is Perkins in the broad jump.

Other less experienced men who might come through with points are Gene Mastroianni in the two mile or mile, Bob O'Shaughnessy in the broad jump and high jump, Alf Sorenson in the hurdles and pole vault, Ira DuPratt in the hurdles and broad jump, John Watrous in the weights, and Jim Barrett in the 880.

Thetas Plan For District Conclave

Extensive plans and arrangements to entertain visiting delegates from Arizona and California have been made by the active and alumni chapters of Beta Mu for the district convention of Kappa Alpha Theta that will be held in Reno April 10 through 13.

Trips to Virginia City and other points of interest have been scheduled for between business sessions, and novelty luncheons and dinners will be held.

Mrs. Dudley R. Clark, district president, and Mrs. James H. Moore, national treasurer, will be the honored guests at the formal banquet to be held at the Riverside hotel climaxing the three-day convention.

Mrs. Harry Simas is in charge of convention arrangements for the alumni, and Merian Ducker heads the active committee composed of Harriet Hills, Fritz Jane Needenrip, Mary Arenitz, Alice Savage, Georgia Ereno, Carolyn Best, Andrea Anderson, and Marge Gusewelle.

Frosh Give "N" Annual Whitewash

The semi-annual whitewashing of the Block N on Peavine hill was carried out by the frosh class Saturday with no major casualties. The custom of whitewashing each other was continued by several frosh as blistered arms, legs, and backs testify.

Although transportation was furnished, most of the students disregarded the trucks and traveled to the "N" in their own cars. Once under way, the job was completed in three hours. Seventeen sacks of slaked lime were used in completing the job.

Harold Sweatt was in charge of the affair. Committeemen he appointed were Ruth Mary Noble, food; Danny Potter and Rodney Boudwin, work committee, and Bud Tholl, transportation.

Prof: Quiet please. I have been lecturing for nigh on ten minutes, now, and I haven't been able to hear a word I've said.

Frosh: That's all right, Prof. You ain't been missin' much. — Yellow Jacket.

Spartan Grapplers Defeat Pack Again

University wrestlers won only three out of 13 matches from the experienced and colorful San Jose Spartans in a return match here last Friday night.

The Wolves showed much improvement in form over their matches last month when they failed to win a contest at San Jose.

Highlighting the evening's program was an exhibition bout between George Homer, 212, of Nevada, and Coach Sam Della Maggorri, 220, of the Spartans, which was won by Della Maggorri after seven minutes and 50 seconds of fast and furious wrestling.

Ivan Olsen of the San Jose squad, who until a year ago was in the U. S. navy and held his ship championship, participated in three bouts, winning two of them. The "Swede" pinned Bill Lattin, 136, Nevada captain, in four minutes and 18 seconds. He dropped the second go, an exhibition bout, to Roger Hickman, 145, in 9:51; and in the third match, took Lee Streshley by a decision after nine minutes.

Bill Givens, 145, Nevada, defeated John Peebles in 2:51 in an exhibition contest and John Damm, 145, Nevada, won the Wolves third match over John Peebles in 2:42.

English Honorary To Initiate Twelve

Twelve new members will be inducted into Chi Delta Phi, women's honorary English society, at an initiation breakfast to be held Sunday morning.

Regular ceremonies of the initiation will be held in Manzanita hall and will be followed by a breakfast at the Monarch cafe.

Prof. and Mrs. A. E. Hill, Prof. and Mrs. Paul Harwood, and Prof. Katherine Riegelhuth and the new initiates will be the honored guests at the breakfast.

Morrison To Report On Montana Conclave

Harriet Morrison will make a report on the National Women's Athletic Federation convention, held at Montana State college, March 16-20, to the WAA executive board Monday noon.

Miss Morrison, Nevada delegate for the convention, returned to Reno last weekend.

The board will meet on the women's athletic field at 12 for a picnic luncheon. Each member must bring her own lunch, but cokes will be furnished. It is a required meeting for each member of the board.

Tri Delts Leave For District Meet

Shirley Huber, president of Delta Delta Delta, Audrey Pederson, Mildred Missimer and Margaret Sears, plan to leave this evening for Palo Alto to attend the sorority's district convention.

Meetings will be held tomorrow and Sunday and will be climaxed tomorrow evening by a banquet. The Nevada delegates will return to Reno Sunday evening.

"Tight clothing," offers Dr. Ling Po, "does not stop the circulation. The tighter her clothing," he continues, "the more a girl circulates."—Sundial.

Mechanical Engineers To Attend Conclave

Members of the American Society of Mechanical Engineers are rapidly formulating plans to attend the annual ASME convention to be held at the California Institute of Technology in the near future, Bill Mitchell, chairman of the organization, announced today.

Sixteen members are planning to attend the convention this year including Assistant Professor William Davidson and technical papers are being prepared by Mitchell and Gerald McCormack which will be presented at convention meetings.

W. A. A. Badminton Begins This Week

WAA badminton singles and doubles tournaments began late this week.

Forty girls turned out for the activity, which has rapidly increased in popularity since it was initiated on the campus several years ago. Thirty girls are eligible to compete in the elimination tournaments.

Games scheduled for 1 p. m. Monday are Dina Garaventa vs. Helma Hill, Margaret Reading vs. Gloria Larraguetta and Lois Rabe vs. Frances Lowrey. At 4 o'clock Betty Mason will play Helen Parks, and Mary Hackett will meet Clarabeth Haley.

Sigma Nu Leads

(Continued from Page 1)

merry-go-round the Sigma Alpha Epsilon nine outscored the Phi Sigma Kappa's 17-13.

Lefty Mayer, the Phi Sig veteran chucker, was knocked from the box in the first inning after six SAE runs had crossed the plate. George Rainone relieved Mayer but Mayer took over again in the third.

The SAE's chalked up 14 hits but also had 11 errors. The Phi Sig's got eight hits and made seven errors.

After eleven innings of sloppy ball the Sigma Phi's eked out a 8-7 victory over Lincoln hall Sunday. This game will not go into the record books, however, as the Hall boys contested one of the Virginia street gang's runs. The game is to be replayed.

for your copy of TOBACCOLAND-U.S.A.
the book that gives you the facts
about tobacco and tells you why

It's Chesterfield

for a COOLER, Milder, BETTER SMOKE

A short while ago we published TOBACCOLAND, U. S. A., the only complete picture story of the growing, curing and processing of fine tobaccos, from seed-bed to cigarette. So great was the demand for this book from smokers everywhere that another million copies are now coming off the press. TOBACCOLAND gives real information and is yours for the asking.

The more you know about how cigarettes are made the more you'll enjoy Chesterfield... the cigarette that Satisfies.

MORE SMOKERS ASK FOR CHESTERFIELDS EVERY DAY
