UNIVERSITY OF NEVADA, RENO, FRIDAY, FEBRUARY 18, 1944

PRICE FIVE CENTS

## PHI KAPPA PHI NAMES 5 STUDENTS TO GROUP

Three women and two men students were elected to Phi Kappa Phi, honorary scholastic society, at a meeting held yesterday, Prof. Vincent R. Gianelli, group president, announced.

They are Janet McClellan, Nita Reifschneider, Lois Welden, John Aberasturi and LeRoy Talcott. The initiates will be presented to the student body at the annual Phi Kappa Phi day assembly, Tuesday at 10:40.

Miss McClellan is unaffiliated, Miss Reifschneider is a member of Kappa Alpha Theta, Miss Welden belongs to Gamma Phi Beta, Aberasturi is affiliated with Sigma Rho Delta, and Talcott, who is now taking OCS training with the armored infantry at Fort Knox, Ky., is a member of Lambda Chi Alpha and was president of that fraternity last year.

Guest speaker for the assembly is Dr. Paul Popenoe, noted sociologist from the American Institute on Family Relations, who will address the students on the subject, "Is There a New Morality?" Graduated from Occidental College and Stanford University, Doctor Popenoe is under the sponsorship of the White House conference committee, and has been traveling throughout the United States delivering addresses to various schools.

During the assembly, the Ginsburg Jewelry Company award will be presented by Dr. Harold N. Brown, chairman of the committee on scholarships and prizes, to a sophomore man student, who is outstanding through scholarship and character. The award is a 17-jewel Omega wrist watch.

At this time the dean of women, Mrs. Alice B. Marsh, will present the sorority scholarship improvement plaque to the group that has made the greatest improvement during last semester.

The Nevada chapter of Phi Kappa Phi was started in 1912. Since that time, Phi Kappa Phi day has become a tradition and is held in February every year.

## Pan-Hellenic Bean Feed Dubbed Success By 200 Coeds Who Attended the Affair

### War Bond Sales Total \$1625; Stamps \$261; Evening Featured With Coed Entertainment

### WOMEN FROM GROUP PLACED ON BUREAU

Appointments of women from each of Nevada's sororities, Zeta Phi Zeta and the Independents to represent their groups on the speakers' bureau of the women's war council were announced this week by Kathleen Norris, chairman of the bureau.

Those appointed were Mary Wirtz, Delta Delta Delta; Betty Lou Kirkley, Gamma Phi Beta; Ada May Bachman, Independents; Mary Harriman, Kappa Alpha Theta; Betty Flyge, Pi Beta Phi, and Doll Corbett, Zeta Phi Zeta.

## Mining School Helps Nevada Prospectors

### State Laboratory Runs Special Ore Samples

Since the beginning of the war, the state analytical laboratory of the University of Nevada has been very helpful to prospectors in discovering strategic metals, according to Prof. Walter S. Palmer, director. Staff members of the Mackay School of Mines assist as members of the laboratory staff, he added.

The purpose of the laboratory as established by state law is to run free assays of ore samples obtained by citizens of the state within the boundaries of the state. Since the origin of the laboratory two years after the founding of the university, in 1888, it has become increasingly helpful to miners in evaluating ore samples, Professor Palmer said.

**Staff From Nevada**

The staff of the organization is as ordained by law composed of faculty of the Mackay School of Mines, Professor Palmer, head of the department of metallurgy, Prof. William I. Smyth, associate professor of metallurgy and mining, and Prof. Vincent P. Gianella, head of the department of geology, are the members of this staff.

Students at the university are usually employed, Professor Palmer said. In the past one or two mining or metallurgy students have been employed as analysts, but because of the entrance of many students into the armed services, none were available this year. However stenographer to the laboratory has always been a student, he added, and Katherine O'Leary holds that position this year.

**80 Per Cent in 20 Years**

Since the institution of the laboratory, 485,984 determinations have been run on 119,741 samples of ore for 65,646 people, Palmer stated, and 80 per cent of this work has been done in the last 20 years. The annual average of good ore samples—worth \$4 a ton—is 36 per cent of those submitted, and that of very good ores—worth \$20 or over a ton—runs to 19 per cent of the samples.

Though the state analytical laboratory was founded in 1888, it was not officially included as part of the university until 1895, when an amendment to the original law made this provision. The laboratory is run on money appropriated by the state legislature. The main object in such an institution is to establish a sure source of an impartial view as to the value of any ores discovered in the state of Nevada.

## Student Volunteers Asked by Red Cross For Blood Donations

### Workshop Compiles Special List of Donors for Washoe County Hospital

Students of the university and trainees stationed on the campus are being sought this week as blood donors to replenish the supply at the Washoe County hospital, according to Brownie Wylie, chairman of the women's war council.

A list is being compiled in the Red Cross workshop, room 102 of the Agricultural building, of the names of students who volunteer to donate blood. Hours during which these students can appear at the county hospital to donate blood will be arranged in the near future. In the meantime more students and military men are urged to comply with the request by giving their name to a staff assistant in the Red Cross room.

Donors will first be tested for the quality and type of their blood and if they qualify, a date will be set at which they will be given transportation to the hospital. After a pint of blood is taken, the donor is given a glass of orange juice and asked to rest 30 minutes before leaving the hospital, Miss Wylie added.

Work progressed in the Red Cross workshop this week as more cadets and trainees brought in garments to be mended by the workers. Under the direction of Pat Thomas, newly appointed production head, a new supply of knitting wool was furnished to Red Cross workers. More girls are needed to knit woollen wear for servicemen.

The workshop announced new hours this week as several more staff assistants volunteered for service. Room 102 is now open from 11-12 and 1-4 on Monday, Wednesday and Friday; 11-4 on Tuesday and Thursday.

## Walter Case Awarded Rotary Scholarship

Walter Case, sophomore student from Winnemucca, was this week awarded a \$100 scholarship given by the Rotary Club of Reno, according to Tate Williams, local head of the organization.

The award is made annually to the University of Nevada student of good character, good scholastic record and who is self-supporting in whole or in part.

Case held tenth place on last semester's honor roll topping the scholastic record of all civilian men. A student in the college of arts and science, Case had a semester average of 3.74.

## Three Nevada OPA Heads To Speak at Assembly

Three members of the OPA will be presented at an assembly to be held at 10 o'clock February 29 under the sponsorship of the women's war council speakers' bureau, according to Kathleen Norris, chairman.

Dr. Ernest Inawdry, formerly of the university faculty; Dr. Rex Crider and Fred Horlacher will be honored guests. They will give short talks on how university students can help the OPA in its duties.

## KAY DEVLIN IN LOUISIANA

Kathryn Devlin Keiser, graduate in sociology with the class of 1941, is now living in Alexandria, La., with her husband, an instructor in the army air forces.

While on the campus she was affiliated with Kappa Alpha Theta, and a member of Cap and Scroll, women's honorary; ASUN senate, AWS executive committee, Forensic Key and the YWCA. She was active in debate and worked on both of the student publications.

## SENATE APPROVES RONALD DUPRATT AS CHAIRMAN OF THE FROSH CLASS

In an effort to retain male leadership on the campus, the ASUN senate approved the appointment of Ronald Dupratt, ATO, as freshman class manager. They made this decision after the freshmen voted to give the senate authority to make the appointment for them in lieu of a regular election.

Dupratt will fulfill the unexpired terms of two other male students, Bev. Waller and Hallie Berry, who resigned office because of call to active duty in the armed forces. Both are assigned to the army.

**Block N Representative**

At their regular meeting Tuesday afternoon, the senate also approved the appointment of Bill Mackrides as Block N representative to the board of athletic control. He will replace Vern Kellar, who is not a member of Block N.

## ASUN Senate Names Bob Uhlig As Head Of 26th Annual Mackay Day Committee

### AST Dumps Fallon; Loses to Tonopah

#### Trainees Perform Ably On Churchill Court

The Engineers' quintet added a win and loss to their record last weekend. On the old gym court last Friday the trainees were given a 65-39 thumping by the Tonopah Air Base team. The following night the Engineers made a come back by trouncing the Fallon Merchants 75-38 on the Churchill court.

**Trainees Off Beam**

Friday night's game saw the trainees very much off the beam and the action was held at the gunners' basket. Millar, who scored 28 points the following night turned in only four points.

**Gunners Hold Lead**

Harold Fischer, rangy Tonopah center, and Lieut. Dean Stafford, forward, accounted for 37 points between them. The Gunners, a fast and well matched quintet, held the lead throughout the one-sided game.

**Fallon Game**

At Fallon on Saturday night the Engineers won from the Merchants to the tune of 75-38. Leading throughout the entire game the trainee team turned in one of its best performances to date.

Millar and Tarr, trainees, were both in good shape, Millar scoring 28 points and Tarr turning in 18.

## FRESHMAN WOMEN BID \$30 TO FORCE A RIBBON ON MOLIGNONI

Freshman women, seeking to take a swing at Hitler and also a haymaker at their nearer enemy, paid a neat sum at the bean feed Wednesday on the condition Betty Mollignoni would wear a frosh hair ribbon for the next two weeks.

The women, many of whom had felt Betty's iron hand wielded in the form of a ticket to appear before the upperclass committee, pooled their finances to buy about \$30 in war stamps to see the act performed. Some upperclass women also chipped in on the proposition.

Being a good sport and wishing to auction off any item for which the women would bid enough war stamps, Betty agreed.

It has been suggested that this is quite a sacrifice on Betty's part, because she "isn't exactly the ribbon type."

## SLACKS BANNED BY COMMITTEE

The sudden splurge by coeds to wear slacks on the campus was stopped this week when the women's upperclass committee voted to punish them for breaking a tradition.

The committee also decided that women students not appearing upon notice for breaking traditions would be subject to double punishment. Doll Corbett, chairman of the women's upperclass committee, announced.

Coeds who did not appear at the last meeting and fail to attend the next women's upperclass committee meeting will be deprived of ASUN privileges. Women who were scheduled to appear before the group yesterday and failed to attend are Elizabeth Dana, Madge Doerler, Elizabeth Caldwell, Ruth Mary Collins and Addie Hom.

## Fraternity Men Unite In Planning Dance For February 26

Remaining fraternity men on the campus have united to present an interfraternity record dance at the Phi Sigma Kappa house February 26, according to Gilbert Souton, who was named as chairman of the committee to arrange the affair.

Theme of the dance will be western, and if it is successful, a spring formal to include all the fraternities and independent men on the campus will be attempted, he said.

Ticket sales have begun and of the limited number, about half have been sold, Sutton added.

The committees arranging the dance will hold a brief meeting Monday at 4 pm to continue plans.

Committees include Bob Uhlig, Ronald DuPratt and Bruce Hill, house committee; Bud Tuttle and Kenneth Bradshaw, music; Vern Keller, Charles Fleming and Paul Yrarraguirre, refreshments; Bill Mackrides, Charles Sheehan, Jack Dieringer, Jim Coleman, Len Crocker, assistants. Sutton is in charge of ticket sales.

## New AST Commander Expected Here Today

Capt. Arthur D. Baker from Vancouver barracks, Wash., is expected to arrive on the campus today to take temporary command of the AST unit here, the military department announced.

His stay here will depend upon the status of Capt. M. B. Cutler, former executive officer, who is now stationed at Hammond general hospital, Modesto, Calif.

Sgt. Francis M. Scott, also being added to the AST staff, according to Major J. C. Howard of the military department, Sergeant Scott was formerly stationed at the presidio in Monterey, Calif.

## Home Ec Women Give Tea To Honor Century Club

Home economics students entertained members of the Century Club at a tea held in the department rooms Thursday afternoon, according to Miss Mildred Swift, head of the home economics department.

Theme of the tea was internationalism and a paper by Miss Swift on our homes of today and tomorrow was featured at the meeting.

Women students, dressed in appropriate foreign costumes served refreshments and flags of all nations were displayed around the room and on the walls. American beauty roses decorated the tea table.

The Century Club held its regular monthly business meeting on the campus Thursday in order to give the home economics women an opportunity to put their training into practice at the tea, Miss Swift added.

## HICKS SPEAKS IN CARSON

Dr. Charles R. Hicks of the history department spoke to members of the Carson Rotary Club Wednesday on the Japanese situation. Doctor Hicks spent several years in the Orient and has delivered several speeches on that subject to various service clubs in this vicinity.

## PI PHI SOCIAL TOMORROW

Pi Beta Phi will hold a social for members of squadron D of the aviation students from 7 to 8:30 tomorrow evening, Beulah Haddow, house president, announced. Katherine Little is in charge of the affair.

## Student Group to Meet With Chairman To Arrange Extensive Western Program

### Beard Growth for Men Begins February 28; Upperclass Men Promise Rigid Enforcement

Mackay Day became a reality this week when the ASUN senate appointed Bob Uhlig, sophomore Phi Sigma Kappa, chairman of the Mackay Day committee.

Scheduled to commence April 14, Mackay Day weekend will lose much of its western color this year due to wartime curtailment. However, all 75 civilian men on the campus, unless they present a legitimate excuse, must commence growing beards February 28. If some do not comply with the tradition, the men's upperclass committee will enforce the ruling.

Other members of the Mackay Day committee who will assist Uhlig are as follows: Frances Bauman, Katherine Little, Dean Dukes, Kenneth Bradshaw, Bonnie Yater, Mary Alice Holmes, Marvin Trigero, Frank Apa, Dorothy Able, Helen Cashbaugh, Laurel Tuttle and Janet McClellan. The first committee meeting will be held next week, when it will be decided how extensive the Mackay Day celebration will be this year.

## Wolf Pack Faces Marines Tomorrow

Looking Back

In the past, Mackay Day has been a two-day affair commencing Friday morning with an assembly featuring fraternity and sorority skits. The spirit of the celebration was emphasized when all students wore appropriate western costumes all day Friday and Saturday. Sorority open houses were held Friday night for all students on the campus.

Saturday morning began with a benediction in front of the Mackay statue led by a local church leader. A general cleanup of the campus was undertaken by fraternity men and at the same time all freshman girls prepared the Mackay Day luncheon. The luncheon, attended by the entire student body, included songs by fraternity and sorority song teams, and speeches by prominent leaders of the state. Bids for membership into organizations and honorary awards were given out at this time.

Highlight of the two-day celebration was the Mackay Day dance Saturday night when the queen, last year Dorothy Casey, was crowned, costumes and beards were judged and the awards were presented for the various contests. The fraternity cup for cooperation, a revolving trophy, was won for the fifth time by Theta Chi. Sorority awards were divided into best song team and best dance representation. An award was also given for the following: best beard, best costume, reddest beard and fraternity song team.

## Barn Dance Planned By Saddle and Spurs

A barn dance will be held Saturday, February 26, in the old gymnasium under the sponsorship of Saddle and Spurs, campus riding club, according to (Feldie) Howard, president.

Mary Watts has been named chairman for the affair which will be a no-dance. Women attending will wear gingham dresses and civilian men will wear levis. Army trainees stationed on the campus are also invited.

Admission will be 50 cents for men and 35 cents for women. Tickets are available from all Saddle and Spur members.

## Welsh Dances Introduced Into Women's PE Classes

The Europeans have long recognized the need of dances requiring a surplus of women, according to Miss Elsa Sameth, who is introducing a set of Welsh folk dances into the regular physical education classes for women.

Welsh folk dances use simple music and are arranged to accommodate a proportionately large number of women, Miss Sameth added. The particular dance being featured in the physical education classes this semester is made up in sets of three including two women and one man.

Though dances of Irish, Swedish, English, French, German, Italian, Serbian and Moravian peoples have been presented to dance classes in the past, this is the first time Welsh dances have been attempted.

## Earlmond Baker Weds Navy Man in Texas

Earlmond Baker, Nevada graduate with the class of 1941, was married to Arthur Stevens of Los Angeles at Corpus Christi, Texas, on February 25. Both are assigned to the naval station there.

While on the campus, Mrs. Stevens was president of Gamma Phi Beta and was women's state golf champion. She was also a member of W.A.A., Sagens and Botic N. Mrs. Stevens now holds the rating of seaman second class in the WAVES.

## FRANCES HAWKINS VISITS

Plans for reorganizing the University of Nevada band are being drawn up, according to Prof. Theodore H. Post, head of the music department.

The band probably will be reinstated next fall, Professor Post said, with the cooperation of the faculty and students. Since the air corps training program is being discontinued, instruments will be available for those interested, and the sound-treated practice room in the new gymnasium can be used for rehearsals, he added.

Plans for the Lenten season were discussed at a meeting of the Canterbury Club, Episcopal organization of university students, held last Sunday evening at St. Stephen's house, according to Virginia Olesen, president.

Council members, who were elected at an earlier meeting include Myra Rowley, Jeanne Chartier and Jean Marie Proctor. Virginia Olesen was elected president, and Rev. William T. Holt is advisor.

## GOVERNOR'S MEDAL WILL BE AWARDED

In accordance with established tradition, the governor's medal will again be awarded an outstanding civilian ROTC student this year, though for a time the idea of discontinuing the presentation this year was considered.

The student for the award will be chosen later by Major J. C. Howard of the military department and the medal will be presented during the first week in May by Gov. E. P. Carville, it was announced.

All university students currently enrolled in ROTC will be eligible to receive the award, Major Howard said.

## MUSIC PROF PLANS RENEWAL OF BAND

Plans for reorganizing the University of Nevada band are being drawn up, according to Prof. Theodore H. Post, head of the music department.

The band probably will be reinstated next fall, Professor Post said, with the cooperation of the faculty and students. Since the air corps training program is being discontinued, instruments will be available for those interested, and the sound-treated practice room in the new gymnasium can be used for rehearsals, he added.

## Lenten Season Discussed By Canterbury Club Group

Plans for the Lenten season were discussed at a meeting of the Canterbury Club, Episcopal organization of university students, held last Sunday evening at St. Stephen's house, according to Virginia Olesen, president.

Council members, who were elected at an earlier meeting include Myra Rowley, Jeanne Chartier and Jean Marie Proctor. Virginia Olesen was elected president, and Rev. William T. Holt is advisor.

In view of this, letters to the editor, expressing other opinions, will be appreciated; however, any letter submitted must be signed by the writer or it will not be accepted.

### PRAISE WITH JUSTIFICATION

Nevada coeds went patriotic Wednesday night when more than 200 women students attended the Pan-Hellenic bean feed, which was inaugurated to promote the sale of war stamps and bonds.

At the conclusion of the evening, there wasn't a doubt in any woman's mind that the affair was a success. Everybody had a good time and, all who could, bought stamps and bonds. Some coeds even pooled funds to make a purchase.

When the bean feed project first became a reality in the eyes of the sorority council, after it had been suggested by Ruth Mary Noble, student war finance committee chairman, no one realized what a tremendous success it was going to be.

No precedent had ever been established to determine the outcome of the bean feed. In fact it is the precedent to determine the outcome of future events.

Probably one factor that Pan-Hel didn't consider, since there was no reason they should, is that a patriotic theme such as this one, and managed as efficiently as this one, is always an automatic success.

Actually many possibilities overlooked by the Pan-Hel committee found themselves ultimately ironed out by a group of willing coeds.

After all the donated gifts were auctioned, the women students, bidders and sellers, invented ideas to sell with stamps and bonds. Some of the ideas were fantastic, others just funny.

It simply didn't make any difference to any coed what she was receiving—just so a war bond was delivered with the package.

Besides the purchase of bonds and stamps, the coeds were out for a good time. They sang together. They joked together. Some of them presented feature acts. In essence, they learned to know each other and, more important, like each other.

As one satisfied coed put it, "Even the beans were good." There can never be a substitution or duplication for this particular bean feed, for it was an epic all of its own—one of the affairs that won't miss the chronicles of student history.

Obviously repetition of the bean feed, although probable, is impractical. However, thoughts of another affair, swelled to larger proportions, are undoubtedly in the mind of the individual promoter, Miss Noble.

All the war finance chairman needs is a non-sorority promoting group and the University of Nevada coeds will again help the war effort.

## British Colonel To Talk to AST

Lieut. Col. Edward F. Lascelles of the British army will speak Monday to a group of military trainees on the campus at an assembly to be held in the Education auditorium at 5 p.m., the military department announced.

Subject of his talk will be "The British Commonwealth of Nations as Contributors to a New World Order." Most of the seats in the auditorium will be reserved for military students, about 300 of them being expected to attend, with the remaining seats available to the public, it was stated.

Colonel Lascelles was born and educated in New Zealand and has seen service in South Africa, India, Ireland and Egypt. During World War I, he was on a ship which was torpedoed in the Mediterranean and was interned in a hospital on the island of Malta.

He has most recently been active with the war savings organizations in Britain, according to the military department. He appears under the auspices of the Reno Rotary Club.

## PATSY PRESCOTT WEDS ENSIGN GEORGE HOMER

The marriage of Patricia Prescott, 1943 graduate, and Ensign George Homer, graduate of the Mackay School of Mines, took place on February 12, according to a telegram received here this week.

Mrs. Homer has been studying drama and radio work in New York City since graduation. While on the campus, she was active in dramatics and played leading roles in many university play productions. She is listed in Who's Who for American Colleges and is a member of Phi Kappa Phi, scholastic honorary, and Chi Delta Phi, English honorary. She was affiliated with Pi Beta Phi, sorority.

Ensign Homer was a member of Sigma Alpha Epsilon while at the university and has been attending officers school at Cambridge, Mass., since receiving his commission with the navy.

## Campus AAUP Branch Chooses Dr. Wittwer As Group President

Dr. Eldon Wittwer, head of the department of agricultural economics, was elected president of the American Association of University Professors at the University of Nevada at a meeting held last night, according to Dean Stanley G. Palmer, former president.

As has been the tradition in the past, the former president, Dean Palmer of the college of engineering, was named vice-president, and Mrs. Alice B. Marsh, acting dean of women, was chosen secretary.

These officers will replace those of last year, who were Dr. Anatole G. Mazour, vice-president and Prof. William O. Holmes, secretary.

Dean Fred W. Traner was the speaker of the evening and addressed the group on "the inside workings of an accrediting institution." The meeting was held at the home of Dean John W. Hall, emeritus professor of education.

Plans for the next meeting, set for March 16 at the home of Dr. Benjamin F. Chappelle, 576 Ridge Street, include a discussion on the subject of standards for university buildings. Speakers will be Acting President Charles H. Gorman and Dean Frederick Wood. Prof. Alfred L. Higginbotham will lead the discussion, Dean Palmer said.

The discussion is for the purpose of bringing out points that may be helpful in planning for a post-war arts and science building, he added.

## Ten Visit Mount Rose On Engineer Ski Trip

Ten members of the AST unit stationed on the Nevada campus went on a ski trip to Mount Rose Sunday, according to Lieut. G. G. Hale, who accompanied the group.

A trip had been planned for the entire unit February 6, but transportation being unavailable, the trip was cancelled. Those taking the Sunday trip were Bob Ullman, William Hansen, Joe Waddle, Robert Branch, James Bostwick, Stan Wise, Larry Smith, Paul Gibbons, George Hershorn and Floyd Edsall. Mrs. Hale was also present.

## LETTERS to the EDITOR

### SAGEBRUSH SPANKED

Last week's Sagebrush commented, and very strongly, on the Mackay Day condition, and it became the issue of the week, for no good reason at all.

Since I was the person to whom the blame went, and justly so, I shall in my way point out that in the first place the situation is not acute.

In looking back through the minutes of the last year's senate I found that the panel, of which the Mackay Day committee is a part, was not approved until February 10, 1943. Our panel was approved on February 15, 1944. I am sure that five days will not be the factor in deciding a successful or unsuccessful Mackay Day. As for the tradition that the panel be approved the first meeting of senate of the new semester, I didn't know it was a tradition since it is not in the constitution or in the written traditions. Some of those people who have been on the ground floor so long might have told me. To have told me would have proved that they wanted to cooperate, but to wait until the mistake is made and then make an issue of it isn't any form of cooperation.

The committee will not have a strike against them since they do have a date and a date that gives them seven more days than was expected. I also know that this committee will be successful and give us a Mackay Day that will be superior under war time conditions.

The social calendar committee did not ignore Mackay Day for Dean Thompson would not engage the dates of the weekend before Mackay Day as it was on the university calendar, nor the weekend after. In this manner Mackay Day could easily be changed to either of those two dates without any kind of conflict.

In all fairness to the women students on this campus, I think to say they are "hogging" the activities is untrue. I am sure that if a fair minded man student were asked if he felt this way the answer would be "No." Our men leaders are leading somewhere else, and this duty of continuing student government has been placed in women's hands. We cannot hope to succeed without cooperation among ourselves and unity only through those same means, cooperation and unity.

As for the last assembly being a coed fiasco, I can't seem to agree. If it was the student business of the assembly that didn't appeal, you must remember business is always a dry subject. If the reference was made to the frosh part of the assembly, I don't think they deserve criticism. Remember our first assembly as freshmen?

The only person I told that we would not have a senate meeting because of lack of business was a senator. Senators, too, are responsible for the activities of the campus as well as I. If that senator could quote me to the Sagebrush it seems that the senator's interest is not really in a successful Mackay Day or even a Mackay Day, but rather to put me on the spot.

Perhaps I should just mention the AAUW high tea on Wednesday evening, for senior women, as a reason for the

### delay of a senate meeting. This week senate meets on Tuesday because of the bean feed Wednesday night.

In closing I want every student on this campus to know that Mackay Day means as much to me as any other student and that I want to do everything possible to have a successful Mackay Day. I shall make every effort to make this tradition live. All I can ask of you is to do as much.

HELEN BATJER,  
ASUN President

### SPANKED AGAIN

So the editors want to know why there was an oversight. The senators want to know—what oversight? The editors either forgot or did not take the trouble to investigate and find out the following:

1. There is no tradition which implies that the panel shall be drawn up at any particular date; nor is there any mention of such in the constitution.

(a) Last year the committee was appointed February 10.

(b) For the obvious reasons that many students were not returning and the committee must consist of experienced students, the nominating committee decided to wait until the complete registration had taken place before drawing up the panel.

2. The calendar committee did not ignore Mackay Day as printed in the editorial.

(a) The committee forsook the conflict and made arrangements with Dean Thompson to reserve the weekend before and after Easter for Mackay Day.

This year's Mackay Day committee had one strike against it for it must face the problems of these abnormal times. You have given it a second strike. Your non-constructive criticism is the first publicity it has received. You mention whole-hearted student cooperation. Student cooperation begins with the student paper.

If any student had suggestions concerning the Mackay Day committee, he should have given them to the senate, as any campus affair is the affair of the student body and senate is the representing body for the students. Nothing was gained by directing your unwarranted criticism to Miss Batjer. In every respect she has cooperated full heartedly with the students and senate.

Undoubtedly the Mackay Day committee will be able to use some of the wartime suggestions you have offered.

## Heinen-Reading Wedding Planned in Near Future

The engagement of Margaret Reading to Cpl. Fred Heinen was announced last Sunday at a luncheon held at the Riverside hotel. Both are graduates of the University of Nevada with the class of 1943.

Miss Reading was president of her sorority, Delta Delta Delta, during her senior year at the university and was a member of Sagens, WAA and the Pan-Hellenic council.

Corporal Heinen was a member of Scabbard and Blade and Sagers and was president of his fraternity, Sigma Alpha Epsilon, during his senior year. He has been in the army since last June and has been stationed at Fort Knox, Ky.

## ORCHESTRA AND CHOIR SCHEDULE REHEARSALS

The Reno civic orchestra and a cappella choir will soon begin rehearsals for its performance at the university commencement exercises, according to Prof. Theodore H. Post, director.

The orchestra and choir are composed of townspeople and students of the university. They are usually called upon to furnish music at commencement.

The two groups are planning a spring concert in lieu of their usual presentation of the Messiah, which was cancelled because of decrease in members of the organization, Professor Post added.

Suggestions of this type help to build whole-hearted student cooperation. With this type of cooperation there could never be an "oversight."

ASUN SENATE.

## Higginbotham Compiles Journalism News-Letter

A news-letter containing information about more than 60 former students and alumni in the department of journalism has been written and edited by Prof. Alfred L. Higginbotham, head of the department of journalism.

The eight page, mimeographed news-letter deals with the latest activities of graduates dating from the class of 1938 to the present time. It has been mailed to over 75 persons throughout the world, most of whom are now serving in the armed forces, Professor Higginbotham said.

Although the Mackay School of Mines has put out a letter of this sort for many years, it is the first time that such a project has been undertaken in the department of journalism, he continued. It is the intention of the department to issue a similar news-letter at the beginning of each calendar year.

**British Colonel To Talk to AST**

Lieut. Col. Edward F. Lascelles of the British army will speak Monday to a group of military trainees on the campus at an assembly to be held in the Education auditorium at 5 p.m., the military department announced.

Subject of his talk will be "The British Commonwealth of Nations as Contributors to a New World Order." Most of the seats in the auditorium will be reserved for military students, about 300 of them being expected to attend, with the remaining seats available to the public, it was stated.

Colonel Lascelles was born and educated in New Zealand and has seen service in South Africa, India, Ireland and Egypt. During World War I, he was on a ship which was torpedoed in the Mediterranean and was interned in a hospital on the island of Malta.

He has most recently been active with the war savings organizations in Britain, according to the military department. He appears under the auspices of the Reno Rotary Club.

**PATSY PRESCOTT WEDS ENSIGN GEORGE HOMER**

The marriage of Patricia Prescott, 1943 graduate, and Ensign George Homer, graduate of the Mackay School of Mines, took place on February 12, according to a telegram received here this week.

Mrs. Homer has been studying drama and radio work in New York City since graduation. While on the campus, she was active in dramatics and played leading roles in many university play productions. She is listed in Who's Who for American Colleges and is a member of Phi Kappa Phi, scholastic honorary, and Chi Delta Phi, English honorary. She was affiliated with Pi Beta Phi, sorority.

Ensign Homer was a member of Sigma Alpha Epsilon while at the university and has been attending officers school at Cambridge, Mass., since receiving his commission with the navy.

### Bostwick Tops List In LSU Rifle Match

#### Nevada ROTC Men Participate

James Bostwick, AST trainee station on the campus, achieved the highest individual score in the recent rifle match between Louisiana State University and Nevada, the military department announced this week.

Six ROTC students now taking military courses at the university also participated in the match. Four of these men rated among the top ten on the Nevada team, while the other participants were AST students.

The match, one of several correspondence contests to be held by the university's rifle team composed of civilians and AST men, was concluded this week, but no individual scores were obtainable from the Louisiana team.

The top ten men and their scores were as follows:

James Bostwick	354
Allen Chilton	348
Lenley Crocker, ROTC	346
Kenneth Brusk	342
David Bulger	341
Raymond Buhl	338
Walter Case, ROTC	338
Bill Mackrides, ROTC	334
Paul Christensen	329
Eugene Grottegut, ROTC	312

Other scores for the match were as follows:

Allen Brauch	311
Charles Sheehan, ROTC	310
Fred Hansen	293
Frank Apa, ROTC	287

At present, the Nevada team is in a match with all rifle teams competing within the ninth service command.

Back the attack with war bonds and stamps.

### MARINES ENLIST UNIVERSITY COEDS

A limited number of University of Nevada women, with preference going to seniors slated for graduation in May, will be enlisted in the marine corps women's reserve during the month of March, it was announced this week by Staff Sgt. Ed Montgomery, officer in charge of the recruiting sub-station in the Reno post office building.

Women enlisting during March will not be called for active duty until following the close of the current semester, at which time they will be sent to Camp Lejeune, N. C., for indoctrination training, following which they will receive specialized training before being assigned to a marine corps base or station. Women accepted for enlistment under this program will be eligible to apply for officer candidate training upon completion of basic training.

Complete details and printed matter pertaining to the marine corps women's reserve may be obtained in room 220 of the Reno post office building.

### Letter On Africa Received by Titus

A letter describing the agriculture and living conditions in Africa has been received from Lieut. Col. Ralston L. Crew, graduate of the university school of agriculture, by Prof. Louis Titus of the college of agriculture.

Lieutenant Colonel Crew emphasized the lack of machinery in Africa with which to work the soil. He noticed that the Egyptians and Arabs, as well as the other inhabitants, are very primitive when judged by our standards of living.

#### Oil and Wine

In Italy the main agricultural products are olives and grapes, which are converted into olive oil and wine. He observed that a diet of these as main constituents is not good for the people. Lieutenant Colonel Crew graduated from the university in 1928 and later married May V. Mills, also a graduate of Nevada. After graduation until the time of his induction into the army, he was assistant county agricultural agent for Lassen county, California.

#### COURTWRIGHT AT MICH.

Ray "Corky" Courtwright, former coach at Nevada and inventor of the Homecoming tradition on the campus, is now varsity golf and wrestling coach at the University of Michigan in Ann Arbor, according to word received here. His daughter, Betty, is an undergraduate student there and is an ice skating star on the campus.

### Wolf Pack Suffers First Season Loss To Tonopah Quintet

#### Many Students View Last Basketball Tilt Despite Game Loss

Viewed by the season's best crowd, the Wolf Pack met its first defeat of the 1944 basketball season by losing 53-41 to the Tonopah Air Base Gunners last Saturday.

Backed by such comparative veterans as Lieut. Dean Stafford, formerly of Cleveland, a master of the hook shot, and big Harold Fischer of the S. F. Olympic Club, the Gunners held experience and height over the college varsity.

The Nye quintet led off the first quarter with the Pack tying them basket for basket in the first goals of the game. Although out-playing the Nevada team during the first half, the Gunners were unable to run up an appreciable lead. The score board read 25-17 at the half.

The Gunners began accumulating points during the third quarter when Stafford and Fischer dribbled circles around confused Nevada defense to score with methodical accuracy. At one point during the last half the score was 42-24.

The Wolf Pack began a belated rally as Sheehan and DuPratt began hitting the hoop and the collegians took more control of the ball. At the final whistle the Pack had advanced within 12 points of the Gunners lead after a fast and fairly well matched fourth quarter performance.

### Donor Gives Medals To ASTP Engineers

Three medals donated by Mrs. Gertrude C. Freund will be awarded at the AST graduation ceremonies on March 3, the military department announced this week.

The medals will be given to the trainees achieving the best scholastic record, the best rifle marksmanship and the best all-around military excellence. Acting President Charles H. Gorman will present diplomas to the graduating class at ceremonies to be held in the parking area opposite the Education building, it was announced.

Graduation from the AST unit at the University of Nevada completes basic training for engineer students who are then prepared for more advanced training.

### Beth Williams Chosen Student Choir Head

Beth Williams, Delta Delta Delta pledge, was elected student leader of the women's choir at a recent meeting, according to an announcement from the music department this week. Nora Saunders was chosen librarian and Dorothy Streng was named accompanist.

Rehearsals for the group are being called twice a week, it was added, instead of conforming to the previous once a week schedule.

A specialty number is being added to the choir's repertoire, in addition to the vocal selections, a rendition of Haydn's Toy Symphony is being prepared. Barbara Mills, flutist, and Ada May Bachman, violinist, will solo accompanied by the piano. Background will be supplied by members of the choir playing toy instruments including bird call horns, cymbals, tambourines and rattles.

### Watts Named President of WAA Outing Club

Mary Watts was elected president of the newly formed Outing Club at the first meeting, according to Dorothy Reynolds, WAA president. Other officers chosen were Alice Davis, vice-president, and Betty Jo Hanna, secretary-treasurer. Miss Ethel Dixon, physical education instructor, is advisor to the group.

Tentative plans for a ski trip to Galena Creek next Saturday were made. Miss Reynolds added. This is the first outing scheduled in conforming to the program of the club which includes bicycle rides, swimming and hiking.

Members of the club are Florene Miller, Betty Jo Hanna, Lavina Ramelli, Dorothy Abel, Alice Davis, Frances Ulmon, Dorothy Reynolds, Marian Henn, Myri Nygren, Mae Nygren, Wilda Plum, Valerie Scheeline, Kay Kinneberg, Dorothy Watson, Barbara Mills, Kathleen Blythe, Isabel Blythe, Pauline Sirkegian, Tosca Masini, Pat Riley, Jayne Creel, Marie Aldrich, Helen Cashbaugh, Mary Watts, Barbara Lee, Constance Braiton and Mary Harriman.

### Fourteen AST Men Win Good Conduct Medals

Good conduct medals, representing one year of army service with an unblemished record, were awarded this week to 14 trainees from the AST unit on the Nevada campus, the military department announced.

Privates receiving the honor were Howard Anderson, Lloyd Beck, Robert Barbarita, Robert Bingham, David Bulger, Allen Brauch, Joseph Campbell, Joseph Chera, Russell Clark, John Connell, Val DaDamio, Alvin Daigler, Glen George and Volney Plumb.

### Gusewelle Sisters Announce Betrothal

The engagements of Marjory Gusewelle and her younger sister, Mary Frances, both former students at the university, were announced on February 12.

Marjory Gusewelle is engaged to Cadet George Phillips, who is stationed at the bombardier school at Las Vegas. Her sister will marry Lieut. William Kreuzer, who is also stationed there.

Marjory was graduated from Nevada in 1941. While a student here, she was a member of Kappa Alpha Theta, Press Club and in her senior year was women's editor of the Sagebrush. After her graduation, she was employed by the Reno Evening Gazette. Her wedding date is dependent upon army orders.

Mary Frances, also a Theta and majoring in journalism, was a junior student here this year. She was a member of the Press Club and Chi Delta Phi English honorary.

### Batjer Represents ASUN At Inter-Faith Dinner

ASUN President Helene Batjer represented the Nevada student body at the inter-faith dinner held Tuesday at the Golden hotel, it was learned today.

Miss Batjer was seated at the speakers table at the dinner which was attended by representatives of the Catholic, Protestant and Jewish faiths. Aim of the inter-faith organization is to promote unity among the various religious faiths.

# AST Men Compete In Field Events

The three platoons of AST students stationed on the Nevada campus will hold a field meet beginning tomorrow at 1 p.m., the military department announced.

The meet, which will consist of athletic contests among the platoons, will be held on the women's softball field. Events of the day, as announced by the military department will include gas mask race, relay message race with ten men, first air race, manual of arms competition, information please with military question, use of equipment race, relay race, practice grenade throwing, ability to follow orders, and close order drill.

### NOTICE

Orders for senior announcements will be taken next week at the ASUN building, Kay Henningsen, senior class manager, announced. Hours during which orders may be placed are Monday, Wednesday and Friday from 1 to 4 p.m. and Tuesday and Thursday at 4 o'clock. Orders will be taken until the middle of March, Miss Henningsen said, but seniors are asked to place them as soon as possible.

### LIBE SEMINARS CLOSED

The seminar rooms of the library have been closed, according to Miss Thea Thompson, librarian. They were originally opened for the convenience of army trainees who apparently no longer need them, she said.

Don't let the SQUANDER BUG eat your money BUY WAR BONDS

### SQUANDER HATES RUTH MARY

This week Squander really had a bad time. He didn't have any luck.

The students on the campus were giving blood to the Red Cross, that is they were making plans to do so. However, that incident is somewhat trivial in comparison to the catastrophe which actually hit Squander.

Squander tried every means possible to break it up, but despite his ardent efforts, the feed occurred and bonds were sold.

From the rafters of the building Squander watched the Nevada coeds enjoy themselves, and, in fact, almost overdo themselves in buying bonds. That just won't do, at least Adolph mandates that.

Just the same, the episode is doomed to reoccur in another form, and Squander is assigned the job to nip it in the bud. Unfortunately, he doesn't know how to stop it. So the rest of the week, including the weekend, Squander retired to objective X and sulked.

The reason why some married men never know when they are well off is because they never are.

## BUGLE CALLS

### LIEUT. HENRY LANG

Lieut. Henry Lang, graduate of the Mackay School of Mines in 1938, is now stationed in New Guinea with the navy.

While on the campus, Lang was drum major of the band and a member of Delta Delta Epsilon, band honorary. He was affiliated with Lambda Chi Alpha and active with the Crucible Club, Ski Club, Associated Engineers and played varsity basketball.

### LIEUT. ROBERT LEAVER

Lieut. Robert E. Leaver, who graduated from Nevada in civil engineering with the class of 1938, is now stationed in the South Pacific area. While on the campus, he was a member of Scabbard and Blade, was affiliated with Lambda Chi Alpha and a member of the university's tennis and rifle teams.

### COL. FRANK LEAVER

Col. Frank Leaver, former student of the university, is now in command of an American evacuation hospital in Nettuna, Italy, not far from Rome.

The hospital has recently been the target of bombing raids, but few casualties have been noted, it was learned here.

Colonel Leaver's father, E. S. Leaver, was the director of the U. S. Bureau of Mines station at the university until his death in June, 1943.

### NAVY CADET BOB BELL

Naval Air Cadet Robert Bell, former university student, has been transferred from Norman, Okla., to the naval air school at Corpus Christi, Texas, for advanced training. He will receive his navy wings of gold in a few months.

While on the campus last year, Bell was a member of the basketball squad and was affiliated with Lambda Chi Alpha.

### CPL. DON BELL

Cpl. Don Bell, freshman student last year, has been assigned to the radio school at Fort Benning, Ga. He was formerly stationed at Fort Leonard Wood, Mo., with the infantry.

Bell, like his brother, Robert, played varsity and inter-fraternity basketball. He was a member of Lambda Chi Alpha.

### LE ROY TALCOTT

Le Roy Talcott, 1943 graduate of the Nevada college of agriculture, will graduate from officer candidate school at Fort Knox, Ky., this week. He is with the armored infantry.

While on the campus, Talcott was active in ROTC, a member of Scabbard and Blade and affiliated with Lambda Chi Alpha.

### FIRST LIEUT. BERNES

First Lieut. August Bernes, Nevada graduate of 1932, has just received his promotion from second lieutenant, according to word received from the Caribbean defense command headquarters. He has been serving with a bomber squadron in the Panama area since March, 1943. He is special service officer and recreational director of his squadron.

### "JERRY" WETZEL

Aviation Cadet Gerald Wetzel, former student, has been transferred to Polaris flying academy, Lancaster, California, from Thunderbird Field, Ariz. He will take advanced training at Lancaster.

While on the campus, Wetzel was a member of Beta Kappa, the ski team and sports writer for the Sagebrush. He left with the first contingent of the ERC last spring and later transferred to the air forces.

### WAVE EVELYN CALLAHAN

Evelyn Callahan, former student, is now petty officer third class with the WAVES at the naval air station in Norman, Okla. She taught school in Nevada after taking one year's training at the university.

### JIMMY TRAIL

Staff Sgt. Jimmy Trail, who left the university in 1942, is with the medical corps of the fifth army in Italy. He received his basic training at

Camp Berkeley, Texas. He has been overseas for 16 months, participating in most of the major battles in Africa. He trained with the army in Algiers, and was among the first troops landed at the Salerno beachhead.

While on the campus Trail was affiliated with Sigma Nu fraternity. He left during his senior year.

### DOMONOSKE TO RETURN

Merton Domonoske, former ROTC student and winner of the governor's medal last spring, is expected to return to the Nevada campus soon to be stationed with the AST unit here. He has been in training at Camp Wolters, Texas.

### NURSE SYLVIA MICHAL

First Lieut. Sylvia Michal, former pre-med student at the university, now with the army nurses' corps, has been named chief nurse at a hospital station "somewhere in England."

### LIEUT. JOHN MOREAN

Lieut. John Morean, 1939 graduate in electrical engineering, visited the campus this week en route to San Francisco from his former station with the air forces in Florida.

Since entering the air forces, Lieutenant Morean has been in England and before enlisting was employed by Pacific Gas and Electric.

Before going to England, he was married to Alice Wade, home economics graduate from Nevada with the class of 1941.

### "DOUG" TRAIL

Sgt. Douglas Trail, who left the campus in 1942 with the ERC, is now stationed with the ski troops at Camp

# REAL ENOUGH... for Basic Training!

NEW telephone operators generally take basic training at idle switchboard positions. But today's switchboards are crowded with war calls. Meeting the challenge of wartime shortages, full-scale photographs of switchboard panels are helping speed the training of more than 125,000 new operators needed this year in the Bell Telephone System.

Actual cords, keys, dials, and calculators for timing calls, give realistic practice, quickly training operators to handle real calls.

Every resource of the Bell System is serving the Nation, maintaining communications now so vital in war—so important in the better days ahead.

BELL TELEPHONE SYSTEM

War calls keep Long Distance lines busy ... That's why your call may be delayed.
