

CELEBRATION PLANS NEAR COMPLETION

Mackay Day Luncheon To Be Held in New Gymnasium, Committee Reveals

1945 Celebration Revives Song Teams; Earl Carroll Named to Select Queen

Nevada's spacious new gymnasium will be the scene of the annual Mackay Day luncheon this year, it was learned this week. The committee in charge of the yearly two-day celebration has obtained permission to use facilities at the new structure for the occasion, Paul Yparraqure, Mackay Day chairman, said today.

At the luncheon meeting of students and friends of the university, the Mackay Day queen is first presented formally to participants in the annual fete, honoring Nevada's benefactors, the Mackay family.

Guest speakers for the luncheon have not been secured, it was said.

Song Team to Appear

Traditionally, song teams will appear this year at the noon meeting of students, faculty and townspeople. Another feature of the luncheon is announcement of bids to various university groups and awards for outstanding service on publications and in student activities.

This year sorority song teams will be limited to eight members and one accompanist, the committee announcement said.

A 10-minute limit has been placed on presentations by each group. Based on originality, musical ability and appeal to the audience, a prize will be awarded the best team.

Again this year, for the sixth consecutive time, Earl Carroll, Hollywood producer, will select the Mackay Day queen from contestants nominated by campus sororities and social organizations.

This year, Carroll will have pictures and measurements of Bette Poe, Brownlie Wylie, Raylyn Collins, Beulah Haddow, Kay Kinneberg and Lucille Shea from which to choose the queen.

Photos as Basis

He works only from those two indicators, having never taken a first hand look at contestants. He judges solely on photos and measurements submitted.

(Continued on Page 2)

Student Canteen To Open in April

Work is now going forward rapidly on the new student recreation quarters in Stewart Hall, although Carl Horn, superintendent of maintenance, does not expect the rooms to be completed before the end of March.

With the contract let to R. C. Mabson, painting began this week. Installation of a hot water unit, sink and fixtures is complete in the kitchen. Carpenter work on cupboards and storage shelving is now under way.

In order to insure thorough drying, the concrete floors will remain uncovered when the canteen is opened for use. Walls, in the rooms previously occupied as offices by the military department, are being scraped to remove kalsomine so that a permanent paint covering may be applied.

In the alcove at the left of the entrance a telephone booth will be installed, and the similar space on the right will be utilized as hanger space for wraps.

OFFICE REDECORATED

Dean S. G. Palmer of the department of electrical engineering, has had his office newly painted and a flooring of linoleum laid during the past week. Shirlee Murdock, secretary to the dean, also had her adjoining office done in the same manner.

Bills Affecting UN in Legislature

Eleven Measures To Be Considered

By Helen Corica

Two general appropriation bills and nine other measures affecting the University of Nevada are still awaiting action before the state legislative session in Carson City. The appropriation bills originated simultaneously in senate and assembly respectively.

Six being considered are senate bills, two of which have passed the upper chamber and are now before the assembly, while three have been presented in the lower house.

Power for Regents

Measures before the assembly are a bill granting specific powers to the regents to accept gifts or bequests, and to sell or lease such gifts with the approval of the governor; and another which provides for an extension to July 1, 1945, from the original July 1, 1943, as the date for acceptance of the university faculty retirement plan.

Property Purchase

Bills pending in the senate are authorization of purchase of the Rickard and Evans property respectively. Both pieces of land adjoin the campus. A measure carrying an appropriation of \$20,000 for remodeling of the old gymnasium, and one authorizing \$45,000 for completion of the new gymnasium are other proposals to be voted upon before adjournment of the legislature on March 15.

Right of Way

Right of way privileges on the Ladino dairy farm for Washoe county and the state highway department respectively are also under consideration, while Nevada Grange activities on the South Virginia farm is the text of another measure to be voted upon.

Zeta Phi's Win Attendance Prize

Zeta Phi Zeta, with a representation of 24 women out of a membership of 25, won the \$15 prize of the evening for the largest group attendance at the servicemen's dance held at the El Patio Tuesday night, the committee in charge announced this week.

Runner-up for first place was Kappa Alpha Theta with a group of 40 women attending. Twenty-eight attended from Pi Beta Phi, 20 from the Tri-Delts and 19 from Gamma Phi Beta.

Door prizes of \$10 each were awarded to Ann Irriarte and Doris Patterson.

This dance was sponsored by the campus Red Cross in conjunction with the USO and AWVS organizations. Tosca Masini and Pat Thomas were co-chairmen in charge of arrangements.

GAMMA PHIS HOLD LAMB AND LION DANCE

Frisking lambs and roaring lions decorated the Gamma Phi Beta house Saturday night when members and their guests attended the traditional lamb and lion dance.

Music was furnished by John Bradley and his band. With Jeanne Chartier, social chairman, in charge, a buffet supper was served during intermission.

Guests present were Mr. and Mrs. G. Alfred Rodgers, Mr. and Mrs. Edward Smith and Mrs. H. W. Seaman.

Ballet Program Planned March 14

The ballet dance-play, "Johnny Appleseed," will be presented Wednesday, March 14, at the new gymnasium at 8 pm, by Edwin Strawbridge and his troupe now touring the western states. Arrangements for the ballet to appear at the university were made by Dr. John O. Moseley, president. Admission is 50 cents for students and one dollar for others.

"Johnny Appleseed" is based on the true life story of Johnathan Chapman, born in Boston in 1768. He became known as the legendary character, Johnny Appleseed, years later after his travels through the country planting apple seeds. Costumes and music are authentic with the period of his life.

In presenting the ballet, Mr. Strawbridge will act the title role. At the start of his dancing career he appeared with the Russian Ballet, and later, starting in Greece, he traveled with a ballet of Delphic dancers to leading capitals of Europe and the Far East. Returning to the United States, he appeared with the Philadelphia Symphonic Orchestra.

This is his sixth ballet tour of the country and the first appearance on this campus.

Rose Nannini YWCA Prexy

Standing Committees Appointed at Meeting

Rose Nannini, sophomore Tri-Delta, was elected head of YWCA for the coming year at a meeting held at Manzanita Hall Tuesday afternoon. Supporting Miss Nannini will be Elinor Jensen, vice-president; Doris Patterson, secretary; Pat Hamilton, historian, and Lucille Parker, treasurer.

Several standing committees were organized for the first time this year. Phyllis Snyder was named community service chairman; Florine Miller, social chairman, and Barbara Mills, publicity chairman. The office of vice-president includes that of membership chairman. The new officers will take over their duties on April 3.

Room Warming

Blanche Parker stated that the YWCA room in the basement of Artemisia Hall had been painted and all the bunk beds moved out. A room warming is being planned for the near future, Pat Cooke said. Women's Faculty Club donated \$15 for furniture for the room recently.

Rose Nannini, Blanche Parker and Doris Patterson were named delegates to a convention to be held in Berkeley on March 17 for new officers.

Miss Kate Harris, the new YWCA general secretary, was introduced to the group by Pat Cooke, present head of the organization.

Miss Harris has her temporary office in room 118 of Manzanita Hall, with office hours from 9 to 10:30 am and from 1 to 2:30 pm. She plans to move into the recreation center in the basement of Stewart Hall when it is completed. Miss Harris is in charge of staffing the snack of the center, with the aid of YWCA members.

Charlotte Ferris, invitation chairman for the silver tea to be held March 20, made a report, and Roma Garner was named refreshment chairman for that event.

VISITS AUBURN

Betty Midgeley, freshman Gamma Phi Beta, left this morning for Auburn, Calif., where she will spend the weekend.

Discussion Shows UN Liberal in Grading System

Students of Other Institutions Tell Of Various Plans

Concluding that the University of Nevada is liberal in its grading system as compared to other western colleges, students attending an informal forum Wednesday afternoon discussed the relative merits of various systems now in use.

The forum was the first of a series being sponsored by the speaker's bureau of the university war board in an effort to further student opinion on topics of campus interest.

Madlen Maestretti, chairman of the bureau, led the discussion which featured brief talks by students of other universities.

Brownlie Wylie, former student of Mills College, explained the honor system used there and told of the cooperative spirit of the students.

Phyllis Snyder, student of Oregon State last year, stated that great importance was placed on scholastic standing at that university, and mentioned the strictness of the grading system.

Other subjects discussed at the forum included the plus and minus system used at Columbia University. Student opinion was that such a plan would discourage initiative and the desire to be better than the average.

The next student forum was tentatively set for March 21, with the topic to be announced at a later date. Members of the speaker's bureau assisting Miss Maestretti with the forum were Eileen Kerr, Maribeth Elkins, Florence Shakarian, Marilyn Dugan, John Jensen, Lucille Shea, Georgianna Hicks and Margaret Moseley.

Major Thomas Prunty Given Army Transfer

Major Thomas C. Prunty of Sparks, a graduate of the University of Nevada in 1936, has been transferred to Camp Beale from his post as army service forces travel liaison officer at San Francisco.

As ASF travel liaison officer, Major Prunty had charge of the coordinating of all official army motor vehicle travel in the bay region.

Establishment of bus lines and the programs of sharing official army cars with other personnel on official business resulted in the saving of thousands of miles of travel.

Major Prunty graduated as an economics major and received commission as a second lieutenant while at the university, and was given his majority in September, 1943.

Time Changed for Newman Breakfast

Time of the regular monthly Newman Club breakfast, to be held Sunday, March 11, has been changed, it was announced today by Raymond Ceccarelli, president. Members will attend 9:30 mass instead of 8 and breakfast will be served immediately afterward in the Cathedral Hall.

"Marriage and Divorce" will be the topic for discussion during the business meeting scheduled to follow the breakfast. Ceccarelli said the later hour was decided upon with the hope of getting a larger attendance for the balance of the semester. Reservations for breakfast may be made with Genevieve Siri or any of her committee.

JOHNNY APPLESEED

"Johnny Appleseed," ballet dance-play, to be presented Wednesday, March 14, at 8:00 pm in the new gymnasium by Edwin Strawbridge and his troupe. Admission will be 50 cents for students and one dollar for others. Mr. Strawbridge will act in the title role.

First Regular Newscast Presented In 1931, According to Niles Trammel

By Virginia Olesen
National Broadcasting Company presented the first regular daily news broadcast in 1931 with Lowell Thomas commenting, stated Niles Trammel, NBC president, in a speech to Press Club members last Monday night.

No radio service was available to news then, so news for the 15 minute program was obtained by reading newspapers of New York and vicinity and sending a man to interview people featured, verifying the stories.

News Service
This practice died with the establishment of NBC newsbureau in 1933 which received headlines from United Press, Associated Press and International News Service. In 1935 UP and INS agreed to sell their services to the company, and three years later, AP followed suit.
NBC's present news staff numbers 200 works in the newsroom and 58 hand picked reporters. H. V.

Car Registration Extended to March 9

The men's upperclass committee has extended the time of car registration from Wednesday, March 7, until Friday, March 9. Commencing Monday, March 12, cars may be registered at the ASUN building instead of the bond booth opposite the library, however, the committee will fine all cars not registered by Friday.

According to Bob Uhlig, committee member, 42 cars were registered at the time the Sagebrush went to press Friday afternoon.

ATTENDS WEDDING

Lola Mae Dunbar, Pi Beta Phi freshman, left Tuesday morning to attend her sister's wedding in Boulder City.

Attend the ballet.

UN Campus Tops Red Cross Goal

100 Per Cent Support From Every Organization

Surging \$473 over the quota of \$900, the Red Cross drive on the University of Nevada campus reached a grand total of \$1339 today. Although the campus drive was \$200 over its quota on March 5, official termination date, it was continued throughout this week because collections for Washoe county were behind at that time. The drive officially began Wednesday, February 28.

Every campus society now sports a Red Cross sticker, evidence of 100 per cent contribution, Valerie Scheeline, chairman of the drive, said. "Although we have exceeded the campus quota, everyone is urged to give still more. We must now strive to double the quota and aid the county drive in reaching its goal," Miss Scheeline declared.

The drive last year showed \$150 over its quota of \$800. "Apparently more people today realize the need of supporting the Red Cross in its humane work," the chairman stated.

Assisting Miss Scheeline were Virginia Cole, Delta Delta Delta; Betty Walker, Gamma Phi Beta; Frances Cook, Kappa Alpha Theta; Betty Tracey, Pi Beta Phi; Pat Hamilton, Zeta Phi Zeta; Nora Saunders, Independents; Bob Durham, campus men, and Pat Thomas, senior Delta Delta Delta, acting as liaison officer between the volunteer headquarters and the campus.

Summer Session Staff Announced

Faculty members of the 1945 University of Nevada summer session and the courses they will teach have been announced by Dr. Harold N. Brown, director of summer session.

Of the 22 faculty members, all but one, Mr. Thad W. Stevens, supervisor of audio-visual education in the Oakland public schools, have formerly taught here.

Visiting Instructors

Other visiting instructors serving on the summer session faculty include Mr. Roger Corbett, Reno High School principal; Miss Mildred Klaus, head of the department of commercial education, Reno public schools; Miss Hazel D. McComas, art supervisor, Northside Junior High School; Miss Elsie A. Pond, associate professor of education, Santa Barbara State College, and Miss Marie L. Burgess, primary teacher at Rockridge School, Oakland.

Faculty List

The complete faculty list is as follows: history and political science, Dr. Charles R. Hicks, Dr. Anatole Mazour, Dr. Philip C. Auchampagne; languages, Dr. Christian W. Melz, Dr. Benjamin F. Chappelle; English, Dr. Robert A. Hume; education, Dr. Harold Brown, Miss Marie L. Burgess, Mr. Roger Corbett, Miss Elsie A. Pond, Mr. Thad W. Stevens, Dr. Penelope B. Rice, Miss Joanna E. Chapman, Prof. James J. Hill, Miss Hazel D. McComas.

Business, Miss Mildred Klaus; chemistry, Dr. George W. Sears, Dr. Loring R. Williams; mathematics, Dr. Maurice E. Beesley; psychology, Dr. James R. Young, Dr. Albert G. Wiederhold; sociology, Dr. Milan J. Webster.

Student Chaplain Publishes Newspaper

Father William T. Holt of St. Stephen's university chapel edits and publishes a one-man newspaper in addition to his regular theological duties at the chapel. Published monthly by the Episcopal church in Nevada, The Desert Churchman has been rated the best Episcopal newspaper in the Pacific area.

Holt estimates circulation at 700 with copies going to every state in the union and overseas. Genevieve Swick and Jean Marie Procter, Canterbury Club members, assist with typing and mailing.

Father Holt graduated from the University of Arkansas where he worked as the student paper. Following his graduation in 1940 from the Episcopal Church Divinity School at Berkeley, Calif., he worked and travelled in the Philippine Islands and China. He came to St. Stephen's House in 1943.

Support the Red Cross.

ABOUT CAMPUS DRIVES

University of Nevada campusites had last night topped the \$900 campus Red Cross goal by more than \$400, and the people heading the drive decided to extend it until the Washoe county quota was reached.

It was surprising to find that campusites had \$900 left after a tremendously successful Sixth War Loan drive and a semi-successful World Student Service Fund drive. With a full realization that wars take money, the 450 students on this campus are beginning to wonder if we're expected to pay the war debt by ourselves.

We begrudge no money given to war bond drives or to the Red Cross. We feel that both are absolutely essential to the efficient execution of the war, and we wholeheartedly want to give all we can.

BUT we don't like certain of the pressure methods used to extract money from students. Quotas are set for individual members of campus groups, and an over-ambitious soul is appointed to part the required money from the members of the group. If you haven't the money, you can borrow it—that's their theory.

These harassed little souls, who feel it their commissioned duty to collect every possible cent from every possible source, shadow every student who doesn't look threadbare, and sooner or later we are minus the few cents we had.

We are proud of our good showing in the various drives. We are glad all of the quotas were exceeded. But now please let a few peaceful weeks pass without our having to dig up a few more dollars for some kind of drive.

Niles Trammel

(Continued from Page 1)

day coverage of the national election, during which time results from every state in the union were broadcast continually. For the programs regularly scheduled at these times, NBC not only lost the revenue from the advertisers, but also had to pay the talent which would have performed.

Television Progress

Trammel stated that he believed television to be the coming field in radio work. Though now sets are effective only within a radius of 60 miles of the studio, he believes that post-war developments will in time bring about a coast-to-coast television network.

Three types of television may be presented. Living artists in the studio, street scenes and other news, and films already prepared. Television would not be continuous, for experiments have not been made to determine the length of time the American public will watch a television screen.

NBC Policy

Beginning his speech, Trammel stated the policy of the company "not to sell time except for the sale of goods and services." In the case of controversial issues, speakers supporting both sides are asked to lecture on the air, and the time is donated.

NBC was organized in 1919 with 17 stations, and now owns 150 stations broadcasting to 32 million homes. Trammel emphasized keeping the American public well informed, believing this to be a vital factor in the country's freedom.

Native Georgian

A native Georgian, Trammel received his education at Suwanee, Tenn., where he attended military academy and later the University of the South. Following military service at the San Francisco Presidio, he became a commercial representative of the traffic department for the Radio Corporation of America in that city.

He joined the sales staff of NBC in 1928, and was elected vice-president of the company in 1939, becoming president a year later.

THETA CHI FRATERNITY HOLDS DANCE SATURDAY

Members and pledges of Theta Chi fraternity will be hosts to special invited guests from other fraternities at their dance Saturday, March 10, according to Gordon Mills, president. The date dance will be held in the Veterans Hall of the State building.

Music, to be furnished by John Bradley's orchestra, will start at 9 pm and continue until midnight.

Willie Cristiani and Don Metzker are in charge of the refreshments for the evening.

SIGMA XI TO PRESENT ANNUAL LECTURE SAT.

"Genes and the Chemistry of the Organism" will be the subject of the annual university of Nevada Sigma Xi, to be delivered by Dr. G. W. Beadle, professor of biology at Stanford, Saturday, March 10, in room 215 of the Mackay Science Hall.

Nevada Sigma Xi, branch of a national honorary scientific fraternity, presents one lecturer a year to the Nevada students and faculty, Dr. George W. Sears, president, stated.

PUBLICATIONS BOARD HOLDS BANQUET SAT.

Members of the publications board and their guests will hold their regular semester banquet at the Trocadero Saturday evening at 7:30 pm, Rosemarie Mayhew, chairman, announced.

Members who will attend are Dr. Charles R. Hicks, advisor; Prof. Leonard E. Chadwick, Kathleen Norris, Italo Gavazzi, Rosemarie Mayhew, Leonore Hill, Marilyn Dugan, Betty Molignoni, Bette Poe and Mary Watts.

SENATE TO MEET

Senate will meet Wednesday, March 14, at 7:30 pm, in the ASUN building, according to Leonore Hill, ASUN president.

Purchase war stamps and bonds to win peace.

Phi Alpha Theta Recognized at Senate Meeting

Senate called a special meeting Friday, March 2, at which time Phi Alpha Theta, national honorary history club, was recognized as an active organization on the campus.

President of the newly organized club is Patricia Troner, junior Pi Beta Phi. The by-laws to the constitution have been drawn up, and will come before the next senate meeting for discussion.

Senate also accepted several changes made in the Press Club constitution. These changes included combining the offices of secretary and treasurer, changing the constitution to read that in order to be eligible for the vice-presidency the member must be a junior or senior, a nominating committee of three will be appointed by the president of the club to present a panel of officers.

Prior to this officers were nominated from the floor. At least one-half of the members must be present at meetings before business is taken up, according to new rules.

SENIOR NOTICE

Senior announcement orders must be given to either Beth Winchester Borner or Nadine Gibson by March 31, according to Mrs. Borner, class manager.

Announcements, smaller than those of 1944, bear an etching of the university library on the inside page. A deposit must be made at the time of ordering, and announcements cost 14 cents apiece.

Sigma Nu Takes Lead In Handball Contest

The interfraternity handball tournament got under way this week and with two games remaining to be played, Sigma Nu has yet to be defeated. Their team, which consists of Vin Scalera and Dick Bossert, has three wins and no losses to their credit.

Alpha Tau Omega and Sigma Alpha Epsilon are tied for second place with one each, while Phi Sigma Kappa and Theta Chi are bringing up the rear with one win and two setbacks. The handball championship will be crowned during the first part of next week.

MICHAEL McCORMICK RECEIVES PROMOTION

Sergeant Michael McCormick, member of the campus ROTC department since November, 1938, has been promoted from the rank of staff sergeant to that of technical sergeant, according to Lt. Col. L. E. Field of the military department.

DANCERS ELECT PREXY

Gloria Springer, Kappa Alpha Theta, was elected president of the University Dancers at a meeting held Wednesday at four. Miss Springer, a junior student, attended a dance symposium at Stanford University last semester.

Mackay Day

(Continued from Page 1)

Pictures of aspirants to the Mackay Day crown this year were taken this week by Brockman studios and will be sent to Carroll in about two weeks, along with physical measurements of the women.

The producer's choice will be announced in the April 6 edition of the Sagebrush.

Work Day Plans

Bob Craig, chairman of the work committee, said today that appointment of fraternity men for work day tasks has been made, but would remain undisclosed until the morning work begins.

Traditionally, on Saturday morning of the weekend celebration, frat men break out picks, shovels and other cleanup equipment to give the campus its annual "policing."

In addition to cleaning Mackay field and bleachers and smoothing the track, men will repaint lines on the tennis courts, it was announced.

Dance Site Not Chosen

The dance committee has been unable to secure the Twentieth Century Club for the annual dance, Yparraquiere said, and other arrangements are being sought. As

usual, the dance will be held from 9 pm until midnight.

Committee members have announced the tentative schedule for the two-day celebration this year will begin on Friday when students don costumes of the old west. In the afternoon, a baseball game is planned at Mackay field; a radio program advertising the two-day fete will be broadcast; and in the evening, sororities will hold open house from 7 pm until 9 pm.

Saturday's schedule opens with beard check of the men at the old gym. Upperclass committee men will make the check and prizes are to be awarded to men growing the thickest beard; blackest, reddest and best trimmed.

Benediction follows at 9 o'clock in front of the Mackay statue of the "man with the upturned face."

Following that, work begins for frat men with luncheon at noon. Festivities will end with the dance.

Wolf Pack to Play In Coming Tourney

New Gymnasium Site For State GI's Meet

Winding up the basketball season throughout western Nevada is the Nevada servicemen's tournament scheduled for March 16 and 17 in the new gymnasium. The Wolf Pack, which entered the tourney officially this week, will play its first game on Friday at 3:30 pm when it will meet the Hawthorne Marines, a team it defeated earlier this season.

There are eight teams entered this year and will include Reno, U of N, Tonopah, Fallon, Sparks, Hawthorne Marines, Fallon Navy and Hawthorne Sailors.

Tonopah will meet Fallon in the starting game of the tournament at 2:30 on Friday; Wolf Pack vs. the Hawthorne Marines, 3:30; Fallon vs. Sparks, 7:30; Hawthorne Sailors vs. Reno, 8:30.

On Saturday, March 17, the consolation semi-finals will be held at 9:30 and 10:30 in the morning with the right bracket teams playing their semis at 2:30 and 3:30 in the afternoon.

Consolation final match will take place at 7:30 Saturday evening with the championship game set for 8:30.

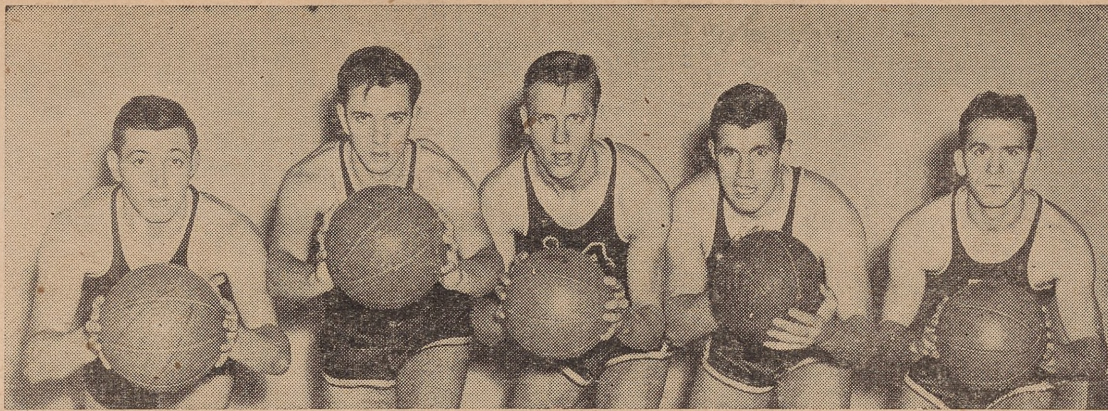

Purchase war stamps and bonds to win peace.

Committee Appointed To Determine Awards

A committee comprised of Buster McClure, Ed Diercks and Jack Good was appointed at a meeting of the Block N society Friday, March 2, to determine basketball players eligible for awards.

The final awarding of sweaters will depend on the semester grades unless the player is called into the service before the termination of the semester. In this event the player must be passing at the time of his departure. Block N certificates will be printed and given out in the near future.

It was decided by members to hold meetings hereafter on alternate Tuesdays at 12:30 pm in the Block N room.

SPRING GRID PRACTICE STARTS AFTER TOURNEY

Spring football practice will start following the Nevada state servicemen's basketball tournament March 16 and 17, in which the Wolf Pack is entered. Coach Jim Aiken, varsity football and basketball coach, looks forward to favorable conditions at that time in order to prepare for next season's pigskin campaign.

PACK PRINTS

By Madlen Maestretti, Sports Ed.

SOMETHING SEEMS to happen to people as they grow older to dull their enthusiasm. Some of you disguise this transition by calling it sophistication. Some of us know the change brings about a decrease of active participation—the thing that is so much of your college life.

Tuesday night the Wolf Pack played Reno Army Air Base, proceeds going to the Red Cross. The attendance was worse than poor—it was lousy.

On the north side of the gym where a week before bleachers were filled to capacity with cheering crowds watching high school athletes on the floor, Tuesday night, approximately a dozen coeds sat. And we have to call that the "school spirit" of the University of Nevada!

With upwards of 300 coeds on campus, one would think at least a hundred would show up at games—occasionally. Or is that asking too much, sister skirts?

NEVADA NOW has one week-end of hoop play remaining this season when the shining new gym will be used. March 16 and 17, the Pack plays in the Nevada servicemen's tournament, starting against Hawthorne Marines at 3:30 on the 16th, one week from today. Other teams entered in the tournament include Tonopah and Sparks teams, Fallon Merchants, Falloy Navy men, and Hawthorne Sailors and Marines.

So, gals, if you can't muster the school spirit, come on around to watch the servicemen play. Perhaps it'll open new fields for you.

SPEAKING OF our sparkling gymnasium, can anybody explain why management of the building and facilities was taken out of the hands of the athletic department and given to former army-civilian coordinator, English teacher, speech instructor, present acting dean of men and secretary of the Alumni Association? (all in one breath yet) a busy man, Dr. Griffin.

ANOTHER SITUATION fit for griping; scuttlebutt has finally reached me, last, as it usually does, concerning using the new gym for school dances.

Nevada has a gymnasium which is one of the best and the newest

Wolf Pack Downed By Air Base Team

The University of Nevada "house of David" met the Reno Army Air Base in the third and deciding game Tuesday night in the new gymnasium and were handed their first defeat on the new floor to the tune of 44-31.

The Wolf Pack started fast and rang up six points before the Army knew that the game had started, but the Flyers soon got set and held Nevada scoreless for more of the first and second quarters. O'Brien, tall Army center, sparked the Flyers along with Klitch, forward, and their team left the floor at half time leading 19-16.

Buster McClure led the Pack in scoring honors with nine points, while Durham and France were close behind with seven and six points each. "Pop" Sorensen suffered a pulled leg muscle during the second half and was out most of the remainder of the game. Klitch was high point man for the game with 14 points, while O'Brien was next with 13.

The game was arranged by the Red Cross with all proceeds going to their current drive.

Birthday: Observed only by men and children.

on the west coast, but about the time any group is allowed to start "cutting the hardwood" we will have damaged beyond repair, one of the university's most valuable possessions. From last observance, those wartime rubber basketball shoes have already done a fair job of mutilation.

RIFLEMEN TO COMPETE WITH RENO HIGH TEAM

Sergeant Michael McCormick, ROTC instructor, announced this week that the rifle teams of the university and the Reno High School will meet in a shoulder to shoulder match Tuesday March 6, on the Nevada rifle range at 4 pm. A following contest of the same type will be held on Thursday, March 8, at the same place and time, McCormick said.

Phi Sigs Tops in Table Tennis Meet

The interfraternity table tennis singles ended this week with Phi Sigma Kappa coming through the play off with no defeats and six wins, according to Gordon Mills, tournament manager. Theta Chi was second with five wins and one reverse. Kenneth Sinofsky and Leonard Marmor were the members of the winning team, while Gordon Mills and John Bradley were among the runner ups.

Alpha Tau Omega was third in the tourney with four wins and two defeats, while Sigma Alpha Epsilon was fourth with two wins and three reverses. Sigma Nu, Sigma Rho Delta and Lambda Chi Alpha finished in that order with two wins and four defeats, five defeats and four defeats.

Neighbor: Where's your brother, Fred?
Boy: He's in the house playing a duet. I finished first.

Fighting moisture and fungus—communication's jungle enemies

Ever-present dangers to military communications are the twin enemies of the jungle—moisture and fungus. By impairing the efficient working of telephones and radios, they can halt vital messages as effectively as cutting the wires.

The long experience of Bell Laboratories engineers in designing telephone equipment for use under all climatic conditions has helped the Signal Corps in counter-attacking these enemies of the jungle.

Lessons learned in this wartime emergency will aid in building better communications equipment for war and peace.

Two Professors Speak on Orient In Open Meeting

Hicks Urges Strict Post-War Treatment Of Japanese Nation

"Crush the whole Japanese nation. Show the Mikado no mercy in the post-war period," Dr. Charles R. Hicks, head of the department of history and political science of the University of Nevada, declared Wednesday in an address at the third regular faculty forum on the campus.

Dr. Hicks was preceded by Dr. Philip G. Auchampaugh, associate professor of history and political science, who discussed possible post-war questions regarding the continent of China.

Psychological Slaves

Because the Japanese masses are psychologically slaves to their emperor and are accustomed to strict regimentation as enforced by him and the military class in Japan, the post-war policy of the Allies will have to be strictly enforced, even if it means liquidating all of the militarists, Hicks said.

Experience Speaks

Calling on personal experiences he had while teaching on the Japanese mainland in the early part of this century, Dr. Hicks affirmed that re-education was, of course, necessary in the post-war plan and stated that it should be more easily achieved if properly administered, because of this subservient charac-

EE Class Plans Two Field Trips

The advanced classes in electrical engineering have two inspection trips planned later this semester, one trip listed for March 20 and the other at the close of the semester, May 1, according to Dean S. G. Palmer, electrical engineering head.

The class, accompanied by the dean, will visit nearby power plants and make a report as to the type, size and arrangement of the machinery used, along with the method in which the plant visited connects with other power plants.

Dean Palmer said these inspection trips will enable the class to study the general arrangement and design of the power plants close at hand.

teristic in the psychology of the common people.

"Let them feed themselves," he said. Other nations with as small an area as Japan, and large populations are self-supporting. If it does not succeed in Japan, let them reduce their large birth rates, the history professor stated.

Chinese Attitude

Dr. Auchampaugh, speaking on another phase of possible post-war disputes over Chinese frontiers, discussed the attitude of the Chinese toward foreigners in China who have caused trouble in their country for many years.

Reviewing the political and economic history of the Oriental nations, he told of world powers who exploited those nations and now expect their rights to be respected after the war.

In the area disputed he included Formosa, Honk Kong, Indo-China, Burma, Tibet, Turkestan, Mongolia and Manchuria.

Culture Conflict

He also pointed to possible problems in conflicts between the Mohammedan and Chinese cultures.

Dr. Auchampaugh mentioned the pride of Chinese in their ancient culture and said that "breaking down of China's pride in her culture is the only way she can ever be defeated."

Both men took part in the open forum that followed their addresses. Dr. Austin Hutcheson, chairman of the campus speakers' bureau, introduced the speakers.

Married man—one who has two hands with which to steer a car.

Booklet Written By Auchampaugh

Deals With Seizure Of Montgomery Ward

Decision of the Montgomery Ward property seizure is one which had its origin in 1893 when it was formulated by Chief Justice Roger B. Taney, according to a pamphlet recently published by Dr. Phillip G. Auchampaugh of the University of Nevada history department.

War Regulations

The incident occurred when a box of "dry goods" owned by a citizen of Maryland was confiscated by a customs officer who claimed that the war then in progress necessitated certain regulations.

Upholds People

Justice Taney, upholding the rights of the state and people stated that war did not enlarge the powers of the federal government over the individual, nor did it "absolve the judicial department from the duty of maintaining with an even and firm hand the rights and powers of the federal government, and of the states and of the citizens as they are written in the constitution, which every judge is sworn to support."

Dr. Auchampaugh pointed out that as far back as 80 years ago, Justice Taney warned against using war as an excuse for encroaching upon the rights of the individual citizen and his property.

Class in Narrative to Publish Magazine

Various types of literature written by members of Dr. Robert R. Hume's narrative technique class will be published in a mimeographed compilation later this semester, Dr. Hume said this week. No name has yet been chosen for the magazine.

Poems, essays, stories and plays will be included in the booklet being typed and mimeographed by Eileen Kerr and Junerwanda McMichael.

An editorial board appointed from the class to select suitable material for the publication consists of Isabel Blythe, Helen Corica, Leonore Hill, Eileen Kerr, Junerwanda McMichael, Madlen Maestretti, Kathleen Norris and Maurya Wogan. At mid-semester all other members of the class will replace this board.

WESLEY FOUNDATION TO HEAR TALK ON INDIA

Lt. Allan Saunders of the Reno Army Air Base will speak on India at the regular Sunday evening meeting of the Wesley Foundation. The group meets at 6:30 in the chapter room of the Methodist church. Lt. Saunders, who has been stationed in the Burma-India theater, will speak from personal observation.

"Prestidigitator Extraordinary" is the title of the second half of the evening's program, according to Jean Forsen, president. This tongue twister introduces Mr. Eddie Beisel, magician. Miss Rorsen extends an invitation to guests as well as members.

Old Lady: Little boy I wouldn't kick my sister around the street like that, if I were you.

Little Boy: That's all right, there is lots more at home.

Lt. Paul Seaborn Returns to States After ATC Flights

Marine First Lieutenant Paul D. Seaborn, member of the class of 1942 at the University of Nevada, has returned to the states after logging 800 hours as a pilot with the transport air group, according to a news release from marine corps headquarters in San Francisco.

Operating from the Gilberts and Marshalls, he ferried supplies throughout those groups, as well as the Caroline and Marianas Islands. His transport was among the first flight to land in Tinian.

Presently attached to the marine corps air depot at Maramar, Lt. Seaborn entered flight training in June, 1942, and won his wings as a marine pilot in March, 1943, at Corpus Christi, Texas.

While at the university, Lt. Seaborn, who majored in mechanical engineering, was active in campus affairs and was president of Sigma Nu fraternity. He is now visiting his mother, Mrs. E. J. Seaborn of Reno, on an extended leave.

JUNIOR, SENIOR CLASSES TO SPONSOR ASSEMBLY

St. Patrick's Day will be the theme of the junior, senior assembly to be held in the Education building auditorium March 15, it was decided at a senior class meeting Thursday. Novelty numbers by members of the two classes will be featured.

FOR SALE—1 pair skis. 7 foot, refinished, laminated ridge-top edged. 1 pair cable bindings. \$21.50. Poles \$3.00. 1 pair 7-foot laminated ridge top edged skis \$15.00. Phone Bob Craig, 7877.—Adv.

Smith: Quite a few of our graduates are now working girls. Vassar: Well, quite a few of ours are working men.

Two Thetas Begin Home Nurse Study

Two University of Nevada students, Beth Petersen, junior KAT, and Ann Lou Hansen, freshman, KAT pledge, are enrolled in the seven week home nursing course which is sponsored by the American Red Cross.

Classes are held at the downtown center located at 119 North Virginia street, Mrs. M. Lohlein, instructor for the course, reported this week. Classes are held Monday through Friday at either 1:30 pm to 4 pm or 7:30 pm to 10 pm.

Training

After completing the necessary training, which includes theory and classroom demonstration work plus 80 hours of practical experience in a hospital, graduation exercises are held, and each person receives the nurse's aid cap and pin.

Membership

Membership in this organization is maintained by 150 hours of service in an approved hospital. For each year of membership, the nurse's aid receives a white bar which is worn below the collar.

Mary Libbey, chairman of the nurse's aid unit for the campus Red Cross, has asked university women

NORA SAUNDERS HAS CHARGE OF EQUIPMENT

Nora Saunders, sophomore Independent, has been placed in charge of the WAA fire-escape equipment announced Dorothy Abel, AWS president.

The fire-escape was completed and used for the first time last spring. Financed by WAA, it may be used by any campus organization by securing the equipment from Miss Saunders in Artemisia Hall.

to attend these classes. There are 15 women on the campus at the present time who have completed this training, she added.

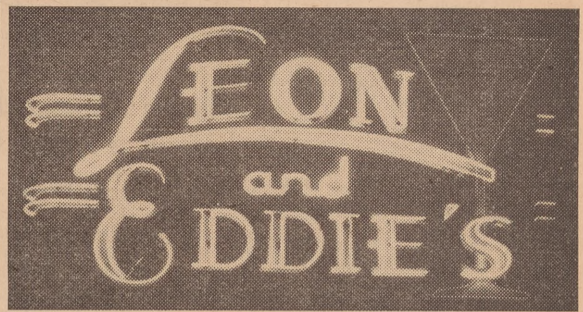

Bellhop (after 10 minutes): Did you ring, sir?

Man: No, I was tolling. I thought you were dead.
