

Delta Delta Delta Wins Pan-Hell Scholarship Cup

Gamma Phis in 2nd Place With 2.69

Capturing the Panhellenic scholarship cup for the second successive semester, Delta Delta Delta maintained the winning average of 2.91 for the semester ending May 12, 1945. The pledge average, although having no effect on the awarding of the scholarship cup, was 2.30.

Gamma Phi Beta took second place with a 2.69 active average and 2.14 pledge average. Pi Beta Phi also made a 2.69 active average, but a 1.92 pledge average. The highest pledge average was received by Kappa Alpha Theta with 2.43; the active average was 2.54.

After a sorority has won the Panhellenic scholarship cup three successive semesters it automatically is presented to the house for permanent ownership.

The AWS improvement plaque will be awarded to the sorority or organization showing the greatest scholarship improvement the past year. The presentation will be made at a student assembly after the first of October by Mrs. Alice B. Marsh, acting dean of women. The improvement plaque was awarded to Gamma Phi Beta last semester.

The average of the entire student body was 2.51. The women students led in scholarship with an average of 2.60, while the male populace received a 2.26 average.

Twelve Additions Made to Faculty; Seven New Profs

Profs Back From Study At Other Universities And Military Service

With increased student enrollment necessitating additional faculty members in many departments, as well as replacements for professors on leave of absence, the university has added seven new members to the faculty. Five former faculty members have returned from service in the armed forces and graduate work at other universities.

A new member on the women's physical education staff is Miss Margery Turner, who will be an instructor in that department. She received her bachelor of education degree from Chicago Teacher's College and has done graduate work at the University of Wisconsin.

Business

Miss Bette Poe, 1945 graduate, will substitute for Prof. Leonard Chadwick in the department of business, economics and sociology. Prof. Chadwick is doing graduate work at the University of California. Gordon Mills, senior Theta Chi, will replace Chadwick as graduate manager, with Dr. Ernest Inwood as advisor.

From Montana State College comes Dr. J. C. C. McKinsey, assistant professor of mathematics. Dr. McKinsey holds a Ph.D. from the University of California as well as a bachelor of science from New York University.

English

Two new members have been added to the English department. Dr. Robert M. Gorrell, former instructor in English at Indiana University, will be assistant professor of English. He received his A.B. and Ph.D. from Cornell. Also new in the department is Dr. Paul Eldridge from the University of Oklahoma. Dr. Eldridge, who holds degrees from Oklahoma, Harvard and University of Iowa, spent the last three years in the navy.

Returning to the English staff are Dr. Charlton G. Laird and Prof. W. C. Miller. Dr. Laird, who will serve as head of the department, recently returned from Yale University where he was working on a research fellowship. Prof. Miller returns from doing graduate work at USC.

Regents Board Meets Saturday At University

Classroom Building, Heating Scheduled Discussion Topics

Discussion of enlargement or rebuilding of the present classroom heating plant on the University of Nevada campus will be held at a meeting of the board of regents tomorrow at 9:30 in the office of President John O. Moseley.

The plant is at present taxed to capacity, and with improvements planned for the campus, it will not be capable of producing sufficient heat, according to a report from the president's office.

Paul Sirkegian, member of the board, acting as a committee of one, surveyed the situation during the summer, and will make his report at the meeting. Plans are being laid to call in a heating engineer.

Class Building

Building of a \$350,000 classroom building for the college of arts and science will also be planned. The appropriation was made by the last session of the state legislature, and five per cent is to be used to hire an architect to draw up estimates and plans.

This is part of a 20-year post war improvement plan set for the campus by the legislature. It will be under the jurisdiction of the state planning board in an advisory capacity and the board of regents in an acting position. Bids will be later solicited for the construction contract.

Summer Grads

The regents will pass upon the candidates for graduation following the summer session, and discuss problems arising relative to the coming school year.

The critical housing shortage for students and faculty members of the increased enrollment and because there is a housing shortage in Reno, will be debated, and plans will be made to relieve the situation. Dining hall construction will be reported upon.

Members of the board of regents are Silas E. Ross, chairman; Chris. H. Sheerin, Mary Henningsen, Leo A. McNamee and Paul J. Sirkegian.

Dining Hall to Open Tomorrow

Meals will be served in the campus dining hall for students residing in the dormitories beginning Saturday evening, according to Dr. Charles H. Gorman, vice-president of the university. At this time construction which has been taking place during the summer will be completed.

Workmen are now putting in a new ceiling, replacing that which fell last spring. The hall has been enlarged about 20 feet to the south giving it a seating capacity of 280 as compared with the former capacity of 200.

While the finishing construction was being done on the hall, students who had arrived for fall enrollment have been served meals in the old gymnasium. During the summer session here, meals were served to resident students at the Sigma Alpha Epsilon house on Evans avenue, which the university had rented.

Tree Guide Published By Botany Division

Dr. W. D. Billings, associate professor of biology, has published a bulletin, "Nevada Trees," a n easy guide to trees common in this state. This bulletin, published last June by the Agricultural Extension Service of the University of Nevada.

WOLF PACK TO CHALLENGE MARINES IN SEASON'S OPENING GAME SATURDAY

Dinks Replaced By Rooter Hats

Customary dinks will not be available for freshmen men this year. In their place blue and white rooter hats will be required, Paul Yparaguirre, ASUN president, said. These sell at the Wolf Den for a dollar.

As in years before women will be required to wear blue and white ribbons. The deadline for purchasing bibles has been set for 4 pm on Thursday.

Yparaguirre also announced his office hours will be: Monday, 1 to 2 pm; Tuesday, 2 to 4 pm; Wednesday, 1 to 2 pm, and Thursday, 1 to 4 pm. Bibles may be obtained at these times.

Formal Rushing Opens With Tea Slated Sunday

Record Group Registers With Pan Hellenic for Sororities Rush Season

Sorority rushing began Monday with two weeks of silence when 121 rushers signed with Pan-Hellenic Association for formal rush week, Pat Ussery, president of the association, announced this week. Beginning at 5 pm Sunday, September 23, formal rush week will end at 2 pm of the following Saturday.

Pledging will end the formal rushing for the fall. This year for the first time there will be a spring semester formal rush week during which the procedure will follow that of fall rushing.

There will be two meetings for all rushers. The first on Saturday, September 22, and the second on Thursday, September 27, at 8 pm, both in room 108 of the Agriculture building. These are compulsory meetings and no rushee will be allowed to go through rush week without attending, according to Pan-Hellenic rules.

An informal observation tea will be given at each sorority house for all freshman women from 3 to 5 pm Sunday, September 23. Guests will wear afternoon dresses or suits, hats, gloves and heels and will not stay longer than 15 minutes at each house.

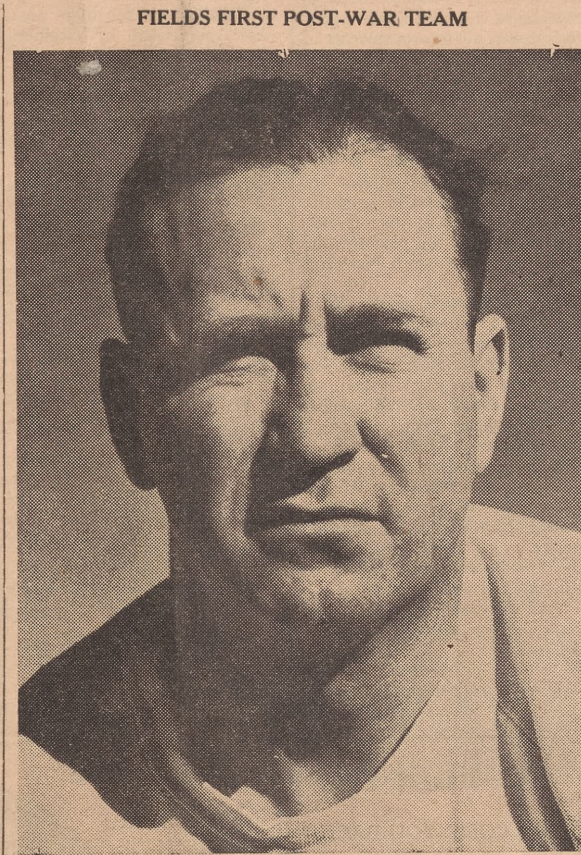

Following this tea, each house will give five invitational parties which will consist of a dinner, two teas and two desserts. Invitations will be given out in a "letter" at the dean of women's office on Monday, September 24; Wednesday, September 26, and Friday, September 28, before 11 am.

Campus clothes will be the theme of dress for rushers during rush week with afternoon dress for the preferential dinners.

The Pan-Hellenic office is in the basement of Stewart Hall and will remain open during rush week from 2 to 4 pm. All rushees are invited to ask for information there, Miss Ussery stated.

Navy Hellcat Plane Purchased by University Students in Fifth Bond Drive Is at Present Part of Naval Air Unit Formerly in Action Over Tokyo Area

The navy hellcat fighter, which was bought by bonds purchased by students and faculty members of the university during the fifth war loan drive, has participated in action against the Japanese in the Tokyo area. This information was contained in a letter received recently by Dr. Griffin, assistant in administration, from a member of an air maintenance crew aboard the USS Essex,

Coach Jim Aiken who will put the 1945 Wolf Pack on the field tomorrow in the first game of the season against the Pocatello Marines. Aiken this season enters his eighth year as head coach at the university.

Pep Organization To Sell Pompoms

Sagens made plans to sell pompoms and programs at the football game tomorrow at a meeting held last Thursday evening in the ASUN building. All members will report wearing the Sagen uniform of white sweater, emblem, and blue skirt, and the organization will sit in a group, according to Pat Traner, president.

It was determined to hold the annual freshman get-together dance in conjunction with the Sagens. This affair, formerly a Sager event, was turned over to the women's group during the war. This year there are enough returned Sagens to allow them to aid in the presentation.

Date for the dance has been tentatively set for Saturday night, October 12. Sagens will attend to obtaining an orchestra and other details, while Sagens will handle publicity with Marilyn Dugan, Frances Cook and Myrl Nygren serving on the committee, and decorations will be prepared by Pat Traner, Betty Waugh and Gloria Rosache.

TOTAL BOND SALES FOR SUMMER RECORDED HERE

A total of \$10,566.75 in war bonds was purchased through the office of the comptroller of the university this summer, it was stated today. The sales were figured from the close of the spring semester, May 14, to September 20.

Students of the university will again aid the sale of bonds in the forthcoming seventh victory drive,

Senate Meeting To Be Held Wednesday

A senate meeting is to be held next Wednesday in the ASUN building at 7 pm. At that time student governing committees will be appointed, according to Paul Yparaguirre, ASUN president.

Senators include Rose Nannini, Isabel Blythe, Betty Walker, Bob Craig, Nora Saunders, Ellen Tranquist, Dick O'Conner, Don Johnson, John Baker, Noel Willis, Jim Coleman, Bill Morse and Frances Escobar.

Drill Squad Signs Over 100 Women

More than 100 Nevada coeds have signed for the Blue Peppers this semester under the leadership of Sgt. Michael J. McCormick, according to student leader Gloria Mapes. The Blue Peppers are a drill squad which marches at all Nevada home games. If enough members go to Berkeley they will perform there at the Nevada-California game.

Beginning October 2 the Blue Peppers will drill every Tuesday and Thursday evening from 5 to 6 at the quadrangle. After primary training the group will be cut down to a squad of 60. During this training period the squad will be shown sound instructional films on individual drill.

Pack Out to Win First Game on Mackay Field; Saturday Meet To Be Broadcast

Five Experienced Players Listed on Both Rosters; Pack Meets Utahans Next Week

The 1945 edition of the University of Nevada Wolf Pack takes the field Saturday at 2:30 for the first game of the season against the strong Idaho Marines. The Marines have brought three teams to Nevada for the game with the Wolves. Coach Jim Aiken is fielding a roster of four teams for the first contest and has a good chance of winning the first game.

Aiken is hopeful of starting the season off right with a win on Mackay field. Last year the Wolf Pack ran into trouble four different times on their home field and came through the 1944 season without a win at home in four starts.

This year all the games of the University of Nevada will be broadcast except the game in Tulsa. Radio station KOH has put in a private line to the stadium and will be on hand Saturday afternoon to give a play by play account of the game for the people of the state that can't get to the games.

In looking over the lineups of the two teams Aiken found that both have the same number of college experienced men, that is five. Up until this time it had been figured that the game would be a push over for Nevada because of the five experienced men that they had on their roster, but the Idaho service men might give the Pack a hard time Saturday with their experienced men.

Chapter Houses Open for Three National Frats

Three national fraternities, Lambda Chi Alpha, Sigma Nu and Phi Sigma Kappa, have already opened their chapter houses after being closed the past few years due to the war. Plans are being made by Sigma Alpha Epsilon to open within the near future, while Alpha Tau Omega and Theta Chi will open next semester.

Phi Sig's President Glen (Buck) White, returned merchant marine officer, will head the Lambda Chis and John Baker will serve as house manager.

Noel Willis, recently discharged army air corps lieutenant, is Phi Sigma Kappa house president. Heading the ATOs will be Clayton Trigerio, and Gordon Mills for the Theta Chis. Royden Beardall replaces Dorman Patton as SAE prexy and George Himes will assume the duties of house manager as soon as the chapter house is opened.

Sigma Rho Delta, Nevada's only local fraternity, is temporarily headed by Bill Fryer.

McClure Speaker For Exchange Club

Buster McClure, Nevada's all-American tackle, yesterday discussed Wolf Pack prospects for this fall at a luncheon meeting at the Trocadero of the Exchange Club, of which he is a member.

Color movies of the 1945 East-West game were also shown.

Interfrat Sports
Buck White was named as a committee of one to investigate the possibility of holding interfraternity sports this year. In the event that such competition is resumed, the Kenner trophy will again be awarded to the winnign fraternity. During the past two year years it has been kept in the Alpha Tau Omega house, final winners prior to the war.

Bill Fryer Heads Interfraternity Governing Group
Bill Fryer, Sigma Rho Delta, was named president of interfraternity council, a governing body of Greek letter groups, at a meeting held Thursday afternoon in the office of the acting dean of men in Lincoln Hall. He replaces Jim Coleman, Sigma Nu, who has held the office during the past year.

Other officers elected were vice-president, Buck White, Lambda Chi Alpha, a returned serviceman who formerly attended Nevada, and secretary-treasurer, Douglas Lawner, Alpha Tau Omega.

Information regarding the location of the university and pictures of campus scenes were part of Dr. Griffin's letter to the Essex aircraft maintenance crew.

The Hat of No Sagebrush

Entered at the Postoffice at Reno, Nevada, as second class matter. Published at Reno, Nevada, by the Associated Students of the University of Nevada.

ABOUT OURSELVES

We realize that the frosh have done little this first week but receive instructions and good advice. But we find that the Brush must continue this practice in this first issue.

To begin with, this is a paper for the students. Frosh will find that it differs considerably from those they knew in high school. Editors for the past four or five years have made it a policy not to print a gossip column, with the view that such writing, if it may be called that, belongs in the high school realm.

The editorial column of the Brush will reflect, regardless of the editor's personal beliefs, the opinions of the mass of students. In order to see that this pledge is fulfilled, students are invited to drop up at the office in the Student Union building to "shoot the breeze" with various editors and reporters. This is our only method of knowing how the students feel about various student movements and affairs.

The editorial staff of this year's Brush will not play in campus politics. To enforce this we ask the cooperation of all Greek and social organizations on the hill.

The reporting for the Brush is done by cubs enrolled in journalism 21. And like any other news organization, the Brush will appreciate tips on available news.

The office is open at all times day and night, and Brush representatives may be found there most afternoons and evenings.

We'll repeat, this is a student paper, we expect and solicit your participation.

NEVADA'S VETERANS

With the frosh taking the limelight the past week, we hope that the returned servicemen have not been left out of the picture.

The enrollment of veterans today stands at 48. The entire faculty and student body is pleased with this figure and hope it continues to grow.

It occurred to us that the vets are inclined to timidity in campus affairs. They feel, in most cases, as intruders on the college scene—too old to join in activities, chatter, and social affairs that are so much a part of campus life.

On behalf of the students we extend to veterans an invitation to join us in each and every activity offered for students at the university. Is it our sincere hope that they, in turn, will make every effort to enter into campus life.

The process of higher education makes no distinction among students, they may be vets or newly graduated high school girls. The University of Nevada is alma mater for us all.

Social Calendar To Appear Oct. 1

The university social calendar, bi-annual publication of campus activities, will make its appearance for the fall semester on or about October 1, a check at the office of the acting dean of men, Professor Robert S. Griffin, revealed this week.

A meeting of all organizations concerned with scheduling of events will be held in the forthcoming week, date and time to be announced later, Dr. Griffin stated.

DR. MOSELEY'S MESSAGE

In this first issue of the Sagebrush for the year 1945-1946, I am happy to welcome on behalf of the regents and faculty, all former students returning to "the hill" and all new students who are entering the University of Nevada for the first time. All of us are proud to see you here in ever-increasing numbers and we pledge our utmost efforts to make this year one of the happiest and most profitable years of your life. All that we ask is your friendly cooperation and the pioneer spirit of fair play for which Nevada is noted.

This is the first of the "peace time" years, and with it will come many adjustments with new problems and difficulties. Let us face them with courage and vision, and resolve to convert every obstacle into stepping stones toward a greater University of Nevada. Let us determine to cling to that which is good, and as resolutely to abandon that which is outworn and unworthy. May we make it our daily prayer to be enabled to confront the new without fear and to regard the old without scorn.

And so again, with a hearty welcome and best wishes for a successful year.

John O. Moseley,
President, University of Nevada.

Faculty Will Get Complimentary Sagebrush in Mail

Marilyn Dugan, business manager of the Sagebrush, has announced that complimentary copies of the paper are to be sent to members of the faculty. In this way the staff hopes to bring the students into closer contact with the faculty.

The staff also intends to mail copies to the Reno students attending the university. Formerly these students picked up their copies at the Wolf Den or the Waldorf. As soon as they have the list of addresses complete they will begin mailing the copies.

Subscriptions for those are now being taken by Virginia Auchampaugh. Students who wish to subscribe to the Brush are requested to contact the circulation manager giving their name and address.

New YWCA Secretary Takes Over Position

Miss Ann Rachie arrived this week to become YWCA secretary. Her office will be in the Stewart Hall canteen.

She comes from Minneapolis, Minn., and is a graduate of that college. She majored in personnel psychology and minored in sociology.

Miss Rachie was also president of the senior class of 1944. She worked in the YWCA there for all four years of college and for the past year was assistant secretary at the University of Minnesota.

PREXY SAYS—

As president of the ASUN I would like to extend a hearty welcome to the class of 1949 and also to the returning students. We are very fortunate to have back with us many returned servicemen, some of whom were in attendance in previous years.

Looking forward to the coming year one cannot help but be optimistic because of the spirit that has been shown thus far. If spirit like this continues, which I'm sure it will, the year will be successful.

Every student owes it to himself and to the university to back all student activities 100 per cent. Among those activities which must have your full support is the 1945 Wolf Pack.

I would like to extend an open invitation to each student who may need assistance in any way which I can help to always feel free to call upon me.

Sincerely yours,
Paul Paraguirre.

Demand for Boxes Exceeds Capacity

Robert Prescott, postmaster of University Station, announced that all 122 boxes have been rented with an average of two students sharing a box. Many more students have been refused boxes because the post office is filled to capacity. The requests for boxes in comparison to last year's is far greater, showing a large increase in enrollment.

Enrollment Doubles In Engineering Dept.

Enrollment in the college of engineering has increased nearly 100 per cent over that of last year, according to figures released by Stanley G. Palmer, dean of engineering. Present enrollment is 85 students as compared with 47 for fall semester of 1944.

Freshmen represent the largest registration. In the schools of engineering, the largest registration occurred in the electrical engineering group with 31 registered, followed by the school of mines with 28 students.

Campus Band To Be Formed

The University of Nevada band, according to Prof. Theodore H. Post, who is head of the music department, will once more come into its own with an expected large enrollment of new band students.

Last Year

Due to the wartime lack of students the band has been on a non-playing basis for the past year.

Last year there were a group of students who did continue rehearsals and who will form the working nucleus of this year's band.

Felton Hickman, who graduated from the university eight years ago, will be director of the band. Rehearsals will begin immediately, and the band will play on all pep occasions.

Anonymous Gift

This summer an anonymous gift of money was received by the music department which will be used to buy caps and neckties for band members. Originally members had to provide their own ties. The old caps burned when the old artillery building turned to ashes.

There has been no indication as to how many students will participate in the band. There are a number of musical instruments owned by the university for those who can play and wish to join.

GOTHIC N-WAA SERVE SUPPER TO FRESHMEN

Gothic N and Women's Athletic Association will give a supper party at 4 pm at the WAA fireplace to acquaint new women students and old members and to give new girls an idea of sports and activities.

The WAA dance club is to have its first meeting next Tuesday at 7:30 pm in the new gym. All women students will be able to join this club.

Carry your frosh bibles. Patronize Brush advertisers.

By Max Dodge

The clock on the wall reads 3:00 and the boys are leisurely putting on the pads for another gruelling afternoon practice session. Looking around we see the team in various stages of dressing. Several sit on the benches putting on hid pads, shoulder pads and various and sundry other components of what the well dressed football player wears.

Reclining on the rubbing tables are a couple of stalwarts waiting to get their ankles taped. A newcomer to the locker room would find it hard to believe that these are the men who, come game time, will be expending a seemingly endless store of energy. A few conversations are going on, being dominated by an Arkansas drawl.

"Wait till my ankle gets well, I'll show you'all how to kick that ball."

"Ah shut up Happy, the only thing you can kick is the gong. If you'd put a little more of that energy you use dancing into running that ball..."

The peaceful atmosphere of the dressing room is shattered at this stage by a voice that vibrates the entire building.

"Stop licking your wounds and get into those pads. You're not in high school now where somebody dresses you. You're in the big leagues now. We can't nurse each one of you. Get out on the field early and work on your weaknesses."

The scene shifts to the practice field. Two teams have been selected and are engaged in rumping plays against one another. The offensive team is in the huddle and a play is called. They break the huddle and line up on the ball. The ball is snapped and there is a clash of shoulder and hip pads as the opposing lines come together. Darwin (alias Flash or Goldie) Farnsworth starts powerhousing through the gap in the forward wall. There is a earth shaking crash as the linebacker and Farnsworth meet at the line of scrimmage. Above the confusion is heard a rasping voice.

"Kitchner, why didn't you get that linebacker? Don't you want to play first string? You look like a big bird. All Philadelphia end—what kind of football do they play back there?"

"But coach, I—"

"I don't want any excuses. Run that play again. Get that linebacker this time or you'll be playing on the scrubs."

The play is rerun and Kitchner gets his man. Peace settles once more on the practice field.

This is all part of moulding a winning football team. All mistakes

Pigskin Portraits

By Ebby Robinson

Again this year the Nevada Wolf Pack is well represented by boys from all over the nation, as it has been in the past.

The following data well attests to this fact: Hailing from the "City of Brotherly Love" comes long and lanky Stan Kitchner, all-city end there for the past two seasons of football. Philadelphia can well be proud of this boy, as he can pull passes out of the air like a magician pulls rabbits out of a hat. A sterling defensive performer, he will add greatly to the strength of the Wolf Pack on the gridiron Saturday.

Grid Manager

A victim of a broken shoulder early in the rigorous sessions of practice was Bud Slaight, a Long Beach, California, boy. However, his love for football has him doing the managerial duties for the Wolf Pack instead of playing end. His injury will keep him out of action for the rest of the season.

Iowa also has its share of performers on the field. At quarterback is 200 pound James "Toad" Welin, a naval dischargee. Maurice Hagleen, 180 pound halfback, who has seen service in the army, also hails from Iowa. Incidentally, both boys come from Boone, Iowa.

Pass Master

Happy "Razorback" Reed is a product of Russellville, Arkansas. A passing wizard, he should keep the Pocatello Marines in hot water with his unexcelled accuracy. He also plays a smashing game from

and shortcomings must be worked out in practice. On Saturday there must be no mistakes. Running, blocking, passing and even more must be coordinated. Eleven men with individual ideas must be taught to work together. Should you hear Coach Aiken's booming voice echoing through the campus you will know that he is bettering the 1945 Wolk Pack's chances of finishing Saturday's game with a lion's share of the score.

Gray Reed Wright
SIERRA AT FIRST

the safety position.

Jim Taylor, a curly-headed speed merchant who will hold down left halfback, comes all the way from Florida. A dangerous runner in mid-field, Taylor should get his share of the laurels.

GIs in Football

The service is well represented on the '45 Pack. Eight of the boys have been service under the masterful coaching of Uncle Sam. May these boys carry out their plan of operations under the tutelage of Coach Jim Aiken as well as they have under their former commander. These boys are Max Dodge, end; Jim Taylor, left half; Bob Ravera, full back; Maurice Hagleen, right half; James Welin, quarterback; Bob Yelton, right guard; Ralph Reed, quarterback, and Bob Durham, quarterback.

Bob Durham, letterman from last year's line, has shown promise at the quarterback position, but recently has had the ill fortune of suffering a leg injury during a heavy scrimmage. He will be out of action for several weeks.

Reno's Ravera

This writing would not be complete without including the brilliant comeback of Bobby Ravera, elusive fullback. Only recently discharged from the service he immediately took up where he left off, by knifing through opposing lines almost at will. Bobby ravages the opposition by playing under the handicap of

having only one arm, having lost his left hand and wrist on the battlefields of Europe.

His courage and spirit will be a guiding light to the Wolf Pack when they take the field tomorrow against a band of fighting Marines from Pocatello, Idaho.

Rules Discussed at First A & M Meeting

Tuesday evening at 7:00 a joint meeting was held by the girls of the two women's dormitories, Artemisia and Manzanita, at Artemisia Hall. Myrl Nygren, who is the president of the Artemisia-Manzanita Association, presided over the meeting. The girls were informed of the dormitory rules and regulations, and also of the governing campus traditions and customs.

Noon PE Classes Slated for Women

A new class at noon in conditioning is to be held for Reno and Sparks girls who do not have any 1 pm class, according to Miss Elsa Sameth, head of women's physical education.

The following tentative times for Women's Athletic Association sports were posted: Tennis students are expected to report at 4 pm Monday and Wednesday; riding will be at 1 pm Wednesday and Friday; volley ball at 5 pm two days a week to be arranged.

Dance will be at 4 pm Tuesdays and Thursdays. The first meeting of those interested is to be announced at a later date.

College Honor Group Admits History Frat

Phi Alpha Theta, national honor fraternity for history students and faculty members, was recently admitted into membership in the Association of College Honor Societies at a meeting in Chicago, according to Pauline Leveille, who is president of the campus chapter.

The Nevada chapter of Phi Alpha Theta was installed last year. Its members consist of the department faculty and students who have a superior scholastic record in history. Pauline Leveille, junior Gamma Phi Beta, is president for 1945-1946; Patricia Traner, Pi Beta Phi, is secretary; Ann Swope is vice-president and Charla Fletcher is treasurer.

Seven Nevada Women Set to Receive Regent, AWS Scholarships This Fall

Numerous University Students Awarded Variety of Scholarships at Graduation

Six university women were named recipients of scholarships awarded this fall semester, Dr. Harold N. Brown, head of the scholarship committee, announced today.

Regents' scholarships for \$50 each, which are awarded to students making the honor roll two semesters, went to senior students Charlotte Ferris and Ethel Crouch Wright; Marilou Ferguson and Adel Marsh, juniors, and Pat Ireland, sophomore.

Patricia Traner, senior student, received the Associated Women Students scholarship, an award of \$25 which is given to a worthy woman student who received no other scholarship.

Other scholarships and awards were announced at graduation exercises held in May.

Adele Marsh received the Azro E. Cheney scholarship of \$200. The pre-medical-pre-nursing scholarship of \$100 went to Genevieve Swick.

Women's Christian Temperance Union scholarships, \$50, were awarded to Ellen Bieroth, Frances Burke, Marion Gotberg, Georgiana Hicks, Joyce Percy, Lois Reeves, Florence Shakarian and Ethel Crouch Wright.

Two Odd Fellows scholarships of \$150 each went to Ruth Armstrong and Ethel Pettis. The first recipient of the newly established Heed and Short scholarship of \$100 was Rose Nannini.

The Rose Sigler Mathews scholarships for \$100 each were awarded to Virginia Hand, Dorothy Hooper, Eileen Kerr, Jacqueline Prescott and Jane McCuiston.

Maie Nygren received the Rita Hope Winer Memorial scholarship for \$50. The William S. Lunsford scholarship in journalism for \$100 went to Charlotte Mason Wilcox. Virginia Cole received the Carrie Brooks Layman Memorial scholarship for \$200. The Armanko Office Supply scholarship for \$100 went to Gordon Mills and Marilou Ferguson. The \$100 scholarship presented by the Rotary Club of Reno went to Donald Johnson.

Recipients of the Jewett W. Adams scholarships of \$100 were Zina Coe, Edward V. Diercks, Sylv

Bibb Announces Visiting Hours

The visiting hours at the university infirmary for this semester will be from 2 to 4 pm and 7 to 8 pm, according to Dr. John Bibb, physician in charge.

Assisting the doctor are Mrs. Pippa Phillips and Mrs. Katherine Lynch. Mrs. Lynch's hours are 3 to 10 pm and those of Mrs. Phillips 7 am to 3 pm.

The first case of the infirmary this semester is Betty Bradshaw who entered with a cold yesterday.

Tuberculosis patch tests were given to all freshmen and new students on last Tuesday afternoon. The results will be tabulated tomorrow.

Twelve Additions Made to Faculty

(Continued from Page 1)

Dr. Robert Hume, associate professor of English, has taken a position on the staff of the University of British Columbia. Dr. Muriel J. Hughes, assistant professor of English, has returned to the University of Vermont, after working here on a linguistic dictionary.

The chemistry department has added a new professor, Dr. Joe E. Moose, who has been with the Monsanto Chemical Co. in Alabama for the last ten years. Dr. Moose holds M.S. and Ph.D. degrees from the University of Illinois.

John Gottardi, associate professor of foreign languages, has returned after a year of graduate work at the University of California. While at the California school, Gottardi was honored by election into Pi Mu Iota, national Italian scholastic society.

Professor C. C. Smith of the history department has returned after a year in advanced work. Leaving for a year's absence at Stanford, Dr. Anatole Mazour will occupy the position of associate professor in history and political science at that school.

Eldon C. Grafton, associate professor of structural engineering, only former faculty member returning from service, will resume teaching duties.

New foreman of the university

farms is LeGrand Walker from the Utah Industrial School at Ogden.

Mrs. Gertrude Carrick, library cataloguer, has resigned and Miss Georgia Anne Mershon will assume her duties. Miss Mershon received her degree in library science from the University of Oklahoma.

Dr. C. W. Lowrance of biology department begins the last half of a year's absence at the school of medicine at the University of Kansas. Miss Marilyn Bradley, 1945 graduate, will instruct some classes in the biology department.

Dr. Lyman R. Vawter, who has been with the veterinary science department for the last 25 years, will also teach classes in the biology department. Dr. Vawter has done considerable research on animal disease problems and holds degrees from Cornell and Kansas State College.

Lawton Kline, assistant professor of foreign language, will continue his leave of absence to do graduate work on the west coast.

Continuing as master of Lincoln Hall is Dr. Robert S. Griffin. Dr. John D. Bibb was reappointed physician to the university infirmary.

Dr. Cecil Creel, recently appointed dean of the college of agriculture, will continue as director of

Frosh Coeds Asked To Get Handbooks

Freshman women students who did not receive their Associated Women's Students' handbooks at registration time are requested to obtain them at the AWS office in the Student Union building Tuesday between 4 and 5 pm, Maurya Wogan, AWS president, announced today.

These booklets explain the functions of the AWS organization, and since all coeds on the Nevada campus are members, they should know this information, she said. Any questions pertaining to the organization, or to women's activities at Nevada will be answered during these office hours.

NOTICE

I wish to thank the students who aided me in the frosh orientation program.

Paul Parraguire.
