Bob Ravera Begins Work as Freshman Class Manager; N Painting Planned

Ex-Serviceman Wins Election by 95 Ballots; First Frosh Meeting Thursday

Bob Ravera took over the freshman class managership this week following final election on Wednesday in which he netted 117 votes against 22 cast for Sinclair Melner, Sigma Nu candidate.

Ravera, an ATO pledge and left halfback on the Wolf Pack, began his work with the freshman class yesterday by calling a meeting to plan the painting of the N which will take place tomorrow morning. The well known service veteran was president of Reno High School in 1943 and was named all state quarterback the same year. He was also a member of TNT, Reno High pep club. He is now majoring in English.

NEW FROSH CHIEF

Bob Ravera, new freshman class manager, who began duties this week following Wednesday election.

The traditional painting of the N will take place this Saturday by the members of the freshman class, it was disclosed today at a class meeting presided over by Paul Parraguirre, acting in the absence of Bob Ravera.

The trek up Peavine Mountain will begin at 8 am after the frosh meet at the main gate of the university.

Duty of All Frosh

The painting of the N is a freshman duty and all members of the class must attend unless excused. Both men's and women's, upper-class committees will be present to check roll.

Committees named for the trek are: refreshments, Helen Boner and Wilma Schooley; transportation, Dick Gorman and Sinclair Melner; and in charge of the barrels for the lime is Milton Gottardi.

Following the counting of the ballots the members of the ASUN senate discussed intermural sports and concluded that unless the contests received more attention from fraternities, the program would have to be cancelled.

The senate committee on drawing up the social calendar announced that copies of the schedule would be made available to students soon.

Ann Rachie to Go to Meeting On WSSF Drive

Miss Ann Rachie, general campus secretary of the YWCA, will attend a meeting in Berkeley, Nov. 3, to discuss with representatives of northern California colleges the coming drive for the war students service fund, which will be under the direction of the YWCA.

One representative from each of the colleges will attend the meeting to discuss plans for the drive at their own colleges. Dates and goals for the drive will be outlined and methods of furthering the drive will be discussed.

Before leaving for Berkeley, Miss Rachie will hold a meeting with the local committee of which Miss Billy Heath is the chairman, to decide on the dates and goal preferred by this college.

Tall Growth of Banana Tree Proves Problems

"If that banana tree in the greenhouse doesn't stop growing, a new and higher roof will be needed to accommodate the plant," Herbert Pruess, greenhouse keeper, said emphatically.

"The plant now sits in a large box of dirt about three feet from the floor, and the main stalk is about eight feet tall," he explained. The leaves droop down from the top because they cannot grow up in their natural position. The main stalk is within an inch or so of the roof and is expected to grow more rapidly as soon as the bananas appear—a few months hence.

This main stalk cannot be trimmed or cut, so the only solution now is to transplant the tree in the ground, Pruess said. This would allow it about three more feet, and the problem would be delayed a few years.

Fine Arts Group Sponsors Exhibit

University women who will sit at Richard Guy Walton's exhibit of atomic art in the art room of the electrical engineering building November 5 to 9 have been appointed by Frances Cook, president of Fine Arts.

Those chosen are Phyllis Baker, Rosemary Chester, Josephine Eather, Alice Williams, Bliz Patterson, Beverly Birch, Virginia Young, Ida Mae Kellough, Maribeth Elkins, and Peggy Boyle.

Virginia Olsen, Fine Arts vice president, is in charge of arranging the exhibit. Teddy Hicks is the newly appointed publicity chairman.

Interfrat Dance Held Saturday

University of Nevada students in jeans, overalls, and old clothes arrived at the old gymnasium last Saturday night to attend the annual interfraternity barn dance.

Two hundred and fifty students turned out for the affair, which is the largest number of students to attend a college dance at Nevada since the beginning of the war, according to Royden Beardall, dance committee chairman.

The dance began at 9 pm and ended at 12:30. Dean of Women Alice B. Marsh was chaperone. Cider and doughnuts were served, and Johnny Bradley and his band provided the music. As well as modern jitterbugging, students formed squares for the Virginia Reel and other old-time dances.

Sigma Rho Plans Pledge Dinner

Sigma Rho Delta, UN's only men's local fraternity, will hold a dinner dance tonight at the Trocadero honoring the group's pledges, according to an announcement made by Bill Fryer, president.

Hugh Wilton is in charge of the affair which will formally welcome pledges Jack Owen, John Michael, Charles Fryer, John Etcheto and returned member, Bob Weber.

WOLVES FROLIC TRADITION RE-INSTATED

Students To Be Given Bonus on Lecture Tickets

Bogard, V. Olesen Head Committee on Sales

To all students who purchase Reno Town Hall tickets a bonus will be given, Judy Bogard and Virginia Olesen, co-chairmen of the campus coordinating committee, announced today. The new coordinating committee will promote sales of Reno Town Hall tickets on campus during the week and seats may be reserved at Rogers Jewelry.

The tickets entitle the buyer to the entire series of seven lectures, but as a special bonus to campusites, the privilege of taking a guest to lectures scheduled for presentation in the university gymnasium will be given.

Varied Lectures

It was pointed out by the co-chairmen that the series include some field of interest for every student, since the lectures will cover economics, literature, Russia, China, France, philosophy and dramatics.

The lecture schedule is as follows:

November 18: Pierre Clemenceau (grandson of Premier Clemenceau), "France, Today and Tomorrow," university gymnasium.

December 13: Dr. Will Durant, "A Philosophy of Life for Our Times," Granada Theater.

January 3, 1946: Agna Enters, mimic, monologist, Granada Theater.

March 13: Harris Forman, "Report from Red China," Granada Theater.

March 23: Maurice Hindus, "Russia Today and Tomorrow," Granada Theater.

April 15: James B. Pond, "Mark Twain as We Knew Him," university gym.

April 22: Henty J. Taylor, "Free Enterprise in World Organization," place to be determined.

Tickets Obtainable

Students may obtain their tickets from the following committee members: Judy Bogard and Rachel Rand, Artemisia-Manzanita and Independents; Ardis Fitch, KAT; Margie Menu and Virginia Olesen, Tri-Delta; Billy Heath, Gamma Phi Beta; Vivian Davis, Pi Phi; Jim Coleman and Dave Parraguirre, fraternity men; Jack Owen, Lincoln Hall.

Infirmiry Reports Proofs Negative to TB X-ray Tests

All students who reacted positively to the TB patch test have been X-rayed and all proofs were negative, it was announced today.

Thirty-six men and 38 women students have failed to report to the university infirmiry for TB patch tests are part of the entrance requirements here. The complete list of those students who have not completed their tests is posted on the university bulletin board.

Students who have not reported for their tests must do so immediately or risk the danger of not being allowed to attend classes, since tests are part of the entrance requirements here. The complete list of those students who have not completed their tests is posted on the university bulletin board.

Visiting hours for the university physician are from 11 to 12 am on Mondays through Fridays, Mrs. Phillips stated. Students desiring to see the doctor must come at this time if they expect to see him.

GRADUATE SETS DATE

Katy Little, Pi Beta Phi, who graduated in 1943 and Fred Baldwin have set October 20 as their wedding date. Miss Little is at present employed at the General De Witt Hospital in Auburn, Calif.

Eighteen Men to Vie For Honors in Cross Country Race

Eighteen university men will seek honors when the cross country run will be revived on Homecoming day, November 3, after a lapse of three years. This year's run will mark the 15th time in the history of the university that the event has been staged.

Chester Scranton, assistant director of men's physical education, this week released the names of men who will be eligible to vie for individual, as well as intrafraternity laurels. The hill and dale runners have been in training for two weeks.

As in the past, the cross country contest will be run in the morning. Contestants will start the grueling four mile grind in Sparks finishing at the Mackay oval.

Men who will compete include Ernest Martinelli, Elwood Oxborough, Virgil Patton, Doug Baugus, Dick Watts, George Schwarz, Frank Apa, Ray Caccarelli, Richard Rawley, Rex Ricketts, Ray Stout, Robert Adams, Richard Gilbert, Donald Johnson, Sinclair Melner, Donnel Rakar, Ernie Chichese and Donald McBride.

Brush Celebrates Fifty-Second Anniversary Today

By Alice Joudas

Today the Sagebrush is celebrating its fifty-second anniversary as an organ of the student body of the University. Organized October 19, 1893, the student pamphlet was originally called the Student Record and changed its name to the Sagebrush in 1910.

It remained under individual student control without backing of the school until 1910, when it was put under the control of the Associated Students of the University of Nevada.

The first editions were published semi-monthly in the form of pamphlets. Each edition was about eight pages long and articles were devoted to literature and art and resembled magazine work.

Changes Size

The first noticeable change came when the size of the pamphlet was increased from 5 by 10 to 9 by 12.

The first editor was Charles Magill and the business manager, F. C. Frey. In 1895 the Student Record was printed on newsprint instead of smooth paper. It was this time that the staff was changed each semester.

Run by Students

The students continued to run the newspaper although the University self-government was advocated in the editorial columns in the year 1896. At this time the paper was expanded to 20 pages and each editor began a policy of his own. In the last edition a "swan song" was the finale.

About 1904 the magazine was changed to a four to six page newspaper which was published by the independent organization. Editor was John Case and J. M. Brambilla, business manager.

Tabloid Size

On September 14, 1905, Editor D. M. McDonald began to publish a five-column half sheet in place of the former type used. Also at this time the paper was put out semi-weekly by the students.

The paper was printed on regular newsprint in 1909 when Silas E. Ross, now chairman of the board of regents, became editor. In the latter part of the same year the pamphlet became a weekly under the leadership of Stanley Wilton.

Label Head Used

It was not until the fall of the year 1910 that the first Sagebrush was established when label heads and six columns were first used. August Holmes was then editor and Raymond Robb, business manager. (Continued on Page 6)

War Chest Drive To Be Continued Thru Next Week

University Short \$508 of Goal for Community Chest

Because the University of Nevada was \$508 short of its \$2000 goal for the Reno War Chest campaign in the one week duration of the drive, the campaign is being extended until that goal is attained, according to Valerie Scheeline, chairman of the finance board on the campus.

At present, the university's total contributions amount to \$1492. Yet to be turned in are several of the fraternities contributions, and some campus individual pledged sums.

The community of Reno went over the top of their quota, which was \$110,000, by \$295. In one day, the students of Reno high school collected \$1165. Of the \$110,000 the National War Fund will receive \$45,000, while the remainder will be used by the Reno Community Chest for local cases.

Anyone wishing to contribute to the War Chest drive may do so by turning their money into the comptroller's office.

Virginia Olesen Wins Scholarship

Virginia Olesen, junior student from Lovelock, is 1945 recipient of the William S. Lunsford Scholarship in journalism, Dr. Harold N. Brown, chairman of the scholarship committee, announced today.

The scholarship, established ten years ago by Mr. and Mrs. Harry J. Frost, is annually awarded to an upperclassman journalism major.

Miss Olesen, Tri-Delta, previously received the Jewett W. Adams and Major Max Fleischmann scholarships. A member of Chi Delta Phi, Phi Alpha Theta, Fine Arts, and the Ski Club, she also heads the Women's Upperclass Committee.

Writing Contest For UN Coeds Planned by APW

University of Nevada women are eligible to enter a short story contest sponsored by the Reno branch of the League of American Pen Women.

Prizes of \$25, \$15 and a copy of "Plotto" will be awarded shortly after January 15, 1946, the closing date of the contest.

Stories should be 3,500 to 5,000 words in length, according to rules governing the contest, and must be original and unpublished. An author may submit as many stories as he wishes with no restrictions as to subject matter, setting or characters.

Pen names will be accepted. Regulation manuscript style should be used, this is, stories typed on one side of paper only, and double spaced.

Manuscripts should be mailed to Mrs. F. W. Wilson, 155 University Terrace, Reno, and a stamped, self-addressed envelope must be enclosed.

Total of Frat Men Reaches Eighty-Four

Three more campus men were pledged to fraternities this week raising the number of fraternity men on the campus semester to 84.

Alfred Helm Westall, Virginia City, pledged Sigma Alpha Epsilon. George Reading went ATO, while Sigma Rho Delta, Nevada's only local fraternity, gained Charles M. Fryer.

Granada Theater To Be Used to Stage Wolves Frolic for First Time in 2 Years

Pajamboree to Highlight Homecoming Rally; Dance To Be Held in State Bldg.

By Suzanne Evans

Arrangements have been made to secure the Granada Theater for the Wolves Frolic, according to Gen Siri, chairman of the Homecoming committee. During a meeting yesterday afternoon permission to use the theater was given by Carl Krugger, manager. The Granada has been used for past Wolves Frolics, and using it again will be another step back to peace time Homecomings. A pajamboree will be held as the main event of the Homecoming rally, Friday, November 3, according to Royden Beardall, chairman of the rally committee. All students are required to attend in pajamas as has been the tradition in the past.

Frosh Violators Punished by Upperclass Group

Many Women Students Caught Without Ribbons

Eleven frosh women were punished Wednesday by the women's upperclass committee for not conforming to Nevada traditions and customs. The forgetting of blue and white ribbons and freshmen handbooks were the most numerous offenses at Wednesday's meeting.

Punishments for not obeying these rules and regulations include wearing of a three inch by eight inch plaid ribbon for a week for forgetting the blue and white ribbon; carrying a suitcase in the reasonable facsimile of a book for being unable to produce a handbook; and for violating the other rules the punishment is to do work around the campus, depending upon the seasons whether leaves are to be raked or snow shoveled.

For not attending the women's upperclass meetings the offenders have their original punishment doubled, clean the stadium, clean up after elections, or hammer down the nails on the tram.

These traditions apply to the campus proper which includes the Wolf Den, ASUN building, outside Manzanita or Artemisia halls and in or near any other campus building.

Headed by Virginia Olesen, members of the committee are Pat Traner and Florene Miller, Pi Beta Phi; Katie Blythe and Jo Miller, Kappa Alpha Theta; Dorothy Sewell and Helen Brania, Gamma Phi Beta; Maribeth Elkins and Virginia Olesen, Delta Delta Delta; Ellen Turnquist for Artemisia-Manzanita, and Judy Borgard and Myrl Nygren for Independents.

Freshmen women sentenced last Wednesday were Jo Ann Erb, Joyce Lungren, Jean Hume, Doris Maloney and June Zunino for not wearing a blue and white ribbon. Beverly Burhans, Barbara Burhans, Pat Carmichael, Kay Sterling, Betty Holmes and Wilma Schooley for not having the required handbook.

Betty Waugh Named Spanish Club Head

Betty Waugh was named to succeed Mary Ancho as president of the Spanish Club at an election held Wednesday evening. Other officers are Ellen Turnquist, vice-president; Florene Gonzales, secretary; Anita Heinzelot, treasurer, and Miss Vivian Davis, publicity chairman.

Dr. Benjamin F. Chapelle, head of the language department, will show color slides of Spain at the next meeting of the group. Dr. Christian F. W. Melz is the faculty advisor.

Clara Beth Haley Given Commission In WAVES

Clara Beth Haley, 1944 Nevada grad, was commissioned a WAVE ensign in Washington, D. C. Ensign Haley stopped briefly in Reno last week on her way to Long Beach Naval hospital where she will be engaged in physiotherapy work. She is a Kappa Alpha Theta.

After meeting at the main campus gate at 6:45 pm, students will follow the band and yell leaders downtown. Yells and songs will be given at the corner of Virginia and Second streets after which the group will snake dance to Commercial Row and back to Mackay Stadium, Beardall stated.

Bonfire Committee Upon reaching the stadium, the bonfire will be started by Clayton Trigerro, chairman of the bonfire committee, assisted by the Sagers. Freshmen will be required to bring boxes Tuesday, Wednesday and Thursday prior to the rally to the back of the practice field where they will be checked by the Sagers, Trigerro stated.

Paul Parriguirre, ASUN president, will introduce the guest speakers who will in turn present the winner of the Homecoming Sweetheart contest.

Skits have been rehearsed each night this week under the direction of Mrs. Margaret Von Fluee, who is assisted by Jo Miller, student director. Awards will be given for the best fraternity, sorority and independent skits, Miss Siri said.

Saturday, the final day, will begin with the interfraternity cross country race. Eighteen runners will start from Sparks on the 4.2 mile run to Mackay Field. In order to win the teams must have three men across the line first. The cross country run will end in Mackay Stadium as the football game starts to enable spectators to see the results.

Cross Country Run This is the first time the cross country run has been held since 1941 and marks the 15th year it has been held. Since its beginning in 1927, ATO has lead in the number of wins, six out of 15. The best time for the course was established in 1928, when Fred Lohse ran the 4.2 miles in 21 minutes 34.2 seconds.

Festivities begin Friday night, November 2 with Phi Sigma Kappa street dance in front of the Lake street fraternity house. This street dance is another Homecoming tradition that has been discontinued since 1942.

Pep Assembly Friday, October 26, a pep assembly will be given to practice yells and songs and to introduce the Fresno State yells, according to Noel Willis.

The Homecoming dance will be held in the State building on Saturday night, November 3. Plans had been made to hold the dance in the new gymnasium, but the State building was obtained. Two people from each house will help decorate for the dance. Prices for the dance were set at the committee meeting yesterday to be \$1.20 per couple, according to the Homecoming committee chairman. Dance hours have been set from 9 to 1 am.

Those present at the Homecoming committee meeting yesterday were Gen Siri, chairman; Mel Revetti, Barbara Mills, Florene Miller, Betty Walker, Clayton Trigerro and Buck White.

RED CROSS TO MEET Campus unit of the American Red Cross will hold a meeting in the recreation room of Stewart Hall Tuesday at 4 pm, announced Jane Perkins, chairman.

THE TRIUMPH HYMN

It seemed somewhat ironical at last week's game when Nevada topped the St. Barbara Marines, 19-14, in a thrilling game that at the end of the match only a few members of the Student body were able to sing the Triumph Hymn. Consequently in the big stadium it sounded like a group of kindergarten students singing a nursery rhyme.

In the old days, signing of the Nevada Hymn was as much a tradition as singing "Hail to Our Sturdy Men" after a touchdown. Perhaps you noticed the expression on the faces of some of the grads when they found that students don't know the hymn of triumph. We can imagine what they thought.

The simple melody will prove no problem to students learning it and with the aid of the University band, the tune is easy to follow. Lyrics to the song may be found in the Frosh Handbook. For the benefit of those who do not carry handbooks, we are reprinting the first verse:

"Hail! proud Nevada, strong in the might—Of truth, of wisdom and the love of youth. Builed in desert hills, gloriously with beauty; Hail! proud Nevada—Hail, all hail!"

And by way of a reminder—the next home game is slated for November 3.

AIR YOUR GRIPES!

Noticeably absent from the columns of the Sagebrush are "Letters to the Editor." In past years, one could almost follow the dominant trend of student thought through such articles.

Several paragraphs of print can prove a strong weapon in the hands of individual students. They have the power to influence thought and to bring about corrective measures.

We believe that all students who have an active interest in the university detect many opportunities for improvements about the campus.

In all cases the sender's name need not appear in print, but letters must be signed by the writer. The editor will print answers to letters if within the realm of reason.

WHAT'S IT FOR?

It has been brought to our attention that students who have attempted to study at the library during these first few weeks of school have met with defeat. Studying in the library has been nearly impossible between the hours of 7:30 and 9 pm.

We do not mean to imply that Dr. Hill and his assistants are at fault. On the contrary, we believe that the new librarian has made a sincere effort to get to the bottom of the problem.

The trouble seems to lie with those students who think the library is a place for picking up dates for the weekend. And those who do not have such an objective in mind frequently regard it as a place for campus bull-sessions. And then there are those who go there to study.

In defense of those who take their studying seriously, we would like to explain their dilemma. They are, for the most part, dormitory dwellers, and as many of you know, studying in a dormitory before midnight is nearly impossible. For this reason they find that the library is the only place on the campus where they are able to put in some quiet hours with their books.

Many of you seem to forget that the first aim of college training is education. This word involves complete concentration along certain lines to learn even fundamental principles.

It is our suggestion that all students view the library as a place for gathering books and papers and brains and taking the task at hand seriously—high school days are past and gone.

Quakerism Topic of Discussion Sunday

"Quakerism Streamlined" will be Wesleyan Foundation members' topic for next Sunday's discussion at the Methodist church on First and West streets. The service will be led by Lyle Kim Creed. Margaret Lane will be in charge of the

worship service. Movies on the wild animal life of Nevada will be shown. Following the movies, a period of fellowship and refreshment will be held.

Miss Jean Forson, president of the Wesley Foundation, announced that anyone of any denomination is welcome to attend.

Patronize Brush advertisers.

Swimming Party at Moana Hot Springs

Thirteen girls attended the Outing Club swimming party held at Moana Hot Springs last Sunday. Plans were formerly made for this party to be held at Reno Hot Springs but weather conditions interfered.

The Outing Club members who went on this trip were Elma Hochstrasse, Ann Kemper, Billie Kennedy, Dorothy Thomas, Maie Nygren, Myrl Nygren, Mary Hill, Virginia Olesen, Phyllis Snyder, Mary Kathleen Hanley, Marianne Wells, Miss thel Dixon and Miss Margery Turner, physical education instructors, accompanied the group.

Committee Plans Opening of Snack Bar in Rec. Room

Plans for the snack bar to be built in the recreation room in Stewart Hall are now under way, according to Dorothy Thomas, chairman of the committee in charge of arrangements.

A contest will be opened to give the place a name, as the snack bar title is only temporary. This contest will be outlined later by Jeanne Adrian Sutton who is in charge of that committee.

The bar is expected to be open every school morning from Monday through Friday and will serve doughnuts, coffee, cake, fruit juice, sandwiches, candy bars and peanuts. Small tables will be used instead of a counter to accommodate students between classes.

The committee consists of Dorothy Thomas, chairman; Jean Adrian Sutton, Jean Worlock, Wilburta Flavin, Pat Hamilton and is supervised by Miss Helen Rachie, secretary of the YWCA.

NOTICE

A meeting of the editorial staff of the Sagebrush will be held Monday at 3 pm. It is imperative that all members attend.

Twenty-Five States, Two Countries Represented in Nevada Enrollment

Representing sixteen Nevada counties, 24 other states, and two countries, 687 students enrolled in the university this semester, according to a list released by the president's office.

States

Out of state, California leads all outside states with 78 students as compared to last year's total enrollment of 76 students. New York and New Jersey are both represented by six students while Florida, Idaho, Indiana, Iowa, Kansas, Oregon, Pennsylvania, and Utah each have two.

The remaining states of Arkansas, Colorado, Illinois, Louisiana, Massachusetts, Missouri, Nebraska, New Mexico, Ohio, Oklahoma, Washington and Wyoming supply one student each. Two foreign countries, Canada and New Zealand, have a student each to their credit.

County Scores

Washoe county boasts 355 students. Clark is next with 32; Humboldt, 22; Elko, 20, while Lyon and White Pine both have 19. Mineral has 16 students, Ormsby, 14; Churchill, 13, and Nye and Lander, 12 each. From Pershing there are 11 students, Eureka, eight; Lincoln, five; Storey, three, and Douglas, two.

Classes

There are 344 freshmen registered in the university this year, and of this total 250 are enrolled in arts and science, six in agriculture and 19 in home economics. Fifty-nine freshmen are enrolled in the engineering department.

One hundred and thirty-nine sophomores returned to school, with 122 in arts and science, four in the home economics department and 13 in the engineering department.

The junior class boasts 79 students. Fifty-nine of them are in arts

and science, three in agriculture, seven in home economics and 10 in engineering.

Senior students number 52, with 37 in arts and science, three, agriculture; four, home economics, and eight in engineering.

There are 62 special students this year, plus 20 enrolled as graduate students at the University of Nevada.

NOTICE

All freshman women, both second semester and first semester students, are required to assist with painting the N tomorrow morning. You will meet at the main gate of the university at 8 am to be checked. Not being present is an offense punishable by the women's upper-class committee. If you have a legitimate excuse, work or illness or absence from town, phone Virginia Olesen at 5201. Employers excuses must be signed.

Colonel: You say you served the army in France?

Cook: Yes sir, officers' cook for two years and wounded twice.

Colonel: You're lucky, man. It's a wonder they didn't kill you.

Aboard Ship in Tropical Storm

Carlos M. Danco, native of the Philippines and former University of Nevada student, is now on the USS Beaver, and he was in the typhoon which raged on Saipan a few weeks ago, according to a letter received by Robert R. Prescott, University of Nevada postmaster.

"We left our port Sunday afternoon and all day Monday, Tuesday and Wednesday we did everything except go into Davy Jones locker. It was an awful typhoon and lots of the boys went down with their ships.

"It was officially announced that 75 ships of all sizes are either sunk or beyond repair." Danco wrote, and continued to describe the scene he witnessed. "It's really a sight to see a ship like cargo, tanker and even a transport hit a rock and fold like a piece of paper.

"Tuesday was the worst. Our ship was under water half of the time, first the bow and then the stern, so water was rushing back and forth on the main deck. A 75 mile an hour gale for 24 hours is

nothing to laugh at, either. And of course, it had to rain, and the rain drops were like buck shot; they real-hurt. All day Wednesday we searched the sea for survivors, but didn't find any."

Danco closed by saying that he expects to be shipped to Japan, and that as yet he has not located his parents, who were residents of the part of the Philippines formerly held by Japan.

On the hill it's hello!

Hamilton College Forms New GI Bill

Clinton, N. Y. (IP)—Hamilton College's board of trustees have written what they call Hamilton's own "GI Bill of Rights."

Under a newly adopted scholarship program, any veteran who enters as a freshman in 1945 with GI educational benefits to see him through his junior year need only to keep in the upper half of his class scholastically to be sure of financing his way to a diploma.

The college guarantees to underwrite the senior year of these veterans to the extent of granting them scholarship funds or sufficient college sponsored employment to make up the difference between whatever amount they can furnish personally and whatever it takes to foot their bills on the home stretch to an A.B. degree.

Spectacular support of the college by the alumni in an annual fund that has increased tenfold in the past five years makes the offer possible.

Announcement comes on the heels of earlier action by the faculty clearing the way for admission for all veterans who give promise of doing adequate college work even though their high school preparation was in commercial or technical fields not ordinarily leading to entrance in liberal arts colleges.

SMITH WITH CZECHS

George Smith, former University of Nevada student, graduated from West Point with the class of '45 and is now in the occupational troops in Czechoslovakia.

Nevada Officials Prepare for 'Days of 1864'

Carson City (Special)—Governor Vail Pittman has his whiskers checked by a special committee to see if he is keeping up to the standards set for all Carson City mayors for the Nevada Day (days of 1864) celebration here October 31.

One of the features of this historic celebration is the fact that on October 31, the entire state capital steps back 81 years to the styles, customs, clothes, vehicles and methods of the day when Nevada first became a state. The governor, supreme court justices, attorney general, and all other state officials as well as the county and city officials all transact their business in 1864 dignity and whiskers.

ARTICLE BY DR. HICKS PUBLISHED IN BULLETIN

Dr. Charles R. Hicks, head of the department of history and political science, recently published an article, "Achieving the Values of History Study at the University of Nevada," in the September Nevada Educational Bulletin published in Carson City.

Another article by Dr. Hicks, "Reorientation of Japanese Education," has just gone to the publisher and will soon appear in the weekly publication, "School and Society."

VICTORY BOND REPORT

A total of \$412.50 in victory bonds and stamps has been sold to date for the month of October, Charles H. Gorman, University of Nevada comptroller, announced Tuesday.

WHAT'S THE VERDICT, BERNIE?

Frosh Kappa Alpha Theta pledge Bernie Murphy (left) joins Gloria Bloomfield and Marie Laxalt in checking the beard of Governor Vail Pittman in preparation for the Nevada "Days of 1864" celebration.

College Studies Religious Program

Alliance, O. (IP)—A survey made at Mount Union College to determine the effectiveness of the religious program shows that students attend church slightly more regularly while they are in college than before they went to the campus.

There is a decline in Sunday School attendance, but students are having Bible and religious instruction in the classroom. In the home church, youth group activities exert the most determining influence for religious convictions, in the opinion of the Methodist students. Institutes and general summer conference programs rank high. Important also are the influences of the pastor and Sunday School.

College chapel services hold first place in influencing the religious convictions of students. Next in importance is campus fellowship—a Sunday evening discussion group which has been built up by President Ketcham.

LTS. IN HOSPITALS

First Lt. Gene Maestrianni of the signal corps is now in the hospital in San Francisco, and army 1st Lt. Pete Echievaria is in a relocation hospital at Pearl Harbor. Both boys are former University of Nevada students.

Scholarships Offered To Undergraduates

Ten scholarships of \$400 each are now being offered to college women who are interested in physical therapy.

A \$500 journalism award is being sponsored by the American Newspaper Publishers Association. The competition is open to graduate and undergraduate students in residence in a regularly organized college, school or department of journalism.

A poetry contest sponsored by the National Poetry Association, will close November 5, 1945. Further information can be obtained from department heads.

Astronomical Group Plans Discussion of Milky Way Action

"Rotation of the Milky Way" will be the topic of discussion at the meeting of the Astronomical Society of Nevada next Friday, according to Dr. G. B. Blair, associate professor of astronomy.

Dr. F. J. Neubauer, president of the Pacific Astronomical Society from Lick Observatory, Mt. Hamilton, Calif., will be the speaker.

Tentatively the physics lecture room in the Mackay science hall will be the place for the meeting, which will take place at 8 pm.

Soldiers Stage Sunday Serenade

By Pete Mygatt

Passersby were surprised to see girls of Artemisia Hall leaning from their windows Sunday evening in various modes of evening attire. The incident occurred when two soldiers staged an impromptu serenade beneath the windows of the upper end of the dormitory.

The girls, finding the harmonious duets pleasing, urged the pair on by requesting their favorite songs, with which the soldiers gladly complied.

UN to Offer New Biology Course

"The University of Nevada is now prepared to give a course in bacteriology comparable to any courses offered in other colleges," said Dr. Phillip A. Lehenbauer, head of the department of biology.

New equipment was recently purchased for the bacteriology laboratory, thus modernizing the whole department. The new equipment consists of a new Wesix waterheater, which enables the students to have hot water at all times; a steam sterilizer for culture media; a two gallon capacity Barnstead water still, and a new Westinghouse refrigerator.

In addition the student desk tops are now fire proof and water proof. All of the new apparatus is electrically heated. The equipment, ordered last July, was installed at the beginning of the semester.

The Sagebrush office number is 2-3681.

Pledges Honored At Annual Dances

Last Friday night Gamma Phi Beta and Lambda Chi Alpha held their annual pledge dances in their respective chapter houses from 9 pm to 12 pm.

Forty couples attended the Halloween program dance honoring 15 new Gamma Phi pledges, according to Dorothy Sewell, social chairman. Mrs. H. W. Seamon and Mr. and Mrs. Stephen Moore were chaperones.

Melvin Rovetti, Lambda Chi so-

cial chairman, reported that 35 students were present at the pledge dance for 17 new Lambda Chi pledges and that a special guest was Private Ronald DuPratt, army air corps gunner, who last year attended the University of Nevada and was home on furlough last week.

Birthplace of 50,000 RADARS

TWO years before Pearl Harbor the Government asked Bell Telephone Laboratories to help perfect radar as a military instrument. The Bell System, through the Western Electric Company, its manufacturing branch, became the nation's largest supplier of radar systems.

Bell scientists designed and developed many different types of radars—each for a specific job. One particular type was standard for B-29s in the Pacific for navigation, target location and high altitude bombing. Another directed all Navy guns over five inches.

This is not surprising, for radar development and production stem from the same roots that produced and continue to nourish this country's telephone system.

Wolf Pack Flies to Tulsa for Match With One of Nation's Top Grid Teams

Tulsa Hurricanes Unbeaten in Four Games; Coach Aiken Changes Lineup During Week

Carrying with them the hopes of toppling Tulsa, one of the nation's grid giants from the unbeaten and untied ranks, 21 members of the University of Nevada football squad, accompanied by Coach Jim Aiken and President John O. Moseley, departed yesterday from the Reno airport on a 3500-mile round trip jaunt to Tulsa, Oklahoma. The squad was scheduled to arrive in the Oklahoma city early this afternoon in time to run through light signal drills.

Reputedly the longest air journey by any collegiate team this year, the Pack's chances of victory tomorrow lie solely in their ability successfully to take to the air lanes on the gridiron.

Unbeaten in four games to date, the Tulsa Hurricanes have chalked up 130 points, while holding the opposition to a single touchdown. In rapid succession, the Tulsans have rolled over Wichita, West Texas State, Drake and Texas Tech, with the latter club the only team successful in denting the Tulsa goal line.

Victory Margin Decreases

In reviewing scores of Tulsa games it is of special interest to note that the Golden Tornado's margin of victory has decreased in each succeeding encounter. Wichita fell by the wayside in the opener, 61-0; West Texas State bowed out, 32-0; Drake went down, 19-0, and last Saturday the Tulsa eleven edged Texas Tech, 18-7.

Significantly, it may mean that the opposition has been increasing in tempo or that the Franka coached Oklahomans are on the down grade. If the latter is the case, chances for an upset by the Aikenites will be greatly enhanced. Nevertheless, Nevada will probably be rated the 1 to 2½ or 13 point underdog by game time which will psychologically be in Coach Aiken's favor.

The past week saw one of the hardest periods of scrimmaging for the Wolves since the start of the season. Highly dissatisfied with the ragged tackling and blocking displayed against the Santa Barbara Marines last Sturday, Aiken and Assistant Coach Jake Lawlor concentrated on the two fundamental weaknesses which intermittently have hampered the Pack's offensive and defensive play all season.

Out of the week long sessions emerged two new additions to the starting lineup. Bob Yelton, rough and rugged Indianan, moved up to

a first string tackle berth while "Joltin' Joe" Stolfi was elevated to a starting role at one of the guard posts.

No other additons or switches were made in the lineup which opened against Santa Barbara, but several players who have been pressing regulars for starting positions will see considerable action tomorrow. Walt Polenske, Jim Welin, Bob Ravera and Matt Klemazewski combined during the week to give the Pack a seasoned understudy backfield possessing speed and power.

Line Reserves

On the line, reserves Stan Norton and Bud Slight proved to be the week's standouts. Slight only recently returned to practice after a four week lay off and won the right to journey to Tulsa by his defensive play during the final three days. The Long Beach, California, boy showed no ill effects from a broken collar bone which sidelined him earlier in the season and appears to be headed for a starting berth if he continues to show the aggressiveness which marked this week's drills.

Starting lineup as announced by Coach Aiken Thursday: On the line, Smolinski and Dodge will open at ends; Dieringer and Yelton at tackles; Dysle and Stolfi at guards, and Captain Buster McClure at center. In the backfield, Reed gets the call at quarter; Robertson starts in the fullback spot; Farnsworth opens at right half, and either Maury Haglen or Jim Taylor will be at left half.

Making the Trip

Players making the trip in addition to the announced starting eleven included Jim Welin, Bud Slight, Stan Norton, Gus Cammarano, Bob Ravera, Henry Baker, Mat Piccini, Lloyd Rude, Walt Polenski, Bob Durham and Matt Klemazewski.

The game will not be broadcast over local stations.

Sports Managers Appointed Tuesday By WAA Executives

Sports managers were appointed by the WAA board at a meeting held Tuesday, according to Mary Watts, president. Francis Burke, Saddle and Spurs president, will automatically become riding manager and Gloria Springer, president of the University Dancers, will head the dancing group.

Gloria Haley was appointed manager of volley ball; Marianne Wells, tennis manager; Beverly Brown, softball; Gloria Mapes, bowling, and Merrie Jo Harp, basketball. The board also decided to award WAA credit to members of the swimming club.

Victorious Marine Team Stopped By Nevada Wolves

Santa Barbara Team Handed 19-14 Defeat

University of Nevada Wolf Pack came surging from behind in the fourth quarter Saturday to hand the Santa Barbara Marines their first defeat in six games by a 19-14 score.

Echoes from the opening whistle had scarcely died away when Ebby Robertson, speedy Nevada fullback, intercepted a Marine pass and galloped 55 yards for the first score of the day. McClure split the uprights for the extra point and the Pack was out in front, 7 to 0.

The big, hefty Marines immediately began to show that there were two ball clubs on the field. They started a drive featured by Minetto's 24 yard run to the Nevada 19 yard stripe. Here a fumble and a penalty slowed the Leatherneck drive. Minetto then faded back and dropped a bullet pass into Pourcho's waiting arms in the end zone. The play was called back because both teams were offside.

Late in the third quarter, Horvath, Marine back, got off a 76 yard punt that rolled dead on the Pack's four yard line. Reed punted out to his own 33, where it was first and ten for the Marines. Minetto ran to the 20 and lateraled as he was tackled to Blaggy who went over for the score. The conversion tied the game at 7 all.

Taking the kickoff, the Pack drove to the Marine 21 where a fumble halted the threat. The Leathernecks took over and Little, Marine fullback, culminated a 79-yard touchdown drive by plunging five yards for six points. The conversion was good and the Marines led, 14-7.

The Wolf Pack bared its fangs and roared back. Reed returned the kickoff to the Nevada 26. "Goldie" Farnsworth then bulled his way through the Marine forward wall and streaked 44 yards to the Marine 29. Haglen made it first down on two running plays. Farnsworth broke away for 15 to the Marine four yard stripe. A line plunge failed and Reed flipped a pass to Dodge in the end zone for the score. The conversion was wide and the Leathernecks were still out in front, 14-13.

Soon after the kickoff, Kenny Simms leaped into the air to intercept a Marine pass and give Nevada the ball on the Leatherneck's 38 yard stripe. Haglen drove for 14 yards and a first down. Farnsworth then put the game on ice with a beautiful 30 yard touchdown jaunt.

The Marine's drive in the last four minutes was halted by a fumble. The Wolf Pack froze the ball and the game ended, 19-14.

Aiken Announces New Grid Change

From the office of Coach Jim Aiken this week came the announcement that the Las Vegas Army Air Field has been added to this year's schedule. It will be played on Thanksgiving Day, November 22, in Las Vegas.

The contest slated between the Great Bend, Kansas, Army Air Base and the Pack for Saturday, November 17, in Las Vegas, will be played on the local gridiron and will afford local grid fans with a final look at their favorite eleven before the moleskins are salted away in moth balls for another year.

Sigma Rho Delta Leads Interfrat Sports After Two Weeks of Play

With two weeks of intrfraternity sports activities completed, a check of the athletic department revealed that Sigma Rho Delta is leading the eight team pack in two out of three sports. Sigma Rho tops both the volleyball and tennis singles competition with perfect records of four and five victories, respectively.

Leader in the other event currently being contested found Lambda Chi leading the horseshoe singles parade with a perfect record in six matches followed closely by Phi Sigma Kappa with a single defeat against five wins.

Lambda Chi Undefeated

Lambda Chi was also undefeated in three volleyball games, while the Independents tennis singles record was unblemished in two matches.

According to Chester Scranton, in charge of tabulating team standings, several of the organizations have failed to turn in final results of matches and games already played and final compilations are impossible until team managers do so.

Many Defaults

Scranton also stressed that more than half of the victories and losses written in the record books to date have been through defaults and urged a more comprehensive participation on the part of the various organizations.

Horseshoes doubles play inapspiciously opened on Wednesday afternoon with SAE and ATO chalking up wins over Sigma Rho and Phi Sigma Kappa when teams from the latter fraternities failed to put in an appearance at the horseshoe pits.

Tennis Doubles

Tennis double matches swing into action this week with Sigma Nu taking on the Independents and Phi ATO engaging Phi Sigma Kappa on Tuesday afternoon at 4.

The standings of the teams and

remainder of the October tennis schedule follows:

Volleyball	
Sigma Rho	4
Lambda Chi	3
Theta Chi	2
SAE	2
Independents	0
Sigma Nu	0
ATO	0
Phi Sigma Kappa	0

Tennis Singles	
Sigma Rho	5
Independents	2
Phi Sigma Kappa	2
Lambda Chi	2
Sigma Nu	1
Theta Chi	0
ATO	0
SAE	0

Tennis Doubles Schedule

Oct. 23: 4 pm, Sigma Nu vs. Independents; 4 pm, ATO vs. Phi Sigs.

Oct. 25: 4 pm, SAE vs. Sigma Rho; 4 pm, Theta Chi vs. Lambda Chi.

Oct. 26: 4 pm, Sigma Nu vs. Theta Chi; 4 pm, ATO vs. Lambda Chi.

Oct. 27: 2 pm, Sigma Rho vs. Independents; 3 pm, SAE vs. Phi Sig.

Oct. 30: 4 pm, ATO vs. Sigma Nu; 4 pm, Sigma Rho vs. Theta Chi.

Former Nevada Student Commanding Officer

Lt. Jim Perkins, former Nevada student, has been named as commanding officer of a PCS base in San Diego, it was learned here. Prior to his recent promotion, Lt. Perkins, Lambda Chi Alpha, spent 16 months in the Pacific theater of war.

Activities Offered To Sager Tryees

Royden Beardall, Sager president, announced that Sager tryees will be given a chance to roll up a number of credits during the Homecoming celebration. Activities which may be counted toward Sager credit will include lining the field before the game, building the Homecoming bonfire, selling programs during the game and helping to keep the reserved sections in the stadium clear before the game.

A special meeting has been called for Tuesday, October 20, to lay plans for the proposed activities during the Homecoming celebrations.

On the hill it's "hi."

Former Students Running Ski Tow

Two former University of Nevada students, "Bud" Miller and Warren Hart, recently discharged from the army air corps and the ski troops, respectively, have set up a ski-tow just over the Mt. Rose summit, which will be operated after the first snowfall.

The tow is located on Tahoe Meadows, which is just over the summit on the Mt. Rose highway. The upski will be operated on weekends and on all holidays.

Ski instruction by competent instructors will be conducted both in classes and by private instruction. Students will be able to make their lesson reservation with the tow operator, or phone Reno 2-1582.

WAA Offers More Sports; Tennis Tournament Held

Three women's sports will be offered for WAA credit during November and December, Mary Watts Moore, president, announced this week. Several tournaments have been planned and a definite schedule for remaining fall sports set up.

Volleyball will begin on November 5, while badminton will start in December.

The tournament for the tennis championship will begin Monday, October 22, under the direction of Marianne Wells, tennis manager.

The schedule for remaining fall activities:

Tennis: Monday, Wednesday, 4 pm.

Riding: Wednesday, 4 pm; Friday, 2 pm.

Swimming Club: Tuesday, Thursday, 7:30 pm.

Dance Club: Wednesday, 7:30 pm.

Skating: Tuesday, Thursday, 1 pm.

Outing Club, to be arranged.

BURKE ANNOUNCES RIDE

Saddle and Spurs members will meet at the sorority houses at 4:30 this afternoon to attend the group hayride, Frances Burke, president, announced today. Wagons will be obtained at Don's Stables. The women will then ride to the foothills to roast weiners.

Attend all Nevada games.

Former Grid Star Returns to U. of N.

Lt. "Turk" Eliads, former University of Nevada student, returned to the campus Thursday and immediately doffed his flying togs to take up where he left off in 1942.

While on the campus Eliads quarterbacked the Wolf Pack in 1941 and '42 and is expected to return to the gridiron in time for the California game and possibly for the Tulsa tilt.

Eliads will join some 70 other ex-servicemen on the campus, but will be one of the few returned prisoners of war. Turk spent ten months in a German concentration camp, being liberated in May of this year.

Newman Club to Hold Breakfast Sunday

The Newman Club of the University of Nevada is sponsoring a breakfast Sunday, October 21, at the cathedral on 310 West Second street. Students will attend 9:30 mass in a group and receive communion.

Immediately after mass, breakfast will be served. An initial meeting of representatives from all the sororities and fraternities and other organizations will be held after breakfast.

A program of activities will be drawn up for the coming year, and new officers elected. Any student interested in joining the Newman Club is invited to attend the breakfast. So far 36 students have signed the membership list on the campus bulletin board.

Outing Planned for Canterbury Club

Members of the Canterbury Club have planned an outing to take place at Galilee, Episcopal church conference center at Lake Tahoe, this Sunday. The group will leave St. Stephens House at 7:45 am, in cars for the camp.

A church service will be held at 11 am, after which breakfast will be served, said Rev. William T. Holt, St. Stephens House.

Football Contest Gives Winner Nite At Club Fortune

The lights are low, candles flicker, you're in the mood for love. Suddenly Joe Carr's orchestra plays a sentimental tune. The atmosphere is complete.

Where are you? At the Club Fortune, of course. You've just won the Brush's weekly pigskin guessing contest. And who should be with you but your one and only.

Yup, it's the truth. How'd you like to be the complimentary dinner guest at the Club Fortune for a night? Take your best gal or guy—if you win.

Well, it's yours for the asking. All you've got to do is to fill out the probable scores for next week's major football contests and you're in—the Club Fortune. Of course, there's a mere matter of guessing the final outcome better than anyone else, but that's incidental. You can't win if you don't try and if you don't try you can't win. Simple, isn't it?

And if Joe Carr's music isn't the right dinner setting then enjoy the vocals of Vincent Verace, the Irish tenor. And then just for good measure there's Susanne King, the dancing stylist, to entertain you and Duke Alden's musical Marionettes. What more could you ask for—nothing?

Open to All

Remember—this contest is open to each and everyone of you, so get out the pencil and fill in the scores. Winners of last week's contest will be announced in the next issue of the Sagebrush. All entries must be in by Friday and a container will be provided in the Wolf Den to handle the entries.

Oh yes, as a complimentary prize for the second best prognosticator, two free tickets to your favorite Reno movie house.

- | | | |
|---------------------|-----|--------------|
| Name | vs. | |
| Nevada | vs. | California |
| Georgia | vs. | Alabama |
| Army | vs. | Duke |
| Southern California | vs. | Washington |
| Minnesota | vs. | Ohio State |
| Pennsylvania | vs. | Navy |
| Purdue | vs. | Northwestern |
| Georgia Tech | vs. | Auburn |
| Illinois | vs. | Michigan |
| Oregon | vs. | UCLA |

Rules: For guessing the correct score, you'd naturally make a perfect score and no points would be chalked up against you. For guessing the correct team but the wrong difference in score you lose the number of points you missed by. That is if you picked Army to beat Duke by 10 points and the final score was 21-0, you'd lose 11 points. For guessing the wrong team, you not only lose the difference in score between your prediction and the final outcome, but also 50 points. It's easy. You can't miss—so don't.

Overseas Mailing Date Extended

Overseas Christmas mail can yet be sent though the government does not guarantee delivery of packages mailed after the deadline, according to Robert R. Prescott, university postmaster. A large number of packages were mailed Oct. 15, Prescott reported.

YWCA Wants Women For Advisors to HS Reserve Group

The Reno Young Women's Christian Association wish to contact university women who would like to become advisors to the high school girl reserve groups.

Orientation courses will be offered by the downtown YWCA group with the cooperation of the campus office to all girls who are interested in becoming girl reserve leaders. These courses are to acquaint the university women with program ideas and methods.

Further information can be obtained from Miss Helen Rachie, YWCA secretary, in her office in the basement of Stewart Hall.

TRI-DELTS ENTERTAIN

Delta Delta Delta held an informal get-together for new pledges of the four sororities this afternoon from 4 to 6 p. Approximately 85 women attended, according to Pat Pringle, pledge class president. Guests were entertained by the Tri-Delt pledge song team and a solo by Mary Cathleen Hanley, a reading by Joan Matcovich, and a tap dance by Rene DuPratt. Yolo Musso was in charge of the entertainment committee, and Alice Joudas, refreshments.

PI PHI SOCIAL

Campus men attended a social at the Pi Beta Phi house last Wednesday night from 7:30 to 9. Sandwiches and cokes were served, and dancing provided the evening's entertainment. Vivian Davis, social chairman, was in charge of the affair assisted by Mary Jean McCollister and Madeline Etchegaray.

ALUMS HONOR PLEDGES

Gamma Phi Beta pledges were honored at a Halloween party last Wednesday evening given by the alumnae at the sorority chapter house. Refreshments were served and bridge was the diversion of the evening. Alumnae President Barbara Leighton was chairman of the affair.

SPECIAL INITIATION

Special initiation ceremonies will be held today by Alpha Tau Omega to initiate Eli Livierato, former student of the university home on furlough from the Army Air Forces.

Trackin' the Pack

SLIPS THAT PASS IN THE AFTERNOON

Personally, we don't give two hoots in a bucket of Mt. Rose snow whether Mrs. Jones' kindergarten school for girls or the I Tappa Kegs draw down the Kinnear trophy. In case you didn't know and are in the slightest way interested, the Kinner trophy is annually awarded to the fraternity compiling the outstanding sports record of the year.

Revived after several years of domant delinquency due to the exigency of war, intrafrat sports have returned to the campus and the Kinnear gonfalon is currently on the block—or at least it was at the time this edition of the Brush went to bed. By this time next week maybe Doc Martie will have substituted a chicken for the block and we would not blame him in the least.

What we started out to say in the first paragraph was that regardless of who wins the intrafrat champ title, more enthusiasm should be displayed in regards to the extensive program which the athletic department has plotted for the coming year.

By actual count, more than one-half of the games contested so far were decided by default and in several instances both teams failed to show up for scheduled games.

If intrafrat competition is to return to the campus on a prewar basis the standard of competition should be brought up to a prewar basis.

A word to the presidents of the various organizations should suffice.

MOST INSPIRING SPEECH OF THE WEEK

We didn't hear it. In fact, only about 40 men of the campus were privileged to sit in.

It happened between the halves of the Santa Barbara Marine game. Things hadn't been going too well for the Wolf Pack in the first half despite the 7-7 score which existed

Chi Delta Phi

Chi Delta Phi will hold its first meeting of the year next Thursday at 7:30 pm, at the Gamma Phi Beta house, according to Eileen Kerr, president.

Also present at the meeting, which will be of an introductory type, will be Mary Ancho, secretary, and Miss Florence Billingshurst, advisor.

FORMER STUDENT WEDS

Dorothy Doyle, formerly affiliated with Gamma Phi Beta sorority, last Sunday was married to T/Sgt. Mark Curtis, Jr., of Phoenix, Arizona.

Mrs. Curtis has been employed for several months in the office of Berkeley L. Bunker in Washington, D. C. Sergeant Curtis has been in the army air forces for the past three years.

at the completion of two quarters of play. The Leathernecks were definitely having the best of it, defensively and offensively.

Albeit, the effects weren't visual for 15 minutes or at least it didn't reap dividends until early in the fourth quarter when the Wolves, trailing 7-14, shoved over a brace of tallies in the short space of three minutes.

Carry your frosh bibles.

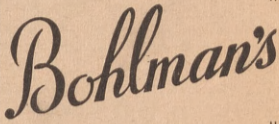

Fifty-Eight Enrolled In ROTC Program

Fifty-eight campus men have enrolled in the university ROTC program this semester, according to Sergeant Michael J. McCormick. This number is approximately the same as last year's enrollment while the average prewar ROTC group numbered almost 300.

Nearly 60 veterans and 20 men with medical excuses have been released from participating in the program this term.

No activities have been as yet planned by the military department for Homecoming, McCormick said, as too many of the men enrolled in military will have other activities during the celebration.

Campus Ski Enthusiasts Plan Revival Of University Club; Meeting Date Set

Campus skiers and potential ski fans met early this week to revive the University Ski Club, declared inactive in 1942 due to wartime conditions. A membership drive was opened for all interested students.

All interested skiers will attend the next club meeting to be held Octobr 22 at the Kappa Alpha Theta house to elect officers and formulate a constitution. Presented for group discussion will be club funds, the possibilities of obtaining rates on the Mount Rose tow and revival of the ski carnival.

Sponsored Ski Carnival

The former ski club, while devoted largely to such activities as moonlight ski trips and steak fries, sponsored an annual ski carnival. Skiers from all the western states attended the event and a ski queen, usually a student from the University of California, was chosen to reign over the the three-day festival of slalom, trick races and jumping contests.

The new group will continue such functions, it was determined, but will, in addition, be a service organization to assist with Inter-coast Ski meets to be held on the hill this year. Laying out courses, and cooperating with the ski patrol will be a part of club activities. It is also expected that the group will assist with such events as the appearance of the Norway team during the season.

Ski Club Members

Students present were Dewi Hanson, Beth Peterson, Barbara Mills, Frances Ullom, Mavis Magleby, Mary Jean McCollister, Pat Crandall, Carolyn Smythe, Barbara Olesen, Virginia Olesen, Jean Bicknell, Gloria Mapes, Virginia Auchampagh, Beverly Minor, Alice Etchart, Violet Rangle, Phyllis Baker, RoseMary Chester, Peter Lawlor, Toy Farrar, Jerry Brown, Shirley Platt, Loie Post, Roberta Whitney, Navy Murray, Ed Hotchkiss, Joyce Nielsen, Beryl Dickerson, Janet DaCosta, Jo Ann Erb, Mary Ellen Swartz, Gloria Springer, Marilou Ferguson, Mary Watts, William Bradley, Pat Riley and Suzanne Evans.

Journalism Head Author of Article

Professor A. L. Higginbotham, head of the journalism department, is the author of "Outstanding in the West Is the University of Nevada" currently appearing in the "Fraternity Monthly."

This article tells the advantages offered by this school, now under the guidance of Dr. John O. Moseley, president. This article also gives a short history of the fraternities and sororities and other social organizations.

A short description of the campus and university itself as well as the governing policies and other activities are briefly, yet fully described.

Dr. Batdorf Doing Physics Research At Langley Field

Dr. Samuel Burbridge Batdorf, associate professor of physics who is absent on leave from the university, is now doing research work in physics as a member of the army air corps reserve at Langley Field, Virginia, according to Dr. Sigmund W. Leifson, head of the department of physics.

Granted leave of absence for war service in March, 1943, Dr. Batdorf was sent as a civilian to Langley Field as assistant physicist. In November, 1944, he was made a physicist. Later he was taken in the air corps reserve.

He is now doing work on the theory of the elastic stability of airplane structures and has completed 15 research projects which will probably be published early in 1946. Starting with one assistant, he now has 22 assistants working directly under him, Dr. Leifson said.

Independents Plan Dance for Campus

"Juke box Saturday night" will be the theme of the Independent students' dance to be held tomorrow evening between 8 and 11 pm in the basement of Stewart Hall, according to the dance chairman, Bob Craig.

The music, as suggested by the title of the dance, will be from records. Admission will be 10 cents per person.

Assisting the dance chair-will be Camille Cummings, Dave Grankau, Tom Grundy, Nona Lee Tuttle and Chad Summers.

Twenty Tickets Given Violators This Week

Approximately 20 tickets have been handed out to freshmen violators during the past week by members of the men's upperclass committee, Hugh Wilton, chairman, reports.

Not all of the violators reported to the committee at the required time so their penalties will be doubled at the next meeting of the committee, Wilton said.

Botanist Experiments With Tobacco Plants At UN Greenhouse

Dr. Dwight Billings of the botany department is carrying on an experiment in the university greenhouse to determine which soil is the best suited for tobacco growing, according to Herbert Pruess, keeper of the greenhouse.

Dr. Billings has planted several tobacco plants under various treatments to determine which condition is the best suited for tobacco. At present, the plants vary in size from approximately one inch tall to 12 inches.

Several varieties of orchids are in bloom, and also the stethanotis, which is a small white flower commonly used in bridal bouquets. The poinsettias will be in bloom for Christmas, he said.

Journalism Graduate Aide to Publisher

Thor Smith, member of the class of 1927, has recently been appointed assistant to Publisher E. D. Colblentz of the San Francisco Call-Bulletin. Smith formerly was Call-Bulletin business manager. He recently turned from more than three year's overseas army service during which time he served on General Eisenhower's staff and did public relations work with Sheaf.

His wife, Mary Benton Smith, taught journalism at the University of Nevada in 1942 and 1943 while Charles Duncan, former journalism instructor, was on duty with the United States Navy.

LUBONAK NAMED BARBS ALTERNATE SENATOR

John Lubonak was elected alternate man senator and Judy Bogard was elected alternate woman senator for the Independents at a meeting held last Monday night in the basement of Stewart Hall, according to Judy Bogard, president of the group.

At the meeting plans were also made for a dance to be held Saturday night.

Higginbotham to Outline Program

Prof. Higginbotham, head of the journalism department of the university, was named recently on a committee of the American Association of Teachers of Journalism to outline a peacetime program.

Seven other professors from various states were also named to the committee by Dr. Frederic E. Merwin, president of the association. A national convention is being planned for late in 1945 or early in 1946, to further discuss the question of return to normal.

Three problems to be undertaken are (1) the relation between the journalism teaching group and the American Council on Education, (2) suggested constitutional changes, and (3) an expanded program for the association.

Brush Anniversary

(Continued from Page 1)
For the first time the paper was officially published by the Associated Students of the University of Nevada.

During the year 1911 the freshman class began to edit an edition for each year. Chester Ogden, editor in that year, extended the depth two inches.

In 1914 Acting Editor Robert P. Farrer, and Business Manager Lloyd Patrick, changed the paper to a five column tabloid.

Front Page Advertising
Six columns and front page advertising became popular in 1916. John Heard and Rufus Oglivie were editor and business manager, respectively.

During the first World War the Sagebrush ran on the same basis as years before. Only one article men-

tioned the war and that was in their April issue and was written by John Heard.

By the year 1918, the size of the publication was cut to five columns with war news the main topic. George Hopkins acted as Brush editor.

Wolf Take Place of Seal
For the first time in 1925 the Nevada wolf appeared at the top of the page taking the place of the seal. Seven columns and front page ads were the change for that year with Editor Walker C. Matheson and Frank Underwood, business manager, running the paper.

Advertisements were many in the year 1927 with a cartoon here and there. Editor Fred Anderson continued with the same policy of former editors.

New High
After 1831 the publication took on a new high. Interesting news stories, no front page ads and a definite change in writing took place. Editor of that year was Joseph Jackson and business manager was Robert Merriman.

Blue paper was used for the Homecoming edition in 1934 and contained four sheets. Forest Bibb, editor and La Rue Stark, business manager, headed the staff.

Uses Pictures
In 1936 new traits appeared and by 1937 the Brush was modernized with more pictures and human interest items. '36 editor was John Carr with Walter States, business manager. John Brackett reigned as

editor and Willis Daizell, business manager in 1937.

In 1939 the front page story which received comments by papers all over the country was titled "Elsie's Knees." This had to do with the U. of N. majorette who very definitely wore short skirts. After this story Editor Clarence Heckethorne and Business Manager Dyer Jensen had a most successful year. "The Woman's Page," dedicated entirely to women, was begun that year also. Later Jensen worked with Editor Frank McCullough.

Bryan Armstrong and Mary Margaret Cantlon were editor and business manager, respectively, in the late prewar days of 1941 and 1942. The late Deane Quilici served during the spring semester of '42 as business manager and continued in 1943 with Editor Bill Friel. Jack Fleming took up where Friel left off to answer an army call and serving with him was Business Manager Adey May Dunnell and later Lela Iler.

During the war, control of the

Brush fell to coeds and Melba Whittaker and Betty Molignoni served as co-editors with Teddy Charlton as business manager.

Last year Betty Molignoni and Marilyn Dugan worked as editor and business manager putting out the last wartime issues of the Brush.

"And there, my son, you have the story of your dad and the great World War."

"Yes, Daddy, but why did they need all those other soldiers?"
