UNIVERSITY OF NEVADA, RENO, FRIDAY, NOVEMBER 16, 1945

PRICE FIVE CENTS

JUNIOR PROM TO BE BACK NEXT MONTH

Absent from the University of Nevada social calendar since 1943, the junior prom, first formal dance of the year, will reappear on the scene with a lavish white Christmas theme December 15.

Pat Ussery, junior class manager and general chairman for the prom, said that the Twentieth Century Club will be the setting for the affair, with admission tickets being sold at the door at \$1.50 per couple, tax included.

Riley, Inc. Committees appointed by Miss Ussery included decorations, Pat Riley, Carol Riley, co-chairmen; Leslie Harvey, Jean Bicknell, Pat Rovetti, Esther Golick, Gloria Mapes, Tosca Masini, Dorothy Sewell, Flo Miller, Jim Coleman, Jack Dieringer and Max Dodge.

Programs, Teddy Hicks and Judy Bogard, co-chairmen; orchestra, Dorothy Sewell; publicity, posters, Marilyn Dugan, chairman; Jo Miller, Betty Walker and Helen Brania; newspaper, Alma Hochstrasser and Ginny Olesen.

Clean-Up Committee Clean up, Ray Ceccarelli, chairman; John Baker, Teddy Hicks, Dorothy Streng and Rose Nannini; assembly, Helen Brania and Jo Miller, co-chairmen.

Tentative plans are being made for junior assembly, held Friday, the day before the dance. The assembly will also feature a Christmas theme, based on advertisement for the prom.

Faculty Member Back From Army

Returning to the faculty is Captain J. Raymond Butterworth, English instructor, who has been absent on leave since his enlistment in the army in the fall of 1942.

Captain Butterworth has recently been discharged from the U. S. army, after serving for nearly three years in the Asiatic Pacific theater of operations. While overseas he was connected with the army airways' communications system, handling aircraft communications.

Butterworth has taken over several freshman English classes.

Lt. Commander Paul Harwood, USN, associate professor of English and master of Lincoln Hall before entering the navy, is also home this week. He expects to be discharged and return to the campus sometime in the near future.

Publications Board Banquet To Be Held At Troc Tonight

Publications board will hold a get-together banquet at the Trocadero tonight starting at 8 for all members and their guests.

Lavinia Ramelli is in charge of the banquet. Mary Watts Moore and Betty Poe, past publication heads, have been invited as guests of the board.

Members of the publications board are Alice Etchart, Marilou Ferguson, Marilyn Dugan, Madlen Maestretti, Gloria Springer, Gordon Mills, Paul Parraguire and Lavinia Ramelli. Dr. Albert G. Wiedehold is chairman of the board and Professor Ralph A. Irwin is a faculty representative.

NEWMAN CLUB BREAKFAST SUNDAY

"Hundred Years After" will be the topic of Father John T. Smith's talk to be given at the Newman Club breakfast Sunday.

The breakfast will be served in the St. Thomas Aquinas cathedral by the junior matrons organization. A program of the coming winter activities, including social and athletic events, will be discussed afterwards.

World Student Service Fund Drive Will Start on Campus December 2

World Student Service Fund drive will get under way on the Nevada campus December 2, and will continue through December 12, according to Billy Heath, chairman. Nevada's goal is \$1000, which will be added to funds collected at other universities throughout the United States to make up the national quota of \$1,000,000.

The planning committee for the drive on this campus consists of Billy Heath, chairman, Gloria Mapes, Margaret Moseley, Bette Poe, Jim Glynn, Bill Ward, Dave Parraguire, and faculty advisor Dr. Ernest Inwood, whose faculty committee consists of Miss Helen Rachie, Mrs. William C. Miller, Miss Marjorie Turner, Mrs. Katherine Mergen, Miss Georgia Anne Mershon and Dr. Robert Griffin. Dr. Inwood held a meeting of the faculty committee Tuesday.

Student Officers Introduced at Assembly Today

Highlighting the regular student assembly this morning, was the presentation of the ASUN secretary, Mary Watts Moore, Delta Delta Delta, and of the new freshman class manager, Bob Ravera, Alpha Tau Omega.

Coach Jim Aiken was called upon by student body president, Paul Parraguire, to say a few words to the students, as were several of the football players. Coach Aiken presented basketball sweaters to Pete Simon, Harry Spencer, Bob Durham, Ben Coren, George Vucanovich, Cliff France, Norbert Smolinski, Clayton Trigero, Bob McClure, Jim Clarkson, Ken Sinofsky and Alf Sorenson, who earned their sweaters last semester.

A number of the boys who received sweaters have since gone into the service and were not present at the assembly this morning.

The "Harmony Twins," Joyce Stoker and Marguerite Echevarria, who made such a hit at the Wolves Frolic during Homecoming, presented several selections.

The assembly was in the form of a pep rally with cheer leader Tosca Masini and her assistants rallying pep for the football game Sunday afternoon.

Prizes Amounting To \$1000 Offered For Bahai Essays

Prizes amounting to \$1000 will be awarded for six winning essays written on the subject of "Should the Ninth Bahai Principle be Restated." The principle is "A United States of the World and a Universal Religion." The contest is sponsored by The Caravan of East and West, which is the youth section of the New History Society.

Two first prizes of \$200 each will be awarded for the two best papers, one for and the other against restatement of the ninth principle. Two second prizes will be given for the two second best papers on the same subject.

Other prizes will be awarded the four best papers analyzing and putting together the best facts in the four prize papers of the first contest.

The contest closes December 31, 1945. Anyone may take part in the contest and papers must contain 1000 to 3000 words, marked "Prize Competition." Papers must be typewritten, double spaced, one side of the page only being used. All manuscripts should be addressed to The Caravan of East and West, 132 East 65th Street, New York 21, New York.

RABBI ZUCKER TO SPEAK TO WESLEY FOUNDATION

Jewish aspect of "Death and Resurrection" will be the topic of discussion, presented by a guest speaker, Rabbi John J. Zucker, at the Wesley Foundation meeting this Sunday at 6:30 pm.

Recreation will follow afterwards in the social hall of the Methodist church and refreshments will be served.

GETS DISCHARGE

Lt. John Cantlon, USN, former student, has been recently discharged from the navy and plans to return to the university next fall. He will complete his senior year, and expects to take graduate work in ecology.

LAMBDA CHI's TO RE-INSTATE OLD TRADITION

The traditional Lambda Chi baby dance will be revived in much of its former gaiety tonight amid rattles, diapers and teething rings.

James Glynn is chairman of this year's dance, which is the first to be held since 1942. Originating in 1922 when the fraternity came onto the campus, the dance was held annually until the outbreak of the war.

The last pre-war dance, under the chairmanship of Gene Mastroianni, student body president, was held in the fall of '42. Shortly afterwards an article and picture of the dance were featured in the national Lambda Chi magazine, "Cross and Crescent."

Chaperones for the dance tonight will be Mr. and Mrs. Chet Scanton, Sgt. and Mrs. Michael McCormick and Dr. and Mrs. Robert Griffin.

Guests invited are Bob Ravera and Bob Durham of ATO, Jack Dieringer and Dick Gilbert of Sigma Nu, Roy Beardall and Elmer Vaccina of SAE, and Noel Willis of Phi Sigma Kappa.

Regulations Set By Committee On Parking Areas

Registration of Cars To Begin Monday

Noel Willis, newly elected chairman of the upperclass committee, took over the reins at a meeting held Tuesday noon in the ASUN building.

Work was immediately begun by the committee on the automobile parking situation. The old map of parking areas is being looked up to clarify their extent, and to indicate just who is to park where. For those not up on their regulations this information was volunteered.

1. The paved area across from the education building is reserved for upper classmen and faculty members.

2. The zone around Morrill Hall is for exclusive use of the faculty.

3. There will be no parking on the street running between Stewart Hall and the library.

4. Underclassmen will either park off the campus or in the area around the football stadium.

Willis announced that registration of all vehicles on the campus will begin Monday at the ASUN building and continue through Wednesday. The hours will be from 1 pm until 4 pm. The registration of all vehicles is required.

A list of the freshmen who failed to report for the annual trip to Peavine mountain was released and placed on the bulletin board. These violators will all be given a chance to appear before the upperclass committee to present excuses. Willis warned that only legitimate excuses would be accepted. The violators are listed on the bulletin board and must report before the committee Tuesday at 12:40 pm, the new meeting time set at last Tuesday's meeting.

Failure to report will either result in being "laked" or the loss of all student body privileges, Willis said.

'Barbs' Get Cup For Frolic Skit

Cup for the best Wolves Frolic skit given by an unaffiliated organization went to the Independents, according to Gen Siri, chairman of Homecoming celebration. Judy Bogard, president, received the certificate for the award.

Theta Chi fraternity received 60 points toward the Kinnear trophy by winning the cross country race during Homecoming. Lambda Chi Alpha was awarded 40 points for second place and Sigma Alpha Epsilon 20 for finishing third.

SKI CLUB STARTS WORK PLANS FOR FEBRUARY SKI CARNIVAL

Students Receive 307 D Notices, 67 Failure Slips

In spite of increased emphasis on study this year, a total of 374 cinches and D notices were sent to students at the end of the six weeks period, according to Mrs. Jeanette C. Rhodes, registrar.

Eighty-seven men received 135 delinquent slips, in comparison with the 35 who received 57 slips last year. To 56 women on campus, 73 delinquents went out, which shows some improvement over last year's total of 49 women who received 70 cinches.

Two hundred and thirty-one students received 307 D notices this year. Last year the ration was 137 students receiving 169 notices, Mrs. Rhodes said.

Up to November 13, the following 16 students had dropped out of school, Robert Adams, John A. Balaban, Lois C. Brown, Billy Chambers, Lloyd Cooper, Grace Eddy, Merla Funkhouser, Dean Knight, Harriet McGuire, Barbara McPeary, Flavia Pillow, George Schwarz, Robert Stampfli, Elaine Stoddard, Ernest Urrutia and William Wade, according to registrar's office figures.

Holiday Dinners Scheduled Soon For Hall, Houses

Thanksgiving vacation will begin Thursday, November 22, and last until Sunday, November 25, according to administrative schedules. Greek letter houses are planning Thanksgiving dinners this week in celebration of the holiday.

Delta Delta Delta will hold its annual dinner tonight at the chapter house at 6 pm. Mrs. Maud Starr, house mother, is in charge.

Tuesday Dinner Gamma Phi Beta will celebrate Tuesday evening at 6 pm with Mrs. H. W. Seamon, house mother, in charge. Guests will be Dean Alice B. Marsh, Mrs. T. C. Doherty and Mrs. Richard Abbott.

Pi Beta Phi has also chosen Tuesday evening for their Thanksgiving dinner. Guests will be invited.

Kappa Alpha Theta will hold a dinner tonight at 6 for house girls and guests. Mrs. Walter Dean Duke, house mother, and Mary Ellen Swartz, house director, are in charge.

Lambda Chi Lambda Chi Alpha fraternity will hold a Thanksgiving dinner at 2 pm on Thanksgiving Day. Guests will be invited, according to Glenn White, president.

A regular Thanksgiving dinner for all students who eat in the dining hall will be served on Thanksgiving Day. Anyone may bring a guest. That same evening turkey sandwiches will be served at Manzanita Hall for all persons who eat in the dining hall.

Former Student Plans To Return to Campus

Lt. Herbert Smith, former University of Nevada student, now home on terminal leave, is planning to return next semester to complete his degree in psychology. Lt. Smith, who is the son of Prof. Claude Carson Smith, associate professor of history at the university, has just recently returned from two years of overseas duty.

After leaving the University of Nevada in 1942 during his senior year, Smith was connected with the chemical warfare division of the army. At the last University of Nevada History Club meeting, Lt. Smith made a talk on people and countries seen during his service in North Africa, Sicily, Italy, France and Germany.

Well Known University Winter Event To Be Returned After Three-Year Absence

Nevada's winter carnival, formerly known in Pacific coast skiing circles as the biggest winter sports event on this coast, will be held again this year, according to Ski Club President Lois Post, following a club meeting held early this week.

Miss Post stated that former club members, Major Fraser West and Joe McDonald, chairman of the 1940 carnival, spoke to campus skiers, reviewing past winter carnivals and ideas for this year's fete, which may be held the middle of February.

Jean Bicknell, secretary, has written letters to all eligible Pacific coast colleges to determine whether they will have a ski team this winter. Formerly competition was limited to major Pacific coast teams, but with many colleges undetermined about the future of campus ski teams, this may be changed.

Started Six Years Ago The carnival event in 1939, when sorority open houses, luncheons, crowning a snow queen, the ski tournament and a dance set the precedent for later carnivals.

Nevada's year on the skiing hill was in 1939 when the blue and silver ranked third nationally, trailing only Dartmouth and Washington. Nevada's ski team also won first place at the carnival, as well as the Pacific coast intercollegiate skiing championship title.

Miss Post stated that the club now has 80 skiers, with the following signing up at the meeting: Ruth Cook, Ida Mae Keellough, Betty Tracy, Clayton Trigero, Jean Hamilton, Peggy Echevarria, Joyce Stoker, Fran Sumner, Alice Tulloch, Mary Lou McPherson, Kathleen Blythe, Stan Brown and Owen Cusick.

A membership drive will begin soon on campus, Miss Post added, and dues will be set at one dollar per semester, payable to the treasurer, Stan Brown.

Barbara Olesen, Janet DaCosta and Peter Lawlor will report on badges and pins for members at the next meeting, and Toy Farrar will report on membership cards.

Miss Blythe announced that the clothes committee is headed by Virginia Olesen, Delta Delta Delta. Her assistants will be Helen Brania, Gamma Phi Beta; Katie Blythe, Kappa Alpha Theta, and Barbara Mills, Kappa Alpha Theta.

Show Committees In charge of arrangements is Pauline Leveille, Gamma Phi Beta, who will be assisted by Bobby Jo Walker, Pi Beta Phi; Novella Larson, Independent, and Flo Shakarian, Pi Beta Phi.

Mai Nygren, Zeta Phi Zeta, will head the food committee. Chosen to assist her are Mary Ancho, Pi Beta Phi; Myra Rowley, Gamma Phi Beta, and Phyllis Snyder, Delta Delta Delta.

Attendance at Libe Increasing Greatly Over Previous Record The campus libe is enjoying a peace-time boom, according to figures released from the office of James J. Hill, librarian.

Whereas many nights of 1944 were quiet and uneventful for the library, evening of this fall have marked as many as 75 studious Nevadans using the libe. Last year it was considered a large day if 10 students were to be found in the study room in an afternoon; this year finds the afternoon attendance around 40.

Circulation, too, has jumped. Reserve books, circulation as compared with October of 1944, has increased from 872 to 1203, while regular circulation showed an increase from 538 to 604. From 30 to 35 books are circulating daily, Hill concluded.

Phi Kappa Phi Elects Officers at Meeting Phi Kappa Phi officers for the coming year were elected at an initiation breakfast in the dining hall November 11 at 8:30 am. New officers for the Nevada chapter of the national honorary scholastic society are Dr. Ernest L. Inwood, president; Professor F. L. Bixby, vice-president; Dr. A. E. Hutcheson, secretary; Professor Louis Titus, treasurer; Dr. Loring R. Williams, marshal, and Professor Jessie Pope, correspondence.

New Phi Kappa Phi student members initiated at the breakfast are Pat Traner, Frances Cook, Charlotte Ferris and Mary Ancho.

Date of Meeting Altered by Club

Chi Delta Phi will hold their next meeting December 13 instead of this Thursday, as previously planned.

Meetings are scheduled to be held on the second and fourth Thursday of each month, but due to a conflict with the Spanish Club meeting which was scheduled for this Thursday, the meeting will be postponed until the next regular meeting time.

Pat Traner and Mary Ancho will act as hostesses at the next meeting.

Past ASUN Prexy Gets Berlin Post

Helen Batjer, 1944 graduate and Nevada's first woman student body president, will leave this month for a foreign service post in Berlin with the state department, according to Senator Pat McCarran, through whom she received the appointment.

For the past several weeks Miss Batjer has been in Washington receiving training as a specialist in the foreign service department. She will assist with the work of the foreign service section in connection with the allied government of Berlin and will travel to Vienna, Munich, Paris and other American state department offices.

Miss Batjer, Zeta Phi Zeta, was elected student body president in the fall of 1943, becoming the first woman in university history to be elected to that office. She was also a member of Sagens, Blue Peppers, WAA, senate and the women's war council, and was listed in Who's Who in American Colleges and Universities.

Phi Kappa Phi Elects Officers at Meeting

Phi Kappa Phi officers for the coming year were elected at an initiation breakfast in the dining hall November 11 at 8:30 am. New officers for the Nevada chapter of the national honorary scholastic society are Dr. Ernest L. Inwood, president; Professor F. L. Bixby, vice-president; Dr. A. E. Hutcheson, secretary; Professor Louis Titus, treasurer; Dr. Loring R. Williams, marshal, and Professor Jessie Pope, correspondence.

New Phi Kappa Phi student members initiated at the breakfast are Pat Traner, Frances Cook, Charlotte Ferris and Mary Ancho.

CONSIDER THE OTHERS

We've been hearing a lot about the coming World Student Service Fund to start on the campus December 2. The prospect of donating money to this cause has frequently been scoffed at by our students.

Our goal has been set at \$1000. That, you will say, is a lot of money to go to something you don't know much about. But pause a minute before you make up your mind about the drive; let's give this thing a fair judgment.

All over Europe universities and colleges are reopening after five years of war which have destroyed buildings and equipment and dispersed faculties and students. Disease, hunger, and pererate shortages of food, books, teaching material make the job of returning to normal schedules difficult. The next two years promise to be hard ones for European students.

Let's take one university, for instance, that needs our help badly. At Yanan Medical College all the textbooks are hand written translations and there is a lack of surgical material. Only five per cent of the students applying for work relief at Kunming can receive help. Throughout China, for every six students who apply for help, only one can be aided.

Now pause briefly and put yourself in the place of that Chinese student. It wouldn't be such a pleasant position, would it? So when you're asked to contribute to the World Student Service Fund—dig down deep and be thankful that you can aid such a worthy cause.

'Answer to Peace Question Depends On U. S., Not Russia,' Says Hutcheson

Editor's Note: This is the third in a series of articles on the question of permanent world peace.

By Max Dodge

"The real enigma as to future policy toward world cooperation is the United States, not Russia—regardless of our dislike for the latter's policies and economics," declared Dr. Austin E. Hutcheson, associate professor of history and political science, when asked by this reporter of his views on the possibility of permanent world peace. This viewpoint conflicted sharply with the opinions expressed in previous interviews with Dr. Charles Hicks, and Professor Claude Carson Smith, also of the history and political science department.

"Russia, like Britain, France and China, is exhausted from the long struggle with Germany in which Russia suffered more devastation than any power other than those of the defeated axis. It will take a generation or two to repair the ravages of war in the southwestern half of Russia, damage done in a nation that was only recently emerging from a medieval agriculturism into the modern world of industrialism," Dr. Hutcheson continued.

Atomic Bomb

Dr. Hutcheson favors sharing the secret of the atomic bomb and believes that our refusal is breeding distrust and causing us to drift away from the peace we fought to win.

He pointed out that Russia is still only half way free from the psychology of national nightmare in

which she was placed by the narrowness of her escape from destruction and from the sacrifices of war. She is honestly fearful that she is not yet safe from invasion or atomic bombs.

"You can't expect Russia's representatives to be too meek. When Litvinov at Geneva in the 1930's proposed that the only way to disarm was to disarm, and that Russia was ready to join, he was laughed at by statesmen and press. These were the days of Laval deals and appeasement. As a result Litvinov and all he stood for in the way of cooperation with the democracies went into several years of eclipse. Russia is still suspicious and isolationist," Hutcheson maintains.

World Court

"After the last war we were the only nation refusing to join the league, or even the world court—harmless as either would be. The

LOAN FUND AVAILABLE TO WOMEN STUDENTS

"For many years the Associated Women Students have had a loan fund of more than \$100, which is available to women students in cases of emergency," said Mrs. Alice B. Marsh, acting dean of women.

A woman student in need of funds may come to the dean of women's office and ask for any amount from \$5 to \$25 without interest for a period of a month or six weeks.

Dean Marsh also stated that only once in the 20 years of the fund's existence has a student failed to repay her note.

Americans had been chief sponsors for many years of a world court like the U. S. Supreme Court. Republicans like Taft, Root, T. Roosevelt and Lodge had been leading advocates of a 'league to enforce peace.' Yet through political and personal jealousy of Wilson these same men joined in keeping us from the league, with whatever hope it held of future peace and to lead us for 20 years in the wilderness of isolationism," Hutcheson added.

This was possible, Dr. Hutcheson pointed out, because the United States is the only power where the policies of the president can be rejected by one-third of the senate. "The league, affiliated with its unanimity rule largely at the insistence of the U. S. senate's spokesmen," emphasized Dr. Hutcheson.

Isolationism

"Europe fears that the trend of reaction from World War II, as in 1919, will swing us back to isolationism like the 20 years before the war when the U. S., ostrich-like, kept its head in the sands of isolationism. Just as unanimity was given up in the step from the Articles of Confederation to the U. S. Constitution, so it should be given up in world organization. And in this, as the world power most experienced with the idea of democratic federation on a national scale, the U. S. should take the lead on a world scale. Perhaps fewer ex-Ivy League cookie pushers in the state department would help," Dr. Hutcheson concluded.

Students in Favor of Having Chatter Column In Brush, According to Student Opinion Poll

By Ginny Olesen

Sagebrush readers this week came out in favor of a gossip column, a student opinion poll revealed. Sixty students, representing all classes and campus organizations were polled and the count was 44 to 14, with two persons undecided.

Favoring the column were freshmen and sophomores, while the juniors, seniors and journalism students registered disapproval of such a column. However, all students polled agreed that the paper needs more "personal touch" and news of students.

Whether or not the Brush will run such a column will be decided at the next staff meeting. It is expected that a modified personals column, with some campus chatter, will be added.

Typical expressions of opinion were voiced as follows: Pela Oyabide: Gossip is high school stuff, something like a chatter column would be better.

Jane Perkins: Childish—it would give certain people power to make dirty digs at others—campus chatter would be better.

Pauline Leveille: Interesting but it lowers the standard of the paper.

Phyllis Green, of Sparks: The information is rarely correct and too many people are hurt.

Winona Earl: The Brush does well without it.

Marilyn Reynolds: It may sound

like high school stuff, but the Brush needs a better student angle and more features of student interest.

Jim Thompson: Yes, it would add something.

Phyllis Green, of Canada: It would be kinda fun if it were conducted in moderation. There is too much dull news in the paper.

Filor Shakarian: It would be interesting.

Roberta Whitney: Moderately, it would be fun.

Dick Wait: Yes. It would be the best thing that could happen to the paper.

Pat Rovetti: It cheapens the paper. High school stuff.

Ardis Fitch: Adolescent.

Doris Maloney: Love 'em—hope they have one.

Pat Ussery: It is fun, but not good.

Pat Crandall: We need a personalized paper. It would be good.

Plans to Attend Opera Being Made

Tentative plans to attend one of the operas this winter in Sacramento by students interested in music, are being made, according to Mrs. Alice B. Marsh, acting dean of women.

So great was the interest in music displayed by the freshmen women interviewed by the dean that Mrs. Marsh, working with Prof. Theodore Post, decided to further the appreciation of opera by making the trip. Students will travel by bus.

Wolf Pack Seeks Fifth Straight Win on Local Gridiron Sunday

Nevada Plays Season's Last Home Game Against Great Bend, Kansas, Air Base

Sporting a seasonal record of five victories in eight saats Coach Jim Aiken's Wolf Pack make their final hometown appearance on Sunday when they engage the Great Bend, Kansas, Army Air Base. Game time has been moved up to 1:45 pm.

Still undefeated this year in four appearances on the Mackay turf, Nevada will be out to protect that enviable record. Next Sunday the team journeys to Las Vegas to complete the ten game schedule against the Las Vegas Army Air Base.

Reverse Form

Showing remarked reversal of form after barely eking out a 7-4 decision over Fresno, the Silver and Blue gridders came to life against San Diego last week and a repeat performance on Sunday should bring the visiting airmen under an avalanche of touchdowns.

Aiken's passing attack, dormant for several weeks was unleashed with sudden fury against the Aztecs. With Happy Reed on the pitching end and Max Dodge forming the other half of the battery, the locals completed six of their nine attempted aerial attempts for a pretty fair country average in any man's league.

"Horse" in Action

With Lloyd "Horse" Rude back in the harness, Nevada's ground offensive action rolled with blitzkrieg precision last week. Rude, a great blocker, opened gaping holes

in the line to allow Nevada's pony backs, namely Jim Taylor, Ebby Robertson, Bobby Ravera, Maury Hagleen and Matt Klemaszewski, to scamper through for sizeable gains.

Just to prove his versatility, Rude slashed off tackle for a 35 yard touchdown run. Against Kansas, Aiken expressed the opinion that Robertson and Taylor would open at the halfback positions, with Bob Durham at quarterback and Rude in the fullback spot.

McClure Back

Apparently, the return of Buster McClure was just what the doctor ordered to bolster the front line. Always a "money player," McClure was all over the field last week making tackles and leading offensive action. John Kentera showed up noticeably well as did Bill Morris. Dodge, Stolfi, Dyle and Kitchenner round out the starting forward wall.

While the Great Bend fliers have not met any nationally recognized clubs, they will enter the contest with a three and two won and lost average. Only comparative score can be derived from the Kansas game with the Hondo, Texas airmen.

Great Bend dropped a 27-0 verdict to Hondo, which in turn defeated the Santa Barbara Marines 13-6. Nevada also edged the Santa Barbara gyrenes by a single touchdown which on paper gives the Pack a four touchdown advantage over the visiting rivals.

Unfortunately, games are not won with paper and pencil which all adds up to the fact that fans are in for another thrilling grid contest come Sunday kick-off time.

Wolf Pack Downs Aztecs 44-6 on Armistice Day

Turning in their best game of the home season, the University of Nevada Wolves turned back the San Diego Aztecs on Armistice Day by the overwhelming score of 44-6. Pre-game favorites to dump the southern Californians by a single touchdown, the Pack returned to early season form completely dominating the game throughout, to win by six.

Only once during the afternoon, on the very first scrimmage play of the game, were the three thousand fans who braved the mid-winter cold ever apprehensive as to the final outcome of the contest.

End of First Period

The Pack didn't really get up full steam ahead until one minute before the end of the first period. Coach Jim Aiken inserted Ralph "Happy" Reed into the fray at that stage of the encounter and on the very first play the diminutive Arkansas mite took the slippery pigskin on the Nevada 35 and flipped a perfect pass to Max "Moose" Dodge. Taking the ball on the San Diego 20 Dodge bulled his way the remaining four five yard markers to put the Pack in front 6-0. The try for point was blocked.

Lloyd Rude, who turned in a terrific game both on the offense and defense accounted for the second Nevada score. Taking the ball on the San Diego 35 midway in the second quarter the "Turlock Turtle" rammed through right tackle and after being stopped no less than three times on the play, shook himself loose to cross into the promised line standing up. Again the try for the conversion was blocked.

Second Quarter

Thirty seconds before the end of the first half, Nevada added their third score when the Reed to Dodge combination clicked on the Aztec eight yard line. McClure's kick split the uprights and the score at intermission time read 19-0.

The same combination, Reed to Dodge, which had teamed to account for two of the Pack's first three tallies, clicked again perfectly from the Nevada 45 yard line five minutes after the start of the second half. Again the Pack failed to convert and the count soared to 25-0. That was the extent of the excitement in the third stanza.

Fourth Touchdown

Dodge added his fourth touchdown of the afternoon in the opening moments of the final period when he took a short pass from quarterback Bob Durham in the end zone. McClure, attempting to pass for the extra point, just missed the outstretched arms of Matt Klemaszewski who made a magnificent attempt to snare the ball only to have it squirm out of his hands.

Apparently Klemaszewski wasn't supposed to ring the scoring bell. The New Jersey halfback intercepted a stray San Diego pass on the visitor's 30 yard line and swivel-hipped his way to the two yard line before he was finally knocked down. Durham, on a sneak quarterback sneak picked up the necessary two yards for the touchdown and the Pack assumed a very dominating lead of 37 points.

Frosh Coed Tops Contestants in Week's Grid Guessing Contest; Ninnis in Second Place

Pat Pringle, Delta Delta Delta pledge, this week caused the lifting of numerous eyebrows and reddening of male faces. The reason? All Miss Pringle did was guess the score of more football games more nearly correct than any other entrant in the weekly grid contest sponsored by the Sagebrush sports department. Tabbing eight of the 10 selections correctly, the Tri-Delt pledge amassed a total of 282 points or 41 less than her nearest competitor, Bob Ninnis.

For being the best guesser on the campus, Miss Pringle will be duly honored as the complimentary dinner guest of Reno's famed Club Fortune. Ninnis will be the recipient of two theater tickets.

With King Football ready to step down in favor of Mr. Basketball on the sports scene, only two more contests remain on the docket.

Important games to be played on November 24 include contests between Michigan and Ohio State, Yale and Princeton and Northwestern versus Illinois.

Rules for the contest: Clip the coupon, insert the probable difference in score opposite your favorite team, and drop in the container provided at the University Book Store.

Games to be guessed are:

HOOP SEASON TO START IN THREE WEEKS

With the opening basketball only three weeks away, Coach Jake Lawlor got down to the serious business this week of molding a winning club out of unproven timber. First game of the season will pit the Silver and Blue basketballers against the Hawthorne Naval Base on December 7 and 8 at Hawthorne.

Faced with the proposition of starting from scratch, only three lettermen holdovers from last year, Buster McClure, Bob Durham and Smokey Smolinski, are back to bolster the Pack squad, and right now that trio is busy themselves with the idea of winning football games.

With more footballs than Heinz has pickles, they were successful on their 34th pass attempt of the game. The kick was blocked and the final score seemed destined to end 37-6.

"Happy" Reed had other ideas of what the final score should read. Taking the kick-off on his own 10 yard line, Hap drove straight up the field to the 40 yard line, cut to his left, changed courses at midfield, cut to the right and crossed into pay dirt without so much as being touched. Along about the time Hap hit the San Diego 25 yard line the gun sounded ending the game. Big Gus "Goose" Camarano then added insult to injury as the fans were filing out of the stadium by adding the 44th point of the game, his first college score.

After several nights of unofficial scrimmages, 16 men answered Lawlor's first call for practice in the new gymnasium last week. Schedule of practices for the ensuing two weeks will find varsity aspirants trekking to the gymnasium at 7 pm, Monday through Friday, until the completion of the grid schedule. According to Lawlor, anyone interested in vieing for a berth on the squad will be openly welcomed.

Those reporting for practice the past week included Dick Gilbert, Roger Bissett, Dick Wait, Bob Ninnis, Jim Coughlin, Don McBride, Sinclair Melner, Norbert Smolinski, George Reading, Max Smith, Dick Fulstone, Sharon Wasson, Buck White, Bob Lagait, Bill Gillis and Jim Mackey.

'History of Japan' Recently Added to University Library

"The History of Japan," by James Murdoch, an illustrated three volume edition, has been added to the university library and is now available to students.

According to J. J. Hill, librarian, "History of Japan" traces the course of the Japanese empire from its origin to the year 1925 when the book first appeared on the market.

Because the volume is out of print it was necessary to purchase the three books from a secondhand book dealer. Despite its antiquity, the edition is in remarkably good condition.

Concerning the library staff, Mr. Hill stated that Sinclair Melner has been added as a student assistant. He joins Barbara Olesen, Josephine Eather and Naomi Batjer as library assistants.

Introducing ... Nevada's Veterans

By Suzanne Evans

James W. Glynn, after 39 months of service in the navy air corps, has resumed his studies at the University of Nevada. Glynn enlisted in April, 1942, receiving his first training in Oakland, California. From Oakland, Glynn was sent to Corpus Christi, Texas, where he was commissioned ensign in the United States navy reserve.

In April, 1944, Ensign Glynn shipped out from San Francisco aboard the carrier Enterprise as a member of air group twenty. Flying a Helldiver, Glynn saw combat in the battles for Chichi, Jima, Okinawa, Formosa and Luzon.

During the battle of the Leyte Gulf, Glynn planted two bombs aboard a battleship and carrier for which he received the navy cross. Later on in the Philippine invasion, he also was awarded the air medal for the destruction of two transports and four luggers (coastal transports).

After the completion of the Philippine campaign, Glynn considered transferring to fighter pilot but instead moved to the Hawaiian Islands to instruct bomber flying.

In February, 1945, now a full lieutenant, Glynn came home to Reno for his first 30 day leave. After his leave, he was reassigned to air group eleven.

Glynn was released to inactive duty on September 4, 1945. He re-entered the university for the completion of his junior year as a mechanical engineering major. Glynn first entered school in 1940 when he became a member of Lambda Chi Alpha fraternity. Besides holding the navy cross, the veteran has the air medal and the purple heart.

Many Discharged U of N Graduates Return To Teaching Positions in Nevada Schools

Many former university students who have recently been discharged from the service have returned to teaching positions in Nevada schools, according to Dr. Harold N. Brown, professor of education.

Walter Powers, a graduate of Sparks high school, was a track and football star on the university campus. In the infantry he served as a lieutenant. He has now returned to Douglas county high school at Gardnerville, where he is teaching.

Chester Jacobsen, whose home was in Gardnerville, has also returned there and is teaching in Douglas county high. At one time Jacobsen was stationed at the Reno Army Air Base. He was discharged from McClellan Field at Sacramento. His rank at that time was staff sergeant.

Former Officer

James C. Bailey was at one time the assistant coach of football under Coach Aiken. In the navy he served at lieutenant (s.g.). He is now superintendent of Yerington union schools.

David Finch, a normal school graduate of the school of education, has returned to Reno high where he teaches English. Finch was a staff sergeant in the Marine Corps.

Wesley Goodner, former naval ensign, has returned to Churchill county high school where he coaches athletics.

Teaches in Reno

Leon Etchemendy was called in the service immediately after his graduation from the university in 1943. On the campus he was a member of Alpha Tau Omega fra-

ternity and ROTC. He is now physical education instructor at Northside junior high in Reno.

A former army air forces officer, Mark Wallace, a graduate of the university, has returned to Carlin high school where he is teaching English and Spanish.

Leland Martin, who was connected with the education office of Camp Reynolds, Pennsylvania, while in the service, is now principal of Montello consolidated school at Montello, Nevada.

FORMER STUDENT BACK

Don W. Maestretti, former Nevada student, arrived in Reno this week after having received an honorable discharge from the marine corps. He will resume his studies here in February.
