

Student Senate Sets May 3, 4 as Date For Annual Mackay Day Celebration

Five Students Reinstated as Members Of ASUN; Radio Program Discussed

Mackay Day was set to be held May 3 and 4 this spring semester by the ASUN senate at a meeting held Wednesday evening in the student union building.

Paul Parraguirre, student body president, appointed five students to discuss with President John O. Moseley the possibility of extending Christmas vacation through January 3 and 4, Thursday and Friday, so that out-of-town students will have the weekend for traveling time.

Appointment of the committee was done on senate recommendation. Students named were Noel Willis, John Baker, Betty Waugh, Ellen Turnquist and Frances Escobar.

Students Reinstated
Five of the 12 students whose ASUN privileges were suspended at the last senate meeting for violations of Nevada traditions without accepting penalties were reinstated in the student body on recommendation of Noel Willis, upperclass committee head. They are Ruel Stichter, Roy Nichigushi, Charles Duffy, Virgil Patton and Bob Bratton.

A panel of students named to handle the ski carnival to be held during the spring semester at the University of Nevada was suggested by the nominating committee and approved by senate. Stan Brown was named chairman of the group.

Sagers, men's service organization on campus, was reactivated after a two-year period of inactivity when the constitution was accepted at the meeting.

Frats Schedule Initiations for After Holidays

Lambda Chi Alpha, Theta Chi and Sigma Alpha Epsilon fraternities are holding work week for pledges this week with initiation dates to be scheduled after Christmas vacation.

SAE work week ended last night for seven pledges. Lambda Chi will initiate 23 men after Christmas, and initiation for ten men into Theta Chi was held this week, according to Gordon Mills, president.

ATO Party
Clayson Triger, president of Alpha Tau Omega, has announced that the ATO's plan to open their house on January 15. An ATO Christmas party for active members and pledges was given Wednesday night in the Block N rooms of Mackay training quarters. Gifts were exchanged. David Parraguirre was in charge.

The Sigma Nu mother's club entertained members, guests and alumni with a Christmas dinner Thursday evening in the chapter house, according to Jack Deringer, president. Mrs. George Streeter is president of the mother's club.

Lambda Chi Social
Members of Lambda Chi held a social for the mother's club Thursday evening. Mel Rovetti was in charge.

Phi Sigma Kappa held a Christmas dance on December 14 at the chapter house. Noel Willis, president, was in charge. Phi Sig plans to initiate pledges on January 5.

Group Declares Den 'On Campus'

"The Wolf Den is definitely on campus, as far as the women's upperclass committee is concerned," was the statement made today by Virginia Olesen, head of the committee.

Freshman women are compelled to wear the traditional blue and white ribbons and carry frosh bibles while in the Den, it was decided at a recent meeting of the committee.

On the women's upperclass committee are Jo Ann Miller, Maribeth Elkins, Katy Blythe, Pat Trainer, Florine Miller, Dorothy Sewell, Helen Brania, Judy Bogard, Ellen Turnquist, Myrl Nygren and Miss Olesen.

FOUR COLLEGE TEAMS TO VIE FOR HOOP TITLE

The University of Nevada versus the University of California and Stanford University versus the University of Utah.

Such is the proposition facing Reno basketball addicts on Friday, December 28, when the lid will be lifted in the first University of Nevada invitational basketball tournament.

If the menu isn't sufficient to fill the men's new gymnasium to overflowing capacity the first night the bill of fare for Saturday evening should have the customers hanging out of the hoops. Winners of the first night contests will tangle for the tourney championship while the losers will battle it out for consolation awards.

Concerning the seasonal records of the four teams concerned, Utah will undoubtedly arrive in Reno to find themselves in the unenviable role as favorites, a spot they might well relinquish to California by opening whistle time. Currently on a basketball tour of the east, the Utes have had varying success with their games, losing more than they have won but dropping them by small margins.

California, on the coast, has chalked up 11 wins over a single setback against independent and college squads in the bay area, while Stanford has won two of their three contests played. Nevada's percentage record shows five for six.

Dr. Wiederhold To Read Essay At Convention

A paper by Dr. A. G. Wiederhold, assistant professor of philosophy and psychology, entitled, "A Critical Analysis of Karl Marx's Theory of Value," was accepted for the program of the American Philosophical Association's general meeting.

Dr. Wiederhold will read his paper at the first general meeting on Thursday afternoon, December 27. The meeting will be held at the University of California at Berkeley December 26, 27, 28, 29, and will be the first national meeting of the association since the war.

Research for Dr. Wiederhold's paper was made possible partially by a research grant from the University of Nevada research committee.

Upon the recommendation of Dr. L. M. Terman of Stanford University, Dr. Wiederhold was elected an associate member of the American Psychological Association. His election took place at the last annual meeting of the association held at Evanston, Illinois, in September. Newly elected members were officially notified of their election last week.

Enrollment Increase Shown in Colleges

In a statement received by President John O. Moseley this week from the U. S. Office of Education, a decided increase in fall registrations was shown in colleges and universities throughout the United States.

An estimated increase of 25 per cent was shown over last year's registration and many institutions reported a continuous registration of veterans throughout the year. Evidence indicates that the increasing rate of enrollment in institutions of higher education will continue during this academic year.

EE INSTALLS RECTIFIER

Electrical engineering students are busy installing a 1500 pound, 25-kilowatt mercury rectifier to be in service as demonstration and laboratory equipment next semester, Stanley G. Palmer, dean of the college of engineering, announced.

LAUNCHES U. N. STUDENT UNION DRIVE

Melvin Jepson, left, hands President John O. Moseley his check to inaugurate a drive to raise funds for the construction of a student union building on the campus.

Radio Production By Students Awaits Action of ASUN

Now pending action of the ASUN senate is a suggestion that University of Nevada students present a series of weekly radio programs over station KOH in Reno. The idea was introduced in the Sagebrush and underwent discussion at a senate meeting held Wednesday evening.

Senators wished to obtain opinion from various groups they represent before taking action on the matter; so it was tabled until the next meeting.

In Favor
Among arguments advanced in favor of the program were its publicity value, practical radio experience for students participating in productions, and giving people of the state of Nevada a broader understanding of the functions and activities of their university.

The program as suggested would be either 15 minutes or half an hour a week running for a set period and staged by students under supervision of a committee appointed by the senate. Scripts for the entertainment would be aligned two weeks in advance, and rehearsal periods would be scheduled for the various casts.

Might Participate

Those to appear in productions could be selected by a variety of methods ranging from allowing various honorary organizations such as Chi Delta Phi, Alpha Epsilon Delta, Press Club and Spanish Club to present one program each, to actual tryouts for parts and competitive submission of weekly scripts.

Argument in opposition to holding the program is that possibly there is not enough "manpower" on the campus to continue holding such entertainment.

MARCH OF TIME FILM TO BE SHOWN JAN. 11

Friday, January 11, at 11:15 pm is the date scheduled for the next March of Time assembly in the education building auditorium. The film to be presented will be Brazil, Canada and United States farming, according to Prof. Austin E. Hutcheson who is in charge of the assemblies.

This film will be the second in the series of March of Time assemblies and the first to be shown following the Christmas holidays.

ZINA COE IS NAMED FIREPLACE DIRECTOR

Zina Coe was appointed director of the WAA fireplace last week at a meeting attended by Mrs. R. Whitlatch, instructor; Maurya Wogan, president of AWS, and Mary Watts Moore, president of WAA.

The fireplace is owned by the WAA and AWS and is available for any organization to use. Miss Coe will issue equipment to organizations contacting her.

Prom Poses Problems For Classes Of Men's PE Dept.

A visitor viewing the PE class in the gymnasium on Monday would have believed that all members were under the influence of intoxicants. However, the belief would be without validity and all has to do with the gymnasium being used as a ballroom.

The junior prom was held there Saturday night and it was impossible to dance with any degree of facility until the floor was sprinkled with spangles.

After this was done, the floor was in excellent condition for dancing. On Sunday the prom committee attempted to scrape the floor and worked very hard at the task. On Monday morning, the men's education classes were skating around like drunken sailors on a Saturday night.

The basketball team attempted to practice on the floor but spent most of the time in a prone position.

The university maintenance crew attempted to clean the floor with soap and water but with little success. Finally on Tuesday, a crew of men with machines and steel wool got the floor into shape.

At the present time it is not known whether the new gym will again be used for dancing purposes.

Students, Faculty Give \$72,000 In Bond Drive

University students and faculty members purchased \$72,322.53 in bonds and stamps during the final bond drive which closed last week. In the month of December the students bought \$14,371.28 alone, according to figures compiled by the comptroller's office.

During the drive the stamp booth on campus was kept in operation by various sorority groups under the chairmanship of the following girls: Maryanne Wells, Marilyn Amodei, Roma Gardner, Dorothy Hooper and Nona Lee Tuttle.

A good portion of the total sales were made at the annual bean feed, which this year was turned back to the men on campus after having been appropriated for war bond drives during the war years.

Most of the sales to faculty members were conducted through the comptroller's office.

GRADUATE VISITS

Mrs. Ben Cardinal, Nevada graduate, and her husband visited the campus December 20 while in Nevada visiting her parents, Mr. and Mrs. Don Cameron of Carson City.

Mrs. Cardinal, formerly Helen Cameron, majored in home economics while attending the university. Following her graduation five years ago, she took training and advanced work in dietetics at the University of Minnesota.

Drive Initiated for Contributions Toward Student Union Building

Two Donations for "Living Endowment" Are Made by Melvin Jepson, Nevada Graduate

Giving momentum to a drive for a student union building at the university, Melvin Jepson, graduate of 1911 and now district attorney of Washoe county, has made two gifts to the union building fund initiating an alumni recognition fund, President John O. Moseley announced today.

Jepson has called upon other alumni and friends of the university to join him in a "living endowment" by aiding with the financing of the project. A start on the fund has been accumulated throughout the years by the student brick drives, selling of tickets at 10 cents each every spring to all students at the university, handled through the upperclass committees.

In Gratitude

Some months ago Jepson expressed the desire to do something "in partial payment and recognition of the debt of gratitude I owe the University of Nevada for the assistance I received when I was a student."

A suitable expression, it was decided, would be the establishment of an alumni recognition fund toward the proposed student union building. Jepson's initial contribution was \$100.

Second Contribution

Later, he made a second contribution for the same purpose in the form of a "living endowment."

In a letter to the board of regents, he promised to pay into the fund \$5 every month as long as he is able or until a student union building is erected.

President Moseley pointed out that, inasmuch as a student union building is income producing, the overhead and much of the building cost can be paid out of income.

Senate Passes On Committee For Ski Carnival

Upon the recommendation of the nominating committee, the ASUN senate Wednesday approved the student panel which will direct the winter carnival, tentatively set for the middle of February.

Student Body President Paul Parraguirre, in explaining the senate action, stated that the ASUN constitution provides that for all student sponsored events, the senate must approve a panel composed of representatives from groups represented in the senate.

The panel as approved by the governing group, will be headed by Stan Brown, Ski Club member and carnival chairman. Assisting him will be Lois Post, Ski Club president; Jerry Brown, Virginia Olesen, Jean Bicknell, Toy Farrar, Bliz Patterson, Elinor Jensen, Jacquie Prescott, Peter Lawlor and Josie Marquisirena, Dace Ricketts, Betty McBride, Myrl Nygren, Frances Burke, Jerry Wetzel, Bill Evert, Dave Parraguirre, Ty Short, Ron Barker, Jimmie Melarkey and Jack Owen.

Choir Program Presented Wed.

The University Women's Choir under the direction of Prof. Theodore H. Post, presented the annual Christmas concert Wednesday night in the education building auditorium.

A crowd turned out to witness the yuletide singers. Impressive Christmas decoration of candles, a Christmas tree and silver bells added to the success of the concert.

The program, which was broadcast over radio KOH, was co-sponsored by the campus YWCA, with Dorothy Sewell as chairman, and the Reno Repertoire Club, with Mrs. Carl Gottschalk as president.

The audience joined with the group and led by Prof. Post, at the end of the program, in singing "Silent Night, Holy Night." The choir accompanists were Mary Libby, Lorna Droun, Nora Morris, pianists, and Lois Post, violinist.

SWIMMING CLUB ELECTS OFFICERS FOR YEAR

An election of officers for the University of Nevada women's figure swimming club which was organized this semester, under the direction of Miss Marjorie Turner, was held last week. The officers are Marge Menu, president, and Pat Ireland, secretary.

The club is planning an aquacade program some time during the spring semester. Marge Menu is chairman of the program with Joyce Neilson, Pat Ireland and Virginia Gardner as assistants.

ME DEPARTMENT TRIP

Introductory mining students, under the direction of Professor Jay A. Carpenter, head of the Mackay School of Mines, attended an explanatory demonstration at a plant north of Sparks on December 14. Twenty students made the trip.

THE CHRISTMAS ARMISTICE

The spirit of Christmas is not with an age, nor a race, nor a class; it's a matter of the heart. It all has to do with a small boy with a drum or a girl with a doll and your outlook as they receive your gifts. In the depth of a sincere smile, in the eyes of a laughing child, dwells peace the world has sought for many years.

Most of us who attended Christmas celebrations during the war years remember well the uneasy feeling pervading the atmosphere. The man-made unhappiness of war and destruction hung over our heads. Some of that is gone.

Although we now lack peace on earth, we shall have for a few quiet hours at Christmas a sense of good will to men. For this meager allotment of peace—let us be thankful. May the strains of "peace on earth, good will to men" hang on the night air and be received without mockery.

To all of you—a Merry Christmas.

THESE NO-MEN

The negative attitude with which some of the student senators received the proposal that a regular radio program for the university be established was in line with the attitude of many students in regard to anything that requires WORK.

The outlook is a regrettable one. When students refuse to do something that would be advantageous to the university just because such a project involves work, we might just as well quit right here. The Sagebrush involves a lot of work, so does the Artemisia, and the duties of the student body president have much labor and responsibility connected with them. We don't shirk our tasks—we complain, of course, but griping is a good American habit.

The work involved in a radio program would probably not exceed five hours a week—this would be done with the cooperation and encouragement of many other students.

The program might be aided by students in journalism and by members of the play production class. Various social and service organizations would undoubtedly be willing to handle the program on various occasions.

One senator felt that the university is short of manpower and that the program would have to be discontinued shortly after it was started because there would not be enough interested students to keep it going. Our answer to that—we may be somewhat low on manpower right now but NOT that low. It is a known fact that the enrollment next semester will be considerably larger than this semester's.

It seems to us that the group which appoints service committees is in a rut. There are plenty of students who are never given an opportunity to show their talents. The work of Billy Heath in organizing the WSSF drive is a good example. The drive was a complete success and its chairman is only a sophomore. Her energy and talent of organization put many upper-class leaders to shame.

We believe that the manpower shortage is no defense for not establishing the proposed radio program. We hope that our leaders will not take for granted the idea that all students are as busy as they. With skillful choosing of directors and workers, the program could be a complete success. It is NOT out of the realm of possibility for the University of Nevada.

STRICTLY FROM HUNGER

By Roger Dodger

With all respect to Mr. Sub Zero and friend J. Frost, Rog is rapidly tiring of his snuggies, and is beginning to wonder if the south bound birds don't have the right idea. Here I am, flat on my back at thirty thousand, and freezing to death!

Lucky people Les Harvey, Jim Glynn, Dick Gorman and others, are Rose bowl bound come '46. The game and the Tournament of Roses are just about tops on the list of things not to miss. . . . In the absence of Theta cook Leona, Perk undertook the job of whipping cream and wound up with a fresh batch of butter. O.K. to speak on bread, but not just what the gals wanted for chocolate pudding. . . . Our eager cars took to the caroling down sorority row this week in a big way. It takes somebody made of sterner stuff than us to resist "Silent Night" complete with snow and frosty moon.

For a while Rog thought than Manzanita Lake had put in a supply of anti-freeze, but the gyrations of Roy Beardall and friends have proved this assumption entirely false. Maybe our frozen toes helped convince us it was ice.

Well, it's about time for something appropriate in the way of a Christmas message to all you people who will soon be sitting around the festive board with your families and friends. This was written by a good friend of Rog's who had it printed on her Christmas cards. We think it covers the subject rather nicely without dripping with too much sugar: *What Is Christmas?*

With the scent of pine boughs, and mince pies baking, Log fires and popcorn, and fruit cakes in the making—

Christmas is a fragrance that fills the winter air!
With the joyous greetings to all the friends we know,
Packages, and children's toys, and stockings in a row—

Request for Book Received From N. Z.

Testifying to the large territory covered by UN bulletins, a letter was received this week by Miss Elsa Sameth, head of the women's physical education department, from New Zealand requesting a copy of "Rhythmic Gymnastics."

The booklet specified was written by Miss Sameth and Miss Catherine Austin, former student and fellow in the PE department, and published by the university in 1941.

Music in the booklet was written by Dorothy Crandall, Nevada alum, and the photographs were the work of Mrs. Perry Hayden, assistant to the comptroller. The request for the bulletin was made by a library service in New Zealand.

TRI-DELTA ENGAGED

Yolanda Musso, freshman Tri-Delta pledge from Woodland, California, passed a five pound box of candy at the chapter house dinner Monday night to announce her engagement to Victor Earl Swanson, also of Woodland. Swanson, former army air corps lieutenant, recently received his discharge from the service.

VIOLATOR PUNISHED

Alphonse DiChiario was the only violator punished this week by the men's upperclass committee, Chairman Noel Willis stated following the meeting Tuesday.

DiChiario, freshman from New Jersey, was swatted for not wearing a frosh dink on campus.

Christmas is a treasure to wrap and tie and share!
With the old, old story, as we tell each part,
The little Christ Child lives again in every listening heart—
Christmas is a memory of Bethlehem and prayer!
Merry Christmas, everyone!

Introducing . . . Nevada Veterans

By Betts Seddon

Bill Gillis entered the army September 16, 1940, from Long Beach, California, as a member of the California state national guard.

He was stationed at the Ventura, California, anti-air craft camp for six weeks. On October 31 Bill sailed for Hawaii and landed there November 5, 1940.

In the islands Bill was stationed at Camp Malakole near Barber's Point, which he said was located in the middle of a pineapple field which had been reconverted into a large naval air field.

At Pearl Harbor

When the December 7 attack started, Bill was in bed, and when he suddenly realized what was happening could only think to himself, "I'll bet they cancel the basketball schedule." His group was rushed to inside Pearl Harbor, where he was a sergeant in charge of an anti-air craft position. According to Bill all they got was lots of shrapnel.

He was stationed in Pearl Harbor for a couple of months after the attack, but sailed for the Fiji Islands on May 17, 1942, and landed at Suva June 1. There again he was working with anti-air craft protection for air fields.

Solomons Campaign

In November of 1943 he sailed from Fiji, stopped off at the New Hebrides, then went on to Guadalcanal for a month. Guadalcanal at that time was the staging area for the Solomons campaign.

From Guadalcanal he went to

Tri-Delts Hold 3 Xmas Parties

Tri-Delta sorority started Christmas season off this week with three parties and an evening of caroling. Following chapter dinner Monday night actives and pledges sang Christmas carols at the sorority and

Bougainville where he arrived about the middle of December. There he was again in charge of an anti-air craft gun position which was often bombed, strafed and shelled. In March, 1944, he participated in an all-out Japanese attack.

Returned Home

On July 29, 1944, he sailed for home, and arrived in San Francisco August 16. His first impression of San Francisco was not too good. He didn't like the fog at 1:30 am.

After his arrival in the states he was stationed in Santa Barbara at the army ground and service forces redistribution station as a public relations representative.

He was discharged at Fort MacArthur September 2, 1945. As to the army's discharge system, Bill said, "They just put your name along with hundreds of others in a hat and then draw."

fraternity houses, and also at President John O. Moseley's home.

Tuesday evening a Christmas party for Tri-Delta mothers was held at the chapter house with Shirley Bowen Fleming in charge. A Christmas tree and carols sung provided the holiday setting. Hot chocolate and cookies were served.

Mary Beth Ellkin's home was the scene of Wednesday evening's Tom and Jerry party given by the seniors for the rest of the chapter. Festivities ended last night with a turkey dinner at the chapter house for all members of the sorority.

"What is home without a mother," said the private to his girl on the phone.

"I am tonight," sighed the girl.

Nevada Five to Challenge Chico State Team Tonight and Tomorrow

With a chance to run their consecutive win record to seven, Coach Jake Lawlor and his ten basketball players departed this morning for Chico where they will engage the Chico State College in a pair of games. The first encounter in the two game series is scheduled to be contested tonight while tomorrow evening the clubs will again take the court.

Handicapped by a belated seasonal start, Coach Lawlor's proteges have displayed definite improvement in their last three outings. After dropping the opening game of the season to the Sacramento Senators, an independent organization, the Wolves have defeated the Hawthorne Navy and Marine fives, Fallon Naval Base, Sacramento College and Mather Field. Chico State, thus far, has compiled a won and lost record of two and one, defeating Sacramento College and splitting with the College of Pacific.

Center Absent

Against Chico, and until after the first of the year, the Nevada hoopsters will be weakened by the loss of regular center Max Dodge and rough and ready Buster McClure, reserve guard. McClure and Dodge left this week to participate in the annual East-West football game in San Francisco.

Dodge's departure will necessitate a revision in the starting lineup and Lawlor will probably transfer Norbert Smolinski from forward to the pivot post for tonight's contest. Ebby Robertson and Grant Davis are slated to get the call at the forward positions while Jim Mackey and Darwin Farnsworth are expected to open at guard.

To Make Trip

Also expected to see action in the two game series with Chico are Maury Hagleen who will spell Smolinski at center and guard Orsie

Wolves Ring Up Two Victories

Maintaining their consecutive win record at five straight, the Nevada Wolf Pack basketball team traveled to Sacramento last weekend to ring up decisive victories over Sacramento College and Mather Field.

Friday evening, the Wolves turned back the California state capitol college five 35-29 and followed that victory up on Saturday with an impressive 45-36 win over the Mather Field flyers.

Big gun of the Friday night attack proved to be Ebby Robertson who ripped the cords for five field goals and a quartet of free throws to grab the evening's top scoring honors with 14. Robertson was followed by Jim Mackey and Norbert Smolinski with nine and five points apiece, respectively.

Saturday afternoon, playing before a capacity audience of service personnel at Mather Field, Grant Davis, former Vanderbilt University player, ran rampant to count 15 points in the greatest single scoring exhibition by a Nevada player this year. Mackey trailed Davis in the point department by counting 12 digits while big Max Dodge tallied eight.

Graves, defensive ballhawk. Jim Melarkey, recent navy dischargee, will also make the journey north and may be pressed into service.

A woman is an animal that wears a fur coat to be warm and leaves it unbuttoned to be stylish.

Kinnear Trophy Expected to Go To Lambda Chi

Frat Competition In Basketball Ends In Three-Way Tie

With the fall semester intrafraternity athletic activities concluded, Doc Martie and Chet Scranton, university athletic directors, were busy this week wrapping and tying up the traditional Kinnear trophy for delivery to 255 University Terrace, care of Lambda Chi Alpha. The mailing of the cup won't take place for several months for there still remains the incidental item of determining the winners of the spring semester events. Apparently that will just be routine matter. Lambda Chi is so far in front of the other seven organizations only a pooling of points by three or four of the frats would even jeopardize their lead.

To date, the Lambda Chis have tallied a total of 217 points with Theta Chi, three or four stone's throw back with 163 followed by Sigma Rho Delta with 90. While the distribution of winners of the eight events vied for so far have been fairly equal, Lambda Chi has fielded a well balanced team throughout. Theta Chi grabbed 60 points for winning the cross country at Homecoming and Sigma Rho Delta walked off with volleyball honors for the greatest single contribution to their 90 point total.

Basketball, the only major sport to be played, so far, resulted in a three way tie between Lambda Chi, Sigma Rho and Alpha Tau Omega. All three of the clubs finished their schedule with six wins and one defeat to mark up 66 points each toward the trophy. Sigma Nu edged Lambda Chi; ATO defeated Sigma Nu, and then Lambda Chi came back to take the measure of ATO in the season's finale to throw the standings into a three way confusion. Phi Sigma Kappa wound up in fourth position by winning three while losing four.

Team standings follow:

Lambda Chi Alpha217
Theta Chi103
Sigma Rho Delta90
ATO78
SAE73
Sigma Nu67
Phi Sigma Kappa52
Independents32

Bonecrushers Capture Title

Sophomore Bonecrushers took the AAA volleyball title by defeating the Slinky Minks 40-30 in the championship game held in the old gymnasium Monday afternoon.

Josephine Marisquirena captained the winning team while the losing Slinky Minks, a freshman team, were headed by Dorothy Dellmue.

Other members of the championship team are Beverly Minor, Alice Etchart, Merrie Jo Harp, Gloria Haley, Naomi Batjer and Billie Kennedy.

Don Johnson Winner In Guessing Contest

After an unavoidable delay of two weeks, the Sagebrush sports page this week announces the winner of the final Pigskin Quess Quiz held on December 2.

For a Christmas present, Don Johnson will be visited by Santa Claus with two dinner invitations to the Club Fortune and two passes to a Reno theater will be dropped down the chimney for Elmer Oxborrow.

In the final contest of the year, more upsets were recorded than in any previous week. Johnson, in winning, missed the boat on three games. His low aggregate score was 297 while Oxborrow's final tally numbered 324.

Highest score of the week (which made him low man on a tall totem pole) proved to be Sinclair Melner. "Sin" not only wracked up a cool 632 digits in failing to name the winners of eight contests but also established an all-time seasonal high for points. It might be hastily added that Melner did pick Army to defeat Navy and Alabama to dump Mississippi State which kept his score from reaching dizzy heights.

Conducted during the recent football season on a weekly basis and sponsored by Club Fortune in conjunction with the Sagebrush, pigskin prognosticative quiz is expected to return to the campus next season.

UN Grid Stars Leave for East-West Game

Buster McClure, Max Dodge and Lloyd Rude left Tuesday night for San Francisco where they were to report to Coach Babe Hollingsberry for the East-West game to be contested on New Year's Day. For McClure, this will be his second appearance in the January classic, having participated last year when he was acclaimed the game's top lineman. Never in the history of the school has a University of Nevada gridster played in the East-West game twice, and McClure will be establishing a precedent which may stand for some time.

Concerning precedent, this year's trio of Nevada representatives in the San Francisco Bowl game not only will break all previous records, but will establish one for future Wolf greats to shoot at. Only three times in the history of the grid classic has a Nevada player been invited to play in the game.

Big Max Dodge will renew old acquaintances when he reports to Hollingsberry for practice this week. Dodge played under Hollingsberry at Washington State several seasons ago and will be familiar with the Hollingsberry system. "Big Max"

tallied ten touchdowns during the regular ten game season, a fact which undoubtedly led to his selection.

Hang the expense! Give the canary another seed.

Reporter Reviews Year's Activities As Recorded by U of N Sagebrush

A resume of the activities of the past year was compiled by a Sagebrush reporter this week. The review shows many developments towards resuming the former peace time status of the university. After struggling through four war years, one of the first steps taken by the university toward normalcy was the opening of various national fraternity houses.

The total of women going out for rushing this year was 129, as compared with the 94 of last year. This year the Pi Phi's won the derby with 38 pledges, Tri-Delta was second with 21, Theta third with 19 and Gamma Phi fourth with 17.

Frats Grow

This year seven fraternities pledged a total of 52 men as compared with this, 13 former students, mostly 29 members, which goes to show that the men are coming back and that campus life is getting back to what it used to be. In connection with this, 13 former students, mostly veterans, returned as a group at the beginning of the first semester, and others have returned during the course of the term.

Last year Sagers, Block N and EE were reinstated and this year Pan-Hellenic gave back the bean feed. The annual affair in prewar years had been an activity under the direction of the interfrat council.

Bigger Celebration

Homecoming this year was more nearly like those of former years than any had been since the war began.

Prominent in last year's activities were stunts to raise money for war bond drives, such as the Theta carnival, the super-wolf contest of Gamma Phi Beta, the Pi Phi card party and the Tri-Delt she-jinx.

The junior prom, Lambda Chi baby dance and ski carnival have all been brought back to the campus with much of their old color and importance this year.

Successful Season

The football team went through a good season, winning all of their home games and one out of three games away from Mackay Field. Buster McClure was invited to play in the East-West game again this year and will take Max Dodge and Lloyd Rude with him to participate in the annual event.

Last year the new semester system was outlined and went into effect this semester. This system provides longer semesters to include an equal number of weeks in both.

Halls Repaired

During the summer the old dining hall roof collapsed and the hall was renovated. Other improvements made during the past year included repairs done on Artemisia Hall.

The WSSF drive this year went over the top of its quota to help supply students in foreign countries with the proper scholastic materials. The total collected was \$1069 as compared with last year's \$200 total.

In last year's Brush there was not much mention of Christmas festivities due to the fact that it was believed to be somewhat sacrilegious to celebrate an occasion so linked with peace, a thoughtful editorial printed in the Christmas issue revealed.

Building Assn. To Hold Dinner

University Buildings and Ground Association will hold their second annual dinner December 27 at 4 pm in the university dining hall for all guests and members.

Guests at the dinner will include Dr. and Mrs. John O. Moseley, Dr. and Mrs. Charles H. Gorman, Mr. and Mrs. Silas Ross, Mrs. Jeanette C. Rhodes, Dr. and Mrs. Robert S. Griffin and son, Robin, Mr. and Mrs. Perry Hayden, Mrs. Carl M. Horn, Dr. Moseley and Dr. Gorman are members of the association but receive special invitations.

The dinner will be served under the direction of Jimmy Grayson, a member of the association. Mrs. May Kelley and Mrs. Ada Hartman are in charge of making placecards for the dinner while Dr. Gorman printed the invitations on his home printing press. Hubert Pruess and Phyllis Schumacher are in charge of the decorating and will use a New Year's theme.

A tommyhawk is what if you go to sleep suddenly and wake without any hair there is an Indian with.

Pajama Party Held By Pi Phi Pledges

Actives of Pi Beta Phi were entertained by the pledges at a Christmas pajama party last night at 7:30 pm at the chapter house.

Before the party members went caroling following which the pledges entertained with a skit, gifts were exchanged, and for the evening the pledges gave the actives orders. Ruth Metzger was in charge of the entertainment. Refreshments were served.

Last Tuesday night at 7:30 pm the Pi Beta Phi alumni gave a Christmas party for the members. Gifts were exchanged and refreshments were served.

Students Travel To Many Cities During Holidays

This week students of the university are heading north, east, south and west to spend the holidays. Some are going home to spend the Christmas with families or friends, some are attending conventions, and others will play in or be spectators at one of the annual football classics.

Flying 2500 miles to Manitoba, Canada, to spend Christmas with her family is Phyllis Green, frosh student.

Jim "Toad" Welin, bucking train transportation difficulties, left Tuesday morning for his home, Boone, Iowa. Traveling with him, and then continuing on to Boston, is Dick O'Connell.

Portland Bound

Dewi Hansen and Jo Miller are Portland, Oregon, bound today by bus, while Ebbie Robinson, who cannot go home to Indiana, and Bud Slaughter left for Long Beach, California.

Tomorrow Nevada's Los Angeles students will leave for home, most of them by bus. Traveling south will be Roberta Whitney, Virginia Casey, Helen Boner, Warren Parks and Flo Shakarian.

George Himes and Roy Beardall are planning to leave for Chicago tomorrow by train where they will represent Nevada Alpha chapter at the annual SAE convention. President John O. Moseley will also attend the convention.

Lloyd Rude, Bob McClure and Max Dodge will forfeit Christmas at home to play in the East-West game in San Francisco. They left Reno Tuesday to start practice for the game. Sitting in the stands New Years Day to root for the West and Nevada's representatives will be Pat Crummer, Roberta Whitney, Jean McInnis, Bob Cross, Jim Mackay and Bill Gillis.

To Attend Game

The Rose Bowl game between Southern California and Alabama will have a number of Nevada spectators, Ernie Chickese, Jimmie Glynn, Sinclair Melner, Dick Gorman, Helen Boner, Virginia Casey and Marilyn Reynolds.

IN APPRECIATION

With my best wishes for a Merry Christmas and a Happy Successful New Year to all the university students. I would like to take this opportunity to thank the following gentlemen: Dr. J. D. Bibb, Prof. J. E. Martie, Mr. Silas Ross, Dr. C. H. Gorman and Mr. Carl Horn, for their understanding and quick response to my requests for extra help during busy times at the infirmary.

Sincerely yours,
Mrs. Pippi Phillips, R. N.

Xmas Festivities Held by Thetas

Kappa Alpha Theta Christmas activities began Monday night when the chapter party was held at the sorority house. Carol Dundee was in charge of the skit, "Night Before Christmas" with all pledges taking part, with costumes and dances representing the countries visited by Santa Claus. Phyllis Green and Marilyn Hansen were in charge of refreshments. Theta alumnae, who were honored guests, presented sorority members with gifts and showed a picture of the record cabinet they will present to the house when obtainable.

Christmas dinner was held Tuesday night. Guests were Dr. and Mrs. John O. Moseley, Dr. and Mrs. Cecil Creel and Eva Adams, Theta alum. Sorority and fraternity houses were serenaded last night when the Thetas went caroling.

Campus men attended a social at the chapter house December 13, with Alice Etchart in charge. Gloria Springer directed the faculty coffee hour December 5.

GAMMA PHI ACTIVES GIVEN PARTY BY PLEDGES

Toyland and Christmas was the theme of the Gamma Phi Beta muffin party held last night. The muffin party, an annual Christmas party given by the pledges for the actives and alumnae, was held at the chapter house at 8 pm.

Entertainment for the evening was in charge of the pledges. Refreshments were muffins, which according to tradition were made by the pledges themselves. Gifts were exchanged.

Bill: My dad is an Elk, a Lion, a Moose and an Eagle.
Roger: How much does it cost to see him?

Tradition HE Tea Held in Aggie Bldg.

Amidst wreaths of pine and holly, Christmas trees and candlelight setting, the home economics tea, held Tuesday afternoon in the Agriculture building, was carried out in traditional fashion.

The bulletin boards of the Agriculture building were ornamented in such a manner that they resembled Christmas cards, while the yuletide decorations in the halls and on the stairway indicated the way to the tea room.

Guests were met by hostesses Blanche Parker, Ann Iriarte, Nancy Robinson, Anna Stewart, Jean Charrier and host, Bill Morris. Refreshments included tea, coffee and cookies. Margie Brown, Dace Ricketts, Jean Scott and Carol Smith poured. Servers were Dot Thomas, Phyllis Snyder, Betty Kirkley and Carol Stewart.

SORORITIES PLEDGE TWO

Jean Snide, freshman, became a pledge of Kappa Alpha Theta last Thursday, December 13, and Catherine Aldrich, repledged Tri-Delta. Miss Snide is from Lodi, California, and Miss Aldrich is a sophomore from Fernley.

Infirmary Closes For All Vacation

Friday afternoon at 4 pm the university infirmary will close until January 2, when school re-opens. In previous years the infirmary stayed open for emergencies, but this year no one will remain in the building during vacation.

Tom Grundy, Al Fauldini and Elwood Oxborrow were dismissed from the infirmary yesterday, the last patients to leave.

There are still a few flu cases on campus but the epidemic on the

whole has been curbed, according to Mrs. Pippi Phillips, attending nurse.
