

Opening of Snack Bar Set for Tuesday; Further Improvements Are Scheduled

Food Bar for Students, Not on Competitive Basis; Hours Set 9-3; YW Members to Serve

The long awaited opening of the Snack Bar has been set for Tuesday, according to Dorothy Thomas, president of YWCA, which is sponsoring the project.

Delayed first because of lack of equipment, the cent in the basement of Stewart Hall will function under the chairmanship of Winona Earl, complete with a refrigerator, ice cream container, silex coffee set, hot plate, and cash register.

Over the new blue tile counter, completed last Friday, will be served milk, coffee, coke, orange, pineapple, grapefruit and tomato juices, popsicles, doughnuts, cake and pie everyday from 9 until 3.

Financed by the university board of regents, the food bar was the idea of President John Moseley and will not be run on a competitive basis, but for the service of the students only.

Dr. Charles H. Gorman has been active the past semester in obtaining equipment for the bar itself and also furniture from Herlong and Las Vegas for the Y room which will be used to serve snack bar food until regular stools and tables for that purpose can be obtained.

YWCA girls and volunteers, under Beverly Minor, personnel chairman, will serve the food. Anyone wishing to help should contact Miss Minor at Manzanita Hall.

Further plans are being laid for improving the snack bar, including the purchase of fire-proof tables, chrome chairs and stools, and a larger stove for next semester.

The hours are also temporary and if need be will be lengthened.

Until the recent YWCA election at which she was named president, Dorothy Thomas served as chairman of the snack bar program. With the help of the old committee and the newly appointed one which includes Edo Moore, equipment; Anita Hincelot, finance, and Marianne Wells, food, the bar was complete, under the supervision of Miss Helen Rachie, campus YWCA secretary.

The building of the snack bar was directed by Carl Horn, superintendent of buildings and grounds.

VETS MEET MAY 16

The next regularly scheduled meeting of the campus veterans organization will be held on Thursday evening, May 16, according to Bill Gillis, president of the organization.

At that time officers for the fall semester will be elected and plans for the final social function of the year will be completed.

Blue Key Group To Discuss Plans For Gold Plaque

Plans for an inscribed gold plaque honoring Nevada's list of gold star veterans are to be discussed at the Blue Key meeting on May 14 at 7 pm in the ASUN building, Noel Willis, president, announced.

This plaque, which will be cast under the direction of Jack Ryan, superintendent of shops and supervisor of shop work, is to be set in the lawn in front of the flag pole.

The plaque may be completed by Memorial Day, Willis said, if present plans are completed.

Maj. Jim Coleman Gets Bronze Star For Army Work

Major James W. Coleman, University of Nevada instructor of physical education, who left the campus in 1941 to enlist in the army, has recently been the recipient of the bronze star medal for meritorious achievement in connection with military operations against the enemy in Japan.

As billeting officer of the 33rd infantry division, Major Coleman "demonstrated outstanding qualities of leadership, initiative and organizing ability," according to the citation. Through his marked professional capacity, resourcefulness, and devotion to duty, Major Coleman made a conspicuous contribution to the success of the 33rd division in initial phases of the occupation of Japan.

Military Governor

At present, Major Coleman is acting as military governor of Hyogo Prefecture in the city of Kobe, Japan. He does not expect to be released from there until next January.

An interesting sidelight in the presentation of the award to Major Coleman is the fact that after the presentation in which the entire 33rd division was drawn up in military formation, the Japanese city officials of Kobe gave a large dinner in his honor.

Mrs. Coleman expects to leave here June 5 to join him in Kobe. Their son, Jim, is a junior student at the university.

COLORADO BOUND

Miss Mildred Swift, head of the home economics department left Sunday, May 5, for Fort Collins, Colorado, where she will attend a Home Economics convention. She will return to the campus this coming Sunday, May 12.

Senior Week Plans Get Under Way; Committee Named

Committee members for senior week were named yesterday by Frances Cook, senior class manager. Plans will be made and the program for senior week announced at a meeting at the education auditorium Wednesday at 4 pm. All committee members are requested to attend the meeting, Miss Cook added.

Picnic plans will be handled by John Jensen, chairman, Gordon Mills, Mary Watts Moore, Vivian Martinson, Jacque Prescott and Frank Apa.

Maie and Myrle Nygren, co-chairmen, Mary Ancho, Charlotte Ferris and Beth Peterson comprise the banquet committee. The senior gift will be purchased by Wilber Hedquist, chairman of the gift committee, Gloria Springer and Novella Larson.

Pat Troner, chairman, Kathleen Blythe, Shirley Fleming, and Frances Burke will plan the senior trek. Ticket sales committee is made up of Peggy Boyle, chairman, Clayton Trigerio, Florence Shakarian and Blanche Parker. Publicity will be handled by Maurya Wogan and Mary Donlin.

SENIORS ATTENTION

Mr. James J. Hill, university librarian, has asked that all seniors sign up at his office, in the library building, for their caps and gowns. Name, height, chest size, and head size are the items to be filled out on the blank sin Mr. Hill's office.

BORGE, PAILLE, WOLFE ENTER RACE FOR POST OF STUDENT BODY PRESIDENT

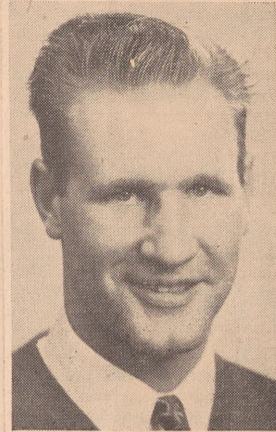

NOMINEES FOR OFFICE OF ASUN PRESIDENT

Hans Wolfe, Lambda Chi.

Harry Paille, SAE.

Jim Borge, ATO.

Switch of Candidates Necessary Wednesday

By Ardis Fitch

With the last minute entrance of Hans Wolfe, Lambda Chi Alpha candidate, into the ASUN presidential race, the competition continues to mount on the campus while the three nominees, Jim Borge, Alpha Tau Omega; Harry Paille, Sigma Alpha Epsilon, and Wolfe, prepare campaign speeches for the rally next Wednesday night in the new gymnasium at 7 o'clock. The primary election will be held Thursday, May 16, in the ASUN building.

Nominated for senior class manager at the Mackay Day luncheon, Wolfe switched to become candidate for ASUN president early this week. When Orsie Graves, Sigma Nu nominee for senior class manager, was declared ineligible by the executive committee, the field was wide open with no candidates. Jimmy Melarkey, Sigma Alpha Epsilon, was nominated for the office, and Graves was later declared eligible.

Reno Student

Harry Paille, a Reno man, first came to the University of Nevada in 1939. In the service, he acted as an executive officer with the 11th tactical air force. His activities include Block N and Sundowners. He played frosh basketball and varsity basketball, and was on the track team. Paille stated in his platform, "If I am elected, I wish to work with the students in order to raise the scholastic average of the university, and yet maintain student extra-curricular activities. Further, I believe in closer cooperation between students and faculty, and I will work for equal representation of organizations on various school committees." His campaign manager is George Gates.

Borge, the ATO candidate, is from Yerington. He is active in Blue Key, Block N, Sagers and Senate. He is an honor student, studying agriculture and economics. The second semester of 1941 saw him on the campus, and he entered the air forces in 1943. With Chenault Flying Tigers, he flew a P-38 in China. Football and track are the sports in which he participates. Borge stated, "If I should be elected, I will try to organize and maintain the strongest student body government possible. In my appointments I will show no prejudice for fraternities or sororities or other organizations. I will back sports and uphold school traditions to the best of my ability." The campaign manager for Borge is Eddie Denton.

Wolfe, Lambda Chi Alpha nominee, said of his platform, "I believe in open student government in which the student feels he is represented. I view student government from the viewpoint of a member of the student body rather than as a politician."

Returned Vet

Wolfe, whose campaign manager is Harley Harmon, is a member of Chemistry Club and Ski Club. He was on the campus in 1940, and entered the artillery in 1942. His rank was that of a staff sergeant. Chemical technology is his major course.

When the executive committee found a clause in the ASUN constitution to the effect that three candidates must run for each office, Jimmy Glynn, Lambda Chi Alpha, was named by the nominating committee to run for senior class manager.

Governor's Medal To Be Awarded Albert V. Kinner at ROTC Review

Governor Vail Pittman to Present Medal At Saturday Ceremony at Mackay Stadium

Albert V. Kinner, freshman student, has been selected as the ROTC cadet to receive the Governor's Medal in a presentation ceremony tomorrow morning in the Mackay Stadium, according to Col. Gilbert E. Parker, professor of military science and tactics.

Annually the medal is awarded to the cadet who has shown proficiency in military training, observance of military courtesy and has received the approval of the professor of military science and tactics. Named for honorable mention were cadets Thad W. Holcomb and Charles R. Short.

Large Review

A large presentation is scheduled with both the university and high school ROTC units participating in a military review on Mackay Field. University President John O. Moseley will present awards to members of the university rifle team. Governor Vail Pittman will make the presentation of the Governor's Medal to Cadet Kinner.

Schedule for the day's program is as follows: 10:30 am, Governor's party and professor of military science will assemble at the president's office. 11:15 am, military review on Mackay Field, 11:30 am tour of campus, 12:30 am luncheon at the university dining hall where there will be a short program of entertainment.

Guests for the day will include members of the university faculty, the board of regents and former professors of military science and tactics here at the university.

DR. MOSELEY SPEAKS

"Oxford University and the Rhodes Scholarship" was the topic of President John O. Moseley's talk at the assembly this morning in the education building auditorium.

Dr. Moseley, who is a graduate of the Honours School of Jurisprudence at Oxford and a former Rhodes scholar, spoke from his varied experiences as an educator. Lantern slides collected by Dr. Moseley during his travels in Europe were used to illustrate his talk.

RADIO OPERATOR TESTS HELD IN RENO SOON

An inspector of the Federal Communications Commission will be in Reno May 24, to hold examinations for all classes of radio operators licenses. Examinations will be conducted in room 323, U.S. Post Office building, beginning at 8:30 am.

Any student interested in these examinations may obtain more information from the Inspector in Charge, Federal Communications, 328 Custom House, San Francisco 26, California.

Students to Address Next AAUP Meeting

Henry Stewart, Dorothy Sewell, Franklin Gardner and Harry Kaul will be student representatives at the next meeting of the American Association of University Professors, according to Dr. Philip A. Lehenbauer, vice-president of the organization.

May 15 is the date for the meeting, which will be held at the home of Dr. Ralph Irwin, 1217 Ralston Avenue.

OBJECTIONS RAISED TO BEHAVIOR LIKE THIS

Taking a detour from generally accepted Mackay Day tradition whereby only men received "lakings," several students hoisted the above pictured coed into the cold waters of Manzanita Lake on the afternoon before Mackay Day. Many on the campus received the incident with stern comment. This and other happenings led to a meeting of students on questions of campus conduct.

The Hot No Sagebrush

Entered at the Postoffice at Reno, Nevada, as second class matter. Published at Reno, Nevada, by the Associated Students of the University of Nevada.

PUT THE RIGHT GUY IN OFFICE
We have little to say about the coming ASUN presidential election. Names of the candidates have been announced. Who we vote for concerns only us—we're not electioneering for anybody.

However, student reaction to the presidential race concerns us deeply. WE DON'T CARE WHO YOU VOTE FOR AS LONG AS YOU VOTE.

Much freedom is given the Nevada student — our leaders have much more power vested in them than do leaders on other camps. We wish to protect and strengthen this power. We cannot do this if students do not take interest in campus affairs. The coming election should see the turn-out of every student on the campus to cast a ballot for whoever he thinks is the best man.

In considering your candidates do it like men and women instead of high school kids. What are his qualifications? What part has he taken in campus affairs? Does he impress you as being a leader? When you've made up your mind—plan the time on Thursday when you can cast your ballot.

Sit down right now and give the presidential candidates a few seconds of your precious thought. Get to the polls Thursday without fail—all students do that and soon you'll see the best man win.

THE WEDNESDAY MEETING
In answer to the many queries raised by students in regard to what "really happened" at the Wednesday students meeting, we believe that at least one good explanation is due.

Those who attended aren't hiding any deep dark secret—all the students know of the activities on Mackay Day—that's just what the group talked about. The outcome of the meeting has been announced. Student leaders gathered and decided that certain definite steps should be outlined for the observance of traditional Nevada spirit. In the definition of Nevada spirit lies the answer to the many questions asked as to what we will do in the future and what we won't do.

The traditional Nevada spirit includes and precludes a number of modes of behavior. A revision before the group, mark the answer to the problem pose before the group.

Other topics of campus interest came into the discussion. These things are the business of each and everyone of you. For any questions which might arise in your mind as to what may be done about this or that phase of student conduct, I refer you to your group leader. He or she will explain it.

Many campus leaders were present at the meeting and should you show a genuine, well-intended curiosity in the thing—one of them will give you the information you ask.

Gothic N Blankets Given to Nygrens

Gothic N blankets, highest women's athletic award, were presented to Maie and Myrl Nygren, according to Ruth Russell, instructor in physical education. The award usually is given to a senior girl who has been most active in WRA during her senior year and who is a member of Gothic N. Because of the equal ability and achievements of both Nygrens, the award was split.

Gothic N cards were issued to four members, Mary Watts Moore, Valerie Scheeline, and Maie and Myrl Nygren, entitling them to attend free all University of Nevada athletic functions for life. The cards were awarded to members of Gothic N who continued active participation in sports and WRA in their senior year.

Gothic N bids were extended to Marianne Wells, Billy Kennedy, Zina Cole and Merrie Jo Harp at the Mackay Day luncheon by Maie Nygren, president of Gothic N.

Life membership in WRA was given to Frances Burke, entitling her to attend any WRA activity that the university may hold.

Theta Chi Elects New Frat Officers

Arthur Johnson became new head of Theta Chi fraternity at the installation ceremonies held May 6 at the chapter house.

Also elected to office were John Bates Jr., vice-president, Frank Y. Simoni, secretary, Don Johnson, treasurer.

Newly elected officers were sworn in by Gordon Mills, former president.

Mackay Day Celebration Declared One of Largest In School's History

By Gene Evans
Highlighting a celebration considered to be one of the greatest in the University of Nevada's history, the Mackay Day luncheon was marked by a record breaking attendance. More than 1000 students and guests packed the new gymnasium to greet Queen Gloria Springer, and to hear former student body president, William "Bill" Cashill, speaker on the occasion of the 33rd annual event.

The luncheon, arranged by Blanche Parker and her committee, was the outstanding attraction of a day resplendent with events planned to honor the foremost benefactors of the university, the John W. Mackay family. Featured entertainment for the affair was the fraternities' and sororities' song teams, which supplied song melodies of many varieties. Also included on the program were announcements of awards for outstanding leadership and achievement during the present semester, and bids to membership in various campus organizations.

Student body office nominations were opened from the floor by Paul Parraquiere, ASUN president. Presidential nominees were Harry Paille and James Borge; senior class manager nominations, Hans Wolfe and Orsie Graves; junior class manager, Robert Durham, Paul Weaver, and Robert Ast; and sophomore class manager nominations, Edward (Eddy) Robertson, Lyle Minor, Bud Bradley, and Bob Consulman.

Bids to the Press club were extended to the following: Paul Weaver, Marianne Wells, Dorothy Thomas, Rex Daniels, Vivian Davis, Max Dodge, Carol Dundee, Alice Etchart, Suzanne Evans, Ardis Fitch, Sylvie Geraghty, William Gillis, Billie Heath, George Hadley Himes, Barbara Olesen, Jac Peterson, Marilyn Reynolds, Elizabeth Seddon, Phyllis Snyder, and Marjorie Swenson.

Nominated to represent the

Block N society on the board of athletic control were Robert "Shag" O'Shaughnessy, Jordan Eliades, Floyd Edsall, and Robert McClure. Bids to the Sagens, women's pep group, were given to Tosca Masini, Ellen Turquist, Genevieve Swick, Gloria Mapes, Rose Nannini, Pat Riley, Evelyn Payne, Alice Etchart, Barbara Mills, Jane Perkins, Vivian Davis, Leslie Harvey, and Dace Ricketts.

Also receiving bids to campus societies were Evelyn Payne and Robert Bruce to the history honorary, Phi Alpha Theta; Zina Cole, Billie Kennedy, Merrie Jo Hary, and Marianne Wells, to Gothic N; Janet Da Costa, Marianne Wells, Ty Short, Dorothy Sewell, and Virginia Cole to the service board, with Rachel McNeil named president.

Other Awards
Frances Burke was awarded a life membership in the Women's Athletic Association for outstanding work in that organization; Myrl and Maie Nygren were awarded WAA blankets for athletic prowess; Alice Etchart, Vivian Davis, Marianne Wells, and Pat Riley were awarded Italic N's for outstanding work in connection with student publications; William Gillis was cited as outstanding sophomore member of the Sagebrush staff; Richard Rowley, Stanley Brown, and Rose

Nannini were recognized for their outstanding work on the advertising staff of the school publication, while Mary Watts Moore was awarded an inscribed bracelet for similar work. Delta Delta Delta was awarded permanent possession of the Pen-Hellenic scholarship trophy, and Maurya Wogan, president of the Associated Women students presented a plaque to Gamma Phi Beta for greatest improvement of scholarship among sororities for the current year.

Costume Ball
Not to be outdone by the history-making luncheon, the climax of the two-day festival, the costume ball held in the Civic Auditorium, proved to be a record-smashing event in its own right. Figures compiled after the last strains of Carl Bruhn's orchestra had faded in to the night, showed conclusively that the Mackay Day dance, 1946, was the greatest ever staged. Not only was the dance the greatest success of the 33-year-old tradition, but attending couples declared it to be the triumph of the school year.

Highlight of the evening was the presentation of trophies to the winning song teams which competed earlier at the luncheon, and awarding of prizes for

beards, costumes, and fraternity and sorority competition. Alpha Tau Omega's song team won over Lambda Chi Alpha in the men's bracket while Kappa Alpha Theta's songsters triumphed in the women's division. Bobby Ravera was named for the best male costume; Novella Larson wore the best female costume. Best trimmed beard belonged to Jack Bernard; Maurice Hagleen's 'bush' was the reddest and George Ross' beard was the thickest.

CORRECTION
Due to a typographical error, last week's Sagebrush stated 505 women will attend the WRA play day at the University of Nevada from other schools, instead of the correct 55.
Play day will be held tomorrow under the co-chairman, Billy Kennedy and Mary Watts Moore.

SF State Noses Nevada in Davis Meet As Wolves Have Run of Tough Breaks

Davis, Fagan Star In 440, 880 Wins

Winning four first places with two men in a three-way tie for first, the University of Nevada thin clad placed second in a four-way meet held last Saturday at Davis, California, home of the California Aggies. Nevada totaled 48 points, being nosed out by San Francisco State with 55 1/3.

Nevada might easily have won the meet if a little hard luck hadn't overtaken them. Jack Swendenborg was comfortably out in front in the javelin throw until Bill Kemp of Chico State College, apparently perturbed at being unable to stay in the shot-put circle, came over to take his turn at the spear. On his next to the last throw he uncorked one 14 feet further than he had ever thrown previously to take first place. To add insult to injury, Grantham of San Francisco State beat "Swede" out of second place by one inch on his last throw.

Tough Luck

Jess Standish, Indiana speedster who has consistently had bad luck at the starting blocks was left way behind the field at the start of the 100 and 220 yard dashes. He dug his way

to third in the 100, just a few inches out of second and a stride out of first. Half way through the 220 he was five yards behind but made the race one of the closest of the day as he pulled into second with less than a yard between the first three places.

Floyd Edsall and Dick Gorman have both cleared higher than Saturday's winning leap in the high jump. Gorman, still bothered by a bad ankle and unable to get his step, dropped out at five-six. Edsall was coasting along easily when he was called to run the high hurdles. He got a bad start in the highs but pulled up to fourth place. Returning to the high jump pit he had to take his three jumps at five feet ten inches without resting and dropped out to tie with Harry Paille of Nevada for third.

Carl Robinson lost his step in the high hurdles and had to run around the first hurdle, thus disqualifying himself. He came from way back in the lows to nearly nip Sheppard of San Francisco State.

Kemp of Chico State did it again when he returned to the shot put ring joking about his winning the javelin and got far enough under the 16 pound shot to beat Max Dodge by four inches.

Davis Wins

Grant Davis of Nevada, who has one of the most beautiful strides seen in these parts, won the 440 by three yards, beating out Foster of Chico, who was favored to repeat his performance in Reno last week. Davis won his race in the back stretch. Running back in fifth place he started opening up with his long, easy, effortless stride. Rounding the final turn, he was on the post in second place. Hitting the back stretch he poured it on to decisively beat Foster out of first place.

Track wise Jack Fagan of Nevada ran the smartest race of the day in winning the 880. Taking an early lead he matched strides with Oakes of San Francisco when the latter made his bid for the post in the back stretch. Oakes pulled about a stride in front not quite enough to take the inside lane on the final turn. Fagan wouldn't give that extra half stride and Oakes

Sigma Alpha Epsilon Holds Formal Initiation, Banquet

Sigma Alpha Epsilon held a formal initiation for 24 new members Sunday, May 5. After the initiation a banquet was held at the fraternity house at 835 Evans ave.

Men receiving pins were: George Ferrari, Charles Goff, Ted Gramkow, Bill Kinnikin, Doug Luff, Charles Mayo, Bob McDonald, Jim McGrath, Bob Mitchell, Jerry Roberts, and Sam Salems.

Paul Salemi, Walter Scott, Leslie Smith, Bob Bedeau, Buzz Etcheto, Bernie Hummer, Roger Olmsted, Lennie Aloy, Pat Francolini, Les Johnston, Floyd Yates, Al Phillips, and Bill Vogt.

had to drop back a good yard or round the corner in the second lane. Fagan opened up in the home stretch and won easily by eight yards.

Jimmy Melarkey cleared 11 feet 6 inches in the pole vault but it was duplicated by two others. A newcomer to the Nevada ranks Gene Bowden looked good as he pushed his way over at the same height as did Upshaw of San Francisco State to end the event in a three-way tie for first.

On his last jump Floyd Edsall won the broad jump with a leap of 21 feet nine inches. Dodge gave Nevada its other first place by winning the discus with a toss of 138 feet, far below previous tosses.

Shag Missed

Sorely missed was Bob O'Shaughnessy, who has one of his good looking underpinnings (voted the best looking male legs on the campus by a group of girls in Artemisia hall) black and blue from the Chico meet here two weeks ago. "Shag" could have added some much needed points in the dashes and broad jump, and a lap on the relay.

Watty of San Francisco State, and Bill Kemp of Chico State were the only double winners. Watty won the mile and two mile and Kemp the shot put and javelin.

Complete results: Mile—Won by Watty, SFS; Hooper, CA, second; Byrne, SFS, third; Murphy, CA, fourth. Time: 4:42.2.

100 Yard Dash—Won by Toler, SFS; Sheppard, SFS, second; Standish, N, third; Robbins, CA, fourth. Time: 10.2.

Pole Vault—Melarkey, N; Boden, N; Upshaw, SFS, tied for first; Hartwig, CA, Cowan, CS, Black, N, tied for fourth. Height: 11' 6".

Javelin—Won by Kemp, CS; Grantham, SFS, second; Swendenborg, N, third; Robinson, CA, fourth. Distance: 172' 7".

440 Yard Dash—Won by Davis, N; Foster, CS, second; Eaker, CA, third; McMahon, CS, fourth. Time: :53.

120 Yard Hurdles—Won by Wain Wright, CS; Sheppard, SFS, second; Foodrich, CS, third; Edsall, N, fourth. Time 16.1.

Shot Put—Won by Kemp, CS; Dodge, N, second; Wilson, SFS, third; Frey, CA, fourth. Distance: 44' 11 1/4".

High Jump—Won by Hol-

Skating Numbers Set for Play Day

California Jaycees To Enter Program

Original roller skating numbers are being worked out by the skating class for WRA play day tomorrow. The skating classes will give a short program after luncheon has been served by Gloria Mapes and her committee at the WAA fire place, Miss Ruth Russell, director of women's physical education, stated.

Joyce Perry and Elma Hand will perform a waltz duet on wheels. A marching tap dance will be given by Beverley Min-

mes, CA; Sanford, SFS, second; Paille, N, third; Edsall, N, fourth. Height: 6'.

Two Mile—Won by Watty, SFS; Hooper, CA, second; Holden, SFS, third; Hill, CS, fourth. Time 10:52.2.

880 Yard Run—Won by Fagan, N; Oakes, SFS, second; Byrne, SFS, third; Williams, CS, fourth. Time 2:05.6.

220 Yard Dash—Won by Robbins, CA; Standish, N, second; Toler, SFS, third; Peterson, CS, fourth. Time: .23.

220 Yard Hurdles—Won by Sheppard, SFS; Robinson, N, second; Holmes, CA, third; Rossi, SFS, fourth. Time: 25.3.

Broad Jump—Won by Edsall, N; Sanford, SFS, second; Shamberger, CA, third; Adkins, SFS, fourth. Distance: 21' 8 3/4".

Discus—Won by Dodge, N; Wilkinson, CS, second; Kemp, CS, third; Frey, CA, fourth. Distance: 138' 8 1/2".

Relay—Won by Chico, Nevada second, San Francisco third, Aggies fourth. Time: 3:32.4.

First Supper Ride To Be Held Sunday

First supper ride of the spring will be held Sunday for members of WRA riding classes and Saddle and Spurs, according to Frances Burke, president of Saddle and Spurs. Other supper rides will be on May 19 and 25, the latter a break-fast ride.

The ride will consist of a one to two hour trip to the hills southwest of town where dinner will be cooked over an open fire. The group will return to town in the moonlight.

or, Joyce Longwell, and Alice Etchart. Group numbers will be led by Phyllis A. Green, Janet DaCosta, Gloria Mapes and Pat Ross.

Teams from Sacramento college at Sacramento, Lassen junior college at Susanville and Placerville junior college at Auburn will arrive Saturday morning to participate in the events.

Bowling exhibitions, archery competition, tennis tournaments, badminton games and riflery displays will highlight the day. The Orchesis club will give a program during the lunch hour consisting of a show of modern dancing technique.

Obey parking rules.

McKinsey to Instruct At Princeton 1946-47

Dr. J. C. McKinsey of the mathematics department has been selected to lecture at Princeton University.

With the ending of the war, Princeton University inaugurated a policy of inviting a few of the outstanding younger mathematicians of the country to come there as visiting lecturers.

Dr. McKinsey will be on the Princeton campus from September 1946 to June 1947.

Missouri College Offers Positions To UN Graduates

The physics department of Washington University, St. Louis, Missouri, is inviting applications from qualified students for graduate assistantships. Prospective candidates should hold a bachelor's degree or should be expecting a degree in June, with a major in physics, electrical engineering, chemistry, or mathematics.

The position of graduate assistant merits a wage of \$1125 for the academic year. Duties consist of instructing in laboratory sections, grading papers and an assistantship in research.

Graduates are normally expected to be candidates for the the M.S. or Ph. D. in physics and to enroll in three-quarters of a full graduate program.

The university offers opportunities for research in nuclear physics, radio activity, X-ray diffraction, discharge through gases, atomic structure, theoretical physics, and in other related fields.

Those interested in these assistantships should make preliminary application by writ-

Dr. Lehenbaur Makes San Francisco Trip

Dr. Philip A. Lehenbaur, head of the department of biology, last week-end visited the Bausch-Lomb Optical Company in San Francisco, which manufactures standard microscopes.

Purpose of the trip, Dr. Lehenbaur said, was to investigate the availability and price of microscopes with the hope that some may soon be purchased for the university, as they have been unobtainable during the war.

Dr. Lehenbaur left for San Francisco Thursday afternoon and returned to Reno May 4.

Large Attendance Promised for Science Convention

Four or five reservations are coming in every day for the American Association Advancement of Science convention to be held on this campus June 17 to 22, according to Dr. George W. Sears, head of the department of chemistry.

Dr. Robert Griffin, acting dean of men, is in charge of making reservations for the visitors, and he expects to be able to find accommodations for all out of town guests. However, it is still impossible to estimate the number of people who will attend the convention, he said.

Further preparation for the final program, including speakers and entertainment, is now being made, according to Dr. Sears.

ing to Robert N. Varney, Department of Physics, Washington University, St. Louis 5, Missouri. A brief statement of qualifications should be contained in the letter. Application blanks will be mailed in return.

Veterans Warned Not to Overcut Classes; Penalties Are Told by Supervisor S. Basta

By Sylvie Geraghty

Veterans who take advantage of the cut system may have a cut made in their subsistence allowance, warned Sam Basta, training officer and supervisor of war veterans, yesterday.

Under the present system of determining leaves, veterans are allowed two and one-half days leave a month of 30 days a year. If the veteran, however, should take more than the allotted two and one-half days of cuts a month, his subsistence allowance will also be cut depending upon how many times he is absent from classes.

Instructions were sent to the members of the faculty, who were asked to make a definite check on the number of times veterans in their classes were absent. Should any veteran found to be absent from class more than three times, his name will be turned into Dr. Robert S. Griffin, veterans coordinator, who will then take steps as directed under federal regulations in making deductions from the veterans subsistence allowance.

The following regulations, as issued from the central office of the veterans administration, are to determine the amount of leave time a veteran may have while attending school under the GI Bill of Rights.

1. Regular holidays shall be defined as all those days during a continuous period of not less than an ordinary school year of three quarters or two semesters (30 to 38 weeks of instruction) when the trainee holds himself available and ready to attend classes but classes are not in session because of the calendar of the training institution.

2. Leave time will not be charged against a trainee for any Saturday, Sunday, holiday or intermission between terms within the ordinary school year on which the trainee has no scheduled classes or exercises or on which days he is not expected to be in attendance in the institution.

3. Any period during the summer months, except short intermissions of a few days between terms, during which period a trainee is not enrolled for and attending classes as scheduled is to be designated as summer vacation period during which time the trainee will be carried in training status for only that amount of leave time if any, which he has accumulated, not to exceed 30 days in any 12 consecutive months.

4. In computing leave time during the summer vacation period, the Sabbath and legal holidays will not be charged against the leave time of the trainee.

5. Leave time will be accumulative at the rate of two and one-half days per month and may be carried over from one academic year to another, but may not be accumulated in excess of 30 days and may not be granted in excess of 30 days during any consecutive 12 month period beginning with the date of a veteran's entrance of re-entrance into training, except that for trainees un-

der Public 16, 78th congress only, leave in excess of 30 days may be granted in "exceptional circumstances" as provided for by paragraphs 2, 3 and 4, Veterans Administration instruction No. 8, Public 16, 78th congress.

Mr. Basta stated that a questionnaire would be sent in the near future to all veterans attending the university asking whether or not they plan to attend summer school, and if so, which session, or if they will attend both. The purpose of this questionnaire will be to estimate the number of veterans that will attend summer school and to expedite their subsistence allowances.

Mr. Basta also pointed out that the facilities of the veterans administration are open to all veterans, and especially to those who may be undecided in their choice of educational courses. He said he would be glad to consult with any veteran who felt he needed any aid whatsoever.

Correll Is Head of Fall Committee

Dr. Robert M. Correll, professor of English, was recently appointed chairman of next year's assembly committee by President John O. Moseley. Dr. Paul Eldridge and the new ASUN president, who will be elected May 16, will comprise the assembly committee to assist Dr. Correll.

For the past few years Dr. Austin Hutcheson, associate professor of history, has been chairman of the group. He resigned from the position recently.

Dr. Albert G. Weiderhold, assistant professor of philosophy and psychology, was the faculty member of the committee for the past year, and worked in conjunction with Paul Parraguire, ASUN president.

Laboratory in a Birch Thicket

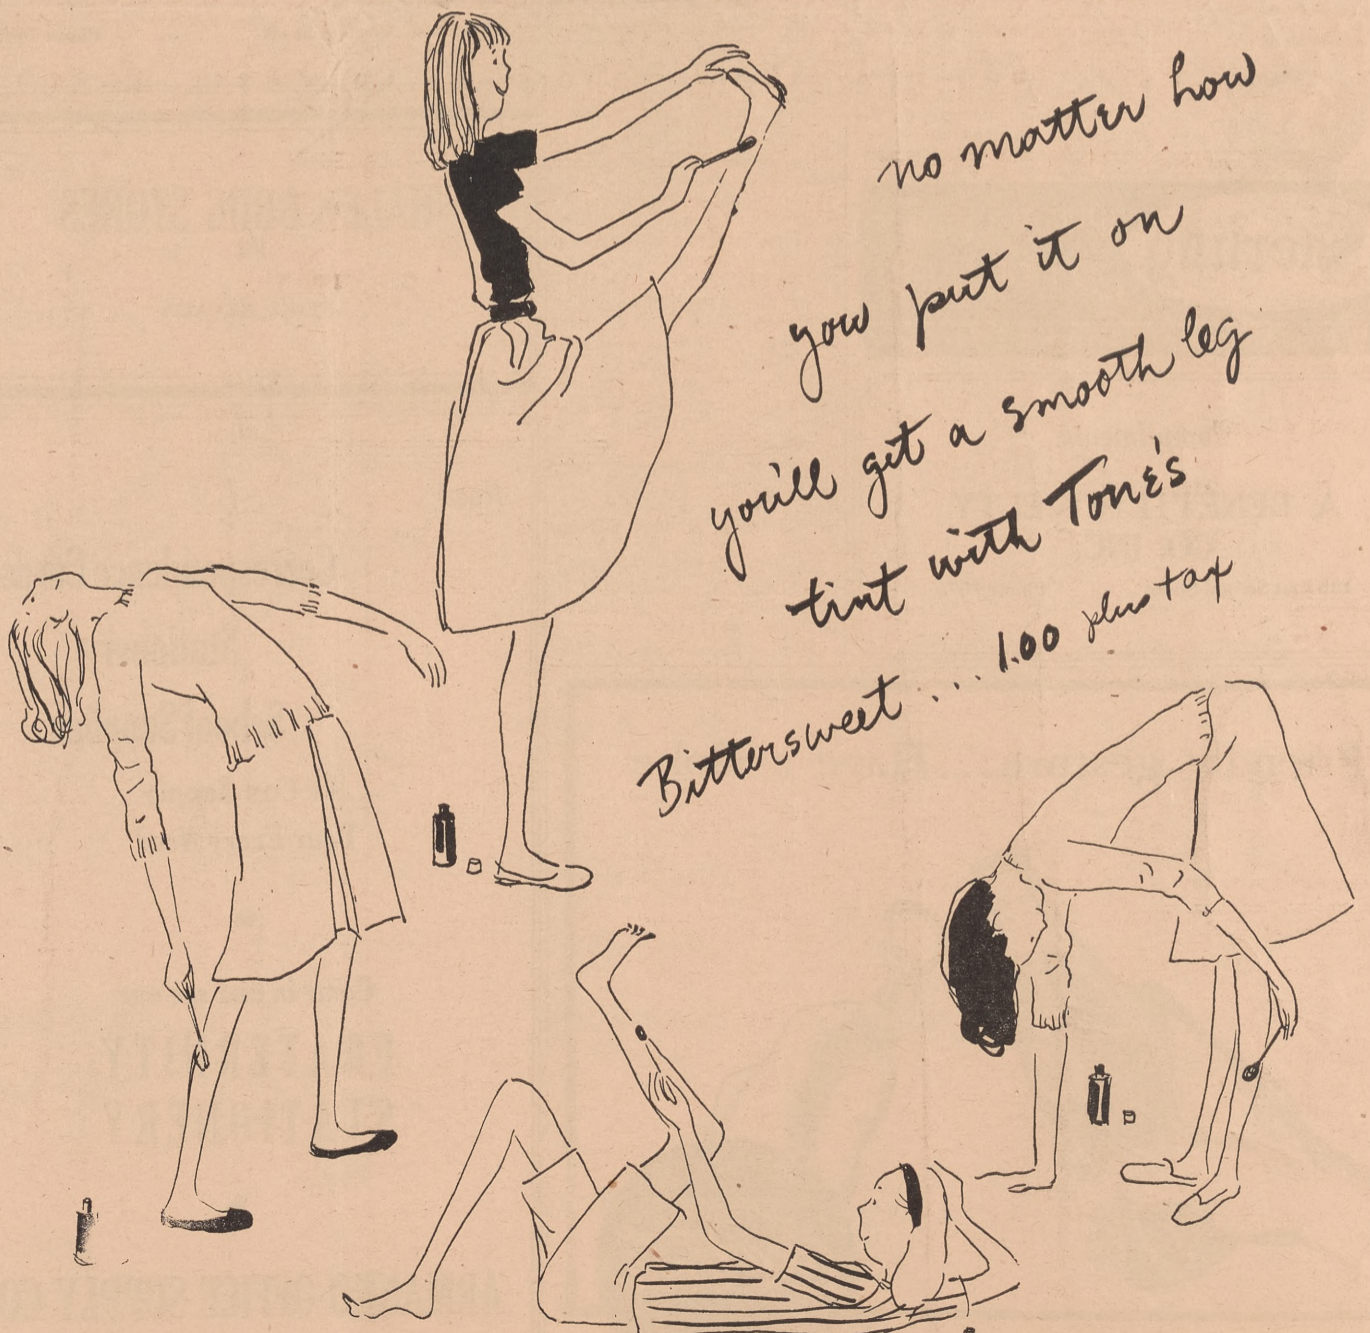

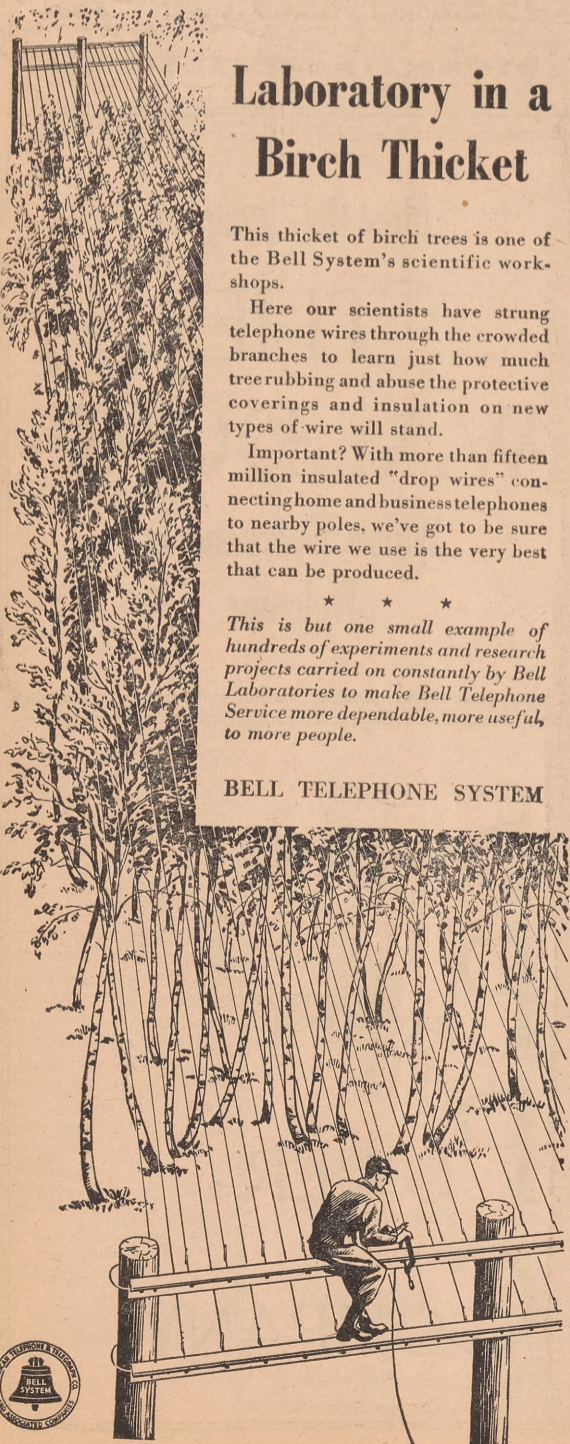

This thicket of birch trees is one of the Bell System's scientific workshops.

Here our scientists have strung telephone wires through the crowded branches to learn just how much tree rubbing and abuse the protective coverings and insulation on new types of wire will stand.

Important? With more than fifteen million insulated "drop wires" connecting home and business telephones to nearby poles, we've got to be sure that the wire we use is the very best that can be produced.

This is but one small example of hundreds of experiments and research projects carried on constantly by Bell Laboratories to make Bell Telephone Service more dependable, more useful, to more people.
