

## WOLVES FACE DONS AT KEZAR SUNDAY

### Senate Appoints Committee Heads For Fall Term

#### Tosca Masini Chosen Head Yell Leader; Dignio Homecoming Chairman

First session of the ASUN senate was held Thursday, September 19, with one nomination necessitating a special session Monday.

In the special session Tosca Masini was reappointed to the post of head yell leader, a position she held last year. Originally the choice was for Johnny Michal, with some members apparently desiring a man in the job. However, Michael was determined ineligible after his class status was checked. Miss Masini was then chosen as the most qualified candidate for the position.

Included in the business transacted at the regular meeting Thursday was a decision to sit students in a special bleacher section in front of the field house. Unavailability of the temporary bleachers which were to be secured makes this now impossible to accomplish.

#### Who's Who

Dr. Robert S. Griffin brought up the subject of nominations for Who's Who in American Colleges. It was decided that each campus organization should submit a list of five or six eligible candidates for nomination to the university committee. Final selection will then be made by the administrative council.

Jim Borge's letter of resignation as Homecoming Day chairman was read. Borge decreed that he had too many outside responsibilities incurred by the death of his father over the summer. Carl Dignio was named as Homecoming Day head.

The ASUN secretary selected was Marjorie Menu. Pasty members of the finance council committee are Dr. Ernie Inwood, chairman, and W. Dillings, member. Helen Bran was named head of the assembly committee, with members including Floyd Edsall, Ty Short, mes Glynn, Marilyn Reynolds and Barbara Mills. The librarian chosen was Pat Ussery.

Hale Tognoni was selected to head the rally committee with members including Carl gino, Bobby Rae, Pat Ross and Warren Hursh.

#### Upperclass Head

Jack Diehl will chair the upperclass committee. Others chosen include Don Hagan, Max Dodge, Bud Bray, Art Johnson, Orsie Graves, George Voss, Bob Youtz, Wer Bedell and John Choy.

Named to head the women's upperclass committee as Virginia Oleson. Membe will be Flo Miller, Mary Lile, Billie Heath, Anna Mae Koer, Alice Williams, Zina Coe and Nona Lee Tuttle.

A 30-student election board, led by Stan Brown, is also selected.

All these choices were made by the nominating committee and approved by the senate.

### Sigma Rho Dea Pledges Seven

Seven men have thus far been pledged to Sigma Rho Dea. They are Douglas Ber, Charles R. Frisbie, Kenneth Goodrich, Irving Hackett, Had Nellis, John A. Orr, and Edwin M. Windsor.

The officers are Hal Wilton, president, Harry Kappert, secretary, Bob Butler, treasurer, Bill Henley, senator and Jacobson, interfraternity representative.

### Joe T. McDonnell Back on the Job

Joe T. McDonnell is back. The graduate manager returned from army duty in the south Pacific to assume his duties. He served as graduate manager from 1939 to 1943, until his enlistment into the armed forces.

McDonnell was a 1933 graduate of the university, and a member of Phi Sigma Kappa fraternity while on campus.

### Regents Meet On Campus to Set Program

#### Building Priority Order To Be Determined in October 11-12 Meeting

The board of regents held its first session on the campus last Saturday, with the state planning board in attendance. Spokesman for the state planning board was Chairman Robert A. Allen, who submitted the organization's long-range project for campus improvement.

October 11 and 12 the board of regents will lay out the plans for requesting funds from the state legislature. A system will be determined upon for attempting to secure appropriations, with primary needs given first consideration.

Both planning board and board of regents agreed that the new classroom building will be located in the hollow southeast of the present campus. This will place it south of the new engineering building and in front of the veterinary building. This location, designated by the planning board, was requested by Dr. John O. Moseley, university president.

#### Virtual New Campus

The proposed improvement building lot will enlarge the campus north of its present limits. A virtual new campus will be created south of the new engineering building and east of the veterinary building. Improved facilities for virtually every school and college on the campus is proposed.

The student union building, according to the board, should be located closer to the university than the plans had specified.

Recommended also was the placement of an auditorium where Lincoln Hall and the infirmary are now located. The dormitory would then be erected in any of several northern spots.

The contemplated live science building caused considerable discussion. Dr. Moseley told the boards that the structure is a vital and very pressing need for a fully-rounded curriculum. Regent Paul J. Sirkegian declared that the edifice would cost from \$650,000 to \$700,000.

Gov. Vail Pittman, ex-officio planning board member, and Sirkegian stated that added facilities for Mackay School of Mines is of paramount importance to statewide mining interests.

#### RESERVED SECTION

First home football game with Santa Clara October 5 will be watched from a fifty-yard line reserved section by university students. Santa Clara will occupy an adjoining portion of the stand, according to Joe T. McDonnell, graduate manager.

McDonnell also reminds those students who haven't picked up ASUN cards do so immediately at the Student Union building. They have to be presented at all campus sport activities.

### DIGNO HEADS FALL FETE

Carl Dignio, Lambda Chi Alpha, will be the head of Homecoming Day's activities this year, being selected by the ASUN Senate. He is a returned marine having served three years in the South Pacific. The assistant chairman is Barbara Mills, Kappa Alpha Theta.

An old feature of homecoming has been eliminated—house decorations. Dignio states that more emphasis can be laid on floats and skits by eliminating this activity.

Balloting for Homecoming Day queen will begin on Wednesday, October 30. Males on the campus, as is the custom, will select the queen, who will be presented with a gift. The nominations must be in by Wednesday, October 23.

The tentative program for Homecoming has been mapped out. On Thursday night the traditional Phi Sigma Kappa street dance will be held. The traditional bonfire in back of Mackay stadium will take place Friday evening, followed by a rally in the stadium.

The Homecoming Day football game against Montana State highlights Saturday's festivities. On Saturday morning at 9:00 the cross-country run will take place.

The Wolves Frolic will be held Saturday evening, and the affair will wind up with the Homecoming Day dance.

### Lewis Nominated For Frosh Manager

#### Campaign Program Begun By Organized Barbs

George Lewis, freshman from New York City, has been nominated for the post of freshman class manager by the Independents. Lewis thus becomes the first nominee for the office, and will run in the primaries on October 10.

The Barbs also selected as campaign manager Macklin Summers, to assist in the race. Charles Lockhart was appointed Summers' upperclass advisor.

Three other possible candidates were considered by the organization at the initial meeting Monday.

#### Social Manager Added

Other business transacted at the session included the creation of the office of social manager. Gerry Park was temporarily appointed to this position, the first office added.

Robert Craig, 1946 graduate and former Barb president spoke briefly. Both he and the current president, Martin Rissard, expressed confidence that the Independents will have the most successful year in their history.

### Artemisia to Hold First Meeting on Wednesday Evening

The staff of the 1947 Artemisia will hold its first meeting Wednesday evening, October 2, at 7:30 in the ASUN building. All students interested in applying for positions on the yearbook should attend this joint business and editorial meeting.

Max Dodge is the editor of this publication, while Rose Nannini is the business manager.

Last year's Artemisia will be distributed as soon as the entire order has been published. The shortage of material has held up the publication, according to Alice Etchart, last year's editor.

#### THEY'LL TACKLE THE DONS

These are the men who will probably start Sunday's game for the University of Nevada Wolf Pack. The line from left to right includes Dodge, re; McClure, rt; Talcott, rg; Sullivan, c; Chuffi, lg; Sharkey, lt; Gillum, le. In the backfield are Bass, rh; Rude, f; Mirabeli, q; Kalmanir, lh.

### Intramural Sport Arranged at Meet Of Fraternity Men

#### Softball Added, but No Kinnear Points Given; Cross-Country Back

Prof. J. E. Martie, director of the men's physical education department, called a meeting of sports representatives from each of the seven fraternities Monday and organized the fall intramural sports program.

Sports definitely decided upon were horseshoes (singles and doubles), tennis (singles and doubles), softball, volleyball and basketball. Although softball has never been played intramurally, it was decided on during the meeting. No points are to be awarded the winners toward the Kinnear trophy; but if the project is a success this year, it will receive Kinnear points during the coming years.

All games and matches are scheduled for 4:00 pm and forfeits shall be called if one team is delayed longer than 4:05 pm.

The annual cross-country race will be revived Homecoming Day. Contestants for this event must have their names on file in the office of Professor Martie or Chet Scranton of the physical education department by October 7, and must report for training every day prior to the running of the race.

#### No Limit

Martie said that there is no limit to the number of contestants eligible. The race is approximately a four-mile run, beginning near Sparks High School. It starts westward on Fourth street, executes a sharp right turn, and ends with a lap around the Mackay Stadium track.

Anyone who has been excused from physical education by the university physician is ineligible to take part. Also, any veteran who is registered under Public Law 16, should visit the dispensary to under-go a physical checkup.

Representing their respective fraternities were Hale Tognoni, Theta Chi; Roger Brander, Sigma Alpha Epsilon; Matt Clemashevski, Phi Sigma Kappa; Tom Cross, Lambda Chi Alpha; Fausto Mentaberry, Sigma Nu; Chub Drakulich, Alpha Tau Omega; and Bob Butler, Sigma Rho Delta.

#### HALLMEN ENJOY PICNIC AT ZEPHYR COVE BEACH

Residents of Lincoln Hall held their annual get-together picnic last Sunday at Zephyr Cove. In this affair, a traditional party revived for the first time since the war, games were played and refreshments served. Over 70 students participated in the event.

### Wolf Pack Short-Enders Against Dons; First String Declared Fit for Tilt

#### Dodge, McClure, Rude Expected to Pace Nevada in Kezar Grid Battle

#### NOTICE

Registration will close Saturday, September 28, at noon. No courses will be added after that time.

Jennette C. Rhodes Registrar

### Enrollment Hits Peak of 1681

With 24 hours to go before the close of registration, the total enrollment of students has reached 1,681. These figures were received from President John O. Moseley's office.

Of this total, there are 1,175 men, 862 of whom are veterans, and 506 women. Thus men outnumber women more than 2 to 1, something the campus has not experienced since the fall semester of 1940 when the enrollment reached 1,142.

Last semester's enrollment figures reached their peak in February, 1946, with a total of 1087 students. There were then only 400 ex-service men registered, less than half of this semester's total.

Out-of-state students make up a part of the university's student body. Last year two exchange students from Norway were registered. This semester, the exchange students were two young women from Greece. There are also students registered from China, France, Denmark, and Norway this semester.

### Students Handled In Record Time

"During the semester registration, 360 students were processed per hour at the peak of the rush," revealed Dr. Charles H. Gorman as he relaxed after the deluge of registrants.

"We could have handled at least a thousand more students if it had been necessary. After the first day we learned how to keep the line moving through the office by separating the veterans who had only to present their cards and pick up a receipt from the students who had to make financial settlements."

While he tinkered with the master clock, resetting the schedule of bell-rings to conform to the special Friday schedule, Dr. Gorman requested aid from the student body, in the form of suggestions of how the comptroller's office can further speed up the flow of students through the finance section. Suggestions can be jotted down and handed to one of the clerks in the office.

### Train Derailed By Lack of Time

Plans for a special Nevada train to carry students to the Nevada-University of San Francisco football game Sunday, October 29, have been abandoned because of lack of time in which to complete details necessary for the trip.

Jack Diehl, Doug Trail and Gene Mastroianni are negotiating for a special train for Nevadans planning to attend the St. Mary's Wolf Pack clash on October 27. Miss Elaine Mobley, dean of women, and Dr. Robert S. Griffin, dean of men, have given assurance of their cooperation in securing transportation for members of the student body who wish to go to the game.

Jim Aiken's University of Nevada Wolf Pack will take the field against the Dons of San Francisco in the city by the Golden Gate Sunday afternoon. This game marks the first appearance of both clubs on the grid-iron this fall, and the tenth meeting between the two schools.

The Dons this year shape up as one of the best squads on the Pacific coast. Coach Chipper Smith, mentor of the San Francisco eleven, declared that "You can't win them all, unless you win the first one." From a look at his lineup, he is apparently in a favorable position to win them all.

Clipper this year has experienced men three deep in all positions. Such standouts as John Sanchez, 246-pound left tackle and all-coast in 1942, and Ed Kaminsky, 205-pound center who played most of his football with Notre Dame before going into service are on USF's roster.

Other Dons who will see a lot of action are Vince Pacevic, highly regarded fullback, and Forrest Hall, halfback, well known for his exploits with the Del Monte pre-flight service team during the war.

Nevada has been made a short-ender in bay region betting, but can't be counted out of the picture. Max Dodge, Buster McClure and Lloyd Rude, mainstays from last year's squad, and performers in the East-West clash, are expected to lead the Pack attack. Other highly-rated performers in Nevada's lineup include Bob "Cyclone" Sullivan, little All-American from Union College, and Bill Bass, high-scoring back.

Coach Aiken declared that except for the guard posts his first string is pretty well set. Reserves are pressing the varsity candidates so closely that they will probably get an opportunity to play a lot of ball themselves.

In the last contact work before the game, reserves Ted Kondel and his running mate, Johnny Subda, proved that they are (Continued on Page 5)

### SAE Has Large Pledge Group

Rushing activities informally began for Sigma Alpha Epsilon when the organization sponsored a barbecue for all new men students on September 15.

The following Wednesday another barbecue was given for the rushees. The date of formal pledging activities has been set for September 30.

Officers of the fraternity are Jack Diehl, president, Bob Steele vice president, John Etchart, treasurer, and Bill Kornmayer, secretary.

Pledges so far include Duane E. Berning, James S. Bolander, Norman V. Booth, Roy F. Bowers Jr., John W. Boynton, William P. Brush, David G. Bywater, Russell W. Cafferata, Ingvar Christensen Jr., Roland Christensen, Thomas Clifford, Charles R. Cross Jr., Pat Emery, James F. Freeman, Earl P. Gilmore, Paul K. Goen, John A. Holloway, Robert R. Karrasch, August Landucci, Louis K. Lanning, Andrew R. Larsen, Robert T. Larsen, Robert N. Lawson, Darrell D. Luce, Shearl G. Nielson, Walter H. Prugh, Richard Edwin Pursel, Charles N. Sablesberry, Edward J. Sharkey, Kenneth A. Shaw, Eugene Elva Smith, Frank J. Sala Jr., Lawrence M. Sullivan, Neal A. Sprague, John W. Sweatt, Jerome A. Tracey, Robert P. Uecker, Jerry B. Wyness, and William A. Zecher.

# The Hat of No Sagebrush

The opinions expressed in the editorials of the Sagebrush are those of the editor and do not necessarily reflect the viewpoint or any other individual or of any campus organization.

### SENATE TROUBLES

The ASUN senate is one of those unfortunate organizations that is never discussed when it is right, but criticized all over the campus when it is wrong. We've done it, ourselves; in fact, we did it in a piece on this page last semester. We will continue to do it, when the occasion warrants. But today we'd like to say a word or two in its defense.

Senators are not supermen and women, but just collegians. Like every other collegian on the campus, they make mistakes. Sometimes the parliamentary procedure is fouled up. Sometimes a measure is passed or rejected which does not meet with general favor.

In the instance of the head yell leader, we are inclined to disagree with our friend the letter writer. We believe that the woman selected meets with more general approval than would any other candidate.

It is unfortunate that the final decision had to be reached at a special session. It is too bad that hasty action was taken in the first place. Remember, though, that this is the first year for many of these senators, and that opening meeting contained more business than anyone could digest easily.

We believe in all student activities, including the senate, getting "on the ball." But we don't condemn a mistake too harshly this early in the term.

### THE CHIPS ARE DOWN

Ordinarily at this time of year some exuberant lads start the perennial slogan, "This is Nevada's year," with all the confidence of a gambler putting his money on Joe Louis. We haven't heard or seen too much of that this fall so far. Probably, like us, most of the student body is holding its breath until Sunday and saying, "We hope this is Nevada's year."

Make no mistake about it, that USF game is the most important one on the schedule. There may be more powerful teams on the Pacific coast. We're playing a couple that could be better than the Dons. But this is the first one, and on this battle will be judged.

Our Wolves have decided to go out and make a name for themselves on the gridiron in the past few years. Schedules have been progressively tougher season after season. The old care-free days when we played a round robin with California Aggies and Fresno State and nobody's blood pressure outside of the student body went up very much are gone.

We like it better this way—if the school can stay near the pace. Close games with SFU, St. Mary's and Santa Clara will make everybody happy. We'll have proven ourselves worthy of tackling the big time boys, under the existing setup.

One-sided battles as we had in the days of less palmy material when we were half of a bargain doubleheader against the University of California, are the biggest worry. For instance, Tulsa and St. Mary's did a pretty thorough job on Nevada last year, which was calculated to ruin our disposition completely.

There is no reason for a repetition. The material this year has been described by men who ought to know as the best in the school's history. The coaching staff seems satisfied with the outlook.

Sunday should tell the story. If we can clip the Clipper, then this will shape up as a very rosy football season indeed.

## Vinocour Named to Head Debate Squad; Veterans Will Form Nucleus of Team

Seymour Vinocour, 1943 graduate of the University of Southern California and new Nevada English instructor, has been chosen to handle debate work at the University of Nevada.

Vinocour, with an AB degree, cum laude, was selected because of his outstanding record in intercollegiate forensics and because of his notable scholastic record as an undergraduate.

Vinocour has won the Pacific coast championship in debating, oratory, extemporaneous speaking, after dinner speaking, and dinner speaking. He also won the national championship in extemporaneous speaking.

The former captain of the USC debate squad is also a member of Pi Sigma Alpha, Phi Eta Sigma, Delta Sigma Rho, and Blackstonian.

While serving in the United States Army during 1942-43 (he held the position of assistant property custodian for the U. S. military government in Korea).

**Experienced Men Chosen**  
Debaters, chosen because of their previous experience, include Bruce Anderson, John Diehl, Gordon Hawkins, Arthur Johnson, Jack Millinger, Huling Ussy, Ray Walling, and Bonnie Yturbe.

Pairing off according to their ability and preference, the debating squad will emphasize extemporaneous and declamation speaking, and oratory. Since the long absence of a debating team on the campus, plans are in progress to rebuild it to its former status.

The national debate question for the year is: "Resolved: That labor shall be given a direct share in the management of in-

dustry." Washington State, Oregon State, University of Washington, California, Stanford, Idaho, Southern California, Nevada, Arizona, and California at Los Angeles are members of the Pacific forensics league which the Nevada team will meet.

During the second semester a tournament will be held in Tucson, Arizona, with the University of Arizona presiding as host.

Around the latter part of November it is hoped that a tournament can be arranged with the Western Association of Teachers of Speech. Vinocour expresses his hopes that the top debating team will have a chance to engage in cross country debates, previously invited by arrangement.

There are also plans being devised to put on programs for local clubs.

Members of the team are to meet every Wednesday evening from 7 to 9 in the Hall of English.

### FIRST AID CLASSES OFF; LITTLE INTEREST SHOWN

Classes in first aid have been discontinued this semester because of the lack of interest, according to Miss Elsa Sameth, head of the department of physical education for women.

Miss Sameth added that the first aid classes will be offered again next semester, open to both men and women. A Red Cross first aid certificate and one college credit may be obtained from the six-weeks course.

### Letters to Editor

Dear Editor:

The recent senate meeting and the actions of the student body president in the selection of the head yell leader on the hill has brought about a great deal of discussion—some good and some very bad. I personally discussed the situation with the student body president but the results were quite unsatisfactory. However, I do admire Mr. Wolfe's viewpoint as I am certain that he was sincere and was attempting to do what was right. But there are too many inconsistencies.

In the first place, the original panel presented by the nominating committee contained the names of three persons—two men and one woman. The general consensus of opinion seemed to favor a man as head yell leader. One of these men was then elected by senate vote. It seemed then that certain elements were dissatisfied by this vote and a subsequent investigation was made as to this man's class status. He, as well as the other male candidate, was declared ineligible because of his class status. According to this source, an upperclass man and no other will hold this position. (Sec. 6, ASUN constitution.)

With this in mind, an action came from the floor of the senate to the effect that since these two men were ineligible, a motion to reconsider the original panel would be in order. Back again at the start. The panel must be disapproved by a two-thirds vote of the senate. In the meantime John Sweatt (a senior, was nominated, but his name rejected until this disapproval forthcoming. The panel went through by a nine to four vote, and the woman now holds office.

Well! This is no slam against this young lady; she had worked hard. But let us consider some of the other aspects. In the first place, as I understand it, the emergency clause of the ASUN constitution still remains in effect. The students have not yet voted it out. On this basis, the reconsideration action taken by the student senate was entirely out of line. As I further understand it, this action was pushed by our ASUN prexy. He stressed the constitution on other phases of the situation, but would rather overlook it in this respect. So—the two men candidates were

### First YWCA Meet Scheduled Tuesday In Education Bldg.

The first meeting of the YWCA will be held Tuesday night, October 1, 1946, in the education auditorium. All girls on the campus are urged to attend. The topic of discussion will be "The Atomic Age" and its spiritual, intellectual, moral, and cultural effect on our youth will be related.

Professor James R. Van Dyke head of the school of mechanical engineering, Professor Rueben Cyril Thompson, head of the department of philosophy, and Miss Elaine Mobley, Dean of Women, will be the principal speakers at this discussion.

slapped across the teeth.

A word for young Sweatt — John served as student yell leader in 1943 before he was called into the service. He was replaced at that time, by the very girl who now holds the position. Sweatt, after leaving the university was yell leader at UCLA while pursuing a service-connected course of studies and also at the University of Idaho under the same circumstances. I do not say that willful discrimination was made against this man, but surely his talents and his former position at the university have been completely overlooked.

Why cannot the senate get together? Why not give these candidates a tryout and choose on ability rather than personal feelings and politics? Let the students have a chance to decide. And please don't try to tell me that the senate action was indicative of the student body's feeling.

JACK DIEHL.

Plot your schedule before you register.

### FRAT PRESIDENTS

Dean Griffin's office has announced that the newly elected presidents for the fall semester of the seven local fraternities are: Alpha Tau Omega, Edward F. Beaupeurt; Sigma Rho Delta, Hugh Wilton, Jr.; Phi Sigma Kappa, William H. Ebert; Theta Chi, Arthur W. Johnson; Sigma Nu, M. D. Fairchild; Sigma Alpha Epsilon, John W. Diehl; Lambda Chi Alpha, Turk Elia-

### DORMS ARE CROWDED

Eighty men now occupy the two veterans' dormitories, and approximately 40 are housed in the old gymnasium. Lincoln Hall will soon be ready for full occupancy, with additional students being allocated the space still available. The dormitory will house three men in every room but two.

### Collegiate Couples Exchange Vows in Recent Ceremonies

#### Fletcher, Roush Latest In August Series of Weddings

Many Nevada students, former students, and alumni have taken the marriage vows within the past few weeks.

Miss Charla Fletcher, graduate and Phi Beta Phi, was married to Lyle Roush, Lambda Chi Alpha president, on Wednesday, September 11. Roush will complete his college course next January.

Two prominent former students were wed September 8. Dorothy Savage, Kappa Alpha Theta, the first woman student body president on the campus, and also head of AWS, exchanged vows with Bill Patterson, Jr., on Sunday, September 8. Patterson, now connected with his father's clothing store, was a Sigma Nu while enrolled in school.

Several romances were consummated in marriage on Sunday, September 1. Louise Wogan, Gamma Phi Beta, was mar-

#### NOTICE

James J. Hill, director of libraries at the University of Nevada, has announced the library hours for the fall semester as follows:

7:15 am till 9:30 pm, Monday through Thursday.  
7:15 am till 5:00 pm, Friday.  
8:00 am till 12:00 Saturday.  
2:00 pm till 5:00 pm Sunday.

ried to William Doyle, Richmond, California. Both will continue their university studies. Betty Avansino, a Phi Beta Phi while attending Nevada, was married to S.A.E. Melarkey is senior class manager and prominent on the basketball squad. He will graduate next June.

Also exchanging vows September 1 were Josephine Frey, prominent Reno girl, and Ray Swingle, mining student who will continue his studies this semester.

Kathleen Kinneberg, Delta Delta Delta, an university graduate, was betrothed to Addison Millard of Carson City on August 25. Millard, an ATO, was just released from the army and may resume his studies in the spring semester.

August 31 saw vows exchanged between Lola Frazer and Louis Spitz, prominent alumni. Spitz is now connected with the Reno police force.

### Blue Key Social Packs New Gym

#### Bruhn's Ork Plays For 750 Students

Opening the social season on the campus for the fall semester, Blue Key's semi-annual "get together" dance packed the new gymnasium last Friday evening with about half the enrolled student body.

This no-date informal dance is presented at the beginning of each semester to afford new students the opportunity of getting in the social swing. Name tags were worn by the 750 students to reduce the necessity of introductions. Carl Bruhn's six-piece band furnished the music and the couples furnished the proof that Jim Borge, president of Blue Key service organization and his dance committee had scored a hit on the social calendar.

#### Receipts Total \$350

Receipts at the ticket booth reached the \$350 mark. This money will be added to the service fund of the organization which publishes the student directories, enforces campus parking and assists in student rallies.

Dance committee members, headed by Jim Borge, were Warren Adams, Carl Diggins, Jim Glynn, Bob Hoyer, Noel Willis and Paul Yparaguirre.

#### BAILEY TO INSTRUCT WOMEN'S PE GOLF

After an absence of four or five years, golf has returned to the campus. It will be coached by Jim Bailey, assistant football coach, as a part of the women's physical education courses.

Miss Ruth Russell is teaching courses in bowling, swimming, badminton, archery, and tennis, while modern dance is under the direction of Miss Jacquelyn Van Gaasbeek. Miss Elsa Sameth, head of the department, is instructing the girls in conditioning.

### Mershon Heads Loan Department Of Campus Libe

Recent changes in personnel at the university library were brought about by the resignation of Mrs. Alene De Ruff. Mrs. De Ruff, previously the head of the loan department of the library, has accepted a position with Reno junior high school. Miss Georgia Ann Mershon, previously of the catalogue department, is now head of the loan department at the library.

Mrs. Julia Huflbut Enck, a new member of the university library staff, has been appointed as a full time assistant in the catalog department. Mrs. Enck is a graduate of the Pratt Institute of New York City.

### Recent Graduate Now Math Teacher

A 1946 graduate of the University of Nevada, Mrs. John H. Carter, is now serving as a full-time instructor in the department of mathematics. Mrs. Carter is the former Charlotte Ferris. While attending Nevada, Mrs. Carter was president of the Math Club and was a member of Phi Kappa Phi.

Another addition to the mathematics department is Dr. O. G. Owens, formerly of Berkeley, California. He received his education at the University of California, where he obtained his B.S., M.S., and Ph.D. degrees.

Joseph Weihe, another University of Nevada graduate, is serving as a graduate assistant in the mathematics department. He is working for a master's degree in mathematics.

### Women's Tennis Play Starts Next Week

The campus women's singles tennis tourney is slated to begin next week. WRA stresses the point that all players are invited to participate, whether or not they are of championship caliber. Sign-up sheets will be posted on the bulletin boards. Tournament seedings will be announced on the bulletin board in the new gymnasium.

WRA (Women's Recreational Association) plans to send several girls with an interest in tennis to California schools for Play Days, a feature of the national organization's program.

### Clure to Lecture to Home Ec Group

The Home Economics department is planning a series of varied activities in the next month, according to Miss Mildred L. Swift, head of the department.

On Friday, Miss Swift, president of the Nevada Economic Society, plans to attend a meeting of that group in Sacramento.

October 1, Dorothy Clure, professional demonstrator for the Evaporated Milk Association who is touring the western colleges and universities, will give a lecture and a demonstration in the Agriculture building, Room 108, at 1 o'clock. This meeting is open to the public.

Wednesday October 2, the presidents of the College Home Economics clubs will meet in Davis, California for a "work day." Miss Dace Ricketts will represent this campus.

Included on Miss Swift's staff are Miss Jessie Pope, assistant professor; Miss Elizabeth Wingrave, instructor; Miss Virginia Carroll, and Mrs. Penelope Rice, lecturers.

### First WRA Meet Slated for Monday

First meeting of the WRA will be held Monday, September 30, at 4 pm, with the emphasis on tennis aspirants. On that day there will be two sessions for rifle shooters, at the rifle range, to be held at 4 and 5 pm. On Tuesday dancing scheduled for 4 pm and volleyball at 5. Both these activities will take place in the new gym.

All women students are invited to attend the sessions. Fees will be charged for only two events; riding, \$10 per semester, and rifle club, \$3 per semester. Miss Ruth Russell will instruct the riding classes.

### Parking Rules Effective Monday

#### Blue Key, Upperclassmen To Enforce Provisions

Regulations regarding parking of vehicles will be rigidly enforced this semester, declared Noel Willis, chairman of the parking control committee. Enforcement agencies are Blue Key and the Men's Upperclass Committee.

Here are the regulations, which will go into effect Monday:

Faculty and staff cars will be assigned parking areas adjacent to their class-rooms or office buildings.

Upperclass cars may use the lots north of the extension building or of the electrical engineering building.

Upperclass cars may park in the stadium parking lot and around the new engineering building.

No parking is allowed on University Avenue, or other campus driveways.

#### To Operate Booth

Monday through Friday of next week Blue Key will operate a booth to register or re-register all ASUN cars. This booth will be open from 9 am to noon and

### Initial Band Meet Brings Sixty-Five Players Into Fold

Sixty-five candidates turned out for the first rehearsal of the university band on Thursday, September 19. Professor Theodore H. Post, music department head, reported that many more bandmen are expected before the band's first appearance at the Santa Clara game.

Among contemplated trips this year are jaunts to San Francisco for the St. Mary's contest at Kezar Stadium, and an appearance at Carson City in the Admission Day parade. The group will play at all local university football tilts, rallies, the Homecoming Day parade, and other campus functions.

Seventeen former band members have already signed up this semester. According to Professor Post, tardy musicians may have to wear old type uniforms, since the newer regalia is available only in limited quantities.

1 pm to 4 pm on the designated days.

Any student violating these regulations will be fined \$1.00, which must be paid to the comptroller. Students not paying these fines will not receive their grades until such debt is paid. Appeals should be made to the men's upperclass committee at their regular meeting.

Fines are imposed for parking in no parking areas, for encroaching on staff or upperclass areas, for blocking exits from parking lots, and for failure to register cars. The Reno Fire Department will remove all cars that are not registered and consistently use university parking areas.

Nevada is the friendly campus. On the hill it's hello.

Watch the bulletin board.

### Fifteen Members Added to Staff Of A&S College

#### Nine Teachers Signed Up In English Department; Parker Appointed

Fifteen members have been added to the college of arts and science faculty this semester. An even greater increase is expected, announced Dr. Frederick Wood, dean of the college.

Nine new appointments have been made in the English department, declared Dr. C. G. Laird, department head.

One of the new members is Dr. Robert Hume, former assistant professor of English at Purdue University. He holds a PhD from Cornell University as well as a law degree from Stanford. He has had much of his poetry and prose published and is now working on a book about Henry Adams.

Another addition to this department is Dr. Maxwell D. Edwards, who recently received his doctor's degree at the University of Illinois. He has done freelance writing in New York and was editor of an anthology of English entitled, "Types and Times in English Literature." Formerly assistant English professor at Drake University, Doctor Edwards also instructed English at the University of Illinois. At one time he was assistant professor of English at Assuit College in Egypt.

#### Parker Signed

Also joining the ranks of the English department this year is John Parks, instructor. He holds a BA from Texas Christian University and is working on his master's degree.

Dr. Elizabeth Wilkie is a new instructor. She has a BA from Wilson College, an MS from Yale and a PhD from John Hopkins.

Mrs. Mabel Brown, wife of Dr. H. M. Brown of the education department, is instructing English. She has had considerable teaching experience in Nevada high schools.

Another of the new English assistants is Mrs. Johnnie Belle Gorrell, who is a graduate of Cornell University.

Debate and speech champion S. H. Vinocour is also instructing in the English department. He was Pacific coast debate and extemporaneous speech champion and once toured the country with the University of Southern California debate team.

Three other assistants in the department are Miss Lucille Shea, former Nevada student, who majored in chemistry and English and is a member of Phi Kappa Phi, scholastic honor society; Miss Janice Swan, holder of a B.A. from Stanford, and present director of the Reno Little Theater workshop; and Mrs. Mary Urrutia, Nevada graduate of 1936.

The foreign language department is increased by the addition of instructors Miss Mary Ancho, Joseph V. Greco and Alex Dandini DiCesena.

New appointments in the school of business include Walter Palmer, Jr., instructor, and Ellis Chadbourne, also an in-

### YWCA Opens Rec Room in Artemisia

Barbara Jane Thompson announces that the YWCA has opened a new recreation room in Artemisia Hall for women students and their dates. There is a piano and phonograph with both classical and popular records. The room will be used for dancing, cards, and as a library and study.

Hours are from Monday through Friday 4:00 to 9:00 pm; Saturday, 1:00 to 10:00 pm, and on Sundays from 2:00 to 9:00 pm.

The room is located in the basement of Artemisia hall and may be entered by the door next to the driveway.

Supervisors for the room are needed, Miss Thompson added. Any women interested should get in touch with Pat Ross in Artemisia Hall or Eileen Sweeney in Manzanita Hall.

structor in economics, business and sociology.

The journalism department received one new member, Keiste Janulis, Lehigh University graduate, who studied abroad for two years and earned his M. S. degree at the graduate school of journalism, Columbia university. During the war Mr. Janulis served as a foreign correspondent for the Chicago Tribune and other publications, and then in an editorial capacity for the Foreign Broadcast Intelligence Service and the Office of War Information in Washington, New York, London and the European continent.

### Mining Dept. Adds 2 Members

Two new professors have been added to the teaching staff of the Mackay School of mines, according to Dr. Jay A. Carpenter, director. They are Allan Cree, geology department, and B. F. Couch, secretary to the State Bureau of Mines. Mr. Couch has been on leave of absence since June, 1943.

Doctor Carpenter spent the summer traveling over the western states, attending the Association of American State Geologists in South Dakota and the American Mining Congress in Denver, Colorado.

Dr. Harry Wheeler, associate professor of geology and geologist for the state bureau of mines, spent two months in

the field with Byron Hardie, 1941 mining graduate and former student body president. This student body is the largest in history. Let's make it the best.

## Grays Outscore Blues in Tilt

Nevada's Wolfpack staged a preview of "things to come" Saturday afternoon in Mackay stadium. Playing before more than 100 spectators, both sides unleashed an array of offensive power. The Greys, with potential first-stringers forming the nucleus, won 34-27, but a hard-fighting Blue squad won the cheers of the crowd.

Long runs, plenty of passing, and scoring galore keynoted the afternoon. The players were hard to identify, because there were no programs available.

One of the standouts at the practice tilt was Mike Mirabelli, quarterback from Las Vegas and a former New Jersey player. He served notice that he will be an asset via the airlines with his passing arm this year.

### Subda Stars

Jimmy Subda, another New Jersey product, and his high school teammate Ted Kendel, demonstrated their ability at broken-field running. Subda made the longest touchdown run of the day, a jaunt of some 65 yards. Other backs who impressed were Turk Eliades, Tommy Kalminar, Bill Bass,

## Campus Rifle Club To Start Term With 100 Members

The University Rifle Club is starting the new semester with an expected strength of 100 members, according to Col. Gilbert E. Parker, director of the organization. Martin Rissard will continue as president of the group.

Election of new officers will be held at the first meeting in October. Betty Rice will be women's director of riflery for WRA.

Women's classes in rifle marksmanship will be divided into two sections this semester. These sections will meet Monday and Wednesday afternoons at 4 and 5 o'clock.

Schedule of the men's classes is still to be announced. There will be no shooting this week because of construction on the range. The capacity of the range has been increased from seven to twelve targets. Carrier targets are being installed to add to both the safety and efficiency of the target range.

Johnny Hattala, and Jess Standish.

Defensively Horace Gillam, big end on the Gray squad, came up with several slashing tackles. Both sides showed need of polish defensively before tackling USF Sunday.

Coach Jim Aiken appeared satisfied with the showing the squads made. The only major injury was sustained by Bill Mackrides, who dislocated his left shoulder.

The mixer and social are musts.

"Is there no hope, doctor?"  
"It depends, madam, on what you are hoping for."

## Wolf Pack Short-Enders

(Continued from Page 1)

going to be hard men to keep out of the lineup. Jess Standish, Dick Traboc, and lineman John Simon's continued to stand out in the last practice session.

### Leave by Bus

The Nevada team will leave for San Francisco Saturday with a party of 38 players and will make the trek by bus. A large-sized rooting section from among townspeople and students will be on deck Sunday from all advance information.

All students will be able to secure tickets at Kezar Stadium if they have their student body cards with them. Kickoff time is slated for 2:30 pm. Tentative starting lineups for the two teams follows:

### USF

## Football Stands Not Available

Because temporary bleachers necessary for seating Wolf Pack student rooters could not be obtained, the University of Nevada was forced to drop plans for selling season reserve tickets for the 1946 home football games, announced Joe T. McDonnell, graduate manager.

The expected bleachers, which were to have been erected at the north eastern end of Mackay Stadium, were planned to seat the entire student cheering section, leaving the main stadium to be devoted to downtown patrons, including those holding season reserve tickets.

Refunds will be in the mail shortly to fans already possessing the reserve tickets, declared the athletic control board through McDonnell.

## ATO Sets Pledging For September 27

Fall rushing activities began for Alpha Tau Omega fraternity on September 23. Dinners and get-togethers have been held for the rushees and the date of formal pledging set for September 27. Officers of the fraternity are Edward Beaupert, president, Eddie Denton, scribe, and Darwin Farnsworth, Jack Swedenborg, Warren Hursh and Bob Laxalt hold various other offices.

At last count there were 52 men residing in the house at 205 University Terrace, but the fellows seem quite willing to move over and make room for some of the new pledges.

Pledges so far this week are Warren Adams, Clifford Banta, Thomas Bell, Edward Bosler, Clark Bray Jr., Neal Corbett, Nobel Crew, Ray Ellis, Ed Emerson, Daniel Hellwinkel, Fred Hilt, Ward Hinckley, Alvin Houghton, Frank Johnson, Walter, Johnson, Robert Kent, Robert Kerr, David Kinneberg, David Lewis, George Magee, John McCulloch, William McQuerry, James Miller, Gene Mills, Emmett Munley, Louis Nannine, Emil J. Ott III, Bill Pelter, Robert Pierce, Fred Polish, Glenn O. Pridge, Franklin K. Rahbeck, Donald Smales, John Smales, Joseph Gobin Smales, William M. Stoops, Robert Charles Sum-

## NEW SWEATERS READY FOR GOTHIC N GROUP

Members of Gothic N, women's honorary athletic association, will soon be seen at the Friday assemblies in their new jackets, blue with white Gothic N insignia.

Since registration there has been no meeting of the organization, but Pat Riley, president, said that one will be held after rushing, within two weeks.

# Prof. Paul Harwood's Resignation Highlights Summer Campus Activity

### Dr. Griffin, Miss Mobley Are Named To Dean Positions on Campus

Prof. Paul A. Harwood's resignation, and the reasons he announced for the move, was perhaps the most interesting summertime development in campus affairs.

Prof. Harwood's differences with the administration were over the Dean of Men appointment. The English teacher maintained that during the pre-war years he had been groomed for the position under previous university presidents. He cited the mastership of Lincoln Hall among other executive posts he had held.

President Moseley replied he had recommended Dr. Robert S. Griffin because of his experience as acting Dean after Dr. R. C. Thompson had resigned because of ill health. Dr. Griffin, the university president declared, had fulfilled the duties of the office in a satisfactory manner and thus was qualified for the recommendation.

Harwood was a 1924 graduate of the University of Nevada and joined the faculty in 1927. He was named an asso-

ciate professor of English in 1930, and had been on leave of absence since 1941, serving as commander in the Navy.

Another important appointment during the period was the selection of Miss Elaine Mobley, who was chosen Dean of Women. She has served in a similar post at Placer College for the past 10 years. The acting dean has been Mrs. Alice B. Marsh, who was given a leave of absence for advanced studies in nutrition and food economics. She will carry on her graduate work at the University of California, Mills College in Oakland and Iowa state.

Building developments on the campus took their share of the spotlight during the summer, too. Thirty-nine car-loads of barracks, totalling eight two-story apartments for married vets, was received from Van Port, Oregon. So far work on these barracks has not been completed.

The quonset huts next to Stewart hall were constructed, now housing the offices of the registrar, dean of men, and veterans' advisor. Also completed were the five huts in back of the new gymnasium, which are used for storage of equipment.

Addition of the basement of the athletic training quarters for living accommodations was also made. Thirty men are now housed in this unit, most of them football players.

On July 6, Mr. R. B. Jenson, veteran's administration official announced that the university will receive \$5.93 per student

## Alumni to Conduct Prize Contest for Homecoming Day

The alumni will conduct a drawing between halves of the Homecoming Day football game against Montana State November 2 and some fancy prizes will be offered.

No one will turn down a 1946 Buick super-sedan—that's one of the awards. Two Westinghouse products, a Laundromat washing machine and a console radio, are also going to lucky winners.

Tickets sell for \$1.00 and all frats, sororities, and the Independents who participate in selling the tickets get back 10 per cent of the proceeds. Special awards will be made to the house with the top ticket seller.

Proceeds will go toward helping to build up alumni chapters within the state.

## ATO, Phi Sigs Win

Alpha Tau Omega and Phi Sigma Kappa fraternities took an early lead in the fight for the interfrat athletic championship and the Kinnear trophy Thursday afternoon as both clubs won their openers in tennis and horseshoes.

ATO's Pete "Rabbit" Bridgen, from Fort Lauderdale, Florida, showed good form in downing Vern Brown from Sigma No. 5-7, 6-1, 6-2 in the first tennis match of the season. The Phi nosed out SAE's Bob Larsen 6-4 6-4.

In horseshoes, the Tau's Dick Peck defeated Roger Branham of SAE 21-8, and 21-5. Aaron Dunn, Phi Sig took Sigma Rho's Ken Olinghouse 21-15 and 21-7. Everett Curress of Sigma Nu downed Eddie Gomes of Theta Chi 21-3 and 21-12. The Lambda Chis gained a forfeit when the Independent representative failed to appear.

ATO and Phi Sigs have two victories apiece to their credit, while the Lambda Chis claim one event. The Theta Chis, Sigma Rhos and Independents received one loss each. The SAEs suffered a double setback.

credit hour for every veteran enrolled during the spring semester, making a total of over \$40,000. An additional contract was to be made for the fall.

The state board of agriculture offered the use of a Reno race track clubhouse to the university during the summer. The edifice was gutted by fire some years ago, and its remodelling would be a difficult procedure.

## Quonset Quarters Ready for Dean

Offices of the dean of men were moved to the quonset hut area today, according to Dr. Robert S. Griffin. The new quonset hut will house the dean of men's office, the counselor for the veterans of the campus, and the alumni association.

Keith Lee will be the new head of the veterans administration in the university offices. He is a 1933 graduate of Nevada, and was ASUN president during his senior year. He has recently returned from five years' duty with the armed forces.

Dr. Griffin announced that there were 36 veteran families living in the trailer court, with many other married ex-service men looking for accommodations in Reno.

## Sororities Begin Rushing Season

Largest number of sorority rushees in the history of the University of Nevada began rush week on Sunday, September 23, when 143 women students attended the general observance tea held in the chapter houses of each of Nevada's four national sororities. Rush week ends officially at 2 pm on Saturday, September 29, at which time each woman entering a sorority shall have signed her bid.

In addition to the general observance tea each sorority held five addition parties two of which were teas, two dessert hours, and the preferential dinner on Friday evening.

Active and alumnae members of Delta Delta Delta will honor their new pledges at a banquet at the Trocadero on Saturday

evening and Kappa Alpha Theta will have its banquet that same evening at the Riverside hotel. Pi Beta Phi will have its pledge banquet on Sunday, October 6. The place is yet to be named. Gamma Phi Beta has not yet announced the time and place of its banquet.

Rush chairmen are Virginia Cole, Delta Delta Delta; Ardis Fitch Andrain, Kappa Alpha Theta; Betty Walker, Gamma Phi Beta; and Florene Miller, Pi Beta Phi.
