

Rally, Dance Tonight Begins Big Weekend

Featuring a Sager torchlight parade led by the university band and a dance sponsored by Blue Key, the first post-war pregame rally will raise the curtain on the Mackay stadium football season this evening.

At 6:45 pm the Sagers, with their oil-soaked burlap torches, will form in front of the Gamma Phi Beta sorority house on Sierra street. With the snappy, 66-piece "Wolf Pack" band in the lead the parade will wind up sorority row to Ninth street, then across to Virginia and past Artemisia hall to the parking lot of the new gymnasium.

Following the parade, the program in the new gymnasium will get under way with numbers by the band. Coach Jim Aiken and co-captains Max Dodge and Buster McClure will let the students in on what the team hopes to do to Santa Clara.

Yells Introduced
Tosca Masini, with her prospective leaders, will introduce some of the new yells to the students at the rally. Throughout the program the Sagers, under the coaching of Ty Short and Bill Buck, will interrupt the program with short skits.

Concluding the rally will be a dance under the sponsorship of Blue Key which will begin right after the program. Johnny Bradley's six-piece band will provide the music.

"Bob Durham, master of ceremonies, really has a colorful and diversified program planned. We will open the gates of Mackay stadium with a terrific bang," declared Hale Tognoni, rally committee chairman.

Members of the committee are Carl Digno, Bobby Rae, Patricia Ross and Warren Hursh.

"The bigger the crowd that joins the parade at the Gamma Phi house this evening, the merrier the rally will be, so get out the noise makers and join the fun," Tognoni concluded.

University Hires Full Time Doctor

For the first time in its history the University of Nevada has a full time doctor. The new physician is Dr. George R. Magee. A native of San Francisco, Dr. Magee is a graduate of the University of California at Berkeley where he received his medical degree.

In 1923 Dr. Magee established practice in Yerington, Nevada, where he continued until 1941. Dr. Magee later specialized in eye work and from 1941 to 1945 did graduate work at Washington University in St. Louis, the University of Colorado, and Dartmouth Eye Institute.

In addition to his duties as university physician Dr. Magee teaches a weekly class in hygiene.

CAMPUS EXCHANGE IN STEWART HALL

YWCA has announced plans for a university exchange library in the Stewart hall recreation center Monday through Friday. The office will be open between 1 and 3 pm under the direction of Eileen Kerr.

Second-hand textbooks may be exchanged through the office of Miss Barbara Thompson, "Y" secretary. YWCA girls interested in working in the exchange may contact Miss Thompson at her office.

PRESS CLUB TO MEET

Press Club, organization for junior and senior journalism students and members of the staffs of campus publications, will meet sometime next week.

Richard Armstrong, president of the group, said these meetings will be held monthly. Future plans will be discussed in next week's meeting.

Enrollment Hits 1716 at Deadline

Men Outnumber Women More Than Two to One

A total of 1,716 students, 906 of them veterans, had registered for the fall semester by Saturday, September 28, when registration was completed, according to figures released by Mrs. Rhodes, registrar. Of that total 1,189 are men and 527 are women, making a ratio of approximately 2.25 men per woman.

The increase in enrollment over last year, nearly 150 per cent, is believed to be greater than those of any west coast college. Previous enrollment high was the fall semester of 1940, when 1,142 students were registered.

The all time low in enrollment at the University was in 1943 when there was a total of 412 students, practically all women.

BLUE PEPPERS PLAN DEBUT

Blue Peppers will perform at Saturday's first home game when Nevada meets Santa Clara, reported Gloria Mapes, leader of the squad. At meeting on Tuesday and Thursday, routines were worked out and practiced by about 70 women who belong to the group. Miss Mapes said that 90 women signed up by that probably only 70 will remain active.

Elimination of the militaristic drills which have identified the organization in the past is planned, although it will remain under the military department. A drill master will be appointed later by Colonel Gilbert E. Parker.

Miss Mapes hopes to obtain new uniforms which will carry out the university colors.

Later on, routines to be performed between halves of basketball games will be developed. Plans are being made for members to spell out letters with blue and white cards in the stands.

Blue Peppers were originally connected with the band. As both organizations grew, the pp squad came under the jurisdiction of the military department.

Many Jobs Open For Students on Nevada's Campus

Many good opportunities for work on the campus or in town are on file in the dean of women's office. Most of the jobs are clerical, Dean Elaine Mobley added.

On campus, the art department needs men and women as models for the life class on Tuesdays and Thursdays between 1 and 3 pm. Applicants need not be Greek gods or goddesses and modeling is done in campus clothes. Applications will be received in the dean of women's office, and an appointment with the Art department will be made at the same time.

Also a young woman is needed to supervise in the YWCA Snack Bar from 8 till 12, Monday through Friday. The committee would like to hire a special student or a veteran's wife, whose mornings are free. She will be assisted by a staff of volunteers who change every hour as classes meet.

Candidates Named For Class Manager At First Assembly

Six Frosh, Four Sophs Make Race; Sig Rho Wins Award

Candidates for freshman and sophomore class managers were introduced at the first student assembly held this morning. Frosh candidates are Harry McKissick, Sigma Nu; Ed Drennon, Phi Sigma Kappa; Norman Olsen, ATO; Art English, Theta Chi; Jack Francovich, LXA; Bob Larson, SAE, and George Louis, Independents. Sophomore candidates introduced were Bob Steele, SAE; Eppie Johnson, Theta Chi; Franklin Gardner, ATO, and Sinclair Melner, Sigma Nu.

Sigma Rho Delta was presented the fraternity scholarship cup by Dr. R. E. Griffin, dean of men. Circle N riflery awards were given Donald Johnson, team captain, Donald Metzger, Robert Durham, Gerald Lokke, James Clarkson, Edward Denton, Benjamin Lewis and John Helstowski for 1945. Roger R. Olmsted and Donald Johnson received the awards for 1946.

Homecoming committee chairman Carl Digno presented a report from his committee, outlining the affair.

President Wolfe announced that a pep rally, including showing of SFU movies will be held this evening, and that there would be open house at Lincoln hall following the game tomorrow.

Frosh football manager candidates were asked to see Eppie Johnson, football manager, to try out for the position. Rooter caps for students will be sold by Sagers, it was announced.

Keith Lee Explains Veteran Provisions For Student Welfare

Offices of the veterans administration will remain open from 8 am to 4:30 pm every day, Monday through Saturday, announced Keith L. Lee, counselor for the university. All ex-service men are urged to air their problems with the advisor.

Any veteran who has made a change of address should fill out a card at the vets' office to avoid possibility of confusion. Veterans who have married recently and have sufficient proof of the ceremony will be reimbursed by check soon, provided they have been receiving only a single subsistence allowance.

Vets who attended summer session should receive a full subsistence check for September, despite the two weeks lapse in school time. Some ex-service men who attended the session on three-fourths subsistence allowance will receive the same amount for September. The added amount will be paid by check at a later date.

Those men entitled to subsistence checks should receive them by October 15. Others will receive allowances when their certification has been completed.

Military Dept. Moves To New Gymnasium

Completion of arrangements for moving the military department offices to the basement of the new gymnasium was made this week, announced Colonel Gilbert E. Parker, head of the military department.

Both the offices and store-rooms will be located on the north side of the music room. At present all classes are being held in the basement of the old gymnasium but part of these will be changed upon the completion of quonset huts being constructed for military classroom use.

Who's Who Lists Received by Dean

Nominations from all sororities and fraternities of candidates for "Who's Who in American Colleges" have been received in the office of Dr. Robert S. Griffin, dean of men, according to Miss "Be Be" Leeds, secretary to the dean.

Because of the illness of Dr. Griffin, no action has been taken on these nominees. No information will be given out until the dean returns.

Miss Leeds said that the nominees would probably be checked for eligibility to the honor and approved names will be forwarded to the administrative council for final selection.

STUDENT ASKS TO RESIGN FROM ASUN

Freshman Disagrees With ASUN Constitution, Senate Is Told

George D. Bennett, a freshman requesting that he be permitted to resign from the ASUN because of disagreement with constitutional provisions, aired his opinion before the student senate last Wednesday. Under questioning, he declared that he was willing to abide by the rules, but did not think they should be stated in the constitution. He was advised to conform to ASUN rules on the campus.

Homecoming committee members, as approved by the nominating committee, included Bill Gillis, Donald Drown, Doug Trail, Howard Doyle, Frank Bacitalupi, Donald Metzger, Barbara Mills, Tosca Masini, Roma Gardner, Winona Earl, and Alice Williams. The panel for sophomore class manager included Bob Steele, Franklin Gardner, Sinclair Melner and Eppie Johnson. The panels were accepted. Wolfe announced that election expenditures will be limited to five dollars.

Pat Ussery, historian, was advised that a wooden binding for the scrapbook would be satisfactory and that \$25 would be a reasonable amount.

Wording of the amendment to pay the ASUN president was explained. According to its phrasing, the finance control board will have discretion of the amount to be fixed. The provision will be voted on in the student body.

Hale Tognoni, rally chairman, outlined the program for Friday evening.

George Voss was named to replace Bob McClure on the men's upperclass committee. Nona Lee, Tuttle will take Girard Parker's position on the women's upperclass committee. Jimmy Ryan was named to the election board.

Theta Chi Adds 13 to Pledge List

Theta Chi has pledged the following 13 men, according to the list of names turned in to the office of the dean of men this week. Pledges are Glenn L. Caldwell, William B. Charles, Glen H. Chipman, Frank G. Crescenzo, Donald A. Damkroger, Arthur English, Galen P. Hopkins, William C. Irish, Jack Pelizzari, Edward E. Sanders, John W. Smith, Anthony Leone Triguero, and George Zappetini.

Additional pledges are expected to be announced before rushing season is over.

ORCHESIS TO HOLD MEET

Orchesis, the college dance club sponsored by the women's physical education department, will hold its first meeting Tuesday evening, October 8. All campus women interested in the dance are invited to attend the meeting.

WOLF PACK, SANTA CLARA MEET IN MACKAY OPENER

Frolic Kick Chorus Revived This Year

Skit Heads Appointed By Greek Groups

A pre-war feature of the Wolves Frolic will be revived on the stage of the Granada Theater November 1 with the presentation of a 16-girl kick chorus. Formerly holding a prominent part in the frolic, the chorus will present a routine at the beginning and ending of the show.

A special cup for all campus organizations other than Greek letter groups will be presented this year. This cup is expected to create greater interest among non-fraternal organizations to participate in the frolic.

Tosca Masini, chairman of the 1946 frolic, has announced that Bob Hoyer, senior student who served as business manager of the 1942 Wolves Frolic, will serve in that capacity this year. The 1942 stage crew director, Dick Joplin, will also hold the position in the 1946 show.

Sorority Heads

Chosen to represent the sorority groups are Joyce Nielsen, Delta Delta Delta; Helen Brania, Gamma Phi Beta; Carol Riley, Kappa Alpha Theta, and Vivian Davis, Pi Beta Phi.

Fraternity representatives are Chuck Charlton, Alpha Tau Omega; Bob Creveling, Cambda Chi Alpha; Ed Drennon and Bob Harder, Phi Sigma Kappa; Al Phillips, Sigma Alpha Epsilon; Nick Jackson and Ron Shaw, Sigma Nu; Larry Paglia, Sigma Rho Delta, and Sam Backus, Theta Chi. Gerry Parker is representing the Independent's organization.

Specialty act tryouts will be held next week with the time and place to be announced by Miss Masini. Several of these acts are needed to fill in between the skits presented by the organizations.

Frats, Sororities Schedule Parties

Social functions swing into high gear this weekend as many campus organizations have parties planned for their newly acquired pledges.

Alpha Tau Omega is holding a tea for all sorority pledges today. Saturday afternoon Lincoln Hall will hold its traditional first-game open house, and on Sunday all Pi Phis are invited to a social given by the Sigma Rhos. A hayride is planned by Phi Sigma Kappa in honor of their pledges Saturday night. Theta Chis are staging a weiner roast and a dance at Galena creek after the game Saturday.

Fraternities are not the only clubs active this weekend.

Both Kappa Alpha Theta and Delta Delta Delta have scheduled pledge dances for Saturday night. Gamma Phi Betas are holding their pledge banquet Friday night at the Trocadero. Also, Pi Beta Phi is having a joint initiation and pledge banquet on Saturday night.

WEAR YOUR DINK!

Attention, all first semester freshmen! If you are wearing the traditional "dink"—fine; if not—be aware. The upperclass committee, through President Jack Diehl, announces that beginning Monday, October 7, tickets will be issued to all incoming freshman not wearing "dinks," who will answer to the upperclass committee.

Sagers Play Role In Friday Affair

Sagers tryees will be able to secure several hours of credit during the rally and parade Friday night, according to Bill Buck, president of the organization. The group will assist in both the parade and the dance to be held in the new gym after the rally.

Al Cecchi and Sinclair Melner were nominated for the office of treasurer in the organization. Jack Swobe was elected chairman for the Sagers' part in the Wolves Frolic.

No Sager tryout can become a member without a minimum of 15 work hours, the service organization decided at Tuesday's meeting.

Arrangements have been made with the Reno fire department to clean the bleachers in the stadium with fire hose.

New Pledges Are Named To Fraternities

New pledges to University of Nevada fraternities have been added this week, and registered with Dean Robert S. Griffin in his office. Lambda Chi Alpha and Phi Sigma Kappa have released their lists of pledges for the first time.

Pledged to Lambda Chi are Hale L. Baker, George B. Beamman, George H. Benson, Joseph John Berrueta, Robert F. Bonduant, William George Bowden, Jr., John Webster Brown, Drake Delaney, Thomas W. Collins, Alan G. Dondero, John Patrick Foley, Jac Francovich, Tom H. Gallagher, Peter Galli, Jr., Mario Gildone, George W. Hoggan, Orville L. Holderman, Robert C. Horton, Willis John Ireland, Sam Kafoury, Robert Holm Kennedy, John Brice Leggett, Malcolm Gene Matteucci, Alvin C. McCuiston, Albert Joseph McFadden, John De F. Montgomery, Marvin Eugene Piccollo, James William Jorter, H. Sidney Robinson, Harry Donald Rovetti, Walter D. Wright, Jr.

Phi Sigs Pledged

Phi Sigma pledges are James Clarkson, Joseph Dini, Jr., Gene Donaldson, Ray William Gibson, Ugo Giorgi, Jr., David Michael Heher, William A. Horton, Ted Kondel, Larry McGowan, Edgar W. Middleton, Ernest Morley, Robert G. Reeves, Lloyd E. Rude, Edward D. Shayotavich, Kenny Sinofsky, John Subda, Robert A. Taylor, Richard Tilton, Frank Ward, James Wilson.

SAE'S additions since last week's release are John Echevarria, Harold E. Jenkins, George R. Nelson, Franklin P. R. Rittenhouse.

More Sigma Nus

Additions to Sigma Nu are George R. Cann, Murray Dolan, Dick Eason, James Rodney Eason, James C. Esola, Robert E. Garrett, Baldwin Galloway, Don S. George, Clarence D. Holman, Kay Johnson, Robert Dean McCuiston, Howard F. McKissick, Jr., Richard K. Mills, Charles Shields, George Story, Joseph A. Vodneck.

Additional Alpha Tau Omegas are Dow L. Carter, George Robert Groth, Glen Eugene Menu, Norman Otis Olsen, Harry Swanson, Eugene Wait, John William Wedge, Jr., James Jubel Wright.

Sigma Rho Delta added Raymond G. Aiazzi, William Richard Devlin, Gerald E. Knowles, Edward Morrice, Jr., George J. Ornas, Richard B. Piccini, Kristian Tønning, Roscoe Kay Vassar, Houston Wheeler, Jr.

Aiken's Eleven Favored After SFU Performance

Broncos Twice Winners Of Sugar Bowl In Pre-War Years

For the first time in history, the University of Nevada enters a grid game as favorite over Santa Clara. After the good showing made against the University of San Francisco last Sunday, authorities are placing their chips on the Wolf Pack this Saturday at Mackay stadium. Kick-off time is 2:30.

However, Coach Jim Aiken has warned his players that they are not going against a push-over this weekend. Santa Clara has always had good football teams, having been invited to three bowl games and twice knocking out their opponents in the Sugar Bowl classic. In the Wolves' last encounter with the Broncos in 1934, Nevada suffered a 40-0 setback.

Santa Clara was defeated by Fresno State last Saturday 20-7, but that defeat was suffered without the use of their two first-string backs, Bill Prentice and John Klarich, who were on the sick list.

No Serious Injuries
Luckily, the Wolf Pack came out of last week's encounter with no serious injuries. Bill Bass, star of Nevada's backfield Sunday, suffered a slight charlie horse, but has it worked out now and will be all set for the game. There will be no change in the lineup except Bill Copher, who will start at left guard instead of Tony Chuffi who has dropped out of school.

Various mistakes were brought out in the movies of the USF-Nevada game showed to the team on Tuesday. Aiken has been stressing these mistakes in scrimmage this week. Seriously lacking in the last encounter was downfield blocking and pass protection. It remains to be seen whether or not these mistakes have been ironed out.

In weight the Nevada team has the edge, outweighing Santa Clara about 12 pounds to the man on the line and spotting them five pounds in the backfield.

Amber Safe, Sound And Lusty In Campus Library

A malicious rumor has been circulating around the University of Nevada campus to the effect that Amber, of Kathleen Winsor's Forever Amber, has been abducted from her residence just east of Manzanita lake; namely, the library.

Upon investigation, however, a Sagebrush reporter found this wandering miss of the 17th century safe at home and receiving guests. Instead of the 190 persons waiting in line for Amber as the rumor also stated, she is slowly becoming a wall flower. The lure of such textbooks as American Literature, Analytical Geometry, English Composition, and Governments of Europe, are dimming the aura of glamor that once surrounded the bewitching Amber.

TICKETS ON SALE

Season football tickets are now on sale at the comptroller's office for faculty members and permanent staff.

The books of ducats for the Wolf Pack four home games—Santa Clara, Arizona State, Montana State, and Santa Barbara State—are selling for three dollars.

HOW TIMES CHANGE!

Old grads probably never thought they'd live to see the day when Nevada would be favored over Santa Clara. Yet that is just what has happened this weekend. It seems hard to believe.

Of the Wolf Pack's performance in the San Francisco game, and the dumping of Santa Clara by Fresno State, those odds make sense. However, Santa Clara may have a vastly superior team to field this weekend. A couple of star backfield men who were out of action last Saturday may be set to go tomorrow, which could make a difference.

We'll be very disappointed, however, if the Pack doesn't wrap this one up. Eye-witness accounts of the Frisco game indicate that the Pack really has it this year. They play heads-up ball all the way and don't fold in the clutch—and that alone is a trait many another Nevada eleven has lacked.

Pacific coast sports writers, usually wont to sneer at our eleven, went overboard with rave notices this time. The scribes declared that San Francisco is all it's cracked up to be, and Aiken's gridders are far more powerful than anyone expected.

That rosy picture we spoke of last week looks like it might turn into reality this year, after all.

Biology Building Plans Soon Set, Moseley Declares

Housing Shortage as Bad As Classroom Lack At University

The sum of \$20,000 granted by the Federal Works Agency to be applied to the estimated \$446,800 cost of the new biology building has been employed for architect's fees, and plans for the building will begin at the earliest possible moment, stated Dr. John O. Moseley, university president.

Final plans on the "live sciences" building and other long-range building needed by the university will be outlined at the next meeting of the board of regents which will take place on October 11 and 12. The state planning commission will also be represented at this meeting.

Housing Tough

Housing the 1,681 enrolled students is equally as pressing a problem as finding classrooms for them. The abundance of men places a grave problem on Dr. Robert S. Griffin, dean of men, in his attempt to provide facilities for the single men and the veterans and their families.

Seventy-two bachelors reside in two dormitories in the Highland Terrace, War Housing project. The normal capacity of these two dormitories is sixty and has been stretched to accommodate the largest possible number.

Out of the one hundred and fifty men students that Dr. Griffin had planned to house in the old gymnasium, only forty-nine are actually residing there. Dr. Griffin added that "some of the veterans had lived in barracks so long that they just couldn't take it anymore."

More than Twice

Lincoln Hall has more than

First Chem Club Meeting Announced

"All chemistry majors and those interested in chemistry are invited to attend the first meeting of the chemistry club to be held Tuesday, October 8 Dr. J. E. Moose, faculty adviser for the group said this week.

The meeting will be held in the Mackay hall of science at a time to be set later.

Membership in the chemistry club is open to all chemistry majors, while other interested in joining may become associate members, who may participate until their membership equals that of the active members.

Officers for the current semester include Shirley Campbell, president; Lois Hitchens, secretary; Joan Matcovich, vice president; and Walter Everett, treasurer.

BETTY TRACY TO HEAD MATH CLUB THIS TERM

Newly elected officers of the mathematics club are Betty Tracy, president; Sinclair Melner, vice president; and Joan Natcovich, treasurer.

Regular meetings will be held on the second Thursday of every month, with the first session scheduled October 10. The business meetings will be supplemented by talks delivered by outstanding speakers in the field.

twice its normal allotment of students. Assigning three men to a room was necessary to take care of the 126 men. "The only reason we haven't facilities in the basement is that paint and plumbing shops and their supplies occupy that part of the building," concluded Dr. Griffin.

Thirty-four veterans and their families are housed in the university-sponsored Federal Public Housing Trailer project located on West Second street.

"We considered it our patriotic duty to take the maximum number of students and even though we are under-staffed, short of facilities, and lack adequate housing, we plan to do the best job of training with what we have on hand," stated Dr. Moseley, after outlining the conditions of the building program.

Basic, Advanced Courses Planned By Military Head

Starting the new school year with about 200 men signed up for military courses, the department is prepared to begin a complete post war elementary and advanced ROTC program at the university, according to Col. Gilbert E. Parker, professor of military science and tactics.

Advanced courses are being offered for the first time since 1943. At that time Infantry was the only advanced training course given but now an Air Force program has been added to the department's curriculum. Only the first year of advanced instruction is offered during the 1946-47 school year. Elementary courses covered during the first two years are common to both branches.

All men who have had a year's military service, regardless of branch, and who did not hold commissioned rank are eligible for either of the advanced courses. Non-veteran students having completed the required two year elementary course are also eligible. Men completing the advanced instruction will receive a reserve commission as a second lieutenant in the respective branch of training in which they were enrolled.

Credit Given

Three hours credit is given for each semester completed in advanced work in addition to two hours credit for the summer camp period. Military is accepted as a minor in the college of arts and science.

In charge of all elementary training for the military department is Lt. Col. James C. Smeed infantry. Lt. Col. Martin F. Peterson, air corps, will head the advanced air corps instruction. While in over all command of the ROTC department Colonel Parker will also supervise the training of the advanced infantry course.

The University of California really had an early bird at registration. He was waiting at 9 pm the evening before the office opened.

Teddy Hicks Leads Membership Drive

Teddy Hicks, chairman of the membership drive of the YWCA on the Nevada campus, is launching a campaign for new members by personally contacting prospects.

Committee members aiding in the drive are Doris Hansen, Delta Delta Delta; Eileen Kerr, Gamma Phi Beta; Leslie Harvey, Phi Beta Phi; Gloria Haley, Kappa Alpha Theta; and Barbara Thompson, Artemisia. Any girl interested may locate Teddy Hicks or Barbara Thompson in the YWCA office in the basement of Stewart Hall.

WOMEN'S GOLF IS RESUMED AFTER FOUR-YEAR LAPSE

Golf for women has been resumed by the physical education department after a four-year lapse, according to Miss Elsa Sameth, head of the department. Jim Bailey, varsity backfield coach, is doubling as instructor in golf. The classes, held Tuesdays and Thursdays at one, will continue all semester with practice on the athletic field near the tennis courts and regular games on the municipal golf course. During the winter months, Coach Bailey will carry on instruction using an indoor practice net.

HANSEN NEW ADDITION TO ZOOLOGY DEPT.

Recently added to the faculty of the zoology department is Mrs. Marcella Hanson, the new instructor in zoology. Mrs. Hanson came to the Nevada campus from the University of Michigan, where she majored in zoology.

Mrs. Hanson's husband, Raymond L. Hanson, is attending the University of Nevada.

NEVADA OKAY, DECLARES NEW LANGUAGE PROF

Dr. Alex Dandini De Cesena, new professor of languages, says that the University of Nevada compares very favorably with other schools and universities at which he has taught and attended.

The chief charm of the University of Nevada, according to Dr. Dandini, is the friendliness of the people, and the attention and desire to learn of the students. The attitude of the veteran student in particular is all that a teacher could ask for, said Dr. Dandini.

Dr. Dandini has lived and

Highly Rated Dons Defeat Wolf Pack In Kezar Thriller

Kalmanir Snags Pass to Make First Score for Nevada Eleven

Outscored but not outplayed, the University of Nevada's fighting Wolf Pack bowed to the highly-rated Dons 26-14 at Kezar Stadium in San Francisco Sunday afternoon before 30,000 well-satisfied spectators. The game marked the opening of the 1946 football season for both of the rivals and the thirteenth encounter between the schools.

Nevada drew first blood shortly after the start of the contest. A pass from Mike Mirabelli, Nevada quarterback, to fleet Tommy Kalmanir paid off. The pass—a heave of some 65 yards through the ozone, but listed in the statistics as a 45 yard toss—was good for the necessary yardage and six points. Bill Bass, a guy who played a bang-up afternoon of football, booted the extra point from placement, and the Pack went into what proved to be a short-lived lead.

San Francisco then lived up to advance notices by taking matters into their own hands. Under the personal guidance of Forrest Hall, conceded by many to be the difference between the two teams, the Dons proceeded to grind out "miles" of yardage along with two touchdowns to leave the field at halftime out in front 12-7.

Third Tally
Losing little time in picking up where they had left off, Clipper Smith's team put over its

third bell ringer just two minutes and 45 seconds after the third quarter kick off. Hall, who apparently can do anything with the porkhike, drop-kicked for the conversion.

That wasn't all the scoring as far as the San Francisco aggregation was concerned. Nevada, sparked by Johnny Suubda and Bass, fought back to the Don 18, before they bogged down and USF again took over. Eight plays later, Jensen, San Francisco halfback, knifed into pay dirt from the Nevada three-yard line. The talented toe of Hall again drop-kicked the conversion. USF then led 26-7.

Takes Play Away
In the final period, the Wolf Pack took the play completely away from the Friscans. With Bill Mackrides doing the passing to Hayes and Gillom, the "bushers from Reno"—as a San Francisco columnist was wont to term them before the game—came roaring back for their final touchdown. A pass to Gillom on the one, a lateral to Subda for the TD, and a conversion by Bass ended the scoring at Nevada 14, USF 26.

Although the Wolves made no more points, it was in the remaining minutes of the game that they "scored" in the hearts of the large band of followers who were on hand. Fighting against game officials, time, and 11 Dons, the Pack was going all out when the final gun caught them just short of the San Francisco goal line.

USF Relieved
San Franciscans were seen heaving sighs of relief when the contest ended. The thrill packed battle according to many of the Coast "experts," should have been an overwhelming USF victory.

Aiken's eleven showed up well. Gridders who will bear watching in the future were Horace Gillom, the big end who boots the ball clear out of the park, Bill Bass, a mighty fast gent, Bill Mackrides, Johnny Subda, Ed Sharkey, and Harold Hayes.

Back the Pack.

Santa Clara Loses To Fresno State In Grid Opener

Santa Clara's Broncos took a 20-7 drubbing from Fresno State in their opening grid tilt last week, an optimistic sign for the Wolf Pack Saturday.

The Prune Valley lads, weakened by the loss of two backfield stars—John Klarich and Bill Prentice, were unable to withstand the strong attack sparked by Fresno's "Two Jacks and an Ace." The two Jacks, Jack Fellows and Jack Seiferling, formed a deft passing combination, while "Ace" Masini smashed through the Broncos line into their weak secondary.

Santa Clara's inexperienced freshman backfield looked good in the second period, when on a lateral from Moses Chavez, Dick Bauer raced around right end for 44 yards before a Fresno tackler missed his tackle and in desperation tripped the speedy Bauer. The Broncos fumbled on the next play and so spoiled their chance of scoring, but came back to account for their first touchdown following Pete Davis' 52-yard quick-kick. Hugh Byrne converted for the extra point and the lead, which was not overcome until "Ace" Masini came into the game for Fresno State.

The remainder of the game was a field day for Fresno State as they scored two more touchdowns and threatened constantly.

The statistics show that the Santa Clara boys were outplayed by Fresno in every phase of the game.

McKINSEY MOVES

After being on the faculty of the mathematics department at the University of Nevada since 1945, Dr. John C. McKinsey has accepted the position of associate professor of mathematics at Oklahoma A and M at Stillwater, Oklahoma.

Dr. McKinsey had planned on accepting a position at Harvard, but illness interfered.

EXCUSE, PLEASE!

Last week's Brush had George Lewis running as independent candidate for frosh manager. The name is spelled Louis. Martin Rissard was credited with being president, when in actuality nobody has yet been chosen head of the Barbs. Oh, well—our reporter got the right organization, anyhow.

FOUR GRADUATE STUDENTS TEACH FRESHMAN CLASSES

Four graduate students in chemistry are now assisting in freshmen chemistry as well as working for their masters degrees at the University of Nevada. All are veterans of World War II.

Louis D'Antonio came to the University of Nevada from Long Island University at Long Island, New York, where he received his B. S. degree. In addition to helping in the instructing of freshmen chemistry he is assisting with the quiz work for freshmen.

A graduate of Monmouth college, Manuel F. Drumm is doing similar work to that of D'Antonio.

Aaron Rabve and Stuart Lee are assisting in freshmen chemistry, while doing their graduate work. Both received their B.S. degrees at the University of Southern California.

NOTICE

All Beam scholars, Smith scholars and Fleishman Scholarship freshmen who have not received their first payments should see Dr. Harold N. Brown in the education building.

Watch where you park.

Interfrat Sports Continue in Three Events This Week

Play in interfrat tennis singles, horseshoe singles and softball continue this week, with horseshoes nearly concluded.

In horseshoes, ATO defeated Phi Sigma Kappa; Theta Chi don over Sigma Rho Delta; Sigma Nu trimmed Lambda Chi, and SAE got a forfeit decision over the Independents. In other games Sigma Rho stopped ATO; Phi Sigma Kappa bested Sigma Nu; Theta Chi secured a forfeit from the Independents; Lambda Chi triumphed over Theta Chi; ATO won by default from the Barbs; Lambda Chi trimmed Sigma Rho Delta, and Phi Sig won from Theta Chi.

Tennis singles results saw Sigma Nu beating Sigma Rho Del-

ta; SAE taking a Barb forfeit, and ATO defeating Theta Chi.

Softball competition found Sigma Rho besting Theta Chi; Sigma Nu stopping Lambda Chi; ATO trimming SAE; Sigma Nu winners over ATO; SAE outfiguring Theta Chi; Lambda Chi stopping Phi Sigs. The Independents defaulted to Phi Sig and ATO.

Nevada is the friendly campus.

Rushing Season Ends With 104 Coeds Pledged to University's Sororities

With rush season ending last Saturday when 104 coeds were pledged to the University of Nevada's four sororities, plans are now being completed for the initiation of last year's second semester pledges.

Taking the pledging derby for 1946 was Delta Delta Delta sorority with a total of 40 new pledges. Gamma Phi Beta followed with 26. Pi Beta Phi and Kappa Alpha Theta pledged 22 and 16 girls, respectively.

Initiation ceremonies will be held by Gamma Phi Beta today for Ruth Cook, Carol Keith and Barbara Marker. A banquet will follow this evening honoring the new initiates and pledges. It will be held at the Trocadero.

Tomorrow afternoon Betty Sue Boggess and Alice Pullock will be initiated into Pi Beta Phi. A pledge and initiation banquet will be held that evening at the Club Fortune.

Initiated into Kappa Alpha Theta October 12 will be Carol Dundee, Marilyn Hansen, Barbara Humphreys and Marilyn James.

At a date still to be announced Delta Delta Delta will initiate Patricia Sadler and Helene Heyward.

Tri-Delt Pledges

New pledges of Delta Delta Delta are Charleen Audrain,

Dawna Lee Audrain, Juanita Barrett, Susan Broadbent, Merlyde Brown, Connie Burkholder, Kay Capurro, Maryann Carner, Norma Carruth, Mildred Chapman, Pat Cutter, Betty Jane Edwards, Kay Ellis, Honor Enggelke, Betty Ewing, Margaret Fairchild, Fay Fryberger, Melva Hand, Betsy Haydock, Charmaine Hubbard, Avis Kuckenmeister, Lynn Laughery, Betty Lundergreen, Helen Mansfield, Alice Micheo, Ann Morgans, Angela Naveran, Beverley Nellis, Phyllis Phelan, Carolyn Pickens, Jane Ray, Helene Root, Virginia Shaw, Pat Sheperd, Barbara Smith, Betty Sweeney, Marilyn Tavernia, Bonnie Taylor, Nanette Unsworth and Ardeen Wood.

Pledged to Gamma Phi Beta are Julie Baker, Irene Beck, Shirley Bell, Alice Casazza, Joyce Cliff, Olive Dobyns, Patricia Fee, Patricia Furchner, Catherine Ghiglieri, Leah Glaser, Joyce Harris, Patti Jones, Marjorie Kaen, Elinore McCray, Joyce McElwain, Rita Mortara, Jean Nash, Suzanne Pierson, Gloria Pincolini, Ida Beth Sanderson, Mary Lou Sewell, Dorothy Snook, Arlene Sorenson, Nancy Sullivan, Alice Teske and Donna Wittwer.

Pi Beta Phi pledges are Elaine Abercrombie, Jeanne Bell, Beverley Bergeron, Alice Bidart, Mary Alice Bradley, Annabelle Calkins, Josephine Caprio, Anita Coates, Geneve Conaway, Gene Downey, Marilyn Lee, Maida Lee, Josephine Marisquirena, Doris Mastroianni, Jean McBride, Shirley Merwyn, Helen Montero, Alice Pettis, Gertrude Sanford, Romola Schuyler, Beverley Vawter and Billie Winn.

The Kappa Alpha Theta pledge group includes Alice Arentz, Delores Bena, Betty Lou Bender, Molly Blair, Jean Brennan, Kay Brennan, Gwen Byrd, Dixie Dysert, Genney Gallagher, Bertine Ann Heher, Ann King, Beverley Leyman, Delores Lee Lothrop, Shirley McDonough, Susan Smith and Sue Wilde.

Hanssen Returns To Get Degree

Alice Hanssen, senior botany major from Sparks, recently returned to Nevada after spending the summer in the employ of the W. Atlee Burpee Co. in Doylestown, Pennsylvania. Miss Hanssen was offered this position after being awarded a fellowship from the Burpee Co. last year. Although one of these botany awards are presented to each state, Miss Hanssen was the only winning student to be employed by the Burpee Co.

Miss Hanssen was the only student representing the western states, all other students being from New England and Pennsylvania regions.

During the summer, she was assistant to Dr. W. E. Rorer, head botanist for the Burpee Co. Her chief project was experimental work with hybrid peppers and egg plant.

YWCA Snack Bar Opened Tuesday

The Snack Bar, located in the basement of Stewart hall and directed by the YWCA, has been open since Tuesday, for all students interested in food and entertainment, reports Barbara Thompson, secretary. Hours are from 8:30 until 3:30.

A nickelodeon will be furnished for the benefit of the students and refreshments served will include: sandwiches, fruit juice, doughnuts, cakes, pastry, "snails," ice cream cones and bars, milk and coffee.

All women are urged to help by serving in the Snack Bar.

The chairmen of the various committees, with Winona Earl as general chairman, are Mary Ann Wells, food chairman; Beverly Minor, personnel chairman; and Anita Hincelot, finance chairman.

Mackay Librarian Returns to Post

Mr. Bertrand F. Couch, instructor in mine accounting, and Mackay School of Mines librarian, has returned from a three years' leave of absence to resume his former position.

During this time he was employed as office manager for the Rare Metals Corporation, in Lovelock, Nevada, where he applied his technical knowledge to the mining of tungsten, a critical war mineral.

Mr. Couch is secretary of the Nevada Bureau of Mines and the Mackay Bureau of Mines. He has been an instructor of mine accounting since 1924.

FIRST SOCIAL

The first Independent social of the year will be held Saturday evening, October 5, at 8:30 pm in the State building basement. Every student of the university is invited and tickets are being sold by all Independent students.

Finance Control Approves Budgets

A budget of \$150.00 for the University of Nevada band was approved at the meeting of the Board of Finance Control Friday. It will cover the cost of new music, instrument repair, and material for drum majorettes uniforms during the fall semester.

A bid by the Silver State Press to print the Sagebrush was accepted and the sale of Freshmen dinks at the Wolf Den bookstore was approved.

A report on the audit of the ASUN central treasury books

was read, stating that the account was in order.

Gene Mastroianni was appointed assistant to Joe T. McDonnell, graduate manager, at a \$75-per-month salary.

Frosh Engineers Get Special Course

A two-hour course is being presented on Tuesdays and Thursdays for all freshmen and new students in engineering by each engineering school in order to acquaint them with their respective fields of engineering, states Director Jay A. Carpenter. Included with this information, students obtain knowledge of the University of Nevada, college of engineering, college expenses, college rewards and penalties.

The head of each school handles his respective class on Tuesdays. With Carpenter in general charge, the combined classes meet Thursday in the auditorium of the Education building. During this time the different heads of the schools, along with several invited Nevada engineers, will address this assembly.

The invited speakers, who are all graduates of the college of engineering at the University of Nevada, include Robert Allen, state highway engineer, who has been asked to speak on highway construction; Paul Sirkegian, superintendent of the Consolidated Copper Mines Corporation, on mining; and Arthur J. Shaver, engineer for the Colorado River Commission, on the Boulder Dam project.

Moving pictures of engineering projects will also be shown.

This combined class will consist of approximately 65 mining, one woman, 90 electrical, 40 civil, and 30 mechanical engineering students. The size of the freshmen class can be compared to that of a student assembly at the university during war years.

New telephone directories may be acquired at the comptroller's office. Departments of new directories should turn their old ones in upon drawing new ones.
