UNIVERSITY OF NEVADA, RENO, FRIDAY, FEBRUARY 27, 1948

## New Campus Whodunit Called 'Death at 10:55'

### Murder Strikes At Nevada Early Thursday Morning

Four shots were fired, a man identified as Harold Swan, night clerk at Western Union, slumped to the ground and the University of Nevada campus became the scene of "murder." Witnesses have tentatively identified his assailant as Miss Grace Storey, pre-legal student at the university.

The shooting took place on the short gravel walk in front of Stewart Hall at approximately 10:55 am Thursday as Swan and a friend were walking from the library to his car which was parked on the other side of the lawn. Miss Storey allegedly leaped from behind the vehicle and fired at Swan and then turned and fled to an awaiting car.

Sheriff Harold Jenkins, who is investigating the affair said that Miss Swan was apprehended while studying at the library Thursday evening.

Prosecuting attorney, Carlyle Shaad, said that the trial will begin at 2 pm Monday in room 15-T in the English department building. He will be assisted by Lorne S. Black.

Miss Storey has engaged as her attorneys Bonnie Yturvide and Harold Murphy. The trial will be heard in the court of Judge Joe Foley.

The trial will be open to the public and any student wishing to serve in the capacity of jurors are asked to report to room 15-T on Monday at 2 pm. Also all witnesses who receive subpoenas are requested to cooperate with the speech department in this respect.

### Prof. F. L. Bixby Slowly Improving Following Illness

Frederick L. Bixby, professor of civil engineering, is improving slowly after a stroke suffered the evening of February 7, according to a report from St. Mary's Hospital.

Professor Bixby's general condition was said to be "not good," but he is improving and is expected to be out of the hospital in a short time. A paralysis of his left side has almost entirely been overcome, stated hospital officials.

It was first reported that Professor Bixby suffered a concussion in his fall at his home but this injury is said to be minor.

Professor Bixby graduated from the University of California in 1905 with a B.S. degree and in 1918 from the University of Nevada with a degree in civil engineering. He has been a member of the Nevada faculty since 1919.

### SPEECH DEPARTMENT USES DICTION DISCS

Discs for diction! Speech department faculty members have used student voice recordings continuously this year, said S. H. Vinocour, director of forensics. One side of the little ten for a dollar discs is cut at the beginning of a speech course, the other side at the end.

As an aid in detecting speech defects and their improvement, the records are a great help, added Vinocour.

### Many ASUN Cards Remain Unclaimed

Two hundred eighty-four students still have \$3 in student body cards due them according to information released from ASUN President Jimmy Glynn's office this week. Presentation of the registration receipt from the comptroller is all that is necessary to secure the card.

Freshmen who are dodging the upperclass committees can buy their "bibles" and a little peace of mind at the student body president's office at any time between two and five Monday through Friday afternoons, Glynn said.

Car registration is also taken care of by the ASUN president.

### PHI SIGS LEAD FRAT PLEDGING WITH FOUR MEN

Pledging is off to an early start for the Greek letter houses this semester with six frats pledging 16 more men to their rosters.

Phi Sigma Kappa led pledging for the fraternities with four new prospective members in Robert Walker, Thomas Barton, Rudy Kerken and Jerome Marks.

Theta Chi added the names of the Godbey brothers, James and Thomas, and Robert Hudson to its list of pledges.

Raymond Alzola, Chuck Bartl and Mike Sibor were issued pledge cards by Alpha Tau Omega.

Sigma Alpha Epsilon dusted off the welcome mat for Gordon Hayes, while Sigma Nu listed Edwin Arbor and Bobby Holman among its pledge class.

Robert Moore, Jim McFarland and Eugene Caporone picked up pledge pins from Lambda Chi Alpha.

### Lindesmith Working On Radio-Television Transformation Job

Television apparatus may appear in Nevada's school of electrical engineering before the end of the year if the efforts of Orlando Roger Lindesmith, sophomore engineering student, are successful.

Lindesmith has undertaken the complex task of transforming radar equipment into television equipment and, according to Professor Irving Sandorf, professor of electrical engineering, Lindesmith has all the technical knowledge necessary to do the job. He served in the navy during the war as a radio technician.

The problem, says Professor Sandorf, is highly complicated and requires taking the component parts of radar, which is a signal device, and transforming them for use in television, which will create a moving picture in place of a signal.

### MT. ROSE SKI HUT PROPOSED BY CLUB

The possibility of constructing and operating a ski hut at Mt. Rose will be discussed at a meeting of the University Ski Club tentatively scheduled for the coming week, Norman Olsen, Ski Club president, announced today.

### Hill Issues Second Appeal to Return 'Strayed' Books

James J. Hill, university librarian, appealed again today to all campus organizations, or individuals having knowledge of the whereabouts of stray, or pilfered books from the reserve room of the library to either return them or notify the library where they can be picked up.

Since the original request was made last week for the return of about 50 books missing from reserve room shelves, 20 books have mysteriously reappeared, Hill announced.

"Unless the remaining 30 books are returned, action in the form of a search of boarding houses, fraternities and sororities will take place in the near future," Hill stated. Unscrupulous students have been smuggling books out of the reserve rooms for their own use to the detriment of other students.

According to Robert S. Griffin, dean of men, acts of theft in the library building are subject first to the action of Mr. Hill. If he chooses, the matter can be referred to the administrative council and is subject to whatever action the council feels necessary. As the property involved is state owned, the student could be tried by downtown courts, he said.

### Talented Students In Line for Trek

A proposal for sending an entertainment troupe made up of university students to Winnemucca within the next six weeks, probably around the first of April, was discussed at the last meeting of the University of Nevada Alumni Association. Rex Daniels, director of the alumni office, made known this possibility today.

Tentative plans call for the glee club, tumbling team, and a possible speaker, or two, to make the proposed trip. There will be no admission charge to the show, all expenses will be covered by the alumni association.

If the Winnemucca experiment works out satisfactorily, other entertainment programs will be presented by the alumni association. In this way the alumni association hopes to arouse interest in the university among the existing alumni chapters and to establish new chapters all over the state.

At the present time, Las Vegas, Elko and Winnemucca are the only towns in Nevada having alumni association chapters. The group hopes to establish chapters in the Ely district, at Tonopah, and in other towns around the state.

### SAE WORK WEEK ENDS WITH INITIATION

Work week started Monday at the SAE house with 23 pledges participating. Under the direction of Hamilton Prugh and Bob Larsen the activities end Sunday with the formal initiation.

The following neophytes are to be initiated: Howard Bron, Roger Byers, John Conklin, Gunter Gigas, Stan Hanson, Floyd Hopper, Fred Hopper, Don Harris, Jim Helmick, Bill Jager, Richard Lenzora, Dick Korb, Ted Lokke, Dan Melarkey, Joe Melcher, Ed McCutcheon, Russel Mills, Charles Wirshing, Darrel Luce, Ron Norman, Jack Oberholzer, Gene Torvenin and Bob Vorfeld.

### Vets Must Show Dependent Proof To Get Extra Pay

Keith Lee, training officer, veterans administration, reported this week that veterans with more than one dependant will be required to submit proof of the additional dependancy. Veterans with one dependant will receive \$105 per month while those with additional dependants will receive \$120 a month.

In the case of children, a photostatic copy or a certified copy of the child's birth certificate, should be presented. In the case of additional adult dependants actual proof of the dependancy must be presented to the veterans administration before the large subsistence rate will be paid.

Veterans having more than one dependant have until July 1, 1948, to present proof of additional dependants, with subsistence payments retroactive to May 1, 1948. Lee advises University of Nevada veterans falling into this category to present proof of additional dependancy as soon as possible in order to receive their increased payments on time.

### March 12 Deadline For Announcements

Seniors graduating in June may order announcements during the next two weeks. Monday, Wednesday and Friday from 10 am to noon and 3 pm to 4 pm orders will be taken in the ASUN building.

March 12 will be the last day announcement orders can be made.

### Screams Rouse Gals! Gals Rouse Police! All a False Alarm!

A woman's piercing cry for help awakened several Thetas at 2:30 Thursday morning. The scream was repeated, and the girls jumped from their sleeping-porch bunks, rushed to the phone, and called the police. The telephoning process was slowed up by one of the dazed rescuers who tried to find the number in a nearby dictionary.

Arriving within five minutes, the police searched the surrounding territory unsuccessfully. Back in bed, but not a sleep, the terrified Thetas waited for morning.

Not until lunch time was the mystery solved. The Tri-Delt mock initiation had lasted until the early hours of the morning!

### Sundowners Name Fifteen Candidates

Fifteen candidates for Sundowner membership were announced this week by President Orsie Graves. These candidates, selected from the seven fraternities and the Independents, will be initiated during the Mackay Day festivities in May.

The future members and their respective organizations are: Bob Knudsen, Henry Galles and John Williams of Sigma Nu; Bob Kent, Bill Geohegan and Bill Morris of Alpha Tau Omega; Bill Buck, Bob Larson and Ham Prugh of Sigma Alpha Epsilon; Joell Morris, Harry Varischetti and Gerald Knowles of Sigma Rho Delta; Bob Campbell, Mathew Klemaszewski and Bill Ebert of Phi Sigma Kappa.

Lambda Chi, Theta Chi and the Independents have not as yet turned in their list of aspirants.

### Mid-Term Degrees Receive Faculty Approval at Meet

At a general meeting of the faculty Tuesday evening, 29 bachelor's degrees for mid-term graduates were given final approval by respective department deans. A master's degree was also approved for Abraham Ravve, fellowship student in chemistry.

Degrees from the different colleges were approved for the following graduates: college of arts and science, bachelor of arts. Donna Anderson, William Beko, William Brinkerhoff, Laura Lide Dearing, Alice Doyle, Robert Gould, Helen Hackett, Howard Haman, Effie McQueen, Nora Morris, Joyce Nielsen, Ralph Reynolds, Robert Singleton. Bachelor of science, Andrew Dieringer and Henry Jones.

College of engineering, bachelor of science in mining engineering, Galen de Longchamps, Preston L. Funkhouser, Marvin F. Porteous, Richard Waldman and Hugh Wilton.

Bachelor of science in civil engineering, William Canessa and Carl Franson. Bachelor of science in metallurgy, Charles R. Frisbie. Bachelor of science in electrical engineering, Evo Giorgi.

Bachelor of science in mechanical engineering, Douglas Bevans, Bernard Brady and Walter Riggie.

College of agriculture, bachelor of science in agriculture, Clarence Edward Byrd, bachelor of science in home economics, Ruth Mary Wallace.

### Hill Post Hears Reno Legionnaires

A. Ross Schindler, commander of Reno's post No. 10 of the American Legion, was guest speaker at the Wednesday night meeting of the University of Nevada Memorial Post. Kelly Ambrose, also a member of post No. 10, accompanied Commander Schindler and both spoke briefly, offering encouragement and backing to the new group.

Johnny Hart, representing Legion Post No. 1, said that his group was behind the university organization 100 per cent. He also invited members of the university post to be guests at Post No. 1 any time they desired.

Commander Ed Drennon stated that the charter would arrive from Legion headquarters in Indianapolis sometime next month and that mass initiation of the University Post would take place in April.

Jerry Wetzel was appointed chairman of the membership committee with Curt Baker, Lee DeLaur and Joe Foley elected to serve with him. Jim Wehrle, boxing chairman, gave a short report of the progress being made in staging the Reno Golden Gloves, which will be held April 8, 9 and 10.

### DEAN OF MEN VICTIM OF ERROR

Nevada's representative to congress, Charles H. Russell, made a slight error in his recent letter to Dr. Robert Griffin, dean of men at the University of Nevada, concerning appointments to the naval and military academies at Annapolis and West Point. Congressman Russell addressed his salutation in the letter as follows: Dr. Dean Robert Griffin, dean of men, University of Oregon, Reno, Nevada.

## End of "Bumpy Road" In Sight For Wolves

CAREER CLOSES

Grant "Skippy" Davis ends his collegiate basketball career against the Hawaii quintet tomorrow night. He has been a consistent point getter for the Pack and this year captained the Wolves through their most hectic season.

### Last Minute Reprieve Denied Dog

By Harry Spencer

The acrid smell of burned flesh filled the room—strong men paled through their healthy tans—scores of week stomached coeds slumped to the floor—the first "Jiffy Dog" had just been electrocuted!

A relative newcomer on the university campus, the "J. D." is about to take its place in the culinary hall of fame.

Set in a sort of cardboard coffin, the weenie has become an unobtrusive addition to the Y snack bar's list of goodies, said Miss Helen Brania, Y secretary.

The foredoomed frankfurter comes replete with mustard, bun and napkin all nicely packaged in a small, wired cardboard box. Immediately before it's served, the box is inserted into an infernal machine and a current of electricity flows from machine to wire, to box, to "dog." The whole process takes about half a minute and when the ravenous student receives the "red hot" it is completely cooked and ready for consumption.

Pioneer "dog-men" advise leaving the sandwich in the box for a few seconds after removal from the machine in order to let the bun become thoroughly heated.

### Late Breakfasts Will Be Available

A snack hour will go into effect at the gow house starting March 1, it was announced today by Miss Nellie F. Walden, new manager of the campus dining hall.

The snack period will be instituted for the benefit of the people who miss the morning meal. Fruit or fruit juice, coffee roll, milk, coffee or chocolate will be the items which can be obtained. This new "late breakfast" is from 8 to 8:30 am. Meal tickets can be used, or a charge of 30 cents will be made.

Miss Walden expressed her desire to have a student dining hall committee appointed so that changes in the hill eating establishment can be made through cooperation of all involved.

### NOTICE

Notify the Brush office immediately of all changes in mailing addresses.

### Curtain to Drop On Cage Season In Hawaii Game

Dropping the curtain on the University of Nevada's 1947-48 basketball season, Coach Jake Lawlor's often revised hardwood quintet will play the barnstorming University of Hawaii squad in the local gym tomorrow night at 8:15.

Grant Davis, captain of this year's hard luck pack of cagers, will be playing his last collegiate game when he takes the court against the island men.

Coach Lawlor states that he expects a fast and high scoring game when the two teams meet, with the visiting team capitalizing on speed and tricky ball handling. He adds that the Pack squad is keyed up for a win to round out the season's play.

The lads from pineapple-land started their journey through the states with an impressive record of 17 wins and narry a defeat in island competition. Up to February 26, the invaders had played three games within the states emerging with a win in the initial contest and falling to their first defeats in the others.

Thus Coach Art Gallon, in his first year of coaching at the University of Hawaii, will bring on to the floor tomorrow night a squad with an overall record of 18 wins and two losses.

After the loss of three first string regulars earlier in the season and the later loss of two more regulars through eligibility difficulties, the Wolf Pack basketekers will enter their final game with a record of 20 defeats and eight wins. As the two teams have had no mutual opponents in past games, a fair comparison can not be made between the clubs.

### It's Coffee Time At YW Snack Bar, Announces Brania

It's coffee time again in the YWCA snack bar, said Miss Helen Brania, Y secretary, at the opening Wednesday.

Paper cups and plates will be used instead of china henceforth, declared Delores Spradling, chairman of the refreshment program.

Machines which turn out cooked hot dogs boxed and untouched in 95 seconds brighten the snack bar menu, added Miss Brania. The snack bar, located in the basement of Stewart Hall, will be open 8:30 am to 3:30 pm.

Murals depicting a semi-abstract interpretation of college scenes are being designed for possible future use by Mr. J. Craig Sheppard's art class.

### PRICE GIVES LECTURE TO HUMANITIES CLUB

Dr. Kingsley Price, assistant professor of philosophy, spoke on "Is There Artistic Truth," at the February 9 meeting of the Humanities Club, a faculty group interested in cultural research.

Dr. and Mrs. Robert M. Gorrell were hosts at this monthly meeting. Albert Hilliard, Reno attorney and a member of the board of regents, will discuss some aspects of law at the March 8 meeting.

### Thirty-Five Coeds Will Be Initiated By Three Houses

**Pi Phi Pledges Honored Tonight; Deltas Fedet At Dinner Tomorrow**

Initiation ceremonies for 35 pledges of Gamma Phi Beta, Delta Delta Delta and Pi Phi will be held this weekend. Pledges of Gamma Phi Beta Kappa Alpha Theta pledges will be initiated early in March.

Before sorority pledges may qualify for membership, they must receive a semester grade average of 2.2 or better in their college courses. ery, Shirley Hornbeck, Ger-to be initiated tonight include Marjorie McKnight, Shirley Macaulay, June Powell, Jackie Wilson and Joan McCabe.

Tonight at the Tri-Delt house, the following initaites will receive the sorority's official badge: Marilyn Tavernia, Joyce Edwards, Arlyn Laughery, Shirley Hnrobeck, Geraldine Lyons, Georgia Hough-ton, Jeanne Rule, Barbara Car-ter, Mary Ann Douglass, Pris-cilla Laughlin, Elaine All-drich, Freda Kornmayer, Dar-leen Jones, Shanna Holman, Rose Oyarbide and Lois Sou-cek Nugent.

Social events honoring Tri-Delt initiates began Wednes-day night with a slumber party. Thursday night, "big and little sisters" dined at the chapter house, after which the Trident degree of initiation was held. All members, initi-ates and pledges attended a luncheon today at the chapter house and will attend a ban-quet at the Riverside hotel to-morrow night. The chapter will be present at a Reno church Sunday morning.

Fourteen Pi Beta Phi pledges will be initiated to-morrow morning including Lois Bates, Kitty Bruun, Joan Powell, Ruth Irwin, Wilma Gadda, Ann Holt, Phyllis Sut-ton, Marjorie Bartolomei, Bil-ly Meckes, Joan Calder, Bev-erly Morey, Yvonne Wilson, Joan Bell and Josephine Mar-squirena.

A party honoring the Pi Phi initiates will be held tonight at the chapter house. Plans call for an initiation dance in the near future.

### Home Ec Members Sell 42 Cakes; Get A Lot of Dough!

A total of \$134.23 was col-lected by members of the Home Ec Club in their cake auction recently. Forty-two cakes were sold for an aver-age of \$3 per cake.

Sigma Nu fraternity was high with an average of \$4.57 per cake, Lambda Chi and SAE averaged more than \$4 per cake, which contributed \$25 and \$24, respectively, to the club.

The cakes were made Sun-day in the foods lab of the Home Ec department. One man from each frater-nity auctioned off the cakes with a Home Ec Club mem-ber as assistant. Marjorie Kean was in charge at the Phi Sig house. Joann Hamblin at the Sigma Rho, Betty Jo Rupp, ATO; Alice Currie, Lambda Chi, and Dot Thom-as, Sigma Nu.

Money gathered in the cake auction is to be used to send four members of the club to the district council meeting held in Yosemite, Calif., April 16 and 17.

### CORPS OF SPONSORS MARCH WITH ROTC

The Corps of Sponsors, uni-versity women's drill team, has been scheduled to march once a week with the ROTC. The cooperation between the two marching units will be-gin early in March, according to Barbara Smith, publicity and intelligence head.

Forty-five uniforms have been ordered and will arrive in about a month. They con-sist of white battle jackets, navy skirts and white caps trimmed in gold braid.

### Spanish Club Sees Slides on Mexico

Slides illustrating Andrew Morby's trip to Mexico were presented to members of the Spanish Club Monday evening.

Morby, who spoke to the group in Spanish, was form-erly a professor of foreign languages at the University of Nevada. At present, he is teaching at Reno High School.

Monday's program, held at the Pi Phi house at 8:30 pm, included Spanish songs, sung by Morby, assisted on the gui-tar by his brother, Bill.

### Panel Discusses Leadership Topic At YW Meeting

"Leadership" was the topic of a panel discussion led by Dean of Women Elaine Mob-ley and Miss Joan Bryant, Reno Girl Scout executive at the all-association meeting of the YWCA Tuesday.

The revival of group lead-ership for women, a course not taught here for some time, was suggested by Dean Mob-ley as present conditions offer no formally taught techniques in leadership.

Tactful aggressiveness, sin-cerity, trust and interest in others, pleasantness and pro-gressiveness were outlined as attributes for a leader. Miss Bryant cited particular traits from a Girl Scout counselor's standpoint.

Miss Helen Brania, newly appointed Y secretary, spoke before an all-association meet-ing for the first time. She noted changes in the student center which included removal of the ping pong tables to give more room and added that wastebaskets will be replaced by large, decorated barrels.

Volunteers for work in the snack bar were called for and members of the advisory board introduced by Marjorie Menu, president of the cam-pus Y. New members are Mrs. Maya Miller, president; Miss Margaret Ernst, person-nel secretary; Miss Alice Ter-ry, Miss Alice Jane Chism, Mrs. H. H. Creek, finance committee, and Mrs. J. E. Moose, constitution. Mrs. John O. Moseley and Dean Mobley are ex-officio members.

Alice Pettis, co-chairman of the worship committee, lead the devotional. Certificates for 50 hours of YWCA work were awarded to Shirley Bell, Lynn Laughery, Delores Spradling and Miss Pettis.

Coffee and cookies were served after the meeting un-der the direction of Betty Kim.

Back the Pack.

#### ENGINEERS WANTED

Bachelors Degree. Large college offers \$3,000. Ap-proximately half time teaching-studying. Mas-ters to \$6,500.

South Western College needs Engineers Teach-ing, research; opportuni-ty do grad work. Associ-ate professor \$4,500, as-sistant professor \$4,000.

Vacancies Other Fields Give phone, photo and qualifications.

#### Foe Mentaberry

Smokes CHESTERFIELDS

He says: After a game, I always relax with a Chesterfield.

"Voted TOPS! . . . Chesterfield the largest selling cigarette in America's colleges (by nation-wide survey)."

### Gould Named New Pi Phi President

Barbara Gould was elected president of Pi Beta Phi re-placing Winona Earl at the Monday evening house meet-ing.

Election of Miss Gould was the highlight of the evening's activities which included a discussion of the coming ini-tiation.

The initiation dance honor-ing new members will be held March 5, and the initiation banquet March 14.

Another highlight of the evening came when the Pi Phi's were awarded a plaque for outstanding marksmanship in riflery.

At the close of the meeting, two members passed the tradi-tional box of candy. Joyce Edwards, pinned to Dwight Lindeman, and Beverly Ber-geron, pinned to Jerry Wet-zel, were the candy passers.

#### NEVADA RADIO GUILD GIVES CHAUCER PLAY

The University of Nevada radio guild will present the play, "Pardoner's Tale," from Chaucer, it was announced this week by the Rev. Gareth Hughes, advisor and coach of the group.

Hughes said that casting has not yet been completed but he hopes to finish this week. It will be presented over radio station KXXL and the time and date will be an-nounced later, Hughes said.

### NEWS FROM ABROAD

By Della Sorenson

Now that Peggy has found her apartment, how about the rest of us? Is everybody set-tled?

My apartment is lovely. All my friends comment on the clever way I've trenched around its canvas foundations to keep the melting snow from collecting in the kitchen. However, it is rather chilly when the wind blows the ten flaps back.

In these days of housing difficulties, everyone has his problems. And we quote:

The Idaho Argonaut: "Damages estimated at \$750 were caused by a fire which destroyed a veterans housing unit at Utah State College recently. The building was ignited by a fire started out-side to throw out frozen pipes.

Now they can bury the building instead of the pipes.

Arizona Wildcat: "On the first day of the present se-mester, living quarters in Polo Village had been provided for families whose applications were received by the residence department up to January 16, 1947, according to Joh nL. Anderson, university comp-roller."

How about those applicants after January, 16, 1947?

Idaho Argonaut: "All dor-mitories are full and there are waiting lists for veterans hous-ing facilities as a very small

turnover in housing conditions was noted at the beginning of the new semester, Robert Greene, director of dormi-tories, reported.

Small turnover, small facili-ties.

And to end on a note of triumph, we quote this little gem about apparent lack of housing. Idaho Argonaut: "Fred Koenig of Montana State found it doesn't pay to dress a part too well, even for a costume ball. Following a hobo dance, Koenig took his date home in downtown Mis-soula. Unable to find trans-portation home, he was forced to walk. Police picked him up a little later and we re about to book him for vagran-cy, until he showed his cred-entials.

"P.S.—He didn't win the prize for the best dressed hobo."

See you in jail.

She: Have you ever been pinched for going too fast?  
He: No, but I've been slap-ped.

### Cusick Takes Over As Paniwallis Head

Kenneth Cusick, junior arts and science student, was elect-ed president of Paniwallis, university swimming club, at a regular meeting Thursday night at Moana swimming pool. Cusick replaces Patricia Ireland, who gave up her of-fice as swimming club presi-dent because of an overload of activities.

Other officers elected were Shirley Hornbeck, vice-pres-ident, and Virginia Gardner, secretary.

Although the presentation of the annual aquacade is doubt-ful this year, there will defi-nitely be some exhibition of swimming during the spring semester. The turnout for the first two practices has been

encouraging, according to Miss Ireland, but good swimmers are still in demand. Interested stu-dents are urged to attend the Thursday night practices at Moana.

Statistics show that Yale grads have 1.3 children, while Vassar grads have 1.7. Which merely goes to show that wo-men have more children than men.

## Snakes Acclaimed The Winnah and Still Champeen

Winner and still champion of intramural basketball is Sigma Nu. The Snakes won after barreling through a season of stiff competition and taking from the opposition seven wins and no losses. Sigma Nu cagers clinched the cup when they beat Lambda Chi Alpha easily Friday evening.

Taking second in the contest was SAE, which defeated Phi Sigma Kappa Friday evening to give it six wins and one loss. The SAE five went down once to the Snakes in one of the first games of the playoffs.

Postponed until arrangements can be made for the floor is the ATO-Theta Chi game which will decide who will take third place in the tournament and who will be the third of a three way tie for fourth place. Both teams have three wins and three losses.

Phi Sigma Kappa and Lambda Chi are tied for fourth place with three wins and four losses. Sigma Rho Delta is sixth in the race with two and five and the Independents held down seventh, having lost seven straight games.

Sigma Nu as a result of its win gets 100 points toward the Kinnear trophy.

The basketball results:

	W	L
Sigma Nu.....	7	0
SAE.....	6	1
Theta Chi.....	3	3
ATO.....	3	3
Phi Sigma Kappa.....	3	4
Lambda Chi.....	3	4
Sigma Rho Delta.....	2	5
Independents.....	0	7

### SIGNUPS STILL TAKEN

Signups are still being taken for the ballroom dancing class. Interested men and women should attend class meetings at 4 pm on Monday and Wednesday in the dance studio of the university gymnasium. Jackie Van Gaasbeek instructs the group.

Did you ever notice how often a narrow mind and a wide mouth go together?

## TRACK PRACTICE OFFICIALLY OPEN, STATES LAWLOR

"Monday we really start," said coach Jake Lawlor in announcing the official opening of track practice.

Practice sessions will be held every afternoon starting at 4:00 and interested students are asked to sign up with Lawlor in his office afternoons after 2:00.

Those who feel that they cannot participate because the practices conflict with other activities were urged to come out anyway. Lawlor said he will be happy to make arrangements to work with, or issue equipment to any interested man at some other time in the afternoon.

Managers of fraternity track teams were asked to have a list of those competing in the inter-frat meet in to Lawlor by March 1.

Efforts are still being made by the athletic department to arrange a home meet for the Wolf Pack on April 10, but so far there has been no response to feelers sent out by Nevada.

## High School Teams Compete in March

Top teams from the three zone tournaments in both A and B divisions will compete in the three day battle for state high school basketball honors on March 11, 12 and 13. The big event in Nevada prep school basketball will take place in the University of Nevada gymnasium.

Drawings for game time, and to settle any other situation which may arise, will be held immediately after the western zone tournament which ends March 6.

Championship runnerup and consolation trophies will be donated by leading Nevada business firms in both the A and B divisions.

### DRAMA COACH BACK

The Rev. Gareth Hughes, dramatics coach, has this week returned to school after several weeks absence with pneumonia. Rev. Hughes had been confined to his bed since late in January.

Remember—it's Hello! Back the Pack.

## Nevada Riflemen Attend Matches In Berkeley Soon

### Three Teams; 5 Individual Women Enter National Intercollegiate Meet

Three rifle teams and five individual women will be entered by Nevada in the national intercollegiate rifle matches, Colonel Gilbert Parker, head of the military department, stated this week.

Teams entered in the national competition are the men's team, women's team and a freshman team. The five women entering the national women's individual match are Betty Ann Rice, Connie Madson, Gertrude Sanford, Archalee Correll and Wilma Gadda.

The women's team, the individual shooters and the freshman team will fire postal matches. The targets will be fired on the home range and mailed to National Rifle Association headquarters in Washington, D. C.

### Shoulder to Shoulder

Members of the men's team will enter the shoulder to shoulder sectional tournament at the University of California at Berkeley on March 20. The team will be composed of five riflemen, one alternate and a team captain.

Ten shots will be fired in each position, prone, kneeling and standing.

Eight members will make up the women's team, with the five high scores to count as the team total. Fifty shots will be fired per team member in prone position. Team members are Betty Ann Rice, Gertrude Sanford, Connie Madson, Wilma Gadda, Archalee Correll, Marlyn MacDonaid, Shirley Hornbeck and Shirley Macaulay.

### Baptism to Fire

Five men firing on the freshman team who will be given their initial taste of national intercollegiate competition this season are Richard Wright, captain, Gene Wun-

## Three Lettermen Probable Backbone Of Tennis Squad

"Three lettermen will probably be the backbone of Nevada's tennis team this year," Dr. M. W. Deming, coach of the courtmen, said today.

The returning lettermen are Ed Reed, Pete Pridden and Vern Brown. Much competition is expected from newcomers, however, Dr. Deming added.

During the first week of March, a movie of Donald Budge and Bobby Riggs, nationally known tennis players, will be shown to those interested.

The university tennis courts will be repaired slightly in the near future. It is hoped by Dr. Deming that new asphalt will replace the present badly worn courts.

Games have been arranged with Chico State, California Aggies, Sacramento College, St. Mary's, and one tentatively with USF.

derlick, Bill Jager, Don Harris and Lee Scott. The course of fire is ten shots per man in each position, prone, kneeling and standing.

Women entering the individual match will fire fifty shots per person in the prone position. Betty Ann Rice took third place last year in the individual matches scoring 488 points out of 500.

Last year the Nevada team won third place in the matches held at Berkeley. They were defeated by the University of California's varsity and ROTC teams.

## Forensics Meet At Nevada Soon

One of the outstanding forensic meets on the west coast will be held on the Nevada campus when the Pacific Forensic League convenes here early in April.

S. M. Vinocour, in charge of public speaking and debate, announced that only superior ranked speakers will be invited to attend, with not more than three participants from each school.

Speaking events will begin March 31 and continue through April 2. Events are scheduled in debate, oratory, extemporaneous speaking and after dinner speaking.

Bonnie Yturbide, blind pre-legal student, and Pacific coast oratory champion, is the only participant definitely chosen thus far to represent Nevada.

Colleges and universities planning to attend are Stanford, California, Southern California, UCLA, Oregon, Washington, Oregon State, Whitman, Willamette, Arizona and Idaho.

In conjunction with this meet, high schools throughout Nevada will hold the annual high school forensic tournament.

## Chess Tournament Soon To Be Played

A chess tournament will be played on the campus in the near future, according to Barney Childs, secretary of the Chess Club. In addition, the club itself will send its best players downtown to play the Reno Chess Club.

Teams from all organizations on the campus, as well as individuals, will be invited to play at an undecided future date.

The Chess Club was organized and granted a constitution by the student senate last semester. Huling Ussery is president; Harold Keller, vice-president, and Barney Childs, secretary.

## THREE NEW MEMBERS ADDED TO DEBATERS

Three new members have been added to the debate squad since the beginning of the semester, announced S. M. Vinocour, debate coach.

The new people are Joyce Neilson, George Bennett and Rudy Gerken. Miss Neilson and Bennett have been active in the past in both campus dramatics and the Reno Little Theater.

Vinocour added that plans are progressing for the Pacific Forensic League tournament to be held here at the end of March.

## Nevada Victorious Over Favored Cal In Winter Meet

A successful weekend of Ski Carnival events was concluded Sunday when Nevada emerged victorious over the favored University of California ski team. Withdrawal of the Bear squad from jumping competition because of injuries gave the Wolf Pack squad the chance to take top honors.

Nevada recaptured the carnival's revolving trophy after nosing out the University of Utah team by a five point margin with a total of 371.68 points. Utah had 366.73.

**A Different Story**  
Team Captain Jerry Wetzel remarked before the meet that Nevada "wasn't rated as the number one team." When points were tallied Sunday, it was as Wetzel had hoped, "a different story." The happy ending was due largely because of Wetzel's first place jump of 68 feet in the final event of the carnival.

Besides injuries sustained by two Norwegian exchange students from the Berkeley campus, Cliff Banta, Nevada's downhill and slalom man, suffered a broken leg in the downhill race and will wear a cast for about eight weeks. The Norwegians returned to Berkeley Wednesday.

Remaining carnival results were: Stanford, 348.79 points; University of Oregon, 344.46; University of California, 284.78; Fresno State College, 253.03; Sacramento College, 215.82; College of Pacific, 212.99.

**Blonde Queen**  
Blonde University of California coed, Barbara Rogers, was chosen queen of the Ski Carnival and was crowned at the snow ball. She is a Theta on the Berkeley campus.

Phi Sigma Kappa was awarded a trophy for the best fraternity house decorations with their ski jumper theme. Best sorority house decorations trophy went to the Thetas for their ice palace and carnival king. Tri-Deltas and Thetas tied for first place for having the best sorority open houses.

"So you want to kiss me! I didn't know that you were that kind."  
"Honey, I'm even kinder than that."

On the Hill It's Hello!

## Capt. Wetzel Hurt In Jumping Mishap

Failure of one of his skis to slide as he landed after making a jump at White Hills yesterday, resulted in a serious spill for Captain Jerry Wetzel of the University of Nevada ski team.

Immediately after his fall he was rushed to Carson City where emergency first aid was administered. He was then taken to Washoe County General Hospital where he was given a thorough examination. It was learned that he was suffering from a bruised liver which hospital officials stated could possibly have serious complications.

X-ray revealed there were no broken bones; however, it is doubtful if Wetzel will be well enough to participate in the Snowshoe Thomson Memorial tournament this weekend.

## Nevada Rifle Teams Defeated in Meet By Four Schools

For the first time this season University of Nevada rifle teams suffered defeat. Wolf riflemen bowed to the University of Pittsburgh, State College of Washington, Georgia School of Technology and the University of Pennsylvania.

The women's team lost by three points to the University of Pennsylvania, scoring 493 to Penn's 496. In last week's matches the women shooters outdrew the University of Kansas, Ohio State University and Ohio University with 496 points to 473 for Kansas, 480 for Ohio State and 490 for Ohio University.

Last week the men's varsity team lost to the University of Pittsburgh by three points with a score of 1387 to Pittsburgh's 1390. They won over Ohio University 1871 to 1861, and Pennsylvania State College 1387 to 1352. The ROTC team lost to the State College of Washington 1876 to 1860, and to Georgia School of Technology 1885 to 1860. A win was registered over the University of Pittsburgh 1860 to 1807.

## NEW ME CLASS BEGUN

Dr. Everett W. Harris, associate professor of mechanical engineering, has begun a new course called "mechanical vibration," a study in which Dr. Harris received his Ph.D.

## Pepperdine Downs Luckless Wolves In Weekend Tilts

When the Nevada basketball team took the floor Friday and Saturday night and lost to Pepperdine in an overtime 61-59 and 57-51, not one regular player from last year's squad was present. In the Saturday night affair veteran forward Grant Davis, suffering from a severe back cold, appeared briefly and yet the young, inexperienced cagers played the opposition to a standstill, losing out only in the last few minutes of each contest.

Both contests had the spectators in a frenzy. Abnormal luck with free throws allowed the home team to force Friday night's contest into an overtime period. After Lindquist's layup put Pepperdine into a 53-51 lead, Nevada got the ball on a jump and Harold Hayes, Wolf center, was fouled on an attempted close-in shot. While the crowd held its breath, Hayes sunk both charity throws. Seconds later the buzzer sounded the end of regulation play with a 53-53 tie.

Before Nevada or the crowd could realize it, Pepperdine struck back with two fast layups and built up a 59-56 lead. Lou Mendive, shy on shooting, caused more excitement when he broke through for a layup. Fouled on the shot, Mendive sunk his free throw to tie it again 59-59. Pepperdine worked the ball into position and Gibbons southpawed a pivot into the basket for a 61-59 Wave victory. Half-time score was 26-25 Nevada.

Continuing the same pattern of play, fading in the last few minutes, another heart breaker was lost Saturday night 57-51 when with two minutes and 40 seconds remaining the home team relinquished a 51-50 lead. Pepperdine scored seven points on two baskets and three charity tosses. During this time Nevada couldn't buy a basket.

"How did you learn to kiss like that?" she asked in ecstatic tones.  
He replied: "Siphoning gas."

He: Gosh, you have a lovely figure.  
She: No, let's not go all over that again.

Hustle the Hawaiians. Be Pack Backers.

## PACK TRACKS

By Bill McFarland

With baseball season only a month or so away, perhaps the time is ripe to see what has been cooking in the hot stove league in regard to diamond futures for the '48 Wolf Pack.

In a nut shell, there is no future for Nevada baseballers come spring. Abner Double-day's sport has been put in the deep freeze locker and won't come out until campus opinion in favor of the national game is strong enough to force it out.

The athletic department in closing horseshoe activities as a varsity sport, states that gate receipts aren't balancing the money put into baseball, therefore, a losing proposition isn't healthy from a monetary standpoint.

Losses incurred during the past two years in baseball bear out the department's statements regarding finances. But, is two seasons a substantial length of time to base their decision?

Reno is just beginning to become baseball conscious, as is illustrated by the rising interest in the city's professional team, the Silver Sox. At first, even the town's pro weren't drawing peanuts at the gate. With local sponsors taking over, the idea of baseball took hold and is rapidly growing stronger.

The University of Nevada certainly is the center of

Reno's sports interest, therefore, now would be the time to feed Nevada partisans a diet of good college diamond play.

Another reason given for dropping the sport is the lack of a campus diamond. Clark Field was mentioned as a likely site but that won't work due to interference with intramural games scheduled there this spring. If such is the case, let's hope the intramural teams do not decide to put touch football on their agenda next fall.

Before baseball is completely buried, it is the belief of this column that financial and material problems involved in fielding a varsity nine can be overcome. Just a little more time is all it will take.

## Nevada Frosh Win Over Lovelock High

The Nevada freshman basketball team climaxed a busy weekend Monday night by whipping Lovelock high school 39-20. They defeated Fallon Saturday night and Portola Friday by scores of 58-35 and 58-28.

Benna and McEachern scored nine points apiece to lead the Wolf Cubs in Monday's game, while Hardy tallied 27 points in the two weekend games to lead all scorers. In the preliminary to the varsity contest with Hawaii tomorrow the frosh play their final game of the season with Douglas. Game time is 6:30.

## ATTORNEY SPEAKER

Gordon R. Thompson, assistant district attorney of Washoe county, gave a lecture to pre-legal argumentation students at the university last week.

## 'Pershing Rifles' To Be Organized

Efforts are being made on the Nevada campus to organize a chapter of Pershing Rifles, national competitive drill fraternity. The organization was named after General Pershing, and is sponsored by Scabbard and Blade, national military honorary society.

Membership is restricted to freshmen and sophomores, who are outstanding in ROTC work. Twenty-five of the 40 members necessary to petition the national fraternity for a charter, have already been organized by Lorne S. Black and Leo M. O'Brien, sophomore students who are cadet second lieutenants in the ROTC.

## Nevada Punchers Bow to Wildcats

Wolf Pack mittmen took it on the chin again Wednesday evening, this time from the Chico State leather tossers at Chico. Rated a slight underdog in the match, the Wildcats proved their worth by coming out on top 6 to 2 with one bout being called a draw.

Only bright spot in an otherwise gloomy Nevada evening was the showing of boxers Don Blackman and Bob Thronsen, who took TKO verdicts from their opponents.

Once again it was close decision calling that plagued the Wolves. Several Chico men were given the nod when the fight had apparently been in favor of the Nevada puncher. Payoff call came on the Fred Leon-Nick Florata heavyweight go. With Leon out in front by a country mile on points through his aggressive fighting tactics, the judges decided in favor of the hometown boy.

Local fight fans and Nevadans put their disapproval into the form of the loudest boos ever heard in the California city. The Chico State loss gave the Nevada boxers no match wins in four outings. Last weekend, the Pack Punchers dropped a pair to Idaho opponents on successive nights.

Back the Pack.

## WEATHER HOLDS FATE OF FUTURE MURAL SPORTS

"Future dates for baseball and tennis, singles and doubles, will depend upon the weather and open dates for competition," Prof. J. E. Martie, PE department head, stated today.

Only one definite date is set and that is for the intramural track meet scheduled for March 20. One game remains on the basketball competition between Theta Chi and ATO.

In determining playing dates for baseball the scheduling committee will select June 1 as the last possible playing date and April 15 as the probable inaugural date. Tennis doubles will follow the singles.

Looking ahead about two or three years, Martie hopes to include gymnastics in the competition. This would include tumbling and all competition could be held in one night in the new gym before a crowd. Martie also hopes to stimulate interest among the students in tumbling.

### Greek Neophytes Slated for Rites, Dancing Weekend

"The Greeks had a word for it," and this week several fraternity houses will give the word to neophytes.

Tonight about 30 Alpha Tau Omega pledges will go through an informal initiation. House president James Welin said the formal induction would be on March 7.

Sigma Nu president Orsie Graves revealed a dance for new pledges will be held this evening. The dance is to acquaint the pledges with the actives.

Formal pledging for Lambda Chi Alpha's new men will take place Sunday afternoon. President Mike Galli stated that seven men would go through this ritual.

Jerry Wetzel, Theta Chi house president, announced that a banquet for nine new members would be held Sunday evening at the Villa Sierra.

Sigma Alpha Epsilon is holding a "work week" for their pledges. President Bill Kornmayer announced that formal initiations will take place in March.

Phi Sigma Kappa and Sigma Rho Delta revealed no special activity this weekend. The Sigma Rho's have a pledge dance on the calendar for March 6.

### Macaulay Elected To Head Rifle Club At Recent Meeting

Nevada Rifle and Pistol Club held an election at its Wednesday evening meeting. Officers elected are Tom Macaulay, president; Dick Wright, vice-president; Gertrude Sanford, secretary; and Connie Madsen, treasurer.

Colonel Gilbert Parker, head of the military department, presented Kenneth Rice, outgoing president, with the National Rifle Association club members trophy for shooting the highest competitive score last season. Club members gave him a belt, in appreciation of his services as president.

Two 20-power spotting scopes will be purchased by the club to be used in outdoor matches, Macaulay said.

### Campus Queries

Student reaction to changes already made in the management of the university dining hall seems to be definitely favorable, finds a roving Brush reporter. Miss Nellie F. Walden, newly appointed director of the gow house, has wholehearted student approval in her attempts to improve menus and efficiency in serving.

Ken Fox, sophomore student, says that Miss Walden's efforts are "a step in the right direction."

Rose and Joe of the Wolf Den claim, "The food must be better. Last semester, when kids stopped in for coffee after a gow house meal, their burps sounded out above the music from the juke box."

Pleased with the lighter lunches is Jean Howard, home ec major. "Food is either hot or cold now—not luke warm. There's more variety, too," she said.

Connie Madsen, Tri-Delt pledge, has this to say: "The food has greatly improved, but they still give us that horrible old lettuce salad."

Bob Walker, sophomore student, commended, "It's more good—BURP!"

Opal Smithwick, Pi Phi pledge, thinks that the meals are lots better since the change.

A remark by Marge Kean, dietetics major, summarizes the viewpoints of most blue ticket holders. "Seems incredible, but it's actually edible!" she said.

### Armory To Be Used As Training Center For Regular Navy

What started out to be Reno's naval reserve armory has now been renamed the Naval Training Center and as such will be used to train a few regular navy men as well as reserves, Allen E. Plummer, navy engineer, announced today.

Dedication of the structure located northeast of the university is being planned by navy officials on Treasure Island, headquarters of the 12th naval district, Plummer said. No date has been set for the ceremony but it will probably take place shortly after April 1, the announced completion date.

In connection with the building, the navy is offering ex-service men installation jobs at regular navy pay. Twenty men are needed to install equipment in the classrooms. The eligibility of students for these jobs is being investigated by Chief M. Martinez of the navy recruiting station in the basement of the State building.

### FOUR NEVADA COEDS WILL ATTEND MEET

Four Home Economics Club members, Althea Benedict, Marge Kean, June Powell and Myrde Brown, were chosen to attend the annual national Home Economics Clubs conference held in Yosemite, April 16 and 17. More than \$100 profit was made at a cake sale the club staged on February 16 to raise money to send these women to the conference.

At the regular meeting last night, Mrs. Florence Bovett, executive secretary of the Nevada State Farm Bureau, spoke on "The Home Economist in Journalism."

### EASTERN MEDICAL SCHOOL GETS GRADS

Jack C. Collins and Henry Stewart, senior pre-medical students, recently received notice of acceptance into medical schools. Both will begin their medical training this fall.

Collins has been accepted by Johns Hopkins University school of medicine in Baltimore, Maryland. Stewart will go to Washington, D. C., and attend George Washington University school of medicine. Both are members of Nevada Alpha chapter of Alpha Epsilon Delta, national pre-medical honorary society.

### British Universities Reserve Openings For U. S. Students

Six hundred places will be reserved for American students at summer schools to be held by seven British universities during July and August, 1948. These schools are open to all nationalities and will afford opportunities for American students to meet fellow students from other countries in Britain.

Courses will be of six weeks duration and will range over a wide field including European civilization, Shakespeare and Elizabethan drama, Britain's economic future, contemporary English literature, education in England, and historical and sociological survey of contemporary Britain and a post-graduate school in medical and scientific studies.

Schools all over England, from St. Andrews University in Scotland to Southampton College on the south coast will be open to Americans. Courses offered were intended primarily for graduate students but are now open to juniors and seniors. Information on cost, travel and GI Bill privileges may be obtained by contacting the Institute of International Education at 2 West 45th Street, New York, N. Y.

### First Music Hour Concert Features Trio and Soloists

The Lorolu Trio, featuring chamber music and solos, presented the first in a series of concerts to be known as the "University Music Hour" in the Education auditorium on Wednesday evening.

The trio, composed of Miss Lorna Wren, flutist, Mr. Robert Tate, violinist-violist, and Mr. Lou Hilbert, pianist, opened the evening of music with Loeliet's "Sonata for Trio."

Debussy's "The Little Shepherd," Godard's "Waltz in B Flat" and "Flight of the Bumble Bee," by Rimsky-Korsakov, were selections played by Miss Wren, solo flutist.

Mr. Hilbert presented piano renditions of "Au Couvent," by Borodin and Debussy's "Clair De Lune" and "Golliwog's Cakewalk."

Selections chosen by Mr. Tate for violin presentation were "Romance in F," by Beethoven, "Romanza Andaluza," by Sarasate and Kreisler's "Caprice Viennois."

Music by Mozart, Borodin and Moszkowski featured the final selections played by the

### Art Exhibit Yields Gains to Sheppard

Five water colors and one drawing were sold during the J. Craig Sheppard art exhibit held here recently.

"Since this was my first Reno exhibit, I was especially gratified to find local buyers," declared Mr. Sheppard, who is an assistant professor of art.

"Looksee" was the name of the drawing sold; the water colors included "Spring Rain," "Grass Land," "Sumac and Blackjack," "Duck Hunters," and "Rocks and Rider."

The music department, sponsor of the music hour, plans more programs in the near future to maintain artistic standards and enhance the cultural life of the campus community.

### Three Major Faiths Plan Joint Program In Religious Survey

Under the sponsorship of the Campus Club, adviser the Rev. Terence Stoker presented a set of colored slides illustrating the history of Christianity. This began a series of programs on interfaith understanding by the Federated Church student organization.

"All Congregational and Presbyterian students are invited along with others interested in this important survey of three major faiths by competent representatives," declared the Rev. Stoker.

Monsignor John T. Smith, Newman Club director, will address the Campus Club Sunday, February 29, at 5:30 pm. Monsignor Smith will talk on Catholicism.

Talking on the Jewish faith, Rabbi Baruch I. Treiger of Temple Emanuel addresses the club on March 7. The Rev. Earl Barnett, First Baptist Church, will talk to the group on Protestantism on the following Sunday.

One can of paint was overheard whispering to another, "I think I'm pigment."

### Recent UN Speaker Dies in Carson City

Two days after lecturing to the Crucible Club, Robert E. Phelan, noted metallurgist, died in his home at Carson City.

Phelan was 62 years old and had resided in Carson City since 1945. He had been conducting metallurgical tests of Virginia City mine dumps in an effort to find an economical method of treating the low grade ores discarded during the boom days of the camp.

His talk to the Crucible Club concerned the complex development and operation of the famous Flin Flon mine in Alaska where he played an instrumental part in overcoming the problem of operating at peratures as low as 60 below zero.
