

# DIAMOND ANNIVERSARY EDITION

Sunday, March 7, the University of Nevada celebrates its diamond anniversary.

It was on that day 75 years ago that Governor Lewis R. Bradley signed the bill that established the state university at Elko.

The history of the university is a story of progress. Starting from scratch with one building, seven students and one instructor (Mr. D. R. Sessions) on October 12, 1873, it has risen to an institution of national standing of three full sized colleges, with a mod-

ern beautifully landscaped campus with more than 20 buildings, a staff of over 150 faculty members and an enrollment higher than 1700 students.

### Plans Approved

In 1864 the university was established by an article in the state constitution authorizing the legislature to "provide for the establishment of a state university." It was not until March, 1873, however, that the actual plans for the institution were approved by the legislature.

The school was located at Elko and began work on a preparatory level in October of the same year. It continued in Elko until 1885 when it was moved to Reno where it would serve a greater portion of the state's population.

Formally reopened on March 31, 1886, under the administration of President Leroy Brown and Miss Hannah K. Clapp as the single faculty member, 50 students registered.

During the administration President Brown, 1887-1889,

and President Stephan A. Jones, 1890-1894, departments of the university were established and the faculty enlarged. By 1888, there were seven members of the faculty, a school of mines, a normal school and a military department. Plans were made for schools in liberal arts, agriculture and business.

### Modern University

President Stubbs was appointed in 1894 and during his 20 year administration Nevada became a modern university. Enrollment increased

to nearly 500. By 1904, the mechanical building, the chemistry building, Lincoln Hall, Manzanita Hall, the gymnasium, the president's house and the hospital had been built on the campus.

By 1914, the agriculture experiment station, electrical engineering building, and a small library were added. The Mackay School of Mines was well on its way at this time and donations were coming from Clarence H. Mackay and Mrs. John W. Mackay to build the new stadium and training

quarters.

President Archer B. Hendrick succeeded President Stubbs and the school of agriculture advanced notably during his administration.

### Clark Takes Over

Walter Ernest Clark became president in 1917 and he continued in that office until retirement in 1938. During his administration the present library was added, the retaining walls in back of the engineering building were put up, the Mackay Science Hall was completed, the Mackay

School of Mines was enlarged, the bureau of mines was established and the Mackay School of Mines museum was provided for. Enrollment averaged about 1100.

President Clark was succeeded by Leon Wilson Hartman in 1938. At his death Charles Gorman, comptroller, acted as president until John O. Moseley began his administration, July 1, 1944. During these administrations the new gymnasium and a new engineering building were added to the campus.

UNIVERSITY OF NEVADA, RENO, FRIDAY, MARCH 5, 1948

## Queen o' the Ball Candidates Chosen By Military Group

Six campus lovelies have been nominated by Scabbard and Blade as candidates for "queen of the military ball." One of these feminine beauties will be selected to reign over the annual affair to be held March 12 in the Mapes Hotel.

Girls selected as candidates, and their sponsoring organizations are Jackie Keenan, Corps of Sponsors; Frances Tschopp, Delta Delta Delta; Carol Lampe, Kappa Alpha Theta; Kitty Braun, Pi Beta Phi; Dorothy Hooper, Pi Beta Phi, and Jean Garland, Independents.

The six coeds were chosen from a list of 20 submitted by the sororities and independent organizations, at an informal dance held last night.

Tri-Delt candidates were Miss Tschopp, Marge Menu and Carolyn Pickens.

Representing the Gamma Phi house were Arlene Sorenson, Mary Lou Sewell and Helen Burr.

Theta members named were Miss Lampe, Marilyn Humphries and Beverly Minor.

Ruth Irwin, Miss Hooper and Miss Brunn were picked from the Pi Phis. Representing the Independents organization was Miss Garland.

Selected from the Scabbard and Blade Corps' Sponsors were Gwen Byrd, Yvonne Van Blitter, Marion Neilson and Miss Keenan.

## Car Registration Started This Week By Service Group

Blue Key, honorary fraternity, will set up a booth in front of the library this week to register cars, said John Witte, president.

Student car owners must show their registration card and new license plates to a Blue Key member.

Witte said that the plate number, to be filed with the driver's name, address and registration number, will be used to identify owners of cars receiving citations.

Citations will be given for the following reasons: failure to display parking permit; parking in a faculty or staff zone; parking in no-parking zone; blocking driveways; driving against one-way traffic; parking or driving contrary to established regulations; exceeding 15 m.p.h. speed limit.

### COMMUNITY CONCERT

The Saint Louis Symphonette is the next in the series of Reno community concerts. It is scheduled to be held Monday, March 9, at the Granada Theater. The concert will begin punctually at 8:30 pm.

### CAMPUS PARKING AND TRAFFIC FLOW DIAGRAM

A revised diagram of the student and faculty parking layout of the campus is pictured above. Arrows show the direction of traffic flow. Blue Key, authorized "Hill" traffic regulators, will make an all out drive in the coming weeks to enforce the regulations set down by the student senate and approved by the board of regents.

## Orchesis Sets May Date for Festival

Orchesis, modern dance society, set May 20 as the date for the annual spring modern dance festival.

Orchesis, junior Orchesis and dance classes will present more than 15 original numbers and a dance roller skating trio in the university gymnasium.

Pictures of Orchesis members performing dance routines are now on display in the main foyer showcases of the university gymnasium.

## ASUN BUILDING PLANS COME TO STANDSTILL

Plans on the proposed Student Union building are at a standstill until the University of Nevada Alumni Association can consolidate all of its finances into one fund, Rex Daniels, alumni office director, stated this week.

The association is awaiting the approval of the board of finance control, and of the board of regents, which is needed before the finances can be consolidated into one fund and additional money put into the fund, Daniels added.

## Barbs Steak Fry Being Held Tonite

Independents will hold a "hamburger fry" tonight at Lagomarsino Creek, announced Wally Durtz, chairman of the social committee. Topping the Barbs' program will be a "treasure hunt" organized by the committee.

Plenty of food and music is assured, and George Umbenbauer, food committeeman, has appointed Jo Ann Barbash to assist in this department, said Durtz.

Cars will leave Stewart Hall at 6:30 pm and 7 pm.

## TWO ENGINEERS WORK ON GOLD ORE PROJECT

John Martinson and Hugh Ingle, senior engineering students, are working on a project to determine a suitable method of separating gold and silver ore, based on samples from the Goldfield mining area.

Walter S. Palmer, professor of metallurgy, intimated that Goldfield may be the scene of a new gold rush. The Newmont Mining Company, operating in that area, expects good results after a rich ore strike last spring.

## Preparations Underway For Annual Celebration

### Graduating Seniors Get Last Warning

Graduating seniors have one more week to sign up for announcements. Jim Goodin, in charge of the announcement sale warns all seniors that Friday, March 12, is the last day they will be offered.

Goodin will be in the ASUN building from 10 am to 12 noon and 2 till 4 pm on Monday, Wednesday and Friday to take the orders of prospective graduates.

## Block N Society Adopts New Rule For Grid Letters

A proposal to change the amount of playing time a football player must put in before he becomes eligible for his letter was adopted at the last meeting of the Block N on March 1. Bill Gillis, president of the society, announced this week.

The proposal, if adopted by the student senate when it goes before that group, would change the award system to provide that a player must appear in at least 40 per cent of the quarters, during the football season. The present system of awarding letters states that a player must play at least 25 per cent of the total playing minutes during the football season to become eligible for his letter.

The Block N feels that under the new free substitution rule, used in college football for the first time last season, the present system of awarding letters is no longer feasible since several players are on and off the field every time the ball changes hands from one team to the other. It would keep several men busy to check on the time each individual player spent on the field, Gillis said.

### Tentative List

A tentative list of 36 football players and one manager will go before the executive board next Wednesday, March 10, Gillis added. If the scholastic standing of the men on the list is satisfactory they will become members of Block N, Gillis said.

It was also decided that the N on Peavine mountain will be painted on April 17, Gillis stated. The N is painted twice a year, once during the fall semester and again in the spring by the freshman class.

Neal Scott and Jake Lawlor will explain details of the Nevada state high school track meet to be held May 8.

## Mackay Day Head, Dale Riley, Names Aiding Committees

Assignment of committees to direct the various festivities scheduled for Nevada's most celebrated tradition, Mackay Day, was made this week by chairman in charge Dale Riley, co-chairmen Bob Uhlig and Josie Eather.

Nominations for Mackay Day queen heads the agenda. Names of nominees must be turned into Miss Eather by Tuesday, March 9. Girls nominated are to see Dean of Women Elaine Mobley to have measurements taken. Measurements along with photographs will be sent to Earl Carroll, Hollywood beauty expert, who will judge and select a Mackay Day queen.

Growing of beards begins March 20, six weeks before Mackay Day, however, leeway is granted for those wishing to wait until after Easter vacation to begin growths.

Excuses will be granted for physical or employment reasons. Members of the upper-class committee will assist in seeing that growing of beards is carried out by those not excused. A dump into Manzanita lake is in store for violators.

Handling luncheon arrangements are Althea Benedict, Dorothy Thomas and Gerry Parker. The luncheon will be held in the gymnasium with preparation under the direction of Miss Nellie Walden, manager of the campus dining hall.

Tables will accommodate 1200 on the gym floor, and 400 box lunches will be served to people in the balcony. Serving will be done by freshman girls.

Heading the dance committee are Bob Uhlig, Bob Durham, Don Van Blitter and Marge Simon. The dance will be in the gym and a good local band is being sought to furnish the music.

Trophies will be awarded at the dance for best men and (Continued on page 6)

## ELIGIBLE PLEDGE LIST OUT MONDAY

Eligible pledges who have undergone preliminary pledge-ship during the past semester and who now seek membership into chosen fraternities will be announced Monday from the office of Dr. Robert S. Griffin, dean of men.

Grades for the past semester have been registered and the pledge eligibility slip from the registrar's office will be sent to the dean of men next week.

## 'Mission Unaccomplished' Report Brush Scribes Who Seek C. Gable

By Barbara Smith and  
Jane McTavish  
"Girls, why are you wandering around this hotel?" demanded the Mapes bell captain.

We timidly answered that we had been looking for Clarke Gable's room.

The belligerent little man continued, "You won't find him in this hotel. Why would he stay here? He's probably at a dude ranch."

We were thoroughly embarrassed because the bell captain had yelled at us in the Mapes lobby attracting everybody's attention. Our attempt to nab Gable was squelched.

Our trials and tribulations were a result of the inspiration we received when our journalism class discussed interviewing Monday afternoon. Immediately after someone mentioned Clark Gable was staying at the Mapes, we rushed downtown like two collegiate eager beavers.

We ambled into the Mapes lobby and approached the desk clerk. "Is Clark Gable registered here?" we queried.

"No!" was the answer thrown back at us. We convinced him that we weren't seeking autographs but an interview for the Sagebrush.

Then he winked and said, "It's a secret, girls."

Persistence was our motto. We then applied our own methods of contacting Gable.

We sneaked into an elevator and casually said, "Sixth floor, please." Since the sixth floor maid could tell us nothing, we went to the fourth floor.

We met a night maid who thought the housekeeper on the second floor could help us. But no luck. So we took the back stairs in case the other maids might have been warned about our unauthorized mission.

A friendly maid, on the staircase between the seventh and eighth floors told us that Gable was definitely in the hotel. Since he had left explicit orders that his room number be kept secret, she wouldn't give us a lead.

We gave up our pursuit and descended via elevator. Just as we alighted the incident with the bell captain took place. He practically ushered us to the door.

Not feeling slighted, we decided to track down Bette Davis who we heard was staying at the Golden Hotel.

## Dr. Laird's Novel, 'White Thunder' On Way to Press

"White Thunder," tentative name of a novel by Dr. Charlton G. Laird of the English department, is being published and will be released this summer by the Atlantic Monthly Press.

The story involves the conflict between the Blackhawk Indians and white invaders along the Illinois border in 1812. Blackhawk an Indian chief, is the principal character in the novel.

As the white men carry on wars with Blackhawk's tribe, action moves into the prairie Due Chien region of Wisconsin, ending up with the Blackhawk wars of 1932.

A native of the area in which the story takes place, Dr. Laird has put a great amount of time into research for material needed to weave the plot of his novel. He began research activities as an undergraduate in college and "White Thunder" offers the finished product of his investigation.

Characterization of Blackhawk was obtained from an autobiography by the chief given to a French trader and later translated, and is the only personal story by an Indian of that time.

Following "White Thunder" are a series of novels covering the fur trading era when French forces were dominant in economic and cultural life of the upper Mississippi region.

Stories of river traffic routes between North and South set the stage for succeeding volumes to bring the main story into modern times.

## New Art Exhibit Opens on Monday

Paintings by the faculty of the California College of Arts and Crafts will be displayed in the art exhibit room in the temporary buildings Monday through Friday from 1 to 5 pm.

"A cross section of work from the academic to the modern will be represented," said J. Craig Sheppard, Fine Arts Club advisor.

A meeting of the Fine Arts Club will be held at the Gamma Phi house Monday night at 8:30. Mr. Sheppard, assistant professor of art, returned to the campus Wednesday after a brief trip to Oklahoma.

## Two Psych Majors Working for Tillum

Two University of Nevada psychology majors, Forest Schwartz and Harriet Lee, are doing field work at the State Hospital under the supervision of Dr. S. J. Tillum, well known local psychiatrist, according to Dr. J. R. Young, psychology department head.

Although these students are not fully trained in their work, he said, they are gaining invaluable experience in administering mental tests and measurements. Their work is being done in conjunction with the university course in abnormal psychology.

Two years of graduate study are required of a psychology major to be classed as a junior clinician, and four additional years of work are necessary before he may assume the coveted title of psychiatrist, explained Dr. Young.

## FRANK B. LANE JOINS UNIVERSITY FACULTY

Frank B. Lane, a graduate in mechanical engineering at Cornell University and former instructor at the University of Maryland, joined the campus faculty three weeks ago.

"More snow for more skiing," is the instructor's motto. Between slides down the slopes, he teaches classes in frame structure and strength of materials, and assists in surveying.

Support the Red Cross.

## UN Civil Engineers May Attend Meet

Enthusiasm is gaining momentum among students here to attend the Pacific coast division meeting of the American Society of Civil Engineers in Fresno, California, on April 23 and 24, said Howard B. Blodgett, professor and chairman of the CE department.

Student chapters that will attend represent the University of California, University of California at Los Angeles, Stanford, California Institute of Technology and the University of Arizona. Men of national prominence in civil engineering will highlight the two day convention with talks and inspection trips will be taken.

Students will compete by delivering ten minute talks on

any subject of civil engineering interest. Professor Blodgett is confident that the University of Nevada could make a good showing in the competition.

Bartender, Give me something for the shakes. Something tall, cold, and full of gin.

Nearby drunk: Say, you're talking about the woman I love.

## Court Adjourned While Attorneys Prepare Defense

The mock trial of Miss Grace Storey, pre-legal student at the university, is adjourned until Monday at 2 pm.

Miss Storey allegedly leaped from behind a parked car February 26 and shot Harold Swan four times with a .32 calibre automatic. Mr. Swan was employed as a night clerk for Western Union. He died 15 minutes after the shooting.

Judge Joe Foley presided over the 69th district court in room 16-T in the English building when it convened on Monday. Hiram Q. Whippel, the county coroner, reported that Swan came to his death at the hands of persons unknown.

Bonny Iturbide and Harold Murphy, defense attorneys for Miss Storey, asked for time Monday to prepare the case. The court adjourned after the jurors were sworn in and the charges read by prosecuting attorney Carlyle Shad.

The court met on Wednesday but was forced to adjourn for lack of a jury. The jury consists of Fay Fryberger, Harry Williams, Dick Eason, Murray Dolan, Barbara Joseph, Mary Haslam, Don Van Blitter, Jim Moell and three not listed.

## SEVEN HOSPITALIZED

Seven students were in the infirmary this week. Jerry Wetzel and K. C. Stone were in with ski injuries. Jim Hale, Mary Ellen Perdue, Deloy Anderson, Dean Munter and Bill Savidge were treated for various minor illnesses.

## Dr. Sears to Speak Before Chem Club

Dr. George Sears, head of the chemistry department, will speak on the rearrangement of the periodic table at a meeting of the Chemistry Club Tuesday, March 9, at 8:30 pm in the Mackay Science building.

The periodic table is the classification of the earth's elements according to atomic weights. Dr. Sears disagrees with the present arrangement of the periodic table and will give his views on how it should be arranged. Sears also spoke to the Sacramento division of the American Chemistry Society last fall on this subject.

Club members will vote on the final revision of the club constitution Tuesday night.

## CLUB HEARS DEBATE BY SQUAD MEMBERS

Four women members of the debate squad gave an exhibition before the Kiwanis Club of Reno last Wednesday noon. S. M. Vinocour, debate coach, announced yesterday.

The squad members who participated were Pat Carmichael, Barbara Joseph, Barbara Martin and Fay Fryberger. They spoke on the question of "Should we have federal world government?"

## SORORITY TO REMAIN ON INACTIVE STATUS

Zeta Phi Zeta, local, social sorority will remain inactive this semester. The sorority was active last year, but failed to continue this fall when many officers did not return to the campus.

Evelyn Callahan, former officer, said that she had hoped the group would start up again this semester, but not enough girls have shown interest in it.

## Sorority Pledge Dances Highlight Social Activities

Sorority pledge-initiate dances for the spring semester get under way this week-end.

Beginning the semester's social activities will be Pi Beta Phi with their initiate dance tonight. The dance will be held in the sorority house from 9 pm till midnight. Doris Maloney is in charge of the affair.

Lawton's will be the scene of the Lamb and Lion dance tomorrow night when Gamma Phi Beta will honor their new pledges and initiates.

Cottons and cords are in order for the Tri-Delt barn dance to be held Saturday, March 13. Meryde Brown is in charge of this dance, also to be held at Lawton's.

Other sorority activities include a Pi Beta Phi social last Wednesday night with the Alpha Tau Omegas. This Saturday noon Pi Beta Phi pledges will be hostess to Kappa Alpha Theta pledges at an informal brunch to be held at the Pi Phi house. Next Wednesday evening, Gamma Phi Beta will be entertained at a social by the Theta Chi's.

## Crandall Selected To Lead Thetas

Pat Crandall was elected president of Kappa Alpha Theta at the chapter meeting last Monday. Alice Etchart presented the gavel to Miss Crandall.

Other new officers are Virginia Casey, vice-president; Molly Blair, pledge trainer; Eleanor Fulstone, assistant; Shirley MacDonough, treasurer; Jane McTavish, assistant; Kay Brennan, social chairman; Jeanne Fulstone, assistant; Gwen Byrd, rush chairman; Dariel Durham and Gloria Eddy, assistants.

Gedney Gallagher, senator; Marilyn Humphreys, assistant; Mary Lee Scott, corresponding secretary; Shirley Kellar, house manager; Nancy Heher, recording secretary; Barbara Parker, assistant; Marilyn Hansen, chaplain; Marilyn James, editor; Ramona Walker, assistant; Andy Ginocchio, activity chairman.

Lorrie Lothrop and Nancy Hecker, marshalls; Beverly Lehman, archivist; Ruth Helm, assistant; Anna Pichi, publicity chairman; Mary Michio, historian; Dariel Durham, song leader; Marilyn Link, improvement chairman; Kay Brennan, president upper class committee; Mollie Blair, assistant.

## HIKING ON THE HILL

By Muriel Smiley

The atmosphere was tense; the crowd was anxious and eager to know what the final score was to be. The scene was the university gym where a large throng of Nevada basketball enthusiasts were swallowing hard as they watched the Wolf Pack take a clean sweep over the University of Hawaii's team last Saturday. Five of each team's skilled players had been tossed on to the floor with no thought to arms and legs, or cruelty to dumb animals. The Hawaiians started off strong, but the Wolf Pack's coolness and steady play paid off in the end. From this corner, it seemed the Wolf Pack regained a little confidence as they played the last game of the season.

Stars of the game were many, but standing out just a bit more than the rest was Grant Davis . . . stands six foot one inch tall, weights 160 pounds . . . runs with speed, power and elusiveness . . . hails from the capitol city, Carson . . . senior class member . . . favors the school of arts and science.

A girl who knows her game and enjoys watching the hoopsters running pell-mell and every way imaginable is Helen Burr . . . peppy, popular freshman . . . a Las Vegas high alum . . . cheery smile says "get acquainted" and you do . . . affiliated with Gamma Phi Beta . . . rather undecided on her major, but prefers home ec.

Nevada's cheering section featured quite a bit of enthusiasm and getting wound up for the honor of Nevada, for sportsmanship, for exercise and for a game well played was Dick Eason . . . flashes a big grin and a joke for everyone . . . Sparks folks claim him as a resident of

## Chi Delta Phi Gals Meet with AAUW

Members of Chi Delta Phi national literary society for women, were guests at a meeting of the American Association of University Women on Monday evening at Washoe County Library.

Speaking on contemporary Spanish composers and literature were Mrs. A. L. Higginbotham, wife of the journalism department head, Mrs. Katherine N. Mergen, instructor in journalism, and Miss Faith Pedersen.

Three more programs are being planned for the semester, announced Billy Heath, Chi Delta Phi president.

### FORMER CAMPUSITES

Janet DaCosta and Nicholas D. Jackson, both former Nevada students, were married Saturday afternoon at the Trinity Episcopal Church in Reno. A large number of friends witnessed the formal double ring ceremony.

## Hanssen Chosen As Tri-Delt Head

Doris Hanssen was installed Tri-Delt president Monday night after receiving the gavel from outgoing president, Virginia Cole.

Miss Hanssen is editor of the 1947 Artemisia and member of two honorary societies, Sagens and Gothic N. She was recently elected to Who's Who in American Colleges and Universities. Her other activities include Press Club, publications board and Saddle and Spurs.

Officers elected to serve with Miss Hanssen include Kathy Hanley, vice-president and pledge trainer; Norma Carruth, marshal; Helaine Heywood, corresponding secretary; Pat Sadleir, recording secretary; Barbara Smith, chaplain; Donna Lee Audrain, treasurer; Fay Fryberger, assistant treasurer.

Sue Broadbent, assistant pledge trainer; Honor Engelke, rush chairman; Marilyn Tavernia, assistant rush chairman; Bonnie Mollignoni, senator; Virginia Shaw, assistant senator; Phyllis Phelan, music chairman; Jane Ray, publicity chairman; Angela Navaran, historian; Betty Edwards, librarian; Connie Burkholder, house manager; Betty Sweeney, social chairman, and Juanita Barrett, gift chairman.

## Snack Bar Needs Help for Rush Hour, Announces Brania

Helen Brania, YWCA executive secretary, announced that women are needed to assist in the snack bar during the 9 am rush hour.

Fifty-seven women have signed up for snack bar hours. Thus far, said Miss Brania, they are Jane McTavish, Joan Blanc, Joan McCabe, Mary Michio, Ruth Barakat, Shirley, Leandergreen, Lois Darney, Nani Brown, Dariel Durham, Pat Boyer, Pat Annand, Nancy Hecker, Joan Fregger, Rhoda Phillips, Barbara Kernan.

## How many operators will we need NEXT YEAR?

This is but one of the many questions telephone men are called upon to answer.

Part of their work has always been to anticipate demands for personnel . . . to determine what additional equipment must be provided, what new construction will be necessary to handle the constantly increasing demands for service.

Careful planning in every phase of telephone work requires the services of many qualified men. For them, this growing business offers the opportunity for active, interesting careers.

There's a future in telephony.

## Davis, After Three Years With Pack, Says, 'I Like Playing This One Best'

"Even though we had a number of tough breaks and the odds were usually against us, I enjoyed playing on this season's edition of the Nevada basketball team more than any other of the past three years." So spoke team captain Grant Davis when interviewed about this year's Wolf Pack five. Davis predicted that the boys who played this year will do much better next year and should really "find themselves" with a big season in two years.

According to final statistics, Davis led the Wolf Pack in all departments except field goals. Here, his running mate, Louis Joseph, had the edge with 133 buckets to Davis' 112.

The Pack wound up the season with a statistically unimpressive record of nine wins and 19 losses. The impressive thing about the record is that in losing the 19 games the Pack racked up a total of 1432 points to 1485 for the opposition.

Loss of key players at crucial points of the season was the largest contributing factor to the many losses Nevadans sustained.

The Lawlormen were hard hit when three regulars, Jim Mackay, Bill Moylan and Hal Fischer, dropped out of school after the 11th game of the season. All three were on the starting five.

Ineligibility took three more of the first 10 when Dan Orlich, Jack Pringle and Norbert Smolinski were ruled out scholastically.

Coach Lawlor managed to finish the roughest end of his schedule with a revised lineup that battled on even terms with highly touted coast quintets.

In their last outing of the season the Pack Cagers came through with a decisive win over the University of Hawaii five, 53-47.

Grant Davis closed out his college career against the Hawaii team as high scorer with 16 points, and was honored by the visitors to the mainland in a pre-game ceremony.

### Individual standings.

Player	FG	FTA	FT	PF	TP

## Frosh Cage Record Draws High Praise From Jake Lawlor

Nevada's freshman basketball team completed its 1948 season with one of the finest records ever amassed by a first year Nevada team, stated Jake Lawlor, varsity coach.

Ending the year with 17 wins and three defeats, the Wolf Cubs were beaten badly in only one outing. Placer Junior College caught the frosh on an off night, handing them a 50-30 loss. Other losses were to Chico State frosh with whom the young Wolves split a four game series.

The yearlings met and defeated all high school teams of the Western Zone Conference, but were pressed by Reno, Sparks, Douglas and Carson.

Freshman standouts were Buddy Hardy, Bob Collett and Bruno Benna, a trio whose rebounding ability pulled the frosh out of several tight spots. Lawlor expects these three, along with Fister, Fisher, Derico, McEachern, Cooper, McGoodwin, Klemazewski and Charley Fox to aid next year's varsity.

Only member who will not be available next winter is Ed McCutcheon, who has received an appointment to Annapolis.

Buddy Hardy led team scoring with 179 points, followed by Benna, 149, and Collett, 126. Other scoring was divided throughout the squad. Totals were McEachern 86, McGoodwin 70, Klemazewski 46, Fisher and McCutcheon 40 and Fister 28.

## Wolf Pack Skiers Vie at Yosemite In Weekend Meet

Wolf Pack skiers are entered in the Pacific Coast Intercollegiate Ski Union championships being held today at Yosemite National Park. The competition began this afternoon with jumping and will continue tomorrow with downhill races and slalom. The cross country races will be held on Sunday.

Jerry Wetzel, captain of the University of Nevada ski team, stated that he would probably not enter the competition as he is still recovering from injuries suffered while jumping last week at White Hills. Replacing Cliff Banta who received a broken leg during the Winter Carnival will be Jack Parke, Wetzel said.

Included in the tournament will be skiers from the University of California, Stanford University, College of the Pacific, Fresno State College, Sacramento Junior College, San Jose State, UCLA, California Aggies and Placer Junior College. The Golden Bears of California were victors in this competition last year with the University of Nevada a close second.

With the same optimism he possessed previous to Nevada's unexpected victory in the Winter Carnival, Wetzel let it be known that he has high hopes for the Pack's showing this weekend.

Be Pack backers.

## Workouts Begin For 45 Thinclad Hopefuls Monday

Forty-five Nevada cinder hopefuls have turned out for varsity track this spring, according to Jake Lawlor, track coach.

At the present time the trackmen are in the conditioning stage, said Lawlor, who is directing calisthenics and a little straight running.

The Pack is scheduled to meet Cal Aggies there on April 3 for the opening of the season, and they have a tentative date with St. Mary's here on April 10. April 18, Nevada travels to San Francisco to challenge San Francisco State and on April 24, the season finale will be with Chico State here in Reno.

Some outstanding members from last year's squad along with some promising newcomers include Roger Brander and Tom Bell in the weight class, Tommy Kalmanir and Willard Elder in the dashes, Elmer Green in the high jump, Teddy Enslin in the broad jump, with Carl Robinson and Dick Trachok in the hurdles and longer dash events.

## Taus Keep Second In Kinnear Trophy Race by Cage Win

The Taus kept their second place standing in the Kinnear trophy race this week by defeating the Theta Chis 37-23 in the windup basketball game of the season Monday night.

The game was an easy win for the ATO cagers who had the advantage of height that shorter Theta Chis could not stop. Buddy Hardy was high point man with 20 points.

Sigma Nu, by virtue of its championship in the tourney, will get 100 points toward the Kinnear trophy which puts them way out in the lead with 341.75. ATO has 138.75 for second place honors. SAE is still in the race with 135. Following the top three are Phi Sigma Kappa with 85 points, Lambda Chi with 75.5 and Theta Chi with 70 tallies. Sigma Rho Delta and the Independents do not yet have any points.

## Cause for American Pride

*is thus beautifully offered to our acceptance that we may fulfill with the greatest exactitude all our engagements, foreign and domestic, to the utmost of our abilities whenever and in what manner they are pledged for in public, as in private life. I am persuaded that honesty will be found to be the best policy.*

*That we may avoid correcting ourselves with the politics of any nation, further than shall be found necessary to regulate our own trade; in order that commerce may be placed upon a stable footing—our merchant, from their rights—and the government, the ground on which those rights are to be supported.*

*That every citizen would take pride in the name of American, and act as if he felt the importance of his country during that war, and in the days of our glory, and be absorbed, if not annihilated, in our own greatness (further than our own glory may require) under the banner of any, that we should do.*

WASHINGTON'S FAREWELL ADDRESS

Here, in our First President's own handwriting, is part of the far-sighted speech he delivered to the American people 152 years ago. The spirit of the doctrine still applies. It calls for a firm unity among our people... emphasizing, above all, the need for "every citizen to take pride in the name of an American." The original is now aboard the "Freedom Train"—a traveling exhibit of the most significant documents in our history.

Be proud of what you write... and the way you write it!

Naturally you're proud when you own a Parker "51". For this is the world's most-wanted pen. It glides with satin-smoothness... gives new freedom to your thoughts and fingers... makes writing more fun! Whether it's an exam—a theme—a letter, this is the pen that will always show you at your best. Ask for the "51" in either the regular or new demi-size. Choice of points. The Parker Pen Company, Janesville, Wisconsin, U. S. A., and Toronto, Canada.

## Pack Punchers Fight St. Mary's Gaels In First Home Boxing Stand March 20

Out for vengeance after recent ring losses, the university boxing team will fight St. Mary's College team here on March 20. The first home match of the season will be fought at 8 pm in the gymnasium.

Battered by split decisions, the university mittmen look back on four varsity engagements, 1800 miles traveled by auto, and losses to San Jose State, Idaho State, University of Idaho and Chico State. The mileage was traveled and the last three colleges were fought in six days.

Featuring the first full fledged boxing team since 1932, Coach Cliff Devine expects his men in perfect condition for the showing. No injuries cripple the team, and Nevada will not forfeit any matches for lack of contenders as in the past meets here. Devine stated that nine weight divisions would be entered and some preliminary bouts or exhibitions would be on the card.

Coach Jake Hebron's team from St. Mary's will display the mitt talents of freshman Tony Kotowski. He will fight in the heavyweight spot against Packster Fred Leon. Kotowski is touted for sensational wins from recent varsity engagements in California.

Al Nociolo, football half-back here in 1944, joined the boxing team recently in the middleweight class. Nociolo received good notices from his showing at Chico. Only wins gained from Chico in the 6-2 loss were by Bob Thronsen and Don Blackham. Both were awarded on TKO's. Coach Devine revealed the Chico fight fans thought some of Nevada's losses were undeserved and booed several close decisions.

Tickets for the March 20 fight will go on sale soon, announced Joe T. McDonnell, graduate manager. University students will be admitted entrance on their ASUN cards, according to McDonnell. The prices will be \$1.50 for ring-side seats, \$1.00 for general admission and 50 cents for high school students.

## MURAL RUNNERS START TRAINING FOR MARCH MEET

Intramural track season began Monday when all the organizations participating in the intramural meet turned their entry lists in to Jake Lawlor, varsity track coach. The contest will be held on March 20 at Mackay stadium.

Events scheduled are the 100, 220, 440 and 880 yard dashes, shotput, discus, javelin, high jump, broad jump, pole vault, 120 yard low hurdles, 220 yard low hurdles, mile, two mile and 880 yard relay.

A first place in any event wins five points, a second place three points, a third place two points and a fourth place one point. The winner of the meet gains 100 points toward the Kinnear trophy.

Intramural regulations state participants in the events must work out regularly, starting their training approximately three weeks before the meet. Track lettermen are not eligible. Entries for any one organization are limited to three in any event.

## Gov. Pittman Tells Names of Honorary Board of Visitors

Governor Vail Pittman recently announced the appointment of an honorary board of visitors for the university which will serve until 1950.

Each county in Nevada is represented on the board which meets before June commencements to inspect the university's facilities. A report is made to the governor on campus conditions after each inspection.

Appointments were: Washoe county, Mrs. William S. Boyle; White Pine, Mrs. W. N. Ireland; Storey, Mrs. Zeb Kendall; Ormsby, P. L. Woodgate; Pershing, O. H. Olesen; Nye, R. T. Morris; Mineral, Richard J. Elmore; Lyon, James F. Dupratt; Lincoln, Mrs. Everett; Lander, Mrs. Mildred Campbell; Humboldt, Mrs. G. W. Kinney; Douglas, Roy T. Williams; Churchill, Hugh M. Wilson; Eureka, Mrs. Judson B. Hooper; Esmeralda, David Patterson; Elko, C. J. Littlefield; and Clark, I. R. Crandall.

Most of the board members have a son or daughter in some capacity as student or junior faculty member on the campus.

## SYRACUSE OK's BORGE

Jim Borge, senior pre-medical student, will enter Syracuse University Medical School next fall. Announcement was made of Borge's acceptance to the medical school by Alpha Epsilon Delta, campus pre-medical fraternity.

## PACK TRACKS

By Bill McFarland

Cliff Devine and his U of N leather pushers may get the necessary breaks to win their first team match of the year when St. Mary's pugilists match punches with our guys here March 20.

Nevada's mentor of fisticuffs feels that his boys are due to take the measure of more opponents than has been the case in four previous matches in which the Silver and Blue came out on the wrong end of several decisions. Devine is not yelling "wolf" at anyone because his team has dropped matches. He just feels that several bouts should have been in favor of our side.

He just can't understand how an aggressive fighter can lose points as did some of his boys in carrying the fight to their opponent. Particularly in the case of Fred Leon was Devine baffled by a losing decision.

Big Fred had gone after his man in every match, but when he gets close enough for the other fellow to put an arm around his waist, the referee yells "break." Cliff feels that the refs have been too hasty in such instances. Both men should be tied up before a break is called.

"In the old days, if you won a fight they would give it to you," stated the varsity coach. Cliff oughta' know as he fought on the first Nevada team as a featherweight in 1930, and captained the team the following year.

One of the chief complaints levied by Devine was the absence of medical examinations or weighing-in procedure while Wolf mittmen were fighting away from home. Serious injury can be incurred a fighter because of such negligence. "You can be sure there will be a change here," referring to the coming match with St. Mary's.

Although not scholastically eligible, Frank Sanchez went to Chico and fought an exhibition match in which he won

easily. Showing poise and finesse in the ring, Frank would bring plenty of prestige to Nevada if his grades were up. May be slated for exhibition go on the Gael-Wolf card.

Aside from Leon, Si Corbett was characterized by Devine as having the best left jab and straight right he'd ever seen on a boy. Incidentally, this is the first ring experience for Corbett.

Boxing interests are beginning to run high over another ring show due for the gym April 8, 9 and 10. Reno's Golden Gloves tournament is scheduled to get under way then. American Legion Memorial Post (University of Nevada) is sponsoring the tourney.

Chairman Jim Wehrle stated that he is trying to line up one of the best Golden Gloves tourney in the city's history. Proceeds from the event will go toward buying the university a new ring and boxing equipment.

## FATHER AND SON NOW FATHER, GRANDFATHER

Don Deming, sophomore student of chemistry, became the father of twin girls last Friday, February 27, and Dr. M. W. Deming, professor of chemistry and chairman of the committee on admissions, is the beaming grandfather.

The daughters, born at Washoe County Hospital, have been named Pamela Adele and Penny Ann.

## New Gymnasium To Be Fight Site

Headquarters for the 1948 Reno Golden Gloves boxing tournament will be at the University of Nevada, where the new gymnasium will be the scene of the tournament on April 8, 9, and 10.

Sponsored by the new campus post of the American Legion, which has recently been established on the university campus, the tournament is being held in cooperation with the university athletic department.

Entries from individual boxers, or teams, can be mailed to Jim Wehrle, general chairman of the tournament, box 9126, University station, Reno, Nevada. Invitations have gone out to all high school coaches in Nevada, plus all the American Legion posts and some of the better known boxing team coaches in Nevada and northern California.

Wehrle says that the entries should contain each boxer's name, weight, actual number of bouts in which he has participated, home town, and affiliation with any club or school team. Official entry blanks will then be sent the contestants, or coaches for immediate return to the committee.

## Tumblers to Offer New Stunt Routine

The tumbling club is willing to try anything once and will prove it on March 13 between halves of the western zone high school state championship basketball game.

The "anything" is the new stunt the Olympics Club has developed. It is a "triple pass dive," which was done for the first time last year by a University of Chicago tumbling team.

Besides this special feature, Instructor Art Broten has worked out an entire routine which, he says, "will be something."

The filler that would have occupied this space was censored. Interested readers can get the details at the Brush office.

### Tuesday Assembly Honors Selectees To Phi Kappa Phi

Names of graduating seniors elected to Phi Kappa Phi will be announced at the Phi Kappa Day assembly, 9 am, March 12. An address by Dr. Norman Buchanan, noted economist, will be delivered following announcement of newly elected members.

The upper 10 per cent of graduating seniors may be elected to the honorary scholastic fraternity yearly. Seven outstanding seniors were initiated last fall and new members will be chosen before the March 12 assembly, Dr. E. Maurice Beesley, president of Phi Kappa Phi, announced today.

Dr. Buchanan, on leave from the University of California, has been traveling in Europe for the Rockefeller Foundation to award funds for various research projects. He is the author of several books, his latest publication, "Rebuilding the World Economy," being written in collaboration with Dr. Lutz of Princeton University.

Initiation ceremonies for the newly elected Phi Kappa Phi members will be held on the evening of March 12 in the home economics rooms. The initiation will be open to the fraternity's members and guests.

Fall initiates of Phi Kappa Phi included Virginia Cole, Barbara Olesen, Pat Ireland, Zina Coe, Jane Perkins, Ernest Wilson and Clarence Byrd.

### Chapel Chimes By Martin Risard

The Wesley Foundation is reviving its regular Sunday breakfast club this week and the topic for discussion is to be "the books of fiction in the Bible." The Musical Wolves meet tomorrow night at Bob and Ruth Morton's house for their regular weekly get-together. There will also be a discussion on faith and reason from the philosophical viewpoint, on Sunday night.

At the meeting of the Newman Club last Wednesday, Monsignor Smith, club advisor, gave a lecture on the relation of church and state. Also a breakfast was planned for Sunday and will be held in the rectory of St. Albert's parish.

The live "Y'ers" are going to hold a sport night tonight with a swim splash party as the feature of the evening. The party will start around 7 pm. After the sports events, there will be dancing and refreshments.

A series of lectures is the main feature of the Campus Club this week. The lectures are on the subject of the three faiths, Catholicism, Protestantism, and Judaism, and the speaker on Sunday will be Rabbi Baruch Treiger of the Temple Emanuel. Next Friday night a program of folk dancing will be given at the church.

### CHECKLESS VETERANS ASKED TO SEE LEE

Keith Lee, training officer for the veterans administration, will be in the dean of men's office Monday and Tuesday of next week from 9 am to 3 pm. At this time Lee will be available to all veterans who have not received their latest subsistence checks.

### Turkish Art Work Exhibited in Reno By Campus Man

An art exhibit featuring the works of young Turkish artists between the ages of 12 and 18 was presented yesterday by Tahsin Karacabey, student in arts and science. The display was shown in the Reno high school study hall.

Over 200 water colors, sketches and oil paintings graphically portrayed modern Turkey. Pictures of the late president of Turkey, Kemal Ataturk, and the new leader, Ismet Inonu, flanked a portrait of George Washington as the central theme.

The art works were sent Tahsin Karacabey from a teachers college in Bursa, Turkey. They were previously shown at the University of California and in Indiana. The collection has been termed by critics as most remarkable.

Karacabey stated he wanted to show the great improvement in Turkish culture as reflected by these young art students. Turkish culture, he explained, has taken rapid strides since the overthrow of the Ottoman empire in 1923.

### ARTEMESIA SETS TIME FOR PICS

Group pictures of members of the following campus clubs and organizations will be taken at their regular scheduled meeting for the coming week. Artemesia editor Doris Hanssen, announced today.

Organizations which have meetings set for next week are Ski Club, Fine Arts, Crucible Club, Associated Engineers, Electrical Engineers, Civil Engineers and Delta Sigma Rho. Debate team and dramatics classes pictures will be taken during regular classes.

All students affiliated with the above organizations should attend the meetings, thus cooperating with the Artemesia staff in meeting the new deadline set for one month earlier, March 15, Miss Hanssen said.

Support the Red Cross.

### Mackay Day Head (Continued from Page 1)

women's costumes, men's beard growing contest, song team and work day participation by fraternities and sororities. Nilda Cox is trophy chairman.

Song teams from sororities and fraternities will compete during the luncheon. Not more than eight members can participate for an organization and accompanist must be ASUN members.

The interfraternity assembly and obstacle relays will be under the supervision of Milo Price and Rondell Shaw. A course for five man relay teams is to be mapped out.

Beard check and work day is headed by Bob Bondurant, Wallace Kurtz and Pete Peyron. No excuse will be granted for work day.

Betty Burr is in charge of open house arrangements.

Publicity directors are Roger Brander and Marilyn Glynn.

### LEAP YEAR BUNDLE

William A. Rollins, freshman A&S student, is beaming proudly today because his new daughter, Kris Ann, will grow old gracefully. Kris Ann was born on February 29, and will only have a birthday every four years.
