

TWO CONVENTIONS ON CAMPUS

ME Regional Meet Opens This Morning

Awards, Discussion, Entertainment Scheduled for Two-Day Fete

Representatives of region seven student branches of the American Society of Mechanical Engineers converged on the campus at the University of Nevada today. They were prepared to read competitive papers for various awards, discuss matters of the society, and enjoy themselves in the 11th annual convention of the Pacific southwest group.

The program, arranged by the University of Nevada chapter, host of the occasion, is scheduled to run for two days.

An early count revealed representatives present from seven district colleges: University of California, Stanford University, University of Utah, University of Santa Clara, University of Southern California, California Institute of Technology, and University of Nevada.

Activities began this morning at the new Engineering building where the visitors were registered and then conducted on tours of the campus and laboratories.

At noon the Colombo hotel was the scene of an informal luncheon—a period of getting acquainted—presided over by George E. Newell, chairman of the University of Nevada chapter.

After lunch the group assembled in the Mackay Science building where the technical sessions got under way. Judges who were to rate the student papers about to be presented were introduced.

The awards for the best papers range from \$50 for the first prize to \$10 each for the fourth and fifth prizes. There is also a special vice-president's prize.

This evening's banquet at the Colombo hotel will be presided over by Richard L. Bauer, University of Santa Clara.

The speaker for the occasion will be Dean Reuben C. Thompson who will talk on "The Spirit of Democracy." Following the banquet the group will be conducted on a chaperoned tour of the main points of interest of Reno.

Saturday's sessions will begin with the honorary chairmen's breakfast in the university dining hall at 8:15.

From 9:30 to 11:30 am the second technical session for presentation of student papers will convene, with Donald M. Falconer, University of California, presiding.

This will be followed at noon by a luncheon at the Colombo hotel, in charge of Daniel T.

Resting Place of Horse Trough Believed To Be Manzanita Lake

By Len Crocker

What happen to the Mackay Day horse trough?

The trough, a large metal one, was loaned to the Mackay Day committee by a public-spirited Renoite, and was promptly set up in front of Stewart Hall. Its purpose, of course, was to serve as a means of punishment to all those who dared to challenge the authority of the upper-class committee which will enforce the wearing of costumes on the campus on Mackay Day.

Many of the students may have noticed the day before Easter recess that the trough had disappeared. This reporter, like many others, took it for granted that the Mackay Day committee had moved the darned thing. Such was not the case, however. Last Thurs-

day, a chance remark of "I wonder what happened to the horse trough?" brought the nonchalant answer, "It's in the lake!"

Investigation brought out this story: The night before Easter recess was to begin, three hardy hillmen felt the urge to go sailing, and decided to borrow the trough for a voyage on the storm-tossed surface of Manzanita lake.

During the course of a somewhat boisterous sail, an occupant of a nearby hall was awakened just in time to see the craft going down by the bow, if there is such on a horse trough, and the crew beating a hasty retreat toward shallow water. One campusite estimated the trough to have gone down in about eight feet of water.

The Chance of a Lifetime

Melodrama, the kind that makes men stand up and shake their fists, and causes women to faint, will dare to be presented May 2 through 6, as a forerunner to Mackay Day.

The sensational play, "Psychoscope," in its unabridged and startling form, moves direct from Piper's Opera House in Virginia City where it shook with resounding success in 1872. Originally starring the theater great, John McCullough, the gripping melodrama was produced by the California Theater Company of San Francisco.

Brought back to life, for a limited engagement only, "Psychoscope" is under the direction of William C. Miller, Associate Professor of English at the University of Nevada. The cast of thousands . . . well, a hun-

dred, will portray their parts in the manner of the actors who first shocked the world with their daring roles. Appearing in costumes of that period, and inspired by \$50,000 worth of scenery, the stars of the drama will present an authentic picture of the manners and acting that made this period of the American theater famous.

Rex Jemison, student body president of the university, will play the lead opposite Andrea Smart, the heroine.

As an added inducement to lovers of the theater art, ten Can-Can girls will take the intermission from the lobby and put it in the three front rows.

This spectacular extravaganza, returning after almost 80 years, will be presented at the unbelievably low price of 75c and \$1.20.

Chi Delta Phi Initiates Seven

Chi Delta Phi, honorary English society, initiated seven new members to the group and elected new officers for the coming year Thursday evening at a meeting held at Tri-Delt house.

New members of the society are Elaine Abercrombie, junior student from Boulder City; Bonnie Colton, freshman from Reno; Gloria Griffin, transfer student from Reno; Frances Halfacre, junior student from Alhambra, California; Shirley Laurie, freshman from Reno; Mona Perry, freshman from Las Vegas; and Norma Walsh, freshman from San Francisco.

Fay Fryberger, junior student from Lovelock, is the newly elected president of Chi Delta Phi. Other officers elected are Elaine Aldredge, sophomore from Las Vegas, vice-president; Doris Dyer, sophomore from Reno, secretary; and Badge Wiley, sophomore from Montello, Nevada, treasurer.

Plans for entertaining the student body assembly next year were discussed and refreshments were served.

Hutcheson Named Assistant Editor Of 'The Historian'

Dr. Austin E. Hutcheson, associate professor of history and political science at the University of Nevada, has been named assistant editor of "The Historian."

This magazine is published by Phi Alpha Theta, national history honor fraternity, which has had a chapter at the University of Nevada since 1944.

Dr. Hutcheson will edit the news notes sent in from the 60 chapters and help choose and edit the scholarly articles.

The American Historical Association Coast Branch has also named Dr. Hutcheson chairman of the committee on awards.

This committee, on which Dr. Hutcheson has served since 1947, awards prizes annually for the best books or Ph.D. thesis by western authors in the history field.

Swim Safety

Eight University of Nevada students were among those who participated in water safety classes held at Moana Springs last week under the direction of the American Red Cross. Life-saving certificates were awarded to those who passed the course.

NOTICE

Opportunity has been arranged for all unaffiliated students on the hill to purchase tickets to the Mackay Day luncheon.

According to Mackay Day committee co-chairman Marge Simon, Independents and unaffiliated students will be able to purchase tickets to the luncheon from today until next Wednesday. After that date, the remaining tickets will be offered to anyone who wishes to attend. Admission to the luncheon is set at \$1.

Miss Simon pointed out that there is a limited number of seats available, and urges that all students concerned buy their tickets as soon as possible.

Fraternity and sorority members may obtain their tickets through their organizations.

Tri-Delts Swamp Pianist At Downtown Club

Fifteen University of Nevada women, all Tri-Delts, surrounded the pianist of a downtown club and left him smeared with lipstick and without his tie Tuesday night.

The group, which announced itself as the young man's first fan club, was sitting unobtrusively in the balcony until someone requested "Twelfth Street Rag," one of the musician's best known selections. As he left the stage, the women screamed, ran down the stairs and almost buried him beneath a flurry of kisses and embraces.

As the show continued, the women seated themselves around the big piano and listened at close range.

One member of the club said, the next day that they had calmly visited in a group to hear their favorite pianist, but his playing of "Twelfth Street Rag" so stirred their emotions that they had to do more than just listen.

Professor Beesley Made AAUP Head

Professor E. M. Beesley recently was elected president of the American Association of University Professors, Nevada chapter.

Professor Beesley is a member of the mathematics department. Other officers newly elected include Prof. Christian Melz, a member of the foreign language department, vice-president; and Miss Mildred Swift, professor in the home economics department, secretary

Regents Advocate ASUN Building

By Bob Hunt

A Student Union building has become a necessity at the University of Nevada, according to the biennial report of the board of regents.

This necessity is mainly due to the greatly expanded enrollment of the university and the increasing number of student activities on the campus.

Many money raising plans have been tried in the past, but with only partial success.

In 1928, a group of students started a Student Union building fund with \$199.23. They proposed raising money for this fund by having the students buy bricks. Some money was raised by this method.

In 1945, Mr. Melvin E. Jepson, a prominent alumnus of the university, contributed \$100, which he later increased to \$500, to start an "Appreciation Fund" for a Student Union building. He later established for this purpose a "Living Endowment" fund by making a \$5 monthly donation.

The total amount of money in the Student Union Building Fund is now \$5199.31.

The new plan to raise money for the building is by donations of students, alumni, and friends of the university, combined with a bond issue from the state of Nevada.

CHILDS, BROWN WED ON EASTER HOLIDAY

Barney Childs marched down the aisle to the tune of his own music when Charlotte Brown of Palo Alto, California, became his bride over the Easter holidays. The wedding took place at the Stanford Memorial chapel at Palo Alto.

Elaborate Props Made For "Psychoscope"

Sets for the play "Psychoscope," scheduled for five performances in the Education building auditorium during Mackay Day week, are rapidly nearing completion in the able hands of the commercial art class.

The class, including Florence Slingland, Dorothy Pilkington, Betty Sue Boggess, Caroline Pickens, and Charles Pulsipher, has been earnestly throwing paint at the canvas backdrops for nearly two weeks with some surprisingly realistic results.

The front drop is to be a caricature of the old fashioned advertising curtain and ad space has been sold to several business houses in downtown Reno.

Two of the interior scenes show an office and a jail and a third has the walls well covered with pictures of young ladies in a more or less natural state. This last set represents a house of somewhat doubtful reputation.

Of the several outdoor scenes, the most interesting includes a set of "flats," which show a dog meeting a fire hydrant, and a lamp post complete with a stray bird and a quantity of lime.

Nevada Plays Host To Blue Key Men

Ten Western Colleges Send Delegates To Three-Day Convention

Blue Key delegates from ten western colleges and universities swarmed on Reno yesterday for the annual three day convention to be held on the host's campus, the University of Nevada.

The national college service organization will convene for three days, April 28, 29 and 30. The activities include many able speakers and panels concerning the expansion and betterment of the organization.

Among the distinguished speakers to take part in the activities are Ben Barnett, national comptroller of Blue Key; Robert Griffin, dean of men, and other Blue Key dignitaries.

Delegates to the convention representing their various chapters in western colleges

are Albert McMullen, Willamette University; Gerald Mahler and Larry Bub, University of Southern California; Robert Johnson and Madison Spear, Chico State College; Fred Zwalein, Oregon State College; Tony Pranger, Ted Van Buren, John Thomas, Gene Petroff and Robert Hannahill, Pacific University; Raymond Blair, Jr., San Diego State College; Bob Sampson, Carl Holmberg and George Link, San Jose State College; John Cricks and Bill McCurdy, Santa Barbara State College; Wally Green and Bob Vaughan, University of Nevada; and, as yet, there have been no names released from University of Idaho.

The program began yesterday morning with registration of all participants. The opening address was given at the luncheon by Gene Petroff of Pacific University. The first plenary session began at 2:30. Dr. Griffin spoke at the dinner at 6:30 pm. The day's activities were concluded with a smoker.

Today's program included a panel discussion at 9:30 followed by luncheon at 1:00 and a second panel discussion at 2:00 concerning a uniform membership requirement and pledging rule. Raymond Blair, Jr. of San Diego State College was the speaker.

Dinner this evening will be held at the Trocadero Club where Ben Barnett, national comptroller of the Blue Key organization will be the speaker. Following the dinner the delegates and their guests will retire to the Nevada Game Farm for a semi-formal dance.

Saturday's program will include the final plenary session at 9:00 and the final luncheon at 1:00. Student body Presi-

dent Rex Jemison will speak at the affair.

Responsible for the planning and direction of the convention were the following committeemen from the Nevada Blue Key chapter: convention chairman, Bob Vaughan; finance, Dick Q. Brundy; housing, Bill Johnson; dates, Floyd U. Gori; transportation, Harry McKissick; correspondence, John V. Lee; dance, Jerry Wyness; publications, Rondell Shaw; luncheons, Eddie Carr; dinners, Melvin Winsor; smoker, Lyman Schwarz; photography, George Vučanovich; and publicity and favors, Al Richardson.

Try, Try, Again Is Frosh Motto For 'N' Painting

By Alice Shelly

Water, water, everywhere and not a drop to paint. The frosh class of 1949 seems to have done its best to do its duty but to no avail.

Last Saturday morning, the students for a second time this year, got up early, met in sleepy groups in front of the gov house and made the journey up Peavine mountain to paint the "N" in the best traditional manner.

At eleven o'clock, after sitting around eating doughnuts and drinking, the word came that the water truck would soon be there and the work would soon begin.

But the frosh were foiled again, for the truck was overloaded and couldn't make it up the hill. The water was drained and it was turned around to start back home.

Once again the students climbed down with the N as faded as before.

Wayne Osborne, freshman class manager, has announced that the next time Saturday, April 30, will be strictly on a voluntary basis. All freshmen students that wish to keep the old tradition alive are asked to come up and go to work. As an added attraction, the water will be taken up the day before.

MORRIS, LASLO TROTH ANNOUNCED AT EASTER

Mr. and Mrs. Louis Laslo announced the engagement of their daughter, Barbara, to Joel M. Morris over the Easter holidays.

Miss Laslo, a freshman arts and science major, lives in Artemisia Hall, and is from California. Morris, a senior engineering student, is also from California, and is chairman of the annual Mackay Day festivities.

The opinions expressed in the editorials of the Sagebrush are those of the editor and do not necessarily reflect the viewpoint of any other individual or of any campus organization.

ABSOLUTELY WRONG.

In Campus Queries last week we ran the question, What is your biggest gripe concerning the Sagebrush? On the whole we feel that the answers received were good. However, one coming from a senior student was far out of line.

The statement made was that the Sagebrush should be disconnected from the journalism department. It also said something about the Brush being "state controlled."

Such theories are absolutely wrong. First, the Brush is not connected with the administration or any department. Second, it is responsible to the students alone, through the ASUN board of publication. All policies are determined solely by the editors without license or censorship from any quarter.

A LEAKING TIRE

Last week we pointed out that the ASUN, in all probability will close this fiscal year with a greater working balance than it started with. Also, we attempted to show that although approximately \$5000 is being sought through increasing the individual fee \$1.50 per semester, it is not needed for any immediate purpose.

The perpetual cry coming from quarters seeking the increase in fee is that a quick method is needed to create a financial reserve. That, if we should have one bad year, brought about by an earthquake as one person put it, we might be wiped out. To this we say, EARTHQUAKE INSURANCE IS RELATIVELY CHEAP!

Whether the person who referred to an earthquake was seriously or just figuratively speaking, the solution is the same. Insurance can be more than that which is entailed in a policy. It can be intelligent planning of activities which would insure finishing in the black rather than the red.

As we have suggested all along, too many activities and projects of the ASUN has been void of this insurance. Why should there be a debit balance of \$200 on a project like frosh handbooks? Why did we lose \$70 on rooters caps and \$90 on the Homecoming dance? The answers are simple, THERE WASN'T ANY INSURANCE COVERING THESE LITTLE "EARTHQUAKES."

If all the small debit balances suffered in one fiscal year were to be added together it would be found that a sizable sum, which could have been a financial reserve, slipped through the fingers of the ASUN, at the expense of its members.

Although the ASUN has managed to remain on the credit side of the ledger, these losses have prompted officials to propose the disputed increase. If the increase is passed by the students, what assurance will they have that the additional money will not seep through the same holes that have lost their money in the past? What an assurance will they have that these holes will not become larger with subsequently greater losses?

The University of Nevada Sagebrush firmly stands on this accepted principle: BEFORE A TIRE WILL HOLD AIR, WE MUST FIRST PATCH THE HOLES.

Editor's Note: The editors of the Brush have been vigorous in opposing the proposed increase in ASUN fee. They have been sincere in their beliefs that an increase is unnecessary and until these beliefs are disproven conclusively they will stand by their convictions. However, this is the student's newspaper and although we can't agree with the argument for an increase, we are ready to protect the rights of those who are in favor of it by publishing their case whenever the information is presented.

AN EMERGENCY MEASURE

ASUN officials, in desiring an increase in the student body fee, are following the first principles of any sound business. They wish to create a working balance which, in acting as a reserve, will be ready to meet unexpected emergencies and provide a source of revenue to be available for expansions of new, workable ideas.

In the event that the Artemisia or any ASUN project should have a bad year, and by chance lose \$1000, such a reserve would cushion the financial stress.

Recently there was a proposal to sponsor an intercollegiate talent show. It seemed to be a good idea and one which could have had an annual money-making potential. However, under the present conditions of the ASUN, the Financial Control Board couldn't see their way clear to take the risk. If a working balance had been available, there is little doubt that the show would have been approved.

Until now, the students have been depending too much on the support of local merchants. Each event finds the organization involved hitting these merchants for advertising. To date, the merchants have been bleed until it really hurts. Engineers' Day, the Winter Carnival, the Psychoscope, the Golden Gloves and the Mining Engineers newspapers all have required advertising in addition to the regular publications such as the Brush, Artemisia and Football programs. It's unfair to expect the merchants to continue to carry the students' load.

The proposed raise would not have to be permanent. In two years a sufficient working balance could be accumulated to safeguard the ASUN.

The movement, as it is now viewed, is merely an emergency measure within itself.

Students Offered Special Tickets To View 'Hamlet'

Students at the University of Nevada now have an opportunity to see the motion picture "Hamlet," starring Lawrence Olivier and Jean Simmons, at special matinee rates for \$1 at the Crest theater where it began a week's engagement yesterday.

Edward Alexander, Crest theater's press representative, stated that this student rate applies to all matinees which are at 2:30 pm. The nightly performances are at 8:30 and all seats are reserved.

Dr. John O. Moseley, president of the University of Nevada, advised that the balcony seats above the lodges would be suitable for students.

"Hamlet" was filmed in eight months at a cost of \$2,000,000 and is in black and white.

Depth of the field photography was used in the making of this picture, whereby the characters on the screen always remain in the sharp focus.

Sir Lawrence Olivier, knighted because of his performance in "Henry V," received filmdom's highest honor, the academy award, for his work in "Hamlet."

Stars in "Hamlet"

Laurence Olivier is the producer, director and star of the \$2,000,000 film production of "Hamlet."

Campus Queries

Do you think the University of Nevada student government could be improved by having greater student representation in the ASUN senate?

Jerry Marks, Phi Sigma Kappa, junior: "I think that the unaffiliated students are not getting any representation. Perhaps they should have a man-at-large."

Betty Miller, Pi Beta Phi, junior: "I don't think it should be any larger. They should make a more careful choice of the people they put up for the senate."

Carmel Caruso, sophomore: "I think it's a pretty good idea to improve the student representation."

Harry McKissick, Sigma Nu, sophomore: "Yes, if they could get an equitable way of electing and nominating and if they would show enough interest."

This would only be fair because about 50 per cent of the students are unaffiliated."

Noreen Lartey, Kappa Alpha Theta, freshman: "I think it could be improved, because then they would get everyone's opinion."

Bill Jager, Sigma Alpha Epsilon, sophomore: "I think it's a good idea. They should have more representation in student government, because that's how the rules are made."

Edith Whitworth, Gamma Phi Beta, junior, "I'm all for it."

Dale Littlejohns, Sigma Nu, sophomore: "I think that if the school would give them more authority they would get something done. If the independents

were organized the vote by their member would represent their thoughts, but as it stands now, the vote would be just to that one person."

Judy Morrison, Pi Beta Phi, freshman: "I think there should be more students on the senate in order to have equal representation."

NOTICE

Bill Jager, president of the Sagers, campus service organization, urged this week that all members and tryees of the group should contact him at a special meeting called for this coming Wednesday night at 7 pm.

SIERRA PACIFIC POWER COMPANY

San Jose Trek Scheduled for 5 YWCA Members

Five representatives from the University of Nevada YWCA will attend a regional conference near San Jose, California, this weekend.

Those attending from this campus are Jean Howden, secretary of YWCA; Barbara Smith, president; Dee Spradling, vice president; all three of whom will be voting delegates, and also Joan Fregger, social chairman, and Mary Lou Sewell, national and regional representative.

Miss Sewell has accepted the nomination as associate co-chairman of the northern region. During the conference the election of co-chairmen and associate co-chairmen will be held.

The conference will be held at Camp Campbell. Representatives from YMCA and YWCA from the University of California, Stanford, College of the Pacific, San Jose State, Chico State, Sacramento College and the University of Nevada will attend. Main speaker will be the famed Chinese lecturer, T. Z. Koo who is the traveling secretary for the World Student Christian Federation. A main discussion at the conference will be the qualification of college

3 Bridge Couples Placed in Downtown 'College Special'

Three University of Nevada bridge pairs placed in the College Night special, held by the Reno Duplicate Bridge Club. Rosalie Enke, senior, and Ruth Barakat, junior, took first place with 62.2 per cent.

Dr. and Mrs. J. W. Sutton, department of chemistry, placed second with 59 per cent. Col. and Mrs. Gilbert Parker, military department, were fourth with 57 per cent.

The duplicate club meets at 8 pm Wednesdays in the lounge of the Carlton hotel. The college special will be a monthly event, Frank P. Coughlin, director, announced.

Double National Contract Bridge Association rating points will be awarded high college teams during these sessions.

Bathing Beauties Brownd By Balmy Breezes

The girls are not blushing. The color is permanent now that balmy sun-tan weather has come to Nevada.

Any day between the hours of 10 am and 3 pm the back lawns of Artemisia and Manzanita are converted into beach resorts, minus the water, and the girls flock out in the latest sun fashions to absorb sunshine. Is the sight easy on the eyes? Ask boys in Lincoln Hall.

Plans for national affiliation to attend were made at a retreat held last Sunday, April 24, at the Galena creek ski hut. Old and new cabinet members attended and a buffet luncheon was served. Mary Lou Sewell, past president, installed the new officers during the retreat. Plans for the coming year were discussed.

Women to Serve On Mackay Lunch Named by Shaw

The women students who will be in charge of the Mackay Day luncheon have been appointed, Virginia Shaw, chairman, announced today.

The luncheon will be prepared and served by the freshman women working in committees under the direction of committee chairmen. A list of the memberships of the committees and the times they will meet is posted on the bulletin board.

Mary Zorzakis is assistant chairman. Beverly Morey, Esther Jensen, Lois Charlesworth, and Virginia Shaw will act as hostesses.

The tables will be decorated by a committee under the direction of Freda Kornmayer and Barbara Parker and will be set by a committee working under Alice Currie and Jean Howard. Pat Melindy and Ramona Walker will be co-chairmen of the clean-up committee.

A committee headed by Mary Zorzakis and Betty Jo Rupp will prepare the salads, while Lois Boyles will direct her committee in preparing rolls. Darlene Stuck and her committee will prepare beverages.

Marge Kean and Althea Benedict will be in charge of serving the food, but will have the following chairmen under them in charge of specific items: Meryde Brown, jello; Hellen Burr, salad; LaVerne Crosson and Mardelle Kornmayer, meat; Anna Bee Wallace and Barbara Horning, potato chips; Mary Getto, rolls; Joyce Ko, dessert, and Margaret Berger and Ann Parrish, paper covering. Gertrude Sanford is in charge of the freshman women.

Officers Elected At Women's Halls

Helen Mansfield and Marilyn Neal were elected presidents of Artemisia and Manzanita halls, respectively.

The corps of officers for 1949-1950 of Artemisia hall are Helen Mansfield, president; Hellen Keddie, vice-president; and Marnie Miller, secretary-treasurer.

The Manzanita elections

Polkateers Plan Vigorous Schedule For Coming Weeks

Five exhibitions will be given by the Nevada Polkateers within the next few weeks. This campus folk dance group offered entertainment at the Reno army air base officers club Wednesday evening, April 27.

This weekend they will appear at the Baptist Church Friday night for the first time and to teach folk dances, while Saturday they will participate in an international dance festival at the Reno YMCA.

Practices are being held for three exhibitions to be given by the group in May. On May 5 they will take part in a folk dance program sponsored by the Reno Community Center. The Polkateers will also be one of the dance groups competing for the cup to be awarded Mackay Day. On May 15 the members will travel to Susanville, California, where a dance festival will be held.

The Polkateers now have 30 active members, according to Marnie Miller, secretary. Wally Kutz is president of the organization and Gordon H. Marsh, instructor in foreign languages, is faculty advisor. The group meets weekly in the basement of Stewart Hall.

Gamma Phi's, Dads Hold Annual Party

The traditional father-daughter dessert hour was held Tuesday night by the Gamma Phi Beta sorority. During the party the members introduced their fathers or fathers-for-an-evening.

Entertainment was presented with a short skit enacted by Jean Hagenbuch, Norma Walsh, Shirley Bell and Jean Nash. Suzanne Winer sang "Temptation" and "Dark Eyes," and song team members sang several selections.

The house was decorated with spring flowers and blossoms. Apple pie a la mode and coffee were served.

were held a week before Easter vacation. Marilyn Neal is president; Betty Miller, vice-president; and Shirley Merwin, secretary-treasurer.

Mary Zorzakis was president of Manzanita; Betty Jo Rupp, vice-president; and Ruth Barakat, secretary-treasurer.

Formal Dedication For Newman Hall To Be May 29

The formal dedication of Newman Hall, which is being built on North Virginia street across from Artemisia Hall, will be held May 29. Father Maurice Welsh stated that the first mass there would also be on that date when high mass will be celebrated.

Newman Hall is being built for Catholic students who attend the University of Nevada. It will contain a chapel, library and recreation facilities. Living quarters for the director, who will be Father Welsh, who is doing graduate work in the journalism department at the university, are also contained in the hall.

Mass will be held in Newman Hall for members of St. Albert's parish until the church of St. Albert can be built on the lot behind the hall. A quonset hut has served as a church during the construction of the hall.

May Picnic Planned At Tahoe Resort By Campus Players

Initiation festivities and the annual picnic outing of Campus Players, university dramatic club, have been announced for Sunday afternoon, May 15, at King's Beach, Lake Tahoe.

Bids for membership have been extended to the entire cast and stage crew of the "Psychoscope," Mackay Day melodrama. These initiates will furnish the entertainment by presenting readings and skits. Only those students actively participating in campus dramatic productions belong to this group.

Special guests at the picnic will be Prof. and Mrs. William C. Miller. Professor Miller is director of the "Psychoscope."

Arrangements are under the direction of Pat O'Brien and Norma Carruth, president and secretary, respectively. Larry Means, vice-president, is in charge of refreshments. Favors will be given to each new member. About 40 students are expected to attend.

Nevada Game Farm Is Scene of Dance

The Blue Key convention tra. The dance is for the 30 out of town Blue Key delegates and the Blue Key members on campus. Mr. and Mrs. Dale McCloud are to chaperone the dance.

Nevada Trackmen Take on Wildcats Tomorrow in Cinder Meet at Chico

University of Nevada's track team moves down to Chico tomorrow for a dual cinder meet with the Wildcats, and early predictions on the outcome indicates it will be anybody meet.

Once again, the Pack will count on the heavy artillery in the weights and field events for a big share of points. Last week's record breaking performances by Lawrence "Junjab" Hairston, and Bill Higgins 193 feet 3 1/2 inches in the javelin just about puts the cinch label on those events.

Art Wigg has a better than outside chance of copping the discus event with Hairston and Tom Bell shooting for points. Bill Jaeger and Dick Gorman will do the high jumping and Tommy Adams and Jerome Etchegoyen are expected to score in the pole vault.

Chico is expected to be very tough in the mile, low hurdles, discus and sprints. Nevada's sprint chances rest on the shoulders of Charlie Springer who copped the 220 in the tri-week meet at Cal Aggies last week, and who has posted a 9.9 for the 100 yard dash in trials, although disqualified last week at Davis in the event for false starts.

Bob Collett, all-around track man, will move into the sprint events, replacing Willard Elder spring football. Myron Lavitt who is devoting full time to round out the short distance group.

Ross Smith is Nevada's main entry in the half mile, along with Buddy Hardy. Art Richardson will run the mile.

Marv Byars, outstanding freshman from Reno high school, could surprise all by winning the 440. His last minute kick in a thrilling race of the Davis meet almost won that event for Nevada and he might well latch on to the top spot this week.

Hurdlers Carl Robinson, Bob DeRuff and Herman Fisher round out the Nevada traveling squad.

Hairston, Higgins Set New UN Marks In Triangle Meet

Finishing last in a triangle meet with the Cal Aggies and San Francisco State, University of Nevada's track team did come home with something to boast about from performances at Davis last weekend.

A pair of Pack field experts hung up two new school records for the shot put and javelin.

Lawrence "Junjab" Hairston, freshman, put the shot 47 feet 3 inches to erase Max Dodge's three-year-old mark of 44 feet 3 inches. Bill Higgins, sophomore, came up with the biggest surprise, eclipsing a 15-year mark by sending the javelin soaring 193 feet 9 inches. The old mark was held by Al Lefebvre.

Cal Aggies won the meet with 79 5/6 points, SF State finished second with 48 1/3 and Nevada picked up 43 1/2.

Besides the shot put and javelin wins, Art Wigg won the discus event with a 132 plus toss, and Charlie Springer copped the 220 yard dash.

Golfers at Chico During Weekend

Chico State will be the only opposition for the University of Nevada golfers this weekend as the scheduled match with Santa Clara was cancelled.

The Wolf Pack will meet the Wildcats of Chico Saturday morning at the Chico golf course.

Reason for the cancellation of the Santa Clara match on Friday was that the members of the team were missing too much school and a full team could not participate against the Broncos.

Nevada golfers will be at full strength for the Chico match for the first time since the opening matches of the season.

Coach Dick Evans will probably take five men including Wayne Adams, Stan Kosakowski, Earle Charleton and Charles Mayo.

Crippled Wolf Pack Golfers Drop Dual Matches With Sacramento, Cal Aggies

Playing without two of their regulars, the University of Nevada golf team dropped dual matches last weekend to Sacramento College and Cal Aggies.

The Wolf Pack lost a close 11-7 match to the Panthers of Sacramento College on Friday afternoon and were defeated by the Aggies 12-6 at Woodland on Saturday.

Nevada's team was crippled by the loss of Wayne Adams, number one man, and Charles Mayo who were not able to make the trip.

Earle Charleton was Nevada's only match winner at Sacramento as he defeated Jim Curtis 2 1/2-1/2 in a 18 hole match, Charles Sancic was beaten by Dick Shaw of Sacramento 2 1/2-1/2 and Stan Kosakowski dropped a close 2-1 match to Doc Cuffe.

The Aggies match was played at the Woodland Flyers Club, near Davis.

Sancic gained a 1 1/2-1 1/2 tie with Stan McCune of Cal Aggies as Kosakowski was defeated

by Walt McGillivray 3-0 and Charleton was dropped by Bill Lewis 2-1.

An eagle two on the par four 18th hole by Bill Lewis featured the match with the Aggies. Lewis, who had lost a point and the first nine to Charleton of Nevada came up to the 18th hole all even. His drive hit a tree, but his second shot, a 190 yard two-iron shot, went directly into the cup. This cost Charleton the match and marked the first time that an eagle had been made on the 349 yard 18th hole of the Woodland course.

NEW COKE MACHINE IN ARTEMISIA HALL

An 88-bottle coke machine was installed in Artemisia Hall last week. The hall will make a small profit from the machine.

Intra-Mural Sports Enter Final Phase; Sigma Nu Holds Kinnear Lead; Taus Second

Bud Garfinkle captured the intra-mural tennis singles crown and 20 Kinnear points for the Sigma Nu's yesterday afternoon by defeating Drake Delaney of Lambda Chi Alpha at the Wingfield courts.

This game puts Lambda Chi in the runner-up spot with ten Kinnear points added to their total.

Tennis doubles competition will begin tomorrow with eight teams slated to see action.

The standing in tennis singles is as follows:

Team	W	L
Sigma Nu	9	1
Lambda Chi	8	2
SAE	6	1
Theta Chi	6	4
Phi Sigs	5	3
Highlanders	4	4
Unorg. Independents	4	4
ATO	4	5
Sigma Pi	1	8
Sigma Rho	1	8
Org. Independents	0	10

Baseball is in its initial stages all over the country but on the intra-mural scene, they're heading for home. Only a few games remain to be played and the outcome of the current campaign is as uncertain now as it was two weeks ago.

Present standing is as follows:

Team	W	L
ATO	4	0
Phi Sigs	3	0
Lambda Chi	4	1
Sigma Nu	4	1
Unorg. Independents	2	2
Sigma Rho	1	1
SAE	2	3
Org. Independents	0	6
Theta Chi	0	5
Highlanders	0	4

Just glancing down the column of Kinnear points, it does not appear likely that Sigma Nu will be overtaken. It is, however, a mathematical possibility. If the ATO athletes can take

baseball's 100 points, which isn't too improbable and then sweep tennis doubles honors, they will have accomplished what no v looks practically impossible.

This is how the Kinnear column looks with just baseball and tennis doubles results to figure in.

Team	points
Sigma Nu	417.50
ATO	295.00
SAE	215.20
Phi Sig	174.75
Lambda Chi	127.70
Sigma Rho	32.50
Ind. Org.	20.20
Sigma Pi	3.95
Highlanders	2.50
Theta Chi	2.50

Tumbling Team Gets Trampoline

A touch of spring has been added to the tumbling team's paraphernalia over the holidays. That popular piece of new equipment which is in almost constant use at the gym these days is a "trampoline."

"It is the same type and model that was used in recent Olympic trials," said Art Broten, coach of the tumbling team. Broten added that the "trampoline," is wonderful for developing confidence and conquering the fear of height. The PE department has also acquired a new high bar and the new equipment will be officially unveiled at the gymnastic program which is to be presented in the near future.

Phi Sig Nine Loses To Harolds Club

Bill Gillis, Phi Sigma Kappa baseball team fell victim to a strong Harolds Club nine to the

tune of 16-2 in a seven inning practice game at Idlewild Park Sunday.

Due to the effective pitching of Virgil Vierra, who allowed only one hit in three innings, the collegians were entirely out-classed.

Only bright spot of the afternoon for the fraternity outfit

came with a third inning home run by Don Aiken.

Batteries for the game were Virgil Vierra, Jack Metz, and Bill Black pitching, and Fred Smith catching for the Gamblers. Bill Gillis and George Lindesmith were on the mound for the Phi Sigs, with George Griffith behind the plate.

Stag tickets will be \$1 and couples will be \$1.50. Luncheon tickets may also be obtained at the comptroller's office.

Ten High Schools Sending Delegates To PE 'Play Day'

Ten Nevada high schools will send a total of 150 representatives to "Play Day" at the University of Nevada this Saturday. Sponsoring the event is the physical education majors and minors group of the women's physical education department.

Faculty members and girls will come from Reno, Sparks, Fernley, Hawthorne, Storey county, Douglas, Pershing county, Smith Valley, Carson City, and Manogue high schools. The program is being given so that high school girls will have a chance to compete in inter-mural sports and also to acquaint them with the Nevada campus since many of them are potential students.

Gwen Byrd, president of the PEMS, and her committees have been planning this event for several months. Members of the Women's Recreation Association will also participate in managing the full day program.

The schedule of events for April 30 is as follows: Registration, 9:15 to 9:45. Organization, 9:45 to 10:00. Competitive volleyball and badminton, 10:00 to 1:00. Lunch, 1:00 to 2:00. Demonstrations, 2:15 to 2:45. Softball, tennis and campus tour, 2:45 to 4:00. Get-together, 4:00 to 4:30.

Reno and Sparks Divide Top Honors In Forensic Meet

With Reno and Sparks capturing an equal number of first places, the Nevada State high school forensic tournament drew to a close Saturday evening. Teams representing Lovelock, Hawthorne, Reno, Winnemucca, and Sparks participated. The speaking contest is held on campus annually and this year was under the direction of Gale L. Richards, assistant professor of English.

Louis Cannon of Reno won first oratory with Clinton Wooster of Reno taking second and Bill Wallace of Hawthorne placing third.

Reno also took first in extemporaneous speaking with Israel Rogers coming out on top, Bob Ballard of Sparks, second, and Charles Sullivan of Reno, third.

Sparks took over in interpretative reading with two students, Joan Foster and Bob Ballard, placing first and second, respectively. Marjorie Warner of Reno was third.

Debating on the subject of revising the United Nations into a federal world government, the Sparks team of Janet Truex and Proctor Hug won first and the Reno team of Bud Weiser and Louis Cannon won second.

With only Reno and Sparks teams entering this event, Reno took top honors in the Shape-spearean scenes with scenes from "Love's Labours Lost" and "Romeo and Juliet."

Sparks production of O'Neill's "Where the Cross Is Made," placed first in the one-act plays division while Reno was second with the presentation of "The Terrible Meek." Hawthorne's team was third with "Dead Men Can't Hurt You."

Alan G. Menard Dies in Reno

Alan G. Menard, freshman engineering student at the University of Nevada, died at his home in Reno March 30. He was 31 years old.

He is survived by his mother, Mrs. Peter Menard; his wife, Mrs. Icyl Menard; a small son, Victor S. Menard; Mrs. Steve Rastelli, Mrs. Fred Long, and Mrs. Carol Murphree of Reno, and Mrs. Lewis Cress and Mrs. Thomas Inglis of Fallon, sisters.

Funeral services were in charge of O'Brien-Rogers, and burial was in Mt. View cemetery, with the Rev. Charles Doan officiating.

ROTC Cadets Get Annual Inspection By Army Officers

Four officers from the Sixth U. S. Army headquarters and the Fourth U. S. Airforce visited the university military department this week. The men made the official annual inspection of the Reserve Officer Training Corp unit here.

The university unit was compared with other units throughout the nation. The official results of this comparison will not be known for several weeks. The University of Nevada has had an excellent rating for eight consecutive years.

The officers were at the unit in the inspection were Col. John H. Rodman, Lt. Col. Landon E. McConnell, Major Robert G. Davey, and Major William F. Lovell.

Tumbling Show Slated for Gym In Two Weeks

Stunts on a new trampoline will be the feature of a free tumbling exhibition to be presented at the university gymnasium on May 11 at 8 pm.

The women's physical education department will also participate in the show with dance routines.

Art Broten, tumbling coach, declared that his eight man team would perform on parallel bars, tumbling mat, springboard, elephant, trampoline and the horizontal bar.

The team performed for the Odd Fellows Lodge last Friday. Gene Wait, Irwin Hackett, Jack Parke, Jerry Schafer and Bob Wengert participated in the demonstration.

Eleven Students Will Attend PE Meet at Peonix

Eleven students of physical education and three faculty members will leave next week to attend the southwest district conference of American Association for Health, Physical Education, and Recreation May 6, 7, 8, at Phoenix.

Those attending include Cecilia Schindler, Jackie Wilson, Shirley Hornbeck, Beth Miller, Irene Waterman and Nilda Cox, all majors; Joanne Barbash, Doris Linsea, and Terry Alauzet, all minors; and Tom Collins, a major in the men's department.

Faculty members include Prof. J. E. Martie, chairman of the department of physical education at Nevada; Miss Ruth Russell, publicity chairman for the southwest conference of the AAH, PE, and R, and Miss Marge Price, who with Professor Martie will serve on the executive committee.

Represented at the convention will be Arizona, California, New Mexico, Utah and Nevada. There will be discussions in student activities, recreation, physical education, and health. Featured speaker will be Miss Ruth Evans, president of the national association.

Rifle Squad Meets SF State Tomorrow

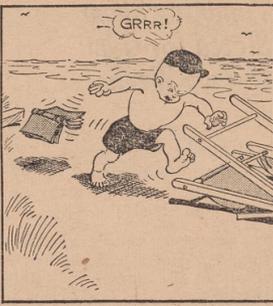

An eight man rifle team from the University of San Francisco has been practicing at the rifle range the past week in preparation for the shoulder to shoulder match to be fired off Saturday and Monday against the Nevada outfit.

The San Francisco team won the intercollegiate rifle match sponsored by the Sixth Army this spring, but was beaten by the Nevada team in the annual national intercollegiate matches held April 9 in Berkeley.

This will be the first time that the Nevada team has fired against competition on its own range.

Tom Macauley, rifle club president, stated that there will be more of these matches scheduled on the university campus next year.

Support your advertisers.

'Birth of a Song' To Be Presented By Dance Group

Orchestrated by University of Nevada modern dance organization, will present a recital, "The Birth of a Song," on May 12 at eight o'clock in the new gymnasium. Tickets will be on sale in two weeks.

Theme of the recital will be the song and the part it has played in man's evolution. The first act will depict the beginning of the earth as portrayed in the Bible, and man's attempt to imitate the rhythmic processes of the earth. The second act will feature the different types of music evolved from the different races. Caucasian, Chinese and Negro music will make up the act. The third act will present the modern song, its adaptation and use within the United States.

Special effects and music have been secured for the performance. The use of records has been kept to a minimum and "live" music substituted as much as possible. Nilda Cox will accompany most of the first act on the piano, and a song set down by Theodore H. Post will be played by Janice Yeakey on her flute in the second act. Three numbers are to feature a 13 piece orchestra, rehearsed especially for the recital.

A dancing number by Cecilia Shindler will be accompanied by Joyce Fiscus on the drums. The Negro spiritual, "Dry Bones," utilizes fluorescent paint and ultra-violet lighting.

Committee heads are: costumes, Nilda Cox; music, Joyce Fiscus; publicity, Nancy Hecker; tickets and programs, Alice Arentz; sets, Norma Carnel; lighting, Noanie Fregger and Will Rogers.

A little foresight with two eyes is better than a life of hindsight with one.

Varsity Netters Shaded by SFS; Sacramento Teams

University varsity tennis players received a setback last week when they lost two matches in the bay area. Sacramento College and San Francisco State each downed the Nevada squad in close, hard matches.

Bob Fairmond, Nevada tennis coach, declared that his team fought a good battle all the way. He credited that the team would do much better in the rest of its matches.

There are several newcomers on the squad, he said, and there may be a shakeup in the near future.

Wally Graf and Alva Taber, each of whom have been playing nice ball all season, did very well in the Sacramento meet, which was held on Friday. Nevada lost the match five games to four.

At San Francisco State, Nevada lost six games to three.

Alpha Epsilon Delta Banquet Set Tonight

Alpha Epsilon Delta, honorary premedical fraternity, is holding an annual banquet tonight in honor of Dr. Peter Frandsen, former head of the department of biology at the University of Nevada.

Previously scheduled for April 22, the banquet was postponed until tonight in order that Dr. Frandsen could attend the affair. He is guest speaker

for the occasion. Reno doctors who graduated from the University of Nevada while Dr. Frandsen was on the university staff will attend the banquet as guests of the organization.

The doctor lives in Palo Alto, California, where he has been in retirement since 1938, when he was succeeded by Dr. E. W. Lowrance, assistant professor of biology.
