UNIVERSITY OF NEVADA, RENO, FRIDAY, MAY 20, 1949

### Carol Lampe Wins Title In 'Miss Nevada' Contest

#### Theta Entry Wins \$500 Scholarship, September Trip to Atlantic City

Carol Lampe, Kappa Alpha Theta, won the title of Miss Nevada and the privilege of representing Nevada in the annual Miss America contest at Atlantic City, N. J., next September at the annual AWS fashion show last night.

Miss Lampe was selected from a field of ten University of Nevada coeds who were chosen by their organization to compete in the contest and to act as models in the fashion show.

The contestants were Gwen Byrd, PEM; Anita Davidson, Manzanita Hall; Odile Frost, Pi Beta Phi; Irene Fulton, Corps of Sponsors; Jackie Keenan, Tri-Delt; Rita Mortara, Sagebrush; Carol Lampe, Kappa Alpha Theta; Elaine Powell, Gamma Phi Beta; Andrea Smart, WRA; and Doris Sodergreen, Artemisia Hall.

Betty Stoddard of radio station KATO was commentator for the show and for the hour program aired by the station. Judges were Ed Olson, Reno Associated Press Correspondent; Hi Wells, owner of radio station KOLQ; Peggy Hamilton, manager of the Mapes charm school; Owen Ulph, assistant professor of history and political science at the university; and Richard Bernhard, lecturer in the economics department.

In the actual judging, the contestants made three appearances before the judges—once to display their various talents, once in evening gown to show poise, charm and grace, and once in a bathing suit to display their figures.

The judges then choose five contestants to appear a second time in bathing suits for final judging. These were Anita Davidson, Irene Fulton, Odile Frost, Jackie Keenan, and Miss Lampe.

Of these, the judges chose Miss Lampe, who was a prize winner in local 4-H exhibitions.

Miss Lampe was awarded a \$500 scholarship, a bouquet of roses and a "Miss Nevada" banner. She will travel to Atlantic City in September, all expenses paid, to compete for the title of Miss America.

Her travelling wardrobe will be supplied by the many downtown stores who loaned the AWS the new clothes displayed by the contestants.

#### Humanities Group To Hear Lecture

The University of Nevada humanities group will meet Monday night at the home of Professor Charleton G. Laird on the old Virginia City road for a lecture and illustrated survey of the growth and present status of Gebrauchsmusik.

The program will be conducted by Barney Childs and his assistants. Those planning to attend should contact the English office for transportation arrangements.

#### DAZ, WILEY ANNOUNCE WEDDING ENGAGEMENT

Mr. and Mrs. D. A. Zellar announced the engagement of their daughter, Madge Wiley, to Roy Daz on May 7. Wiley, a sophomore arts and science student, said that there was no definite wedding date. Daz attended the university last year. Both are from Montello, Nevada.

#### THETA CHI MEN FIGHT WEATHER WHITEWASH

The class of 1913 didn't realize the trouble they would cause the students in 1949 when they laid out the large N on Peavine mountain. After three unsuccessful attempts by the frosh class to give the N its yearly coat of whitewash, the Theta Chi fraternity tackled the job last Saturday.

The frat members had better luck than the others, and reached the top of the mountain with water, lime and manpower all present and accounted for. But this time mother nature foiled them, for it began to drizzle little drops which increased into great torrents of rain.

The Theta Chi's showed the same persistence that won them the Mackay Day obstacle race and continued throwing lime over the large N. Although the N is a little more streaked than in the past years, once more it can boast of its bright new look.

#### Larry Means Named Dramatics President

Larry Means was elected the new president for the Campus Players of the University of Nevada at the dramatics organization's final meeting of the year Wednesday.

Plans were outlined for the forthcoming school year by the newly elected president and his staff.

Also elected to office for the next year were Norma Caruth, vice-president; and Ted Lokke, secretary.

New members were initiated at the annual picnic at Idlewild Park last Sunday. The new members, mostly chosen from the cast of the Psychoscope, are Andy Smart, Ken Stone, Bob Burke, Ted Lokke, Ted Short, Les Kafold, Pat DeWatt, Ed Johnson, Odile Frost, Bob Hunt, Norma Canel, Boyd Tieslau, Homer Haines, and Bill Young.

#### Sommers, Yturbide Speak on Monopoly At Rotary Club

Speaking on the problems and solutions to monopolistic control, Bonifacio Yturbide and Maclin Sommers spoke to the Reno chapter of Rotary International Monday.

Sommers and Yturbide, both senior pre-law students, have been with the University of Nevada debate squad for four years, winning numerous debates and individual contests.

Most recent of their encounters was at Walla Walla, Washington, at the Pacific Forensic League tourney where Yturbide placed first in oratory and Sommers second place in discussion-debate sequence.

#### Phi Sigs Elect New Officers

During a regular meeting of Phi Sigma Kappa fraternity last Monday evening the following new officers were elected: Don Reid, president; Tom Barton, vice-president; Fred Purtil, secretary; Joe Dini, treasurer; Ted Klimaszewski, house manager and senator; Don Aiken, alternate senator; Fred Lee, interfrat council; Bob Walker, alternate.

The installation of new officers followed the initiation of eight new members to the fraternity which took place during ceremonies on Sunday. The new members are Bob Thomas, Mankato, Minn.; Sid Robinson, Reno, Nevada; Bill Bauman, Niagra Falls, N. Y.; Joe Morita, Las Vegas, Nevada; Ken Fox, Reno, Nevada; Bob Moran, Santa Monica, Calif.; Bob Mack, Reno, Nevada; Ted Covington, Holtville, Calif.

#### Old Age Creeps Up On Campus Trees

The popular tree removed last week from the group in front of Stewart Hall died of old age, according to Carl Horn, superintendent of buildings and grounds.

The trees in the group are about 55 years old, and the roots of some of them have reached the "hard pan" beneath the surface. This caused the death of the one recently removed and has necessitated trimming several dead limbs from two other populars.

### Maxine Brockett Engineer's Queen

#### Many Exhibits and Contests Slated For Saturday's Celebration

Maxine Brockett, a freshman coed representing Manzanita Hall, will reign as queen of the 31st annual Engineers Day Saturday.

Miss Brockett, a native Nevadan, is from Pioche and is majoring in business and secretarial work at the university. She is a member of Pi Beta Phi sorority and is active in the Nevada YWCA. She was valedictorian of her high school class in Lincoln county and was chosen as a Girls' State representative.

She was chosen by popular vote of the students in the engineering college from a field of five other candidates including Jean Ravera, Kappa Alpha Theta; Burlen McCray, Gamma Phi Beta; Mickie Whitehair, Delta Delta Delta; Donna Batt, Pi Beta Phi; and Barbara Laslo, Artemisia Hall.

As the queen of the engineers' celebration she will be escorted through exhibits by the presidents of the four engineering societies, and will be the honored guest at a luncheon Saturday sponsored by the Council of Associated Engineers. She will culminate her reign by awarding trophies and prizes to winning men at a barbecue which will end the festivities.

The Engineers Day will feature exhibits in hydraulics, electrical applications, mining

#### Sigma Delta Chi Honors Initiates At Monday Dinner

Four candidates for membership to Sigma Delta Chi, Ed Slingland, the Rev. Father Maurice Welsh, William Gillis, and Robert C. Miller, were initiated at a banquet given in their honor at the Hotel El Cortez last Monday night.

Special guests were Neal Van Sooy, national president of Sigma Delta Chi; Robert C. Miller, alumnus of the University of Nevada, class of '38 and winner of the Niemand Fellowship, and Dr. John O. Moseley, president of the University of Nevada.

Jon Milburn, president of Sigma Delta Chi, was toastmaster. Professor A. L. Higginbotham, head of the school of journalism at the University of Nevada and advisor to the student members, gave an introductory speech.

Neal Van Sooy gave a brief talk about his duties in the field and a preview of the Sigma Delta Chi convention which is going to be held in Dallas, Texas, late in the fall. He expressed a desire to see two members from the Nevada chapter at the convention this year.

Robert C. Miller, the U.P. correspondent, gave "The World Is My Beat" as the topic of his speech. He outlined the many difficulties encountered in the field of foreign correspondence.

A general discussion of the problems connected with journalism terminated the affair.

#### Orchesis Breakfast Held at Riverside

Initiates and newly elected officers of Orchesis, modern dance group at the university, will be honored at a breakfast Saturday in the Riverside hotel.

The initiation ceremony will be held preceding breakfast at 8 a.m. During the meal, officers will be introduced.

#### NOTICE

All students who are planning to live in university dormitories during the first summer session are asked to place reservations before May 20.

Women should call at the office of Dean Elaine Mobley, and men are asked to sign for rooms at the office of Dean Robert Griffin.

Both offices stated that out-of-state as well as state reservations are being received daily and are being filled, so students who wish to be accommodated should sign up as soon as possible.

Rooms will be assigned beginning May 23, according to an announcement by Dean Mobley.

#### MOSELEY SPEAKS AT SCOUT MEET

Dr. John O. Moseley, president of the University of Nevada, will conduct Sunday morning Sabbath services on May 22 at the Boy Scout major spring camporee. The camporee of the California section of the Nevada area council will be held at the public camp grounds near Portola on May 20, 21, 22.

The program includes two evening campfire meetings, the presentation of Scout's awards, skits, and competitive demonstrations.

#### Campaign Posters Must Be Cleared Or ASUN Charged

The ASUN is faced with an additional drain on its funds due to the interest students show in putting up signs and the lack of enthusiasm taking them down when they have outlived their usefulness.

"It will take time to remove all the signs which are currently plastered over the campus," says Carl Horn, superintendent of buildings and grounds, "and I'm going to charge the ASUN for every bit of it."

Campus buildings and lamp posts are still liberally covered with stickers advertising features of last October's Homecoming Day.

According to Mr. Horn, permission is required from his office before students may place advertising on campus.

#### Local Phi Sig's Chosen to Host 1950 Convention

Eta Deuteron Chapter of Phi Sigma Kappa was picked by the regional conclave to host the 1950 national convention of the fraternity in Reno.

Through the cooperation of the western chapters of the fraternity and the Reno Chamber of Commerce it is believed that the local chapter, and Reno, have a good chance of landing the event. Regional director, Dr. Franklin C. Palm, will fly to Chicago early in June to present arguments to the national executive council of the fraternity in favor of Reno as the site of the convention.

Some 300 delegates are expected to attend from the fraternities' 58 chapters located in all parts of the nation.

Dan Illerich of the Nevada chapter was the delegate to the conclave held in San Francisco.

### Large Margin Defeats ASUN Fee Increase

#### Article for Independent Senators Downed; Six Amendments Upheld

Paul Reimer, Highlander candidate for ASUN presidency, won the general election with 580 votes to 452 votes gained by Jon Milburn, Theta Chi candidate.

The first amendment, which proposed a \$1.50 raise in ASUN dues was voted down by 520 no's to 508 yes's. A two-thirds majority would have been required for it to pass.

Block N candidate Joe Libke won with 518 to Buddy Garfinkle's 489 votes.

Louis Mendive defeated Harry McKissick 113 to 88 in the race for senior class manager. Ted Klimaszewski won the junior class managership with 177 to Charles Pulsipher's 109 votes.

The new article pertaining to the representation of the unorganized independents with two senators at large was defeated by a very narrow margin with 642 voting yes and 343 voting no. This count totals to 65.2 per cent of the 66.7 per cent needed to pass the article.

The remaining six amendments were all passed as follows: the second amendment, 829 yes, 141 no; third amendment, 845 yes, 135 no; fourth amendment, 771 yes, 223 no; fifth amendment, 847 yes, 117 no; sixth amendment, 864 yes, 126 no; and the seventh amendment, 710 yes, and 275 no.

There were 1041 votes cast in this general election, which was previously slated to be the biggest general election ever held. However, last year's record of 1069 still stands for top returns counted in general elections and this year's 1179 is all time high for primary and general elections. Lyman Swartz stated that the freshman vote fell off 100 in the general election, thus throwing the expected number out of balance.

#### Class Bell's Toll Shows Hard Times Since Installation

The 1908 class bell still sends its clear ring across the campus each morning and awakens recollections to many. It seems that this bell has undergone a minor revolution since its installation in 1908 on top of Morrill Hall.

At that time it was to arise the sleeping students and to send them from class to class. The ringing of the bell in those days required a brawny football player with a trusty alarm clock. He had to have enough spirit to climb all the way to the third floor and pull with all his muscular strength.

Before too long, however, a bright young Nevada engineering student made a successful debut by running a rope through a gas pipe to Mr. Gorman's office. An anemic female could now take over.

Then there came along another student who used his engineering knowledge in another way as to make his debut not very successful. He wired the clapper one night, and from a secluded spot on a hillside began to ring and ring and ring it. Frightened Reno residents called the fire department, the police department, and the ambulance. The commotion of alarms and bells gathered a large crowd of terrified spectators. The wire was cut and the university was minus another student.

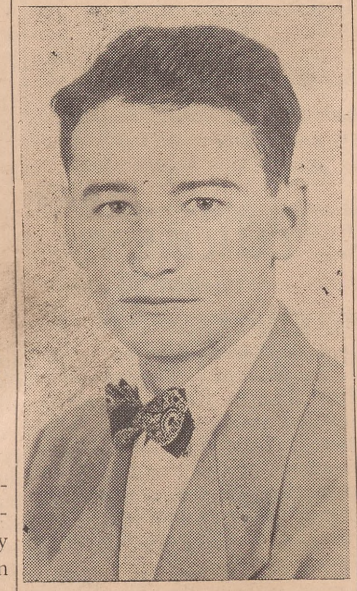

Today the alarm system has replaced the bell in herding the students from one class to the next. Only memories brought forth by the morning ringing remain.

#### 'Logo' Magazine Ready to Appear

A new literary magazine named "Logo" will make its appearance on the campus during the last week of May. It will contain short stories and poetry written by students and faculty members of the university.

Barney Childs and Gary Adams are the editors.

The magazine will contain 52 pages, with only one advertisement, and the price will be 50 cents.

Paul Reimer, Highlander candidate, captured the race for ASUN president in the general election held on campus yesterday.

#### Kappa Alpha Theta Honors Faculty

Faculty members were honored at a coffee hour Monday evening when members of Kappa Alpha Theta sorority acted as hostesses.

Twenty-five guests were present for the social. Darle Durham was in charge. Sorority songs were featured during the evening.

Those attending included Dean and Mrs. Cecil W. Creel, Doctor Harold N. Brown, Dean and Mrs. Robert Stuart Griffin, Charles Ellis, Richard Bernard, Paul Eldridge, Professor and Mrs. Theodore Post, Edith Ruebsam, Alice B. Marsh, Doctor and Mrs. Lorraine Dunn, Michael Graban, Mrs. R. C. Thompson, James M. Hoyt, Professor and Mrs. E. E. Erickson, Professor and Mrs. Louis V. Skinner, Helen Joslin, and Professor and Mrs. Gordon Shelley.

#### Building Approved For Drill Storage By Mining Bureau

In connection with the United States Department of Interior's observation of a century of conservation, a new building for the storage of diamond drill cores has been approved for the U. S. Bureau of Mines.

The building will be located next to the new Mackay tunnel on ground deeded to the government by the University of Nevada.

According to Mr. A. C. Johnson, chief of the United States Bureau of Mines for Nevada and California, the contract for the building has been granted to Reno Pumice Brick Co. and work will begin within a few days.

The cores, Mr. Johnson said, will be available to students of the Mackay School of Mines, as well as to the various mining companies of the two states, for research and study.

## LET'S TALK TURKEY

By Tahsin Karacabey

Turkish Student

### Part Two

Following the war for Turkish independence, the Allies recognized Turkish sovereignty by the treaty of Lausanne, July 24, 1923. Under Ataturk, a national assembly was called, and on October 29, 1929, Turkey declared itself to be a republic. April 20, 1924, marked the adoption of its constitution.

The constitution of the republic of Turkey found its ideals in the democratic governments of the west. Its basic principle is the sovereignty of the people. It declares the republican form of government inviolable, and specifies in detail these rights of the people: every citizen is born free, and free he lives; liberty consists of the right to live and enjoy life without offense or injury to others; also among the natural rights of citizens are the inviolability of person, freedom of thought, speech, press, assembly, association, travel, labor, private property, contract, and incorporation.

Among the basic governmental provisions of the constitution are: sovereignty belongs unconditionally to the nation; the grand national assembly is the sole lawful representative of the nation, and its actions bind the nation; the legislative and executive powers belong to the assembly; the assembly controls the actions of the government, and may at any time withdraw powers from the government.

Members of the grand national assembly are chosen through a general election held every four years. The first action, then, of the assembly, is to choose the president of the Turkish republic. This presi-

dent neither debates nor votes in the assembly. The president then chooses from the assembly the prime minister, who chooses from the assembly the members of the cabinet. After formation of the cabinet, the prime minister outlines the program of the government to the assembly.

Modification of the article declaring that the Turkish state is a republican may not even be proposed. The constitution of the land stands supreme.

(Part three next week)

## Changes by Veterans Should Be in Soon, Says Administrator

Veterans who will change their address for the summer or who plan to attend another university next fall should contact their administrator soon, according to Keith Lee, veteran's administrator. A contact representative will be in his office to allow veterans to attend to these matters.

Jack Callahan will act as contact representative, and will be in the dean of men's office from 10 am to 3:30 pm on May 25 and 26.

Veterans whose address will be changed after the end of the semester should contact the representative to be certain of receiving their June subsistence checks, Lee said.

If a veteran is to continue school here, he will register in the usual manner, but if he plans to attend another university under the GI bill, he should make application for the supplement of certificate of eligibility.

## Zoology Students Capture Fourteen Rattlers for Study

Members of zoology 333, led by Ben Banta, zoology major, held class at a "snake pit" about 14 miles north of Reno last week and they really came back with the snakes.

Fourteen rattlers were taken by the group as part of a class project. Banta said that there are two more dens that he knows of in this area. The snake hunt was in conjunction with an ecological study of the crotalus viridis lutosus, otherwise known as the Great Basin rattlesnake.

The project is part of an effort to uncover extensive information regarding the amphibian life of reptiles inhabiting Nevada and their economic significance.

Ira La Rivers, assistant professor of zoology, who is new on campus this year, has stimulated interest in this research work and the project is expected to be continued on a long range scale.

During the past school year, Mr. La Rivers has acquired and is maintaining an attractive zoological study collection at the Agriculture building.

In explaining the procedure of this unusual phase of study, Banta said that the reptiles are tattooed with the date and place of their capture marked on them and then released. The tattooing equipment is the ordinary type used on human flesh. In this way they can determine whether or not the same snake returns to the same pit. Also, they can study the growth, hibernation, mating habits, reproductive capacity, mortality rates and whatever new facts of reptile life that presents itself.

## Mackay Committee Thanks Downtown Merchants for Help

Much of the credit for the success of the 36th Mackay Day belongs to the local merchants who were so cooperative in donating awards and trophies for the celebration.

Mackay Day committee co-chairmen Marge Simon and Joel Morris wish to thank publicly the following merchants for their donations.

Cups were presented by Risone's for the reddest beard; Morrill and Machabee, best trimmed beard; Golden Hotel, heaviest beard; Reno Printing Company, sorority song team; Carlisle's, fraternity song team; J. C. Penney, best man's costume; Moore-Tally, best woman's costume; The Wine House, dance attendance, and W. C. Higgins, square dance.

Thanks are extended to Dempsey Foster for the use of the light cruiser "Horse Trough," and to the Reno Bus Lines for advertising cards carried inside the busses.

Local florists who provided flowers for the celebration are Orchid Florist, Cannon's Eddy Florist Company, Glenn Turner, Reno Florist, Sierra Florist, Alamer Florists, and Sparks Florist.

## AWS Council Holds Picnic at Idewild

Members of the Associated Women Students Council held a picnic Tuesday night at Idewild Park.

Lorraine Houghton, outgoing president of AWS, said that because the women had worked so successfully, it was felt that they deserved a party.

Steaks were fried, and games were played for entertainment.

## Banquet, Dinner Set for Opening Of Graduation

The senior banquet on Friday, May 27, will raise the curtain on the graduation proceedings of the class of '49. The dinner will be held in the Trocadero at 7:30 pm.

The Junior-Senior breakfast will be the next event. As a final get-together of the two classes it will take place on Saturday at 10 am in the 20th Century Club. Tickets will go on sale May 23 at the ASUN office.

Bower's Mansion will provide the site for Sunday's senior-faculty picnic which will take place at 11 am.

Saturday, June 4, all graduating seniors will gather on the quad to draw for caps and gowns. A practice session on the graduation ceremony will follow.

Baccalaureate services are to be held in the gym Sunday at 9:30 am. Seniors are to assemble on the quad at 9 am.

Graduation exercises will take place in the gym on Monday. Directly following the ceremony the alumni banquet will be held in the dining hall. Tickets will be available in the graduate manager's office during the week.

All seniors who will be unable to attend the graduation ceremonies must file notice with the president's office and with the registrar's office to make arrangements for diplomas.

## Inter-Frat Men Elect Officers

The inter-fraternity council ended activities for the current school year with a banquet at the Colombo Wednesday evening.

An election of officers followed the banquet and the following men were chosen to head the council for the coming year: Walter "Ham" Prug, president; Frank Lee, vice-president, and Charles Pulsipher, secretary-treasurer.

## Large Senior Class Graduates in June

One of the largest classes in the history of the University of Nevada will graduate this June. Miss Jeanette C. Rhodes, registrar, said that approximately 165 students will graduate.

This is about 20 more than graduated last June.

The figure given by Mrs. Rhodes is tentative as the exact number graduating will not be known until all senior grades are in. Seniors will be given final examinations next week.

## THE COMSTOCK LEWD

By E. R. Ebus

Let's take off our hats to the boys in the acts, To the lads with the lecherous lines, To those wonderful wits in the Mackay Day skits With their ribald, uproarious rhymes.

There are no liminations to their lewd imitations Of a dean, Ph.D., or the prexy. And every professor is made the expressor Of lines that are saucy and sexy.

Let's all give a hand to the excellent brand Of humor, o'er looking the crudness. What they lack in finesse they make up in excess Of an excellent specie of lewdness.

Let's give a salute to the all-dissolute, A hurrah for an act so expressional. For a take-off that's sultry on sin and adultery They deserve a citation congressional.

So everyone bow to a show that's a wow, To the best ever seen in the college, To the sharp-witted schmaltzies with the up-lifted falsies Who have given a new lift to knowledge.

## Letters to Editor

Dear Editor:

I feel that every student on the campus owes a vote of thanks to the people that made the "Psychoscope" a success. The members of the cast have no doubt already received your words of praise, but those members of the stage crew, the backbone of any play, have, as usual, gone unnoticed.

These men not only set the stage here on campus for the five day run, but also transported the entire set to both Carson City and Virginia City. Larry Means and his crew of Homer Haines, Bub Geach, Bill Young, Fred Collander, Ed Johnson, and Boyd Tieslau, worked long and hard to make the "Psychoscope" a financial if not a dramatic success. Pat O'Brien

## MINING SENIORS GIVEN BANQUET BY AIME GROUP

The senior class of the Mackay School of Mines was feted recently in the Colombo hotel by the Nevada section of the American Institute of Mining Engineers.

This is the largest class ever prepared to graduate from the mining school, according to Professor Jay A. Carpenter, director of the Mackay School of Mines, and half of them already have secured positions.

After the luncheon, a program was presented to the gathering. It featured several members of the class. Alberto Barrios played several selections on the guitar and sang a number of popular songs. Joel Morris delivered a choice variety of monologues.

At the conclusion of the evening, Louis Gordon, chairman of the Nevada section of the American Institute of Mining Engineers, presented a Mackay statuette to Alberto Barrios for his good work during the past year as president of the Crucible Club at the university.

## 'Tinker' Doesn't Play Bridge But Still Cops Honors

By George Umbenhaur

There have been many stories about the smartest, the best dressed, and the most outstanding students on the campus, but one who deserves special mention for not only his excellent attendance but his perseverance in the amount of hours per day spent on the campus is none other than "Tinker" Gould.

Tinker is a bit young to be attending the University of Nevada (two years old), but he has diligently spent three semesters on the campus and threw his dink away a year ago.

Mrs. Harry Gould, "Tinker's" guardian, states that he comes up to the campus with the earliest students and waits for her at the same place every morning, which is at the registrar's office in the quonset huts in the rear of Stewart Hall. When the door is open he dutifully visits every desk and says good morning to everyone.

Although it is largely contended that only members of the human race lie on their backs while sleeping, "Tinker" has decided to break precedent and lie on his back with his paws up in the air. He feels that this entitles him to special consideration in the canine world.

Harry Gould, business major and junior student at the University of Nevada, has said that since "Tinker" has not learned to play bridge as yet, he is contented to spend his time at more useful occupations such as sleeping in the shade provided by the north wall of Stewart Hall. Harry is "Tinker's" master, as you might have guessed.

The geneological data or "Tinker" is rather limited, but according to his mistress he is the son of "Target" who belongs to Bill Rankin, another student at the University of Nevada. "Target" does not attend the university.

## Social Calendar Slates 7 Dances Over Weekend

Four fraternities, one sorority, and two other organized groups will brighten the weekend social calendar with seven dances and a hayride.

Sigma Nu's will hold their annual white rose formal at the Riverside hotel tonight, May 20. The chaperones will be Dean and Mrs. Robert S. Griffin, Mr. and Mrs. A. Broten, and Mr. and Mrs. H. Quilici.

The Mapes hotel ballroom will be the scene of Sigma Alpha Epsilon's spring formal dinner-dance tonight. Mr. and Mrs. Harold Brown, Mr. and Mrs. Tim Wilson, and Mrs. Mabel Rapson will act as chaperones.

Kappa Alpha Theta's spring formal will be held at the Trocadero in the El Cortez hotel tomorrow, May 21. Chaperoning the affair will be Mrs. W. D. Duke, Mr. and Mrs. Austin Hutchinson, and Mr. and Mrs. W. C. Hinchley.

The annual spring dinner-dance of Phi Sigma Kappa will be held at Camp Richardson at Lake Tahoe tomorrow night. Chaperones will be Mr. and Mrs. Harry Frost, Mr. and Mrs. Bernard Hartung, and Mr. and Mrs. Guild Gray.

Lambda Chi Alpha's spring formal dinner-dance is to be held tomorrow night at Lawton's. Mr. and Mrs. Lois Shimmer, Mr. and Mrs. John Martie, Mr. and Mrs. Eugene Mastrianni, and Mr. and Mrs. Stan Reese will be the chaperones.

The Highlanders will hold a dance tonight at the Army Air Base. Chaperones will be Mr. and Mrs. Jack B. Grafton, and Mr. and Mrs. Robert Wilkie.

A hayride from Stewart Hall to the California Building will be held by the Organized Independents tomorrow night. Mr. and Mrs. Jack Davis will chaperone the ride.

## Brander Has Part In Current Play At Little Theater

Roger Brander, senior journalism student at the university, plays the part of Fred in the current Reno Little Theater production, "John Loves Mary."

Brander is no newcomer to the Little Theater, having appeared in many of the plays given there the past several years.

Edwin Sememza, instructor in English at the university, is directing the light comedy which has been successful as a Broadway play and more recently as a movie.

The play opened Monday and the last performance will be given Sunday, May 22, at a matinee and again in the evening. Mr. Sememza said that a special matinee for university students was not given since it was felt that enough students would not be interested in attending because of approaching final week. This is the last play of the season at the Little Theater. It is the eightieth play in the fourteenth season of the Reno Little Theater.

## KINEBERG ELECTED NEW TAU PRESIDENT

Newly elected officers of Alpha Tau Omega fraternity will assume their duties Monday.

Elected were Dave Kineberg, president; succeeding Will Williams; Tom Bell, chaplain, succeeding himself; Jim Williams, exchequer; John Marvel, senator; Ralph Brown, scribe; Jack Petersen, keeper of the annals, and Stan Drakulich, sentinel.

## Don't Be So Critical

### Honor Society For Engineers Elects 18 Men

Eighteen junior and senior students have been elected to membership in Nu Eta Epsilon, University of Nevada engineering scholastic honor society, and will be honored at an initiation banquet to be held tonight at the Colombo hotel.

Featured speaker of the evening will be Colonel Gilbert E. Parker, professor of military science and tactics at the University of Nevada. Presiding at the banquet will be Dean of Engineering Stanley G. Palmer.

Membership in Nu Eta Epsilon is granted only to those who have attained a high scholastic record in all their college work prior to election to the group. Among the plans for the fall semester are those that call for the petitioning for membership in Tau Beta Pi, national engineering scholastic honor society.

Senior students elected to membership are Kaare Aalde, mining engineering; James

### Faculty Club Elects Byrd New President For '49-'50 Year

Clarence E. Byrd, administrative assistant to the dean of agriculture, has been elected president of the Faculty Club for the year 1949-1950. He succeeds Irving J. Sandorf.

Officers elected to aid Byrd are William C. Miller, vice-president, and Elaine Mobley, secretary.

The organization, which meets the first Tuesday of every month during the school year, has elected W. C. Miller as chairman of the program committee.

Members of the program committee, the progra itself, and hosts and hostesses for the coming year will be announced later.

E. Chester, electrical engineering; Harvey B. Foulkes, EE; Robert W. Houser, EE; Earl Houghtaling, EE; Gerald E. Knowles, geological engineering; Joe R. Mathis, mining engineering; Eugene R. Menke, EE; Rondell B. Shaw, EE; Kristian Tanning, civil engineering; and Norman F. Warren, metallurgical engineering.

New junior student members are Thomas J. Blackham, EE; John W. Boynton, jr., mechanical engineering; George D. Brunton, geological engineering; Dean C. Burgemeister, EE; Charles E. Huck, EE; Timothy P. Sullivan, EE; and Robert E. Wingert, EE.

### Graduate Scribe Talks to SDX's

Talks of the difficulties encountered by a foreign correspondent were told by Robert C. Miller, United Press staff correspondent, in a talk to the local chapter of Sigma Delta Chi, national professional journalistic fraternity, Monday night.

Miller, a graduate of the University of Nevada journalism department in the class of 1938, was initiated into the fraternity with three undergraduates, William Gillis, Reverend Maurice Welsh, and Edward Slingland.

Neal Van Sooy, publisher of the Santa Paula Chronicle and national president of Sigma Delta Chi, came to Reno to conduct the initiation.

After the initiation ceremony, which was held in the University of Nevada journalism building, the fraternity adjourned to a dinner meeting at the El Cortez hotel.

### Devlin New Mayor Of Lincoln Hall

Bill Devlin, junior and member of Sigma Rho Delta, won the election for mayor of Lincoln Hall Wednesday. He was elected on the second ballot after a close race in the first voting.

Men of the hall voted Tuesday night, and Devlin had a 43 to 41 lead over Bob Vaughan, also a Sigma Rho Delta candidate, but this was not a majority of the votes cast so a re-vote was taken Wednesday.

Devlin won by a 55 to 43 margin in this second election. Devlin will serve for the two semesters of the 1949-1950 session, and will also choose the chairman of the men's upper-class committee.

"If safety records were news..."

If safety were spectacular, it would be front-page news that Bill Jones and other telephone men drive 55,000 vehicles more than a million miles a day—with one of the nation's lowest accident rates.

Today, for example, Bill will drive a lot of miles. He'll guide his familiar green telephone truck through the heavy traffic of shopping centers, he'll go along quiet streets where children play, he'll travel lanes and highways at the edge of town. And every mile, every turn, will always

be driven steadily and carefully.

You see, Bill and the telephone company consider good driving as much a part of his job as installing a telephone. The truck which Bill drives is checked and serviced regularly, so it's always safety-perfect. And Bill gets a lot of training in safety—training that covers all phases of his work.

Bill has helped put together one of the best safety records in the country. It's a record we're proud of—and so is Bill.

## GRIDDERS END SPRING SEASON WITH INTRA-SQUAD TILT SUNDAY

Blues Take on Whites in Coming Out Party For Coach Joe Sheeketski's New 'T' Attack

High point of spring football is in the offering Sunday afternoon at Mackay Stadium, when the Blues take on the Whites in what should be a wham-bam intra-squad game. Game time is 2:30, and it will be the last campus football activity until next fall.

The game will be a coming out party for Coach Joe Sheeketski's new split "T" formation. There'll be no San Heaths throwing 'em around the lot Sunday for the simple reason that passing, long the by-word at Nevada, is now a secondary method of advancing the ball in the Pack attack.

That doesn't mean aerial bombardment is completely defunct. A fellow named Alva Tabor is a pretty fair hand at putting the pork in the bread basket and with a third down and five it is very likely that the football is going to get tossed around a bit.

For the most part, however, it'll be guys like Bill Osborne, Paul Stimac, Ed Klosterman, Johnny Subda, Ted Kondel, Wally Graf and others who will be working overtime in

the knee-action and drive department.

Sheeketski has not yet indicated who'll be playing on which side. In all probability it appears that talent will be distributed equally, in which case either squad is capable of knocking off the other.

## Letter Winners Announced for Minor Sports

Measurements were taken for block N, circle N and freshman sweaters last Tuesday evening at the graduate managers office.

In addition to the men who have already been approved for their awards, the following men have been submitted by their respective coaches.

Tennis: Alva Tabor, Ron Brubaker, Alex Henderson, Wally Graf, Drake Delano, and Fred Nelson.

Golf: Wayne Adams, Stan Kosakowski, Earle Charleton, Charles Mayo, Walt Vilas, and Charles Sancio.

Boxing: Dean Gloster, Martin Rodriguez, Wayne Osborne, Bob Thronson, Don Blackham, Jack Swobe, Frank Sanches, Stan Drakulich, George Bedelich, Ed Hollingsworth, Don Eckles, and manager Harry Williams.

Rifery: Jay Atwood, Edwin K. Beauchamp, George N. Becker, Eddie F. Callahan, John O. Davis, Thomas R. Macaulay, George F. Magee, Clarence L. Miller, and Gee Gay Woo.

Freshman basketball: Don Aiken, Leonard Battaglia, Mert Baxter, Dave Buckman, Wallace Burnett, Marvin Byars, Ted Covington, Doug Douglas, Jim Eliades, Owen Greenan, Ed Hancock, Earl Jarrett, Ralph Morgali, Dick Nannini, Chuck Ryers, and manager Jack Young.

## Officers Installed Wednesday Evening By Campus WRA

Installation of officers was held Wednesday evening by the Women's Recreational Association in the gymnasium.

New officers are Jackie Wilson, president; Shirley Hornbeck, vice-president; Virginia Shaw, secretary; and Beverly Simon, treasurer.

Outgoing officers included Frieda Kormmayer, president; Phyllis Green, vice-president; Fay Fryberger, treasurer, and Mary Micoche, secretary.

New cabinet members for next year will be appointed shortly by the officers. Advisors for WRA are Miss Ruth Russell, head of the women's division, department of physical education; Miss Marge Price and Miss Faye Briggs, instructors in women's physical education.

## Boulder Sloshes To Track Victory In State Meet

Good mudders were in demand at Mackay Stadium Saturday.

High school athletes virtually met a "sea of troubles" in their annual state track meet.

Rain spoiled the hopes of several tracksters who had intended to break state records. Nearly every event was held under a downpour.

Boulder City won the meet in close competition with Las Vegas. This is the first time a Boulder City team has won a state meet. Las Vegas has been champion for the past four years.

The event was sponsored by the Block N Society. Eighteen teams from all parts of the state participated. The meets have been held since 1920.

The final event, the 880 yard relay, climaxed the events. Las Vegas and Boulder City had moved into the lead early in the competition, and made it a two-team fight. Boulder City won first place in the relay and Las Vegas failed to place. Thus the Boulder City team won with 35 1-5 points while Las Vegas had 30 2-5.

Boulder City also took first place in the discus throw, high hurdles, 880 yard race and the 100 yard dash.

Other schools to make points in the meet were Yerington, Reno, Elko, Carson, Sparks, Hawthorne, Winnemucca, Lovelock, Battle Mountain and Henderson.

## Giannotti, Wyness Pass Rigid Tests For PE Honorary

Two university men finished tests Tuesday which entitled them to membership in Sigma Delta Psi, a national honorary athletic society. John Giannotti and Jerry Wyness, both members of Sigma Alpha Epsilon, will each be entitled to a gold key and an honor certificate as tokens of their accomplishments.

The athletes were required to pass 12 rigid physical tests. Scholarship was also considered.

Ted Ensslin, a senior, was the only Nevada man who had completed the qualifications until Tuesday. The Nevada chapter was founded last year.

## Golfers Rack Up Fourth Straight By Upsetting SFS

Scoring their biggest upset to date, the University of Nevada golf team racked up their fourth victory in a row by edging San Francisco State 11-10, Saturday morning.

The victory, Nevada's third straight at Washoe county golf course, preserved the Wolf Pack's undefeated record at home.

San Francisco's Gators, Far Western conference champions, had knocked over 11 opponents during the season including a 13 1/2-7 1/2 deviation over the Wolf Pack early in the season.

Nevada's victory over the visitors was by far the most impressive of the season for only a week before the Gators had beaten the powerful St. Mary's linksmen.

Wayne Adams (N) defeated Norm Norwicki (SF) 3-0, Walt Vilas (N) defeated George Albrecht (SF) 3-0, Charles Mayo (N) defeated George Imgrun (SF) 2-1, Art Crebassa (SF) defeated Stan Kosakowski (N) 3-0, and Jerry Friedman (SF) defeated Earle Charleton (N) 3-0.

Adams, Nevada number one man and Nevada state amateur champion, had the low score of the day with a 75 while Vilas turned in a 76.

Nevada linksmen have now defeated Chico State, split with San Francisco State, Cal Aggies, and Sacramento College, and lost to St. Mary's.

## INFIRMARY LISTS FOUR STUDENT PATIENTS

Four university students have been patients in the infirmary this week. Those treated for flu are David Kinneberg, Miles Steel, Tom Godbey and G. M. Granstrom.

## Riverside Breakfast Marks Press Club Silver Anniversary

The University of Nevada Press Club marked its silver anniversary at its annual breakfast in the dining room of the Riverside hotel last Sunday morning.

The place settings were tabbed with lead Linotype "slugs" bearing the names of the respective members and guests.

Doris Hanssen, past president, welcomed the new members and introduced the officers for the coming year. She then turned the gavel over to Barbara Smith, president for the coming year.

Marge Friend, press club secretary, described the organization's history. She mentioned that the club had its beginning in 1924, just one year after Professor A. L. Higginbotham set foot on the Nevada campus. Professor Higginbotham has served in an advisory capacity since the club's inception.

Officers for the coming year are Barbara Smith, president; Neal Corbett, vice-president, and Marge Friend, secretary.

Twenty-five newly elected members were introduced at the breakfast.

## Bob Vaughn Elected Blue Key Chairman

Robert Vaughn, junior engineering student, was elected chairman of Blue Key, campus service organization, at a recent meeting. He succeeds Wally Green as head of the group.

Vaughn was named regional chairman of Blue Key at the convention held on the Nevada campus three weeks ago.

Other new officers of Blue Key are Al Richardson, vice-chairman; Gerald McBride, secretary-treasurer, and John Lee, corresponding secretary.

## Block N Installs Track Scholarship

The Block N Society has established a \$100 University of Nevada scholarship to be awarded the outstanding senior participant in the 1949 state high school track meet. The measure was passed at a regular meeting of the athletic honorary group Tuesday evening.

Names of four outstanding high school athletes will be submitted to an impartial five-man board. The names of the candidates will be returned to the Block N in the order of

their selection and in the event that the top choice declines to accept the scholarship, the next alternate on the list will be declared the scholarship recipient.

Ted Kondel, varsity half-back, was elected president for the coming year. Other officers elected were Louis Mendive, vice-president, and Joe Libke, secretary-treasurer.

It was announced that the annual Block N picnic will take place at the Reno army air base on Friday, May 27.

For Lilt and Lyrics — Paula Kelly singing "Johnny Get Your Girl" (A COLUMBIA RECORD)

I'M GLAD I MADE THE 30-DAY MILDNESS TEST, DON. CAMELS ARE GRAND!

IT'S CAMELS WITH ME, TOO, PAULA - FOR TASTE AND MILDNESS!

Paula Kelly, rave-fave vocalist with the star rhythm group, "The Modernaires", goes for rollicking rhythm in a song. And for smoking pleasure, Paula says: "It's Camels with me! I like their cool mildness and that rich Camel flavor."

for Taste and Mildness **Camels!**

In a recent coast-to-coast test of hundreds of men and women who smoked Camels, and only Camels, for 30 days, noted throat specialists, making weekly examinations, reported

NOT ONE SINGLE CASE OF THROAT IRRITATION due to smoking **CAMELS!**

Songstress PAULA KELLY and disc jockey DON OTIS agree on Camels for mildness and flavor.

R. J. Reynolds Tobacco Company, Winston-Salem, N. C.

**Sagers Owing Money Won't Get Grades**

University of Nevada Sagers who owe the organization for Artemisia pictures, emblems or dues, will not receive their grades for the last semester or be allowed to re-register in the university unless these debts are paid before the end of the semester. This ultimatum from the office of the graduate manager was revealed at a Sager meeting Wednesday by acting presi-

dent Bill Jager. All Sagers are asked to meet at the ASUN building Tuesday at 6:30 for election of officers and clarification of the financial situation.

**Registrar to Hold Borrower's Grades**

The registrar's office will withhold the grades of all students who do not return borrowed equipment to the infirmary, it was announced this week.

This equipment includes crutches, ace bandages, hot water bottles and ice bags that students have borrowed since the beginning of the school year.

The infirmary says that each student may also be charged for the things that he fails to return. These measures are being taken in hopes that the large amount of equipment that is still out will be returned before the school term is over.

**PERRY COMO PRESENTS SCHOLARSHIP**  
Perry Como (left center), star of the Chesterfield Supper Club, presents a four-year scholarship to Joseph Geraci, undergraduate at Canisius College. This is the second year Perry has sung in the annual concert sponsored by the Romulus Club of Buffalo to raise this scholarship fund. Joseph S. Dolce of the Romulus Club and Father Timothy Dineen, Athletic Director at Canisius, watch the ceremony.

**Seniors May Secure Extra Lunch Ducats**

Seniors may pick up extra tickets to the commencement luncheon at the alumni office, according to Rex Daniels, alumni director of the university.

Individual tickets will cost \$1.25 and may be purchased from now until June 3. The seating capacity of the dining hall is limited to 350, he said, and students should get their tickets as soon as possible.

All graduating seniors are guests of the Alumni Association and the university at the luncheon and will be given the alumni oath during the affair.

Support your advertisers.

**Convention to Name Scholarship Winners**

The Sears-Roebuck Foundation will hold a general scholastic conference in Chicago, Ill., May 22-23, at which time the winners of the newly created Sears-Roebuck scholarships for junior and senior agricultural students will be announced.

Attending the meeting from University of Nevada will be Dean of Agriculture Cecil W. Creel, accompanied by last year's sophomore scholarship award winner, Raymond Alzola, of Elko county, Nevada. While in Chicago the persons attending the conference will be guests at the Sotel Stevens, and among the amusements scheduled for them will be a major league baseball game at Wrigley Field. All expenses of each of the persons making the trip are to be paid by the Sears-Roebuck Foundation, so that a full attendance may be

insured. Names of the freshmen-to-be winner for the coming year, with that of the new winner of the sophomore award, will be released at a later date.
