## Wolf Pack Cage Team Gets Invite To NAIB Tournament in Kansas City

By MYRON LEAVITT

The Wolf Pack cage team received word here Thursday morning that it has been officially chosen as this district's representative to the NAIB tournament to be held in Kansas City next week. Nevada has accepted the invitation, according to board of athletic control members, who approved the trip.

Both Nevada and Utah State were up for the bid, after BYU, the first choice, won the Skyline Six conference by beating Denver 75-50, and automatically gained the right to the NCCA playoffs. Utah State's record for the season was 18-16, while Nevada sported a 14-8 in collegiate play.

Three of Nevada's opponents, Regis of Denver, Portland, and Indiana State, will be among the representatives at the 32 team tourney. Nevada has victories to its credit over all three.

The last time Nevada went to the NAIB in '46, it reached the quarter finals after two victories, losing to Southern Illinois Normal of Carbondale, the winners of the tournament. That was the year that Bob O'Shaughnessy, Jim Melarkey, and Grant Davis were the mainstays.

In 1949 Hamline won the tourney, with Regis College of Denver the runner-up.

### ASCE HEARS GILLIS

A discussion of the freeway traffic system was featured at last Wednesday's meeting of the campus chapter of the American Society of Civil Engineers. R. M. Gillis, president of the Sacramento section of ASCE, lectured on "Freeways and the California Freeway Law."

## Senior EE's Ready Inspection Trip To Southern Nevada Dam, Plants

Senior electrical engineers will leave Thursday at 9 am on their inspection tour of Boulder dam and visit to the Basic Magnesium plants and Electro-chemical chemical plants around Henderson, Nevada.

While at Boulder City they will be guests of the American Society of Electrical Engineers chapter. Some of the OE group will give talks and demonstrations on various topics.

Colored movies will be shown which illustrate the activities of the college.

The program of talks and demonstrations will be as follows:

1. Hi Voltage: Thomas J. Blackham will use 50,000 volts.
2. Hi Fidelity: Built up by Lewis H. Fritch, and ammeter, that is higher than any other in Nevada.
3. Demo. Micro Waves: Creation of many mysterious effects will be made by Tom Macaulay and Walter King.
4. Mototrol. The showing of how large motors can be controlled by instruments by Paul T. Sullivan, David Kiley, and assisted by Richard E. Kinner.
5. Turret and Computerdemo: Extremely difficult project by Douglas D. Dodds, Aldred J. Larrison.
6. Magnetic Amplifier: Show of how large amounts of power can

## Nevada Students Slated for Part In Red Cross Drive

"The University of Nevada has been designated as a special group in the Washoe County Red Cross drive," Elaine Mobley, dean of women, reported today. The Red Cross drive is to last this month, and is campaigning throughout the state.

Professor and staff members have been appointed as captains of various buildings on the campus, and will ask staff members to donate to this cause beginning March 13. Last year the faculty and staff raised \$532 for the Red Cross, and, according to Dean Mobley, hopes to do as well or better this year.

Washoe County's quota in this year's drive is \$43,000, a little more than was received in 1949. The total receipts for 1949 were \$42,403.

Students, as individuals, and organizations on the campus are counted on by the Red Cross to put over the drive each year.

## Spring Semester Enrollment at 1,652, Men Outnumber Coeds Three to One

Spring semester enrollment at the University of Nevada is 1652, it was announced this week by the office of acting president, Gilbert E. Parker.

This is a drop of 55 students from the all-time high spring enrollment of last year. Last fall a total of 1777 men and women en-

The show will last about two hours.

## Evans Issues Call For Pack Golfers

Dick Evans, newly appointed golf tutor, has issued a call for all prospective golfers to contact him in the athletic office by next Wednesday.

Beginning Wednesday and lasting for one week will be practice for the future linksmen who think their scores will be low enough to qualify them for the varsity team. The following Wednesday, March 22, all golfers will tee off for 18 holes, and a golf ladder will be started to determine the squad's members.

rolled at the university.

Enrollment in the spring semester in U. S. colleges and universities is never as large as that of the fall term. The drop of 125 students at the University of Nevada is considered normal. Fifty-six men and women were graduated from the university at the end of the fall semester.

## Publications Board Approves Special Page for Sagebrush

A full page in the Sagebrush, dedicated to explaining the athletic situation was oked by the publications board and sent to the finance board for approval late Wednesday.

If approved by the finance control board the page will be purchased at cost to the ASUN. The page is intended to answer pertinent questions on the whole athletic situation at the university. A series of questions for this page has been compiled by P. O. Reimer, student body president, who obtained the questions from students chosen at random.

Editors and business managers for the 1950-51 Artemisia and the Sagebrush will be nominated at the April meeting of the board.

## Phi Sigma Kappa To Burn Mortgage

A mortgage burning will be the center of attraction at the annual Phi Sigma Kappa founder's day dinner to be held Wednesday at the 116 Club.

Mr. T. L. Withers, prominent local attorney, will be the featured speaker of the evening, and will preside over the burning of the 26 year old mortgage.

## Dinks and Bows Frosh Dance Theme; And the Idea is to Match'em Up

## ASUN Withdraws Band Support

The finance control board Monday withdrew ASUN support from the little band that wasn't there.

The band budget of \$200 for music and instrument repair was re-appropriated—\$100 for instrument repair and \$100 for cleaning of the uniforms. After repairs and cleaning they are to be kept under lock and key until such time as the university again has a band.

At the present time only ten people have signed to take band for credit and four more are taking it without credit. Even with 14 signed up, the most assembled at any one time has been six, according to Tom Godbey and Bob Patrick, student representatives of the band.

The old time movies were underwritten and an admission fee of 25 cents was set for the first performance.

An AWS fashion show budget of \$150 was underwritten, any loss to be borne by the ASUN or any profit to be put into a special fund for next year's show.

A budget of \$33.75 for the ASUN publicity committee headed by Gerald McBride was approved.

## Results Withheld

Because only 300 of the 1650 students registered at the university answered the Sagebrush athletic questionnaire published two weeks ago, the Sagebrush staff members feel that the results should be withheld.

The 300 answers represent less than 20 per cent returns. Obviously the opinions of this small percentage cannot be termed as the opinions of the student body.

Although originally planned as a strictly freshman dance, the frosh dance, beginning at 9 pm tonight in the old gym, has been changed to an all school affair, members of the committee announced.

Proctor Hug is the general chairman of the dance, and he is assisted by Bud Weiser, in charge of tickets; Jerry Shreve, publicity; Joe Bugica, music and entertainment; and Willard Esplin, refreshments. Decorations are being handled by the entire committee.

This dance is the second of two big projects taken on this year by the freshman class; the first was painting the N. Although this is an all campus event, the committee is hoping for a large frosh turnout, since it offers a good opportunity for the freshmen to become better acquainted with one another.

Art Harris and his band will provide the music. Entertainment will be supplied by a vocalist with the band, and refreshments will be served.

## Pi Phis to Accent Spring Fashions At March 31 Show

With accent on spring fashions, Pi Beta Phi sorority will revive its annual fashion show to be held March 31 at the 20th Century Club. The show, with clothes furnished by Joseph Magnin, will start at 2:30 pm.

Judy Morrison, chairman of the show, stated that the tables would be \$4 for four or \$1 per person. Tea and sandwiches will be served before the show. Tickets will be sold by members of Pi Phi and will be circulated on the campus and downtown.

According to Miss Morrison, Magnin's will show cotton dresses, bathing suits, spring suits, and silks and prints. Cards will be furnished

## Letter to Editor

Reno, Nevada  
Editor, Sagebrush,  
University of Nevada.  
Dear Sir.

Now is the time to "clean house"! The recent disclosure of the athletic situation at the University of Nevada offers us an excellent opportunity to rectify a fatal error that was committed some years ago. Since that time the university has received a great deal of publicity, which was the result desired, but, the instigators of this athletic program apparently were not in the least worried by the fact that most of this publicity was abusive, slanderous, and decidedly noxious to the university.

I believe that those who formulated and put into effect our present athletic program had the best interest of the university in mind, still, I believe that they committed a disastrous mistake.

We can amend this blunder. We can remove some of the infamy this program has brought to the university. Now that the issue is clearly in the light we are in the position to clean up the debris with the most beneficial results.

We have no alternative. We must liquidate the Downtown Boosters Club, and place athletics back into the hands of the university officials and the student body. If we fail to do this now, further publicity the university gets will be more abusive, and slanderous than it ever has been in the past.

Sincerely yours,  
GEORGE J. ORNAS

Dear Editor:

You asked that someone write you concerning Prof. Puffinbarger. I, with other students who have earned their own living before we finished college, feel that his leaving is a great loss.

Because of his store of experience in every teaching situation he could always give us practical help when and where it was needed. That, in combination with his wonderful personality and "aliveness" makes him similar to those splendid "Old Family Doctors" who, using psychology and kindness before surgery, saved many who in this day of specialization are lost.

We also feel sorry that Dr. Vedder is not returning to the campus as he was a brilliant lecturer and had a personality that also makes for success. He is going to be at the University of Arizona next summer.

Godspeed to two fine men.

Sincerely,  
MRS. EILEEN BAILEY

## Dr. Miller Speaks

Dr. William C. Miller, English department, discussed the history of the Virginia City stage at a meeting of Chi Delta Phi, literary sorority, last week.

## Arctic Explorers Will Lecture Here

Commander and Mrs. Finn Ronne will deliver an illustrated lecture entitled "Anarctic Adventures" next Tuesday at 8 pm in the Education auditorium. Commander Ronne was head of the Anarctic research expedition, 1946-1948, and Mrs. Ronne was one of its members. Faculty, students and general public are invited to attend.

Commander Ronne, a former associate of Admiral Richard Byrd, returned to the United States in 1948 after a year's scientific exploration in the Anarctic. Complete reports on the expedition and its findings have been published by the Office of Naval Research. Commander Ronne is author of the book, "Anarctic Conquest," published this year.

The visitor was the first to ascertain what geographers had called the world's last major geographical discovery, whether the Anarctic was one or two continents.

Commander and Mrs. Ronne will be the guests of Colonel and Mrs. Gilbert E. Parker during their stay in Reno.

### OUR MISTAKE

Robert Burke, Nevada junior, did not pin Betty Lou Ogan of Reno, as was reported last week.

## Chart Room Added In Parker's Office

A room in the president's office was remodeled by carpenters last week in the general style of the president's private office, it was learned today.

Col. Parker, acting president of the university, said the room will be his chart room and may be used as a reception room for visitors.

Another room is being prepared in the old gym as an office for Dr. Anderson of the state health service. Dr. Anderson is working in cooperation with the university psychology department.

# 6 Military Ball Queen Candidates Chosen By Scabbard and Blade

## Final Selection is Slated Tuesday By Members of Nevada ROTC Cadets

Six candidates for queen of the annual Military Ball were chosen Wednesday evening by Scabbard and Blade, honorary university military organization which is sponsoring the event.

Selected were Shirley Hodge, Artemisia Hall; Cathy Lancaster, Manzanita Hall; Carolyn Pickens, Delta Delta Delta; Mimi Howell, Pi Beta Phi; Sharon McPartland, Kappa Alpha Theta; and Berlien McCray, Gamma Phi Beta.

The "queen" will reign over the ball, which is to be held at the Mapes Hotel, March 18, beginning at 9 pm.

Final selection of the queen will be left up to a vote of the University of Nevada ROTC cadets. This will take place Tuesday afternoon at 4 pm in Mackay stadium, where a special military review will be held.

The six candidates will inspect the cadet corps, after which the vote will be taken. Results of the balloting will be made public in next Friday's Sagebrush.

A preliminary election campaign will be conducted Monday and Tuesday. All of the candidates will be driven around the campus in an armored car to be obtained by Scabbard and Blade from the Sierra Ordinance Depot at Herlong, California.

Eppie Johnson, general dance chairman, has announced that the dance will be semi-formal. He said either military uniforms or dark suits would meet with approval.

Tickets for the dance are now on sale by Scabbard and Blade members, at Southworth's Cigar Store, Hilp's Drug Store, and will also be sold at the dance. Price is \$2 per couple.

Music for the event will be furnished by Merle Snyder's orchestra. Decorations will be arranged by Scabbard and Blade, assisted by the Corps of Sponsors.

The Military Ball is always regarded as one of the university's outstanding social events. Distinguished persons from throughout this area have been invited to attend, Johnson said.

Guests of honor will include Governor Vail Pittman, Mayor Vern Hursh of Sparks, Mayor Francis E. Smith of Reno, University President Gilbert E. Parker, Col. Ern-

est Brown, head of the ROA; Lt. Col. Murry Kakn of the Air Force Reserve; Naval Commander Robert McClure, Col. Edward L. N. Glass, head of the Nevada military district; Col. Benjamin F. Mesick, commanding officer of Sierra Ordinance Depot; Lt. Col. J. C. Smee, advisor of Scabbard and Blade, and Lt. Col. Francis Pope.

Assisting Johnson on the dance committee are Jerry Marks, publicity; Dick Eason, tickets; Chuck LaRoche, invitations; Jim Harker, decorations; Bill Sumners, program; Murray Dolan, flowers; Jack Michienzi and Jim Davis, governor's aides; and Bill Briner, saber arch.

### NINE INITIATED INTO SIGMA NU

Sigma Nu fraternity admitted nine new members to its ranks last Sunday night.

The names of those initiated are Peter G. Block, Robert E. Bradshaw, Jerry P. Etcheverry, Earl Hallsted, Edward A. Johnson, Raymond E. Marks, Robert Martin, Daniel J. Sullivan and Dallas Watkins.

Alpha Tau Omega and Sigma Alpha Epsilon will hold their initiations next Sunday; and Lambda Chi Alpha plans to complete its degrees a week later, March 19.

### Faculty Club Meets

A musical program arranged by Mrs. Dorothy Post was presented to the monthly Women's Faculty Club meeting March 4. The program included several violin selections by Katherine Meyer, the Choraleers, and a vocal number by Odile Frost.

A short business meeting and a social hour followed the program.

"Down?"

## Lambda Chi Booth Earns Most Dough

"Gerald's Club," a simulated gaming booth sponsored by Lambda Chi Alpha, earned the YWCA trophy for the booth which made the most profit at the World Student Service Fund carnival dance last Saturday night. A special trophy was awarded the Women's Faculty Club for winning the food and drink prize.

Congo Preps, of the Federated Church, came in second with their "break a record" booth, followed by the Aggie Club's nail pounding concession. Kappa Alpha Theta's candy placed second in food and drinks.

Net profit for the dance was \$600, \$300 of which has been earmarked for Lohara University in Pakistan, India. The other half will go into the general World Student Service Fund which is distributed throughout the world to needy students.

## Palmer Publishes Old Railroad Shots

Stanley G. Palmer, dean of the college of engineering, added pictorial interest to Nevada's long history of railroading last week when he allowed the Nevada State Journal to reproduce two photographs of an 1889 railroad crash.

The wreck involved two Southern Pacific-Central Pacific freight trains, and two men were killed. It occurred just west of Reno at Lawton's (Laughton's) Springs.

## SAES Set Dinner To Honor Alumni

Sigma Alpha Epsilon actives will honor their alumni at the annual founders day banquet to be given in the ballroom of the Mapes Hotel Sunday.

Over 500 invitations have been sent to the alumni. John Gianotti, member of the active chapter of the fraternity and head of the banquet committee, said that members of the chapter will be selling tickets for the banquet throughout the week.

The banquet will start at six o'clock, following initiation ceremonies for 15 new members of the fraternity. The initiation will be held at the Masonic Temple at four.

## Recorded Music For ROTC Drills

Recorded music will be used by the University of Nevada military department for its practice drills and parades this spring, according to Lt. Col. James C. Smee, professor of military science and tactics.

High school bands may be invited to play on occasions when a band is absolutely necessary, he said, until the ten member university band is reorganized and enlarged.

Col. Gilbert E. Parker, acting president of the university, stated that the military department may ask the Fourth Air Force band from Oakland to play for the ROTC annual inspection and the Governor's Day parade.

## Faculty Club Hears Dr. Martie

Dr. John E. Martie, chairman of the men's physical education department, spoke on "The Infiltration of an Ism" Tuesday night at the monthly Faculty Club meeting. Vice-President William C. Miller presided in the absence of president Clarence Byrd.

Hosts and hostesses for the evening were: chairman, Mr. and Mrs. C. C. Smith; Mr. and Mrs. Stanton L. Fickel; Mr. and Mrs. Charles Breese; Mr. and Mrs. Frank Inman; and Mr. and Mrs. G. A. Broton.

## HIGH SCHOOL HOOP TOURNEY SET FOR U OF N

The 1950 Nevada state high school basketball tournament will be played next weekend, March 16-18, in the university gymnasium.

Eight teams will take part in the "A" division playoffs, with four others in the "B" loop.

Teams representing the upper division will be Reno, Douglas, Fallon and Hawthorne from the Western Conference, Las Vegas and Lincoln from the south, and White Pine and Winnemucca from the east. Reno is the conference champion from the west, Las Vegas from the south, and White Pine from the east.

Alamo will represent the southern part of Nevada in the junior circuit, with Virginia City from the west. Two other teams, the winner and runner-up from the east will also be entered, but the playoffs in the conference will not be held until this weekend.

Here is the schedule of games:  
Thursday, March 16: 2 pm, White Pine vs Hawthorne. 3:30 pm, Douglas vs Lincoln. 7 pm, Las Vegas vs Fallon. 8:30 pm, Reno vs Winnemucca.

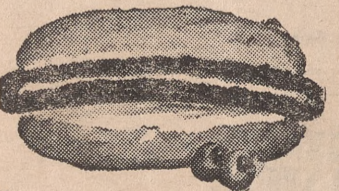

Friday, March 17: 9:30 am, Alamo vs eastern runner-up. 11 am, Loser of Douglas-Lincoln vs loser of White Pine-Hawthorne. 2 pm, Virginia City vs eastern champion. 3:30 pm, loser of Reno-Winnemucca vs loser of Las Vegas-Fallon. 7 pm, winner of Douglas-Lincoln game vs winner of White Pine-Hawthorne game. 8:30 pm, Winner of Reno-Winnemucca game vs winner of Las Vegas-Fallon.

Saturday, March 18: 2 pm, Consolation finals, "B" division. 3:30 pm, Consolation final for "A" division. 7 pm "B" championship. 8:30 pm, "A" championship.

## Handball Restored To Intramural Athletic Schedule

Handball will be restored to the intramural athletic schedule for the first time since the war, it was decided at last Friday's meeting of intramural athletic managers.

A total of 11 teams, representing all fraternities, the Highlanders, the organized independents, and the unorganized independents, are expected to participate, according to Art Broten, program director.

The handball singles are set to begin on March 13. The games will be run off in the west end of the old gymnasium.

Athletic managers also set tentative dates for beginning the other four spring intramural events. They are as follows: baseball, March 13; tennis, March 20; and skiing, March 25-26.

No definite date has yet been set for the track meet, but it will probably be held sometime after the Easter vacation, Broten said.

## Intermountain Bids Received By Two University Boxers

Two University of Nevada boxers may travel to Idaho to represent Nevada in the Intermountain Intercollegiate Boxing Championships there on March 17 and 18.

Although boxing has been officially discontinued for the remainder of the season, Martin Rodriguez and Stan Drakulich have been invited to the Idaho State sponsored tourney at Pocatello, Idaho.

Stan Drakulich who fights in the 175 pound class has one win and two ties to this credit this season. Martin Roriguez, who weighs in for the 135 pound class, won a title at last year's Intermountain Championships. He has had one win and two close losses to date, for this season.

Both men have been out of training since the boxing schedule was dropped at the University of Nevada early in February.

Last year Nevada came home from the Intermountain Championships with two title holders, Martin Rodriguez and Bob Thronson.

## Reno City Tourney In University Gym This Week-end

Reno city basketball tournament goes into its second night of play tonight, with three games set for the university gymnasium. Four preliminary games were played last night, with results coming in too late for publication deadline.

As last year, the majority of the city league players are university students, and some represent fraternities, as is. Admission has been set by commissioner Jack Swobe at 50 cents.

Mixed in with the double-A league playoffs will be the final games in the A, B and C leagues.

Here is the schedule of play, including last night's games:

Thursday, March 9—5:45 pm, Brickie's Chevron (5-2) vs Wells Cargo (2-5). 7:00 pm, McCaughey Motors (5-2) vs Reno M-Men (2-5). 8:15 pm, Reno YMCA (6-1) vs Little Waldorf (1-6). 9:30 pm, Roy's Clothiers (6-1) vs Rissone's (1-6).

Friday, March 10 — 6:30 pm, North Truckee Ropers (7-0) vs The Stag (6-1) in the C league championship game. 7:45 pm, Brickie's-Wells Cargo winner vs YMCA-Little Waldorf winner. 9:00 pm, Roy's Clothiers-Rissone's winner vs M-Men-McCaughey winner.

Saturday, March 11 — 6:30 pm, Garret Realty (7-0) vs Naval Reserve (5-2) for the B league championship. 7:45 pm, First National Bank (7-0) vs Bank of Commerce (6-1) for the A league championship. 9:00 pm, Winners of 7:45 and 9:30 games of Friday, for the Reno AA championship.

## Taus Lead Race For Kinnear Trophy With Snakes Second

Alpha Tau Omega fraternity is leading the race for the highly valued Kinnear trophy, with four spring sports left in the year's competition. Second place in the standings goes to Sigma Nu, which is 35 points out of first place.

Standings show the following scoring: ATO, 253.34; Sigma Nu, 218.34; Lambda Chi Alpha, 120; Phi Sigma Kappa, 98.34; SAE, 66.25; Sigma Rho Delta, 58.50; Theta Chi, 31.67; and the Highlanders, 10.

Results include basketball, volleyball, softball, and horseshoes singles and doubles.

Sigma Nu and Lambda Chi finished the basketball competition with similar records of 8-1, and split the points toward the Kinnear trophy. However, a playoff game was held to decide which fraternity should get the basketball trophy, and the Snakes shaded the Lambda Chi's, 35-33, on the strength of Danny Sullivan's field goal with nine seconds left to play.

Baseball and handball competition will begin Monday, tennis starts March 20, and the inter-fraternity track meet will be held during the second week in April.

## Frat Baseball Begins Monday

With the completion of basketball on the intramural sporting front, baseball takes the spotlight. Sixteen games have been scheduled for the month of March by Director Art Broten.

Under rules of the games, all games must begin within 10 minutes of the scheduled time, or default will result. Two defaults will drop a team from further competition.

Here are the games scheduled for next week, with all games set for 4 pm on Clark Field.

Monday, March 13: Theta Chi vs Unorganized Independents.

Wednesday, March 15: Sigma Pi vs. Independents.

Thursday, March 16: Sigma Rho Delta vs Phi Sigma Kappa.

## Track Turnout Met By 25 Men; 10 Lettermen

Thirty-five men have answered the call of Track Coach Hugh Smithwick, and 10 of them are lettermen. The first turnout for practice was last Monday.

Smithwick says prospects seem good for the abbreviated season, with the lettermen and some capable newcomers.

Returning to action from previous Wolf Pack experience are Bill Higgins, javelin; Ross Smith, 880 and the mile run; Jim Tate, 880; Lawrence "Punjab" Hairston, shot put and discus; Art Wigg, discus; Jerome Etchegoyhen, pole vault; Charlie Springer, 100 yard dash and the 220 dash; Marv Byars 440; Bill Jager, high jump; and Willis Woodbury, two mile run.

Among the new prospects are all-state high school athletes John Buccambuso, Lee Schroder, and Proc Hug.

Carol Lampe, last year's titleholder of "Miss Nevada," displays the charm that took her to the 1949 Atlantic City "Miss America" contest. This year the contest is being conducted on a statewide basis instead of being restricted to the University of Nevada campus.

OOOOH, what HE said! It's bottoms up for Sigma Nu Bill Irish, elected last week to fill the office of popular man-about-to-be-dunked. Each year, during hell week, the Snakes elect one of their members as the man who has made himself the most useful, in an obnoxious manner, to the fraternity during the celebration. As can be seen, the trophy that accompanies the award is a short dip in the short end of Manzanita Lake.

The new blood of the alumni association, President Walter States and Secretary Max Dodge, are breathing new life into the state's alumni chapters. One idea from the high-powered combo, is the semi-monthly alumni edition to the Sagebrush beginning in this issue.

EXTRA! Read all about it! COLUMNIST EXPOSED! For the past several weeks, students on the hill have been reading the column titled "Brush Strokes." Here, at long last, is the man responsible for the popular addition to the Sagebrush, Mark Curtis. Curtis was caught more or less at ease, during recent tryouts of the newly acquired press camera now being used by the Brush and the Artemisia.

A familiar scene between classes is shown in the above picture of the Snack Bar, gathering place of Nevada students for "coffee hour." Many improvements have been added to the YWCA sponsored room in recent months.

### AWS to Work With Local Jaycees In Sponsoring "Miss Reno" Contest

Sue Broadbent, president of the Associated Women Students, claims that not only does the U of N have a potential Miss Reno on the campus, but that she will be uncovered and brought to light, at least by May 18.

On that date, the new gym will be the setting for the Miss Reno phase of the Miss Nevada pageant, and approximately 25 girls will be there vying for the honors and awards.

The AWS and the Reno Junior Chamber of Commerce are cooperating in the Miss Reno contest and already have promulgated many plans and ideas. The committees have been formed and working for several days and much of the groundwork has been taken care of in preparation for the big event.

The various committees, and their AWS members are as follows: Entries, Charmaine Hubbard; publicity, Dorris Linsea, Barbara Smith and Rose Marie Faul; awards, Norma Carruth; budget, Kay Sterling; judges, Taffy Rule; staging, Marilyn Neal and Helen Mansfield. For every AWS member on these committees there will be a jaycee to assist.

The university organizations, which will sponsor a candidate for the contest, have not all been contacted as yet, but all of those interviewed have expressed a willingness to cooperate. So far, girls will be sponsored by Manzanita Hall, Artemisia Hall, Pi Phi's, Gamma Phi's, Tri-Delt's, Kappa Alpha Theta's, the YWCA and the Independents. The three organizations not yet contacted are the PEM's, the Corps of Sponsors, and the Women's Recreation Association.

Working with Sue Broadbent on this undertaking will be the dean of women, Miss Elaine Mobley, and the AWS vice-president, Mary Lou Sewell.

There will be several judges selected for the Miss Reno contest and, although no final decision has been made as to their identity, Miss Broadbent has released the information that there will be a minimum of seven and a maximum of 11. Among the judges will be two selected from the U of N faculty.

### More Courses To Be Offered Next Summer

The University of Nevada again will offer two sessions of study next summer, it was announced by Dr. Harold N. Brown, director of summer school.

The first of the five weeks' terms will begin June 17 and end July 21, while the second will be held from July 22 to August 25.

To insure a wide selection of courses in the field of education, 21 have been arranged for the first five weeks and 17 for the second term, Dr. Brown said.

Three special classes in education will be taught, in addition to those usually offered in summer school.

Lawson Sullivan, director of safety for the state of Nevada, will conduct a class in driving, and W. O. Johnson, of the CAA, will teach a class in air age education.

Special curriculum workshop designed to revise the curricula of Nevada schools will be supervised by Robert Fox, who is completing his doctorate at Stanford.

In addition to the classes in education, many courses in a variety of fields are being offered, Dr. Brown said.

These include courses in civil engineering, English, history, economics, business administration, sociology, music, mathematics, geology, languages, geography, psychology, art and chemistry.

Altogether, a total of 140 courses, taught by 51 instructors, will be offered in the summer sessions.

Emphasis in all courses will be placed upon their values in fulfilling academic requirements and in their significance in a complex society, Dr. Brown said.

Persons interested in enrolling or in receiving further information on the summer school are asked to write to Dr. Harold N. Brown, director of summer sessions, University of Nevada, Reno.

### Women's Magazine Looks for Talent In Story Contest

Mademoiselle magazine has opened its annual college fiction contest for women undergraduates in Nevada as well as in accredited colleges throughout the country. The two winning stories will be published in the August, 1950, issue of Mademoiselle, and the winners will each receive \$500 for all rights.

Stories submitted in the 1950 contest may be 3000 to 5000 words in length. They should be typewritten on one side of paper only, and accompanied by contestant's clearly marked name, home address, college address, college year. Stories which have previously appeared in undergraduate publications are acceptable if they have not been published elsewhere.

Mademoiselle's editors will judge all stories. Their decision will be final.

Entries must be postmarked not later than midnight, April 15, 1950, and addressed to the College Fiction Contest, Mademoiselle, 122 East 42nd Street, New York 17, New York.

Mademoiselle assumes no responsibility for manuscripts and will return only those accompanied by a stamped, self-addressed envelope.

### Picnic, Initiation For AED Pledges

Initiation will be held March 30 for eight new members of the Nevada Alpha chapter of Alpha Epsilon Delta, honorary pre-medical society, it was decided at a meeting recently.

A picnic was also planned in honor of the prospective members, President Joe Morita announced. The outdoor venture is slated for March 18, and is to be held at Virginia Lake.

The Peter Fransden plaque,

which contains the names of all the medical men who graduated from the University of Nevada while Professor Fransden was head of the biology department, is to be completed within the year. Research on the names of these men was discontinued in 1950.

President Morita also announced the acceptance of George Magee, member of the honorary society, to Drake University.

**Newspapermen Will Hold Convention On University Campus Next Week**

Newspapermen from all over the state, many of whom are Nevada graduates, will attend the Nevada state press convention to be held Saturday, March 18, on the campus. The conclave will be held in the chemistry lecture room in Mackay Hall of Science.

At the meeting, those pioneers of the newspaper industry of Nevada who were elected to the "Nevada Newspaper Hall of Fame" will be announced. Biographies and histories of the newspapermen and women are prepared by students in the journalism department at Nevada. These are then sent to a nominating committee who send the nominees to the newspapermen of the state. The state's journalists then vote on them and send their ballots by mail to association's headquarters.

The Community Service plaque, donated by the journalism department of the U of N, will also be awarded at the convention to the newspaper that most benefited its community during the last year.

Chairman for the nominating committee for the hall of fame is Chris Sheerin, Nevada graduate and publisher of the Elko Free Press.

**Theta's Name Eddy Chapter President**

Kappa Alpha Theta president for 1950-51 is Gloria Eddy, chosen in an election at Beta Mu chapter last week.

Other officers elected were: Jeanne Fulstone, vice president; Barbara Parker, corresponding secretary; Carol Lampe, treasurer; Mary Micheo, house manager; Marilyn Humphreys, social chairman; Beverly Poe, rush chairman and pan-hellenic representative; and Marian Howe, senator.

The new officers were installed at the meeting Monday night.

**Tri Delt; Pi Phi Dances Highlight Weekend Socials**

Two sorority dances by Delta Delta and Phi Beta Phi will brighten the weekend.

Tri-delts will hold their annual "Shipwreck" dance tomorrow evening at the 20th Century club.

Couples to attend the dance are to guess what time the ship sank, and dress appropriately for that hour.

Mary Ann Douglas, in charge of the dance, said the "Gadabouts" will play.

Chaperones will be Mr. and Mrs. Web Brown, Mr. and Mrs. Grafton, Mrs. Rose Edelman and Mrs. Engelke.

The Pi Beta Phi's also hold their Pledge-Initiate dance tomorrow said Miss Marjorie Bartolomei, chairman.

The dance will be held at the chapter house at 869 Sierra street. A Saint Patrick's theme will be followed in decorating, and music will be furnished by Joyce Fiscus' orchestra.

Chaperones for the dance will be Dr. and Mrs. Russell Elliott and Mr. and Mrs. Louis Skinner.

**Spanish Club Features Dancing**

Artemisia Hall last week was the scene of Latin American festivities where Spanish Club members danced to the samba and rumba music of the Espanolers, a band formed by the members.

Previous to the dancing, Dr. Poole displayed the various instruments of the South American orchestra.

Refreshments were served by Bill Luce, treasurer, and Doris Ann Dyer, secretary.

Folk dances of Latin America were done under the leadership of a group of Polkateers.

## University Singers Complete Second Decade of Activity On Campus

The University of Nevada Singers have just completed 20 years of work at the state institution under the direction of Prof. Theodore H. Post.

Over the period from 1930 to 1950, more than 1000 men and women have entertained Nevada music lovers at concerts and other affairs.

When Prof. Post arrived at the University of Nevada in 1927, there were two separate singing groups on the campus—one the men's glee club and the other the women's glee club. Prof. Post suggested that the two clubs get together and form a combined group but the men turned down the offer with an explanation that "the women don't know how to sing."

However, after a series of parties at which both groups participated, and at which a few songs were sung together, the men and women finally decided in 1930 to combine into what was called the Campus Choral Club. Later the name was changed to the present University Singers.

"It seemed to be a good idea to combine the men's and women's groups because we could do more interesting singing together and because we were pressed for rehearsal time," Prof. Post explained.

In their 20 years of existence, the University Singers have produced a variety of entertainment. They presented abridged versions of such operas as Faust and Carmen, sang at all commencement exercises, gave annual concerts, and combined with the Reno Civic Chorus and Orchestra in producing the annual "Messiah" on the campus.

At present, Prof. Post is making plans for the group's spring concert in May. The program will consist of two parts; the first will contain classical selections from 16th century choral music and from Brahms' "Requiem," and the second, musical comedy selections from "Brigadoon," "Oklahoma," and "State Fair."

The chorus consists of 60 singers this year. President of the organization is Thomas Godbey of Boulder City. Betty McEwen of Reno is accompanist.

University credit is given those students who want it; however, many persons are taking part in the choral group simply for the enjoyment of singing, Prof. Post explained.

"Have you ever wondered why you are so popular with the other boys in your dormitory?"

"No. I told them I always play the saxophone when I get lonely."

## Campus Parking Area Specified

Students are urged to study the bulletins, issued at the beginning of the second semester, regarding campus parking regulations.

Regulations concerning student parking areas specify that students may park only in the following areas: area north of the sidewalk, running east from the Education building toward the Mackay statue; area north of the hospital and the old gym; area that is marked surrounding the new Engineering building. (This does not include the parking space along the railroad right-of-way, or in front of the Veterinary Science building.)

Staff parking areas are marked, and students' cars found parked therein will be tagged by the campus traffic policeman. A speed limit of 15 mph will be enforced. There is to be no parking on the main thoroughfare at any time.

## Literary Contest Is Being Sponsored By Honor Society

Chi Delta Phi, honorary English society contest in which any high school student in the state is eligible to participate.

Schools within the state have been informed of the contest and students have been urged to enter. Contributions will be accepted until the first of April.

Fay Fryberger, president of the organization, appointed a committee headed by Gloria Griffen to organize the contest and to arrange for judging. Other committee members are Mona Perry and Norma Walsh. An engraved key will be awarded the first place winners in each division. Second place winners will receive ribbons.

Honorary membership in Chi Delta Phi will be bestowed if the first place in either division is won by a woman who will enroll at the University of Nevada for the coming fall semester.

Judging of the entrees will be done by the special committee appointed to organize the contest. Mrs. Mabel Brown, faculty advisor of the group, and other faculty members to be named later, will act as judges.

## Senior Ball Set

Senior Ball has been set for Saturday night, April 1, according to Louis Mendive, senior class manager. It will be semi-formal.

A meeting has been set for Monday in the Education building for the purpose of making final arrangements. The program committee will be there at 4 pm. in the auditorium. All interested persons should attend.

On the program committee are: Jim Williams, chairman; Rose Marie Faul, Angie Navern, Jean Hagenbuch, Don Mustard, Tom Collins, Al Richardson, George Franks, Mel Winsor and Leopold Muller.

Last check count of seniors was 229 made last semester.

## German Club Meets In Dr. Melz' Home

Members of the German Club met at the home of Dr. Christian Melz recently to listen to a program of German music.

The purpose of the program was to play German records, and afterwards discuss them. Refreshments were served. On March 18, the club will present a pre-lenten play under the direction of Charles F. Hennecke. It will be held in Artemisia Hall for members of the club.

A Section of University of Nevada Sagebrush.

## Lincoln County and Fallon Organize New Chapters; More Are Planned

With new chapters already established in Lincoln County and Fallon, and with work being done on several more, the University of Nevada Alumni Association is well into its new program. Chapters will be established in every town or area with enough graduates and former students to warrant it, it was revealed by the alumni central office here today.

The idea behind the move, according to Director Max Dodge, is to get a closely knit statewide organization that will be able to serve the association members and the university. Formerly, there has been no means of coordinating activities on the local level.

These active chapters will not only enable the alumni association to carry out its functions better, but will give alumni in and out of the state an opportunity to get together occasionally to discuss former days on the hill. It will also give every member a voice in all alumni affairs.

Lincoln County's new chapter was chartered February 115 in Caliente with nearly 30 charter members. The charter was presented to the new president, Kathryn Duffin, by Director Dodge. Some 40 alumni and guests were in attendance.

On February 25, with alumni president Walter States, football coach and director of athletics, Joe Sheeketski, and Dodge making short talks, an official charter was presented to the Churchill County chapter at a meeting held in Fallon. Ira Kent was elected president, with other officers to be chosen at a subsequent meeting.

Within the next few months chapters are to be set up in several other Nevada and California cities. Felix Turrillas is working on Lovelock, Pete Kelley on Carson City, Emory Graunke on Gardnerville, Ed Reconzone with Yerington, and Dorothy Balaam in Sacramento.

A meeting has already been held in Ely. During the University of Nevada-Idaho Southern boxing matches there about 60 alumni and guests discussed a chapter. A committee was appointed to compile a list of names to be contacted

for a subsequent get-together. This meeting will be held March 24.

In addition to the chartering of new chapters, those which have already been established are holding meetings to re-activate and sign up new members. On February 71, in Las Vegas, just before the Nevada-Loyola basketball game, a short meeting of alumni was held at the Elwell Hotel. A committee was appointed with representatives in Las Vegas, Boulder City, Henderson and the Moapa Valley to compile a list of all known alumni in southern Nevada. A meeting will be held of these people in the near future.

Chapters of Winnemucca and Elko will have meetings on the same weekend when a large delegation of university athletes, alumni and faculty representatives will leave from Reno on Friday afternoon, March 31, for a visit to the two organizations.

Friday night the delegation will meet with the Winnemucca chapter and Saturday night, April 1, with the chapter in Elko. At the meeting in Elko, the alumni of the Wells, Deeth, Montello and Wendover area will either charter a chapter of their own or become part of the Elko County organization.

This organizational program will then continue to other Nevada cities until every group of alumni is chartered or set up on a workable basis.

### WHO CAN JOIN?

Clearing up once and for all the old question of who is eligible for membership in the Alumni Association, President Walter States stated today that not only were all Nevada graduates free to join, but, anyone who ever attended the university for as much as a semester or summer session was entitled to its full privileges.

## 'Family Rate' Now Available For Nevada Grads

There's a new "family rate" for membership in your Alumni Association. Usual yearly dues as you know, are three dollars. Now if both members of the household wish to join, they can do so for a combined total of five dollars.

This action was taken by the executive committee at its regular meeting last month. It was felt that under the new expansion program, wherein each member of the association is going to be able to vote on key issues, that it would be advantageous for both members of the family to carry memberships.

### Meeting Schedule

#### White Pine County

March 24 in Ely. To discuss formation of a chapter. To embrace Ely, Austin, Eureka, Kimberly, Ruth, McGill, East Ely, and all other areas in that territory. Person to contact, Boyd Smith at the post office in Ely.

#### Winnemucca, Nevada

March 31 in Winnemucca, Nevada. To reactivate the present chapter. Includes Battle Mountain and all of Humboldt County. Person to contact, President Kirk Day or Secretary Yvonne Siard in Winnemucca.

#### Elko, Nevada

April 1 in Elko, Nevada. To sign up new members, adopt a broader program, and to elect new officers. Includes Elko, Carlin and surrounding areas, Wells, Deeth, Montello, Wendover and other nearby areas will also take part and form own chapter or become part of the Elko County group. Person to contact, Doug Trail or Paul Seaborn, Elko; Keith Gregory, Wells.

#### Douglas County

April 4 in Gardnerville or Minden. To discuss formation of a chapter. To include Minden, Gardnerville and surrounding area. Person to contact, Emory Graunke or Mrs. George Henningsen, Gardnerville.

#### Carson City

Date to be announced, in Carson City. To discuss formation of a chapter to include Carson City, Virginia City, Dayton, and surrounding area. Person to contact, Pete Kelly, Carson City.

## Monthly Lunches New Activity of Bay Area Group

Monthly luncheons for Nevada men is the new activity of the University of Nevada Bay Area Alumni Association. The bay area group was chartered September 17, 1949, at a dinner meeting in San Francisco.

Chartered members were hosts to more than 500 Nevadans who attended a get-together before the St. Mary's-Nevada game in the bay city last October 1.

A similar event is already scheduled for this fall.

The stag luncheons are slated for the last Friday of each month at 12 noon at the Seven Eleven Restaurant, 711 Market Street, San Francisco. All alums and former students are welcome, according to Perry Carlson and Joe Radetich who are in charge of these affairs. No reservations are necessary.

President of the bay area association is Lola Stoddard Philhower, class of '39. Judge Frank Norcross, retired federal jurist now residing in the bay area, and oldest living alumnus of the University of Nevada, was unanimously acclaimed honorary president.

Perry Carlson, class of '42, and now an Oakland resident, is vice-president. Frances Larragueta of San Francisco, class of '42, is secretary-treasurer, and Graham T. Kislbury, class of '33, and a San Mateo resident, is chairman of publicity.

Those on the membership committee are Joe Radetich, class of '38 (San Francisco), Craig Moore, class of '38, and Evelyn Pedrol, class of '24 (both east bay), Helen Montgomery, class of '35 (peninsula), and John Harlan (Sausalito).

Guests of the association at the charter dinner were Col. Gilbert E. Parker, acting president of the university, Rex Daniels and William Blakely.

## Ira Kent Elected First President Of Fallon Alumni

Over 30 alumni and guests gathered at the Sagebrush Cafe in Fallon, February 25, to begin the signing of charter members for the Churchill County chapter of the university alumni association. The group elected Ira Kent as its first president and then voted to wait until more alumni could be signed as charter members to select the vice-president and secretary-treasurer. Anne Gibbs was elected to temporarily fill the latter post.

Guests for the event were Alumni President Walter States, Alumni Director Max Dodge, Football Coach and Director of Athletics Joe Sheeketski, and Manager of the Churchill County Chamber of Commerce, Bill Petherbridge.

Ira Kent conducted the meeting, calling on the guests for short talks. Sheeketski reviewed the athletic set up at the university and answered questions. States was introduced and gave the views and aims of the alumni association. He introduced Dodge who conducted the meeting until the election of Mr. Kent.

Kent appointed a committee to contact all alumni of the area to become charter members and to attend a subsequent meeting to elect the rest of the officers.

# Silent Screen Stars to Be Revived In ASUN "Old Time Movie" Program

The "old time movie" program sponsored by the ASUN, will get underway Sunday evening at 7 with the showing of an early film in the education auditorium.

Ancient movies starring Ben Turpin, Charlie Chaplin, Fatty Arbuckle, and Keystone cops will be reeled off on alternate Sundays, according to Dwight Peterson, chairman of the program.

Price has been set at 25 cents per person.

Later pictures, such as "Abilene Town," "That Hamilton Woman," and "The Other Part of the Forest" will be shown on intervening Sundays. Selected short subjects will be shown with each film.

A serial thriller, "The Green Archer," will also be shown with the films. Programs are planned to last one and a half to two hours.

Pictures have been ordered to provide a 12-week series, which will end May 28.

The Sigma Pi fraternity have nine eligible men. They are Les Thran, Ron Whipple, Stan Arnold, Jim Lynch, Richard Piccinini, Ronald Hancock, Gordon Pflug and Bill Johnston.

Tentative list of Theta Chi initiates (not approved by dean of men's office as yet) are Serge Neusbaum, John Cowley, Bruce Krater, Chuck Haines, Gene Garriott, Willard Esplin, Ewald Pzyel, George Miles.

### NANCY ROLPH PINNED

The pinning of Nancy Rolph, Theta pledge, and Ted Lokke, SAE, was announced at a Kappa Alpha Theta meeting Monday evening.

### Walter Clark Books In Congress Library

Walter Van Tilburg Clark, 1931 University of Nevada graduate and now a nationally famous author, has had the manuscripts of his two latest books put on display in the Library of Congress in Washington, D. C.

Mr. Clark is the son of a former University of Nevada president, Walter Ernest Clark.

The two books in the Library of Congress are "The Track of the Cat" and "The City of Trembling Leaves."

Clark now makes his home in Virginia City. His first well-known book was "The Ox-Bow Incident," published in 1940 and later made into a motion picture.

### MARJORIE YETTER PINNED

Marjorie Yetter, 1949 candidate for Homecoming queen, is now wearing the Theta Chi pin of Eppie Johnson.

# SDX Ranks High In National Test

The University of Nevada chapter of Sigma Delta Chi, professional journalistic fraternity, ranked 12th among 43 chapters in the fraternities 1949 professional achievement contest.

A report from the national office, received on the campus this week, shows that only one far western chapter outranked Nevada.

Chapters in many of the largest schools of journalism in the country were below Nevada on the list.

The contest is based on the percentage of men initiated by each chapter during the last five years who are now engaged in journalism as defined by the fraternity. This does not include advertising or the business side of journalism.

Bothersome onlooker: What a glorious painting. I wish I could take those lovely colors home with me.  
Applied Arts Student: You will. You're sitting on my paintbox.

VINEGAR VIGNETTES: The college couple, in padded shoulders and strapless—blase, mature and bored—and aloft in the Mapes, and the waiter said, "What'll it be kids?" . . . The short story hanging on the front of the Wolf Den's cash register by the free phone, "Will the party who called Amelia Ralph of Los Angeles kindly see Rose or Joe?" . . . A man can take just so much. So instead of trying to lecture above the din of wind-rattled windows, Dr. Webster simply dismissed his sociology class Thursday. . . . The absolutely uncracked dictionary, on second-hand sale in the bookshop, 140,000 words and Stan Heath's signature, for only \$3.00.

THAT LASTING PAST: With nostalgia (or nausea) the marryingist justice in 17 counties, Laurance Layman, may remember this little poem written about him during his term at the university in the 20's. "To say that young Layman is fat, is a platitude take it at that. In checkers or glee . . . he'll receive his degree . . . you can put this right under your hat." For the same hat, include that he averaged a marriage every 40 minutes in 1949 . . . and that's a lot of checkers . . . and glee! . . . Thirty years before this, a cryptic message appeared under SeSnator Pat McCarran's picture in the Artemisia. "I never spoke one word of love to the school mistress in the course of all these pleasant wilks" (?) . . . and that undoubtedly took plenty of will power. . . . If the roaring 20's alumni returned to the campus today, they'd see a single but vivid shadow of the past. . . . Don Thompson's little red wagon. Teapot radiator cap, "women only" type signs, odd sounding horns; all as out of place now as raccoon coats, hip flasks, flappers, ukeleles (he has one).

BLUSH PILE: Two bedside thrillers, "The Electrolytic Reduction of Molybdates from Aqueous Solution" by Jerome Seim, department of chemistry, and "Ultraviolet Absorption Studies of Olive Oils, Cottonseed Oils, and Their Mixtures" by Robert J. Morris, same department, will be or have been published. Not recommended for children . . . or for that matter, most adults. (No offense, gentlemen. We thought "Forever Amber" was too technical.) . . . North Texas State had a surprise spelling contest in its journalism department recently. Out of 500 words, least missed was 20. Most missed, 235. Ther's no xcus four a theng lik thet. . . . One Nevada prof has coined a word which is more socially

acceptable than its more vivid predecessor. Robertino. Figure it out.

KAPUT: The age bracket of 18-24 drives only one-fifth of the nation's vehicles. But, not to be outdone, this bracket manages to rack up one-third of the traffic casualties. . . . Figure this out on your slide-rule. As a future diplomat, your cold-war enemy tells you in the conference room, that unless you surrender in 24 hours, his country will detonate hydrogen bombs in 40 major cities of the U. S. He may be kidding. On second thought, he may not be. You have 24 hours to find the bombs. They are small enough to be in someone's bedroom closet. They are powerful enough to obliterate the whole of New York, Chicago and San Francisco . . . and 37 other cities. Well? . . . Do something.

SHORT SPORTS: Chicago, March 7 (UP)—A former prep football star, sued by Michigan State for payment for food, lodging and education, said today he did not receive enough money from "athletic scholarship" jobs to pay his school debt." Michigan is a long way off, but that strikes awfully close to home. . . . The Harlem Globetrotters, who mercilessly outplayed and ridiculed other basketball teams for 113 games (Example: the two games here), were mercilessly outplayed and ridiculed by the Minneapolis Lakers . . . 73-60 . . . and clown price Tatum . . . cried. . . . The Nevada Alumni Association, without half trying, got a terrific return on their Block N Brochure requests for athletic funds. It appears quite possible, that the next time the hat goes around, with a little pushing, there would be amazing results. And president Walt States and secretary Max Dodge are the guys that can push.

## Young Republicans Appoint Chairmen

The Young Republican Club at its meeting last Tuesday at the State building divided the city into five districts and appointed a chairman for each of these districts. The purpose of this division is to assure precinct representation at the county convention next month.

Bruce Roberts was appointed chairman of district one; Ralph Casazza, district two; Cap Johnson, district three; Jerry Davis, district four; and Ed Tozylowski, dis-

trict five. These men will form committees within their districts and work towards a stronger precinct organization.

Regular meeting time of the Young Republican Club has been set as the first and third Tuesday of each month. Enrollment in the club has increased from eight members at the first meeting to 26 at the second, and to 45 at the meeting held last Tuesday.
