## Nevada Band Is Organized; New Director

The University of Nevada band will be reorganized for the balance of the spring semester as authorized by the university administration. It will be under the direction of Mr. N. A. Tinkham, director of the Reno municipal band, who will serve as temporary leader for the university organization.

Mr. Tinkham was the director of the Reno air base band during the war and has played and sung in many musical groups in Reno. He is well known in this city for his interest in all orchestra, ensemble, and band groups.

The first meeting of the university band will be Tuesday at 4 pm in the band room and will continue to meet at that hour on Tuesdays and Thursdays for the remainder of the semester.

Those enrolled in band this semester will be joined by several players from the university ROTC and volunteers from the campus at large.

## OPEN FORUM

An open forum on the athletic situation at the University of Nevada will be held this coming Thursday at 7:30 pm in the Education building auditorium.

Speakers will be Harry Frost, chairman of the Board of Athletic Control; William Miller, chairman of the finance control committee, P. O. Reimer, ASUN president; Dr. Ernest Inwood, chairman of faculty fact-finding committee; and George Southworth, Jr., head of the Downtown Boosters. Each will be limited to 12 minutes.

Students are urged to attend and take part in the discussion.

## APRIL 1 DEADLINE ON SENIOR RINGS

All juniors and seniors who wish to order class rings must do so by April 1, announced Bob Vaughn, who is in charge of the sale of rings.

Members of the class of '50 and '51 are eligible to buy the rings this year. Orders should be placed with Bob Vaughn at Lincoln Hall.

## Prof-Dads Party Held by Tri-Delts

The annual professors' and fathers' party was held by Delta Delta Delta last night at the university dining hall.

Jean Pardi was in charge of entertainment for the party. Fathers of the girls and university professors were in attendance.

## An Editorial

### TROUBLE AHEAD

That letter sent to the Board of Athletic Control by unanimous approval of the Finance Control Committee last week has caused some serious concern.

The letter stated that through the ASUN constitution the Finance Control Committee was vested and charged with the power of controlling ALL ASUN FINANCES. It further stated that if the ASUN committee was to do its job properly then it must ALSO approve budgets for sports such as football which it has NOT been doing. The letter implied that the committee's "rubber stamping" days are gone.

The committee cited Article IV, Section 3, paragraphs a, e-1, and e-6, to prove its point. These articles state:

(a) "The full control of all ASUN finances shall be vested in the Finance Committee".

(e-1 "It shall be the duty of the Finance Control Committee to have in its charge and to control the Administration of all ASUN finances".

(e-6 "It shall be the duty of the Finance Committee to approve the budgets of all ASUN organizations which earn money or use ASUN Money . . . ."

Trouble looms up for somebody. It seems as though the BAC has almost the same power. Under Article V (of the same ASUN constitution) section 4, paragraph g, it states:

g "The Board of Athletic Control shall approve or disapprove all budgets for intercollegiate athletics and to have complete supervision over all expenditures made from such budgets".

Seeing as how the constitution gives almost identical authority to each of the groups, a special joint meeting of the BAC and Finance Control Committee has been set for Wednesday to iron the difficulty out. It seems now that the only solution to straighten the matter is through the Executive Committee of the ASUN. They have the authority and duty to do just that (Article III, Section 6, paragraph b-4).

Originally the BAC was set up as an "arm" of the ASUN. Somehow that arm has picked up a big "club" during the last ten years and has decided to do a little swinging. Whether it has a "legal" right to do so will probably be solved Wednesday by the Executive Committee.

It doesn't seem proper conduct to us, however.

If the Finance Control Committee is to CONTROL THE ADMINISTRATION OF ALL ASUN FINANCES—THEN IT MUST HAVE THE POWER TO APPROVE EVERY BUDGET, INCLUDING FOOTBALL, AND NOT BE JUST A "RUBBER STAMP" FOR ITS OWN RIGHT ARM. (G. M.)

## Gamma Phis Win Scholarship Cup

Pat Fee, Pan-Hellenic council president, presented the Pan-Hellenic cup to Gamma Phi Beta sorority for maintaining the highest scholarship for the fall semester of 1949.

Two scholastic awards were made Tuesday night at the Associated Women Students' get-together and banquet. Formerly known as the AWS bean feed, the annual event was called Coed Capers this year.

Elaine Mobley, dean of women, presented to Delta Delta Delta sorority the improvement plaque for achieving the greatest scholastic improvement.

Sorority	Actives	Pledges	Avg.
Gamma Phi	2,755	2,189	2,535
Tri-Delt	2,659	2,496	2,581
Pi Phi	2,524	1,025	2,351
Theta	2,334	2,084	2,233

Sue Broadbent of Ely, retiring AWS president, acted as mistress of ceremonies for the evening. Entertainment arranged by Patti Jones and Barbara Smith included a novelty act by Donna McGowan, monologue by Joan Foster, Hawaiian songs by Mike Dwyer and Lani Holt, and a soprano solo by Doris Mack.

Honored guests for the evening included Elaine Mobley, dean of women, Jeanette Rhodes, registrar, Mrs. Gilbert E. Parker, wife of acting president Parker, and women faculty members.

The six candidates for AWS presidency presented their qualifications.

## Marnie Miller Elected AWS President

Marnie Miller, Delta Delta Delta, was elected president of the Associated Women Students for 1950 in the general election held Thursday.

Lois Bates, Pi Beta Phi, will assume the duties of vice-president.

Marnie Miller, Lois Bates and June Holmes came out on top in the primaries held Thursday. The contestants were June Holmes, Terry, Alauzet, Jeanne Fulstone, Rose Oyerbide, Marnie Miller and Lois Bates.

The new AWS president's first duty will be representing the university at the national AWS con-

vention at Norman, Oklahoma. She will leave April 2.

### MACKAY DAY BEARDS

Eppie Johnson, Mackay Day chairman, said today all men who are to be excused from beard growing must have an excuse on official stationery from their employer and turned in at the ASUN president's office by next Wednesday.

Practice teachers must be excused from their faculty supervisors. Johnson slated the next Mackay Day committee meeting for Thursday at 4 pm in the ASUN building.

## Who Holds the Purse Strings is Question

### Combined BAC, Finance Control Meet Slated Wednesday for Interpretation

By WALT MacKENZIE

Solution of at least part of the many sided athletic situation here at the university may hinge on a combined meeting of the finance control board and the board of athletic control, planned for next Wednesday afternoon.

The question to be discussed at this combined meeting is "Who holds the purse-strings in ASUN athletics, and who will hold them in the future?" Each board has adopted a different interpretation of the ASUN constitution, regarding control of athletic funds.

### 'Rubber Stamp Out'

It is the opinion of the finance control board, as indicated by their letter to the board of athletic control last week, that they intend to represent student interests by abandoning the "rubber stamp" action of the past few years, and analyzing carefully all athletic budgets and appropriations before approval. Since this board has a majority of student representatives (three students and two faculty members) they are able to express student control over budgets.

The question arises, however, whether these students, and the students on the board of athletic control, who will hold office for only a short time, are able to understand and handle the ins and outs of "big time" athletics.

The only group on campus actually able to interpret the constitution in its strict legal sense is the executive committee. At the present time they have not yet been called upon to decide upon the so-called "conflicting" sections of the document.

### Impasse

An involved discussion last Wednesday, between the finance control board and the graduate man-

ager representing the board of athletic control resulted in a virtual impasse. Nothing definite can be decided until the two boards get together and thrash out the whole problem.

Only two possibilities loom clear through the athletic "fog." Either the finance control board holds its restraining powers as laid out in last week's letter giving dual control over athletic spending, or, the board of athletic control handles all athletic spending as was the case during the "rubber stamp" era.

It has been suggested that should the latter be the case that the athletic control board be redesigned. In schools such as Santa Clara, an athletic control board, run as a business venture by business men, has worked very successfully. Voting members of the present board include an alumnus, two faculty members and two students.

The board of regents, who are also involved in this athletic "fog" remain non-committal until the faculty fact-finding committee appointed by them has submitted its report. This board is investigating and comparing conditions at other schools with those existing at Nevada. It has been said that the findings of this board and its recommendations are the "key" to the whole athletic situation. Many pertinent facts heretofore undisclosed will be revealed by the report of this committee which is tentatively due to be presented to the regents April 15.

## Phi Kappa Phi Elects Twenty

Twenty students were elected into Phi Kappa Phi, national honorary scholastic society, Thursday afternoon, according to Dr. Frank Richardson, secretary of the fraternity.

Those elected to membership were:

- Nooney, Grove Crawford
- Lindesmith, George.
- Miles, Chas. Henry, Jr.
- Bray, Mark.
- Richardson, Albert E.
- Tonning, Kristian.
- Krause, Otto.
- Reimer, Paul O.
- Huck, Charles Ellis
- Johnson, Noel William
- Burgemeister, Dean Cleo.
- Holland, Richard James
- LeVitt, Ralph Richard.
- Blackham, Thomas J.
- Halfacre, Dorothy
- Payne, Phillip Wallace.
- Vandenberg, Richard.
- Wirsching, Joseph Edward.
- Read, Robert.
- Smart, Andrea.

Phi Kappa Phi elects members each semester. The people are selected from seniors who have maintained a 3.20 average or better for three years.

Initiation will be held in the Agriculture building, room 109, Tuesday at 7:30, according to Dr. Richardson.

The Hon. Albert Hilliard, Uni-

versity of Nevada regent, will deliver the address.

The public is invited to attend the affair honoring the new members.

## Large Crowd Sees Shirley Hodge Crowned 'Queen'

A large crowd saw Shirley Hodge crowned by Governor Vail Pittman as queen of the Military Ball. The dance, sponsored by the Scabbard and Blade society, was held in the Mapes ballroom at the Mapes Hotel last Saturday night.

Merle Snyder and his orchestra provided the music for the dance, which was held in the theme of unification.

Honored guests included Governor Vail Pittman of Nevada, Mayor Francis Smith of Reno, Mayor Vern Hursh of Sparks, and Colonel Gilbert Parker, acting president of the University of Nevada.

### NOT CENSORED

It's time to get something straightened out!  
Too many people on this campus are under the impression that the University of Nevada Sagebrush is a tool of the administration.

It isn't so.  
We have fought that opinion week after week through personal conversations with people in doubt . . . but it seems our oral arguments are useless.

Maybe something in black and white such as is put here will help. We don't know . . . but are going to try!

The 'Brush is' a student newspaper controlled only by the ASUN Publications Board and that control is limited to policy setting. Even the board, composed of three students and one faculty member, has NO RIGHT to dictate what shall or not be printed in the Sagebrush.

Nor does the faculty ever get away with dictating, intimidating, or influencing.

Nor does any member of the administration, including the president of the university, the head of the department of journalism, and the graduate manager, do the same. And we could go on and on and cite the many other groups and individuals which have been accused of having control.

We are proud of being a free and uncontrolled newspaper. We print what we think the students want to read. And, we might add, we are always open to suggestions. Student opinion is our opinion.

When the 1949-50 school year started last September we were well aware that the average student was NOT INFORMED as to the operation of his student newspaper. Our first editorial was much the same as we are writing here—an explanation of how we operate. We thought once was enough, but we were wrong.

One way every student can voice his or her opinion in this publication is through a LETTER TO THE EDITOR. We haven't refused to print one yet, and we won't in the future (an exception of course would be a letter that is libelous).

Now that we have cleared the air somewhat (we hope) we feel that our duty is done.

It's in black and white . . . Again! (G. M.)

## High School Speech Tournament Set For U of N Campus

The Nevada State High School Forensic Tournament will be held on the University of Nevada campus April 28 and 29, according to a statement issued by Professor Gale L. Richards, of the university speech department.

Although the tournament this year will be of only two days duration, Professor Richards says the schedule will include as many forensic events as has been customary during the past few years. He added that the usual banquet will be held Saturday evening, April 29.

According to information already received by Professor Richards, two southern Nevada schools have indicated they will attend the tournament, while interest has been shown by several western Nevada forensic coaches. Other high schools throughout the state will be contacted within the next week or so.

## Letter to Editor

5005 Cahuenga Blvd.  
North Hollywood, Calif.  
March 11, 1950.

Mr. Gene McKenna, Editor  
U of N Sagebrush,  
Reno, Nevada.

Dear Mr. McKenna:

The January 27 copy of the U of N Sagebrush which you sent to me at Palo Alto was forwarded to southern California where I have lived since September. I have enjoyed reading every bit of it and especially the article about Dr. J. E. Church, who was my latin professor in the early days of his career. I will remember his trips to snowy Mt. Rose. It is most pleasing to hear that he is in good health and still carrying on his interests.

Upon visiting the campus two years ago I was impressed by its beauty and fine buildings—a vast contrast to the barren hill of my college years.

It has always been my lot to be sort of a pioneer, even now I am living in a newly built-up part of the fast growing southland. I have not minded it, in fact it is interesting and pleasant to be a part of progress.

Thank you for remembering me.

Sincerely,  
Mr. Ida Holmes Hays,  
Class of 1900.

## Journalism Majors Giving Newscast Weekly Over KOH

For the last month, advanced students in the journalism department, interested in the radio aspect of journalism, have presented a news broadcast from radio station KOH.

The program can be heard at 5:20 on Friday evenings, and contains news that is of interest to university students.

Material for the program is supplied by the news gathering and writing class, and is prepared for the air by Mr. Janulis' radio journalism class.

Newscasters include Bill McFarland, Mark Curtis, and Harry Spencer.

“Why do they call you ‘Tex’ when you were born in Pennsylvania?”  
“I’m from Shamokin. Think I wanna be called ‘Schamo’?”

Senior: How about a battle of wits?

Soph: Sorry, I never attack an unarmed man.

## Lash Receives Psychology Diploma

Dr. Frederick M. Lash, lecturer in the school of education, has been granted a diploma in clinical and abnormal psychology from the American Board of Examiners in Professional Psychology, Inc.

The announcement was made today by Gilbert A. Parker, president of the University of Nevada.

Dr. Lash received his A.B. degree from Pennsylvania State Teachers College in 1911, the A.M. degree from the same institution in 1926, and the Ph.D. degree from the University of Washington in 1934.

Before coming to the University of Nevada, Dr. Lash was superintendent at the Rainier, Washington State School.

## Lambda Chi Alpha Initiates Thirteen

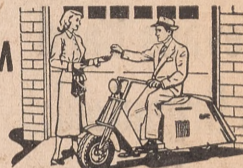

Lambda Chi Alpha initiated 13 men Sunday evening and honored them with a banquet at the Cedars immediately following the degrees. Dr. J. E. Martie was the speaker at the dinner.

The names of those initiated are Duke Allen, Robert Beamish, William Cockrell, Donald Eckles, John Harris, Earl Jarret, Jack Luwe, Gerald Shreve, Frank Sala, James Skinner, Lloyd Skinner, Jerry Stanford and Joseph Stefani.

### Contemporary Art Draws Only Small Group in Two-Week Campus Exhibit

By BEVERLEY JONES

"It's too bad the students of the university and the people of Reno bypass the cultural opportunities afforded them here at the university," said J. Craig Sheppard, assistant professor of art.

The recent exhibit on contemporary art displayed in the art department exhibit room has been attended by only 150 people in the last week. Mr. Sheppard says that an opportunity to see some of the most interesting contemporary work in the country is being neglected by the people of the town and the university.

"This exhibit comes to us through the American Federation of Arts, of which we are a member, and has been shown in the art museums in Cleveland, Chicago, New York, and Philadelphia," said Sheppard.

"It is no amateur show that comes to us merely because no other art museum will show it. This exhibit includes the work of some of the outstanding artists of our day, among them Stephen Greene who was featured in an article in the March 20 issue of Life magazine about 19 contemporary artists.

Showing 59 contemporary drawings from preparatory to finished drawings and water colors, the exhibit has been on display for two weeks and closes today.

### Sigma Pi Frat Holds Initiation

Sigma Pi of the University of Nevada held its initiation last Saturday at Lake Tahoe in the summer home of Gordon Johnson, University of California Sigma Pi member.

Initiated under the direction of President Bill Dobbs of California's chapter were Pat Culver, Les Thran, Dick Piccinini, Stan Arnold, Ronald Hancock, and Gordon Pflug.

Also officiating at the ceremony was the Nevada colonies president, Al McFadden, and other California chapter members.

### Two Cash Prizes Offered for Essay

Two prizes of \$100 each will be awarded to the winners of the Francis P. Whitehair essay contest, which is now open to undergraduates at the university.

Topic of the essay must be "Woman's Place in Politics and Government." Contest rules stipulate that one prize must go to a woman, and the other to a man. The winner must be a regularly enrolled student.

All entrants must notify Professor Loring Williams, chairman of the committee on scholarships and prizes, before April 4. Completed manuscripts must be submitted for judging May 16.

The contest is sponsored by Francis P. Whitehair, Deland, Fla., businessman.

### Eight Nominated For Blue Key; Approval Waited

Eight persons were nominated by the local Blue Key fraternity and sent to national headquarters for approval, George Vuvanovich, newly-elected president, said.

The men have met the necessary requirements of the organization and if approved by the national will become members of the local organization.

In order to become a member of the honorary society, one must have a certain number of hours in campus work and activities.

New tryees for the organization were present at a meeting Thursday and were instructed as to the requirements of the organization.

Sweet Young Thing: "Mama, come here and make Harold stop teasing me."

Mama: "What's he doing, dear?"  
S. Y. T.: "He's sitting at the other end of the sofa."

### Displaced Student Fund-Enlarging

Almost half of the \$1500 needed to bring a displaced student from Europe to the University of Nevada has already been raised.

Mrs. Marjorie Dickinson, director of the university YWCA, which is helping sponsor the project, said that \$705 has been collected to date.

The money is being collected in order to finance the studies of a displaced student at the university. Idea behind the plan is to help further world friendship, Mrs. Dick-

inson said. A woman graduate student has been asked for, since the two groups sponsoring the project are both women's organizations. Working together on the plan are the university YWCA and various Nevada chapters of the American Association of University Women. The latter group is made up of former university women students.

Mrs. Dickinson said that the \$1500 amount was approximately what it would cost to send a student

through school here for one year, including the summer session.

Many organizations have already contributed to the cause, it was reported. Those who have donated gifts are the University of Nevada, the state AAUW group; the Reno, Elko and Carson Valley chapters of the AAUW; Reno Federated Church; Reno Jewish Church; Reno Lions Club; and Delta Kappa Gamma, local woman's honorary group.

Mrs. Dickinson said that she did not know who the student would be. Final arrangements are still pending, she pointed out.

## University Function Chart Planned

A chart showing the functions and relationships of all University of Nevada departments and activities will be prepared in the near future.

To aid in the preparation of this chart, Colonel Gilbert E. Parker, acting president of the university, has asked all standing committees, boards and councils, as well as the comptroller, the treasurer, the director of admissions, the registrar, the deans of men and women, the librarian, the health officer, and the curators, to submit reports showing the objectives of their department, and the authority under which their department was set up.

Also submitting these reports will be all academic departments and schools, the three colleges, the summer school, and the public service divisions.

The material will be used for future study, for preparing budgets, and to aid the board of regents in their biennial report.

It will be completed April 1.

## Frat Pamphlet Being Planned

The inter-fraternity council of the University of Nevada has proposed the publication of an information pamphlet which will give a clear picture of all the Greek letter houses on the hill.

The publication, which will be financed by the fraternities, is up for authorization vote at all of the houses now, and the results will be known within two weeks, said "Ham" Prugh, inter-fraternity council president.

The proposed eight page pamphlet will include such things as an estimate of the cost per year per man in the University of Nevada fraternities, and will give a picture of the life in them. Also, it will probably contain a letter from the dean of men, Dr. Robert Griffin, and one from the president of the university, Colonel G. E. Parker.

The pamphlet, to be published once a year if authorized, will include a map of the university with the location of the houses, and, too, will give a bit of the history of each house.

## New Scholarship Established Here

A scholarship named after Helen Heffernan has been established at Nevada by the California Supervisors Association. A graduate of Nevada Normal School, and a former teacher of an elementary school in Goldsboro, Nevada, Miss Heffernan is now state director of elementary education in California.

A gift in the amount of \$300 is to be awarded annually. A loan not to exceed \$1000, payable back without interest over a four year period, is available also.

## Mormon Society Pledges Students

Thirty-five new members were pledged to the University of Nevada chapter of Lambda Delta Sigma, national Mormon fraternity affiliated with the institute of the Latter Day Saints Church. Most of the new initiates were members of the Banyan Club, organized this fall and dissolved to become a chapter of Lambda Delta Sigma.

According to Walter Long, president of the Banyan Club, this organization was started in September with Charlie Pulsipher as vice-president, and Elaine Alldredge, secretary-treasurer. The club did not hope to receive its charter this year to the national fraternity, but did receive it last month.

Initiation for the group will take place in April after each has fulfilled the requirements for initiation. The Berkeley chapter of the fraternity from the University of California will install the Nevada chapter. Dr. Eldon Wittwer, director of resident teaching in agriculture at Nevada, is the fraternity's advisor.

## Sigma Delta Chi Asked to Open NSPA Conventions

The Nevada State Press Association passed a resolution last week providing that Sigma Delta Chi, national professional journalistic fraternity, officially open the association's convention each year with an informal dance and a roundtable discussion.

The proposal was made by Mr. Peter Kelley, of the Carson City Appeal, following a dinner meeting given last Friday by the society, to which press association members were invited.

The meeting featured a roundtable discussion of editorial problems in theory and practice. Jon Milburn, undergraduate Sigma Delta Chi president, acted as toastmaster.

Special guests included Justus Craemer, president of the California Press Association; Neal van Sooy, past national president of the society and present chairman of the executive council; Paul Gardner, of the Lovelock Review Miner; John and Art Souverkrup, of the Gardnerville Record; Clude Smith, of the Fallon Standard; and Pete Kelly, of the Carson City Appeal.

Posing for the cameraman shortly after being crowned is "Queen" Shirley Hodge, elected by ROTC men to reign over the Military Ball last weekend, and four of the candidates with their escorts.

From left to right: Top row, Ted Scripps, "Queen" Shirley Hodge; middle row, Kenny Bradshaw, Berliem McCray, Mimi Howell, and Harold Hayes; bottom row, Gene Waite, Cathy Lancaster, Carolyn Pickens, and Will Rogers. (Missing candidate is Sharon McPartland.)

## YWCA Hears Merchant Speaker

Mrs. Cuba Wheatley, proprietress of a downtown gift shop, spoke on dinner and crystal ware before student members of the YWCA at a luncheon meeting Wednesday.

This is the second in the series of talks by Reno merchants concerning table settings. The first covered silverware.

Next week the program will feature suggestions on how to give a bridal shower.

## Advisor Appointed

Father Willy Price, advisor of the University of Nevada Newman Club, has been appointed to the summer school staff of the Catholic University of America's extension course at Dominican College, San Rafael, Calif.

### Tonight's Sophomore Dance Begins Weekend Social Whirl for Campusites

A little bit of Old Bohemia will provide the setting for the sophomore dance to be held in the old gymnasium from 9-12 o'clock tonight. Len Savage, dance chairman, said that entertainment from downtown would probably be on hand and that admission to the dance will be 50 cents stag and 75 cents drag.

Bill Sorenson and his orchestra will provide music for dancing.

Professor and Mrs. Ernest Inwood and Mr. and Mrs. Art Broten will chaperone the affair.

#### Greeks

Kappa Alpha Theta will entertain their dates at the chapter house Saturday night for their spring pledge dance. An Easter theme will be featured, said Marilyn Humphreys, social chairman. Jac Reading and his orchestra will play for the affair. Chaperones include Professor and Mrs. Jensen, Professor and Mrs. Hutcheson, and Mrs. Aucham-paugh.

The Nevada Game Farm will be the scene of the Sigma Rho Delta's dance, also Saturday night. Music for dancing will be provided by Larry Chapman and his orchestra. Mr. and Mrs. G. McCrossen and Mr. and Mrs. Art Broten will chaperone.

### Complete Lunch Soon Available At Coffee Shack

Beginning next week the students at the University of Nevada will be able to have lunch in the student center in Stewart Hall.

Mrs. Mary Duke announces that cold plates and salads will be served during the lunch hour. There will be vegetable salads, cottage cheese salad, and two or three others to choose from and various cold meats and sandwiches. She promises the students a complete lunch.

A few of the students have purchased the cold plates at the center this week, but due to limited refrigeration space for the food the center has not been able to serve all the students.

A new refrigerator will be installed by Monday and lunches will be served Tuesday. The lunch hours will be from 11:30 to 1 pm.

### Tree Surgery

The president's lawn was the site for a short talk on tree surgery last Wednesday afternoon. The talk was given chiefly for those faculty members who own their own homes, and for those interested in campus beautification.

### SEVERAL QUAKES Fifty-Three to Take Audio-Visual Tour NOTED MONDAY

Eight earthquakes were recorded by the university seismograph Monday. The first came at 7:23 am, and was recorded by the equipment in Mackay Science Hall.

"It was a pretty good shock, but not a destructive one," said Vincent P. Gianella, chairman of the department of geology.

At least seven or eight shocks followed the initial one; the biggest shock came at 2:43 pm Monday.

The old seismograph in the Mackay School of Mines registered the earthquake with such intensity that the needle did not record accurately, according to Professor Gianella.

The center of the earthquake was figured to be at least 118 miles northwest of here.

"Do you think you could be happy with a man like me?"

"Perhaps. If he wasn't too much like you."

Fifty-three students in audio-visual education will take a two day field trip to San Francisco next month, to study audio-visual methods in the Bay area. It will be the fifth group to make such a trip from the University of Nevada.

The class, under the supervision of Dr. Paul Jensen, will visit the Training Aid Center at the naval base at Treasure Island. The station's training facilities make it the largest institution of its kind in the world.

Side points on the tour will include trips to North American Hall, Golden Gate Park, African Hall, the aquarium and the zoo, Fisherman's Wharf, and various laboratories on the campus of the University of California.

### Major Roy Carlson, U. of Iowa, Training Executive, U.S. Air Force!

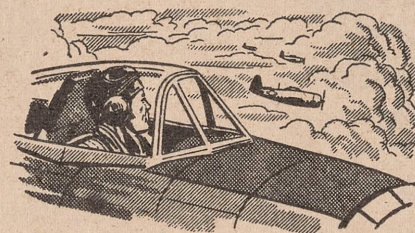

Born in Red Oak, Iowa, Roy graduated from Thomas Jefferson High School at Council Bluffs. He was ready to enter the University when war changed his mind.

He went to work at Consolidated Vultee in San Diego, building PBV's and B-24's. But it wasn't long until he had put in his application for Aviation Cadet training.

Cadet Carlson won his wings in April, 1943, was assigned to P-47 'Thunderbolts' with the 368th Fighter Group in England, to break ground for the Normandy invasion.

Roy completed 125 combat missions, leading many of them, supporting the invasion and the advances on into Germany. Won Air Medal, D.F.C., many other decorations. Promoted to Captain, then to Major.

Back home, he married the lovely Army nurse from Lowell, Massachusetts, whom he had met at Cannes, France. After the honeymoon, he returned to finish his studies at the University of Iowa.

Major Carlson is now Chief of Operations, 2471st Air Force Reserve Training Center, at O'Hare International Airport, near Chicago. Has two husky sons, a fine job, a great career still ahead of him!

If you are single, between the ages of 20 and 26½, with at least two years of college, consider the many career opportunities as a pilot or navigator in the U. S. Air Force. Procurement Teams are visiting many colleges and universities to explain these career opportunities. Watch for them. You may also get full details at your nearest Air Force Base or U. S. Army and U. S. Air Force Recruiting Station, or by writing to the Chief of Staff, U. S. Air Force, Att: Aviation Cadet Branch, Washington 25, D. C.

ONLY THE BEST CAN BE AVIATION CADETS!

## Announcement of Summer Session

With the release of the 1950 summer sessions bulletin this week, students and other persons planning to study on the campus this summer may now begin to make detailed plans.

The bulletin's cover features a colored cut of the bridge below Morrill Hall. It has 42 pages.

The first session lasting five weeks, will begin on June 17 with 51 instructors, many of them from off campus. The second term will run from July 22 to August 25.

Seventy-six courses will be offered during the first session and 64 the second, according to the 42 page bulletin. These courses cover most fields of study, but emphasis will be placed on education classes. Several special classes in this field have been planned.

In addition to the regular classes, two university-sponsored trips have been scheduled. The first will be a one-day bus trip to Virginia City, Carson City and Lake Tahoe. The second will be a weekend vacation in San Francisco. Costs of the trips are \$4 and \$22.18, respectively.

Additional information concerning the summer sessions may be obtained from Dr. Harold N. Brown, director of the summer school.

Stan Heath, Nevada's passing sensation of 1948-49 and who now plays professionally for the Green Bay, Wis., Packers, is a Clark county deputy sheriff these days at Las Vegas. He's shown examining old dueling pistol owned by Andrew Jackson, part of a collection at a local hotel.

## Soft Seats Wanted For Browsing Room

Soft divans and chairs for the reading comfort of students using the library's new browsing room are still only a hope, according to Doctor Paul Eldridge, professor of English, who started a campaign recently to raise money for soft seats.

He reported that no funds had been received so far, but "I haven't stopped trying yet," Eldridge said.

Very few students have used the new room since its opening about three weeks ago, said Mrs. Edith J. Holmes, in charge of the room. James J. Hill, librarian, blamed the hard seats for the poor showing.

## Gravel Comes High

One hundred dollars worth of gravel was spread behind the infirmary and Lincoln Hall, Wednesday, Carl Horn, superintendent of buildings and grounds, said.

Mr. Horn said the action was taken after the heavy rain Wednesday turned the area into a pool of mud.

## The Little Waldorf

Enjoy an Evening of Fun and Laughter with the College Gang.

Field House University, Louisiana (Baton Rouge)

## Wreck, No Injuries

Bill Jager and Frank Schadrack, both members of Sigma Alpha Epsilon, had a close call last Friday night when their car skidded off the Mount Rose road about half a mile below Sky Tavern. Both students escaped without injury.

Bill Jager, owner and driver of the car, said that damage was slight. The car slid forward down a steep bank for about 15 feet before stopping against a snow bank.

## AAUP Slates Officer Elections

Election of officers for the coming year will be held April 12 by the Nevada chapter of the American Association of University Professors.

The nominating committee nominated Professor Christian Melz, associate professor of foreign languages, and Robert Hume, associate professor of English, for the presidency.

Frank Richardson, associate professor of biology, and Joseph Robertson, associate professor of range management, are nominated for the vice-president position.

For secretary, Gale Richards, assistant professor of English, and

James R. Van Dyke, professor of mechanical engineering, are nominated.

Nominations are made by the committee after an advisory poll of the entire membership, said president Maurice Beesley, associate professor of Mathematics.

The AAUP is a national professional group of professors which investigates salaries, working conditions and contracts of professors, said Professor Beesley.

The local chapter consists of 60 members, almost all the faculty. Professor Beesley said a limiting requirement to membership is that a professor work more than 50 per cent of the time at teaching.

Campus Barker

... jimmie barker

Congratulations to Eppie Johnson for a job well done on the military ball... and incidentally, we wish him success on his new job... Mackay Day Chairman! Hopes for success also go out to the Sophs... who are holding their annual dance Saturday night.

Have you seen the old time movies yet?... they certainly are entertaining and worth the time spent. Come out next Sunday evening to the Education Building Auditorium... Someone deserves a big hand for obtaining these amazing films of yesteryear! As a subtle reminder to the men, I would like to add that Easter is not too far off... And we don't want you to forget the little lady in your life. Carlisle's has an excellent selection of cards and gifts appropriate for Easter... drop in and take a look!

## Who Buys Stuffed Animals?

Why—mostly men!

It's like this—a shy little violet comes into the bookstore with a gangly bean stalk in tow— She sights the assortment of the little stuffed creatures on top of the pen counter— quiet but pointed words are exchanged, she to be... Net result—his words are clipped like hair, as he asks the understanding salesperson, "how much?" Which only goes to prove, of course, "it's a man's world..." However, as stuffed animals go, the blue and white innovations aren't bad.

UNIVERSITY BOOK STORE

The friendly Book Store on the edge of the campus

### Flowers, Shrubs Will Surround New Gymnasium

Flowers, grass, and shrubbery will eventually surround the University of Nevada's new gymnasium. Carl Horn, superintendent of buildings and grounds, said the beautification program has been started but may not be entirely completed this year.

"We don't have enough funds right now," said Horn. He explained that no special funds had been set up to cover the whole improvement plan, so money has to be scraped from his general fund.

Water lines for a sprinkling system are being installed at present, and probably some concrete can be poured, and grass put in this spring, he said. The shrubs and flowers will be planted next year.

Campus trees and lawns have been readied for spring, and flowers will soon be planted in their customary beds, said the superintendent.

The football field, which has to be re-seeded in the central portion last fall at a cost of \$500, is growing out nicely, according to Horn.

The healthy appearance of the grass on the campus was partly attributed to the fact that students have refrained from short cutting across the lawns.

### AIME President To Be Honored By Crucible Club

Members of the Crucible Club, organization of mining, metallurgy and geology students on campus, will be honored by the visit of Donald H. McLaughlin, president of the American Institute of mining engineers, to the Mackay School of Mines tomorrow.

The Crucible Club will take charge of showing Mr. McLaughlin around the school.

Many students and faculty members will attend the Nevada section of the AIME dinner at the El Cortez Hotel tomorrow night. Mr. McLaughlin will be the principal speaker.

Governor Vail Pittman congratulates Shirley Hodge on being selected Military Ball queen. Miss Hodge, who was Artemisia's candidate, is from Fernley, Nevada.

### Mobley to Attend Deans' Convention

Elaine Mobley, dean of women, office on April 4. "The program," she stated, "is very good, and schedules many discussions pertinent to problems on our own campus. The convention is an annual affair, and is held to discuss problems on campuses around the country." Dean Mobley will be back in her

### County Removes Campus 'Landmark'

Confiscation of a campus landmark was made by county officials this week. The landmark, a 1936 model automobile, had been abandoned over a year ago at the entrance to the parking lot below the Engineering building.

After the sheriff's office traced its 1949 California license plates and found the car belonged to a long-gone university student, the county sent out two trucks and an engineering crew, and hauled the car off.

### Six in Infirmary

The following people were confined to the infirmary during the week from March 13 to 21:

John Campbell, Harrie Hese, Ronald Russler, Tom Donnels, Ronald Einstoss, and Jack Riehm.

### MATH CLUB MEET

A meeting of the University Math Club has been set for March 30.

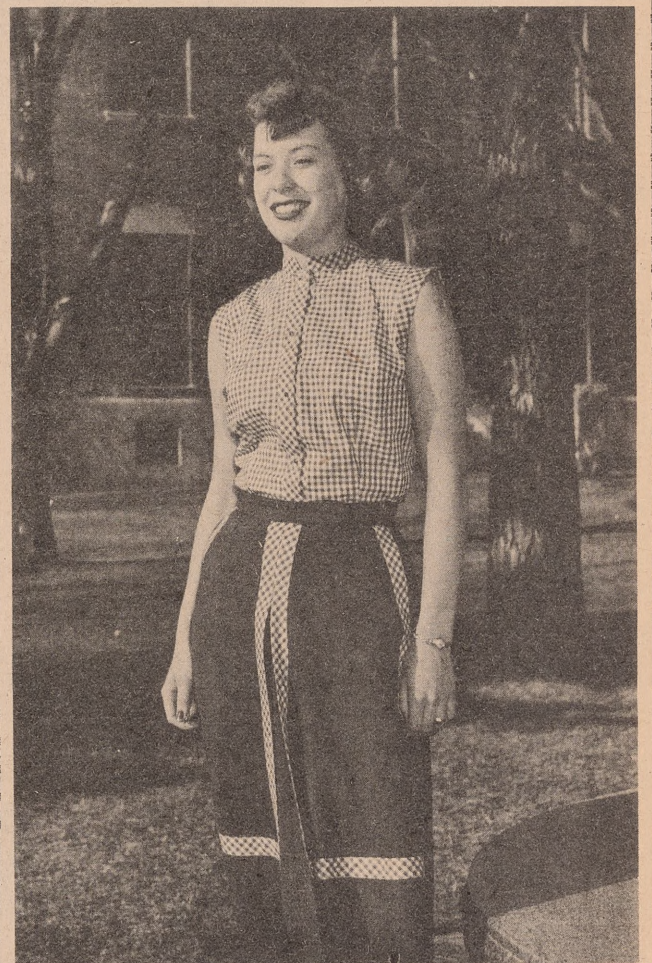

Kenny Bradshaw will be guest speaker. His talk will be on "Foundations of Non-Euclidian Geometry." The public is invited to attend.

## Interfraternity Ski Competition Set for Weekend at Mt. Rose

By JOAN METZGER

Fraternity men, experienced and inexperienced, will take to the hills this weekend, as the annual Interfraternity Ski meet gets underway at Mt. Rose. Five fraternities will be represented in the two day competition.

The regular varsity ski team members, who have earned their letter, will not compete officially, but will forerun the events. Les Hawkins, captain of the Nevada team, and his squad will act as sponsors of the meet, and will also compete for practice only.

Cross country, slalom, and down hill are scheduled for the Greeks, with cross country being run at Mt. Rose Friday at 2:30 pm. Snow conditions permitting, the downhill will be run over the standard race course Saturday at 10:30 am. Slalom, set for the little rope tow hill, will begin at 1:00 pm, also on Saturday. There will be two runs of slalom. Les Hawkins, assisted by Hal Coddling and his staff, will set all courses.

Scorekeepers and timers are needed, according to Hawkins, and any volunteers can contact him here or at Mt. Rose.

Those entered in the meet are Lambda Chi, Sigma Nu, Theta Chi, Alpha Tau Omega, and Sigma Alpha Epsilon.

### Varsity

Nevada's varsity team will leave for Colorado Monday to compete in the National Intercollegiate championship to be held in Arapahoe Basin, near Dillon, Colorado, March 31 through April 2.

The Wolf Pack skiers were originally scheduled to attend the Pacific Northwest Intercollegiate tournament in Washington March 18 and 19, but decided to go to Colorado to compete with squads from the east. Teams from Dartmouth, Middlebury, New Hampshire, Harvard, Yale, and McGill will be competing with outstanding teams from the west at the Colorado meet. The meet is a four-way tournament, and is sponsored jointly by the University of Denver, and the University of Wyoming.

Team members who will accompany Kenny Beck, coach from Sky Tavern, will not be named until times computed from the team's forerunning the Interfraternity meet this weekend are coupled with previous racing records to determine who will go.

## Intramural Tennis, Handball,

Tennis, handball and baseball have copped the limelight in intramural sports during the past two weeks. The standings in each of the different sports are:

	Tennis	HB	BB
Sigma Nu	1 0	2 0	1 0
Phi Sigma			
Kappa	0 0	2 1	1 0
Independents	0 0	1 2	0 0
ATO	1 0	3 1	0 1
LXA	0 1	1 1	1 0
OX	0 0	2 1	0 1
SAE	0 0	4 0	0 1
Sigma Rho	0 0	1 2	0 0
Sigma Pi	0 0	0 0	0 0
Unor. Ind.	0 0	0 0	1 0
Hghldrs.	0 1	2 2	0 0

Sigma Pi has been disqualified from the handball because of two forfeited games. Any team that forfeits two games is automatically dropped from the schedule and all the other teams are given a winning game.

The Unorganized Independents did not participate in tennis or handball but are in the baseball lineup.

## Soft Seats Wanted For Browsing Room

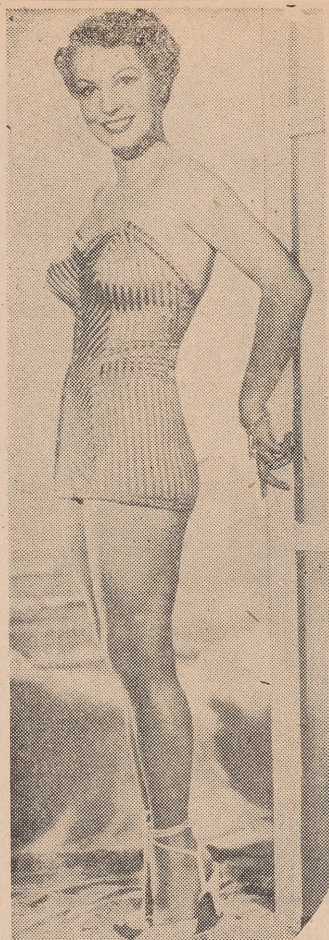

Soft divans and chairs for the reading comfort of students using the library's new browsing room are still only a hope, according to Doctor Paul Eldridge, professor of English, who started a campaign recently to raise money for soft seats.

He reported that no funds had been received so far, but "I haven't stopped trying yet," Eldridge said.

Very few students have used the new room since its opening about three weeks ago, said Mrs. Edith J. Holmes, in charge of the room. James J. Hill, librarian, blamed the hard seats for the poor showing.

"Do you think you could be happy with a man like me?"

"Perhaps. If he wasn't too much like you."

Andre (above), the screen's latest French sensation, is on record as saying that American husbands are the best in the world. "There is nothing wrong with French men," she said, "but Americans have so much—what you call zing."

## Gravel Comes High

One hundred dollars worth of gravel was spread behind the infirmary and Lincoln Hall, Wednesday, Carl Horn, superintendent of buildings and grounds, said.

Mr. Horn said the action was taken after the heavy rain Wednesday turned the area into a pool of mud.

## NIGHT SKIING BIG SUCCESS

Night skiing at Mount Rose will be held again tonight for the third consecutive time, weather permitting. Lights have been turned on the big rope tow hill on two previous weekends.

So far the sport has met with success. The first weekend about 25 skiers attended and last weekend upwards of 45 members of the Ski Club and other skiers braved the night air for skiing from seven till ten, and a get-together at the Mount Rose Chalet afterward.

## Tree Surgery

The president's lawn was the site for a short talk on tree surgery last Wednesday afternoon. The talk was given chiefly for those faculty members who own their own homes, and for those interested in campus beautification.

Little Judy shows this giant Peter Rabbit how to paste an Easter seal on the back of an envelope. You can help the thousands of crippled children throughout the nation just like Judy by putting an Easter seal on every letter you write.

# Brush Strokes

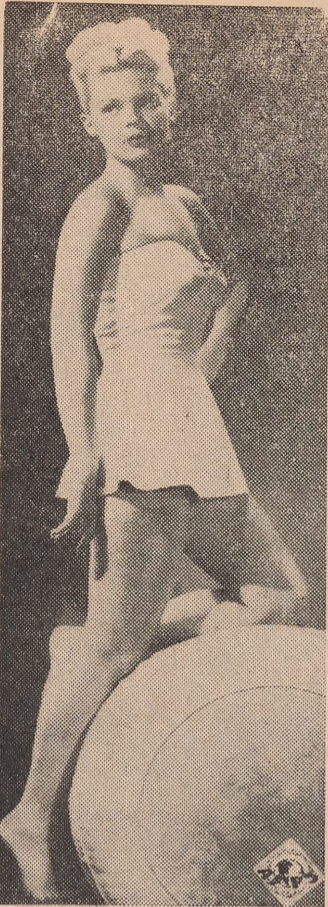

By MARK CURTIS

**BRUSHING UP:** Either in revolt against the Mackay Day beards which are beginning to sprout, or disappointed that she can't enter the whisker race, one coed has announced that she will let the hair grow on her legs for the celebration. . . . When the incendiary letter concerning Ingrid Bergman and this column appeared in the Brush last week, it made a big impression on Bill McFarland. He had thought the issue was dead, but seeing that it wasn't he did this. As make-up man for the Reno Evening Gazette last Friday and Saturday (vacation fill-in), he put the story of Ingrid's return to the U. S. right in the middle of both front pages. . . . **WITH PICTURES!** . . . Professor Owen Ulph doesn't mind giving his sister-in-law, Terry Alauzet, a ride to the university sometimes. He doesn't even mind it when she cuts his classes occasionally. But on the days when he gives her the lift to school, and she cuts his class. . . . Professor and Mrs. A. L. Higginbotham, he's head of Nevada journalism department, received probably one of the nicest marriage write-ups ever. Nothing has quite equaled it since. You see, he wrote it. . . . The one man on the campus who has absolutely no excuse for being late to classes is Hal Hayes. The football and basketball letterman has received wrist watch gifts for his part in the Harbor Bowl game, the Salad Bowl game. . . . and the latest tribute was from Reno fans at the basketball testimonial banquet Wednesday night. Oh yes. . . . and he has one his mother gave him.

**IN PEACE OR PIECES?** In Kent State University, Gent, Ohio, a course has just been instituted called "Problems of the Atomic Age." No answers. . . . just problems. . . . Dr. Mortimer Adler, professor of philosophy at the University of Chicago, says this week "You won't get a permanent peace without a world government and you probably won't get a world government before another war." . . . Major General Lewis Hershey, director of selective service, in speaking of the ladies in the next war. . . . "If we have to draft them, I'm for it." O. K. Gertrude, dig your own fox hole. Hold it! On second thought, I'll dig a BIG one. . . .

**ALUMNI IN THE NEWS:** "Molly" Malone (20) and Pat McCarran (01), Nevada's Republican and Democratic senators, were two of eight U. S. senators TIME magazine (March 20) thought were most expendable. . . . George "Soapy" Southworth, top rooster of Reno Boosters, made Newsweek March 20. The magazine tells how Soapy "wangles money from gambling joints to pay athletic scholarships." That one word, "joints," illustrates what we're saying about how people outside the state will always feel about gambling. . . . Dr. Leo Doyle (39) was mentioned twice in two weeks by S. F. Examiner's Herb Caen. Reason, the doctor is collaborating on a book with Anna Roosevelt and he's also writing a biography on Jimmy Roosevelt. Said Caen: ". . . he really knows the inside of Roosevelt. . . . he's his close friend and physician." One Caen missed. . . . Doyle received a gift last Xmas; a pair of FDR's favorite cuff links.

**BRUSH FILE:** Photographer Ed Slingland of the Reno Chamber of Commerce has the best list of phone numbers in town. Models. There are 15 from the university, but he wants more. . . . new talent. . . . for some odd reason, he prefers females, except in rare instances when males can look the part. For example: Kim Still, Dick Dixon and Ken Lowry. They took in the Coed Capers Tuesday night. Even after they were discovered, the coeds let the imposters finish their meal. Come to think of it. . . . these guys weren't imposters. It was the girls that were wearing the male attire. . . . The story you are about to read is true. . . . in a biology club meeting at another university, a spinterish professor had a farmer friend in to speak to the group. Said the farmer. . . . "It's a pleasure since I have known your teacher a good many years and during that time we have been intimate. . . ." Slight titter in audience. . . . farmer blunders on. . . . "that is, in a biological way, of course." Naturally. . . . Don't forget to read the Board of Athletic Control's report. You'll begin to see the light. They couldn't mention the results of Nevada's bad break when the Pack played Santa Clara in '48. But, that loss cost the Sugar Bowl bid, and that bid would have been worth. . . . well, we just wouldn't have to worry for a long time.

No stuffed shirt for Sandra Spence—just a stuffed ottoman. Despite the frigid New York weather, the CBS television lovely poses warmly.

## Senior Ball Plans Near Completion

Senior ball plans neared completion this week, following a decision to hold the dance April 1 in the Mapes ballroom. Decorations will feature an Easter theme. Any senior may bring a guest, but tickets must be obtained for the buffet supper to be served from midnight to 1 pm. Punch will be available all evening, Lou Mendive, senior class manager, said. Arrangements have been made

with Dean Mobley to give women going to the ball an additional hour, it was revealed.

Music for the evening will be furnished by Bill Sorenson's band from 9 pm to 1 am.

Buffet tickets may be secured from members of the planning committee: Wally Kurtz, Bill Ryan, Don Mustard, Jean Hagenbuch, Tom Collins, Fred Muller, Angela Naveran, Alice Arentz, Rose Marie Faul, Melvin Winson, Al Richardson, George Franks, and Jim Williams.

Chaperones for the evening will be Dr. and Mrs. Harold Brown, Dr. and Mrs. Ernest Inwood, Dean and Mrs. Robert Griffin.

## NEVADA BOXERS LOSE IN IDAHO

Both of the University of Nevada's boxers were defeated in the first night of the Intermountain Intercollegiate boxing tournament held at Pocatello, Idaho, recently.

Martin Rodriguez, 1949 lightweight champion, lost his crown to Dave Miyagawa of DePaul University of Chicago by a TKO in the third round. Rodriguez had the sensational lightweight from DePaul in trouble during the first round but failed to keep up the pace in the second and third rounds.

The fight was stopped in the third round when Miyagawa was belting Rodriguez freely about the ring.

Stan Drakulich, Nevada's light-heavyweight, had an unblemished record of one win and two draws until he met Bob Blanton of Idaho State. Drakulich fought Blanton on even terms through the first round but tired late in the second and Blanton went ahead on points as Drakulich's legs gave out in the third.

## Reno High Wins Basketball Crown In State Playoff

Champion of the Nevada state high school basketball playoffs, held at the University of Nevada gymnasium last weekend is Reno high school.

The Huskies, pre-tournament favorites along with Las Vegas, defeated Winnemucca 63-54 in the quarter finals, Las Vegas 51-54, in the semi-finals and White Pine, 65-49 in the championship game. White Pine downed Hawthorne and Douglas to gain the chance to play in the finals.

Winnemucca rallied after its close defeat at the hands of Reno to win the class A consolation flight. The Buckaroos downed the Hawthorne Serpents 54 to 36 in winning the playoff of the first round losers.

**Upset**  
Alamo from down south pulled the biggest upset of the tourney when they controlled the ball game throughout to unseat the defending class B champs, the Eureka Vandals. The score of this game was 43-29. In the B consolation Carlin won over Virginia City 47-46.

## Graduates Offered Civil Service Jobs

"Students who wish to enter government service after graduation should apply for positions in their junior year," according to William A. Jorgensen, veterans federal employment representative for the 12th civil service district.

Students in their junior year may apply for the positions of junior professional assistant or junior managerial technician in October, and take the written test sometime in January or February. If they receive a high grade they will be placed on the job rosters subject to their graduation. Starting salary for these positions is \$3100 per year.

## Traner Attends Carson Meeting

A University of Nevada retirement committee, headed by Fred W. Traner, dean of education, met in Carson City Thursday afternoon with Alan Bible, attorney general of Nevada, and Kerwin L. Foley, head of the state retirement board, to discuss whether or not the university retirement system could be coordinated with the state retirement system.

Colonel Gilbert E. Parker, acting president of the University of Nevada, attended the meeting with the committee.

## Nevada Cagers Honored by Fans At Testimonial

The University of Nevada basketball team, deprived of a chance to play in the recent NAIB tournament by a too-eager executive committee, was honored Wednesday night by the basketball fans of Reno.

Team members, manager Jack Fenkell, and Coach Jake Lawlor were feted at a dinner at the Mapes Hotel. Featured guests of the evening included the state high school basketball champion Reno Huskies, with coaches Bud Beasley and Dick Trachok, and other coaches from the Western Nevada High School Conference.

Reno coach Bud Beasley was the featured speaker of the evening, and paid high praise to the team and coaching. Referring to jokes about basketball players that came west for their asthma, Beasley said, "As long as you have the type of fellows who came up here tonight to receive these awards, I hope more fellows all over the country become stricken with asthma."

Guest speakers included master of ceremonies Wes Hall, Colonel Gilbert Parker, members of the uni-

## Local Lawyer Speaks to Hill Young Republicans

The Washoe County Young Republican Club met last Tuesday at the State building.

Ernest Brown, local lawyer, was the principal speaker of the evening. "Your Place in the Party" was the topic of his talk and he stressed the importance of each member of the club as a voter.

The meeting scheduled for April 4 has been postponed because of precinct meetings which are being held the same night.

University team, Reno high captain Buddy Piazza, coach Jake Lawlor, and Bill Gillis.

Representing the Reno Junior Chamber of Commerce, Gillis presented Lawlor with a trophy inscribed "University of Nevada NAIB champions (unofficial). Nevada 55, Indiana State 46."

Highlight of the evening was the awarding to team members of gold wrist watches. Presentations were made to captain Cal Hayes, Les Ray, Joe Libke, Buddy Garfinkle, Ted Johnson, Mert Baxter, Burt Larkins, Charlie Higgins, Elmo Dericco, Roger Bissett, Jerry Wyness, Doug Douglass, Ed Hancock, Dick Truman, and Earl Jarrett, and manager Jack Fenkell.

## Regional Secretary Visits Local YWCA

Miss Edith Larrigo, regional YWCA student secretary, made a visit to the campus Y yesterday.

Miss Larrigo was asked to come to this campus to discuss the proposed confederation of local church youth groups and the campus YWCA. No decision has been reached in regard to the joining of these groups.

Terry Stöcke Stoker, former director of the youth group of the Federated Church, is in charge of the organization of the new group.

## Old-Time Movies Has Two Projectors; Losing Money

A report by Dwight Peterson, manager of the old-time movies, showed a loss last Sunday of \$23.80. A total of 101 persons attended the last performance.

Peterson says he now has two projectors for the movies so there will be no delay between films.

"Unless better attendance is realized the movies will have to be discontinued," he said.

The manager plans to distribute schedules for the rest of the semester in order to stimulate attendance.

## Baseball Begins

Schedule for the third week of inter-fraternity baseball calls for six games to be played. Here is the schedule:

Saturday, March 25—1 pm, Sigma Pi vs Highlanders; 3 pm, Sigma Rho vs Unorganized Independents.

Monday, March 27—4 pm, Lambda Chi vs Independents.

Wednesday, March 29—4 pm, ATO vs Phi Sigma Kappa.

Thursday, March 30—4 pm, Sigma Nu vs SAE.

Friday, March 31—4 pm, Highlanders vs Sigma Rho.

## FCB Approves

The finance control board approved at its Wednesday meeting a proposal by the Block N to solicit ads for the annual high school track meet program.

The budget of the spring play was tabled until the next meeting when more details will be available.

## SHEETS AT MEETING

Dr. Earl Sheets, head of the department of animal husbandry, is attending a range management meeting in Tonopah this week.
