## TED KLIMASZEWSKI ELECTED PRESIDENT

Corrine Jorgenson

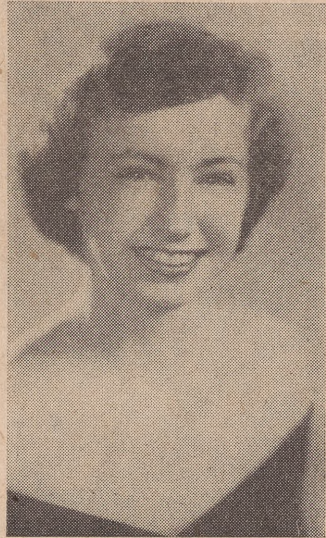

Pat Given

Roberta Lundy

Barbara Russell

Joey Myles

Joan Melner

### ENGINEERS DAY SET FOR MAY 20; 6 VIE FOR QUEEN

University engineering students will have the perplexing problem Monday of deciding on just which of six gorgeous girls will reign as queen of their 32nd annual Engineers Day to be held next Saturday, May 20.

The contestants are Corrine Jorgenson, Gamma Phi Beta; Joan Melner, Kappa Alpha Theta; Roberta Lundy, Pi Beta Phi; Pat Given, Delta Delta Delta; Barbara Russell, Artemisia Hall, and Joey Myles from Manzanita Hall.

All engineering students are eligible to vote in the contest.

Other preparations for the celebration have been progressing rapidly during the last week, according to publicity chairman W. R. Wallace.

The annual event has been held for the past 32 years as a project of the Associated Engineers, a student organization of all the engi-

neering departments. Trophies for slide rule, riveting, surveying, mucking and drilling contests have been donated by downtown merchants.

Beginning Monday representa-

#### General Electric Selects Three EE's

Three University of Nevada electrical engineers, T. Paul Sullivan, Charles E. Huck, and Stewart G. Dawson, have been selected by the General Electric Company for positions with that firm, Professor Irving Sandorf, head of the electrical engineering department, said.

The three were selected by Mr. Brosemer, Pacific coast manager of the apparatus division of General Electric during an interview of the graduating EE students on April 17.

tives of each of the engineering departments will be interviewed each afternoon at 12:30 over KATO. On Wednesday afternoon at 1:30, Pete Miller will speak over KOH on a 15 minute program.

Work on exhibits planned so far by the engineers include a new car display, geology, mining and metallurgy exhibits by the Mackay School of Mines, displays of models, pictures and equipment in operation by the civil engineers, a large and interesting display by the electrical engineers and a display including old time autos by the mechanical engineers.

All engineering buildings will be open throughout the day to the general public and there will be no admission charges whatsoever.

A barbecue is being planned at the end of the day for the members of the associated engineers and guests.

### Alzola, Gaffey Top Senior Candidates; Marfisi, Lee, Sullivan, Gallagher Win

Ted Klimaszewski, Phi Sigma Kappa, was elected ASUN president in the primary election held on campus Thursday. Klimaszewski received 394 votes to win out over John Marvel, ATO, who had 370, and William Flangas, Highlander, who gathered 209.

Because only three candidates were nominated for the position a plurality was sufficient to elect, as is required by the ASUN constitution.

The 973 votes cast this year was 206 short of the all-time record which was set in the primary election of 1949.

#### Seniors

Ray Alzola with 68 and Tom Gaffey with 60 topped the senior class manager candidates and will run it off in the general election to be held next Thursday. Dick Gorman, 43, and Elmo Dericco, 50, were the other candidates.

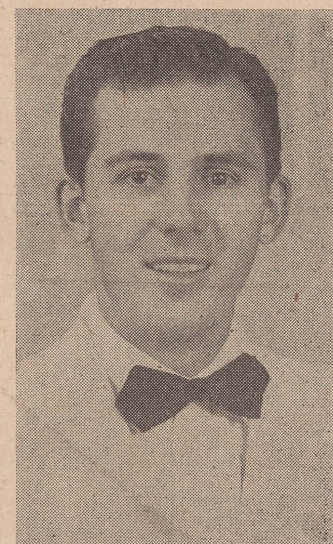

#### Juniors

In the junior class race, Frank Marfisi and Fred Lee came out with 73 and 67 votes respectively. Myron Leavitt received 49 while Walt MacKenzie gathered 47 votes.

#### Sophomores

Dan Sullivan and Bob Gallagher won the honors in the sophomore election. Sullivan received 108 votes and Gallagher got 91. Others running were Tom Karren, 90; Joe Bugica, 83; and Bill Cockrell, 52. Election chairman Buck Wells

said that the general election is slated for Thursday and will be held in the new gym again.

New president of ASUN, Ted Klimaszewski, won by 24 votes.

### Aggie Horse Show Opens Saturday; John Wayne to Lead Grand Entry

By WALT MacKENZIE

More than 115 entries have been received so far for the fourth annual University of Nevada Aggie Club Horse Show, May 13 and 14, at the Reno fairgrounds. Eyer Boies, show manager, expects late entries to swell the total to 150, more than triple the first show.

John Wayne, star of "She Wore a Yellow Ribbon" and winner of the Reno Silver Spurs Award, will lead the grand entry. He will be accompanied by director, John Ford, and Ben Johnson, and Harry Carey, Jr., stars of Ford's newest picture, "Wagonmaster," and the Nevada White Hats.

An added purse of \$150 has been arranged for the popular cutting horse class, which is expected to include more than 30 entries.

Among the special features of the two day show are a horse push-ball contest, a hackney exhibition, and a square dance on horseback.

Two quarter horse races are planned for each day.

Twenty halter classes for Arabians, Palominos, and quarter horses are scheduled. Additional classes will be open for trail horses, three gaited, five gaited, light harness, and Tennessee walking horses.

One stake will be run daily, providing enough entries are received.

Tickets for the show are being sold by members of the Aggie Club.

### Bishop Gorman Principle Speaker At Baccalaureate

Bishop Thomas K. Gorman of the Roman Catholic church will be the principal speaker at the Baccalaureate services to be held in the new gymnasium on June 11, at 11 am, it was announced today.

A request by the downtown churches that the services be held at an hour other than 11 was turned down by the ceremonials committee. The churches requested the change from the traditional hour, because it interfered with their own schedules.

The request was investigated and it was found, that in past variations of the time, poor attendance by both members of the graduating class and others was the result.

Therefore, the committee decided to hold the baccalaureate services again this year at 11 am.

## 7 INITIATED TO BLUE KEY

The Blue Key, national honorary service society, will hold its banquet and formal initiation tonight in the Trocadero room of the El Cortez Hotel for seven new initiates.

Dr. R. S. Griffin, Blue Key faculty advisor and dean of men, will be the principal speaker of the evening, while George Vucanovich, president of the local chapter, will act as master of ceremonies.

In order to become a Blue Key member, a person must be above the all men's average in grades, possess the qualities of leadership, and give 25 hours of service to the university, ten of which may be in the form of a campus position.

The following men will go through the formal rites tonight: Irving Hackett, Ted Klimaszewski, Fred Pultill, Leo Muller, Louis Zorio, Ted Lokke, and Dr. William Miller of the drama department.

### WOMEN'S TEAM

A woman's basketball team was organized at Nevada in 1899. This team had the honor of winning the first intercollegiate victory for the university by defeating Stanford.

## University Singers to Present Annual Spring Concert Wednesday

The University Singers will present the annual spring concert Wednesday night at 8:15 in the old gymnasium.

Professor Theodore H. Post, chairman of the department of music, said that the program will range from classical choral numbers to popular choruses from some of the current musical comedies. It is free of charge and the public and students are invited to attend.

Fifty-five students will take part in the concert. Soloists will include Donna Sollars and Odile Frost, sopranos; Val Smith, Dan Olguin, and Don Thompson, tenors; Dave Collins, baritone; and Catherine Meyer, violinist.

Post said that "one of the highlights of the program will be the ballet dancing of Archalee Correll, well known artist in the ballet world." She is now a student at the university.

Other featured numbers will include a harmony quartet with William Briner, Hamilton Prugh, Don Thompson and Wilbur Jager; and a brass ensemble which will play a Suite for Brass Quarter in three movements. Members of this group are William R. Woodward, Don Wood, Thomas Godbey, and Jervis Bastian.

The concert is being sponsored by the University Singers, a student singer organization with Professor Post as director, Thomas W. Godbey, president; William Jager, vice-president; Martha Jeanne Pardi, secretary, and Mary Elizabeth McEwen, pianist.

The program for the concert is as follows:

1. Tow Lovely Is the Dwelling Place (from "The Requiem"), Brahms, O Holy Lord (sacred concert number), Nathaniel Dett, Ava Maria (16th century motet), Victoria.
2. Piano solo, "Romance," Sibelius, Mary Elizabeth McEwen.
3. Men's chorus, "Stout Hearted Men" (New Moon), Romberg; soloist, Val Smith.
4. Soprano solo, "Ah, Fors e lui" (from "La Traviata"), Verdi, Odile Frost.
5. Spirituals: Swing Low Sweet Chariot, Billups; soloist, Odile Frost. Ride the Chariot, Smith.
6. Suite for Brass Quartet, William Bergsma. (1) Scherzo, (2) Song, (3) Showpiece. Trumpets: William R. Woodward, Donald Wood. Trombones: Thomas W. Godbey, Jarvis Bastian.
7. Harmony Quartet: Messrs. William Briner, Hamilton Prugh, Don Thompson, William Jager.
8. Women's Chorus, "Waltzing in the Clouds" (spring parade), Stoltz.
9. Violin Solos: "Meditation" (from Thais), Massenet; "Canzo-

net," D'Ambrosio. Catherine Meyer, violinist.

10. Ballet dancing by Archalee Correll. Ginnina Mia (with the chorus, Don Thompson, and Dave Collins as soloists).

11. Popular choruses: Night and Day (The Gay Divorcee), Porter-Koschetz; You'll Never Walk Alone (carousel), Rogers; Vela (Merry Widow), Lehar. Solos by Donna Sollars, Thelma Gerrey, and Dan Olguin.

## Children's Classes Again Offered In Summer School

Classes will be offered again this summer for children between the third and eighth grades who have difficulty in reading and arithmetic, it was announced by Dr. Harold N. Brown, director of summer sessions.

The program will be in charge of Miss Elsie Pond, associate professor of education at the University of California at Santa Barbara, and will be held during the first term, beginning Tuesday, June 17, and extending to July 21.

Since past response has always exceeded the facilities and the enrollment is limited from 60 to 75 children, the earliest reservations will be acknowledged first.

The arithmetic clinic will meet at the university at 9:50 am and the reading clinic will meet at 11 am daily during the first session. Fees of ten dollars will be charged for entrance in each of the clinics.

Miss Pond has taught at the University of Nevada during three summer sessions. Her wealth of experience in public school work, and her past successes with clinical procedures of this type make Miss Pond an invaluable part of the University of Nevada clinical program, Dr. Brown said.

## Campus Magazine "Brushfire", Sells About 175 Copies

Brushfire, the new campus literary magazine, was placed on the book stands the last week in April. Bulkeley Wells, of Battle Mountain, business manager of the magazine, estimates that close to half of the 350 copies printed have already been sold.

Essays, themes, short and short-short stories, poetry, and other literary works of university students comprise the contents of the magazine. No work of off-campus writers was accepted.

The editorial board of the magazine was also composed of university students. They were as follows: Art Nooney, Louie Hess, Art Boardman, Phillip Payne, George Bennett, Gary Adams, and Charles Gibson. Faculty advisors were Dr. Paul Elridge and Mr. Ray Pflug, of the English department.

The Brushfire was underwritten by a \$100 grant from the president's discretionary fund. The editorial board of the magazine intend that it shall be published once each semester. The Brushfire is the first successful venture of its kind in recent years. Because of the reception it has received, the editors feel that it can support itself without further aid from the university.

## Officers Elected By Chemistry Club

Election of officers and presentation of honorary awards were held at last Tuesday's meeting of the Chem Club.

Sigma Sigma Kappa, an honorary award in chemistry, was presented to Ted Lusebrink, Moray Black and Reilly Jensen.

New officers elected were Reiley Jensen, president; Hans Jepson, vice-president; James Skinner, secretary, and James Stubbins, treasurer.

Day Room  
College of the Holy Cross  
(Worcester)

In Worcester, Massachusetts, one of the favorite spots of students at the College of the Holy Cross is the Day Room on the campus. They like the Day Room because it's a cheerful place—full of friendly collegiate atmosphere. And when the gang gathers around, ice-cold Coca-Cola gets the call. For here, as in college haunts everywhere—Coke belongs.

## Higgins Beats Own Record in Javelin In Final Meet of 1950 Track Season

By JOHN FLANGAS

The University of Nevada ended its brief three-meet track season by sliding past St. Mary's 35½ to 34½ in a tri-way meet at College of Pacific.

College of Pacific romped off with top honors by gathering 88 points. The meet was originally scheduled as a four-way event, but University of San Francisco dropped out at the last moment, because of spring football.

Charles "Casey" Higgins entered a new record on the Nevada record books by besting his own record in the javelin by 5 feet 5 inches. Formerly Higgins held the school record, which he set last year with a toss of 193 feet 6 inches, and now has added to this, a throw of 198 feet 11 inches.

Proc Hug, a surprise victor for Nevada in the high hurdles, placed in an added event in which he had never competed. The hop step and jump was added to the meet and was won by Dixon of St. Mary's. Hug placed fourth in this event and second in the low hurdles to lead Nevada's scoring. Hug was timed at 16.2 in the high hurdles.

Lawrence "Punjab" Harriston again won the shot for Nevada with a heave of 47 feet 3 inches. He also placed in the discuss, gaining a fourth.

Nevada's sprinters were shut out of the dashes managing to gather only a third in the 440 by Marvin Byars, and a third in the 880 in which Ross Smith placed.

The Wolf Pack placed well in the pole vault, with Arneson taking second and Etchegoyhen and Altenburg tying for third. Stan Draculich was fourth in the javelin while Art Wigg was second in the discuss with Harriston taking third. Lee Schroder tied for third in the broad jump.

## Handball, Baseball Only Sports Left In Frat Competition

Only two sports, baseball and handball doubles, are left on the 1950 University of Nevada intramural athletic program.

Handball doubles are scheduled to be completed on May 25 and baseball on June 3.

### Handball Doubles

May 13, 1 pm: Phi Sigma Kappa vs Theta Chi.

May 13, 2 pm: Organized Independents vs Highlanders.

May 15, 4 pm: Sigma Nu vs Lambda Chi Alpha.

May 15, 5 pm: Sigma Alpha Epsilon vs Highlanders.

May 17, 4 pm: Sigma Rho Delta vs Organized Independents.

May 17, 5 pm: Phi Sigma Kappa vs Alpha Tau Omega.

May 18, 4 pm: Sigma Pi vs Highlanders.

May 19, 4 pm: Sigma Alpha Epsilon vs Theta Chi.

May 19, 5 pm: Sigma Rho Delta vs Alpha Tau Omega.

### Baseball

(All games scheduled for 4 pm.)

May 15: Unorganized Independents vs Phi Sigma Kappa.

May 17: Highlanders vs Sigma

## Football Team To Be in Action On May 21

With the big spring football intra-squad clash only one week off, Coach Joe Sheeketski has announced the probable starting lineups for the fray that will end the pre-season workouts for this year.

Date for the game has been set as Sunday, May 21, and the showing of the team will give fans a good idea of what they may expect of Sheeketski's charges come the opening of the '50 campaign in September.

The "Blue" team will be loaded mostly with veterans of last year's varsity season, with the exception of the left side of the line, where freshmen "Ace" Hartsfield, end, Bob Martin, tackle, and Ray Suchy, guard, will be found. Rounding out the forward wall are "Crusher" Caruso, center, Gordy Surber, guard, "Punjab" Hairston, tackle, and Wally Graf, end. In the backfield for the "Vets" will be Pat Brady at quarterback, Herm Fisher and Myron Leavitt at halfbacks, and Paul Stimac at full.

The "White" starting aggregation, which will be considerably outweighed up front, is made up entirely of freshmen and transfers, except for center Al Matteucci and guard John Gonda, but it is expected to furnish some good opposition. Teaming with the aforementioned in the line will be ends Joe Lash and Wally Bernard, tackles Ron Einstoss and Charles Gardner, and guard Dean Westgaard. The backfield will be composed of Ray Gonsalves in the signal calling slot, John Buccambuso and Howard Barber at halves, and Lee Schroder at fullback.

Alternating with the above combinations will be Bob Collett, Ed Klosterman, and Al Barham on the "Blues," and Dennis Dunlop, Jerry Wyness, and Mert Baxter on the "Whites." Also held in reserve will be last year's speedy frosh backfield of Ed Holoka, Andy Kalmanir, Tom Massey and Bud Brooks.

### 38,000 STUDENTS

More than 38,000 students have attended classes through the years since the founding of the University of Nevada. Nearly 4000 have received degrees or diplomas.

### Alpha Epsilon

May 18: Sigma Rho Delta vs Lambda Chi Alpha.

May 19: Organized Independents vs Unorganized Independents.

## High School Track Teams To Compete In Meet Tomorrow

High school trackmen from nine Western Conference schools will exhibit their skills in Mackay Stadium during the annual conference meet scheduled for 1 p. m. tomorrow.

Trials in hurdles and dashes will be held at 10 a.m.

All athletes who place in the meet will qualify for competition in the state track meet, which will be held in Mackay Stadium on May 20.

Block N. as in years past, has volunteered to police the field and keep spectators on the sidelines.

Schools represented in the meet are Sparks, Reno, Lovelock, Carson City, Yerington, Manogue, Stewart, and Hawthorne.

Admission will be 25 cents for students and 50 cents for adults.

## Novak Places Ninth In Distance Run

Warren Novak, swift Nevada sophomore distance runner, finished ninth out of a field of 45 top west coast distance runner in a rugged seven and one-half mile cross country run held in San Francisco last Sunday.

The 40th annual cross country race was won by Elwyn Stribbling, Dreyer Athletic Club, in 42:57. Novak ran the course in 48:53. Cups were awarded to the first six finishers.

Novak was sponsored by the Highlanders, veterans' social organization.

## Swobe Elected Sigma Nu Prexy

Sigma Nu fraternity recently elected its new officers who will preside next year.

Jack Swobe was elected president. Other officers chosen were: Joe Ward, vice-president; Hallie Berry, recorder; Eyer Boies, house manager; Wayne Pearson, treasurer; Fred Collander, sentinel; Pete Block, chaplain; Matt Piccini, marshal; Jim Morrison, historian; alumni contact; Coe Swobe, interfraternity council representative; Earl Hallsted, reporter; and Frank Marfisi, senator; Ted Short, social chairman; Bill Briner, upperclass chairman.

### PLEASE!

Head Nurse Mary Rotter at the infirmary requests that the students who now have infirmary supplies and equipment in their possession return them. Ace bandages, crutches, ice bags, and such are needed at the infirmary.

Nurse Rotter will appreciate the cooperation of the students.

## Brush Strokes

By MARK CURTIS

**COLLEGIATRENDS:** Higher education can be cut-rate too. Wittenberg College of Springfield, Ohio, now offers a ten per cent discount on tuition for families that have two or more children attending the school. . . . In the recent rioting of New York high school students, they're still looking for the instigators. Imagine, if you can, the prominence given pictures of the delinquents on the front pages of Pravda. The University of Maryland will check closely the background of all students entering that institution, and if it finds they had a part in the recent demonstration, they will not be admitted. . . . If you like statistics, the University of California has 41,898 students now enrolled (on a dozen different campuses, of course). . . . A Hastings College business administration professor wants his students to wear suits and ties for all Friday classes. They should know how to act like "executives" when they get out of school. (A little instruction in correct day and evening battle wear might be in line. . . and a heckofalot more timely). . . . The Subway Club of Notre Dame begins this week. Purpose: well, the Irish need money just like we all do. This organization is a "uniquely dedicated group of Americans of all creeds and colors." The university of 5000 students only has an endowment of \$4 million. Harvard, poor thing, has a bank deposit of \$183 million. The Dame's football team, does not, as most think, keep the school in blue chips. Leahy's boys make about a half million bucks a year. After sharing with opponents (like the Department of Internal Revenue) and paying the rest of the athletic program's way, the university only had \$8,000 for its general funds. The income from athletics grosses less than seven per cent of the entire university income. Notre Dame has research plans (it's a leading research center) that will cost it \$25 million in next ten years. Other plans to raise money (take note) include asking sports rooters to contribute **WHILE BUYING TICKETS TO THEIR SPORTS EVENTS.** One misconception herewith debunked: 74 of its 360 faculty members and hundreds of its students are non-Catholic.

**ENGINEERS DAY, MAY 20.** The annual display and contest deserves more attention than it usually gets. One of the few departments where they can **SHOW YOU** what they're learning . . . it's there . . . you can see it . . . and should. They have a tendency to be too business-like in their presentation maybe, as proved in the instance of their queen. Two years ago a Brush reporter couldn't find anything to write about, so he suggested "The Girl We'd Most Like to Take on a Field Trip." Jeanne Garland, in a black swim suit, posed for the photogs. Last year, they called their girl . . . "The Field Trip Girl." This year, they've deteriorated to queen again. Whoever she is, she still should be "THE GIRL WE WOULD MOST LIKE TO TAKE ON A FIELD TRIP" . . . and if anyone denies she is, they're naive. . . . There's a story about a graduate engineer from Nevada who took off for South America one year. He was with a big company moving in to one of those "What'll we do tonight. . . Let's have a revolution" countries. When the grad and company came to the country's border with their equipment, they were denied entrance for one small reason. On the crate of one of the big dynamos was written "5000 revolutions per minute."

**MUSICAL NOTES.** 15 years ago college students thought more about dancing and swing than football. 1936 was the first year of the swing band. T. Dorsey, B. Goodman, and A. Shaw (spoken with the initials if you were hep) were idols. Jitterbugs, juke boxes and movie musicals were all over the place. Glenn Miller capped the tide that splashed on the beach of World War II, and then rippled back in the undertow, practically unheard of for the next eight years. Now, dance bands are coming back. It's collegiate again to collect records, stay up all night dancing, sing like Sinatra. In just the last five months, the trend has been noticeable on Nevada's campus. Nickles go for "My Foolish Heart" and a number reminiscent of ten years ago, Dorsey's "Comin' Thru the Rye." Bands are making one night campus stands again. (The new Riverside will have Ted Lewis and Phil Spiltany, which is fine and all that, but doubt if the town would know what to do with a section of loud brass). But Reno has been blessed in the last few weeks with a genuine disk jockey . . . fellow named George Platis. 1-12 pm Wednesday through Saturday, KOH. He plays, how you say . . . "fine, smooth, mellow, great, solid" type music. He's too good to last long around here, however. Also, the Golden's intermission group, Bob Manner's Music Makers, is usually the best thing in town. They're new, different, and should be on top in a few years. Just four guys but a lot of music. All this is to say how relieved we are that "The Wild Goose," "Mule Train," "Choo'n Gum" and the rest of the menagerie is on its way out. You can now kick the rug back and dance again. Add final note: Ralph Flanagan, Millermimic, will probably lead the way in the revival.

Now that the Sheets have been spread all over the nation, may we say just one small thing. Isn't it odd that there wasn't a person on this campus who knew a thing about the Professor and his wife—no—yes—no . . . his wife, Thursday night, and that Friday morning, the story came over ABC from Washington, and NBC from the west coast? Ahhhh . . . the cost of trying to cover up. . . Didja see the small item in the Mackay Day edition which spoke for Dean Robert Griffin? . . . He asked that during Mackay Day no beer cans or bAttles be brought on the campus." The mistake was noted in the reading of the proofs but it read so good the boys let it go through anyhow. . . The Filthy Five received an anonymous phone call asking for their names. No dice. To whom it may concern, they are: Helen Orr, Jenny Lee Gibson, Roberta Jean Cummins, Viola Neill and Nancy Houghton. Well . . . names make the news . . . Heh! . . . Phi Sigma Kappa's Ted Klimaszewski is their first student body president in 26 years. The last was Harry Frost.

## 1951 Basketball Sked Released; Dates to Come

The 1951 basketball schedule was released, minus definite dates, by Gene Mastroianni this week. Exact dates are not yet set.

Home games for the Nevada hoopsters which are definitely set are with College of Pacific, Fresno, Chico, and St. Mary's. Possibilities are California Aggies and Portland University. All games will be two night affairs.

A game with Loyola in Las Vegas is still being debated, as is a possible trip to Denver to compete with Regis and Denver universities. A trip to the Rocky Mountain state is planned by Coach Jake Lawlor to accept Regis' invitation to play in Denver sometime in the latter part of January. At the same time, the Nevada squad will try to pick up a game with either Brigham Young University, Utah State, or Colorado A&M.

Eastern teams, such as Kentucky, and other teams from the midwest, passing through Reno, will be engaged for a one-night stand if possible, Mastroianni stated.

## ASCE Will Honor Seniors at Banquet

The annual senior banquet of the student chapter of the American Society of Civil Engineers will be held May 20, at the Santa Fe Hotel at 7:30 pm. Guest speaker will be Mr. F. W. Panhorst, assistant highway engineer from California. Invitations have been sent out to the leading engineers of the west.

The banquet is held annually in honor of the senior civil engineers.

The Nevada chapter expects about 100 to come, according to Chairman Ben K. Rippe.

The sponsor for the chapter is the Sacramento chapter of the American Society of Civil Engineers.

Young ladies . . . why wish for travel and adventure when it's yours for the asking. Enlist with the United States Marines.

## Plans Complete For Texas A&M, Nevada Tilt

Nevada's big game with Texas A&M has been set for Sacramento on September 23, and is to be a night game, according to Gene Mastroianni, graduate manager. Governor Earl Warren of California, and his Democratic opponent, James Roosevelt, will possibly be present at the game.

Mastroianni advises that students who are planning to attend the game to get reservations as soon as possible because of the fact that it is a night game, and most Nevada people will be staying overnight.

Nevada's big time football program will be followed this coming season, according to Mastroianni, and all contracts have been guaranteed to be fulfilled by Nevada. In connection with the football situation, Mastroianni revealed that the Board of Regents has asked the disputing factions to get together and present recommendations to them. A representative from the BAC, FCB, students, faculty, downtown boosters, and alumni will meet before June to agree on a definite set of recommendations to be presented to the regents in June.

Get experience, get education, get in the marines, get busy!

### Blues Take Whites In Pre-Game Football Scrimmage

As a preview to next Sunday's big intra-squad football game, Coach Joe Sheeketski held a game scrimmage Wednesday with the same two teams matched that will see action next week. In the hour and a half long drill the "Blue" team came out ahead of the "Whites" — three touchdowns to one.

Despite the score, the game was an evenly matched affair, with the "Whites" missing two scoring chances with untimely fumbles. For the "Blues," Myron Leavitt plunged over from the five yard line for the initial TD, and two long passes from Pat Brady to Bob Collett accounted for the other two scores. The "White" tally came on a series of off tackle plays that was culminated with Howard Barber's drive over the goal.

The scrimmage showed that both teams intend to do a great deal of passing come next Sunday, relying mainly on the arms of Brady and Ray Gonsalves, who also got off some good pitches Wednesday.

### Pulsipher Elected Blue Key President

Blue Key fraternity elected new officers for the coming year at a regular meeting of the group Thursday afternoon.

Charles Pulsipher is the new president. He replaces George Vucanovich.

Other new officers are Buck Wells, vice-president; Wayne Ashley, secretary-treasurer; and Hal Prugh, corresponding secretary.

The above three men replace Al Richardson, Eddie Carr and Buster McBride in the respective positions.

### Lose a Watch?

A women's Swiss wrist watch has been turned in at the dean of women's office. The watch was found last week, and has no initials on it.

### ARTEMISIA COSTS FACULTY \$4

The 1950 Artemisia will be available to the faculty for \$4.00. Any member of the faculty wishing to order the yearbook, which is complete with color pictures of the campus and student activities, may do so now.

The order can be placed with Business Manager Howard McKissick by phoning 2-3642, or with Graduate Manager Gene Mastroianni at 2-4272.

### Scabbard and Blade Elects Officers

Officers for 1950-51 were elected at the last meeting of Scabbard and Blade, honorary military organization.

Lawrence Means was elected captain, with Ted Klimaszewski, first lieutenant; Sam Savini, second lieutenant; Ted Lokke, first sergeant; and Jack Shevlin, technical sergeant.

Installation of these officers was scheduled for last Wednesday evening, but was postponed until Tuesday because of the election rally.

### Sorority Observes

Alpha Gamma chapter of Gamma Phi Beta observed its 29th birthday Tuesday night. Members of the active and alumni chapter celebrated with a birthday party at the chapter house.

Entertainment was furnished by the active and alumni groups. The program included the Gamma Phi song team, a monologue by the Gamma Phi alumni advisor, and two skits presented by members of the active chapter and charter alumnis.

Refreshments were served at the end of the program.

### Lund Elected Regional Director Of Blue Key

Clarence "Whitey" Lund was elected junior regional director of Blue Key honor fraternity, western region, at the western regional convention which was held at Oregon State College April 20, 21 and 22.

He will hold this office until the next regional convention in 1951. This is a special honor since it was the second year straight that a Nevada man has been elected to the position. The former one was Robert Vaughan.

The western region includes all Blue Key chapters in California, Oregon, Washington, Idaho and Nevada.

The duties of the junior regional director include the collection and distribution of information on chapter projects, publishing a regional news letter twice annually, continuing the current expansion program, representing the region in installations, and putting into effect plans that come from national headquarters.

### Attention Seniors

Mr. James J. Hill, librarian, who is in charge of the caps and gowns for the graduating students, announced that they have been ordered and will arrive here in plenty of time to be distributed. Instead of individual sizes for each student, an assortment of sizes was ordered for all students, so the first to pick up his gowns after they arrive will get the best fit.

Miss Johnson, in charge of the catalogue department at the library, will have charge of issuing the gowns from the north hall of the library. The exact date will be announced later. There will be a rental fee of one dollar on the caps and gowns.

### EE Program Presented Tuesday

University electrical engineering students presented a program for the local professional engineers club at the Club 116 Tuesday night, according to Professor Irving Sandorf, head of the electrical engineering department.

T. Paul Sullivan presented "Electronic Remote Control Motors"; Tom Jones, "Syncros (Device for transmitting motion between the remote points)"; Tom Blackham, "High Voltage and it's Control"; Dean Burge-miester, "How to Make a Gieger Counter," and Roy Larson "Tele-script."

### NOTICE

A list of the students that have not been counted for the 1950 census on the university campus was published in last week's issue of the Sagebrush. In order to have a 100 per cent count, it is requested that these students pick up the census forms at the dean of men's office and complete them. The report must be in by the 15th of May.

### ATTENTION BLOCK N

A very important meeting of Block N will be held Tuesday night at 7:30, according to President Ted Kondel. New officers will be elected, and complete plans will be made for the Nevada state high school track and field meet at Mackay Stadium on May 20, and the Western Conference track and field meet to be held at the stadium on May 13. All members are urged to attend.

### Athletic Fund Control Amendments Complete Control Dual Control

If you are in favor of the complete control of intercollegiate athletic funds being in the hands of the Board of Athletic Control, vote "yes" on the following amendments: (This amendment is subject to approval of the Board of Regents, according to ASUN constitution.)

#### DIVISION I

##### Article IV—Finance.

##### ASUN Dues—

Section 1-d. (amended to read) All ASUN bills, with the exception of those incurred by the Board of Athletic Control, shall be paid by check written by the Comptroller and authorized by the graduate manager and the chairman of the finance control committee.

Section 1-e. (included to read) All Board of Athletic Control bills shall be paid by check written by the comptroller and authorized by the graduate manager and the chairman of the Board of Athletic Control committee.

Section 2-f. (amended to read) Seven dollars of each student fee each semester shall be allotted to intercollegiate athletics. The administration of this allotment shall be in the hands of the Board of Athletic Control.

##### Finance Control Committee—

Section 3-a. (amended to read) The full control of all ASUN finances, with the exception of those allotted to athletics, shall be vested in the Finance Control committee.

Section 3-e1. (amended to read) to have in its charge and to control the administration of all ASUN finances, with the exception of those allotted to athletics:

Section 3-e-6 (amended to read) to approve the budgets of all ASUN organizations which earn money or use ASUN money, with the exception of the Board of Athletic Control, such budgets to be submitted to the committee not later than the first four weeks of each semester;

Section 3-g. (amended to read) The Central Treasury shall be the depository for all ASUN organizations, with the exception of the Board of Athletic Control, deriving funds from Central Treasury including dues and special assessments, and the financial administration of such organizations shall be governed by the Finance Control committee. Any function underwritten by the ASUN and to which income accrues, such income shall revert to ASUN Central Treasury unless an exception is made by the Finance Control committee.

##### Division IV—Finance.

##### Article V—Board of Athletic Control.

Section 8. (amended to read) The administration of all funds allotted to, or derived from, intercollegiate athletics shall be in the hands of the Board of Athletic Control.

If you are in favor of the dual control of funds allotted to intercollegiate athletics by the Board of Athletic Control, supervised by the Board of Finance Control, vote "yes" on the following amendment. (This amendment is subject to approval of the Board of Regents, according to the ASUN constitution.)

##### Allotment of Funds—

#### DIVISION I

##### Article V—Board of Athletic Control.

Section 1. (amended to read) The full control of all intercollegiate athletics, with the exception of finances, shall be vested in a Board of Athletic Control.

Section 4. (amended to read) The specific responsibilities of the Board of Athletic Control shall be as follows:

a. To determine all policy as it affects intercollegiate athletics, with the exception of finances.

b. To have complete supervision of all intercollegiate athletics, with the exception of finances.

c. To hire and contract for all coaches engaged in intercollegiate athletics with the approval of the Finance Control Board and to remove and determine causes for removal of all coaches so engaged; and to assign and supervise their duties.

d. To hire and contract for a full-time graduate manager, with the approval of the Finance Control Board, and to remove and determine causes for removal of such graduate manager; and to assign and supervise his duties.

e. To determine the salary, time of payment, and length of contract for all coaches engaged in intercollegiate athletics, and for the graduate manager, with the approval of the Finance Control Board.

f. To approve or disapprove all schedules drawn up by the Director of Athletics, who shall be appointed by the board to approve and have signed all contracts in connection with such schedules.

g. To approve or disapprove all budgets for intercollegiate athletics, subject to review by the Finance Control Board, and to have complete supervision over all expenditures made from such budgets, subject to review by the Finance Control Board.

h. To have complete supervision and control of all intercollegiate athletic contests held on the campus of the University of Nevada, or near the university, and to have supervision of all activities that are directly connected with an intercollegiate athletic contest.

### 3 Thefts Reported Over Mackay Day

Who is the University of Nevada's Mackay Day thief?

An electric clothes dryer, weighing approximately 300 pounds and valued at \$250, was stolen from the washroom in Hartman Hall. The gow hall reported a typewriter missing, and a fire extinguisher vanished from one of the veterans' dormitories.

The typewriter was located at a Carson City pawn broker's and was returned to the university for \$25.

"The culprit who took the dryer has the police to contend with unless he returns it in which case the matter will be dropped, according to Robert S. Griffin, dean of men.

### Poster Advertising Under Control

Campaign advertising is well under control compared to last year, Carl Horn, superintendent of buildings and grounds, said.

All posters have been put up with his permission and will be easy to

remove, he said.

Horn warns, however, that unless the students clean the posters up after the elections he will bill the various responsible parties for the time involved in cleaning them up.

### ATO's Awarded Scholarship Plaque

An award, in the form of a mahogany framed plaque, was presented by the national chapter of Alpha Tau Omega to the Nevada Taus for winning the scholarship trophy last spring semester. The plaque was given to the house by President Tom Bell at a meeting of the chapter last Monday night.

The Taus had a get-together on Tuesday night in honor of the occasion. Friends of the Taus from all over the campus attended.

### 37th Annual Mackay Day Reviewed

The 37th annual Mackay Day celebration was brought to a close Saturday night with the presentation of awards by Queen Nancy Hecker at the Mackay Day dance in the old gym. Awards were given to Pi Beta Phi, Lambda Chi Alpha, Highlanders, Theta Chi, and the Polkateers.

The celebration officially began at 11 o'clock with the fraternity obstacle race, won by Lambda Chi Alpha followed by an assembly in Mackay Stadium at which time fraternity skits were given. The Highlanders presented the winning skit.

Theta Chi was given the fraternity work day cup. The cup is awarded on the basis of work day attendance, beard check, and dance attendance. Friday's activities were brought to a close by the sorority open houses Friday evening.

Lucius Beebe, noted author, and authority on railroads, was guest

speaker at the Mackay Day luncheon. Mr. Beebe made a short talk on Nevada's heritage.

Honored guests were introduced at the luncheon by mistress of ceremony, Romona Walker. They were acting president and Mrs. Parker, Dr. and Mrs. Carpenter, Gov. and Mrs. Pittman, Mr. Lucius Beebe, Mr. Charles Clegg, Beebe's writing partner, Rev. Martin, Silas Ross, Eppie Johnson, Mackay Day chairman, and Paul Reimer, student body president, and Queen Nancy Hecker.

During the course of the luncheon, fraternity and sorority song teams were presented. Winning sorority group was Pi Beta Phi. Lambda Chi Alpha received the trophy for the fraternity song team. Judging the song team competition were Fred DeSalvo, Mary A. Atcheson, Nick Alico, Professor Ernest Corris.

One of the featured events of this

year's Mackay Day celebration was the arrival of the last shipment of gold ore on the V&T at the Southern Pacific station in Reno. The ore shipment was then carried in a parade to the university where it was presented to the Mackay School of Mines Museum by Governor Vail Pittman of Nevada.

Climaxing the celebration was the Mackay Day dance. The first portion of the dance was devoted to square dance contests. The Polkateers of the University of Nevada were the winning dancers.

Cups were also given for the best costumes. Odile Frost won the women's competition; while Harold Hayes was selected from the male contestants.

Beard awards were given to Emil Ott, best trimmed; Kenny Olinghouse, reddest; Dave Hand, thickest; Sam Dibitonto, brownest. Bob Deady received a steak dinner from Cal-Neva for the skimpiest beard.

Mackay Day chairman Eppie Johnson stated that this year's cele-

### Journalism Picnic Set for Sunday

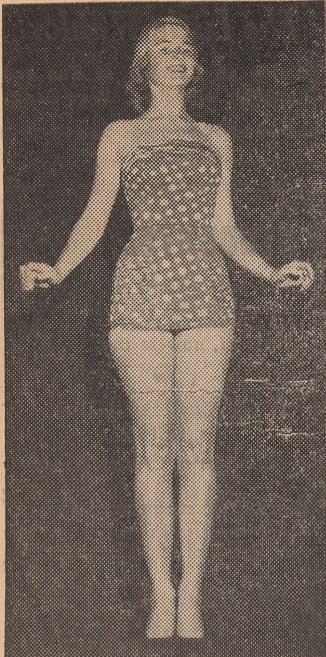

All journalism students and friends are invited to attend the annual Press Club picnic next Sunday. It will be at Bowers Mansion at one o'clock.

Those who have children may bring them also, and free of charge. To defray expense a fee of 50 cents per person is being charged.

There will be food, drinks, swimming, sunbathing, baseball, and an all-around program of fun.

Tickets may be purchased from Professor K. Janulus, M. Graban, Jon Milburn, Chuck Charlton, Mark Curtis, and Neal Corbett.

bration was particularly successful. He went on to say that he was gratified with the cooperation from the entire student body.

Margie Yetter, freshman student at U of N, is another coed in the race for Miss Reno . . . and she has the legs for the race.

### Bathing Beauty Poses for Artists

It is a common thing for beauty contest aspirants to have publicity pictures of themselves in bathing suits published almost daily, but the newest entrant in the Miss Reno contest, Margie Yetter, has gone her competitors one better—for the past several weeks she has been posing for University of Nevada art classes in just such attire.

For the record, 18 year old Margie is a freshman student, and is sponsored by Artemesia hall. She weighs 126 pounds and stands five feet ten inches high.

### Radar Operation For Public is Plan For Engineer's Day

You too can operate a radar set—that is, if you come to the 32nd annual Engineers Day a week from tomorrow, Saturday, May 20.

The electrical engineers will have a radar set up in the quadrangle for that occasion, Professor Sandorf, head of the EE department, said, and it will be open for operation by the public.

Such objects as planes, mountains, clouds, and maybe a flying saucer or two will be able to be picked up by the amateur operators.

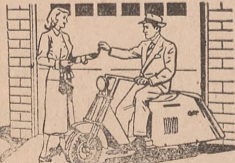

Professor Sandorf also said that the EE department is attempting to sell a radar trailer.

Unfortunately, the radar does not come with it, but it is still a perfectly usable heavy duty trailer complete with eight wheels and tires.

The tires alone seem to be worth the price of \$100 asked by Professor Sandorf.

Anyone interested in such a trailer can obtain additional information from Sandorf.

### Major Nathan Adams, Auburn '40 Personnel Manager, U.S. Air Force

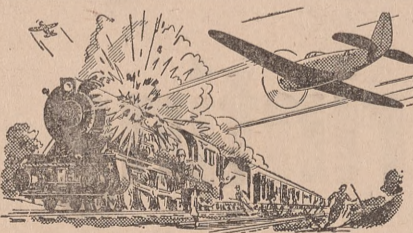

A top scholar and ROTC Honor Graduate, Cadet Lt. Col. Nathan Adams enjoyed his final military ball in 1940, soon left for Fort Sill's Field Artillery School.

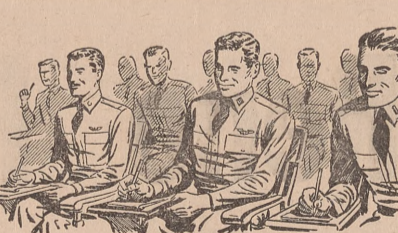

Following a three month course, Lt. Adams decided the Air Force was the place for him. He applied for pilot training, was accepted, proceeded to Maxwell Field.

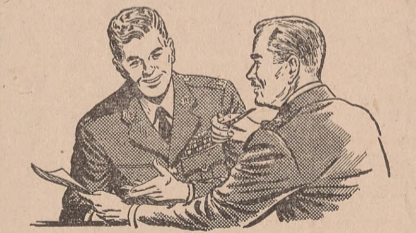

He won his wings and reported to the 36th Fighter Group in Puerto Rico. The group soon returned to the States, giving Adams a chance to marry his college sweetheart.

Within months Adams was overseas, flying "rhubarbs" (missions against enemy transport). He flew 63 P-47 missions within in seven months, returned to the States late in 1944 for rest and recuperation.

V-J Day came, and Adams decided to make the service a career. He chose personnel work as his career field, was assigned for training to the Adjutant General's School at Fort Oglethorpe, Georgia.

Now a regular Air Force Major, he heads a 32-man section at Bolling Air Force Base. He advises his Commanding Officer on selection, assignment and promotion of all officers and airmen in the command.

If you are single, between the ages of 20 and 26½, with at least two years of college, consider the many career opportunities as a pilot or navigator in the U. S. Air Force. Procurement Teams are visiting many colleges and universities to explain these career opportunities. Watch for them. You may also get full details at your nearest Air Force Base or U. S. Army and U. S. Air Force Recruiting Station, or by writing to the Chief of Staff, U. S. Air Force, Attn: Aviation Cadet Branch, Washington 25, D. C.

U. S. AIR FORCE

ONLY THE BEST CAN BE AVIATION CADETS!

### Boosters Stay Ahead of Expenses Comptroller Says

The Downtown Boosters Club, in line with the University of Nevada regents' newly established "cash and carry" policy, has so far stayed ahead of its current expenses, according to Perry Hayden, university comptroller.

The regents voted to cancel all credit to the club when the supporters were unable to make a \$10,000 payment on their \$45,000 bill for athletic scholarships. The payment was due April 15.

#### LOST

A set of keys on a ring were lost last week in the vicinity of the old gym. The set consisted of four keys, a bronze door key, marked 205, and three silver locker keys.

They were lost around the front door of the gym and a reward is offered for their return by Richard Panzer of the chemistry department.

If found would the finder kindly notify the chemistry department by calling 2-2793.

#### TREES PLANTED IN '27

In 1927, men on the campus planted five trees, "to the tune of stirring marches played by the university band." Apparently that Mackay Day was unique in both of these features.

### Deadline Set For PhT Degrees

All seniors who have not seen about the Ph.T. degrees (Putting Husbands Through) for their wives should do so immediately. The final day for acceptance of applications has been set for next Wednesday, May 17.

According to latest information, there has been an enthusiastic response to the chance for one of these honorary degrees, but there are still quite a few seniors who have not yet applied. All that must be done is to see Mrs. George, in the registrar's office, give your wife's name as you want it on the diplomas, and pay 50 cents; the money is to cover the cost of printing.

Women! Make a career of service with the Marine Corps.

### Students Register At Snack Bar Booth

More than 100 young voters took advantage of the registration booth set up in the YWCA snack bar on Wednesday and Thursday.

The booth was set up on campus to provide a convenient registration place for busy students who have recently turned 21. Students who registered during the two days will be eligible to vote in the Nevada primaries on September 5.

#### BEARDLESS '26

Think of it! In 1926 they actually punished any man found on the campus with a beard. This was the result of protests made by the fair sex the year before.

The Marines are enlisting women 20 to 31 for duty!

April 22, 1927

Jake Lawlor pitched Sigma Nu to a 7-3 win over Lincoln Hall.

Most of the Mackay Day queens have been brunettes.

Sundowners began their activities in 1921.
