

## Search started for qualified man to replace outgoing President Love

The university board of regents drew up the specifications and procedure for selecting a new president in an executive session Tuesday night.

Any man considered for the position must meet the academic standards set up by a Nevada statute, said Silas Ross, chairman of the board.

### Western

He must also be familiar with the west and the problems of a land grant college, and possess a degree from a college with as high a rating as Nevada. Administration experience is also necessary.

Personal qualifications include being a family man between the ages of 40 and 45.

Mr. Rose added that the board had decided the position should seek the individual and not the individual position. Applications are not being accepted, although a few have already been received.

### Recommendations

The board of regents will write to colleges and universities in the West and ask that capable men be recommended. These men will be contacted and asked for references and academic work and other specifications. When the field is narrowed down, more investigation will be made by the regents to select the final one to become president.

Mr. Rose added that they have a list of eligible men contacted two years ago when Dr. Love was selected.

Board of regents, which includes Silas Ross, Sam Arentz, Jr., Newton Crumley, Roy Hardy and Louis Lombardi, met in an executive session, which excludes the president, comptroller and secretary, to discuss the selection of the new president.

Dr. Love will leave Reno September 1 to assume the presidency of San Diego state college. He will become vice president of the institution July 1 and president in September.

### Resignation

Dr. Love said that he had intended to tell the regents of his resignation but it was announced by the California state board of education before he had a chance to.

His resignation was caused by his wife's ill health, and the hope that the change in climate might benefit her.

Dr. Love told the regents that he felt the deepest regret in leaving Nevada and added that "it was one of the finest experiences I have had in my life."

## Frosh, sophomores may clean up lake

Manzanita lake may get a much needed cleaning this spring, as a project of the sophomore and freshmen classes, according to Burt Munson, soph class manager, and Otto Schulz, frosh class manager.

The lake cleaning would take the place of the annual Soph-Frosh hop, given by the two classes.

"Instead of having the dance, on which we would lose about 50 dollars apiece, we would like to clean the lake," said Munson. We always lose money on this dance, he added.

### Permission

Schulz reported that they would need to recruit the help of the engineers and also get permission to go ahead with the project before undertaking the cleaning.

We would have to drain it first, Schulz said, and then if there was too much to clean, we would need to use heavy equipment, instead of having the sophomores and freshmen do it.

## Get out your pens, earn some cigarettes

Get out your pens and write a letter to the editor.

Writer of the best letter to the editor each week will get a half carton of cigarettes. The contest is being sponsored by Joe Bugica, Chesterfield representative on campus.

Letters will be judged by the editor on the basis of originality, interest and style.

Len Savage, Dean Griffin, Dean Mobley and Mrs. Griffin at the Senior Ball last Saturday. (Sagebrush photo)

## Complete list of Big Bonanza events promises attraction-filled weekend

All plans have been mapped out for the Big Bonanza, announced Jack Keen, social chairman for the event. The only change might be the addition of the inter-fraternity track meets Saturday afternoon.

They include the biggest and best attractions from Mackay, Aggie Jack Keen, social chairman for the event.

An assembly Thursday morning to crown the queen will kick the celebration off. She will be elected by male student vote and not by Esquire magazine as before.

Exhibits will be set up Thursday afternoon and the annual physical education show that night is under the direction of John "Doc" Martie, head of the P.E. department. A special roller skating act and tap dancing will be part of the program.

Friday, Benefactor's day, will feature the obstacle race, luncheon, band concert, parent's hour, sorority open house, and showing of exhibits.

### Obstacle Race

The obstacle race will be at 11:30 after morning work on the exhibits. Three-legged races, tire races, bicycle race, 100-yard dash, one lap around Mackay stadium and a fast dash across Manzanita lake are on the agenda.

### Song Teams

Annual song team competition by the fraternities and sororities is scheduled for Friday at the luncheon from 12 to 2:30. Tributes to the benefactors will be made at that time.

Beards will be checked at the luncheon this year instead of earlier in the mornin. The frat house with the highest percentage of beard sprouting will receive a trophy.

The university band puts on an informal concert at 4 p. m. on the quadrangle in front of the Mackay statue.

From 7 to 9 parents of the students will have a special time to visit the campus and visit the

houses. At 9 p. m. all students are invited to the sorority open houses.

Saturday has been labeled All-College Exhibit day and will feature exhibits from the arts and science, engineers' and Aggies. They open at 9 a. m.

### Contests

Contests, under the direction of Carl Forbes and Tom Carlson, will start at 10:30. The surveying, mucking, slide rule, riveting and drilling contests are open to all students on campus.

At 2 p. m. the exhibits will be judged on the basis of theme, relevance, interest and originality. The names of the judges have not been announced.

From 9 to 1 Saturday night a dance in the new gymnasium will feature the awarding of the trophies by the queen for the best beards, song team winners, obstacle race winners and contest winners. If financial problems can be arranged Buster Peart and his ten-piece band will play.

### Aggies

All during the day a special Farm and Home day program will be presented by the Aggies. Talks will be made by various university faculty members. The Aggies will hold a barbeque at noon in the experiment plot.

Sunday, Mackay day, benediction services will honor the Mackay family. Reverend Brewster Adams is the speaker.

## Preparations for Aggie horse show Underway for big weekend May 10

Late entries in the forthcoming Aggie horse show are expected to make the May 10-11 sixth annual show the biggest yet. Thus far re-entry of entry blanks has been slow.

The weather, too, is likely to play an important role in the success of the yearly venture, Corky Lingenfelter of the Ag club said last week. A stormy weekend would surely cut down the gate receipts at the Reno rodeo grounds, site of the two-day show.

### Queen

Included in the activities of the two-day show will be the selection of a queen from a group of five university co-eds. They include Joy Blume, Nancy West, Leah Gregory, Nan Imperatrice, and Betty Hammond. The choice will be on Saturday by spectators' votes.

### Entries

Entries from seven of the western states are expected here for the 1952 version of the annual show which was started six years ago by members of the Aggie club.

Horse owners from Nevada, California, Utah, Colorado, Texas, Arizona and Oregon have returned entry blanks. Original deadline for entries was yesterday but it had to be changed to May 9 because of slow response.

### Cutting

A Nevada cutting class, open to men from the state of Nevada only, and the hackamore class, reserved for horses five years old and under and never driven with a stock bit, are new events to be run off this year.

The cutting horse class this year is recognized by the Pacific coast and national cutting associations.

### Airmen

Several airmen from Stead air base have entered privately-owned stock in the halter and working class competition.

Heading two days of racing will be the second annual futurity race for two-year-olds, over a 300-yard course. This race along with five others on Saturday and Sunday, is being sponsored by the Nevada racing association.

As in past years, a record of veterinary inspection must be presented before admission to the stalls will be allowed.

The Churchill riders, a mounted group from Fallon, have been invited to appear at the show, and again, a trick riding act is listed on the program.

### Awards

A few awards will be made on Saturday, but most of the prizes will be awarded the following day at the completion of all events.

Prizes are to be awarded in the halter, quarter, palomino and Arabian classes. Sunday awards will include a trophy and rosette for the grand champion quarter horse, gelding, mare and stallion.

### Judges

Three judges, all from California cities, have been selected and include C. G. Araujo, who judged the finals of the cutting class at the Cow Palace in 1951. Other judges appearing here will be Ray Arano of Milton and Prof. C. E. Howell from Davis.

Announcing events on both days will be Lyle McCartney, of Reno.

### Concessions

Members of the Aggie club will handle concessions and the distribution of the programs. All proceeds go to the Aggie club.

Dick Reid, a senior, is managing the show this year, assisted by Bill Cockrell.

Regular admission will be \$1.20, while box seats will be on sale for \$2.40. Students with cards get in for \$.50. Children under 12 pay \$.25.

## Stones not stolen from cemeteries

In last week's Sagebrush it was erroneously reported that the gravestones used at the SAE In-sane dance two weeks ago were stolen from the Catholic cemetery.

It has come to the attention of the Sagebrush that the tombstones were not stolen from the Catholic cemetery or from any cemetery.

The Sagebrush regrets the trouble the story caused the SAE fraternity.

## No beer on sale at Aggie show

Horse show goers will have to quench their thirst with coke and orange-ade instead of beer this year at the annual Aggie club horse show at the Reno rodeo grounds on May 10 and 11.

Beer concessions have been ruled out by the board of regents under the university code which specifies that no alcoholic beverages may be served at a university function.

### Money

"We usually made about \$200 on the beer concession alone when the weather was good," said Corky Lingenfelter, racing secretary for the Aggie horse show.

Cutting out the beer will mean a loss to the Aggies, who sold the beer in previous years without the permission of the board of regents. Criticisms of the concession caused them to consult the regents this year.

Soft drinks, hot dogs and hamburgers however will be sold at the show.

## Macbeth tragedy turns into sad comedy of errors

### By Al Conti

Shakespeare's tragedy, Macbeth, turned into a comedy of errors at the Monterey drama festival last week. It was just one of those nights for the Reno Little Theater group, which participated.

According to members of the cast the actors went down swinging even before the curtain went up.

### Lumps

First strike came when Macduff, played by Bob Moran missed the trip because of the mumps and Bob DeBold had to fill-in. Second swish came when the players found the stage much larger than they had expected and therefore fouled up their movements and scenery. Strike three came when the lighting apparatus was damaged and failed to give sufficient light.

### Onward

But the show must go on. In the very first scene, the famed witches sequence, the PA system went on the fritz.

The result was no sound at all. When the system did work its volume was too high and sounded like a banshee.

Opening the second act Lady Macbeth tripped over Ross as she entered the stage. Then Macbeth leaned against a pillar in one of the banquet scenes and down came the pillar. Macduff followed that by giving his soliloquy two scenes early.

### Wall

Things were warming up for the third act. Little Macduff, who is supposed to be murdered, was overlooked and left alive front center at the end of the scene. Eve Loomis who played Lady Macbeth, gave her famous sleep walking scene, but when she went to clutch the wall, the wall wasn't there. She improvised by hanging on to the curtain.

In the final scene where Macbeth and Macduff fight it out, and Macbeth finally loses and dies, the audience saw Macduff lose first his sword, then his helmet and finally his shield while another actor nearly fought his way past the footlights into the near-hysterical audience.

Players reported that Dr. William Miller, director, took the incidents rather philosophically. He refused to comment.

### Dr. Laird granted leave of absence

Dr. Charlton G. Laird, has been granted a leave of absence from the English department by the board of regents for the fall semester of 1952.

Dr. Laird will devote the time to his writing. One such work, which is due to be published within the next year, is a sequel to his historical novel *Thunder on the River*, a story of the fur trade in Western America in the 19th Century.

**Published**

Dr. Laird has published a thesaurus, *Laird's Promptory* and edited *The World Through Literature*, a collection of essays.

He is also busy with another work, *A Guide to Comparative Literature*, of which he is general editor. Dr. Robert Gorrell, head of the English department, and Prof. John Morrison are editors of a section of the book, which is divided into four parts.

Dr. Gorrell and Dr. Laird are also

### YWCA to entertain Reno hi school girls

Reno, Sparks and Manogue senior high school girls will be guests of the YWCA May 6 on campus.

Acquainting the high school students with the university and university students is the purpose of the get-together.

WRA members will make up teams to play softball with the high school seniors on the archery field down by the tennis courts. Barbara Gregory, WRA softball manager, will be in charge of the games.

preparing a college English text for the university for next year.

Walter Van Tilburg Clark, well-known novelist from Virginia City, is said to have been considered for appointment to fill Dr. Laird's place by the board of regents.

Clark is the son of Walter Ernest Clark, president of the university, 1917-1938.

Nothing definite has been decided, however, and the position remains vacant.

### Offer draft-agers last chance test

A last chance test has been scheduled for those students who missed out on the recent selective service qualification tests, it was announced by national headquarters in Washington this week. It will be the last opportunity for students to take the exam this year.

Thursday, May 22, has been set as the day for the test to be given in colleges throughout the country. The main purpose of the extra test is to give students who missed the previous tests because of illness or other emergency a chance to qualify for deferment from the draft.

**May 10**

Students are urged to apply before May 10, since only those applications postmarked May 10 or earlier will be considered. Applications may be secured at any local draft board.

When filling out the application, the student should cross out April 24 opposite the space reading Center No. and write in May 22.

**Last Minute**

On April 24, seventeen students took the most recent qualification exam in the agriculture building under the supervision of Mr. Thomas M. Little, assistant professor of biology.

### Leaders' course starts next week

The annual leadership course for student body officers will start May 6.

Seven lectures have been planned. They will cover subjects ranging from the psychology of leadership to student finances.

The sessions are required of all ASUN officers, class officers and incoming senators. Everyone interested, however, is invited to attend. House and organization leaders are especially urged to attend.

**Schedule**

The schedule of talks is as follows:

May 6, 6:30: psychology of leadership. Dr. Martie. 7:15: intra-school relations. Dean Mobley.

May 7, 8:00: parliamentary procedure. Dr. Richards.

May 8, 6:30: student publications. Jim McNabney. 7:15: student finances. Procter Hug. 8:00 relations of student government with the administration (speaker may be Dr. Love).

All sessions will be held in the ASUN senate room.

### Football practice to start May 12

A short spring football program will get underway at the university May 12, a Monday, athletic director Jake Lawlor announced Wednesday.

The spring workouts, which will probably last about two weeks, will be designed primarily to reveal who wants to play ball and to acquaint those grid aspirants with the system at Nevada.

**Fundamentals**

Coach Lawlor, who will assume head coaching duties in the fall, indicated that pads won't be issued. He, along with assistant coach Hugh Smithwick, will drill the group primarily on fundamentals.

We hope to have a good-sized turnout to work with, Lawlor stated, adding that it would be this group which would form a nucleus in the fall.

Drill on defense—in the air and on the ground—and offensive dummy scrimmages will also be included in the program.

More information as to time and place of the initial turnout will be in the next issue of the Sagebrush.

A filler is a filler is a filler is a filler is a filler. This is a darn dandy device.

Until Bell Laboratories scientists design an electric mouth that can pucker, the human model is here to stay. But we have built a machine that can imitate human vocal characteristics—from the slate-pencil squeal of a girls' cheering section to the basso rumble in a men's dining hall.

Sound being a basic raw material of the Bell System, we have pioneered in the science of speech. Measuring the properties of your voice leads to better and cheaper ways to transmit it.

Keeping the world's best telephone system growing for our country is a big and challenging job. There are opportunities for college men with the right qualifications not only with Bell's corps of research scientists, but also in engineering, operations, and administration, with the Bell Telephone Companies and Western Electric, the System's manufacturing and supply unit.

Your campus placement office will be glad to give you more information.

**BELL TELEPHONE SYSTEM**

## Awards presented, officers sworn in

Presentation of athletic and scholastic awards and the swearing in of next year's student body officers were witnessed by a large number of students Thursday.

The Who's Who awards to the twenty outstanding students on campus were made by dean of men Robert Griffin.

Each activity on campus is given a point rating—the highest being the student body president and major athletics—and this rating is added to the student's grade point average. From this, the top twenty students are selected.

Winners were Wayne Ashley, Knight Beauchamp, Marvin Byars, Barbara Carruth, Dave Collings, Ted Covington, Sam Eccles, Bill Engel, Mary Getto, Frank Johnson.

Verlita Johnson, Mardelle Kornmayer, Fred Lee, jr., Clarence Miller, Bob Petrini, Robert Ramsey, Len Savage, Barbara Shelly, Norma Walsh and James Eliades.

### AWS

Mardelle Kornmayer, president of the AWS, gave awards to the ten outstanding women juniors or seniors on campus. The selection was based on activities and scholastic standing.

Selected for this honor were Barbara Carruth, Joyce Cranor, Joan Foster, Mary Getto, Anne Helms, Berlien McCray, Joan Petermann, Joan Lundy, Beverly Poe and Mardelle Kornmayer.

### Gothic N

Miss Ruth Russell, physical education instructor, presented Betty Kling with a trophy signifying her membership in Gothic N. Miss

Russell explained that membership ship ability."

Miss Russell also presented Norma Walsh and Natalie Curtis Higgins with life passes to all athletics at the University of Nevada. This took "brains, brawn, and leadership" is given to Gothic N members upon their graduation.

### WRA

Elizabeth Miller was given a life time membership and trophy from the Women's Athletic association. This is given to an outstanding woman who did not make Gothic N membership.

Jake Lawlor read the names of the men who will receive athletic awards and who may get the awards after the spring athletics are through. These awards will be made at the conclusion of the spring athletics.

Procter Hug was sworn into the office of student body president by James Eliades. Hug, in turn, gave the oath of office to Bert Munson, new senator-at-large.

In the absence of Martha Oviatt, senator-at-large, James Eliades gave the oath to Leah Gregory. Eliades also swore in Giles Altenburg as Block N representative.

Class managers taking office were Elwin Pulsipher from Wayne Ashley for senior class manager, Elbert Gardner from Red Esplin for junior class manager and Robin Jackson from Bert Munson for sophomore class manager.

### ARTEMISIA OFFICERS

New officers were elected on Wednesday for the Artemisia-Manzanita association. The only officer not yet elected is vice-president, still being run off.

Elected president was Phyllis Carpenter; secretary, Sarah Titus; treasurer, Roberta Orton.

## Senior ball is social success, not financial one

Seniors danced to the music of Jake Turner and his band at their annual ball Saturday night at the Fable room of the Mapes hotel.

"The dance was a social success," said Wayne Ashley, senior class manager, "we had a nice crowd—about 60 couples. It was not much of a financial success, however, as we lost about \$40."

Senior women enjoyed that blessed privilege, granted all graduating

women the last six weeks of school, of having to keep no hours, in contrast to the usual 2 a. m. curfew.

Costume for the dance was semi-formal, women in evening dresses and men in dress suits and tuxedos.

Ashley and the senior class committee composed of Dawn Pershall, Beverly Balaam, Mae Gregory, Joann Rich, Kay Vassar, Wayne Pearson, Corky Lingenfelter, Bud Whalen and Jim Lee, made arrangements for the affair.

Guests were Mr. and Mrs. Jake Lawlor, Dean Elaine Mobley, Mr. and Mrs. Jim Olivas, and Dr. and Mrs. Robert Griffin.

## Voting instruction topic of lecture

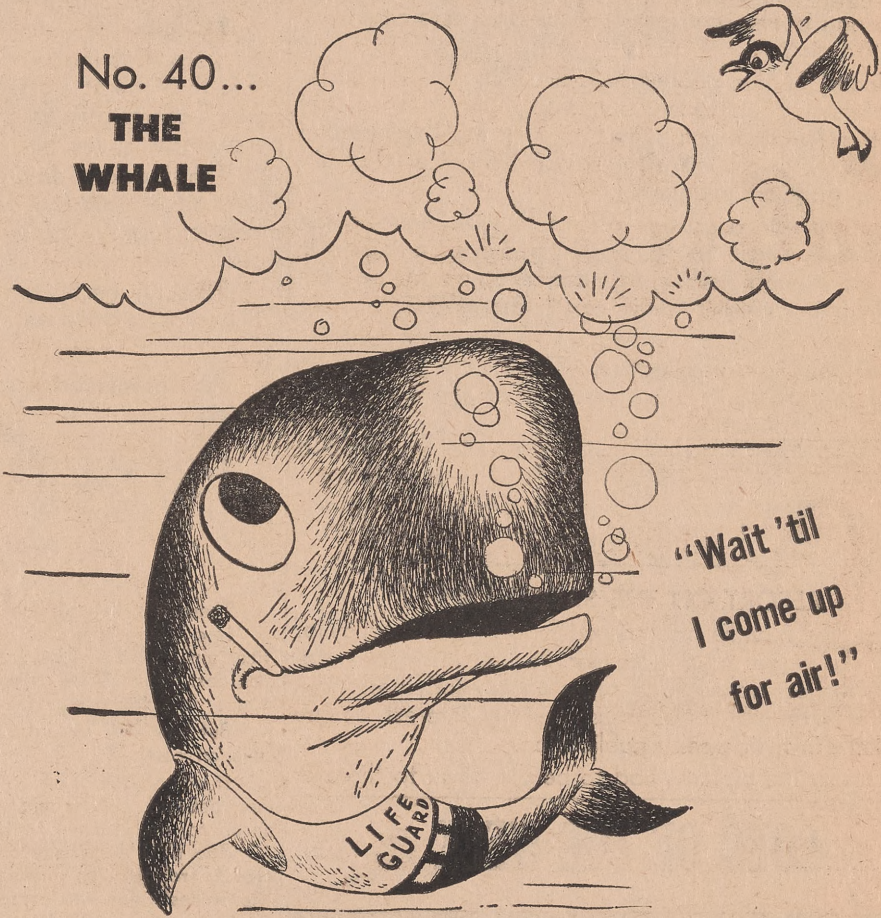

Know Your Voting Procedure will be the topic of a lecture by Mrs. Ralph Wittenberg, president of the Reno league of women voters May 8 at 8 p. m. in the basement of Stewart hall.

Instruction and information about the voting procedure will be discussed by Mrs. Wittenberg.

She is being sponsored by YWCA as a service to new voters on campus.

## Campus Interviews on Cigarette Tests

No. 40...  
**THE WHALE**

"Wait 'til I come up for air!"

Poor guy was submerged in a veritable sea of cigarette tests! He didn't know whether he should "blow"—or just jettison the whole job! But he fathomed the matter when he suddenly realized that cigarette mildness can't be judged in one quick spout! Millions of smokers have found, too, there's a thorough cigarette test!

It's the sensible test... the 30-Day Camel Mildness Test, which simply asks you to try Camels as your steady smoke — on a day-after-day, pack-after-pack basis. No snap judgments! Once you've tried Camels in your "T-Zone" (T for Throat, T for Taste), you'll see why...

After all the Mildness Tests...

## TO THE DANCE

This week a Big Bonanza budget was approved. This year's budget of almost \$1700 is far larger than the total budgets of the separate Mackay days and Engineers' days of the past.

Included in the budget is over \$400 to hire Buster Peart's orchestra for the big dance on May 17. It was felt by the Big Bonanza committee that a well-known band such as Peart's would make the dance far better than hiring a local band at less money.

BUT, the dance cannot afford to lose money. On May 17 there will be two competition dances going on in Reno. The Armed Forces day dance downtown will undoubtedly attract many non-university fun-seekers.

It is up to everyone on campus to act as a publicity agent for the Saturday dance. The dance is open to everyone. Buster Peart's band is popular on the west coast. The price is reasonable.

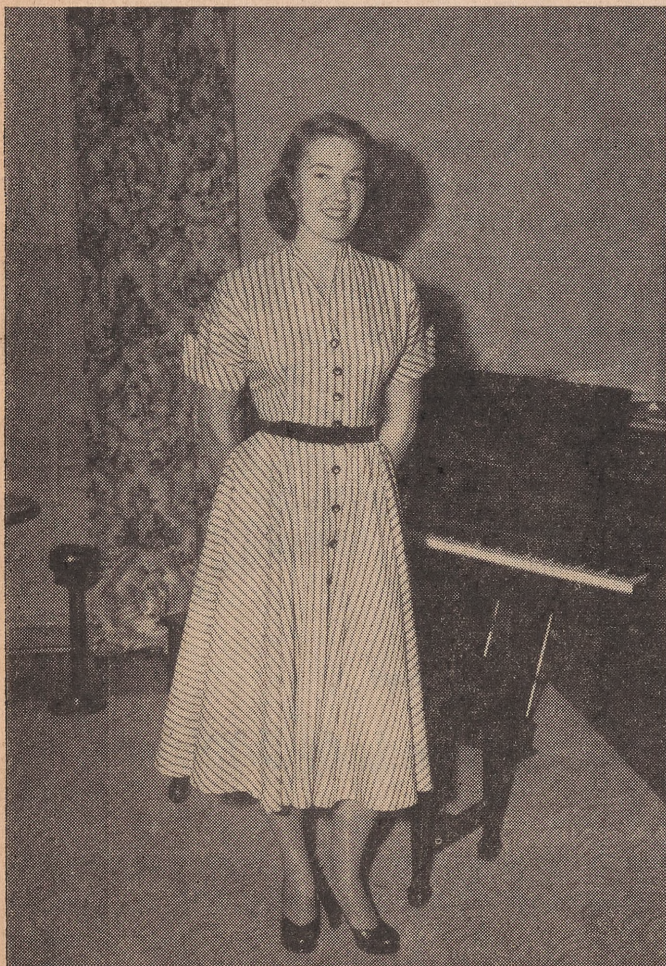

Without doubt the dance will be a social success, but only excellent attendance from the university and outsiders alike will insure that there will be name bands at future Big Bonanza dances.

## REPORT ON THE SAGEBRUSH

Over two months ago the editor started a policy of jamming the pages of the Sagebrush with informal snapshots of parties, dances and other social activities. This was done in an effort to arouse a little interest among the students in their weekly publication.

Suddenly the pictures had to be cut down to three or

## COED OF THE WEEK

Irene Marshall, a Pi Phi, is this week's Coed. Irene was married at Christmas time. Her husband, a corporal in the army, is stationed in Okinawa. Irene is a freshman, majoring in home ec under a Smith scholarship.

four a week, since the lithograph printing press was no longer available to the Sagebrush.

In an editorial we promised that the pictures would return around the first of May.

Sorry, but that is impossible. As much as we dislike it, the Sagebrush will have to limp along on three pictures a week until the end of the year.

NEXT YEAR, however, the Silver State Press is planning to offer the Sagebrush a price to print the paper entirely by lithography. If the offer is accepted, the Sagebrush will be able to print innumerable pictures with no engraving expense.

Meanwhile we will rely on Ted Covington's column as a major attraction in the paper. Many students have confessed that the only item they read in the paper is "From the Sidelines."

## REPORT NUMBER TWO

In recent years, Sigma Delta Chi, a journalistic fraternity, has taken over the Sagebrush for Mackay day. They sold ads, wrote copy and edited the paper.

This year, however, they voted against it. The reasons were that many of the members felt they could not spare the time to work on it and that the usual \$75 guarantee was not offered. (In place of the guarantee, a large percentage of the net profit for that issue was offered).

The Mackay day edition is a potential gold mine. Many advertisers buy ads in this issue only. The business manager has set aside many high-priced ads to run that week.

Through inertia and lack of confidence, Sigma Delta Chi has lost a good bet.

Absent-mindedness does not make the heart grow fonder.

## FROM THE SIDELINES

by  
Covington

There was a time when the column was going to start like this:

In a town where divorce is supposed to be a big business, there is certainly a lot of good feeling on its university campus. The freshmen next year will be met with open arms and just about open romance, for Hug and Love will be there to meet them.

But now, it is too late, because next year there will be no more Love on campus.

It was a week of culture for the students if they wanted it. Over the week-end, plus or minus a couple of days, there was a concert, an opera, and a day-long band contest.

The BYU Symphony orchestra played before a pretty meager crowd, probably the smallest they will encounter on their whole tour. The orchestration was excellent, the selections would have suited the most musically uninitiated, but the number in attendance did not do them justice.

**QUICK CHANGE ARTISTS:** Thinking back, there have been quite a few head executives in the office in Morrill hall in the last four years. The graduating seniors this semester have all seen at least three different presidents during their stay on campus. The five year seniors, bless them, will see four changes in the office. That's not a bad average; either three presidents in four years or four in five. . . . Might be some kind of record if someone would bother to look it up.

**FESTIVAL OF MELODRAMA:** The drama outfit seemed to have a little tough luck in its little sojourn to the drama festival at Monterey. Before they even left for the big event, tragedy struck the cast, and new parts had to be given to completely unpracticed actors.

Then they got there; the stage was too large and the timing was off. Instead of two steps, three had to be taken. In the witch scene, the public address system went on the blink, so at first there was no witch noise, THEN THERE WAS TOO MUCH; there was none, THEN THERE WAS TOO MUCH.

**When Macduff and Macbeth had their little sword-play, Macduff lost his sword, his shield and his hat, and Macbeth almost fought his way into the audience. Then, someone leaned against the scenery, the pillars in particular, and it finished the play with human support from the rear. Because the scenery was misplaced, the sleep-walker, not finding the correct wall to grasp, finally settled for the curtain. . . . Main quote from persons concerned: "No comment!"**

There is a new thing in the field of journalism. At least it was new a few years ago. However, the Artemisia year-book of the University of Nevada has not yet discovered it.

This thing under consideration is called lithography, and it works wonders with expensive printing and the like. An admittedly rough estimate of the advantages to be gotten from its use are this:

The book could be of the large size—a bigger format. It could be approximately one-third thicker, and the number of pictures on each page would not affect the price of the page.

All this could be gotten for the same amount of money now being used to publish the skinny-special, and there might even be a padded cover to go with it. The amazing aspect of these possibilities is that there are such facilities in the city of Reno. In other words, it would not be difficult to have it done.

What keeps the students of the university from getting these advantages and improvements? . . . Who knows?

**SLUG:** Flag flying at night in front of Stewart hall. Saves the trouble of putting it back up the next morning.

## UN tracksters enter six-way meet tomorrow

Top notch competition will face Nevada's track team tomorrow evening when they vie for honors in a six-way meet at Stockton, California.

The meet, which will see San Jose State, Fresno State, San Francisco State, University of San Francisco, College of the Pacific (host team) and Nevada take to the track and the field events, will be held in Baxter stadium beginning at 7:30 in the night.

Nevada will be entering its fourth meet of the season, having won duel meets from Chico state and Sacramento state but having dropped to College of the Pacific and SF state last weekend.

Favored in the affair, which has been held for the last three years and which may become an annual event, is San Jose state. San Jose sports one of the fastest middle distance men on the coast.

Coach Hugh Smithwick of the Wolf Pack announced that he would not take a full squad to the meet since it is customary for most of the teams to enter only their best men in meets this big. Probably he will take around 13 men.

## Nevada publisher donates 25 books

Twenty-five new books have been presented to the journalism library by Neal Van Sooy, for whom the library is named.

Van Sooy is the publisher of the Carson City Appeal and the Carson City Chronicle.

Many of the books are first editions and some are rare, said Prof. A. L. Higginbotham, head of the department of journalism.

### Volumes

This brings the total number of books that Van Sooy has donated to 100. Van Sooy started the library in 1948-49, when he was president of Sigma Delta Chi, national journalistic fraternity. At that time, he was publisher of the Santa Paula Chronicle in California.

New books which have been added to the Neal Van Sooy library range from Phillip Gibbs' Now It Can Be Told, dealing with the last war, to a scathing expose of William Randolph Hearst by Oliver Carlson and Ernest Bates.

## Floating university offers summer fun

Here's an opportunity to fulfill all the boyish dreams of a life time in ten weeks. The adventure of the sea, the life of a sailor of old, the feel of a deck under your feet, the sights of a dozen foreign countries, all this and a few college credits thrown in.

The American floating university, a non-profit educational organization, is organizing a trip to western Europe this summer for sixty college students on a three-masted yacht. The students will not be merely passengers but will serve as cadet members of the crew. The real crew will be professional.

### NATO

The ship will visit ports in eleven European countries, principally those of NATO.

Seven college courses are planned for the students. They will deal with the history of western Europe, geography and international relations and the Marshall plan. Each cadet is required to enroll in at least two courses.

Those interested in the trip may secure additional information from Dean Griffin's office.

# SAGEBRUSH Sports

DAVE MATHIS, Editor

## Marv Byars sets new UN track record in three-way track meet last weekend

Big Marv Byars, senior on the Nevada track team, toured the 440 in 49.8 seconds for a new Nevada college record last weekend in a three-way meet against San Francisco state and College of the Pacific.

Byars knocked off one tenth of a second from the 17 year old record of Fred Walts. Byars led all the way in the grueling quarter event beating Lou Lahlathi of SF by almost 10 yards.

Nevada's only other first place came in the high jump event where veterans Bill Jager and Brent Tyler tied for the win at 5'11".

COP won the meet with 61 1-4 points followed by SF with 55 1/2 and Nevada with 44 1/2.

Weakening the overall strength of the Pack was the absence of Myron Leavitt, sprinter, and Charlie Bell, ace distance man.

100 yd. dash: Hudson (COP), time

9.9, Clayton (SF), Posey (SF), Boardman (COP).

220 yd. dash: Hudson (COP), time 21.9, Byars (N), Clayton (SF), Lahlathi (SF).

440 yd. dash: Byars (N), time 49.8, Lahlathi (SF), Gitson (SF), Wells (COP).

880 yd. run: Drew (COP), time 2:04.1, Freelow (SF), Quinlan (N),

Gitson (SF).

Mile run: Shelter (SF), time 4:39.5, Drew (COP), Woodbury (N), Sharp (N); 2 mile run: Shelter (SF), time 10.35, Woodbury (N), Vickers (SF), Sharp (N).

220 yd. low hurdles: Leinike (COP), time 25.6, Storer (SF), Berensmire (SF), Ferguson (N).

High hurdles: Store (SF), time 16.2, Leinike (COP), Berensmire (SF), Hug (N).

Pole vault: Tofflemire (COP) height 12'6", Altenburg (N) 12', Etchegoyhen (N), tie Olsen (SF), Duncan (SF).

Javelin: Ball (COP), distance 166'2", Cooper (COP), Jager (N), Baxter (N).

Shot put—Lipsky (COP), distance 44', Server (N), Hage (N), Ball (COP).

Broad jump: Wogaman (COP), distance 21' 2 1/4", Caruso (SF), Duncan (SF), Hinkel (SF).

High jump: Jager (N), Tyler (N), height 5'11", tie Jarrett (N).

Wogaman (COP), Ottoson (COP), Berensmire (SF).

Mile relay: SF state, time 3:31.5, Nevada (Altenburg, Mathis, Coughlin, Quinlan).

Final results, COP—61 1-4, SF—55 1/2, N—44 1/2.

## ATO's sweep inter-frat track

Alpha Tau Omega swept the interfraternity track meet again this year, a habit it has acquired since 1936, with 73 points followed by Lambda Chi Alpha 48, Theta Chi 25 1/2, Sigma Nu 7 and Sigma Alpha Epsilon and Independent 4 1/2.

Outstanding single performance of the intramural competition was the 6'2 1/2" leap of Bilbo Helms, Tau pledge, in the high jump. So far this has bested the performance of any varsity jumper. Helms is ineligible for varsity, however, due to his transfer from another school.

Johnny Legarza, freshman ATO from Winnemucca, garnered 18 points to lead the scoring for the Taus. Legarza won both the high and the low hurdles, placed in the shot, discuss and pole vault. Others who registered double wins were Bob Quilan (ATO) in the 440 and 880, Myron Leavitt, Lambda Chi, who won the 100-220, Reggie DePaoli (ATO) with wins in both the shot and discuss, and Bill Hutchison, Theta Chi distance man, with wins in the mile and two mile.

Firsts

The Taus won eight firsts on the fourteen events, followed by Lamb-

da Chi with four firsts.

Most closely contested event in the meet was the 880 yard relay won by Lambda Chi. Leavitt (LXA) and Quinlan (ATO) started virtually together in running the anchor laps for their respective teams. The finish was red hot, with Leavitt barely nosing Quinlan at the finish.

Mile run: Hutchinson (TC) time 4:58.2, Sharp (SN), Carpenter (LXA), Coughlin (SAE).

440 yd. dash: Quinlan (ATO) time 54.1, Munson (LXA), Mathis (ATO), Ormsby (LXA).

100 yd. dash: Leavitt (LXA) time 10.3, LeMaire (ATO), Quinlan (ATO).

220 yd. dash: Leavitt (LXA) time 23.4, LeMaire (ATO), Munson (LXA), Pulsipher (LXA).

880 yd. run: Quinlan (ATO) time 2:12.7, Carpenter (LXA), Mathis (ATO), Coughlin (SAE).

2 mile run: Hutchinson (TC) time 10:53, Sharp (SN), Cowley (TC), Coughlin (SAE).

220 yard low hurdles: Legarza (ATO) time 27.3, Mathis (ATO), Riddle (LXA), Munson (LXA).

High Hurdles: Legarza (ATO) time 17.5, Mathis (ATO), Mohr (TC), Thompson (TC).

Shot put: De Poali (ATO) distance 41'6", Chapman (IND), Legarza (ATO), Hage (ATO).

Discuss: DePoali (ATO) distance 112'2", Legarza (ATO), Bachelor (LXA), Robison (TC).

Javelin: Robinson (TC) distance 140'2", Munson (LXA), Quilici (ATO), Stewart (TC).

Broad jump: LeMaire (ATO) distance 19'5", Riddle (LXA), Pulsipher (LXA), Weiler (IND).

High jump: Helms (ATO) height 6'2 1/2", Munson (LXA), Mohr (TC), tie Ferguson (SAE), DePoali (ATO).

A group of felons at the Sigma Nu jailbird dance last Friday. (To avoid libel suits, the Sagebrush takes this opportunity to state that the persons pictured above are not, never have been and probably will not be felons, jailbirds, convicts or criminals, and are not or never have been members of the Communist party or any other group advocating the overthrow of the ASUN government.)

### All-school dance planned by TKE

A beauty contest, prizes, a name band and a mystery guest are but a few of things Tau Kappa Epsilon has scheduled for an all-school dance to be held next Friday, May 9, in the old gym, says President Paul Fox.

"We want to make this the best event to hit the campus in quite some time," Fox said. "You might term it an experiment."

Bruce Branson and his orchestra, featuring vocalist Mary Clrak, have been obtained. Both Branson and Miss Clark are former employees of Tommy Dorsey.

#### Beauty

Another highlight of the evening will be a beauty contest for queen of the dance. Several prominent Reno business men will be the judges, and will base their decision on personality, poise and beauty of the contestant.

Entries in the contest may be sent in up to the time of the dance. Fox describes the entry rules as merely mailing the name and address of an entry to Tau Kappa Epsilon, box 9171 University station. He said an interview will then be arranged.

"We want to set a precedent by making it as democratic as possible," Fox said. The winner will receive a valuable cosmetics case, which will be on display downtown, in addition to other honors.

All contestants will be considered for next year's Miss Reno contest, Fox added.

#### Mystery

"An element of mystery has been introduced into the dance. All that we can say at this time is that a very important guest might possibly be there," president Fox said. "I know that there is no student who would want to miss it. Unfortunately we cannot reveal the name at this time."

"We have a few other ideas we are working on for this dance that should keep the evening full of action," Fox said.

Tickets for the event go on sale this week. The dance will start at 9 p. m. and will last indefinitely. It will be open to the public, and dress for the occasion will be informal. It is to be held in the old gym.

#### Decorations

Decorations will be in line with the title of the dance, The First Annual Teke Spring Roundup. Refreshments will be on the house.

"Affairs of this type are the accepted thing on larger university campuses," Fox said. "We are planning this type of affair here in anticipation of bigger and better ones in the future, especially if and when the university obtains a student union building."

"We hope it may establish a precedent and bring the center of social attention back to the campus, where it belongs, and at the same time provide bigger and better entertainment for students," Fox said.

### New library hours working out well

The new Sunday evening hours at the library have been very successful, said James J. Hill, librarian.

When the new time was started, a minimum of ten students attending was decided upon in order to make the extra time worth while. An average of 30 students—three times the minimum—have attended, said Hill.

The library will continue to be open from 7 to 10 on Sunday evenings until the end of the semester.

"I would like to urge students to take advantage of this opportunity," said Hill. "We would like to be able to continue this added service next year."

### Cons and mobsters take over Sigma Nu

"The Sigma Nu jailbird dance was a real success, the rain kept everyone there," says Wayne Pearson, of the dance committee.

Some of the 70 couples who attended stayed until 2 and 3 in the morning, he added.

Costumes consisted of convicts, mobsters, gangsters, and even a few from the other side of the fence, policemen.

#### Dungeon

The lowered ceiling of the chapter house resembled a dungeon. A rogues' gallery, depicting fraternity men and fictional characters decorated the walls.

Bill Young, as social chairman, was in charge of the dance.

Bob Jones was in charge of the decorations and programs.

A filler is a filler is a filler is a filler is a filler is a filler. This is a darn handy device.

### Tennis team meets Sacramento today

Nevada's tennis team is making its last home appearance of the net season this weekend, playing host to two college teams which it has already decisioned.

Meeting here this morning were Jake Lawlor's Pack and the Sacramento state hornets. The visitors were out to avenge a whitewashing at the hands of Lawlor's team in Sacramento two weeks ago.

#### J. C.'s

Appearing on the local courts is Sacramento junior college, which Nevada beat for its first match win of the year.

Performing for Nevada will be Keith Miller, former Lovelock and Virginia City athlete, Bob Lindsay, Jack Mackey, Ed Hancock, Clint Wooster and Jack Luwe.

### Women beware!

The women's upperclass committee is starting to clamp down on campus tradition violators, according to Joan Petermann of the committee.

From now on, all women caught cutting campus will be given tickets. These tickets do not entitle the holders to any benefits, but are indications that the violators will receive uncomfortable punishment.

### Scabbard & Blade elects new officers

New officers for Scabbard and Blade were chosen at a meeting last week.

Taking over as president of the group is Hank Clarke, who replaces Marvin Byars. The vice-president is Bill Pelter, who succeeds Malcolm Short. James Skinner is the new treasurer, replacing Jim Lee. John Bruce Harris won the secretary post. He replaces Lou Eccles.

Plans for a dinner later this semester were also discussed.

### Newman clubbers to attend confab

Twenty four members of Newman club, a Catholic organization, will attend a convention this week end in San Francisco.

About five hundred members from the Central Pacific province, which includes Nevada, California and Hawaii, are expected to attend the convention said Bob Petri, president of the Nevada chapter.

Peggy Schulz, province recording secretary from Reno, will be one of the principal speakers. The program includes a banquet, a dance, panel discussions and a basketball tournament.

#### Preliminaries

The preliminaries in the basketball tournament will be held on Friday night, with the finals on Sunday. Members of the team are Pat Norton, Otto Schulz, Ray Pastorino, Jake Carpenter, Bob Petri and Tom Magee, manager of the team.

Other members attending are Vivienne Potter, Jeanne Brunetti, Carol Dickerson, Martha Lemmon, Leona Hickey, Jocelyn Lord, Mena Porter, Angela Mindiguren, Maureen Magee, Shirley Serth and Phyllis Carpenter.

Also attending are Barbara Humphreys, Alice Facha, Jerry Casey, former student here, Shirley Rizzi, Thomasine Kurtis, and her cousin from Ireland and Paddy Tubman.

### Queen candidates ready for voting

The male population on campus will cast their ballots May 15 for a queen to reign over the Big Bonanza celebration.

They will have five attractive candidates to choose from.

Representing Artemisia hall is Edith MacDonald, a senior from Lovelock. The Tri-Delts have nominated Connie Malcolm as a candidate for queen of the first Big Bonanza celebration.

Berlien MaCray of Reno is the Gamma Phi's entry.

The Kappa Alpha Theta nominee is Marilyn Humphreys. Joan Petermann of San Gabriel, California, represents the Phi Beta Phi sorority.

### Sigma Rho Delta to hold steak fry

A semi-formal dinner dance and a steak fry are scheduled for the weekend of May 3 and 4 for Sigma Rho Delta.

Saturday night the dinner and dance will be held in the Gaynor room at Ray's Drive-in restaurant.

Costume will be evening dresses for the women and dress suits for the men.

#### Pyramid

Pyramid Lake has been selected as the picnic grounds for the steak fry Sunday.

Guests at the dance will be Dean and Mrs. Robert Griffin and Mr. and Mrs. Robert L. James.

Students invited are Wayne Ashley, George Myles, Dan Anderson, Wayne Pearson, Lee Hansen and William Van der Ley.

### Four new sets for chess fans

A new boost was given the Friday afternoon chess players with the addition of four more chess sets for their use.

The YWCA matched seven dollars raised by the chess fans for the purchase of the new sets, which will be available in the snack bar for anyone to use.

Also Friday afternoons from 1 to 5 have been reserved in the snack bar for the chess players and chess tournaments.

### Interviews planned for future nurses

Interviews for women interested in nursing will be held next week by Dorothy E. Deeth, RN, director of nursing at the Saint Francis memorial hospital in San Francisco.

Miss Deeth will be in Reno Thursday afternoon, May 8, and Friday morning. She will have on hand all information regarding a career in nursing.

Interested students can make appointments for interviews through Dean Mobley's office.

# Be Happy-Go LUCKY!

In a cigarette, taste  
makes the difference—  
and Luckies taste better!

The difference between "just smoking" and really enjoying your smoke is the taste of a cigarette. You can taste the difference in the smoother, mellow, more enjoyable taste of a Lucky... for two important reasons. First, L.S./M.F.T.—Lucky Strike means fine tobacco... fine, mild tobacco that tastes better. Second, Luckies are made to taste better... proved best-made of all five principal brands. So reach for a Lucky. Enjoy the cigarette that tastes better! Be Happy-Go Lucky! Buy a carton today!

Exams are coming round once more,  
And cramming is the style—  
But just the taste of Lucky Strike  
Will guarantee a smile!

### Atomic reporters to speak to SDX

A featured speaker at a Sigma Delta dinner meeting this evening will be Bob Bennyhoff, head of the Reno bureau of the United Press, who will relate some of his experiences at the recent atomic bomb tests at Yucca flats near Las Vegas. Sigma Delta Chi is the professional fraternity of journalism.

A member of the University of Nevada class of '42, Bennyhoff was present at the Bikini tests in the Pacific and has covered 17 atomic explosions in all.

#### New Editor

Also scheduled to speak at the meeting is Walt MacKenzie, new managing editor of the Nevada Ap-

### Women's PE win

An individual sports day held in Modesto resulted in a win for the Nevada Women's physical education department last week.

Betty Hietbrink placed first in archery, and Leah Crabtree placed third. Leah Gregory and Norma Walsh placed first in the doubles in table tennis.

Playing in badminton were Marge Sewell, Betty Butteerworth, and Marge Titus.

Colleges participating were College of Pacific, Yuba J. C., Sacramento state, University of California at Davis, and Modesto J. C.

peal in Carson City, who was the only Nevada student present at the atomic detonations last week. MacKenzie is a senior majoring in journalism.

### Dancing, tumbling part of PE show

Dancing, tumbling and roller skating exhibitions will make up a program to be presented Thursday night, May 15, by the physical education department as one of the first events of the Big Bonanza weekend.

Featured performers will be the members of Orchesis, modern dance organization. The fourteen members will present a variety of dances including humorous ones, primitive, Latin American, and a contemporary arrangement of Spellbound. They will also demonstrate various dance techniques.

Six women will present a roller skating exhibition with Sherman Treska and Geraldine Seaberry doing solo skating. Miss Mary Rulifson, instructor of physical education, will direct the number.

#### Dancing

Tap dancing and folk dancing exhibitions will be performed by members of women's dance classes under the direction of Miss Jean McIntosh, physical education instructor at the university.

A men's and women's tumbling team will also perform. Members of the women's team are Leah Gregory, Eva Lin Hackett, Marilyn Black, and Dolores Wadsworth. The men's team is composed of members of a regular tumbling class. The men's tumbling will be directed by Dr. John Martie.

#### Statuettes

A demonstration of statuettes by the men's department will complete the program.

Orchesis members who will participate in the modern dance numbers are Jean Wilton, president of the group, Myrtle Coates, Nancy Howell, Vivienne Potter, Jean Brunetti, Diane Lewers, Evelyn Nelson, Mary Ann Norlen, Martha Lemmon, Priscilla Miller, Janice Rosasco, Marylee Mitchell, Beverly Morris and Carol Dickerson.

### New ROTC prof replaces Brambila

Lt. Alexander Lemberes was recently assigned to the ROTC staff. He replaces Lt. Robert M. Brambila, Jr., as instructor of the junior class of cadets. Lieutenant Brambila is waiting for reassignment.

Lieutenant Lemberes has just returned from a tour of duty in western Germany where he was a company commander in the 1st Infantry division.

#### Nevada Grad

He graduated from Nevada in 1943, majoring in mathematics. He was president of the Scabbard and Blade and a member of Lambda Chi. Immediately after graduation he was put on active duty and sent to Camp Roberts in California. A year later he was sent to West Point where he graduated in 1947.

### New Aggie Dean arriving Monday

Dr. Claude B. Hutchison, newly appointed dean of agriculture, will arrive on campus Monday, May 4, according to an announcement made by the president's office today.

The board of regents voted unanimously last Tuesday to appoint Dr. Hutchison to the position.

Dr. Hutchison is a nationally known agronomist and geneticist. He has held positions with the University of Mississippi, Cornell, and University of California.

Since 1940 he has been president of the American association of land grant colleges.
