

224 graduating at June exercises

Two hundred twenty-four seniors will graduate Monday morning in Mackay stadium in commencement exercises which will include the inauguration of Minard W. Stout as president of the university.

Varying from past inaugurations, Pres Stout's ceremony will be more private, rather than on a national scale which would include visitors from universities all over the U.S. It will be for the people of the state of Nevada, President Stout stated. This is the seniors' day and we will pay tribute to them.

Oath

Beginning at 10 a.m., the only variance from non-inaugural commencement exercises will be the swearing in of President Stout by chief justice of the supreme court of Nevada, Edgar Eather, and the presentation of a plaque to President Stout by Silas E. Ross, chairman of the board of regents. The bronze plaque bears the seal of the university.

Speaker

Harry K. Newburn, president of the University of Oregon will be the commencement speaker. Pres Newburn, friend of both Stout and past president Malcolm Love, was also a speaker at Dr Love's inauguration two years ago.

At one o'clock, following the commencement exercises, an inaugural luncheon will be held in the university cafeteria. Because there will be no out-of-state guests this year,

1953 yearbook in production

The Artemisia yearbook, now going through the many processes of production, may or may not be out before finals, reports Don Loveless, co-editor of the book.

"If the presses so much as break down for one-half an hour, the book will be out after finals," Loveless added, crossing his fingers against such possibility.

By watching the bulletin boards, the students may find out how and where and when they may pick up their 1953 Artemisia. Art Peterson is the co-editor and Willard Esplin the business manager.

the luncheon will be considerably smaller than past inaugural feeds.

Two years ago at Dr Love's luncheon approximately eight hundred people were fed. This year that number should be diminished by a hundred or more, saving a substantial amount in the cost of the inauguration, Miss Alice Terry, secretary to the president of the university, stated.

Chairman

Prof M. W. Deming of the Chemistry department is chairman of the commencement exercise committee.

Tomorrow night Phi Kappa Phi will hold its annual banquet in the American Legion hall. Attending will be members, faculty and guests.

Sunday night the new gym will be the scene of graduating seniors Baccalaureate services. The seniors will appear before their parents and guests in academic attire.

Result of pres-teacher controversy will be decided from facts in case

By HAZEL JOHNSON

"The facts will come out at the hearing . . . five competent men will review the material and then reach a conclusion," stated Dr Minard Stout Wednesday afternoon.

The hearing referred to by Dr Stout will take place in an open board of regents meeting Monday, May 25, in the education auditorium.

Dr Frank Richardson, chairman of the biology department, will be asked to explain certain actions that have been termed unethical by the administration.

One-act plays put on tonight

Three one-act plays and Shakespearean scenes will tonight be presented by the drama department and Masque and Dagger.

Free of charge, the curtain opens at the Education auditorium at 8:30. "The Twelve Pound Look," by James M. Barrie, under the direction of Bill James, will star Joan Miller, Warren Young, Julie Stavros, and Benny Crowell. This is the favorite one-act play of Ethel Barrymore and Helen Hayes.

Portrait

"Portrait of a Madonna," by Tennessee Williams, will feature Sue Casey, Warren Young, Marty Young, George Evans, Myrtle Coates and Bill James. Directed by Bob Ballard, this play is a combination of "Streetcar Named Desire" and "The Glass Menagerie."

Percival Wilde's "To Kill a Man" casts George Evans, Benny Crowell and Dan Hulse with John Trendler as the director.

Balcony

Romeo and Juliet's balcony scene and Hamlet's soliloquy will be presented by Masque and Dagger, honorary dramatic organization. The cast will include Elsie Shaeffer, Mary Anne Norlan, Joan Miller and Bill James.

Costumes are provided by the Little Theater and each director does his own staging. Dr William C. Miller acts as the consulting director.

Literary magazine hits the streets

The University of Nevada's literary magazine, Brushfire, is now on sale. This year's edition, the fourth to be published, is almost fifty pages longer than last year's Brushfire, and has twenty-three items to last year's eighteen.

Writers

Contributors are Lelia Rowson, Leonard Gilmore, Mary A. Norlan, Priscilla Miller, Marilyn Wittwer, Bob Ballard, Sherman Tresca, Pat Crew, Vincent Mahoney, Larry Tanner, George Knezevich, William Eaton, Don Swanson, Gloria Springer, Russell Brown and Buckley Wells.

The illustrations were done by Silvio Santina, Pati Jefferson, Barbar Irwin, Gene Garriott and Marilyn Royle.

Editors

Staff members are Bill Ventura, editor; Gloria Springer, poetry editor; John Hall, short story editor; Robin Jackson, sophomore editor; Janice Van Tassel, sophomore editor; Bill Ventura, essay and drama editor; Gene Garriott, art director. Staff advisors are Walter V. T. Clark, Dr Robert M. Gorrell, Dr Paul Eldridge of the English department and J. Craig Sheppard of the art department.

Dr Richardson prepared for hearing to end controversy Monday morning

By DAVE TRAITTEL

Realizing that there are but three days before he goes on trial to show just cause why he should not be fired, Dr Frank Richardson, the last of the five professors originally charged, said that he would fight the case to the supreme court if necessary.

Richardson, who admits that he will be glad when the whole thing is finally over, pointed out that he believes that this is not just a fight for himself or his wife and six children, but that it concerns every faculty member at the university.

He believes that it will be a contest between the right of free discussion, and suppression of the faculty's points of view.

The American Association of University Professors have stated their intention of undertaking an investigation into the matter and have already sent letters to the administration on the subject, stated Richardson.

The biology professor further commented that he was extremely happy over the interest shown by the Sagebrush, and the support of many students. He explained that the university paper had presented both sides of the argument well.

When queried about the numerous letters appearing in both the university paper and the downtown publications, he answered that he was gratified over the many letters in his behalf.

The attorneys representing Richardson, Gray, Thompsen, Whittenburg and Goldwater, have offered their services free. Richardson explained their action of voluntary help, by stating that they are concerned with the university and its future, and also that they want to see justice done.

As to the possibility of the trial becoming a mud-slinging affair, Richardson expressed his opinion in the negative. He commented that he believed the lawyers would try to keep it as clean as possible.

Silas Ross, chairman of the board of regents, would make no comment on the forthcoming trial.

Sketch of winners in 'Leaders' book

Four students who last year received Standard Oil scholarships are now listed in "Leaders for Tomorrow," a booklet published annually which has a picture and sketch of each of the thirty-six scholarship holders.

Rosemary Cochran, junior journalism student and next year's editor of the Sagebrush, is the one girl who received the award from Nevada. Miss Cochran is a member of the YWCA, Ski Club, Chi Delta Phi, Kappa Alpha Theta, Press Club, Sagens, Cap and Scroll and the Catholic women's organization.

Ex-president Hug

Student body president Proc Hug, a senior in business administration, was freshman manager, men's senator-at-large, Phi Alpha Theta, Track, Debate, Sigma Delta Psi, Blue Key, Phi Alpha Theta and Alpha Tau Omega.

George Ingram, a freshman majoring in electrical engineering also received this award as did James Carlson, a sophomore majoring in mechanical engineering. Carlson was the master counselor of DeMolay, president of Methodist youth fellowship, and secretary-treasurer of the mathematics club.

Four to each

Thirty-six scholarships are awarded of which four go to each of the following universities: Alaska, Arizona, Hawaii, Idaho, Utah, Oregon, Washington, California and Nevada.

The universities select winners and make the awards, which are distributed one to each of the four undergraduate classes annually. It is possible for a student who is qualified to obtain this scholarship throughout his four undergraduate years. There is no restriction on course of study, race or creed. Either men or women are eligible.

4-H and farmers

The company also sponsored a series of agricultural scholarships in the west. These are awarded annually to 4-H clubs and future farmers of America winners selected by state leaders of their own organization from high school graduating classes.

100 students presented with awards for outstanding performances

More than 100 students received recognition at Thursday's award assembly. Awards presented at the annual affair to those who earned them throughout the school year and during their stay at the university. Six different organizations paid tribute to outstanding performances by these students.

Organizations presenting awards were: Who's Who in American Colleges and Universities, Sigma Delta Chi, Block N, Band, and AWS.

Receiving awards from Who's Who were Giles Altenburg, David Buckman, Joseph Bugica, Phyllis Carpenter, Earle Dempsey, Robert DeRuff, Willard Esplin, Joan Foster, Shirley Kershner, Donald Loveless, Jack Luwe, Ruth Moore, Elwin Pulpispher, Elsie Shaver, Donald Thompson, Lura Yard, and Jeanne Zelayeta.

Block N

The Block N issued awards to those recommended by the coaching staff, in golf, tennis, track, riflery, basketball and skiing. Those receiving awards in golf were: Bill Cooper, John Jepson, Dick Rorrill, Jim Patterson, William Pelter.

Seven men received recognition in tennis they were: Jim Anderson, Bill Barrett, Bob Lindsay, Perry Lowden, Jack Luwe, Jack Mackay, and Bill Van Waggener.

Those receiving letters in track were: Charles Bell, Kenneth Server, Giles Altenburg, Jay Carpenter, Jake Longero, Lawrence Tanner, Brent Tylor, Proc Hug, Bob Jones, Dale Riddle, Loe Quilici, Gail Munk, John Cobb, Phil Collins, and Charles Ryerse.

Riflemen presented with awards were: William Becker, Maxwell Botts, Dat Kim Choy, Jerry Markoski, George Schindler, Charles Taylor, Donald Wilkerson.

Basketball

Receiving awards for basketball were: Mert Baxter, Bill Cooper, Reggie DePaoli, Doug Douglass, John Legarza, Roger Murdock, Ray Pastrino, Dave Storm, Dan Vidovich, Bob Wilcox, Bruce Babbi, mgr.

Frosh basketballers earning numerals were: Don McGhie, Jake Longero, John Bigleari, Harry Sumnerfield, Roger Trunday, Gail

Munk, Bob Jones, Kay Walker, Duane Kerns, John Jepson, Edward Pesout, mgr.

Those presented with skiing letters were Bill Bulkeley, John Cowley, Ronald Myers, Allan Ramsey, and Don Thompson.

Boxers earning letters were: Doug Byington, John Cobb, Bill Griggs, Elwood Haggerty, Ed Hollingsworth, Jim Jerrers, Sam Macias, Tom Massey, Duane Moore, Dal Byington, mgr.

AWS awards

Women receiving AWS awards were Mimi Smith, Jennie Gibson, Harriet Parke Bengochea, Betty Kling, Phyllis Carpenter, Martha Oviatt, Jeanne Zelayeta, Elsie Shaver, Beverly Myles, and Ruth Moore Eliades.

Those to be recognized by the band were: Katherine Meyer Thaddeus Hess, Victor Cozzalio, La-Moin Garrard, David Connett, Paul Fox, Wm. Azbill, Daniel Hulse, James Butler, Melvin Brunetti, and Clair Earl.

Cup awarded

Sigma Delta Chi, national journalism honorary fraternity, awarded a cup to Shirley Kershner, for attaining the highest scholarship in journalism.

A special award was given to Giles Altenburg, captain of the track team, for breaking the school pole-vault record.

Nevada resumes conference sports

After 14 years of interruption, this fall the intercollegiate athletic activities of the university will be competing in a far Western conference again.

The six schools competing in the conference are Humboldt state college, Cal Aggies, Chico state college, San Francisco state college, Sacramento state college, and the University of Nevada.

Basketball will be the first of the six required sports played out in the conference, beginning in January 1954. Next on the list are tennis, golf, track, and baseball starting competition next spring. Football will follow in the 1954 fall season. There are tendencies among the conference members to get other sports in the loop.

Basketball

Coaches and athletic directors of the six competing schools have agreed already in all details including the basketball schedule. They now wait for the approvals of the presidents and the athletic boards of the schools. According to Jake Lawlor, head of the athletic department, there should be no difficulty receiving these approvals.

A meeting of athletic department

representatives of the six competing schools next December will settle all further questions such as final schedules for football, baseball, tennis, track, and golf.

Meet

The Far Western conference was

formed in 1925 with Nevada as one of the original members. The competition included the major sports such as football, basketball, and track.

In 1949 Nevada withdrew from the conference as did other schools.

Four

In the past years only four schools, Oregon college of education, Humboldt state college, Chico state college, and Cal Aggies competed in the conference.

Finally Oregon withdrew because of the great distance. The conference had to be reorganized. Humboldt, Chico and Cal Aggies were the first members. When San Francisco, Sacramento and Nevada asked for membership recently, it was granted.

TRIPLE THREAT MAN!

AIRCRAFT OBSERVER

AIRCRAFT OBSERVER

AIRCRAFT OBSERVER

The Brains of the Team

Teamwork can work miracles. In a football game the man who sparks these miracles is the quarterback. He's the man who calls the signals. There's a man who calls the signals for an Air Force flying team, too!

They call him an Aircraft Observer.

Do YOU have what it takes to become an Aircraft Observer?

It isn't easy. It's tough. You have to be a MAN to qualify as an Aircraft Observer. But when you are one, brother, you're SOMEBODY! The success or failure of a mission involving over a million dollars worth of flight equipment depends on you.

THE AIRCRAFT OBSERVER IS THE SOMEBODY WHO:

As *Bombardment Officer*, is number one man on a bombing run, the man who controls the plane in the target area!

As *Navigation Officer*, is the pilot's guiding hand on every flight!

As *Radar Officer*, is master of a new science and operator of the device that sees beyond human sight!

As *Aircraft Performance Engineer Officer*, is the one who "keeps the plane flying", the man who knows his plane in-

side and out, who keeps it fit for the skies and sees that it stays there!

If YOU can accept a challenge like this, you'll take your place beside the best—you'll find your future in the clouds!

TO BE QUALIFIED you must be single, a citizen, between 19 and 26½ years old, have had at least 2 years of college and be in tip top physical shape. If this describes you, then YOU, too, can qualify. Today!

HERE'S WHAT YOU'LL GET! The world's best training. Good food and plenty of it. Uniforms, flight clothes, equipment. Medical and dental care. Free insurance. Flight training in Uncle Sam's greatest aircraft.

AND THEN, AFTER GRADUATION, you'll win your silver wings, and earn more than \$5000 a year as an Air Force Lieutenant. You'll enjoy an adventurous, exciting career with a hand-picked crew of real men. You'll be THE BRAINS OF THE TEAM, A TRIPLE THREAT MAN... as a Bombardment Officer, as a Navigation Officer, as a Radar Officer, as an Aircraft Performance Engineer.

★ THE SOONER YOU APPLY, THE SOONER YOU FLY! ★

GET THE DETAILS: Visit your nearest Air Force Base or Air Force Recruiting Officer. Or write to Director of Training, Headquarters, USAF, Washington 25, D.C., Attention: Aviation Cadet Branch. If you are in a school that has an Air Force ROTC program, see your Professor of Air Science and Tactics.

New Aircraft Observer Cadet Training Classes Begin Every Two Weeks ★

Five formals to end Nevada's social year

Five formals will help bring this year's fraternity and sorority social season to a close this week-end. The Greek letter groups holding dinner dances tonight and tomorrow night will be the Phi Sigma Kappa, Theta Chi, Sigma Nu, Sigma Alpha Epsilon, and Kappa Alpha Theta.

The Phi Sigs will eat steak tonight at Echos before dancing to the music of Eddie Gomez. The dinner will start at 8 p.m. and the dance will be from 9 p.m. until midnight. Professor and Mrs E Maurice Beesly will be guests.

White Rose

The Redwood room of the Riverside will be decorated with a large Sigma Nu pin, with which roses on all the tables for the Sigma Nu White Rose ball tomorrow night. Flowers for corsages are being flown in from Hawaii.

After dinner Rollan Kneller's band will furnish the dance music. The affair will be from 8 until 12 p.m. Guests will be Dr and Mrs Harold Brown, and Mr and Mrs Hugo Quilici.

Troc

The KATs will wind up their dances for the year at the Trocadero. They will also have a steak dinner. Music for the dance will be provided by Mel Brunetti's band. The time will be 8 p.m. Saturday night. Dean Elaine Mobley and Dean and Mrs William D. Carlson will be guests.

The Serenaders will play for the SAE dinner dance at Lawton's Saturday night. They will eat a turkey dinner at 8:30 p.m. Guests will be Capt Edward Frey, Captain and Mrs Holt, and Mr and Mrs Frank Wilson.

The Theta Chi's will also eat steak tonight. They will dine and dance at Lawton's from 8 until 12 p.m. Guests will be Dr and Mrs H. J. Seim.

Crutches, bandages must be returned

Infirmiry supplies issued to students as far back as last September have not yet been returned. Twenty-two ace bandages, five pair of crutches and nine jetomizers that were issued to students are missing. Dean William Carlson announced that students' grades will be withheld until the cash is paid for the missing supplies, or the cost of them will be deducted from the ten dollar fee, if the supplies aren't returned by May 29.

Students with Supplies

The following students are listed in the infirmiry as having ace bandages that must be returned: Jerry Mann, Douglas Calvert, Clare Isola,

Prof Jessie Pope retires after 35 years on faculty

Professor Jessie Pope will retire from the home economics department of the university on July 1, after thirty-five years on the faculty.

After her graduation in home economics from the University of Nevada Miss Pope taught in high schools in Colorado and California. Her first job in Nevada was in a public school in Elko and from there she came to the University of Nevada during World War I.

She also studied at the Universities of California, Washington, Denver, and Stanford, as well as Columbia, where she received her M. A.

Associate professor

She first came to the university with the rank of instructor, and now holds that of associate professor. She taught classes in clothing, tailoring, textiles and home decoration, has given lectures in connection with the extension work in Las Vegas and taken part in home economic conferences in the far west-

Paula Gray, Ruel DePaoli, Duane Moore, Patsy Terry, Earl Jarrett, Alfred Hamilton, Max Botz, Robert Cooper, Jane King, Russ Bowring, Robin Jackson, Yvonne Grignon, Don Quilici, Richard N. King, Nancy Johnson, Dave Traitel, Christine Pavlakis, Robert Gerring, James Miller.

Still have crutches

Students who have not returned crutches are Thomas Ballow, Mel Guerrero, Earl Jarrett, Max Botz, and Kermit Register. Jetomizers are being held by Ronal Smith, Charles Holland, Russell Schooley, Jane King, Shirley Hart, Marty Young, Thomasine Rowntree, Wally Rusk and Pete Cladianos.

Caps and gowns to be given out

The expected speedy distribution of this year's caps and gowns will be due to the untiring efforts of a diminutive freshman girl, Barbara Hastings, Mrs. Ira La Rivers, director of the campus YWCA, commented recently.

Barbara has put in at least five hours a week for two months sorting and grouping caps and gowns so that they may be distributed speedily.

Seniors

Graduating seniors may pick up their caps and gowns in two weeks in the basement of the new gym on the women's side. Seniors with last names beginning with A through L can pick up their costumes June 4, and those in the M to Z group on June 5. Distribution will be from 9 a.m. to 1 p.m. and a \$5.00 deposit will be required. Non-Korean-war veterans will give only \$2.50.

Faculty

Faculty members may pick up their robes and hoods June 5 through 9 from 9 a.m. to 1 p.m. in the basement of Stewart hall in the "Y" room. The deposit on these special robes has been indicated on the reservation slips already sent to the professors.

No hour changes for UN library

Since Memorial Day, May 30, is a holiday, the university library will not be open. There will be no change in library hours for final week studying.

The hours are Mondays through Thursdays, 8 a.m. to 5 p.m. and 7 p.m. to 10 a.m.; Fridays the hours are 8 a.m. to 5 p.m., closed in the evening. Saturdays the library is open only in the morning from 9 a.m. until noon. Sundays it opens at 2 p.m. and closes at 5 p.m., reopening from 7 p.m. until 10 p.m.

The list of overdue books is still long, and students are urged by Mr. James Hill, head librarian, to return the books. Grades will be held until the books are returned or paid for.

Tour of Sweden planned by Broten

George A. Broten, assistant professor of physical education at the university, plans to leave July 21, by plane, for Stockholm, Sweden. Broten plans to spend nine weeks in the Scandinavian country, during which time he will gather material for his doctor's thesis.

Will interview

The material will deal with a comparison of physical education in Sweden and the United States at a secondary level, and will be obtained by traveling throughout that country and interviewing physical education teachers. If possible, Bro-

Leaders parley plans formulated

Plans for the annual student leadership convention are being completed under the direction of Milt Sharp and Lea Gregory. An administrative committee headed by Dean William D. Carlson is handling financial arrangements for the convention which is tentatively scheduled for September 7-10 at the 4-H camp at Lake Tahoe.

The convention was first held last year and is intended as a meeting ground for the ideas and plans of university leaders. Discussion of student activities is conducted in an effort to knit the student body and to coordinate various student functions.

Building

This year's convention will be primarily concerned with the new student union building and next year's Homecoming and Big Bonanza.

Students attending the convention will be the presidents and vice presidents of campus organizations, student senate members, social chairmen of fraternities and sororities and Artemisia.

Press club to hold initiation breakfast

Fifteen students will be initiated into the Press club at the annual breakfast to be held Sunday morning at the Circle RB.

Officers for next year will be introduced. They are Marie Neilsen, president; Rollan Melton, vice-president; and Romaine Roth, secretary-treasurer.

Shirley Keshner will be initiated into Kappa Tau Alpha, national society honoring scholarship in journalism, by Prof. A. L. Higginbotham, a member of the national council of the society.

Scholarship

The Sigma Delta Chi scholarship for the highest ranking graduating senior will also be awarded to Miss Keshner.

The students to be initiated into press club include Evelyn Nelson, Ken Austin, J. B. Harris, Sue Sutton, Janet Van Valey, Nancy Johnson.

Larry Tanner, Dave Traitel, Martha Oviatt, Eleanor Jessen, Romaine Roth, Judy MacNeil and Herman Winkler.

Leila Rowson, senior journalism student, is in charge of the breakfast plans.

ten intends to use a tape recorder in the interviews. He pointed out that this will aid him in obtaining information.

Degree in December

If all goes well, Broten hopes to receive his doctor's degree by December. Broten has been at the University of Nevada since 1947, except for when he was on a leave of absence.

COFFEE GROUNDS

by sue sutton

Oh no, not again dept: Yes, it's true! Another SAE has hung his pin on a Gamma Phi. This time the pair is Barbara Irwin and George MacClean. Since I started writing this column, an SAE and a Gamma Phi have become pinned each week. I wonder if they planned it that way.

More hearts and flowers dept: Three Tri-Delts announced their pinnings Monday night by passing the traditional box of chocolates. They are Joanne Foster and Ed Davis, ATO; Pati Jefferson and David Page, Alpha Sigma Phi from Oregon; and Corinne Vietta and Harry Summerfield, ATO.

Announced at the Pi Phi house Monday were the engagements of Dolly Sturgess and Garriman Korcheck and Ruth Eachus and Lt Rustie Mills, SAE and Nevada alumni.

Kay Starr and the Lancers have really made themselves known not only in Reno but on the campus as well. The Gamma Phis entertained the Lancers at dinner Tuesday night and the Sigma Nus have almost proof positive that the same group will sing at their formal this weekend. Jerry Meachem, one of the Lancers, is a Sigma Nu alum and is staying at the house. Jerry brought along his boxer, Clancy, and now Pat has a friend. A case of dog bites dog. (That's news?)

Last Friday's track meet saw Nevada coming through in fine shape by winning the meet in spite of having to battle the elements. It all goes to show that the men from Sacramento were just as much too used to that California sunshine. Gail Munk and Larry Tanner ran a dead heat in the two-mile race as did Charlie Bell and Jake Carpenter in the mile run.

Spring brings picnics dept: This Sunday the SAEs, Tri-Delts and Pi Phi will travel to Tahoe for their spring picnics. Here's hoping that the weather will be fair for the farewell to the graduating seniors.

Little fish in a big pond: Wally Burnett and Don Thompson were laked by their brother SAEs Monday night. Wally's dunking was due to him being outgoing president. Don, not to be outdone, got paid a fin for the job. Not a bad way to make easy money, eh?

Speaking of spring, dunkings, and all the other stuff you've read about this semester dept: This is my last column and may I thank all of you who have helped bring it into existence. To Joe Abbott, first of all, who gave me permission to write Coffee Grounds for his paper, many thanks for making life worth living in the office. To Ruth Ingram for always having her ears open for news and ready to pass it along to me. Many thanks. To the other men and women on fraternity and sorority row who have been so helpful in giving me news of their chapters, I give my thanks. To the people of the neighboring office, the Artemisia, much gratitude for putting up with our antics all semester. Last but not least, my respects to the rest of the Sagebrush staff with whom it has been a pleasure to work. And to you, Rosemary Cochran, best of luck as editor of next year's Sagebrush. Hey! Have another cup of coffee, won't you?

Variety of jobs open to students

More than 18 summer and permanent jobs are available to qualified men, announced Dean Carlson. Everything from a summer job on a California guest ranch to the job of probation officer and juvenile counselor in Los Angeles is open to June graduates as well as those interested in summer work.

Detailed information is available in the dean of student affairs' office.

STATISTICS
One hundred and forty-seven of the 224 graduating seniors at Monday's exercises are from Nevada schools, it was revealed recently. Of these, 90 are from Washoe county and 15 from Clark county.

Artemisia hall honored graduating seniors Tuesday night when they had a coffee hour. Special guests were department heads and the favorite professors of the women. Coffee and open-faced sandwiches were served from 7:30 until 9:30 p.m.

UN admission requirements reconsidered to meet needs of high school students

Requirements for admission of high school students to the university have been revised in faculty bulletin No. 344 dated April 17, 1953. Students previously listed as limited freshman, restricted freshman or special students, will now be termed unclassified students.

In the unclassified category are those graduates of Nevada high schools, or of out-of-state high schools but who are residents of this state, that fail to meet university entrance requirements for regular standing. This category includes legal residents of Nevada who are 21 years of age or over, and cannot meet entrance requirements.

Deficiencies
To obtain regular status, an unclassified student must either remove entrance deficiencies or demonstrate ability to do creditable college work. For removing a deficiency due to less than 15 acceptable high school units, the student must either pass the college aptitude and achievement tests, proficiency exams in subjects in which credit is lacking, complete non-credit, sub-college courses or in a college credit course if non-credit courses are unavailable. The student can use college credit to cancel high school deficiencies at the usual rate of four-three semester credits for each high school unit, or demonstrate ability to do creditable college work by earning 30 or more credits at the university in the regular course with an over-all grade point average of 2.5 or better, or 45 or more credits with an over-all average of 2.0 or better. One or more of these methods may be used.

Deficiency due to less than 10 acceptable basic units may be removed in the same manner, but deficiency due to lack of credit in specific subjects may be removed by the additional method of using col-

lege credit in the particular high school subject area in which specific units are lacking at the usual four-three rate.

A deficiency due to less than 6 quality units, 4 of which must be acceptable basic units, can be removed by either passing the aptitude and achievement tests and proficiency exams in subjects in which credit is lacking, or obtaining a C grade or better in college courses in which high school grades were below 80. The college credit in these courses will not be cancelled but may be used in the regular manner for college graduation.

The list of acceptable academic and other basic subjects has been liberalized to include, in addition to the existing requirements, general mathematics containing elements of algebra and geometry, mineralogy and geology, and shorthand, book-keeping, vocational agriculture and home economics, with 1/2 to 1 unit of each. Additional units for basic subjects or for additional subjects, may be accepted if approved by the committee on admission.

No more than five units in elective subjects are acceptable as part of the 15 units required for admission. All vocational subjects accepted by the high school toward graduation are acceptable as electives, but physical education and ROTC credits may not be used for entrance purposes. The second and third year high school ROTC program may receive college credit

upon application to the professor of military science and tactics and is not acceptable for entrance purposes as well.

The admissions committee has suggested that the individual colleges review and revise specific high school subject requirements for entrance to the respective colleges in the belief that certain subjects, although necessary as pre-requisites for advanced work in related fields, no basic high school subject is more indicative of later college suc-

cess than any other basic subject.

If these entrance requirements are adopted, a number of students who have not made quality units in high school will fall in the unclassified bracket. The committee states that past experience with these students shows that they only rarely make a satisfactory record in the present university curricula. These students feel that the university has not met their needs and that turning them out causes no good either for them or for the university.

Frats, sororities picnic at Tahoe

Utilizing the last weekend of the year, two sororities and one fraternity will have their spring picnics Sunday.

The Pi Phis will hold theirs at Incline Beach at Lake Tahoe. Dates are optional. After eating, the usual activities such as baseball and swimming will take place. The picnic will start at 10 a.m.

The SAE's will also have their picnic at Tahoe. The Church of Galilee grounds will be the location for swimming and dancing from 10 a.m. until 5 p.m. The barbeque will take place at 1 p.m. It will be a date affair.

Not to be outdone, the KAT's are holding their picnic at the lake. They will have theirs at Zephyr Cove starting at 10 a.m. It will be a strictly female affair.

Cindermen get 14 wins in last meet

At exactly one o'clock, the time set for the Nevada-Sacramento track meet, heavy showers suddenly stopped and a small but promising piece of blue sky opened the contest on Mackey field. At the end of the 14 events, dense rains closed the meet, leaving the Nevada track men with a 91 2/3 - 34 1/3 victory over the visiting Sacramento state Hornets.

In the season's last meet the Wolf Pack seemed to get adapted better

and faster to the bad weather than the Hornets from sunny California. The Nevada team took 10 of the 14 events and swept two.

Double winners

Two of the Wolf Pack men turned in double wins, with Charlie Bell taking the 880-yard and the mile run and Giles Altenburg winning the 440-yard run and the pole vault. Bob Lynde from Sacramento got a double win for the visitors, taking both hurdle events.

Winning first places in the other events were Bob Jones in the 100-yard dash, Gail Munk and Larry Tanner in a dead heat in the two-mile run, Jerry Cobb in the shot put, Leo Quilici in the discus, Phil Collins in the high jump and Dale Riddle in the broad jump.

Cap and Scroll to initiate 10 coeds

Ten women will be initiated into Cap and Scroll, senior women's honorary society, Wednesday evening with dinner following at the Mesa.

Requirements include being president of an organization and having an over-all grade average of 2.7.

Bev Myles, president, will initiate Carol Normandy, Fine Arts; Leah Gregory, KAT; Norma Etche-goyhen, AWS; Nancy West, Tri-Delt; Jo Ann Menu, YWCA; Andrea Anhardt, future teachers of America; Joan Love, Phi Alpha

Theta; Barbara Van Meter, Chi Delta Phi; Rosemary Cochran, editor of the 1953 Sagebrush; and Marie Neilsen, new press club president and editor of the Artemesia.

Dr. J. E. Church, emeritus professor of the classics and founder of Cap and Scroll, and Dean Elaine Mobley, advisor, will attend the ceremonies.

YEARS AHEAD OF THEM ALL!

1. THE QUALITY CONTRAST between Chesterfield and other leading cigarettes is a revealing story. Recent chemical analyses give an index of good quality for the country's six leading cigarette brands.

The index of good quality table—a ratio of high sugar to low nicotine—shows Chesterfield quality highest

... 15% higher than its nearest competitor and Chesterfield quality 31% higher than the average of the five other leading brands.

2. First to Give You Premium Quality in Regular and King-size . . . much milder with an extraordinarily good taste—and for your pocketbook, Chesterfield is today's best cigarette buy.

3. A Report Never Before Made About a Cigarette. For well over a year a medical specialist has been giving a group of Chesterfield smokers regular examinations every two months. He reports . . . *no adverse effects to nose, throat and sinuses from smoking Chesterfield.*
