

## Sports Awards Must End, Says Senate

By Hazel Johnson

Student body funds will be over a thousand dollars richer if a resolution passed in senate Wednesday night holds water.

Senators definitely recommended that the payment of athletic awards by the ASUN cease at the end of this year. Finance control members will present this resolution to President Minard Stout next week.

Athletic awards and the student body's obligation towards them has been the subject of much controversy since the revision of the constitution last year. At that time the administration strongly advocated throwing out a scholastic clause that limited awards to those men who were passing in eleven and a half hours. Coach Jake Lawlor believed that this was not important and also stated that the coaches of the respective sports should be the ones to recommend lettermen.

### Money Conscious

Almost all minor sports were made major sports in this constitution revision. Senators were generally friendly towards this move but a few money conscious representatives were not so sure. They declared that these changes would up the awards bill until it became the largest single expense that the student body must pay. These dissenters believed the payment of awards should come from the \$6 each student must pay for athletics and not from the remaining \$8. Their doubts were removed when the administration led them to believe that it would include the expense in the administrative budget.

This year's awards bill therefore came as a mild shock to the few senators who remembered the proposition.

Further explanation by Graduate manager James McNabney disclosed the fact that this obligation was not a part of the constitution but rather a "custom." And the "custom" was dropped as of Wednesday night.

### Yearbook Smaller

Physical size of the 1955 Artemisia will be smaller, it was disclosed in Senator Otto Schulz's publications report. Finances and time element problems were set forth as reasons for the change.

Republican members of the senate painfully approved the constitution of the Young Democrats on campus. One GOP senator alone dissented.

### ORCHESIS ELECTS. PLANS INITIATION

Lillis Hatch was elected secretary-treasurer and Bev Griggs publicity chairman of the Orchesis club, a modern dance group, at a meeting held last Wednesday, Sept. 29, in the new gym.

The group made tentative plans for the initiation of senior members for this semester.

June Hannon, president of the club, states that they will be working on a basic program of activities for the coming year in future meetings of the club.

Life is migraine.

## Frosh Meet Sophs Tomorrow

### Sundowners Start Tryouts

All male students are invited to the Sundowners' picnic which will be held this coming Sunday afternoon, October 10, at Virginia Lake, states Homer Haines, member of the club. Any upperclassman is welcome to try out for membership to the club, and it will be appreciated if the "enterprising" new member would get in contact with a member of the club before coming out to the picnic.

Upperclassmen, only are, allowed to join the club, but lowerclassmen are invited to the picnic. Refreshments and food will be served at the occasion.

Officers elected last spring are Doug Byington, president, and Don Wilkerson, secretary-treasurer.

Refreshments. Uh-huh. —Editor.

### YEARBOOK PHOTOS SCHEDULED MONDAY

Photographs for the 1955 Artemisia will be taken beginning Monday, October 11, it was announced this week by editor Janet Van Valey.

#### Seniors

Seniors may have their pictures taken between 8 a. m. and 4 p. m. any day next week. The photographer, Farrel Ross, is located at 812 N. Virginia St., three doors south of the Wolf Den.

#### Juniors

Junior class members' pictures will be taken the following week.

#### Upperclass

Upperclass students who belong to organizations may have photographs for these taken at the same time.

#### Frats, Sororities

The following week, October 25 through 29, underclass sorority women are scheduled to be photographed, with the fraternity men scheduled for the next week.

Final week for having pictures taken will be November 8 through 12, at which time those students who have not been photographed at the scheduled time may do so. In addition, those who do not belong to any of the designated groups, but belong to Sagers, Block N, Press club, or Chi Delta Phi, may be tintyped during that week.

### Field Day Will Decide Fate of Dinks During Annual 'Hello on Hill' Tussle

Hello-on-the-hill festivities were opened yesterday with an assembly featuring freshmen talent.

The annual three day celebration will be climaxed tomorrow afternoon when the freshmen meet the sophomores in a variety of field events to determine whether frosh ribbons, dinks and bibles will be shed at Homecoming, or be worn until the end of the semester.

#### Paint N

Freshmen will convene at the gym hall at 9:00 a. m. and will go to the top of Peavine Mountain to paint the Nevada "N."

At 10:00 the sophomores will gather at the old gym to decorate for the "Hello-on-the-hill" dance scheduled for 9:00 p. m.

### Sigma Nu, ATO Tie for Ball Title

As the softball season draws to a close, Sigma Nu and ATO lead in a heated neck and neck race for first place.

Sigma Nu leads the league mathematically with a 4-0 record, while ATO has won three and lost none, the one game difference being in the fact that Sigma Nu has played more games prior to press time.

In the games played during the week Sigma Nu held on to its first place lead by easily downing SAE 19 to 8. ATO, on the other hand, had a little harder time beating Theta Chi 6 to 5. In the only other game played Sigma Rho also beat Theta Chi, 4 to 2.

The defaulted game which Sigma Nu won over Lambda Chi will be rescheduled and played at a later date.

### ALUM BANQUET SCHEDULED

A banquet and dance are scheduled for Nevada alumni on Nov. 6th during the Homecoming celebration. Adele MacLean, Nevada alumni secretary, announced that no admission will be charged for the fete, which is to be held in the Fable Room of the Mapes hotel. Tickets will not be necessary.

Further details of the banquet will be reported in the Nevada Alumnus, due to be published in approximately two weeks.

Preceding the Homecoming activities will be a meeting of the alumni executive committee in room 106 at the university library. The gathering is slated for Tuesday, Oct. 12 at 8:00 p. m., when additional projects for the annual Homecoming will be discussed.

Wanted: Woman to cook, sew, change tires, mix drinks and feed cats. Phone 2-3681, ask for editor.

At noon the two groups will meet on the practice field near the tennis court for a picnic luncheon. The cost of the packed lunches will be fifty cents each.

Immediately following the feast, the groups will adjourn to Mackay stadium for the competitive field events. The highlight of the occasion is the famed tug-o-war.

The university cheerleaders will be present to aid in keeping up the spirits of the participants and the spectators.

At the dance tomorrow night, Mr. Hello and Miss Hi, king and queen of the festivities, will be announced. Don Thompson's band will play for the evening, with admission priced at one dollar per couple and 75 cents stag.

Overall chairman of the event is Marge Titus, aided by Marge Andrews, Lynn Scott, Mike Marfisi, John Jepson, Evalyn Titus, Evelyn Nelson and Gail Johnson.

The painting of the "N" will be under the supervision of the men's and women's upperclass committees, with the field day supervised by the Block N.

### HORSHOE TRIALS END WITH PHI SIGS WINNERS

Intramural horseshoes, for singles, came to a close Tuesday afternoon with the Phi Sigs and Sigma Nu in a deadlock for first place.

Both teams ended the regular season play with four wins and one loss, thus making it necessary for a play-off to be held Oct. 11th.

ATO edged out SAE for third spot, winning three and losing two, while the SAEs were able to come up only with two victories against three losses. Sigma Rho and Theta Chi tied for the cellar, each winning one and dropping four.

Lambda Delta Sigma, the Independents, and Lambda Chi, all defaulted earlier in the season, and were not included in the schedule.

Moonlight becomes you—covers your scars.

## Regents Agree On Housing Loan For Victory Hts.

Victory Heights housing problems will be relieved if the University's proposed budget is approved by the 1955 legislature, stated President Minard Stout. A total of \$750,000 for new housing has been approved by the regents as one item to be included in the new budget.

Still pending is the new classroom building request. The board of regents will discuss this at its next meeting.

Other budget items call for faculty salary increases as well as funds for additional faculty personnel.

"The budget has been carefully prepared and studied by the board of regents and is a sound request for necessary development of the university," stated President Stout.

Legislative approval would see Manzanita hall remodeled, the watering system replaced and the present agriculture and University extension buildings re-built to house classrooms.

Special attention is given to programs supplementing the regular university programs.

## Ski Coach Named NCAA Chairman

Honors of chairman of the National Intercollegiate Ski committee were bestowed on Nevada's ski coach, Chelton Leonard, this week as was announced by Al Sigal, president of National Ski Association.

Last March the Nevada graduate and ski coach handled the first NCAA collegiate ski tourney in history, held here in the Reno area.

As chairman of the National Intercollegiate Ski committee, Leonard will head a panel of prominent ski officials from all parts of the United States. His duties will primarily be concerned with reviews of policies and rules for national competitive skiing on the intercollegiate level.

Leonard said that he will be striving "for closer cooperation from the eastern colleges with those in the Northwest and the Rocky Mountain regions." He expects the nationals in Vermont to keep him busy this year, while his big project will be "a parallel between open competition racing rules and those used in intercollegiate meets."

"Shelly," a native of Reno, was an outstanding member of the Nevada ski team, competing in many regional, national and international meets. During the war, Leonard was a ski instructor in the U. S. Army ski troops in the 10th Mountain division. In 1952, he became ski coach at the university.

### BUY BOOKS

The book store requests that all students who have not yet bought books for their classes do so this week. Those texts not sold will be returned to the publisher as overstock the following week.

# Heavy Scrimmage Set for Packs Open Saturday

By Hank Rilling

Better ball handling and pass defense have been the rules of this week's practice sessions, as the Wolf Pack moves toward an open Saturday. Suffering two defeats at the outset, Coaches Jake Lawlor and Hugh Smithwick have started to rigidly stress the fundamentals that cost the 'Pack dearly in the past two encounters with Far Western conference teams from San Francisco and Chico.

With Lawlor drilling the linemen, Smithwick and Neill Garrett, former Nevada grid standout, working the ends and backfield, the stress has been on running plays, pass protection, and blocking assignments.

"Precision and accuracy" are being emphasized in the execution of

the plays—or to put it bluntly—being in the right place at the right time.

### Fast Men

To keep the gridders alert and playing heads-up ball, Lawlor and Garrett have stuck in during the practice sessions, two speedy, but ineligible halfbacks to awaken the regulars to a fast moving ball carrier and defensive scatback. The dynamic duo responsible for putting the Pack through the paces are Bill Bowser, transfer letterman from Utah State waiting out a year of eligibility, and Lee Schroder, awaiting an eligibility ruling from NCAA and a Nevada fact-finding committee.

Both halfbacks are veteran track men as well as football players. Bowser, all-state end in high school, holds the Nevada state record for the 180-yard low hurdles. After Las Vegas athletics he tried college competition last year at Utah, turning in a 9.7 hundred yard dash.

Schroder, standout in the 220, broad jump and 100 on the Nevada track team last season, also has a potent athletic background—so prominent that it is being disputed at the present in terms of his eligibility for football at Nevada. The 9.8 sprinter is frowned upon by other teams in the Far Western conference for a spring workout with the Hamilton, Canada, Tiger Cats—a pro team that, according to 'Cat Coach Carl Voyles, did not hinder his amateur standing because Schroder paid his own expenses while in the northland.

### Typical Practice

In prep for a full scrimmage tomorrow, the Wolf Pack has been going at it all week long as if to meet an opponent. An average practice this past week would include: Warmup and on the field at 3:45. Quarterbacks Ed Jesse and Ken Fujii begin passing to ends Don Jones, Buddy Piazza, Joe Lash, Bill Howton, Dick Bankof-

fier and halfbacks Joe Leal, Frank Garcia, Bob Litton, and George Moss, with the assistance from centers Walt Ryals and George Ball. Meanwhile stout linemen Mike Leslie, Boyce Ford, Joe Viani, Marv Baker and the host of reserves hit dummies and practice blocking assignments. Individual coaching from the three Nevada mentors then sharpen the silver and blue men for ten to fifteen minutes of live scrimmage. By 5:30, the fagged Pack have completed their wind sprints and are ready for the showers.

Tomorrow's scrimmage, taking the place of a game this week, will not be first team against the second string, but a shuffling of positions to make balanced, hard-driving opposing forces. After these two weeks of stern and diligent practice sessions, the Pack will meet Fresno State here on October 16th.

What tools we mortals be.

# Got a Lucky Doodle in your noodle?

# SEND IT IN AND MAKE \$25

Want to pick up \$25? Make up a Lucky Doodle and send it in. It's easy.

If you want to find out just how easy it is, ask Roger Price, creator of Doodles. "Very!" Price says. Better yet, do a Doodle yourself, like the ones shown here.

Doodle anything you like. And send in as many as you want. If we select yours, we'll pay \$25 for the right to use it, together with your name, in our advertising. We're going to print plenty—and lots that we don't print will earn \$25 awards.

Draw your Doodles any size, on any piece of paper, and send them with your descriptive titles to Lucky Doodle, P. O. Box 67, New York 46, N. Y. Be sure your name, address, college and class are included.

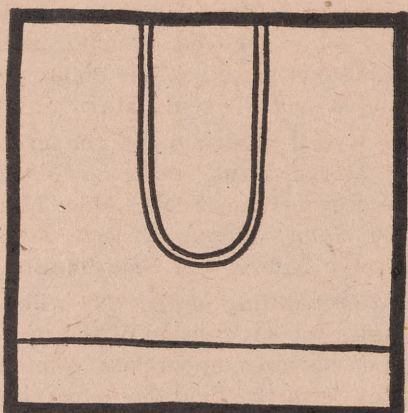

While you're doodling, light up a Lucky—the cigarette that tastes better because it's made of fine tobacco . . . and "It's Toasted" to taste better.

### Power of the Press

The business of running a newspaper is something akin to trying to put a pair of levis on an orangutang in a transom. Exciting but difficult.

Sometimes the job has its compensations. Sometimes it is possible to reach the people.

In the first week of school, the editor and Mr. William Dennett (a big man on campus if only in width) attempted to sponge coffee at the KAT sorority house. Our frontal assault was repulsed. No coffee.

Hurt and humiliated, we retired from the scene and hatched a blood-chilling plan. The following week, a brief item appeared in the Sagebrush asking the Theta's if coffee was available.

This week, we received an invitation to drink coffee with the Theta's on Friday.

We hereby R. S. V. P.

### New Frosh Plan Reported by Dean

The new policy of admitting unclassified students to the university was issued this week by Dean of Student Affairs, William Carlson. The policy is intended to aid the prospective university student who did not plan and prepare for college.

In his report to President Minard Stout, Dean Carlson said, "It would appear that the results of the first year are encouraging." Twenty-two of the 52 unclassified students allowed to register in the 1953-1954 school year, earned regular status by the end of the school year.

None of the unclassifieds in this group were among the 17 university students disqualified for scholastic reasons during the year. Of the 74 university students placed on scholastic suspension, only nine were from the unclassified group, and only eight of the unclassifieds were included in the 165 students placed on scholastic probation. Only 12 of the 47 students withdrawing from the University were from the unclassifieds.

The new policy passed by the board of regents in 1953, allowing any graduate of a Nevada high school to enter the University of Nevada, has been in effect in other states for a number of years, according to Dean Carlson. It offers university training to the student who would not have been admitted under former regulations.

Support your team—give blood.

### ENGINEER DEAN TO OHIO FOR ACCREDITATION MEET

Dr. Stanley G. Palmer, dean of the University of Nevada College of Engineering, will fly to Cincinnati, Ohio, late this month to attend the annual meeting of the Engineers Council for Professional Development, October 28-30th. The council meets each year for the purpose of accrediting the various schools of engineering in America.

Dean Palmer has been elected to a three-man committee, within the council, concerned with the promotion, improvement and standardization of undergraduate engineering study curricula.

Students who do not have the required courses, or academic record, and therefore are unable to meet requirements for regular student status, are given the opportunity to enter the university. Under the new policy the student may remove his particular deficiency, attain regular student status, and become candidates for a degree while attending the university.

Dean Carlson said the unclassified student, however, must prove himself. He should remove his deficiencies as rapidly as he can and demonstrate his ability to do creditable college work. When matriculating, the student may line up his program as a regular student, conferring with an advisor on how to make up his deficiency at the same time.

## DIRTY BITS

By SANDRA MITTS

Things have been happening, but because of food poisoning, rushing and sundry other events, Dirty Bits makes a late entrance on the '54-'55 college scene.

To try at catch up, now . . .

Bill Marsh, ATO, passed cigars in announcing his pinning to Martha Graham. Martha is a sophomore at Oklahoma University, where she is a member of Zeta Tau Alpha sorority. She will transfer to Nevada next semester. Both are from Southern Nevada.

The Tri Delts have been feasting on candy since the beginning of the semester. Among the engaged are: Rochelle Maclean to ATO Ray Brown. The wedding date is undetermined as yet, but both juniors plan to finish school.

Judy Holcraft and Ruel DePoali plan an early 1955 wedding. Judy is a sophomore and Ruel a junior.

Another sophomore, Dixie Simonsen, is engaged to Rusty Crook, ATO transfer from the University of Utah. The couple plan a June wedding.

Leanne Norton surprised the Tri Delt group with the announcement of her engagement to La Moin Garrard. Leanne is a senior student, and her fiance is a 1954 Nevada graduate, who will be leaving for Fort Benning, Ga., in the near future.

Among the pinned at the Three D house are: Sally McKissick and ATO Otto Schulz; Barbara Moore and Gene Timmons, Sigma Nu; Barbara Price and Bob Jepson, Sigma Nu; and ASUN secretary Romaine Roth and SAE John Patterson.

At the Gamma Phi house, Ann Louise Serpentino is pinned to Frank Kinnison, a graduate of the University of Idaho, and a Sigma Nu.

Rose Marie Saibini, also a Gamma Phi, is engaged to Chuck Harrison, Sigma Nu. No date has been set for the wedding.

The SAEs serenaded the Women's houses and dormitories Monday night in their suits and ties. Bob Cooper led the men in song. The occasion was to introduce their candidate for freshman class manager, Steve Dollinger of Reno, who came out on top in the Tuesday election.

It was a duel occasion, however, as scrolls were presented to SAE sweethearts Helen Meader and Romaine Roth. Helen embraced her SAE, Wally Leonard, in front of the Theta house as the men sang sweet melodies to them. The couple were pinned late last semester.

The scene was repeated at the Tri Delt house when Romaine and John Patterson were locked in each other's arms.

Guests at the Theta house have been wondering about that single paper cup and the one set of silver tied with string. The purpose of this seems to be a sorority secret, but some say that Georgia Meyers might have the answer.

The Pi Phis and SAEs are initiating a new idea tonight. The two groups will hold a combined pledge

### ED. DEAN M. C. FOR LIBRARY MEET

Dr. Gerald N. Holstine, dean of the College of Education, will serve as a moderator at discussions on school library conditions in Nevada at the Las Vegas meeting of the Nevada Library Association.

The ninth annual meeting of the library group will be held in the community room of the Las Vegas Public Library on Sunday, October 10th.

dance at Lawton's.

Speaking of dances, the Hello-on-the-Hill committee has done a good job of decorating the old gymnasium for the dance tomorrow night. They hope for a record breaking crowd. As the first all-school dance of the year, their wish should turn into reality.

In Victory Heights new additions were added to the families of the Paul Finches, the Ron Einstosses, and the Rollan Meltons during the summer vacation.

Mrs. Earl Nuttall is the new name of RaVey Borgna, Pi Phi, who was married during the summer months. Earl is in the Marines and is now in Korea. RaVey is a sophomore student from Eureka.

Newly-weds are Gene Mills and Evelyn Johnson from Moapa Valley; Lynn Bowler, Theta Chi, and Alene Skousen, also from Moapa Valley; and Gary Hafen, Theta Chi and Monta Woods from Virgin Valley. The men are junior students and their wives do not go to school.

## Horsewomen Elect; Plan Ride

Lois DeRuchia was elected president of Saddle and Spurs, a campus horseback riding organization, at a meeting held last week.

Other officers elected were Marsha Towner, secretary, and Pat Deaton, treasurer. A vice president will be chosen at a later meeting.

The group rides on Thursday from 3 p. m. to 5 p. m., and Friday from 3 p. m. to 5 p. m. Club fees are \$10 a semester.

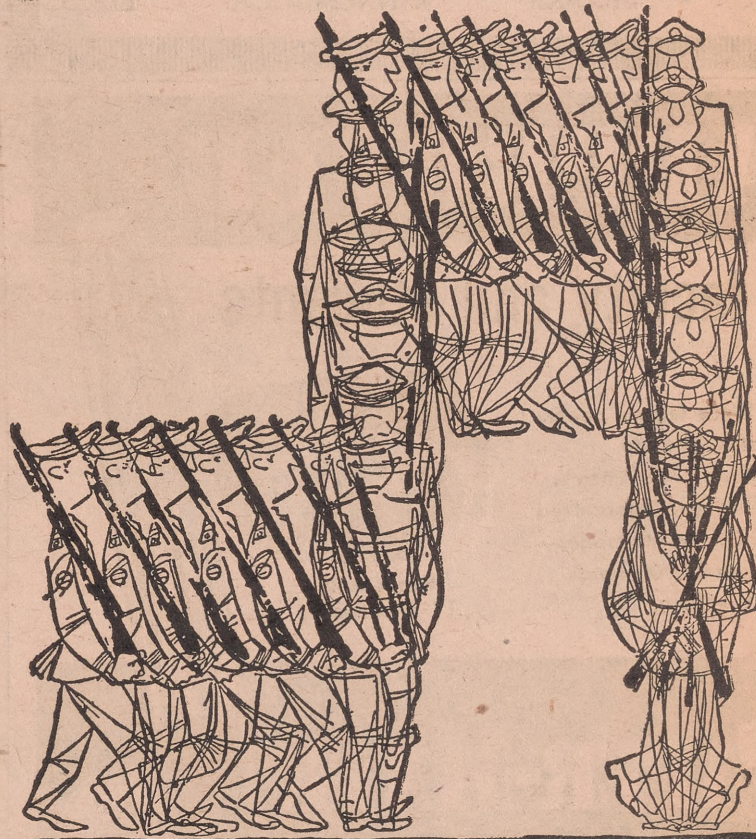

Any woman student may ride with the group on any afternoon.

Lois DeRuchia, the president, or Miss Jackie Wilson, faculty advisor, must be notified before the extra girl may accompany the club. The price is \$2.50 for the two hour ride.

Saddle and Spurs plans a supper ride this semester for its members. There will be an extra charge for the meal. Other plans for the future include taking part in the Homecoming parade and one overnight ride next spring.

### WOMEN'S VOLLEYBALL

Volleyball tournaments with the sororities, town teams, and Artemesia Hall participating will be sponsored again this year by the Women's Recreation Association. Interested women may sign up with Rochelle Maclean or Dixie Kilburn, who are WRA managers of the volleyball games.

## Lambda Chi Alpha To Build House

The dream of a new home for Lambda Chi Alpha fraternity will soon become a reality, according to word given this week by president Jake Carpenter.

Bids were recently put up for salvaging or moving the old house at 255 University Terrace. They will be open on October 15th. The active chapter will be given a 15-day notice before the demolition activities begin. The members living in the house will move into

men's residence halls or boarding houses.

The firm that receives the bid will be given a maximum period of six weeks to clear the site.

Construction bids will then be opened under the supervision of alumnus Alan Bible, chairman of the building committee. The completion of the house which will accommodate 32 men will depend upon the weather and labor conditions.

The Lambda Chi's have announced an all-school party to be held on the night that the demo-

lition bids are let.

Sacony seen in LIFE

Soft, luxurious wool jersey . . . now with your beloved elasticized Sacony waistband. And it's been given a sweater touch . . . a wide, rib-knitted cummerbund that hugs your waist snugly as a sweater (without a stitch of alteration). The colors are new and exciting, too. There are rich, heathery shades — dark colors, heather-touched — and some have vivid touches of contrasting color in the knit waistband. Proportioned sizes. \*Registered

## WHEN YOU KNOW YOUR BEER ...it's bound to be Bud

This is  
CHEESE FESTIVAL  
TIME  
Serve Cheese'n  
Budweiser  
What a delightful  
combination!

354-10

No wonder cold Budweiser always gets such a warm welcome . . . for here is the beer of all beers, one that costs more to brew than any other beer on Earth. How does it taste? So delicious that more people have enjoyed more Budweiser than any other beer in history.

Enjoy

# Young Democrats Invited to Dance

Young Democrats of the University of Nevada were formally invited to a dance and political rally by Al Abel of the Washoe county group at a meeting held last Sunday.

The festivities will be held on October 29 at the Carpenter's union hall located at West Commercial Row and Chestnut. Alan Bible, Democratic nominee for the United States Senate, will be the principal speaker, with music for the dance to be furnished by Lou Levitt's band.

Vice president John Valone presided at the Sunday meeting, held in the recreation room of the Phi Sig house. The members present ratified their constitution, which was accepted by the ASUN Senate Wednesday night.

The group agreed to assist the

Washoe county Young Democrats in pre-election work.

Mary Ann Hewins and Carol Dickerson were named program chairmen for the next meeting, scheduled for Sunday, October 17, at 3 p. m., in the Phi Sig basement.

A fool and his gold are soon married.

# UN SINGERS TRYOUTS START

Tryouts for University Singers, the campus mixed choral group, are open to any student who wishes to join the group. Prof. Theodore H. Post stated that these auditions are for placing the individual in the choir according to

voice range, rather than for deciding whether or not he should be admitted into the group. Tryouts will take place for the next few days.

Sixty-three students have enrolled in the University Singers so far this year.

The first big event in which the singers will participate will be

"The Messiah" which will take place sometime in December. They will be joined by the Reno Community Singers and orchestra.

Last spring the officers elected for the University Singers were: Eugene Mills, president; Norma Dyer, secretary; Annie Lee Condie, librarian; Clark Jones, vice president.
