

# Senate O'keh's Morrison Head Of Finance Bd.

By Sandra Mitts

The first senate meeting of the 1955-56 school year was held on Wednesday night. During the two hour confab, committee chairmen were named, University activity chairmen gave reports, and suggestions were made for better functioning of student activities.

Dr. John Morrison, Professor of English, was given unanimous senate approval as chairman of the finance control board. Dr. Alden J. Plumley, assistant professor of economics, business and sociology, was named junior faculty member. Students chosen to serve on the board are Margie Orr and John Jepson, senators-at-large.

Chuck Coyle and Virginia Coleman, also senators-at-large, were named members of the publications board, headed by Dr. Morrison. ASUN President Jerry Mann and graduate manager James McNabney, as well as Sagebrush editor Paul Finch and Artemisia editor Evalyn Titus compose the rest of the committee.

#### Chair Change

Bob Cooper, SAE, was named to succeed Ralph Briton as chairman of the Men's Upperclass committee. Briton resigned recently because of conflicting activities. ATO Bob Scott was named junior chairman.

It was pointed out that the Men's and Women's Upperclass committees will begin active functioning next week. They will work with the cooperation of the campus service organizations. Mann warned that freshman men and women had better have their dinks, ribbons and bibles, as immediate punishment will be administered to violators. Bibles and dinks may be purchased at the ASUN bookstore.

Karen Phillips, Kappa Alpha Theta, was named chairman of the ASUN publicity committee. It is the duty of this group to see that University functions are well publicized, and that home town newspapers be sent stories of students' activities on the campus.

#### Nominating

The senate also named and approved members of the ASUN nominating committee. The group will select a chairman from their number. Those named are: Everett Witt, ATO; Mike Marfisi, Sigma Nu; Frank Phelps, associated engineers; Margie Orr, senator-at-large, Phi Sig, and Sandra Newell, Artemisia-Manzanita.

Phil Collins, Phi Sig, was approved as chairman of the election committee, and Boyce Ford, Sigma Nu, chairman of the Mackay Day celebration.

The senate designated Evalyn Titus as head cheerleader for the year. She will be assisted by Simmie Cooper, Bob Faiss, Chuck Smith, Steve Dollinger, Gary Luther, Susy Kuypers and Kathy Hill.

Reports were given on the progress to date of the Homecoming, Winter Carnival and Rallies committee by their respective chairmen, Gene Kiliany, Leroy Wilcox and Bill Sprow.

Senators-at-large Chuck Coyle and Margie Orr were sworn into office during the meeting, as was ASUN secretary Pat Cordes.

## 1st Rally Features Speech by Coach

Introduction of new song and yell leaders and a speech by the Wolf Pack's new coach, Gordon McEachron, will be featured at the first student rally of the year, Tuesday at 8:00 p. m. in Mackay Stadium.

The pre-season rally will be a send-off for the football team, which opens its season in San Francisco against San Francisco State on September 30.

The rally will initiate the presence of eight cheerleaders: Evelyn Titus, head cheerleader; Susie Kuypers, Cathy Hill, Simmie Cooper, Chuck Smith, Steve Dollinger, Gary Luther and Bob Faiss.

Bill Sprow, rally chairman, has organized a committee to plan rallies to be held in the coming year. This committee will represent the sororities and fraternities on the hill. Committee members include: Buster Sewell, SAE; Gary Brock, Lambda Chi; Lynn Johnson, Sigma Nu; Phil Hannifin, ATO; Keith Hall, Theta Chi; Tina Miller, Tri Delta; Annette Dick-

son, Theta; Barbara Irb, Gamma; and Myram Borders, Pi Phi.

#### Get-Together Planned

"This committee was brought together," said Sprow, "for the purpose of getting the fraternities and sororities behind the team." Sprow has also indicated that card stunts have been arranged for the Homecoming game.

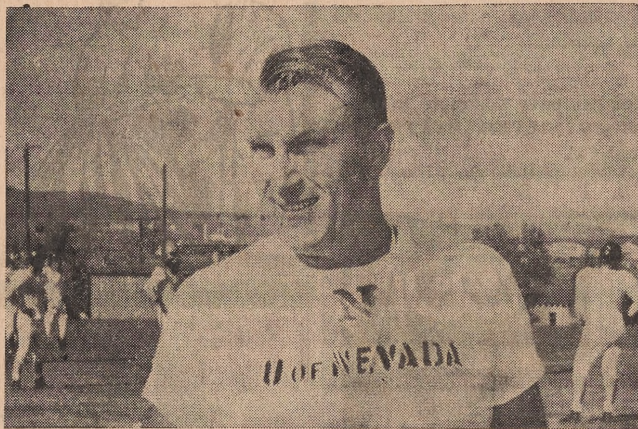

Since a great number of students are making the trip to San Francisco, the rally committee has arranged a pre-game get-together to take place there. This rally will be headed by the cheerleaders.

## Coach McEachron, Fundamentalist, Stresses Shape for Winning Team

It isn't the winningest team in the conference, Nevada will certainly be the best conditioned.

That seems to be the impression that observers have gathered after watching the new football boss, Coach McEachron, and his squad at work on the practice field.

Strictly a conditioner and fundamentalist, Coach McEachron believes that the winning football team must be in better shape, know more football and be able to outsmart his opponent in any given situation.

The new grid coach comes to the Nevada campus from Pepperdine College, near Los Angeles. He replaces Jake Lawlor as head football coach, as Jake drops that post to concentrate on his duties as head basketball and baseball coach.

Coach McEachron will also be a full-time teacher in the physical education department, where he has a good background in anatomy and physiology.

His hobbies include all sporting activities, most of which he excels in. A three handicapper on the links, he will probably take over the reins of the school golf team next spring.

Coach McEachron employs the split-T offense, although he is an advocate of some of the Red Sanders (Mr. Single Wing) training and conditioning techniques.

#### Why Split T

"I use the split-T," Coach McEachron explains, because I think it can be taught more effectively than any other offense in the short period that we have to practice. Also the pattern of the plays, allow the lineman to move at will laterally."

Coach McEachron was one of the first to register when Pepperdine opened its doors in 1937 and received his first degree in June, 1942. He was commissioned in the Army Air Corps in 1943 and flew 78 combat missions over Europe as a fighter pilot. He was shot down in 1944 and spent six months as a prisoner of war in German.

After picking up his Masters degree at Southern California, he joined the Pepperdine staff in 1948, being associated with the school's physical education and athletics department.

McEachron took over football coaching duties in 1953 and posted a three won and six lost record. In 1954 he surprised observers when his small Pepperdine squad won six of eight games, one of the wins being a 14-13 victory over strong Chico State. The two losses came in the season at the hands of Santa Barbara and San Diego, by a total of seven points.

Coach McEachron and his wife, Terry, have three potential all-Americans, in sons, Jeff, 8; Ross, 6; and Davis, 5 months.

"It's hard to say just what to expect from this ball club," says McEachron. "The people downtown have made some part time jobs available for our boys and seem eager to help us along. Next year we hope to have campus jobs to offer, with the working boys getting room and board. That should help us draw a few of the in-state boys who are now being lured out of state. But as for the year, let's just say we hope to improve on last year's season."

## Contest to Determine Fate of Dinks, Ribbons

Miss Hello and Mr. Hi will be chosen by the freshman vote at the annual hello dance Saturday night, October 8. Each fraternity, sorority, and dormitory will submit a candidate for this honor. The theme for the Hello dance will be painting the "N". Don Thompson and her Serenaders will provide the music.

After going to Peavine to paint the "N" at 9 a. m. Saturday, the freshmen will return to Mackay stadium to compete in the Frosh-Soph field day. Competitive contests will begin at 2 p. m. The concluding contest, tug of war,

will determine if the freshmen may burn dinks, ribbons, and bibles, or whether these items must be worn until homecoming.

Joan Sawle is chairman of Hello on the Hill this year. Her sub-chairmen are, Mary Lou Stone, publicity; Toni de Reynier and Bill Eddleman, dance; Frosh-Soph field day, Donna Fisher and Buzz Fray; painting the "N", Roger Trounday, and Bob Faiss is in charge of the assembly.

Numbered Hello tags will be on sale from October 3 to the 8th. At the dance a drawing of the tags will be held.

## \$65 Consolidated Fee Eliminates Most of Laboratory, Mechanical Fees

Consolidated fee for regular day time students on the Reno campus will be \$65, according to the resolution passed by the board of regents in a meeting held in June.

This recommendation was made by the Fee Study committee, appointed by President Minard W. Stout. Chairman William R. Wood, dean, was assisted by Deans William D. Carlson, Elaine Mobley, Harold D. Holstine, and Mr. Perry W. Hayden.

#### Meeting Called

The fee committee called its first meeting on Sept. 9, 1954. It held at least one meeting a month

until March, 1955, when they gave their recommendations to the board of regents. The detailed work was conducted by Dr. Romona First.

The consolidated fee for "matriculate" students eliminates laboratory and mechanical fees with the following exceptions: elective courses requiring equipment, facilities or materials not available at the university, personal expense incurred on field trips—\$35 covers this consolidated fee for a resident student and \$30 covers the incidental fee for health, library, ASUN and student union building.

# Tickets Issued To 125 Traffic Offenders

One hundred twenty-five tickets were issued Tuesday and Wednesday by Mr. Stan Davis and the Superintendent of Buildings and Grounds, Carl M. Horn. Ray Williams, former traffic cop, is recuperating from a broken vertebrae.

Superintendent Horn said "Students and faculty will lose their right to park on campus altogether if the parking and driving situation doesn't make a rapid change." He went further to say, "You can either park or not park, there are no yellow zones, all red, and there is no excuse for color blindness.

No parking is allowed in red zones, on any street, or to the south of the crosswalk running from the Education building to the School of Mines, nor to the east of the School of Mines, Engineering building and the Mackay Science building.

Parking is allowed however, in all parking lots north of the crosswalk running from the Education building to the School of Mines with the exception of the immediate rear of the hospital.

Each student driving his car on the school campus is required to register his car with Superintendent Horn's office in the basement of Morrill Hall (Post Office), and to display it on the windshield of his car.

### Violators Fined

Speed limits on all parts of the campus is 15 miles per hour. All violators caught in no parking zones and exceeding the speed limit have been and will be issued tickets.

Tickets must be paid at the Comptroller's office, \$1.00 for your first ticket, \$2.00 for your second, \$5.00 for your third and if you receive a fourth ticket your car will not be allowed on campus at all.

### TO BE ABSENT

Students of the Jewish Faith will be allowed absence from classes Monday, September 26, in observance of the Day of Atonement.

You can have Complete Reliance in every SILVER STATE APPLIANCE.

# 7 Are Trained to Fill Cheer Posts

Head cheerleader Evalyn Titus has four men to train this year. There will be four women and four men on the field.

The new girls are Cathy Hill, Susie Kuypers and Simmie Cooper. The gentlemen in front of the stands are going to be Gary Luther, Chuck Smith, Bob Faiss and Steve Dollinger.

Evalyn has already received the girl's new royal blue sweaters. The men's sweaters were delayed but will arrive in time for the first game.

She stated that a number of new routines are being worked out and some on the spot surprises will take place.

Last year's songleaders, Bettina Miller and Susie Kuypers, are training about thirty new freshmen girls. Out of these, six will be selected.

The girls are chosen on their ability to learn the movements and carry them out properly. Improvement is one of the most important factors in judging. The P. E. Department, the cheerleaders, and last year's songleaders make the final decision.

You can have Complete Reliance in every SILVER STATE APPLIANCE.

# Enrollment Up, Figures Show

Enrollment has already increased 31 per cent over the fall semester total for 1954. Incomplete figures, due to some students' tardiness in fees paying, show that the total of the Reno and Las Vegas campuses is 1769. The 1954 total was 1349.

These figures do not include evening adult study in Reno and Las Vegas, graduate school, correspondence study and special conference courses. Last fall's total enrollment in all divisions was 2479.

In addition to the regularly offered courses a new feature this year is off-campus adult courses. These are to take place in such western Nevada communities as Sparks, Carson City, Minden, Stewart, Fallon, Yerington and Lovelock.

## Literature

Bandy me not with Byrons  
Cloy me not with Chaucer  
Leave them to their environs  
Of cup, tea and saucer.

Old bards have faded glories  
Since the gat and the dame  
In the lusty visceral stories  
Of immortal Mickey Spillane.

—M. H.

# New Songleaders Picked for Year

New songleaders for the University of Nevada will be Marlene Belli, Nancy McClintic, Joni Kreatez, Jane Richardson, Honor Settlemeyer, and Kathy Zimmerman, it was announced today by head cheerleader, Evalyn Titus.

The girls, all freshmen, were selected from a list of sixteen applicants by 1954 head songleader Tina Miller and cheerleaders Kathy Hill, Simmie Cooper, Susie Kuypers, Evalyn Titus, Gary Luther, Steve Dollinger, Bob Faiss and Chuck Smith.

Four girls, Marlene Belli and Kathy Zimmerman, enrolled in the College of Arts and Science, and home economic majors Nancy McClintic and Jane Richardson, were graduated from Reno high school. Honor Settlemeyer, Arts and Science, comes from Douglas high with Joni Kreatez, only non-Nevadan to crack the select group, from El Camino in Sacramento.

The songleaders, who will assist the cheerleaders at rallies and games, will be presented to the student body.

# Entertainers Head Assemblies Debut

"Hello on the Hill" assembly, Oct. 27, will kick off the schedule of assemblies for the fall semester, it was disclosed by Bob Faiss, assembly chairman.

The show will be of preview variety, featuring the top entertainers on campus. The cast will be made up by Charlie Myerson, Tom Ogg, Felton Hickman, Gary Wilkerson, Rusty Bollinger, Chris Christopholis, Jim Phelon and Tim Hogan.

Other assemblies on the block for the coming semester will be Homecoming, October 29, Gym show November 10, and the Christmas assembly December 15.

## New Wolf Pack Travels to Coast For Revenge on Gators Next Week

The University of Nevada Wolfpack travels to San Francisco on Sept. 30 to play its opening game against the San Francisco State Golden Gators. The Pack seeks revenge for the two trouncings handed them last season by the San Francisco team.

This season the Wolfpack will employ the split-T formation. Coach McEachron, stated that because of the length of time before the opening game, the starting line-up is still indefinite. The team will probably be strongest from tackle to tackle because of the number of returning lettermen in these positions.

The linemen will be lead by Walt Ryals, 6'2, 200-pound center who last year as a freshman made second team all-conference. Others who have looked impressive in workouts thus far include Ken Fujii, sophomore quarterback, who seems to be making the change to the split-T without any trouble. Also George Ball who this season has been converted from center to end.

Other returning lettermen include Marvin Baker, Bill Howton, Mike Leslie, Bob Litton, Frank Sullivan, and Joe Viani.

The San Francisco squad will be bolstered by the return of six of the starters from last year's team and figures to be among the toughest in the conference. Among the returnees, outstanding play-

ers are touted as Jerry Conover, 6'1" 185-pound center who was first team all-conference last season. Also quarterback "Hoot" Ellis, outstanding passer from last year's team.

### NEW BOOKS ADDED TO UN BROWSING ROOM

Some new books have been added to the browsing room in the Library. "American in Russia," by Harrison E. Salisbury. "The Floating World", by James A. Michener. "Gift from the Sea", Booth Tarkington, "Man from Indiana," a biography by James Woodress.

The Browsing room is available to all students. Reading can be done right in the browsing room, or books may be checked out.

The hours are from 2 pm to 5 pm Monday through Friday. It is located on the first floor of the Library.

## B. A. Available In Music Dept.

Expansion of the music department offering study leading to the degree of Bachelor of Arts was announced during the summer.

The new program will go into effect this semester, culminating expansion plans initiated by the late Dr. Theodore Post. In addition to music training for the liberal arts student, professional training will be offered in the fields of public school music training, music theory and literature, and applied music majors in piano, voice, band and orchestral instruments.

Newly-appointed chairman of music is Dr. Frederick Freeburne, formerly of Baylor University, and choral director will be Dr. Wm. Keith Macy. Professor Felton Hickman will be the third member of the music staff.

Dr. Freeburne has been at Baylor for the past three years. A student of the composer-pianist Anis Fuleihan he has appeared frequently in concerts. He has served as director of the Conservatory of Music at Yankton College and adjudicator for music festivals and the National Guild of Piano Teachers. He received his Ph.D. from Indiana University and his masters degree from Columbia.

Dr. Macy a former member of the Westminster choir holds five degrees—bachelor of arts bachelor of music, master of arts, master of music, and Ph.D., the latter from University of Wisconsin. He was chairman of music at Cascade College.

## Homecoming Setup Discussed in Senate

A report on the progress of the Homecoming committee was given by chairman Gene Kiliany at the senate meeting this week.

The five day celebration is scheduled for October 25 through 29. It is hoped that the Don Korsak dancers, an internationally famous Russian dancing group, will open the affair with a performance to be held on Tuesday night in the new gym. Though preparations for this event are still underway, Kiliany is quite sure that his work will be actualized.

## Intramurals Begin For Fall Semester

Wednesday marked the first day of intramural athletics on the campus for the fall semester. The battles on the first day included horseshoe events between Lambda Chi and the Civil Engineers, SAE against Theta Chi, Sigma Rho versus ATO, and Sigma Nu met the Phi Sigs.

Softball contests included Theta Chi against the Civil Engineers, and SAE mixing with Lambda Chi. Scores were unavailable at press time.

A broad program is outlined for the remainder of the semester. On October 10, practice will begin for the cross-country run, held annually on Homecoming Day. Other sports include bowling, riflery, volleyball, badminton singles and doubles, table tennis, singles and doubles, and basketball.

Supervising the program will be Chet Scranton, associate professor of physical education, who will be assisted by Everitt Witt.

Open houses will this year be held on Wednesday night, with the rally and crowning of the queen to follow on Thursday night. On Friday, the annual Wolves Frolic will be presented at the State building. And on Saturday, on the final day of the celebration are planned the parade, the game, and finally the dance.

### Parade Theme

The theme of the parade had not been decided at press time. A meeting was held yesterday to determine this. Kiliany said that he expects forty to forty-five entries in the parade.

Dr. Wilson, director of the Wolves Frolic, made an appeal at the meeting for variety acts for the production. He said that he will also need an entire production staff. Persons interested in these activities may see Mr. Wilson in 22T of the temporary building.

Wilson pointed out that there is little over a month until Homecoming, and that preparations and rehearsals will begin soon.

Selection of a women's kick chorus will be made next week. Those interested may leave their names and addresses and phone numbers in 22T. A professional dance instructor will coach the group. The Frolic will also feature a band this year.

Dr. Wilson is directing the Wolves Frolic for the first time this year. Dr. William Miller, professor of English, originated the show in the early 1930's and directed it until last year, when ill health forced him to relinquish the duty.

### FRATERNITIES PLEDGE 145; MOSTLY FROSH

A total of 145 men mostly freshmen have been pledged by six fraternities on the campus.

Sigma Nu leads the way having issued 44 pledge pins this semester. Following are Alpha Tau Omega with 34 and Sigma Alpha Epsilon with 31.

Phi Sigma Kappa pledged 23 men Lambda Chi Alpha 10 and Theta Chi pledged 4 men.

Pledging this year has been done pretty much the same as in previous years. Several "get togethers", dinners and other social functions were given by all fraternities.

Bids were given out Saturday and Sunday night and Monday after registration the first pledge pins were issued.

## Editorial

### Closed Doors

A few of the faculty members occasionally complain about student opinion, or lack of it, concerning campus affairs. They are not justified.

Last year Dr. Palmer, then department head of business, economics, and sociology, proposed a change in the requirements for the students majoring in his department. He wanted to eliminate the 16-hour language requirements in particular, deciding the time was needed for other courses he had in mind.

In accordance with the time-honored custom, Dr. Palmer brought his ideas before a meeting of the faculty of the arts and science college for the approval of the body. It is understood that no one can make such a move without approval reached by "open" discussion and a democratic procedure.

In the words of a faculty member "students and their welfare are our common concern." All this is just fine.

Some who attended the meeting said that when Dr. Palmer disclosed his plans, all hell broke loose. Exceedingly bitter words between friends were exchanged and a heated verbal fight concerning educational theory ensued.

It seems Dr. Palmer's views rested with the minority but the feeling was so touchy, the proposal did not come to a vote.

The motion was dropped. Dr. Palmer left the university. He did not inform the Sagebrush why he chose to leave and the reason could very well have had nothing to do with the ill-feeling. In fact, we have been told that it did not.

During the summer it was announced that Business would no longer be under the college of arts and science but would become a college in its own right. Although we have no inside information, it could be assumed there will be no language requirement.

While the difference of opinion may not have led directly to the establishment of a new college, it probably influenced it.

In his speeches and informal talks, President Minard Stout has often made clear his views on the importance of educational emphasis on vocational training as opposed to the liberal arts.

And the point of this editorial? Few students are aware of the conflicts deciding what they shall study. They cannot form an opinion without adequate information. And young minds, if they are to mature, should be informed.

When discussions of this nature are held by faculty a student chosen by the students, or their senate, should be present to report the outcome to the student body.

It has a right to know.

### Famous Paintings To Be Exhibited

Works of some of the most outstanding artists of the 20th century will be displayed at the University's art gallery, according to Edward Yates, chairman of the Art Department.

Drawings from the Guggenheim Museum will be on exhibit Sept. 23-October 7 from 1 to 4 p. m. each afternoon except Saturday.

#### Nude

Original works of twelve foremost American and European contemporary artists will be shown. Included are Ernst Barlach, Ly-

onel Feininger, Albert Gleizes, George Grosz, Vasily Kandinsky, Paul Klee, Ernest Ludwig Kirchner, Oscar Kokoschka, Wilhelm Lemmbruck, Henir Matisse, Joan Miro and Amedeo Modigliani.

Twenty five drawings will be featured in the exhibit. Included are Matisse's "Nude" and Barlach's "Woman Killing a Horse," both of which are done in charcoal.

The exhibit is open to the public free of charge.

### Fashions Shown At First Affair

Almost two hundred women packed the Riverside theatre restaurant last Saturday afternoon to see the first annual Associated Women Students' fashion show.

The show was sponsored through the cooperation of Joseph Magnin's store.

Eleven university women modeled fashions worn on the University of Nevada campus. The models were Nancy Hewins, Pi Phi; Sandra Nichol, Tri Delt; Jean Logomarcino, Gamma Phi; Gail Altenberg, Theta; Jan Chiatovich, Gamma Phi; Betina Miller, Tri Delt; Barbara Cavanaugh, Theta; Evelyn Titus, Tri Delt; and Toni Derineaux, Pi Phi.

#### Annual Event

The show was the first of what is expected to be an annual event. Its purpose is to acquaint the college women, and especially the freshmen, with university fashions.

### Out Of The Brush

By P. Finch

This semester is starting quietly enough. No letter-writing, speechifying, petitions, charges or counter-charges. Temporarily, everyone is interested in their strange new classes, in the strange new freshmen women, and in the strange new miserable weather. But, then, last year started about the same way. At first, permit a pun, everything was Jake.

One of the more irksome faults of this campus, which is periodically complained of by the Sagebrush and just as periodically ignored, is the jerry-built walk around the quadrangle. A path strewn, or strowed, or strown (the Sagebrush can't afford a dictionary) with broken glass and bouncing-betty land mines would be safer and more commodious. This week a girl tripped and skinned her skin on the idiotic bricks. To

prod authorities into action, however, a fatality will be needed. We need a martyr.

Minard W. Stout, a well-known figure around the campus by virtue of being president, will be attending the Senate meetings in the Student Union building for thirty minutes once a month, according to Jerry Mann. Jerry Mann, incidentally, is also well-known around the campus by virtue of being elected to the office of ASUN president.

Dr. Stout, according to President Mann, has agreed to listen to student complaints, queries, suggestions, and supplications during the session.

Now this arrangement is something of a precedent, as far as we can tell, not only at the University of Nevada but at universities in general. The student body can thank Mann for proposing it and President Stout for agreeing to it by making the questions pertinent, intelligent, and clear.

Those who attended the Activities parade, and there were many, will believe Chairman Dan Goodman's testimony that the junk left over made a stack several feet high. Most booth operators took care of their own mess quite well but then some did not. Five members of the Blue Key and a couple of Sagers cleaned up the gym. That's real school spirit . . . not the bottle-in-the-bleachers variety.

The editor got slightly lowbrow over the summer and decided to experiment with a comic strip called "Pogo."

If Sagebrush fans and enemies want to contact it to submit newsstories or complain about its lowbrow tastes, they may call 3-8388 between 2 and 4 on Mondays and Wednesdays for the former purpose and 2-4272 between 7 and 9 on the same evenings for the latter.

When all the bids for the new Student Union building were found to be too rich for easy digestion, it was naturally decided the plans would have to be altered.

This led to some uneasy speculation about the interpretation of a certain clause in the recently approved constitution whereby the \$5 per student could not be levied until "bids were let." If followed, the clause would prohibit the collection of a sizeable amount of money needed to furnish the new building.

Incidentally, the poorly heeled students were slightly chagrined by the enrollment fee. Formerly, it was a few bucks for this and a few bucks for something else. To make everything simpler the fees were consolidated. And then raised by about twenty dollars.

It must be admitted, however, that the University of Nevada still offers one of the cheapest educations in the country.

## Over Forty Men Sign Contracts To Join Faculty

In order to meet the rising enrollment figures for the coming school year, more than forty additional instructors have been hired by the University of Nevada.

In some cases, contracts have not been returned by prospective instructors, and the hiring program is still continuing.

University officials announced the hiring of the following: Charles H. Seufferle, Majorie Tregoe, Garland Wood, John Fisher, M. A. Townsend, R. W. Lauderdale, R. C. Cox, Howard Christensen, and Walter H. Hesse to teach classes in the agriculture department.

In the home economics department, Marilyn J. Hom and Jan Harper have been added to the staff.

### More and More

R. K. First and Carl W. Bockman have been hired to instruct classes in economics.

In the science department K. L. Kuttler will teach veterinary science; G. C. Roth will instruct classes in biology, and Donald Shabelund and William Colbert will teach physics courses.

In the psychology-philosophy de-

## Large Windfall Slated For Music

Nearly a million dollars will be received by the University music department after the death of a relative of Mrs. Agnes Barrington Momand.

The three million-dollar will of Mrs. Momand, now going through New York County Surrogate's court, specifies that after the death of her daughter one third of the estate should go to the University of Nevada music department for the "musical education of meritorious and indigent students." This shall be known as the Agnes Barrington Fund in memory of Mrs. Momand's mother.

Mrs. Momand is reported to have lived near Reno periodically for the last few years.

partment, Robert McQueen has been hired to instruct classes in psychology, and William H. Halberstadt will teach courses in philosophy.

Frederick Freeburne and William K. Macq have been added to the staff of the music department.

Other instructors who are new to the staff of the University include Gene Menke, electrical engineering; Wanita Wittler, home agent; R. D. Wiley, education; K. C. Kemp, chemistry; Charles E. Frank, English; E. F. Lawrence, mining; J. R. Sligo, math; J. Pat-

## 5 Commissioned At Summer Camp

The cost per student at this summer's ROTC summer camp was \$686.26 for the 6-week camp, according to official Army documents.

At the end of the encampment, five Nevada cadets were commissioned 2nd Lieutenants in the U.S. Army: Lelan Ceccarelli, Dory Glenn, Clair Earl, Ron Munk and Duane Urban.

Nevada placed 14th among 28 schools in overall proficiency and accomplishment at the camp. All 39 Nevada cadets had higher than necessary scores to qualify on the rifle. Clair Earl, former student body president, was honored as regimental commander, highest command post in the unit, for one week.

Lt. Col. Robert C. Bereuter, ROTC commander at Nevada, expressed high satisfaction with Nevada cadets' showing during the 1955 summer camp.

## Thirty Organizations Take Part In Annual Activities Day Parade

Thirty campus organizations took part in the Activities parade held September 12th.

Dinks were sold by Blue Key, and ribbons were sold by the Sagens. Freshman handbooks were sold by AWS.

This was the first year that ASUN funds were used to put on the Activities parade.

Dan Goodman, chairman, said that the booths were exceptionally well decorated this year even though the students were limited in time. Formerly they have had two days in which to set up their booths, but this year they only had half a day.

The Activities Parade, an annual event, enables students to find out more about the various campus organizations in which they can participate.

Chairmen of the booths were: Sagens, Joe Crook and Jim Gilbert; Ski club, Gloria Hanes; Cam-Players, George Evans; Forensic Team, Earl Holly; Sierra Guardsmen, Everett Witt; Home Economics, Patsy Terry; Orchesis, Georgia Meyers; Artemesia, Evelyn Titus; Sagebrush, Hank Rilling; AWS, Sandra Mitts; Newman club, Dick Morrill; Sagens, Marsha Towner; Medic, Dick Morrill; Blue Key, John Ingram; Commerce club, Frank Randall; Wesley Foundation, Sally Long; FTA, Simmie Cooper; Rifle club, Terry Katzer; Crucible club, Chuck Taylor; Young Republicans, Dwight Powell; Lambda Delta Sigma, Clidie Seckinger; YWCA, Wynona Bromley; Electrical Engineers, Jim Wright; Radio Hams, Don Odell; Saddle and Spurs, Lois De Ruccia; Pems, Helen Meader; Young Democrats, Chuck Coyle; Chemistry club, Don Nelson; Band, Tom Murie, and Brushfire, Sandra Newell.

Members of the Blue Key cleaned up the Old gym.

### LIBRARY HOURS POSTED

Library hours have been posted for this year. The Library will be open from 8 a. m. to 5 p. m., Monday through Friday; 7 p. m. to 10 p. m. Monday through Thursday; 9 a. m. to 12 a. m. Saturdays and 2 p. m. to 5 p. m. Sundays.

## Social Calendar To Be Discussed

Social events will be scheduled for the fall semester Wednesday at 4 in the Journalism building, it was announced this week.

Elaine Mobley, dean of women, plans to meet with student representatives and social chairmen of the sororities, fraternities, dorm associations, student body organizations, and class organizations to plan a non-conflicting schedule.

A co-ordinated social calendar will be issued from the dean's office after all events are considered.

## Lt. Col. Comments On Stead Training

When asked if he approved of the survival training at Stead Air Force Base, Lt. Col. Robert L. Bereuter said that it is a good thing to indoctrinate the airmen as to what they might receive in the way of treatment at the hands of an enemy.

He compared this training to the Army's infiltration course and close combat course, which also give men an idea of what to expect in combat, and how to handle themselves.

He didn't know whether or not the Army has plans for a "brainwashing school." Inasmuch as he hasn't seen the course at Stead, Bereuter preferred not to comment as to whether the course should be toughened or made eas-

ier. As far as all the publicity on the school goes, he said, it probably started with some airman's letter to mom, which was misinterpreted, and mom wrote to Newsweek magazine.

Newsweek probably didn't expect the story to snowball as it has, Bereuter commented, and it will die a rapid death, in fact it has already lost most of its news interest.

### REGENTS PURCHASE

Eighteen acres of land have been purchased for the expansion of the University of Nevada's campus. President Minard W. Stout has not yet stated how this land will be used.

## Lambda Chis Get Net Frat House

The Nevada chapter of Lambda Chi Alpha will move into its new fraternity house during the Homecoming celebrations, October 29. The new house is being built at 225 University Terrace.

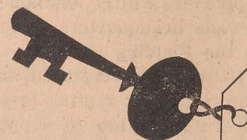

A house warming party is being planned by the fraternity.

It will be an all campus affair where refreshments will be served, tours conducted, and favors given away.

The Lambda Chi men have been without a house for the past year. "The men want to share this happy day with everyone on campus," said Stan Draper, president.

# Boxing Vets Attend Squads First Meet

A meeting of the prospective boxing team members was held last week, with approximately 30 attending. According to Coach Jimmy Olivas, prospects for the coming season are very bright.

This year's squad will have 12 returning lettermen, and will have at least one lettermen returning in each position except the 155-pound class. Among the returning group is Ted Contri, 147, who last season was National runner-up. Returning from the service is Sammy Macias, 126, former Pacific Coast champion. Also back after a none season layoff is Marvin Baker, heavyweight, who looked impressive in his bouts two seasons ago.

Also back from last year's squad are two year lettermen John Hawkins, 178, and Jim Wittenberg, 165. Other letter winners returning include Bob Genasci, heavyweight; Larry Damon, 165; Bill Priest, 147; Chet Hines, 139; Roger Iveson, 132, and Don Kitts, 126.

The Wolf Pack schedule this season includes such opponents as San Jose State, Idaho State, University of California, Cal Poly, Chico State, and Cal Aggies.

The candidates will begin conditioning on their own in the very near future, with workouts scheduled to begin about Nov. 1.

## Rally in Offing For SF Contest

A University of Nevada Wolf Pack rally may be held in San Francisco next week prior to the Nevada-San Francisco State game. The announcement was made this week by rallies chairman Bill Sprow.

Sprow reported to the ASUN senate that a letter had been sent to San Francisco requesting permission to have a rally in Union Square on Friday night at 6 p. m. If such arrangements cannot be made, the rally may be held on the Gator campus.

A schedule of events for Nevada supporters will be available at the Nevada headquarters to be set up at the Fielding Hotel.

It was also reported that the Gators are attempting to set up a cheering section to support the Nevada team along with those Nevadans who make the trip. Nevada cheerleaders will make the trip.

#### WOLVES FROLIC

Students who wish to work on the Wolves Frolic staff this fall may see Dr. Wilson, assistant professor of speech and drama, he announced.

Prof. Wilson will be in his office, 22T, from 11:00 to 12:00 Tuesday and Thursday mornings.

### It's Free

by Bob Guinn

Athletic tickets are available in the President's office, at no charge, for regular members of the faculty and staff. These tickets will admit the individual and his family to all intercollegiate athletic events of the school year.

## Freshman Picked By Manzanita

Seventeen-year-old freshman student Cari Guth was chosen to represent the residents of Manzanita Women's dormitory at a meeting held last Tuesday evening, September 13.

Miss Guth will act as spokesman on the Executive Dormitory Board for the twenty-four women students now residing in Manzanita Hall for the next month. In late September the hall, which is one of the oldest buildings on the campus, will be vacated in order to allow time for remodeling the building.

#### Chosen

Chosen by popular vote of the Manzanita women, Miss Guth has

had previous leadership experience in high school. She attended John Muir High School in Pasadena, California, where she was selected to serve on the the Senior Class Council, the Inter-Club Council, and was chosen to head the Senior Assembly Program.

Her duties will include service on the Executive Dormitory Board, representation of the Manzanita residents on the Dormitory Council. She will also serve as spokesman for the Manzanita women at all dormitory meetings.

# UN Expansion Totals About Three Millions

Approximately three million dollars of construction and remodeling is scheduled for the University, which will include a two million dollar Fleischmann College of Agriculture, the \$400,000 Student Union building, \$200,000 of remodeling at Manzanita Hall, \$300,000 classroom improvement at the Agriculture Extension building, and a minor building at the Valley Road farm.

Robert C. Poolman, who has been in the Civil Engineering Department for the past nine years, was recently named the new Campus Engineer. Mr. Poolman took over the office on July 1st of this year and is in charge of the new construction and remodeling.

Mr. Poolman met with the student union committee September 15 to discuss the bids for the building of the Student Union building. Four hundred thousand dollars has been raised for the construction and the lowest bid submitted was \$502,000. New plans will possibly be drawn and the bids will be let once more.

This fall the women's dormitory, Manzanita Hall, will have a remodeling job done which will change the entire interior and will include concrete floors. The outside appearance will be changed only by two new stairways.

### \$2,000 for Agriculture

The Max C. Fleischmann estate has granted two million dollars for the new Fleischmann College of Agriculture which will have classrooms, a laboratory, and a greenhouse. This college will also have a new building for the Sarah Hamilton School of Home Economics.

The home economics building will be located approximately where the president's home is now. Plans for the project should be ready by the first of the year and building will begin by next summer.

Also included in the remodeling plans for the university is the removal of two of the Victory Heights buildings this year, four next year will be removed, and two the year following.

Mr. Poolman, who is a graduate of California School of Technology, also will head the expansion program at Nevada Southern in Las Vegas. When the legal title is granted for the campus at Nevada Southern, the State Planning Board will employ an architect to draw up the plans for the \$200,000 building. The state legislature has granted these funds, and building could possibly be completed by next fall.

# Relief Expected For Packed Dorms

Crowded conditions now existing in the women's dormitories will, in all probability, be alleviated by October 1.

"After pledging is over," stated Dean of Women Elaine Mobley, "we will probably be able to move some of the new pledges into their respective sorority houses."

Twenty-four women are housed in Manzanita Hall, as well as ninety-eight who are now living in Artemisia Hall. Sometime around October 1, Manzanita will be vacated in order that a complete remodeling job may be done on the dormitory.

When the new pledges are allowed to make the move to the sorority houses, it will also alleviate the crowded conditions at Artemesia Hall, where there are now three women to most rooms built to accommodate two.

Those women who pledge a sorority will be allowed to move in-

# ROBINSON COACHES DURING DEGREE STUDY

Supplementing the Wolf Pack's grid coaching for the season will be Karl Robinson, former star end for the '45-'48 Nevada football squad.

Robinson, currently working for his Master's degree on the campus, is in overall charge of equipment and in his spare time assists as end coach for the squad. Karl has Dave Lowenthal, freshman from Los Angeles, as his student manager.

After returning from the United States Air Force last spring, Robinson has resided in Reno since with his wife and six month old daughter.

to the chapter houses on a priority basis in accordance with their high school or previous college grades. Women with previously high grade averages will get top priority.

Allowing the women with the higher grade averages to move to the sorority houses is done with the benefit of the student in mind, according to Dean Mobley.

# Good Year Seen For Gymnasts

The entire gymnastic team, with the exception of one or two men, is returning, Art Broten, physical education chairman, said. The handbalancing team of Gary Luther, Duke Fuller and Jim Phalan is looking forward to another good year.

Ed Wessel, the team's top all-around man, is expected to top all competition on the high bar. An all around man competes on high bar, side horse, rings, long horse, parrallel bars, and free-exercise.

Steve Dollinger, the number one man on the side horse, is expected to see action. Also checking in for the first workout was parallel man Norm Zunino. Trampoline men Bob Linton and Bob Smith will be in the gym as soon as football season ends.

### Happy Man

Prof. Broten is very happy with the freshman prospects, he said. Freshmen Craig Bell, Dave Cannon and Carry Keener have already joined the crew. Any student can work out on Monday or Wednesday at 4 p. m.

A number of new pieces of apparatus have been added including a side horse trampoline, mats, trampoline, and a set of pyramid ladders.

Prof. Broten stated that he hopes to work more on all around performance so the gym team can begin competition. The team will perform at an assembly scheduled for November.

# Tenure, Promotion For 20 Instructors

Twenty faculty members were promoted or received tenure at the recommendation of President Minard W. Stout and the approval of the board of regents recently.

Tenure was granted to:

Edward W. Yates, assistant professor in art; Dr. Donald Cooney, assistant professor of biology; Dr. R. J. Morris, associate professor of chemistry; Dr. John Morrison, assistant professor of English; Dr. T. V. Frazier, assistant professor of physics; Dr. Charles Monson, assistant professor of philosophy; Dr. Clyde Mead and Dr. Burton C. Newbry, assistant professors of education; William Garrott, associate professor of electrical engineering; John S. Winston, associate professor of metallurgy; Dr. Lon S. McKirk, associate professor of geology; Dr. James F. Kidwell, associate professor of animal husbandry; Dr. Verle R. Bohman, assistant professor of animal husbandry; James R. Dickinson, assistant professor of English, Las Vegas; Dr. Laurin Brink, associate professor of English, Las Vegas; Dr. Fred Ryser, assistant professor of biology, Las Vegas.

Promotions were approved for Dr. Morris to associate professor of chemistry; Hugh Smithwick to assistant professor of health, physical education and athletics; E. M. Beesley to professor of mathematics; Dr. James Langford to associate professor of education; John S. Winston to associate professor of metallurgy; James R. Dickinson to assistant professor of English and resident director, Las Vegas; Dr. Effie Mona Mack to associate professor of history and political science, Las Vegas; Ann Brewington to associate professor of business administration, Las Vegas.

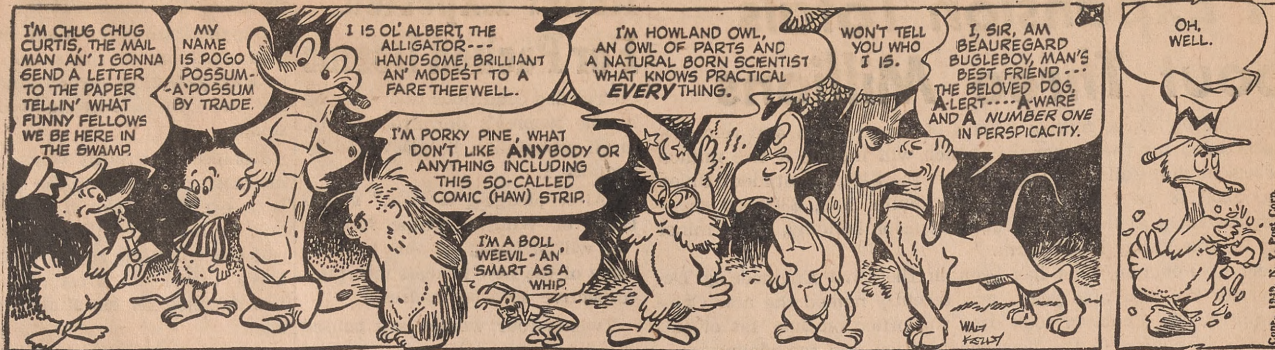

Promotions and tenure appointments were effective July 1.

Reappointed for one year terms, having completed eligibility for retirement, were Dr. Charles Rogers Hicks, professor of history; Dean Stanley G. Palmer of the college of engineering; C. E. Fleming, associate director of the experiment station; Edward Records, director of veterinary control.

## BLUE KEY INITIATES PARKING PROGRAM

Blue Key, the campus service organization, started a new parking system yesterday in the parking lot near the new gym. The Keys made posters which helped direct the traffic and supervised as the students began parking there on Thursday morning. Dan Goodman was in charge of the campaign and all of the Blue Keys aided in the drive.

POGO

## Lewis Made ROTC Commander, Other Battalion Officers Named

Cadet Robert C. Lewis has been appointed commander of the Nevada ROTC battalion for the coming year. Lewis will hold the rank of cadet lieutenant colonel. The son of William F. Lewis, Episcopal bishop of Nevada, he is a history major, and a senior in the college of Arts and Sciences.

Other battalion officers named were Con J. Lund, major, executive officer; James T. Wright, major; Daniel S. Goodman, Dale W. Burt, and James G. Dunseath, all captains.

Company officers named include company A: Everett L. Witt, captain and commanding officer; Gary B. Hafen, 1st Lt., and Grant L. Bowler and Robert W. Thomason, 2nd Lts.

Company B: Roger S. Trounday, captain and commanding officer; John C. Mead, 1st Lt., and David J. Mahoney and Roy M. Whitacre, 2nd Lts.

Company C: Farrell W. Lytle, captain and commanding officer; Gail G. Munk, 1st Lt., and Dwight S. Powell, and Richard D. Symonds, 2nd Lts.

Company D: Duane A. Glanzmann, captain and commanding officer, John C. Jepsen, 1st Lt., and Phillip R. Collins and William T. Barrett, 2nd Lts.

Company E: Maxwell K. Botz, captain and commanding officer, Robert A. Jepsen, 1st Lt., and Dennis K. Burge and Charles M. Taylor, 2nd Lts.

Taylor, 2nd Lts.

Band: Thomas D. Murie, 1st Lt. and band leader, and Eugene B. Mills, 2nd Lt. and assistant band leader.

Lt. Col. Robert C. Bereuter, commander of the Nevada ROTC battalion, stated that officers are chosen on the basis of their scholastic record, leadership ability, and their relative standing at summer camp.

## COMMISSION OFFERED JUNIOR, SENIOR WOMEN

All junior and senior women students interested in obtaining a direct commission as a 2nd Lieutenant in the Women's Army Corps, may obtain information from it.

Lt. Col. Reece is WAC Procurement Officer for the western states. She can be contacted in the Snack Bar of Stewart hall on Friday, September 23.

## Student Troupe Travels to 5 Schools

ASUN president Jerry Mann has announced that the Student Assembly committee is readying a road show to be presented to the student bodies of five high schools in the Las Vegas area sometime in November.

The show, which will include student entertainers from the Reno campus, is scheduled as a part of the President's Student Publicity program and designed to promote good relations between the high schools and the University of Nevada.

The University troupes will per-

form at Gorman, Rancho, Basic, Boulder and Las Vegas high schools.

Mann said that he will accompany the program as speaker and while in Las Vegas will appear on television and radio. He added that a similar program will be presented in the western part of the state during the second semester.
