RENO, NEVADA

Friday, April 20, 1956

SUE HUMPHREY, Gamma Phi Beta candidate for Mackay Day queen. Sue is an education major from Tonopah, Nevada. She is a member of Sagens, young Democrats, and past president of Gamma Phi.

PATSY TERRY, Artemisia-Manzanita candidate for Mackay Day queen. From Ely, Nevada, Patsy is a home economics major. She is a member of Cap and Scroll, Sagens, FTA, Eta Epsilon, and a past president of the Artemisia - Manzanita association.

EVALYN TITUS, Delta Delta Delta entry into the Mackay Day queen contest. Evalyn is from Reno and is an English major. She is editor of the Artemisia this year and president of Cap and Scroll.

ALICE COCHRAN, Kappa Alpha Theta candidate for Mackay Day queen. Alice is an education major and she is from Carson City. A transfer student from San Jose, she is a member of FTA and young Democrats.

NANCY HEWINS, Pi Beta Phi Mackay Day queen candidate. From Reno, Nancy is a home economics major. She is a member of Eta Epsilon and past vice president of the Pi Phi sorority.

Constitution Changes Favored By Senate

Discussion in Wednesday's student senate meeting indicated general senate agreement with the proposed changes to the constitution that will appear on the ballot in a special election Wednesday, April 25. Students will vote at that time to allow absentee balloting and to change golf and riflery from minor to major sports.

The amendment to allow absentee balloting reads as follows: Any student who shall be absent from the University during ASUN (primary, general and special) elections shall have the privilege of voting by absentee ballot.

(a) The student will register with ASUN President who shall maintain an absentee voting list which will be signed by said student.

(b) Upon receiving the signature of the student the ASUN President will issue an absentee ballot, which will be filled out by the student, signed and sealed and returned to the ASUN President.

(c) The ASUN President on the day of the election will turn over the Absentee Ballots and lists to the Election committee, who will compare the signatures and count the Absentee votes. It shall be the duty of the Election board to count these ballots first.

This proposed amendment and the proposed changes on switching golf and riflery from their present status of minor sports to that of major sports will be answered by the students on the ballot with a yes or no vote.

(Continued on Page 3)

Dance, Songs, Parade Featured In Mackay Day Schedule

Plans for Mackay day are nearing completion according to Mike Evans, Mackay day publicity chairman. Beginning Wednesday, the four-day celebration will include an election of a Mackay day queen by the male students, an

assembly and open houses, physical education show, an Aggie comic rodeo, a parade, a luncheon with song team entertainment, an obstacle race and costume dance.

Promising to be one of the most elaborate celebrations in many years, the 1956 Mackay day will stress student participation by both men and women and the importance of being costumed for the celebration, Mike emphasized.

In a special election on Wednesday, April 25, university men will choose a queen to reign over Mackay day. Voting will take place in the snack bar in the basement of Stewart hall. The winning candidate will be announced at an assembly Thursday, April 26.

In addition to introducing the queen, the assembly will inform students on the final arrangements for Mackay day. That same day, prior to sorority open house at 9:30 p.m., a physical education show will be presented in the gym.

Friday's feature attraction will be the Aggie comic rodeo scheduled for 2 p. m. at the university farm. Activity on Saturday will open with the parade of organizational floats and entries of horses and carriages to begin at 1:30 a.m. at the university.

Finale for the celebration will be the costumed Mackay Day dance to be held Saturday evening at the California building beginning at 9:30. During intermission at the dance the trophies for various Mackay day events will be given.

As part of the assembly program Thursday, a melodrama will be presented under the direction of Bob Faiss. That same drama is to be shown on local television during Mackay week. Plans for the P. E show include demonstrations of acrobatics, gymnastics and modern dance.

Events at this year's luncheon on Saturday include the usual song team competition and the added attraction of the beard judging. Beards will be judged on being the heaviest, the reddest, the blackest and the best trimmed. Trophies will be awarded for those classes as well as to the fraternity having the highest percentage of bearded members.

The obstacle race that afternoon will have events for both men and women. Winners in each class will be awarded trophies.

To introduce more spirit into this year's celebration, commented Chairman Evans, the wearing of costumes will be emphasized. For the first time, the dance attendance trophy will depend not only on attendance but that those attending be in costume in order to be counted. Thus a living group must have its members in costume at the dance in order to count them in dance attendance.

Advance ticket sales will begin next week with tickets on sale for the luncheon at the living quarters, the snack bar and book store. Those students planning to attend the luncheon as part of a group should get their tickets only through their living or social group.

Junior Prom King, Queen To Be Named

King and Queen of the Junior Prom will be announced Saturday night at the dance. The prom will begin at 9:00 p.m. in the Fable room of the Mapes hotel. Drawing for a door prize will follow.

Dress is semi-formal without corsages. Tickets can be bought at the door.

John Darrah, junior prom chairman, is keeping the band a secret until Saturday.

Queen

Candidates for queen are: Donna Fisher. An education major, 5'9", blonde hair and blue eyes. She is president of Gamma Phi Beta, and a member of the upper class committee and the Mackay day committee.

Margie Orr, Delta Delta Delta president, 5'3", brown hair and eyes. She is also women's senator at large.

Joanne Ortiz. Pi Beta Phi, 5'3", brown hair and eyes. She is a representative of the AWS and a Panhellenic delegate.

Diane Spina. Kappa Alpha Theta, 5'2", brown hair and eyes. An English major, she is secretary

of the Sagens and a Newman club member.

King

Candidates for king are: Stan Draper. Past president of Lambda Chi Alpha, a member of Blue Key and Scabbard and Blade, and a Harolds Club scholar.

Eugene Belli is Sigma Nu's candidate for Junior Prom King. He is majoring in civil engineering and is a member of the American Association of Civil Engineers. Belli is a native of Reno and is 20 years old.

John Meader. ATO, student senator, and a Block N member. He is majoring in business administration.

Mike Evans. SAE, a lieutenant in the Air National Guard, he plans to attend Hastings college after graduating to continue his law studies.

George Petersen. Theta Chi, a ski club member and he is majoring in civil engineering.

Tom Richardson. Phi Sigma Kappa, he served four years in the U. S. Navy and is majoring in political science.

Anderson to Run For Regent Post

First to file for one of the two vacancies to appear in the board of regents in the fall elections, is Dr. Fred M. Anderson, Reno surgeon and president of the Nevada State Medical association.

Long active in alumni affairs, Dr. Anderson graduated from Nevada in 1928. He was born in Elko county in 1906, the son of Mr. and Mrs. M. Anderson.

Two vacancies on the board of regents occur with the expiration of the terms of office of Silas E. Ross, chairman of the board, and A. C. Grant, of Las Vegas.

Holdover members of the board are Dr. Louis Lombardi, Roy Hardy and Bruce Thompson, all of Reno. They went into office in 1952 and are in office for four years.

Young Demos Hear County Chairman

Merrill Inch, newly-elected chairman of the Washoe County Democrats, was guest speaker at the Young Democrats meeting on Tuesday night.

He stated that the Democratic party has done more for the individual's rights in the past 20 years than the Republican party. The Democrats, said Inch, brought the people successfully out of the depression by giving rights to the industrial workers and farmers.

Inch announced that Jim Hart, sophomore president of the campus Young Democrats, has been appointed a member of the Washoe County Democratic Committee Executive Board.

Three members of the group are now working on getting subscriptions to the "Democratic Digest" from students on campus. Those in charge are Hart, Phil Hannifan, and Bill McDonald.

ASUN ROAD SHOW IS CALLED A SUCCESS

The ASUN roadshow played before four thousand high school students during its five-day southern Nevada swing last week, according to Asher B. Wilson, instructor in speech and dramatics and show advisor.

The roadshow, made up of student entertainers from the university appeared at six high schools. The show was designed to show student life at the university through the medium of entertainment.

The show featured Nicki Record in a dance interpretation of "Man With the Golden Arm"; Jan Chiatovich singing the vocal "He"; duo-guitarists Charlie Myerson and Mayer Freedman playing several jazz and popular numbers; Rusty Ballinger and his western guitar;

Hart is presently selecting members of the Young Democrats to serve on an executive committee. Sixteen members of this committee will represent each of the housing establishments on campus.

Meetings have been tentatively set each Tuesday night. Democratic candidates for state and national offices will be guests at these meetings.

Mann Featured Speaker
Jerry Mann, ASUN president, was featured speaker on the program. Dick Bryan and Pat Cordes handled backstage duties.

Wilson termed the trip a success and stated that excellent reception was given the show at every stop.

Hit By Virus
Virus did its bit to hinder the show. Dancer Joni Kreatz came down with an infection during dress rehearsal which forced her to miss the trip. A vocal solo by Charlie Myerson was cancelled when he lost his voice after a throat infection.

The roadshow plan was originated by the student assembly committee and sponsored jointly by the ASUN and the faculty high school relations committee.

The show will be presented here April 26 as the Mackay day assembly, in the Ed. auditorium.

Const. Changes

(Continued from Page 1)

Members of the executive committee that approved the absentee ballot amendment felt that students not able to be present on campus for the election should have the opportunity to vote, as is done in city, state and national elections.

Those favoring making golf a major sport feel the change is necessary because other schools in the Far Western conference have elevated golf to the status of a major sport and Nevada is competing in that conference.

Proponents for having riflery a major sport believe the rifle team's recent nation-wide recognition as national champions necessitates making riflery a major sport as recognition for their fine record. Opponents of the change feel riflery is not an important enough sport to elevate to major sport status since few if any other colleges or universities in the country place riflery in that classification.

Other objections to riflery as a major sport are that it would require a complete revision of present regulations to comply with

Burns Impressed By Student Talks

Student senators who talked with Dr. Robert Burns, a member of the investigating committee, following last week's senate meeting reported at this week's meeting that the investigator was very impressed with the student awareness of campus activities and problems.

According to the report of those senators, Dr. Burns was particularly impressed with the intense interest students showed in the current problems between student and administration.

His one suggestion was that the student senate have a faculty advisor present at their meetings. Dr. Burns felt the presence of an

NCAA rules and require added effort by the athletic department for scheduling which the military department handles now.

Schools throughout the country have been getting away from the minor sports classifications and putting all competitive sports into the major category, pointed out Art Broten, head of the athletic department when questioned on the proposed change.

TRI-DELTA JANICE BROWN IS THIS YEAR'S AGGIE QUEEN

Janice Brown, Tri-Delt, is this year's Aggie queen. She accepted her crown from Don Travis, Aggie Club president, at the Western Ball Friday night. The dance, the second annual event of its kind, was held at the State Building auditorium.

Caroline Chappelle, Kappa Alpha Theta entry, and Gayle Shipley, Pi Phi contestant, were chosen as the queen's attendants.

Travis also presented the finalists with women's western apparel. The queen's outfit consisted of a turquoise shirt, richly embroidered, with white piping running the length of the sleeves, a white Panama western blocked hat, a silvery buckled belt, and turquoise pants. The attendants were also given identical outfits which included pink plaid shirts and matching pants. All three winners received rose corsages.

advisor would give more weight to their decisions and do away with the possibility of being accused of deciding an issue without adult counsel.

Lambda Chis Present

The Lambda Chi's won the trophy for the most members present from a fraternity. The sorority's trophy was awarded to Gamma Phi Beta for the largest representation.

Because of the weather, the queen and her attendants will lead the grand entry parade at the first annual Comic rodeo Friday, April 27, instead of the previously arranged date of April 14. The rodeo will feature a steer riding contest, a jeep roping race, a greased

PRESS CLUB PICNIC SET

The annual picnic of the press club has been tentatively set for the Sunday after Mackay day, April 29.

Sandra Mitts, president of the club, announced all journalism students and their guests are welcome to the affair. It will be held at Bowers Mansion, halfway between Reno and Carson City, beginning at noon.

pig tussle, speed run between horse and man, jackass tug-of-war, and a sacked goat affair. The rodeo will be held at the newly acquired university ranch which is located across the street from the Manogue High school, at 2 p.m. Admission will be 50 cents.

Voters Choice

In a letter appearing in the Independent recently, written by former University of Nevada instructor Prof. Allvar Jacobson, a charge of forgery is made.

It might well be noted that Jacobson made this same charge last year in his running feud with administration officials, and when asked to provide proof for that charge, he would not, or could not.

Proof still has not been provided for this charge and until such time as it is, this may either be classified as the figment of a fertile imagination or the product of bitter opinion.

If it is either of these, it has no place in what may be called an attempt to inform the public.

Dissension on this campus is quite evident, and Jacobson is correct, however, in his opinion that this is a matter which must be placed before the voters.

This is their university. The solution to uncompromising dissension is up to them.

Statements have been made to the effect that the results of the investigation should not be placed before the voters before the coming November elections so that the university will not be made a political football.

The fact that the board of regents at this university is elected by the voters clearly establishes this institution in politics. Whether or not it is to be classified as a football is questionable.

The job of the investigative committee is to consider the facts concerning student and administrative positions and actions and form opinions based on the established facts. It hardly seems reasonable, considering that taxpayer's money is being spent for this investigation and the mere fact that the investigation has been sanctioned, that the results should be withheld from the public prior to the coming election and the situation allowed to ferment for another several years.

As much as it is the public's right to know, concerning news, it is, in this case, the public's right to decide, and to decide as soon as possible.

Alum Aid Needed Says Investigator

Ways in which alumni groups can help their university were discussed last week by Dr. Robert E. Burns, member of the team investigating the university, at a dinner meeting of the executive committee of the University of Nevada alumni association.

Dr. Burns, also president of the College of Pacific, spoke on a number of alumni university problems during the meeting. He talked particularly on the relationships of the alumni with the student administrators and the professors. He also offered suggestions to the alumni group on how to strengthen the alumni association itself and its ability to promote the welfare of the university.

Though his remarks were non-committal and indicated no particular attitude, Dr. Burns clearly presented his part in the survey. He is to investigate the student side of the university, particularly in fields of admission, alumni, athletics, student government, student union, dormitories, food service, health and placement.

Earlier in the week, Dr. Burns spoke before a special session of the student senate outlining his part of the investigation to the senators. He also remained at school during the next day to discuss individual questions on student problems with the senators.

MARGIE ORR, representing Delta Delta Delta as candidate for Junior Prom queen.

Debaters Host 11 Schools in Meet

Speakers from eleven western colleges and universities will compete in the annual Pacific Forensic league meet to be held here next week.

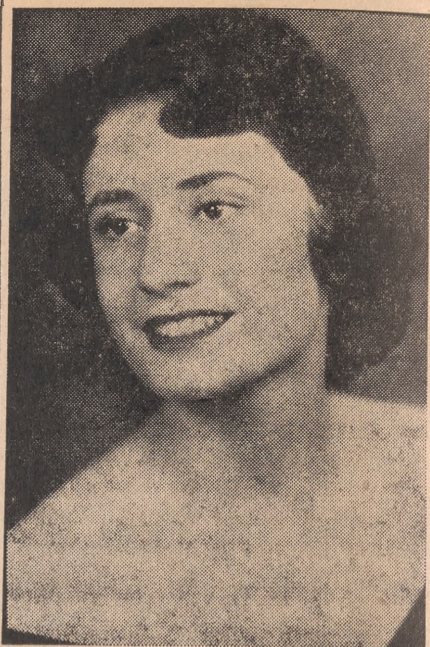

Dr. Robert Griffin, Nevada instructor in debate and league president, announced that approximately seventy-five students will vie for honors in debate, oratory, individual and extemporaneous contests.

Teams and faculty advisors are expected from the Universities of Washington, Southern California, Idaho, Oregon, California, Arizona, and California at Los Angeles, plus Whitman college, and Oregon State. The University of Nevada will act as host school.

The meet will begin with registration at the Education auditorium on Monday, April 23, and wind up with the banquet and after-dinner speaking contest Wednesday night.

Six rounds of debate on the question of the guaranteed annual wage for non-agricultural workers are scheduled. Finalists will meet Tuesday night for the debate title. Each school is permitted to enter one male team in the debate contest.

Griffin, who is acting as official director of the meet, stated that Nevada was very fortunate in being able to secure the contests. This university last hosted the league in 1947.

DIANE SPINA, Kappa Alpha Theta's candidate for Junior Prom queen.

High Schoolers To Convene Here

Students from all sections of Nevada will be attending a High School President's convention on the University campus during the Mackay day weekend.

The convention, sponsored by the ASUN, is being held to help high school students solve problems dealing with school spirit, student government, inter-school relations, assemblies and discipline.

The three-day convention is being patterned after the University Leadership School at Lake Tahoe, stated Steve Dollinger, committee chairman.

Eggheads of the world arise; You have nothing to lose but your yolks.

MACKAY DAY COMMITTEE—From left to right: Mike Evans, John Ingram, George Woodward, Jan Chiatovich, Dick Deleissegues, Jay Powell, Shelly Branch, Sue Humphrey, Tom Richardson, Donna Fisher, Susie Kuypers, Simmie Cooper, and chairman Don Travis.

WUS CARNIVAL NETS OVER 400 DOLLARS

Four hundred and twenty dollars, including 7,437 pennies, was collected for World University service last weekend. The money will be used to aid needy students at foreign universities.

The pennies from the Penny Mile, held Friday during the school day, extended half way around the "Quad" from the Mackay statue to the steps of Morrill hall.

The trophies for the best booth and for the organization making the most money at WUS carnival, will be presented at the Junior prom tomorrow night.

Auctions

An auction was the feature of WUS carnival. Items auctioned were a shoe shine by Dean of Education Garold D. Holstine, which went to Thomas T. Tucker, associate professor of education, for \$2.10. A kitten from the Theta Chi house went to Clarence Darow for 40c. An extra hour for that night approved by Elaine Mobley, Dean of Women, went to Sherry Longero for \$1.40. Dale Burt was the winner of a man's watch. Auctioneer was Lester Sweeney.

Twenty-four organizations had booths at the carnival.

Following the carnival, music for dancing was played by Tom Murie's band. Guests at the carnival were Professor and Mrs. Roy DeVerl Willey, Professor and Mrs. Thomas T. Tucker, and Professor and Mrs. John Fisher.

Coming soon. The Happy Time.

DONNA FISHER, Gamma Phi Beta entry into the Junior Prom queen contest.

LAMBDA DELTA SIGMA ELECTS PRESIDENTS

Lambda Delta Sigma, Mormon religious society, elected presidents April 18. Men's president is George Woodward, Theta Chi, and women's president is Maria Kurtz, an independent.

Next week the rest of the officers will be elected.

Coming events include: a banquet for seniors, graduation at the LDS institute, and a social with the inter-faith council in May.

Get happy with The Happy Time. Soon on the campus.

UN Senior Wins Fulbright Award

Hawke Williams, 20-year-old senior, has been awarded the Fulbright scholarship for the year 1956-57. The University of Nevada received official notification of the award recently from the state department.

Hawke will study theology at King's College at the University of London next year. He will start classes there in late September. Hawke will graduate from the University of Nevada this June with a major in history.

Originally from Tonopah, Nevada, he is attending the University on a Harold's Club scholarship.

"I feel very lucky," was Hawke's only comment. He will sail from New York City September 12 on the Queen Elizabeth.

An honor roll student and a member of Phi Kappa Phi, he also is active in student activities. Hake is treasurer of Phi Alpha Theta, an honorary history society, a member of Sigma Rho Delta, Cantaberry Society, the Episcopal youth group, and a member of University singers.

1000 Awards

Approximately one thousand such scholarships for study in twenty different countries were awarded to students throughout the United States.

Wolfpack Splits FWC Opener

The Wolf Pack opened its conference baseball season splitting a double header with the Cal Aggies at Davis last Saturday.

Behind the strong left arm of pitcher John Flynn, the Pack came back in the evening game to revenge the afternoon 7-2 loss by a 3-0 win.

In the evening game Flynn scored nine strikeouts and only allowed four hits. He and catcher Bob Ferrari collected Nevada's only two hits in the last game.

In the first game outfielder Roger Trounday, who also played shortstop, was pulled from the game because of a pulled muscle, after blasting a two-bagger.

SAE & ATO TO SPONSOR LAWN PARTY

A lawn party in the park behind the SAE house following the Mackay day obstacle races will be sponsored by the SAE's and the ATO's.

A feature will be a women's volleyball tournament. Each living group will enter a six-woman team and the winner will receive a trophy. Two volley-ball courts are being set up.

Sandwiches and plenty of refreshments will be served, with the party lasting until dark. A loud-speaker will flood the area with music.

3-Way Track Meet At Mackay Sat.

The University of Nevada track team will be hosts in a three-way meet tomorrow in Mackay Stadium. Nevada will compete against the Presidio squad of San Francisco, and Chico State.

Coach Hugh Smithwick reported that Nevada could bid for top honors if the squad has a good showing in distance runs.

Outstanding performances to date have been made by Claude Mabry of Reno, who set a new school record for the pole vault. His jump was 12 feet, 10 inches.

The Nevada 15 man squad is: Don Kitts, Reno; John Mayerhoff, Winnemucca; Dick Hughes, Reno; Bill Bowser, Las Vegas; Bob Jones, Elko; Burt Cooper, McGill; John Meder, Carson City; Jim Lyon, Sacramento; Louie Hutchinson, Panaca; Gene Timmons, Sparks; John Scrivani, Reno; Jim Potts, Boulder City; Tom Harris, Reno; Jake Longero, Carson City, and Claude Mabry, Reno.

Starting time for the meet will be 1:30 p.m.

TAUS TRACK VICTORY UPS KINNEAR STOCK

Alpha Tau Omega's Dave Harris and Dick Hughes ran wild in the annual interfraternity track meet last week to clinch victory for the Tau's.

ATO won the meet with 72½ points. Sigma Nu followed with 57, the Independents were third, producing 21½ markers.

Alpha Tau Omega not only won last week's interfraternity track meet but took over the lead in the Kinnear trophy race with a total of 400 points. The Taus beat out the Sigma Nus who had been tied with ATO in the Kinnear race.

Snakes Droy to Second

By taking second place in the track and field events last week, Sigma Nu also dropped to second place for the trophy with 360 points. Others in the track meet were the Independents who took third with 21½ points, followed by Sagma Alpha Epsilon with three points.

Individual scoring was won by Harris with 22½ points, followed by Hughes with 19. Ted Contri of Sigma Nu was fourth with 12 points. Collecting 11 points for the Independents was George Smith.

Frosh Harris won scoring honors with first places in the 120 yard

high hurdles, pole vault, broad jump and tied for firsts in the high jump and 220 yard low hurdles.

His freshman teammate, Dick Hughes, scored 19 individual points by taking firsts in the 100 yard dash, 220 yard dash, and the 440 yard run. He tied with Harris for first in the 220 yard low hurdles.

Results

Meet results were:
100 yard dash—Hughes (ATO),

10:6, G. Smith (IND), Wilkinson (ATO), Wollitz (SN).

220 yard dash—Hughes (ATO), 25:3, Smith (IND), Wollitz (SN), Lundergreen (SN).

440 yard dash—Hughes (ATO) 57; Peters (ATO), Lundergreen (SN), Thornton (SN).

880 yard run—Contri (SN), 2:24:4, Wilkinson (ATO), Kitts (SN), Smith (SN).

Mile run—Kitts (SN), 5:28; Damon (SN), Contri (SN), Evans (ATO).

2 mile run—Contri (SN), 11:47, Kitts (SN), Thornton (SN), Evans (SAE).

120 yard high hurdles—Harris (ATO), 16:1, Johnson (SN), Bernard (SAE), McClaskey (SN).

Pole vault—Harris (ATO), 12'4", Smith (IND), M. Smith (ATO), Scrivani (IND).

Shot put—Hatch (IND), 41'5", Johnson (SN), Adams (SN), Andreas (ATO).

Discus—Damon (SN), 112'11", Andreas (ATO), Johnson (SN), Helms (ATO).

MABRY SETS RECORD IN SF STATE MEET

Claude Mabry set a new Nevada record last Saturday when he pole vaulted 12'10", but the San Francisco State cinder team dumped the visiting Wolf Pack 86-45.

Mabry's mark bettered by two and one-half inches the old record set by Giles Altenburg three years ago. Altenburg cleared 12'7½" against the same Golden Gators from San Francisco State in a dual meet at Mackay stadium.

The old mark of 12'5" had stood 13 years before Altenburg's jump.

Pack winners in addition to Mabry included Jerry (Jake) Longero in the high hurdles, Bill Bowser in the low sticks (in 24.6 sec-

High jump—Helms (ATO), Harris (ATO), and Wilkinson (ATO) tied for first, 5'8", Berard (SAE).

Broad jump — Harris (ATO), 20'2", Kikker (ATO), Williams (ATO), Scrivani (IND).

onds), John Meder in the javelin, and a tie between Dave Harris and teammate Lou Hutchinson in the high jump.

Bad Weather

The meet was run under adverse weather conditions on a muddy track but no rain fell during the competition. Some good clockings were turned in despite the muddy track, however, including a nifty 2:01.2 in the half mile event by San Francisco State's Ellison. The Pack's Gene Timmons finished second in the 880-yard run, with the Gator's Parham third.

The home team took a beating in the mile and two-mile runs, too, as S. F.'s Fairbanks copped the mile with Nevadan Burt Cooper third, and Tood of the Gators timed a good 10:29.9 in the two-mile with Cooper again third man across the tape.

Oreese Elymore, State's perennial sprint ace, won the 100-yard dash with a 9.8 time, then repeated in the 220-sprint in 21.9. Bill Bowser got a third in the century.

Jake Takes Hurdles

But the Pack starred in the high hurdles when Carson City's Jake Longero won the event and teammate Dave Harris finished second. Again in the pole vault the Wolves did well, as behind Mabry's record-setting leap came teammates John Meder and Dave Harris for a one-two-three.

The dual meet originally was scheduled as a triangular affair, but the Lumberjacks of Humboldt State College postponed at the last moment.

BASEBALL TEAM PLAYS AT CHICO

University of Nevada's baseball team will play a doubleheader against Chico State at Chico tomorrow.

Leading the lineup in the hitting column are Roger Trounday, Bob Ferrari, Fred Jesser, and Frank DeBois.

The roster for tomorrow's games will be: catcher, Bob Farrari; first base, John Flynn; second base, Jim Corica; third base, Fred Jesser; shortstop, Pat O'Halloran; left field, Tom McClasky; center field, Roger Trounday; right field, Frank DeBois.

The pitcher for the first game will be Brian Whalen of Boulder City. John Flynn of Sparks will be on the mound for the second game and Stanley Pomin, also of Sparks, will be the relief hurler.

The Nevada team goes to Chico with a record of 5 wins, 2 losses.

Pack Boxers Win Two Medals In Nationals

Nevada's representatives to the National Collegiate Boxing tournament in Madison, Wisconsin—Sammy Macias, Ted Contri and Larry Damon — were systematically eliminated, one each night. The consolation being that the Pack boxers were beaten by men who went all the way.

Sammy Macias, 119, Nevada's bright star was beaten in the title fight by Michigan State's Choken Maekawa. Maekawa, who used his five inch height and reach advantage to counter coolly when Macias missed a blow, was tiring in the last round but time ran out before Macias could find the range.

Couldn't Catch Up
"He wouldn't mix and fight. He fought a defensive fight. I couldn't get to him," explained bantam-weight Macias, "but I think I'll try for the Olympics at the regional tourney."

Ted Contri, last year's runner-up, was beaten in the semi-final by Louisiana State's Gil McClane in the 147-pound class.

Reports from Madison indicate that Contri was not getting full effectiveness with his right.

Contri Beats PCI Champ

The previous night Contri upset welterweight Frank Loduca of Cal Paly. Contri's effective jabs combined with good defense beat the Californian.

Larry Damon, 165, was beaten the first night by Idaho's Roger Rouse, winner of 11 straight battles this season and Pacific Coast Intercollegiate boxing champion.

"Nobody in amateur boxing is more suited for the Olympics than he is," middleweight Damon said.

Damon was downed in the first round and again when the fight was called in the second.

Nevada, the smallest school in the 17-college tournament, came back from the middle west with two medals. One was Macias' runner-up award and Contri earned a third-place pin.

Girls are more interesting than professors. This is apparently the idea which the Sigma Alpha Epsilon members had this week when each fellow invited a girl to be his guest at the weekly guest night. In the past the guests have been professors and their wives.

PE Show Hilites Health Meeting

The annual physical education show will highlight the 19th annual Southwest District meeting of the American Association for Health, Physical Education and Recreation.

The show will be held on the second day of the conference, April 26 at 8:15 p.m. in the new gymnasium. It will consist of dance routines, both folk and modern dances, tumbling, gymnastics, and living statuarities in gold.

Creativity

"Creativity" is the theme of the conference and the speakers for the western state conference. Five hundred delegates from Utah, Arizona, California, New Mexico, and Nevada are expected to participate. The three day conference will start April 25.

Included in the meetings are discussions on girls' and women's sports, boys' and men's athletics, thmerapeutics, professional education, health education, student problems, research and recreation needs, outdoor education and swap shops.

The three major addresses will be given by Dr. A. S. Raubheimer, University of Southern California; Dr. Thomas Tucker, University of Nevada; and Dr. Carl Nordly, chairman of the physical education department at the University of California. Other speakers will be John Nixon, Stanford University, and Julius Smith, of Michigan State University.

Miss Jacqueline Wilson and Coach Gordon McEacheron from the University of Nevada P. E. department will be on the panel "Meeting the Problems of Increase in Enrollment."

Dr. Art Broten, the Nevada physical education director, is general cahirman of the conference.

TENNIS TEAM TO PLAY IN SACRAMENTO

Nevada's tennis team will compete in the Far West conference meet this weekend in Sacramento.

Nevada, Sacramento State, Chico State, and San Francisco State will vie for honors. The Nevada team, led by Bill Van Waggoner and Bill Barret of Reno, is coached by Hutch Nenzel.

The team has a season record of 2 wins and 2 losses.

RIFLE TEAM FIRES SAT. AT OLD GYM

The Nevada Invitational rifle match will get underway tomorrow morning in the basement of the old gym. The individual match will begin at 8 p. m., and will be followed in the afternoon by the team competition.

Six other universities and colleges have accepted the invitations and will appear here for the match. The teams are UCLA, University of California at Berkeley, Oregon State college, University of Akron, Ohio, Utah State Ag-

riculture college, and the University of San Francisco.

Last year the University of Nevada was the winner of the match, which was formerly called the Tri State Match.

A special event will be held at 4:15 in the afternoon. The ten top shooters will be chosen from both the individual and team competition and will participate in a special match.

Man, I've been forged.

Advantage, You

You'll make more fine shots with these rackets than any in their class.

The reason? Both the Spalding KRO-BAT® and the Spalding-made Wright & Ditson DAVIS CUP® deliver the "feel" you must have for full power and better control.

Both come in every weight and grip size for better tennis, match after match.

Use Spalding-made tennis balls. They're official for more major tournaments than all other brands combined.

UN Student Delegates Return From Model UN

By JIM DE PRIEST

Gaily dressed in Latin costumes, the University's delegates to the Model United Nations carried on the foreign affairs of the Dominican Republic with ease and know-how.

This meeting of the six Model United Nations, MUN for short, was held two weeks ago at Oregon State college in Corvallis, Oregon.

David Necco and Earl Hawley were chosen by their committees to speak in the general assembly during its last meeting.

Many months of research and study went in to make the delegates aware of the many problems they would be confronted with at Corvallis. Preparation paid off when the Dominican Republican delegates succeeded in swaying many of the neutral western powers away from the powerful Communist bloc.

Charter Member

The University of Nevada is now a charter member in the Model United Nations, being the third to ratify the proposed charter.

The delegates and their respective committees were: Gay Hansen, delegation's chairman and speaker in the general assembly, Harry Garner and Karen Phillips, political and security committee, Earl Hawley and Marilyn Akers, economic and financial committee, Joe Crook and Sandra Nickell, humanitarian, cultural and social committee, Caroline Chappelle, Cris Cufflin and Georgia Meyers, ad hoc political committee, Jim DePriest, and Mary Lee Metzker, trusteeship committee David Necco, also a speaker in the general assembly, and Gloria Urriola, economic and social committee, and Dr. William Miller, faculty advisor.

On the second day of MUN, the college newspaper, the Barometer, released an "extra" issue with the headlines reading "Eire Invades North Ireland." This was the special event that hit the campus like an H-bomb. The problem now at hand was, what steps should be taken by MUN to quell the outbreak. The issue was debated and discussed at length throughout the remainder of the session.

Realism

This bit of realism was one of the high spots of MUN with some

Journalism Head Given Big Ovation

Prof. A. L. Higginbotham, chairman of the journalism department, was given a standing ovation by the members of the Reno Professional and under-graduate chapters of Sigma Delta Chi, the national professional journalistic fraternity, at a Founders day dinner Sunday.

Professor Higginbotham was instrumental in organizing the Reno chapter of SDX. Because of his recent illness, the dinner was the first he was able to attend since the chartering of the organization.

Attending the dinner was Jock Taylor, editor and publisher of the Reese River Reveille and the fifteenth member of Sigma Delta Chi, which now has more than 23,000 members.
