Senators Clean-up Mann Administration

Shouting for help, ASUN President Jerry Mann was thrown into Manzanita Lake Wednesday after the student senate meeting by a group of howling, cheering senators. Throwing the president in the lake is a yearly custom. Mann emerged drenched, in time

to see his secretary, Pat Cordes, fly into the lake.

"Let me watch," he shouted.

The senators then marched to the Wolf Den, grabbed retiring AWS President Sandra Mitts, and plopped her, shoeless and ear-ringed, into the same dirty waters.

In the senate meeting prior to the wholesale dunking, the senate considered plans for its picnic, to be held May 16, after the last meeting of the year. Mann suggested the picnic be held at the Mesa as a spaghetti dinner.

Administration

Diane Martin, Delta Delta Delta, was appointed picnic committee chairman, to be assisted by Marilyn Feathers, Artemisia-Manzanita, and Lillian Johnson, Pi Beta Phi.

The only business scheduled for the May 16 senate meeting is approval of incoming ASUN President Chuck Coyle's secretary, and his committee chairmen. An executive committee meeting will be held at 5:45 p.m., followed by the senate meeting at 6:00.

University Engineer Robert Pool and his assistants have drawn up a traffic code, to be put into effect in approximately 10 days, Mann reported; but not even Mann has seen the code. We have been "unjustly avoided," he said.

Academic Vice President William R. Wood appeared at the meeting to speak on "What Is Meant by a State-Wide Educational Program."

Getting to those who can't get to the university for education is the program's underlying concept, he said. This type of program is typical of land-grant colleges, he added.

While some nations believe in educating only the extremely talented few, to a high polish, the United States offers education to the limit of everyone's abilities, Dr. Wood said. This filling in of the intermediate points between mediocre and top-flight is essential in a technological country, he added.

Questioned on the university's view on entrance requirements, Dr. Wood said it is a wish to provide an opportunity for high school graduates to continue their education, but it does not guarantee anything beyond that.

Statewide education consists of off-campus classes, summer classes, conferences on campus, evening school, and TV and radio programs, Dr. Wood said. The program pays for itself, last year coming out \$2.68 in the black, he said.

In other business, the senate approved the Sager constitution, after the executive committee unanimously approved it.

A motion to burn the ballots from the recent student body election was unanimously approved.

TAUS CINCH TROPHY

Alpha Tau Omega whitewashed Sigma Nu in an interfraternity baseball game Wednesday afternoon to remain undefeated and cinch first place in the final Kinneer Trophy standings. Each team has one game remaining and should the Taus drop and the Snakes win, ATO will maintain its present ten point advantage.

Merle Moss and Ed Alvarez Critical Following Car Accident Last Friday

Merle Moss, Gamma Phi Beta, and Eddie Alvarez, Sigma Alpha Epsilon, are still on the critical list at the Washoe County hospital.

The two students were admitted last Friday, along with two others, after being injured in a car accident that night on Geiger Grade.

Others who were in Alvarez's 1956 Ford sedan were Karen Harvey, also a Gamma Phi, and Bob Petroni, SAE. Miss Harvey was released on the night of the wreck after a hospital check up. Petroni spent four days in the hospital and was released last Tuesday. Both were treated for cuts and bruises on the face and arms.

Miss Moss, most seriously injured in the accident, received a severe head injury and has been unconscious most of the week.

Alvarez received a broken pelvis and a leg injury. He is expected to remain in traction for three weeks.

Thrown From Car

Both women and Alvarez were thrown clear of the car. The car left the lane on a curve, and it came to rest one hundred feet from the road after rolling over five times. The car was demolished.

A Virginia City resident, who aided in the rescue of the victims, said that Alvarez' car was going to Virginia City from Reno.

According to Reno newspaper reports, Alvarez's car was traveling at 35 miles an hour at the time of the accident.

Grant to Seek 2nd Term as Regent

Archie C. Grant, retired Las Vegas businessman, has announced that he will seek a second term on the board of regents of the University of Nevada.

Grant is the second candidate to announce candidacy for the two seats on the board that will be filled in this coming November's election. Dr. Fred Anderson, Reno physician and surgeon, was the first to announce his intention to seek a seat on the board.

Grant, a former state senator and assemblyman from Clark county, was elected to the board in 1952.

A native of Minnesota, where he was born in 1894, Grant has lived in southern Nevada since 1928. He was educated in the public schools of Ely and Twin Harbors, Minn., and he attended St. Thomas college in St. Paul.

He moved to southern California in 1922 and to Las Vegas six years later.

Grant was a candidate for gover-

Gamma's to Aid Injured Sister

Instead of holding their annual spring formal, the women of Gamma Phi Beta have given the money allotted for the dance to Miss Merle Moss, a 19-year-old sorority sister, who was injured critically in an automobile accident on Geiger Grade last Friday night.

"The girls felt helpless," explains Donna Fisher, Gamma Phi president, "because we could do nothing for her."

Miss Moss and three other university students were injured when their car plunged down a cliff on Geiger Grade on the way to Virginia City.

The driver of the car, Ed Alvarez, is still in serious condition. The other two occupants were Robert Petroni and Karen Harvey. They were injured only slightly.

The dance, held annually since 1936, was to have been tomorrow night.

(Editor's note: We can think of nothing that has happened on the hill this year that is as commendable as this action. Such unselfishness is enviable and this thoughtfulness is certainly a credit to the entire Gamma Phi organization).

MACKAY DAY TROPHIES PRESENTED BY EV TITUS

Trophies for the various Mackay Day competitions were awarded by Evalyn Titus, queen for the celebration, at the dance last Saturday.

Trophies went to Pi Beta Phi for the best sorority song team and for the best dance attendance, Alpha Tau Omega for the best fraternity song team and the men's obstacle race, Lambda Chi Alpha for the best fraternity dance attendance and best beard percentage present, Theta Chi for the high score in rodeo events, and Delta Delta Delta for the women's obstacle race.

Men who won the beard contest are George Wilkenson, blackest; Tom Jayo, heaviest; Jerry Lundgren, reddest, and Paul Langham for the best trimmed. The contest was judged Saturday morning at 10 a. m. in the Education auditorium before a crowd of students.

Song Team

The song team competition was judged at the annual Mackay Day luncheon in the new gym by the Sportsmen, a quartet now appearing at the Riverside hotel.

Pi Beta Phi won the sorority song team trophy with the theme "So This Is Paris." Pauline O'Briant arranged the music and was the accompanist for the double quartet. Joan Sawle was chairman of the group. Members on the team are Beverly Ricketts, Joan Sawle, Suzanne Kuypers, Audrey Bernard, Myram Borders, Nancy Chandler, Letitia Sawle, and Joan Sawle. The costumes were red with a front panel of pink and red ruffles.

Alpha Tau Omega won the fraternity song team competition with the western theme, "The Wild West Is Where I Want To Be." On the team are Gail Munk, John Sibbald, Larry Ball, Norman Chico, George Wilkenson, Dave Cardinalli, Mack Fry, and Jim Santini. The men wore western shirts, levis, ties, western hats and boots to help carry out the idea of the wild west.

The women's obstacle race which was won by Delta Delta Delta, was held at Mackay stadium. The women had to jump rope, ride a tricycle, participate in a sack race, run under hurdles, run backwards, and then race for the goal line. The men's obstacle race, which was won by ATO, entailed swimming Manzanita lake, a three-

legged race up the quad, a bicycle race and a sack race.

The Mackay Day rodeo took place at the rodeo grounds. Theta Chi fraternity won the steer riding and jeep roping events, and came in third on the goat race. Lambda Chi Alpha took first in this event. The high scoring man was Clark Reber of Theta Chi, and his fraternity won the rodeo trophy.

Kappa Alpha Theta won the greased pig race at the rodeo.

Mann, Coyle Off For PSPA Meet

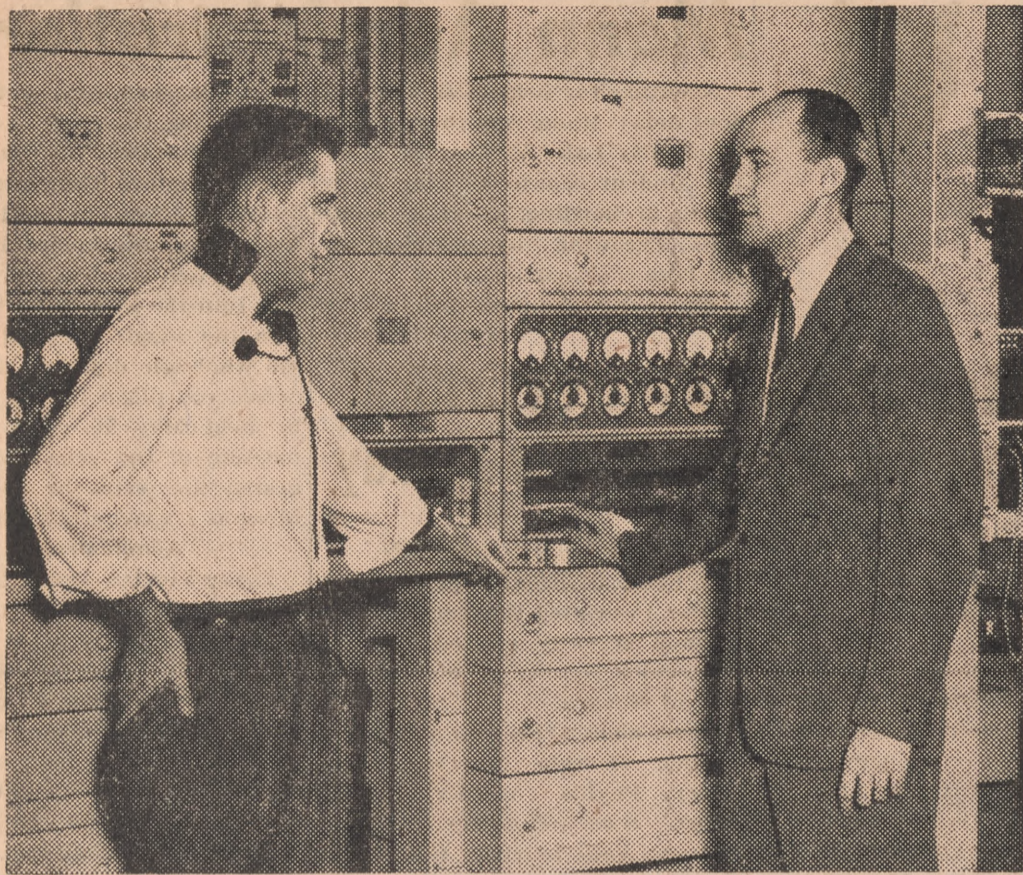

Jerry Mann, president of the A. S. U. N., and President-elect Chuck Coyle will leave Reno this week to attend the Pacific Student President Association.

Mann, vice president of the Pacific group, said that he would try to get the student presidents to have their next convention on the campus of the University of Nevada. The next meeting of the group will be in May, 1957. Convention membership is approximately four hundred.

The Pacific Student President Association is composed of student body presidents in the thirteen western states, Canada, Mexico and Hawaii. It is approximately fifty years old.

The two Nevada students will leave via United Airlines for the Vancouver, British Columbia convention site today.

A Campus-to-Career Case History

Dick Walsh (right) discussing carrier equipment which will provide many additional long distance circuits out of Philadelphia.

"There's opportunity in a growing company"

As an Engineer in the Transmission Section of Bell Telephone Company of Pennsylvania, Richard M. Walsh plans for the future.

"Our group's responsibility," says Dick, "is to see that we have sufficient facilities to handle present and future needs. Telephone usage is growing every year, and we keep up with this growth by keeping ahead of it.

"For instance, to meet the increasing demand for communication circuits in our area, we're adding 70,000 new channel miles this year alone, at a cost of \$3,500,000. Laying new cable will give us 40,000 of those channel miles, and we'll get the other 30,000 through use of carrier equipment, which lets us send a

number of long distance calls on each pair of wires simultaneously.

"Thus, though a cable might have only 300 pairs of wires, we can, with carrier, make it carry over 3000 telephone calls at one time. Using carrier equipment to get extra circuits out of cable—which is expensive to make and lay—is an example of how we engineer to give high-grade service at the lowest possible cost.

"Before I graduated from college I had interviews with twenty-eight companies. Out of all these I chose the telephone company because it had the most to offer in the way of interesting work, training and opportunity. This certainly turned out to be true. In a growing business your opportunities grow, too."

Dick Walsh graduated in 1953 from the University of Delaware with a B.S. in Mechanical Engineering. There are many interesting career opportunities in other Bell Telephone Companies, and in Bell Telephone Laboratories, Western Electric and Sandia Corporation. Your placement officer can give you more information about all Bell System Companies.

Bell Telephone System

Jay Sourwine says...

I want to be U. S. Senator from Nevada because I have special equipment for the job — knowledge, training, contacts, and experience that ought to be put to work for this State. Some folks say, "If you're not for me, you're against me." But I say, "If you're not for me, I'll ask you again."

You're not going to send a name to the Senate. You're going to send a man. Pick the best man you can get. I've spent more than a thousand hours on the floor of the United States Senate.

I can give you good service as your United States Senator because I have had the experience for the job. One of the reasons I want to be your United States Senator is to help strengthen the laws against Communism and subversion.

I know all about the workings of U. S. Senate committee staffs—I ran one myself for ten years. One of the greatest advantages Communism has, is our own ignorance of its motives, its methods, and its objectives. Write me for a copy of the "Handbook for Americans," published by the Senate Internal Security Sub-Committee.

SDX Plans Initiat. Dinner on Sunday

Five undergraduate journalism students and three professional journalists will be initiated into

Sigma Delta Chi, the national professional journalistic fraternity, Sunday, May 6.

Initiation ceremonies will be held in the Journalism building at 5 o'clock under the direction of Keiste Janulus, associate professor of journalism.

Governor Charles H. Russell, governor of the state and former publisher; Fred Shields, Reno publicist and veteran newspaperman; and Michael Graban, journalism instructor at Shasta Junior college, at Redding, California, will be the professional journalists initiated.

Undergraduates initiated are Steve Dollinger of Reno, Bob Faiss of Las Vegas, Jere Laird of Reno, Dave Lowe of Las Vegas, and Dean Smith of Reno.

After the initiation ceremonies a dinner will be held at the Santa Fe hotel. Governor Russell will speak on "The Relationship of the

ATTENTION Men Students U. of N.

Here's a chance to make money at Lake Tahoe this summer. Living quarters will be arranged. Leave your home address with Mrs. Steiner in Dean Carlson's office.

Reconstruction of Manzanita Hall Is Going on Schedule

Work is progresing according to schedule on the remodeling job on the sixty-year-old Manzanita hall. The Weil Construction company of Reno has finished tearing down the old walls and have started to rebuild the interior, according to the plans.

Manzanita hall was constructed in 1896 along with Lincoln hall to help solve the problem of housing students.

Sorority House Collides With Car

The Kappa Alpha Theta sorority house at 845 North Sierra was involved in an automobile accident Saturday morning.

Terrified members awoke at approximately six a.m. Saturday to the sounds of a crash. Downstairs they discovered an early model truck resting against the south-east corner of the building.

Members of the sorority stated that the truck had evidently gone out of control in front of the house, jumped the curb and continued into the house.

Driver of the vehicle, an initiate of a men's honorary organization was unavailable for statement. He was thrown from the truck as it hit the curb but regained his feet and drove it away. He did not return to the scene, Theta members testified.

Damage to the structure and grounds was considerable, a spokesman said. Bushes and shrubs next to the house were uprooted and deep furrows were cut into the lawn.

Deep cracks on both sides of the living room were reported. Two window casings were broken and numerous bricks dislodged from the outside wall.

Piano Recital

A piano recital will be given by Earle Hultberg, a senior student at the university, in the "Sunday at Four" series on May 6.

It will be the first recital of its kind at the university. Hultberg's performance is a requirement for his bachelor of arts degree in music, with a piano major. The performance will be in the educational auditorium at 4 p.m.

"Agricultural research doesn't cost—it pays" was the theme of the program last Sunday

Press and Government," which will cover the 17 years he spent in journalism and the 21 years he spent in elective public office.

A crowd of about fifty newsmen and undergraduates are expected to attend the initiation and dinner, according to Paul Finch, president of the undergraduate chapter.

Regents Accept Gifts and Bequests

Many gifts and bequests were accepted by the Board of Regents last week, and protection of the university's interest in a large estate was referred to the attorney general, Harvey Dickerson.

The estate, that of Mrs. Agnes Momand, who died last year, is being contested by Mrs. Momand's mother. The estate is worth three quarters of a million dollars, which may eventually be endowed to the school of music.

The regent received official notices in probate of the will of mining tycoon Daniel C. Jackling, who left \$25,000 dollars for a loan fund to worthy mining students, upon the death of his widow, and the estate of Jesse M. White, whose entire estate, estimated at more than \$25,000, goes to the university upon the death of his widow.

Gifts

Gifts accepted by the regents include

General Electric Co. of New York, \$25 from its education and charitable fund, to match the contribution of C. R. Thomas, a U.N. graduate; Kennecott Copper Corp., \$250 as a grant-in-aid to equal the scholarship awarded to Joan Papez, a freshman student here; Dr. J. Lee Adams of Reno, a collection of invertebrate fossils for the school of mines; John Martin Kelly of Salt Lake City, a collection of rocks and minerals for the Mackay school of mines library; Mrs. A. Monte Tweedt, of Reno, books from the technical library of the late Mr. Tweedt, for the Mackay school of mines library.

Books and Pamphlets

Roy A. Hardy of Reno, 350 books, pamphlets and bulletins for the Mackay school of mines library; Louis D. Gordon, Reno, hardwood typewriter desk, for Mackay school of mines; Edwin M. Stadtmuller of San Francisco, 276 volumes of literature from the library of the late Mrs. Clara Stadtmuller for the university library; Mrs. William H. Anderson of Reno, 212 volumes of military history and biography for the university library; Washoe County Medical society, \$100 for purchase of medical books through "Friends of the University Library"; 16 individual donors, a total of \$107 in memory of Clara M. Anderson, through the library friends group; Sam G. Houghton, \$25, also through the library friends group. Anonymous donor, the dedication copy of "Praenotiones Mystogisae ex Jurt Cononica," year 1697, valued at \$200, for the university library; Martin Iron Works of Reno, \$100 to subsidize the evening course, "Plastic Design of Structural Steel"; American Cynamid Co., grant of \$2000 for one year for studies on effect of Chlor-tetracycline and fat on beef cattle by department of animal husbandry.

Gym Area to be Partly Paved

The pedestrian area adjacent to Mackay stadium will be paved soon as a gift of the Kerak Temple of Reno to the University of Nevada.

Potentate Robert Quivey of Kerak Temple notified the Board of Regents that paving of the pedestrian area directly behind the stadium would be done when it was mutually convenient to the university and the Isbell Construction company.

The formal acceptance of the gift was made by the University's Board of Regents at its April 26 meeting.

Funds from the Shrine circus in 1955 have been allocated for the project, Quivey said.

The Women's Faculty club will hold its final meeting of the year tomorrow at 2:30 p. m. in Artemisia hall.

In 1955, 37,800 Americans were killed in traffic accidents.

Service League of Las Vegas Sets Up Loan Fund for Southern Students

Nevada Southern, at Las Vegas, now has a loan fund for needy students.

The Board of Regents of the University of Nevada has approved establishment of the Lena Coulthard Memorial Students' Loan fund at that school.

Created by the Service League of Las Vegas for loans to students of Nevada Southern, the fund is in commemoration of the late Mrs. Lena Silvagni Coulthard. She was a charter member and past president of the Service League. The league, a service organization for the needs of the community, paid tribute to Mrs. Coulthard for "her guidance and leadership in the early days of the organization, her unselfish service to the needy, and her unfailing interest and wise counsel for the improvement of welfare facilities and social development in Las Vegas."

\$100 Per Year

Under terms of the memorial,

the Service League will contribute \$100 per year to the loan fund. An additional \$100 will be contributed upon the death of active or former members. The league's newly-formed credit committee is also empowered to accept other contributions to the fund.

The credit committee, consisting of five members, will authorize all loans. Limit for any single loan will be \$100, for which no interest will be charge if repayment is made when due. Loans will be determined upon the basis of a student's need, character, and scholastic standing.

Watch for the Happy Time. Coming soon to the Nevada campus.

Expulsion

Rules for the expulsion of University of Nevada students, proposed at a recent meeting of the board of regents by Attorney General Harvey Dickerson, have been taken under consideration by the regents.

The regents should consider several other points while they are on the subject.

The rules, if accepted, would provide for: notice for students thought to merit suspension or dismissal by a majority of the student relations committee to appear at a "show cause" hearing; right of counsel; appearance by the attorney general or a deputy; a hearing transcript; decision by the student relations committee; and review by the regents.

A suggestion that might be considered and given careful thought, is that the power of student expulsion be vested in a student court, not in the student relations committee.

The students at this university are, contrary to conflicting opinions, mature enough to govern themselves. That this maturity SHOULD be recognized is unquestionable, but another proposition is that these students should be made responsible to themselves.

It is quite true that administrators are responsible to the people of this state for the functioning of this university, but as has been witnessed quite recently, expulsion of students can be a hasty and little considered thing. Students, responsible to each other and held to answer for their actions regarding their own affairs, would weigh the facts of student expulsion carefully before decisions were made concerning their fellows.

As it now stands, slapping a black mark on a student for the rest of his life can be an almost capricious action on the part of an unaffected student relations committee.

It would seem almost self-evident that a student or a group of students would examine their own conscience and the nature and seriousness of the offense carefully before passing judgment which may have serious effects on the accused.

A trial by a jury of one's peers, persons who are of the same rank subject to the same treatment, is an essential element in the pursuit of justice.

One member of the board of regents suggested that this set of rules might be too formal.

It goes without saying that the possible ruination of an expected career, or, in effect, a life, demands strictest formality and careful consideration in every instance.

Another regent was doubtful of the necessity for review by the board of regents.

The regents are the elected heads of this university, therefore, they share the responsibility, in the final analysis, of this institution's administration and the decisions which concern any part of it.

A student court should be established. It should be entirely responsible for student actions; and the court's decision, like the decision of any other court, should be respected. However, a man should not be denied the right of appeal to a final source, regardless of who passes the initial judgment.

ROSS RETIRES AS REGENT, HAS 25 YEARS OF SERVICE

Silas E. Ross, chairman of the University of Nevada board of regents since 1937 and a member of that group since 1932, has announced that he will not be a candidate for re-election this year. He will have served the university's governing body for 25 years when his term expires next December 31.

Mr. Ross was first appointed to the board by Gov. Fred B. Balzar on January 20, 1932, to succeed Walter Pratt who resigned. In the general election of that same year he was elected for the unexpired term of Pratt. He was subsequently elected to the board in 1934, for a ten year term, and 1944, '48, and '52 for four year terms.

Mr. Ross's active interest in the university began after his graduation from the Nevada institution in 1909. He served for five years as a member of the faculty on the staff of the chemistry department and from 1910 to 1916 was graduate manager of all athletics. He also coached Nevada teams in rugby, track, and basketball.

In 1915 he left the university to become associated in the mortuary business. He is the head of the Ross-Burke Co. in Reno and has received many honors from national organizations in this field, notably, he is a past president of the National Selected Morticians.

Active in public affairs, he was chairman of the Republican state central committee in 1920-22 and

a member of the Reno city council from 1919 to 1927, during which time he served as mayor pro-tem.

He has been a leader in the Episcopal church for many years, and in the Masonic order. He is now a member of the supreme council of the Ancient and Accepted Scottish Rite, Southern Jurisdiction, which is the highest honor that a Mason can attain.

During his long tenure, Mr. Ross compiled an amazing attendance record for board meetings, being absent only once, in 1939, from 128 regular sessions, 61 executive committee meetings, and 11 special meetings.

THE MESA

on the Road to the Ski Bowl FOOD WITH A VIEW

Out Of The Brush

By P. FINCH

A resolution backing a constitutional amendment to permit the governor to appoint the regents of the University of Nevada was passed this week at the Washoe County Republican convention.

This idea, to remove the regency from the elective field, has been kicked about for years by groups off and on the campus. And there certainly are many pros and cons.

But some of those favoring the status quo agree with those wishing a change in procedure in that the electorate of this state has done a pretty poor job of picking regents, with a few exceptions.

Most of the recent regent elections involved little attention to issues. Rather they were contests, in general, of those who belonged to the most powerful clubs and service organizations. Like the ASUN presidents, the regents were picked for popularity.

And the powerful seats over the University should not be sought as political stepping-stones, as positions allowing some exercise for power for its sake, nor as ego-gratifiers.

The success of the Republican proposal to take the regencies from the voters will depend largely, if one may prophecy, on how well the voters choose men this Fall.

Some substantial raises for faculty members were awarded recently. But one faculty member, whose pay was hiked over a thousand dollars a year, told this reporter:

"I would be glad to return the money if only the administration would be changed."

SNAKE SUCCEEDS SNAKE AS BLUE KEY PRESIDENT

John Ingram was elected president of Blue Key to succeed Dick Morrill. Both the out-going and in-coming presidents of the upper-class service organization for men are Sigma Nu's.

Other officers elected at the noon meeting Wednesday were Walt Wiseman, vice president; Jim Taylor, secretary-treasurer, and Stan Draper, corresponding secretary.

Magnin's Sponsor College Board

Anyone interested in clothes? Joseph Magnin's is again sponsoring a College Board for the purpose of educating coeds on what to wear and when.

This year the board will be chosen by Magnin's from the application blanks which may be filled out by any member of the Associated Women Students at the University of Nevada.

In order to apply, just answer these two questions on white typing paper:

"Why would I like to be on the College Board?"

"Would I be available for training in late August and the majority of the afternoons for two or three weeks after school starts?"

The application should also include your full name, school address, summer address, and phone number. They may be turned in to Barbara Cavanaugh or mailed to her at 863 Sierra street, Reno, by May 25.

The girls chosen for this board will also work with Magnin's and the AWS on the annual college fashion show next September. Besides the valuable experience

they will receive in coordination, selling and modeling clothes, these coeds will be acknowledged by gifts and services rendered by Joseph Magnin's.

Coffin & Keys Give Storied Saga

The annual "Spring Saga" of Coffin and Keys, men's honorary organization, was presented on the tram at noon Friday by new initiates of the group. An estimated crowd of three hundred watched the open-air costume production.

"Helen of Troy" was the theme of the five-act presentation.

Featured players: Steve Dolinger, Richard Arden, Gary Brock, Don Travis, Dan Goodman, Bob Scott, Bill Sprow, Bob Pearson, George Evans, Braden Stauts, Dan Sullivan, Bob Faiss, Chris Cufflin, Bill Thornton, Ken Robbins, John Ingram, and Earl Hawley.

The cast enacted the theft of Helen by her lover, the storming of the walls of Troy, the fatal battle between Achilles and Hec-

IKE INVITES DR. BERTRAND TO SAFETY CONFERENCE

Dr. John R. Bertrand, dean and director of the Max C. Fleischmann college of agriculture, University of Nevada, has been invited by President Eisenhower to attend the President's conference on occupational safety to be held in Washington, D. C., May 14-16.

The purpose of the conference is to save human life and limb and to further known accident prevention measures and safety education in the plants and on the farms of America.

tor, the ruse of the Greek horse, and the final battle.

As a grand finale, the initiates seized two watching Coffin and Key members and threw them into Manzanita lake.

"Helen" was the last phase of the initiation of the men. They started at 10 p.m. Thursday. The group breakfasted at the Gamma Phi Beta sorority house after a night of noise and sleeplessness.

The men were formally initiated in a ceremony on campus Sunday afternoon. A dinner at the Mapes hotel followed.

Are you playing the right Spalding ball?

For the low handicapper, Spalding's new high-compression AIR-FLITE® offers maximum distance. The exclusive DURA-THIN* cover withstands scuffing and bruising far longer. \$14.75 doz., 3 for \$3.75.

The Spalding KRO-FLITE® couples distance with superb durability. The tough cover will stand up under surprisingly rough treatment and the ball stays round, white and puttable. \$14.75 doz., 3 for \$3.75.

The Spalding OLYMPIC® is a medium-priced ball with a very tough skin. It combines exceptional wearing qualities with a playability usually associated with higher-priced balls. \$11.40 doz., 3 for \$2.85.

Many golfers choose the Spalding HONOR®. Popularly priced, it offers good durability and playability. Like all Spalding balls, it features True Tension winding for extra resilience. \$9.00 doz., 3 for \$2.25.

Get economy and quality in this golf ball. Spalding's VICTOR® is an "economy" ball with plenty of distance. The extra-thick cover promises great durability. \$7.00 doz., 3 for \$1.75.

Tennis Team Sweeps 3 Matches; Stops Humboldt, Chico, Cal Aggies

Nevada's tennis team swept three matches last weekend over Chico State, Humboldt State, and the Cal Aggies. The matches were part of a round robin affair held at Chico. The Pack won all three by the identical scores of six to one.

On Friday afternoon, the Wolf Pack defeated Chico State by winning four singles matches while losing one and finished up by sweeping the doubles two to nothing.

Winners for Nevada were Bill Van Wagoner, Jim Anderson, Dick McClintic, and Lew Perkey in the singles while the combination of Van Wagoner-Anderson and McClintic-Perkey were victorious in the doubles.

On Saturday the Pack lost a singles match to the Aggies and dropped a doubles match to Humboldt.

Van Wagoner, Anderson, Jim Randall and McClintic won their singles matches against both the Aggies and Lumberjacks while

Perkey lost in the singles against the Aggies but won over his Humboldt adversary. Van Wagoner and Anderson teamed up to take doubles matches against both opponents, while the combo of McClintic and Randall won over the Aggies but the team of McClintic and Perkey was defeated by Humboldt.

Nevada's conference record now stands at six wins against two losses. Next match for Nevada will be the Far West conference tournament at Sacramento on May 11 and 12.

SORORITY PINNINGS

Gamma Phis' Dorothy Arbico and Joyce Wilson announced their pinnings last week.

Miss Arbico, a sophomore education major, was serenaded by Bill Howton's friends in Alpha Tau Omega, who presented her with roses.

Joyce Wilson, a freshman from Schurz, was pinned by Gary Soule, a Theta Chi from Las Vegas.

Rifle Team Third In Willows Match

The University of Nevada rifle team took third place in the Willows, California sectional match held last Sunday. Butte City placed first with 1545 points, and Willows was second with 1540. Nevada scored a total of 1536 points.

The leading scorer of the match was Nevada's Bill Rusk. He shot a 391. Terry Katzer shot 388, Dick Mills 386 and Chuck Taylor a 371 for the Wolf Pack.

The match was a section of the state and national league championships.

the figure's familiar

Weekend Sports Halted by Weather

Nevada's baseball and track teams did not make their scheduled trek to Stockton last weekend because of bad weather.

The baseball nine was scheduled to play a doubleheader on Friday afternoon against College of Pacific while the track team was figured in a three-way meet against C.O.P. and the University of San Francisco. At the present it is not known whether the events will be re-scheduled.

CONTRI AND OLIVAS HONORED BY ELKO ELKS

Ted Contri, outstanding Wolf Pack boxer, and Nevada boxing coach, Jimmy Olivas, were guests of honor Wednesday of the Elks lodge of Elko. The occasion was the celebration of Youth Day sponsored by the Elks.

In 1955 Contri was national runner-up in the welterweight division and this year he took third place in the nationals.

This weekend the track team will host the Cal Aggies in a dual meet.

SDX Will Judge Nev. Photo Contest

The Nevada chapter of Sigma Delta Chi, the national professional journalistic fraternity, will judge the newspaper photography contest of the Nevada State Press association.

This is the first time that a contest of this kind has been sponsored by the professional group. It is open to photographers on all Nevada newspapers and offers awards for the best spot news and best human interest picture in both daily and weekly divisions.

The entire membership of the campus Sigma Delta Chi chapter will judge the entries. Awards will be made at the 31st annual convention of the press association in Elko May 11 and 12.

La-Prensa

Thomas R. Curran, vice president and assistant general manager of the United Press, will be featured speaker of the meeting. He will tell the story of Gainza Paz and his Buenos Aires newspaper, La Prensa.

Professors A. L. Higginbotham and Keiste Janulis will represent the university journalism department at the convention. Higginbotham is advisor for the Nevada chapter of Sigma Delta Chi.

GOLFERS HOME TODAY TO AGGIES AND HORNETS

The Sacramento State Hornets and Cal Aggies will meet the University of Nevada golf team today at the Washoe county golf course.

The season record for the Pack now stands at one win against four defeats. In their last outing, the Wolves upset Chico State, 14½ to 6½.

WOMEN'S FACULTY CLUB TO INSTALL NEW PREXY

Mrs. Vernon Scheid will be installed as president of the Women's Faculty club tomorrow afternoon at the organization's final meeting of the year. The gathering will be at 2:30, May 5th, in Artemisia hall.

Other officers to be installed are Mrs. Gerald Hartley, Jr., vice president and program chairman; Mrs. Robert Bereuter, secretary, and Mrs. R. J. Morris, treasurer.

Grahm Erskine, of the architectural firm of Ferris and Erskine, will speak on "Let's Not Plan—It Costs Too Much."

Also on the program will be a demonstration of the use of the automatic voting machine.

Hostesses for the afternoon are Mrs. Jack Ryan, chairman, Mrs. A. L. Engel, Mrs. Robert Laxalt, Mrs. R. J. Morris, Mrs. David Slemmons, and Mrs. John Zadra.

To the Touch... To the Taste...
CHESTERFIELD PACKS MORE PLEASURE

Satisfy Yourself with a Milder, Better-Tasting smoke—packed for more pleasure by exclusive AccuRay

A touch will tell you . . . an Accu-Ray Chesterfield is more perfectly packed . . . and that means Chesterfield satisfies the most . . . burns more evenly, smokes much smoother.

To the taste, too . . . Chesterfield packs more pleasure. Firm and pleasing to the lips . . . mild yet deeply satisfying to the taste . . . Chesterfield alone is pleasure-packed by Accu-Ray.

MILD, YET THEY Satisfy...THE MOST!

Essays, Poems Brushfire Feature

A variety of essays, poems, and articles written by members of the English department and university students are featured in the 1956 edition of the Brushfire. This is an annual publication of literary works compiled during the year.

The table of contents includes "Out-Voted" by Bruce Bledsoe, "Commedia dell Aret" by Asher Wilson, "Vigil in the Dusk" by Robert A. Hume, "Microtonality," by William Halberstadt, "The Free Sample" by Bill Eaton, "Andy's Woman" by Judith Dempsey, and "The Game" by Barney Mergen.

Poems for the publication were written by Evalyn Titus, Harry Hussey, George Mross, Joanne de-Longchamps, and Gerty Berg.

The Brushfire has been on sale since Monday. It can be bought at the university book store, Gray Reid's, and the University Library.

A business meeting of the Brushfire was held last Tuesday night in the home of Prof. Robert Hume.

Coming soon. The Happy Time.

BURK MADE THETA PREXY.

Dale Burt was chosen to serve another term as president of Theta Chi fraternity.

Chris Cufflin, Messina, South Africa, was elected to the vice presidency. Dave Lowe, Las Vegas, was elected to serve as secretary. The new treasurer is Don Cutler of Reno. Chuck Fulkerson of Jerome, Idaho, will head the house's rushing program.

Examinations for Foreign Service To Be Given by State Department

Career opportunities in the U. S. foreign service will be described May 8 by Mr. David H. Schindell, state department representative. He will interview all persons interested in applications.

Applications for the foreign service examination, which will be held June 25, must be received before midnight May 11. The location of the interviews and the site of the tests has not yet been announced.

The one-day written examination has four parts. English expression, general ability, general background, and modern foreign language will be the subjects of the test. If a candidate completes three tests successfully, he will then be given an oral exam. Failure to pass the language test

will not prevent the candidate from taking the oral examination or from subsequent appointment. A written language examination or an oral examination in any modern foreign language must be passed within four years of appointment before the candidate can be promoted in the foreign service program.

Qualifications for applicants are: They must be at least twenty years of age and under 31, American citizens of at least ten years standing, and, if married, married to an American citizen.

Starting salaries for successful candidates range from \$4275 to \$5475 per year depending upon the age, experience, and family status of the individual. In addition, insurance and retire-

ment benefits are granted, as well as annual vacations and sick leave.

Any successful candidate, after completing training at the Foreign Service Institute in Washington, must be willing to serve in any of the 272 embassies, legations, and consulates around the world.

Watch for the Happy Time. Coming soon to the Nevada campus.
