Thirty-Sixth Homecoming for Alumni is Set For October 27

By William C. Brown

The thirty-sixth annual Homecoming will be celebrated at the University this year on October 27.

The annual Homecoming football game sees the Wolf Pack gridders tatted against the Pepperdine College eleven from Los Angeles.

Plans for this year's celebration are being formulated by Gary Brock, chairman, from Sparks. His assistants on the Homecoming committee are:

William C. Brown, Elko, publicity; Earnest Soumbeniotis, Ely, coordinator; Cameron Samuels, Reno, secretary; John Darrah, Reno, parade; Mack Fry, Reno, awards; Richard Bryan, Las Vegas, assemblies; Bill Eddelman, Reno, rally; Bob Jones, Elko, cross country race; Susie Kuypers, Las Vegas, dance; Kathy Warner, Susanville, wolves frolic; Don Shuer, Reno, and Carol Gardenwartz, Sparks, halftime activities; and Jan Chiatovich, Gabbs, and Bob Costello, Oakland, floats.

The events this year includes the traditional open houses on Wednesday, October 24, at 8:00 p.m. All sorority and dormitories on campus will participate. Thursday, October 25, a pajama rally will be held at Mackay Stadium and will feature a comic king contest, a bonfire, finishing with a snake dance through downtown Reno. Also on Thursday a rally will be held at the Old gym. This will feature student talent and is under the direction of Richard Bryan.

Friday, October 26, the Wolves Frolic will be presented at the State building. The Frolic is a presentation of University students, and features skits from every social unit. The Homecoming Queen will be crowned by Nevada Governor Charles H. Russell during the program.

The cross country race will be run Saturday, Oct. 22, with every fraternity entering men. Sigma Nu has won the cross country the last three years. In 1955 Don Kitts of Sigma Nu ran the grueling four miles in 25 minutes, 5 seconds.

Saturday at 10:30 a.m. will be the Homecoming parade with float entries from the social groups and various out-of-state marching units and dignitaries.

Children's Stories

"Children's Stories" will be the theme of the parade. Billed as one of the largest parades in Nevada, it will provide a colorful spectacle, said chairman Gary Brock.

Kick-off for the Homecoming football game will be at 2:00 p.m., Saturday with the Pepperdine 11.

Following the game, at 9:00 p.m. the Homecoming dance will be held in the State building.

The alumni will hold their get-together Saturday at the Mapes with a buffet and dance.

FOUR FROSH NOMINATED

Four freshmen men have been nominated for the office of Freshmen class manager, it was revealed today by Chuck Coyle, president of the Associated Students.

Nominated were Jim Keetch, Lambda Chi Alpha; Frank Wheeler, Lincoln hall; George Allison, Sigma Alpha Epsilon, and Jim Gardner, Sigma Nu.

Campaign speeches will be made by these candidates at the annual freshman assembly to be held Oct. 11, in the Education auditorium.

The primary elections will take place on Oct. 12, and the general balloting is scheduled for Oct. 17.

Nude Man Again

Police were alerted Monday evening with a report that a nude man was prowling around Artemisia hall. Flashlights in hand, they scoured the surrounding bushes but failed to find the intruder.

Residents of the hall told police that the man tapped on a window to attract their attention. One girl was asked by a reporter what the man looked like, but couldn't say.

Last year there were several reports of a nude man on the campus in the evenings, and the police made an attempt to catch him.

Senator-at-Large Elected By Senate

At the Student Senate meeting in Morrill Hall Wednesday evening Braden Stauts was elected by the senators to fill ASUN president Chuck Coyle's position as senator-at-large.

Stauts was elected by the fourteen voters over Joe Crook, the only other nominee.

Myram Borders and Bob Faiss, publicity committee, told the senate of two procedures that ASUN might take in handling publicity of student affairs.

The first suggestion was that a committee of five or six be appointed to handle the publicity. The second plan was that the ASUN hire a student to handle publicity for the non-academic activities at the university.

Coyle tabled the ideas until next meeting to give him time to communicate with President Stout and the University's publicity director, Bob Laxalt.

Lillian Johnson was made chairman of a committee to meet with the Deans to discuss revisions to the University's Social Code. Members of the committee are: Louis Porta, Nedra Norton, and Art Vaughn.

Coyle announced the nomination of students to the student-faculty committees headed by Suzanne Schwartz. The following students were asked to serve on committees: Dan Sullivan, eligibility and athletics; John Ingram, high school relations; Suzanne Schwartz, academics; Bob Morrill, accreditation; Donna Fisher, admissions; Don Rasmussen, assemblies and lectures; Bill Devereux, traffic; Barbara Cavanaugh and Chuck Coyle, commencement; Ed Olsen, foreign

students and visitors; Sandra Nickell, scholastic standing; Jo Ann Sawle, health; JoAnn Backerd, orientation and guidance; John Darrah, scholarships and prizes; Cavanaugh and Coyle, student relations, and Carolyn Chapelle, library.

The nomination committee also chose Pat Cordes to fill a position on the publications board. The nomination was affirmed by the senate.

Gary Brock, Homecoming chairman, told the Senate that Nevada Southern would attend the celebration by chartering a bus, according to NS president Barton Jacka. Brock explained that the dance committee for Homecoming would only have an hour to decorate the State building before the dance.

He also told of a revolving trophy to be awarded to the house of the Homecoming queen.

Coyle told the senators from Theta Chi, Artemisia, Pi Beta Phi, Gamma Phi Beta and Lincoln hall to bring a freshman to the next senate meeting October 17. This move is to orient the underclass students to their student government.

Coyle announced the candidates for Homecoming Queen and Frosh Class president before the meeting was adjourned.

GAMMA PHI BETA PRESENTS PLEDGES

Gamma Phi Beta will hold a "pledge presentation" on Wednesday, October 10, from 8 to 10 p.m. Purpose of the social is to introduce the new pledges. All fraternity men have been invited. Coffee and cookies will be served.

Aid Not Subsidy Explains Stout

The alumni Campus Improvement program is not a subsidy for athletes, President Minard W. Stout said this week.

He said the program is intended to provide jobs for students, not just athletes.

The University never intended to subsidize whether through jobs or any other way, he added, referring to statements by Coach Gordon McEachron last week that the University program for athletes is not as good as that of other schools in the Far Western conference.

Another statement by McEachron, that only two men out of 22 new players from Nevada high schools are still on the squad, was also commented on by Pres. Stout.

Nevada has many good athletes, Pres. Stout said, and the University has no intention of importing any. He indicated that more time should be spent attracting Nevada players to the University, and not go out-of-state.

In reply McEachron said he spent the summer contacting "every high school coach and graduating player" to urge them to come here. He also looked over out-of-state prospects, and was not aware that this was frowned upon, he said.

THREE AWS JOBS FILLED

Three women students won offices in the Associated Women Students' Council this week. Mary Carol "Mac" Jackson was elected to the position of corresponding secretary. She is a senator representing Delta Delta Delta.

Suzanne Swartz, representing Gamma Phi Beta, was elected for a second time to the office of recording secretary.

Appointed as editor for AWS news was Karen Knudson, a representative from Kappa Alpha Theta.

A financial report was given, showing a profit of \$66.50 for AWS from the annual fashion show.

The main topic of discussion was the "late" hours. The problem centered around the fact that all the living groups have various "lee-ways" or leniency periods after the set hour. Therefore, the hours were actually different to the girls in each house. The conclusion brought out of the meeting was that there will be no leniency period in the future. Penalties for being late will begin at one minute past the set hour.

Barbara Cavanaugh, president of the Associated Women Students, presided over the meeting. Dean Mobley was also present.

Four Candidates Are Nominated For 1956 Homecoming Queen

Candidates for the Homecoming Queen Contest have been chosen. Competing for the crown are Nancy Arnold, Gamma Phi Beta; Beth Boyd, Delta Delta Delta; Kress Harris, Kappa Alpha Theta; Barbara Ruark, Pi Beta Phi; and Diane Ince, Artemisia-Manzanita association.

The Associated Women Students council is handling the campaigning of the Homecoming Sweetheart candidates. The rules set down by the council must be observed throughout the project.

The selection was limited to underclassmen. Names of candidates, campaign managers and alternate campaign managers were turned in to Bonnie Stewart, chairman of the contest, last week.

Nancy Arnold's campaign manager and alternate are Jan Chiatovich and Joan Rogero. Managing Beth Boyd is Diane Martin, with Diane Oldenburg as an alternate. Peggy Folkes is the manager for Kress Harris, while Shelley Branch is the alternate. Directing Barbara Ruark's campaign are Lillian Johnson, manager, and Audrey Bernard, alternate. Carol Stever is campaign manager for Diane Ince, and Jaque Hunt is the alternate.

Only the candidate and her elected campaign manager or elected alternate campaign manager will be allowed to go to the fraternity houses for meals during the campaign. The meals have been arranged by the chairman, Bonnie Stewart, for the early part of next week. Each candidate will visit each fraternity once.

Each candidate is allowed three eight by ten glossy pictures and three wallet-sized glossy prints. The large pictures will be used on the bulletin boards and in the sorority houses and Artemisia hall. Those pictures displayed on the mantel may have surrounding decorations not exceeding five dollars. The wallet-sided photographs will be used in the Sagebrush and local papers.

Queen candidates can be introduced when a fraternity is serenading her living group, but she cannot be formally introduced at pledge presentations or at times when sororities serenade fraternities.

The candidates and their managers have been asked to meet in the AWS office this Tuesday at 4 o'clock.

Men students will vote for the Homecoming Sweetheart on October 26, and the winner will be announced at Wolve's Frolic that night.

Aid Not Subsidy

(Continued from Page 1)

Pres. Stout said if Nevada players could not compete successfully with their present competition, other competition would have to be found.

The Alumni association had agreed to keep its campus aid program open to all students, Pres. Stout added.

In reference to this, William Parish, alumni president, said that all association solocitations of funds had stressed the intention of using the money for campus jobs for all students. This was insisted on by Pres. Stout, he said.

However, an association newsletter earlier this year said the program was to provide campus jobs for needy students, but newsletter also said that as there is no job system for athletes on the campus, "it is presumed that a majority of the on-campus jobs would

be extended to them."

The money is in the hands of university comptroller Perry Hayden and is being used for salaries for both athletes and non-athletes, Parish said.

Parish attacked the low wage scale on the campus which limits pay to \$1 an hour. "That's way too low," he said.

It is expected to raise the job fund to six thousands dollars for the nine-month school year. Parish will add fifteen hundred dollars this week, to the one thousand dollars already in the fund.

The alumni association will not ask for university funds for the program, Parish said, although the university will finance some campus jobs held by non-athletes

Miner to Speak On Cyprus

What it is like to work and live in a foreign country will be related at the next meeting of the Crucible club on Oct. 11. Perry Riker is the guest speaker, and will tell of his foreign experiences in the mining field.

Mr. Riker is a mining engineer and whose work has taken him to places far outside the United States. On the island of Cyprus, he was engaged in supervising the mining of copper.

The copper mines there have been in use for centuries, and were used by the old Romans as a source of copper ore. Mr. Riker spent fifteen years on Cyprus, and came to know the island and its people well.

A field trip to Virginia City is planned by the club for Oct. 6.

Alumni Plan Projects For Homecoming Days

Nevada alumni will have an "Old Grad" horseless carriage entry in the annual Saturday morning Homecoming parade, executive committee members of the Alumni association decided at a recent meeting.

Other Homecoming plans included the annual alumni reunion which will be held Saturday, Oct. 27, at the Mapes hotel. The party, a buffet and dance, will be free to alumni and former students, said Bernard Smith, co-chairman of arrangements.

Historical points of interest, as well as aspects of mining and milling in that area, will be covered.

Five members of the club will be guests at a luncheon at the Mapes hotel on Oct. 5 at noon. The American Institute of Mining and Metallurgical Engineers sponsors this dinner. Guest speakers will be Ed Lawrence and Bob Horton of the Nevada State Bureau of Mines.

Assisting Smith are Margaret Baker and Frances Armbruster. Paul Jones and his orchestra will provide the music.

Vice-president Lee DeLauer will handle arrangements for the parade entry.

The alumni sponsored campus-aid fund was discussed by President William Parish and fund chairman Myneer Walker, Those who have assisted in the program by securing finances and jobs are: Lee DeLauer, Bernard Smith, Harry Frost, Orison Miller, Wally Rusk, Sam Francovich, Jack Streeter, William Raggio, Max Dodge, Buster McClure, Stan Reese, Mel Hancock, and Jimmy Olivas.

A drive to increase paid-up membership will be made until after Homecoming. Increasing responsibilities and obligations of the alumni association make this necessary, Parish said.

Members voted to increase dues from \$3 to \$5 for single membership and from \$5 to \$6 for two members families, to help defray expenses.

Parish stressed the need for active board members who have time and interest to devote to association programs.

Board member Stan Reese said local officials of the First California Co., stock brokers, have assured him that the firm would join with the association in sponsoring the Homecoming issue of the Alumnus a week before Homecoming.

SF STATE COACH PRAISES WOLF PACK

Coach Joe Verducci, whose San Francisco State Golden Gators beat Nevada 32-20 last weekend, said today he is thankful that they met the Wolfpack early.

"Nevada consists mostly of freshmen and sophomores who got fooled a couple of times and made mistakes," Verducci said.

HAPPY-JOE-LUCKY presents STICKLERS!

STUCK FOR MONEY? DO A

Stickler!

STICKLERS ARE TICKLERS and a mighty soft way to make money! Just write down a simple riddle and a two-word rhyming answer. For example: What's a ball player who gets a raise? (Answer: richer pitcher.) Note: both words must have the same number of syllables —bleak freak, jolly dolly, vinery finery. Send your Sticklers, with your name, address, college, and class, to Happy-Joe-Lucky, Box 67A, Mt. Vernon, N. Y. Don't do drawings! We'll pay \$25 for every Stickler we use in our advertising—and for hundreds that never see print. And remember—you're bound to Stickle better when you're enjoying a Lucky, because Luckies taste better. Luckies' mild, good-tasting tobacco is TOASTED to taste even better. Fact is, you'll say Luckies are the best-tasting cigarette you ever smoked!

What Could We Do?

What more can we say? Dave Lowe's story was published in the downtown papers, it hit the AP wire and appeared in most of the papers around the country, it went over the national radio hookup. Undoubtedly, residents of Samoa are taking about it by now, in the bright moonlight of the sandy beach.

But, on the other hand, we could not ignore it. So, here follows the personal narrative of one of the pioneer flyers of Nevada.

I went to bed Wednesday night after working until about ten-thirty or eleven o'clock at the Sagebrush office.

My bed is the lower berth of a bunk-bed. The bed is situated next to the front of the house and one can hang his arm out the window without being uncomfortable in bed. The window is quite wide and because the house was recently painted, there is no screen. My room mate, Chuck Fulkerson, is a fresh air enthusiast and because the top of the window won't open the bottom is always open. The opening must be about three foot square.

To get on with the narrative . . . I fell asleep and like other nights, woke up the next morning. My left side was sore so I rolled over thinking I had been sleeping on it too long. When alarms went off around the house at seven, I struggled to my feet and found that there was an ugly laceration on my left large toe. Upon further investigation it was learned that the left bicep and wrist were immobile. My neck was sore, too.

I had also been sleeping in a vacant room with only a sandpaper-like quilt.

I limped to my room mate, and asked what the hell happened. He said, "Where've you been all night"?

At breakfast a frat brother said that he'd seen me come into the house at about one-thirty in the morning with pajama bottoms on and looking rather haggard.

He asked where I had been and what I had been doing, but received only a passing glance as the subject hobbled up stairs.

Ed. Note: It seems Lowe fell out of his window and hobbled upstairs again without the faintest knowledge that it happened. This note is for the reader who might never know what actually happened from reading the above story. At any rate, Lowe is now sleeping in the top bunk, and Chuck is in the bottom bunk.

O, to love tonight and laugh tomorrow, and fall in deep brown ditch and expire.

SAE Pledges Go For Theta Crop

"Strange Fruit" was growing in the foliage at the Kappa Alpha Theta house last Saturday night.

Women coming from their dates were astonished to see toilet seats hanging in the greenery around the house, and after some debate, Caroline Chappelle and Charlotte LeMaire volunteered to go outside and get them.

The Thetas put the "seats" in the lost and found box in the basement until the pledges of Sigma Alpha Epsilon came to claim them.

Requesting the "presents" were Ron Pretti, president of the pledge class, Jim Grigsby, Ron Broderdorf, Gerald Eggers, Ron Rankin, Rich Barsanti, Dick Lewis, Ted Berrum, and John Wellington.

A weekly "date lunch" was started by the S.A.E. fraternity Wednesday when twenty-four couples were entertained at lunch at the chapter house at 835 Evans avenue.

Dean G. Holstine Ends State Tour

A sixteen hundred mile tour of the state of Nevada was completed by Dr. Garold D. Holstine, Dean of the College of Education, during the latter part of this summer. As chairman of the Committee on High School Relations, Dean Holstine visited all but five high schools in the state.

MM

The purpose of his trip was to lay plans for conferences to assist high school students in planning a career. He spoke to administrative officers and senior class advisers at each school. He also delivered eight hundred new University of Nevada calendars to be placed in class rooms of the high schools in the state.

Mines Publication Editor Named

Lewis Lohr, senior in geological engineering, was appointed editor of the Mackay Miner recently.

The publication is designed to tell what is being done in the mining department, and it mainly deals with mining of this state. It is sponsored by the Crucible club.

Also on the staff are: Lester May, business manager; Bob Morrill, assistant editor; and Elmo Bradley, circulation manager.

December 13 has been set as the deadline for ads. Story deadline may be moved up into January, Lohr said.

The Mackay Miner will be larger than ever this year, he said, and will feature a mines alumni directory. The magazine will be non-profit as usual.

It will go to press in February. Lohr comes from Hollywood, Calif.

It's so hard to be humorous that sometimes we just lie down and laugh at nothing at all.

Resignation

The University of Nevada Sagebrush is being edited this week by Bruce Bledsoe, in view of the fact that the editor's letter of resignation has been submitted to the Publication's board.

Acting only on a temporary basis this week, it is hoped that Mr. Bledsoe will continue to edit this paper. On the basis of experience and the necessary qualifications stated in the ASUN constitution, he is the only possible choice as my successor and by the time this paper appears, I hope his appointment will have been made official.

Interested in the welfare of the University of Nevada, it's students, and the independence and effectiveness of the Sagebrush, Mr. Bledsoe is my personal selection as editor and is quite capable of performing his new duties well.

My resignation stems from the mere fact that I do not have the necessary time this year to put into the Sagebrush. I do not wish to be held responsible for a job that I feel I can no longer do satisfactorily and therefore turn it over to a man whom I am sure can.

1500 BOOKS FOR LIBRARY

Fifty-two cases of books were acquired for the university last week by Librarian James J. Hill at a public auction sale.

The 1500 volumes were part of a collection of household articles sold to satisfy an obligation to the Internal Revenue department. Mr. Hill submitted the high bid of \$525.

The librarian said there are no "rare" books among the volumes, but the collection is "rich in fine arts texts—probably about a hundred of them—which alone are worth the entire purchase price."

Prof. Craig Sheppard, of the fine arts department, when notified of the purchase, said the department was "truly delighted to have them." He stated that one of the volumes, "The Woman: As Painted by French Artists" was "probably worth \$50 alone" and that it would be "a real addition to our library."

The collection also included treatises on Nevada history, the Civil War, sports, poetry, children's literature, and many volumes of modern fiction.

The catalogue department of the library will classify the books "when not taking care of current acquisitions," Mr. Hill said, and they should be available to borrowers soon after the first of the year.

"The university is very fortunate in getting this collection at this time," the librarian stated, and expressed thanks to the legislature which, at a recent session, made funds available for acquisitions of this type.

Alan Bible Talks To Young Demos

"Headaches and heartaches will accompany you if you don't take part in public service," commented Nevada's United States Senator Alan Bible in his Tuesday speech to the Young Democrats, "but if you feel that you have served your people well, that is thanks enough."

Bible said that "in my tour throughout the state I have felt a great 'ground swell' toward the Democratic party."

At the meeting attended by more than forty students and guests, Bible was introduced by YD president Jim Hart after pictures were taken for the Artemisia.

S and K

"We are led by two very willing and able men—Governor Stevenson and Senator Kefauver. They are both fine campaigners."

The Senator especially complemented the interest that the students were showing in the coming election. "Too often," he commented, "people are cynical toward politics but the future of Democracy is based upon the development of young men and women who will take an active part in their government."

"I witnessed a twenty-five mile horse race in Tonopah a few weeks ago in which each of the five riders used five horses in the event. Two riders were neck-and-neck late in the race. One horse faltered and the other rider went on to the victory. We Democrats should take a lesson from this and keep slugging right until six o'clock November sixth."

Actually, campus romances are at somewhat of a standstill at the present time . . . most collegians are presently recovering from the shattering halt of summer romances, or are checking into the latest potential of the freshman class . . . but give the men some time . . . soon after the spirit (or spirits) of Homecoming are past, many fraternity pins are lost (or won) in the melee of celebration.

And in the meantime, the idea of study is vaguely contemplated by seniors . . . and the ideas of romance is filed in the back section of the brain until Friday night.

But there are always those unconventional souls who keep the grapevine from house to house busy with talk of the latest on who-was-with-whom Friday night.

And so to those of you who keep the hex off sex during the month of October, we gratefully dedicate the column . . . for if it weren't for you, there wouldn't be any. Column—we mean—not sex.

Pi Phi Kay Canvin and **Sigma Nu Jim Nightingale** surprised her sorority sisters Monday night with their pinning . . . also "engaged to be engaged" via the frat pin route are **Carol Francy** and **Ken Dennison** . . . **Carol's a Gamma Phi, Ken's a Lambda Chi.**

Marge Mead, Theta, and **Hal Gottelli** have been going out very consistently . . . also, **Margie Orr** of **DDD** and **Sigma Nu Ted Contri** have been seen together quite a bit—it's okay, though . . . they've been engaged for two years . . .

The **Pi Phi's** have high hopes for sister **Joan Sawle**. They figure that someday in the far distant future she'll grow out of that awkward adolescent stage . . . seems that **Jo's** coordination isn't the best, and she tripped her way into the **Sigma Nu's** fishpond headfirst the other evening when the **Arrow-girls** were serenading the **Snakes** . . .

Helen Argeres, former song-leader and **Tri-Delt**, is getting married come Sunday to **Harry Karzas**, from Chicago.

Penny Molineux, Tri-Delt, passed chocolates last Monday night when her pinning to **Phi Sig Bob Hemphill** was announced . . . Vague rumors regarding the coming marriage-plans of **Diane Newby, Tri-Delt**, and **Jack Nugent, Lambda Chi**, are emanating from New York . . .

Larry Damon, who was quite upset when frosh women were warned to stay away from him, asked especially that it be stressed what a good guy he really is—okay — **Larry Damon** is a good guy.

Mr. and Mrs. Tom Davis (the former **Peggy Jackson**) are the proud parents of a five pound, two ounce **Tri-Delt** legacy, who goes by the name of **Margaret Tommi Davis** . . . **Tommi** made her appearance last Sunday night . . .

Along the "pfffft" lines, all there is to report is that, sad to say, **Nedra Norton** has broken up with **Twitch Creel** some time ago . . . both the **Lambda Chi** house and the **DDD** residence are still recovering from the tragedy of the short-lived affair . . .

Gamma Phi Karen Harvey and **SAE Bob Petroni** announced their engagement on September 20 . . . another consistently-seen-together twosome is **Pi Phi Belinda Bausman** and **Cal transfer, Sigma Chi Clark Adams** . . . for a while there, it seemed that **Don Rasmussen**, yell king, and **Pi Phi Elaine Zeitlemann** were becoming quite good friends, but as of late, **Don** has been seen intermittently at any or all of the sororities, plus **Artemisia**, at least once a day . . .

Apologies go to **Mary Lee Metzger** for reporting her engagement rather than her pinning last week . . . but have faith, **Mary Lee**, and keep working on it . . . apologies, too, to **SAE Bob Potter** . . . didn't mean to identify you with the wrong fraternity last week . . .

Raging conflict between two of the sororities over who-gets-to-ask-Bill-Witt - to - go - to-whose-pledge-dance, has almost gotten to the open warfare stage . . . freshmen women are still flipping coins to decide whether **Tau** pledge **Johnny Miller** or **Sigma Nu** neophyte **Russ Pike** is the sharpest . . . such problems.

As duly reported last week, **Shelly Branch** bid adieu to **Dick Morrill**, pin and all . . . question-of-the-week is: who, of the 712 men who have asked **Shelly** out since **Morrill** left, will she ask to the **Theta** pledge dance? (Must be nice . . . I knew a girl who had a date once . . . friend of her father's).

165 Excused From Military

Although two years of ROTC is required of all male University of Nevada students under the rules of the Board of Regents, many are exempt from the course.

This year 132 veterans were excused from taking military. Under the existing rules any man who has served one or more years of active duty with a branch of the Armed Service is recognized as a veteran.

In addition to the veterans' organizations, all foreign students are exempt. This year there are six foreign students. They represent **Jordan, Switzerland, Canada, and Germany**.

Twenty seven students are also exempt because of physical disqualification and thirty more students for other reasons.

There are 21 students who had completed three full years of high school ROTC and will be excused from one year of the compulsory two year Basic course.

Aggies-Home Ecs Dance at Farm

About fifty members attended the Aggie and Home Economics clubs barn dance last Friday in the horsebarn on the new University farm.

Highlight of the evening was a cake auction. **Les Sweeney** auctioned off two cakes from the Home Ec department, which together brought in ten dollars. **Sweeney** also acted as entertainer during much of the evening.

The horsebarn has stalls downstairs and a big flat floor upstairs, measuring about 120x40 feet. Last year in the spring the first barn dance held there was given.

Guests were **Dr. John Fisher**, associate professor of economics, and **Mrs. Dorothy Sidwell**, assistant professor of home economics.

Dancing included both ballroom and square dancing. Refreshments were served.

Business College Has 250 Enrolled

The new College of Business and Administration, activated on July 1, 1956, opened the school year with an enrollment of about two hundred and fifty students. Dean Robert C. Weems announced that accounting, banking and finance, economics, management, general business, and marketings are the six major fields offered this year.

A Bureau of Research is also being established in the College. Under the direction of Dr. Benjamin M. Wofford, associate director, the bureau will compile information on business activity in the state and put it in the form of a monthly bulletin.

Students of the college will assist in securing information and analyzing it for the bulletin, on a voluntary basis. Dr. Wofford feels this project will give a good indication of rate of growth of the

Bean Feed to See Trophies Given

The annual inter-fraternity bean feed will be held Monday, October 9 at 7 p.m. in the University of Nevada dining hall. Trophies will be given for scholarship and for intramural sports.

The Kinnear Trophy will be presented to Alpha Tau Omega for winning the most points during competition last year. Individual awards to be given are: scholarship, Phi Sigma Kappa; badminton singles, Theta Chi; badminton doubles, Sigma Alpha Epsilon; riflery, Lambda Chi Alpha; volleyball, Sigma Nu; basketball, Alpha Tau Omega; skiing, Sigma Nu; horseshoes singles, Alpha Tau Omega; horseshoes doubles, Lincoln hall.

Softball, Alpha Tau Omega; homecoming cross country run, Sigma Nu; table tennis singles, Theta Chi; table tennis doubles, Sigma Alpha Epsilon; track, Alpha Tau Omega; bowling, Sigma Nu; handball singles, Sigma Nu; hand ball doubles, Sigma Nu; tennis singles, Sigma Nu; tennis doubles, Alpha Tau Omega; baseball, Alpha Tau Omega.

Guests at the dinner will be G. A. Broten, director of health, physical education, and athletics; William D. Carlson, dean of student affairs; Lt. Col. R. L. Bereuter, professor of military science and tactics; J. E. Martie, professor of health, education, and athletics; C. M. Scranton, associate professor of health, physical education and athletics.

Broten is to be master of ceremonies, and will introduce the guests.

Lt. Col. Bereuter will award the rifle team prizes. Dean Carlson will give the scholarship awards. The individual awards for sports will be presented by Broten and the Kinnear Trophy by Martie.

Prof. Martie will make a speech on the Kinnear Trophy and the intramural sports program.

In the past the fraternities have turned out in numerous amounts" stated Broten. Each fraternity sings songs in competition with each other although no prizes are given for this. The fraternities sit in designated sections and usually wear white shirts for unity.

"This program is one of the biggest events in the year for the fraternities," stated Bob Jones, Sigma Nu, "and should be a huge success this year."

The Inter-fraternity Council is in charge of putting the dinner on. It is composed of the presidents of each fraternity.

INFIRMARY REPORTS VARIETY

One case of mumps, some persons down with the flu, a few cases of glandular infection, and men suffering the usual football injuries are the complaints the infirmary on the campus of the University of Nevada has had to treat so far this semester.

Since the rush of the routine

student check-ups at the beginning of the semester, the medical staff has kept busy administering to students who have a variety of minor infections and injuries. No serious illnesses have been reported at the infirmary.

Know Your Campus Leaders

By Jim DePriest

The role of top executive of the Associated Students of the University of Nevada, ASUN, was filled May 15 of this year by Charles Coyle.

"Chuck's" duties in this position are to preside over the student Senate and to work on the Executive committee, the Publications board and the Finance Control board. He also acts as the chief spokesman for the students. All this makes for a full schedule.

Besides being student body president, he is active in Blue Key, Newman club, Sundowners, Young Democrats and his fraternity, Alpha Tau Omega.

The president's home town is Delanco, New Jersey. His four years in high school at Delanco were followed by a four year hitch in the Air Force. His last year in the service was spent at Stead Air Force Base, Reno. After being discharged, he stayed here in Reno to attend the University of Nevada.

Coyle is now working for a degree in history. He intends to study law at George Washington university in Washington, D. C., and then return to Reno to practice.

This top executive is a neat dresser, a serious minded student, and for the benefit of the new women on campus, he has no romantic entanglements.

SIGMA NU HOLDS PLEDGE DANCE

Sigma Nu will hold its annual Fall Pledge dance tonight at Lawton's Hot Springs.

Decorations will be made up of small paddles suspended over the dance floor. On one side of the paddle will be written the name of the pledge,

SORORITIES ELECT, PLEDGE PRESIDENTS

Four women were elected Monday to serve as pledge presidents at their respective sororities. They are Cynthia Heth, Delta Delta Delta; Coralyn McGowan, Pi Beta

Phi; Pat Reynolds, Gamma Phi Beta; and Kress Harris, Kappa Alpha Theta.

Others officers chosen for the fall semester were:

Gamma Phi: Olivia Forsythe, vice president and social chairman; Edrie Schwake, assistant house manager and corresponding secretary; Barbara Nordman, recording secretary and treasurer;

Sharon Workman, assistant scholarship chairman; Barbara Galeppi, activities chairman; and song chairman, Emmy Hanf.

Irritate everyone.

Here's How to Play TANGLE SCHOOLS

OLD GOLD'S GREAT NEW GAME

A total of 24 puzzles will appear before the Christmas holiday. Get started now in Old Gold's exciting new game for college students only.

Here are the Official Tangle Schools Rules! SAVE THEM!

1. PRIZES (a) P. Lorillard Company, the makers of OLD GOLD CIGARETTES, will award a total of 86 prizes, valued at more than \$15,000—to college students in the United States in accordance with the following Official Rules. (See complete list of prizes.) **(b)** This game will consist of twenty-four (24) monogrammed puzzle drawings to be published in this and other college newspapers; three puzzles each week for eight weeks, and a series of tie-breaking puzzles, if needed, as outlined in rule 2. **(c)** Contestants must arrange the scrambled letters from each of the 24 monogrammed drawings so that they correctly spell the name of a certain American college or university. In the scrambled drawings there are no superfluous letters, no distortion of letters, and no letters are left out to confuse or mislead entrants. A clue will be furnished with each drawing to help identify the correct answer to the puzzle.

2. (a) The person complying with all the rules of the game and solving the highest number of puzzles correctly will be declared the winner of the first prize, a 40-day tour of the world for two persons—the winner and another person of his choosing or, at the option of the winner, the first prize shall consist of \$5,000 to be paid to the winner. The person complying with all the rules of the game and solving the second highest number of puzzles correctly will be declared the winner of the second prize. In like manner, the winners of the remaining 84 prizes will be determined. **(b)** In case more than one person solves correctly the same number of puzzles, the prize tied for, and as many subsequent prizes as there are persons tied, will be reserved and those so tying will be required to solve a set of tie-breaking puzzles, to determine the order in which the reserved prizes will be awarded. Each of the tie-breaking puzzles will be comprised of scrambled letters forming the names of either one, two or three American colleges or universities. Clues with each puzzle drawing will indicate whether the puzzle contains one, two or three schools to be identified. If, after solutions have been submitted to this second set of puzzles, a tie or ties still remain, those tied will be required to solve another tie-breaking puzzle. Accompanying this tie-breaker will be an official list of American colleges and universities. From these, contestants will make up a list of schools and colleges in accordance with instructions to be given at that time. The contestant earning the highest score in so doing will be awarded the highest of the prizes tied for. The next highest prize will be awarded the contestant earning the second highest score and so on down through the reserved prizes that have been tied for. These tie-breaking puzzles, if necessary, will be mailed to each contestant.

P. Lorillard Company reserves the right (only in the event of further tie or ties) to require contestants to solve as many tie-breaking puzzles under supervision, and without assistance, as are necessary to determine a single winner for each prize.

3. NOTE (a) When entrants have completed solutions to the complete set of 24 initial puzzles, which are to be published three per week in this paper, the solutions are to be printed or typewritten by the entrant in the answer space provided on the puzzle (or a reasonable facsimile). The complete set of 24 puzzles must be answered, neatly trimmed and enclosed in an envelope, flat and not rolled and addressed to:—Tangle Schools, P. O. Box 26A, Mount Vernon 10, N. Y., and mailed bearing a postmark not later than December 19, 1956. Decorated, pasted or embellished puzzles are not permitted. Each set of 24 puzzles must be accompanied by a wrapper from any type OLD GOLD CIGARETTE package—(REGULAR, KING-SIZE OR FILTER KINGS) or a reasonable facsimile thereof. **(b)** More detailed instructions on the mailing of completed sets of puzzles will be published later. No Solutions are to be sent in separately. Save the puzzles and your solutions so that they may be submitted as a complete set at the end of the game. Entrants are not limited as to the number of complete sets of Solutions. However, each set must be submitted individually, and only one prize will be awarded to any one entrant. **(c)** After the deadline for mailing solutions, the correct answers to all 24 puzzles will be published in a single issue of this paper. Each contestant must keep an accurate record of all solutions and check his answers with the published correct answers.

4. WHO MAY ENTER: (a) This game is open to all bona fide college students in the United States; that is, persons who, at the time of entering, are duly registered in an accredited college or university within the continental boundaries of the United States, except that the game is not open to students whose immediate families are employed by P. Lorillard Company or its advertising agencies. Contest is subject to all State and Federal regulations. **(b)** Contestants may, if they prefer, make copies of the puzzles by hand. Copies of the puzzles and of OLD GOLD package wrappers reproduced by a multiple process such as carbon paper or mimeograph are not acceptable. Entrants who want back puzzles and copy of Official Rules may obtain them by addressing their request to Tangle Schools Back Puzzles, P. O. Box 9, Grand Central Annex, New York 17, N. Y., enclosing 5¢ in payment for each puzzle desired and/or rules, together with a STAMPED

SELF-ADDRESSED envelope. **(c)** Prior to receiving a prize each winner may be required to sign an affidavit certifying that he or she is eligible to compete in accordance with rule 4-a; that he or she has not bought, sold or exchanged the puzzle solutions and is not acting for, either by proxy or in collaboration with, any person who is not qualified to participate under the rules.

5. METHOD OF JUDGING: Decision of the judges is final and contestants so agree upon entering the game. Solutions to the puzzles will be judged on correctness, including the spelling of the names. All entries become the property of P. Lorillard Company. None will be returned. P. Lorillard Company cannot be responsible for any solutions unduly delayed or lost in the mails; this also applies to mail from the P. Lorillard Company to any contestant. On entering the game, each contestant accepts the foregoing rules as binding. P. Lorillard Company reserves the right to disqualify any entrants not conforming. Evidence indicating collusion by or ineligibility of contestants will automatically disqualify such contestants. P. Lorillard Company reserves the right to correct any typographical errors or other errors which may appear in any published matter in connection with this game. P. Lorillard Co., insofar as publication of puzzles is concerned, is responsible only for submitting material for publication to newspapers involved.

Players to Stage Shaw's "Arms And the Man"

Casting for the first Campus Players' production has been completed, according to Professor Asher Wilson, director.

The "Players" will present George Bernard Shaw's "Arms and the Man" in early November, as a part of his centennial birthday celebration.

The leads will be played by Jim Jeffers and Rita Manness. Jeffers will portray Bluntschli, the soldier who carries chocolate creams with him instead of bullets. Miss Manness will play Raina, the woman that saves Bluntschli's life by shielding him from the enemy.

Jo Ann Garwood and Jim Keech will portray Raina's mother and father, Madade Petkoff and Major Ketkoff. Anita Taylor has the part of Louka, the maid who mar-

DEAN'S SON HONORED

Colonel Robert S. Palmer, son of Dean of the College of Engineering, Stanley G. Palmer, is one of 200 senior officers of the Armed Services to be chosen for the Army War College, the American military's highest educational institution.

Colonel Palmer, a 1937 graduate of the U. S. Military academy at West Point, has been decorated with the Silver Star, the Legion of Merit with Oak Leaf Clusters, and the Bronze Star medal.

ries Raina's intended. Walter Anderson will play the butler, Sergus, and Van Helse, the officer.

"Students interested in production, publicity, refreshments, play reading and casting are encouraged to participate in Campus Players," said Prof. Wilson.

THIRTY-FIVE FTA MEET WILL REVISE LAWS

A wiener roast marked the first meeting of the Future Teachers of America this year. Thirty-five students and six faculty members met by the fireplace at the north end of the hockey field noon, September 26.

Miss Marva Dee Edwards, FTA president, welcomed the new members and outlined activities for the coming year. It was decided that there be a revision of the outdated FTA constitution.

Officers for the FTA for the coming year are Marva Edwards, president; Katherine Ann Warner, secretary; Maria Anastassatos, treasurer, and Edith Ann Merryman, Historian.

The FTA is open to all students interested in teaching. The next meeting of the FTA has not yet been placed on the university calendar.

Record Enrollment at Nevada Twice Predicted Increase for U.S.

A record enrollment of students on both campuses of the University of Nevada, showing an increase of 17 per cent over last year, has been recorded this fall, according to William D. Carlson, dean of student affairs.

The new total of 2258 students tops the record figure of last year by over 300. A breakdown of the 2258 number shows 1752 day students on the Reno campus as compared to 1569 a year ago, and 506 at the Nevada Southern campus this year compared to 361 in 1955.

The enrollment of Nevada Southern has increased 40 per cent while the figures on the northern campus were up nearly 12 per cent and the University as a whole registered a 17 per cent gain, almost twice the increase predicted for colleges and universities throughout the country by the U. S. Office

of Education.

While registration is still in progress for evening and Saturday classes in Reno, the total on these figures will not be available until next week. Off campus registration in nearby communities for the extension program has not been completed either. Enrollment in these divisions does not count on the final total but shows over 450 students enrolled at the present time.

Largest single increase on the Reno campus was shown in undergraduate students who now number 1587 up from 1427 last year. Graduate students now number 73 as against 57 in 1955, and non-matriculated students number 72, as against last year's total of 57. Auditors this year were on the decline, however, registering only 20 as compared to 28 in 1955.

Down at the new Nevada Southern campus in Las Vegas the largest increase was noted among the non-matriculated registrants, with a figure of 253 over 174. Undergraduates and graduates combined number 241 as compared to 180 in 1955, while auditors increased from seven to 12 this year.

In the battle between the sexes however, the men still outnumber the women by more than two to one. This year men are up to 1309, the women to 592. In 1955, there were some 1155 men to 509 women.

Study in England Offered Here

A two-year scholarship at any British university, round trip boat fare, tourist class to England, and \$1,540 a year for living expenses, is available to students at the University of Nevada. The program is presented under the auspices of Britain's Marshall Scholarship Schemes, which was set up in 1953 as a token of Britain's appreciation for Marshall Plan aid.

Applications should be in as early as possible in October, and in any case not later than October 31, for the scholarship to be taken up in the fall of 1957.

Any American student of either sex, married or single, may apply for one of these awards. He or she must be under 28 and must have had three years of college education. Scholarships are awarded on the basis of character as well as grades.

Applications should be addressed to H. M. Consul General, in San Francisco, California. They should include details like preference for a university in Britain and study subjects.

Announcement of the winners is made in Washington each April 1 for the following October.

You Can Win a Cash Award—
and Scholarship Money for Your College in

Reader's Digest

\$41,000 CONTEST

Open to All College Students (*Faculty, too!*)

Nothing to buy...nothing to write

...and you may find you know more about
people than you think!

How well do you know human nature? Can you tell what subjects interest people most? Here is a chance to test your judgment—show how good an editor you are—and you may win \$5,000 for yourself, plus \$5,000 in scholarship funds for your college.

It's fun to try. Maybe you can top other students in colleges across the country... and you can match wits with the editors of Reader's Digest.

Why do far more college graduates read Reader's Digest than any other magazine? What is it that makes the Digest the most widely read magazine in the world—with 11 million copies bought each month in the United States, plus 9 million abroad? Why is it read each month by at least 60 million people, in 12 languages—Arabic, Danish, English, Finnish, French, German, Italian, Japanese, Norwegian, Portuguese, Spanish and Swedish?

Can you spot in a typical issue of Reader's Digest the universal human values that link scholars, statesmen, scientists, writers, businessmen, housewives? Can you pick out the articles that will be most popular with the average Digest reader?

You may find...you know more about people than you think!

Here's all you do. Study the descriptions (at right) of the articles in the October Reader's Digest—or, better still, read the complete articles in the issue itself. (But you are not required to buy The Reader's Digest to enter the contest.) Then simply list the six articles—in order of preference—that you think readers of the magazine will like best. This will be compared with a nationwide survey conducted among a cross section of Digest subscribers.

Follow the directions given below. Fill in the entry blank, paste it on a post card, and get it into the mail before the deadline. Additional blanks are obtainable at your college bookstore.

All entries must be postmarked not later than midnight, October 25, 1956. Don't delay. In case of ties, the entry with the earliest postmark will win.

Just pick in order the six articles
you think most readers of October
Reader's Digest will like the best.

READER'S DIGEST CONTEST, Box 4, Great Neck, L. I., New York

In the space opposite the word "FIRST" write the number of the article you think will be the most popular of all. Opposite the word "SECOND" write the number of the article you think will rank second in popularity. List in this way the numbers of the six top articles in the order of their popularity. (Note: Use only the numbers of articles you choose. Do not write the title of any article.) Clip and paste this coupon on a Government post card.

local college bookstore

And if your entry is the best from your college you will receive an extra award—an additional \$10 in book credit at your college bookstore.

FOLLOW THESE EASY RULES

1. Read the descriptions in this advertisement of the articles that appear in October Reader's Digest. Or better, read the complete articles. Then select the 6 that you think most readers will like best.

2. On the entry blank at left, write the number of each article you select. List them in what you think will be the order of popularity, from first to sixth place. Your selections will be judged by comparison with a national survey which ranks in order of popularity the 6 articles that readers like best. Fill in and mail the coupon. All entries must be postmarked not later than midnight, October 25, 1956.

3. This contest is open only to college students and faculty members in the U. S., excluding employees of The Reader's Digest, its advertising agencies, and their families. It is subject to all federal, state and local laws and regulations.

4. Only one entry per person.

5. In case of ties, entries postmarked earliest will win. Entries will be judged by O. E. McIntyre, Inc., whose decision will be final. All entries become property of The Reader's Digest; none returned.

6. All winners notified by mail. List of cash-prize winners mailed if you enclose a self-addressed, stamped envelope.

SF GATORS THUMP WOLF PACK, 32-20

By Bob Brown

The University of Nevada Wolf Pack opened their Far Western Conference football slate by dropping a 32-20 decision to the San Francisco State Golden Gators.

The experienced, aggressive Gators from San Francisco capitalized on the ragged first-half defensive play on the part of the Wolf Pack to build up a commanding lead.

The Gators' first-half scoring efforts were spearheaded by the running of quarterback Manuel Perry, whom Gator coach Joe Verducci calls "one of the best running quarterbacks ever to come from San Francisco State." On several occasions he got the Gators out of holes by running for long gains after it looked as though he were going to be thrown for huge losses.

The Gator scoring punch during this first-half rally was provided by halfbacks John Sochar and Bob Rordigo. Sochar scored twice on runs of 49 and 19 yards. Rodrigo, 195-pound little all-coast halfback scored once on a 52-yard jaunt.

The Gators' first touchdown came after Perry intercepted Jerry Nicholson's pass on his own 20-

Rodrigo. Sochar scored twice on Perry, seemingly trapped on about his own 10, wriggled loose and raced to the 48. On the next play Rodrigo ran through the middle 52 yards for the score. He added the conversion to make the score 7-0.

Nevada scored on the next series of plays after guard Joe Viani recovered a fumble on the Gator 26. Nicholson then passed to halfback Bill Bowser, who ran 30 yards for the Wolf Pack's first touchdown. Paul Skinner's conversion attempt was blocked and Nevada trailed 6-7.

The Gators scored once more before the end of the first quarter on a 49-yard run by John Sochar. Rodrigo's conversion attempt was blocked by end Clay Darrow, making the score 13-6.

The Gators scored early in the second period on a drive from their own 32. This drive was paced by the running of Rodrigo and two passes by Perry. Sochar circled his right end for the final 19 yards and the score. Ed Coats kicked the conversion, to make the score 20-6.

The Gators' fourth touchdown was set up on a 55-yard run by

halfback Sanford Malnick. A pass from quarterback Jim Sochar to end Ray Vallejo, advanced the ball to the Nevada 10. Two plays later, halfback Jim Pucetti ran for 9 yards and a touchdown. The conversion attempt was wide. San Francisco State lead 26-6.

Nevada threatened in the final minutes of the half, marching to the San Francisco 19. Nicholson passed to George Smith in the end zone, but the ball was knocked out of his hands. Sochar intercepted the next pass by Nicholson, ending the Nevada threat. The halftime score was 26-6.

In the third quarter, Ken Fujii started at quarterback for Nevada, working the ball deep into Gator territory when Jim Sochar intercepted a Fujii pass on his own 28. This started a march by the Gators for their final touchdown. A run around left end from the Nevada 12 by James Pucetti for a touchdown and a wide kick by Coats made the score 32-6 which was the score at the end of the quarter.

Early in the fourth Fred Haynes, Nevada guard, recovered a Gator fumble which started the Nevadans on a march toward their second touchdown. A penalty was assessed against the Gators for unsportsmanlike conduct, which placed the ball on the Gator one yard line.

From there Nevada's Skinner hit the center of the line for the TD. His conversion attempt was good and the score was then 32-17, in favor of the Gators.

Scheules Set For Basketball, Boxing

The University of Nevada basketball and boxing schedules for the coming year have been completed, according to G. A. (Art) Broten, Director of Health, Physical Education and Athletics.

The Wolf Pack will play a 20-game schedule this year. This schedule includes a two-game series with each of the Far Western conference schools.

The basketball opener will be a non-conference tilt against College of Idaho on Nov. 30 and Dec. 1 in Winnemucca. The Wolf Pack open its Far Western conference slate with a two-game series

Later in the fourth quarter Fujii and Gary Sanders worked the ball downfield on short passes and Sanders scored on a run around left end from the Gators' 12. Nevada made the conversion and the game ended shortly after with a final score San Francisco State 32, Nevada 20.

In the final quarter Bowser was injured and was carried off the field with an injured leg. He was unable to play throughout the balance of the game. Also injured was Walt Ryals, the Wolves' first string center, but he returned to play most of the second half. against the San Francisco State Golden Gators on Jan. 11 and 12, in Reno. This year the University of Nevada has been chosen to host

the Far Western Conference tourney. This tourney is held during the Christmas Holidays. Dates for the tourney are Dec. 27-28-29.

The Wolf Pack boxers will have five matches this season. The opening match finds the Wolf Pack hosting Chico State on Feb. 2. Other opponents include San Jose State, University of California, Cal Poly and Sacramento State.

Shakeup Is Seen For Next Game

In an effort to improve on the weak tackling and feeble blocking, which contributed handily to San Francisco State's 32-20 win over the Wolf Pack, coach Gordon McEachron has announced that he will start a freshman and sophomore dominated line-up in tonight's game against the powerful Cal Aggies.

Commenting on this shake-up in the line-up, McEachron stated, "that the showing of these underclassmen and the lack of spirit on the part of several of the veteran players was what had caused the change."

Ken Fujii, veteran junior, will return to the starting line-up as quarterback. He was one of the sparks in Nevada's second half rally against San Francisco State. "This is no reflection on Jerry Nicholson," McEachron pointed out, because he had very little protection from San Francisco's hard-charging line in the first half of last week's game."

Other changes in the Wolf Pack line-up include Fred Haynes, who won a starting guard berth on the basis of his performance last week. The 170-pounder from Hawthorne, Calif., was one of the outstanding Wolf Pack linemen.

Chuck Walker, 6'4", 215-pound freshman from Sparks will get the nod at one of the end spots.

George Ball, 170-pound center from Las Vegas, will start at center. Another change will find Frank (Bud) Brainard starting in the backfield.

Minor leg injuries were suffered by Walt Ryals and Bill Bowser against San Francisco State, but they should be ready for action Saturday.

The Cal Aggies will bring an undefeated and unscored upon team to Reno for Saturday's game. They have beaten Pacific University 19-0, and blanked the Cal Ramblers (U. of California Junior Varsity), 26-0.

They are led by fullback Lonnie Cagle, whom Wolf Pack mentor McEachron said "is the best runner that I've looked at this year—superior to the Idaho State and San Francisco ball-packers who beat us."

The Cal Aggies were rated as

Flying Lessons Offered Students

Flying lessons are being offered at the Reno municipal airport to qualified college students who are interested in obtaining a private pilot's license. The complete course will cost \$360.00 and can be financed.

Students must be sixteen years of age or over and able to pass a third class physical examination to qualify.

A third class physical examination consists of an eyesight test. A person must have 60-20 vision or better or vision correctable to 20-30.

The program is being offered by Alfred Butler, owner of the Sparks Flying Service. All lessons will be given in late model aircraft.

Finance arrangements for the entire course are \$25.00 down and \$8.00 weekly. The course complies with all Civil Aeronautics administration regulations.

Lessons will be given seven days a week, and flying schedules will be made so that students will not have conflicts with classes at the university.

In cases where a student can not satisfactorily complete the course with forty hours of flying time, there will be no additional cost to the student for the remaining hours necessary to complete the course.

After receiving the private pilot's license the student may take additional training to obtain a commercial pilot's license.

PARLEZ-VOUS FRANCES ?

"Parlez-vous francais"? The French club, "Circle Francais," will meet to speak French and see slides showing scenes of France on Tuesday, October 9, at 7:15 p.m. in the Snack Bar in the basement of Stewart hall.

Prof. John Gottardi, advisor to the group, will show his collection of slides of various French scenes. A short business meeting followed by French songs will climax the meeting. Refreshments will be served after the meeting.

'31, '46, '51 GRADS TO BE HONORED

Graduates of the years '31, '46, and '51 are to be honored at this year's Homecoming, October 27.

William D. Parish, president of the University of Nevada Alumni association, stated that plans call for a free buffet dinner-dance at 9 p.m. at a local hotel. Grads, friends, and former students will dance to the music of Paul Jones and his band. This is the climax of the Homecoming weekend.

Final arrangements are still to be finished. Committee chairmen will be appointed in the next few days.

2000 Attend Summer Sessions

The 1956 University of Nevada summer sessions were the largest in the school's history. The enrollment in the various sessions held at Reno, Elko, Ely, Las Vegas, and Winnemucca exceeded two thousand, including students from 31 states, Alaska, Hawaii, and Canada. An additional three hundred were enrolled in one or more of the special conferences held in various fields.

More than seventy per cent of the student registration consisted of teachers, supervisors, and administrators enrolled on either undergraduate or graduate level.

A highlight of the summer's activities was the coaching school. Two hundred and fifteen coaches from the Rocky Mountain and Western states attended the clinic and conference which featured Charles "Bud" Wilkinson from the University of Oklahoma, an expert on football, and Adolph Rupp, basketball expert, from the University of Kentucky.

Plans are being made now for next year's session, which will be conducted on a larger scale for all the schools on the campus.

SUNDOWNER TRYOUTS SCHEDULED FOR SUNDAY

Try-outs for Sundowners will be held at Idlewild park, Sunday at 2:00 p.m.

The Sundowners are a social club dedicated "to promote good fellowship" among the students at the University of Nevada.

To be qualified for membership, the student must be male, a high sophomore or above, and an active member in a fraternity or living group. Any veteran can qualify without these requirements.

Louie Porta, president of the club, suggests that interested students can contact any Sundowner member on campus for further information.

LD's PLEDGE TEN

Ten new members were pledged by Lambda Delta Sigma in the annual pledge party last Friday evening.

The LDS organization for University of Nevada campus youth held its pledge picnic last Friday evening at Virginia Lake. New members were pledged at a campfire ceremony and received their books. Officers of the organization gave speeches and talks for the members.

New members of Lambda Delta Sigma are Sheila Zail, Clinton Perkins, Elmer Cottom, Nancy Jones, Ron Elson, Joel Cooper, Clairine Cooper, Chuck Mueller, Don Fallon, and Jean Fallon.

Officers of Lambda Delta Sigma are: men's president, George Woodward and women's president, Marie Kurtz; men's vice president, Arthur Clayson and women's vice president, Marilyn Feathers; secretary, Bonnie Stewart; treasurer, Clark Reber; advisor, Brother Ladd Cropper.
