FOUR FROSH SPEAK

Four freshmen are running this year for freshman class manager. They are:

Jim Gardner:

"I have been working for better organization in the Freshmen Class" were the words of Jim Gardner, Sigma Nu candidate for president of the Freshman class. "I want the freshmen to get off to a good start, so that we'll have a stronger class in later years."

A native Nevadan, eighteen-year-old Jim attended White Pine county schools through his freshman year in high school. During that year he was president of his class. For the past three years Jim has been enrolled at Reno high, where he was the president of the junior class and the Block "A" association. He lives with his parents, Mr. and Mrs. J. H. Gardner at 1545 Stewart.

Jim is 5' 9" tall, weighs 160 pounds, and has dark brown hair and brown eyes. His main field of interest is engineering and "keeping the freshmen enthusiastic."

Jim Keech:

Jim Keech, the candidate for freshman class president from Lambda Chi Alpha, states his platform as "a stronger voice in student government and a unified freshman class."

After graduating from Hartford high school in Hartford, Mich., in 1951, Jim served 4½ years in the United States air force. In high school his main interest was football, but due to an injury, Jim will not go out for the Wolf Pack until next year.

This only real out-of-state candidate stands 6'1", weighs 235 pounds, and has brown hair and blue eyes.

George Allison:

George Allison, Sigma Alpha Epsilon's candidate for Freshman class president, graduated from Carson City high school last year. Although George was born in Denver, Colorado, in 1938, he has lived most of his life in Nevada.

During his eight years of schooling in Carson City, George was elected president of the Freshman and Junior classes, secretary of Block "C" and president of the band. He attended Boys' State where he was elected Governor.

Besides wanting the freshmen to "get rid of their dinks" at the Soph-Frosh field day, George wants to go out for baseball and basketball here. He stands 6'2", weighs 190 and has brown hair and blue eyes.

"I would like to have the job of Freshman class manager," George said, "to unify the Freshman class in all its functions. I want the class to have more activities this year than ever before, and to coordinate with the other classes for better student government."

Frank Wheeler:

"I advocate more participation

AAUP Criticizes UN Administration

President Minard W. Stout of the University of Nevada said that the American Association of University Professors' AAUP report, which recently criticized certain administrative policies, was "what we expected."

The AAUP report was a result of problems that existed between faculty and administration from time to time during the past few years.

Dr. Stout declared that, "I don't believe there is any case where the AAUP has decided in favor of administration." He had no other comments to make.

In the AAUP's quarterly bulletin, where the 32-page report appeared, it said that the regents and the university president should be "condemned" for trying to punish faculty members who oppose the administration's educational policy. It also stated that the principles for academic tenure had been violated.

The article was entitled "Academic Freedom and Tenure; The University of Nevada," and it criticized the administration for attempting to fire Dr. Frank Richardson, a professor of biology, in 1953, because he was supposed to have been a member of a "dissenting minority" at the University. The report said that there was no foundation for the charge that such a group existed.

FORMER LAMBDA CHI KILLED IN AUTO WRECK

John Buchanan, a U. of N. graduate, was killed early Sunday near Fort Sill, Oklahoma, when his late-model sports car crashed into a culvert.

Buchanan, a Lambda Chi serving as a second lieutenant in the infantry, would have celebrated his twenty-fifth birthday Tuesday.

by members of the freshman class in the campus life of the University of Nevada, academic societies, social activities and in all events for the welfare of our class." These are the words of Frank Wheeler, Independent candidate for the president of the freshman class.

Frank was born Sept. 20, 1937, in Hobbs, New Mexico. From there he went to Downey, California, where he received his early education and graduated from Downey high school in 1955. While in school there, Frank was elected president of the junior class, president of the "Helldivers" skin diving club and president of the Presbyterian church group.

Main interests of Frank's included football, track, swimming, riflery and drama. Besides participating in these sports in high school, he was a champion chess player in the chess club.

Former Student Shot

Thomas Davis, a former University of Nevada student, was shot in the upper right thigh Saturday when his .22 caliber pistol accidentally misfired as he attempted to draw it from a holster.

Davis was taken to Washoe Medical center where doctors treated the wound.

The accident occurred about 25 miles south of Gerlach where he and three companions were hunting. Roger Iverson, Lambda Chi, one of the group, took Davis to the hospital.

The other two hunters in the party were Frank Sullivan and Keith Ernst, both members of Alpha Tau Omega.

Approve Request For New Building

A request for \$642,000 has been approved by the regents for a new classroom building to house the departments of language, history and political sciences.

The request will now be sent to the State Planning commission for its approval. Indications are that the new classroom building will be erected on the present site of Stewart hall.

Stewart hall is one of the three oldest buildings on the university campus. Built in 1899, it was first used as an experiment station and has been used for classroom space and office space.

It is currently being used to teach modern languages, history, political science and to provide limited office space for faculty.

NEVADANS WIN AF AND MARINE BARS

Don Neff, University student, graduated from a 12-week Air Force pre-flight training school at Lackland, Texas. Neff will now enter the first phases of flight school and upon completion will win wings and a lieutenant's bar.

Billy McClain completed a six week Platoon Leaders Class at Quantico, Virginia. He will be eligible for a second lieutenant's rank in the Marine Corps when he graduates.

MATH CLUB TO HEAR TALK ON SYSTEMS

The first meeting of the University of Nevada Math club will be held October 18 in room 221 Mackay Science building at 7 p.m. Preceding the Math club meeting, Phi Mu Epsilon, honorary math society will meet at 7 p.m.

Guest speaker at the Math club meeting will be Lon S. McGirk, assistant professor of geology at the University. His topic will be "Crystallographic Coordinate Systems."

The meeting is open to anyone. Refreshments will be served.

Summer Steel Strike May Delay UN Building

Three building projects on the university campus costing nearly two million, four hundred thousand

shortage of structural steel.

Robert Poolman, university engineer, explained this week that the shortage of steel is caused by the nation-wide steel strike of last summer. Companies are now receiving limited shipments of steel, but the overall out-look is a steel shortage on campus.

The lack of adequate steel has already caused some slowing of the work on the Max C. Fleischmann College of Agriculture building, and the Sarah Hamilton School of Home Economics building.

The new agriculture building is being constructed by the Walker Boudwin Construction Company. Work on the foundation is underway, but the scarcity of structural steel will slow future progress, and it is even possible that work may be stopped for several weeks while steel orders are being filled, Poolman said.

The home economics building is being constructed by Frank Capriotti Construction company. The steel problem for this building is the same as that for the agriculture building.

The third building which may be delayed by the steel strike is the Jot Travis Memorial Student Union building, now being constructed by the W. H. Hines Construction company. It has not yet reached the point where the steel shortage is causing serious concern. The steel shortage might well cause a temporary suspension of work if deliveries do not get better, Poolman said.

The only bright spot in the university building project is the new classroom building, constructed by J. C. Dillard Construction company, which has acquired all the steel it needs for construction.

SATURDAY SEND-OFF ARRANGED FOR TEAM

A short rally will be held tomorrow at 10 a.m. to see the Nevada Wolf Pack off to meet the Chico Wildcats. Simmie Cooper, head cheerleader, urges those interested in giving the team a good send-off to meet in front of the dining hall.

The team will leave for Chico directly after the rally. "The boys would surely appreciate a good send-off," coach Gordy McEachron commented.

The cheerleaders, songleaders, and the band are leaving tomorrow about noon.

PIN HO!

Sigma Alpha Epsilon initiated four new members today at the chapter house. Those receiving their pins were: Jack Scott, Reno; Doug Hobson, Fallon; Wayne Kramer, Alturas, Calif., and Alan McVey, Winnemucca.

14 NAMED TO JR. CLASS COMMITTEE

Fourteen members have been named to the Junior Class committee for the coming year, Bill Thornton announced this week.

Thornton is president of the Junior Class committee, and Marie McDonough has been named secretary.

Other members are: Cameron Samuels, Joanne Rogero, Suzi Kuypers, Marva Edwards, Kaleo Brandt, Vernon Pursel, Mike Dewees, Chuck Fulkerson, Dick Delsegues, Don Bernard, Dan Hulse and Vernon Durkee.

The Junior Class committee's biggest affair is the annual Junior Prom usually held at the Riverside or Mapes hotels.

Fashion Board Completes Fall Clothing Duties

Over two hundred college women have taken advantage of services offered by a College Fashion board which completes its fall duties tomorrow. The Board, working at a downtown women's clothing store, is composed of five co-eds. They are Toni DeReynier, Pi Beta Phi; Mary Lee Metzker, Kappa Alpha Theta; Nedra Norton, Delta Delta Delta; Wuanita Combs, Gamma Phi Beta, and Gay Hansen, Independent.

The Board's duties are to inform incoming freshmen and upperclass women of the latest fashion trends and appropriate dress for university functions, classroom and social activities. The members also answer any additional questions about college activities which may help the new student.

Each year a board is chosen from applicants on the basis of their flair for fashion and general knowledge of campus activities. Mrs. Lillian Gilbert, manager of the store, selects the members with the assistance of Associated Women Student Council members.

The Fashion board also helps to plan the annual AWS fashion show, presented this year September 22 at a downtown hotel.

Last year's board consisted of Nancy Hewins, Pi Phi, Evelyn Titus, Tri Delt, Barbara Cavanaugh, Theta, Jean Lagomarsino, Gamma Phi, and Sandra Mitts, representing the Independents.

dollars will be delayed because of

UN Faculty Meet In Nev. So. Council

Four UN faculty members are on their way to Las Vegas this week-end to participate in a meeting of the Nevada Council Teachers of English being held under the auspices of Nevada Southern. It is expected the meeting will draw some 150 delegates from University, high school and elementary school English departments.

Dean William R. Wood, UN academic vice president is slated to take part in several discussion panels while Dr. Burton C. Newbry of the College of Education and Dr. Paul Eldridge of the English department will hold a discussion on the teaching of literature on the high school and college levels.

Dr. Charles Frank, English department chairman and Dr. Lauren Brink, Nevada Southern English

professor will discuss the University's English program.

The theme of the conference will be "From Kindergarten to College—The English Language Arts," announced Chairman James Dickinson, Resident director at Nevada Southern.

The feature speaker, Mrs. Louella B. Cook, President, National council of teachers of English, will deliver an address entitled "What NCTE Offers Teachers of English and the Language Arts." Mrs. Cook is the author of many educational books and a former leader in Minneapolis schools.

The meeting will open Friday, October 12th with Mrs. Cook's address. The panel groups will hold discussions on Saturday. Topics of the various panels will be: English

HOSTS FROSH WOMEN

Alpha Tau Omega Mother's club gave its annual tea Wednesday in honor of the freshmen women. ATO members assisted as hosts for the affair. Dancing highlighted the afternoon.

Mrs. Al Ross, president of the club, greeted the guests and Mrs. R. Rice was in charge of the guest book. Refreshments were served by Mrs. Dino Martini, Mrs. Walter Trabert, and Mrs. J. Richard Hughes.

Guests, besides the freshman girls, were: Mrs. Minard Stout, Mrs. William Carlson, Mrs. Nellie Corle, Mrs. Belle Drew and Mrs. P. G. Auchampaugh.

and language arts programs in college, high school and elementary school levels; remedial problems in high school and elementary

SOCIAL CALENDAR CHART EXPLAINED

The Associated Students of the University, under the leadership of Chuck Coyle, have worked out a new idea for this year's social calendar.

"An actual chart, just like a regular calendar," Chuck said, "will be presented at each Senate meeting. Any club that wants something on the calendar must have the information in to the ASUN office by four o'clock on the Friday before Senate meetings."

The first social calendar will be out Oct. 17.

SIGMA ALPHA EPSILON AT LAWTON'S TONIGHT

Sigma Alpha Epsilon will hold its Fall pledge dance at Lawton's Hot Springs tonight.

Music for the affair will be provided by Jack Riemers and his band.

The dance is under the direction of Buster Sewell and Jim Laporte, social chairman.

Guests of the S.A.E.'s will be Mrs. Auchampaugh, house mother; Bill Kronmeyer, president of S.A.E. Alumni association, and Dr. and Mrs. William C. Miller.

Jack stalks giant in his joint

OR WITH THESE EGGS, WHO NEEDS BACON?

There once lived a crazy, mixed-up old giant. He lived at the top of a beanstalk and he got his kicks out of a little red hen. Of course, that wasn't bad, because that chicken laid golden eggs.

Now down at the bottom of the stalk lived our boy, Jackson. Our boy was low on loot and his mother . . . man, she wasn't making it at all. The feedbag was M. T. So Jackson started thinking of a way to get loot fast: "How," said he to himself, "could I get that frantic chicken away from that character upstairs?" He looked around the hut for something to trade—How about an old piano roll? Mom's bifocals?

Uncle Looley's plectrum banjo? Wait a minute!!! In the cistern was a six-can carton of Budweiser! So he gets the Bud and sashays up the stalk. Well, citizens, there's no use dragging this Budweiser bit out: The giant buys the Bud, gives Jackson the hen, mom's doing great and so will you if you're up to date. Get Budweiser, man . . . it's the world's favorite beer!

All cisterns . . . and brotherns, too, for that matter . . . should discover that there is a difference in beers. This Budweiser . . . it is the most.

Prof. Attend Las Vegas Meet

"How to arouse student interest in literature" will be one of the problems discussed at a meeting of English teachers from Southern Nevada. The meeting is to be held in Las Vegas today and tomorrow.

Louella B. Cook, president of the National Council of Teachers of English, is the main speaker.

A summary of the University of Nevada freshmen English program is scheduled to be given by Dr. Charles E. Frank, associate professor of English at the University of Nevada.

Also attending the meeting from the University of Nevada will be Doctors Paul E. Eldridge, Burton C. Newbry, and Dean William R. Wood.

TRI DELTS DANCE THIS EVE AT RAY'S

Delta Delta Delta will hold its Pledge dance this evening at 9 o'clock at the Gaynor Room of Ray's Drive Inn.

The affair is under the direction of Social Chairman Josie Aufdermaur. Pat McCulley is in charge of decorations.

Guests will include Dr. and Mrs. Asher B. Wilson, and members of the Tri Delta advisory board.

What's This Who's Who

Nominations for "Who's Who in American Universities and Colleges" for 1957 will be accepted at the Office of the Dean of Student Affairs from now until 4 p.m. Monday, October 22.

Any organization or individual wishing to nominate a senior student who has shown qualities of leadership, integrity of character, and promise of effective leadership in post-college life may get a nomination form from Dean Carlson.

Only students of regular senior standing in the University of Nevada may be considered. A student is not eligible if he has been selected for "Who's Who" in the past, if he has less than a 2.0 grade point average, or if he is on probation.

The information needed to complete the form such as total number of credits registered, past and total grade points, may be secured from the Office of the Registrar.

Any questions regarding "Who's Who" nominations will be answered at the Office of the Dean of Student Affairs.

Bitter, bitter blows the wind.

Foreign Service Career Offered

Foreign Service opportunities and the Foreign Service selection process will be explained October 19 by Edward S. Little of the United States Department of State. Interviews will be held in the Senate room of the ASUN building at 9:00 a.m. and 1:30 p.m.

Written examination for the Foreign Service will be held December 8, 1956. Candidates must be no younger than twenty and no older than thirty-one, and a United States citizen for nine years.

Apply

Application for the one-day written examination must be received by the Board of Examiners in Washington, D. C., before midnight October 26, 1956.

Candidates that pass the test will be appointed as officers to serve in any of the 268 Embassies, Legations or Consulates abroad as well as in the Department of State in Washington, D. C. Starting salaries are scaled according to the officer's qualifications, experience and age. Salaries will range from \$4,750 to \$5,350 per year.

Mr. Little is a native of Ohio and a graduate of Swarthmore college and the Fletcher School of Law and Diplomacy. Prior to serving in the Navy during World War II, he worked for two years as an economist in the United States Department of Agriculture. In 1947, after a brief assignment with the Office of Price Administration, Mr. Little was appointed to the Department of State where he worked as an international economist and foreign affairs officer. In 1951 he was assigned to Madrid as attache and economist. He is currently serving as a Foreign Service officer with the Division of Economic Development in the Department of the State in Washington.

U of N Directory Release Seen

The University of Nevada directory will be published "within the next two weeks," Robert Laxalt, University editor, has announced.

The directory, which will include the names and telephone numbers of all staff members and students, is being compiled in the editor's office for the first time this year. It formerly was made-up by the clerical staff in the president's office.

"We have been faced with corrections," Laxalt said, "but still hope to have the directory finished at an earlier date than it has been in previous years."

The YWCA, which has handled the distribution of the directory in previous years, has not decided to handle it again this year.

Editorial

Adieu and Aloha

This editorial is merely to say hello.

Before saying this, I would like to compliment Ken Robbins on the excellent job he has done on the Sagebrush. Like most jobs, it takes a lot of time and energy late into the night. Ken has recently become the father of a baby girl, which means he now has two children. This, in addition to his interning on the downtown papers, and working downtown has left him with very little time. Time is something that can't be expanded when the need arises. Twenty-four hours make up a day, and that's it.

I will certainly try to do as competent a job in editing the Sagebrush as Ken has done. It is a privilege, but also a responsibility.

The paper will attempt to cover everything it possibly can in its news columns, but if some organization or activity is being neglected, we would appreciate a call.

I am going to fool around with some different types of make-up in the paper, which are not of tremendous interest to the general student body, but which simply fascinate me, on the grounds that a student paper is for experimentation.

A policy editorial, such as this is in part, never says much anyhow, that the appearance of the paper itself doesn't say much better later, so I'll close with this thought.

LAMBDA CHI ALPHA AND "AUTUMN TEA"

Lambda Chi Alpha held its "Autumn Tea" honoring freshman women Sunday evening at the fraternity house.

All freshman women were invited. Dancing, refreshments and entertainment rounded out the evening, with members of Lambda Chi active as hosts for the affair.

The women were conducted through the newly completed and newly furnished fraternity house.

Entertainment was provided by Al Creel, Rusty Ballinger, Jim Keech, Charlie Myerson and Ron

Moroni, who was master of ceremonies for the program.

Invitations to the affair were also extended to all the sorority house mothers.

Social chairman Bob Faiss headed the committee that planned the event.

On top of old Smokey, all covered with soot.

Wanted—Cartoonist. Swell pay. Long hours. Much glory. (Much).

Martin Mumbles

By Diane Martin

And another semi-unromantic week on the hill slips past . . . a big, fat total of two pinnings and one engagement was recorded.

Aside from the fact that somebody actually left a tip for a waitress in the Wolf Den, nothing much else in the earth-shaking line of events has come to pass . . .

But have faith . . . eventually most people have to fall in love (or so they say), and then we'll have news . . .

And in the meantime, thanks go to Danny Sullivan, Ted Osgood, and Buster Sewell for keeping romance on the campus alive . . .

Taking the only pinning honors for this week was Marie McDonough . . . her Theta sisters, while not actually shocked over her pinning, were nevertheless a little surprised that the big event finally came to pass . . . we were beginning to think that Sigma Nu Danny Sullivan was going to pull another Don Travis act . . . go with his gal three years before he hangs his pin . . .

The Sundowners had a guest at their last meeting . . . things were slightly subdued when Jan Chiatovich chaperoned the meeting last Friday night for the men in the black hats . . . seems Gary Brock, Ernie Soumbeniotis, and Phil Hannifan kidnapped that sharp Gamma Phi, and gave her the title of Honorary Sundowner for the evening . . .

SAE Buster Sewell announced his pinning to Independent Pat Kelley last week . . . and so to Pat go the honors of being the first freshman of the year to sport a frat pin.

One of the more consistent couples on campus as of late is Theta Pat Cordes and Tau Lee Hansen . . . judging from Pat's sign-out card at the KAT house, Lee must be her best friend . . .

Seen at the game last Friday night: SAE Bob Costello and Theta pledge Ellie Glenn . . . Sigma Nu Sid Muck and Theta Mary Reckers . . . Tau George Wilkinson and Pi Phi Toni De-Reynier . . . Tri-Delt Pat Lamoreaux and ATO George Nelson . . . Gamma Ph Suzy Schwartz and Bobby Ernst . . . DDD Mary Frances Tucker and Joe Leal . . . Trudy Caddel and her father . . . Carol Gardenswartz, of Triangle-Triangle-Triangle and SAE Steve Dollinger . . .

SAE Ted Osgood and Marion Brandis are engaged, as of September 30th . . .

Crew-cuts are the latest gung-ho action . . . the campus leaders are setting the pace . . . Chuck Coyle (ASUN Pres.), Braden Stauts (Men's Senator-at-Large), Gary Brock (IFC Pres.), and Don Rasmussen (Yell King) all look slightly more than terrific with the new haircuts . . . Don Travis and Hank Rilling are vaguely contemplating kicking out \$1.75 in order to go along with the gang . . .

Don't panic, ladies, but here's a good one: seems Breezy Howard, ATO, was driving away from the Theta house last Thursday night after bidding good-night to his fiancée Jay Powell, when John Law stopped him and asked B. H. what he was doing

there . . . Buh-reeze replied that he had just taken his girl home. The officer thereupon apologized and explained that they were checking everyone in the vicinity . . . seems that they had had a Peeping Tom report . . . so pull the lower curtains closer, those of you who reside on the 800 block of North Sierra . . . Big Brother may be watching . . .

I want a girl just like the girl who uses pink shampoo. She is the girl with the only curl that says I love you true. An advertisement girl with hair so keen, One who will always keep it clean, I want a girl just like the girl who uses pink shampoo.

Let's go South-American and revolt.

BASKETBALL TRYOUTS

First practice for the 1956-57 Wolf Pack Varsity will be held in the gym at 4:00 p.m. Monday, October 15th.

Although freshmen are eligible for Varsity basketball, they will not turn out for this practice. A call for freshmen will be made the second week in November.

October 15th is two weeks earlier than the NCAA and Far West-

ern Conference rule allowed last season, but this year will find all college teams breaking out the rubber soled shoes next Monday.

Students who report for practice Monday must furnish their own personal equipment, former Varsity and Junior Varsity members included.

Football players who are interested in playing basketball on the

Varsity this year will not report until the end of the football season. They will be given plenty of opportunity at that time.

Prospects for the basketball season seem very bright with a large number of both Varsity and Junior Varsity players from last year's squads as well as several prospects who were ineligible for various reasons last season, and some

new potential players on the campus.

Students turning out are reminded of the following eligibility rules:

Freshmen are eligible.

Players must be currently carrying a class schedule of 11 hours.

Players who are not freshmen must have earned at least 10 credit

hours in their last semester in college.

Transfers from Junior colleges who meet the above requirements are eligible to compete on the Varsity.

Transfers from Standard colleges are not eligible until they have completed one (1) calendar year at Nevada.

Preface:

At a special meeting called late last night, all members of the Associated Students University of Nevada student senate were read

and issued a formal statement written and prepared by Dr. John Morrison, chairman of the finance control board.

Student senators were urged to take the formal statement back to their respective fraternities, sororities, and living groups to be

read and discussed.

The statement is printed below in its entirety.

October 11, 1956

The Board of Finance Control of ASUN wishes to make the following statement to the members of the ASUN Senate:

1. On Saturday morning, September 15, 1956, Dr. John W. Morrison, Chairman of the Board, was informed by Mr. James McNabney, Graduate Manager and Manager of the Bookstore, of a discrepancy in bookstore receipts acquired as against receipts expected for the period ending November 30, 1955. The Board for this year had not yet been appointed, since confirmation of student members awaited the Senate action the following week. Accordingly, Dr. Morrison conferred that evening with Professor Alden J. Plumley, the second faculty member of the board. Copies of the audit, performed by the firm of Elwyn P. Freemonth were given to Dr. Morrison by Mr. McNabney on Monday, September 17.

2. Professors Morrison and Plumley conferred with the auditing firm on Tuesday, September 18, at which time they learned that the discrepancy could not be accounted for on the grounds of clerical error or some other inadequacy of auditing procedures.

3. Professors Morrison and Plumley agreed that Dr. Morrison was obligated to inform the McHenry Investigating Committee of the problem. A letter was sent to Dr. Dean McHenry dated September 20, 1956, receipt of which was acknowledged by return mail.

4. By this time the new members of the Board were confirmed, and Dr. Morrison asked Mr. Chuck Coyle, ASUN President and Board member, to call a meeting for Monday afternoon, September 24, the earliest possible time. Dr. Morrison apprised the Board of the problem and of steps taken to that point. Meetings followed daily for several days, during which the following steps were taken.

5. On Tuesday evening, September 25, the Board agreed that further action could not ensue without the aid of competent legal counsel.

6. On Wednesday, September 26, Mr. Sam Francovich, Reno City Attorney and prominent Nevada Alumnus, was engaged by the Board to serve as our attorney.

7. Mr. Francovich immediately began negotiations with the bonding company, which negotiations are still pending.

8. Meanwhile the Board has from the beginning felt an obligation to inform proper authorities, the administration, and of course, the students, to whom we are primarily obligated. Accordingly, an appointment was made with Dr. Stout for the afternoon of Monday, October 1. Present were the Board, Mr. Francovich, Dr. Stout, Mr. Hayden, and Dean Carlson. During the discussion, Dr. Stout expressed his wish to consult with Mr. Harvey Dickerson, Attorney General of the State of Nevada. Mr. Dickerson appeared before the above group, less one member of the Board and Mr. Francovich, on Thursday, October 4. He gave his opinion, among other things, that the State did not have jurisdiction in this matter.

9. Mr. Francovich has apprised Mr. William Raggio, Assistant District Attorney, of the problem in the District Attorney's absence.

10. As can be seen, the Board has tried to follow orderly and sensible procedures from the outset. It is determined to continue so doing. Recognizing that many persons have become aware of the situation, and suspecting that others would learn of it by rumor, with all the attending implications of misinformation and unwarranted speculation, the Board moved on Wednesday, October 10, to present the problem to the ASUN Senate in the form of this statement.

11. The Board wishes to state, in the most emphatic language possible, that it is not in possession of facts sufficient to warrant charges. We remain absolutely firm in our determination to protect the innocent and to refrain from damaging the possible course of future investigations by being a party to any kind of accusation. If and when culpability can be shown, the Board will, of course, proceed. Until and unless positive evidence can be found, the Board will make no accusation whatsoever, nor will it accept the slightest responsibility for any charges or accusations originating from any other source whatsoever. In this, our legal counsel and Mr. Dickerson concur, again in emphatic terms. Simple honesty and decency in behalf of many persons leave no other course possible at this time.

Respectfully submitted,
ASUN BOARD OF FINANCE CONTROL
(Signed) Dr. John Morrison, Chairman

JM:dm

In a question and answer period that followed the senate meeting, Dr. Morrison stated that the supposed discrepancy is estimated between three and four thousand dollars.

When asked when the supposed discrepancy occurred, Morrison stated that it was presumed to be in September or October of 1955.

Two Students Run For Nevada Offices

Two University of Nevada students are running for public offices in the state of Nevada. Jim Hart and Patrick Culver, both active members of the Young Democrats, are seeking office in Storey and Elko counties respectively.

Jim Hart is vying with Democratic incumbent Gino Del Carlo for the office of county commissioner of Storey county. Hart defeated both Del Carlo and another Democratic candidate in the primary.

Hart is a 23-year-old, junior student at the university. He is a mathematics major and a member of Alpha Tau Omega. His current activities include Young Democrats of which he is president, Blue Key, and the Upperclassmen's committee.

Hart was born in San Diego, California, but has lived in Virginia City since the age of 3. In Virginia City high school, he served as student body president, was class president for 4 consecutive years, edited the annual in his senior year, and was captain of the basketball team.

Upon leaving high school, Hart served 2 years in the Navy in the Seabees unit. He was a power lineman in French Morocco and Cuba while in the service.

Last year, Hart was appointed to the executive committee of Washoe county. If he is elected in November, Hart will be the youngest county commissioner to have ever served in Storey county.

Pat Culver is running for the office of state assemblyman in Elko county and is the youngest of eight candidates for office.

Of the eight candidates, four are Republicans and four are Democrats. The general election will decide which four will be elected to office.

Culver is a 25 year-old, senior student who will graduate in January of 1957. His major is psychology and his activities include the Young Democrats and Ski club. Culver became a member of Sigma

MESA SCENE OF DANCE

The Mesa will be the scene of Pi Beta Phi's pledge dance to be held this evening at 9. Toni De-Reynier, social chairman, is in charge of the dance.

Guests will include Dr. and Mrs. William Stucky, Mr. and Mrs. Sam Basta, and Mrs. Nellie Corle, house mother.

KATS HOLD PLEDGE DANCE

Kappa Alpha Theta will hold its pledge dance in the Theta house this evening, under the direction of Cameron Samuels.

Dr. and Mrs. J. E. Moose and Mr. and Mrs. Boyce Ford will be guests. Music is to be provided by Stan Rensky and his band.

Pi while attending the University of California at Berkeley.

Leaving school in 1952, Culver served 2 years in Korea in the Army Signal corps. He resumed his studies when he returned in 1954.

Culver is a native of Montello, Nevada and attended Montello high school. He was class president in his freshman, sophomore and junior years in high school, and also played basketball.

Having done legal research work in Elko county, Culver tentatively plans to attend law school after graduation from the university.

Boone, Hudlow Meet With Tree

Grant B. Hudlow and John Boone, students at the University of Nevada, received minor injuries Friday in an auto accident. Hudlow's car, in which both were riding, swerved out of control at Wells avenue and Cheney street. The car left three hundred feet of skid marks, hit two parked cars and a parked truck, and then smashed head-on into a tree.

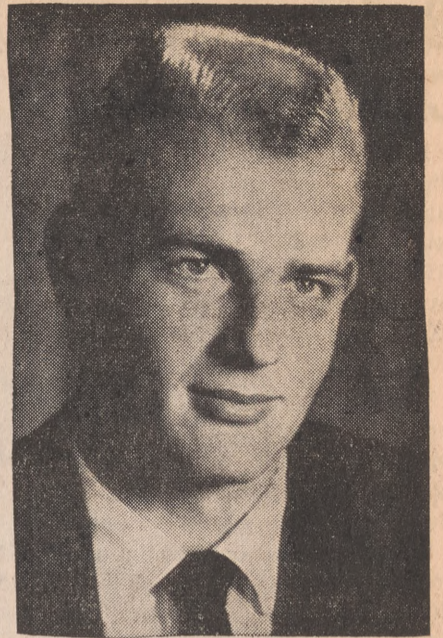

Hudlow, the driver, was cited for reckless driving. Both men were taken to Washoe Medical Center. The driver was released after treatment, while Boone was held overnight for observation.

Hudlow's turn, according to skid marks, measured by investigating officers, began on Wells avenue one hundred feet from the intersection and headed north.

He then made a westbound turn. The '41 sedan clipped one car, bounced off another, swerved across the street and then back to hit the truck and tree.

Hudlow told police he had been chasing the principals of a wedding party.

Brokaw Predicts Chances Good

Prospects are "very good" for the rifle team to repeat some of last year's award winning performances. Master Sergeant Elmer N. Brokaw, team coach, said that five of the lettermen from last year's championship team will be returning.

Terry Katzer, one of the best collegiate rifle shots in the nation, will return with: Dick Mills, Bill Rusk, John Middlebrook, and Gene Espin.

Several promising freshman will probably see service in the matches. Larry Gedney and Dave Wheeler were mentioned by Sergeant Brokaw as possible firers.

Postal Match

The first match of the season is the St. Bonaventure Postal Matches of New York. In postal matches teams fire on their home ranges and mail their scores to a central group, in this case

Terry Katzer

St. Bonaventure. This match has no effect on league competition and is used only to give teams a chance to compare scores with those of other schools.

The big match of the season will come in November. It is the Eastern Washington College of Education Invitational Matches to be held on their home ground at Cheney, Washington. This match Nevada won last year.

Trophies Given

The annual inter-fraternity bean feed was held Monday, October 9 in the University of Nevada dining hall. Trophies were given for intramural sports and scholarship.

The Kinnear Trophy was presented to Alpha Tau Omega for winning the most points in last year's competition. Individual trophies awarded were: scholarship, Phi Sigma Kappa; badminton singles, Theta Chi; badminton doubles, Sigma Alpha Epsilon; riflery, Lambda Chi Alpha; volleyball, Sigma Nu; basketball, Alpha Tau Omega; skiing, Sigma Nu; horseshoes singles, Alpha Tau Omega; horseshoes doubles, Lincoln hall.

Softball, Alpha Tau Omega; homecoming cross-country race, Sigma Nu; table tennis singles, Theta Chi; Table Tennis doubles, Sigma Alpha Epsilon; track, Alpha Tau Omega; bowling, Sigma Nu; handball singles, Sigma Nu; handball doubles, Sigma Nu; tennis

singles, Sigma Nu; tennis doubles, Alpha Tau Omega; baseball, Alpha Tau Omega.

Guests at the dinner were G. A. Broten, director of health, physical education, and athletics; William D. Carlson, Dean of student affairs; Lt. Col. R. L. Bereuter, professor of military science and tactics; J. E. "Doc" Martie, professor of health, physical education, and athletics; and C. M. Scranton, associate professor of health, physical education, and athletics.

Broten was master of ceremonies, and introduced the guests. Lt. Col. Bereuter awarded the rifle team prizes. Dean Carlson gave the scholarship awards. The individual trophies were presented by Broten, while the Kinnear Trophy was awarded by "Doc" Martie.

"Doc" Martie was the featured speaker and talked on the Kinnear Trophy and the intramural sports program.

The Inter-fraternity council was in charge of putting the bean feed on. Gary Brock was chairman

WOMEN'S VOLLEYBALL

Independents and Kappa Alpha Theta won the best two out of three games against Delta Delta Delta and Gamma Phi Beta in the first games of the season held last Tuesday at 4 in the new gym. Pi Beta Phi will have its first games next week.

"The new game of triplets is being used for the first time this year in Women's Recreational Association competition," states Evelyn Ames, WRA president. "This game was developed by Dr. Ruth Russell and Miss Jacqueline Wilson of the University P. E. department. Each team is composed of only three players instead of the customary eight or nine, and the ball may be relayed back and forth as many times on one side as is necessary."

Each living group on campus is being represented by a pledge team and an active team. Eight of the ten teams play every Tuesday with the other two teams passing each week. Winners are decided by the best two out of three games.

Pennie Molineux, volleyball manager, has expressed the hope that the games will move more rapidly and smoothly with the new team system and play-off method.

Members of a WRA council have been appointed from each sorority and the Independents to assist in organizing women's sports. The women are Diane Oldenburg, Tri Delt; Letitia Sawle, Pi Phi; Kaye Reid, Theta; Joyce Wilson, Gamma Phi, and Joan Tobler, Independent.

PRODUCT OF *The American Tobacco Company* AMERICA'S LEADING MANUFACTURER OF CIGARETTES

McEachron Forsees Tough Game Ahead

"All our games will be tough from here on out because of our lack of experience." Coach Gordon McEachron made this statement as his winless Wolfpack drilled in preparation for this weekend's game against the Chico State Wildcats.

"Chico in particular will be tough on us," he added, "after losing to Los Angeles State by 7-0 and Southern Oregon by 27-25. Chico didn't expect to lost any of its games this season—and last year the Wildcats beat Nevada by a 47-0 score.

Adding to McEachron's woes was a doctor's announcement that two gridders will miss the next two games as a result of injuries sustained in the game last week against the Cal Aggies.

George Smith, 165-pound halfback, is suffering from sprained ligaments in his right knee. The oft-injured Smith has played outstanding ball for the Wolf Pack on several occasions this season. He turned in an outstanding performance against San Francisco before being injured late in the game.

Bill Finney, 240-pound frosh tackle, also is suffering from a knee injury. Finney played an outstanding game in the season opener against Idaho State, which merited him a starting position against San Francisco State. Both Smith and Finney will be sidelined for from 10 days to three weeks.

McEachron reports that he is "quite pleased," with the Wolf Pack's showing last Saturday nite, despite the 27-19 loss. The Wolf Pack led in the game on three different occasions, but a last quarter rally by the Aggies turned the tide in their favor.

The Aggies' hitherto unpenetrated goal line was no problem to the Pack early in the game as their offense, under the direction of quarterback Ken Fujii scored two first half touchdowns.

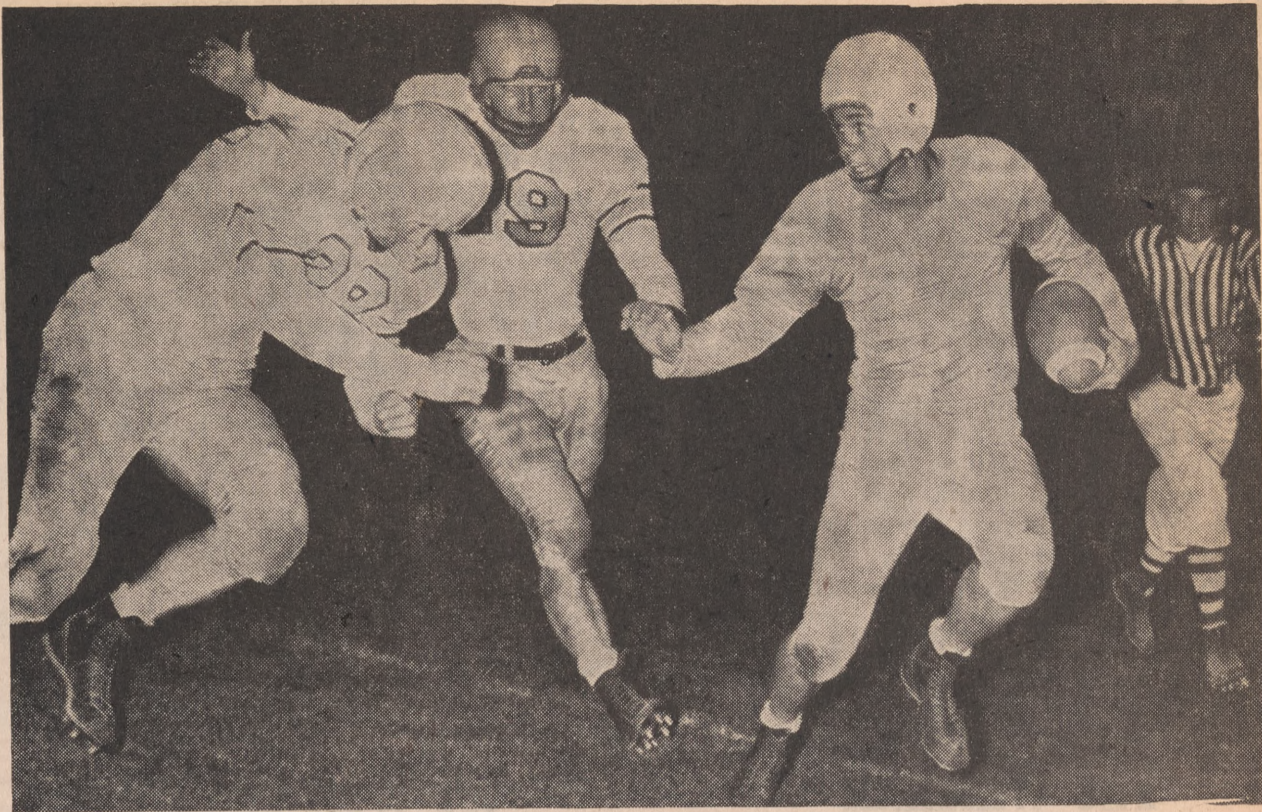

The Nevada mentor was especially pleased with the running of frosh halfback Frank (Bud) Brainard, who returned an Aggie punt 85 yards for the Wolf Pack's first score. In addition to this punt return he gained 129 yards in 14 attempts to lead the Pack in rushing. McEachron also praised Fujii whom he said "looked really sharp in what was probably his best game to date."

Commenting on the line play McEachron cited 210-pound sophomore end Wally Rusk for his sturdy play. Other outstanding linemen included tackles Dave Adams and Marv Baker, and frosh guard Fred Haynes.

The Gus Manolis coached Wildcats will have many returnees bolstering the squad which last season won the Far Western conference championship. Among these returnees is Ernie Matlock, junior fullback, who was chosen on last year's Little All-Coast first team. Another veteran is Don Ray, senior quarterback, who is regarded as an outstanding passer. Veteran linemen include: Mose Mastelotto, and Bob Barram, last season's starting wingmen; Don Brophy, tackle, and Ron Gallino, guard.

In addition to the two losses to date, the Wildcats have one win. They shut out Alameda Navy 26-0 in the season opener.

Coach McEachron declined to predict a win for the Wolf Pack, but added—"our spirit is very high and we hope we can upset the

Macias Enters Olympic Trials

Sammy Macias, University of Nevada boxer entered the Olympic trials at Stockton, California, last night.

According to Jimmy Olivas, coach of the University of Nevada team Macias is in top shape. He has been in training for several weeks in preparation for the fights.

The tournament in Stockton will be among competitors from eight western states and Hawaii, featuring elimination bouts for boxers seeking to participate in the nationals.

Macias has lost over 20 pounds

since the beginning of his training period. He will fight in the 119-pound class. In this class Macias has won the Pacific Coast Inter-collegiate crown twice and holds it at the present time. He was also runner-up in the National Collegiate Athletic Association championships last year.

Macias boxed two years at the University of Nevada before entering the Army. His two year hitch was spent boxing on Army teams. While in the Army he won the Sixth Army crown in the 119-pound class.

Macias is head of the boxing department at the Reno YMCA.

Macias, a Sigma Nu, is president of Block N

SN PLEDGE DANCE HELD AT LAWTON'S

Sigma Nu held its' annual Fall Pledge dance at Lawton's Hot Springs Friday night.

Decorations were made-up of small paddles suspended over the dance floor. On one side of the paddle was the name of the pledge, and on the other side, the name of the member who had been assigned his big brother.

Guests at the affair were Dr. and Mrs. Paul F. Secord.

The staff is out of work and looking for a job.

The Democrats have picked Adilly.

A Campus-to-Career Case History

Roger Lindblom (left) discussing a construction job with J. R. Young, Wire Chief of Huron, S.D.

"I'm learning more every day—and like it"

Roger Lindblom, B.S. in General Engineering, Iowa State College, '49, is today District Plant Superintendent for the 11,000 square miles of the Huron, South Dakota, district.

"The openings are there," says Roger, "and the telephone company trains you to fill them. I joined Northwestern Bell in 1950 and spent one year learning pole line and cable construction. This, plus short periods in other departments, gave me a good telephone background.

"My experience really grew when I became an installer-repairman, then a construction crew foreman, and, in 1952, Wire Chief at South Sioux City, Nebraska. There I was responsible for the 3500 dial phones that served the town.

In March of 1954 I went to Grand Island, Nebraska, to help supervise dial conversion projects in that district. Everything I'd learned to date came in handy on that job.

"A year later I went to Omaha on a staff assignment, and in March, 1956, I moved up to my present position.

"I head a group responsible for installing and maintaining Plant equipment in the Huron district. We supervise ordering and distributing supplies, and I'm responsible for personnel and employment. I work with other department heads in the administration of our district.

"Each assignment I've had has been broader than the last, and believe me, the more I learn, the better I like it."

Roger Lindblom is one of many young men who are finding rewarding careers in Bell Telephone Companies, Bell Telephone Laboratories, Western Electric and Sandia Corporation. See your placement officer for more information on career opportunities in the Bell Telephone System.

GABRIEL DOOM

Once every month Gabriel Doom Locked himself up in a sound-proof room; Then he laughed out loud and rocked with glee At a life that was funny as life could be! He laughed at the weather, sunny on Monday . . . rainy on Saturday, rainy on Sunday. He laughed at the news so loaded with grief that an ax murder came as a pleasant relief! He cried, "what with worry, hurry, and strife you couldn't ask for a funnier life!"

MORAL: In this fast-moving world it's good to sit loose, relax and enjoy the real satisfaction of a real smoke . . . a Chesterfield. More real flavor, more satisfaction and the smoothest smoking ever, thanks to Accu-Ray.

Take your pleasure big! Smoke for real . . . smoke Chesterfield!

VOLLEYBALL OPENS

Intramural volleyball started on Wednesday in the new gymnasium.

Three games are played each day of competition. On Wednesday Sigma Nu played Sigma Alpha Epsilon, Hartman hall played Theta Chi, and Lambda Chi Alpha met Alpha Tau Omega. Thursday's games were Sigma Alpha Epsilon, Sigma Nu, and Hartman hall, against Theta Chi, Alpha Tau Omega and Lambda Chi Alpha respectively.

Three more days of competition are scheduled. Tomorrow Sigma Alpha Epsilon, Theta Chi, and Sigma Nu, meet Alpha Tau Omega, Lambda Chi Alpha, and Hartman hall, respectively. Next Wednesday Sigma Alpha Epsilon, Alpha Tau Omega, and Theta Chi are pitted against Lambda Chi Alpha, Hartman hall and Sigma Nu.

The last day of the competition is Thursday, October 18, with Sigma Alpha Epsilon, Lambda Chi Alpha, and Alpha Tau Omega seeing Hartman hall, Sigma Nu, and Theta Chi respectively.

Major Sports

Volleyball, a major sport in the intramural program, was won by Sigma Nu last year.

All games are to be played at 7 p.m., except the ones tomorrow at 2 p.m. Teams failing to report within ten minutes after the scheduled time will forfeit the game.

"There should be no postponements," stated G. A. Broten, director of the program. "If necessary there should be agreements between the athletic managers and the intramural supervisor."
